To cite the regulations in this volume use title, part and section number. Thus, 38 CFR 18.1 refers to title 38, part 18, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 ..............................................................as of January 1
- Title 17 through Title 27 .................................................................as of April 1
- Title 28 through Title 41 .................................................................as of July 1
- Title 42 through Title 50 .............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2014), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 18.1 Purpose.

The purpose of this part is to effectuate the provisions of Title VI of the Civil Rights Act of 1964 (hereafter referred to as the Act) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

§ 18.2 Application of this part.

This part applies to any program for which Federal financial assistance is authorized under a law administered by the Department of Veterans Affairs, including the types of Federal financial assistance listed in appendix A to this subpart. It applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this part pursuant to an application approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended before the effective date of this part, (c) any assistance to any individual who is the ultimate beneficiary, or (d) any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in §18.3. The fact that a type of Federal financial assistance is not listed in appendix A to this subpart shall not mean, if Title VI of the Act is otherwise applicable, that a program is not covered. Other types of Federal financial assistance under statutes now in force or hereinafter enacted may be added to appendix A to this subpart by notice published in the Federal Register.

other benefit provided under the program.

(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford an opportunity to do so which is different from that afforded others under the program.

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part applies on the grounds of race, color or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part.

(4) As used in this section the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color or national origin.

(c) Medical emergencies. Notwithstanding the foregoing provisions of this section, a recipient of Federal financial assistance shall not be deemed to have failed to comply with paragraph (a) of this section if immediate provision of a service or other benefit to an individual is necessary to prevent his or her death or serious impairment of his or her health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with paragraph (a) of this section.

(d) Employment practices. (1) Whenever a primary objective of the Federal financial assistance to a program to which part 18 applies, is to provide employment, a recipient of such assistance may not (directly or through contractual or other arrangements) subject any individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment, layoff, or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities). The requirements applicable to construction employment under any such program shall be those specified in or pursuant to part III of Executive Order 11246 (3 CFR Chapter IV) or any Executive order which supersedes it.

(2) In regard to Federal financial assistance which does not have providing employment as a primary objective, the provisions of paragraph (d)(1) of this section apply to the employment
§ 18.4 Assurances required.

(a) General. (1) Every application for Federal financial assistance to which this part applies, except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility, shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. Every award of Federal financial assistance shall require the submission of such an assurance. In the case of an application for Federal financial assistance to provide real property or structures thereon, the assurance shall obligate the recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case of personal property the assurance shall obligate the recipient for the period during which the recipient retains ownership or possession of the property. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The responsible agency official shall specify the form of the foregoing assurances and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) Transfers of surplus property are subject to regulations issued by the Administrator of General Services (41 CFR subpart 101–6.2).

(b) Continuing Federal financial assistance. Every application by a State or a State agency for continuing Federal financial assistance to which this part applies (including the types of Federal financial assistance listed in appendix A to this subpart) shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this part, and (2) provide or be accompanied by provision for such methods of administration for the program as are found by the responsible agency official to give reasonable assurance that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to this part. In any case in which the recipient is claiming financial assistance pursuant to arrangements entered into prior to the effective date of this part, the assurances provided by this paragraph shall be included in the first application or claim for assistance on or after the effective date of this part...

(c) Elementary and secondary schools. The requirements of paragraph (a) or (b) of this section with respect to any elementary or secondary school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system.
system which the responsible agency official determines is adequate to accomplish the purposes of the Act and this part, at the earliest practicable time, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the responsible agency official may reserve the right to re-determine, after such period as may be specified by the official, the adequacy of the plan to accomplish the purposes of the Act and this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

(d) Extent of application to institution or facility. In the case where any assurances are required from an academic, a medical care, or any other institution or facility, insofar as the assurances relate to the institution’s practices with respect to the admission, care, or other treatment of persons by the institution or with respect to the opportunity of persons to participate in the receiving or providing of services, treatment, or benefits, such assurances shall be applicable to the entire institution or facility.

§ 18.6 Compliance information.

(a) Cooperation and assistance. Each responsible agency official shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible agency official or designee, timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the responsible agency official or designee may determine to be necessary to enable the official to ascertain whether the recipient has complied or is complying with this part. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part. In general, recipients should have available for the agency racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by the responsible agency official or designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible agency official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

§ 18.7 Conduct of investigations.

(a) Periodic compliance reviews. The responsible agency official or designee shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person or any specific class of individuals who believe
§ 18.8 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with §18.4. If an applicant fails or refuses to furnish an assurance required under §18.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department of Veterans Affairs shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the Department of Veterans Affairs shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible agency official has advised the applicant or recipient of failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there investigation, hearing, or judicial proceeding arising thereunder.

has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary pursuant to §18.10(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance with Title VI of the Act by any other means authorized by law shall be taken by the Department of Veterans Affairs until (1) the responsible agency official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

§ 18.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §18.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible agency official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §18.8(c) of this part and consent to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing. Hearings shall be held at the offices of the Department of Veterans Affairs in Washington, D.C., at a time fixed by the responsible agency official unless the official determines that the convenience of the applicant or recipient or of the Department of Veterans Affairs requires that another place be selected. Hearings shall be held before the responsible agency official or, at the official’s discretion, before an administrative law judge appointed in accordance with section 3105 of Title 5, U.S.C., or detailed under section 3344 of Title 5, U.S.C.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department of Veterans Affairs shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing decision and any administrative review thereof shall be conducted in conformity with the procedures contained in 5 U.S.C. 554–557 (sections 5–8 of the Administrative Procedure Act) and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those
provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department of Veterans Affairs and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more Federal statutes; authorities, or other means by which Federal financial assistance is extended and to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under Title VI of the Act, the Secretary may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with §18.10.

§ 18.10 Decisions and notices.

(a) Procedure on decisions by an administrative law judge. If the hearing is held by an administrative law judge such administrative law judge shall either make an initial decision, if so authorized, or certify the entire record including recommended findings and proposed decision to the responsible agency official for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. Where the initial decision is made by the administrative law judge the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the responsible agency official exceptions to the initial decision with reasons therefor. In the absence of exceptions, the responsible agency official may within 45 days after the initial decision serve on the applicant or recipient a notice that the decision will be reviewed. Upon the filing of such exceptions or of such notice of review the responsible agency official shall review the initial decision and issue a decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the responsible agency official.

(b) Decisions on record or review by the responsible agency official. Whenever a record is certified to the responsible agency official for decision or the official reviews the decision of an administrative law judge pursuant to paragraph (a) of this section, or whenever the responsible agency official conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with the official briefs or other written statements of its contentions, and a written copy of the final decision of the responsible agency official shall be sent to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. Whenever a hearing is waived pursuant to §18.9(a) a decision shall be made by the responsible agency official on the record and a written copy of such decision shall be sent to the applicant or recipient, and to the complainant, if any.
(d) Rulings required. Each decision of an administrative law judge or responsible agency official shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Approval by Secretary. Any final decision by an administrative law judge which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part of the Act, shall promptly be transmitted to the Secretary personally, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, unless and until it corrects its noncompliance and satisfies the responsible agency official that it will fully comply with this part.

(g) Post termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this section and provides reasonable assurance that it will fully comply with this part.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the responsible agency official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the responsible agency official determines that those requirements have been satisfied, the official shall restore such eligibility.

(3) If the responsible agency official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible agency official. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 18.11 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 18.12 Effect on other regulations, forms and instructions.

(a) Effect on other regulations. All regulations, orders, or like directions issued before the effective date of this part by any officer of the Department of Veterans Affairs which impose requirements designed to prohibit any discrimination against individuals on the grounds of race, color or national origin under any program to which this part applies, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this

§ 18.405 Assurances required.

(a) Assurances. An applicant for Federal financial assistance to which this part applies shall submit an assurance on a form specified by the Secretary, that the program or activity will be operated in compliance with this part.

(b) Duration of obligation. (1) When Federal financial assistance is extended in the form of real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provisions of similar services or benefits.

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) Aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and non-handicapped persons, but must give handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person’s needs.

(3) Despite the existence of separate or different aid, benefits, or services provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in aid, benefits, or services that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration that:

(i) Have the effect of excluding handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity that receives Federal financial assistance, or

(ii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections that:

property from the Agency, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provisions of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency, the covenant shall also include a condition coupled with a right to be reserved by the Agency to revert title to the property if there is a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purpose for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as considered appropriate, agree to forbear the exercise of the right to revert title for as long as the lien of the mortgage or other encumbrance remains effective.

(e) Other methods of enforcement. (1) Recipients are required to keep such records as the responsible VA official deems necessary for complete and accurate compliance reports. VA can specify intervals for reporting and prescribe the form and content of information required to ascertain whether the recipient has complied or is complying with the law.

(2) Periodic compliance reviews of training establishments will be conducted by VA compliance officers. During these reviews recipients are required to permit access by VA compliance officers during normal business hours to such of their books, records, accounts, facilities and other sources of information including interviews with personnel and trainees as may be pertinent to ascertain compliance with the law.

(3) From study of documentation, results of interviews, and observation of activities during tours of facilities, compliance officers will evaluate recipients’ compliance status.

§ 18.406 Remedial action, voluntary action and self-evaluation.

(a) Remedial action. (1) If the Secretary finds that a recipient has discriminated against qualified persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Secretary considers necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against qualified persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action with respect to:

(i) Handicapped persons who are no longer participants in the recipient’s program or activity but who were participants in the program or activity when such discrimination occurred;

(ii) Handicapped persons who would have been participants in the program or activity had the discrimination not occurred; or

(iii) Handicapped persons presently in the program or activity, but not receiving full benefits or equal and integrated treatment within the program or activity.

(b) Voluntary action. A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity by qualified handicapped persons.
§ 18.408 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment, or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated under §18.407. A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipient’s publication, and distribution of memorandums or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this section either by including appropriate inserts in existing materials.
§ 18.409 Administrative requirements for certain recipients.

The Secretary may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §§ 18.407 and 18.408 in whole or in part, when the Secretary finds a violation of this part or finds that such compliance will not significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 18.410 Effect of State or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any State law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

EMPLOYMENT PRACTICES

§ 18.411 Discrimination prohibited.

(a) General. (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies.

(b) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination in employment.

(c) Collective bargaining agreements. A recipient’s obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

§ 18.412 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of a handicapped applicant or employee if such accommodation would enable that person to perform the essential functions of the
§ 18.413 Employment criteria.

(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons unless:

(1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question; and

(2) Alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons are not shown by the Secretary to be available.

(b) A recipient shall select and administer tests concerning employment to best ensure that when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant’s or employee’s job skills, aptitude, or whatever other factor the test purports to measure, rather than reflect the applicant’s or employee’s impaired sensory, manual, or speaking skills (except when those skills are the factors that the test purports to measure).

§ 18.414 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into the applicant’s ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §18.406(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §18.406(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, provided that:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to employment.
§ 18.421 Discrimination prohibited.
No qualified handicapped person shall, because a recipient’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

§ 18.422 Existing facilities.
(a) Accessibility. A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.
(b) Methods. A recipient may comply with the requirement of paragraph (a) of this section through such measures as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aids to beneficiaries, home visits, delivery of health, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with §18.423 or any other methods that make its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in making its programs or activities readily accessible to handicapped persons. In choosing among available methods for complying with paragraph (a) of this section, a recipient shall give priority to methods that serve handicapped persons in the most integrated setting appropriate.
(c) Small health, welfare or other social service providers, and recipients that operate other than educational programs or activities. If a recipient with fewer than fifteen employees finds after consultation with a handicapped person seeking its services that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the qualified handicapped person to other providers whose services are accessible. Where referrals are necessary, transportation costs shall not exceed costs to and from recipients’ programs or activities.
(d) Time period. A recipient shall comply with paragraph (a) of this section within 60 days of the effective date of this part except that when structural changes to facilities are necessary, these changes shall be made as soon as practicable, but not later than three years after the effective date of this part.
(e) Transition plan. If structural changes to facilities are necessary to meet the requirements of paragraph (a) of this section, a recipient shall develop a transition plan within six months of the effective date of this part setting forth the steps necessary to complete such change. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be available for public inspection. The plan shall, at a minimum:
§ 18.432 Location and notification.

A recipient that operates a public elementary or secondary educational program shall annually:

(a) Undertake to identify and locate every qualified handicapped person residing in the recipient’s jurisdiction who is not receiving a public education; and

(b) Take appropriate steps to notify handicapped persons their parents or guardians of the recipient’s duty under §§18.431 through 18.439.
§ 18.433 Free appropriate public education.

(a) General. A recipient that operates a public elementary or secondary education program shall provide a free appropriate public education to each qualified handicapped person who is in the recipient’s jurisdiction, regardless of the nature or severity of the person’s handicap.

(b) Appropriate education. (1) The provision of an appropriate education is the provision of regular or special education and related aids and services that:
   (i) Are designed to meet individual educational needs of handicapped persons as adequately as the needs of nonhandicapped persons are met; and
   (ii) Are based upon adherence to procedures that satisfy the requirements of §§ 18.434, 18.435, and 18.436.

   (2) Implementation of an Individualized Education Program developed in accordance with the Education of the Handicapped Act is one means of meeting the standard established in paragraph (b)(1)(i) of this section.

   (3) A recipient may place a qualified handicapped person or refer that person for aid, benefits, or services other than those that it operates or provides as its means of carrying out the requirements of §§ 18.431 through 18.439. The recipients remain responsible for ensuring that the requirements of §§ 18.431 through 18.439 are met with respect to any qualified handicapped person so placed or referred.

   (c) Free education. (1) The provision of a free education is the provision of educational and related services without cost to the handicapped person, parents or guardian, except for those fees that are imposed on nonhandicapped persons or their parents or guardian. It may consist either of the provision of free services or, if a recipient places a handicapped person or refers that person for aid, benefits, or services, of payment for the costs of the aid, benefits, or services. Funds available from any public or private agency may be used to meet the requirements of this subpart. Nothing in this section shall be construed to relieve an insurer or similar third party from an otherwise valid obligation to provide or pay for services provided to a handicapped person.

   (2) If a recipient places a handicapped person or refers that person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, the recipient shall ensure that adequate transportation to and from the aid, benefits, or services is provided at no greater cost than would be incurred by the person, parents or guardian if the person were placed in the aid, benefits, or services operated by the recipient.

   (3) If placement in a public or private residential program is necessary to provide free appropriate public education to a handicapped person because of his or her handicap, the program, including non-medical care and room and board, shall be provided at no cost to the person, parents or guardian.

   (4) If a recipient has made available, in conformance with this section and § 18.434, a free appropriate public education to a handicapped person and the person’s parents or guardian chooses to place the person in a private school, the recipient is not required to pay for the person’s education in the private school. Disagreements between a parent or guardian and a recipient regarding whether the recipient has made a free appropriate public education available or regarding the question of financial responsibility are subject to the due process procedures of § 18.436.

   (d) Compliance. A recipient may not exclude any qualified handicapped person from a public elementary or secondary education after the effective date of this part. A recipient that is not, on the effective date of this part, in full compliance with the requirements of paragraphs (a) through (c) of this section shall meet those requirements at the earliest practicable time, but not later than October 1, 1981.

§ 18.434 Education setting.

(a) Academic setting. A recipient shall educate, or shall provide for the education of, each qualified handicapped person in its jurisdiction with persons...
who are not handicapped to the maximum extent appropriate to the needs of the handicapped person. A recipient shall place a handicapped person in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. In deciding whether to place a person in a setting other than the regular educational environment, a recipient shall consider the proximity of the alternate setting to the person’s home.

(b) Nonacademic settings. In providing or arranging for the provision of nonacademic and extracurricular services and activities, a recipient shall ensure that handicapped persons participate with nonhandicapped persons in those activities and services to the maximum extent appropriate to the needs of the handicapped person in question.

(c) Comparable facilities. If a recipient in compliance with paragraph (a) of this section operates a facility that is identifiable as being for handicapped persons, the recipient shall ensure that the facility and the services and activities provided in that facility are comparable to the other facilities, services, and activities of the recipient.

§ 18.435 Evaluation and placement.

(a) Preplacement evaluation. A recipient that operates a public elementary or secondary education program or activity shall conduct an evaluation of any qualified person who, because of handicap, needs or is believed to need special education or related services before taking any action concerning the initial placement of the person in regular or program special education and any subsequent change in placement.

(b) Evaluation procedures. Elementary, secondary, and adult education programs or activities that receive Federal financial assistance shall establish standards and procedures for the evaluation and placement of persons who, because of handicap, need or are believed to need special education or related services which ensure that:

1. Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;

2. Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and

3. Tests are selected and administered to best ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student’s aptitude or achievement level or whatever other factor the test purports to measure, rather than reflect the student’s impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure.)

(c) Placement procedures. In interpreting evaluation data and in making placement decisions, a recipient shall:

1. Draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background and adaptive behavior;

2. Establish procedures to ensure that information obtained from all sources is documented and carefully considered;

3. Ensure that the placement decision is made by a group of persons, including persons knowledgeable about the student, the meaning of the evaluation data and the placement options; and

4. Ensure that the placement decision is made in accordance with §18.434.

(d) Reevaluation. A recipient to which this section applies shall establish procedures, in accordance with paragraph (b) of this section, for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act is one means of meeting this requirement.

§ 18.436 Procedural safeguards.

(a) A recipient that operates a public elementary or secondary education
program shall implement a system of procedural safeguards with respect to actions regarding the identification, evaluation, or educational placement of persons who, because of handicap, need or are believed to need special instruction or related services. The system shall include:

(1) Notice;
(2) An opportunity for the parents or guardian of the person to examine relevant records;
(3) An impartial hearing with opportunity for participation by the person’s parents or guardian and representation by counsel; and
(4) Review procedure.

(b) Compliance with the procedural safeguards of section 615 of the Education of the Handicapped Act is one means of meeting this requirement.

§ 18.437 Nonacademic services.
(a) General. (1) Elementary, secondary, and adult education programs that receive Federal financial assistance shall provide nonacademic and extracurricular services and activities in a manner which gives handicapped students an equal opportunity for participation in these services and activities.
(2) Nonacademic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipient, referrals to agencies which provide assistance to handicapped persons, and employment of students, including both employment by the recipient and assistance in making available outside employment.
(b) Counseling services. Elementary, secondary, and adult education programs that receive Federal financial assistance and that provide personal, academic, or vocational counseling, guidance, or placement services to their students shall provide these services without discrimination on the basis of handicap and shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities.
(c) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, an elementary, secondary, or adult education program or activity that receives Federal financial assistance may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors interscholastic, club, or intramural activities shall provide to qualified handicapped students an equal opportunity for participation.
(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different from those offered to nonhandicapped students only if separation or differentiation is consistent with the requirements of §18.434 and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

§ 18.438 Adult education.
A recipient that provides adult education may not, on the basis of handicap, exclude qualified handicapped persons. The recipient shall take into account the needs of these persons in determining the aid, benefits, or services to be provided.

§ 18.439 Private education.
(a) A recipient that provides private elementary or secondary education may not on the basis of handicap, exclude a qualified handicapped person if the person can, with minor adjustments, be provided an appropriate education, as defined in §18.433(b)(1), within that recipient’s program or activity.
(b) A recipient may not charge more for providing an appropriate education to handicapped persons than to nonhandicapped persons except to the extent that any additional charge is justified by a substantial increase in cost to the recipient.
(c) A recipient to which this section applies that provides special education shall do so in accordance with §§18.435 and 18.436. Each recipient to which this
§ 18.443 General treatment of students.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied...

(ii) Admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as often and in as timely a manner as are other admissions tests; and

(iii) Admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiries as to whether an applicant for admission is a handicapped person. After admission, the recipient may inquire on a confidential basis as to handicaps that may require accommodation.

(c) Preadmission inquiry exception. When a recipient is taking remedial action to correct the effects of past discrimination under § 18.406(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity under § 18.406(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped.

(1) The recipient shall state clearly on any written questionnaire used for this purpose or make clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient shall state clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) Validity studies. For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question to monitor the general validity of the test scores.
the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training, housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other aid, benefits, or services operated by a recipient to which this subpart applies.

(b) A recipient that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient shall operate its program or activity in the most integrated setting appropriate.

§ 18.444 Academic adjustments.

(a) Academic requirements. A recipient shall make necessary modifications to its academic requirements to ensure that these requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by the student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section.

(b) Other rules. A recipient may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or guide dogs in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient’s education program or activity.

(c) Course examinations. In its course examinations or other procedures for evaluating students’ academic achievement, a recipient shall provide methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills that will best ensure that the results of the evaluation represent the students’ achievement in the course, rather than reflect the students’ impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) Auxiliary aids. (1) A recipient shall ensure that no qualified handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills.

(2) Auxiliary aids may include taped texts, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 18.445 Housing.

(a) Housing provided by a recipient. A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to qualified handicapped students at the same cost as to others. At the end of the transition period provided for in §18.422(e), this housing shall be available in sufficient quantity and variety so that the scope of handicapped students’ choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.
(b) Other housing. A recipient that assists any agency, organization, or person in making housing available to any of its students shall assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 18.446 Financial and employment assistance to students.

(a) Provision of financial assistance. (1) In providing financial assistance to qualified handicapped persons, a recipient may not:

(i) On the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate; or

(ii) Assist any entity or person that provides assistance to any of the recipient’s students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) Assistance in making available outside employment. A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that these employment opportunities, as a whole, are made available in a manner that would not violate §§18.411 through 18.414 if the opportunities were provided by the recipient.

(c) Employment of students by recipients. A recipient that employs any of its students may not do so in a manner that violates §§18.411 through 18.414.

§ 18.447 Nonacademic services.

(a) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of §18.443(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) Counseling and placement services. A recipient that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) Social organizations. A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of these organizations do not permit discrimination otherwise prohibited by §§18.441 through 18.447.

§ 18.451 Application.

Subpart F applies to health, and other social service programs or activities that receive Federal financial assistance from the Department of Veterans Affairs and to recipients that operate or receive Federal financial assistance for the operation of such programs or activities.

§ 18.452 Health and other social services.

(a) General. In providing health, or other social services or benefits, a recipient may not, on the basis of handicap:

(1) Deny a qualified handicapped person these benefits or services;

(2) Give a qualified handicapped person the opportunity to receive benefits or services that are not equal to those offered nonhandicapped persons.

(3) Provide a qualified handicapped person with benefits or services that are not as effective (as defined in § 18.404(b)(2)) as the benefits or services provided to others;

(4) Provide benefits or services in a manner that limits or has the effect of limiting the participation of qualified handicapped persons; or

(5) Provide different or separate benefits or services to handicapped persons except where necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.

(b) Notice. A recipient that provides notice concerning benefits or services or written material concerning waivers of rights of consent to treatment shall ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.

(c) Emergency treatment for the hearing impaired. A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency care.

(d) Auxiliary aids. (1) A recipient that employs fifteen or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills, where necessary to give these persons an equal opportunity to benefit from the service in question.

(2) The Secretary may require recipients with fewer than fifteen employees to provide auxiliary aids where the provision of aids would not significantly impair the ability of the recipient to provide its benefits or services.

(3) Auxiliary aids may include brailled and taped material, interpreters, and aids for persons with impaired hearing or vision.

§ 18.453 Drug and alcohol addicts.

A recipient that operates a general hospital or outpatient facility may not discriminate, with regard to a drug or alcohol abuser or alcoholic who is suffering from a medical condition, in the admission of that person for treatment of the medical condition, or in the treatment of the medical condition because of the person’s drug or alcohol abuse or alcoholism.

§ 18.454 Education of institutionalized persons.

A recipient that operates or supervises a program or activity that provides aid, benefits, or services for persons who are institutionalized because of handicap and is responsible for providing training shall ensure that each qualified handicapped person, as defined in § 18.404(k)(2), in its program or activity that provides aid, benefits, or services is provided an appropriate education, as defined in § 18.433(b). Nothing in this section shall be interpreted as altering in any way the obligations of recipients under §§ 18.431 through 18.439.

Each recipient shall:

(a) Make available upon request to VA information necessary to determine whether the recipient is complying with the Act and these regulations.

(b) Permit reasonable access by VA to the books, records, accounts, and other recipient facilities and sources of information to the extent necessary to determine whether the recipient is in compliance with the Act and these regulations.

Investigation, Conciliation, and Enforcement Procedures

§ 18.541 Compliance reviews.

(a) VA may conduct compliance reviews and preaward reviews of recipients or use other similar procedures that will permit it to investigate and correct violations of the Act and these regulations. VA may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.

(b) If a compliance review or preaward review indicates a violation of the Act or these regulations, VA will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, VA may institute enforcement proceedings as described in §18.546.

(Authority: 42 U.S.C. 6101–6107)

§ 18.542 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with VA alleging discrimination prohibited by the Act or these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of
the alleged act of discrimination. However, for good cause shown, VA may extend this time limit. Complaints may be submitted to the Director, Office of Equal Opportunity (06B), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420.

(b) VA will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Acknowledging receipt and acceptance of a complaint in writing.

(2) Accepting as a sufficient complaint, any written statement which identifies the parties involved and the date the complainant first had knowledge of the alleged violation, describes generally the action or practice complained of, and is signed by the complainant.

(3) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

(4) Widely disseminating information regarding the obligations of recipients under the Act and these regulations.

(5) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the complaint procedure.

(6) Notifying the complainant and the recipient (or their representatives) of their right to contact VA for information and assistance regarding the complaint resolution process.

(c) VA will refer a complaint of discrimination based on age to another appropriate Federal agency when the complaint is outside the jurisdiction of VA. VA will notify the complainant in writing that the complaint has been referred; explain the reason why the complaint is not within the jurisdiction of VA; and give the complainant the name, agency, and address of the official to whom the complaint was referred.

(Authority: 42 U.S.C. 6101–6107)

(Approved by the Office of Management and Budget under control number 2900–0401)

§ 18.544 Investigation.

(a) Informal investigation. (1) VA will investigate complaints that are reopened because of a violation of a mediation agreement.

(2) VA will refer to the Federal Mediation and Conciliation Service all complaints that:

(1) Fall within the jurisdiction of the Act and these regulations; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and the recipient sign it. The mediator shall send a copy of the agreement to VA. VA will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjunctive proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without prior approval of the head of the mediation agency.

(e) VA will use the mediation process for a maximum of 60 days after the responsible agency official receives a complaint.

(f) Mediation ends if:

(1) 60 days elapse from the time the responsible agency official receives the complaint; or

(2) Prior to the end of that 60-day period, an agreement is reached; or

(3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(g) The mediator shall return unresolved complaints to VA.

(Authority: 42 U.S.C. 6101–6107)
§ 18.545

(2) As part of the initial investigation VA will use informal fact-finding methods, including joint or separate discussions with the complainant and recipient to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. VA may seek the assistance of any involved State agency.

(3) VA will put any agreement in writing and have it signed by the parties and an authorized official from the VA.

(4) The settlement shall not affect the operation of any other enforcement effort of VA, including compliance reviews and investigation of other complaints which may involve the recipient.

(5) A settlement need not contain an admission of discrimination or other wrongdoing by the recipient nor should it be considered a finding of discrimination against the recipient.

(b) Formal investigation. If VA cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, VA will attempt to obtain voluntary compliance. If voluntary compliance cannot be achieved, VA may institute enforcement proceedings as described in §18.546.

(Authority: 42 U.S.C. 6101–6107)

§ 18.545 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by the Act or these regulations;

(b) Cooperates in any mediation, investigation, hearing, or other part of VA’s investigation, conciliation, and enforcement process.

(Authority: 42 U.S.C. 6101–6107)

§ 18.546 Compliance procedure.

(a) VA may enforce the Act and these regulations through:

(1) Termination of Federal financial assistance from VA with respect to a recipient’s program or activity that has violated the Act or these regulations. The determination of the recipient’s violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. Therefore, cases which are settled in mediation, or prior to a hearing, will not involve termination of a recipient’s Federal financial assistance from VA.

(2) Any other means authorized by law including but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations.

(ii) Use of any requirement of or referral to any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or these regulations.

(b) VA will limit any termination under paragraph (a)(1) of this section to the particular program or activity or part of such program or activity of a recipient that VA finds to be in violation of the Act or these regulations. VA will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from VA.

(c) VA will take no action under paragraph (a) of this section until:

(1) The Secretary has advised the recipient of its failure to comply with the Act and these regulations and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have elapsed after the Secretary has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved. The Secretary will file a report whenever any action is taken under paragraph (a) of this section.

(d) VA also may defer granting new Federal financial assistance from VA to a recipient when a hearing under paragraph (a)(1) of this section is initiated.

(1) New Federal financial assistance from VA includes all assistance for which VA requires an application or
approval, including renewal or continu-
ation of existing activities, or author-
ization of new activities during the de-
ferral period. New Federal financial as-
sistance from VA does not include in-
creases in funding resulting solely from a
change in the formula or method of
computing awards, nor does it include
assistance approved prior to the begin-
nning of a hearing under paragraph
(a)(1) of this section.

(2) VA will not begin a deferral until
the recipient has received a notice of
an opportunity for a hearing under para-
graph (a)(1) of this section. VA will
not continue a deferral for more than
60 days unless a hearing has begun
within that time or the time for begin-
ning the hearing has been extended by
mutual consent of the recipient and
the Secretary. VA will not continue a
deferral for more than 30 days after the
close of the hearing, unless the hearing
results in a finding against the recipi-
ent.

Where VA finds that a recipient has
discriminated on the basis of age, the

Secretary may disburse the withheld
funds directly to an alternate recipi-
ent: Any public or non-profit private
organization or agency, or State or po-
litical subdivision of the State.

§ 18.550 Exhaustion of administrative
remedies.

(a) A complainant may file a civil ac-

istrative remedies under the Act. Ad-
ministrative remedies are exhausted if:
(1) 180 days have elapsed since the
complainant filed the complaint and
VA has made no finding with regard to
the complaint; or
(2) VA issues any finding in favor of the
recipient.

(b) If VA fails to make a finding
within 180 days or issues a finding in
favor of the recipient, VA will:
(1) Promptly advise the complainant
of this fact; and
(2) Advise the complainant of his or
her right to bring a civil action for in-
junctive relief; and
(3) Inform the complainant that:
(i) The complainant may bring a civil
action only in a United States district
court for the district in which the re-
cipient is found or transacts business;
(ii) A complainant prevailing in a
civil action has the right to be awarded
the costs of the action, including rea-
sonable attorney’s fees, but the com-
plainant must demand these costs in
the complaint;
(iii) Before commencing the action,
the complainant shall give 30 days no-
tice by registered mail to the Sec-
retary, the Attorney General of the
United States, and the recipient;
(iv) The notice must state: The al-
leged violation of the Act; the relief re-
quested; the court in which the com-
plainant is bringing the action; and,
whether or not attorney’s fees are de-
manded in the event the complainant
prevails; and
(v) The complainant may not bring
action if the same alleged violations of
the Act by the same recipient is the
subject of a pending action in any court of the United States.

APPENDIX B TO SUBPART E OF PART 18—
LIST OF AGE DISTINCTIONS CONTAINED IN STATUTES AND REGULATIONS GOVERNING FEDERAL FINANCIAL ASSISTANCE OF THE DEPARTMENT OF VETERANS AFFAIRS

Section 90.3(f) of the governmentwide regulations (45 CFR part 90) requires each Federal agency to publish an appendix to its final regulations containing a list of age distinctions in Federal statutes and regulations affecting financial assistance administered by the agency. This appendix is VA’s list of age distinctions contained in Federal statutes and VA regulations which:

(1) Provide benefits or assistance to persons based upon age; or
(2) Establish criteria for participation in age-related terms; or
(3) Describe intended beneficiaries or target groups in age-related terms.

Appendix B deals only with VA’s programs of financial assistance covered by the Age Discrimination Act. It does not list age distinctions used by VA in its direct assistance programs, such as veterans’ compensation. Also, this appendix contains only age distinctions in Federal statutes and VA regulations in effect on January 1, 1985.

This appendix has two sections: A list of age distinctions in Federal statutes, and a list of age distinctions in VA regulations. The first column contains the name of the program; the second column has the statute name and U.S. Code citation for statutes, or the regulation name and Code of Federal Regulations citation for regulations; the third column contains the section number of the statute or regulation and the description of the age distinction; and the fourth column cites the Catalog of Federal Domestic Assistance number for the program(s) affected where it is available.

Section 3492(b) authorizes the Secretary to pay to an eligible veteran receiving tutorial assistance pursuant to section 3492(a) of this chapter, the cost of such tutorial assistance, subject to certain limits, upon certification by the educational institution that “ . . . (2) the tutor chosen to perform such assistance is qualified and is not the eligible veteran’s parent, spouse, child (whether or not married or over eighteen years of age), brother, or sister; and (3) the charges for such assistance do not exceed the customary charges for such tutorial assistance”.
Survivors’ and Dependents’ Educational Assistance.  

Section 3500 states that “the educational program established by this chapter is for the purpose of providing opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the disability or death of a parent from a disease or injury incurred or aggravated in the Armed Forces after the beginning of the Spanish-American War, and for the purpose of aiding such children in attaining the educational status which they might have aspired to and attained but for the disability or death of such parent. The Congress further declares that the educational program extended to the surviving spouses of veterans who died of service-connected total disabilities and to spouses of veterans with a service-connected total disability permanent in nature is for the purpose of assisting them in preparing to support themselves and their families at a standard of living level which the veteran, but for the veteran’s death or service disability, could have expected to provide for the veteran’s family.”

Section 3501 defines the term “eligible person” as: “(A) a child of a person who—(i) died of a service-connected disability, (ii) has a total disability permanent in nature resulting from a service-connected disability, or who died while a disability so evaluated was in existence or (iii) at the time of application for benefits under this chapter is a member of the Armed Forces serving on active duty listed, pursuant to section 556 of Title 37 [U.S.C.] and regulations issued thereunder, by the Secretary concerned in one or more of the following categories . . . for a total of ninety days: (A) missing in action, (B) captured in line of duty by a hostile force, or (C) forcibly detained or interned in line of duty by a foreign government or power. . . .” Subparagraph (a)(2) of this section provides that the term “child” includes individuals who are married and individuals who are above the age of twenty-three years.
Section 3512 establishes periods of eligibility. Provides that the educational program to which an eligible child within the meaning of this chapter is entitled to may be afforded, "... during the period beginning on the person's eighteenth birthday, or on the successful completion of the person's secondary schooling, whichever first occurs, and ending on the person's twenty-sixth birthday, except that—(1) if the person is above the age of compulsory school attendance under applicable State law, and the Secretary determines that the person's best interests will be served thereby, such period may begin before the person's eighteenth birthday; (2) if the person has a mental or physical handicap, and... the person's best interests will be served by pursuing a program of special restorative training or a specialized course of vocational training approved under section 3536 of this title, such period may begin before the person's fourteenth birthday; (3) if the Secretary finds that the parent from whom eligibility is derived has a service-connected total disability permanent in nature, or if the death of the parent from whom eligibility is derived occurs, after the eligible person's eighteenth birthday but before the person's twenty-sixth birthday, then (unless paragraph (4) applies) such period shall end 8 years after, whichever date last occurs: (A) the date on which the Secretary first finds that the parent from whom eligibility is derived has a service-connected total disability permanent in nature, or (B) the date of death of the parent from whom eligibility is derived; (4) if the person serves on duty with the Armed Forces as an eligible person after the person's eighteenth birthday but before the person's twenty-sixth birthday, then such period shall end 8 years after the person's first discharge or release from such duty with the Armed Forces... in no event shall such period be extended beyond the person's thirty-first birthday by reason of this paragraph; and (5)(A) if the person becomes eligible by reason of the provisions of section 3501(a)(1)(A)(ii) of this title after the person's eighteenth birthday but before the person's twenty-sixth birthday, then (unless clause (4) of this section applies) such period shall end eight years after the date on which the person becomes eligible by reason of such provisions, but in no event shall such period be extended beyond the person's thirty-first birthday by reason of this clause. ...".

Section 3513 provides that the parent or guardian of a person or the eligible person (if such person has attained legal majority) for whom the educational assistance is sought under Chapter 35 shall submit an application to the Secretary, which shall be in such form and contain such information as the Secretary shall prescribe.

Section 21.3023 states that: "(a) Child; age 18. A child who is eligible for educational assistance and who is also eligible for pension, compensation, dependency and indemnity compensation based on school attendance must elect whether he or she will receive educational assistance or pension, compensation or dependency and indemnity compensation. (1) An election of educational assistance either before or after the age of 18 years is a bar to subsequent payment or increased rates or additional amounts of pension, compensation or dependency and indemnity compensation on account of a child based on school attendance on or after the age of 18 years. . . . (2) Payment of pension, compensation or dependency and indemnity compensation to or on account of a child after his or her 18th birthday does not bar subsequent payments of educational assistance. . . . (b) Child; under 18 or helpless. Educational assistance allowance or special restorative training allowance may generally be paid concurrently with pension, compensation or dependency and indemnity compensation for a child under the age of 18 years or for a helpless child based on the service of one or more parents. Where, however, entitlement is based on the death of more than one parent in the same parental line, concurrent payments in two or more cases may not be authorized if the death of one such parent occurred on or after June 9, 1960. In the latter cases, an election of educational assistance and pension, compensation or dependency and indemnity compensation in one case does not preclude a reelection of benefits before attaining age 18 or while helpless based on the service of another parent in the same parental line. . . ."

Paragraph (a) of this section provides that a program of education or special restorative training may not be afforded prior to the eligible persons' 18th birthday or the completion of secondary schooling, whichever is earlier, unless it is determined through counseling that the best interests of the eligible person will be served by entering training at an earlier date and the eligible person has passed: (1) Compulsory school attendance age under State law; or (2) his or her 14th birthday and due to physical or mental handicap may benefit by special restorative or specialized vocational training. Paragraph (c) of this section provides that no person is eligible for educational assistance who reached his or her 26th birthday on or before the effective date of a finding of permanent total service-connected disability, or on or before the date the veteran's death occurred, or on or before the 91st day of listing by the Secretary concerned of the member of the Armed Forces or whose service eligibility is claimed as being one of the missing categories identified in 38 CFR 21.3021(a) (1)(ii) and (3)(ii). GENERAL RULES

§ 18b.1 Scope of rules.

The rules of procedure in this part supplement §§18.9 and 18.10 of this chapter and govern the practice for hearings, decisions, and administrative review conducted by the Department of Veterans Affairs pursuant to Title VI of the Civil Rights Act of 1964 (section 602, 78 Stat. 252) and part 18 of this chapter.

§ 18b.2 Reviewing authority.

The term reviewing authority means the Secretary of Veterans Affairs, or any person or persons acting pursuant to authority delegated by the Secretary to carry out responsibility under §18.10 of this chapter. The term includes the Secretary with respect to action under §18b.75.

§ 18b.9 Definitions.

The definitions contained in §18.13 of this chapter apply to this part, unless the context otherwise requires.

§ 18b.10 Records to be public.

All pleadings, correspondence, exhibits, transcripts of testimony, exceptions, briefs, decisions, and other documents filed in the docket in any proceeding may be inspected and copied in the office of the Civil Rights hearing clerk. Inquiries may be made at the Department of Veterans Affairs Central Office, 810 Vermont Avenue NW., Washington, DC 20420.

§ 18b.11 Use of number.

As used in this part, words importing the singular number may extend and be applied to several persons or things, and vice versa.

[51 FR 10386, Mar. 26, 1986]

§ 18b.12 Suspension of rules.

Upon notice to all parties, the reviewing authority or the presiding officer, with respect to matters pending before them, may modify or waive any rule upon determination that no party will be unduly prejudiced and the ends of justice will thereby be served.

APPEARANCE AND PRACTICE

§ 18b.13 Appearance.

A party may appear in person or by counsel and participate fully in any proceeding. A State agency or a corporation may appear by any of its officers or by any employee it authorizes to appear on its behalf. Counsel must be members in good standing of the bar of a State, territory, or possession of the United States or of the District of Columbia or the Commonwealth of Puerto Rico.

§ 18b.14 Authority for representation.

Any individual acting in any proceeding may be required to show authority to act in such capacity.

§ 18b.15 Exclusion from hearing for misconduct.

Disrespectful, disorderly, or contumacious language or contemptuous conduct, refusal to comply with directions, or continued use of dilatory tactics by any person at any hearing before a presiding officer shall constitute grounds for immediate exclusion of such person from the hearing by the presiding officer.

PARTIES

§ 18b.16 Parties.

The term party shall include an applicant or recipient or other person to whom a notice of hearing or opportunity for hearing has been mailed naming that person as respondent. The Department shall also be deemed a
party to all proceedings and shall be represented by the General Counsel.

§ 18b.17 Amici curiae.

(a) Any interested person or organization may file a petition to participate in a proceeding as an amicus curiae. Such petition shall be filed prior to the prehearing conference, or if none is held, before the commencement of the hearing, unless the petitioner shows good cause for filing the petition later. The presiding officer may grant the petition if the officer finds that the petitioner has a legitimate interest in the proceedings, that such participation will not unduly delay the outcome, and may contribute materially to the proper disposition thereof. An amicus curiae is not a party and may not introduce evidence at a hearing.

(b) An amicus curiae may submit a statement of position to the presiding officer prior to the beginning of a hearing, and shall serve a copy on each party. The amicus curiae may submit a brief on each occasion a decision is to be made or a prior decision is subject to review. The brief shall be filed and served on each party within the time limits applicable to the party whose position the amicus curiae deems to support; or if the amicus curiae does not deem to support the position of any party, within the longest time limit applicable to any party at that particular stage of the proceedings.

(c) When all parties have completed their initial examination of a witness, any amicus curiae may request the presiding officer to propound specific questions to the witness. The presiding officer, in the officer’s discretion, may grant any such request if the officer believes the proposed additional testimony may assist materially in elucidating factual matters at issue between the parties and will not expand the issues.

§ 18b.18 Complainants not parties.

A person submitting a complaint pursuant to §18.7(b) of this chapter is not a party to the proceedings governed by this part, but may petition, after proceedings are initiated, to become an amicus curiae.

DOCUMENTS

§ 18b.20 Form of documents to be filed.

Documents to be filed shall be dated, the original signed in ink, shall show the docket description and title of the proceeding, and shall show the title, if any, and address of the signatory. Copies need not be signed but the name of the person signing the original shall be reproduced. Documents shall be legible and shall not be more than 8 1/2 inches wide and 12 inches long.

§ 18b.21 Signature of documents.

The signature of a party, authorized officer, employee, or attorney constitutes a certificate that one of them has read the document, that to the best of that person’s knowledge, information, and belief there is good ground to support it, and that it is not interposed for delay. If a document is not signed or is signed with intent to defeat the purpose of this section, it may be stricken as sham and false and the proceeding may proceed as though the document had not been filed. Similar action may be taken if scandalous or indecent matter is inserted.
§ 18b.23 Service; how made.

Service shall be made by personal delivery of one copy to each person to be served or by mailing by first-class mail, properly addressed with postage prepaid. When a party or amicus has appeared by attorney or other representative, service upon such attorney or representative, will be deemed service upon the party or amicus. Documents served by mail preferably should be mailed in sufficient time to reach the addressee by the date on which the original is due to be filed, and should be airmailed if the addressee is more than 300 miles distant.

§ 18b.24 Date of service.

The date of service shall be the day when the matter is deposited in the U.S. mail or is delivered in person, except that the date of service of the initial notice of hearing or opportunity for hearing shall be the date of its delivery, or of its attempted delivery if refused.

§ 18b.25 Certificate of service.

The original of every document filed and required to be served upon parties to a proceeding shall be endorsed with a certificate of service signed by the party making service or by the party’s attorney or representative, stating that such service has been made, the date of service, and the manner of service, whether by mail or personal delivery.

§ 18b.26 Computation.

In computing any period of time under the rules in this part or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed in the District of Columbia, in which event it includes the next following business day. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

§ 18b.27 Extension of time or postponement.

Requests for extension of time should be served on all parties and should set forth the reasons for the application. Applications may be granted upon a showing of good cause by the applicant. From the designation of a presiding officer until the issuance of a decision such requests should be addressed to the presiding officer. Answers to such requests are permitted, if made promptly.

§ 18b.28 Reduction of time to file documents.

For good cause, the reviewing authority or the presiding officer, with respect to matters pending before them, may reduce any time limit prescribed by the rules in this part, except as provided by law or in part 18 of this chapter.
20-day period following service of the notice may be deemed an admission of all matters of fact recited in the notice.

§ 18b.32 Amendment of notice or answer.

The General Counsel may amend the notice of hearing or opportunity for hearing once as a matter of course before an answer thereto is served, and each respondent may amend the answer once as a matter of course not later than 10 days before the date fixed for hearing but in no event later than 20 days from the date of service of the original answer. Otherwise a notice or answer may be amended only by leave of the presiding officer. A respondent shall file the answer to an amended notice within the time remaining for filing the answer to the original notice or within 10 days after service of the amended notice, whichever period may be the longer, unless the presiding officer otherwise orders.

§ 18b.33 Request for hearing.

Within 20 days after service of a notice of opportunity for hearing which does not fix a date for hearing the respondent, either in the answer or in a separate document, may request a hearing. Failure of the respondent to request a hearing shall be deemed a waiver of the right to a hearing and to constitute consent to the making of a decision on the basis of such information as is available.

§ 18b.34 Consolidation.

The reviewing authority may provide for proceedings in the Department of Veterans Affairs to be joined or consolidated for hearing with proceedings in other Federal departments or agencies, by agreement with such other departments or agencies. All parties to any proceeding consolidated subsequent to service of the notice of hearing or opportunity for hearing shall be served with notice of such consolidation.

§ 18b.35 Motions.

Motions and petitions shall state the relief sought, the authority relied upon, and the facts alleged. If made before or after the hearing, these matters shall be in writing. If made at the hearing, they may be stated orally; but the presiding officer may require that they be reduced to writing and filed and served on all parties in the same manner as a formal motion. Motions, answers, and replies shall be addressed to the presiding officer, if the case is pending before the officer. A repetitious motion will not be entertained.

§ 18b.36 Responses to motions and petitions.

Within 8 days after a written motion or petition is served, or such other period as the reviewing authority or the presiding officer may fix, any party may file a response thereto. An immediate oral response may be made to an oral motion.

§ 18b.37 Disposition of motions and petitions.

The reviewing authority or the presiding officer may not sustain or grant a written motion or petition prior to expiration of the time for filing responses thereto, but may overrule or deny such motion or petition without awaiting response: Provided, however, That prehearing conferences, hearings and decisions need not be delayed pending disposition of motions or petitions. Oral motions and petitions may be ruled on immediately. Motions and petitions submitted to the reviewing authority or the presiding officer, respectively, and not disposed of in separate rulings or in their respective decisions will be deemed denied. Oral arguments shall not be held on written motions or petitions unless the presiding officer in the officer’s discretion expressly so orders.

§ 18b.40 Who presides.

An administrative law judge assigned under 5 U.S.C. 3105 or 3344 (formerly section 11 of the Administrative Procedure Act) shall preside over the taking of evidence in any hearing to which these rules or procedure apply.

§ 18b.41 Designation of an administrative law judge.

The designation of the administrative law judge as presiding officer shall be in writing, and shall specify whether the administrative law judge is to make an initial decision or to certify the entire record including recommended findings and proposed decision to the reviewing authority, and may also fix the time and place of hearing. A copy of such order shall be served on all parties. After service of an order designating an administrative law judge to preside, and until such administrative law judge makes a decision, motions and petitions shall be submitted to the administrative law judge. In the case of the death, illness, disqualification or unavailability of the designated administrative law judge, another administrative law judge may be designated to take that person’s place.

[51 FR 10386, Mar. 26, 1986]

§ 18b.42 Authority of presiding officer.

The presiding officer shall have the duty to conduct a fair hearing, to take all necessary action to avoid delay, and to maintain order. The presiding officer shall have all powers necessary to these ends, including (but not limited to) the power to:

(a) Arrange and issue notice of the date, time, and place of hearings, or, upon due notice to the parties, to change the date, time, and place of hearings previously set.

(b) Hold conferences to settle, simplify, or fix the issues in a proceeding, or to consider other matters that may aid in the expeditious disposition of the proceeding.

(c) Require parties and amici curiae to state their position with respect to the various issues in the proceeding.

(d) Administer oaths and affirmations.

(e) Rule on motions, and other procedural items on matters pending before the presiding officer.

(f) Regulate the course of the hearing and conduct of counsel therein.

(g) Examine witnesses and direct witnesses to testify.

(h) Receive, rule on, exclude or limit evidence.

(i) Fix the time for filing motions, petitions, briefs, or other items in matters pending before the presiding officer.

(j) Issue initial or recommended decisions.

(k) Take any action authorized by the rules in this part, or in conformance with the provisions of 5 U.S.C. 551–559 (the Administrative Procedure Act).

HEARING PROCEDURES

§ 18b.50 Statements of position and trial briefs.

The presiding officer may require parties and amici curiae to file written statements of position prior to the beginning of a hearing. The presiding officer may also require the parties to submit trial briefs.

§ 18b.51 Evidentiary purpose.

(a) The hearing is directed to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. Argument will not be received in evidence; rather it should be presented in statements, memoranda, or briefs, as determined by the presiding officer. Brief opening statements, which shall be limited to statement of the party’s position and what the party intends to prove, may be made at hearings.

(b) Hearings for the reception of evidence will be held only in cases where issues of fact must be resolved in order to determine whether the respondent has failed to comply with one or more applicable requirements of part 18 of
this chapter. In any case where it appears from the respondent’s answer to the notice of hearing or opportunity for hearing, from failure timely to answer, or from admissions or stipulations in the record, that there are no matters of material fact in dispute, the reviewing authority or presiding officer may enter an order so finding, vacating the hearing date if one has been set, and fixing the time for filing briefs under §18b.70. Thereafter the proceedings shall go to conclusion in accordance with §§18b.70 through 18b.76. The presiding officer may allow an appeal from such order in accordance with §18b.65.

§ 18b.52 Testimony.
Testimony shall be given orally under oath or affirmation by witnesses at the hearing; but the presiding officer, in the officer’s discretion, may require or permit that the direct testimony of any witness be prepared in writing and served on all parties in advance of the hearing. Such testimony may be adopted by the witness at the hearing, and filed as part of the record thereof. Unless authorized by the presiding officer, witnesses will not be permitted to read prepared testimony into the record. Except as provided in §§18b.54 and 18b.55, witnesses shall be available at the hearing for cross-examination.

§ 18b.53 Exhibits.
Proposed exhibits shall be exchanged at the prehearing conference, or otherwise prior to the hearing if the presiding officer so requires. Proposed exhibits not so exchanged may be denied admission as evidence. The authenticity of all proposed exhibits exchanged prior to hearing will be deemed admitted unless written objection thereto is filed prior to the hearing or unless good cause is shown at the hearing for failure to file such written objection.

§ 18b.54 Affidavits.
An affidavit is not inadmissible as such. Unless the presiding officer fixes other time periods affidavits shall be filed and served on the parties not later than 15 days prior to the hearing; and not less than 7 days prior to hearing a party may file and serve written objection to any affidavit on the ground that it is believed necessary to test the truth of assertions therein at hearing. In such event the assertions objected to will not be received in evidence unless the affiant is made available for cross-examination, or the presiding officer determines that cross-examination is not necessary for the full and true disclosure of facts referred to in such assertions. Notwithstanding any objection, however, affidavits may be considered in the case of any respondent who waives a hearing.

§ 18b.55 Depositions.
Upon such terms as may be just, for the convenience of the parties or of the Department of Veterans Affairs, the presiding officer may authorize or direct the testimony of any witness to be taken by deposition.

§ 18b.56 Admissions as to facts and documents.
Not later than 15 days prior to the scheduled date of the hearing except for good cause shown or prior to such earlier date as the presiding officer may order, any party may serve upon an opposing party a written request for the admission of the genuineness and authenticity of any relevant documents described in and exhibited with the request, or for the admission of the truth of any relevant matters of fact stated in the request. Each of the matters of which an admission is requested shall be deemed admitted, unless within a period designated in the request (not less than 10 days after service thereof, or within such further time as the presiding officer or the reviewing authority if no presiding officer has yet been designated may allow upon motion and notice) the party to whom the
request is directed serves upon the requesting party a sworn statement either denying specifically the matters of which an admission is requested or setting forth in detail the reasons why the party cannot truthfully either admit or deny such matters. Copies of requests for admission and answers thereto shall be served on all parties. Any admission made by a party to such request is only for the purposes of the pending proceeding, or any proceeding or action instituted for the enforcement of any order entered therein, and shall not constitute an admission by the party for any other purpose or be used against the party in any other proceeding or action.

§ 18b.57 Evidence.
Irrelevant, immaterial, unreliable, and unduly repetitious evidence will be excluded.

§ 18b.58 Cross-examination.
A witness may be cross-examined on any matter material to the proceeding without regard to the scope of his direct examination.

§ 18b.59 Unsponsored written material.
Letters expressing views or urging action and other unsponsored written material regarding matters in issue in a hearing will be placed in the correspondence section of the docket of the proceeding. These data are not deemed part of the evidence or record in the hearing.

§ 18b.60 Objections.
Objections to evidence shall be timely and briefly state the ground relied upon.

§ 18b.61 Exceptions to rulings of presiding officer unnecessary.
Exceptions to rulings of the presiding officer are unnecessary. It is sufficient that a party, at the time the ruling of the presiding officer is sought, makes known the action which the party desires the presiding officer to take, or the party's objection to an action taken, and the party's grounds therefor.

§ 18b.62 Official notice.
Where official notice is taken or is to be taken of a material fact not appearing in the evidence of record, any party, on timely request, shall be afforded an opportunity to show the contrary.

§ 18b.63 Public document items.
Whenever there is offered (in whole or in part) a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a State or its agencies, and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered for official notice, as a public document item by specifying the document or relevant part thereof.

§ 18b.64 Offer of proof.
An offer of proof made in connection with an objection taken to any ruling of the presiding officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony; and, if the excluded evidence consists of evidence in documentary or written form or of reference to documents or records, a copy of such evidence shall be marked for identification and shall accompany the record as the offer of proof.

§ 18b.65 Appeals from ruling of presiding officer.
Rulings of the presiding officer may not be appealed to the reviewing authority prior to consideration of the entire proceeding except with the consent of the presiding officer and where the reviewing authority certifies on
the record or in writing that the allowance of an interlocutory appeal is clearly necessary to prevent exceptional delay, expense, or prejudice to any party, or substantial detriment to the public interest. If an appeal is allowed, any party may file a brief with the reviewing authority within such period as the presiding officer directs. No oral argument will be heard unless the reviewing authority directs otherwise. At any time prior to submission of the proceeding to the reviewing authority for decision, the reviewing authority may direct the presiding officer to certify any question or the entire record to the reviewing authority for decision. Where the entire record is so certified, the presiding officer shall recommend a decision.

THE RECORD

§ 18b.66 Official transcript.

The Department of Veterans Affairs will designate the official reporter for all hearings. The official transcripts of testimony taken, together with any exhibits, briefs, or memoranda of law filed therewith shall be filed with the Department of Veterans Affairs. Transcripts of testimony in hearings may be obtained from the official reporter by the parties and the public at rates not to exceed the maximum rates fixed by the contract between the Department of Veterans Affairs and the reporter. Upon notice to all parties, the presiding officer may authorize corrections to the transcript which involve matters of substance.

§ 18b.67 Record for decision.

The transcript of testimony, exhibits, and all papers and requests filed in the proceedings, except the correspondence section of the docket, including rulings and any recommended or initial decision shall constitute the exclusive record for decision.

POSTHEARING PROCEDURES; DECISIONS

§ 18b.70 Posthearing briefs; proposed findings and conclusions.

(a) The presiding officer shall fix the time for filing posthearing briefs, which may contain proposed findings of fact and conclusions of law, and, if permitted, reply briefs.

(b) Briefs should include a summary of the evidence relied upon together with references to exhibit numbers and pages of the transcript, with citations of authorities relied upon.

§ 18b.71 Decisions following hearing.

When the time for submission of posthearing briefs has expired, the presiding officer shall certify the entire record, including recommended findings and proposed decision, to the reviewing authority; or if so authorized shall make an initial decision. A copy of the recommended findings and proposed decision, or of the initial decision, shall be served upon all parties, and amici, if any.

§ 18b.72 Exceptions to initial or recommended decisions.

Within 20 days after the mailing of an initial or recommended decision, any party may file exceptions to the decision, stating reasons therefor, with the reviewing authority. Any other party may file a response thereto within 30 days after the mailing of the decision. Upon the filing of such exceptions, the reviewing authority shall review the decision and issue its own decision thereon.

§ 18b.73 Final decisions.

(a) Where the hearing is conducted by a hearing examiner who makes an initial decision, if no exceptions thereto are filed within the 20-day period specified in § 18b.72, such decision shall become the final decision of the Department of Veterans Affairs, and shall constitute “final agency action” within the meaning of 5 U.S.C. 704 (formerly section 10(c) of the Administrative Procedure Act), subject to the provisions of § 18b.75.

(b) Where the hearing is conducted by an administrative law judge who makes a recommended decision or upon the filing of exceptions to an administrative law judge’s initial decision, the reviewing authority shall review the recommended or initial decision and shall issue a decision thereon, which
§ 18b.74 Oral argument to the reviewing authority.

(a) If any party desires to argue a case orally on exceptions or replies to exceptions to an initial or recommended decision, the party shall make such request in writing. The reviewing authority may grant or deny such requests in his or her discretion. If granted, the reviewing authority will serve notice of oral argument on all parties. The notice will set forth the order of presentation, the amount of time allotted, and the time and place for argument. The names of persons who will argue should be filed with the agency hearing clerk not later than 7 days before the date set for oral argument.

(b) The purpose of oral argument is to emphasize and clarify the written argument in the briefs. Reading at length from the brief or other texts is not favored. Participants should confine their arguments to points of controlling importance and to points upon which exceptions have been filed. Consolidations of appearances at oral argument by parties taking the same side will permit the parties' interests to be presented more effectively in the time allotted.

(c) Pamphlets, charts, and other written material may be presented at oral argument only if such material is limited to facts already in the record and is served on all parties and filed with the Department hearing clerk at least 7 days before the argument.

§ 18b.75 Review by the Secretary.

Within 20 days after an initial decision becomes a final decision pursuant to §18b.73(a), or within 20 days of the mailing of a final decision referred to in §18b.73(b), as the case may be, a party may request the Secretary to review the final decision. The Secretary may grant or deny such request, in whole or in part, or serve notice of intent to review the decision in whole or in part upon motion. If the Secretary grants the requested review, or serves notice of intent to review upon motion, each party to the decision shall have 20 days following notice of the Secretary's proposed action within which to file exceptions to the decision and supporting briefs and memoranda, or briefs and memoranda in support of the decision. Failure of a party to request review under this section shall not be deemed a failure to exhaust administrative remedies for the purpose of obtaining judicial review.

§ 18b.76 Service on amici curiae.

All briefs, exceptions, memoranda, requests, and decisions referred to in §§18b.70 through 18b.76 shall be served upon amici curiae at the same times and in the same manner required for service on parties. Any written statements of position and trial briefs required of parties under §18b.50 shall be served on amici.

§ 18b.77 Final Department action.

(a) The final decision of the administrative law judge or reviewing authority that a school or training establishment is not in compliance will be referred by the reviewing authority to the Secretary for approval as required by §18.10(e) of this chapter. The finding will be accompanied by letters from the Secretary to the House Veterans' Affairs Committee and the Senate Veterans Affairs Committee containing a full report on the circumstances as required by §18.8(c) of this chapter, the reasons for the proposed action and a statement that the proposed action will become the final Department action 30 days after the date of the letter.
(b) A copy of the letters to the congressional committees will be sent to all parties to the proceedings.

§ 18b.90 Conduct.

Parties and their representatives are expected to conduct themselves with honor and dignity and observe judicial standards of practice and ethics in all proceedings. They should not indulge in offensive personalities, unseemly wrangling, or intemperate accusations or characterizations. A representative of any party whether or not a lawyer shall observe the traditional responsibilities of lawyers as officers of the court and use best efforts to restrain the principal represented from improprieties in connection with a proceeding.

§ 18b.91 Improper conduct.

With respect to any proceeding it is improper for any interested person to attempt to sway the judgment of the reviewing authority by undertaking to bring pressure or influence to bear upon the reviewing authority or any officer having a responsibility for a decision in the proceeding, or decisional staff. It is improper that such interested persons or any members of the Department of Veterans Affairs’s staff or the presiding officer give statements to communications media, by paid advertisement or otherwise, designed to influence the judgment of any officer having a responsibility for a decision in the proceeding, or decisional staff. It is improper for any person to solicit communications to any such officer, or decisional staff, other than proper communications by parties or amici curiae.

§ 18b.92 Ex parte communications.

Only persons employed by or assigned to work with the reviewing authority who perform no investigative or prosecuting function in connection with a proceeding shall communicate ex parte with the reviewing authority or the presiding officer, or any employee or person involved in the decisional process in such proceedings with respect to the merits of that or a factually related proceeding. The reviewing authority, the presiding officer, or any employee or person involved in the decisional process of a proceeding shall communicate ex parte with respect to the merits of that or a factually related proceeding only with persons employed by or assigned to work with them and who perform no investigative or prosecuting function in connection with the proceeding.

§ 18b.93 Expeditious treatment.

Requests for expeditious treatment of matters pending before the reviewing authority or the presiding officer are deemed communications on the merits, and are improper except when forwarded from parties to a proceeding and served upon all other parties thereto. Such communications should be in the form of a motion.

§ 18b.94 Matters not prohibited.

A request for information which merely inquires about the status of a proceeding without discussing issues or expressing points of view is not deemed an ex parte communication. Such requests should be directed to the civil rights hearing clerk. Communications with respect to minor procedural matters or inquiries or emergency requests for extensions of time are not deemed ex parte communications prohibited by § 18b.92. Where feasible, however, such communications should be by letter with copies to all parties. Ex parte communications between a respondent and the responsible agency official or the Secretary with respect to securing such respondent’s voluntary compliance with any requirement of part 18 of this chapter are not prohibited.

§ 18b.95 Filing of ex parte communications.

A prohibited communication in writing received by the Secretary, the reviewing authority, or by the presiding officer, shall be made public by placing it in the correspondence file of the
docket in the case and will not be considered as part of the record for decision. If the prohibited communication is received orally, a memorandum setting forth its substance shall be made and filed in the correspondence section of the docket in the case. A person referred to in such memorandum may file a comment for inclusion in the docket if the memorandum is considered to be incorrect.

§ 19.6 [Reserved]

§ 19.7 The decision.

(a) Decisions based on entire record. The appellant will not be presumed to be in agreement with any statement of fact contained in a Statement of the Case to which no exception is taken. Decisions of the Board are based on a review of the entire record.

(Authority: 38 U.S.C. 7104(a), 7105(d)(4))

(b) Content. The decision of the Board will be in writing and will set forth specifically the issue or issues under appellate consideration. Except with respect to issues remanded to the agency of original jurisdiction for further development of the case and appeals which are dismissed because the issue has been resolved by administrative action or because an appellant seeking nonmonetary benefits has died while the appeal was pending, the decision will also include separately stated findings of fact and conclusions of law on all material issues of fact and law presented on the record, the reasons or bases for those findings and conclusions, and an order granting or denying the benefit or benefits sought on appeal or dismissing the appeal.

§ 19.9 Remand or referral for further action.

(a) Remand. If further evidence, clarification of the evidence, correction of a procedural defect, or any other action is essential for a proper appellate decision, a Veterans Law Judge or panel of Veterans Law Judges shall remand the case to the agency of original jurisdiction, specifying the action to be undertaken.

(b) Referral. The Board shall refer to the agency of original jurisdiction for appropriate consideration and handling in the first instance all claims reasonably raised by the record that have not been initially adjudicated by the agency of original jurisdiction, except for claims over which the Board has original jurisdiction.

(c) Remand for a Statement of the Case. In cases before the Board in which a claimant has timely filed a Notice of Disagreement with a determination of the agency of original jurisdiction on a claim, but the record reflects that the agency of original jurisdiction has not subsequently granted the claim in full and has not furnished the claimant with a Statement of the Case, the Board shall remand the claim to the agency of original jurisdiction with instructions to prepare and issue a Statement of the Case in accordance with the provisions of subpart B of this part. A remand for a Statement of the Case is not required if the claimant, consistent with the withdrawal requirements of §20.204 of this chapter, withdraws the Notice of Disagreement.

(d) Exceptions. A remand or referral to the agency of original jurisdiction is not necessary for any of the following purposes:

(1) Clarifying a procedural matter before the Board, including the appellant's choice of representative before the Board, the issues on appeal, or requests for a hearing before the Board;

(2) Considering law not already considered by the agency of original jurisdiction, including, but not limited to, statutes, regulations, and court decisions;

(3) Reviewing additional evidence received by the Board, if, pursuant to §20.1304(c) of this chapter, the appellant or the appellant's representative waives the right to initial consideration by the agency of original jurisdiction, or if the Board determines that the benefit or benefits to which the evidence relates may be fully allowed on appeal;

(4) Requesting an opinion under §20.901 of this chapter;

(5) Supplementing the record with a recognized medical treatise; or

(6) Considering a matter over which the Board has original jurisdiction.

§ 19.26 Action by agency of original jurisdiction on Notice of Disagreement.

(a) Initial action. When a timely Notice of Disagreement (NOD) is filed, the agency of original jurisdiction (AOJ)
§ 19.27 Adequacy of Notice of Disagreement questioned within the agency of original jurisdiction.

If, after following the procedures set forth in 38 CFR 19.26, there remains within the agency of original jurisdiction a conflict of opinion or a question pertaining to a claim regarding whether a written communication expresses an intent to appeal or as to which denied claims a claimant wants to appeal, the procedures for an administrative appeal, as set forth in 38 CFR 19.50–19.53, must be followed.

(Authority: 38 U.S.C. 501, 7105, 7106)

§ 19.28 Determination that a Notice of Disagreement is inadequate protested by claimant or representative.

Whether a Notice of Disagreement is adequate is an appealable issue. If the claimant or his or her representative protests an adverse determination made by the agency of original jurisdiction with respect to the adequacy of a Notice of Disagreement, the claimant must reexamine the claim and determine whether additional review or development is warranted.

(b) Unclear communication or disagreement. If within one year after mailing an adverse decision (or 60 days for simultaneously contested claims), the AOJ receives a written communication expressing dissatisfaction or disagreement with the adverse decision, but the AOJ cannot clearly identify that communication as expressing an intent to appeal, or the AOJ cannot identify which denied claim(s) the claimant wants to appeal, then the AOJ will contact the claimant to request clarification of the claimant’s intent. This contact may be either oral or written.

(1) For oral contacts, VA will contact whoever filed the communication. VA will make a written record of any oral clarification request conveyed to the claimant including the date of the adverse decision involved and the response. In any request for clarification, the AOJ will explain that if a response to this request is not received within the time period described in paragraph (c) of this section, the earlier, unclear communication will not be considered an NOD as to any adverse decision for which clarification was requested.

(2) For written contacts, VA will mail a letter requesting clarification to the claimant and send a copy to his or her representative and fiduciary, if any.

(c) Response required from claimant—

(1) Time to respond. The claimant must respond to the AOJ’s request for clarification within the later of the following dates:

(i) 60 days after the date of the AOJ’s clarification request; or

(ii) One year after the date of mailing of notice of the adverse decision being appealed (60 days for simultaneously contested claims).

(2) Failure to respond. If the claimant fails to provide a timely response, the previous communication from the claimant will not be considered an NOD as to any claim for which clarification was requested. The AOJ will not consider the claimant to have appealed the decision(s) on any claim(s) as to which clarification was requested and not received.

(d) Action following clarification. When clarification of the claimant’s intent to file an NOD is obtained, the AOJ will reexamine the claim and determine whether additional review or development is warranted. If no further review or development is required, or after necessary review or development is completed, the AOJ will prepare a Statement of the Case pursuant to §19.29 unless the disagreement is resolved by a grant of the benefit(s) sought on appeal or the NOD is withdrawn by the claimant.

(e) Representatives and fiduciaries. For the purpose of the requirements in paragraphs (b) through (d) of this section, references to the “claimant” include reference to the claimant or his or her representative, if any, or to his or her fiduciary, if any, as appropriate.

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0674)
will be furnished a Statement of the Case.

(Authority: 38 U.S.C. 7105)

§ 19.29 Statement of the Case.

The Statement of the Case must be complete enough to allow the appellant to present written and/or oral arguments before the Board of Veterans' Appeals. It must contain:

(a) A summary of the evidence in the case relating to the issue or issues with which the appellant or representative has expressed disagreement;

(b) A summary of the applicable laws and regulations, with appropriate citations, and a discussion of how such laws and regulations affect the determination; and

(c) The determination of the agency of original jurisdiction on each issue and the reasons for each such determination with respect to which disagreement has been expressed.

(Authority: 38 U.S.C. 7105(d)(1))

§ 19.30 Furnishing the Statement of the Case and instructions for filing a Substantive Appeal.

(a) To whom the Statement of the Case is furnished. The Statement of the Case will be forwarded to the appellant at the latest address of record and a separate copy provided to his or her representative (if any).

(b) Information furnished with the Statement of the Case. With the Statement of the Case, the appellant and the representative will be furnished information on the right to file, and time limit for filing, a Substantive Appeal; information on hearing and representation rights; and a VA Form 9, “Appeal to Board of Veterans’ Appeals.”

(Authority: 38 U.S.C. 7105)

§ 19.31 Supplemental statement of the case.

