§ 3.461 Dependency and indemnity compensation.

(a) *Conditions under which apportionment may be made.* The surviving spouse's award of dependency and indemnity compensation will be apportioned where there is a child or children under 18 years of age and not in the custody of the surviving spouse. The share for the surviving spouse will be the difference between the children's share and the total amount payable. In the application of this rule, however, the surviving spouse's share will not be reduced to an amount less than 50 percent of that to which the surviving spouse would otherwise be entitled.

(2) The additional amount of aid and attendance, where applicable, will be added to the surviving spouse's share and not otherwise included in the computation.
