

Armed Forces Retirement Home

Pt. 200, App. C

A.4(c) Disposal of fixtures, related personal property, demountable structures, and transmission lines in accordance with management requirements.

A.4(d) Disposal of properties where the size, area, topography, and zoning are similar to existing surrounding properties and/or where current and reasonable anticipated uses are or would be similar to current surrounding uses (e.g., commercial store in a commercial strip, warehouse in an urban complex, office building in downtown area, row house or vacant lot in an urban area).

A.4(e) Demolition, removal and disposal of debris from the demolition or improvement of buildings and other structures neither on nor eligible for listing on the National Register of Historic Places and when under applicable regulations (*i.e.*, removal of asbestos, polychlorinated biphenyls (PCBs), and other hazardous material) when other environmental laws and regulations will be satisfied prior to the of demolition, removal and disposal.

A.4(f) Relocations and realignments of employees and/or residents from one geographic area to another that: Fall below the thresholds for reportable actions and do not involve related activities such as construction, renovation, or demolition activities that would otherwise require an EA or an EIS to impellent. This includes reorganization and reassignments with no changes in employee and/or resident status, and routine administrative reorganizations and consolidations.

APPENDIX B TO PART 200—THE ACTION REQUIRING AN ENVIRONMENTAL ASSESSMENT

The following actions are not considered to be major Federal actions significantly affecting the quality of the human environment and, therefore, require an Environ-

mental Impact Statement (EIS) nor are considered a categorical exclusion as defined in these regulations and would require the preparation of an Environmental Assessment (EA):

B.1 Construction on previously disturbed property where there is the potential for an increase in traffic and people.

APPENDIX C TO PART 200—ACTIONS REQUIRING ENVIRONMENTAL IMPACT STATEMENT

The following actions are considered to be major Federal actions significantly affecting the quality of the human environment, and therefore must be the subjects of EIS, as indicates may have significant environmental effects:

C.1 Acquisition of space by Federal construction or lease construction, or expansion or improvement of an existing facility, where one or more of the following applies:

C.1(a) The structure and/or proposed use are not substantially consistent with local planning and zoning or any applicable State or Federal requirements.

C.1(b) The proposed use will substantially increase the number of motor vehicles at the facility.

C.1(c) The site and scale of construction are not consistent with those of existing adjacent or nearby buildings.

C.1(d) There is evidence of current or potential environmental controversy.

C.2 Space acquisition programs projected for a substantial geographical area (e.g., a metropolitan area) for a 3-to-5-year period or greater (Note: a Programmatic EIS is often appropriate here, from which subsequent EISs and EAs can be tiered).
