(1) A participant may receive rental assistance for a maximum of 8 months during a 3-year period, such period beginning on the date that the grantee first pays rent on behalf of the participant. The rental assistance may be for rental payments that are currently due or are in arrears, and for the payment of penalties or fees incurred by a participant and required to be paid by the participant under an existing lease or court order. In all instances, rental assistance may only be provided if the payment of such rental assistance will directly allow the participant to remain in permanent housing or obtain permanent housing.

(2) Rental assistance must be paid by the grantee directly to the third party to whom rent is owed.

(3) As a condition of providing rental assistance, the grantee must help the participant develop a reasonable plan to address the participant’s future ability to pay rent. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

To make this determination, the grantee should consider:

(i) The location, quality, size, type, and age of the unit; and

(ii) Any amenities, housing services, maintenance, and utilities to be provided by the property owner. Comparable rents can be checked by using a market study, by reviewing comparable units advertised for rent, or using a note from the property owner verifying the comparability of charged rents to other units owned by the property owner. Prior to providing rental assistance in the form of payment of penalties or fees incurred by a participant, the grantee must determine that such penalties or fees are reasonable.
(5) With respect to shared housing arrangements, the rent charged for a participant must be in relation to the size of the private space for that participant in comparison to other private space in the shared unit, excluding common space. A participant may be assigned a pro rata portion based on the ratio derived by dividing the number of bedrooms in their private space by the number of bedrooms in the unit. Participation in shared housing arrangements must be voluntary.

(6) Rental assistance payments cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State, or local housing subsidy program.

The payment for utilities may be for utility payments that are currently due or are in arrears, provided that the payment of such utilities will allow the participant to remain in permanent housing or obtain permanent housing.

(2) Payments for utilities must be paid by the grantee directly to a utility company. Payments for utilities only will be available if a participant, a legal representative of the participant, or a member of his/her household, has an account in his/her name with a utility company or proof of responsibility to make utility payments, such as cancelled checks or receipts in his/her name from a utility company.

(3) As a condition of providing payments for utilities, the grantee must help the participant develop a reasonable plan to address the participant’s future ability to pay utility payments. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(4) Payments for utilities cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State, or local program.

The payment of such deposit must allow the participant to remain in the participant’s existing permanent housing or help the participant to obtain and remain in permanent housing selected by the participant.

(4) As a condition of providing a security deposit payment or a utility deposit payment, the grantee must help the participant develop a reasonable plan to address the participant’s future housing stability. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(5) Security deposits and utility deposits covering the same period of time in which assistance is being provided...
through another housing subsidy program are eligible, as long as they cover separate cost types.

(6) Grantees may require participants to share in the cost of the security deposit or utility deposit as a condition of receiving assistance with such deposit.

(d) Moving costs. Payment of moving costs to help the participant to obtain permanent housing.

(1) A participant may receive assistance with moving costs a maximum of one time in every 3-year period, such period beginning on the date the grantee pays moving costs on behalf of a participant.

(2) Moving costs assistance must be paid by the grantee directly to a third party. Moving costs assistance includes reasonable moving costs, such as truck rental, hiring a moving company, or short-term storage fees for a maximum of 3 months or until the participant is in permanent housing, whichever is shorter.

(3) As a condition of providing moving costs assistance, the grantee must help the participant develop a reasonable plan to address the participant’s future housing stability. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(4) Moving costs assistance payments cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State, or local program.

(5) Grantees may require participants to share in the cost of moving as a condition of receiving assistance with moving costs.

(e) Purchase of emergency supplies for a participant. (1) A grantee may purchase emergency supplies for a participant on a temporary basis. The costs for such emergency supplies shall not exceed $500 per participant during a 3-year period, such period beginning on the date that the grantee first pays for an emergency supply on behalf of the participant.

(2) The costs of the emergency supplies must be paid by the grantee directly to a third party.

(f) Other. Other services as set forth in the Notice of Fund Availability or as approved by VA that are consistent with the Supportive Services for Veteran Families Program. Applicants may propose additional services in their supportive services grant application, and grantees may propose additional services by submitting a written request to modify the supportive services grant in accordance with §62.60.

§62.35 Limitations on and continuations of the provision of supportive services to certain participants.

(a) Continuation of the provision of supportive services to a participant classified under §62.11(a)(2). If a participant classified under §62.11(a)(2) does not become a resident of permanent housing within the originally scheduled 90-day period, the grantee may continue to provide supportive services to a participant classified under §62.11(a)(2) for such time that the participant continues to meet the requirements of §62.11(a)(2).

(b) Limitations on the provision of supportive services to participants classified under §62.11(a)(3). (1) A grantee may provide supportive services to a participant classified under §62.11(a)(3) until the earlier of the following dates:

(i) The participant commences receipt of other housing services adequate to meet the participant’s needs; or

(ii) Ninety days from the date the participant exits permanent housing.