(a) Purpose and limitations. A “Supplemental Statement of the Case,” so identified, is a document prepared by the agency of original jurisdiction to inform the appellant of any material changes in, or additions to, the information included in the Statement of the Case or any prior Supplemental Statement of the Case. In no case will a Supplemental Statement of the Case be used to announce decisions by the agency of original jurisdiction on issues not previously addressed in the Statement of the Case, or to respond to a notice of disagreement on newly appealed issues that were not addressed in the Statement of the Case. The agency of original jurisdiction will respond to notices of disagreement on newly appealed issues not addressed in the Statement of the Case using the procedures in §§ 19.29 and 19.30 of this part (relating to statements of the case).

(b) When furnished. The agency of original jurisdiction will furnish the appellant and his or her representative, if any, a Supplemental Statement of the Case if:

(1) The agency of original jurisdiction receives additional pertinent evidence after a Statement of the Case or the most recent Supplemental Statement of the Case has been issued and before the appeal is certified to the Board of Veterans’ Appeals and the appellate record is transferred to the Board;

(2) A material defect in the Statement of the Case or a prior Supplemental statement of the Case is discovered; or

(3) For any other reason the Statement of the Case or a prior Supplemental Statement of the Case is inadequate.

(c) Pursuant to remand from the Board. The agency of original jurisdiction will issue a Supplemental Statement of the Case if, pursuant to a remand by the Board, it develops the evidence or cures a procedural defect, unless:

(1) The only purpose of the remand is to assemble records previously considered by the agency of original jurisdiction and properly discussed in a prior Statement of the Case or Supplemental Statement of the Case; or

(2) The Board specifies in the remand that a Supplemental Statement of the Case is not required.

(d) Exception. Paragraph (b)(1) of this section does not apply in proceedings before the General Counsel conducted under part 14 of this chapter to cancel
§ 19.32 Closing of appeal for failure to respond to Statement of the Case.

The agency of original jurisdiction may close the appeal without notice to an appellant or his or her representative for failure to respond to a Statement of the Case within the period allowed. However, if a Substantive Appeal is subsequently received within the 1-year appeal period (60-day appeal period for simultaneously contested claims), the appeal will be considered to be reactivated.

(Authority: 38 U.S.C. 7105(d)(3))

§ 19.33 Timely filing of Notice of Disagreement or Substantive Appeal questioned within the agency of original jurisdiction.

If, within the agency of original jurisdiction, there is a question as to the timely filing of a Notice of Disagreement or Substantive Appeal, the procedures for an administrative appeal must be followed.

(Authority: 38 U.S.C. 7105, 7106)

§ 19.34 Determination that Notice of Disagreement or Substantive Appeal was not timely filed protested by claimant or representative.

Whether a Notice of Disagreement or Substantive Appeal has been filed on time is an appealable issue. If the claimant or his or her representative protests an adverse determination made by the agency of original jurisdiction with respect to timely filing of the Notice of Disagreement or Substantive Appeal, the claimant will be furnished a Statement of the Case.

(Authority: 38 U.S.C. 7105)

§ 19.35 Certification of appeals.

Following receipt of a timely Substantive Appeal, the agency of original jurisdiction will certify the case to the Board of Veterans’ Appeals. Certification is accomplished by the completion of VA Form 8, “Certification of Appeal.” The certification is used for administrative purposes and does not serve to either confer or deprive the Board of Veterans’ Appeals of jurisdiction over an issue.

(Authority: 38 U.S.C. 7105)

§ 19.36 Notification of certification of appeal and transfer of appellate record.

When an appeal is certified to the Board of Veterans’ Appeals for appellate review and the appellate record is transferred to the Board, the appellant and his or her representative, if any, will be notified in writing of the certification and transfer and of the time limit for requesting a change in representation, for requesting a personal hearing, and for submitting additional evidence described in Rule of Practice 1304 (§ 20.1304 of this chapter). Provisions in this section for submitting additional evidence and references to § 20.1304 do not apply in proceedings before the General Counsel conducted under part 14 of this chapter to suspend or cancel accreditation or to review fee agreements and expenses for reasonableness.

§ 19.37 Consideration of additional evidence received by the agency of original jurisdiction after an appeal has been initiated.

(a) Evidence received prior to transfer of records to Board of Veterans’ Appeals. Evidence received by the agency of original jurisdiction prior to transfer of the records to the Board of Veterans’ Appeals after an appeal has been initiated (including evidence received after certification has been completed) will be referred to the appropriate rating or authorization activity for review and disposition. If the Statement of the Case and any prior Supplemental Statements of the Case were prepared before the receipt of the additional evidence, a Supplemental Statement of the Case will be furnished to the appellant and his or her representative as provided in § 19.31 of this part, unless
the additional evidence received duplicates evidence previously of record which was discussed in the Statement of the Case or a prior Supplemental Statement of the Case or the additional evidence is not relevant to the issue, or issues, on appeal.

(b) Evidence received after transfer of records to the Board of Veterans' Appeals. Additional evidence received by the agency of original jurisdiction after the records have been transferred to the Board of Veterans’ Appeals for appellate consideration will be forwarded to the Board if it has a bearing on the appellate issue or issues. The Board will then determine what action is required with respect to the additional evidence.

(c) The provisions of this section do not apply in proceedings before the General Counsel conducted under part 14 of this chapter to cancel accreditation or to review fee agreements and expenses for reasonableness.

(Authority: 38 U.S.C. 7106(d)(1), 5902, 5903, 5904)

§ 19.38 Action by agency of original jurisdiction when remand received. When a case is remanded by the Board of Veterans’ Appeals, the agency of original jurisdiction will complete the additional development of the evidence or procedural development required. Following completion of the development, the case will be reviewed to determine whether the additional development, together with the evidence which was previously of record, supports the allowance of all benefits sought on appeal. If so, the appellant and his or her representative, if any, will be promptly informed. If any benefits sought on appeal remain denied following this review, the agency of original jurisdiction will issue a Supplemental Statement of the Case concerning the additional development pertaining to those issues in accordance with the provisions of §19.31 of this part. Following the 30-day period allowed for a response to the Supplemental Statement of the Case pursuant to Rule of Practice 302, paragraph (c) (§20.302(c) of this chapter), the case will be returned to the Board for further appellate processing unless the appeal is withdrawn or review of the response to the Supplemental Statement of the Case results in the allowance of all benefits sought on appeal. Remanded cases will not be closed for failure to respond to the Supplemental Statement of the Case.

(a) General. An administrative appeal from an agency of original jurisdiction determination is an appeal taken by an official of the Department of Veterans Affairs authorized to do so to resolve a conflict of opinion or a question pertaining to a claim involving benefits under laws administered by the Department of Veterans Affairs. Such appeals may be taken not only from determinations involving dissenting opinions, but also from unanimous determinations denying or allowing the benefit claimed in whole or in part.

(b) Form of Appeal. An administrative appeal is entered by a memorandum entitled “Administrative Appeal” in which the issues and the basis for the appeal are set forth.

(Authority: 38 U.S.C. 7106)

§ 19.51 Officials authorized to file administrative appeals and time limits for filing.

(2) Time limit. Such officials must file an administrative appeal within 1 year.
§ 19.52 Notification to claimant of filing of administrative appeal.

When an administrative appeal is entered, the claimant and his or her representative, if any, will be promptly furnished a copy of the memorandum entitled “Administrative Appeal,” or an adequate summary thereof, outlining the question at issue. They will be allowed a period of 60 days to join in the appeal if they so desire. The claimant will also be advised of the effect of such action and of the preservation of normal appeal rights if he or she does not elect to join in the administrative appeal.

(Authority: 38 U.S.C. 7106)

§ 19.53 Restriction as to change in payments pending determination of administrative appeals.

If an administrative appeal is taken from a review or determination by the agency of original jurisdiction pursuant to §§ 19.50 and 19.51 of this part, that review or determination may not be used to effect any change in payments until after a decision is made by the Board of Veterans’ Appeals.

(Authority: 38 U.S.C. 7106)
§§ 19.77–19.99 [Reserved]

Subpart E—Simultaneously Contested Claims

§ 19.100 Notification of right to appeal in simultaneously contested claims.

All interested parties will be specifically notified of the action taken by the agency of original jurisdiction in a simultaneously contested claim and of the right and time limit for initiation of an appeal, as well as hearing and representation rights.

(Authority: 38 U.S.C. 7105A(a))

§ 19.101 Notice to contesting parties on receipt of Notice of Disagreement in simultaneously contested claims.

Upon the filing of a Notice of Disagreement in a simultaneously contested claim, all interested parties and their representatives will be furnished a copy of the Statement of the Case. The Statement of the Case so furnished will contain only information which directly affects the payment or potential payment of the benefit(s) which is (are) the subject of that contested claim. The interested parties who filed Notices of Disagreement will be duly notified of the right to file, and the time limit within which to file, a Substantive Appeal and will be furnished with VA Form 9, “Appeal to Board of Veterans Appeals.”

(Authority: 38 U.S.C. 7105A(b))

§ 19.102 Notice of appeal to other contesting parties in simultaneously contested claims.

When a Substantive Appeal is filed in a simultaneously contested claim, the content of the Substantive Appeal will be furnished to the other contesting parties to the extent that it contains information which could directly affect the payment or potential payment of the benefit which is the subject of the contested claim.

§ 20.1 Purpose and construction of Rules of Practice.

(a) Purpose. These rules establish the practices and procedures governing appeals to the Board of Veterans' Appeals.

(Authority: 38 U.S.C. 501(a), 7102, 7104)
(b) Construction. These rules are to be construed to secure a just and speedy decision in every appeal.

§ 20.2 Rule 2. Procedure in absence of specific Rule of Practice.

Where in any instance there is no applicable rule or procedure, the Chairman may prescribe a procedure which is consistent with the provisions of title 38, United States Code, and these rules.

(k) Legal intern means a graduate of a law school, which has been approved by a recognized accrediting association, who has not yet been admitted to a State bar.

For example, the questions of whether a representative’s fees are reasonable or whether additional evidence may be submitted more than 90 days after certification of an appeal to the Board are raised by motion (see Rule 609, paragraph (i), and Rule 1304, paragraph (b) §§20.609(i) and 20.1304(b) of this part). Unless raised orally at a personal hearing before Members of the Board, motions for consideration by the Board must be made in writing. No formal type of document is required. Subpart B—The Board

§ 20.100 **Rule 100. Name, business hours, and mailing address of the Board.**

(a) **Name.** The name of the Board is the Board of Veterans’ Appeals.

(b) **Business hours.** The Board is open during business hours on all days except Saturday, Sunday and legal holidays. Business hours are from 8 a.m. to 4:30 p.m.

(c) **Mailing address.** Except as otherwise noted in these Rules, mail to the Board must be addressed to: Chairman (01), Board of Veterans’ Appeals, 810 Vermont Avenue NW., Washington, DC 20420.

(Authority: 38 U.S.C. 7101(a))

§ 20.101 **Rule 101. Jurisdiction of the Board.**

(a) **General.** All questions of law and fact necessary to a decision by the Secretary of Veterans Affairs under a law that affects the provision of benefits by the Secretary to veterans or their dependents or survivors are subject to review on appeal to the Secretary. Decisions in such appeals are made by the Board of Veterans’ Appeals. In its decisions, the Board is bound by applicable statutes, the regulations of the Department of Veterans Affairs and precedent opinions of the General Counsel of the Department of Veterans Affairs. Examples of the issues over which the Board has jurisdiction include, but are not limited to, the following:

1. Entitlement to, and benefits resulting from, service-connected disability or death (38 U.S.C. chapter 11).
2. Dependency and indemnity compensation for service-connected death, including benefits in certain cases of in-service or service-connected deaths (38 U.S.C. 1312) and certification and entitlement to death gratuity (38 U.S.C. 1323).
5. All-Volunteer Force Educational Assistance Program (38 U.S.C. chapter 30).
(15) Payment or reimbursement for unauthorized medical expenses (38 U.S.C. 1728).

(17) Benefits for persons disabled by medical treatment or vocational rehabilitation (38 U.S.C. 1151).

(18) Basic eligibility for home, condominium and mobile home loans as well as waiver of payment of loan guaranty indebtedness (38 U.S.C. chapter 37, 38 U.S.C. 5302).

(20) Forfeiture of rights, claims or benefits for fraud, treason, or subversive activities (38 U.S.C. 6102–6105).

(22) Determinations as to duty status (38 U.S.C. 101(21)–(24)).

(24) Determination of dependency status as parent or child (38 U.S.C. 101(4), (5)).

(27) Payment of benefits while a veteran is hospitalized and questions regarding an estate of an incompetent institutionalized veteran (38 U.S.C. 5503).

(28) Benefits for surviving spouses and children of deceased veterans under Public Law 97–377, section 156 (38 CFR 3.812(d)).

(b) Appellate jurisdiction of determinations of the Veterans Health Administration. The Board's appellate jurisdiction extends to questions of eligibility for hospitalization, outpatient treatment, and nursing home and domiciliary care; for devices such as prostheses, canes, wheelchairs, back braces, orthopedic shoes, and similar appliances; and for other benefits administered by the Veterans Health Administration. Medical determinations, such as determinations of the need for and appropriateness of specific types of medical care and treatment for an individual, are not adjudicative matters and are beyond the Board's jurisdiction. Typical examples of these issues are whether a particular drug should be prescribed, whether a specific type of physiotherapy should be ordered, and similar judgmental treatment decisions with which an attending physician may be faced.

(c) Appeals as to jurisdiction. All claimants have the right to appeal a determination made by the agency of original jurisdiction that the Board does not have jurisdictional authority to review a particular case. Jurisdictional questions which a claimant may appeal, include, but are not limited to, questions relating to the timely filing and adequacy of the Notice of Disagreement and the Substantive Appeal.

(d) Authority to determine jurisdiction. The Board may address questions pertaining to its jurisdictional authority to review a particular case, including, but not limited to, determining whether Notices of Disagreement and Substantive Appeals are adequate and timely, at any stage in a proceeding before it, regardless of whether the agency of original jurisdiction addressed such question(s). When the Board, on its own initiative, raises a question as to a potential jurisdictional defect, all parties to the proceeding and their representative(s), if any, will be given notice of the potential jurisdictional defect(s) and granted a period of 60 days following the date on which such notice is mailed to present written argument and additional evidence relevant to jurisdiction and to request a hearing to present oral argument on the jurisdictional question(s). The date of mailing of the notice will be presumed to be the same as the date stamped on the letter of notification. The Board may dismiss any case over which it determines it does not have jurisdiction.

(e) Application of 38 CFR 19.9 and 20.1304. Section 19.9 of this chapter shall not apply to proceedings to determine the Board's own jurisdiction. However, the Board may remand a case to an agency of original jurisdiction in order to obtain assistance in securing evidence of jurisdictional facts. The time restrictions on requesting a hearing and submitting additional evidence in §20.1304 of this part do not apply to

(a) The authority exercised by the Chairman of the Board of Veterans’ Appeals described in Rules 717(d) and 1001(c) (§§ 20.717(d) and 20.1001(c) of this part) may also be exercised by the Vice Chairman of the Board and by Deputy Vice Chairmen of the Board.

(b) The authority exercised by the Chairman of the Board of Veterans’ Appeals described in Rules 2 and 606(d) (§§ 20.2, and 20.606(d) of this part), may also be exercised by the Vice Chairman of the Board; by Deputy Vice Chairmen of the Board; and, in connection with a proceeding or motion assigned to them by the Chairman, by a Member or Members of the Board.

(Authority: 38 U.S.C. 512(a), 7102, 7104)

A written communication from a claimant or his or her representative expressing dissatisfaction or disagreement with an adjudicative determination by the agency of original jurisdiction and a desire to contest the result will constitute a Notice of Disagreement. While special wording is not required, the Notice of Disagreement must be in terms which can be reasonably construed as disagreement with that determination and a desire for appellate review. If the agency of original jurisdiction gave notice that adjudicative determinations were made on several issues at the same time, the specific determinations with which the claimant disagrees must be identified. For example, if service connection was denied for two disabilities and the claimant wishes to appeal the denial of service connection with respect to only one of the disabilities, the Notice of Disagreement must make that clear.

(Authority: 38 U.S.C. 7105)

§ 20.204 Rule 204. Substantive Appeal.

A Substantive Appeal consists of a properly completed VA Form 9, “Appeal to Board of Veterans’ Appeals,” or correspondence containing the necessary information. If the Statement of the Case and any prior Supplemental Statements of the Case addressed several issues, the Substantive Appeal must either indicate that the appeal is being perfected as to all of those issues or must specifically identify the issues appealed. The Substantive Appeal should set out specific arguments relating to errors of fact or law made by the agency of original jurisdiction in reaching the determination, or determinations, being appealed. To the extent feasible, the argument should be related to specific items in the Statement of the Case and any prior Supplemental Statements of the Case. The Board will construe such arguments in a liberal manner for purposes of determining whether they raise issues on appeal, but the Board may dismiss any appeal which fails to allege specific error of fact or law made by the agency of original jurisdiction in reaching the determination, or determinations, being appealed. The Board will not presume that an appellant agrees with any statement of fact contained in a Statement of the Case or a Supplemental Statement of the Case which is not specifically contested. Proper completion and filing of a Substantive Appeal are
§ 20.203

the last actions the appellant needs to take to perfect an appeal.

(Authority: 38 U.S.C. 7105(d)(3)–(5))

(Approved by the Office of Management and Budget under control number 2900–0085)

§ 20.203 [Reserved]

§ 20.204 Rule 204. Withdrawal of Appeal.

(a) When and by whom filed. Only an appellant, or an appellant’s authorized representative, may withdraw an appeal. An appeal may be withdrawn as to any or all issues involved in the appeal.

(b) Filing—(1) Form and content. Except for appeals withdrawn on the record at a hearing, appeal withdrawals must be in writing. They must include the name of the veteran, the name of the claimant or appellant if other than the veteran (e.g., a veteran’s survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual’s behalf), the applicable Department of Veterans Affairs file number, and a statement that the appeal is withdrawn. If the appeal involves multiple issues, the withdrawal must specify that the appeal is withdrawn in its entirety, or list the issue(s) withdrawn from the appeal.

(2) Where to file. Appeal withdrawals should be filed with the agency of original jurisdiction until the appellant or representative filing the withdrawal receives notice that the appeal has been transferred to the Board. Thereafter, file the withdrawal at the following address: Director, Management and Administration (014), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(3) When effective. Until the appeal is transferred to the Board, an appeal withdrawal is effective when received by the agency of original jurisdiction. Thereafter, it is not effective until received by the Board. A withdrawal received by the Board after the Board issues a final decision under Rule 1100(a) (§20.1100(a) of this part) will not be effective.

(c) Effect of filing. Withdrawal of an appeal will be deemed a withdrawal of the Notice of Disagreement and, if filed, the Substantive Appeal, as to all issues to which the withdrawal applies. Withdrawal does not preclude filing a new Notice of Disagreement and, after a Statement of the Case is issued, a new Substantive Appeal, as to any issue withdrawn, provided such filings would be timely under these rules if the appeal withdrawn had never been filed.

§§ 20.205–20.299 [Reserved]

Subpart D—Filing

§ 20.300 Rule 300. Place of filing Notice of Disagreement and Substantive Appeal.

The Notice of Disagreement and Substantive Appeal must be filed with the Department of Veterans Affairs office from which the claimant received notice of the determination being appealed unless notice has been received that the applicable Department of Veterans Affairs records have been transferred to another Department of Veterans Affairs office. In that case, the Notice of Disagreement or Substantive Appeal must be filed with the Department of Veterans Affairs office which has assumed jurisdiction over the applicable records.

(Authority: 38 U.S.C. 7105(b)(1), (d)(3))

§ 20.301 Rule 301. Who can file an appeal.

(a) Persons authorized. A Notice of Disagreement and/or a Substantive Appeal may be filed by a claimant personally, or by his or her representative if a proper Power of Attorney or declaration of representation, as applicable, is on record or accompanies such Notice of Disagreement or Substantive Appeal.

(b) Claimant rated incompetent by Department of Veterans Affairs or under disability and unable to file. If an appeal is not filed by a person listed in paragraph (a) of this section, and the claimant is rated incompetent by the Department of Veterans Affairs or has a physical, mental, or legal disability which prevents the filing of an appeal on his or her own behalf, a Notice of
Disagreement and a Substantive Appeal may be filed by a fiduciary appointed to manage the claimant's affairs by the Department of Veterans Affairs or a court, or by a person acting as next friend if the appointed fiduciary fails to take needed action or no fiduciary has been appointed.

(c) Claimant under disability and able to file. Notwithstanding the fact that a fiduciary may have been appointed for a claimant, an appeal filed by a claimant will be accepted.

(Authority: 38 U.S.C. 7105(b)(2))

(a) Notice of Disagreement. Except in the case of simultaneously contested claims, a claimant, or his or her representative, must file a Notice of Disagreement with a determination by the agency of original jurisdiction within one year from the date that that agency mails notice of the determination to him or her. Otherwise, that determination will become final. The date of mailing the letter of notification of the determination will be presumed to be the same as the date of that letter for purposes of determining whether an appeal has been timely filed.

(Authority: 38 U.S.C. 7105(b)(1))

(b) Substantive Appeal—(1) General. Except in the case of simultaneously contested claims, a Substantive Appeal must be filed within 60 days from the date that the agency of original jurisdiction mails the Notice of Disagreement to the appellant, or within the remainder of the 1-year period from the date of mailing of the notification of the determination being appealed, whichever period ends later. The date of mailing the letter of notification of the determination being appealed will be presumed to be the same as the date of that letter for purposes of determining whether an appeal has been timely filed.

(2) Special rule in certain cases where additional evidence is submitted. Except in the case of simultaneously contested claims, if (i) a claimant submits additional evidence within 1 year of the date of mailing of the notification of the determination being appealed, and (ii) that evidence requires, in accordance with §19.31 of this title, that the claimant be furnished a Supplemental Statement of the Case, then the time to submit a Substantive Appeal shall end not sooner than 60 days after such Supplemental Statement of the Case is mailed to the appellant, even if the 60-day period extends beyond the expiration of the 1-year appeal period.

(Authority: 38 U.S.C. 7105 (b)(1), (d)(3))

An extension of the 60-day period for filing a Substantive Appeal, or the 30-day period for responding to a Supplemental Statement of the Case, may be granted for good cause. A request for such an extension must be in writing and must be made prior to expiration of the time limit for filing the Substantive Appeal or the response to the Supplemental Statement of the Case. The request for extension must be filed with the Department of Veterans Affairs office from which the claimant received notice of the determination.
§ 20.304  Rule 304. Filing additional evidence does not extend time limit for appeal.

Except as provided in Rule 302(b) (§ 20.302(b) of this part), the filing of additional evidence after receipt of notice of an adverse determination does not extend the time limit for initiating or completing an appeal from that determination.

(Authority: 38 U.S.C. 7105)

§ 20.305  Rule 305. Computation of time limit for filing.

(a) Acceptance of postmark date. When these Rules require that any written document be filed within a specified period of time, a response postmarked prior to expiration of the applicable time limit will be accepted as having been timely filed. In the event that the postmark is not of record, the postmark date will be presumed to be five days prior to the date of receipt of the document by the Department of Veterans Affairs. In calculating this 5-day period, Saturdays, Sundays and legal holidays will be excluded.

(b) Computation of time limit. In computing the time limit for filing a written document, the first day of the specified period will be excluded and the last day included. Where the time limit would expire on a Saturday, Sunday, or legal holiday, the next succeeding workday will be included in the computation.

(Authority: 38 U.S.C. 7105)

§ 20.306  Rule 306. Legal holidays.

For the purpose of Rule 305 (§ 20.305 of this part), the legal holidays, in addition to any other day appointed as a holiday by the President or the Congress of the United States, are as follows: New Year’s Day—January 1; Inauguration Day—January 20 of every fourth year or, if the 20th falls on a Sunday, the next succeeding day selected for public observance of the inauguration; Birthday of Martin Luther King, Jr.—Third Monday in January; Washington’s Birthday—Third Monday in February; Memorial Day—Last Monday in May; Independence Day—July 4; Labor Day—First Monday in September; Columbus Day—Second Monday in October; Veterans Day—November 11; Thanksgiving Day—Fourth Thursday in November; and Christmas Day—December 25. § 20.401 Rule 401. Effect of decision on administrative or merged appeal on claimant's appellate rights.

(a) Merged appeal. If the administrative appeal is merged, the appellate decision on the merged appeal will constitute final disposition of the claimant's appellate rights.

(b) Appeal not merged. If the claimant does not authorize merger, normal appellate rights on the same issue are preserved, and the Chairman will assign the proceeding to a Member or panel of Members of the Board who did not make the decision on the administrative appeal. The period of time from the date of notification to the claimant of the administrative appeal to the date of the Board's decision on the administrative appeal is not chargeable to the claimant for purposes of determining the time limit for perfecting his or her separate appeal.

The date of mailing of the Supplemental Statement of the Case will be presumed to be the same as the date of the Supplemental Statement of the Case for purposes of determining whether a response has been timely filed. Provided a Substantive Appeal has been timely filed in accordance with paragraph (b) of this section, the response to a Supplemental Statement of the Case is optional and is not required for the perfection of an appeal.

Subpart H—Hearings on Appeal

(a) Right to a hearing. A hearing on appeal will be granted if an appellant, or an appellant’s representative acting on his or her behalf, expresses a desire to appear in person.

(b) Purpose of hearing. The purpose of a hearing is to receive argument and testimony relevant and material to the appellate issue. It is contemplated that the appellant and witnesses, if any, will be present. A hearing will not normally be scheduled solely for the purpose of receiving argument by a representative. Such argument should be submitted in the form of a written brief. Oral argument may also be submitted on audio cassette for transcription for the record in accordance with paragraph (d) of this section. Requests for appearances by representatives alone to personally present argument to Members of the Board may be granted if good cause is shown. Whether good cause has been shown will be determined by the presiding Member assigned to conduct the hearing.

(c) Nonadversarial proceedings. Hearings conducted by the Board are ex parte in nature and nonadversarial. Parties to the hearing will be permitted to ask questions, including follow-up questions, of all witnesses but cross-examination will not be permitted. Proceedings will not be limited by legal rules of evidence, but reasonable bounds of relevancy and materiality will be maintained. The presiding Member may set reasonable time limits for the presentation of argument and may exclude documentary evidence, testimony, and/or argument which is not relevant or material to the issue, or issues, being considered or which is unduly repetitious.

(d) Informal hearings. This term is used to describe situations in which the appellant cannot, or does not wish to, appear. In the absence of the appellant, the authorized representative may present oral arguments, not exceeding 30 minutes in length, to the Board on an audio cassette without personally appearing before the Board of Veterans Appeals. These arguments will be transcribed by Board personnel for subsequent review by the Member or Members to whom the appeal has been assigned for a determination. This procedure will not be construed to satisfy an appellant’s request to appear in person.

(e) Electronic hearings. When suitable facilities and equipment are available, an appellant may be scheduled for an electronic hearing. Any such hearing will be in lieu of a hearing held by personally appearing before a Member or panel of Members of the Board and shall be conducted in the same manner as, and considered the equivalent of, such a hearing. If an appellant declines to participate in an electronic hearing, the appellant’s opportunity to participate in a hearing before the Board shall not be affected.

(Authority: 38 U.S.C. 7102, 7105(a), 7107)

§ 20.701 Rule 701. Who may present oral argument.

Only the appellant and/or his or her authorized representative may appear and present argument in support of an appeal. At the request of an appellant, a Veterans Benefits Counselor of the Department of Veterans Affairs may present the appeal at a hearing before the Board of Veterans' Appeals.

(Authority: 38 U.S.C. 7102, 7105, 7107)

§ 20.702 Rule 702. Scheduling and notice of hearings conducted by the Board of Veterans’ Appeals in Washington, DC.

(a) General. To the extent that officials scheduling hearings for the Board of Veterans' Appeals determine that necessary physical resources and qualified personnel are available, hearings will be scheduled at the convenience of appellants and their representatives, with consideration of the travel distance involved. While a Statement of the Case should be prepared prior to the hearing, it is not a prerequisite for a hearing and an appellant may request that the hearing be scheduled prior to issuance of the Statement of the Case.

(Authority: 38 U.S.C. 7102, 7105(a), 7107)

(b) Notification of hearing. When a hearing is scheduled, the person requesting it will be notified of its time and place, and the fact that the Government may not assume any expense incurred by the appellant, the representative or witnesses attending the hearing.

(Authority: 38 U.S.C. 7102, 7105(a), 7107)

(c) Requests for changes in hearing dates. (1) The appellant or the representative may request a different date for the hearing within 60 days from the date of the letter of notification of the time and place of the hearing, or not later than two weeks prior to the scheduled hearing date, whichever is earlier. The request must be in writing, but the grounds for the request need not be stated. Only one such request for a change of the date of the hearing will be granted, subject to the interests of other parties if a simultaneously contested claim is involved. In the case of hearings to be conducted by the Board of Veterans’ Appeals in Washington, DC, such requests for a new hearing date must be filed with: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(2) After the period described in paragraph (c)(1) of this section has passed, or after one change in the hearing date is granted based on a request received during such period, the date of the hearing will become fixed. After a hearing date has become fixed, an extension of time for appearance at a hearing will be granted only for good cause, with due consideration of the interests of other parties if a simultaneously contested claim is involved. Examples of good cause include, but are not limited to, illness of the appellant and/or representative, difficulty in obtaining necessary records, and unavailability of a necessary witness. The motion for a new hearing date must be in writing and must explain why a new hearing date is necessary. If good cause is shown, the hearing will be rescheduled for the next available hearing date after the appellant or his or her representative gives notice that the contingency which gave rise to the request for postponement has been removed. Ordinarily, however, hearings will not be postponed more than 30 days. In the case of a hearing conducted by the Board of Veterans' Appeals in Washington, DC, whether good cause for establishing a new hearing date has been shown will be determined by the presiding Member assigned to conduct the hearing. In the case of hearings to be conducted by the Board of Veterans’ Appeals in Washington, DC, the motion for a new hearing date must be filed with: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(Authority: 38 U.S.C. 7102, 7105(a), 7105A, 7107)

(d) Failure to appear for a scheduled hearing. If an appellant (or when a hearing only for oral argument by a representative has been authorized, the representative) fails to appear for a scheduled hearing and a request for postponement has not been received
and granted, the case will be processed as though the request for a hearing had been withdrawn. No further request for a hearing will be granted in the same appeal unless such failure to appear was with good cause and the cause for the failure to appear arose under such circumstances that a timely request for postponement could not have been submitted prior to the scheduled hearing date. A motion for a new hearing date following a failure to appear must be in writing; must be submitted not more than 15 days following the original hearing date; and must set forth the reason, or reasons, for the failure to appear at the originally scheduled hearing, and the reason, or reasons, why a timely request for postponement could not have been submitted. In the case of hearings to be conducted by the Board of Veterans’ Appeals in Washington, DC, the motion must be filed with: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. If good cause is shown, the hearing will be rescheduled for the next available hearing date after the appellant or his or her representative gives notice that the contingency which gave rise to the failure to appear has been removed. Ordinarily, however, hearings will not be postponed more than 30 days. In the case of hearings before the Board of Veterans’ Appeals in Washington, DC, whether good cause for such failure to appear has been established will be determined by the presiding Member assigned to conduct the hearing.

(Authority: 38 U.S.C. 7102, 7105(a), 7107)

§ 20.704

Withdrawal of hearing requests. A request for a hearing may be withdrawn by an appellant at any time before the date of the hearing. A request for a hearing may not be withdrawn by an appellant’s representative without the consent of the appellant. In the case of hearings to be conducted by the Board of Veterans’ Appeals in Washington, DC, the notice of withdrawal must be sent to: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

§ 20.703

Rule 703. When a hearing before the Board of Veterans’ Appeals at a Department of Veterans Affairs field facility may be requested.

An appellant, or an appellant’s representative, may request a hearing before the Board of Veterans’ Appeals at a Department of Veterans Affairs field facility when submitting the substantive appeal (VA Form 9) or any time thereafter, subject to the restrictions in Rule 1304 (§20.1304 of this part). Requests for such hearings before a substantive appeal has been filed will be rejected.

(Authority: 38 U.S.C. 7105(a), 7107)

§ 20.704

Rule 704. Scheduling and notice of hearings conducted by the Board of Veterans’ Appeals at Department of Veterans Affairs field facilities.

(a) General. Hearings are conducted by a Member or Members of the Board of Veterans’ Appeals during prescheduled visits to Department of Veterans Affairs facilities having adequate physical resources and personnel for the support of such hearings. Subject to paragraph (f) of this section, the hearings will be scheduled in the order specified in §19.75 of this chapter. Requests for such hearings must be submitted to the agency of original jurisdiction, in writing, and should not be submitted directly to the Board of Veterans’ Appeals.

(b) Notification of hearing. When a hearing is scheduled, the person requesting it will be notified of its time and place, and of the fact that the Government may not assume any expense incurred by the appellant, the representative or witnesses attending the hearing.

(c) Requests for changes in hearing dates. Requests for a change in a hearing date may be made at any time up
to two weeks prior to the scheduled date of the hearing if good cause is shown. Such requests must be in writing, must explain why a new hearing date is necessary, and must be filed with the office of the official of the Department of Veterans Affairs who signed the notice of the original hearing date. Examples of good cause include, but are not limited to, illness of the appellant and/or representative, difficulty in obtaining necessary records, and unavailability of a necessary witness. If good cause is shown, the hearing will be rescheduled for the next available hearing date after the appellant or his or her representative gives notice that the contingency which gave rise to the request for postponement has been removed. If good cause is not shown, the appellant and his or her representative will be promptly notified and given an opportunity to appear at the hearing as previously scheduled. If the appellant elects not to appear at the prescheduled date, the request for a hearing will be considered to have been withdrawn. In such cases, however, the record will be submitted for review by the Member who would have presided over the hearing. If the presiding Member determines that good cause has been shown, the hearing will be rescheduled for the next available hearing date after the contingency which gave rise to the request for postponement has been removed.

(e) Withdrawal of hearing requests. A request for a hearing may be withdrawn by an appellant at any time before the date of the hearing. A request for a hearing may not be withdrawn by an appellant’s representative without the consent of the appellant. Notices of withdrawal must be submitted to the office of the Department of Veterans Affairs official who signed the notice of the hearing date.

(f) Advancement of the case on the hearing docket. A hearing may be scheduled at a time earlier than would be provided for under §19.75 of this chapter upon written motion of the appellant or the representative. The same grounds for granting relief, motion filing procedures, and designation of authority to rule on the motion specified in Rule 900(c) (§20.900(c) of this part) for advancing a case on the Board’s docket shall apply.

§ 20.705 Rule 705. Where hearings are conducted.

A hearing on appeal before the Board of Veterans’ Appeals may be held in one of the following places at the option of the appellant:
§ 20.706  Rule 706. Functions of the presiding Member.

The presiding Member of a hearing panel is responsible for the conduct of the hearing, administration of the oath or affirmation, and for ruling on questions of procedure. The presiding Member will assure that the course of the hearing remains relevant to the issue, or issues, on appeal and that there is no cross-examination of the parties or witnesses. The presiding Member will take such steps as may be necessary to maintain good order at hearings and may terminate a hearing or direct that the offending party leave the hearing if an appellant, representative, or witness persists in disruptive behavior.

§ 20.707  Rule 707. Designation of Member or Members to conduct the hearing.

The Member or panel to whom a proceeding is assigned under §19.3 of this part shall conduct any hearing before the Board in connection with that proceeding. Where a proceeding has been assigned to a panel, the Chairman, or the Chairman’s designee, shall designate one of the Members as the presiding Member. The Member or Members who conduct the hearing shall participate in making the final determination of the claim, subject to the exception in §19.11(c) of this part (relating to reconsideration of a decision).

An appellant’s authorized representative may request a prehearing conference with the presiding Member of a hearing to clarify the issues to be considered at a hearing on appeal, obtain rulings on the admissibility of evidence, develop stipulations of fact, establish the length of argument which will be permitted, or take other steps which will make the hearing itself more efficient and productive. With respect to hearings to be held before the Board at Washington, DC, arrangements for a prehearing conference must be made through: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Requests for prehearing conferences in cases involving hearings to be held before the Board at Department of Veterans Affairs field facilities must be addressed to the office of the Department of Veterans Affairs official who signed the letter giving notice of the time and place of the hearing.

§ 20.709  Rule 709. Procurement of additional evidence following a hearing.

If it appears during the course of a hearing that additional evidence would assist in the review of the questions at issue, the presiding Member may direct that the record be left open so that the appellant and his or her representative may obtain the desired evidence. The presiding Member will determine the period of time during which the record will stay open, considering the amount of time estimated by the appellant or representative as needed to obtain the evidence and other factors adduced during the hearing. Ordinarily, the period will not exceed 60 days, and will be as short as possible in order that appellate consideration of the case not be unnecessarily delayed.

§ 20.710  Rule 710. Witnesses at hearings.

The testimony of witnesses, including appellants, will be heard. All testimony must be given under oath or affirmation. Oath or affirmation is not required for the sole purpose of presenting contentions and argument.

(a) General. An appellant, or his or her representative, may arrange for the production of any tangible evidence or the voluntary appearance of any witnesses desired. When necessary evidence cannot be obtained in any other reasonable way, the appellant, or his or her representative, may move that a subpoena be issued to compel the attendance of witnesses residing within 100 miles of the place where a hearing on appeal is to be held and/or to compel the production of tangible evidence. A subpoena will not be issued to compel the attendance of Department of Veterans Affairs adjudicatory personnel.

(b) Contents of motion for subpoena. The motion for a subpoena must be in writing, must clearly show the name and address of each witness to be subpoenaed, must clearly identify all documentary or other tangible evidence to be produced, and must explain why the attendance of the witness and/or the production of the tangible evidence cannot be obtained without a subpoena.

(c) Where filed. Motions for a subpoena must be filed with the Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW, Washington, DC 20420.

(d) When motion for subpoena is to be filed in cases involving a hearing on appeal. Motions for the issuance of a subpoena for the attendance of a witness, or the production of documents or other tangible evidence, at a hearing on appeal must be filed not later than 30 days prior to the hearing date.

(e) Ruling on motion for subpoena—(1) To whom assigned. The ruling on the motion will be made by the Member or panel of Members to whom the case is assigned. Where the case has not been assigned, the Chairman, or the Chairman’s designee, will assign the case to a Member or panel who will then rule on the motion.

(f) Procedure. If the motion is denied, the Member(s) ruling on the motion will issue an order to that effect which sets forth the reasons for the denial and will send copies to the moving party and his or her representative, if any. Granting the motion will be signified by completion of a VA Form 0714, “Subpoena,” if attendance of a witness is required, and/or VA Form 0713, “Subpoena Duces Tecum,” if production of tangible evidence is required. The completed form shall be signed by the Member ruling on the motion, or, where applicable, by any panel Member on behalf of the panel ruling on the motion, and served in accordance with paragraph (g) of this section.

(g) Service of subpoenas. The Board will serve the subpoena by certified mail, return receipt requested. The check for fees and mileage described in paragraph (f) of this section shall be mailed with the subpoena. The receipt, which must bear the signature of the witness or of the custodian of the tangible evidence, and a copy of the subpoena will be filed in the claims folder, loan guaranty folder, or other applicable Department of Veterans Affairs records folder.

(h) Motion to quash or modify subpoena—(1) Filing procedure. Upon written motion of the party securing the subpoena, or of the person subpoenaed, the Board may quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown. Relief may include, but is not limited to, requiring the party who secured the subpoena to advance the reasonable cost of producing books, papers, or other tangible evidence. The motion must specify the relief sought and the reasons for requesting relief. Such motions must be filed at the address specified in paragraph (c) of this section.
§ 20.713

within 10 days after mailing of the subpoena or the time specified in the subpoena for compliance, whichever is less. The motion may be accompanied by such supporting evidence as the moving party may choose to submit. It must be accompanied by a declaration showing:

(i) That a copy of the motion, and any attachments thereto, were mailed to the party who secured the subpoena, or the person subpoenaed, as applicable;

(ii) The date of mailing; and

(iii) The address to which the copy was mailed.

(2) Response. Not later than 10 days after the date that the motion was mailed to the responding party, that party may file a response to the motion at the address specified in paragraph (c) of this section. The response may be accompanied by such supporting evidence as the responding party may choose to submit. It must be accompanied by a declaration showing:

(i) That a copy of the response, and any attachments thereto, were mailed to the moving party;

(ii) The date of mailing; and

(iii) The address to which the copy was mailed. If the subpoena involves testimony or the production of tangible evidence at a hearing before the Board and less than 30 days remain before the scheduled hearing date at the time the response is received by the Board, the Board may reschedule the hearing to permit disposition of the motion.

(3) Ruling on the motion. The Member or panel to whom the case is assigned will issue an order disposing of the motion. Such order shall set forth the reasons for which a motion is either granted or denied. The order will be mailed to all parties to the motion. Where applicable, an order quashing a subpoena will require refund of any sum advanced for fees and mileage.

(i) Disobedience. In case of disobedience to a subpoena issued by the Board, the Board will take such steps as may be necessary to invoke the aid of the appropriate district court of the United States in requiring the attendance of the witness and/or the production of the tangible evidence subpoenaed. A failure to obey the order of such a court may be punished by the court as a contempt thereof.

§ 20.713 Rule 713. Hearings in simultaneously contested claims.

(a) General. If a hearing is scheduled for any party to a simultaneously contested claim, the other contesting claimants and their representatives, if any, will be notified and afforded an opportunity to be present. The appellant will be allowed to present opening testimony and argument. Thereafter, any other contesting party who wishes to do so may present testimony and argument. The appellant will then be allowed an opportunity to present testimony and argument in rebuttal. Cross-examination will not be allowed.

(b) Requests for changes in hearing dates. Any party to a simultaneously contested claim may request a change in a hearing date in accordance with the provisions of Rule 702, paragraph (c) (§ 20.702(c) of this part), or Rule 704, paragraph (c) (§ 20.704(c) of this part), as applicable. In order to obtain a new hearing date under the provisions of Rule 702, paragraph (c)(1), the consent of all other interested parties must be obtained and submitted with the request for a new hearing date. A copy of any motion for a new hearing date required by these rules must be mailed to all other interested parties by certified mail, return receipt requested. (a) Board of Veterans’ Appeals. A hearing before a Member or panel of Members of the Board, whether held in Washington, DC, or at a Department of Veterans Affairs field facility, will be recorded on audio tape. In those instances where a complete written transcript is prepared, that transcript will be the official record of the hearing and the tape recording will be retained at the Board for a period of 12 months following the date of the hearing as a duplicate record of the hearing. Tape recordings of hearings that have not been transcribed will be maintained by the Board as the official record of hearings and retained in accordance with retention standards approved by the National Archives and Records Administration. A transcript will be prepared and incorporated as a part of the claims folder, loan guaranty folder, or other applicable Department of Veterans Affairs records folder if one or more of the following conditions have been met:

Requests that recordings of hearing proceedings be transcribed may be made orally at the time of the hearing. Requests made subsequent to the hearing must be in writing and must explain why transcription is necessary. They must be filed with: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.)

(2) Testimony and/or argument has been presented at the hearing pertaining to an issue which is to be remanded to the agency of original jurisdiction for further development or an issue which is not in appellate status which is to be referred to the agency of original jurisdiction for consideration.

(b) Copy of hearing tape recording or written transcript. One copy of the tape recording of hearing proceedings before the Board of Veterans’ Appeals, or the written transcript of such proceedings when such a transcript has been prepared in accordance with the provisions of paragraph (a) of this section, shall be furnished without cost to the appellant or representative if a request is made in accordance with §1.577 of this chapter.

§ 20.715  Rule 715. Recording of hearing by appellant or representative.

An appellant or representative may record the hearing with his or her own equipment. Filming, videotaping or televising the hearing may only be authorized when prior written consent is obtained from all appellants and contesting claimants, if any, and made a matter of record. In no event will such additional equipment be used if it interferes with the conduct of the hearing or the official recording apparatus. In all such situations, advance arrangements must be made. § 20.716 Rule 716. Correction of hearing transcripts.

The tape recording on file at the Board of Veterans’ Appeals or a transcript prepared by the Board of Veterans’ Appeals is the only official record of a hearing before the Board. Alternate transcript versions prepared by the appellant and representative will not be accepted. If an appellant wishes to seek correction of perceived errors in a hearing transcript, the appellant or his or her representative should move for the correction of the hearing transcript within 30 days after the date that the transcript is mailed to the appellant. § 20.717 Rule 717. Loss of hearing tapes or transcripts—motion for new hearing.

(a) Motion for new hearing. In the event that a hearing has not been recorded in whole or in part due to equipment failure or other cause, or the official transcript of the hearing is lost or destroyed and the recording upon which it was based is no longer available, an appellant or his or her representative may move for a new hearing. The motion must be in writing and must specify why prejudice would result from the failure to provide a new hearing.

(b) Time limit for filing motion for a new hearing. The motion will not be granted if there has been no request for a new hearing within a period of 120 days from the date of a final Board of Veterans’ Appeals decision or, in cases appealed to the United States Court of Appeals for Veterans Claims, if there has been no request for a new hearing within a reasonable period of time after the appeal to that Court has been filed.

(c) Where motion for a new hearing is filed. In the case of hearings held before the Board of Veterans’ Appeals, whether in Washington, DC, or in the field, the motion must be filed with: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(d) Ruling on motion for a new hearing. The ruling on the motion for a new hearing will be made by the Member who presided over the hearing. If the presiding Member is no longer available, the ruling on the motion may be made by the Member or Members to whom the case has been assigned for a determination. In cases in which a final Board of Veterans’ Appeals decision has already been promulgated with respect to the appeal in question, the Chairman will assign the matter in accordance with §19.3 of this title. Factors to be considered in ruling on the motion include, but will not be limited to, the extent of the loss of the record in those cases where only a portion of a hearing tape is unintelligible or only a portion of a transcript has been lost or destroyed, and the extent and reasonableness of any delay in moving for a new hearing. If a new hearing is granted in a case in which a final Board of Veterans’ Appeals decision

Subpart I—Evidence

§ 20.800 Rule 800. Submission of additional evidence after initiation of appeal.

Subject to the limitations set forth in Rule 1304 (§ 20.1304 of this part), an appellant may submit additional evidence, or information as to the availability of additional evidence, after initiating an appeal. Subpart J—Action by the Board

(a) Docketing of appeals. Applications for review on appeal are docketed in the order in which they are received. Cases returned to the Board following action pursuant to a remand assume their original places on the docket.

(b) Appeals considered in docket order. Except as otherwise provided in this Rule, appeals are considered in the order in which they are entered on the docket.

(c) Advancement on the docket—(1) Grounds for advancement. A case may be advanced on the docket on the motion of the Chairman, the Vice Chairman, a party to the case before the Board, or such party’s representative. Such a motion may be granted only if the case involves interpretation of law of general application affecting other claims, if the appellant is seriously ill or is under severe financial hardship, or if other sufficient cause is shown. “Other sufficient cause” shall include, but is not limited to, administrative error resulting in a significant delay in docketing the case or the advanced age of the appellant. For purposes of this Rule, “advanced age” is defined as 75 or more years of age. This paragraph does not require the Board to advance a case on the docket in the absence of a motion of a party to the case or the party’s representative.

(2) Requirements for motions. Motions for advancement on the docket must be in writing and must identify the specific reason(s) why advancement on the docket is sought, the name of the veteran, the name of the appellant if other than the veteran (e.g., a veteran’s survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual’s behalf), and the applicable Department of Veterans Affairs file number. The motion must be filed with: Director, Administrative Service (014), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(3) Disposition of motions. If a motion is received prior to the assignment of the case to an individual member or panel of members, the ruling on the motion will be by the Vice Chairman, who may delegate such authority to a Deputy Vice Chairman. If a motion to advance a case on the docket is denied, the appellant and his or her representative will be immediately notified. If the motion to advance a case on the docket is granted, that fact will be noted in the Board’s decision when rendered.

(d) Consideration of appeals remanded by the United States Court of Appeals for Veterans Claims. A case remanded by the United States Court of Appeals for Veterans Claims for additional development or other appropriate action will be treated expeditiously by the Board without regard to its place on the Board’s docket.

(e) Postponement to provide hearing. Any other provision of this Rule notwithstanding, a case may be postponed...
for later consideration and determination if such postponement is necessary to afford the appellant a hearing.

§ 20.901 Rule 901. Medical opinions and opinions of the General Counsel.

(a) Opinion from the Veterans Health Administration. The Board may obtain a medical opinion from an appropriate health care professional in the Veterans Health Administration of the Department of Veterans Affairs on medical questions involved in the consideration of an appeal when, in its judgment, such medical expertise is needed for equitable disposition of an appeal.

(Authority: 38 U.S.C. 5103A(d), 7109)

(b) Armed Forces Institute of Pathology opinions. The Board may refer pathologic material to the Armed Forces Institute of Pathology and request an opinion based on that material.

(Authority: 38 U.S.C. 7109(a))

(c) Opinion of the General Counsel. The Board may obtain an opinion from the General Counsel of the Department of Veterans Affairs on legal questions involved in the consideration of an appeal.

(Authority: 38 U.S.C. 7104(c))

(d) Independent medical expert opinions. When, in the judgment of the Board, additional medical opinion is warranted by the medical complexity or controversy involved in an appeal, the Board may obtain an advisory medical opinion from one or more medical experts who are not employees of the Department of Veterans Affairs. Opinions will be secured, as requested by the Chairman of the Board, from recognized medical schools, universities, clinics, or medical institutions with which arrangements for such opinions have been made by the Secretary of Veterans Affairs. An appropriate official of the institution will select the individual expert, or experts, to give an opinion.

(Authority: 38 U.S.C. 7109)

(e) For purposes of this section, the term “the Board” includes the Chairman, the Vice Chairman, any Deputy Vice Chairman, and any Member of the Board before whom a case is pending.

§ 20.902 Rule 902. Filing of requests for the procurement of opinions.

The appellant or representative may request that the Board obtain an opinion under Rule 901 (§ 20.901 of this part). The request must be in writing. It will be granted upon a showing of good cause, such as the identification of a complex or controversial medical or legal issue involved in the appeal which warrants such an opinion.

(Authority: 38 U.S.C. 5107(a), 7102(c), 7104(c), 7109)

§ 20.903 Rule 903. Notification of evidence to be considered by the Board and opportunity for response.

(a) If the Board obtains a legal or medical opinion. If the Board requests an opinion pursuant to Rule 901 (§ 20.901 of this part), the Board will notify the appellant and his or her representative, if any. When the Board receives the opinion, it will furnish a copy of the opinion to the appellant, subject to the limitations provided in 38 U.S.C. 5701(b)(1), and to the appellant’s representative, if any. A period of 60 days from the date the Board furnishes a copy of the opinion will be allowed for response, which may include the submission of relevant evidence or argument. The date the Board furnishes a copy will be presumed to be the same as the date of the letter or memorandum that accompanies the copy of the opinion for purposes of determining whether a response was timely filed.

(b) If the Board supplements the record with a recognized medical treatise—(1) General. If, pursuant to § 19.9(d)(5) of this chapter, the Board supplements the record with a recognized medical
§ 20.904  Rule 904. Vacating a decision.

An appellate decision may be vacated by the Board of Veterans' Appeals at any time upon request of the appellant or his or her representative, or on the Board's own motion, on the following grounds:

(a) Denial of due process. Examples of circumstances in which denial of due process of law will be conceded are:

(1) When the appellant was denied his or her right to representation through action or inaction by Department of Veterans Affairs or Board of Veterans' Appeals personnel,

(2) When a Statement of the Case or required Supplemental Statement of the Case was not provided, and

(3) When there was a prejudicial failure to afford the appellant a personal hearing. (Where there was a failure to honor a request for a hearing and a hearing is subsequently scheduled, but the appellant fails to appear, the decision will not be vacated.)

(b) Allowance of benefits based on false or fraudulent evidence. Where it is determined on reconsideration that an allowance of benefits by the Board has been materially influenced by false or fraudulent evidence submitted by or on behalf of the appellant, the prior decision will be vacated only with respect to the issue or issues to which, within the judgment of the Board, the false or fraudulent evidence was material.

Subpart K—Reconsideration

§ 20.1000  Rule 1000. When reconsideration is accorded.

Reconsideration of an appellate decision may be accorded at any time by the Board of Veterans' Appeals on motion of the appellant or his or her representative or on the Board's own motion:

(a) Upon allegation of obvious error of fact or law;

(b) Upon discovery of new and material evidence in the form of relevant records or reports of the service department concerned; or

(c) Upon allegation that an allowance of benefits by the Board has been materially influenced by false or fraudulent evidence submitted by or on behalf of the appellant.

(Authority: 38 U.S.C. 7103, 7104)

(a) Application requirements. A motion for Reconsideration must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; and the date of the Board of Veterans' Appeals decision, or decisions, to be reconsidered. If the applicable Board of Veterans' Appeals decision, or decisions, involved more than one issue on appeal, the motion for reconsideration must identify the specific issue, or
issues, to which the motion pertains. Issues not so identified will not be considered in the disposition of the motion.

(b) Filing of motion for reconsideration. A motion for reconsideration of a prior Board of Veterans’ Appeals decision may be filed at any time. Such motions must be filed at the following address: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(c) Disposition. The Chairman will review the sufficiency of the allegations set forth in the motion and, depending upon the decision reached, proceed as follows:

(1) Motion denied. The appellant and representative or other appropriate party will be notified if the motion is denied. The notification will include reasons why the allegations are found insufficient. This constitutes final disposition of the motion.

(2) Motion allowed. If the motion is allowed, the appellant and his or her representative, if any, will be notified. The appellant and the representative will be given a period of 60 days from the date of mailing of the letter of notification to present additional arguments or evidence. The date of mailing of the letter of notification will be presumed to be the same as the date of the letter of notification. The Chairman will assign a Reconsideration panel in accordance with §19.11 of this chapter.

§ 20.1103 Finality of determinations of the agency of original jurisdiction where appeal is not perfected.

After a motion for reconsideration has been allowed, a hearing will be granted if an appellant requests a hearing before the Board. The hearing will be held by a Member or Members assigned to the reconsideration panel. A hearing will not normally be scheduled solely for the purpose of receiving argument by a representative. Such argument should be submitted in the form of a written brief. Oral argument may also be submitted on audio cassette for transcription for the record in accordance with Rule 700(d) (§20.700(d) of this part). Requests for appearances by representatives alone to personally present argument to a Member or panel of Members of the Board may be granted if good cause is shown. Whether good cause has been shown will be determined by the presiding Member.

Subpart L—Finality

§ 20.1100 Finality of decisions of the Board.

(a) General. All decisions of the Board will be stamped with the date of mailing on the face of the decision. Unless the Chairman of the Board orders reconsideration, and with the exception of matters listed in paragraph (b) of this section, all Board decisions are final on the date stamped on the face of the decision. With the exception of matters listed in paragraph (b) of this section, the decision rendered by the reconsideration Panel in an appeal in which the Chairman has ordered reconsideration is final.

(b) Exceptions. Final Board decisions are not subject to review except as provided in 38 U.S.C. 1975 and 1984 and 38 U.S.C. chapters 37 and 72. A remand is in the nature of a preliminary order and does not constitute a final decision of the Board.

§ 20.1102 Finality of determinations of the agency of original jurisdiction where appeal is not perfected.

§ 20.1105 Rule 1105. New claim after promulgation of appellate decision.

When a claimant requests that a claim be reopened after an appellate decision has been promulgated and submits evidence in support thereof, a determination as to whether such evidence is new and material must be made and, if it is, as to whether it provides a basis for allowing the claim. An adverse determination as to either question is appealable.

Subpart M—Privacy Act

When a Privacy Act request is filed under §1.577 of this chapter by an individual seeking records pertaining to him or her and the relevant records are in the custody of the Board, such request will be reviewed and processed prior to appellate action on that individual’s appeal.

(Authority: 5 U.S.C. 552a; 38 U.S.C. 7107)

A request for amendment of an appellate decision under the Privacy Act (5 U.S.C. 552a) may be entertained. However, such a request may not be used in lieu of, or to circumvent, the procedures established under Rules 1000 through 1003 (§§ 20.1000–20.1003 of this part). The Board will review a request for correction of factual information set forth in a decision. Where the request to amend under the Privacy Act is an attempt to alter a judgment made by the Board and thereby replace the adjudicatory authority and functions of the Board, the request will be denied on the basis that the Act does not authorize a collateral attack upon that which has already been the subject of a decision of the Board. The denial will satisfy the procedural requirements of §1.579 of this chapter. If otherwise appropriate, the request will be considered one for reconsideration under Rules 1000 through 1003 (§§ 20.1000–20.1003 of this part).

No original record, paper, document or exhibit certified to the Board may be taken from the Board except as authorized by the Chairman or except as may be necessary to furnish copies or

(a) Policy. It is the policy of the Board of Veterans’ Appeals for the full text of appellate decisions, Statements of the Case, and Supplemental Statements of the Case to be disclosed to appellants. In those situations where disclosing certain information directly to the appellant would not be in conformance with 38 U.S.C. 5701, that information will be removed from the decision, Statement of the Case, or Supplemental Statement of the Case and the remaining text will be furnished to the appellant. A full-text appellate decision, Statement of the Case, or Supplemental Statement of the Case will be disclosed to the designated representative, however, unless the relationship between the appellant and representative is such (for example, a parent or spouse) that disclosure to the representative would be as harmful as if made to the appellant.

(b) Public availability of Board decisions—(1) Decisions issued on or after January 1, 1992. Decisions rendered by the Board of Veterans’ Appeals on or after January 1, 1992, are electronically available for public inspection and copying on the Internet at http://www.index.va.gov/search/ca/bva.html. All personal identifiers are redacted from the decisions prior to publication. Specific decisions may be identified by a word and/or topic search, or by the Board docket number. Board decisions will continue to be provided in a widely-used format as future advances in technology occur.

(2) Decisions issued prior to January 1, 1992. Decisions rendered by the Board of Veterans’ Appeals prior to January 1, 1992, have been indexed to facilitate access to the contents of the decisions (BVA Index I–01–1). The index, which was published quarterly in microfiche form with an annual cumulation, is available for review at Department of Veterans Affairs regional offices and at the Research Center at the Board of Veterans’ Appeals in Washington, DC. Information on obtaining a microfiche copy of the index is also available from the Board’s Research Center. The index can be used to locate citations to decisions with issues similar to those of concern to an appellant. Each indexed decision has a locator number assigned to it. The manner in which the locator number is written depends upon the age of the decision. Decisions archived prior to late 1989 have a number such as 82–07–0001. Decisions archived at a later date have a number such as BVA–90–12345. This number must be used when requesting a paper copy of that decision. These requests must be directed to the Research Center (01C1), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

An appeal pending before the Board of Veterans’ Appeals when the appellant dies will be dismissed.

§ 20.1303 Rule 1303. Nonprecedential nature of Board decisions.

Although the Board strives for consistency in issuing its decisions, previously issued Board decisions will be considered binding only with regard to the specific case decided. Prior decisions in other appeals may be considered in a case to the extent that they reasonably relate to the case, but each case presented to the Board will be decided on the basis of the individual facts of the case in light of applicable procedure and substantive law.

§ 20.1304 Rule 1304. Request for change in representation, request for personal hearing, or submission of additional evidence following certification of an appeal to the Board of Veterans’ Appeals.

(a) Request for a change in representation, request for a personal hearing, or
§ 20.1304

Submission of additional evidence within 90 days following notification of certification and transfer of records. An appellant and his or her representative, if any, will be granted a period of 90 days following the mailing of notice to them that an appeal has been certified to the Board for appellate review and that the appellate record has been transferred to the Board, or until the date the appellate decision is promulgated by the Board of Veterans’ Appeals, whichever comes first, during which they may submit a request for a personal hearing, additional evidence, or a request for a change in representation. Any such request or additional evidence must be submitted directly to the Board and not to the agency of original jurisdiction. The date of mailing of the letter of notification will be presumed to be the same as the date of that letter for purposes of determining whether the request was timely made or the evidence was timely submitted. Any evidence which is submitted at a hearing on appeal which was requested during such period will be considered to have been received during such period, even though the hearing may be held following the expiration of the period. Any pertinent evidence submitted by the appellant or representative is subject to the requirements of paragraph (d) of this section if a simultaneously contested claim is involved.

(b) Subsequent request for a change in representation, request for a personal hearing, or submission of additional evidence—(1) General rule. Subject to the exception in paragraph (b)(2) of this section, following the expiration of the period described in paragraph (a) of this section, the Board of Veterans’ Appeals will not accept a request for a change in representation, a request for a personal hearing, or additional evidence except when the appellant demonstrates on motion that there was good cause for the delay. Examples of good cause include, but are not limited to, illness of the appellant or the representative which precluded action during the period; death of an individual representative; illness or incapacity of an individual representative which renders it impractical for an appellant to continue with him or her as representative; withdrawal of an individual representative; the discovery of evidence that was not available prior to the expiration of the period; and delay in transfer of the appellate record to the Board which precluded timely action with respect to these matters. Such motions must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran’s survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual’s behalf); the applicable Department of Veterans Affairs file number; and an explanation of why the request for a change in representation, the request for a personal hearing, or the submission of additional evidence could not be accomplished in a timely manner. Such motions must be filed at the following address: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Depending upon the ruling on the motion, action will be taken as follows:

(i) Good cause not shown. If good cause is not shown, the request for a change in representation, the request for a personal hearing, or the additional evidence submitted will be referred to the agency of original jurisdiction upon completion of the Board’s action on the pending appeal without action by the Board concerning the request or additional evidence. Any personal hearing granted as a result of a request so referred or any additional evidence so referred may be treated by that agency as the basis for a reopened claim, if appropriate. If the Board denied a benefit sought in the pending appeal and any evidence so referred which was received prior to the date of the Board’s decision, or testimony presented at a hearing resulting from a request for a hearing so referred, together with the evidence already of record, is subsequently found to be the basis of an allowance of that benefit, the effective date of the award will be the same as if the benefit had been granted by the Board as a result of the appeal which was pending at the time that the hearing request or additional evidence was received.
(ii) Good cause shown. If good cause is shown, the request for a change in representation or for a personal hearing will be honored. Any pertinent evidence submitted by the appellant or representative will be accepted, subject to the requirements of paragraph (d) of this section if a simultaneously contested claim is involved.

(2) Exception. The motion described in paragraph (b)(1) of this section is not required to submit evidence in response to a notice described in § 20.903 of this chapter.

(c) Consideration of additional evidence by the Board or by the agency of original jurisdiction. Any pertinent evidence submitted by the appellant or representative which is accepted by the Board under the provisions of this section, or is submitted by the appellant or representative in response to a § 20.903 of this part, notification, as well as any such evidence referred to the Board by the agency of original jurisdiction for review, unless this procedural right is waived by the appellant or representative, or unless the Board determines that the benefit or benefits to which the evidence relates may be fully allowed on appeal without such referral. Such a waiver must be in writing or, if a hearing on appeal is conducted, the waiver must be formally and clearly entered on the record orally at the time of the hearing. Evidence is not pertinent if it does not relate to or have a bearing on the appellate issue or issues.

(d) Simultaneously contested claims. In simultaneously contested claims, if pertinent evidence which directly affects payment, or potential payment, of the benefit sought is submitted by any claimant and is accepted by the Board under the provisions of this section, the substance of such evidence will be mailed to each of the other claimants who will then have 60 days from the date of mailing of notice of the new evidence within which to comment upon it and/or submit additional evidence in rebuttal. For matters over which the Board does not have original jurisdiction, a waiver of initial agency of original jurisdiction consideration of pertinent additional evidence received by the Board must be obtained from each claimant in accordance with paragraph (c) of this section. The date of mailing of the letter of notification of the new evidence will be presumed to be the same as the date of that letter for purposes of determining whether such comment or evidence in rebuttal was timely submitted. No further period will be provided for response to such comment or rebuttal evidence.

(e) Relationship to proceedings before the General Counsel to cancel accreditation or to review the reasonableness of fees and expenses. The provisions of paragraphs (a), (b), and (d) of this section allowing appellants to submit additional evidence do not apply in proceedings before the General Counsel conducted under part 14 of this chapter to cancel accreditation or to review fee agreements and expenses for reasonableness.

Subpart O—Revision of Decisions on Grounds of Clear and Unmistakable Error

SOURCE: 64 FR 2139, Jan. 13, 1999, unless otherwise noted.

§ 20.1400 Rule 1400. Motions to revise Board decisions.

(a) Review to determine whether clear and unmistakable error exists in a final Board decision may be initiated by the Board, on its own motion, or by a party to that decision (as the term “party” is defined in Rule 1401(b) (§ 20.1401(b) of this part) in accordance with Rule 1404 (§ 20.1404 of this part).

(b) All final Board decisions are subject to revision under this subpart except:

(1) Decisions on issues which have been appealed to and decided by a court of competent jurisdiction; and
(2) Decisions on issues which have subsequently been decided by a court of competent jurisdiction.

(Authority: 38 U.S.C. 501(a), 7111)

(a) Issue. Unless otherwise specified, the term “issue” in this subpart means a matter upon which the Board made a final decision (other than a decision under this subpart). As used in the preceding sentence, a “final decision” is one which was appealable under Chapter 72 of title 38, United States Code, or which would have been so appealable if such provision had been in effect at the time of the decision.

(b) Party. As used in this subpart, the term “party” means any party to the proceeding before the Board that resulted in the final Board decision which is the subject of a motion under this subpart, but does not include officials authorized to file administrative appeals pursuant to §19.51 of this title.

(Authority: 38 U.S.C. 501(a), 7104(a))

§ 20.1402 Rule 1402. Inapplicability of other rules.

Motions filed under this subpart are not appeals and, except as otherwise provided, are not subject to the provisions of part 19 of this title or this part 20 which relate to the processing and disposition of appeals.

(Authority: 38 U.S.C. 501(a))

§ 20.1403 Rule 1403. What constitutes clear and unmistakable error; what does not.

(a) General. Clear and unmistakable error is a very specific and rare kind of error. It is the kind of error, of fact or of law, that when called to the attention of later reviewers compels the conclusion, to which reasonable minds could not differ, that the result would have been manifestly different but for the error. Generally, either the correct facts, as they were known at the time, were not before the Board, or the statutory and regulatory provisions extant at the time were incorrectly applied.

(b) Record to be reviewed—(1) General. Review for clear and unmistakable error in a prior Board decision must be based on the record and the law that existed when that decision was made.

(2) Special rule for Board decisions issued on or after July 21, 1992. For a Board decision issued on or after July 21, 1992, the record that existed when that decision was made includes relevant documents possessed by the Department of Veterans Affairs not later than 90 days before such record was transferred to the Board for review in reaching that decision, provided that the documents could reasonably be expected to be part of the record.

(c) Errors that constitute clear and unmistakable error. To warrant revision of a Board decision on the grounds of clear and unmistakable error, there must have been an error in the Board’s adjudication of the appeal which, had it not been made, would have manifestly changed the outcome when it was made. If it is not absolutely clear that a different result would have ensued, the error complained of cannot be clear and unmistakable.

(d) Examples of situations that are not clear and unmistakable error—(1) Changed diagnosis. A new medical diagnosis that “corrects” an earlier diagnosis considered in a Board decision.

(2) Duty to assist. The Secretary’s failure to fulfill the duty to assist.

(3) Evaluation of evidence. A disagreement as to how the facts were weighed or evaluated.

(e) Change in interpretation. Clear and unmistakable error does not include the otherwise correct application of a statute or regulation where, subsequent to the Board decision challenged, there has been a change in the interpretation of the statute or regulation.

(Authority: 38 U.S.C. 501(a))

§ 20.1404 Rule 1404. Filing and pleading requirements; withdrawal.

(a) General. A motion for revision of a decision based on clear and unmistakable error must be in writing, and must be signed by the moving party or that party’s representative. The motion must include the name of the veteran; the name of the moving party if other than the veteran; the applicable Department of Veterans Affairs file number; and the date of the Board of Veterans’ Appeals decision to which the
motion relates. If the applicable decision involved more than one issue on appeal, the motion must identify the specific issue, or issues, to which the motion pertains. Motions which fail to comply with the requirements set forth in this paragraph shall be dismissed without prejudice to refiling under this subpart.

(b) Specific allegations required. The motion must set forth clearly and specifically the alleged clear and unmistakable error, or errors, of fact or law in the Board decision, the legal or factual basis for such allegations, and why the result would have been manifestly different but for the alleged error. Non-specific allegations of failure to follow regulations or failure to give due process, or any other general, non-specific allegations of error, are insufficient to satisfy the requirement of the previous sentence. Motions which fail to comply with the requirements set forth in this paragraph shall be dismissed without prejudice to refiling under this subpart.

(c) Filing. A motion for revision of a decision based on clear and unmistakable error may be filed at any time. Such motions should be filed at the following address: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(d) Requests not filed at the Board. A request for revision transmitted to the Board by the Secretary pursuant to 38 U.S.C. 7111(f) (relating to requests for revision filed with the Secretary other than at the Board) shall be treated as if a motion had been filed pursuant to paragraph (c) of this section.

(e) Motions for reconsideration. A motion for reconsideration, as described in subpart K of this part, whenever filed, will not be considered a motion under this subpart.

(f) Withdrawal. A motion under this subpart may be withdrawn at any time before the Board promulgates a decision on the motion. Such withdrawal shall be in writing, shall be filed at the address listed in paragraph (c) of this section, and shall be signed by the moving party or by such party’s representative. If such a writing is timely received, the motion shall be dismissed without prejudice to refiling under this subpart.

(Authority: 38 U.S.C. 501(a), 7111)

(a) Docketing and assignment; notification of representative—(1) General. Motions under this subpart will be docketed in the order received and will be assigned in accordance with §19.3 of this title (relating to assignment of proceedings). Where an appeal is pending on the same underlying issue at the time the motion is received, the motion and the appeal may be consolidated under the same docket number and disposed of as part of the same proceeding. A motion may not be assigned to any Member who participated in the decision that is the subject of the motion. If a motion is assigned to a panel, the decision will be by a majority vote of the panel Members.

(2) Advancement on the docket. A motion may be advanced on the docket subject to the same substantive and procedural requirements as those applicable to an appeal under Rule 900(c) (§20.900(c) of this part).

