(1) A fair summary of the rights and liabilities of an individual whose application is approved by VA and whose acceptance agreement is consummated by VA; and

(2) Full description of the terms and conditions that apply to participation in the VIOMPSP and service in VA.

§ 17.630 Selection of VIOMPSP participants.

(a) *General.* In deciding which VIOMPSP applications to approve, VA will first consider applications submitted by applicants entering their final year of education or training. Applicants will be evaluated and selected using the criteria specified in paragraph (b) of this section. If there are a larger number of equally qualified applicants than there are awards to be made, then VA will first select veterans, and then use a random method as the basis for further selection.

(b) *Selection criteria.* In evaluating and selecting participants, VA will take into consideration those factors determined necessary to assure effective participation in the VIOMPSP. These factors will include, but are not limited to, the following:

(1) Academic performance;

(2) Work/volunteer experience, including prior rehabilitation or health care employment and VA employment;

(3) Faculty and employer recommendations; or

(4) Career goals.

(c) *Notification of approval.* VA will notify the individual in writing that his or her application has been accepted and approved. An individual becomes a participant in the program upon receipt of such approval by VA.

(d) *Duration of VIOMPSP award.* VA will award a VIOMPSP scholarship for a period of time equal to the number of years required to complete a program

of study leading to a degree in orientation and mobility, low vision therapy, or vision rehabilitation therapy, or a dual degree. The number of years covered by an individual scholarship award will be based on the number of school years that the participant has yet to complete his or her degree at the time the VIOMPSP scholarship is awarded. Subject to the availability of funds, VA will award the VIOMPSP as follows:

(1) *Full-time scholarship.* A full-time scholarship is awarded for a minimum of 1 school year to a maximum of 4 school years;

(2) *Part-time scholarships.* A part-time scholarship is awarded for a minimum of 1 school year to a maximum of 6 school years.

§ 17.631 Award procedures.

(2) The total amount of assistance provided under the VIOMPSP for an academic year to an individual who is a full-time student may not exceed \$15,000.00.

(3) The total amount of assistance provided under the VIOMPSP for an academic year to a participant who is a part-time student shall bear the same ratio to the amount that would be paid under paragraph (a)(2) of this section if the participant were a full-time student as the coursework carried by the participant to full-time coursework.

(4) The total amount of assistance provided to an individual may not exceed \$45,000.00.

(5) In the case of an individual enrolled in a program of study leading to a dual degree described in § 17.627(a)(1), such tuition and fees will not exceed the amounts necessary for the minimum number of credit hours to achieve such dual degree.

(6) Financial assistance may be provided to an individual under the VIOMPSP to supplement other educational assistance to the extent that

(b) *Repeated course work.* Additional costs relating to the repeated course work will not be paid under this program. VA will resume any scholarship payments suspended under this section upon notification by the school that the participant has returned from the leave-of-absence or has satisfactorily completed the repeated course work and is pursuing the course of study for which the VIOMPSP was awarded.

(b) *Beginning of service.* A participant's obligated service will begin on the date on which the participant obtains any required applicable credentials and when appointed as a full-time clinical VA employee in a position for which the degree prepared the participant. VA will appoint the participant to such position as soon as possible, but no later than 90 days after the date that the participant receives his or her degree, or the date the participant obtains any required applicable credentials, whichever is later. If a participant fails to obtain his or her degree, or fails to obtain any required applicable credentials within 180 days after receiving the degree, the participant is considered to be in breach of the acceptance agreement.

(c) *Duration of service.* The participant will agree to serve as a full-time clinical VA employee for 3 calendar years which must be completed no later than 6 years after the participant has completed the program for which the scholarship was awarded and re-

(d) *Location and assignment of obligated service.* VA reserves the right to make final decisions on the location and assignment of the obligated service. A participant who receives a scholarship must agree as part of the participant's mobility agreement that he or she is willing to accept the location and assignment where VA assigns the obligated service. Geographic relocation may be required.

(e) *Creditability of advanced clinical training.* No period of advanced clinical training will be credited towards satisfying the period of obligated service incurred under the VIOMPSP.