(2) Supportive services provided to participants classified under §62.11(a)(3) must be designed to support the participants in their choice to transition into housing that is responsive to their individual needs and preferences.

(c) Continuation of supportive services to veteran family member(s). If a veteran becomes absent from a household or dies while other members of the veteran family are receiving supportive services, then such supportive services must continue for a grace period following the absence or death of the veteran. The grantee must establish a reasonable grace period for continued participation by the veteran’s family
§ 62.36 General operation requirements.

(a) Eligibility documentation. Grantees must verify and document each participant’s eligibility for supportive services and classify the participant under one of the categories set forth in §62.11(a). Grantees must certify the eligibility and classification of each participant at least once every 3 months.

(b) Confidentiality. Grantees must maintain the confidentiality of records kept on participants. Grantees that provide family violence prevention or treatment services must establish and implement procedures to ensure the confidentiality of:

(1) Records pertaining to any individual provided services, and

(2) The address or location where the services are provided.

(c) Notifications to participants. (1) Prior to initially providing supportive services to a participant, the grantee must notify each participant of the following:

(i) The supportive services are being paid for, in whole or in part, by VA;

(ii) The supportive services available to the participant through the grantee’s program; and

(iii) Any conditions or restrictions on the receipt of supportive services by the participant.

(2) The grantee must provide each participant with a satisfaction survey which can be submitted by the participant directly to VA, within 45 to 60 days of the participant’s entry into the grantee’s program and again within 30 days of such participant’s pending exit from the grantee’s program.

(d) Assessment of funds. Grantees must regularly assess how supportive services grant funds can be used in conjunction with other available funds and services to assist participants.

(e) Administration of supportive services grants. Grantees must ensure that supportive services grants are administered in accordance with the requirements of this part, the supportive services grant agreement, and other applicable laws and regulations. Grantees are responsible for ensuring that any subcontractors carry out activities in compliance with this part.

§ 62.40 Notice of Fund Availability.

When funds are available for supportive services grants, VA will publish a Notice of Fund Availability in the FEDERAL REGISTER. The notice will identify:

(a) The location for obtaining supportive services grant applications;

(b) The date, time, and place for submitting completed supportive services grant applications;

(c) The estimated amount and type of supportive services grant funding available;

(d) Any priorities for or exclusions from funding to meet the statutory mandates of 38 U.S.C. 2044 and VA goals for the Supportive Services for Veteran Families Program;

(e) The length of term for the supportive services grant award;

(f) The minimum number of total points and points per category that an applicant or grantee, as applicable, must receive in order for a supportive services grant to be funded;

(g) Any maximum uses of supportive services grant funds for specific supportive services;

(h) The timeframes and manner for payments under the supportive services grant; and
§ 62.50 Supportive services grant agreements.

(a) After an applicant is selected for a supportive services grant in accordance with §62.23, VA will draft a supportive services grant agreement to be executed by VA and the applicant. Upon execution of the supportive services grant agreement, VA will obligate supportive services grant funds to cover the amount of the approved supportive services grant, subject to the availability of funding. The supportive services grant agreement will provide that the grantee agrees, and will ensure that each subcontractor agrees, to:

(1) Operate the program in accordance with the provisions of this part and the applicant’s supportive services grant application;

(2) Comply with such other terms and conditions, including recordkeeping and evaluation purposes, as VA may establish for purposes of carrying out the Supportive Services for Veteran Families Program, in an effective and efficient manner; and

(3) Provide such additional information as deemed appropriate by VA.

(b) After a grantee is selected for renewal of a supportive services grant in accordance with §62.25, VA will draft a supportive services grant agreement to be executed by VA and the grantee. Upon execution of the supportive services grant agreement, VA will obligate supportive services grant funds to cover the amount of the approved supportive services grant, subject to the availability of funding. The supportive services grant agreement will contain the same provisions described in paragraph (a) of this section.

(c) No funds provided under this part may be used to replace Federal, State, tribal, or local funds previously used, or designated for use, to assist very low-income veteran families.

§ 62.60 Program or budget changes and corrective action plans.

(a) A grantee must submit to VA a written request to modify a supportive services grant for any proposed significant change that will alter the supportive services grant program. If VA approves such change, VA will issue a written amendment to the supportive services grant agreement. A grantee must receive VA’s approval prior to implementing a significant change. Significant changes include, but are not limited to, a change in the grantee or any subcontractors identified in the supportive services grant agreement; a change in the area or community served by the grantee; additions or deletions of supportive services provided by the grantee; a change in category of participants to be served; and a change in budget line items that are more than 10 percent of the total supportive services grant award.

(1) VA’s approval of changes is contingent upon the grantee’s amended application retaining a high enough rank to have been competitively selected for funding in the year that the application was granted.