(3) Notification of representative. When the Board receives a motion under this subpart from an individual whose claims file indicates that he or she is represented, the Board shall provide a copy of the motion to the representative before assigning the motion to a Member or panel. Within 30 days after the date on which the Board provides a copy of the motion to the representative, the representative may file a relevant response, including a request to review the claims file prior to filing a further response. Upon request made within the time allowed under this paragraph (a)(2), the Board shall arrange for the representative to have the opportunity to review the claims file, and shall permit the representative a reasonable time after making the file available to file a further response.

(b) Evidence. No new evidence will be considered in connection with the disposition of the motion. Material included in the record on the basis of
§ 20.1406 Rule 1406. Effect of revision; discontinuance or reduction of benefits.

(a) General. A decision of the Board that revises a prior Board decision on the grounds of clear and unmistakable error has the same effect as if the decision had been made on the date of the prior decision.

(b) Discontinuance or reduction of benefits. Revision of a prior Board decision under this subpart that results in the discontinuance or reduction of benefits is subject to laws and regulations governing the reduction or discontinuance of benefits by reason of erroneous award based solely on administrative error or errors in judgment.

Authority: 38 U.S.C. 7111(b)

§ 20.1407 Rule 1407. Motions by the Board.

If the Board undertakes, on its own motion, a review pursuant to this subpart, the party to that decision and that party’s representative (if any) will be notified of such motion and provided an adequate summary thereof and, if applicable, outlining any proposed discontinuance or reduction in benefits that would result from revision of the Board’s prior decision. They will be allowed a period of 60 days to file a brief or argument in answer. The failure of a party to so respond does not affect the finality of the Board’s decision on the motion.

Authority: 38 U.S.C. 501(a), 7111

§ 20.1408 Rule 1408. Special rules for simultaneously contested claims.

In the case of a motion under this subpart to revise a final Board decision in a simultaneously contested claim, as that term is used in Rule 3(o) (§20.3(o) of this part), a copy of such motion shall, to the extent practicable, be sent to all other contesting parties. Other parties have a period of 30 days from the date of mailing of the copy of the
motion to file a brief or argument in answer. The date of mailing of the copy will be presumed to be the same as the date of the letter which accompanies the copy. Notices in simultaneously contested claims will be forwarded to the last address of record of the parties concerned and such action will constitute sufficient evidence of notice.

§ 20.1409 Rule 1409. Finality and appeal.

(a) A decision on a motion filed by a party or initiated by the Board pursuant to this subpart will be stamped with the date of mailing on the face of the decision, and is final on such date. The party and his or her representative, if any, will be provided with copies of the decision.

(b) For purposes of this section, a dismissal without prejudice under Rule 1404(a)§ 20.1404(a) of this part, Rule 1404(b)§ 20.1404(b), or Rule 1404(f)§ 20.1404(f), or a referral under Rule 1405(e) is not a final decision of the Board.

(c) Once there is a final decision on a motion under this subpart relating to a prior Board decision on an issue, that prior Board decision on that issue is no longer subject to revision on the grounds of clear and unmistakable error. Subsequent motions relating to that prior Board decision on that issue shall be dismissed with prejudice.

(d) Chapter 72 of title 38, United States Code (relating to judicial review), applies with respect to final decisions on motions filed by a party or initiated by the Board pursuant to this subpart.

(Authority: 38 U.S.C. 501(a); Pub. L. 105–111)

The Board will stay its consideration of a motion under this subpart upon receiving notice that the Board decision that is the subject of the motion has been appealed to a court of competent jurisdiction until the appeal has been concluded or the court has issued an order permitting, or directing, the Board to proceed with the motion.

§ 20.1411 Rule 1411. Relationship to other statutes.

(a) The “benefit of the doubt” rule of 38 U.S.C. 5107(b) does not apply to the Board’s decision, on a motion under this subpart, as to whether there was clear and unmistakable error in a prior Board decision.

(b) A motion under this subpart is not a claim subject to reopening under 38 U.S.C. 5108 (relating to reopening claims on the grounds of new and material evidence).

(c) A motion under this subpart is not an application for benefits subject to any duty associated with 38 U.S.C. 5103(a) (relating to applications for benefits).

(d) A motion under this subpart is not a claim for benefits subject to the requirements and duties associated with 38 U.S.C. 5107(a) (requiring “well-grounded” claims and imposing a duty to assist).

Subpart P—Expedited Claims Adjudication Initiative—Pilot Program

§ 20.1500 Rule 1500. Expedited Claims Adjudication Initiative.

(a) Purpose. The Expedited Claims Adjudication Initiative is a pilot program designed to streamline the claims adjudication and appeals process. This subpart establishes procedures governing this Initiative.

(b) Outline of Initiative. This Initiative allows eligible claimants to voluntarily participate in an alternative claims adjudication program as set forth in this subpart, which is predicated on the claimant’s waiver of certain identified statutory and regulatory time limits, procedural rights, and processing issues that may arise.

(c) Scope. Except as specifically provided in this subpart, claims processed under this Initiative will be adjudicated according to the procedures

For purposes of this subpart, the following definitions apply:

(a) **Initiative** means the Expedited Claims Adjudication Initiative as promulgated by this subpart.

(b) **Participant** means any eligible claimant who elects to participate in the Initiative by executing, with his or her representative, an Expedited Claims Adjudication Initiative Agreement and Waiver of Rights as provided in §20.1503 of this part.

(c) **Covered claim or covered claims** means any claim or claims, as described in §20.1502(c) of this part, that a participant elects to have processed under the rules governing the Initiative, including any downstream element of the claim(s), such as assignment of a disability rating and effective date, and any claim that is inextricably intertwined with a covered claim.

(d) **Representative** means an accredited representative of a recognized Veterans Service Organization or an accredited attorney or agent, as set forth in part 14 of this chapter, for whom a claimant has properly executed and filed a VA Form 21–22, “Appointment of Veterans Service Organization as Claimant’s Representative,” or a VA Form 21–22a, “Appointment of Individual as Claimant’s Representative,” as required by §14.631 of this chapter.

To participate in the Initiative, a claimant must:

(a) At the time the Agreement and Waiver of Rights is executed, have a representative, as defined in §20.1501(d) of this part;

(b) Reside within the jurisdiction of a participating VA regional office, as defined in §20.1501(e) of this part; and

(c) File one of the following types of claims for VA disability compensation as outlined in parts 3 and 4 of this chapter at a participating VA regional office:

1. Original claim;
2. Claim for an increased rating;
3. Claim to reopen a previously-denied claim based on the submission of new and material evidence as provided in §3.156 of this chapter; or
4. Requests for revision of a decision of an agency of original jurisdiction under §3.105 of this chapter based on clear and unmistakable error.

(a) **When and how election made.** Upon the filing of a claim described in §20.1502(c) of this part, VA will promptly notify the claimant in writing of the opportunity to participate in the Initiative and provide the claimant with an Agreement and Waiver of Rights. A claimant may elect to participate in the Initiative by filing an executed Agreement and Waiver of Rights as provided in paragraphs (b) and (c) of this section within 30 days of the date of the notice of the opportunity to participate in the Initiative. An election to participate in the Initiative can be revoked at any time in accordance with §20.1509 of this part.
(b) Execution of agreement. To participate in the Initiative, a claimant and his or her representative must execute an Agreement and Waiver of Rights on a form prescribed by the Secretary. The claimant will specifically identify in the Agreement and Waiver of Rights all claims he or she wishes to have processed under the Initiative.

(c) Where to file. The executed Agreement and Waiver of Rights must be filed with the participating VA regional office that has jurisdiction over the claim.

(d) Identification of relevant evidence. Upon executing the Agreement and Waiver of Rights, the participant will respond, within the time period prescribed in §20.1504(a)(1), to VA notice regarding the information and evidence necessary to substantiate the claim by identifying all relevant evidence in support of his or her claim(s), providing the requested evidence, or notifying VA that no such evidence exists. Relevant evidence may include any VA records, non-VA Federal records (such as Social Security disability records), and any private records (such as treatment records from a family physician). If the participant requires assistance from VA in obtaining any identified records, the participant will provide VA, upon request, the appropriate release form so VA may attempt to promptly obtain the records on behalf of the participant. VA must receive the necessary information and evidence requested from the participant within 1 year of the date of the notice, in accordance with §3.159(b)(1) of this chapter.

(e) Effect of change in representation on the election. If a participant changes or terminates representation after having made a valid election to participate in the Initiative, participation in the Initiative will continue under the terms of the signed Agreement and Waiver of Rights, unless the participant indicates, in writing, pursuant to §20.1509(b) of this part, that he or she wishes to revoke participation.

(Authority: 38 U.S.C. 501(a))

The following time limits will be applicable to all covered claims:

(a) Time limits to be observed by the participant. The participant will comply with the following time limits for all covered claims:

(1) Response to initial notice letter. The time limit for responding to the notification regarding the information and medical or lay evidence necessary to substantiate a claim in the manner required by §20.1503(d) will be 30 days.

(2) Subsequent requests by VA for additional information and evidence. The time limit for responding to any subsequent request by VA for additional information or evidence, either by notifying VA of the existence of such information or evidence, providing such evidence, or notifying VA that no such evidence exists, will be 30 days.

(3) VA request for waiver. The time limit for responding to a VA request for waiver as set forth in §20.1508 of this part, will be 30 days.

(4) Notice of Disagreement. The time limit for filing a Notice of Disagreement pursuant to §20.302(a) of this part will be 60 days.

(5) Substantive Appeal. The time limit for filing a Substantive Appeal pursuant to §20.302(b) of this part will be 30 days.

(6) Following certification of appeal to the Board. Following the issuance of notification that the appeal has been certified and transferred to the Board, the time limit for taking the following actions pursuant to §20.1304 of this part will be 30 days:

(i) Request a hearing before the Board,

(ii) Request a change in representation, or

(iii) Submit additional evidence or argument.

(b) Time limit to be observed by the participating VA regional office. The participating VA regional office shall certify covered claims and transfer the appellate record to the Board as set forth in §§19.35 and 19.36 of this chapter within 30 days of the receipt of the Substantive Appeal, or within 30 days of receipt of any additional submissions following the Substantive Appeal, but no later than 60 days from the receipt of the Substantive Appeal. However, if, after issuance of the Statement of the Case, additional assistance in obtaining evidence is required in order to
§ 20.1505 Comply with § 3.159(c) of this chapter, the participating VA regional office shall certify covered claims and transfer the appellate record to the Board within 60 days after the requisite action is completed.

§ 20.1505 Rule 1505. Review of initial benefits claim decision.

If a participant files a Notice of Disagreement as to a covered claim, the decision of the participating VA regional office will be reviewed by a Decision Review Officer under the provisions set forth in § 3.2600 of this chapter.

§ 20.1506 Rule 1506. Board review of cases.

(a) The Board will screen cases that are certified and transferred to the Board under the Initiative to determine whether the record is adequate for decisional purposes. If the Board determines that the record is inadequate, the Board will take appropriate action pursuant to § 19.9 of this chapter.

(b) A case screened by the Board for purposes of determining the adequacy of the record will be decided in docket order and will not be advanced on the Board’s docket except as provided in § 20.900(c) of this part.

(Authority: 38 U.S.C. 7107(a), (f))

§ 20.1507 Rule 1507. Hearings.

(a) Before the participating VA regional office. Upon request, a participant is entitled to a hearing by a Decision Review Officer before the participating VA regional office as provided in §§ 3.103(c) and 3.2600(c) of this chapter, subject to the following limitations:

(1) No hearing will be conducted prior to the initial adjudication of the claim by the participating VA regional office.

(2) Only one hearing on a claim will be conducted at the participating VA regional office and the hearing will be conducted by a Decision Review Officer in accordance with § 3.2600 of this chapter.

(b) Before the Board. Upon request, a participant is entitled to a hearing before the Board as provided in §§ 20.700 through 20.717, and 20.1304, subject to the following limitations:

(1) Only one hearing before the Board will be conducted.

(2) After consultation with the participant and his or her representative, the Board will determine whether the hearing will be conducted in person in Washington, DC, at the participating VA regional office with jurisdiction over the claim, or by electronic equipment as set forth in § 20.700(e) of this part. The Board’s determination will be based primarily on the type and place of hearing which will allow for scheduling at the earliest possible date. An in-person hearing will be conducted in Washington, DC, only if geographically convenient for the participant and his or her representative, or if the participant agrees to travel to Washington, DC, at his or her own expense.

(Authority: 38 U.S.C. 501(a))

§ 20.1508 Rule 1508. Waiver.

(a) General. When requested by VA, a participant will waive, in writing, identified procedural processing issues and actions relating to covered claims. VA will provide the participant with a clear explanation, in writing, as to what rights he or she may be waiving. If a hearing on appeal is conducted, the waiver may be formally and clearly entered on the record at the time of hearing. A response to a written waiver request from VA must be filed within the 30-day period prescribed in § 20.1504(a)(3) of this part. Such waiver is not required for matters that have already been waived by virtue of electing participation in the Initiative.

(b) Evidence obtained or submitted after the Statement of the Case—(1) Evidence obtained by VA. If new evidence is obtained by VA following issuance of a Statement of the Case under §§ 19.29 and 19.30 of this chapter, and the claim(s) is not otherwise granted in full based on this new evidence, VA will provide a copy of such evidence to the participant and representative, and request a waiver of review by the agency of original jurisdiction of such evidence and issuance of a Supplemental Statement of the Case pursuant to the provisions set forth in § 20.1304(c) of...
this part. A response to a written waiver request from VA must be filed within the 30-day period prescribed in §20.1504(a)(3) of this part. The failure of the participant to agree to a waiver of initial consideration by the agency of original jurisdiction of any evidence obtained by VA will constitute an implied revocation of participation in the Initiative, as provided by §20.1509(c)(2).

(2) Evidence submitted by participant or representative. If new evidence is submitted by the participant or representative following issuance of a Statement of the Case under §§19.29 and 19.30 of this chapter, the participant, by virtue of executing a valid Agreement and Waiver of Rights, is deemed to have knowingly and voluntarily waived agency of original jurisdiction review of such evidence and issuance of a Supplemental Statement of the Case, which permits the Board to review such evidence in the first instance.

Authority: 38 U.S.C. 501(a)

§ 20.1509 Rule 1509. Compliance and revocation of participation.

(a) Unless the participant revokes his or her participation in the Initiative as provided in paragraphs (b), (c) or (d) of this section, all covered claims will continue to be processed by VA or the Board in accordance with the provisions of this subpart until a final decision of the agency of original jurisdiction or the Board has been issued.

(b) Express revocation. A participant may revoke participation in the Initiative at any time by submitting a revocation request in writing. The revocation request must be filed with the participating VA regional office unless the case has been certified and transferred to the Board, in which case the revocation request should be filed with the Board. As of the date of receipt of the revocation, any covered claims will be processed in the same manner as if the participant had not elected to participate in the Initiative.

(c) Implied revocation. The failure of a participant to meet the terms of these rules, as outlined in the executed Agreement and Waiver of Rights, will have the same result as if the participant had expressly revoked his or her participation in the Initiative. As of the date of the action constituting such implied revocation, any covered claims will be processed in the same manner as if the participant had not elected to participate in the Initiative. Grounds for implied revocation of participation include, but are not limited to:

(1) The failure of the participant or representative, as appropriate, to comply with any of the time limits set forth in §20.1504(a) of this part;

(2) The failure to waive initial consideration by the agency of original jurisdiction of any evidence obtained by VA that was not considered in the Statement of the Case;

(3) A request by a participant or representative for an extension of any of the time limits set forth in §20.1504(a) of this part, unless a motion for good cause is granted, as described by paragraph (e) of this section; and

(4) Any other failure on the part of the participant to comply with the terms of the Agreement and Waiver of Rights, as determined by VA.

(d) Death of participant. If a participant dies while his or her claim is being processed, participation in the Initiative will be deemed revoked.

(e) Extensions. Extensions of any of the time limits described in this subpart may only be granted when the participant demonstrates on motion that there is good cause for the extension request. At no time may time periods be extended beyond those provided by law to all claimants and appellants. Examples of good cause include, but are not limited to, illness of the participant or the representative of such severity that precludes action during the period; death of an individual representative; illness or incapacity of an individual representative that renders it impractical for a participant to continue with him or her as representative; or withdrawal of an individual representative. Motions for extensions must be filed prior to the expiration of the time period for which a motion is being requested. Motions must be in writing, and filed with the participating VA regional office that has jurisdiction over the claim, unless the case has been certified and transferred to the Board, in which case the motion must be filed with the Board. Motions must include the name of the

§ 20.1510  Rule 1510. Termination of the Initiative.

VA may terminate the Initiative at any time. In the event of such termi-

nination, VA will notify participants and their representatives in writing and in-

Source: 49 FR 40814, Oct. 18, 1984, unless otherwise noted.
§ 21.1

VOCATIONAL REHABILITATION OVERVIEW

§ 21.1 Training and rehabilitation for veterans with service-connected disabilities.

(a) Purposes. The purposes of this program are to provide to eligible veterans with compensable service-connected disabilities all services and assistance necessary to enable them to achieve maximum independence in daily living and, to the maximum extent feasible, to become employable and to obtain and maintain suitable employment.

(Authority: 38 U.S.C. 3100)

(b) Basic requirements. Before a service-disabled veteran may receive training and rehabilitation services under Chapter 31, Title 38 U.S.C., three basic requirements must be met:

(1) The Department of Veterans Affairs must first find that the veteran has basic entitlement to services as prescribed by §21.40.

(Authority: 38 U.S.C. 3102)

(2) The services necessary for training and rehabilitation must be identified by the Department of Veterans Affairs and the veteran.

(Authority: 38 U.S.C. 3106)

(3) An individual written plan must be developed by the Department of Veterans Affairs and the veteran describing the goals of the program and the means through which these goals will be achieved.

(Authority: 38 U.S.C. 3106)

NONDUPLICATION

§ 21.21 Election of benefits under education programs administered by the Department of Veterans Affairs.

(a) Election of benefits required. A veteran must make an election of benefits among the programs of education administered by VA for which he or she may be eligible. The veteran may re-elect at any time if he or she is otherwise eligible. (See §§21.264 and 21.334.)

(Authority: 38 U.S.C. 1781(b))

(b) Use of prior training in formulating a rehabilitation program. If a veteran has pursued an educational or training program under an education program listed in §21.4020 of this part, the earlier program of education or special restorative training shall be utilized to the extent practicable.

(Authority: 38 U.S.C. 3695(b))

§ 21.22 Nonduplication—Federal programs.

(a) Allowances. A service-disabled veteran who is eligible for benefits under Chapter 31, may not receive a subsistence allowance or elect payment of an allowance at the educational assistance rate under Chapter 30 pursuant to §21.264 if the veteran:

(1) Is on active duty and is pursuing a course of education which is being paid for by the Armed Forces (or by the Department of Health and Human Services in the case of the Public Health Service), or

(2) Is attending a course of education or training paid for under Chapter 41, Title 5 U.S.C. and whose full salary is being paid to such veteran while so training.

(Authority: 38 U.S.C. 3681; Pub. L. 98–525)

(b) Services which may be authorized. A service-disabled veteran who is in one of the two categories defined in paragraph (a) of this section is entitled to receive all benefits, other than an allowance, to which he or she is otherwise entitled under Chapter 31, including:

(1) Payment of any tuition and fees not paid for by the Armed Forces.

(2) The cost of special services, such as reader services, tutorial assistance,
and special equipment during the period of such training.

(Authority: 38 U.S.C. 3681)

CLAIMS

§ 21.30 Claims.

A specific claim in the form prescribed by the Department of Veterans Affairs must be filed for:

(a) A program of rehabilitation services, or

(b) Employment assistance.

(Authority: 38 U.S.C. 501(a), 3102, 3117, 5101(a))

§ 21.31 Informal claim.

Any communication or action indicating an intent to apply for rehabilitation or employment assistance, from a veteran, a duly authorized representative, or a Member of Congress may be considered an informal claim. Upon receipt of an informal claim, if a formal claim has not been filed, an application form will be forwarded to the veteran for execution. In the case of a claim for rehabilitation, or employment assistance, the formal claim will be considered filed as of the date of receipt of the informal claim if received within 1 year from the date it was sent to the veteran, or before cessation of the course, whichever is earlier.

(Authority: 38 U.S.C. 501(a), 5102, 3117, 5101(a))

§ 21.32 Notification by VA of necessary information or evidence when a claim is filed; time for claimant response and VA action.

The provisions of this section apply to claims that are governed by this subpart or subpart M of this part.

(a) VA has a duty to notify claimants of necessary information or evidence. Except when a claim cannot be substantiated because there is no legal basis for the claim, or undisputed facts render the claimant ineligible for the claimed benefit, when VA receives a complete or substantially complete application for vocational rehabilitation benefits and services provided under this subpart or subpart M of this part VA will:

(1) Notify the claimant of any information and evidence that is necessary to substantiate the claim;

(2) Inform the claimant which information and evidence, if any, the claimant is to provide to VA and which information and evidence, if any, VA will try to obtain for the claimant; and

(3) Inform the claimant of the time limit, as provided in paragraph (c) of this section, for responding to VA’s notification, and of actions, as provided in paragraph (d) of this section, that VA may take to decide the claim if the claimant does not respond to such notification within 30 days.

(b) Definitions for purposes of §§21.32 and 21.33. For purposes of this section and §21.33:

(1) The term application does not include a notice of disagreement.

(2) The term notification means the notice described in paragraph (a) of this section.

(3) The term substantially complete application means, for an individual’s first application for vocational rehabilitation benefits and services administered by VA, an application containing:

(i) The claimant’s name;

(ii) His or her relationship to the veteran, if applicable;

(iii) Sufficient information for VA to verify the claimed service, if applicable; and

(iv) The benefit claimed.

(4) The term information means non-evidentiary facts, such as the claimant’s Social Security number or address, or the name of the educational institution the claimant is attending.

(c) Time limit. Any information and evidence described in the notification as information and evidence that the claimant is to provide must be received by VA within one year from the date of the notification. If VA does not receive the information and evidence from the claimant within that time period, VA may adjudicate the claim based on the information and evidence in the file.

(d) Actions VA may take after 30 days if no response from claimant. If the claimant has not responded to the notification within 30 days, VA may decide the claim before the expiration of the one-year period, based on all the information and evidence in the file, including
§ 21.33 VA has a duty to assist claimants in obtaining evidence.

The provisions of this section apply to claims that are governed by this subpart or subpart M of this part.

(a) VA’s duty to assist begins when VA receives a complete or substantially complete application. (1) Except as provided in paragraph (d) of this section, upon receipt of a complete or substantially complete application for vocational rehabilitation benefits and services under this subpart or subpart M of this part, VA will:
   (i) Make reasonable efforts to help a claimant obtain evidence necessary to substantiate the claim; and
   (ii) Give the assistance described in paragraphs (b) and (c) of this section to an individual attempting to reopen a finally decided claim.

(b) Obtaining records not in the custody of a Federal department or agency. (1) VA will make reasonable efforts to obtain relevant records not in the custody of a Federal department or agency. These records include relevant records from:
   (i) State or local governments;
   (ii) Private medical care providers;
   (iii) Current or former employers; and
   (iv) Other non-Federal governmental sources.

(2) The reasonable efforts described in paragraph (b)(1) of this section will generally consist of an initial request for the records and, if VA does not receive the records, at least one follow-up request. The following are exceptions to this provision concerning the number of requests that VA generally will make:
   (i) VA will not make a follow-up request if a response to the initial request indicates that the records sought do not exist or that a follow-up request for the records would be futile.
   (ii) If VA receives information showing that subsequent requests to this or another custodian could result in obtaining the records sought, reasonable efforts will include an initial request and, if VA does not receive the records, at least one follow-up request to the new source or an additional request to the original source.

(3) The claimant must cooperate fully with VA’s reasonable efforts to obtain relevant records from non-Federal agency or department custodians. The claimant must provide enough information to identify and locate the existing records, including:
   (i) The person, company, agency, or other custodian holding the records;
   (ii) The approximate time frame covered by the records; and
   (iii) In the case of medical treatment records, the condition for which treatment was provided.

(4) If necessary, the claimant must authorize the release of existing oldest records upon VA’s reasonable request for such records.

(5) VA may not pay any fees a custodian of records may charge to provide the records VA requests.

(Authority: 38 U.S.C. 5103A)
records in a form acceptable to the person, company, agency, or other custodian holding the records.

(Authority: 38 U.S.C. 5103A)

(c) Obtaining records in the custody of a Federal department or agency. (1) Subject to paragraphs (c)(2) through (c)(4) of this section, VA will make as many requests as are necessary to obtain relevant records from a Federal department or agency. These records include but are not limited to:
   (i) Military records;
   (ii) Medical and other records from VA medical facilities;
   (iii) Records from non-VA facilities providing examination or treatment at VA expense; and
   (iv) Records from other Federal agencies.
   (2) VA will cease its efforts to obtain records from a Federal department or agency only if VA concludes that the records sought do not exist or that further efforts to obtain those records would be futile. Cases in which VA may conclude that no further efforts are required include cases in which the Federal department or agency advises VA that the requested records do not exist or that the custodian of such records does not have them.
   (3) The claimant must cooperate fully with VA’s reasonable efforts to obtain relevant records from Federal department or agency custodians. At VA’s request, the claimant must provide enough information to identify and locate the existing records, including:
      (i) The custodian or agency holding the records;
      (ii) The approximate time frame covered by the records; and
      (iii) In the case of medical treatment records, the condition for which treatment was provided.
   (4) If necessary, the claimant must authorize the release of existing records in a form acceptable to the custodian or agency holding the records.

(Authority: 38 U.S.C. 5103A)

(d) Circumstances where VA will refrain from or discontinue providing assistance. VA will refrain from providing assistance in obtaining evidence for a claim if the substantially complete or complete application for benefits indicates that there is no reasonable possibility that any assistance VA would provide to the claimant would substantiate the claim. VA will discontinue providing assistance in obtaining evidence for a claim if the evidence obtained indicates that there is no reasonable possibility that further assistance would substantiate the claim. Circumstances in which VA will refrain from or discontinue providing assistance in obtaining evidence include but are not limited to:
   (1) The claimant’s ineligibility for the benefit sought because of lack of qualifying service, lack of veteran status, or other lack of legal eligibility;
   (2) Claims that are inherently not credible or clearly lack merit;
   (3) An application requesting a benefit to which the claimant is entitled as a matter of law; and
   (4) The claimant’s lack of cooperation in providing or requesting information or evidence necessary to substantiate the claim.

(Authority: 38 U.S.C. 5103A)

(e) Duty to notify claimant of inability to obtain records. (1) VA will notify the claimant either orally or in writing when VA:
      (i) Has made reasonable efforts to obtain relevant non-Federal records, but is unable to obtain them; or
      (ii) After continued efforts to obtain Federal records, concludes that it is reasonably certain they do not exist or that further efforts to obtain them would be futile.
   (2) For non-Federal records requests, VA may provide the notice to the claimant at the same time it makes its final attempt to obtain the relevant records.
   (3) VA will make a written record of any oral notice conveyed under this paragraph to the claimant.
   (4) The notice to the claimant must contain the following information:
      (i) The identity of the records VA was unable to obtain;
      (ii) An explanation of the efforts VA made to obtain the records;
      (iii) The fact described in paragraph (e)(1)(i) or (e)(1)(ii) of this section;
      (iv) A description of any further action VA will take regarding the claim,
including, but not limited to, notice that VA will decide the claim based on the evidence of record unless the claimant submits the records VA was unable to obtain; and

(v) A notice that the claimant is ultimately responsible for obtaining the evidence.

(5) If VA becomes aware of the existence of relevant records before deciding the claim, VA will notify the claimant of the existence of such records and ask that the claimant provide a release for the records. If the claimant does not provide any necessary release of the relevant records that VA is unable to obtain, VA will ask that the claimant obtain the records and provide them to VA.

(6) For the purpose of this section, if VA must notify the claimant, VA will provide notice to:

(i) The claimant;
(ii) His or her fiduciary, if any; and
(iii) His or her representative, if any.

§ 21.40. Entitlement

§ 21.40 Basic entitlement to vocational rehabilitation benefits and services.

An individual meets the basic entitlement criteria for vocational rehabilitation benefits and services under this subpart if VA determines that he or she meets the requirements of paragraph (a), (b), (c), or (d) of this section. For other requirements affecting the provision of vocational rehabilitation benefits and services, see §§21.41 through 21.46 (period of eligibility), §21.53 (reasonable feasibility of achieving a vocational goal), and §§21.70 through 21.79 (months of entitlement).

(a) Veterans with at least 20 percent disability. The individual is a veteran who meets all of the following criteria:

(1) Has a service-connected disability or combination of disabilities rated 20 percent or more under 38 U.S.C. chapter 11.

(2) Incurred or aggravated the disability or disabilities in active military, naval, or air service on or after September 16, 1940.

(3) Is determined by VA to be in need of rehabilitation because of an employment handicap.

(b) Veterans with 10 percent disability. The individual is a veteran who meets all of the following criteria:

(1) Has a service-connected disability or combination of disabilities rated less than 20 percent but 10 percent or more under 38 U.S.C. chapter 11.

(2) Incurred or aggravated the disability or disabilities in active military, naval, or air service on or after September 16, 1940.

(c) Servicemembers awaiting discharge. The individual is a servicemember who, while waiting for discharge from the active military, naval, or air service, is hospitalized, or receiving outpatient medical care, services, or treatment,
for a disability that VA will likely determine to be service-connected. In addition, VA must have determined that:

(1) The hospital or other medical facility providing the hospitalization, care, service, or treatment is doing so under contract or agreement with the Secretary concerned, or is under the jurisdiction of the Secretary of Veterans Affairs or the Secretary concerned;

(2) The individual is in need of rehabilitation because of an employment handicap; and

(3) The individual has a disability or combination of disabilities that will likely be:

(i) At least 10 percent compensable under 38 U.S.C. chapter 11 and he or she originally applied for assistance under 38 U.S.C. chapter 31 after March 31, 1981, and before November 1, 1990; or

PERIODS OF ELIGIBILITY

§ 21.41 Basic period of eligibility.

(a) Time limit for eligibility to receive vocational rehabilitation. (1) For purposes of §§ 21.41 through 21.46, the term basic period of eligibility means the 12-year period beginning on the date of a veteran’s discharge or release from his or her last period of active military, naval, or air service, and ending on the date that is 12 years from the veteran’s discharge or release date, but the beginning date may be deferred or the ending date extended under the sections referred to in paragraph (b) of this section. (See §§21.70 through 21.79 concerning duration of rehabilitation programs.)

(2) Except as provided in paragraph (b) or (c) of this section, the period during which an individual may receive a program of vocational rehabilitation benefits and services under 38 U.S.C. chapter 31 is limited to his or her basic period of eligibility.

(b) Deferral and extension of the basic period of eligibility. VA may defer the beginning date of a veteran’s basic period of eligibility under §21.42. VA may extend the ending date of a veteran’s basic period of eligibility under §21.42 (extension due to medical condition); §21.44 (extension for a veteran with a serious employment handicap), §21.45 (extension during a program of independent living services and assistance), and §21.46 (extension for a veteran recalled to active duty).

(Authority: 38 U.S.C. 3103)

(c) Servicemember entitled to vocational rehabilitation services and assistance before discharge. The basic period of eligibility for a servicemember who is entitled to vocational rehabilitation services and assistance under 38 U.S.C. chapter 31 for a period before discharge does not run while the servicemember remains on active duty, but begins on the date of discharge from the active military, naval, or air service. The period of eligibility requirements of this section are not applicable to provision of vocational rehabilitation services and assistance under chapter 31 during active duty.

(Authority: 38 U.S.C. 3102, 3103)

[75 FR 3166, Jan. 20, 2010]
(a) Qualifying compensable service-connected disability(ies) not established. The basic period of eligibility does not commence until the day VA notifies a veteran of a rating determination by VA that the veteran has a qualifying compensable service-connected disability under §21.40.

(Authority: 38 U.S.C. 3103(b)(3))

(b) Character of discharge is a bar to benefits. (1) The basic period of eligibility does not commence until the veteran meets the requirement of a discharge or release under conditions other than dishonorable. (For provisions regarding character of discharge, see §3.12 of this chapter.)

(2) If VA has considered a veteran’s character of discharge to be a bar to benefits, the basic period of eligibility commences only when one of the following happens:

(i) An appropriate authority changes the character of discharge or release; or

(ii) VA determines that the discharge or release was under conditions other than dishonorable, or that the discharge or release was, but no longer is, a bar to benefits.

(3) If there is a change in the character of discharge, or the discharge or release otherwise is determined, as provided in paragraph (b)(2) of this section, not to be a bar to benefits, the beginning date of the basic period of eligibility will be the effective date of the change or VA determination.

(Authority: 38 U.S.C. 3103(b)(2))

(c) Commencement or continuation of participation prevented by medical condition(s). (1) The basic period of eligibility does not run during any period when a veteran’s participation in a vocational rehabilitation program is determined to be infeasible for 30 days or more because of any medical condition(s) of the veteran, including the disabling effects of chronic alcoholism (see paragraphs (c)(2) through (c)(5) of this section).

(2) For purposes of this section, the term disabling effects of chronic alcoholism means alcohol-induced physical or mental disorders or both, such as habitual intoxication, withdrawal, delirium, amnesia, dementia, and other like manifestations that:

(i) Have been diagnosed as manifestations of alcohol dependency or chronic alcohol abuse; and

(ii) Have been determined to prevent the affected veteran from beginning or continuing in a program of vocational rehabilitation and employment.

(3) A diagnosis of alcoholism, chronic alcoholism, alcohol dependency, or chronic alcohol abuse, in and of itself, does not satisfy the definition of disabling effects of chronic alcoholism.

(4) Injuries sustained by a veteran as a proximate and immediate result of activity undertaken by the veteran while physically or mentally unqualified to do so due to alcoholic intoxication are not considered disabling effects of chronic alcoholism. An injury itself, however, may prevent commencement or continuation of a rehabilitation program.

(5) For purposes of this section, after November 17, 1988, the disabling effects of chronic alcoholism do not constitute willful misconduct. See 38 U.S.C. 105(c).

(6) If the basic period of eligibility is delayed or interrupted under this paragraph (c) due to any medical condition(s) of the veteran, it will begin or resume on the date a Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) notifies the veteran in writing that the CP or VRC has determined, based on the evidence of record, that participation in a vocational rehabilitation program is reasonably feasible for the veteran.

(Authority: 38 U.S.C. 3103(b)(1))

[75 FR 3166, Jan. 20, 2010]

§21.44 Extension of the basic period of eligibility for a veteran with a serious employment handicap.

(a) Conditions for extension. A Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) may extend the basic period of eligibility of a veteran with a serious employment handicap when the veteran’s current employment handicap and need for rehabilitation services and assistance necessitate an extension under the following conditions:

(1) Not rehabilitated to the point of employability. The veteran has not been
rehabilitated to the point of employability; or

(Authority: 38 U.S.C. 3103(c))

(2) Rehabilitated to the point of employability. The veteran was previously declared rehabilitated to the point of employability, but currently meets one of the following three conditions:

(i) One or more of the veteran’s service-connected disabilities has worsened, preventing the veteran from working in the occupation for which he or she trained, or in a related occupation;

(ii) The veteran’s current employment handicap and capabilities clearly show that the occupation for which the veteran previously trained is currently unsuitable; or

(iii) The occupational requirements in the occupation for which the veteran trained have changed to such an extent that additional services are necessary to enable the veteran to work in that occupation, or in a related field.

(Authority: 38 U.S.C. 3103(c))

(b) Length of eligibility extension. For a veteran with a serious employment handicap, a CP or VRC may extend the basic period of eligibility for such additional time as the CP or VRC determines is needed for the veteran to accomplish the purposes of his or her individualized rehabilitation program.

(Authority: 38 U.S.C. 3103(c))

§ 21.46 Veteran ordered to active duty; extension of basic period of eligibility.

If VA determines that a veteran is prevented from participating in, or continuing in, a program of vocational rehabilitation as a result of being ordered to active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304, the veteran’s basic period of eligibility will be extended by the length of time the veteran serves on active duty plus 4 months.

§ 21.47 Eligibility for employment assistance.

(a) Providing employment services to veterans eligible for a rehabilitation program under chapter 31. Each veteran, other than one found in need of a program of independent living services and assistance, who is otherwise currently eligible for and entitled to participate in a program of rehabilitation under chapter 31 may receive employment services. Included are those veterans who:

(1) Have completed a program of rehabilitation services under chapter 31 and been declared rehabilitated to the point of employability;

(2) Have not completed a period of rehabilitation to the point of employability under chapter 31, but:

(i) Have elected to secure employment without completing the period of rehabilitation to the point of employability; and

(ii) Are employable; or

(3) Have never received services for rehabilitation to the point of employability under chapter 31 if they:

(i) Are employable or employed in a suitable occupation;

(ii) Have an employment handicap or a serious employment handicap; and

(See § 21.76(b) concerning duration of independent living services.)

(Authority: 38 U.S.C. 3103(d))
§ 21.48 Severance of service-connection—reduction to noncompensable degree.

When a rating action is taken which proposes severance of service-connection or reduction to a noncompensable degree, the provisions of the following paragraphs will govern the veteran’s entitlement to rehabilitation and employment assistance under 38 U.S.C. Chapter 31.

(a) Applicant. If the veteran is an applicant for rehabilitation or employment assistance when the proposed rating action is taken, all processes respecting determination of entitlement or induction into training shall be immediately suspended. In no event shall any veteran be inducted into a rehabilitation program or provided employment assistance during the interim periods provided in § 3.105 (d) and (e) of this title. If the proposed rating action becomes final, the application will be denied. See also § 21.50 as to initial evaluation.

(b) Reduction while in a rehabilitation program. If the proposed rating action is taken while the veteran is in a rehabilitation program and results in a reduction to a noncompensable rating of his or her disability, the veteran may be retained in the program until the completion of the program, except if “discontinued” under § 21.198 he or she may not reenter.

(c) Severance while in a rehabilitation program. If the proposed rating action

(d) Duration of period of employment assistance. The periods during which employment assistance may be provided are not subject to limitations on periods of eligibility for vocational rehabilitation provided in §§ 21.41 through 21.45 of this part, but entitlement to such assistance is, as provided in § 21.73 of this part, limited to 18 total months of assistance.

Authority: 38 U.S.C. 3105

is taken while the veteran is in a rehabilitation program and results in severance of the service-connection of his or her disability, rehabilitation will be terminated effective as of the last day of the month in which severance of service-connection becomes final.

(Authority: 38 U.S.C. 3103)

INITIAL AND EXTENDED EVALUATION

§ 21.50 Initial evaluation.

(a) Entitlement to an initial evaluation. VA will provide an initial evaluation to an individual who:

(1) Applies for benefits under 38 U.S.C. chapter 31; and

(2) Meets the service-connected disability requirements of § 21.40.

(Authority: 38 U.S.C. 3101(9), 3106)

(b) Determinations to be made by VA during the initial evaluation. A counseling psychologist (CP) or vocational rehabilitation counselor (VRC) will determine:

(1) Whether the individual has an employment handicap as determined in accordance with this section and § 21.51;

(2) Whether an individual with an employment handicap has a serious employment handicap as determined in accordance with this section and § 21.52; and

(3) Whether the achievement of a vocational goal is currently reasonably feasible as described in § 21.53.

(Authority: 38 U.S.C. 3102, 3103)

(c) Factors for assessment as part of the initial evaluation. In making the determinations under paragraph (b) of this section, the following factors will be developed and assessed:

(1) The handicapping effects of the individual’s service-connected and non-service-connected disability(ies) on employability and on independence in daily living;

(2) The individual’s physical and mental capabilities that may affect employability and ability to function independently in daily living activities in family and community;

(3) The impact of the individual’s identified vocational impairments on the individual’s ability to prepare for, obtain, and keep suitable employment;

(4) The individual’s abilities, aptitudes, and interests;

(5) The individual’s personal history and current circumstances (including educational and training achievements, employment record, developmental and related vocationally significant factors, and family and community adjustment); and

(6) Other factors that may affect the individual’s employability.

(Authority: 38 U.S.C. 3106(a))

(d) Need for cooperation in the initial evaluation process. The individual’s cooperation is essential in the initial evaluation process. If the individual does not cooperate, the CP or VRC will make reasonable efforts to secure the individual’s cooperation. If, despite those efforts, the individual fails to cooperate, VA will suspend the initial evaluation process (see § 21.362, regarding satisfactory conduct and cooperation, and § 21.364, regarding unsatisfactory conduct and cooperation).

(Authority: 38 U.S.C. 3111)

§ 21.51 Determining employment handicap.

For the purposes of § 21.50, an employment handicap will be found to exist only if a CP or VRC determines that the individual meets each of the following conditions:

(a) Vocational impairment. The individual has a vocational impairment; that is, an impairment of the ability to prepare for, obtain, or keep employment in an occupation consistent with his or her abilities, aptitudes, and interests.

(b) Effects of impairment not overcome. The individual has not overcome the effects of the individual’s impairment of employability through employment in, or qualifying for employment in, an occupation consistent with his or her abilities, aptitudes, and interests. This situation includes an individual who qualifies for a suitable job, but who does not obtain or keep the job for reasons beyond his or her control.

(Authority: 38 U.S.C. 3102)
\(\text{§ 21.52}\) Determining serious employment handicap.

(a) Requirements for determining serious employment handicap. For each individual who is found to have an employment handicap, a CP or VRC must make a separate determination of whether the individual has a serious employment handicap. For the purposes of an initial evaluation under §21.50, a serious employment handicap will be found to exist only if a CP or VRC determines that the individual meets each of the following conditions:

(1) Significant vocational impairment. The individual has a significant vocational impairment; that is, a significant impairment of the ability to prepare for, obtain, or keep employment in an occupation consistent with his or her abilities, aptitudes, and interests, considering the factors described in §21.50 and paragraph (b) of this section.

(2) Effects of significant impairment not overcome. The individual has not overcome the effects of the significant vocational impairment through employment in, or qualifying for employment in, an occupation consistent with his or her abilities, aptitudes, and interests. This includes an individual who qualifies for a suitable job, but who does not obtain or keep the job for reasons beyond his or her control.

(3) Contribution of the service-connected disability(ies) to the individual’s overall significant vocational impairment.

(ii) For determinations made on applications for vocational rehabilitation filed on or after March 30, 1995, but before October 9, 1996, the individual’s service-connected disability(ies) need not contribute to the individual’s overall significant vocational impairment.

(Authority: 38 U.S.C. 3101)

\(\text{§ 21.52}\) Determining serious employment handicap.

(c) Contribution of the service-connected disability(ies) to the individual’s overall vocational impairment. (1) Except as provided in paragraph (c)(3) of this section, the service-connected disability(ies) must contribute in substantial part to the individual’s overall vocational impairment. This means that the disability(ies) must have an identifiable, measurable, or observable causative effect on the overall vocational impairment, but need not be the sole or primary cause of the employment handicap.

(2) When determining the individual’s overall vocational impairment, the CP or VRC will consider the factors identified in §21.50(c).

(3) For determinations made on applications for vocational rehabilitation filed on or after March 30, 1995, but before October 9, 1996, the individual’s service-connected disability(ies) need not contribute to the individual’s overall vocational impairment.

(Authority: 38 U.S.C. 3101, 3102)

\(\text{§ 21.52}\) Determining serious employment handicap.

(b) Factors for assessment during the initial evaluation, when determining whether a significant vocational impairment exists. The combination of all restrictions and their effects on the individual define the extent of the vocational impairment and its significance. When determining whether the individual has a significant vocational impairment, VA will develop and assess the following factors and their effects:

(1) Number of disabling conditions;

(2) Severity of disabling condition(s);

(3) Existence of neuropsychiatric condition(s);

(4) Adequacy of education or training for suitable employment;

(5) Number, length, and frequency of periods of unemployment or underemployment;

(6) A pattern of reliance on government support programs, such as welfare, service-connected disability compensation, nonservice-connected disability pension, worker’s compensation, or Social Security disability;

(7) Extent and complexity of services and assistance the individual needs to achieve rehabilitation;
§ 21.53 Reasonable feasibility of achieving a vocational goal.

(a) Requirement. The Department of Veterans Affairs shall determine the reasonable feasibility of achieving a vocational goal in each case in which a veteran has either:

(1) An employment handicap, or

(2) A serious employment handicap.

(Authority: 38 U.S.C. 3106(a))

(b) Definition. The term vocational goal means a gainful employment status consistent with the veteran’s abilities, aptitudes, and interests.

(Authority: 38 U.S.C. 3101(8))

(c) Expedious determination. The determination of reasonable feasibility shall be made as expeditiously as possible when necessary information has been developed in the course of initial evaluation. If an extended evaluation is necessary as provided in §21.57 a decision of feasibility shall be made by the end of the extended evaluation. Any reasonable doubt shall be resolved in favor of a finding of feasibility.

(Authority: 38 U.S.C. 3105(d))

(d) Vocational goal is reasonably feasible. Achievement of a vocational goal is reasonably feasible for a veteran with either an employment or serious employment handicap when the following conditions are met:

(1) Vocational goal(s) has (have) been identified;

(2) The veteran’s physical and mental conditions permit training for the goal(s) to begin within a reasonable period; and

(3) The veteran:

(i) Possesses the necessary educational skills and background to pursue the vocational goal; or

(ii) Will be provided services by the Department of Veterans Affairs to develop such necessary educational skills as part of the program.

(Authority: 38 U.S.C. 3104(a)(1), 3106(a))

(e) Criteria for reasonable feasibility not met. (1) When VA finds that the provisions of paragraph (d) of this section are not met, but VA has not determined that achievement of a vocational goal is not currently reasonably feasible, VA shall provide the rehabilitation services contained in §21.35(1)(i)(1) of this part as appropriate:

(2) A finding that achievement of a vocational goal is infeasible without a period of extended evaluation requires compelling evidence which establishes infeasibility beyond any reasonable doubt.

(Authority: 38 U.S.C. 3101(1), 3106(b))

(f) Independent living services. The counseling psychologist shall determine the current reasonable feasibility of a program of independent living services in each case in which a vocational rehabilitation program is not found reasonably feasible. The concurrence of the Vocational Rehabilitation and Employment (VR&E) Officer is required in any case in which the counseling psychologist does not approve a program of independent living services.

(Authority: 38 U.S.C. 3100)

(g) Responsible staff. A counseling psychologist in the Vocational Rehabilitation and Employment Division shall determine whether achievement of a vocational goal is:

(1) Reasonably feasible; or

(2) Not currently reasonably feasible under the provisions of paragraph (e) of this section for the purpose of determining present eligibility to receive a program of independent living services.

§ 21.57 Extended evaluation.

(a) Purpose. The purpose of an extended evaluation for a veteran with a serious employment handicap is to determine the current feasibility of the veteran achieving a vocational goal, when this decision reasonably cannot be made on the basis of information developed during the initial evaluation.

(b) Scope of services. During the extended evaluation, a veteran may be provided:

(1) Diagnostic and evaluative services;
(2) Services to improve his or her ability to attain a vocational goal;
(3) Services to improve his or her ability to live and function independently in the community;
(4) An allowance as provided in § 21.260.

(Authority: 38 U.S.C. 3104)

(c) Determination.

(1) The determination of the reasonable feasibility of a veteran achieving a vocational goal will be made at the earliest time possible during an extended evaluation, but not later than the end of the period of evaluation, or an extension of that period. Any reasonable doubt as to feasibility will be resolved in the veteran’s favor;

(Authority: 38 U.S.C. 3106(d))

(2) When it is reasonably feasible for the veteran to achieve a vocational goal, an individualized written rehabilitation plan (IWRP) will be developed as indicated in § 21.84 of this part.

(Authority: 38 U.S.C. 3106(b))

(d) Responsibility for determining the need for a period of extended evaluation. A counseling psychologist in the Vocational Rehabilitation and Employment Division shall determine whether a period of extended evaluation is needed.

(Authority: 38 U.S.C. 3106(c))

§ 21.58 Redetermination of employment handicap and serious employment handicap.

(a) Prior to induction into a program. A determination as to employment handicap, serious employment handicap, or eligibility for a program of employment services will not be changed except for:

(1) Unmistakable error in fact or law; or
(2) New and material evidence which justifies a change.

(b) After induction into a program. (1) The Department of Veterans Affairs will not redetermine a finding of employment handicap, serious employment handicap, or eligibility for a program of employment services subsequent to the veteran’s induction into a program because of a reduction in his or her disability rating, including a reduction to 0 percent;

(2) The Department of Veterans Affairs may consider whether a finding of employment handicap should be changed to serious employment handicap when there is an increase in the degree of service-connected disability, or other significant change in the veteran’s situation;

(3) A redetermination of employment handicap, serious employment handicap, or eligibility for a program of employment services will be made when there is a clear and unmistakable error of fact or law.

(Authority: 38 U.S.C. 3102, 3106)

(c) Following rehabilitation or discontinuance. A veteran’s eligibility and entitlement to assistance must be redetermined in any case in which:

(1) The veteran is determined to be rehabilitated to the point of employability under the provisions of § 21.190;
(2) The veteran is determined to meet the requirements for rehabilitation under the provisions of § 21.196; or
(3) The veteran’s program is discontinued under the provisions of § 21.198, except as described in § 21.198(c)(3).

(Authority: 38 U.S.C. 3102, 3111)
§ 21.59  Review and appeal of decisions on eligibility and entitlement.

A veteran may appeal decisions of the Vocational Rehabilitation and Employment staff on eligibility and entitlement to rehabilitation services to the Board of Veterans Appeals as provided in §19.2 of Title 38, CFR. However, the veteran or an accredited representative, on his or her behalf, may request administrative review by Central Office prior to filing an appeal to BVA. A case already on appeal to BVA may not be referred to Central Office for administrative review or advisory opinion.

(Authority: 38 U.S.C. 3107(c))

§ 21.60  Vocational Rehabilitation Panel.

(a) Establishment of the Panel. A Vocational Rehabilitation Panel will be established at each field facility by the facility head. The purpose of the Panel is to provide technical assistance in the planning of rehabilitation programs for seriously disabled veterans and dependents. This purpose will be most effectively carried out through use of the services of a wide range of professionals to bring the resources of the Department of Veterans Affairs and the community to bear on problems presented in the individual case.

(Authority: 38 U.S.C. 3104(a))

(b) Composition of the Panel. The Panel will include, but not be limited to the following:

(e) Referral. A case may be referred to the Panel by:

(1) A counseling psychologist in VR&E;
(2) A vocational rehabilitation specialist in VR&E; or
(3) The VR&E officer.

(f) Report. The Panel must prepare a report on its findings and recommendations in each case. The Panel’s recommendations may include specific actions which are warranted on the basis of current information, or may identify additional information needed to provide a sounder basis for planning the veteran’s program of rehabilitation.

(Authority: 38 U.S.C. 3104(a))

§ 21.62  Duties of the Vocational Rehabilitation Panel.

(a) Consultation requested. The panel shall provide technical and consultative services when requested by professional staff of the Vocational Rehabilitation and Employment (VR&E) Division to:

(1) Assist staff members in planning and carrying out a rehabilitation plan for seriously disabled veterans and their dependents; and

(Authority: 38 U.S.C. 3104(a))
(b) Independent living services. The services that are needed for the accomplishment of the purposes of Chapter 31, including such counseling, diagnostic, medical, social, psychological, independent living, economic, educational, vocational, and employment services as are determined by the Department of Veterans Affairs to be needed;

2. In the case of a veteran for whom the achievement of a vocational goal has not been found to be currently infeasible such needed services include:

   (B) Improving the veteran’s potential to participate in a program of services designed to achieve a vocational goal;
   (C) Enabling the veteran to achieve maximum independence in daily living;

   (2) The term also includes the monetary assistance authorized by Chapter 31 for a veteran receiving any of the services described in this paragraph.

(Authority: 38 U.S.C. 3101(9); Pub. L. 99–576)

(c) Duration of vocational rehabilitation. Decisions on the duration of periods for attaining the goals named in paragraph (a) of this section are made in the course of development and approval of the Individualized Written Rehabilitation Plan. However, the duration of a vocational rehabilitation program may not exceed 48 months (or its equivalent when pursued on a part-time basis), except as provided in §21.78.

(Authority: 38 U.S.C. 3695, 3105)

§ 21.72 Rehabilitation to the point of employability.

(a) General. Rehabilitation to the point of employability may include the services needed to:

1. Evaluate and improve the veteran’s ability to undertake training;

2. Train the veteran to the level generally recognized as necessary for entry into employment in a suitable occupational objective. Where a particular degree, diploma, or certificate is generally necessary for entry into the occupation, e.g., an MSW for social work, the veteran shall be trained to that level.

(Authority: 38 U.S.C. 3101(5), 3104)
§ 21.73 Duration of employment assistance programs.

(a) Duration. Employment assistance may be provided to the veteran for the period necessary to enable the veteran to secure employment in a suitable occupation, and to adjust in the employment. This period shall not exceed 18 months. A veteran may be provided such assistance if he or she is eligible for employment assistance under the provisions of §21.47 of this part.

(b) Employment assistance not charged against Chapter 31 entitlement. The period of employment assistance provided in paragraph (a) of this section is

(Authority: 38 U.S.C. 3105(b))

(d) Extension of training by the vocational rehabilitation specialist. (1) The VRS (Vocational Rehabilitation Specialist) may authorize an extension of up to six months of the period of vocational rehabilitation training authorized by the IWRP when:

(i) The veteran is in rehabilitation to the point of employability status under §21.190;

(ii) The veteran has completed more than half of the prescribed training;

(iii) The veteran is making satisfactory progress;

(iv) The extension is necessary to complete training;

(v) Training can be completed within six months; and

(vi) The extension will not result in use of more than 48 months of entitlement under Chapter 31 alone or in combination with other programs identified in §21.4020.

(2) If the conditions listed in paragraph (d)(1) of this section are not met, and an extension is needed to complete the program, the case will be referred to the counseling psychologist for a determination.

(Authority: 38 U.S.C. 3105(c))
§ 21.74 Extended evaluation.

(a) General. An extended evaluation may be authorized for the period necessary to determine whether the attainment of a vocational goal is currently reasonably feasible for the veteran. The services which may be provided during the period of extended evaluation are listed in §21.57(b) of this part.

(b) Duration. An extended evaluation may not be for less than two weeks (full or part-time equivalent) nor for more than twelve months, unless a longer period is necessary to determine whether achievement of a vocational goal is reasonably feasible.

(c) Approval of the period of an extended evaluation. (1) The counseling psychologist may approve an initial period of up to 12 months for an extended evaluation.

(2) An additional period of extended evaluation of up to 6 months may be approved by the counseling psychologist, if there is reasonable certainty that the feasibility of achieving a vocational goal can be determined during the additional period. The counseling psychologist will obtain the concurrence of the Vocational Rehabilitation and Employment (VR&E) Officer before approving the extension of a period of extended evaluation.

(3) An extension beyond a total period of 18 months for additional periods of up to 6 months each may only be approved by the counseling psychologist if there is a substantial certainty that a determination of current feasibility may be made within this extended period. The concurrence of the VR&E Officer is also required for this extension.

§ 21.76 Independent living.

(a) General. A program of independent living services may be authorized to enable the veteran to:

(1) Reach the goals of the program, and

(2) Maintain the newly achieved level of independence in daily living.

(b) Period of independent living services. The duration of an independent living services program may not exceed 24 months unless the counseling psychologist finds that an additional period of up to 6 months would enable the veteran to substantially increase his or her level of independence in daily living. The concurrence of the Vocational Counseling and Rehabilitation Officer in this finding is required.

§ 21.78 Approving more than 48 months of rehabilitation.

(a) General. Neither the basic period of entitlement which may be authorized for a program of rehabilitation under Chapter 31 alone, nor a combination of entitlement of Chapter 31 and other programs listed in §21.4020 shall exceed 48 months except as indicated in paragraphs (b) and (c) of this section.

(b) Employment handicap. A rehabilitation program for a veteran with an employment handicap may only be extended beyond 48 months when:

(1) The veteran previously completed training for a suitable occupation but the veteran’s service-connected disability has worsened to the point that he or she is unable to perform the duties of the occupation for which training had been provided, and a period of

38 CFR Ch. I (7–1–14 Edition)
training in the same or a different field is required. An extension beyond 48 months under Chapter 31 alone shall be authorized for this purpose.

(Authority: 38 U.S.C. 3105(c)(1)(A))

(2) The occupation in which the veteran previously completed training is found to be unsuitable because of the veteran’s abilities and employment handicap. An extension beyond 48 months under Chapter 31 alone shall be approved for this purpose.

(Authority: 38 U.S.C. 3105(c)(1)(B))

(3) The veteran previously used education benefit entitlement under other programs administered by VA, and the additional period of assistance to be provided under Chapter 31 which the veteran needs to become employable will result in more than 48 months being used under all VA education programs, under these conditions the number of months necessary to complete the program may be authorized under Chapter 31, provided that the length of the extension will not result in authorization of more than 48 months under Chapter 31 alone.

(Authority: 38 U.S.C. 3695)

(4) A veteran in an approved Chapter 31 program has elected payment of benefits at the Chapter 30 educational assistance rate. The 48 month limitation may be exceeded only:

(i) To the extent that the entitlement in excess of 48 months does not exceed the entitlement previously used by the veteran in a course at the secondary school level under §21.4235 before December 31, 1989, or

(ii) If the veteran is in a course on a term, quarter, or semester basis which began before the 36 month limitation on Chapter 30 entitlement was reached, and completion of the course will be possible by permitting the veteran to complete the training under Chapter 31.

(Authority: 38 U.S.C. 3013, 3695; Pub. L. 98-525)

(5) The assistance to be provided in excess of 48 months consists only of a period of employment assistance (see §21.73).

(Authority: 38 U.S.C. 3105(b))

(c) Serious employment handicap. The duration of a rehabilitation program for a veteran with a serious employment handicap may be extended beyond 48 months under Chapter 31 for the number of months necessary to complete a rehabilitation program under the following conditions:

(1) To enable the veteran to complete a period of rehabilitation to the point of employability;

(2) To provide an extended evaluation in cases in which the total period needed for an extended evaluation and for rehabilitation to the point of employability would exceed 48 months;

(3) To provide a program of independent living services, including cases in which achievement of a vocational goal becomes feasible during or following a program of independent living services;

(4) Following rehabilitation to the point of employability:

(i) The veteran has been unable to secure employment in the occupation for which training has been provided despite intensive efforts on the part of the Department of Veterans Affairs and the veteran, and a period of retraining or additional training is needed;

(ii) The skills which the veteran developed in training for an occupation in which he or she was employed are no longer adequate to maintain employment in that field and a period of retraining is needed;

(iii) The veteran’s service-connected disability has worsened to the point that he or she is unable to perform the duties of the occupation for which the veteran has been trained, and a period of training in the same or different field is required;

(iv) The occupation in which the veteran previously completed training is found to be unsuitable due to the veteran’s abilities and employment handicap.

(5) The assistance to be provided in excess of 48 months consists, only of a
§ 21.79

Determining entitlement usage under Chapter 31.

(a) General. The determination of entitlement usage for chapter 31 participants is made under the provisions of this section except as provided in paragraph (f) of this section. Charges for entitlement usage shall be based upon the principle that a veteran who pursues a rehabilitation program for 1 day should be charged 1 day of entitlement. The determination of entitlement is based upon the rate at which the veteran pursues his or her rehabilitation program. The rate of pursuit is determined under the provisions of §21.310 of this part.

(b) No charge against chapter 31 entitlement. No charge will be made against chapter 31 entitlement under any of the following circumstances:

(1) The veteran is receiving employment services under an Individualized Employment Assistance Plan (IEAP);

(2) The veteran is receiving an employment adjustment allowance; or

(3) The veteran is on leave from his or her program, but leave is not authorized by the Department of Veterans Affairs.

(c) Periods during which entitlement may be charged. Charges for usage of chapter 31 entitlement may only be made for program participants in one of the following case statuses:

(1) Rehabilitation to the point of employability;

(2) Extended evaluation; or

(3) Independent living.

(d) Method of charging entitlement under chapter 31. The Department of Veterans Affairs will make a charge against entitlement:

(1) On the basis of total elapsed time (1 day of entitlement for each day of pursuit) if the veteran is being provided a rehabilitation program on a full-time basis;

(2) On the basis of a proportionate rate of elapsed time if the veteran is being provided a rehabilitation program on a three-quarter, one-half or less than one-half time basis. Entitlement is charged at a:

(i) Three-quarter time rate if pursuit is three-quarters or more, but less than full-time;

(ii) One-half time rate if pursuit is half-time or more, but less than three-quarter time;

(iii) One-quarter time rate if pursuit is less than half-time. Measurement of pursuit on a one-quarter time basis is limited to veterans in independent living or extended evaluation programs.

(e) Computing entitlement. (1) The computation of entitlement is based upon the rate of program pursuit, as determined under §21.310 of this part, over the elapsed time during which training and rehabilitation services were furnished;

(2) The Department of Veterans Affairs will compute elapsed time from the commencing date of the rehabilitation program as determined under §21.322 of this part to the date of termination as determined under §21.324 of this part. This includes the period during which veterans not receiving subsistence allowance because of a statutory bar; e.g., certain incarcerated veterans or servicepersons in a military hospital, nevertheless, received other chapter 31 services and assistance. Elapsed time includes the total period from the commencing date until the
termination date, except for any period of unauthorized leave;  
(3) If the veteran’s rate of pursuit changes after the commencing date of the rehabilitation program, the Department of Veterans Affairs will:  
(i) Separate the period of rehabilitation program services into the actual periods of time during which the veteran’s rate of pursuit was different; and  
(ii) Compute entitlement based on the rate of pursuit for each separate elapsed time period.

(Authority: 38 U.S.C. 3108(f))

(f) Special situations.  
(1) When a chapter 31 participant elects benefits of the kind provided under chapter 30 or chapter 34 as a part of his or her rehabilitation program under chapter 31, the veteran’s entitlement usage will be determined by using the entitlement provisions of those programs. Entitlement charges shall be in accordance with §21.7076 for chapter 30 and §21.1045 under chapter 34. The entitlement usage computed under these provisions is deducted from the veteran’s chapter 31 entitlement. No entitlement charges are made against either chapter 30 or chapter 34.

(Authority: 38 U.S.C. 3108(f))

(2) When a chapter 31 participant elects to receive payment of the Post-9/11 subsistence allowance under §21.260(c) in lieu of a subsistence allowance under §21.260(b), the entitlement usage is deducted from the veteran’s chapter 31 entitlement. No entitlement charges are made against chapter 33.

(Authority: 38 U.S.C. 3680(g))

(3) When a veteran is pursuing on-job training or work experience in a Federal agency on a nonpay or nominal pay basis, the amount of entitlement used is determined in the following manner:  
(i) Entitlement used in on-job training in a Federal agency on a nonpay or nominal pay basis is determined in the same manner as other training.  
(ii) Entitlement used in pursuing work experience will be computed in the same manner as for veterans in on-job training except that work experience may be pursued on a less than full-time basis. If the veteran is receiving work experience on a less than full-time basis, entitlement charges are based upon a proportionate amount of the workweek. For example, if the workweek is 40 hours, three-quarter time is at least 30 hours, but less than 40 hours, and half-time is at least 20 hours but less than 30 hours.

(Authority: 38 U.S.C. 3108(c))

(4) Entitlement is charged on a full-time basis for a veteran found to have a reduced work tolerance.

(Authority: 38 U.S.C. 3108(d), 3680(g))

(g) Overpayment. The Department of Veterans Affairs will make a charge against entitlement for an overpayment of subsistence allowance under the conditions described in §21.1045(h) of this part.

INDIVIDUALIZED WRITTEN REHABILITATION PLAN

§21.80 Requirement for a rehabilitation plan.

(a) General. An IWRP (Individualized Written Rehabilitation Plan) will be developed for each veteran eligible for rehabilitation services under Chapter 31. The plan is intended to assist in:  
(1) Providing a structure which allows VR&E staff to translate the findings made in the course of the initial evaluation into specific rehabilitation goals and objectives;  
(2) Monitoring the veteran’s progress in achieving the rehabilitation goals established in the plan;  
(3) Assuring the timeliness of assistance by Department of Veterans Affairs staff in providing services specified in the plan; and  
(4) Evaluating the effectiveness of the planning and delivery of rehabilitation services by VR&E staff.

(b) When a plan is prepared. A plan will be prepared in each case in which a veteran will pursue:  
(1) A vocational rehabilitation program, as that term is defined in §21.35(i);  
(2) An extended evaluation program;
§ 21.82 Completing the plan under Chapter 31.

(a) Serious employment handicap. Each plan for a veteran with a serious employment handicap shall provide for completion of the program provided by the plan under Chapter 31. The provisions of §§ 21.70 and 21.78(c) are designed to enable a veteran with a serious employment handicap to pursue and complete a rehabilitation plan under Department of Veterans Affairs auspices. These provisions shall be used as necessary to accomplish the goals of the plan.

(b) Employment handicap. A plan for a veteran with an employment handicap that is not a serious employment handicap shall require that the program be completed within 48 months, if the veteran is not eligible for an extension as provided in §21.78. When the program provided by the plan cannot be completed under Chapter 31 because of limitations imposed by the veteran’s termination date or months of remaining entitlement, realistic, comprehensive and detailed arrangements must be made which will enable the veteran to successfully complete training under other auspices. If an arrangement cannot be made which meets these requirements, the long-range vocational goal of the veteran must be reevaluated, and another vocational goal selected which can be completed using the veteran’s remaining Chapter 31 resources.

§ 21.84 Individualized written rehabilitation plan.

(a) Purpose. The purposes of the IWRP (Individualized Written Rehabilitation Plan) are to:

(1) Identify goals and objectives to be achieved by the veteran during the period of rehabilitation services that will lead to the point of employability;

(2) Plan for placement of the veteran in the occupational field for which training and other services will be provided; and

(3) Specify the key services needed by the veteran to achieve the goals and objectives of the plan.

(b) Elements of the plan. A plan will include the following:

(1) A statement of long-range rehabilitation goals. Each statement of long-range goals shall include at a minimum:

(i) One vocational goal for a veteran with an employment handicap; or

(ii) One vocational goal and, if applicable, one independent living goal for a veteran with a serious employment handicap.

(2) Intermediate rehabilitation objectives: Intermediate objectives are statements of achievement expected of
the veteran to attain the long-range goal. The development of appropriate intermediate objectives is the cornerstone of an effective plan. Intermediate objectives should have the following characteristics:

(i) The activity specified relates to the achievement of the goal;
(ii) The activity specified is definable in terms of observable behavior (e.g., pursuing an A.A. degree);
(iii) The activity has a projected completion date;
(iv) The outcome desired upon completion is measurable (e.g., receiving an A.A. degree).

3) The specific services to be provided by the Department of Veterans Affairs as stated. Counseling shall be included in all plans for a veteran with a serious employment handicap.

(4) The projected starting and completion dates of the planned services and the duration of each service;

(5) Objective criteria and an evaluation procedure and schedule for determining whether the objectives and goals are being achieved as set forth; and

(6) The name, location, and phone number of the VBA case manager.

§ 21.86 Individualized extended evaluation plan.

(a) Purpose. The purpose of an IEEP is to identify the services needed for the VA to determine the veteran’s current ability to achieve a vocational goal when this cannot reasonably be determined during the initial evaluation.

(Authority: 38 U.S.C. 3106(a), 3107(a))

(b) Elements of the plan. An IEEP shall include the same elements as an IWRP except that:

(1) The long range goal shall be to determine achievement of a vocational goal is currently reasonably feasible;

(2) The intermediate objectives relate to problems of questions which must be resolved for the VA to determine the current reasonable feasibility of achieving a vocational goal.

(Authority: 38 U.S.C. 3106(a), 3107(a))

[53 FR 50657, Dec. 19, 1988]

(a) Purpose. The purpose of the IEAP (Individualized Employment Assistance Plan) is to assure that a comprehensive, thoughtful approach is taken, enabling eligible veterans to secure suitable employment.

(Authority: 38 U.S.C. 3107)

(b) Requirement for a plan. An IEAP will be prepared:

(1) As part of an IWRP; or

(2) When the veteran is eligible for employment assistance under provisions of §21.47.

(Authority: 38 U.S.C. 3107(a))

(c) Elements of the plan. The IEAP shall follow the same structure as the IWRP. Each IEAP will include full utilization of community resources to enable the veteran to:

(1) Secure employment; and

(2) Maintain employment.

(Authority: 38 U.S.C. 3117)

(d) Preparation of the IEAP. Preparation of the IEAP will be completed:

(1) No later than 60 days before the projected end of the period of rehabilitation services leading to the point of employability; or

(2) Following initial evaluation when employment services constitute the whole of the veteran’s program under provisions of §21.47.

(Authority: 38 U.S.C. 3107(a))

§ 21.90 Individualized independent living plan.

(a) Purpose. The purpose of the IILP is to identify the steps through which a veteran, whose disabilities are so severe that a vocational goal is not currently reasonably feasible, can become more independent in daily living within the family and community.

(Authority: 38 U.S.C. 3109, 3120)
§ 21.92 Preparation of the plan.

(a) General. The plan will be jointly developed by Department of Veterans Affairs staff and the veteran.

(b) Approval of the plan. The terms and conditions of the plan must be approved and agreed to by the counseling psychologist, the vocational rehabilitation specialist, and the veteran.

(c) Implementation of the plan. The vocational rehabilitation specialist or counseling psychologist designated as case manager has the primary role in carrying out Department of Veterans Affairs responsibility for implementation of the plan.

(d) Responsible staff. The counseling psychologist has the primary responsibility for the preparation of plans.

§ 21.94 Changing the plan.

(a) General. The veteran, the counseling psychologist or the vocational rehabilitation specialist may request a change in the plan at any time.

