(2) Blindness in both eyes, having only light perception, plus the anatomical loss or loss of use of one lower extremity,

(3) The loss or loss of use of one lower extremity together with residuals of organic disease or injury which so affect the functions of balance or propulsion as to preclude locomotion without the aid of braces, crutches, canes, or a wheelchair,

(4) The loss or loss of use of one lower extremity together with the loss or loss of use of one upper extremity which so affect the functions of balance or propulsion as to preclude locomotion without the aid of braces, crutches, canes, or a wheelchair,

(5) The loss or loss of use of both upper extremities such as to preclude use of the arms at or above the elbow, or

§3.810 Clothing allowance.

(a) Except as provided in paragraph (d) of this section, a veteran who has a service-connected disability, or a disability compensable under 38 U.S.C. 1151 as if it were service connected, is entitled, upon application therefore, to an annual clothing allowance, which is payable in a lump sum, as specified in this paragraph.

(1) *One clothing allowance.* A veteran is entitled to one annual clothing allowance if—

(i) A VA examination or a hospital or examination report from a facility specified in §3.326(b) establishes that the veteran, because of a service-connected disability or disabilities due to loss or loss of use of a hand or foot compensable at a rate specified in §3.350(a), (b), (c), (d), or (f), wears or uses one qualifying prosthetic or orthopedic appliance (including, but not limited to, a wheelchair) which tends to wear or tear clothing; or

(ii) The Under Secretary for Health or a designee certifies that—

(A) A veteran, because of a service-connected disability or disabilities, wears or uses one qualifying prosthetic or orthopedic appliance (including, but not limited to, a wheelchair) which tends to wear or tear clothing; or

(B) A veteran uses medication prescribed by a physician for one skin condition, which is due to a service-connected disability, that causes irreparable damage to the veteran's outergarments.

(2) *More than one clothing allowance; multiple types of garments affected.* A veteran is entitled to an annual cloth-

ing allowance for each prosthetic or orthopedic appliance (including, but not limited to, a wheelchair) or medication used by the veteran if each appliance or medication—

(i) Satisfies the requirements of paragraph (a)(1) of this section; and

(ii) Affects a distinct type of article of clothing or outergarment.

(3) *Two clothing allowances; single type of garment affected.* A veteran is entitled to two annual clothing allowances if a veteran uses more than one prosthetic or orthopedic appliance, (including, but not limited to, a wheelchair), medication for more than one skin condition, or an appliance and a medication, and the appliance(s) or medication(s)—

(i) Each satisfy the requirements of paragraph (a)(1) of this section; and

(ii) Together tend to wear or tear a single type of article of clothing or irreparably damage a type of outergarment at an increased rate of damage to the clothing or outergarment due to a second appliance or medication.

(b) Effective August 1, 1972, the initial lump sum clothing allowance is due and payable for veterans meeting the eligibility requirements of paragraph (a) of this section as of that date. Subsequent annual payments for those meeting the eligibility requirements of paragraphs (a) of this section will become due on the anniversary date thereafter, both as to initial claims and recurring payments under previously established entitlement.

(c)(1) Except as provided in paragraph (c)(2) of this section, the application for clothing allowance must be filed within 1 year of the anniversary date (August 1) for which entitlement is initially established, otherwise, the application will be acceptable only to effect payment of the clothing allowance becoming due on any succeeding anniversary date for which entitlement is established, provided the application is filed within 1 year of such date. The 1-year period for filing application will include the anniversary date and terminate on July 31 of the following year.