(2) Each supportive services grant modification request must contain a description of the revised proposed use of supportive services grant funds.

(b) VA may require that the grantee initiate, develop and submit to VA for approval a Corrective Action Plan (CAP) if, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee’s program description provided in the supportive services grant agreement.

(1) The CAP must identify the expenditure or activity source that has caused the deviation, describe the reason(s) for the variance, provide specific

(Authority: 38 U.S.C. 501, 2044)
proposed corrective action(s), and provide a timetable for accomplishment of
the corrective action.
(2) After receipt of the CAP, VA will send a letter to the grantee indicating
that the CAP is approved or disapproved. If disapproved, VA will make
beneficial suggestions to improve the proposed CAP and request resubmis-
sion, or take other actions in accordance with this part.
(c) Grantees must inform VA in writing of any key personnel changes (e.g.,
new executive director, supportive services grant program director, or
chief financial officer) and grantee address changes within 30 days of the
change.

§ 62.61 Procedural error.
If an applicant would have been selected but for a procedural error com-
mitted by VA, VA may select that applicant for funding when sufficient
funds become available if there is no material change in the information
that would have resulted in the applicant’s selection. A new application will
not be required for this purpose.
(Authority: 38 U.S.C. 501, 2044)
§ 62.62 Religious organizations.
(a) Organizations that are religious or faith-based are eligible, on the same
basis as any other organization, to participate in the Supportive Services
for Veteran Families Program under this part. In the selection of applicants, the
Federal government will not discriminate for or against an organization on the
basis of the organization’s religious character or affiliation.
(b)(1) No organization may use direct financial assistance from VA under
this part to pay for any of the following:
(i) Inherently religious activities, such as religious worship, instruction,
or proselytization; or
(ii) Equipment or supplies to be used for any of those activities.
(2) For purposes of this section, “indirect financial assistance” means Federal
assistance in which a service provider receives program funds through a voucher,
certificate, agreement, or other form of disbursement, as a result
of the independent and private choices of individual beneficiaries. “Direct fi-
nancial assistance” means Federal aid in the form of a grant, contract, or co-
operative agreement where the independent choices of individual bene-
ficiaries do not determine which organizations receive program funds.
(c) Organizations that engage in inherently religious activities, such as
worship, religious instruction, or proselytization, must offer those services
separately in time or location from any programs or services funded with direct
financial assistance from VA under this part, and participation in any of the
organization’s inherently religious activities must be voluntary for the
beneficiaries of a program or service funded by direct financial assistance
from VA under this part.
(d) A religious organization that partic-
ipates in the Supportive Services for
Veteran Families Program under this
part will retain its independence from
Federal, State, or local governments
and may continue to carry out its mis-
sion, including the definition, practice,
and expression of its religious beliefs,
provided that it does not use direct fi-
nancial assistance from VA under this
part to support any inherently reli-
gious activities, such as worship, reli-
gious instruction, or proselytization.
Among other things, faith-based orga-
nizations may use space in their facil-
ties to provide VA-funded services
under this part, without removing reli-
gious art, icons, scripture, or other re-
ligious symbols. In addition, a VA-
funded religious organization retains
its authority over its internal govern-
ment, and it may retain religious
terms in its organization’s name, select
its board members and otherwise gov-
ern itself on a religious basis, and in-
clude religious reference in its organi-
zation’s mission statement and other
governing documents.
(e) An organization that participates
in a VA program under this part must
not, in providing direct program assist-
ance, discriminate against a program
beneficiary or a prospective program
beneficiary regarding supportive serv-
ices, financial assistance, or technical
assistance, on the basis of religion or
religious belief.
(f) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this provision applies to all of the commingled funds.

(g) To the extent otherwise permitted by Federal law, the restrictions on inherently religious activities set forth in this section do not apply where VA funds are provided to religious organizations through indirect assistance as a result of a genuine and independent private choice of a beneficiary, provided the religious organizations otherwise satisfy the requirements of this part. A religious organization may receive such funds as the result of a beneficiary’s genuine and independent choice if, for example, a beneficiary redeems a voucher, coupon, or certificate, allowing the beneficiary to direct where funds are to be paid, or a similar funding mechanism provided to that beneficiary and designed to give that beneficiary a choice among providers.

§ 62.70 Financial management and administrative costs.

(b) Grantees must use a financial management system that provides adequate fiscal control and accounting records and meets the requirements set forth in OMB Circular A–110, Subpart C, Section 21 (codified at 2 CFR 215.21) and 38 CFR 49.21.

(c) Payment up to the amount specified in the supportive services grant must be made only for allowable, allocable, and reasonable costs in conducting the work under the supportive services grant. The determination of allowable costs must be made in accordance with the applicable Federal Cost Principles set forth in OMB Circular A–122, Cost Principles for Non-Profit Organizations, codified at 2 CFR part 235.