(b) Long-range goals. A change in the statement of a long-range goal may only be made following a reevaluation of the veteran’s rehabilitation program by the counseling psychologist. A change may be made when:

(1) Achievement of the current goal(s) is no longer reasonably feasible; or

(2) The veteran’s circumstances have changed or new information has been developed which makes rehabilitation more likely if a different long-range goal is established; and

(3) The veteran fully participates and concurs in the change.

§ 21.96 Review of the plan.

(a) General. The veteran’s progress in reaching the goals of the plan will be reviewed and evaluated as scheduled in the plan by the case manager and the veteran.

(b) Comprehensive review required. The case manager and the veteran will review all of the terms of the plan and the veteran’s progress at least every twelve months. On the basis of such review the veteran and the case manager will agree whether the plan should be:

(1) Retained in its current form; or

(2) Amended; or

(Authority: 38 U.S.C. 3118)

(d) Limitations. (1) If a veteran resides within a State, counseling services necessary to carry out the initial evaluation and the development of a rehabilitation plan or a program of employment services will be furnished by counseling psychologists in the Vocational Rehabilitation and Employment (VR&E) Division.

(2) If a veteran does not reside in a State the counseling services necessary to carry out an initial evaluation may be accomplished in the same manner as for a veteran residing in a State or through other arrangements when deemed appropriate by the VR&E Division. These alternative arrangements include, but are not limited to:

(i) Use of counseling centers or individual qualified professionals under contract to VA; and

For the purpose of VA vocational rehabilitation, a course will be considered to be a combination course, if the student spends full-time on the job and one or more times a week also attends school on a part-time basis. A veteran may pursue the components of a combination course in the following manner:

(b) Limitations on inclusion of home study courses, in rehabilitation plans. A veteran and his or her case manager may include a home study course in a plan requirements for farm operator or farm manager. § 21.130 Educational and vocational courses outside the United States.

(a) General. VA may provide educational and vocational courses outside a State if the case manager determines that such training is in the best interest of the veteran and the Federal Government.

(b) Specific conditions. (1) The training must be necessary to enable the veteran to qualify for, obtain, and retain suitable employment in the occupational objective; and

(2) Either:

(i) The training is not available in the United States; or

(ii) The training is available in the United States, but personal hardship would result from requiring that the veteran pursue training in this country; and

§ 21.132 Repetition of the course.

(a) Repeating all or part of the course. A veteran, having completed a course under Chapter 31 according to the standards and practices of the institution, ordinarily will not pursue it again at the expense of VA. However, VA may approve repetition of all, or any part of the course when VA determines that the repetition is necessary to accomplish the veteran’s vocational rehabilitation. A veteran repeating a course under Chapter 31 is subject to the same requirements for satisfactory pursuit and completion of the course as are other veterans taking the course unless a longer period is needed because of the veteran’s reduced work tolerance.

(Authority: 38 U.S.C. 3104(a)(7))

(b) Review course. A veteran who has completed a course of training under Chapter 31 may pursue a review course, such as a bar review course, if it is specifically organized and conducted as a review course.

(Authority: 38 U.S.C. 3104(a)(7))

(c) Auditing a subject. Auditing, as defined in §21.4200(i), may not be authorized as a part of any rehabilitation plan. However, if an individual repeats a course under the conditions described in paragraph (a) of this section, the course shall not be considered an audited course, if pursued in the same manner as a subject offered for credit. The individual must meet the same requirements as other students, and not be a mere listener.

(ii) A suitable vocational rehabilitation program; or
(iii) A suitable independent living program.

(3) Reevaluate the vocational rehabilitation or independent living potential of a veteran participating in a rehabilitation program under Chapter 31, as necessary.

(4) Enable a veteran to achieve:
   (i) A vocational goal; or
   (ii) An independent living goal.

(Authority: 38 U.S.C. 3104)

(Authority: 38 U.S.C. 3105)

(Authority: 38 U.S.C. 3104(a)(1), (6), (9), (10), (15))
§ 21.150 Reader service.

(a) Limitations on vision. A veteran considered to have a visual impairment necessitating reader service includes a veteran:

(1) Whose best corrected vision is 20/200 in both eyes;

(2) Whose central vision is greater than 20/200 but whose field of vision is limited to such an extent that the widest diameter of a visual field subtends to an angle no greater than 20 degrees; or

(3) With impaired vision, whose condition or prognosis indicates that the residual sight will be adversely affected by the use of his or her eyes for reading.

(Authority: 38 U.S.C. 3104(a)(7))
§ 21.152 Interpreter service for the hearing impaired.

(a) General. The main purpose of interpreter service for the hearing impaired is to facilitate instructor-student communication. VA will provide interpreter service as necessary for the development and pursuit of a rehabilitation program. This service will be provided if:

(i) A VA physician determines that:

(ii) All appropriate services and aids have been furnished to improve the veteran’s residual hearing; or

(b) Periods during which interpreter service may be provided. Interpreter service may be furnished during:

(i) Initial evaluation or reevaluation;

(ii) Agrees to undertake language and speech training.

(c) Selecting the interpreter. Only certified interpreters or persons meeting generally accepted standards for interpreters shall provide interpreter service. When an individual is not certified by a State or professional association, VA shall seek the assistance of a State certifying agency or a professional association in ascertaining whether the individual is qualified to serve as an interpreter.

(d) Relatives. Interpreter service at VA expense may not be provided by a relative of the veteran. The term relative has the same meaning as under §21.374 pertaining to the use of relatives as attendants.

(Authority: 38 U.S.C. 3104(a)(14))

§ 21.154 Special transportation assistance.

(a) General. A veteran, who because of the effects of disability has transportation expenses in addition to those incurred by persons not so disabled, shall be provided a transportation allowance to defray such additional expenses. The assistance provided in this section is in addition to provisions for interregional and intraregional travel which may be authorized under provisions of §§21.370 through 21.376.

(Authority: 38 U.S.C. 3104(a)(13))

(b) Periods during which special transportation allowance may be provided. A
special transportation allowance may be provided during:
(1) Extended evaluation;
(2) Rehabilitation to the point of employability;
(3) Independent living services; or
(4) Employment services, including the first three months of employment.

(Authority: 38 U.S.C. 3104(a)(14))

§ 21.155 Services to a veteran’s family.

(a) General. VA shall provide services to a veteran’s family which are necessary to the implementation of the veteran’s rehabilitation plan. The term family includes the veteran’s immediate family, legal guardian, or any individual in whose home the veteran certifies an intention to live.

(b) Scope of services to a veteran’s family. The services which may be furnished to the family are generally limited to consultation, homecare training, counseling, and mental health services of brief duration which are designed to enable the family to cope with the veteran’s needs. Extended medical, psychiatric or other services may not be furnished to family members under these provisions.

(c) Providing services to a veteran’s family. VR&E Staff will:
(1) Identify services which family members may need to facilitate the rehabilitation of the veteran; and
(2) Arrange for provision of the services which have been identified.

(d) Resources for provision of services to family members. (1) The established program and services which are furnished by Veterans Health Administration (VHA) to family members of veterans eligible for Chapter 31 should be used to the extent practicable; but
(2) If services are not readily available through regular VHA programs, necessary services will normally be secured through arrangements with other public and nonprofit agencies.

(Authority: 38 U.S.C. 3104(a)(11))

§ 21.156 Other incidental goods and services.

(a) General. Other incidental goods and services may be authorized if the case manager determines them to be necessary to implement the veteran’s rehabilitation plan. For example, a calculator may be authorized for a veteran pursuing an engineering degree, even though the veteran may not be required to have a calculator for any specific subject in his or her course, where there is substantial evidence that lack of a calculator places the veteran at a distinct disadvantage in successfully pursuing the course.

(b) Limitation on cost. The costs of incidental goods and services normally should not exceed five percent of training costs for any twelve-month period.

(Authority: 38 U.S.C. 3104(a)(10))
§ 21.160  Independent living services.

(a) Purpose. The purpose of independent living services is to assist eligible veterans whose ability to function independently in family, community, or employment is so limited by the severity of disability (service and nonservice-connected) that vocational or rehabilitation services need to be appreciably more extensive than for less disabled veterans.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(b) Definitions. The term independence in daily living means the ability of a veteran, without the services of others or with a reduced level of the services of others, to live and function within the veteran’s family and community.

(Authority: 38 U.S.C. 3101(2))

(c) Situations under which independent living services may be furnished. Independent living services may be furnished:

(1) As part of a program to achieve rehabilitation to the point of employability;

(2) As part of an extended evaluation to determine the current reasonable feasibility of achieving a vocational goal;

(3) Incidental to a program of employment services; or

(4) As a program of rehabilitation services for eligible veterans for whom achievement of a vocational goal is not currently reasonably feasible. This program of rehabilitation services may be furnished to help the veteran:

(i) Function more independently in the family and community without the assistance of others or a reduced level of the assistance of others;

(ii) Become reasonably feasible for a vocational rehabilitation program; or

(iii) Become reasonably feasible for extended evaluation.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(d) Services which may be authorized. The services which may be authorized as part of an ILP (Individualized Independent Living Plan) include:

(1) Any appropriate service which may be authorized for a vocational rehabilitation program as that term is defined in § 21.35(1), except for a course of education or training as described in § 21.120; and

(2) Independent living services offered by approved independent living centers and programs which are determined to be necessary to carry out the veteran’s plan including:

(i) Evaluation of independent living potential;

(ii) Training in independent living skills;

(iii) Attendant care;

(iv) Health maintenance programs; and

(v) Identifying appropriate housing accommodations.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(e) Coordination with other VA elements and other Federal, State, and local programs. Implementation of programs of independent living services and assistance will generally require extensive coordination with other VA and non-VA programs. If appropriate arrangements cannot be made to provide these services through VA, other governmental, private nonprofit and for-profit agencies and facilities may be used to secure necessary services if the requirements contained in § 21.294 are met.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3115, 3120)

Independent Living Plan (IILP) have been completed; and
(4) The VR&E Officer concurs in the IILP.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(b) Considerations for the VR&E Officer. The VR&E Officer will consider the following factors in administering programs providing independent living services:

(1) If VA resources available limit the number of veterans who may be provided a program of independent living services and assistance, the first priority shall be given to veterans for whom the reasonable feasibility of achieving a vocational goal is precluded solely as a result of service-connected disability; and

(2) To the maximum extent feasible, a substantial portion of veterans provided with programs of independent living services and assistance shall be receiving long-term care in VA medical centers and nursing homes.

(Authority: 38 U.S.C. 3120(c))

CASE STATUS

§ 21.180 Case status system.

(a) General. Each veteran’s case will be assigned to a specific case status from the point of initial contact until all appropriate steps in the rehabilitation process have been completed. The case status system will:

(1) Assist VR&E staff to fulfill its case management responsibility to provide authorized assistance to enable the veteran to successfully pursue his or her program; and

(2) Assure program management and accountability.

(Authority: 38 U.S.C. 3107)

(b) Responsibility for change of case status. The case manager is responsible for assigning a case to the appropriate case status at each point in the rehabilitation process.

(c) Case manager. The VR&E (Vocational Rehabilitation and Employment) Officer or his or her designee will assign a case manager when the veteran’s case is placed in evaluation and planning status. The VR&E Officer or his or her designee may assign case management responsibility for development and implementation of a rehabilitation plan authorized under Chapter 31 to a counseling psychologist or vocational rehabilitation specialist in the VR&E Division. The case manager assigned will, unless replaced by the VR&E Officer, continue to be responsible for case management throughout the course of the veteran’s rehabilitation program. When securing medical care, treatment, and other related services, the VR&E case manager will coordinate with Veterans Health Administration (VHA) staff members who have case management responsibility for the veteran.

(Authority: 38 U.S.C. 3106(e))

(d) Informing the veteran. The veteran will be informed in writing of changes in case status by VA which affect his or her receipt of benefits and services under Chapter 31. The letter to the veteran will include the reason for the change of case status, and other information required under provisions of §21.420.

(Authority: 38 U.S.C. 3107)

(e) Normal progression for eligible veterans. The cases of veterans who are eligible for and entitled to services under Chapter 31 for whom individualized plans have been prepared will generally undergo the following changes of status:

(1) Individualized written rehabilitation plan. A veteran with an IWRP (Individualized Written Rehabilitation Plan) will generally move sequentially from applicant status through evaluation and planning status, rehabilitation to the point of employability status, employment services status, and rehabilitated status.

(2) Individualized extended evaluation plan. A veteran with an IEEP (Individualized Extended Evaluation Plan) will generally move from applicant status through evaluation and planning status to extended evaluation status. Once in extended evaluation status there will generally be a finding which leads to development of an IWRP (paragraph
(e)(1) of this section), or IILP (Individualized Independent Living Plan) (paragraph (e)(3) of this section).

(3) Individualized independent living plan. A veteran with an IILP (Individualized Independent Living Plan) will generally move from applicant status through evaluation and planning, extended evaluation, independent living, and rehabilitated status.

(4) Individualized employment assistance plan. (i) A veteran with an IEAP (Individualized Employment Assistance Plan) which is a part of an IWRP will move through the case statuses described in paragraph (e)(1) of this section, or in some cases through the steps in paragraph (e)(2) of this section.

(ii) A veteran for whom only employment services are provided will generally move from applicant through evaluation and planning, employment services to rehabilitated status.

(f) Normal progression for ineligible veterans. A veteran found ineligible for services under Chapter 31 will generally move from applicant to evaluation and planning status, to ineligible status.

(g) Changes of status. The case manager may change the case status when:

(1) Conditions for change specified in the status are met;

(2) The change is not specifically precluded by the status to which change is being considered; and

(3) The change is consistent with provisions of other applicable regulations.

§ 21.182 “Applicant” status.

(a) Purpose. The purposes of applicant status are to:

(1) Process a veteran’s claim for assistance under Chapter 31 in a timely manner; and

(2) Identify service-disabled veterans whom VA should contact individually to increase their awareness and understanding of how they may benefit from services furnished under Chapter 31.

(b) Assignment to applicant status. VA will assign a veteran’s status when either:

(1) VA receives a formal or informal application from a veteran for services under Chapter 31; or

(2) The VR&E (Vocational Rehabilitation and Employment) Division:

(i) Advises a veteran in writing of the veteran’s potential eligibility for Chapter 31 services, or

(ii) Is informed that the veteran has been advised in writing of his or her potential eligibility for Chapter 31 services by other VA elements.

(c) Termination of applicant status. Applicant status will be terminated when:

(1) An appointment for an initial evaluation has been kept by the veteran; or

(2) The veteran’s service-connected disability is reduced to a noncompensable degree; or

(3) The veteran’s service-connected disability is severed; or

(4) The veteran’s application is invalid because of fraud or error; or

(5) The veteran withdraws his or her claim, or otherwise indicates that no further assistance is desired.

(d) Transfer of terminated cases to discontinued status. Each instance in which a veteran’s case is terminated for reasons described in paragraph (c)(4) or (5) of this section shall be placed in discontinued status.

(a) Purpose. The purpose of evaluation and planning status is to identify veterans for whom evaluation and planning services are needed to:
(1) Accomplish an initial evaluation as provided in §21.50;
(2) Develop an IWRP (Individualized Written Rehabilitation Plan), IEEP (Individualized Extended Evaluation Plan), IILP (Individualized Independent Living Plan) or IEAP (Individualized Employment Assistance Plan); or
(3) Reevaluate:
   (i) Findings made in prior initial evaluations, or
   (ii) Current or previous individualized rehabilitation plans.

(b) Assignment to evaluation and planning status. A veteran's records will be assigned to evaluation and planning status for any of the purposes specified in paragraph (a) of this section.

(c) Termination of evaluation and planning status. The assignment of the veteran's records to evaluation and planning status may be terminated under the following conditions:
   (1) Evaluation and planning completed. The services necessary to complete evaluation and planning have been provided. These services are:
      (i) Completion of an initial evaluation;
      (ii) Development of an IWRP (Individualized Written Rehabilitation Plan) or other individual rehabilitation plan in those cases in which eligibility and entitlement to services provided under Chapter 31 are established; or
      (iii) Completion of reevaluation of prior findings made in initial evaluation or modification of a rehabilitation plan.
   (2) Evaluation and planning not completed. The VR&E Division shall make every reasonable effort to enable the veteran to complete the evaluation and planning phase of the rehabilitation process. A determination that every reasonable effort by VA has been made, and that little likelihood exists that continued efforts will lead to completion of planning and evaluation, may be made under the following conditions:
      (i) The veteran writes VA and requests that his or her case be inactivated;
      (ii) The veteran fails to keep scheduled appointments following his or her initial appointment; or
      (iii) The veteran otherwise fails to cooperate with VA in the evaluation and planning process. If the veteran fails to cooperate, the provisions of §21.362 are applicable.

(Authority: 38 U.S.C. 3106, 3107)

§ 21.186 “Ineligible” status.

(a) Purpose. The purpose of ineligible status is to identify the cases in which a veteran requests services under Chapter 31, but the request is denied by VA, usually, on the basis of information developed when the veteran was in evaluation and planning status.

(Authority: 38 U.S.C. 3106)

(b) Assignment to ineligible status. A veteran’s case will be assigned to ineligible status following a finding by VA that the veteran is not eligible for or entitled to services under Chapter 31. The finding must preclude all possible Chapter 31 services.

(Authority: 38 U.S.C. 3106, 3107)

(c) Termination of ineligible status. The assignment of the veteran’s case to ineligible status should be terminated if the veteran thereafter becomes eligible to receive any Chapter 31 service. Placement of the case in ineligible status is a bar to reconsideration of eligibility unless a material change in circumstances occurs.

(Authority: 38 U.S.C. 3106)

§ 21.188 “Extended evaluation” status.

(a) Purpose. The purposes of extended evaluation status are to:
   (1) Identify a veteran for whom a period of extended evaluation is needed; and
   (2) Assure that necessary services are provided by VA during the extended evaluation.

(Authority: 38 U.S.C. 3106)
§ 21.190

(b) Assignment to extended evaluation status. A veteran’s case may be assigned or reassigned to extended evaluation status under provisions of §21.57, §21.74, §21.86, §21.94, §21.96, or §21.98.

(Authority: 38 U.S.C. 3107)

(c) Continuation in extended evaluation status. A veteran’s case will be in extended evaluation status during periods in which:

1. The veteran is pending induction into the facility at which rehabilitation services will be provided;
2. The veteran is receiving rehabilitation services prescribed in the IEEP (§21.86); or
3. The veteran is on authorized leave of absence during an extended evaluation.

(Authority: 38 U.S.C. 3108)

(d) Termination of extended evaluation status. A veteran in extended evaluation status will remain in that status until one of the following events occur:

1. Following notification of necessary arrangements to begin an extended evaluation, the date the extended evaluation begins, and instructions as to the next steps to be taken, the veteran:
   (i) Fails to report and does not respond to followup contact by the case manager;
   (ii) Declines or refuses to enter the program; or
   (iii) Defers induction for a period exceeding 30 days beyond the scheduled date of induction, except where the deferment is due to illness or other sufficient reason;
2. VA determines the reasonable feasibility of a vocational goal for the veteran before completion of all of the planned evaluation because the decision does not require the further evaluation;
3. The veteran completes the extended evaluation;
4. Either the veteran or VA interrupts the extended evaluation;
5. Either the veteran or VA discontinues the extended evaluation; or
6. Service-connection for the veteran’s service-connected disability is severed by VA or his or her continued eligibility otherwise ceases.

(Home of: 38 U.S.C. 3106)

§ 21.190 “Rehabilitation to the point of employability” status.

(a) Purpose. The rehabilitation to the point of employability status serves to:

1. Identify veterans who receive training and rehabilitation services to enable them to attain a vocational goal; and
2. Assure that services specified in the veteran’s IWRP are provided in a timely manner by VA.

(Authority: 38 U.S.C. 3101)

(b) Assignment. A veteran’s case may be assigned or reassigned to rehabilitation to the point of employability status under the provisions of §21.84, §21.94, §21.96, or §21.98.

(Authority: 38 U.S.C. 3107)

(c) Continuation in rehabilitation to the point of employability status. A veteran will be assigned to rehabilitation to the point of employability status during periods in which:

1. The veteran has progressed through applicant status and evaluation and planning status (including extended evaluation status when appropriate), and is pending induction into the facility at which training and rehabilitation services will be provided;
2. The veteran is receiving training and rehabilitation services prescribed in the IWRP; or
3. The veteran is on authorized leave of absence.

(Authority: 38 U.S.C. 3104, 3108)

(d) Termination of rehabilitation to the point of employability status when goals of the IWRP for this period are achieved. VA will consider a veteran to have completed the period of rehabilitation to the point of employability, and will terminate this status under the following conditions:

1. The veteran achieves the goals of, and has been provided services specified in, the IWRP;
(2) The veteran who leaves the program has completed a sufficient portion of the services prescribed in the IWRP to establish clearly that he or she is generally employable as a trained worker in the occupational objective established in the IWRP;

(3) The veteran, who has not completed all prescribed services in the IWRP, accepts employment in the occupational objective established in the IWRP with wages and other benefits commensurate with wages and benefits received by trained workers; or

(4) The veteran:
   (i) Satisfactorily completes a prescribed program, the practice of which requires pursuing an examination for licensure, but
   (ii) Is unable to take the licensure examination prior to the basic twelve-year termination date and there is no basis for extension of that date.

(Authority: 38 U.S.C. 3107)

(e) Other conditions for termination of rehabilitation to the point of employability status. In addition to termination under conditions described in paragraph (d) of this section, the classification of the veteran’s records in this status may be terminated under any of the following conditions:

(1) A veteran who has been notified of necessary arrangements to begin the program, the date the program begins and instructions as to the next steps to be taken:
   (i) Fails to report and does not respond to initial or subsequent followup by the case manager;
   (ii) Declines or refuses to enter the program; or
   (iii) Defers induction for a period exceeding 30 days beyond the scheduled beginning date of the program, except where the deferment is due to illness or other sufficient reason.

(2) Either the veteran or VA interrupts the period of rehabilitation to the point of employability;

(3) Either VA or the veteran discontinues the period of rehabilitation to the point of employability;

(4) The veteran reaches his or her termination date, and there is no basis for extension under §21.14;

(5) The veteran’s entitlement to training and rehabilitation services under Chapter 31 is exhausted, and there is no basis for extension under §21.78; or

(6) Service-connection for the veteran’s service-connected disability is served by VA or he or she otherwise ceases to be eligible.

(Authority: 38 U.S.C. 3107)

(f) Payment of employment adjustment allowance. An employment adjustment allowance will be paid when the veteran’s classification in rehabilitation to the point of employability status is terminated under provisions of paragraph (d) of this section. An employment adjustment allowance will not be paid if termination is for one of the reasons specified in paragraph (e) of this section.

(2) He or she is:

(i) Employed for at least 60 days in employment that does not meet the criteria for rehabilitation contained in §21.283, if the veteran intends to maintain this employment and declines further assistance; and

(ii) Adjusted to the duties and responsibilities of the job.

(3) Either the veteran or VA interrupts the employment services program;

(4) Either the veteran or VA discontinues the employment services program;

(5) He or she reaches the end of the period for which employment services have been authorized and there is no basis for extension; or

(6) Service-connection for the veteran’s service-connected disability is severed or he or she otherwise ceases to be eligible.

(Authority: 38 U.S.C. 3117)

§ 21.196 “Rehabilitated” status.

(a) Purpose. The purpose of rehabilitated status is to identify those cases in which the goals of a rehabilitation program or a program of employment services have been substantially achieved.

(b) Assignment to “rehabilitated” status. A veteran’s case shall be assigned to “rehabilitated” status when his or her case meets the criteria for rehabilitation contained in §21.283.

(Authority: 38 U.S.C. 3102, 3107 and 3117)

(c) Termination of rehabilitated status. A veteran’s case will not be removed from rehabilitated status under §21.284.
once that status has been assigned, unless the determination of rehabilitation is set aside for a reason specified in §21.284.

(Authority: 38 U.S.C. 3100)

Cross Reference: See §21.284 Reentrance into a rehabilitation program.

§ 21.197 “Interrupted” status.

(a) Purpose. The purpose of interrupted status is to recognize that a variety of situations may arise in the course of a rehabilitation program in which a temporary suspension of the program is warranted. In each case, VA first must determine that the veteran will be able to return to a rehabilitation program or a program of employment services following the resolution of the situation causing the interruption. This determination will be documented in the veteran’s record.

(Authority: 38 U.S.C. 3117)

(b) Assignment to “interrupted” status. A veteran’s case will be assigned to interrupted status when:

(1) VA determines that a suspension of services being provided is necessary; and

(2) Either:

(i) A definite date for resumption of the program is established; or

(ii) The evidence indicates the veteran will be able to resume the program at some future date, which can be approximately established.

(Authority: 38 U.S.C. 3117)

(c) Reasons for assignment to “interrupted” status. A veteran’s case may be interrupted and assigned to interrupted status for reasons including but not limited to the following:

(1) Veteran does not initiate or continue rehabilitation process. If a veteran does not begin or continue the rehabilitation process, the veteran’s case will be interrupted and assigned to interrupted status, including:

(i) A case in evaluation and planning status;

(ii) A case in extended evaluation status;

(iii) A case in rehabilitation to the point of employability status;

(iv) A case in independent living program status; or

(v) A case in employment services status.

(2) Unsatisfactory conduct and cooperation. If a veteran’s conduct or cooperation becomes unsatisfactory, services and assistance may be interrupted as determined under provisions of §§21.362 and 21.364.

(3) Services not available. The veteran cannot continue the program because the necessary training and rehabilitation services are unavailable.

(4) Prior to assignment to “discontinued” status. A veteran’s case shall be assigned to interrupted status prior to discontinuance and assignment to discontinued status in all cases except as provided in §21.182(d) and upon the veteran’s death. The purpose of assignment to interrupted status is to assure that all appropriate actions have been taken to help the veteran continue in his or her program before discontinuing benefits and services.

(5) Absences. The veteran is not entitled to be placed on authorized absence under §§21.940 through 21.355 while in interrupted status.

(Authority: 38 U.S.C. 3111)

(d) Reentrance from “interrupted” status. (1) A veteran in interrupted status may be assigned to his or her prior status or other appropriate status, if he or she reports for entrance or reentrance into the prescribed program at the time and place scheduled for the resumption of the rehabilitation program.

(2) If a veteran in interrupted status fails to report for entrance or reentrance into the program at the appointed time and place, the veteran’s case will remain in interrupted status.

The case manager will then determine whether there is a satisfactory reason for the veteran’s failure to enter a new or reenter the prior program. If the evidence of record does not establish a satisfactory reason, the veteran’s case will be discontinued and assigned to discontinued status.

(e) Case management responsibility during a period of interruption. The case manager shall maintain contact with
§ 21.198 “Discontinued” status.

(a) Purpose. The purpose of discontinued status is to identify situations in which termination of all services and benefits received under Chapter 31 is necessary.

(b) Placement in “discontinued”. VA will discontinue the veteran’s case and assign the case to discontinued status following assignment to interrupted status as provided in § 21.197 for reasons including but not limited to the following:

(1) Veteran declines to initiate or continue rehabilitation process. If a veteran does not initiate or continue the rehabilitation process and does not furnish an acceptable reason for his or her failure to do so following assignment to interrupted status, the veteran’s case will be discontinued and assigned to discontinued status. This includes:
   (i) A case in applicant status;
   (ii) A case in evaluation and planning status;
   (iii) A case in extended evaluation status;
   (iv) A case in rehabilitation to the point of employability status;
   (v) A case in independent living program status;
   (vi) A case in employment services status; or
   (vii) A case in interrupted status;

(2) Unsatisfactory conduct and cooperation. When a veteran’s conduct or cooperation becomes unsatisfactory, services and assistance may be discontinued and assigned to discontinued status as determined under provisions of §§ 21.362 and 21.364.

(3) Eligibility and entitlement. Unless the veteran desires employment assistance, the veteran’s case will be discontinued and assigned to discontinued status when:

(i) The veteran reaches the basic twelve-year termination date, and there is no basis for extension; or
(ii) The veteran has used 48 months of entitlement under one or more VA programs, and there is no basis for extension of entitlement.

(4) Medical and related problems. A veteran’s case will be discontinued and assigned to discontinued status when:

(i) The veteran will be unable to participate in a rehabilitation program because of a serious physical or emotional problem for an extended period; and
(ii) VA medical staff are unable to estimate an approximate date by which the veteran will be able to begin or return to the program.

(5) Withdrawal. Veteran voluntarily withdraws from the program.

(6) Failure to progress. The veteran’s case will be discontinued and assigned to discontinued status if his or her failure to progress in a program is due to:

(i) Continuing lack of application by the veteran unrelated to any personal or other problems; or
(ii) Inability of the veteran to benefit from rehabilitation services despite the best efforts of VA and the veteran.

(c) Termination of “discontinued” status. Except as noted in paragraph (c)(3) of this section assignment of the veteran’s case to the same status from which the veteran was discontinued or to a different one requires that VA first find:

(1) The reason for the discontinuance has been removed; and
(2) VA has redetermined his or her eligibility and entitlement under Chapter 31.
Department of Veterans Affairs

§ 21.212

(c) In addition to the criteria described in paragraphs (c) (1) and (2) of this section a veteran placed into discontinued status as a result of a finding of unsatisfactory conduct or cooperation under §§21.362 and 21.364 must also meet the requirements for reentrance into a rehabilitation program found in §21.364.

(Authority: 38 U.S.C. 3108(a))

§ 21.212 General policy in furnishing supplies during periods of rehabilitation.

(a) Furnishing necessary supplies during a period of rehabilitation services. A veteran will be furnished supplies that are necessary for a program of rehabilitation services. For example, a veteran training in a school will be furnished the supplies needed to pursue the school course. If additional supplies are subsequently needed to secure employment, they will be furnished during the period of employment services as provided in §21.214(d).

(b) Determining supplies needed during a period of rehabilitation. Subject to the provisions of §§21.210 through 21.222, VA will authorize only those supplies which are required:

(1) To be used by similarly circumstanced non-disabled persons in the same training or employment situation;

(2) To mitigate or compensate for the effects of the veteran’s disability while he or she is being evaluated, trained or assisted in gaining employment; or

(3) To allow the veteran to function more independently and thereby lessen his or her dependence on others for assistance.

(c) When supplies may be authorized. Supplies should generally be authorized subsequent to the date of enrollment in training or beginning date of other rehabilitation services unless there are compelling reasons to authorize them earlier. Supplies may not be authorized earlier than the date the veteran’s rehabilitation plan is approved by VA and the veteran is accepted by the facility or individual providing services.

(d) Supplies needed, but not specifically required. VA may determine that an item, such as a calculator, while not required by the school for the pursuit of a particular school subject, is nevertheless necessary for the veteran to successfully pursue his or her program.

(Authority: 38 U.S.C. 3108(a))
§ 21.214 Furnishing supplies for special programs.

(a) General. A veteran pursuing one of the following types of vocational rehabilitation programs is eligible for any types of supplies listed in §21.212. The following paragraphs clarify the applicability of the general provisions of §21.212 to these special situations.

(b) Supplies furnished to veterans pursuing training in the home. VA may furnish to veterans training in the home:

(1) Books, tools, and supplies which schools or training establishments that train individuals outside the home for the objective the veteran is pursuing at home ordinarily require all students and trainees to personally possess;

(2) Supplies and equipment which are essential to the prescribed course of training because the veteran is pursuing the course at home ordinarily require all students and trainees to personally possess;

(3) Special equipment, such as a vise or drafting table;

(4) Supplies needed to enable the veteran to function more independently in his or her home and community.

(c) Supplies furnished to a veteran in farm cooperative training. The books and related training supplies which VA may furnish a veteran in farm cooperative training depend upon the type of instruction he or she is receiving:

(1) When organized, group instruction is part of a veteran’s course, VA will furnish those books and supplies which the school requires all students in the school portion of the course to own personally or on a rental basis;

(2) When all instruction is given on the veteran’s farm by an individual instructor, VA will furnish to a student only those textbooks and other supplies which would ordinarily be required by a school.

(d) Obtaining and maintaining employment. A veteran being furnished employment services may receive supplies which:

(1) The employer requires similarly circumstanced nonveterans to own upon beginning employment to the extent that the items were not furnished during the period in which the veteran was training for the objective, or the items that were furnished for training purposes are not adequate for employment;

(2) VA determines that special equipment is necessary for the veteran to perform his or her duties, subject to the obligation of the employer to make reasonable accommodation to the disabling effects of the veteran’s condition.

(e) Self-employment. The supplies and related assistance which may be furnished, subject to the requirements prescribed under §§21.257 and 21.258, to a veteran for whom self-employment has been approved as the occupational objective, are generally limited to those necessary to begin operations:

(1) Minimum stocks of materials, e.g., inventory of saleable merchandise or goods, expendable items required for day-to-day operations, and items which are consumed on the premises;

(2) Essential equipment, including machinery, occupational fixtures, accessories, and appliances; and
(3) Other related assistance such as business license fees.

(Authority: 38 U.S.C. 3104(a)(12))

(f) Supplies and related assistance which may not be furnished for self-employment. VA may not authorize assistance for:

(1) Purchase of, or part payment for, land and buildings;

(2) Making full or part payment of leases or rentals;

(3) Purchase or rentals of trucks, cars, or other means of transportation;

(4) Stocking a farm for animal husbandry operations.

(Authority: 38 U.S.C. 3104(a))

§ 21.216 Special equipment.

(a) General. Special equipment should be authorized as necessary to enable a veteran to mitigate or overcome the effects of disability in pursuing a rehabilitation program. The major types of special equipment which may be authorized include:

(1) Equipment for educational or vocational purposes. This category includes items which are ordinarily used by nondisabled persons pursuing evaluation or training, modified to allow for use by disabled persons, e.g., calculators with speech capability for blind persons.

(2) Sensory aids and prostheses. This category includes items which are specifically designed to mitigate or overcome the effects of disability. They range from eyeglasses and hearing aids to closed-circuit TV systems which amplify reading material for veterans with severe visual impairments.

(3) Modifications to improve access. This category includes adaptations of environment not generally associated with education and training, such as adaptive equipment for automobiles or supplies necessary to modify a veteran’s home to make either training or self-employment possible.

(Authority: 38 U.S.C. 3104(a))

(b) Coordination with other VA elements in securing special equipment. In any case in which the veteran needs special equipment and is eligible for such equipment under other VA programs, such as medical care and treatment at VA medical centers, the items will be secured under that program. The veteran must be found ineligible for needed special equipment under other programs and benefits administered by VA before the item may be authorized under Chapter 31.

(Authority: 38 U.S.C. 3115)

§ 21.218 Methods of furnishing supplies.

(a) Supplies furnished by the school or facility. VA will make arrangements for the school or other facility furnishing a veteran training, rehabilitation assistance, or employment under Chapter 31 to provide supplies to the extent practicable. This method is the one most likely to assure that supplies are available and can be secured expeditiously. A facility may be considered to be furnishing supplies when the facility itself is the supplier, or the facility has designated a supplier. Prior authorization of supplies by the case manager is required, except for standard sets of books, tools, or supplies which the facility requires all trainees or employees to have.

(b) Issuance of supplies not furnished by the facility. VA will issue authorized supplies directly to the veteran, if the supplies are not furnished by the facility providing training, rehabilitation services, or employment.

(Authority: 38 U.S.C. 3104(a))

§ 21.219 Supplies consisting of clothing, magazines and periodicals, and items which may be personally used by the veteran.

(a) Furnishing protective articles and clothing. Protective articles or apparel worn in place of ordinary clothing will be furnished at VA expense, when the school or training establishment requires similarly circumstanced non-veterans to use the articles of apparel. No other clothing will be supplied.

(b) Furnishing magazines and periodicals. Appropriate past issues of magazines, periodicals, or reprints may be furnished in the same manner as text
material, when relevant to the course or training.

(c) Furnishing items which may be personally used. Musical instruments, cameras, or other items which could be used personally by the veteran may only be furnished if required by the facility to meet requirements for degree or course completion.

(Authority: 38 U.S.C. 3104(a)(7))

§ 21.220 Replacement of supplies.

(a) Lost, stolen, misplaced or damaged supplies. VA will replace articles which are necessary to further pursuit of the veteran’s program and which are lost, stolen, misplaced, or damaged beyond repair through no fault of the veteran;

(1) VA will make an advancement from the Vocational Rehabilitation Revolving Fund to a veteran to replace articles for which VA will not pay, if the veteran is without funds to pay for them;

(2) If a veteran refuses to replace an article indispensable to the program after VA determines that its loss or damage was his or her fault, the veteran’s refusal may be considered as noncooperation under §21.364;

(3) If the veteran’s program is discontinued under provisions of §21.364(b), he or she will be reentered into the program only when he or she replaces the necessary articles.

(Authority: 38 U.S.C. 3104(a))

(b) Personally purchased supplies. VA will not generally reimburse a veteran who personally buys supplies. VA may pay for the required supplies which a training facility or other vendor sells to a veteran, if the facility chooses to return to the veteran the amounts he or she paid, so that the charges stand as an unpaid obligation of VA to the facility. If the facility does not agree to such an arrangement, VA may still pay the veteran, if the facts and equities of the case are demonstrated.

(Authority: 38 U.S.C. 3115)

(c) Supplies used in more than one part of the program. Except as provided in paragraph (a) of this section, VA will generally furnish any nonconsumable supplies only one time, even though the same supplies may be required for use by the veteran in another subject or in another quarter, semester, or school year.

(Authority: 38 U.S.C. 3104(a)(7))

§ 21.222 Release of, and repayment for, training and rehabilitation supplies.

The value of supplies authorized by VA will be repaid under the provisions of this section, when the veteran fails to complete the program as planned.

(a) Consumable supplies. VA will require reimbursement from a veteran for consumable supplies authorized, unless:

(1) The veteran fails to complete the rehabilitation program through no fault of his or her own;

(2) The employment objective of the rehabilitation plan is changed as a result of reevaluation by VA staff;

(3) The total value of the supplies for which repayment is required is less than $100; or

(4) The veteran dies.

(Authority: 38 U.S.C. 3104)

(b) Nonconsumable supplies (general).

(1) In addition to the exceptions noted in paragraph (c) of this section, VA will not require reimbursement from a veteran for nonconsumable supplies authorized, if:

(i) The veteran and VA change the long-range goal of the rehabilitation plan and those supplies are not required for the veteran’s pursuit of training for the new goal;

(ii) The veteran’s failure to complete the program was not his or her fault;

(iii) The veteran was pursuing the program at a facility which recovers nonconsumable supplies from veterans through contractual arrangements with VA, and the veteran returned to the facility all the nonconsumable supplies furnished at VA expense;

(iv) The veteran reenters the Armed Forces or is in the process of reentering the Armed Forces;

(v) The veteran satisfactorily completed one-half or more of a noncollege degree course (or at least two terms in the case of a college course) for which VA furnished the supplies;
(vi) The veteran certifies that he or she is using in current employment the supplies furnished during training;
(vii) The total value of the supplies for which repayment is required is less than $100;
(viii) The veteran dies;
(ix) The veteran is furnished supplies during a period of employment services but loses the job through no fault of his or her own;
(x) A veteran discontinued from an independent living services program is using supplies and equipment to reduce his or her dependence on others; or
(xi) The veteran is declared rehabilitated.

(2) The amount which a veteran must repay will be the lesser of the current value of the supplies, or the original cost of the supplies. VA will accept supplies in lieu of repayment of the value of the supplies if VA has authorized a change of objective.

(Authority: 38 U.S.C. 3104(a))

§ 21.240 Medical treatment, care and services.

(a) General. A Chapter 31 participant shall be furnished medical treatment, care and services which VA determines are necessary to develop, carry out and complete the veteran’s rehabilitation plan. The provision of such services is a part of the veteran’s entitlement to benefits and services under Chapter 31, and is limited to the period or periods in which the veteran is a Chapter 31 participant.

(Authority: 38 U.S.C. 3104, 3107)

(b) Scope of services. The services which may be furnished under Chapter 31 include the treatment, care and services described in part 17 of this title. In addition the following services may be authorized under Chapter 31 even if not included or described in part 17:

(1) Prosthetic appliances, eyeglasses, and other corrective or assistive devices;
(2) Services to a veteran’s family as necessary for the effective rehabilitation of the veteran;
(3) Special services (including services related to blindness and deafness) including:
   (i) Language training; speech and voice correction, training in ambulation, and one-hand typewriting;
   (ii) Orientation, adjustment, mobility and related services;
   (iii) Telecommunications, sensory and other technical aids and devices.

(c) Eligibility. A veteran is eligible for the services described in paragraph (b) of this section during periods in which he or she is considered a Chapter 31 participant. These periods include:

(1) Initial evaluation;
(2) Extended evaluation;
(3) Rehabilitation to the point of employability;
§21.242 Resources for provision of treatment, care and services.

(a) General. VA medical centers are the primary resources for the provision of medical treatment, care and services for Chapter 31 participants which may be authorized under the provisions of §21.240. The availability of necessary services in VA facilities shall be ascertained in each case.

(b) Hospital care and medical service. Hospital care and medical services provided under Chapter 31 shall only be furnished in facilities over which VA has direct jurisdiction, except as authorized on a contract or fee basis under the provisions of part 17 of this title.

§21.250 Overview of employment services.

(a) General. Employment services shall be provided if:

(1) Eligibility for employment services exists;

(2) The employment services which are needed have been identified; and

(3) The services which have been identified are incorporated in the veteran’s IWRP (Individualized Written Rehabilitation Plan) or IEAP (Individualized Employment Assistance Plan).

(b) Definitions. (1) The term program (period) of employment services includes the counseling, medical, social, and other placement and postplacement services provided to a veteran under 38 U.S.C. Chapter 31 to assist the veteran in obtaining or maintaining suitable employment. The term program of employment services is used only if the veteran’s eligibility under Chapter 31 is limited to employment services.

(2) The term job development means a comprehensive professional service to assist the individual veteran to actually obtain a suitable job, and not simply the solicitation of jobs on behalf of the veteran. Continuing and mutually beneficial relationships with employers should be established by VA staff through referral of suitable employees and supportive services (e.g., adjustment counseling and job modification). Job development activities by VA staff are intended to provide disabled workers with a chance for suitable employment with cooperating employers.

(3) The term employable means the veteran is able to secure and maintain employment in the competitive labor market or in a sheltered workshop or other special situation at the minimum wage.

(c) Determining eligibility for, and the extent of, employment services. (1) A veteran’s eligibility for employment services shall be determined under the provisions of §21.47;

(2) The duration of the period of employment services is determined under provisions of §21.73;

(3) An IEAP (Individualized Employment Assistance Plan) shall be prepared under provisions of §21.88;

(4) A veteran shall be placed in and removed from “Employment Assistance Status” under provisions of §21.194.

(Authority: 38 U.S.C. 3101, 3106, 3116, 3117)

§ 21.252 Job development and placement services.

(a) General. Job development and placement services may include:

(1) Direct placement assistance by VA;

(2) Utilization of the job development and placement services of:
   (i) DVOP (Disabled Veterans Outreach Program) specialists;
   (ii) Programs authorized under the Rehabilitation Act of 1973, as amended;
   (iii) The State Employment Services and the Veterans’ Employment and Training Service of the United States Department of Labor;
   (iv) The Office of Personnel Management; and
   (v) The services of any other public, or nonprofit organization having placement services available; and
   (vi) Any for-profit agency in a case in which it has been determined that comparable services are not available through public and nonprofit agencies and comparable services cannot be provided cost-effectively by the public and nonprofit agencies listed in this paragraph.

(b) Promotion of employment and training opportunities. As funding permits, VA employees engaged in the administration of Chapter 31 will promote the establishment of employment, training, and related opportunities to accomplish the purposes described in § 21.1.

(c) Advocacy responsibility. VA shall take reasonable steps to ensure that a veteran being provided employment services receives the benefit of any applicable provision of law or regulation providing for special consideration or emphasis or preference of the veteran in employment or training, especially programs and activities identified in the preceding paragraphs of this section.

(d) Interagency coordination. VA employees providing assistance to Chapter 31 participants shall coordinate their job development, placement, promotional, and advocacy activities with similar or related activities of:

(1) The Department of Labor and State employment security agencies as provided by written agreement or other arrangement;

(2) The State approving agencies;

(3) Other public, for-profit and nonprofit agencies providing employment and related services.

§ 21.254 Supportive services.

(a) General. Supportive services which may be provided during a period or program of employment services include a broad range of medical treatment, care and services, supplies, license and other fees, special services, including services to the blind and deaf, transportation assistance, services to the veteran’s family, and other appropriate services, subject to the limitations provided in VA regulations governing the provisions of these services under Chapter 31.

(b) Exclusions. The following benefits may not be provided to the veteran by VA during a period or program of employment services:

(1) Subsistence allowance, or payment of an allowance at the educational assistance rate paid under Chapter 30 for similar training;

(2) Education and training services, other than brief courses, such as review courses necessary for licensure;

(3) Revolving Fund Loan; and

(4) Work-study allowance.

(Authority: 38 U.S.C. 3104(a), 3108(f))

(c) Individuals with service-connected disability(ies) trained for self-employment under a State rehabilitation agency. An individual with service-connected disability(ies) who has trained for self-employment under a State rehabilitation agency may be provided supplemental equipment and initial stocks and supplies similar to the materials supplied under 38 U.S.C. chapter 31 to individuals with the most severe service-connected disability(ies) who require self-employment as defined in § 21.257(b) if
VA determines that the following conditions are met:

1. The individual is eligible for employment assistance under the provisions of §21.47;
2. Evidence of record indicates that the individual has successfully completed training for a self-employment program under a State rehabilitation agency;
3. No other non-VA sources of assistance are known to be available for the individual to complete his or her self-employment program; and
4. The individual meets the requirements of the definition in §21.257(b).

(Authority: 38 U.S.C. 3104, 3117(b)(2))

§ 21.256 Incentives for employers.

(a) General. VA may make payments to employers to enable a veteran who has been rehabilitated to employability to begin and maintain employment or to provide on-job training. The purpose of such payment is to facilitate the placement of veterans who are generally qualified for employment but may lack some specific training or work experience which the employer requires or who are difficult to place due to their disability. The specific conditions which must be met before this option may be considered are contained in paragraphs (b) through (d) of this section.

(b) Requirements for payments to employers. Payments may be made to employers to provide on-job training or to begin and maintain employment if all of the following conditions are met:

1. The veteran is in need of an on-job training situation or is generally qualified for employment but such on-job situation or employment opportunity is not otherwise available despite repeated and intensive efforts on the part of VA and the veteran to secure such opportunities. These conditions are also considered to be met when:

   i. There are few employers within commuting distance of the veteran’s home who can provide a training or employment opportunity consistent with the veteran’s plan; and
   ii. The veteran reasonably could not be required to seek on-job or employment opportunities in other areas due to the effects of his or her disability, family situation, or other pertinent factors; and
   iii. The available local employers will only provide a training or employment opportunity if VA agrees to reimburse for direct expenses to the degree permitted under this section.

2. The training establishment or employer is in compliance with provisions of §21.292(a) and (b), pertaining to the approval of courses and facilities.

3. VA entered into an agreement with the employer in writing prior to the beginning of the period of on-job training or employment, whereby the employer will be reimbursed for direct expenses approved under provisions of paragraph (c) of this section.

4. The on-job training program or employment of the veteran does not displace a current employee or prevent the recall of a laid-off employee.

(c) Limitation on payment. Payments to the employer may be made only for the employer’s direct expenses as a result of hiring the veteran and generally may not exceed one-half of the wage paid to other employees in the same or similar job. Direct expenses include:

1. Instruction;
2. Instructional aids;
3. Training materials and supplies provided to the veteran;
4. Minor modification of equipment to the special limitations of the veteran;
5. Significant loss of productivity of the employer caused by using the veteran as opposed to a nondisabled employee.

(d) Duration. The period for which the employer is paid may not exceed the period necessary to accomplish on-job training or to begin and maintain employment at the journeyman level for at least 2 months. The period for which payment may be authorized may not exceed 9 months, unless the VR&E Officer, approves a longer period.

(e) Benefits and services. (1) An eligible veteran on whose behalf payments are made to the employer shall be provided all other Chapter 31 benefits and
services furnished to other veterans receiving employment services. A veteran may not be paid a subsistence allowance during the period in which job training or work experience is furnished under this section.

(2) Notwithstanding any other provisions of these regulations, if the program in which the veteran is participating meets the criteria for approval of on-job training under chapter 30, the veteran may be paid at educational assistance rates provided for this type of training under chapter 30 to the extent that he or she has remaining eligibility and entitlement under chapter 30 and has elected to receive a subsistence allowance in accordance with §21.7136.

(Authority: 38 U.S.C. 3108(f), 3116(b))

(f) Non-duplication. VA will not make payments under the provisions of this section to an employer receiving payments from any other program for the same training or employment expenses.

(Authority: 38 U.S.C. 3116(b))

(a) Approval of self-employment as a vocational goal. A program of vocational rehabilitation benefits and services may include self-employment for an individual if VA determines that such an objective is a suitable vocational goal. VA will make this determination based on—

(1) The results of the individual's initial evaluation conducted in accordance with the provisions of §21.50; and

(2) The provisions of this section.

(Authority: 38 U.S.C. 3104(a))

(b) Definition. For purposes of this subpart, individuals with the most severe service-connected disability(ies) who require self-employment means individuals who have been determined by VA to have limitations affecting employability arising from the effects of each individual's service-connected disability(ies), which are so severe as to necessitate selection of self-employment as the only reasonably feasible vocational goal for the individuals.

(Authority: 38 U.S.C. 3104)

(c) Scope of self-employment benefits and services. (1) VA may provide the self-employment services listed in paragraph (d) of this section to program participants who are pursuing the vocational goal of self-employment.

(2) VA may provide the more extensive services listed in paragraph (e) of this section to individuals with the most severe service-connected disability(ies) who require self-employment.

(Authority: 38 U.S.C. 3108 (a)(1) and (a)(3))

(a) Election of chapter 30 educational assistance rate—(1) Eligibility. A veteran who applies for, and is found entitled to training or education under Chapter 31, may elect to receive payment at the educational allowance rate and other assistance furnished under Chapter 30, for similar training in lieu of a subsistence allowance, provided the following criteria are met:

(i) The veteran has remaining eligibility for, and entitlement to educational assistance under Chapter 30;

(ii) The veteran enrolls in a program of education or training approved for benefits under Chapter 30;

(iii) The program of education is part of an IWRP (Individualized Written Rehabilitation Plan) approved by VA.

(2) Reelection of subsistence allowance. Reelection of payment of benefits at the Chapter 31 subsistence allowance rate may be made only after completion of a term, quarter, semester, or other period of instruction unless:

(i) Chapter 33 eligibility or entitlement ends earlier;

(ii) Failure to approve immediate reelection would prevent the veteran from continuing in the rehabilitation program.

(b) Election of payment of Post-9/11 subsistence allowance—(1) Eligibility. Effective August 1, 2011, a veteran who applies and is eligible for training or education under chapter 31 may elect to receive payment of the Post-9/11 subsistence allowance under § 21.260(c) in lieu of a subsistence allowance under § 21.260(b), provided the veteran has remaining eligibility for, and entitlement to, educational assistance under chapter 33, Post-9/11 GI Bill.

(2) Reelection of subsistence allowance under § 21.260(b). Reelection of payment of benefits at the chapter 31 subsistence allowance rate under § 21.260(b) may be made only after completion of a term, quarter, semester, or other period of instruction unless:

(4) Chapter 30 provisions applicable. A veteran who has elected payment at the Chapter 30 educational assistance rate must meet the same terms and conditions as other veterans pursuing similar training under these programs.

(Authority: 38 U.S.C. 3015, 3022, 3108(f))

A veteran pursuing a VA rehabilitation program under Chapter 31 while hospitalized in a VA medical center or in any other hospital at VA expense may receive the subsistence allowance otherwise payable. The subsistence allowance will be paid at the rates specified in § 21.260, except:

(1) The amount of subsistence allowance or the allowance provided under § 21.264 that may be paid to a veteran pursuing a rehabilitation program for...

(i) The sum of: (A) the amount of monthly subsistence of the allowance payable under §21.264, and (B) the amount of monthly disability compensation that would be paid to the veteran if he or she was not receiving compensation at the temporary 100 percent rate as the result of such hospital treatment or observation, or

(ii) The amount of monthly disability compensation payable under §3.401(h) of this title.

(2) A veteran pursuing a rehabilitation program while in post hospital convalescence (§3.401(h)) will be paid the regular rate of subsistence allowance.

(Authority: 38 U.S.C. 3108(h))

(b) Specialized rehabilitation facility—

(1) A veteran in a specialized rehabilitation facility will be paid the regular rate of subsistence allowance at the institutional rate. VA may pay the cost of room and board in lieu of subsistence allowance when:

(i) The specialized rehabilitation facility requires that similarly circumstanced persons pay the same charges for room and board, and

(ii) The case manager finds and the veteran agrees that it is to the veteran’s advantage for VA to pay the cost of room and board.

(2) Even though VA pays the cost of room and board, the veteran will be paid that portion of subsistence allowance otherwise payable for dependents.

(Authority: 38 U.S.C. 3108(e))

(c) Non-pay work experience or training in a Federal agency. A veteran in an on-job program or being provided work experience in a Federal agency at no or nominal pay shall receive subsistence allowance at the institutional rate.

(Authority: 38 U.S.C. 3108(a))

(b) Reelection of subsistence allowance. A veteran who has elected payment at the Chapter 30 educational assistance allowance rate may be paid an employment adjustment allowance only if he or she reelects subsistence allowance to become effective no later than the day following completion of the period of rehabilitation to the point of employability.

(Authority: 38 U.S.C. 3108(f))

1. Need of the veteran to augment the subsistence allowance or payment made by the Chapter 30 rate;

2. Motivation of the veteran; and

In the event the veteran reduces his or her training to less than three-quarter time before completing an agreement, the veteran, with the approval of the Director of the VA field station, or designee, may be permitted to complete the portions of an agreement in the same or immediately following term, quarter or semester in which the veteran ceases to be at least a three-quarter time student.

(Authority: 38 U.S.C. 3104(a)(4), 3485)

(g) Veteran terminates training. If the veteran terminates all training before completing an agreement, VA:

(2) Will not permit him or her to complete that portion of an agreement for which no advance has been made.

(h) Indebtedness for unperformed service. (1) If the veteran has received an advance for hours of unperformed service that remain after application of paragraphs (f) and (g) of this section, that advance:

(i) Will be a debt due the United States; and

(ii) Will be subject to recovery in the same manner as any other debt due the United States;

(2) For each hour of unperformed service, the amount of indebtedness shall equal the hourly wage upon which the contract was made.

(b) Retroactive induction. Subject to paragraphs (c) and (d) of this section, an individual may be inducted into a rehabilitation program on a retroactive basis. If the individual is retroactively inducted, VA may authorize payment pursuant to §21.262 or §21.264 for tuition, fees, and other verifiable expenses that an individual paid or incurred consistent with the approved rehabilitation program. In addition, VA may authorize payment of subsistence allowance pursuant to §§21.260, 21.266, and 21.270 for the period of retroactive induction, except for any period during which the individual was on active duty.

(i) The additional education or training is not approvable as part of the veteran’s rehabilitation program under this chapter; and

(ii) Achievement of employment consistent with the veteran’s aptitudes, interests, and abilities will be enhanced by the completion of the additional education or training.

(d) Rehabilitation to the point of employability has not been completed. A veteran under a rehabilitation plan who obtains employment without being declared rehabilitated to the point of employability as contemplated by the plan, including a veteran in a rehabilitation program consisting solely of employment services, is considered to be rehabilitated if the following conditions exist:

(i) The veteran obtains and retains employment substantially using the services and assistance provided under the plan for rehabilitation.

(ii) The employment obtained is consistent with the veteran’s abilities, aptitudes and interests.

(iii) Maximum services feasible to assist the veteran to retain the employment obtained have been provided.

(iv) The veteran has maintained the employment for at least 60 continuous days.

(e) Independent living. A veteran who has pursued a program of independent living services will be considered rehabilitated when all goals of the program have been achieved, or if not achieved, when:

(i) The veteran, nevertheless, has attained a substantial increase in the...

(2) The veteran has maintained the increased level of independence for at least 60 days; and
(3) Further assistance is unlikely to significantly increase the veteran’s level of independence.

(1) The veteran has a compensable service-connected disability and either:

(2) Current facts, including any relevant medical findings, establish that the veteran’s service-connected disability has worsened to the extent that the effects of the service-connected disability considered in relation to other facts precludes him or her from performing the duties of the occupation for which the veteran previously was found rehabilitated; or

(3) The occupation for which the veteran previously was found rehabilitated under Chapter 31 is found to be unsuitable on the basis of the veteran’s specific employment handicap and capabilities.

(Authority: 38 U.S.C. 3101(a))

(b) Reentrance into a program of independent living services following a determination of rehabilitation. A finding of rehabilitation following a program of independent living services may only be set aside, and an additional period of independent living services provided, if the following conditions are met:

(ii) Other changes in the veteran’s circumstances have caused a substantial loss of independence; and

(2) The provisions of §21.162 pertaining to participation in a program of independent living services are met.

(Authority: 38 U.S.C. 3109)

(c) Reentrance into rehabilitation to the point of employability during a period of employment services. A finding of rehabilitation to the point of employability by VA may be set aside during a period of employment services and an additional period of training and related services provided, if any of the following conditions are met:

(1) The conditions for setting aside a finding of rehabilitation under paragraph (a) of this section are found;

(2) The rehabilitation services originally given to the veteran are now inadequate to make the veteran employable in the occupation for which he or she pursued rehabilitation;

(3) Experience during the period of employment services has demonstrated that employment in the objective or field for which the veteran was rehabilitated to the point of employability should not reasonably have been expected at the time the program was originally developed; or

(4) The veteran, because of technological change which occurred subsequent to the declaration of rehabilitation to the point of employability, is no longer able:

(i) To perform the duties of the occupation for which he or she trained, or in a related occupation; or

   ii. To provide timely and accurate information covering the veteran’s attendance, performance, and progress in
(b) Selecting a facility for provision of independent living services. (1) Facilities offering independent living services will be utilized to:
   (i) Evaluate independent living potential;
   (ii) Provide a program of independent living services to veterans for whom an IILP (Individualized Independent Living Plan) has been developed; or
   (iii) Provide independent living services to veterans as part of an IWRP (Individualized Written Rehabilitation Plan) or an IEEP (Individualized Extended Evaluation Plan).

(2) VA may use public and nonprofit agencies and facilities to furnish independent living services. Public and nonprofit facilities may be:
   (i) Veterans Health Administration (VHA) facilities that provide independent living services;
   (ii) Facilities which meet standards established by the State rehabilitation agency for rehabilitation facilities or for providers of independent living services;
   (iii) Facilities which are neither approved nor disapproved by the State rehabilitation agency, but are determined by VA as able to provide the services necessary in an individual veteran’s case.

(3) VA also may use for-profit agencies and organizations to furnish programs of independent living services only if services comparable in effectiveness to those provided by for-profit agencies and organizations:
   (i) Are not available through public or nonprofit agencies or VHA; or
   (ii) Cannot be obtained cost-effectively from public or nonprofit agencies or VHA.

(4) In addition to the criteria described in paragraph (b)(3)(i) of this section for public and private nonprofit agencies; for-profit agencies and organizations must meet any additional standards established by local, state (including the State rehabilitation agency), and Federal agencies which are applicable to for-profit facilities and agencies offering independent living services.

(c) Use of facilities. VA policy shall be to use VA facilities, if available, to provide rehabilitation services for veterans in a rehabilitation program under chapter 31. Non-VA facilities may be used to provide rehabilitation services only when necessary services are not readily available at a VHA facility. This policy shall be implemented in accordance with the provisions of paragraph (b) of this section in the case of the use of for-profit facilities to provide programs of independent living services, or in the case of employment services, provision of such services by non-VA sources is permitted under §21.252.

(Authority: 38 U.S.C. 3115)

(2) Expertise demonstrated through employment in the field in which the veteran is to be trained; or

(3) Requirements established by professional associations to provide the services needed by the veteran.

(e) Relatives. Relatives of the veteran may not be selected to provide services, even if otherwise qualified, unless such use is specifically permitted by VA regulation governing provision of the service. Selection of a training or rehabilitation facility owned by the veteran or a relative, or in which the veteran or a relative of the veteran has an interest is precluded, except for selection of a farm as provided in §21.298. The term relative has the same meaning as in §21.374.

(f) Contracts or agreements required. The Department of Veterans Affairs will negotiate formal contracts for reimbursement to providers of services as required by §21.262. However, a letter contract will be effected immediately to permit the induction of the veteran into a program if:

(1) The veteran is immediately entered into a school with which a contract is required;
(2) The veteran’s rehabilitation plan will be jeopardized by withholding services until a contract can be completed; and
(3) There are no known reasons to indicate that a contract may not be completed in a reasonable time.

(Authority: 38 U.S.C. 3115)

(g) Training outside the United States. VA may only use those facilities and courses outside the United States to provide training under Chapter 31 which meet requirements for approval under §§21.4250(c) and 21.4260. The conditions under which training outside the United States may be approved are contained in §21.130.

(Authority: 38 U.S.C. 3114)

(h) Flight training. Flight training may only be provided in educational institutions which offer a standard college degree. The specific conditions under which flight training may be approved are contained in §21.134.

(3) Provide daytime training for the veteran except when the veteran cannot obtain necessary on-job or related training during the working hours of the day;
(4) Modify the program when necessary to compensate for the limitations resulting from the veteran’s disability or needs;

(6) Encourage rapid progress of each veteran rather than limit the progress of the individual to the progress of the group;
(7) Not, during the period of training, use the veteran on production activities beyond the point of efficient training;
(8) Agree to pay the veteran during training (except as provided in paragraph (b) of this section) a salary or wage rate;

§ 21.298 Selecting a farm.

(a) Control of the farm—farm operator. A farm selected for farm cooperative training must be under the control of
the veteran by ownership, lease or other written tenure arrangement. If the veteran does not own the farm, the lease or other written agreement shall:

1. Afford the veteran control of the farm at least until the end of his or her course;
2. Allow the veteran's control to be such that he or she is able:
   i. To carry out the provisions of the training program; and
   ii. To operate the farm in accordance with the farm and home plan developed by the case manager and the veteran in collaboration with the instructor, and when appropriate, the landowner or lessor;

6. Provide for resources which give reasonable promise that any additional items required for the pursuit of the course, including livestock, will be available as they become necessary;
7. Provide for capital improvements to be made which are necessary for carrying out the farm and home plan, with the veteran furnishing no greater portion of the costs than the benefits accruing to the veteran warrant; and
8. Provide for the landowner or lessor to share the costs of improved practices put into effect in proportion to the returns he or she will receive from such practices.

(b) Farms on which more than one person trains—farm operator. If a veteran in training is a partner of another person or if more than one person is involved in operating the farm, the farm shall be of such size and character that the farm:

1. Together with the instruction part of the course will occupy the full time of the veteran; and
2. Meets all requirements of paragraph (a) of this section.

2. Will permit instruction in all aspects of the management and operation of a farm of the type for which the veteran is being trained; and
3. Meets the requirements of paragraph (a) of this section.

(d) Employer agreement. VA may approve a farm on which a veteran is to train to become a farm manager only if the employer-trainer agrees:

1. To instruct the veteran in various aspects of farm management in accordance with the individual's plan;
2. To pay the veteran for each successive period of training a salary or wage rate:
   i. Commensurate with the value of the veteran's productive labor; and
   ii. Not less than that customarily paid to a nonveteran trainee in the same or similar training situation in that community; and
3. To employ the veteran as a manager of the farm on which he or she is being trained if his or her conduct and progress remain satisfactory, or assure that the veteran will be employed as manager of a specified comparable farm.

§ 21.299 Use of Government facilities for on-job training or work experience at no or nominal pay.

(a) Types of facilities which may be used to provide training. Notwithstanding any other provision of regulations governing chapter 31, the facilities of any agency of the United States or of any State or local government receiving Federal financial assistance may be used to provide training or work experience at no or nominal pay as all or part of the veteran’s program of vocational training under §§21.123, 21.294, and 21.296 of this part. The counseling psychologist and case manager must determine that the training or work experience is necessary to accomplish
vocational rehabilitation and providing such training or work experience is in the best interest of the veteran and the Federal government.

(b) Employment status of veterans. (1) While pursuing on-job training or work experience in a facility of the United States, a veteran:
   (i) Shall be deemed to be an employee of the United States for the purposes of benefits under chapter 81, title 5 U.S.C.; but
   (ii) Shall not be deemed an employee of the United States for the purpose of laws administered by the Office of Personnel Management.

(2) While pursuing on-job training or work experience in a State or local government agency the veteran shall have the employment status and rights comparable to those provided in paragraph (b)(1) of this section for a veteran pursuing on-job training or work experience at a Federal agency.

(c) Terms applicable to training in State and local government. (1) The term State means each of the several States Territories, any possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

(Authority: 38 U.S.C. 101(20))

(2) The term local government agency means an administrative subdivision of a government including a county, municipality, city, town, township, public authority, district, school district, or other such agency or instrumentality of a local government.

(d) Additional considerations in providing on-job training and work experience in State and local government agencies. (1) The veteran’s progress and adjustment in a rehabilitation program conducted wholly or in part at a State or local government agency shall be closely monitored by VR&E staff members to assure that:

   (i) Training and rehabilitation services are provided in accordance with the veteran’s rehabilitation plan. The plan shall provide for:
      (A) Close supervision of the veteran’s progress and adjustment by the case manager during the period he or she is at the State or local government agency; and
      (B) The employer’s periodic certification (not less than once every three months) that the veteran’s progress and adjustment are in accordance with the program which has been jointly developed by VA, the veteran and the employer; and
      (ii) The veteran achieves his or her employment goal.

   (2) Training may not be provided for a position which involves religious or political activities;

   (3) The veteran’s training:
      (i) Will not result in the displacement of currently employed workers; and

      (ii) Will not be in a job while another person is laid off from a substantially equivalent job, or will not be in a job the opening for which was created as a result of the employer having terminated the employment of any regular employee or otherwise having reduced its workforce with the intention of using the opening for a Chapter 31 trainee.

§ 21.310 Rate of pursuit of a rehabilitation program.

(a) Programs offered at educational institutions. This section provides policy for determining the full-time and part-time rate of pursuit of a rehabilitation program by a veteran whose ability to pursue a program has not been reduced by the effects of disability.

(1) Measuring full and part-time training. VA will measure the full-time and part-time rate of pursuit of training offered at educational institutions according to the criteria found in §§21.4270 through 21.4275, except as provided in paragraphs (a)(2) and (3) of this section.
(2) Independent study course. (i) For certain seriously disabled veterans described in subdivision (i)(A) of this subparagraph VA may measure the veteran's enrollment:
   (A) In an independent study course as half-time or greater training, or
   (B) Both in independent study subjects and subjects requiring class attendance on the basis of the combined training load when the number of credit hours of independent study equals or exceeds the number of other credit hours.

   (ii) To qualify for measurement described in paragraph (a)(2)(i) of this section:
   (A) The seriously disabled veteran must have a disability or circumstances which preclude regular attendance at an institution of higher learning, and
   (B) Independent study must be a sound method for providing the training necessary for restoring the veteran's employability.

   (iii) In all other cases VA will measure independent study according to the provisions of §21.4290.

(3) Special school. If training is pursued in a special school, such as those for persons with visual or hearing disabilities, the rate of pursuit will be measured under §§21.2470 through 21.4275 unless it is the established policy of the school to measure the rate of pursuit for full-time or particular level or part-time training based upon fewer semester, credit, or clock hours of attendance than prescribed in these regulations.

(4) Farm cooperative. If training in a farm cooperative program is provided by an educational institution, the rate of pursuit shall be determined the same as under §21.4270 for that type of training.

(5) Course offered under contract. When a school or other entity furnishes all or part of a vocational rehabilitation program under contact with another school, VA will measure the course or courses as appropriate for the school or other entity actually providing the training.

(b) Education or training not furnished by an educational institution. The following types of training which are not furnished by an educational institution (§21.35(k)(3) may only be pursued full-time:

   (1) On-job training. Full-time training in an on-job program is the lesser of the number of hours in the prevailing workweek for:
      (i) Journeyman employees in the same job categories at the establishment where training is being provided;
      (ii) Other persons in on-job training for the same or similar occupations at the facility where the veteran is training or at other facilities in the locality.

   (2) Farm cooperative training. If training in a farm cooperative program is provided by an individual instructor, the full-time rate of pursuit must meet the requirements of §21.126.

   (3) Independent instructor. The full-time rate of pursuit for a veteran in an independent instructor program must meet the requirements of §21.146.

   (4) Training in the home. The full-time rate for a training program provided in the veteran's home must meet the requirements of §21.146.

   (5) Vocational course in a rehabilitation facility or sheltered workshop. A vocational course of training offered by a rehabilitation facility or sheltered workshop (§21.35(k) (5) and (6)), will be measured under provisions of §21.4270(b) for trade or technical non-accredited courses, unless it is the established policy of the facility to measure the rate of pursuit for full-time or a particular level of part-time training based upon fewer clock hours of attendance than provided in that regulation.

(c) Combination and cooperative programs. The rate of pursuit of a program which combines institutional training and on job training will be measured as follows:

   (1) The institutional part will be assessed under §§21.4270 through 21.4275, and

   (2) The on-the-job part will be assessed under paragraph (b)(1) of this section.

(d) Rehabilitative services. Measurement of the rate of pursuit for veterans in programs consisting primarily of services designed to evaluate and improve physical and psychological functioning will be assessed under this paragraph.
§ 21.312 Reduced work tolerance.

(a) General. VA will consider that a veteran with reduced work tolerance is pursuing a rehabilitation program full-time when the amount of time the veteran is devoting to his or her program is as great as the effects of his or her disability (service and nonservice-connected) will permit.

(b) Pursuit of a program. A veteran with reduced work tolerance may pursue a rehabilitation program when the following conditions are met:

1. Reduced work tolerance has been determined.
2. Achievement of the goals of the program are reasonably feasible;

3. The IWRP (Individualized Written Rehabilitation Plan) or other plan provides for completion of the program under Chapter 31.

