records indicating that a patient is infected with the HIV if the disclosure is made to the spouse of the patient, or to an individual whom the patient has, during the process of professional counseling or of testing to determine whether the patient is infected with such virus, identified as being a sexual partner of such patient.

(b) A disclosure under this section may be made only if the physician or counselor, after making reasonable efforts to counsel and encourage the patient to provide the information to the spouse or sexual partner, reasonably believes that the patient will not provide the information to the spouse or sexual partner and that the disclosure is necessary to protect the health of the spouse or sexual partner.

(c) A disclosure under this section may be made by a physician or counselor other than the physician or counselor referred to in paragraph (b) of this section if such physician or counselor is unavailable by reason of extended absence or termination of employment to make the disclosure.

(Authority: 38 U.S.C. 7332(b))

§ 1.489 Audit and evaluation activities.

Subject to the provisions of 38 U.S.C. 5701, 38 CFR 1.500–1.527, the Privacy Act (5 U.S.C. 552a), 38 CFR 1.575–1.584, and the following paragraphs, patient medical records covered by §§1.460 through 1.499 of this part may be disclosed outside VA for the purposes of conducting audit and evaluation activities.

(a) Records not copies. If patient records covered by §§1.460 through 1.499 of this part are not copied, patient identifying information may be disclosed in the course of a review of records on VA facility premises to any person who agrees in writing to comply with the limitations on redisclosure and use in paragraph (d) of this section and:

(1) Where audit or evaluation functions are performed by a State or Federal governmental agency on behalf of VA;

(2) Who is determined by the VA facility director to be qualified to conduct the audit or evaluation activities.

(b) Copying of records. Records containing patient identifying information may be copied by any person who:

(1) Agrees in writing to:

(i) Maintain the patient identifying information in accordance with the security requirements provided in §1.466 of this part (or more stringent requirements); and

(ii) Destroy all the patient identifying information upon completion of the audit or evaluation; and