(d) Grantees are subject to the Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and other Non-Profit Organizations, codified at 38 CFR part 49.

(e) Costs for administration by a grantee must not exceed 10 percent of the total amount of the supportive services grant. Administrative costs will consist of all direct and indirect costs associated with the management of the program. These costs will include the administrative costs, both direct and indirect, of subcontractors.

(Authority: 38 U.S.C. 501, 2044)
§ 62.71 Grantee reporting requirements.

(a) VA may require grantees to provide, in such form as may be prescribed, such reports or answers in writing to specific questions, surveys, or questionnaires as VA determines necessary to carry out the Supportive Services for Veteran Families Program.

(b) If, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee’s program description provided in the supportive services grant agreement, grantees must report the deviation to VA.

NOTE TO PARAGRAPH (b): For information on corrective action plans, which may be required in this circumstance, see § 62.60.

(c) At least once per year, or at the frequency set by VA, each grantee must submit to VA a report containing information relating to operational effectiveness, fiscal responsibility, supportive services grant agreement compliance, and legal and regulatory compliance, including a description of the use of supportive services grant funds, the number of participants assisted, the types of supportive services provided, and any other information that VA may request.

(d) Grantees must relate financial data to performance data and develop unit cost information whenever practical.

(e) All pages of the reports must cite the assigned supportive services grant number and be submitted in a timely manner.

(f) Grantees must provide VA with consent to post information from reports on the Internet and use such information in other ways deemed appropriate by VA. Grantees shall clearly mark information that is confidential to individual participants.

(Authority: 38 U.S.C. 501, 2044)

§ 62.72 Recordkeeping.

Grantees must ensure that records are maintained for at least a 3-year period to document compliance with this part. Grantees must produce such records at VA’s request.

(Authority: 38 U.S.C. 501, 2044)

§ 62.73 Technical assistance.

VA will provide technical assistance, as necessary, to eligible entities to meet the requirements of this part. Such technical assistance will be provided either directly by VA or through grants or contracts with appropriate public or non-profit private entities.

(Authority: 38 U.S.C. 501, 2044, 2064)

§ 62.80 Withholding, suspension, deobligation, termination, and recovery of funds by VA.

(a) Recovery of funds. VA will recover from the grantee any supportive services grant funds that are not used in accordance with the requirements of this part. VA will issue to the grantee a notice of intent to recover supportive services grant funds. The grantee will then have 30 days to submit documentation demonstrating why the supportive services grant funds should not be recovered. After review of all submitted documentation, VA will determine whether action will be taken to recover the supportive services grant funds.

(b) VA actions when grantee fails to comply. When a grantee fails to comply with the terms, conditions, or standards of the supportive services grant, VA may, on 7-days notice to the grantee, withhold further payment, suspend the supportive services grant, or prohibit the grantee from incurring additional obligations of supportive services grant funds, pending corrective action by the grantee or a decision to terminate in accordance with paragraph (c) of this section. VA will allow all necessary and proper costs that the grantee could not reasonably avoid during a period of suspension if such costs meet the provisions of the applicable Federal Cost Principles.

(c) Termination. Supportive services grants may be terminated in whole or in part only if paragraphs (c)(1), (2), or (3) of this section apply.

(1) By VA, if a grantee materially fails to comply with the terms and conditions of a supportive services grant award and this part.

(Authority: 38 U.S.C. 501, 2044)
(2) By VA with the consent of the grantee, in which case VA and the grantee will agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the grantee upon sending to VA written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if VA determines in the case of partial termination that the reduced or modified portion of the supportive services grant will not accomplish the purposes for which the supportive services grant was made, VA may terminate the supportive services grant in its entirety under either paragraphs (c)(1) or (2) of this section.

(d) Deobligation of funds. (1) VA may deobligate all or a portion of the amounts approved for use by a grantee if:

(i) The activity for which funding was approved is not provided in accordance with the approved application and the requirements of this part;

(ii) Such amounts have not been expended within a 1-year period from the date of the signing of the supportive services grant agreement;

(iii) Other circumstances set forth in the supportive services grant agreement authorize or require deobligation.

(2) At its discretion, VA may re-advertise in a Notice of Fund Availability the availability of funds that have been deobligated under this section or award deobligated funds to applicants who previously submitted applications in response to the most recently published Notice of Fund Availability.

PART 63—HEALTH CARE FOR HOMELESS VETERANS (HCHV) PROGRAM

§ 63.1 Purpose and scope.

This part implements the Health Care for Homeless Veterans (HCHV) program. This program provides per diem payments to non-VA community-based facilities that provide housing, as well as care, treatment and/or rehabilitative services, to homeless veterans who are seriously mentally ill or have a substance use disorder.