(c) Redetermination of work tolerance. As necessary, but not less than once yearly, the veteran’s work tolerance will be reevaluated. The rate of pursuit required to meet the standard of full-time pursuit will be modified if there is either an increase or decrease in the work tolerance of the veteran.

(d) Payment of allowance. A veteran with a reduced work tolerance will be paid a subsistence allowance, at the full-time rate for the type of program being pursued, when the veteran meets the standard for full-time pursuit established for him or her in the Plan. A veteran with reduced work tolerance, who elects benefits at the Chapter 34 rate, however, will have to meet normal attendance requirements for that chapter.

(e) Determining work tolerance. A VA physician will make all determinations and redeterminations of work tolerance.

(Authority: 38 U.S.C. 3108(d))

§ 21.314 Pursuit of training under special conditions.

A veteran is required to pursue a rehabilitation program at a rate which meets the requirement for full- or part-time participation described in §§ 21.310 and 21.312. However, a veteran may pursue a rehabilitation program at a lesser rate, if such pursuit is a part of the veteran’s plan. Subsistence allowance is not payable during such periods.

(Authority: 38 U.S.C. 3108(f))

(d) Election or reelection during leave or between periods of instruction—(1) Payment at the Chapter 30 rate. If an otherwise eligible veteran elects payment at the Chapter 30 rate during a period between periods of instruction, the effective date of the election shall be the first day of the next period of instruction.

2. Not considered at work under the rules of the training establishment; or
3. Not present at a scheduled period of individual instruction.

An educational institution, training establishment, rehabilitation center, or other facility or individual providing training and rehabilitation services under Chapter 31 may utilize the same system of records to determine absence as the one used for similarly circumstanced non-veterans.

(e) Change in rate of pursuit. The amount of approved leave is not affected by the veteran’s rate of pursuit of a rehabilitation program.

(f) Charging leave. VA shall charge 1 day of leave for each day or part of a day of absence from pursuit of a rehabilitation program.

(g) Limitation on carrying leave over to another period. The veteran may not carry over unused days of leave from one twelve-month period to another.

(Authority: 38 U.S.C. 3110)

§ 21.344 Facility offering training or rehabilitation services.

1. During periods in a rehabilitation program identified in §21.342(c); or
2. A period of hospitalization at VA expense during one of the periods identified in §21.342(c).

(b) Responsibility of the veteran in obtaining leave. VA will not authorize leave without a verbal or written request by the veteran, and the approval of the facility.

(c) Conditions permitting approval of leaves of absence. (1) The case manager may approve leaves of absence up to a total of 30 days during a twelve-month period if the facility certifies that the use of the leave does not interfere materially with the veteran’s progress;

2. An additional period of up to 15 days of leave in the same twelve-month
period under exceptional circumstances may be approved by the case manager if failure to approve leave will:
(i) Result in personal hardship, or
(ii) Adversely affect the veteran’s ability to continue in his or her rehabilitation program.

(5) The veteran is pursuing a non-college-degree course and there is a period of up to 5 days per twelve-month period during which the school offering non-college-degree courses is not operating, because instructors are attending professional meetings.
(b) Case manager responsibility. The case manager may disapprove leave under paragraph (a)(4) of this section if:
(1) Approval would result in or lead to use of more than 48 months of entitlement under Chapter 31, alone; or
(2) Approval would require extension of the scheduled completion date of the veteran’s program.
(c) Approval of leaves of absence required. A veteran, who wishes to receive subsistence allowance while the facility temporarily is not offering training under conditions other than those identified in paragraph (a) of this section, must seek an approved leave of absence and be charged leave.

(1) The veteran has absented himself or herself when advance approval from VA is impracticable; and
(2) Conditions for approval of leave are otherwise met.
(b) Unexcused, unauthorized absences. When an unauthorized absence is not satisfactorily explained, VA will take
necessary action, including recoupment of subsistence allowance for that period of absence.

(Authority: 38 U.S.C. 3110)

CONDUCT AND COOPERATION

§ 21.362 Satisfactory conduct and cooperation.

(a) General. The successful development and implementation of a program of rehabilitation services require the full and effective participation of the veteran in the rehabilitation process.

(1) The veteran is responsible for satisfactory conduct and cooperation in developing and implementing a program of rehabilitation services under Chapter 31;

(2) The staff is responsible for insuring satisfactory conduct and cooperation on the veteran's part; and

(3) VA staff shall take required action when the veteran’s conduct and cooperation are not satisfactory. (See §21.364)

(b) VA responsibility. VA shall make a reasonable effort to inform the veteran and assure his or her understanding of:

(1) The services and assistance which may be provided under Chapter 31 to help the veteran maintain satisfactory cooperation and conduct and to cope with problems directly related to the rehabilitation process, especially counseling services;

(2) Other services which VR&E staff can assist the veteran in securing through non-VA programs; and

(3) The specific responsibilities of the veteran in the process of developing and implementing a program of rehabilitation services, especially the specific responsibility for satisfactory conduct and cooperation.

(c) Veteran’s responsibility. A veteran requesting or being provided services under Chapter 31 must:

(1) Cooperate with VA staff in carrying out the initial evaluation and developing a rehabilitation plan;

(2) Arrange a schedule which allows him or her to devote the time needed to attain the goals of the rehabilitation plan;

(3) Seek the assistance of VA staff, as necessary, to resolve problems which affect attainment of the goals of the rehabilitation plan;

(4) Conform to procedures established by VA governing pursuit of a rehabilitation plan including:

(i) Enrollment and reenrollment in a course;

(iii) Requesting a leave of absence;

(iv) Requesting medical care and treatment;

(v) Securing supplies; and

(vi) Other applicable procedures.

(5) Conform to the rules and regulations of the training or rehabilitation facility at which services are being provided.

(d) Responsibility for determining satisfactory conduct and cooperation. VR&E staff with case management responsibility in the veteran’s case will:

(1) Monitor the veteran’s conduct and cooperation as necessary to assure consistency with provisions of paragraph (c) of this section.

(2) Provide assistance which may be authorized under Chapter 31, or for which arrangements may be made under other programs to enable the veteran to maintain satisfactory conduct and cooperation.

(Authority: 38 U.S.C. 3111)

§ 21.364 Unsatisfactory conduct and cooperation.

(a) General. If VA determines that a veteran has failed to maintain satisfactory conduct or cooperation, VA may, after determining that all reasonable counseling efforts have been made and are found not reasonably likely to be effective, discontinue services and assistance to the veteran, unless the case manager determines that mitigating circumstances exist. In any case in which such services and assistance have been discontinued, VA may reinstitute such services and assistance only if the counseling psychologist determines that:

(1) The unsatisfactory conduct or cooperation of such veteran will not be likely to recur; and

(2) The rehabilitation program which the veteran proposes to pursue (whether the same or revised) is suitable to such veteran’s abilities, aptitudes, and interests.
(b) Unsatisfactory conduct or cooperation exists. When the case manager determines that the veteran’s conduct and/or cooperation are not in conformity with provisions of §21.362(c), the case manager will:

(1) Discuss the situation with the veteran;

(2) Arrange for services, particularly counseling services, which may assist in resolving the problems which led to the veteran’s unsatisfactory conduct or cooperation;

(3) Interrupt the program to allow for more intense efforts, if the unsatisfactory conduct and cooperation persist. If a reasonable effort to remedy the situation is unsuccessful during the period in which the program is interrupted, the veteran’s case will be discontinued and assigned to “discontinued” status unless mitigating circumstances are found. When mitigating circumstances exist the case may be continued in “interrupted” status until VA staff determines the veteran may be reentered into the same or a different program because the veteran’s conduct and cooperation will be satisfactory, or if a plan has been developed, to enable the veteran to reenter and try to maintain satisfactory conduct and cooperation. Mitigating circumstances include:

(i) The effects of the veteran’s service and nonservice-connected condition;

(ii) Family or financial problems which have led the veteran to unsatisfactory conduct or cooperation;

(iii) Other circumstances beyond the veteran’s control.

This travel shall be limited to points within the state in which the veteran has pursued his or her training or, if the veteran returned to the state from which he or she was sent to pursue training, he or she may be sent at government expense to a place within that state to take the examination. If there is more than one place within the state at which the veteran may take the examination, travel shall be limited to the nearest place.

INFORMING THE VETERAN

§ 21.420 Informing the veteran.

(1) Requesting benefits and services; or

(2) In receipt of benefits and services.

(b) Notification. (1) Each notification should include the decision or finding, the reasons, including fact and law, for the decision, the effective date of the decision or finding; and

(2) The veteran’s appeal rights, if any.

(c) Adverse action. An adverse action is one, other than an interim action such as a suspension of benefits pending development, which:

(1) Denies Chapter 31 benefits, when such benefits have been requested;

(2) Reduces or otherwise diminishes benefits being received by the veteran; or

(3) Terminates receipt of benefits for reasons other than scheduled interruptions which are a part of the veteran’s plan.

(d) Prior notification of adverse action. VA shall give the veteran a period of at least 30 days to indicate his or her disagreement with an adverse action.
other than one which arises as a consequence of a change in training time or other such alteration in circumstances. If the veteran disagrees, he or she shall be given the opportunity, before appealing the adverse action as provided in §21.50 of this part, to:

(1) Meet informally with a representative of VA;
(2) Review the basis for VA decision, including any relevant written documents or material; and
(3) Submit to VA any material which he or she may have relevant to the decision.

(Authority: 38 U.S.C. 3102)

§ 21.422 Reduction in subsistence allowance following the loss of a dependent.

(a) Notice of reduction required when a veteran loses a dependent. (1) Except as provided in paragraph (a)(2) of this section, VA will not reduce an award of subsistence allowance following the veteran’s loss of a dependent unless:

(i) VA has notified the veteran of the adverse action, and

(ii) VA has provided the veteran with a period of 60 days in which to submit evidence for the purpose of showing that subsistence allowance should not be reduced.

(2) When the reduction is based solely on written, factual, unambiguous information as to dependency provided by the veteran or his or her fiduciary with knowledge or notice that the information would be used to determine the monthly rate of subsistence allowance:

(i) VA has notified the veteran of the adverse action, and

(ii) VA has provided the veteran with a period of 60 days in which to submit evidence for the purpose of showing that subsistence allowance should not be reduced.

(b) Pre-reduction notice. Where a reduction in subsistence allowance is proposed by reason of information concerning dependency received from a source other than the veteran, VA will:

(1) Prepared a proposal for the reduction of subsistence allowance, setting forth material facts and reasons;

(2) Notify the veteran at his or her latest address of record of the proposed action;

(3) Furnish detailed reasons for the proposed reduction;

(4) Inform the veteran that he or she has an opportunity for a predetermination hearing, provided that VA receives a request for such a hearing within 30 days from the date of the notice; and

(5) Give the veteran 60 days for the presentation of additional evidence to show that the subsistence allowance should be continued at its present level.

(Authority: 38 U.S.C. 5112, 5113)

(c) Predetermination hearing. (1) If VA receives a timely request for a predetermination hearing as indicated in paragraph (b)(4) of this section:

(i) VA will notify the veteran in writing of the date, time and place for the hearing; and

(ii) Payments of subsistence allowance will continue at the previously established level pending a final determination concerning the proposed reduction.

(2) The hearing will be conducted by a VA employee who:

(i) Did not participate in the preparation of the proposal to reduce the veteran’s subsistence allowance, and

(ii) Will bear the decision-making responsibility.

(Authority: 38 U.S.C. 5112, 5113)

(d) Final action. VA will take final action following the predetermination procedures specified in paragraph (c) of this section.

(1) If a predetermination hearing was not requested or if the veteran failed to report for a scheduled predetermination hearing, the final action will be based solely upon the evidence of record at the expiration of 60 days.

(2) If a predetermination hearing was conducted, VA will base final action upon:

(i) Evidence presented at the hearing;

(ii) Evidence contained in the claims file at the time of the hearing; and
§ 21.430 Accountability for authorization and payment of training and rehabilitation services.

(a) General. VA shall maintain policies and procedures which provide accountability in the authorization and payment of program costs for training and rehabilitation services. The procedures established under this section are applicable to all program costs except subsistence allowance (or the optional allowance at Chapter 34 rates). Policies and procedures governing payment of subsistence allowance are governed by §§ 21.260 through 21.276, and §§ 21.320 through 21.334.

(b) Determining necessary costs for training and rehabilitation services. The estimates of program costs during a calendar year or lesser period shall be based upon the services necessary to carry out the veteran’s rehabilitation plan during that period (§§ 21.30 through 21.97). The estimates will be developed by the VBA case manager. If additional approval is required, the VBA case manager shall secure such additional approval prior to authorization of services.

(c) Vocational Rehabilitation and Employment (VR&E) Officer’s review of program costs. The VR&E Officer will view the program costs for the services in paragraphs (c)(1) through (c)(3) of this section if the case manager’s program cost estimate for a calendar year exceeds $25,000. The VR&E Officer may not delegate this responsibility. The case manager will neither sign a rehabilitation plan nor authorize expenditures before the VR&E Officer approves the program costs. The services subject to this review are:

1. Providing supplies to help establish a small business;
2. A period of extended evaluation; or
3. A program of independent living services.

(Authority: 38 U.S.C. 3115(b)(4))

(i) VA does not receive the formal claim within one year of the date of request; and

(ii) The claimant does not show good cause why he or she could not have filed the formal claim in sufficient time for VA to have received it within one year of the date of the request.

(Authority: 38 U.S.C. 5103(a))

(b) Date of claim. The date of claim is the date on which a valid claim or application for educational assistance is considered to have been filed with VA, for purposes of determining the commencing date of an award of that educational assistance.

(1) If an informal claim is filed and VA receives a formal claim within one year of the date VA requested it, or within such other period of time as provided by §21.1033, the date of claim, subject to the provisions of paragraph (b)(3) of this section, is the date VA received the informal claim.

(2) If a formal claim is filed other than as described in paragraph (b)(1) of this section, the date of claim, subject to the provisions of paragraph (b)(3) of this section, is the date VA received the formal claim.

(3) If a formal claim itself is abandoned and a new formal or informal claim is filed, the date of claim is as provided in paragraph (b)(1) or (b)(2) of this section, as appropriate.

(Authority: 38 U.S.C. 5103)

(Authority: 38 U.S.C. 3452, 3501(a)(6), 3689(d))

(d) Formal claim. A claim is a formal claim when the claimant (or his or her authorized representative) files the claim with VA, and—

(1) The claim is a claim for—

(i) Educational assistance;

(ii) An increase in educational assistance; or

(iii) An extension of the eligibility period for receiving educational assistance; and

(2) If there is a form (either paper or electronic) prescribed under this part, the claim is filed on that form.

(Authority: 38 U.S.C. 5101(a))

(e) Informal claim. (1) If a form (either paper or electronic) has been prescribed under this part to use in claiming the benefit sought, the term informal claim means—

(h) Training establishment. The term training establishment means any establishment providing apprentice or other training on-the-job, including those under the supervision of a college, university, any State department of education, any State apprenticeship agency, any State board of vocational education, any joint apprenticeship committee, the Bureau of Apprenticeship and Training established in accordance with 29 U.S.C. chapter 4C, or any agency of the Federal government authorized to supervise such training.

(c) Filing a claim for educational assistance to supplement tuition assistance provided under a program administered by the Secretary of a military department. To receive tuition assistance top-up as defined in §21.4200(hh), an individual must file a claim for educational assistance.

(1) If the claim is the first claim for educational assistance administered by VA, the individual must file an application for educational assistance using a form the Secretary prescribes for that purpose.

(2) If the claim is the second or subsequent claim for educational assistance, the claimant may submit a statement that he or she wishes to receive tuition assistance top-up.

(3) The claimant must also submit a copy of the form(s) that the military service with jurisdiction requires for tuition assistance and that had been presented to the educational institution, covering the course or courses for which the claimant wants tuition assistance top-up. Examples of these forms include:
   (i) DA Form 2171, Request for Tuition Assistance-Army Continuing Education System;
   (ii) AF Form 1227, Authority for Tuition Assistance-Education Services Program;

(5) If the claimant’s military department uses an electronic tuition assistance application process with electronic signatures, VA will accept an electronic transmission of the approved tuition assistance application directly from the military department concerned on behalf of the claimant if—
   (1) The electronic tuition assistance application indicates the servicemember’s intent to claim tuition-assistance top-up; and
§ 21.1031 VA responsibilities when a claim is filed.

(a) VA will furnish forms. VA will furnish all necessary VA claim forms and instructions, and, if appropriate, a description of any supporting evidence required upon receipt of an informal claim.

(b) VA has a duty to notify claimants of necessary information or evidence.

(1) Except when a claim cannot be substantiated because there is no legal basis for the claim, or undisputed facts render the claimant ineligible for the claimed benefit, when VA receives a complete or substantially complete application for educational assistance provided under subpart C, D, G, H, K, L, or P of this part VA will—

(i) Notify the claimant of any information and evidence that is necessary to substantiate the claim; and

(ii) Inform the claimant which information and evidence, if any, the claimant is to provide to VA and which information and evidence, if any, VA will try to obtain for the claimant.

(2) The information and evidence that VA, pursuant to paragraph (b)(1) of this section informs the claimant that the claimant must provide, must be provided within one year from the date of the notice. If VA does not receive such information and evidence from the claimant within that time period, VA may adjudicate the claim based on the information and evidence in the file.

(3) If the claimant has not responded to the request within 30 days, VA may decide the claim before the expiration of the one-year period prescribed in paragraph (b)(2) of this section, based on all the information and evidence in the file, including information and evidence it has obtained on behalf of the claimant. If VA does so, however, and the claimant subsequently provides the information and evidence within one year of the date of the request, VA must readjudicate the claim. If VA’s decision on a readjudication is favorable to the claimant, the award shall take effect as if the prior decision by VA on the claim had not been made.

(4) If VA receives an incomplete application for benefits, it will notify the claimant of the information necessary to complete the application and will defer assistance until the claimant submits this information. If the information necessary to complete the application is not received by VA within one year from the date of such notice, VA cannot pay or provide any benefits based on that application.

(5) For the purpose of this paragraph, if VA must notify the claimant, VA will provide notice to:

(i) The claimant;

(ii) His or her fiduciary, if any; and

(iii) His or her representative, if any.

(Authority: 38 U.S.C. 5102, 5103, 5103A(a)(3))

§ 21.1032 VA has a duty to assist claimants in obtaining evidence.

(a) VA’s duty to assist begins when VA receives a complete or substantially complete application.

(1) Except as provided in paragraph (d) of this section, upon receipt of a complete or substantially complete application for educational assistance under subpart C, D, G, H, K, L, or P of this part, VA will—

(i) Make reasonable efforts to help a claimant obtain evidence necessary to substantiate the claim; and

(ii) Give the assistance described in paragraphs (b) and (c) of this section to an individual attempting to reopen a finally decided claim.

(2) VA will not pay any fees a custodian of records may charge to provide the records VA requests.

(Authority: 38 U.S.C. 5103A)
§ 21.1032

(b) Obtaining records not in the custody of a Federal department or agency. (1) VA will make reasonable efforts to obtain relevant records not in the custody of a Federal department or agency. These records include relevant records from:

(i) State or local governments;
(ii) Private medical care providers;
(iii) Current or former employers; and
(iv) Other non-Federal governmental sources.

(2) The reasonable efforts described in paragraph (b)(1) of this section will generally consist of an initial request for the records and, if VA does not receive the records, at least one follow-up request. The following are exceptions to this provision concerning the number of requests that VA generally will make:

(i) VA will not make a follow-up request if a response to the initial request indicates that the records sought do not exist or that a follow-up request for the records would be futile.

(ii) If VA receives information showing that subsequent requests to the initial or another custodian could result in obtaining the records sought, reasonable efforts will include an initial request and, if VA does not receive the records, at least one follow-up request to the new source or an additional request to the original source.

(3) The claimant must cooperate fully with VA’s reasonable efforts to obtain relevant records from non-Federal governmental sources. At VA’s request, the claimant must provide enough information to identify and locate the existing records, including—

(i) The person, company, agency, or other custodian holding the records;
(ii) The approximate time frame covered by the records; and
(iii) In the case of medical treatment records, the condition for which treatment was provided.

(4) If necessary, the claimant must authorize the release of existing records in a form acceptable to the custodian or agency holding the records.

(Authority: 38 U.S.C. 5103A)

(c) Obtaining records in the custody of a Federal department or agency. (1) VA will make as many requests as are necessary to obtain relevant records from a Federal department or agency. These records include but are not limited to:

(i) Military records;
(ii) Medical and other records from VA medical facilities;
(iii) Records from non-VA facilities providing examination or treatment at VA expense; and
(iv) Records from other Federal agencies.

(2) VA will end its efforts to obtain records from a Federal department or agency only if VA concludes that the records sought do not exist or that further efforts to obtain those records would be futile. Cases in which VA may conclude that no further efforts are required include cases in which the Federal department or agency advises VA that the requested records do not exist or that the custodian of such records does not have them.

(3) The claimant must cooperate fully with VA’s reasonable efforts to obtain relevant records from Federal department or agency custodians. At VA’s request, the claimant must provide enough information to identify and locate the existing records, including—

(i) The custodian or agency holding the records;
(ii) The approximate time frame covered by the records; and
(iii) In the case of medical treatment records, the condition for which treatment was provided.

(4) If necessary, the claimant must authorize the release of existing records in a form acceptable to the custodian or agency holding the records.

(Authority: 38 U.S.C. 5103A)

(d) Circumstances where VA will refrain from or discontinue providing assistance. VA will refrain from providing assistance in obtaining evidence for a claim if the substantially complete or complete application for benefits indicates that there is no reasonable possibility that any assistance VA would provide to the claimant would substantiate the claim. VA will discontinue providing assistance in obtaining evidence for a claim if the evidence obtained indicates that there is no reasonable possibility that further assistance would substantiate the claim. Circumstances

215
in which VA will refrain from or discontinue providing assistance in obtaining evidence include, but are not limited to:

(1) The claimant’s ineligibility for the benefit sought because of lack of qualifying service, lack of veteran status, or other lack of legal eligibility;
(2) Claims that are inherently not credible or clearly lack merit; and
(3) An application requesting a benefit to which the claimant is not entitled as a matter of law.

(Authority: 38 U.S.C. 5103A)

(e) Duty to notify claimant of inability to obtain records. (1) VA will notify the claimant either orally or in writing when VA:
(i) Makes reasonable efforts to obtain relevant non-Federal records, but is unable to obtain them; or
(ii) After continued efforts to obtain Federal records, concludes that it is reasonably certain they do not exist or that further efforts to obtain them would be futile.

(2) For non-Federal records requests, VA may provide the notice to the claimant at the same time it makes its final attempt to obtain the relevant records.

(3) VA will make a record of any oral notice conveyed under paragraph (e) of this section to the claimant.

(4) The notice to the claimant must contain the following information:
(i) The identity of the records VA was unable to obtain;
(ii) An explanation of the efforts VA made to obtain the records;
(iii) The fact described in paragraph (e)(1)(i) or (e)(1)(ii) of this section;
(iv) A description of any further action VA will take regarding the claim, including, but not limited to, notice that VA will decide the claim based on the evidence of record unless the claimant submits the records VA was unable to obtain; and
(v) A notice that the claimant is ultimately responsible for obtaining the evidence.

(5) If VA becomes aware of the existence of relevant records before deciding the claim, VA will notify the claimant of the existence of such records and ask that the claimant provide a release for the records. If the claimant does not provide any necessary release of the relevant records that VA is unable to obtain, VA will ask that the claimant obtain the records and provide them to VA.

(6) For the purpose of this section, if VA must notify the claimant, VA will provide notice to:
(i) The claimant;
(ii) His or her fiduciary, if any; and
(iii) His or her representative, if any.

§ 21.1033 Time limits.

The provisions of this section are applicable to informal claims and formal claims.

(a) Failure to furnish form, information, or notice of time limit. VA’s failure to give a claimant or potential claimant any form or information concerning the right to file a claim or to furnish notice of the time limit for the filing of a claim will not extend the time periods allowed for these actions.

(Authority: 38 U.S.C. 5101, 5113)

(b) [Reserved]

(c) Time limit for filing a claim for an extended period of eligibility under 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, or 35. VA must receive a claim for an extended period of eligibility provided by §21.3047, §21.5042, §21.7051, §21.7551, or §21.9535 by the later of the following dates:

(1) One year from the date on which the spouse’s, surviving spouse’s, veteran’s, reservist’s, or other eligible individual’s original period of eligibility ended; or
(2) One year from the date on which the spouse’s, surviving spouse’s, veteran’s, reservist’s, or other eligible individual’s physical or mental disability no longer prevented him or her from beginning or resuming a chosen program of education.

(Authority: 10 U.S.C. 16133(b); 38 U.S.C. 3031(d), 3232(a), 3321, 3512)

(d) Time limit for filing for an extension of eligibility due to suspension of program (38 U.S.C. chapter 35). VA must receive a claim for an extended period of eligibility due to a suspension of an eligible
child’s program of education as provided in §21.3043 by the later of the following dates.

(1) One year from the date on which the child’s original period of eligibility ended; or

(2) One year from the date on which the condition that caused the suspension of the program of education ceased to exist.

(Authority: 38 U.S.C. 3512(c))

(g) Extension for good cause. (1) VA may extend for good cause a time limit within which a claimant or beneficiary is required to act to perfect a claim or challenge an adverse VA decision. VA may grant such an extension only when the following conditions are met:

(i) When a claimant or beneficiary requests an extension after expiration of a time limit, he or she must take the required action concurrently with or before the filing of that request; and

(ii) The claimant or beneficiary must show good cause as to why he or she could not take the required action during the original time period and could not have taken the required action sooner.

(2) Denials of time limit extensions are separately appealable issues.

(Authority: 38 U.S.C. 5101, 5113)

(h) Computation of time limit. (1) In computing the time limit for any action required of a claimant or beneficiary, including the filing of claims or evidence requested by VA, VA will exclude the first day of the specified period, and will include the last day. This rule is applicable in cases in which the time limit expires on a workday. When the time limit would expire on a Saturday, Sunday, or holiday, the VA will include the next succeeding day in the computation.

(2) The first day of the specified period referred to in paragraph (f)(1) of this section will be the date of the letter of notification to the claimant or beneficiary for purposes of computing time limits. As to appeals, see §§20.302 and 20.305 of this chapter.

(Authority: 38 U.S.C. 501(a))

§ 21.3023 Nonduplication; pension, compensation, and dependency and indemnity compensation.

(a) Child; age 18. A child who is eligible for educational assistance and who is also eligible for pension, compensation or dependency and indemnity compensation based on school attendance on or after the age of 18 years is a bar to subsequent payment or increased rates or additional amounts of pension, compensation or dependency and indemnity compensation.

(1) An election of educational assistance either before or after the age of 18 years is a bar to subsequent payment or increased rates or additional amounts of pension, compensation or dependency and indemnity compensation.

(2) An election of educational assistance cannot be made concurrently. The eligible person must choose which benefit he or she will receive for the particular period(s) of training during which education or training is to be pursued. The individual may choose to receive benefits under another program (other than 38 U.S.C. chapter 33) at any time, but not more than once in a calendar month. The individual may choose to receive benefits under 38 U.S.C. chapter 33 at any time, but not more than once during a certified term, quarter, or semester.

of 18 years. The bar is equally applicable where the child has eligibility from more than one parent.

(2) Payment of pension, compensation or dependency and indemnity compensation to or on account of a child after his or her 18th birthday does not bar subsequent payments of educational assistance.

(3) An election of educational assistance will not preclude the allowance of pension, compensation, or dependency and indemnity compensation based on school attendance for periods, including vacation periods, prior to the commencement of educational assistance.

(b) Child; under 18 or helpless. Educational assistance allowance or special restorative training allowance may generally be paid concurrently with pension, compensation or dependency and indemnity compensation for a child under the age of 18 years or for a helpless child based on the service of one or more parents. Where, however, entitlement is based on the death of more than one parent in the same parental line, concurrent payments in two or more cases may not be authorized if the death of one such parent occurred on or after June 9, 1960. In the latter cases, an election of educational assistance and pension, compensation or dependency and indemnity compensation in one case does not preclude a reelection of benefits before attaining age 18 or while helpless based on the service of another parent in the same parental line.

(c) Child; election. An election by a child under this section must be submitted to VA in writing.

(1) Except as provided in paragraph (c)(2) of this section, an election to receive Survivors’ and Dependents’ Educational Assistance (DEA) is final when the eligible child commences a program of education under DEA (38 U.S.C. chapter 35). Commencement of a program of education under DEA will be deemed to have occurred for VA purposes on the date the first payment of DEA educational assistance is made, as evidenced by negotiation of the first check or receipt of the first payment by electronic funds transfer.

(2) An election based on erroneous information furnished by an authorized representative of the Department of Veterans Affairs is not considered final.

(3) A child other than a helpless child, whose eligibility was based on a finding that the veteran had a permanent total service-connected disability and who commenced a program of education under DEA may not thereafter qualify as a dependent for disability compensation purposes if the veteran is later found to be less than permanently and totally disabled, or for pension, compensation or dependency and indemnity compensation after the veteran’s death.

(d) Spouse or surviving spouse. Educational assistance allowance may be paid for an eligible spouse or surviving spouse concurrently with pension, compensation or dependency and indemnity compensation.

(1) Child, spouse or surviving spouse. A person who is eligible for educational assistance and is also eligible for Office of Workers’ Compensation Programs benefits, under the Federal Employees’ Compensation Act (FECA) must elect which benefit he or she will receive.

(2) Veteran, spouse and child—surviving spouse and child. An eligible person may receive educational assistance
(a) Who is on active duty and is pursuing a course of education which is being paid for by the Armed Forces (or by the Department of Health and Human Services in the case of the Public Health Service); or

§ 21.3040 Eligibility; child.

(a) Commencement. A program of education or special restorative training may not be afforded prior to the eligible person’s 18th birthday or the completion of secondary schooling, whichever is earlier, unless it is determined through counseling that the best interests of the eligible person will be served by entering training at an earlier date and the eligible person has passed:

1. Compulsory school attendance age under State law; or
2. His or her 14th birthday and due to physical or mental handicap may benefit by special restorative or specialized vocational training.

(b) Secondary schooling. Completion of secondary schooling means completion of a curriculum offered by a public or private school which satisfies the requirements for a high school diploma or its equivalent—usually completion of the 12th grade in the public school system.

(c) Age limitation for commencement. No person is eligible for educational assistance who reached his or her 26th birthday on or before the effective date of a finding of permanent total service-connected disability, or on or before
§ 21.3041 Periods of eligibility; child.

(a) Eligibility derived from a veteran with a P&T disability. An eligible child’s period of eligibility generally begins on the child’s 18th birthday, or on the successful completion of the child’s secondary schooling, whichever first occurs. The period of eligibility generally ends on the earlier of the date of the child’s 26th birthday or the date the veteran is no longer P&T disabled. VA will extend an eligible child’s period of eligibility for the reasons listed in paragraphs (g) and (h) of this section. See paragraph (c) of this section if the child serves on duty in the Armed Forces as an eligible child after his or her 18th birthday and before his or her 26th birthday. If the veteran dies while the P&T rating is in effect and before the eligible child’s 26th birthday, see paragraph (b) of this section to determine the new period of eligibility. Exceptions to this general period of eligibility are as follows:

(1) Period of eligibility may begin before the child’s 18th birthday. The period of eligibility may begin before the eligible child’s 18th birthday for one of the reasons in paragraphs (a)(1)(i), (ii), or (iii) of this section. The period of eligibility ends on the earlier of the date the veteran is no longer rated P&T disabled or the date of the child’s 26th birthday. See §21.3135(h) if the veteran is no longer rated P&T disabled.

(i) The child completed compulsory school attendance under applicable State law (see §21.3040(a) and (b));

(ii) The child is pursuing a course designed to prepare him or her for an examination required or used for entrance into an institution of higher education or a graduate school; or

(iii) The child is beyond his or her 14th birthday and has a physical or mental handicap (see §21.3040(a)).

(2) Period of eligibility may begin after the child’s 18th birthday. A child’s period of eligibility may begin after his or her 18th birthday if VA first finds the veteran has a P&T disability after the child’s 18th birthday but before the child’s 26th birthday. See paragraph (e) of this section if an adopted child becomes eligible through qualifying as the veteran’s child after VA first finds the veteran has a P&T disability. See paragraph (f) of this section if a stepchild becomes eligible through qualifying as the veteran’s child after VA first finds the veteran is P&T disabled. See paragraph (f) of this section if a stepchild becomes eligible through qualifying as the veteran’s child after VA first finds the veteran is P&T disabled. See paragraph (f) of this section if a stepchild becomes eligible through qualifying as the veteran’s child after VA first finds the veteran is P&T disabled.

(i) Beginning date if the effective date of the initial P&T rating is before the child’s 18th birthday and notification to the veteran occurs after the child’s 18th birthday and before the child’s 26th birthday. If the effective date of the P&T rating is before the child’s 18th birthday, and the date of notification to the veteran occurs after the child’s 18th birthday but before the child’s 26th birthday, the child may elect the beginning date of his or her period of eligibility. (See paragraph (e) of this section for election requirements.) If the child elects a beginning date that is before his or her 18th birthday, the period of eligibility ends the earlier of the date that the veteran is no longer rated P&T disabled, or the date of the child’s 26th birthday. If the child elects a beginning date after his or her 18th birthday, the period of eligibility ends the earlier of the date the veteran is no longer rated P&T disabled or 8 years after the beginning date the child elects. (See §21.3135(h) if the veteran is no longer rated P&T disabled.) The child can elect as a beginning date either—
(A) The date of his or her 18th birthday;
(B) The date he or she completed compulsory school attendance under applicable State law (see §21.3040(a) and (b)), if that date is on or after the effective date of the P&T rating and before his or her 18th birthday;
(C) The date he or she begins a course designed to prepare him or her for an examination required or used for entrance into an institution of higher education or a graduate school, if that date is on or after the effective date of the P&T rating and before the date of notification to the veteran of the P&T rating. If the child elects the beginning date of enrollment in such course, he or she may not receive educational assistance for pursuit of secondary schooling unless secondary school pursuit is otherwise authorized (see §21.3040);
(D) The date VA notifies the veteran of the P&T rating; or
(E) Any date between the applicable date described in paragraphs (a)(2)(i)(A) through (C) of this section and the date in paragraph (a)(2)(i)(D) of this section.

(ii) Beginning date if the effective date of the P&T rating is after the child’s 18th birthday and before child’s 26th birthday. If the effective date of the P&T rating occurs after the child’s 18th birthday but before the child’s 26th birthday, the child may elect the beginning date of his or her period of eligibility. (See paragraph (i) of this section for election requirements.) The period of eligibility ends after the child’s 18th birthday but before the child’s 26th birthday, the child may elect the beginning date of his or her period of eligibility. (See paragraph (i) of this section for election requirements.) The period of eligibility ends 8 years after the beginning date the child elects. (See §21.3135(h) if the veteran is no longer rated P&T disabled.) The child can elect as a beginning date—
(A) The effective date of the P&T rating;
(B) The date VA notifies the veteran of the veteran’s P&T rating; or
(C) Any date in between.

(2) Period of eligibility may begin after the child’s 18th birthday. If the veteran’s death occurs after the child’s 18th birthday but before the child’s 26th birthday, the child may elect the beginning date of his or her period of eligibility. The period of eligibility ends 8 years after the beginning date the child elects. See paragraph (i) of this section for election requirements. VA may extend the period of eligibility for one of the reasons shown in paragraph (g) or (h) of this section. See paragraph (c) of this section if the child serves in the Armed Forces as an eligible person after his or her 18th birthday and before his or her 26th birthday. The child can elect as a beginning date any date—
(i) Date of the veteran’s death; or
(ii) Date of VA’s decision that the veteran’s death was service-connected.

(b) Eligibility derived as the result of veteran’s death. An eligible child’s period of eligibility begins on the child’s 18th birthday, or on the successful completion of the child’s secondary schooling, whichever first occurs. The period of eligibility ends on the child’s 26th birthday. VA will extend an eligible child’s period of eligibility for reasons shown in paragraphs (g) and (h) of this section. See paragraph (c) of this section if the child serves on duty in the Armed Forces as an eligible person after his or her 18th birthday and before his or her 26th birthday. Exceptions to this general period of eligibility are as follows:

(i) Period of eligibility may begin before the child’s 18th birthday. The period of eligibility may begin before the eligible child’s 18th birthday for one of the reasons in paragraphs (i), (ii), or (iii) of this paragraph. The ending date of the period of eligibility is the child’s 26th birthday.

(1) The child completed compulsory school attendance under applicable State law (see §21.3040(a) and (b));
(ii) The child is pursuing a course designed to prepare him or her for an examination required or used for entrance into an institution of higher education or a graduate school; or
(iii) The child is beyond his or her 14th birthday and has a physical or mental handicap (see §21.3040(a));

(2) Period of eligibility may begin after the child’s 18th birthday. If the veteran’s death occurs after the child’s 18th birthday but before the child’s 26th birthday, the child may elect the beginning date of his or her period of eligibility. The period of eligibility ends 8 years after the beginning date the child elects. See paragraph (i) of this section for election requirements. VA may extend the period of eligibility for one of the reasons shown in paragraph (g) or (h) of this section. See paragraph (c) of this section if the child serves in the Armed Forces as an eligible person after his or her 18th birthday and before his or her 26th birthday. The child can elect as a beginning date any date—
(i) Date of the veteran’s death; or
(ii) Date of VA’s decision that the veteran’s death was service-connected.

(c) Period of eligibility for a child who serves on duty in the Armed Forces as an eligible person. If the child serves on
duty in the Armed Forces as an eligible person (as defined in § 21.3021(a)(1)) after the child’s 18th birthday and before the child’s 26th birthday, the child is eligible for a modified ending date based on the provisions of this paragraph. Under the provisions of this paragraph, the period of eligibility ends 8 years after the date of the child’s first discharge or release from such duty, or the child’s 31st birthday, whichever is earlier. VA may extend the ending date for one of the reasons shown in paragraph (g) of this section. See paragraph (h) of this section if the child is ordered to active duty as a reservist.

(Authority: 38 U.S.C. 3512(a)(5))

(d) Eligibility derived from a parent who is listed by the Armed Forces as missing in action, captured in the line of duty, or forcibly detained or interned in line of duty by a foreign government or power.

(1) If a child establishes eligibility through the provisions of § 21.3021(a)(1)(iv) after his or her 18th birthday but before his or her 26th birthday, the period of eligibility will end on the earliest of the following dates:

(i) When the parent is no longer listed as described in § 21.3021(a)(1)(iv);

(ii) Eight years after the date on which the child becomes eligible under such provisions;

(iii) The child’s 31st birthday.

(2) VA may extend the ending date for one of the reasons shown in paragraphs (g) or (h) of this section. See paragraph (c) of this section for the ending date of the period of eligibility if the stepchild serves on active duty in the Armed Forces as an eligible person.

(Authority: 38 U.S.C. 3501)

(f) Stepchild qualifies after VA first finds the veteran P&T disabled. If a stepchild becomes eligible through qualifying as the veteran’s child and a member of the veteran’s household after VA first finds the veteran is P&T disabled, the beginning date of the period of eligibility is the date determined pursuant to paragraphs (a) through (d) of this section. See paragraph (c) of this section for the ending date of the period of eligibility if the stepchild serves on active duty in the Armed Forces as an eligible person.

(Authority: 38 U.S.C. 3501)

(g) Extensions to ending dates. (1) If an eligible child suspends pursuit of his or her program due to conditions that VA determined were beyond the child’s control, VA may extend the period of eligibility ending date (see § 21.3043).

(2) If an eligible child’s period of eligibility ending date (as determined under paragraphs (a) through (f) of this section) is subject to an age limitation, VA may extend the period of eligibility ending date (see § 21.3043). VA cannot grant an extension beyond age 31 to those children whose period of eligibility ending date (as determined under paragraphs (a) through (f) of this section) is subject to an age limitation.
(i) To the end of the quarter or semester, for a child enrolled in an educational institution that regularly operates on the quarter or semester system; or

(ii) To the end of the course, not to exceed 12 weeks, for a child who completed a major portion of a course while enrolled in an educational institution that operates under other than a quarter or semester system.

(3) If an eligible child’s period of eligibility ending date (as determined under paragraphs (a) through (f), or (h) of this section) occurs while the child is pursuing training in a training establishment (as defined in §21.4200(c)), VA cannot extend the ending date.

(Authority: 38 U.S.C. 3512(a)(7)(c)).

(h) Notwithstanding any other provision of this section, if during an eligible child’s period of eligibility, as determined in paragraphs (a) through (g) of this section, but after September 10, 2001, an eligible child is ordered to active duty or involuntarily ordered to full-time National Guard duty VA will grant an extension of the child’s period of eligibility. The extension will be equal to the length of the period served plus an additional 4 months for each qualifying period and applies if after September 10, 2001, the eligible child is—

(i) Ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10, United States Code; or

(ii) Involuntarily ordered to full-time National Guard duty under section 502(f) of title 32, United States Code.

(Authority: 38 U.S.C. 3512(h))

(i) Elections. (1) VA must provide written notice to certain eligible children informing them of their right to elect the beginning date of their period of eligibility. The written notice must identify the beginning dates the child may choose from and must contain a statement that the child must make the election within 60 days of the date of the written notice. An eligible child may elect his or her beginning date if—

(i) The effective date of the P&T rating is before the child’s 18th birthday, but before the child’s 26th birthday (see paragraph (a)(2)(i) of this section);

(ii) The effective date of the P&T rating, or the date of notification to the veteran from whom the child derives eligibility, occurs after the child’s 18th birthday but before the child’s 26th birthday (see paragraph (a)(2)(ii) of this section);

(iii) The veteran’s death occurs after the child’s 18th birthday but before the child’s 26th birthday (see paragraph (b)(2) of this section);

(iv) The child makes such election within 60 days of VA’s written notice informing him or her of the right to elect his or her beginning date; and

(v) The child’s election is in accordance with the choices VA identified in the written notice described in paragraph (i)(1) of this section.

(2) If the child does not elect a beginning date within 60 days of VA’s written notice informing him or her of the right to elect a beginning date, the period of eligibility beginning date will be whichever of the following applies—

(i) The date of VA’s decision that the veteran has a P&T disability; or

(ii) The date of VA’s decision that the veteran’s death is service-connected.

§ 21.3043 Suspension of program; child.

For an eligible person who suspends his program due to conditions determined by the Department of Veterans Affairs to have been beyond his or her control, the period of eligibility may, upon his request, be extended by the number of months and days intervening the date the suspension began and the date the reason for suspension ceased to exist. The burden of proof is on the eligible person to establish that suspension of a program was due to conditions beyond his or her control. The period of suspension shall be considered to have ended as of the date of the person’s first available opportunity to resume training after the condition which caused it ceased to exist. The following circumstances may be considered as beyond the eligible person’s control:

(a) While in active pursuit of a program of education he or she is appointed by the responsible governing body of an established church, officially charged with the selection and designation of missionary representatives, in keeping with its traditional practice, to serve the church in an official missionary capacity and is thereby prevented from pursuit of his or her program of studies.

(b) Immediate family or financial obligations beyond his or her control require the eligible person to take employment, or otherwise preclude pursuit of his or her program.

(c) Unavoidable conditions arising in connection with the eligible person’s employment which preclude pursuit of his or her program.

§ 21.3045 Entitlement charges.

VA will make record-purpose charges against an eligible person’s 38 U.S.C. chapter 35 entitlement only when required by this section. Charges for institutional training will be based upon the principle that an eligible person who trains full time for 1 day should be charged 1 day of entitlement.

(a) *No entitlement charge for eligible persons receiving tutorial assistance.* VA will make no charge against the entitlement of an eligible person for tutorial assistance received in accordance with § 21.4236.

(b) *Entitlement charges for elementary and secondary education.* (1) When an eligible spouse or surviving spouse is pursuing a course leading to a secondary school diploma or an equivalency certificate as described in § 21.3344, there are two sets of circumstances which will always result in VA’s making no charge against his or her entitlement. These are as follows:

(i) Either the eligible spouse or surviving spouse completed training during the period beginning on October 1, 1980, and ending on August 14, 1989, and remained continuously enrolled from October 1, 1980, through the time the spouse or surviving spouse either completed training or August 14, 1989, whichever is earlier; or

(ii) The eligible spouse or surviving spouse completed training before August 15, 1989, and received educational assistance based upon the tuition and fees charged for the course.

(2) When an eligible spouse or surviving spouse is pursuing a course leading to a secondary school diploma or an equivalency certificate as described in § 21.3344, the following circumstances will always result in VA’s making a charge against his or her entitlement unless the provisions of paragraph (d) of this section would exempt the spouse or surviving spouse from receiving an entitlement charge.

(i) The spouse or surviving spouse elects to receive dependents’ educational assistance at the rate described in § 21.3131(a), and

(ii) Either was not pursuing a course leading to a secondary school diploma or equivalency certificate on October 1, 1980, or has not remained continuously enrolled in such a course since October 1, 1980.

(3) When an eligible person pursues refresher, remedial or deficiency training before August 15, 1989, the following provisions govern the charge against the entitlement.

(i) VA will not make a charge against the entitlement of an eligible spouse or surviving spouse.

(ii) VA will make a charge against the entitlement of an eligible child.

(4) The following provisions apply to an eligible person for training received after August 14, 1989. When he or she is pursuing a course leading to a secondary school diploma or equivalency certificate or refresher, remedial or deficiency training.

(i) VA will make no charge against the entitlement of an eligible person for the first five months of full-time pursuit (or its equivalent in part-time pursuit).

(ii) VA will make a charge against the entitlement of an eligible person for pursuit in excess of the pursuit described in paragraph (b)(4)(i) unless the provisions of paragraph (d) of this section would exempt the eligible person from receiving an entitlement charge.

(c) *Other courses for which entitlement will be charged.* Except when the requirements of paragraph (d) of this section are met, VA will make a charge against the period of entitlement of—

(1) An eligible person for pursuit of a program of apprenticeship or other on-the-job training;

(2) A spouse or surviving spouse for pursuit of a correspondence course; or
(3) An eligible person for the pursuit of any course not described in paragraph (a) or (b) of this section.

(Authority: 38 U.S.C. 3334)

(d) Exemption from entitlement charge. (1) VA will not make a charge against the entitlement of an eligible person for the pursuit of any course or courses when the requirements of paragraphs (d)(1)(i) and (ii) of this section are met, by VA finding that the eligible person—

(i) Had to discontinue pursuit of the course or courses as a result of being—

(A) Ordered, in connection with the Persian Gulf War by orders dated before September 11, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304, or under former 10 U.S.C. 672(a), 672(d), 672(g), 673, or 673(b) (redesignated effective December 1, 1994, as 10 U.S.C. 12301(a), 12301(d), 12301(g), 12302, and 12304, respectively);

(B) Ordered, by orders dated after September 10, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304;

(ii) Failed to receive credit or training time toward completion of the eligible person’s approved educational, professional or vocational objective as a result of having to discontinue, for a reason described in paragraph (d)(1)(i) of this section, his or her course pursuit.

(2) The period for which VA will not make a charge against entitlement shall not exceed the portion of the period of enrollment in the course or courses for which the eligible person failed to receive credit or with respect to which the eligible person lost training time.

(e) Determining entitlement charge. The provisions of this paragraph apply to all courses except those courses for which VA is not making a charge against the eligible person’s entitlement, apprenticeship or other on-job training, correspondence courses, and courses offered solely through independent study.

(1) After making any adjustments required by paragraph (e)(3) of this section, VA will make a charge against entitlement—

(i) On the basis of total elapsed time (one day for each day of pursuit) if the eligible person is pursuing the program of education on a full-time basis,

(ii) On the basis of a proportionate rate of elapsed time, if the eligible person is pursuing a program of education on a three-quarter, one-half or less than one-half time basis. For the purpose of this computation, training time which is less than one-half, but more than one-quarter time, will be treated as though it were one-quarter time training.

(2) VA will compute elapsed time from the commencing date of enrollment to date of discontinuance. If the eligible person changes his or her training time after the commencing date of enrollment, VA will—

(i) Divide the enrollment period into separate periods of time during which the eligible person’s training time remains constant; and

(ii) Compute the elapsed time separately for each time period.

(3) An eligible person may concurrently enroll in refresher, remedial or deficiency training for which paragraph (b)(3) or (b)(4)(i) of this section requires no charge against entitlement and in a course or courses for which paragraph (b)(2) or (b)(4)(ii) or (c) of this section requires a charge against entitlement. When this occurs, VA will charge entitlement for the concurrent enrollment based only on pursuit of the courses described in paragraph (b)(2) or (b)(4)(ii) or (c) of this section, measured in accordance with §§21.4270 through 21.4275 of this part, as appropriate.

(Authority: 38 U.S.C. 3533(a); Pub. L. 100–689)

(f) Entitlement charge for pursuit solely by independent study. For enrollments in terms, quarters, or semesters that begin after June 30, 1993, VA will make charges against the entitlement of an eligible person in the manner prescribed by paragraph (e) of this section, if he or she is pursuing a program of education solely by independent study.
For all other enrollments where the eligible person is pursuing a program of education solely by independent study, the computation will be made as though the eligible person's training were one-quarter time.

(Authority: 38 U.S.C. 3482(b), 3532(a))

(g) Entitlement charge for apprenticeship or other on-job training. For each month that an eligible person is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, including months in which the eligible person fails to complete 120 hours of training, VA will make a record-purpose charge against 38 U.S.C. chapter 35 entitlement, if any, as follows:

(1) For training pursued before October 1, 2005, VA will reduce chapter 35 entitlement by one month for each month of benefits paid.

(2) For training pursued on or after October 1, 2005, VA will reduce chapter 35 entitlement proportionately based on the percentage rate (rounded to the nearest percentage) determined by dividing the amount of the training assistance paid for the month by the monthly educational assistance payable for full-time enrollment in an educational institution.

(h) Entitlement charge for correspondence courses. The charge against entitlement of a spouse or surviving spouse for pursuit of a course exclusively by correspondence will be 1 month for each of the following amounts paid as an educational assistance allowance:

(1) $788.00, paid after June 30, 2004, and before October 1, 2004;

(2) $803.00, paid after September 30, 2004, and before October 1, 2005;

(3) $827.00, paid after September 30, 2005, and before October 1, 2006;

(4) $860.00, paid after September 30, 2006, and before October 1, 2007;

(5) $881.00, paid after September 30, 2007, and before October 1, 2008; and

(6) $915.00, paid after September 30, 2008.

(Authority: 38 U.S.C. 3534(b), 3564, 3686(a))

(i) Overpayment cases. VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy, is waived and is not recovered, or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and is not recovered, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative costs of collection, court costs and marshal fees,

(ii) Subtracting the remaining amount of the overpayment balance determined in paragraph (i)(3)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees),

(iii) Dividing the result obtained in paragraph (h)(3)(ii) of this section by the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees), and

(iv) Multiplying the percentage obtained in paragraph (h)(3)(ii) of this section by the amount of the entitlement otherwise chargeable for the period of the original overpayment.

(Authority: 38 U.S.C. 3471, 3532)

(j) Interruption to conserve entitlement. An eligible person may not interrupt a certified period of enrollment for the
§ 21.3046 Periods of eligibility; spouses and surviving spouses.

This section states how VA will compute the beginning date, the ending date and the length of a spouse’s or surviving spouse’s period of eligibility. The period of eligibility of a spouse computed under the provisions of paragraph (a) of this section will be recomputed under the provisions of paragraph (b) of this section if her or his status changes to that of surviving spouse.

(2) The beginning date of eligibility—
(i) Shall be determined as provided in paragraph (a)(2) of this section when—

(Authority: 38 U.S.C. 3512)

(2) If the veteran’s death occurred before December 1, 1968, but VA does not determine that the veteran died of a service-connected disability until after November 30, 1968, the beginning date of the 10-year period is the date on which VA determines that the veteran died of a service-connected disability.

(i) If the surviving spouse’s eligibility is based on the veteran’s death while a total, service-connected disability evaluated as permanent in nature was in existence, the beginning date of the 10-year period is the date of death.

(ii) If the surviving spouse’s eligibility is based on the veteran’s death from a service-connected disability, the surviving spouse will choose the beginning date of the 10-year period. That date will be no earlier than the date of death and no later than the date of the VA determination that the veteran’s death was due to a service-connected disability.

(i) It must be clearly established by medical evidence that such a program of education was medically infeasible.

(ii) An eligible spouse or surviving spouse who is disabled for a period of 30 days or less will not be considered as having been prevented from initiating or completing a chosen program, unless the evidence establishes that the eligible spouse or surviving spouse was prevented from enrolling or reenrolling in the chosen program of education, or was forced to discontinue attendance, because of the short disability.

(c) Length of extended periods of eligibility. An eligible spouse’s or surviving spouse’s extended period of eligibility shall be for the length of time that the individual was prevented from initiating or completing his or her chosen program of education. This shall be determined as follows:

(1) If the eligible spouse or surviving spouse is in training in a course organized on a term, quarter, or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the eligible spouse’s or surviving spouse’s original period of eligibility that his or her training became medically infeasible to the earliest of the following dates:

¹ If an eligible person under 38 U.S.C. chapter 35 pursuing independent study on a less than one-half-time basis completes his or her program before the designated completion time, his or her award will be recomputed to permit payment of tuition and fees not to exceed $394.00 or $197.00, as appropriate, per month, if the maximum allowance is not initially authorized.

² See footnote 5 of §21.4270(c) for measurement of full time and §21.3132(c) for proportionate reduction in award for completion of less than 120 hours per month.

(Authority: 38 U.S.C. 3532(e))

(b) Reduced educational assistance allowance for some incarcerated eligible persons—felony conviction. (1) VA will pay a reduced educational assistance allowance to an eligible person who:

(1) Is incarcerated in a Federal, State, or local penal institution for conviction of a felony; and

(2) Is enrolled in a course:

(A) For which the eligible person pays some (but not all) of the charges for tuition and fees; or

(B) For which a Federal program (other than one administered by VA) or a State or local program pays all the charges for tuition and fees, but which requires the eligible person to pay for books, supplies, and equipment.

(2) The monthly rate of educational assistance allowance payable to such an eligible person who is pursuing a course on a half-time or greater basis shall be the lesser of the following:

(i) The monthly rate of the portion of the tuition and fees that the eligible person must pay plus the monthly rate of the charge to the eligible person for the cost of necessary supplies, books, and equipment; or

(iii) An unavoidable geographical transfer resulting from the eligible person’s employment,

(i) The best interest of the eligible person would be served;

(ii) Undue delay in payment would be avoided; or

(iii) Payment would otherwise not be feasible.

VA will determine the stepchild’s eligibility ending date as follows:

(3) VA will not discontinue payments to a State approving agency under paragraph (a)(2) of this section if the State approving agency, after learning that it has any officer or employee described in that paragraph, acts without delay to end the employment of that individual.

(4) If VA discontinues payments to a State approving agency pursuant to paragraph (a)(2) of this section, VA will not resume these payments while such an individual is an officer or employee of the:

(i) State approving agency;

(ii) State Department of Veterans Affairs; or

(iii) State Department of Education.

(5) A State approving agency will not approve any course offered by an educational institution operated for profit and, if any such course has been approved, will disapprove each such course, if it finds that any officer or employee of the Department of Veterans Affairs, or the State approving agency owns an interest in, or receives any wages, salary, dividends, profits, gratuities, or service from, such educational institution.

(6) If a State approving agency finds that any officer or employee of VA or of the State approving agency owns an interest in, or receives wages, salary, dividends, profits, gratuities, or services from an organization or entity, operated for profit, that offers licensing or certification tests, the State approving agency:

(i) Will not approve any licensing or certification test that organization or entity offers; and

(ii) Will withdraw approval of any licensing or certification test that organization or entity offers.

(7) The Secretary may, after reasonable notice, and public hearings if requested, waive in writing the application of this paragraph in the case of any officer or employee of the Department of Veterans Affairs or of a State approving agency, if it is found that no detriment will result to the United States or to veterans or eligible persons by reason of such interest or connection of such officer or employee.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3683, 3689)

(b) Waiver. (1) Where a request is made for waiver of application of paragraph (a)(1) of this section, it will be considered that no detriment will result to the United States or to veterans or eligible persons by reason of such interest or connection of such officer or employee of the Department of Veterans Affairs, if the officer or employee:

(i) Acquired his or her interest in the educational institution by operation of law, or before the statute became applicable to the officer or employee, and his or her interest has been disposed of and his or her connection discontinued, or

(ii) Meets all of the following conditions:

(A) His or her position involves no policy determinations, at any administrative level, having to do with matters pertaining to payment of educational assistance allowance, or special training allowance.

(B) His or her position has no relationship with the processing of any veteran’s or eligible person’s application for education or training.

(C) His or her position precludes him or her from taking any adjudicative action on individual applications for education or training.

(D) His or her position does not require him or her to perform duties involved in the investigation of irregular actions on the part of educational institutions or veterans or eligible persons in connection with 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 33, 35 or 36.

(E) His or her position is not connected with the processing of claims by, or payments to, schools, or their students enrolled under the provisions

256
of 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 33, 35 or 36.

(F) His or her position is not connected in any way with the inspection, approval, or supervision of educational institutions desiring to train veterans or eligible persons or to offer a licensing or certification test or with the processing of claims by or making payments to veterans and eligible persons for taking an approved licensing or certification test.

(2) Where a request is made for waiver of application of paragraph (a)(2) of this section, it will be considered that no detriment will result to the United States or to veterans or eligible persons by reason of such interest or connection of such officer or employee of a State approving agency, if the officer or employee:

(i) Acquired his or her interest in the educational institution by operation of law, or before the statute became applicable to the officer or employee, and his or her interest has been disposed of and his or her connection discontinued, or

(ii) Meets all of the following conditions:

(A) His or her position does not require him or her to perform duties involved in the investigation of irregular actions on the part of educational institutions or veterans or eligible persons in connection with 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 33, 35 or 36.

(B) His or her work is not connected in any way with the inspection, approval, or supervision of educational institutions desiring to train veterans or eligible persons, or desiring to offer licensing or certification tests to veterans or eligible persons.

(c) Authority. (1) Authority is delegated to the Director, Education Service, and to the facility head in the cases of VA employees under his or her jurisdiction, to waive the application of paragraph (a)(1) of this section in the case of any VA employee who meets the criteria of paragraph (b)(1) of this section, and to deny requests for a waiver which do not meet those criteria. If the circumstances warrant, a waiver request may be submitted to the Secretary for a decision.

(2) Authority is delegated to the Director, Education Service, in cases of State approving agency employees to waive the application of paragraph (a)(2) of this section in the case of anyone who meets the criteria of paragraph (b)(2) of this section, and to deny requests for a waiver which do not meet those criteria. If the circumstances warrant, a waiver request may be submitted to the Secretary for a decision.

(3) Authority is reserved to the Secretary to waive the requirement of paragraphs (a)(1) and (2) of this section in the case of an officer of the Department of Veterans Affairs or a State approving agency and in the case of any employee of either who does not meet the criteria of paragraph (b) of this section.

(d) Notice when VA does not grant a requested waiver. When VA has denied a request for waiver of application of paragraph (a)(1) or (a)(2) of this section, VA will immediately notify the State approving agency and the educational institution:

(1) That the approval of courses or licensing and certification tests offered by the educational institution must be withdrawn;

(2) The reasons for the withdrawal of approval; and

(3) The conditions that will permit the courses or such tests to be approved again.

(e) Notice to veterans, reservists, and eligible individuals. (1) The veteran or eligible person will be notified in writing sent to his or her latest address of record when, in circumstances involving a finding of conflicting interests:

(i) The course or courses are disapproved by the State approving agency, or

(ii) The State approving agency fails to disapprove the course or courses within 15 days after the date of written notice to the agency, and no waiver has been requested, or

(iii) Waiver has been denied.

(2) The veteran or eligible person will be informed that he or she may apply
§ 21.4006 False or misleading statements.

(a) Payments may not be based on false statements. Except as provided in this section payments may not be authorized based on a claim where it is found that the school or any person has willfully submitted a false or misleading claim, or that the veteran or eligible person with the complicity of the school or other person has submitted such a claim. A complete report of the facts will be made to the State approving agency, and if in order to the Attorney General of the United States.

(b) Effect of false statements on subsequent payments. A claimant’s false or misleading statements are not a bar to payments based on further training.

(c) Forfeiture. The provisions of this section do not apply when forfeiture of all rights has been or may be declared under the provisions of §21.4007.

§ 21.4007 Forfeiture.

The rights of a veteran or eligible person to receive educational assistance allowance or special training allowance are subject to forfeiture under the provisions of §§3.900, 3.901 (except paragraph (c)), 3.902 (except paragraph (c)), 3.903, 3.904, 3.905 and 19.2 of this chapter.

(a) Prevention of overpayments to veterans and eligible persons enrolled in educational institutions. When approval of a course may be withdrawn, and overpayments may exist or may be created, VA may suspend further payments to veterans and eligible persons enrolled in the educational institution offering the course until the question of withdrawing approval is resolved. See §21.4210.

(b) Prevention of overpayments to veterans and eligible persons taking licensing and certification tests. When approval of a licensing or certification test may be withdrawn, and overpayments may exist or may be created, VA may suspend payments to veterans and eligible persons taking the test until the question of withdrawing approval is resolved. See §21.4210.

§ 21.4009 Waiver or recovery of overpayments.

For the purposes of this section, "educational institution" includes an
§ 21.4009

organization or entity offering licensing or certification tests.

(a) General. (1) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of that veteran or eligible person.

(2) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of the education institution if the Department of Veterans Affairs determines that the overpayment was made as the result of willful or negligent:

(i) Failure of the educational institution to report, as required by §§21.4203 and 21.4204, discontinuance or interruption of a course by a veteran, reservist or eligible person, or

(ii) False certification by the educational institution.

(3) If it appears that the falsity or misrepresentation was deliberate, the Department of Veterans Affairs may not pursue administrative collection pending a determination whether the matter should be referred to the Department of Justice for possible civil or criminal action. However, the Department of Veterans Affairs may recover the amount of the overpayment from the educational institution by administrative collection procedure when the Department of Veterans Affairs determines the false certification or misrepresentation resulted from an administrative error or misstatement of fact and that no criminal or civil action is warranted.

(4) If the Department of Veterans Affairs recovers any part of the overpayment from the educational institution, it may reimburse the educational institution, if the Department of Veterans Affairs subsequently collects the overpayment from the veteran or eligible person. The reimbursement—

(i) Will be made when the total amount collected from the educational institution and from the veterans and eligible persons (less any amount applied toward marshal fees, court costs, administrative cost of collection and interest) exceeds the total amount for which the educational institution is liable, and

(ii) Will be equal to the excess.

(5) This paragraph does not preclude the imposition of any civil or criminal liability under this or any other law.

(b) Reporting. (1) If a school is required to make periodic or other certifications, the Department of Veterans Affairs may consider the following in determining whether a school is potentially liable for an overpayment:

(i) The school's failure to report, or to report timely facts which resulted in an overpayment, or

(ii) The school's submission of an incorrect certification as to fact.

(2) In either instance the Department of Veterans Affairs will consider other pertinent factors such as:

(i) Allowing for occasional clerical error or occasional administrative error;

(ii) The school's past reliability in reporting;

(iii) The adequacy of the school's reporting system; and

(iv) The extent of noncompliance with reporting requirements.

Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3323(a), 3324(a), 3324(b), 3685

(c) Committee on School Liability. (1) Each VA Regional Processing Office shall have a Committee on School Liability. For the purposes of this section, the Manila Regional Office is considered the VA Regional Processing Office of jurisdiction for educational institutions located in the Philippines.

(2) The Secretary delegates to each Committee on School Liability, and to any panel that the chairperson of the Committee may designate and draw from the Committee, the authority to find whether an educational institution is liable for an overpayment.

Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3323(a), 3324(a), 3685, 3689(d)

(d) Initial decision. (1) The Education Officer of the VA Regional Processing Office of jurisdiction, or the Service Center Manager when the Manila Regional Office is considered the VA Regional Processing Office of jurisdiction, will decide whether there is evidence that would warrant a finding that an educational institution is potentially liable for an overpayment.
§ 21.4009

(2) Following each finding of potential liability, the Finance Officer of the VA Regional Processing Office of jurisdiction will notify the educational institution in writing of VA’s intent to apply the liability provisions of paragraph (a) of this section. The notice will—

(i) Identify the students who were overpaid;

(ii) Identify the veterans and eligible persons who took the licensing or certification test and were overpaid;

(iii) Set out in the case of each student, or in the case of each veteran or eligible person who took the test, the educational institution’s actions or omissions which resulted in the finding that the educational institution was potentially liable for the overpayment; and

(iv) State that VA will determine liability on the basis of the evidence of record unless the VA Regional Processing Office of jurisdiction receives additional evidence or a request for a hearing within 30 days of the date the educational institution received the notice.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(e) Hearings. An educational institution is entitled to a hearing before a panel drawn from the Committee on School Liability before a decision is made as to whether it is liable for an overpayment. Every hearing will be preceded by a prehearing conference unless the conference is waived by the educational institution. The Committee on School Liability will consider all evidence and testimony presented at the hearing.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(f) Extent of liability. Waiver of collection of an overpayment as to a veteran, reservist, or eligible person will not relieve the educational institution of liability for the overpayment. Recovery in whole or in part from the veteran, reservist, or eligible person will limit such liability accordingly. If an overpayment has been recovered from the educational institution and the veteran, reservist, or eligible person subsequently repays the amount in whole or in part, the amount repaid will be reimbursed to the educational institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(g) Notice to educational institution. The educational institution shall be notified in writing of the decision of the Committee on School Liability. If the educational institution is found liable for an overpayment, the educational institution also will be notified of the right to appeal the decision to the Central Office School Liability Appeals Board within 60 days from the date of the letter to the educational institution containing notice of the decision. The 60-day time limit may be extended to 90 days at the discretion of the chairperson of the Committee on School Liability. The appeal must be in writing setting forth fully the alleged errors of fact and law. If an appeal is not received within the 60-day time limit, the Committee decision is final.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(h) Appeals. An appeal will be forwarded to Central Office where it will be considered by the School Liability Appeals Board. The Board’s decision will serve as authority for instituting collection proceedings, if appropriate, or for discontinuing collection proceedings instituted on the basis of the original decision of the Committee on School Liability in any case where the Board reverses a decision made by the Committee that the educational institution is liable.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(i) Review. Review by the School Liability Appeals Board is limited to the issues raised by the educational institution and shall be on the record and not de novo in character. The Board may affirm, modify or reverse a decision of the Committee on School Liability or may remand an appeal for further consideration by the appropriate Committee on School Liability. If new and material evidence is discovered while the School Liability Appeals Board is considering a case, the Board
may remand the case to the appropriate Committee on School Liability.

(j) Finality of decisions. The School Liability Appeals Board has authority to act for the Secretary in deciding appeals concerning an educational institution’s liability for an overpayment. There is no right of additional administrative appeal of a decision of the School Liability Appeals Board.

PAYMENTS; EDUCATIONAL ASSISTANCE ALLOWANCE

§ 21.4131 Commencing dates.

VA will determine under this section the commencing date of an award or increased award of educational assistance provided pursuant to subpart C or G. When more than one paragraph in this section applies, VA will award educational assistance using the latest of the applicable commencing dates.

(a) Entrance or reentrance including change of program or educational institution: individual eligible under 38 U.S.C. chapter 32. When an eligible veteran or servicemember enters or reenters into training (including a reentrance following a change of program or educational institution), the commencing date of his or her award of educational assistance will be determined as follows:

(1) For other than licensing or certification tests. If the award is the first award of educational assistance for the program of education the veteran or servicemember is pursuing, the commencing date of the award of educational assistance is the latest of:

(A) The date the educational institution certifies under paragraph (b) or (c) of this section;

(B) One year before the date of claim as determined by § 21.1029(b);

(C) The effective date of the approval of the course, or one year before the date VA receives the approval notice, whichever is later; or

(ii) While the veteran or servicemember is eligible for educational assistance under subpart G; and

(iii) No more than one year before the date VA receives a claim for reimbursement of the cost of the test.

(b) Certification by school—the course or subject leads to a standard college degree. (1) When the student enrolls in a course offered by independent study, the commencing date of the award or increased award of educational assistance will be the date the student began pursuit of the course according to the regularly established practices of the educational institution.

(2) Except as provided in paragraphs (b)(3), (b)(4) and (b)(5) of this section when a student enrolls in a resident course or subject, the commencing date of the award or increased award of educational assistance will be the first scheduled date of classes for the term, quarter or semester in which the student is enrolled.

(3) When the student enrolls in a resident course or subject whose first scheduled class begins after the calendar week when, according to the school’s academic calendar, classes are scheduled to commence for the term, quarter, or semester, the commencing date of the award or increased award of educational assistance allowance will be the actual date of the first class scheduled for that particular course or subject.

(4) When a student enrolls in a resident course or subject, the commencing date of the award will be the date the student reports to the school provided that—

(i) The published standards of the school require the student to register before reporting, and

(ii) The published standards of the school require the student to report no more than 14 days before the first scheduled date of classes for the term,

(1) Residence school: See paragraph (b) of this section.

(2) Correspondence school: Date first lesson sent or date of affirmance whichever is later.

(Authority: 38 U.S.C. 3481, 3687)

When a person eligible to receive educational assistance under 38 U.S.C. chapter 35 enters or reenters into training (including a reentrance following a change of program or educational institution), the commencing date of his or her award of educational assistance will be determined as follows:

(1) For other than licensing or certification tests. (i) If the award is the first award of educational assistance for the program of education the eligible person is pursuing, the commencing date of the award of educational assistance is the latest of:

(Authority: 38 U.S.C. 3512, 3672, 3689, 5110, 5113)

(e) Adjusted effective date for award of educational assistance under 38 U.S.C. chapter 35 based on an original claim. When determining the commencing date under §21.4131(d)(1), the Secretary will consider an eligible person’s application for Survivors’ and Dependents’ Educational Assistance under 38 U.S.C. chapter 35 as having been filed on his or her eligibility date if—

(1) The eligibility date is more than 1 year before the date of the initial rating decision that establishes either:

(i) The veteran’s death is service-connected, or

(g) Correction of military records. Eligibility of a veteran or eligible person may arise as the result of correction or modification of military records under 10 U.S.C. 1552, or a change, correction or modification of a discharge or dismissal under 10 U.S.C. 1553, or other competent military authority. In these cases the commencing date of educational assistance allowance will be in accordance with the facts found, but not earlier than the date the change, correction or modification was made by the service department.

(Authority: 38 U.S.C. 3462(b), 3501(d))

(h) Individuals in a penal institution. If a veteran or eligible person is paid a reduced rate of educational assistance or no educational assistance under §21.3132 (a) or (b) or §21.5139, the rate will be increased or benefits will commence effective the earlier of the following dates:

(h) Required certifications not received after certification of enrollment (§§21.4203 and 21.4204). (1) If required certification of attendance of a veteran or eligible person enrolled in a course not leading to a standard college degree is not timely received, payments will be terminated date of last certification. If certification is later received, adjustment will be made based on facts found.

(2) If verification of enrollment and certificate of delivery of the check is not received within 60 days, in the case of an advance payment, the actual facts will be determined and adjustment made, if required, on the basis of facts found. If student failed to enroll, termination will be effective the beginning date of the enrollment period.

(i) False or misleading statements. See §21.4006.

(Authority: 38 U.S.C. 3672(a), 3690)

(k) Disapproval by Department of Veterans Affairs (§§21.4215, 21.4259(c)). If VA

(Authority: 38 U.S.C. 3671(b), 3672(a), 3690)

(1) Conflicting interests (not waived) (§ 21.4005). Thirty days after date of letter notifying veteran or eligible person, unless terminated earlier for other reason.

(m) Incarceration in prison or penal institution for conviction of a felony. (1) The provisions of this paragraph apply to a veteran or eligible person whose educational assistance must be discontinued or who becomes restricted to payment of educational assistance allowance at a reduced rate under § 21.3132(a) or (b) or § 21.5139.

(2) The reduced rate or discontinuance will be effective the latest of the following dates.

(i) The first day on which all or part of the veteran’s or eligible person’s tuition and fees were paid by a Federal, State or local program.

(ii) The date the veteran or eligible person is incarcerated in prison or penal institution, or

(2) Date of last payment on an erroneous award based solely on administrative error by VA or error in judgment by VA.

(Authority: 38 U.S.C. 5112(b)(10) and 5113)

(r) Treasonable acts or subversive activities; forfeiture (§ 21.4007). Beginning date of award or date preceding date of commission of treasonable act or subversive activities for which convicted, whichever is later.

(s) Reduction in rate of pursuit of course (§ 21.4270). (1) VA will reduce an individual’s educational assistance allowance effective the first date of the term in which the individual reduces training by withdrawing from part of a course, if the reduction occurs at the beginning of the term.

(2) VA will reduce an individual’s educational assistance allowance effective the earlier of the end of the month or end of the term in which an individual reduces training by withdrawing from part of a course when:

(i) The reduction does not occur at the beginning of the term;

(ii) The individual received a lump-sum payment for the quarter, semester, term or other enrollment period during which he or she reduced training; and

(iii) There are mitigating circumstances, or the individual receives a punitive grade for the portion of the course from which he or she withdrew.

(3) VA will reduce an individual’s educational assistance allowance effective the date on which an individual reduces training when:

(i) The reduction does not occur at the beginning of the term;
§ 21.4136 Withdrawals or nonpunitive grades may result in nonpayment.

(a) General. VA will not pay benefits to an individual for a course from which the individual withdraws or receives a nonpunitive grade which is not used in computing the requirements for graduation unless:

(i) The individual withdraws because he or she is ordered to active duty; or

(ii) All of the following criteria are met:

(1) There are mitigating circumstances;

(2) The individual submits a description of the circumstances in writing to VA either within one year from the date VA notifies the individual that he or she must submit the mitigating circumstances or at a later date if the individual is able to show good cause why the one-year time limit should be extended to the date on which he or she submitted the description of the mitigating circumstances; and

(3) VA will reduce the individual’s educational assistance allowance effective the date the subject or subjects were completed.

(4) If the individual reduces training by withdrawing from a part of a course and the withdrawal does not occur because the individual was ordered to active duty; there are no mitigating circumstances; and the individual receives a nonpunitive grade from that portion of the course from which he or she withdrew, VA will reduce the individual’s educational assistance effective the later of the following:

(i) The first date of enrollment of the term in which the reduction occurs; or

(ii) December 1, 1976. See paragraphs (e) and (w) of this section also.

(5) An individual who enrolls in several subjects and reduces his or her rate of pursuit by completing one or more of them while continuing training in others, may receive an interval payment based on the subjects completed, if the requirements of §21.4138(f) of this part are met. If those requirements are not met, VA will reduce the individual’s educational assistance allowance effective the date the subject or subjects were completed.

§21.4138

(iii) The individual submits evidence supporting the existence of mitigating circumstances within one year of the date that evidence is requested by VA, or at a later date if the individual is able to show good cause why the one-year time limit should be extended to the date on which he or she submitted the evidence supporting the existence of mitigating circumstances.

(Authority: 38 U.S.C. 3680(a))

(b) Representative mitigating circumstances. The following circumstances, which are not all inclusive, are representative of those that VA considers to be mitigating provided they prevent the individual from pursuing the program of education continuously:

1. An illness of the individual;
2. An illness or death in the individual’s family;
3. An unavoidable geographical transfer resulting from the individual’s employment;
4. An unavoidable change in the individual’s conditions of employment;
5. Immediate family or financial obligations beyond the control of the individual that require him or her to suspend pursuit of the program of education to obtain employment;
6. Discontinuance of the course by the school;
7. Unanticipated active duty for training;
8. Unanticipated difficulties in caring for the individual’s child or children.

(Authority: 38 U.S.C. 3680(a))

(c) Failure to complete a course for the educationally disadvantaged. If the individual fails to satisfactorily complete a course under 38 U.S.C. 3491(a) without fault, VA will consider the circumstances that caused the failure to be mitigating. This will be the case even if the circumstances were not so severe as to preclude continuous pursuit of a program of education.

(d) Withdrawals after May 31, 1989. In the first instance of a withdrawal after May 31, 1989, from a course or courses for which the individual received educational assistance under 38 U.S.C. chapter 32, VA will consider that mitigating circumstances exist with respect to courses totaling not more than six semester hours or the equivalent, and paragraphs (a)(2)(ii) and (a)(2)(iii) of this section will not apply.

(Authority: 38 U.S.C. 3680(a)(3))

(e) Withdrawals during a drop-add period. If the individual withdraws from a course during a drop-add period, VA will consider the circumstances that caused the withdrawal to be mitigating, and paragraphs (a)(2)(ii) and (a)(2)(iii) of this section will not apply.

§21.4138 Certifications and release of payments.

For the purposes of this section, the Manila Regional Office is considered the VA Regional Processing Office of jurisdiction for educational assistance allowance claims processed under 38 U.S.C. chapter 35 for educational institutions located in the Philippines.

(a) Advance payments. (1) VA will make payments of educational assistance in advance when:

(i) The veteran, servicemember, reservist, or eligible person has specifically requested such a payment;
(ii) The student is enrolled for half-time or more;
(iii) The educational institution at which the veteran, servicemember, reservist, or eligible person is accepted or enrolled has agreed to and can satisfactorily carry out the provisions of 38 U.S.C. 3680(d)(4)(B) and (C) and (5) pertaining to receipt, delivery, or return of checks and certifications of delivery and enrollment;
(iv) The Director of the VA Regional Processing Office of jurisdiction has not acted under paragraph (a)(4) of this section to prevent advance payments being made to the veteran’s, servicemember’s, reservist’s, or eligible person’s educational institution;
(v) There is no evidence in the veteran’s, servicemember’s, reservist’s, or eligible person’s claim file showing
that he or she is not eligible for an advance payment:

(vi) The period for which the veteran, servicemember, reservist, or eligible person has requested a payment either—

(A) Is preceded by an interval of non-payment of 30 days or more; or

(B) Is the beginning of a school year that is preceded by a period of non-payment of 30 days or more; and

(vii) The educational institution or the veteran, servicemember, reservist, or eligible person has submitted the certification required by §21.7151.

(2) The amount of the advance payment to a veteran, reservist, or eligible person is the educational assistance for the month or fraction thereof in which the term or course will begin plus the educational assistance for the following month. The amount of the advance payment to a servicemember is the amount payable for the entire term, quarter, or semester, as applicable.

(3) VA will mail advance payments to the educational institution for delivery to the veteran, servicemember, reservist, or eligible person. The educational institution will not deliver the advance payment check more than 30 days in advance of the first date of the period for which VA makes the advance payment.

(4) The Director of the VA Regional Processing Office of jurisdiction may direct that advance payments not be made to individuals attending an educational institution if:

(i) The educational institution demonstrates an inability to comply with the requirements of paragraph (a)(3) of this section;

(ii) The educational institution fails to provide adequately for the safe-keeping of the advance payment checks before delivery to the veteran, servicemember, reservist, or eligible person or return to VA; or

(iii) The Director determines, based on compelling evidence, that the educational institution has demonstrated its inability to discharge its responsibilities under the advance payment program.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034, 3680(d))

(b) Lump-sum payments. A lump-sum payment is a payment of all educational assistance due for an entire quarter, semester, or term. VA will make a lump-sum payment to:

(1) A veteran or servicemember pursuing a program of education at less than the half-time rate under 38 U.S.C. chapter 30;

(2) A servicemember pursuing a program of education at the half-time rate or greater under 38 U.S.C. chapter 30, provided that VA did not make an advance payment to the servicemember for the term for which a lump-sum payment would otherwise be due; and

(3) An eligible person pursuing a program of education at less than the half-time rate under 38 U.S.C. chapter 35.

(Authority: 38 U.S.C. 3034(c), 3680(f))

(c)–(d) [Reserved]

(e) Other payments. An individual must be pursuing a program of education in order to receive payments. To ensure that this is the case the provisions of this paragraph must be met.

(1) VA will pay educational assistance to an individual (other than one pursuing a program of apprenticeship or other on-job training or a correspondence course, one who qualifies for an advance payment or one who qualifies for a lump-sum payment) only after—

(i) The educational institution has certified his or her enrollment as provided in §21.4203; and

(ii) VA has received from the individual a verification of the individual’s enrollment or verification of pursuit and continued enrollment, as appropriate. Generally, this verification will be required monthly, resulting in monthly payments.

(2) VA will pay educational assistance to an individual pursuing a program of apprenticeship or other on-job training only after—

(i) The training establishment has certified his or her enrollment in the training program as provided in §21.4203; and

(ii) VA has received from the individual and the training establishment a certification of hours worked.

(3) VA will pay educational assistance to an individual who is pursuing a correspondence course only after—
§21.4138

(i) The educational institution has certified his or her enrollment;

(ii) VA has received from the individual a certification as to the number of lessons completed and served by the educational institution; and

(iii) VA has received from the educational institution a certification or an endorsement on the individual’s certificate, as to the number of lessons completed by the individual and served by the educational institution.

(Authority: 38 U.S.C. 5113, 3680(b), 3680(g))

(f) Payment for intervals and temporary school closings. VA may authorize payment for an interval or for a temporary school closing that occurs within a certified enrollment period. If a school closing that is or may be temporary occurs during an interval, VA will apply any applicable provisions in paragraphs (f)(1) through (f)(5) of this section concerning intervals and in paragraph (f)(6) of this section concerning temporary school closings. For the purposes of this paragraph, interval means a period without instruction between consecutive school terms, quarters, or semesters or a period without instruction between a summer term and a term, quarter, or semester. (See definitions of divisions of the school year in §21.4200(b).)

(1) Payment for intervals. In determining whether a student will be paid for an interval, VA will first review the provisions of paragraph (f)(2) of this section. If none of the provisions apply, VA will review the provisions of paragraphs (f)(3), (f)(4), and (f)(5) of this section to determine if payments may be made for the interval. In determining the length of a summer term, VA will disregard a fraction of a week consisting of 3 days or less, and will consider 4 days or more to be a full week.

(2) Restrictions on payment for intervals. VA will make no payment for an interval if:

(i) The student is training at less than the half-time rate on the last day of training during the term, quarter, semester, or summer term preceding the interval;

(ii) The student is on active duty;

(iii) The student requests, prior to authorization of an award or prior to negotiating the check, that no benefits be paid for the interval period;

(iv) The student’s entitlement applicable to such payment will be exhausted by receipt of such payment, and it is to the advantage of the student not to receive payment;

(v) The interval occurs between school years at a school that is not organized on a term, quarter, or semester basis.

(vi) The student withdraws from all courses in the term, quarter, semester, or summer session preceding the interval, or discontinues training before the scheduled start of an interval in a school not organized on a term, quarter, or semester basis;

(vii) The student receives an accelerated payment for the term, quarter, semester, or summer session preceding the interval.

(3) Payment for interval between periods of enrollment at different schools. If the student transfers from one approved school for the purpose of enrolling in and pursuing a similar course at the second school, VA may make payments for an interval that does not exceed 30 days. If the student does not enroll in a similar course at the second school, VA may not make payments for the interval.

(4) Payment for intervals that occur at the same school. (i) If the student remains enrolled at the same school, VA may make payment for an interval which does not exceed 8 weeks and which occurs between:

(A) Semesters or quarters,

(B) A semester or quarter and a term that is at least as long as the interval,

(C) A semester or quarter and a summer term that is at least as long as the interval,

(D) Consecutive terms (other than semesters or quarters) provided that both terms are at least as long as the interval, or

(E) A term and summer term provided that both the term and the summer term are at least as long as the interval.

(ii) If the student remains enrolled at the same school, VA may make payment for an interval that does not exceed 30 days and that occurs between
summer sessions within a summer term.

(Authority: 38 U.S.C. 3680)

(5) Payment for intervals that occur between overlapping enrollments. (i) If a student is enrolled in overlapping enrollment periods whether before or after an interval (either at the same or different schools), VA will determine whether the student is entitled to payment for the interval between the overlapping enrollment periods, and what dates the interval and enrollment periods will be considered to begin and end, as follows:

(A) By treating the ending date of each enrollment period as though it were the student’s last date of training before the interval.

(B) By treating the beginning date of each enrollment period as though it were the student’s first date of training after the interval.

(C) By examining the interval payment that would be made to the student on the basis of the various combinations of beginning and ending dates, and

(D) By choosing the ending date and beginning date that result in the highest payment rate as the start and finish of the interval for VA measurement purposes.

(ii) VA will not reduce the interval rate of payment as a result of training the student may take during the interval, but VA will increase the interval rate of payment if warranted by such training.

(Authority: 38 U.S.C. 3680(a))

(6) Payment for temporary school closings. VA may authorize payment for temporary school closings that are due to an emergency (including strikes) or established policy based upon an Executive Order of the President. If a school closing that is or may be temporary occurs in whole or in part during an interval, VA will first review the provisions of paragraphs (f)(2) through (f)(5) of this section to determine if payment may be continued during the interval.

(i) If payment would not be inconsistent with the provisions of paragraphs (f)(2) through (f)(5) of this section, a determination to authorize payment for a period of a temporary school closing, or to not authorize payment if, in the judgment of the VA official specified in this paragraph, either the school closing will not be temporary or payment would not otherwise be in accord with this section, or both, will be made by:

(A) The Director of the VA Regional Processing Office of jurisdiction if:

(1) The reason for the school closing does not result in the closing of a school or schools in the jurisdiction of the Director of another VA Regional Processing Office, and

(2) If the reason for the closing is a strike, the strike has lasted 30 days or less and is not anticipated to last more than 30 days.

(B) The Director, Education Service if:

(1) The reason for the closing results in the closing of schools in the jurisdiction of more than one Director of a VA Regional Processing Office, or

(2) The reason for the closing is a strike and the strike lasts, or is anticipated to last, more than 30 days.

(ii) A school that disagrees with a decision made under paragraph (f)(6) of this section may request an administrative review. The review request must be submitted in writing and received by the Director of the VA Regional Processing Office of jurisdiction within one year of the date of VA’s letter notifying the school of the decision. A review of the decision will include the evidence of record and any other pertinent evidence the school may wish to submit. The affirmation or reversal of the initial decision based on an administrative review is final. The review will be conducted by the—

(A) Director, Education Service, if the Director of the VA Regional Processing Office of jurisdiction made the initial decision to continue or discontinue payments.

(B) Under Secretary for Benefits, if the Director, Education Service, made
§ 21.4145

Work-study allowance.

(a) Eligibility. (1) A veteran or reservist pursuing a program of education under either 38 U.S.C. chapter 30, 32 or 33 or 10 U.S.C. chapter 1606 at a rate of three-quarter time or full time is eligible to receive a work-study allowance.

(2) An eligible person is eligible to receive a work-study allowance when

(i) The eligible person is pursuing a program of education under 38 U.S.C. chapter 35 on at least a three-quarter-time basis;

(ii) The eligible person is pursuing a program of education in a State; and

(iii) The eligible person is not pursuing a program of special restorative training.

(b) Selection criteria. Whenever feasible, the Department of Veterans Affairs will give priority in selection for this allowance to veterans with service-connected disabilities rated at 30 percent or more. The Department of Veterans Affairs shall consider the following additional selection criteria:

(1) Need of the veteran, reservist, or eligible person to augment his or her educational assistance allowance;

(2) Availability to the veteran, reservist, or eligible person of transportation to the place where his or her services are to be performed;

(3) Motivation of the veteran, reservist, or eligible person; and

(4) Compatibility of the work assignment to the veteran’s, reservist’s, or eligible person’s physical condition.

(c) Utilization. Work-study services may be utilized in connection with:

(1) Outreach services program as carried out under the supervision of a Department of Veterans Affairs employee;

(2) Preparation and processing of necessary papers and other documents at educational institutions or regional offices or facilities of the Department of Veterans Affairs;

(3) Hospital and domiciliary care and medical treatment at VA facilities;

(4) For a reservist training under 10 U.S.C. chapter 1606, activities relating to the administration of 10 U.S.C. chapter 1606 at Department of Defense facilities, Coast Guard facilities, or National Guard facilities; and

(5) Any other appropriate activity of VA.

(d) Rate of payment. In return for the veteran’s, reservist’s, or eligible person’s agreement to perform services for VA totaling not more than 25 hours times the number of weeks contained in an enrollment period, VA will pay an allowance in an amount equal to the higher of:

(1) The hourly minimum wage in effect under section 6(a) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)) times the number of hours the veteran, reservist, or eligible person has agreed to work; or

(2) The hourly minimum wage under comparable law of the State in which the services are to be performed times the number of hours the veteran, reservist, or eligible person has agreed to work.

(e) Payment in advance. VA will pay in advance an amount equal to the lesser of the following:

(1) 40 percent of the total amount payable under the contract; or
Department of Veterans Affairs

§ 21.4146

(2) An amount equal to 50 times the applicable minimum hourly wage in effect on the date the contract is signed.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3104(a)(4), 3241(a), 3323(a), 3485, 3337)

(f) Veteran, reservist, or eligible person reduces rate of training. In the event the veteran, reservist, or eligible person reduces his or her training to less than three-quarter-time before completing an agreement, the veteran, reservist, or eligible person, with the approval of the Director of the VA field station, or designee, may be permitted to complete the portions of an agreement in the same or immediately following term, quarter, or semester in which the veteran, reservist, or eligible person ceases to be a three-quarter-time student.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3104(a)(4), 3241(a), 3323(a), 3485, 3337)

(g) Veteran, reservist, or eligible person terminates training. (1) If the veteran, reservist, or eligible person terminates all training before completing an agreement, the Director of the Department of Veterans Affairs facility or designee:

(i) May permit him or her to complete the portion of the agreement represented by the money the Department of Veterans Affairs has advanced to the veteran, reservist, or eligible person for which he or she has performed no services, but
(ii) Will not permit him or her to complete that portion of an agreement for which no advance has been made.

(2) The veteran, reservist, or eligible person must complete the portion of an agreement in the same or immediately following term, quarter, or semester in which the veteran, reservist, or eligible person terminates training.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3104(a)(4), 3241(a), 3323(a), 3485, 3337)

(h) Indebtedness for unperformed service. (1) If the veteran, reservist, or eligible person has received an advance for hours of unperformed service, and the Department of Veterans Affairs has evidence that he or she does not intend to perform that service, the advance:

(i) Will be a debt due the United States, and
(ii) Will be subject to recovery the same as any other debt due the United States.

(2) The amount of indebtedness for each hour of unperformed service shall equal the hourly wage that formed the basis of the contract.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3104(a)(4), 3241(a), 3323(a), 3485, 3337)

(i) Survey. The Department of Veterans Affairs will conduct an annual survey of its regional offices to determine the number of veterans, reservists, or eligible persons whose services can be utilized effectively.

(Authority: 38 U.S.C. 3485)

§ 21.4146 Assignments of benefits prohibited.

(a) General. Section 5301(a), Title 38 U.S.C., provides that payments of benefits due or to become due under the laws administered by the Department of Veterans Affairs shall not be assigned, except to the extent specifically authorized by law. No law specifically authorizes assignments of educational assistance allowances payable under 38 U.S.C. chapters 30, 32, 33, 35, or 36, or 10 U.S.C. chapter 1606, and therefore none shall be made.

(b) Designating an attorney-in-fact. In any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee’s address for the purpose of receiving his or her benefit check and has executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(c) Arrangements amounting to an assignment. Payments may be made to a post office box address or a bank address only if the educational institution (other than an organization or entity offering a licensing or certification test) attests that it has not entered into an assignment agreement with the student, and is not the attorney-in-fact of the student with power to negotiate an educational assistance
check on behalf of the student and is not otherwise able to control the proceeds of the benefits check. Such statements shall be subject to review and when determined to be false, may be cause for creation of an overpayment to the account of the veteran or other eligible person, for which the educational institution (other than an organization or entity offering a licensing or certification test) may be liable under the provisions of §21.4009.

(d) Correspondence school addresses. A request by a veteran or other eligible person to send the benefit check payable to him or her at an address which is an educational institution primarily engaged in correspondence course instruction will be presumed not to be the actual address of the veteran or other eligible person and will not be honored. Benefits checks will not be sent to the veteran or other eligible person in that event until a new address is provided designating the individual’s mailing address.

(e) Referral to Committee on Educational Allowances. When the evidence of record indicates that an educational institution has violated the terms of this section, the matter will be referred to the facility Committee on Educational Allowances as provided in §§21.4210(g) and 21.4212.

STATE APPROVING AGENCIES

§21.4150 Designation.

(a) The Chief Executive of each State is requested to create or designate a State department or agency as the State approving agency for his State, for the purpose of assuming the responsibilities delegated to the State under 38 U.S.C. chapter 36, or if the law of the State provides otherwise, to indicate the agency provided by such law (38 U.S.C. 3671(a)).

(b) The Chief Executive of each State will notify the Department of Veterans Affairs of any change in the designation of a State approving agency.

(c) The provisions of 38 U.S.C. chapters 36 and the sections in this part which refer to the State approving agency will be deemed to refer to VA:

(1) With respect to a State, when that State:

(i) Does not have and fails or declines to create or designate a State approving agency, or

(a) Expenses will be reimbursed under contract—(1) Scope of contracts. (i) If a State or local agency requests payment for service contemplated by law, and submits information prescribed in paragraph (e) of this section, VA will negotiate a contract or agreement with the State or local agency to pay (subject to available funds and acceptable annual evaluations) reasonable and necessary expenses incurred by the State or local agency in—

(ii) Travel expenses for which reimbursement may be authorized under a contract will be limited to:

(A) Expenses allowable under applicable State laws or travel regulations of the State or agency;

(B) Expenses for travel actually performed by employees specified under the terms of the contract and;

(C) Either actual expenses for transportation, meals, lodging and local telephone calls, or the regular State or agency per diem allowance.

(iii) All claims for travel expenses payable under the terms of a contract must be supported by factual vouchers and all transportation allowances must be supported by detailed claims which can be checked against work assignments in the office of the State approving agency.

(3) Administrative expenses. In determining the allowance for administrative expenses for which payment may be authorized, VA will apply the provisions of 38 U.S.C. 3674(b). In making...
that application, VA will determine reimbursable salary cost pursuant to paragraph (c)(1) of this section.

(Authority: 38 U.S.C. 3674(b))

(4) **Subcontracts.** The State approving agency may also be reimbursed for work performed by a subcontractor provided:

(This does not preclude reimbursement for expenses of the State agency incurred in the development of standards and criteria for the approval of courses under the law.)

(7) Any expense for supervision or other services to be covered by contracts which are already being reimbursed or paid from tuition funds under this law.

If the State disagrees, the State may request the Contracting Officer to reconsider his or her decision or may initiate action under the Disputes clause of the contract. See 48 CFR 801.602.

The report may be submitted monthly or quarterly by the State approving agency as provided in the contract or agreement.

(b) Content of the report. The report:
(1) Shall be in the form prescribed by the Secretary;
(2) Shall detail the activities of the State approving agencies under the agreement or contract during the preceding month or quarter, as appropriate;
(3) May include, at the option of the State approving agency, a cumulative report of its activities from the beginning of the fiscal year to date;
(4) Shall describe the services performed and the determination made in supervising and ascertaining the qualifications of educational institutions in connection with the programs of the Department of Veterans Affairs; and
(5) Shall include other information as the Secretary may prescribe.

§ 21.4155 Evaluations of State approving agency performance.

The evaluation shall be based on standards developed by VA with State approving agencies. VA shall provide each State approving agency an opportunity to comment upon the evaluation.

(2) In developing and applying standards described in paragraph (d)(1) of this section, a State approving agency may take into consideration the State’s merit system requirements and other local requirements and conditions. However, no State approving agency may develop, adopt or apply qualification or performance standards that do not meet the requirements of paragraph (d)(3) of this section.

(3) The qualification and performance standards adopted by the State approving agency shall describe a level of qualification and performance which shall equal or exceed the level of qualification and performance described in the prototype qualification and performance standards developed by VA with the State approving agencies. (Authority: 38 U.S.C. 3688(c))

(1) An institution of higher learning that is accredited as a collegiate institution by a recognized regional or national accrediting agency;

[31 FR 6774, May 6, 1966]
(C) Persons authorized by the base commander to attend the course provided the base is located outside the United States.

(D) In the case of a course offered on or immediately adjacent to a facility of the National Guard or the Selected Reserve, members of the National Guard, members of the Selected Reserve and their dependents.

(4) The provisions of paragraph (a) of this section generally do not apply to a course when the total number of veterans, eligible persons, and reservists receiving assistance under 38 U.S.C. chapters 30, 31, 32, 33, 35 and 36, and 10 U.S.C. chapter 1606, who are enrolled in the educational institution offering the course, equals 35 percent or less of the total student enrollment at the educational institution (computed separately for the main campus and any branch or extension of the institution). However, the provisions of paragraph (a) of this section will apply to such a course when—

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(i) The course is a course of Special Assistance for the Educationally Disadvantaged and a serviceperson enrolls in it, or

(ii) The Director of the Department of Veterans Affairs facility of jurisdiction has reason to believe that the enrollment of veterans and eligible persons in the course may exceed 85 percent of the total student enrollment in the course.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(d) Applications for exemptions. No applications are required for any exemptions except that found in paragraph (c)(4) of this section. To obtain an exemption as stated in paragraph (c)(4) of this section schools must submit reports as required in paragraph (f)(1) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(e) Computing the 85–15 percent ratio—

(1) Determining when separate computations are required. Except as provided in paragraph (c) of this section and in paragraph (e)(3) of this section, an 85–15 percent ratio must be computed for each course of study or curriculum leading to a separately approved educational or vocational objective. Computations will not be made for unit subjects, unless only one unit subject is approved by the State approving agency to be offered at a separate branch or extension of a school. Courses or curricula which are offered at separately approved branches or extensions, as well as courses or curricula leading to a secondary school diploma or equivalency certificate offered at any branch or extension, must have an 85–15 percent ratio computed separately from the same course offered at the parent institution. The count of students attending the branch may not be added to those attending the parent institution even for the same courses or curricula. However, the count of those attending courses or curricula offered at an additional facility, as opposed to a branch or extension, must be added to those attending the same course at the parent institution. Pursuit of a course or curriculum that varies in any way from a similar course, although it may have the same designation as the other similar course or curriculum, will require a separate 85–15 percent computation. A course or curriculum will be considered to vary from another if there are different attendance requirements, required unit subjects are different, required completion length is different, etc.

(i) Separate courses for computation purposes in institutions of higher learning will be determined by general curriculum only until the point at which it is reasonable to assume a major field would be declared and after that point by specific curriculum.

(A) General 2-year curricula at 2-year institutions of higher learning, general curricula such as AA (Associate of Arts) or AS (Associate of Science) degrees with no major specified, will require separate computations for each curriculum. Terminal 2-year courses (i.e., AAS (Associate of Applied Science), dental technology or auto mechanics certificate) and other associate degree courses where a field is specified must be computed separately for each objective.

285
(B) Students attending 4-year institutions of higher learning and graduate schools may be counted in general curricula such as BA (Bachelor of Art) and BS (Bachelor of Science) only until the normal point at which the school requires the student to declare a major subject. Then the 85-15 percent computation must be made for each specific curriculum, i.e., BS (Bachelor of Science) in electrical engineering, MA (Master of Arts) in English, etc.

(ii) NCID (noncollege degree) courses must be computed separately by approved vocational objective. If several curricula lead to the same coded vocational objective, each must meet the 85–15 percent requirement separately, unless it can be shown that two or more courses are identical in all respects (scheduling, hours devoted to each unit subject, etc.). Branch or extension courses will be computed separately from courses at the parent facility. Courses offered on a full- and part-time basis which are identical in length and content will be combined for computing the ratio.

(2) Assigning students to each part of the ratio. Notwithstanding the provisions of paragraph (a) of this section, the following students will be considered to be nonsupported provided VA is not furnishing them with educational assistance under title 38, U.S.C., or under title 10, U.S.C.:

(i) Students who are not veterans or reservists, and are not in receipt of institutional aid.

(ii) All graduate students in receipt of institutional aid.

(iii) Students in receipt of any Federal aid (other than Department of Veterans Affairs benefits).

(iv) Undergraduates and non-college degree students receiving any assistance provided by an institution, if the institutional policy for determining the recipients of such aid is equal with respect to veterans and nonveterans alike.

(3) Calculation. (i) To determine if the requirement of paragraph (a) of this section has been met for all courses except flight courses the full-time equivalent, nonsupported students as defined by paragraph (e)(2) of this section will be compared to the full-time equivalent students enrolled in the course. If the full-time equivalent, nonsupported students do not equal at least 15 percent of the total full-time enrollment, the 85-15 percent requirement has not been met for the course. If a non-Department of Veterans Affairs student in a correspondence course has not completed a lesson nor made a payment toward the cost of the course during the 6-month period immediately prior to the computation, the student will not be counted in computing the 85-15 percent ratio.

(ii) The 85-15 percent ratio for flight courses shall be computed by comparing the number of hours of training received by or tuition charged to nonsupported students in the preceding 30 days to the total number of hours of training received by or tuition charged to all students in the same period. All approved courses offered under 14 CFR parts 141 and 142 at a flight school will be considered to be one course for the purpose of making this computation. In this computation hours of training or tuition charges for students enrolled—

(A) In the recreational pilot certification course and the private pilot certification course will be excluded;

(B) In a ground instructor certification course will be included;

(C) In courses approved under 14 CFR part 141, other than a ground instructor certification course, will be actual hours of logged instructional flight time or the charges for those hours; and

(D) In courses not approved under 14 CFR part 141, such as courses offered by flight simulator or courses for navigator or flight engineer, shall include ground training time or charges; actual logged instructional flight time or charges; and instructional time in a
flight simulator or charges for that training.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3214(a), 3323(a), 3680A(d))

(f) Reports. (1) Schools must submit to VA all calculations needed to support the exemption found in paragraph (c)(4) of this section. If the school is organized on a term, quarter, or semester basis, it shall make that submission no later than 30 days after the beginning of the first term for which the school wants the exemption to apply. If the school is not organized on a term, quarter or semester basis, it shall make that submission no later than 30 days after the beginning of the first calendar quarter for which the school wishes the exemption to apply. A school having received an exemption found in paragraph (c)(4) of this section shall not be required to certify that 85 percent or less of the total student enrollment in any course is receiving Department of Veterans Affairs assistance:

(i) Unless the Director of the VA facility of jurisdiction has reason to believe that the enrollment of eligible veterans and eligible persons in a specific course may exceed 85 percent of the total enrollment in a specific course, or

(ii) Until such time as the total number of veterans, eligible persons and reservists receiving assistance under 38 U.S.C. chapters 30, 31, 32, 33, 35 and 36, and 10 U.S.C. chapter 1606, who are enrolled in the educational institution offering the course, equals more than 35 percent of the total student enrollment at the educational institution (computed separately for the main campus and any branch or extension of the institution). At that time the procedures contained in paragraph (f)(2) of this section shall apply.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3214(a), 3323(a), 3680A(d))

(2) The school must submit all calculations made under paragraph (e)(3) of this section to the Department of Veterans Affairs according to these time limits.

(i) If the school is organized on a term, quarter or semester basis, the calculations must be submitted no later than 30 days after the beginning of each regular school term (excluding summer sessions), or before the beginning date of the next term, whichever occurs first.

(ii) If a school is not organized on a term, quarter or semester basis, reports must be received by the Department of Veterans Affairs no later than 30 days after the end of each calendar quarter.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3214(a), 3323(a), 3680A(d))

(g) Effect of the 85–15 percent ratio on processing new enrollments. (1) The Department of Veterans Affairs will process new enrollments of eligible veterans (and servicepersons where this provision applies to them), in a course on the basis of the school’s submission of the most recent computation showing that:

(i) The 85–15 percent ratio is satisfactory, or

(ii) The course is exempt under paragraph (c)(4) of this section.

(2) Except for those enrollments with a beginning date before or the same as the date the school completed the most recent computation, no benefits will be paid under 10 U.S.C. chapter 1606 or under 38 U.S.C. chapter 30, 32, 33, or 36, when that computation establishes that the course:

(i) Neither has a satisfactory 85–15 percent ratio, nor

(ii) Is exempt under paragraph (c)(4) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3214(a), 3323(a), 3680A(d))

(3) If a school fails to submit a timely computation, no benefits will be paid for:

(i) The enrollment of a serviceperson in a course leading to a secondary school diploma or an equivalency certificate if the enrollment has beginning dates beyond the expiration of the allowable computation period, or

(ii) The enrollment of a veteran in any course to which the provisions of
paragraph (a) of this section apply if the enrollment has beginning dates beyond the expiration of the allowable computation period.

(4) Enrollments with later beginning dates may be processed only after the school certifies that:
   (i) The proper ratio has been reestablished for the course, or
   (ii) The course is exempt from the requirement under paragraph (c)(4) of this section.

(5) When a school shows a reestablished 85–15 percent ratio, each new veteran enrollment or enrollment of a serviceperson in a course leading to a secondary school diploma or an equivalency certificate which is submitted after reestablishment must be individually computed into the ratio to ensure that the 85 percent limitation is not again immediately exceeded. The Department of Veterans Affairs will require individual computations until:
   (i) The end of the term for which the ratio was reestablished, or
   (ii) The end of the calendar quarter during which the ratio was reestablished if the school is not operated on a term, quarter or semester basis.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(6) Once a student is properly enrolled in a course which either meets the 85–15 percent requirement or which is exempt pursuant to paragraph (c) of this section, such a student may not have benefits for that course terminated because the 85–15 percent requirement subsequently is not met or because the course loses its exemption, as long as the student’s enrollment remains continuous. A student enrolled in an institution organized on a term basis need not attend summer sessions in order to maintain continuous enrollment. An enrollment may also be considered continuous if a “break” in enrollment is wholly due to circumstances beyond the student’s control such as serious illness.

(h) Waivers. Schools which desire a waiver of the provisions of paragraph (a) of this section for a course where the number of full-time equivalent students receiving VA education benefits equals or exceeds 85 percent of the total full-time equivalent enrollment in the course may apply for a waiver to the Director, Education Service, through the Director of the VA facility of jurisdiction. When applying, a school must submit sufficient information to allow the Director, Education Service, to judge the merits of the request against the criteria shown in this paragraph. This information and any other pertinent information available to VA shall be considered in relation to these criteria:

(1) Availability of comparable alternative educational facilities effectively open to veterans in the vicinity of the school requesting a waiver.

(2) Status of the school requesting a waiver as a developing institution primarily serving a disadvantaged population. The school should enclose a copy of its notice from the Department of Education that the school is eligible to be considered for a grant under the Strengthening Institutions Program or the Special Needs Program, if applicable. Otherwise the school should submit data sufficient to allow the Director, Education Service, to judge whether the school is similar to institutions which the Department of Education considers to be eligible to apply for a grant under these programs. The pertinent criteria and data categories are published in Title 34, Code of Federal Regulations, Chapter VI, part 624, subpart A; part 625, subpart A; and part 626, subpart A. The requirements of those criteria that a school be a “public or nonprofit” institution need not be met.

(3) Previous compliance history of the school, including such factors as false or deceptive advertising complaints, enrollment certification timeliness and accuracy, and amount of school liability indebtedness to VA.

(4) General effectiveness of the school’s program in providing educational and employment opportunities to the particular veteran population it serves. Factors to be considered should include the percentage of veteran-students completing the entire...
course, ratio of educational and general expenditures to full-time equivalency enrollment, etc.

§ 21.4202 Overcharges; restrictions on enrollments.

(a)-(b) [Reserved]

(c) Restrictions; proprietary schools. Enrollment will not be approved for any veteran or eligible person under the provisions of Chapter 34 or 35 respectively, in any proprietary school of which the veteran or eligible person is an official authorized to sign certificates of enrollment or monthly certificates of attendance, an owner or an officer.

§ 21.4203 Reports—requirements.

(a) General. All the reports required by this paragraph shall be in a form specified by the Secretary.

(1) Except as provided in paragraph (a)(2) of this section each educational institution, veteran and eligible person shall report without delay such information on enrollment, entrance, re-entrance, change in the hours of credit or attendance, pursuit, interruption and termination of attendance of each veteran or eligible person enrolled in an approved course as the Secretary may require and using a form specified by the Secretary. See paragraphs (b) through (h) of this section.

(2) An educational institution may delay in reporting the enrollment or reenrollment of a veteran until the end of the term, quarter, or semester when—

(i) The veteran or eligible person is enrolled in a program of independent study;

(ii) The veteran or eligible person is pursuing the program on a less than half-time basis;

(iii) The educational institution has asked the Director of the VA facility of jurisdiction in writing for permission to delay in making the report; and

(iv) The Director of the VA facility of jurisdiction has determined that it is not feasible for the educational institution to monitor interruption or termination of the veteran’s or eligible person’s pursuit of the program.

(3) An educational institution which disagrees with a decision of a Director of a VA facility as to whether it may delay reporting enrollments or reenrollments as provided in paragraph (a)(2) of this section may ask to have that decision reviewed by the Director, Education Service. That request must be made in writing to the Director of the VA facility within one year of the date of the letter notifying the educational institution of the original decision.

(4) An educational institution which, under paragraph (a)(2) of this section, is delaying the reporting of the enrollment or reenrollment of a veteran shall provide the veteran with notice of the delay at the time that the veteran enrolls or reenrolls.

(5) In addition, educational institutions must—

(i) Verify enrollment for each veteran and eligible person receiving an advance payment; and

(ii) Verify the delivery of advance payment check and education loan check for each veteran and eligible person receiving an advance payment or loan.

(6) Nothing in this section or in any section in 38 CFR part 21 shall be construed as requiring any institution of higher learning to maintain daily attendance records for any course leading to a standard college degree.

(b) Certifications of enrollment. All the reports required by this paragraph shall be in a form specified by the Secretary.
(1) VA requires that educational institutions report all entrances and re-entrances on a certification of enrollment.

(2) All educational institutions, regardless of the way in which they are organized, must clearly specify the course in which the veteran or eligible person is enrolled.

(3) Schools organized on a term, quarter or semester basis—
   (i) May report enrollment for the term, quarter, semester, ordinary school year plus the following summer term.
   (ii) May not report enrollment for a period that exceeds the ordinary school year plus the following summer term.
   (iii) Must report the dates for the break between terms if—
      (A) The certification covers two or more terms, and a term ends and the following term does not begin in the same or the next calendar month;
      (B) The veteran or eligible person elects not to be paid for the intervals between terms;
      (C) The certification covers two or more summer sessions; or
      (D) The certification covers at least one summer session and at least one term which is not a standard semester or quarter.
   (iv) Must submit a separate enrollment certification for each term, quarter or semester if the student—
      (A) Is a veteran or eligible person pursuing a program on a less than half-time basis, or
      (B) Is a serviceperson.

(Authority: 38 U.S.C. 3684(a); Pub. L. 99-576)

(v) Where a veteran or an eligible person, who is pursuing a course leading to a standard college degree, transfers between consecutive school terms from one approved institution to another approved institution, for the purpose of enrolling in, and pursuing, a similar course at the second institution, the veteran or eligible person shall, for the purpose of entitlement to the payment of educational assistance allowance be considered to be enrolled at the first institution during the interval, if the interval does not exceed 30 days, following the termination date of the school term of the first institution.

(Authority: 38 U.S.C. 3680)

(c) Nonpunitive grade. A school may assign a nonpunitive grade for a course or subject in which the veteran or eligible person is enrolled even though the veteran or eligible person does not withdraw from the course or subject. When this occurs, the school must report the assignment of the nonpunitive grade in a form specified by the Secretary in time for VA to receive it before the earlier of the following dates is reached:

(1) Thirty days from the date on which the school assigns the grade, or
(2) Sixty days from the last day of the enrollment period for which the nonpunitive grade is assigned.

(d) Interruptions, terminations and changes in hours of credit or attendance. When a veteran or eligible person interrupts or terminates his or her training for any reason, including unsatisfactory conduct or progress, or when he or she changes the number of hours of credit or attendance, this fact must be reported to VA by the school in a form specified by the Secretary.

(1) If the change in status or change in number of hours of credit of attendance occurs on a day other than one indicated by paragraph (d)(2) or (3) of this section, the school will initiate a report of the change in time for the VA to receive it within 30 days of the date on which the change occurs. If the course in which the veteran or eligible person is enrolled does not lead to a standard college degree, and attendance must be certified by the school for more than one term, quarter or semester and the veteran or eligible person interrupts or terminates his or her training at the end of a term, quarter or semester within the certified period of enrollment, the school shall report the change in status to the Department of Veterans Affairs
in time for the Department of Veterans Affairs to receive the report within 30 days of the last officially scheduled registration date for the next term, quarter or semester.

(3) If the change in status or change in the number of hours of credit or attendance occurs during the 30 days of a drop-add period, the school must report the change in status or change in the number of hours of credit or attendance to the Department of Veterans Affairs in time for the Department of Veterans Affairs to receive the report within 30 days from the last date of drop-add period or 60 days from the first day of the enrollment period, whichever occurs first.

(e) Correspondence courses. Where the course in which a veteran is enrolled under 38 U.S.C. chapter 34 or a spouse or surviving spouse is enrolled under 38 U.S.C. chapter 35 is pursued exclusively by correspondence, the school will report by an endorsement on the veteran’s or eligible spouse’s or surviving spouse’s certification the number of lessons completed by the veteran, spouse or surviving spouse and serviced by the school. Such reports will be submitted quarterly in a form specified by the Secretary.

(Authority: 38 U.S.C. 3680)

(f) Certification. All reports required by this paragraph must be in a form specified by the Secretary.

(1) Courses not leading to a standard college degree. (i) Except as provided in this paragraph VA requires that a certification of attendance be submitted monthly for each veteran or eligible person enrolled in a course not leading to a standard college degree. The fact that the course may be pursued on a quarter, semester or term basis will not relieve the veteran or eligible person and the school of this requirement. Unless exempted by this paragraph this requirement also applies to courses measured on a credit-hour basis. This requirement does not apply to—

(A) Courses measured on a credit-hour basis pursuant to footnote 6 of §21.4270(a).

(B) A course pursued on a less than one-half-time basis,

(C) A course pursued by a service-person while on active duty, or

(D) A correspondence course which must meet the requirements of paragraph (e) of this section.

(2) Courses leading to a standard college degree. Schools which have veterans or eligible persons enrolled in courses which lead to a standard college degree are not required to submit periodic certifications for students enrolled in such courses. Certifications are, however, required under paragraphs (b), (c), (d) and (h) of this section.

(3) Apprentice or other on-the-job training. A certification of attendance must be submitted monthly during the period of enrollment in the same manner as certifications required in paragraph (f)(1) of this section.

(g) Flight training courses. Where the course consists exclusively of flight training, the school will report by an endorsement on the veteran’s certification the type and number of hours of actual flight training received by, and the cost thereof to, the veteran. Such reports may be submitted monthly.

(h) Unsatisfactory progress, conduct or attendance. At times the unsatisfactory progress, conduct or attendance of a veteran or eligible person is caused by or results in his or her interruption or termination of training. If this occurs, the interruption or termination shall be reported in accordance with paragraph (d) of this section. If the veteran or eligible person continues in training despite unsatisfactory progress, conduct, or despite having failed to meet the regularly prescribed standards of attendance at the school, the school must report the fact of his or her unsatisfactory progress, conduct or attendance to VA within the time limit allowed by paragraph (h) (1) and (2) of this section.

(Authority: 38 U.S.C. 3474, 3524)

(1) A veteran’s or eligible person’s progress may become unsatisfactory according to the regularly prescribed standards and practices of the school as a result of the grades he or she receives The school shall report such unsatisfactory progress to VA in time for
§ 21.4204 Periodic certifications.

Educational assistance allowance is payable on the basis of a required certification concerning the pursuit of a course during the reporting period.

(a) Reports by eligible persons. An eligible person enrolled in a course which leads to a standard college degree, excepting eligible persons pursuing the course on a less than half-time basis, must verify each month his or her continued enrollment in and pursuit of his or her courses. In the case of an eligible person who completed, interrupted or terminated his or her course, any communication from the student or other authorized person notifying VA of the eligible person’s completion of course as scheduled or earlier termination date, will be accepted to terminate payments accordingly. Reports by other eligible persons will be submitted in accordance with § 21.4203 (e), (f) or (g).

(b) Requirements. The certifications required by § 21.4203 and paragraph (a) of this section will include a report on the following items when applicable:

(1) Continued enrollment in and pursuit of the course.

(2) Conduct and progress. See § 21.4277.

(3) Date of interruption or termination of training.

(4) Changes in number of semester hours or clock hours of attendance.

(5) Any other changes or modifications in the course as certified at enrollment.

(c) Term, quarter, or semester. For a course which does not lead to a standard college degree, if a school organized on a term, quarter, or semester basis has reported enrollment:

(1) For the ordinary school year or the complete course, the periodic certification will show the intervals between terms, quarters, or semesters as absences.

(2) By term, quarter, or semester, the periodic certification will not cover the intervals between terms, quarters, or semesters.

(d) Year-round courses. The periodic certifications will show any vacation period or interval between periods of instruction as absences. The periodic certification will not cover the period between school years.

(e) Farm cooperative courses. The monthly certification will cover only those periods of classroom instruction which are included in the prescheduled institutional portion of the course.

(Approved by the Office of Management and Budget under control number 2900–0465)

§ 21.4206 Reporting fee.

VA may pay annually to each educational institution furnishing education or each joint apprenticeship training committee acting as a training establishment under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, 35 or 36 a reporting fee for required reports or certifications. The reporting fee will be paid as soon as feasible after the end of the calendar year.

(a) Except as provided in paragraph (b) of this section the reporting fee will be computed for each calendar year by multiplying $7.00 by the number of eligible veterans and eligible persons enrolled under 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, 35 or 36 during that calendar year.

(b) In computing the reporting fee VA will not count a veteran or service-member whose only receipt of educational assistance under 38 U.S.C. chapter 30 during a calendar year was tuition assistance top-up.

(c) An additional $4 will be paid to those institutions which have delivered to the veteran or eligible person at registration the educational assistance check representing an advance payment, or which have delivered educational loan checks in accordance with the provisions of subpart F. If an institution delivers both an advance payment check and educational loan check(s) to the same veteran or eligible person within 1 calendar year, it shall receive only one additional $4 fee. In order to receive this fee, the institution shall submit to the Department of Veterans Affairs a certification of delivery of each check. If an advance payment check is not delivered within 30 days after commencement of the student's program, the check shall be returned to the Department of Veterans Affairs.

(d) No reporting fee payable to an educational institution under this section shall be subject to offset by the Department of Veterans Affairs against any liability of the educational institution for any overpayment which the Department of Veterans Affairs has administratively determined to exist unless the liability of the educational institution was not contested by the educational institution or was upheld by a final decree of a court of appropriate jurisdiction.

(e) Before payment of a reporting fee the Department of Veterans Affairs will require an educational institution to certify that:

(1) It has exercised reasonable diligence in determining whether it or any course offered by it approved for the enrollment of veterans or eligible persons meets all of the applicable requirements of chapter 1606 of title 10 U.S.C. or chapters 30, 32, 33, 35 and 36 of title 38, U.S.C.; and

(2) It will, without delay, report any failure to meet any requirement to the Department of Veterans Affairs.

§ 21.4209 Examination of records.

(a) Availability of records. Notwithstanding any other provision of law, an educational institution, including for purposes of this section an organization or entity offering a licensing or certification test, must make the following records and accounts available to authorized Government representatives:

(1) Records and accounts pertaining to veterans or eligible persons who received educational assistance under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, 35, or 36;

(2) Other students’ records necessary for the Department of Veterans Affairs to ascertain institutional compliance with the requirements of these chapters; and

(3) The records of other individuals who took a licensing or certification test that VA believes are necessary to ascertain whether the veterans and eligible persons taking such test were reimbursted the correct amount.

(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3323(a), 3689, 3690)

(b) Type of records. Each educational institution must upon request of duly authorized representatives of the Government make available for examination all appropriate records and accounts, including but not limited to:

(1) Records and accounts which are evidence of tuition and fees charged to and received from or on behalf of all veterans, reservists, and eligible persons and from other students similarly circumstanced;

(2) Records of previous education or training of veterans, reservists, and eligible persons at the time of admission as students and records of advance credit, if any, granted by the educational institution at the time of admission;

(3) Records of the veteran’s, reservist’s, or eligible person’s grades and progress;

(4) Records of all advertising, sales or enrollment materials as required by §21.4252(h) and section 3696(b), title 38 U.S.C.;

(5) Records and computations showing compliance with the requirements of §21.4201 regarding the 85–15 percent ratio of students for each course; and

(6) Records necessary to demonstrate compliance with the requirements of §21.4252(e) pertaining to the time necessary to complete a correspondence course.

(7) Records necessary to demonstrate compliance with the requirements of §21.4268.

(c) Noncollege degree, apprentice, and other on-the-job. The educational institution having veterans, servicemembers, reservists, and/or eligible persons enrolled in a course that does not lead to a standard college degree must make available, in addition to the records and accounts required in paragraph (b) of this section, the records of leave, absences, class cuts, makeup work, and tardiness. Each training establishment that has enrolled veterans under 38 U.S.C. chapter 30, 32, or 33, reservists under 10 U.S.C. chapter 1606, or eligible persons under 38 U.S.C. chapter 35 must also make available payroll records.

(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3323(a), 3690)

(d) Nonaccredited courses. The educational institution having veterans or eligible persons enrolled in nonaccredited courses must make available, in addition to the records and accounts required in paragraphs (b) and (c) of this section the following:

(1) Records of interruptions for unsatisfactory conduct or attendance.

(2) Records of refunds of tuition, fees and other charges made to a veteran or eligible person who fails to enter the course or withdraws or is discontinued prior to completion of the course.

(e) Nonavailability. Failure to make such records available as provided in this section will be grounds for discontinuing the payment of educational assistance allowance or special training allowance.

(f) Retention of records. (1) Except as provided in paragraph (f)(2) of this section, an educational institution must keep records and accounts, including those pertaining to students not receiving benefits from VA, as described in this section, pertaining to each period of enrollment of a veteran, reservist, or eligible person. If those records are not available electronically, the paper records must be kept intact and in good condition at the educational
§ 21.4210 Suspension and discontinuance of educational assistance payments, and of enrollments or reenrollments for pursuit of approved courses.

(a) Overview; explanation of terms used in §§21.4210 through 21.4216. (1) VA may pay educational assistance to a reservist under 10 U.S.C. chapter 1606 for the reservist’s pursuit of a course approved in accordance with the provisions of 38 U.S.C. chapter 36. VA may pay educational assistance under 38 U.S.C. chapter 32 to a veteran or servicemember for the individual’s pursuit of a course approved in accordance with the provisions of 38 U.S.C. chapter 36; if the individual has taken a licensing or certification test approved in accordance with the provisions of 38 U.S.C. chapter 36 or if the individual is entitled to be paid benefits (tuition assistance top-up) to meet all or a portion of an educational institution’s charges for education or training that the military department concerned has not covered under tuition assistance. VA may pay educational assistance under 38 U.S.C. chapter 33 to an eligible individual or, as appropriate, to the individual’s institution of higher learning on his or her behalf, for the individual’s pursuit of a course or program of education if the course or program of education is offered by an institution of higher learning and approved under 38 U.S.C. chapter 30 in accordance with the provisions of 38 U.S.C. chapter 36; if the individual has taken a licensing or certification test approved in accordance with the provisions of 38 U.S.C. chapter 36, or if an individual is entitled to be paid educational assistance to meet all or a portion of the institution of higher learning’s established charges that the military department concerned has not covered by tuition assistance under 10 U.S.C. 2007(a) or (c). Except for tuition assistance top-up, where courses do not need to be approved, a State approving agency designated by VA, or in some instances VA, approves the course or test for payment purposes. Notwithstanding such approval, VA, as provided in paragraphs (b), (c), and (d) of this section, may suspend, discontinue, or deny payment of benefits to any or all otherwise eligible individuals for pursuit of a course or training approved under 38 U.S.C. chapter 36, and for taking a licensing or certification test approved under 38 U.S.C. chapter 36.

(2) For the purposes of this section and the purposes of §§21.4211 through 21.4216, except as otherwise expressly stated to the contrary—
(i) The term “course” includes an apprenticeship or other on-job training program;

(ii) The term “educational institution” includes a training establishment, or organization or entity offering a licensing or certification test; and

(iii) Reference to action suspending, discontinuing, or otherwise denying enrollment or reenrollment means such action with respect to providing educational assistance under the chapters listed in paragraph (a)(1) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3452, 3471, 3690)

(b) Denial of payment in individual cases. (1) VA may deny payment of educational assistance to a specific individual for pursuit of a course or courses if, following an examination of the individual’s case, VA has credible evidence affecting that individual that—

(i) The course fails to meet any of the requirements of 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, 35, or 36; or

(ii) The educational institution offering the individual’s course has violated any of those requirements of law.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689, 3690)

(2) VA may deny payment of educational assistance to a specific individual for taking a licensing or certification test if, following an examination of the individual’s case, VA has credible evidence affecting that individual that—

(i) The test fails to meet any of the requirements of 38 U.S.C. 3689; or

(ii) The organization or entity offering the individual’s test has violated any of the requirements of 38 U.S.C. 3689.

(Authority: 38 U.S.C. 3689)

(c) Notice in individual cases. Except as provided in paragraph (e) of this section, when VA denies payment of educational assistance to an individual under paragraph (b) of this section, VA will provide concurrent written notice to the individual. The notice shall state—

(1) The adverse action;

(2) The reasons for the action; and

(3) The individual’s right to an opportunity to be heard thereon in accordance with part 19 of this title.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3690)

(d) Actions affecting groups. (1) The Director of the VA Regional Processing Office of jurisdiction may:

(i) Suspend payments of educational assistance to all veterans, servicemembers, reservists, or eligible persons already enrolled in a course; and

(ii) Disapprove all further enrollments or reenrollments of individuals seeking VA educational assistance for pursuit of the course (except for enrollments and reenrollments of servicemembers seeking to be paid benefits (tuition assistance top-up) to meet all or a portion of an educational institution’s charges for education or training that the military department concerned has not covered under tuition assistance); and

(iii) Suspend payments of educational assistance to all veterans, servicemembers, or eligible persons who may take a licensing or certification test after a date that the Director may determine.

(Authority: 38 U.S.C. 3689)

(2) Except as provided in paragraphs (d)(3) and (i) of this section, the decision to act as described in paragraph (d)(1) of this section must be based on evidence of a substantial pattern of veterans, servicemembers, reservists, or eligible persons enrolled in the course or taking the test receiving educational assistance to which they are not entitled because:

(i) One or more of the course approval requirements of 38 U.S.C. chapter 36 are not met, including the course approval requirements specified in §§21.4253, 21.4254, 21.4261, 21.4262, 21.4263, 21.4264, and 21.4266; or

(ii) The educational institution offering the course has violated one or more of the recordkeeping or reporting requirements of 10 U.S.C. chapter 1606, or of 38 U.S.C. chapters 30, 32, 33, 35, and 36. These violations may include, but are not limited to, the following:

(Authority: 38 U.S.C. 3689)
(A) Willful and knowing submission of false reports or certifications concerning students or courses of education;

(B) Failure to report to VA a veteran’s, servicemember’s, reservist’s, or eligible person’s reduction, discontinuance, or termination of education or training; or

(C) Submission of improper or incorrect reports in such number, manner, or period of time as to indicate negligence on its part, including failure to maintain an adequate reporting or recordkeeping system.

(3) The Director also may make a decision to take the action described in paragraph (d)(1) of this section when the Director has evidence that one or more prohibited assignments of benefits have occurred at an educational institution as a result of that educational institution’s policy. This decision may be made regardless of whether there is a substantial pattern of erroneous payments at the educational institution. See §21.4146.

(4) The Director may disapprove the enrollment of all individuals not already enrolled in an educational institution (which for the purposes of this paragraph does not include a training establishment) when the Director finds that the educational institution:

(i) Has charged or received from veterans, servicemembers, reservists, or eligible persons an amount for tuition and fees in excess of the amount similarly circumstanced nonveterans are required to pay for the same course; or

(ii) Has instituted a policy or practice with respect to the payment of tuition, fees, or other established charges that substantially denies to veterans, servicemembers, reservists, or other eligible persons the benefits of advance payment of educational assistance authorized to such individuals under §21.4138(a), §21.7140(a), §21.7640(d), or §21.9660; or

(iii) Has used erroneous, deceptive, or misleading practices as set forth in §21.4252(h).

(5) The Director may also make a decision to disapprove the enrollment of all individuals not already enrolled in a course or educational institution. (1) The Director of the VA Regional Processing Office of jurisdiction may suspend payment of educational assistance and may suspend approval of new enrollments and reenrollments as provided in paragraph (d) of this section, only after:

(i) The Director notifies in writing the State approving agency concerned and the educational institution of any failure to meet the approval requirements and any violation of recordkeeping or reporting requirements; and

(ii) The educational institution—

(A) Refuses to take corrective action; or

(B) Does not take corrective action within 60 days (or 90 days if permitted by the Director).

(ii) The Director will, to the maximum extent feasible, provide written notice to each veteran, servicemember, reservist, and eligible person enrolled in the affected courses. The notice will:

(i) State the Director’s intent to suspend payments and/or suspend approval of new enrollments and reenrollments unless the educational institution takes corrective action;

(ii) Give the reasons why the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments;

(iii) State the date on which the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments.

(3) If VA receives a claim for educational assistance for the taking by an individual of a licensing or certification test, and the individual took the licensing or certification test during a period when payment for taking such test was suspended, the Director will inform the individual in writing of the fact of the suspension and the reasons why payments were suspended.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3233(a), 3690)

(e) Actions that must accompany a mass suspension of educational assistance payments or suspension of approval of enrollments and reenrollments in a course or educational institution.

(1) The Director of the VA Regional Processing Office of jurisdiction may suspend payment of educational assistance and may suspend approval of new enrollments and reenrollments as provided in paragraph (d) of this section, only after:

(i) The Director notifies in writing the State approving agency concerned and the educational institution of any failure to meet the approval requirements and any violation of recordkeeping or reporting requirements; and

(ii) The educational institution—

(A) Refuses to take corrective action; or

(B) Does not take corrective action within 60 days (or 90 days if permitted by the Director).

(ii) The Director will, to the maximum extent feasible, provide written notice to each veteran, servicemember, reservist, and eligible person enrolled in the affected courses. The notice will:

(i) State the Director’s intent to suspend payments and/or suspend approval of new enrollments and reenrollments unless the educational institution takes corrective action;

(ii) Give the reasons why the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments;

(iii) State the date on which the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments.

(3) If VA receives a claim for educational assistance for the taking by an individual of a licensing or certification test, and the individual took the licensing or certification test during a period when payment for taking such test was suspended, the Director will inform the individual in writing of the fact of the suspension and the reasons why payments were suspended.

§21.4210  
38 CFR Ch. I (7–1–14 Edition)  

(f) Actions in cases indicating submission of false, misleading, or fraudulent claims or statements. The Director of the VA Regional Processing Office of jurisdiction will take the following action, as indicated, that may be in addition to suspending payments or further approval of enrollments or reenrollments in a course or educational institution.  

(1) If the Director has evidence indicating that an educational institution has willfully submitted a false or misleading claim, or that a veteran, servicemember, reservist, eligible person, or other person, with the complicity of an educational institution, has submitted such a claim, the Director will make a complete report of the facts of the case to the appropriate State approving agency and to the Office of Inspector General for appropriate action.  

(2) If the Director believes that an educational institution has submitted a false, fictitious, or fraudulent claim or written statement within the meaning of the Program Fraud Civil Remedies Act (31 U.S.C. 3801–3812) or that a veteran, servicemember, reservist, eligible person, or other person, with the complicity of an educational institution, has made such a written statement, the Director will follow the procedures in part 42 of this title.  

(g) Referral to the Committee on Educational Allowances. The Director of the VA Regional Processing Office of jurisdiction will refer the following matters to the Committee on Educational Allowances as provided in §21.4212:  

(1) A suspension under paragraph (d) of this section of payments of educational assistance to all veterans, servicemembers, reservists, or eligible persons already enrolled in a course;  

(2) A disapproval under paragraph (d) of this section of all further enrollments or reenrollments of individuals seeking VA educational assistance for pursuit of the course (except for enrollments and reenrollments of servicemembers seeking to be paid tuition assistance top-up benefits to meet all or a portion of an educational institution’s charges for education or training that the military department concerned has not covered under tuition assistance); and  

(3) A suspension under paragraph (d) of this section of payments of educational assistance to all veterans, servicemembers, or eligible persons who may take a licensing or certification test after a date that the Director has determined.  

(h) Withdrawal of referral to Committee on Educational Allowances. (1) If, following a suspension of payments and/or approval of enrollments or reenrollments, the Director of the VA Regional Processing Office of jurisdiction determines that the conditions which justified the suspension have been corrected, and the State approving agency has not withdrawn or suspended approval of the course(s) or test(s), the Director may resume payments to and/or approval of enrollments or reenrollments of the affected veterans, servicemembers, reservists, or eligible persons. If the case has already been referred to the Committee on Educational Allowances under paragraph (g) of this section at the time such action is taken, the Director will advise the Committee that the original referral is withdrawn.  

(2) If, following a referral to the Committee on Educational Allowances, the Director finds that the State approving agency will suspend or withdraw approval, the Director may, if otherwise appropriate, advise the Committee that the original referral is withdrawn.  

(i) This section does not apply to disapproval of courses based on conflicts of interests. VA will disapprove courses when required by §21.4005(d) without applying the provisions of paragraphs (a) through (h) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689, 3690)  

§ 21.4211 Composition, jurisdiction, and duties of Committee on Educational Allowances.

(a) Authority. (1) 38 U.S.C. 3690 authorizes VA to discontinue educational benefits to veterans, servicemembers, reservists, or eligible persons when VA finds that:

(i) The program of education or course in which such individuals are enrolled fails to meet a requirement of 38 U.S.C. chapter 30, 32, 33, 35, or 36, or 10 U.S.C. chapter 1606, or the regulations in this part; or

(ii) An educational institution has violated any such statute or regulation, or fails to meet such a statutory or regulatory requirement.

(2) This authority does not extend to enrollments and reenrollments of individuals seeking to be paid tuition assistance top-up benefits to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance.

(3) 38 U.S.C. 3689 and 3690 further authorize VA to deny payment to servicemembers or veterans for licensing or certification tests when VA finds that either the test or the organization or entity offering the test fails to meet a requirement of 38 U.S.C. 3689 or the applicable regulations of this part.

(4) Section 21.4210 through 21.4216 implement the authority discussed in paragraphs (a)(1) and (a)(3) of this section.

(5) Each VA Regional Processing Office shall have a Committee on Educational Allowances. The Manila Regional Office is considered the VA Regional Processing Office of jurisdiction for educational institutions located in the Philippines. The Committee's findings of fact and recommendations will be provided to the Director of the VA Regional Processing Office.

(6) The Secretary of Veterans Affairs delegates to each Director of a VA Regional Processing Office the authority to suspend or discontinue payment of educational benefits, to disapprove enrollments or reenrollments, or to deny payment of benefits for tests.

(b) Purpose. (1) The Committee on Educational Allowances is established to assist the Director of the VA Regional Processing Office of jurisdiction in deciding in a specific case whether—

(i) Educational assistance should be discontinued to all individuals enrolled in any course or courses an educational institution offers; and

(ii) If appropriate, whether approval of all further enrollments or reenrollments in the course or courses an educational institution offers should be denied to veterans, servicemembers, reservists, or other eligible persons pursuing those courses under programs VA administers; or

(iii) Payment should be denied to all servicemembers and veterans for taking a specific licensing or certification test.

(2) A Director's decision described in paragraph (b)(1) of this section must be based on a finding that the educational institution is not meeting, or has violated, a requirement of 38 U.S.C. chapter 30, 32, 33, 35, or 36, or 10 U.S.C. chapter 1606, or the regulations in this part.

(3) The function of the Committee on Educational Allowances is to develop facts and recommend action to be taken on the basis of the facts found. A hearing before the Committee is not in the nature of a trial in a court of law. Instead, it is an administrative inquiry designed to create a full and complete record upon which a recommendation can be made as to whether the Director should discontinue payment of educational benefits and/or deny approval of new enrollments or reenrollments. Both the interested educational institution and VA Regional Counsel, or designee, representing VA, will be afforded the opportunity to present to the Committee any evidence, argument, or other material considered pertinent.

(c) Jurisdiction. The Committee on Educational Allowances will consider
only those cases which are referred in accordance with §§ 21.4210(g) and 21.4212.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3323(a), 3241(a), 3689(d), 3690)

(d) Committee members. The Committee on Educational Allowances will consist of three employees of the VA Regional Processing Office of jurisdiction, at least one of whom is familiar with the adjudication of claims for benefits administered by the Veterans Benefits Administration. The Director of the VA Regional Processing Office of jurisdiction will designate a Chairperson. In the event that any member becomes unable to serve for any reason, the Director may appoint a replacement member. Before the Committee resumes its proceedings, the new member will be given an opportunity to apprise himself or herself of the actions and testimony already taken by the Committee.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3323(a), 3241(a), 3689(d), 3690)

(e) Duties and responsibilities of the Committee. (1) The function of the Committee on Educational Allowances is to make recommendations to the Director of the VA Regional Processing Office of jurisdiction in connection with specific cases referred for consideration as provided in §§ 21.4210(g) and 21.4212.

(2) The performance of this function will include:

(i) Hearing testimony or argument from witnesses or representatives of educational institutions and VA, as appropriate, when such persons appear personally before the Committee;

(ii) Receiving and reviewing all the evidence, testimony, briefs, statements, and records included in each case; and

(iii) Furnishing the Director of the VA Regional Processing Office of jurisdiction a written statement setting forth specifically the question or questions considered, a summation of the essential facts of record, recommendations as to issues referred for consideration by the Committee, and the basis therefor. In any case where there is not unanimity, both the majority and the minority views and recommendations will be furnished.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3323(a), 3241(a), 3689(d), 3690)

§ 21.4212 Referral to Committee on Educational Allowances.

(a) Form and content of referral to Committee. When the Director of the VA Regional Processing Office of jurisdiction refers a case to the Committee on Educational Allowances, as provided in §21.4210(g), the referral will be in writing and will—

(1) State the approval, reporting, recordkeeping, or other criteria of statute or regulation which the Director has cause to believe the educational institution has violated;

(2) Describe the substantial pattern of veterans, servicemembers, reservists, or eligible persons receiving educational assistance to which they are not entitled which the Director has cause to believe exists, if applicable;

(3) Outline the nature of the evidence relied on by the Director in reaching the conclusions of paragraphs (a)(1) and (a)(2) of this section;

(4) Describe the Director’s efforts to obtain corrective action and the results of those efforts; and

(5) Ask the Committee on Educational Allowances to perform the functions described in §§ 21.4211, 21.4213, and 21.4214 and to recommend to the Director whether educational assistance payable to individuals pursuing the courses in question should be discontinued; approval of new enrollments should be denied; and/or payment to individuals for licensing or certification tests should be denied, as appropriate.

(b) Notice of the referral. (1) At the time of referral the Director will—

(1) Send notice of the referral, including a copy of the referral document, by certified mail to the educational institution. The notice will include statements that the Committee on Educational Allowances will conduct a hearing; that the educational institution has the right to appear before the Committee and be represented at the hearing to be scheduled; and that, if
§ 21.4214 Hearing rules and procedures for Committee on Educational Allowances.

(a) Rule 1. The Chairperson of the Committee on Educational Allowances will be in charge of the proceedings, will administer oaths or affirmations to witnesses, and will be responsible for the official conduct of the hearing. A majority of the members of the Committee will constitute a quorum. No party to the proceedings may conduct a **voir dire** of the Committee members.

(b) Rule 2. At the opening of the hearing, the Chairperson of the Committee on Educational Allowances will inform the educational institution of the purpose of the hearing, the nature of the evidence of record relating to the asserted failures or violations, and the applicable provisions of law and VA regulations. The Chairperson will advise the VA Regional Counsel, or designee, representing VA, that the Committee on Educational Allowances will entertain any relevant evidence or witnesses which VA Counsel presents to the Committee and which would substantiate a decision by the Committee to recommend that the Director of the VA Regional Processing Office of jurisdiction take an adverse action on the issues submitted for its review. The educational institution will be advised of its right to present any evidence, relevant to the issues submitted for the Committee’s review, by oral or documentary evidence; to submit rebuttal evidence; to present and cross-examine witnesses.
witnesses; and to make such statements as may be appropriate on its behalf for a true and full disclosure of the facts. VA Counsel will be allowed to cross-examine any witnesses offered by the educational institution and to reply to any written briefs or arguments submitted to the Committee.

(c) Rule 3. Any testimony or evidence, either oral or written, which the Committee on Educational Allowances deems to be of probative value in deciding the question at issue will be admitted in evidence. While irrelevant, immaterial, or unduly repetitious evidence, testimony, or arguments should be excluded, reasonable latitude will be permitted with respect to the relevancy, materiality, and competency of evidence. In most instances the evidence will consist of official records of the educational institution and VA, and these documents may be attested to and introduced by affidavit; but the introduction of oral testimony by the educational institution or by VA will be allowed, as appropriate, in any instance where the educational institution or VA Counsel desires. VA, however, will neither subpoena any witness on behalf of the educational institution for such purposes nor bear any expenses in connection with the appearance of such witness. In instances where the evidence reasonably available consists of signed written statements, secondary or hearsay evidence, etc., such evidence may be introduced into the record and will be given the weight and consideration which the circumstances warrant.

(d) Rule 4. A verbatim stenographic or recorded transcript of the hearing will be made. This transcript will become a permanent part of the record, and a copy will be furnished to the educational institution and the VA Counsel at the conclusion of the proceeding, unless furnishing of the copy of the transcript is waived by the educational institution.

(e) Rule 5. The Chairperson of the Committee on Educational Allowances will identify all exhibits in the order of introduction or receipt (numerically for VA exhibits and alphabetically for exhibits introduced by the educational institution). All such original exhibits or documents shall be attached to the original of the transcript. VA shall make photocopies or certified copies and attach them to the copy of the transcript furnished to the educational institution and the VA Counsel. The original transcript will accompany the Committee’s recommendation to the Director of the VA Regional Processing Office of jurisdiction along with all exhibits, briefs, or written statements received by the Committee during the course of the proceedings. Such documents should be clearly marked to indicate which were received into evidence and relied upon by the Committee in making its recommendations.

(f) Rule 6. The Committee on Educational Allowances, at its discretion, may reasonably limit the number of persons appearing at the hearing, including any affected individuals presented as witnesses by VA or the educational institution.

(g) Rule 7. Any person who is presented to testify will be required to be duly placed under oath or affirmation by the Chairperson of the Committee on Educational Allowances. If an official of the educational institution desires to present a statement personally, the individual will be required to be placed under oath or affirmation. The Chairperson will advise each witness that the Committee understands that he or she is voluntarily appearing before the Committee; that any testimony or statement given will be considered as being completely voluntary;
and that no one has authority to re-
require the individual to make any state-
ment or answer any question against
his or her will before the Committee,
except that a person called as a witness
on behalf of either VA or the edu-
cational institution must be willing to
submit to cross-examination with re-
spect to testimony given. Each witness
will also be advised that his or her tes-
timony or statement, if false, even
though voluntary, may subject him or
her to prosecution under Federal stat-
utes.

(h) Rule 8. Any member of the Com-
mittee on Educational Allowances may
question any witness presented to tes-
tify at the hearing or either a re-
presentative of the educational institu-
tion or the VA Counsel concerning
matters that are relevant to the ques-
tion at issue. Generally, questioning by

the extent of clarifying information on
the facts and issues involved.

tion fails to timely notify the Com-
mittee of its intent to participate in a
hearing or if a representative of the educational institution is scheduled to
appear for a hearing but, without good
cause, fails to appear either in person
or by writing, the Committee will pro-
ceed with the hearing and will review
the case on the basis of the evidence of
record which shall be presented by the
VA Counsel.

thorized representative of the edu-
cational institution or the VA Counsel
on a ruling by the Chairperson of the
Committee on Educational Allowances
regarding the admissibility of testi-
mony or other evidence submitted will
be made a matter of record, together
with the substance in brief of the testi-
mony intended or other evidence con-

the constitutionality of statutes or the
constitutionality of, or statutory au-
thority for, VA regulations, are not be-
fore the Committee for decision. The
time of the Committee will not be used
to hear arguments in this regard. How-

province of the Committee may be the

such issues will be obtained and in-
cluded in the record before the Com-

mitted to the Director of the VA Re-
regional Processing Office of juris-
diction. If the VA General Counsel’s ruling on
such legal issues necessitates reopen-
ing the proceeding, that shall be done
before the Committee makes its rec-
ommendations to the Director of the
VA Regional Processing Office of juris-
diction.

§ 21.4215 Decision of Director of VA Regional Processing Office of jurisdiction.

(a) Decision. The Director of the VA Regional Processing Office of jurisdiction will render a written decision on the issue or issues of discontinuance or denial that were the subject of the Committee on Educational Allowances proceedings.

(b) Basis of decision. (1) The decision of the Director of the VA Regional Processing Office of jurisdiction will be based upon all admissible evidence of record, including—
   (i) The recommendations of the Committee on Educational Allowances;
   (ii) The hearing transcript and the documents admitted in evidence; and
   (iii) The ruling on legal issues referred to appropriate authority.

(2) The decision will clearly describe the evidence and state the facts on which the decision is based and, in the event that the decision differs from the recommendations of the Committee on Educational Allowances, will give the reasons and facts relied upon by the Director in deciding not to follow the Committee majority’s recommendations.

(c) Correction of deficiencies. If the Director of the VA Regional Processing Office of jurisdiction believes that the record provided for review is incomplete or for any reason should be reopened, before rendering a decision he or she will order VA staff to gather any additional necessary evidence and will notify the educational institution as to whether the matter will be resubmitted to the Committee on Educational Allowances for further proceedings, on the basis of the new circumstances. If the matter is referred back to the Committee, the Director will defer a decision until he or she has received the Committee’s new recommendations.

§ 21.4216 Review of decision of Director of VA Regional Processing Office of jurisdiction.

(a) Decision is subject to review by the Director, Education Service. At the request of the educational institution the Director, Education Service will review a decision of a Director of a VA Regional Processing Office of jurisdiction to discontinue payments; to disapprove new enrollments or reenrollments; or to deny payment of benefits for licensing or certification tests. This review will be based on the evidence of record when the Director of the VA Regional Processing Office of jurisdiction made that decision. It will not be de novo in nature and no hearing on the issue will be held. When reviewing a decision to deny payment for licensing or certification tests, the Director, Education Service may seek the advice of the Professional Certification and Licensure Advisory Committee established under 38 U.S.C. 3689(e).

(b) Authority of Director, Education Service. The Director, Education Service has the authority to affirm, reverse, or remand the original decision. In the case of such a review, the reviewing official’s decision, other than a remand, shall become the final Department decision on the issue presented.

(c) Notice of decision of Director, Education Service is required. Notice of the reviewing official’s decision will be provided to the interested parties and published in the FEDERAL REGISTER, in the same manner as is provided in §21.4215(e) for decisions of the Director of the VA Regional Processing Office of jurisdiction, for the information of all concerned.

PROGRAMS OF EDUCATION

(a) Eligibility requirements for specialized vocational training. (1) The Department of Veterans Affairs may provide a program of a specialized course of vocational training to an eligible person who:
   (i) Is not in need of special restorative training, and
   (ii) Requires specialized vocational training because of a mental or physical handicap.

(2) The counseling psychologist will:
§ 21.4233 Combination.

An approved program may consist of a combination of courses with instruction offered by a school alternating with instruction in a business or industrial establishment (a cooperative course); courses offered by two schools concurrently; or courses offered through class attendance and by television concurrently. A farm cooperative program may be approved which consists of a combination of institutional agricultural courses and concurrent agricultural employment (see § 21.4264). A school may contract the actual training to another school or entity, provided the course is approved by the State approving agency having approval jurisdiction of the school or entity which actually provides the training.

(a) Cooperative courses. A full-time program of education consisting of phases of school instruction alternated with training in a business or industrial establishment with such training being strictly supplemental to the school instruction may be approved. Alternating periods may be a part-day in school and a part-day on job or may be such periods which alternate on a daily, weekly, monthly or on a term basis. For purposes of approval the school offering the course must submit to the State approving agency, with its application, statements of fact showing at least the following:

(1) That the alternate in-school periods of the course are at least as long as the alternate periods in the business or industrial establishment; in determining this relationship between the two components of the course, training received in a business or industrial establishment during a vacation or officially scheduled school break period shall be excluded from the calculation; where the course is approved as continuous part-time work and part-time study in combination, it shall be measured on the basis of the ratio which each portion of the training bears to full time as defined in § 21.4270(c) of this part. The institutional portion must be at least equivalent to one-half time training and must be combined with a job training portion sufficient for the combined training to equal full time.

(2) That the course is set up as a cooperative course in the school catalog or other literature of the school;

(3) That the school itself arranges with the employer’s establishment for providing the alternate on-job periods of training on such basis that the on-job portion of the course will be training in a real and substantial sense and will supplement the in-school portion of the course;

(4) That the school arranges directly with the employer’s establishment for
§ 21.4233

placing the individual student in that establishment and exercises super-
vision and control over the student’s activities at the establishment to an
extent that assures training in a true sense to the student; and

(5) That the school grants credit for
the on-job portion of the course for
completion of a part of the work re-
quired for granting a degree or di-
ploma.

(Authority: 38 U.S.C. 3482(a)(2) and 3532(b))

(b) Concurrent enrollment. Where a
veteran or eligible person cannot suc-
cessfully schedule his or her complete
program at one school, a program of
concurrent enrollment may be ap-
proved. When requesting such a pro-
gram the veteran or eligible person
must show that his or her complete
program of education or training is not
available at the school in which he or
she will pursue the major portion of his
or her program (the primary school), or
that it cannot be scheduled success-
fully within the period in which he or
she plans to complete his or her pro-
gram.

(1) If VA measures the courses pur-
sued at both institutions on either a
clock-hour basis or a credit-hour basis,
VA will measure the veteran’s or eligi-
ble person’s enrollment by adding to-
gether the units of measurement in the
second school to the units of measure-
ment for the courses in the primary in-
stitution. The standard for full time
will be the full-time standard for the
courses at the primary institution.

(2) Where the standards for measure-
ment of the courses pursued concur-
rently in the two schools are different,
VA will measure the veteran’s or eligi-
ble person’s enrollment by converting
the units of measurement for courses
in the second school to the units of measure-
ment required for the courses in the program of education which the vet-
eran or eligible person is pursuing at
the primary institution.

(Authority: 38 U.S.C. 3688)

(3) If the provisions of paragraph
(b)(2) of this section require VA to con-
vert clock hours to credit hours, it will
do so by—

(i) Dividing the number of credit
hours which VA considers to be full-
time at the educational institution
whose courses are measured on a cred-
it-hour basis by the number of clock
hours which are full-time at the edu-
cational institution whose courses are
measured on a clock-hour basis; and

(ii) Multiplying each clock hour of
attendance by the decimal determined
in paragraph (b)(3)(i) of this section.
VA will drop all fractional hours.

(4) If the provisions of paragraph
(b)(2) of this section require VA to con-
vert credit hours to clock hours, it will
do so by—

(i) Dividing the number of clock
hours which VA considers to be full-
time at the educational institution
whose courses are measured on a clock-
hour basis by the number of credit
hours which are full-time at the edu-
cational institution whose courses are
measured on a credit-hour basis; and

(ii) Multiplying each credit hour by
the number determined in paragraph
(b)(4)(i) of this section. VA will drop all
fractional hours.

(5) Periodic certifications of training
will be required from the veteran and
each of the schools where concurrent
enrollment is approved in a course
which does not lead to a standard col-
lege degree and to which the measure-
ment provisions of §21.4270(b), of this
part do not apply. (See §§21.4203 and
21.4204.)

(Authority: 38 U.S.C. 3688)

(c) Television. (1) A course offered by
open-circuit television is an inde-
pendent study course. In order for an
eligible person to receive educational
assistance while pursuing such a
course, the course must meet all the
requirements for independent study
found in §21.4267.

(Authority: 38 U.S.C. 3523, 3680A)

(2) Closed circuit telecast. Instruction
offered through closed circuit telecast
which requires regular classroom at-
tendance is to be recognized to the
same extent as regular classroom and/
or laboratory instruction.

(d) Farm cooperative course. A pro-
gram of education consisting of insti-
tutional agricultural courses pursued
§ 21.4234 Change of program.

(a) Definition. (1) Except as provided in paragraph (a)(2) of this section, a change of program consists of a change in the educational, professional, or vocational objective for which the veteran, reservist, or eligible person entered training.

(2) VA does not consider any of the following to be changes of program:

(i) A change in the type of courses needed to attain a vocational objective;

(ii) A change in the individual’s educational, professional or vocational objective following the successful completion of the immediately preceding program of education;

(iii) A return to the individual’s prior program of education following a change of program if the individual resumes training in the program without any loss of credit or standing in that program;

(iv) An enrollment in a new program of education when that program leads to a vocational, educational or professional objective in the same general field as the immediately preceding program of education; or

(b) Application. A veteran, reservist, or eligible person may request a change of program by any form of communication. However, if the veteran, reservist, or eligible person does not furnish sufficient information to allow the Department of Veterans Affairs to process the request, the Department of Veterans Affairs will furnish the prescribed form for a change of program to him or her for completion.

(c) Optional change of program. A spouse or surviving spouse eligible to receive educational assistance under 38 U.S.C. chapter 35 may make one optional change of program if his or her previous course was not interrupted due to his or her own misconduct, neglect, or lack of application.

(d) Other changes of program. (1) The following changes of program may not be made solely at the option of the veteran, reservist, or eligible person. The Department of Veterans Affairs must approve them before paying educational assistance allowance:

(i) A second or subsequent change of program made by a veteran or eligible person other than a child receiving educational assistance under 38 U.S.C. chapter 35,
(ii) An initial change of program made by a veteran or eligible spouse or surviving spouse if the first program was interrupted or discontinued due to his or her own misconduct, neglect or lack of application, or

(iii) Any change of program made by a child receiving educational assistance under 38 U.S.C. chapter 35.

(2) The Department of Veterans Affairs will approve a change of program listed in paragraph (d)(1) of this section if:

(i) The program of education which the veteran, reservist, or eligible person proposes to pursue is suitable to his or her aptitudes, interests and abilities,

(ii) In any instance where the veteran, reservist, or eligible person has interrupted, or failed to progress in his or her program due to his or her own misconduct, neglect or lack of application, there is a reasonable likelihood with respect to the program the veteran, reservist, or eligible person proposes to pursue that there will not be a recurrence of such an interruption or failure to progress, and

(iii) In the case of an eligible child receiving educational assistance under 38 U.S.C. chapter 35 the new program meets the criteria applicable to final approval of an original application. See §21.4230.

(3) The Department of Veterans Affairs may approve a third or subsequent change of program if applicable conditions of paragraph (d)(2) of this section are met and the additional change or changes are necessitated by circumstances beyond the control of the veteran, reservist, or eligible person. Circumstances beyond the control of the veteran, reservist, or eligible person include, but are not limited to:

(i) The course being discontinued by the school when no other similar course leading to the same objective is available within normal commuting distance.

(ii) Unexpected financial difficulties preventing completion of the last program because of the overall cost of the program needed to reach the objective, or

(iii) The veteran, reservist, or eligible person being required to relocate because of health reasons in an area where training for the last objective is not available within normal commuting distance.

(4) Notwithstanding any provision of any other paragraph of this section, if a third or subsequent change of program occurs after May 31, 1991, VA will apply only the applicable provisions of paragraph (d)(2) of this section. If the applicable provisions of paragraph (d)(2) of this section are met, VA will approve the change of program. VA will not apply any of the provisions of paragraph (d)(3) of this section in determining whether the change of program should be approved.

(e) Adjustments; transfers. A change in courses or places of training will not be considered a change of objective in the following instances:

(1) The pursuit of the first program is a prerequisite for entrance into and pursuit of a second program.

(2) A transfer from one school to another when the program at the second school leads to the same educational, professional or vocational objective, and does not involve a material loss of credit, or increase training time.

(3) Revision of a program which does not involve a change of objective or material loss of credit nor loss of time originally planned for completion of the veteran’s or eligible person’s program. For example, an eligible person enrolled for a bachelor of science degree may show a professional objective such as chemist, teacher or engineer. His or her objective for purposes of this paragraph shall be considered to be “bachelor degree” and any change of courses will be considered only an adjustment in the program, not a change, so long as the subjects he or she pursues lead to the bachelor degree and there is no extension of time in the attaining of that degree.
§ 21.4235 Programs of education that include flight training.

VA will use the provisions of this section to determine whether an individual may be paid educational assistance for pursuit of flight training. See §21.4263 for approval of flight courses for VA training.

(a) Eligibility. A veteran or service-member who is otherwise eligible to receive educational assistance under 38 U.S.C. chapter 30 or 32, or a reservist who is eligible for expanded benefits under 10 U.S.C. chapter 1606 as provided in §21.7540(b), may receive educational assistance for flight training in an approved course provided that the individual meets the requirements of this paragraph. Except when enrolled in a ground instructor certification course or when pursuing flight training under paragraph (f) of this section, the individual must—

(1) Possess a valid private pilot certificate or higher pilot certificate such as a commercial pilot certificate;

(2) If enrolled in a course other than an Airline Transport Pilot (ATP) course, hold a second-class medical certificate on the first day of training and, if that course began before October 1, 1998, hold that certificate continuously during training; and

(3) If enrolled in an ATP certification course, hold a first-class medical certificate on the first day of training and, if that course began before October 1, 1998, hold that certificate continuously during training.

(b) Approval of program. VA may approve the individual’s program of education as described on the individual’s application if:

(1) The flight courses that constitute the program of education meet Federal Aviation Administration standards for such courses and the Federal Aviation Administration and the State approving agency approve them; and

(2) The flight training included in the program—

(i) Is generally accepted as necessary for the attainment of a recognized vocational objective in the field of aviation; or

(ii) Is given by an educational institution of higher learning for credit toward a standard college degree that the individual is pursuing.

(c) Pursuit of flight courses. (1) VA will pay educational assistance to an eligible individual for an enrollment in a commercial pilot certification course leading to Federal Aviation Administration certification for a particular category even if the individual has a commercial pilot certificate issued by the Federal Aviation Administration for a different category, since each category represents a different vocational objective.

(2) VA will pay educational assistance to an eligible individual for an enrollment in an instrument rating course only if the individual simultaneously enrolls in a course required for a commercial pilot certificate for the category for which the instrument rating course is pursued or if, at the time of enrollment in the instrument rating course, the individual has a commercial pilot certificate issued by the Federal Aviation Administration for such category. The enrollment in an instrument rating course alone does not establish that the individual is pursuing a vocational objective, as required for VA purposes, since that rating equally may be applied to an individual’s private pilot certificate, only evidencing an intent to pursue a non-vocational objective.

(3) VA will pay educational assistance to an eligible individual for an enrollment in a flight course other than an instrument rating course or a ground instructor course, including
courses leading to an aircraft type rating, only if the individual has a commercial pilot certificate issued by the Federal Aviation Administration for the category to which the particular course applies.

(4) VA will pay educational assistance to an eligible individual for an enrollment in a ground instructor certificate course, even though the individual does not have any other flight certificate issued by the Federal Aviation Administration, since the Federal Aviation Administration does not require a flight certificate as a prerequisite to ground instructor certification and ground instructor is a recognized vocational objective.

(5) VA will not pay an eligible individual for simultaneous enrollment in more than one flight course, except as provided in paragraph (c)(2) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3034(a), 3202(2)(A), 3241(a), 3241(b), 3452(b), 3680A(a)(3))

(d) Some individuals are already qualified for a flight course objective. (1) The provisions of §§ 21.5230(a)(4), 21.7110(b)(4), and 21.7610(b)(4), prohibiting payment of educational assistance for enrollment in a course for whose objective the individual is already qualified, apply to enrollments in flight courses.

(2) A former military pilot with the equivalent of a commercial pilot certificate and an instrument rating may obtain a commercial pilot certificate and instrument rating from the Federal Aviation Administration without a flight exam within 12 months of release from active duty. Therefore, VA will consider such a veteran to be already qualified for the objectives of a commercial pilot certification course and an instrument rating course if begun within 12 months of the individual’s release from active duty.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3241(a), 3241(b), 3471(a))

(e) Some flight courses are refresher training. The provisions of §§ 21.5230(c), 21.7020(b)(20), 21.7122(b), 21.7520(b)(20), and 21.7610(b)(4) that provide limitations on payment for refresher training that is needed to update an individual’s knowledge and skill in order to cope with technological advances while he or she was on active duty service apply to flight training.

(1) An individual who held a Federal Aviation Administration certificate before or during active duty service may have surrendered that certificate or the Federal Aviation Administration may have canceled it. The individual may receive the equivalent of the number of months of educational assistance necessary to complete the course that will qualify him or her for the same grade certificate.

(2) A reservist is not eligible for refresher training unless he or she has had prior active duty.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3241(a), 3241(b))

(f) Flight training at an institution of higher learning. (1) An individual who is eligible for educational assistance under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, or 35 is exempt from the provisions of paragraphs (a)(2) through (d) of this section when his or her courses include flight training that is part of a program of education that leads to a standard college degree.

(2) An individual described in paragraph (f)(1) of this section may pursue courses that may result in the individual eventually receiving recreational pilot certification or private pilot certification, provided that the courses also lead to a standard college degree.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3034(a)(3), 3202(2)(A), 3241(a), 3241(b))

§ 21.4236 Tutorial assistance.

(a) Enrollment. A veteran or eligible person may receive supplemental monetary assistance to provide tutorial services if he or she:

(1) Is pursuing a post-secondary educational program on a half-time or more basis at an educational institution, and
§ 21.4250 Course and licensing and certification test approval; jurisdiction and notices.

(a) General. The statements made in this paragraph are subject to exceptions found in paragraph (c) of this section.

(b) Approval. The Department of Veterans Affairs will grant approval when:

(1) The educational institution certifies that:

(i) Individualized tutorial assistance is essential to correct a deficiency in a specified subject or subjects required as a part of, or which is prerequisite to, or which is indispensable to the satisfactory pursuit of an approved program of education;

(ii) The tutor selected:

(A) Is qualified, and

(B) Is not the parent, spouse, child, brother or sister of the veteran or eligible person; and

(iii) The charges for this assistance do not exceed the customary charges for such tutorial assistance; and

(2) The assistance is furnished on an individual basis.

(c) Limits on tutorial assistance. (1) VA will authorize the cost of tutorial assistance in an amount not to exceed $100 per month.

(2) The total amount of all tutorial assistance provided under this section will not exceed $1200.

(d) Entitlement charge. VA will make no charge against the veteran’s or eligible person’s entitlement to educational assistance for any amount of tutorial assistance authorized.

requires that an individual take the test in order to obtain a license, the State approving agency for the State where the license will be valid may approve the test for VA payment. This approval will be valid for the purpose of VA payment only if the veteran takes the test in the State or political subdivision of the State where the license is valid.

(7) A course approved under 38 U.S.C. chapter 36 will be deemed to be approved for purposes of 38 U.S.C. chapter 35.

(8) Any course that was approved under 38 U.S.C. chapter 33 (as in effect before February 1, 1965), or under 38 U.S.C. chapter 35 before March 3, 1966, and was not or is not disapproved for failure to meet any of the requirements of the applicable chapters, will be deemed to be approved for purposes of 38 U.S.C. chapter 36.

(9) VA may make tuition assistance top-up payments of educational assistance to an individual to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance, even though a State approving agency has not approved the course in which the individual was enrolled.

(Authority: 38 U.S.C. 3014(b), 3313(e), 3315, 3670, 3672(a))

(b) State approving agencies. Approval by State approving agencies will be in accordance with the provisions of 38 U.S.C. Chapter 36 and such regulations and policies as the agency may adopt not in conflict therewith.

(1) Notice of approval. (i) Each State approving agency must provide to VA:
(A) A list of schools specifying which courses it has approved;
(B) A list of licensing and certification tests and organizations and entities offering these tests that it has approved; and
(C) Any other information that it and VA may determine to be necessary.

(ii) The lists and information must be provided on paper or electronically as VA may require.

(2) Notice of suspension of approval or disapproval. Each State approving agency will notify the Department of Veterans Affairs of the suspension of approval or disapproval of any course or licensing or certification test previously approved and will set forth the reasons for such suspension of approval or disapproval. See §21.4259.

(Authority: 38 U.S.C. 3672(a))

(3) Failure to act. If notice has been furnished that the State approving agency does not intend to act on the application of a school, the school may request approval by the Department of Veterans Affairs.

(c) Department of Veterans Affairs approval. (1) The Director, Vocational Rehabilitation and Employment Service may approve special restorative training in excess of 12 months to overcome or lessen the effects of a physical or mental disability to enable an eligible child to pursue a program of education under 38 U.S.C. chapter 35.

(2) The Director, Education Service may approve—
(i) A course of education offered by any agency of the Federal Government authorized under other laws to offer such a course;
(ii) A course of education to be pursued under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, 35, or 36 offered by a school located in the Canal Zone, Guam or Samoa;
(iii) Except as provided in §21.4150(d) as to the Republic of the Philippines, a course of education to be pursued under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, 35, or 36 offered by an institution of higher learning not located in a State;
(iv) Any course in any other school in accordance with the provisions of 38 U.S.C. chapter 36;
(v) Any program of apprenticeship the standards for which have been approved by the Secretary of Labor pursuant to section 50a of Title 29 U.S.C. as a national apprenticeship program for operation in more than one State and for which the training establishment is a carrier directly engaged in interstate commerce and providing training in more than one State; and
(vi) Any licensing or certification test and any organization or entity offering such a test if—
(A) The organization or entity is an agency of the Federal government;
§21.4251 Minimum period of operation requirement for educational institutions.

The provisions of this section do not apply to licensing or certification tests or to the organizations or entities offering those tests. For information on the minimum period of operation requirement that applies to licensing or certification tests, see §21.4268.

(a) Definitions. The following definitions apply to the terms used in this section. The definitions in §21.4200 apply to the extent that no definition is included in this paragraph.

(1) Control. The term control (including the term controlling) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(2) Person. The term person means an individual, corporation, partnership, or other legal entity.

(b) Some educational institutions must be in operation for 2 years. Except as provided in paragraph (c) of this section, when a proprietary educational institution offers a course not leading to a standard college degree, VA may not approve an enrollment in that course if the proprietary educational institution—

(1) Has been operating for less than 2 years;

(2) Offers the course at a branch or extension and the branch or extension has been operating for less than 2 years; or

(3) Offers the course following either a change in ownership or a complete move outside its original general locality, and the educational institution does not retain substantially the same faculty, student body, and courses as before the change in ownership or the move outside the general locality unless the educational institution, after such change or move, has been in operation for at least 2 years.

(c) Exception to the 2-year operation requirement. Notwithstanding the provisions of paragraph (b) of this section, VA may approve the enrollment of a veteran, servicemember, reservist, or eligible person in a course not leading to a standard college degree approved under this subpart if it is offered by a proprietary educational institution that—

(1) Offers the course under a contract with the Department of Defense or the Department of Transportation; and

(2) Gives the course on or immediately adjacent to a military base, Coast Guard station, National Guard facility, or facility of the Selected Reserve.

(d) Operation for 2 years. VA will consider, for the purposes of paragraph (b) of this section, that a proprietary educational institution (or a branch or extension of such an educational institution) will be deemed to have been operating for 2 years when the educational institution (or a branch or extension of such an educational institution)—

(1) Has been operating as an educational institution for 24 continuous months pursuant to the laws of the State(s) in which it is approved to operate and in which it is offering the training; and
(2) Has offered courses continuously for at least 24 months inclusive of normal vacation or holiday periods, or periods when the institution is closed temporarily due to a natural disaster that directly affected the institution or the institution’s students.

(Authority: 38 U.S.C. 3680A(e) and (g))

(e) **Move outside the same general locality.** A proprietary educational institution (or a branch or extension thereof) will be deemed to have moved to a location outside the same general locality of the original location when the new location is beyond normal commuting distance of the original location, i.e., 55 miles or more from the original location.

(Authority: 38 U.S.C. 3680A(e))

(f) **Change of ownership.** (1) A change of ownership of a proprietary educational institution occurs when—

(i) A person acquires operational management and/or control of the proprietary educational institution and its educational activities; or

(ii) A person ceases to have operational management and/or control of the proprietary educational institution and its educational activities.

(2) Transactions that may cause a change of ownership include, but are not limited to the following:

(i) The sale of the educational institution;

(ii) The transfer of the controlling interest of stock of the educational institution or its parent corporation;

(iii) The merger of 2 or more educational institutions; and

(iv) The division of one educational institution into 2 or more educational institutions.

(3) VA considers that a change in ownership of an educational institution does not include a transfer of ownership or control of the institution, upon the retirement or death of the owner, to:

(i) The owner’s parent, sibling, spouse, child, spouse’s parent or sibling, or sibling’s or child’s spouse; or

(ii) An individual with an ownership interest in the institution who has been involved in management of the institution for at least 2 years preceding the transfer.

(Authority: 38 U.S.C. 3680A(e))

(g) **Substantially the same faculty, student body, and courses.** VA will determine whether a proprietary educational institution has substantially the same faculty, student body, and courses following a change of ownership or move outside the same general locality by applying the provisions of this paragraph.

(1) VA will consider that the faculty remains substantially the same in an educational institution when faculty members who teach a majority of the courses after the move or change in ownership, were so employed by the educational institution before the move or change in ownership.

(2) VA will consider that the courses remain substantially the same at an educational institution when:

(i) Faculty use the same instructional methods during the term, quarter, or semester after the move or change in ownership as were used before the move or change in ownership; and

(ii) The courses offered after the move or change in ownership lead to the same educational objectives as did the courses offered before the move or change in ownership.

(3) VA considers that the student body remains substantially the same at an educational institution when, except for those students who have graduated, all, or a majority of the students enrolled in the educational institution on the last day of classes before the move or change in ownership are also enrolled in the educational institution after the move or change in ownership.

§ 21.4252 Courses precluded; erroneous, deceptive, or misleading practices.

(a) **Bartending and personality development.** Enrollment will not be approved in any bartending or personality development course.
(b) *Avocational and recreational.* Enrollment will not be approved in any course which is avocational or recreational in character or the advertising for which contains significant avocational or recreational themes. The courses identified in paragraphs (b)(1), (2), and (3) of this section are presumed to be avocational or recreational in character and require justification for their pursuit.

(1) Any photography course or entertainment course, or

(2) Any music course, instrumental or vocal, public speaking course, or course in dancing, sports or athletics, such as horseback riding, swimming, fishing, skiing, golf, baseball, tennis, bowling, sports officiating, or other sport or athletic courses, except courses of applied music, physical education, or public speaking which are offered by institutions of higher learning for credit as an integral part of a program leading to an educational objective, or

(3) Any other type of course which the Department of Veterans Affairs determines to be avocational or recreational.

(Authority: 38 U.S.C. 3523(a), 3680A(b))

(4) To overcome the presumption that a course is avocational or recreational in character, the veteran or eligible person will be required to establish that the course will be of bona fide use in the pursuit of his or her present or contemplated business or occupation.

(c) *Flight training.* The Department of Veterans Affairs may approve an enrollment in any of the following types of courses of flight training if an institution of higher learning offers the course for credit toward the standard college degree the veteran or eligible person is pursuing. The Department of Veterans Affairs otherwise will not approve an enrollment in:

(1) A course of flight training to obtain a private pilot’s license or equivalent level training; or

(2) Any course of flight training under Chapter 35.

(Authority: 10 U.S.C. 16131(f); 38 U.S.C. 3034, 3241(b), 3323(a), 3523(b), 3680A(b))

(d) *Courses by radio.* Enrollment in such courses will not be approved.

(e) *Correspondence courses.* (1) VA will not approve the enrollment of an individual under 10 U.S.C. Chapter 1606 or 38 U.S.C. Chapter 30, 32, or 35 in a correspondence course or the correspondence portion of a correspondence-residence course unless the course is accredited and meets the requirements of §21.4253, 21.4256, and 21.4279, as appropriate.

(2) VA will not approve the enrollment of an eligible child under 38 U.S.C. Chapter 35 in a correspondence course or the correspondence portion of a correspondence-residence course.

(Authority: 38 U.S.C. 3534(b))

(f) *Alternative teacher certification program.* VA will not approve the enrollment of an eligible person under 38 U.S.C. Chapter 35 in an alternative teacher certification program unless that program is offered by an institution of higher learning as defined in §21.4200(h).

(Authority: 38 U.S.C. 3452(c), 3501(a)(6))

(g) *Independent study.* (1) Effective October 29, 1992, VA may pay educational assistance to a veteran who is enrolled in a nonaccredited course or unit subject offered entirely or partly by independent study only if—

(i) Successful completion of the nonaccredited course or unit subject is required in order for the veteran to complete his or her program of education; and the veteran—

(A) Was receiving educational assistance on October 29, 1992, for pursuit of the program of education of which the nonaccredited independent study course or unit subject forms a part, and

(B) Has remained continuously enrolled in that program of education from October 29, 1992, to the date the veteran enrolls in the nonaccredited independent study course or unit subject; or

(ii) Was enrolled in and receiving educational assistance for the nonaccredited independent study course or unit subject on October 29, 1992, and remains continuously enrolled in that course or unit subject.
(2) Whether or not the veteran is enrolled will be determined by the regularly prescribed standards and practices of the educational institution.

(h) Erroneous, deceptive, or misleading practices. For the purposes of this paragraph, “educational institution” includes an organization or entity offering licensing or certification tests.

(1) If an educational institution uses advertising, sales, enrollment practices, or candidate handbooks that are erroneous, deceptive, or misleading by actual statement, omission, or intimation, VA will not approve:

(i) An enrollment in any course such an educational institution offers; and

(ii) Payment of educational assistance as reimbursement to a veteran or eligible person for taking a licensing or certification test that the educational institution offers.

(2) VA will use the services and facilities of the Federal Trade Commission, where appropriate, under an agreement:

(i) To carry out investigations; and

(ii) To decide whether an educational institution uses advertising, sales, or enrollment practices, or candidate handbooks, described in paragraph (h)(1) of this section.

(3) Any educational institution offering courses approved for the enrollment of veterans, reservists, and/or eligible persons, or offering licensing or certification tests approved for reimbursement to veterans or eligible persons who take the tests, must maintain a complete record of all advertising, sales materials, enrollment materials, or candidate handbooks (and copies of each) that the educational institution or its agents have used during the preceding 12-month period. The State approving agency and VA may inspect this record. The materials in this record shall include but are not limited to:

(i) Any direct mail pieces,

(ii) Brochures,

(iii) Printed literature used by sales people,

(iv) Films, video cassettes and audio tapes disseminated through broadcast media,

(v) Material disseminated through print media,

(vi) Tear sheets,

(vii) Leaflets,

(viii) Handbills,

(ix) Fliers, and

(x) Any sales or recruitment manuals used to instruct sales personnel, agents or representatives of the educational institution.

(Authority: 38 U.S.C. 3689, 3696)

(i) Audited courses. The school’s certifications shall exclude courses which are being audited by the veteran or eligible person, since no educational assistance allowances shall be paid for such courses.

(Authority: 38 U.S.C. 3680(a))

(j) Nonpunitive graded courses. The school shall report any course for which a nonpunitive grade is assigned and no payment shall be authorized for such a course. If payment has already been made, in whole or in part, by the Department of Veterans Affairs at the time the grade is assigned, an overpayment shall be created against the account of the student for such a course, unless the Department of Veterans Affairs determines there are mitigating circumstances.

(Authority: 38 U.S.C. 3680(a))

(k) Courses with suspended approval. When a State approving agency has suspended the approval of a course for new enrollments, new enrollments in the course shall not be approved until the suspense is lifted. If the State approving agency does not lift the suspense, but disapproves the course instead, new enrollments beginning on or after the date the suspense was effective shall not be approved. See §21.4259.

(Authority: 38 U.S.C. 3672(a))

(l) Courses taken by a nonmatriculated student who is pursuing a degree. The provisions of this paragraph apply to veterans and eligible persons who are pursuing a degree, but who have not matriculated. The Department of Veterans Affairs considers a student to
have matriculated when he or she has been formally admitted to a college or university as a degree-seeking student.

(1) Some colleges or universities admit students provisionally, pending receipt of test results or transcripts. The Department of Veterans Affairs may approve such a veteran’s or eligible person’s enrollment in a course or subject only if the veteran or eligible person matriculates during the first two terms, quarters or semesters following his or her admission.

(2) The first portion of the courses leading to a single degree may be offered at one college or university. The remaining courses are not offered at the college or university, but are offered at a second college or university which grants the degree based upon the combined credits earned by the student. If the student is not required to matriculate during the portion of the program offered at the first college or university, VA may approve an enrollment in a course or subject that is part of that portion of the program only when the certifications described in either paragraph (l)(2)(i) or (ii) of this section are made.

(i) The college or university granting the degree certifies concurrently with the student’s enrollment in the first portion of the program, that:
   (A) Full credit will be granted for the subjects taken in the portion of the curriculum offered at the first college or university;
   (B) In the last 5 years at least three students who have completed the first part of the program have been accepted into the second part of the program;
   (C) At least 90 percent of those who have applied for admission to the second part of the program, after successfully completing the first part, have been admitted;
   (D) The student will be required to matriculate during the first two terms, quarters or semesters following his or her admission to the second part of the program.

(ii) The college or university offering the first part of the program:
   (A) Certifies to the appropriate State approving agency that as a result of an agreement between that college or university and the college or university offering the second part of the program, all of the courses taken by the veteran or eligible person in the first part of the program, will be accepted by the college or university offering the second part of the program without any loss of credit in partial fulfillment of the requirements for an associate or higher degree. This certification may be made once for each program for which an agreement exists.
   (B) Certifies to VA that the veteran or eligible person has stated to an appropriate official of the college or university offering the first part of the program that he or she is pursuing the program.

(3) The first portion of the subjects or courses in a baccalaureate program beyond those necessary for an associate degree may be offered at a 2-year college, while the remainder may be offered at a 4-year college or university. When the college or university does not require the student to matriculate while pursuing the additional study at the 2-year college, VA may approve an enrollment in a course offered in the program at the 2-year college only if the certifications described in either paragraph (l)(3)(i) or (ii) of this section are made.

(i) The college or university granting the baccalaureate degree certifies that:
   (A) Full credit is granted for the course upon the student’s transfer to the college or university granting the baccalaureate degree,
   (B) The courses taken at the 2-year college will be acceptable in partial fulfillment for the baccalaureate degree, and
   (C) The student will be required to matriculate during the first two terms, quarters or semesters following his or her admission to the college or university granting the baccalaureate degree.

(ii) Either the 2-year college or the college or university granting the baccalaureate degree:
   (A) Certifies to the appropriate State approving agency that as a result of an agreement between the 2-year college and the college or university offering the baccalaureate degree all of the courses pursued beyond the associate degree will be accepted without any loss of credit in partial fulfillment of the requirements for a baccalaureate degree. This certification may be made
once for each program for which an agreement exists.

(B) Certifies to VA that the veteran or eligible person is enrolled in courses covered by the agreement.

(i) Is pursuing a degree, and
(ii) Is not matriculated.

(5) Nothing in this paragraph shall prevent a State approving agency from including more restrictive matriculation requirements in its approval criteria.

(Authority: 38 U.S.C. 3452)

§ 21.4253 Accredited courses.

(a) General. A course may be approved as an accredited course if it meets one of the following requirements:

(1) The course has been accredited and approved by a nationally recognized accrediting agency or association. “Candidate for accreditation” status is not a basis for approval of a course as accredited.

(2) Credit for such course is approved by the State department of education for credit toward a high school diploma.

(3) The course is conducted under the Act of February 23, 1917 (29 U.S.C. 11 et seq.).

(4) The course is accepted by the State department of education for credit for a teacher’s certificate or teacher’s degree.

(5) The course is approved by the State as meeting the requirement of regulations prescribed by the Secretary of Health and Human Services under sections 1819(f)(2)(A)(i) and 1919(f)(2)(A)(i) of the Social Security Act (42 U.S.C.1395i–3(f)(2)(A)(i) and 1396r(f)(2)(A)(i)).

(Authority: 38 U.S.C. 3675(a))

(b) Course objective. Any curriculum offered by an educational institution which is a member of one of the nationally recognized accrediting agencies or associations and which leads to a degree, diploma, or certificate will be accepted as an accredited course when approved as such by the State approving agency. Any curriculum accredited by one of the specialized nationally recognized accrediting agencies or associations and which leads to a degree, diploma, or certificate will also be accepted as an accredited course when approved as such by the State approving agency. Approval of the individual subjects, required or elective, which are designated as a part of a degree curriculum will not be necessary. Such approval may include noncredit subjects that are prescribed as a required part of the curriculum. The course objective may be educational (high school diploma or a standard college degree) or it may be vocational or professional (an occupation).

(c) Accrediting agencies. A nationally recognized accrediting agency or association is one that appears on the list published by the Secretary of Education as required by 38 U.S.C. 3675(a). The State approving agencies may use the accreditation of these accrediting agencies or associations for approval of
the course specifically accredited and approved by the agency or association.

(d) School qualification. A school desiring to enroll veterans or eligible persons in accredited courses will make application for approval of such courses to the State approving agency. The State approving agency may approve the application of the school when the school and its accredited courses are found to have met the following criteria and additional reasonable criteria established by the State approving agency:

(i) The institution (other than an elementary or secondary school) has submitted to the State approving agency copies of its catalog or bulletin which are certified as true and correct in content and policy by an authorized representative, and the publication shall:

(ii) State with specificity the requirements of the institution with respect to graduation;

(iii) Include institution policy and regulations relative to standards of progress required of the student by the institution (this policy will define the grading system of the institution, the minimum grades considered satisfactory, conditions for interruption for unsatisfactory grades or progress, a description of the probationary period, if any, allowed by the institution, conditions of reentrance for those students dismissed for unsatisfactory progress, and a statement regarding progress records kept by the institution and furnished the student);

(iv) Include any attendance standards or standards of the institution if the institution has and enforces such standards.

(2) Adequate records are kept by the school to show the progress of each veteran or eligible person. The records must be sufficient to show continued pursuit at the rate for which enrolled and the progress being made. They must include final grade in each subject for each term, quarter, or semester; record of withdrawal from any subject to include the last date of attendance for a resident course; and record of reenrollment in subjects from which there was a withdrawal; and may include such records as attendance for resident courses, periodic grades and examination results.

(3) The school maintains a written record of previous education and training of the veteran or eligible person which clearly indicates that appropriate credit has been given by the school for previous education and training, with the training period shortened proportionately. The record must be cumulative in that the results of each enrollment period (term, quarter or semester) must be included so that it shows each subject undertaken and the final result, i.e., passed, failed, incomplete or withdrawn.

(4) The school enforces a policy relative to standards of conduct and progress required of the student. The school policy relative to standards of progress must be specific enough to determine the point in time when educational benefits should be discontinued, pursuant to 38 U.S.C. 3474 when the veteran or eligible person ceases to make satisfactory progress. The policy must include the grade or grade point average that will be maintained if the student is to graduate. For example, a 4-year college may require a 1.5 grade point average the first year, a 1.75 average at mid-year the second year, and a cumulative average of 2.0 thereafter on the basis of 4.0 for an A.

(5) If the school has a standard of attendance, it maintains records of attendance for veterans and eligible persons enrolled in resident courses which are adequate to show the student meets the school’s standard of attendance.

(6) The accredited courses, the curriculum of which they form a part, and the instruction connected with those courses are consistent in quality, content, and length with similar courses in public educational institutions and other private educational institutions in the State with recognized accepted standards.

(7) There is in the educational institution offering the course adequate
space, equipment, instructional material, and instructor personnel to provide training of good quality.

(8) The educational and experience qualifications of directors, and administrators of the educational institution offering the courses, and instructors teaching the courses for which approval is sought, are adequate.

(Authority: 38 U.S.C. 3675(b), 3676(c)(1), (2), (3))

(e) College level. Under the provisions of paragraph (a)(1) of this section, any course at college level approved by the State approving agency as an accredited course will be accepted by the Department of Veterans Affairs as an accredited course when all of the following conditions are met:

(1) The college or university is accredited by a nationally recognized regional accrediting agency listed by the Secretary of Education or the course is accredited at the college level by a specialized accrediting agency or association recognized by the Secretary of Education; and

(Authority: 38 U.S.C. 3675)

(2) The course has entrance requirements of not less than the requirements applicable to the college level program of the school; and

(3) Credit for the course is awarded in terms of standard semester or quarter hours or by recognition at completion by the granting of a standard college degree.

(f) Courses not leading to a standard college degree. Any course in a school approved by the State approving agency will be accepted as an accredited course when all of the following conditions are met:

(1) The course or the school offering such course is accredited by the appropriate accrediting agency; and

(2) The course offers training in the field for which the accrediting agency is recognized and at a level for which it is recognized; and

(3) The course leads to a high school diploma or a vocational objective.

(Paperwork requirements in §21.4253(d)(1) were approved by the Office of Management and Budget under control number 2900–0568)

§21.4254 Nonaccredited courses.

(a) General. Nonaccredited courses are courses which are not approved as accredited courses and which are offered by a public or private, profit or nonprofit, educational institution. These include nonaccredited courses offered by extension centers or divisions, or vocational or adult education departments of institutions of higher learning.

(b) Application. Any school desiring to enroll veterans or eligible persons in nonaccredited courses will submit a written application to the appropriate State approving agency for approval of such courses (38 U.S.C. 3676(a)). Such application will be accompanied by not less than two copies of the current catalog or bulletin which is certified as true and correct in content and policy by an authorized owner or official of the school and will include the following:

(1) Identifying data, such as volume number, and date of publication;

(2) Names of the school and its governing body, officials, and faculty;

(3) A calendar of the school showing legal holidays, beginning and ending date of each quarter, term, or semester, and other important dates;

(4) School policy and regulations on enrollment with respect to enrollment dates and specific entrance requirements for each course;

(5) School policy and regulations relative to leave, absences, class cuts, makeup work, tardiness, and interruptions for unsatisfactory attendance;

(6) School policy and regulations relative to standards of progress required of the student. This policy will define the grading system of the school, the
minimum grades considered satisfactory conditions for interruption for unsatisfactory grades or progress, and a description of the probationary period, if any, allowed by the school, and conditions of reentrance for those students dismissed for unsatisfactory progress.

A statement will be made regarding progress records kept by the school and furnished the student;

(7) School policy and regulations relating to student conduct and conditions for dismissal for unsatisfactory conduct;

(8) Detailed schedule of fees, charges for tuition, books, supplies, tools, student activities, laboratory fees, service charges, rentals, deposits, and all other charges;

(9) Policy and regulations relative to the refund of the unused portion of tuition, fees, and other charges, regulations pertaining to absences, grading policy, and rules of operation and conduct will be furnished the veteran or eligible person upon enrollment.

(6) Upon completion of training, the veteran or eligible person is given a certificate by the school indicating the approved course and indicating that training was satisfactorily completed.

(7) Adequate records as prescribed by the State approving agency are kept to show attendance and progress or grades, and satisfactory standards relating to attendance, progress, and conduct are enforced.

(8) The school complies with all local, city, county, municipal, State, and Federal regulations, such as fire codes, building, and sanitation codes. The State approving agency may require such evidence of compliance as it deemed necessary.

(9) The school is financially sound and capable of fulfilling its commitments for training.

(10) The school does not utilize advertising of any type which is erroneous or misleading, either by actual statement, omission, or intimation. The school will not be deemed to have met this requirement until the State approving agency:

(i) Has ascertained from the Federal Trade Commission whether the Commission has issued an order to the school to cease and desist from any act or practice, and

(ii) Has, if such an order has been issued, given due weight to that fact.

(11) The school does not exceed its enrollment limitations as established by the State approving agency.

(12) The school administrators, directors, owners, and instructors are of good reputation and character.

(13) The school either: (i) Has and maintains a policy for the pro rata refund of the unused portion of tuition, fees and charges if the veteran or eligible person fails to enter the course or
§ 21.4255 Refund policy; nonaccredited courses.

(a) Acceptable refund policy. A refund policy meets the requirements of §21.4254(c)(13), if it provides that the amount charged for tuition, fees, and other charges for a portion of the course does not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to the total length. The school may make provision for refund within the following limitations:

(1) Registration fee. An established registration fee in an amount not to exceed $10 need not be subject to proration. Where the established registration fee is more than $10, the amount in excess of $10 will be subject to proration.

(2) Breakage fee. Where the school has a breakage fee, it may provide for the retention of only the exact amount of the breakage, with the remaining part, if any, to be refunded.

(3) Consumable instructional supplies. Where the school makes a separate charge for consumable instructional supplies, as distinguished from laboratory fees, the exact amount of the charges for supplies consumed may be retained but any remaining part must be refunded.

(4) Books, supplies and equipment. (1) A veteran or eligible person may retain or dispose of books, supplies and equipment at his or her discretion when:

(A) He or she purchased them from a bookstore or other source, and

(B) Their cost is separate and independent from the charge made by the school for tuition and fees.

(ii) The school will make a refund in full for the amount of the charge for unissued books, supplies and equipment when:

(A) The school furnishes the books, supplies and equipment.

(B) The school includes their cost in the total charge payable to the school for the course.

(iii) The veteran or eligible person may dispose of issued items at his or her discretion even if they were included in the total charges payable to the school for the course.

(5) Tuition and other charges. Where the school either has or adopts an established policy for the refund of the unused portion of tuition, fees, and other charges subject to proration, which is more favorable to the veteran or eligible person than the approximate pro rata basis as provided in this paragraph, such established policy will be applicable. Otherwise, the school may charge a sum which does not vary more than 10 percent from the exact pro rata portion of such tuition, fees, and other charges that the length of the completed portion of the course bears to its total length. The exact proration will be determined on the ratio of the number of days of instruction completed by the student to the total number of instructional days in the course.

(6) Prompt refund. In the event that the veteran, spouse, surviving spouse or child fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion of the course, the unused portion of the tuition, fees and other charges paid by the individual shall be refunded promptly. Any institution which fails to forward any refund due within 40 days after such a change in status, shall be deemed, prima facie, to have failed to make a prompt refund, as required by this paragraph.
§ 21.4256 Correspondence programs and courses.

(a) Approval of correspondence programs and courses. (1) An educational institution desiring to enroll veterans under 38 U.S.C. chapter 30 or 32, spouses and/or surviving spouses under 38 U.S.C. chapter 33, and/or reservists under 10 U.S.C. chapter 1606 in a program of education to be pursued exclusively by correspondence, or in the correspondence portion of a combination correspondence-residence course, may have the program or course approved only when the educational institution meets the requirements of §§21.4252(e), 21.4253, and 21.4279, as applicable.

(2) The application of an educational institution for approval of a program of education to be pursued exclusively by correspondence or the correspondence portion of a combined correspondence-residence course must demonstrate that the program or course is satisfactory in all elements. The educational institution must certify to the State approving agency that at least 50 percent of those pursuing the program or course require six months or more to complete it. For applications for approval that are pending approval by the State approving agency on February 2, 1995, and for applications received by the State approving agency after that date, the required certification shall be based on the experience of students who completed the program or course during the six-month period immediately preceding the educational institution’s application for approval.

(3) State approving agencies have the authority to review periodically the length of time needed to complete each approved correspondence program or approved correspondence-residence course in order to determine whether the program or course should continue to be approved. In implementing this authority, a State approving agency will examine the results over a prior two-year period reasonably related to the date on which such a review is conducted.

(b Enrollment agreement. (1) An educational institution offering a program of education to be pursued exclusively by correspondence must enter into an
enrollment agreement with the veteran, spouse, surviving spouse, or reservist who wishes to receive educational assistance from VA while pursuing the program. The enrollment agreement shall disclose fully the obligations of the institution and the veteran, spouse, surviving spouse, or reservist, and shall display in a prominent place on the agreement the conditions for affirmance, termination, refund, and payment of the educational assistance by VA.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3686(a)(1), 3686(b))

(2) A copy of the agreement shall be given to the veteran, spouse, surviving spouse, or reservist when it is signed.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3686(b))

(3) The agreement shall not be effective unless the veteran, spouse, surviving spouse, or reservist after the expiration of 10 days after the agreement is signed, shall have signed and submitted to VA a written statement, with a signed copy to the institution, specifically affirming the agreement.

(c) Mandatory refund policy. (1) Upon notification of the educational institution by the veteran, spouse, surviving spouse, or reservist of an intention not to affirm the enrollment agreement, any fees paid by the individual shall be returned promptly in full to him or her.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3686(c))

(2) Upon termination of enrollment under an affirmed enrollment agreement for training in the accredited course by the veteran, spouse, surviving spouse, or reservist, without having completed any lessons, a registration fee not in excess of 10 percent of the tuition for the course or $50, whichever is less, may be charged him or her. When the individual terminates the agreement after completion of less than 25 percent of the lessons of the course, the institution may retain the registration fee plus 25 percent of the tuition. When the individual terminates the agreement after completing 25 percent but less than 50 percent of the lessons, the institution may retain the registration fee plus 50 percent of the tuition for the course. If 50 percent or more of the lessons are completed, no refund of tuition is required.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3686(c))

(3) Where the school either has or adopts an established policy for the refund of the unused portion of tuition, fees, and other charges subject to proration, which is more favorable to the veteran, spouse, surviving spouse, or reservist than the pro rata basis as provided in paragraph (b)(2) of this section, such established policy will be applicable.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3686(c))

(4) Any institution that fails to forward any refund due to the veteran, spouse, surviving spouse, or reservist within 40 days after receipt of a notice of termination or disaffirmance, shall be deemed, prima facie, to have failed to make a prompt refund as required by this section.

§ 21.4259 Suspension or disapproval.

(a) The appropriate State approving agency, after approving any course or licensing or certification test:

(1) May suspend the approval of a course for new enrollments, or approval of a licensing or certification test, for a period not to exceed 60 days to allow the institution to correct any deficiencies, if the evidence of record establishes that the course or licensing or certification test fails to meet any of the requirements for approval.

§ 21.4260 Courses in foreign countries.

(a) Approval of postsecondary courses in foreign countries. (1) In order to be approved a postsecondary course offered in a foreign country must meet all the provisions of this paragraph. A course offered by a foreign medical school (other than one located in Canada) must also meet all of the provisions of paragraph (b) of this section.

(i) The educational institution offering the course is an institution of higher learning, and

(ii) The course leads to a standard college degree or its equivalent.

(2) For the purpose of this paragraph, a degree is the equivalent of a standard college degree when the program leading to the degree has the same entrance requirements as one leading to a degree granted by a public degree-granting institution of higher learning in that country.

(b) Approval of courses offered by a foreign medical school. In addition to meeting all the criteria stated in paragraph (a) of this section, a course offered by a foreign medical school (other than one located in Canada) must also meet all of the following criteria:

(1) The school satisfies the criteria for listing as a medical school in the World Directory of Medical Schools published by the World Health Organization (WHO).

(2) The evaluating bodies (such as medical associations or educational agencies) whose views are considered relevant by the Director, Education Service, and which are located in the same country as the school—

(i) Recognize the school as a medical school, and

§ 21.4261 Apprentice courses.

(a) General. An apprentice course is any training on-the-job course which has been established as an apprentice course by a training establishment as defined in §21.4200(c) and which has been approved as an apprentice course by the State approving agency.

(b) Application. Any training establishment desiring to furnish a course of apprentice training will submit a written application to the appropriate State approving agency setting forth the following:

1. Title and description of the specific job objective for which the veteran or eligible person is to be trained;
2. The length of the training period;
3. A schedule listing various operations for major kinds of work or tasks to be learned and showing for each job operations or tasks to be performed, and the approximate length of time to be spent on each operation or task;
4. The number of hours of supplemental related instruction required; and
5. Any additional information required by the State approving agency.

(c) Approval criteria. The appropriate State approving agency may approve a course of apprentice training when the training establishment and its apprentice courses are found upon investigation to have met the following criteria:

1. The standards of apprenticeship published by the Secretary of Labor pursuant to 29 U.S.C. 50a;
2. A signed copy of the training agreement for each veteran or eligible person’s, veteran’s, or reservist’s program of education meets the requirements of either §21.5230, §21.7020(b)(17), as appropriate; and
3. The course meets the requirements of this section and all other applicable VA regulations.

(2) VA may deny or discontinue the payment of educational assistance allowance to a veteran, serviceperson, eligible person or reservist pursuing a course in an institution of higher learning not located in a State when VA finds that the veteran’s, serviceperson’s, eligible person’s, or reservist’s enrollment is not in his or her best interest or the best interest of the Federal Government.

(Authority: 38 U.S.C. 3687)

§ 21.4261 Apprentice courses.

(a) General. An apprentice course is any training on-the-job course which has been established as an apprentice course by a training establishment as defined in §21.4200(c) and which has been approved as an apprentice course by the State approving agency.

(b) Application. Any training establishment desiring to furnish a course of apprentice training will submit a written application to the appropriate State approving agency setting forth the following:

1. Title and description of the specific job objective for which the veteran or eligible person is to be trained;
2. The length of the training period;
3. A schedule listing various operations for major kinds of work or tasks to be learned and showing for each job operations or tasks to be performed, and the approximate length of time to be spent on each operation or task;
4. The number of hours of supplemental related instruction required; and
5. Any additional information required by the State approving agency.

(c) Approval criteria. The appropriate State approving agency may approve a course of apprentice training when the training establishment and its apprentice courses are found upon investigation to have met the following criteria:

1. The standards of apprenticeship published by the Secretary of Labor pursuant to 29 U.S.C. 50a;
2. A signed copy of the training agreement for each veteran or eligible person’s, veteran’s, or reservist’s program of education meets the requirements of either §21.5230, §21.7020(b)(17), as appropriate; and
3. The course meets the requirements of this section and all other applicable VA regulations.

(2) VA may deny or discontinue the payment of educational assistance allowance to a veteran, serviceperson, eligible person or reservist pursuing a course in an institution of higher learning not located in a State when VA finds that the veteran’s, serviceperson’s, eligible person’s, or reservist’s enrollment is not in his or her best interest or the best interest of the Federal Government.

(Authority: 38 U.S.C. 3687)
person, making reference to the training program and wage schedule as approved by the State approving agency, is provided to the veteran or eligible person and the Department of Veterans Affairs and the State approving agency by the employer; and

(3) The course meets such other reasonable criteria as may be established by the State approving agency.

(Authority: 38 U.S.C. 3687)

(d) Promotion. As funding permits, Department of Veterans Affairs employees will promote the development of apprenticeships. They will:

(1) Visit employers and joint apprenticeship committees,

(2) Coordinate their efforts with activities of any State approving agencies that may choose to promote the development of apprenticeships, and

(3) Avoid duplicating the efforts of others by coordinating their promotional efforts with similar activities of the Department of Labor and State employment security agencies as provided by written agreements covering these activities, including utilization of disabled veterans' outreach program specialists.

(Authority: 38 U.S.C. 3672(d))

§ 21.4262 Other training on-the-job courses.

(a) General. An “other training on-the-job” course is any training on the job which does not qualify as an apprentice course, as defined in §21.4261, but which otherwise meets the requirements of paragraph (c) of this section.

(b) Application. Any training establishment desiring to furnish a course of other training on-the-job will submit to the appropriate State approving agency a written application setting forth the following:

(1) Title and description of the specific job objective for which the veteran or eligible person is to be trained;

(2) The length of the training period;

(3) A schedule listing various operations for major kinds of work or tasks to be learned and showing for each job operations or tasks to be performed, and the approximate length of time to be spent on each operation or task;

(4) The number of hours of supplemental related instruction required;

(5) The entrance wage or salary paid by the training establishment to employees already trained in the kind of work for which the veteran or eligible person is to be trained;

(6) A certification that the wages to be paid the veteran or eligible person upon entrance into training are not less than wages paid nonveterans in the same training position and are at least 50 percent of the wages paid for the job for which he or she is to be trained, and will be increased in regular periodic increments until, not later than the last full month of the scheduled training period they will be at least 85 percent of the wages paid for the job for which the veteran or eligible person is being trained;

(7) A certification that there is reasonable certainty that the job for which the veteran or eligible person is to be trained will be available to him or her at the end of the training period; and

(8) Any additional information required by the State approving agency.

(c) Approval criteria. The appropriate State approving agency may approve the application submitted under paragraph (b) of this section, when the training establishment and its courses are found upon investigation to have met the criteria outlined in this paragraph. Approval will not be granted for training in occupations which require a relatively short period of experience for a trainee to obtain and hold employment at the market wage in the occupation. This includes occupations such as automobile service station attendant or manager, soda fountain attendant, food service worker, salesman, window washer, building custodian or other unskilled or common labor positions as well as clerical positions for which on-the-job training is not the normal method of procuring qualified personnel.

(1) The job which is the objective of the training is one in which progression and appointment to the next higher classification are based upon skills
learned through organized and supervised training on-the-job and not on such factors as length of service and normal turnover;

(2) The training content of the course is adequate to qualify the veteran or eligible person for appointment to the job for which he or she is to be trained;

(3) The job customarily requires a period of training of not less than 6 months and not more than 2 years of full-time training;

(4) The length of the training period is not longer than that customarily required by the training establishments in the community to provide the veteran or eligible person with the required skills, arrange for the acquiring of job knowledge, technical information, and other facts which the veteran or eligible person will need to learn in order to become competent on the job for which he or she is being trained;

(5) Provision is made for related instruction for the individual veteran or eligible person who may need it;

(6) There is in the training establishment adequate space, equipment, instructional material, and instructor personnel to provide satisfactory training on-the-job;

(7) Adequate records are kept to show the progress made by each veteran or eligible person toward his or her job objective;

(8) The veteran or eligible person is not already qualified by training and experience for the job;

(9) The requirements of paragraphs (b)(6) and (7) of this section are met;

(10) A signed copy of the training agreement for each veteran or eligible person, including the training program and wage schedule as approved by the State approving agency, is provided to the veteran or eligible person and the Department of Veterans Affairs and the State approving agency by the employer; and

(11) The course meets such other reasonable criteria as may be established by the State approving agency.

(Authority: 38 U.S.C. 3672(d))

§ 21.4263 Approval of flight training courses.

(a) A flight school or institution of higher learning are the only entities that can offer flight courses. A State approving agency may approve a flight course only if a flight school or an institution of higher learning offers the course. A State approving agency may not approve a flight course if an individual instructor offers it. The provisions of §21.4150 shall determine the proper State approving agency for approving a flight course.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3032(d), 3241(b), 3671, 3672, 3676)

(b) Definition of flight school. A flight school is a school, other than an institution of higher learning, or an entity, such as an aero club; is located in a State; and meets one of the following sets of requirements:

1. The Federal Aviation Administration has issued the school or entity either a pilot school certificate or a provisional pilot school certificate specifying each course the school is approved to offer under 14 CFR part 141;

2. The entity is either a flight training center or an air carrier that does not have a pilot school certificate or provisional pilot school certificate issued by the Federal Aviation Administration under 14 CFR part 141, but pursuant to a grant of exemption letter...
issued by the Federal Aviation Administration under 14 CFR part 61 is permitted to offer pilot training by a flight simulator instead of an actual aircraft; or

(3) The Federal Aviation Administration has issued the school or entity a training center certificate under 14 CFR part 142.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3211(a), 3452(c))

(c) Aero club courses. An aero club, established, formed, and operated under authority of service department regulations as a nonappropriated sundry fund activity, is an instrumentality of the Federal government. Consequently, VA has exclusive jurisdiction over approval of flight courses offered by such aero clubs.

(Authority: 38 U.S.C. 3671, 3672)

(d) Approval of flight training as part of a degree program. A State approving agency may approve a flight training course that is part of a program of education leading to a standard college degree provided the course and program meet the requirements of §21.4253 or §21.4254, as appropriate. The institution of higher learning offering the course need not be a flight school.

(Authority: 38 U.S.C. 3675, 3676)

(e) Approval of flight training courses that are not part of a degree program. A flight course is subject to the same approval requirements as any other course. In addition, the State approving agency must apply the following provisions to the approval of flight courses:

(1) The Federal Aviation Administration must approve the course; and

(2)(i) The course must meet the requirements of 14 CFR part 63 or 141, and a flight school described in paragraph (b)(1) or (b)(3) of this section must offer it; or

(ii) The course must meet the requirements of 14 CFR part 61, and either be offered—

(A) By a flight school described in paragraph (b)(3) of this section; or

(B) In whole or in part by a flight simulator pursuant to a grant of an exemption letter issued by the Federal Aviation Administration to the flight school offering the course.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3034(d), 3211(b), 3676, 3680A)

(f) Application of 38 U.S.C. 3680A(e)(2) to flight training. Notwithstanding the fact that the Federal Aviation Administration will permit flight schools to conduct training at a base other than the main base of operations if the requirements of either 14 CFR 141.91 or 14 CFR 142.17 are met, the satellite base is considered under 38 U.S.C. 3680A(e)(2) to be a branch of the principal school, and must meet the requirements of 38 U.S.C. 3680A(e)(2).

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3211(a), 3211(b), 3680A)

(g) Providing a flight course under contract between schools or entities. When a school or entity offers all or part of a flight course under a contract with another school or entity, the State approving agency must apply §21.4233 in the following manner:

(1) The requirements of §21.4233(e) must be met for all contracted flight instruction, instruction by flight training device, flight simulator instruction, and ground school training. Ground school training may be given through a ground school facility operated jointly by two or more flight schools in the same locality; and

(2) The responsibility for providing the instruction lies with the flight school. The degree of affiliation between the flight school and the entity or other school that actually does the instructing must be such that all charges for instruction are made by, and paid to, one entity having jurisdiction and control over both the flight and ground portions of the program.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3032(d), 3211(b))

(h) Nonaccredited courses—(1) Application of §21.4254 to flight training. The provisions of §21.4254 are applicable to approval of flight training courses.

(2) Additional instruction requirements. The State approving agency will apply the following additional requirements to a flight course:
(i) All flight instruction, instruction by flight training device, flight simulator instruction, preflight briefings and postflight critiques, and ground school training in a course must be given by the flight school or under suitable arrangements between the school and another school or entity such as a local community college.

(ii) All ground school training connected with the course must be in residence under the direction and supervision of a qualified instructor providing an opportunity for interaction between the students and the instructor. Simply making provision for having an instructor available to answer questions does not satisfy this requirement.

(3) A flight school must keep at a minimum the following records for each eligible veteran, servicemember, or reservist pursuing flight training:

(i) A copy of his or her private pilot certificate;

(ii) Evidence of completion of any prior training that may be a prerequisite for the course;

(iii) A copy of the medical certificate required by paragraph (a)(2) of this section for the courses being pursued and copies of all medical certificates (expired or otherwise) needed to support all periods of prior instruction received at the current school;

(iv) A daily flight log or copy thereof;

(v) A permanent ground school record;

(vi) A progress log;

(vii) An invoice of flight changes for individual flights or flight lessons for training conducted on a flight simulator or advanced flight training device;

(viii) Daily flight sheets identifying records upon which the 85–15 percent ratio may be computed;

(ix) A continuous meter record for each aircraft;

(x) An invoice or flight tickets signed by the student and instructor showing hour meter reading, type of aircraft, and aircraft identification number;

(xi) An accounts receivable ledger;

(xii) Individual instructor records;

(xiii) Engine log books;

(xiv) A record for each student above the private pilot level stating the name of the course in which the student is currently enrolled and indicating whether the student is enrolled under 14 CFR part 61, part 63, part 141, or part 142;

(xv) Records of tuition and accounts which are evidence of tuition charged and received from all students; and

(xvi) If training is provided under 14 CFR part 141, the records required by that part, or if training is provided under 14 CFR part 142, the records required by that part.

(Authority: 38 U.S.C. 3671, 3672, 3676, 3690(c))

(i) Hourly limitations. A flight course approved pursuant to paragraph (e) of this section shall be approved only for those hours of instruction generally considered necessary for a student to obtain an identified vocational objective. This requirement is met only if the number of hours approved does not exceed the maximum set forth in paragraph (i)(1) through (3) of this section. Flight instruction may never be substituted for ground training.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3002(3), 3202(2), 3452(b))

(1) Flight or flight simulator instruction. Except as provided in paragraph (i)(4) of this section, the maximum number of hours of flight instruction or flight simulator instruction which may be approved for a flight course shall not exceed the number determined by this paragraph.

(i) The maximum number of hours of solo flight instruction shall not exceed the minimum number of hours required for the course provided by FAA regulations.

(ii) The maximum number of hours of dual flight instruction shall not exceed the lesser of—

(A) The number of hours of dual flight instruction in the course outline approved by the FAA, or

(B) 120% of the minimum number of hours of dual flight instruction required for the course by FAA regulations.

(iii) The maximum number of hours of instruction by flight simulator or flight training device that a State approving agency may approve is the
maximum number of hours of instruction by flight simulator or flight training device permitted by 14 CFR part 61 for that course when:

(A) A course is offered in whole or in part by flight simulator or flight training device conducted by a training center certificated under 14 CFR part 142; and

(B) 14 CFR part 61 contains a maximum number of hours of instruction by flight simulator or flight training device that may be credited toward the requirements of the rating or certificate that is the objective of the course.

(iv) If a course is offered in whole or in part by flight simulator or flight training device, and the course is not described in paragraph (i)(1)(iii) of this section, either because the course is offered by a flight training center with a grant of exemption letter, or because 14 CFR part 61 does not contain a maximum number of hours of instruction by flight simulator or flight training device, the maximum number of hours of instruction by flight simulator or flight training device that may be approved may not exceed the number of hours in the Federal Aviation Administration-approved outline.

(Authority: 10 U.S.C. 16131(g); 38 U.S.C. 3032(f), 3231(f))

(2) Ground school. The ground training portion of a flight course may include two forms of ground training instruction, ground school and preflight briefings and postflight critiques. The minimum hours for ground training, as specified in 14 CFR part 141, appendixes C through J refer only to ground school and not to preflight briefings and postflight critiques. If the ground school training consists of units using kits containing audiovisual equipment, quizzes and examinations, the maximum number of units approved shall not exceed the number on the course outline approved by the FAA. For all other ground school training, the number of hours of training shall not exceed the number of hours on the course outline approved by the FAA.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3002(3), 3202(2), 3452(b))

(3) Preflight briefings and postflight critiques. Hours spent in preflight briefings and postflight critiques need not be approved by the FAA.

(i) If these hours are on the FAA-approved outline, the maximum number of hours of preflight briefings and postflight critiques shall not exceed the number of hours on the outline exclusive of the preflight briefings and postflight critiques which are attributable to solo flying hours that exceed the minimum number of solo flying hours for the course in 14 CFR part 141.

(ii) If these hours are not on the FAA-approved outline, they may not be approved unless the State approving agency finds that the briefings and critiques are an integral part of the course and do not precede or follow solo flying hours which exceed the minimum number of solo flying hours for the course in 14 CFR part 141. The maximum number of hours of preflight briefings and postflight critiques which may be approved for these courses may not, when added together, exceed 25 percent of the approved hours of flight instruction.

(Authority: 10 U.S.C. 16131(f)(4); 16136(c), 38 U.S.C. 3002(3), 3022(f)(4), 3202(2), 3231(f)(4), 3452(b))

(4) Waiver of limitation in approvable course hours. (i) Flight schools that wish to have a greater number of hours of dual flight instruction approved than are permitted by paragraph (i)(1)(ii) of this section, may seek an administrative review of their approval by the Director, Education Service. Requests for such a review should be made in writing to the Director of the VA facility having jurisdiction over the flight school. The request should—

(A) State the reasons why the flight school believes that the approval should extend to a greater number of hours, and

(B) Include any evidence tending to show that the greater number of hours should be approved.

(ii) The Director, Education Service shall base her or his decision upon the evidence submitted, the recommendation of the Director of the VA facility, and, if appropriate, the recommendation of the State approving agency having jurisdiction over the flight school.
(iii) The limit on the number of hours of solo flight instruction found in paragraph (i)(1)(i) of this section may not be waived.

(Authority: 10 U.S.C. 16131(f)(4); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(j) Charges. The appropriate State approving agency shall approve charges for tuition and fees for each flight course exclusive of charges for tuition and fees for solo flying hours which exceed the maximum permitted under paragraph (i)(1)(i) of this section and for preflight briefings and postflight critiques which precede or follow the excess solo hours.

(Authority: 38 U.S.C. 3672)

(1) The approved charges for tuition and fees shall be based upon the charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay. Charges for books, supplies and lodging may not be reimbursed.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(2) For the ground school portion of ground training, the State approving agency should approve group charges or unit prices if audio-visual equipment is used. For the preflight briefings and postflight critiques, the State approving agency should approve individual instructor rates for individual training flights. An average charge per hour based upon total hours and cost of all training given on the ground may not be approved.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(3) A veteran, servicemember or reservist or group (all or part of whom are veterans, servicemembers or reservists) owning an airplane may lease it to an approved flight school and have exclusive use of the aircraft for flight training. The aircraft should meet the requirements prescribed for all airplanes to be used in the course, and should be shown in the approval by the State approving agency. The leasing arrangement should not result in charges for flight instruction for those owning the airplane greater than charges made to others not leasing an aircraft to the school.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(4) If membership in a flight club entitles a veteran, servicemember or reservist to flight training at less than the standard rate, his or her educational allowance will be based on the reduced rate. No payments will be made for the cost of joining the flight club, since it is not a charge for the flight course.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(k) Substitute aircraft. Except for minor substitutions a veteran, servicemember or reservist enrolled in a flight course may train only in the aircraft approved for that course. If a particular aircraft is not available for some compelling reason, the veteran, servicemember or reservist may be permitted to train in an aircraft different from that approved for the particular course, provided the aircraft substituted will adequately meet the training requirements for this particular phase of the course. Substitutions should be explained on the monthly certifications of flight training. If this shows that the charge for the substituted aircraft is different from the charge approved for the regular aircraft, the reimbursement will be based on the lesser charge. When substitution becomes the practice rather than the exception, VA will suspend payments and notify the veterans, servicemembers, reservists and the school. VA will refer the matter to the State approving agency for appropriate action.

(Authority: 10 U.S.C. 16136(b), 16136(c); 38 U.S.C. 3034(d), 3672(a))

(l) Enrollment limitations. A flight course must meet the 85–15 percent ratio requirement set forth in §21.4201 before VA may approve new enrollments in the course. The contracted portion of a flight course must meet all
the requirements of §21.4201 for each subcontractor.

§ 21.4264 Farm cooperative courses.

(a) Description of a farm cooperative course. A farm cooperative course is an institutional agricultural course. It provides training on a reduced basis to those engaged in farming, compared to other types of training. Part-time benefits are provided for students whose farming operation will not permit them to attend class at least 10 hours per week.

(b) Farm cooperative students must be farmers. In order to receive educational assistance allowance an eligible person must be engaged concurrently in agricultural employment for an average of at least 40 hours per week. This agricultural employment must be relevant to the farm cooperative course.

(c) Acceptable class schedules. (1) The institutional portion of a farm cooperative course:

(i) May be on a term, quarter or semester basis, or

(ii) May consist of courses which:

(A) Are offered during at least 44 weeks of the year, and

(B) Require a minimum of 5 clock hours per week.

(2) The time involved in field trips and individual and group instruction, sponsored and conducted by the educational institution offering farm cooperative courses may be counted toward meeting the clock-hour requirements. See §21.4270(c) of this part for measurement of farm cooperative courses.

(Authority: 38 U.S.C. 3482, 3352)

(d) Application. (1) Any school desiring to enroll spouses or children in farm cooperative courses:

(i) Will submit to the appropriate State approving agency a written application for approval in accordance with §21.4253 or §21.4254 as appropriate; and

(ii) Must submit statements of fact showing at least the following:

(A) That the course is set up in the school catalog or other literature of the school;

(B) That the agricultural course is offered concurrently with agricultural employment; and

(C) That the school itself verifies on a continuing basis that students are engaged for an average of at least 40 hours per week in suitable agricultural employment which is relevant to the institutional agricultural course offered by the school and is in an area consistent with their institutional training program.

(2) For the purposes of this paragraph suitable agricultural employment must include employment on a farm or other agricultural establishment where the basic activity is either:

(i) The cultivation of the ground such as the raising and harvesting of crops including fruits, vegetables and pastures, or

(ii) The feeding, breeding and managing of livestock, including poultry and other specialized farming.

(3) The Department of Veterans Affairs does not consider employment in training establishments which are engaged primarily in the processing, distribution or sale of agricultural products or combinations thereof, such as dairy processing plants, grain elevators, packing plants, hatcheries, stockyards or florists shops to be suitable agricultural employment.

(e) Approval criteria. The appropriate State approving agency may approve the school’s application when the agency finds upon investigation that the school and its courses have met the following conditions:

(1) The criteria specified in §21.4253 or §21.4254, as appropriate; and

(2) The requirements of paragraph (d) of this section.

(Authority: 38 U.S.C. 3482, 3352)

§ 21.4265 Practical training approved as institutional training or on-job training.

(a) Medical-dental internships and residencies. (1) Medical residencies (other than residencies in podiatric medicine), dental residencies, and osteopathic internships and residencies may be approved and recognized as institutional courses only when an appropriate accrediting agency accredits and approves them as leading to certification for a recognized professional objective.

(2) The appropriate accrediting agencies are:
   (i) The Accreditation Council for Graduate Medical Education, or where the Accreditation Council for Graduate Medical Education has delegated accrediting authority, the appropriate Residency Review Committee,
   (ii) The American Osteopathic Association, and
   (iii) The Commission on Dental Accreditation of the American Dental Association.

(3) These residency programs—
   (i) Must lead to certification by an appropriate Specialty or Subspecialty Board, the American Osteopathic Association, or the American Dental Association; and
   (ii) Will not be approved to include a period of practice following completion of the education requirements even though the accrediting agency requires the practice.

(4) Except as provided in paragraph (a)(5) of this section, no other medical or dental residency or osteopathic internship or residency will be approved or recognized as institutional training.

(5) A residency in podiatric medicine may be approved and recognized as institutional training only when it has been approved by the Council on Podiatric Education of the American Podiatric Association.

(Authority: 38 U.S.C. 3688(b))

(b) Nursing courses. (1) Courses for the objective of registered nurse or registered professional nurse will be assessed as institutional training when they are provided in autonomous schools of nursing, hospital schools of nursing, or schools of nursing established in other schools or departments of colleges and universities, if they are accredited by a nationally recognized accrediting agency or if they meet the requirements of the licensing body of the State in which the school is located. The hospital or fieldwork phase of a nursing course, including a course leading to a degree in nursing, will be assessed as an institutional course when the hospital or fieldwork phase is an integral part of the course, the completion thereof is a prerequisite to the successful completion of the course, the student remains enrolled in the school during the period, and the training is under the direction and supervision of the school.

(2) Courses offered by schools which lead to the objective of practical nurse, practical trained nurse, or licensed practical nurse will be assessed as institutional training including both the academic subjects and the clinical training if the clinical training is offered by an affiliated or cooperating hospital and the student is enrolled in and supervised by the school during the period of such clinical training. Also they must be accredited by a nationally recognized accrediting agency or meet the requirements of the licensing body of the State in which the school is located.

(3) Except for enrollment in a nurse’s aide course approved pursuant to §21.4253(a)(5), VA shall not approve an enrollment in a nonaccredited nursing course which does not meet the licensing requirements of the State where the course is offered.

(Authority: 38 U.S.C. 3452, 3688)

(c) Medical and dental specialty courses. (1) Required clinical training included in a school course given in an affiliated hospital, clinic, laboratory, or medical center as a part of a medical or dental specialty course whether accredited or nonaccredited offered by a school such as X-ray technician, medical technician, medical records administrator, physical therapist or dental technician shall be assessed as institutional training provided:
   (i) The student remains enrolled in the course during the clinical period;
   (ii) The clinical training is;
      (a) An integral part of the course;
(b) A prerequisite to the successful completion of the course; and
(c) Under the direction and supervision of the school; and
(iii) The course includes substantial technical or professional training and does not consist of training preliminarily directed to clerical, administrative, secretarial, or receptionist duties.
(2) Medical and dental specialty courses offered in hospitals, clinics, laboratories, or medical centers which are accredited as institutional courses by a nationally recognized accrediting agency will be assessed as institutional training.
(3) Clinical training included in a school course given in a physician’s office or a dentist’s office, also called externship, will be recognized as part of the institutional training if the course is accredited by a nationally recognized accrediting agency and meets the other requirements of paragraph (c)(1) of this section. If the course is not so accredited such practical or on-the-job training or experience in a physician’s office may not be included unless the program is approved as a cooperative course.
(4) Nonaccredited courses offered in hospitals, clinics, laboratories, or medical centers will be considered on-the-job training when the courses meet the requirements of §21.4262.
(d) Medical and dental assistants courses for the Department of Veterans Affairs. A course prescribed by the Secretary for full-time physicians’ assistants or for full-time expanded-function auxiliaries (formerly referred to as dentists’ assistants) may be approved as institutional training, if the course is conducted at Department of Veterans Affairs facilities or in facilities operated by hospitals, medical schools, or medical installations pursuant to a contract with the Department of Veterans Affairs.

(Authority: 38 U.S.C. 7407)
(e) Professional training courses. (1) Any non-medically related professional internship program, such as a clinical pastoral course, will be recognized as an institutional course when it is accredited as an institutional course by a nationally recognized accrediting agency, and
(2) The approved facility for such a course must be the institution or other facility where the training is given.
(f) Other practical training courses. (1) Other off-campus job experience included in a school course, variously described by schools as internship, residency, practicum, externship, etcetera, may be included as a part of a cooperative program when the course meets the requirements of §21.4233(a).
(2) However, such off-campus courses may be considered as resident institutional training only if all of the following conditions are met. The course is:
(i) Accredited by a nationally recognized accrediting agency or is offered by a school that is accredited by one of the regional accrediting associations;
(ii) A part of the approved curriculum of the school;
(iii) Directly supervised by the school;
(iv) Measured in the same unit as other courses;
(v) Required for graduation; and
(vi) Has a planned program of activities described in the school’s official publication which is approved by the State approving agency and which is institutional in nature as distinguished from training on-the-job. The description shall include at least:
(A) A unit subject description;
(B) A provision for an assigned instructor;
(C) A statement that the planned program of activities is controlled by the school, not by the officials of the job establishment;
(D) A requirement that class attendance on at least a weekly basis be regularly scheduled to provide for interaction between instructor and student;
(E) A statement that appropriate assignments are required for completion of the course;
(F) A grading system similar to the system used for other resident subjects offered by the school; and
(G) A schedule of time required for the training which demonstrates that the student shall spend at least as much time in preparation and training as is normally required by the school for its other resident courses.
(g) Nonaccredited courses. Any non-accredited internship program not
§ 21.4266 Approval of courses at a branch campus or extension.

(a) Definitions. The following definitions apply to the terms used in this section.

(1) Administrative capability means the ability to maintain all records and accounts that §21.4209 requires.

(2) Certifying official means a representative of an educational institution designated to provide VA with the reports and certifications that §§21.4203, 21.4204, 21.5810, 21.5812, 21.7152, and 21.7652 require.

(3) Main campus means the location where the primary teaching facilities of an educational institution are located. If an educational institution has only one teaching location, that location is its main campus. If it is unclear which of the educational institution’s teaching facilities is primary, the main campus is the location of the primary office of its Chief Executive Officer.

(4) Branch campus means a location of an educational institution that—

(i) Is geographically apart from and operationally independent of the main campus of the educational institution;

(ii) Has its own faculty, administration and supervisory organization; and

(iii) Offers courses in education programs leading to a degree, certificate, or other recognized education credential.

(5) Extension means a location of an educational institution that is geographically apart from and operationally dependent on the main campus or a branch campus of the educational institution.

(b) State approving agency jurisdiction.

(1) The State approving agency for the State where a residence course is being taught has jurisdiction over approval of that course for VA education benefit purposes.

(2) The fact that the location where the educational institution is offering the course may be temporary will not serve to change jurisdictional authority.

(3) The fact that the main campus of the educational institution may be located in another State from that in which the course is being taught will not serve to change jurisdictional authority.

(c) Approving a course offered by a branch campus or an extension of an educational institution. Before approving a course or a program of education offered at a branch campus or an extension of an educational institution, the State approving agency must ensure that—

(1) Except as provided in paragraph (d) of this section, each location where the course or program is offered has administrative capability; and

(2) Except as provided in paragraph (f) of this section, each location where the course or program is offered has a certifying official on site.

(d) Exceptions to the requirement that administrative capability exist at each location.

(1) A State approving agency may approve a course or program offered by a branch campus that does not have its own administrative capability if—

(i) The main campus of the educational institution within the same State maintains a centralized record-keeping system that includes all records and accounts that §21.4209 requires for each student attending the branch campus without administrative capability; and

(ii) The main campus can identify the records of students at the branch campus for which it maintains centralized recordkeeping system, and

(iii) The main campus can identify the records of students at the branch campus for which it maintains centralized records.

(2) The State approving agency may approve a course or program offered by an extension that does not have its own administrative capability if—
(i) The extension and the main campus or branch campus it is dependent on are located within the same State;

(ii) The main campus or branch campus the extension is dependent on has administrative capability for the extension; and

(iii) The State approving agency combines the approval of the course(s) offered by the extension with the approval of the courses offered by the main campus or branch campus the extension is dependent on.

(e) Combined approval. The State approving agency may combine the approval of courses offered by an extension of an educational institution with the approval of the main campus or the branch campus that the extension is dependent on, if the extension is within the same State as the campus it is dependent on. Combining the approval of courses offered by an extension, with the approval of courses offered by the main campus or branch campus the extension is dependent on, does not negate the minimum period of operation requirements in §21.4251 for courses that do not lead to a standard college degree offered by an extension of a proprietary educational institution. The State approving agency will list the extension and courses approved on the notice of approval sent to the educational institution pursuant to §21.4258 of this part.

(f) Exceptions to the requirement that each location where the course or program is offered must have a certifying official on site. Exceptions to the requirement in paragraph (c) of this section, that each location with an approved course or program of education must have a certifying official on site, will be permitted for—

1. Extensions of an educational institution when the State approving agency combines the approval of the courses offered by the extension with a branch campus or main campus. (See paragraph (e) of this section.)

2. Educational institutions with more than one campus within the same State if the main campus—

   (i) Maintains a centralized record-keeping system. (See paragraph (d)(1) of this section.);

   (ii) Has administrative capability for the branch campus (or branch campuses) within the same State; and

   (iii) Centralizes its certifying official function at the main campus.

3. Educational institutions with multi-state campuses when an educational institution wants to centralize its certifying official function into one or more locations if:

   (ii) The educational institution designates an employee, at each teaching location of the educational institution that does not have a certifying official present, to serve as a point-of-contact for veterans, servicemembers, reservists, or other eligible persons; the certifying official(s); the State approving agency of jurisdiction; and VA. The designated employee must have access (other than to transmit certifications) to VA’s Internet-based education certification application to provide certification information to veterans, servicemembers, reservists, or other eligible persons, State approving agency representatives, and VA representatives;

   (iii) Each certifying official uses the VA facility code for the location that has administrative capability for the teaching location where the student is training when submitting required reports and certifications to VA; and

   (iv) Each certifying official has full access to the administrative records and accounts that §21.4209 requires for each student attending the teaching location(s) for which the certifying official has been designated responsibility. These records may be originals, certified copies, or in an electronically formatted record keeping system.

[72 FR 20427, Apr. 26, 2007]
§ 21.4267 Approval of independent study.

(a) Overview. Except as provided in §§21.4252(g), 21.7120(d), and 21.7622(f), VA may not pay educational assistance for a nonaccredited course which is offered in whole or in part by independent study. Hence, it is necessary to differentiate independent study from similar courses.

(Authority: 38 U.S.C. 3014, 3523, 3672, 3676(e), 3680A(a))

(b) Definition of independent study. (1) VA considers a course to be offered entirely by independent study when—

(i) It consists of a prescribed program of study with provision for interaction between the student and the regularly employed faculty of the institution of higher learning. The interaction may be personally or through use of communications technology, including mail, telephone, videoconferencing, computer technology (to include electronic mail), and other electronic means;

(ii) It is offered without any regularly scheduled, conventional classroom or laboratory sessions; and

(iii) It is not a course listed in paragraph (c), (d), or (e) of this section.

(2) VA considers a course to be offered in part by independent study when—

(i) It is not classified as one of the three types of courses listed in paragraph (c) of this section;

(ii) It has some weeks when standard class sessions are scheduled; and

(iii) It consists of independent study as defined in paragraph (b)(1) of this section during those weeks when there are no regularly scheduled class sessions.

(Authority: 38 U.S.C. 3523, 3676(e), 3680A(a))

(c) Scope of independent study. VA does not consider any of the following courses to be courses offered by independent study.

(1) A cooperative course as defined in §21.4233(a);

(2) A farm cooperative course; or

(3) A course approved as a correspondence course.

(Authority: 38 U.S.C. 3676(e), 3680A(a))

(d) Undergraduate resident training. VA considers the following undergraduate courses to be resident training:

(1) A course which meets the requirements for resident institutional training found in §21.4265(f);

(2) A course which requires regularly scheduled, standard class sessions at least once every two weeks and which has a total number of class sessions equal to the number of credit hours awarded for the course, times the number of weeks in a standard quarter or semester, as applicable;

(3) A course of student teaching; and

(4) Flight training which is an integral part of a standard undergraduate college degree.

(e) Graduate resident training. VA considers a graduate course to be resident training if the course—

(1) Is offered through regularly scheduled, conventional classroom or laboratory sessions; or

(2) Consists of research (either on campus or in absentia) necessary for the preparation of the student’s—

(i) Master’s thesis,

(ii) Doctoral dissertation, or

(iii) Similar treatise which is prerequisite to the degree being pursued; or

(3) Consists of a combination of training as described in paragraphs (e)(1) and (e)(2) of this section.

(Authority: 38 U.S.C. 3676(e), 3680A(a))

(f) Course approval. A State approving agency may approve a course offered by independent study or a combination of independent study and resident training only if the course—

(1) Is accredited;

(2) Meets the requirements of §21.4253; and

(3) Either—

(i) Leads to a standard college degree; or

(ii) For courses approved on or after December 27, 2001, leads to a certificate that reflects educational attainment offered by an institution of higher learning.

(Authority: 38 U.S.C. 3672, 3675, 3680A(a)(4))
§ 21.4268 Approval of licensing and certification tests.

(a) Authority to approve licensing and certification tests. (1) Except for approval of the licensing and certification tests and the organizations or entities offering these tests that, as provided in §21.4250(c)(2), are VA’s responsibility, the Secretary of Veterans Affairs delegates to each State approving agency the authority, within the respective State approving agency’s jurisdiction provided in §21.4250(a), to approve licensing and certification tests and to approve the organizations or entities offering licensing and certification tests.

(2) The Secretary of Veterans Affairs delegates to the Under Secretary for Benefits, and to personnel the Under Secretary for Benefits may designate within the Education Service of the Veterans Benefits Administration, the authority to approve the licensing and certification tests and the organizations or entities offering these tests that, as provided in §21.4250(c)(2)(vi), are VA’s responsibility.

(b) Approval of tests. (1) If an organization or entity wants a licensing or certification test that it offers to be approved for payment of educational assistance, it must apply for approval to the State approving agency having jurisdiction over the locality where the organization or entity has its headquarters. The application must be in the form the State approving agency requires.

(2) In order to be approved for payment of educational assistance to veterans and eligible persons, a licensing or certification test must meet the requirements of paragraph (b) of this section, and the organization or entity offering the test must meet the requirements of paragraph (c) of this section and, if appropriate, the requirements of paragraph (d) of this section.

(i) The State approving agency may approve a licensing or certification test only if—

(A) The test is required under Federal, State, or local law or regulation for an individual to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession; or

(B) The State approving agency decides that the test is generally accepted, in accordance with relevant government, business, or industry standards, employment policies, or hiring practices, as attesting to a level of knowledge or skill required to qualify to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession.

(ii) If a State or political subdivision of a State offers a licensing or certification test, the State approving agency will deem the test to have met the requirements of paragraph (b) of this section.

(3) In considering whether the test is generally accepted, a State approving agency may consider the following:

(i) The nature and number of the entities that recognize the certificate awarded to candidates who pass the test;

(ii) The degree to which employers in the relevant industry accept the certification test;

(iii) Whether major employers in an industry require that their employees obtain the certificate awarded to candidates who pass the test;

(iv) The percentage of people employed in the vocation or profession who have taken the test and obtained the certificate; or

(v) Any other reasonable criterion that the State approving agency believes will clarify whether the test is generally accepted.

(4) Generally, if a State approving agency approves a certification test, VA will consider that the test is approved for any veteran or eligible person even if he or she takes the test at a location outside the State where the organization or entity offering the test has its headquarters. However, a certification test approval is valid only in
§ 21.4268 Approval of organizations or entities offering licensing or certification tests.

(a) Approval of states. The State where the State approving agency has jurisdiction if—

(i) A State licensing agency recognizes the certification test as meeting a requirement for a license and has sought approval for that test; and

(ii) The State approving agency for the State where the licensing agency is located approves that test.

(Authority: 38 U.S.C. 3689)

(c) Approval of organizations or entities offering licensing or certification tests. An organization or entity must meet the requirements of this paragraph and, if a nongovernmental organization, of paragraph (d) of this section, in order for the State approving agency to approve a licensing or certification test that the organization or entity offers for payment of educational assistance to veterans and eligible persons who take the test. The organization or entity must—

(1) Maintain appropriate records with respect to all candidates who take the test for a period of not less than three years from the date the organization or entity administers the test to the candidates;

(2) Promptly issue notice of the results of the test to the candidate for the license or certificate;

(3) Have a process to review complaints submitted against the organization or entity with respect to the test or the process for obtaining a license or certificate required for a vocation or profession;

(4) Give to the State approving agency the following information:

   (i) A description of the licensing or certification test that the organization or entity offers, including the purpose of the test, the vocational, professional, governmental, and other entities that recognize the test, and the license or certificate issued upon passing the test;

   (ii) The requirements to take the test, including the amount of the fee charged for the test and any prerequisite education, training, skills, or other certification; and

   (iii) The period for which the license or certificate is awarded is valid, and the requirements for maintaining or renewing the license or certificate; and

   (5) Agree to give the following information to VA at VA’s request:

   (i) The amount of the fee a candidate pays to take a test;

   (ii) The results of any test a candidate takes; and

   (iii) Personal identifying information of any candidate who applies for reimbursement from VA for a test.

(Authority: 38 U.S.C. 3689(c))

(d) Approval of nongovernmental organizations or entities offering certification tests. In addition to complying with the requirements of paragraph (c) of this section, a nongovernmental organization or entity must meet the requirements of paragraph (d) of this section before a certification test it offers can be approved for payment of educational assistance to veterans and eligible persons who take the test. Except as provided in paragraphs (d)(3) and (d)(4) of this section, the organization or entity—

(1) Certifies to the State approving agency that the licensing or certification test offered by the organization or entity is generally accepted, in accordance with relevant government, business, or industry standards, employment policies, or hiring practices, as attesting to a level of knowledge or skill required to qualify to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession;

(2) Is licensed, chartered, or incorporated in a State and has offered the test for a minimum of two years before the date on which the organization or entity first submits to the State approving agency an application for approval under this section;

(3) Employs, or consults with, individuals with expertise or substantial experience with respect to all areas of knowledge or skill that are measured by the test and that are required for the license or certificate issued; and

(4) Has no direct financial interest in—

(A) The outcome of the test; or

(B) An organization that provides the education or training of candidates for licenses or certificates required for a vocation or profession.
(2) At the request of the State approving agency, the organization or entity seeking approval for a licensing or certification test must give such information to the State approving agency as the State approving agency decides is necessary to perform an assessment of—

(i) The test the organization or entity conducts as compared to the level of knowledge or skills that a license or certificate attests; and

(ii) The applicability of the test over such periods of time as the State approving agency decides is appropriate.

(3) The provisions of paragraph (d)(1)(ii) of this section will not prevent the approval of a test if the organization or entity has offered a reasonably related test for at least two years.

(4) The provisions of paragraph (d)(1)(iv) of this section will not prevent the approval of a test if the organization or entity—

(i) Offers a sample test or preparatory materials to a candidate for the test but does not otherwise provide preparatory education or training to the candidate; or

(ii) Has a financial interest in an organization that provides preparatory education or training of a candidate for a test, but that test is advantageous in but not required for practicing a vocation or profession.

(Authority: 38 U.S.C. 3689(c))

(e) Notice of approval and withdrawal of approval. The State approving agency must provide notice of an approval of a test as required in §21.4250(b). If the State approving agency wishes to withdraw approval of a test, it must follow the provisions of §21.4259.

(Authority: 38 U.S.C. 3689(d))

(f) A decision to disapprove a test or an organization or entity offering a test may be reviewed. (1) If an organization or entity offering a test disagrees with a State approving agency’s decision to disapprove a test or to disapprove the organization or entity offering the test, it may seek a review of the decision from the Director, Education Service. If the Director, Education Service has acted as the State approving agency, the organization or entity may seek a review of the decision from the Under Secretary for Benefits.

(2) The organization or entity must make its request for a review in writing to the State approving agency. The State approving agency must receive the request within 90 days of the date of the notice to the organization or entity that the test or the organization or entity is disapproved.

(3) The review will be based on the evidence of record at the time the State approving agency made its initial decision. It will not be de novo in character.

(4) The Director, Education Service or the Under Secretary for Benefits may seek the advice of the Professional Certification and Licensure Advisory Committee, established under 38 U.S.C. 3689(e), as to whether the State approving agency’s decision should be reversed.

(5) The decision of the Director, Education Service or the Under Secretary for Benefits is the final administrative decision. It will not be subject to further administrative review.

(b) Measurement of non-college degree courses offered by institutions of higher learning. (1) Notwithstanding the provisions of paragraph (a)(1) of this section, if a student is enrolled in a course which is not leading to a standard college degree and which is offered by an institution of higher learning, VA will measure his or her enrollment in the same manner as collegiate undergraduate courses are measured according to the provisions of paragraph (c) of this section.

(2) Notwithstanding the provisions of paragraph (a)(1) of this section, if a student is enrolled in a course not leading to a standard college degree which
is offered on a standard quarter- or semester-hour basis by an educational institution which is not an institution of higher learning, VA shall measure his or her enrollment in the same manner as collegiate undergraduate courses are measured according to the provisions of paragraph (c) of this section, provided that the educational institution requires at least the same minimum number of hours of weekly attendance as are required in paragraph (a)(1) of this section for courses offered on a clock-hour basis. If the educational institution does not require at least the same minimum number of hours of weekly attendance as are required in paragraph (a)(1) of this section, VA will not apply the provisions of paragraph (c) of this section, but will measure the course according to the criteria in paragraph (a)(1) of this section.

1 Cooperative courses may be measured on a full-time basis only.
§ 21.4271 Collegiate course measurement.

VA will measure a college level course in an institution of higher learning on a credit-hour basis provided all the conditions under paragraph (a) or (b) of this section are met. See also § 21.4273.

(Authority: 38 U.S.C. 3688)

(a) Degree courses—accredited or candidate. VA will measure a degree course on a credit-hour basis when—

1. An institution of higher learning offers the course; and

2. A nationally recognized accrediting association either—

   (i) Accredits the institution of higher learning;

   (ii) Recognizes the institution as a candidate for accreditation; and

3. The credits earned in the course can be applied towards an associate, baccalaureate or higher degree which is—

   (i) Appropriate to the level of the institution of higher learning’s accreditation;

   (ii) Appropriate to the level of the institution of higher learning’s candidacy for accreditation; and

4. The course is offered on a semester-hour or quarter-hour basis, and

5. The degree to which the course credits are applicable either—

   (i) Is granted by the institution of higher learning offering the course, or

   (ii) Is a part of a concurrent enrollment as described in § 21.4233(b), or

   (iii) Is being pursued by a nonmatriculated student as provided in § 21.4252(1)(1), (2) or (3).

(b) Degree courses—nonaccredited. VA will measure on a credit-hour basis a degree course which does not meet the requirements of paragraph (a) of this section when—

1. The course is offered on a semester- or quarter-hour basis, and

2. The course leads to an associate, baccalaureate, or higher degree, which is granted by the school offering the degree under authority specifically conferred by a State education agency, and

3. The school will furnish a letter from a State university or letters from three schools that are full members of a nationally recognized accrediting association. In each letter the State university or accredited school must certify either:

   (i) That credits have been accepted on transfer at full value without reservation, in partial fulfillment of the requirements for a baccalaureate or higher degree for at least three students within the last 5 years, and that
at least 40 percent of the subjects within each curriculum, for which credit-hour measurement is sought, has been accepted without reservation by the certifying State university or accredited school, or

(ii) That in the last 5 years at least three students, who have received a baccalaureate or higher degree as a result of having completed the non-accredited course, have been admitted without reservation into a graduate or advanced professional program offered by the certifying State university or accredited school.

(Authority: 38 U.S.C. 3688(b))

(d) Course measurement general. When an undergraduate course qualifies for credit-hour measurement, VA will measure it according to the table contained in §21.4270(c) of this part.

(Authority: 38 U.S.C. 3688(a); Pub. L. 99–576)

(g) Course measurement; nonstandard terms.

(1) When a term is not a standard semester or quarter as defined in §21.4200(b), the Department of Veterans Affairs will determine the equivalent for full-time training by:

(i) Multiplying the credits to be earned in the term by 18 if credit is granted in semester hours, or by 12 if credit is granted in quarter hours, and

(ii) Dividing the product by the number of whole weeks in the term.

(2) In determining whole weeks for this formula VA will—

(i) Determine the number of days from the beginning to the end of the term as certified by the educational institution, subtracting any vacation period of 7 days or more;

(ii) Divide the number of days in the term by 7;

(iii) Disregard a remainder of 3 days or less, and

(iv) Consider 4 days or more to be a whole week.

(Authority: 38 U.S.C. 3688(b))

(3) The quotient resulting from the use of the formula is called equivalent credit hours. VA treats equivalent credit hours as credit hours for measurement purposes.

(Authority: 38 U.S.C. 3688(b))

(j) Course measurement; credit course taken under special circumstances. If a course is acceptable for credit, but the educational institution does not award credit to the veteran or eligible person because he or she has not met college entrance requirements or for some other valid reason, the Department of Veterans Affairs will measure the course as though it were pursued for credit, provided the veteran or eligible person performs all of the work prescribed for other students who are enrolled for credit.

(Authority: 38 U.S.C. 3688(b))

(k) Course measurement; noncredit courses.

(1) Except for courses leading to a secondary school diploma or equivalent, the Department of Veterans Affairs will measure noncredit courses given by an institution of higher learning on a quarter- or semester-hour basis if the institution considers them to be the equivalent, for other administrative purposes, of undergraduate courses that lead to a standard college degree at the institution of higher learning.

(2) The Department of Veterans Affairs shall measure other noncredit courses under the appropriate criteria of §21.4270.

(3) Where a school requires a veteran or eligible person to pursue noncredit deficiency, remedial or refresher courses in order to meet scholastic or entrance requirements, the school will certify the credit-hour equivalent of the noncredit deficiency, remedial or refresher courses in addition to the credit hours for which the veteran or eligible person is enrolled. The Department of Veterans Affairs will measure
§ 21.4273  Collegiate graduate.

(a) In residence. (1) The Department of Veterans Affairs will measure a non-accredited graduate or advanced professional course (other than a law course) as provided in §21.4272. The Department of Veterans Affairs will measure a nonaccredited law course as stated in §21.4274.

(2) An accredited graduate or advanced professional course, including law as specified in §21.4274, pursued in residence at an institution of higher learning will be measured in accordance with §21.4272 unless it is the established policy of the school to consider less than 14 semester hours or the equivalent as full-time enrollment, or the course includes research, thesis preparation, or a comparable prescribed activity beyond that normally required for the preparation of ordinary classroom assignments. In either case a responsible official of the school will certify that the veteran or eligible person is pursuing the course full, three-quarter, one-half, less than one-half but more than one-quarter, or one quarter or less time.

(Authority: 38 U.S.C. 3688(b))

(b) In absentia. A responsible official of the school will certify a program of research pursued by a veteran or eligible person in absentia as full, three-fourths, one-half, less than one-half but more than one-quarter, or one-quarter or less time, and the activity will be assessed by the Department of Veterans Affairs accordingly when:

(1) The research activity is defined and organized so as to enable the certifying official to evaluate the time required for its successful pursuit, and

(2) The time certified for the research activity is independent of the time devoted to any employment situation in which the veteran or eligible person might be engaged.

(c) Undergraduate or combination. If a graduate student is enrolled in both graduate and undergraduate courses concurrently, or solely in undergraduate courses, VA will measure such an enrollment using the provisions of §21.4272 or the graduate school’s assessment of training time, whichever will result in a higher monthly rate for the veteran.

(Authority: 38 U.S.C. 3668(b); Pub. L. 102–568)

§ 21.4274  Law courses.

(a) Accredited. A law course in an accredited law school leading to a standard professional law degree will be assessed as provided in §21.4273(a).

(b) Nonaccredited. A law course leading to a professional law degree, completion of which will satisfy State educational requirements for admission to legal practice, pursued in a nonaccredited law school which requires for admission to the course at least 60 standard semester units of credit or the equivalent in quarter units of credit, will be assessed on the basis of 12 class sessions per week for full-time attendance. If the course does not meet these requirements it will be assessed on the basis of clock hours of attendance per week.

§ 21.4275  Practical training courses; measurement.

(a) Medical and dental residencies and osteopathic internships and residencies. VA will measure medical and dental residencies, and osteopathic internships and residencies as provided in §21.4270(c) of this part if they are accredited and approved in accordance with §21.4265(a) of this part.

(Authority: 38 U.S.C. 3688(b); Pub. L. 99–576)
(b) Nursing courses. (1) Courses for the objective of registered nurse or registered professional nurse will be measured on the basis of credit hours or clock hours of attendance, whichever is appropriate. The clock hours of attendance may include academic class time, clinical training, and supervised study periods.

(2) Courses offered by schools which lead to the objective of practical nurse, practical trained nurse, or licensed practical nurse will be measured on credit hours or clock hours of attendance per week whichever is appropriate.

(c) Medical and dental specialty courses. (1) Medical and dental specialty courses offered by a school whether accredited or nonaccredited, shall be measured on the basis of credit hours or clock hours of attendance, whichever is appropriate.

(2) Medical and dental specialty courses offered in hospitals, clinics, laboratories or medical centers which are accredited by a nationally recognized accrediting agency shall be measured on the basis of clock hours of attendance per week.

(d) Medical and dental assistants courses for the Department of Veterans Affairs. Programs approved in accordance with the provisions of §21.4265(d) will be measured on a clock-hour basis as appropriate in accordance with §21.4270, however, the program will be regarded as full-time instructional training: Provided, The combined total of the classroom and other formal instruction portion of the program and on-job-training portion of the program requires 30 or more clock hours of attendance per week.

(e) Professional training courses. Non-medically related professional training courses, such as the clinical pastoral course, shall be measured in semester hours of attendance or clock hours of attendance per week, whichever is appropriate.

(f) Other practical training courses. These courses will be measured in semester hours of credit or clock hours of attendance per week, whichever is appropriate, if approved under §21.4265(f). (See §21.4265 for approval.)

§ 21.4277 Discontinuance: unsatisfactory progress, conduct and attendance.

(a) Satisfactory pursuit of program. Entitlement to benefits for a program of education is subject to the requirement that the veteran or eligible person, having commenced the pursuit of such program, continues to maintain satisfactory progress. If the veteran or eligible person does not maintain satisfactory progress, educational benefits will be discontinued by the Department of Veterans Affairs. Progress is unsatisfactory if the veteran or eligible person does not satisfactorily progress according to the regularly prescribed standards and practices of the institution he or she is attending.

(b) Satisfactory conduct. Entitlement to a program of education is subject to the requirement that the veteran or eligible person, having commenced the pursuit of such program, continues to maintain satisfactory conduct in accordance with the regularly prescribed standards and practices of the institution in which he or she is enrolled. If the veteran or eligible person will no longer be retained as a student or will not be readmitted as a student by the institution in which he or she is enrolled, educational benefits will be discontinued, unless further development establishes that the action of the school is of a retaliatory nature. See §21.4253.

(c) Satisfactory attendance. Entitlement to benefits for a program of education is subject to the requirement that the veteran or eligible person, having commenced the pursuit of such program, continues to maintain satisfactory attendance in accordance with the regularly prescribed standards and practices of the institution in which he or she is enrolled. If the veteran or eligible person will no longer be retained as a student or will not be readmitted as a student by the institution in which he or she is enrolled, educational benefits will be discontinued.

(Authority: 38 U.S.C. 3474, 3524)
§ 21.4278  Reentrance after discontinuance.

(a) Conditions permitting reentrance after discontinuance. A veteran or eligible person may be reentered following discontinuance because of unsatisfactory conduct, progress or attendance only when either of the following sets of conditions exist:

(1) The veteran or eligible person is resuming enrollment at the same educational institution in the same program of education and the educational institution has—

(i) Approved the veteran’s or eligible person’s reenrollment, and

(ii) Certified it to the Department of Veterans Affairs; or

(2) All of the following exist:

(i) The cause of unsatisfactory conduct, progress or attendance has been removed,

(ii) VA determines that the program which the veteran or eligible person now proposes to pursue is suitable to his or her aptitudes, interests and abilities, and

(iii) If a proposed change of program is involved, the change meets the requirements for approval under §§21.4234, 21.5232, 21.7114 and 21.7614 of this part.

(Authority: 38 U.S.C. 3474 and 3524)

(b) Programs which may be reentered after discontinuance. Reentrance may be for the same program, for a revised program or for an entirely different program depending on the cause of the discontinuance and the removal of that cause.

(Authority: 38 U.S.C. 3474 and 3524)

§ 21.4279  Combination correspondence-residence program.

(2) It is the practice of the institution to permit a student to pursue a part of his or her course by correspondence in partial fulfillment of the requirements for the attainment of the specified objective.

(3) The total credit established by correspondence does not exceed the maximum for which the institution will grant credit toward the specified objective.

(4) The educational institution offering the course is accredited by an agency recognized by the Secretary of Education; and

(5) The State approving agency has approved the correspondence-residence course and has verified compliance with the requirement of 38 U.S.C. 3672(e) and §21.4256(a) that at least 50 percent of those pursuing the correspondence-residence course require six months or more to complete it.

(Authority: 38 U.S.C. 3672(e))

The information collection requirements in this section have been approved by the Office of Management and Budget under control number 2900–0575.

(b) Payment for pursuit of a correspondence-residence program. The rate of educational assistance payable to a spouse or surviving spouse under 38 U.S.C. Chapter 35 for the residence portion of a correspondence-residence course or program shall be computed as set forth in §§21.3131(a) and 21.4270.

(1) The charges for that portion of the course or program pursued exclusively by correspondence will be in accordance with §21.3131(a) with 1 month entitlement charged for each $404 of cost reimbursed.

(Authority: 38 U.S.C. 3354)

(Authority: 38 U.S.C. 3512(f), 3698)

(i) The Director of the Department of Veterans Affairs facility of jurisdiction may waive the requirement that such a course must take at least 6 months to complete. However, those periods will be included in determining if the service was continuous.

(d) **Individuals exempt from additional active duty requirements.** (1) An individual who originally enlists in a regular component of the Armed Forces after September 7, 1980, or who enters on active duty after October 16, 1981 (either as an enlisted member or officer), will be eligible to receive benefits under 38 U.S.C. Chapter 32 based upon the ensuing period of active duty, and is exempt from the provisions of paragraph (c) of this section if he or she subsequently:

(i) Is discharged or released from active duty:

(A) Under 10 U.S.C. 1173 (hardship discharge), or

(B) Under 10 U.S.C. 1171 (early-out discharge), or

(C) For a disability incurred in or aggravated in line of duty; or

(ii) Is found by Department of Veterans Affairs to have a service-connected disability which gives the individual basic entitlement to disability compensation as described in §3.4(b) of this chapter. Once the Department of Veterans Affairs makes this finding, the exemption will continue to apply even if the disability subsequently improves and becomes noncompensable.

(2) An individual who enters on a period of active duty after October 16, 1981, is also exempt from the provisions of paragraph (c) of this section if he or she:

(i) Previously completed a continuous period of active duty of at least 24 months, or

(3) In computing time served for the purpose of this paragraph, the Department of Veterans Affairs will exclude any period during which the individual is not entitled to credit for service as specified in §3.15 of this chapter. However, those periods will be included in determining if the service was continuous.

(e) **Savings provision.** An individual may become a participant and establish basic eligibility under the provisions of this section based upon a period of active duty service which began before October 16, 1981. He or she would not lose the basic eligibility based upon that period of service if, following a release from active duty, the individual reenters on active duty after October 16, 1981, and fails to meet the requirements of paragraph (c) of this section or qualify for an exemption under paragraph (d) of this section. He or she will receive a refund of any contributions he or she may make to the fund during the second period of active duty. See §21.5065.

(Authority: 38 U.S.C. 3202, 5303A)

(1) His or her last discharge or release from a period of active duty of 90 days or more of continuous service;

(2) His or her last discharge or release from a period of active duty of any length when the eligible individual is discharged or released—

(iv) Involuntarily for convenience of the government after October 1, 1987, as a result of a reduction in force, as determined by the Secretary of the military department concerned in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(b) Use of entitlement. The individual—

(1) May use his or her entitlement at anytime during the 10-year period after the last discharge or release from active duty or other period as provided pursuant to §21.5042 of this part;

(2) Is not required to use his or her entitlement in consecutive months.
§ 21.5042 Extended period of eligibility.

(a) General. A veteran shall be granted an extension of the applicable delimiting period, as otherwise determined by §21.5041 of this part provided—

1. The veteran applies for an extension.
2. The veteran was prevented from initiating or completing the chosen program of education within the otherwise applicable delimiting period because of a physical or mental disability that did not result from the willful misconduct of the veteran. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct. See §21.5021(v).

(b) Application. The veteran must apply for the extended period of eligibility in time for VA to receive the application by the later of the following dates:

1. One year from the last date of the delimiting period otherwise applicable to the veteran under §21.5041 of this part, or
2. One year from the termination date of the period of the veteran’s mental or physical disability.

(c) Qualifying period of disability. (1) A veteran’s extended period of eligibility shall be based on the period of time that the veteran himself or herself was prevented by reason of physical or mental disability, not the result of the veteran’s willful misconduct, from initiating or completing his or her chosen program of education.

2. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct provided the last date of the time limit for filing a claim for the extension determined under §21.5030(c)(3) of this part occurs after November 17, 1988.

(d) Commencing date. The veteran shall elect the commencing date of an extended period of eligibility. The date chosen—

1. Must be on or after the original date of expiration of eligibility as determined by §21.5041 of this part, and
2. Must be on or before the 90th day following the date on which the veteran’s application for an extension was approved by VA, if the veteran is training during the extended period of eligibility in a course not organized on a term, quarter or semester basis, or
3. Must be on or before the first day of the first ordinary term, quarter or semester following the 90th day after the veteran’s application for an extension was approved by VA if the veteran is training during the extended period of eligibility in a course organized on a term, quarter or semester basis.

(e) Determining the length of extended periods of eligibility. A veteran’s extended period of eligibility shall be based upon the qualifying period of disability, and determined as follows:

1. If the veteran is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran’s original delimiting period that his or
her training became medically infeasible to the earliest of the following dates:
  (i) The commencing date of the ordinary term, quarter or semester following the day the veteran’s training became medically feasible,
  (ii) The veteran’s delimiting date as determined by §21.5041 of this part, or
  (iii) The date the veteran resumed training.
(2) If the veteran is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran’s original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(d) Changing the monthly contribution. An individual may increase or decrease the amount of the monthly contribution, but may not do so more than once a month.

(e) Prohibition against contributing. An individual may not make contributions to the fund after the date of his or her discharge. The VA does not consider the return of an unnegotiated refund check to be a contribution. A person who returns a refund check remains continuously eligible for benefits.

(Authority: 38 U.S.C. 3222)

(f) Lump-sum contribution. After September 30, 1980 an individual may make
a lump-sum contribution or contributions in place of or in addition to monthly contributions.

   (ii) No higher than $100 per month, and
   (iii) Evenly divisible by five.

(3) If otherwise eligible to make contributions, a participant:

      (A) Begins after December 31, 1976, and before October 1, 1980, or
      (B) Although made after October 27, 1986, includes all or part of the period beginning on July 1, 1985, and ending on October 27, 1986.

(Authority: Pub. L. 99–576, sec. 309(c))

   (iii) May make a lump-sum payment to cover a period for which he or she previously obtained a refund;
   (iv) May not make a lump-sum payment to cover a period during which the participant was not on active duty or will not be on active duty.

(4) A participant may make as many lump-sum contributions as he or she desires, but he or she may not make more than one lump-sum contribution per month.

(a) Restoration of contributions when no entitlement is charged. If the provisions of §21.5072(i) require that a veteran's entitlement not be charged for a payment or payments he or she received, the amount of the veteran's contributions which were included in the payment or payments will be restored to the fund by the Department of Defense.

(b) Restored contributions are treated like other contributions. VA will treat contributions which have been restored under paragraph (a) of this section as though the veterans had contributed them for all purposes including—
   (1) Computing the veteran's monthly rates and benefit payments under §21.5138, and
   (2) Determining any refund which may become due the veteran under §§21.5064 and 21.5065.

§ 21.5054 Dates of participation.

(a) General. An individual may participate after December 31, 1976. An individual was not eligible for benefits before July 1, 1977, unless discharged after January 1, 1977, for a service-connected condition. (3) Received a discharge or release from active duty after participation and reenlisted.

(Authority: 38 U.S.C. 3221)

(i) Who is pursuing a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate, and
(ii) Whose educational assistance allowance is the monthly rate of the tuition and fees being charged to him or her for the course.

(2) The Department of Veterans Affairs will make a charge (in the same manner as for any other residence training) against the entitlement of an individual who:
(i) Is pursuing a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate, and

(ii) Elects to receive educational assistance allowance calculated according to §21.5136.

(Authority: 38 U.S.C. 3241, 3491)

(c) Correspondence training courses. (1) A charge against the period of entitlement for a program consisting exclusively of correspondence training will be made on the basis of 1 month for each sum of money paid equivalent to the dollar value of a month of entitlement as determined under §21.5138(a)(2)(viii), which is paid to the individual as an educational assistance allowance for this training. When computation results in a period of time other than a full month, the charge will be prorated.

(2) If the individual is contributing to the fund at the same time that benefits are being used or subsequently contributes a sum or sums, the entitlement charges will not be recomputed. Thus, if the monthly rate arrived at by applying the formula is determined to be $150 at the time a benefit program for correspondence training is computed, the individual will be charged 1 month of entitlement for each $150 paid. If a different monthly rate is computed at the time of a subsequent payment for such training, no adjustment will be made in the entitlement charged for the previous payment(s) even though the value of each month’s entitlement may vary from payment to payment.

(Authority: 38 U.S.C. 3233(c); Pub. L. 99–576)

(d) Apprenticeship or other on-job training. (1) The VA will determine the entitlement charge for a veteran in apprenticeship or other on-job training as stated in this paragraph.

(2) The entitlement charge will be—

(i) 75 percent of a month for those months for which the veteran’s monthly payment is based upon 75 percent of the monthly benefit otherwise payable to him or her;

(ii) 55 percent of a month for those months for which the veteran’s monthly payment is based upon 55 percent of the monthly benefit otherwise payable to him or her; and

(iii) 35 percent of a month for those months for which the veteran’s monthly payment is based upon 35 percent of the monthly benefit otherwise payable to him or her.

(3) The charge against the veteran’s entitlement will be prorated if—

(i) The veteran’s enrollment period ends in the middle of a month,

(ii) The veteran’s monthly rate is reduced in the middle of a month, or

(iii) The veteran’s monthly payment is reduced because he or she worked less than 120 hours during the month. In this instance the number of hours worked will be rounded to the nearest multiple of eight, and the entitlement charge will be reduced proportionately.

(Authority: 38 U.S.C. 3231(c); Pub. L. 100–689)

(e) Cooperative training. VA will make a charge against entitlement of 80 percent of a month for each month for which a veteran is paid educational assistance allowance at the cooperative training rate as provided in §21.5138(a). If the veteran is paid for a partial month of training, the entitlement charge will be prorated.

(Authority: 38 U.S.C. 3231(d); Pub. L. 100–689)

(f) Training while the veteran is incarcerated. If the veteran must be paid educational assistance allowance at a reduced rate because he or she is incarcerated as provided in §21.5139 of this part, VA will make a charge against entitlement of one month for each amount of educational assistance allowance paid to the veteran which is the equivalent of one month’s benefits as provided in §21.5138 of this part for the appropriate type of training pursued.

(Authority: 38 U.S.C. 3231(e); Pub. L. 100–689)

(g) Tutorial assistance. If an individual is paid tutorial assistance as provided in §21.5141 of this part, the following provisions will apply.

(1) There will be no charge to entitlement for the first $600 of tutorial assistance paid to an individual.

(2) VA will make a charge against the period of entitlement for each amount of tutorial assistance paid to the individual in excess of $600 that is equal to
§ 21.5076

the amount of monthly educational assistance the individual is otherwise eligible to receive for full-time pursuit of a residence course as provided in §21.5138(c) of this part. When the amount of tutorial assistance paid to the individual in excess of $600 is less than the amount of monthly educational assistance the individual is otherwise eligible to receive, the entitlement charge will be prorated.

(Authority: 38 U.S.C. 3234; Pub. L. 100–689)

(h) Flight training courses. (1) A charge against the period of entitlement for pursuit of a flight training course will be one month for each sum of money paid equivalent to the dollar value of a month of entitlement as determined under §21.5138(a)(5)(viii). When this computation results in a period of time other than a full month, the charge will be prorated.

(2) If the individual is contributing to the fund at the same time that benefits are being used or subsequently contributes a sum or sums, the entitlement charges will not be recomputed. Thus, if the monthly rate arrived at under §21.5138(a)(5)(viii) is $150 at the time educational assistance allowance is paid for a period of flight training, the individual will be charged one month of entitlement for each $150 paid. If a different monthly rate is computed at the time of a subsequent payment for such training, no adjustment will be made in the entitlement charged for the previous payment(s) even though the value of each month’s entitlement may vary from payment to payment.

(i) Entitlement charge may be omitted for course discontinuance due to orders to, or changing, active duty in certain instances. VA will make no charge against the entitlement of a service-member or veteran for a payment of educational assistance when—

(1)(i) A veteran not serving on active duty had to discontinue course pursuit as a result of being ordered, in connection with the Persian Gulf War by orders dated before September 11, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304; or

(ii) A veteran not serving on active duty had to discontinue course pursuit as a result of being ordered, by orders dated after September 10, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304; or

(iii) A servicemember serving on active duty had to discontinue course pursuit as a result of being ordered, in connection with the Persian Gulf War by orders dated before September 11, 2001, to a new duty location or assignment or to perform an increased amount of work; or

(iv) A servicemember serving on active duty had to discontinue course pursuit as a result of being ordered, by orders dated after September 10, 2001, to a new duty location or assignment or to perform an increased amount of work; and

(2) The veteran or servicemember failed to receive credit or lost training time toward completion of his or her educational, professional, or vocational objective as a result of having to discontinue course pursuit as described in paragraph (i)(1) of this section.

§ 21.5076 Entitlement charge—overpayment cases.

(a) Overpayment cases. VA will make a charge against an individual’s entitlement of an overpayment of educational assistance allowance only if:

(1) The overpayment is discharged in bankruptcy; or

(2) VA waives the overpayment and does not recover it; or

(3) The overpayment is compromised.

(Authority: 38 U.S.C. 3231)
§ 21.5078 Intermouration to conserve entitlement.

(a) Interruption to conserve entitlement generally prohibited. No one may interrupt a certified period of enrollment for the purpose of conserving entitlement. A school may not certify a period of enrollment for a fractional part of the normal term, quarter or semester if the individual actually is enrolled and is pursuing his or her program of education for the entire term, quarter or semester.

(b) Exceptions. The Department of Veterans Affairs will charge entitlement for the entire period of enrollment certified if the individual otherwise is eligible for benefits, except when benefits are interrupted under any of the following conditions:

(1) Enrollment actually is terminated.

(2) Enrollment is canceled and the individual has not negotiated an educational benefits check for any part of the certified period of enrollment.

(3) The individual:

(i) Interrupts his or her enrollment at the scheduled end of any term, quarter, semester or school year within the certified period of enrollment; and

(ii) Has not negotiated any check for educational benefits for the succeeding term, quarter, semester or school year.

(4) The individual requests interruption or cancellation for any break when a school was closed during a certified period of enrollment and payments were continued under an established policy based upon an Executive order of the President or due to an emergency situation. This exception applies whether or not the individual has negotiated a check for educational benefits for the certified period.

§ 21.5100 Counseling.

(a) Purpose. The purpose of counseling is:

(1) To assist in selecting an objective;

(2) To develop a suitable program of education or training; and

(3) To resolve any personal problems which are likely to interfere with the successful pursuit of a program.
§21.5103 Travel expenses.

(a) General. VA shall determine and pay the necessary expense of travel to and from the place of counseling for a veteran who is required to receive counseling as provided under 38 U.S.C. 311 (a), (d), (e), and (g).

(b) Restriction. VA will not pay the necessary cost of travel to and from the place of counseling when counseling is not required but is provided as a result of a voluntary request by the veteran.

§ 21.5131 Educational assistance allowance.

(a) General. Statements in this section concerning payments of educational assistance allowance assume that the veteran or servicemember:

1. Is eligible for educational assistance under 38 U.S.C. chapter 32;
2. Has remaining entitlement; and
3. Has not passed the 10-year delimiting date and any applicable extension to that date.

(Authority: 38 U.S.C. 3241)

(b) Payment of educational assistance allowance for pursuit of programs of education and other courses. (1) VA will pay educational assistance allowance at the rate specified in § 21.5136 or § 21.5138 while the veteran or servicemember is pursuing:

(i) An approved program of education;
(ii) A refresher or deficiency course; or
(iii) Special education or training which is necessary to enable the veteran or servicemember to pursue an approved program of education.

(2) Except as provided in paragraph (c) of this section, VA will not pay educational assistance allowance for pursuit of any course unless the course is:

(i) Part of the veteran’s or servicemember’s program of education;
(ii) A refresher or deficiency course; or
(iii) Special education or training which is necessary to enable the veteran or servicemember to pursue an approved program of education.

VA may withhold a payment until it receives verification or certification of the veteran’s or servicemember’s continued enrollment and adjusts accordingly the veteran’s or servicemember’s account.

(Authority: 38 U.S.C. 3241)

(c) Payment for taking a licensing or certification test. VA will pay educational assistance allowance to an eligible veteran or servicemember who takes an approved licensing or certification test and applies, in accordance with the provisions of § 21.1030(b), for that assistance. § 21.5132 Criteria used in determining benefit payments.

(a) Training time. The amount of benefit payment to an individual in all types of training except cooperative training, correspondence training and apprenticeship and other on-job training depends on whether VA determines that the individual is a full-time student, three-quarter-time student, half-time student or one-quarter-time student.

(b) Contributions. The amount of benefit payment to an individual also depends on:

1. The amount the individual has contributed to the fund.
2. The amount the Secretary of Defense has contributed to the fund for the individual.

§ 21.5133 Certifications and release of payments.

A veteran or servicemember must be pursuing a program of education in order to receive payment of educational assistance allowance under 38 U.S.C. chapter 32. To ensure that this is the case, the provisions of this section must be met when a veteran or servicemember is seeking such payment.

(a) General. VA will pay educational assistance to a veteran or servicemember (other than one pursuing a program of apprenticeship, other on-job training, or a correspondence course; one seeking reimbursement for taking an approved licensing or certification test; or one who qualifies for an advance payment) only after:
§ 21.5134 Restrictions on paying benefits to servicepersons.

The Department of Veterans Affairs may not pay benefits to a serviceperson (other than one enrolled in a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate) unless he or she:

(a) Has completed 3 months of contributions to the fund or has made a lump-sum payment which is the equivalent of at least 3 months of contributions to the fund;

(b) Has agreed either to have a monthly deduction from his or her military pay, or has made a lump-sum contribution to the fund, or both, so that the 12 months participation requirement of §21.5052(a) of this part will be met; and

(c) Is serving on active duty in an enlistment period subsequent to the initial period of active duty defined in §21.5040(b)(3) of this part.

§ 21.5135 Advance payments.

VA will apply the provisions of §21.4138(a) in making advance payments to veterans and servicemembers.

§ 21.5136 Benefit payments—secondary school program.

(a) Restrictions on payments. (1) The Department of Veterans Affairs may authorize benefits to qualified enlisted servicepersons for a course, courses or program of education leading to a secondary school diploma or an equivalency certificate without charge to entitlement. Payments may be made only if:

(i) The individual has contributed to the fund for at least 1 month, and

(ii) The training is received while the individual is serving:

(A) The last 6 months of his or her first enlistment after December 31, 1976; or

(B) At any time after completing his or her first enlistment.

(2) An individual who is not on active duty must have been an enlisted serviceperson while he or she was on active duty in order to receive benefits while

enrolled in a course, courses or program of education leading to a secondary school diploma or an equivalency certificate.

(Authority: 38 U.S.C. 3231(b))

(b) Monthly rate. An individual pursuing a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate will receive one of two monthly rates.

(1) Unless the individual notifies the Department of Veterans Affairs to the contrary, the monthly rate of his or her educational assistance allowance will be based upon his or her tuition and fees. The Department of Veterans Affairs will make no charge against the entitlement of the individual who is receiving benefits at this monthly rate. The monthly rate will be the rate of tuition and fees being charged to the individual for the course, not to exceed:

(i) $376 for full-time training.

(ii) $283 for three-quarter time training.

(iii) $188 for half-time training.

(iv) $94 for quarter-time training.

(2) The individual may elect to receive educational assistance allowance at the monthly rate provided in §21.5138. The Department of Veterans Affairs will make an appropriate charge against the individual’s entitlement if such an election is made.

(Authority: 38 U.S.C. 3241, 3491)

(c) Method of payment. (1) If the individual’s educational assistance allowance is based upon the rate as determined in paragraph (b)(1) of this section, payment shall be made in a lump sum for the term, quarter or semester at the beginning of the month in which training begins.

(2) If the individual elects to have his or her educational assistance allowance computed as provided in §21.5138, payment will be made in the same manner as for any other residence training.

(Authority: 38 U.S.C. 3241)

§21.5137 Benefit payments and charges against entitlement for taking an approved licensing or certification test.

(a) Benefit payments. The amount of educational assistance allowance VA will pay to a veteran or servicemember for taking an approved licensing or certification test, if the veteran or servicemember is entitled to receive such benefit payments, will be the lowest of the following:

(1) The fee the organization or entity offering the test charges for taking the test;

(2) $2,000; or

(3) The total remaining amount of the veteran’s or servicemember’s contributions to the fund and the contributions the Secretary of Defense has made to the fund on behalf of the veteran or servicemember.

(Authority: 38 U.S.C. 3222, 3231, 3233(c), 3452(b), 3689)

(b) Charge against entitlement. For educational assistance allowance paid for taking an approved licensing or certification test, VA will make a charge against the veteran’s or servicemember’s entitlement by dividing the amount paid under paragraph (a) of this section by the monthly amount as calculated under §21.5138(c). The calculation will assume that the veteran or servicemember is a full-time student.

§ 21.5139 Computation of benefit payments for incarcerated individuals.

Notwithstanding the provisions of §21.5138, some incarcerated individuals may have their educational assistance allowance terminated or reduced. The provisions of this section shall not apply in the case of any individual who is pursuing a program of education while residing in a halfway house or participating in a work-release program in connection with that individual’s conviction of a felony.

(a) No educational assistance allowance payable to some incarcerated individuals. VA will pay no educational assistance allowance to an individual who—

(1) Is incarcerated in a Federal, State or local penal institution for conviction of a felony, and

(2) Is enrolled in a course where his or her tuition and fees are being paid by a Federal program (other than one administered by VA) or by a State or local program, and

(3) Has incurred no expenses for supplies, books or equipment.

(Authority: 38 U.S.C. 3231(e))

(b) Monthly rates. Under this section, VA will compute the monthly rates of payment for individuals in residence training by repeating the calculations in paragraphs (b)(1) through (11) of this section except that instead of entering the entitlement factor on line f, paragraph (b)(1), VA will enter 1 for a full-time student, .75 for a three-quarter time student, .5 for a half-time student, or .25 for a one-quarter time student.

(Authority: 38 U.S.C. 3231)

(b) **Reduced educational assistance allowance for some incarcerated individuals.** (1) VA will pay a reduced educational assistance allowance to a veteran who—
   (i) Is incarcerated in a Federal, State or local penal institution of conviction of a felony, and
   (ii) Is enrolled in a course—
   (A) For which the individual pays some (but not all) of the charges for tuition and fees, or
   (B) For which a Federal program (other than one administered by VA) or a State or local program pays all the charges for tuition and fees, but which requires the individual to pay for books, supplies and equipment.
   (2) The monthly rate of educational assistance allowance payable to such an individual shall be the lesser of the following:
   (i) The monthly rate determined by adding the tuition and fees that the veteran must pay and the charge to the veteran for the cost of necessary supplies, books and equipment and pro-rating the total on a monthly basis, or
   (ii) The monthly rate for the individual as determined by §21.5138(c) of this part.

   (2) To one person at a time,
   (3) If the participant is not receiving educational assistance allowance, and
   (4) When the participant states in writing to the Department of Veterans Affairs that the entitlement should be transferred.

(c) Educational assistance allowance. (1) The individual must specify in writing to the Department of Veterans Affairs the period of time he or she wishes the spouse or child to receive educational assistance allowance on the basis of the transfer of entitlement. The Department of Veterans Affairs will not pay educational assistance allowance to a spouse or child for training completed either before or after the period specified by the participant.
   (2) The commencing date of an award of educational assistance allowance to a spouse or child will be the earlier of the following dates:
      (i) The date of the spouse’s or child’s entrance or reentrance under §21.4131;

   (2) The following sections apply to this portion of the pilot program with amendments as noted:

child is not required to be counseled before selecting a program of education.

(Authority: Sec. 903, Pub. L. 96-342, 94 Stat. 1115)

(c) Qualifying period of disability. A veteran’s extended period of eligibility shall be based on the period of time that the veteran himself or herself was prevented by reason of physical or mental disability, not the result of the veteran’s willful misconduct, from initiating or completing his or her chosen program of education. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct.

(1) Evidence must be presented which clearly establishes that the veteran’s disability made pursuant of his or her program medically infeasible during the veteran’s original period of eligibility as determined by §21.5041. A period of disability following the end of the original disability period will not be a basis for extension.

(2) VA will not consider a veteran who is disabled for a period of 30 days or less as having been prevented from enrolling or reenrolling in the chosen program of education or was forced to discontinue attendance, because of the short disability.

(3) Except as provided in paragraph (c)(4) of this section, a veteran’s transfer of entitlement to a spouse or child
during a period for which the veteran’s disability prevented his or her pursuit of a program of education will not affect the veteran’s entitlement to an extension of eligibility under this section.

(4) Since the act of entitlement transfer to a spouse or child indicates that the veteran did not intend to personally use his or her educational assistance during the specified transfer period, a veteran who becomes disabled after transferring entitlement will not be entitled to an extended period of eligibility based on any period of the disability which coincides with the specified transfer period unless—

(i) The transferee or transferees did not use any entitlement during this period, and

(ii) The veteran can clearly demonstrate that, notwithstanding his or her decision to transfer entitlement, the veteran would have used the entitlement during all or part of the transfer period and was prevented from doing so solely by reason of his or her disability.

(d) Commencing date. The veteran shall elect the commencing date of an extended period of eligibility. The date chosen—

(1) Must be on or after the original date of expiration of eligibility as determined by §21.5041 of this part, and

(2) Must be on or before the 90th day following the date on which the veteran’s application for an extension was approved by VA, if the veteran is training during the extended period of eligibility in a course not organized on a term, quarter or semester basis, or

(3) Must be on or before the first day of the first ordinary term, quarter or semester following the 90th day after the veteran’s application for an extension was approved by VA if the veteran is training during the extended period of eligibility in a course organized on a term, quarter or semester basis.

(e) Determining the length of extended periods of eligibility. A veteran’s extended period of eligibility shall be based on the qualifying period of disability, and determined as follows:

(1) If the veteran is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran’s original delimiting period that his or her training became medically infeasible to the earliest of the following dates:

(i) The commencing date of the ordinary term, quarter or semester following the day the veteran’s training became medically feasible,

(ii) The veteran’s delimiting date as determined by §21.5041 of this part, or

(iii) The date the veteran resumed training.

(2) If the veteran is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran’s original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(i) The date the veteran’s training became medically feasible, or

(ii) The veteran’s delimiting date as determined by §21.5041 of this part.

(f) Discontinuance. If the veteran is pursuing a course on the date an extended period of eligibility expires (as determined under this section), VA will discontinue the educational assistance allowance effective the day before the end of the extended period of eligibility.

(g) No transfer of entitlement for use during the extended period of eligibility. (1) The veteran may only transfer entitlement to a spouse or child for use during the original period of eligibility as determined by §21.5041 of this part.

(2) If the veteran has established an extended period of eligibility with VA, only the veteran may use remaining entitlement during that period.

(3) If the veteran transfers his or her entitlement after having received an extension of eligibility, but before the last day of the delimiting period as determined by §21.5041 of this part, the

(iii) The servicemember or veteran has completed at least four years of active service of that second reenlistment; and
(iv) The servicemember’s or veteran’s second reenlistment was for a period of at least six years.

(3) No transfer, other than one described in paragraph (a)(2) of this section, may be made until the veteran or servicemember—

PAYMENTS—EDUCATIONAL ASSISTANCE AND SUBSISTENCE ALLOWANCE

§ 21.5820 Educational assistance.

(a) Educational assistance. Educational assistance will be paid to cover the educational expenses incurred by an eligible servicemember, veteran, spouse, surviving spouse or dependent child while attending an accredited institution. Educational assistance payments will be made to the eligible individual.

(1) The educational expenses are limited to—

(i) Tuition,

(ii) Fees,

(iii) Cost of books,

(iv) Laboratory fees, and

(v) Shop fees for consumable materials used as part of classroom or laboratory instruction.

(b) Amount of educational assistance.

(1) The amount of educational assistance will be adjusted annually by regulation. For the 2003–04 standard academic year the amount of this assistance may not exceed $4,219.

(2) The amount of educational assistance payable to a servicemember, veteran, spouse or dependent child of a living servicemember or veteran for an enrollment period will be the lesser of the following:

(i) The total charges for educational expenses the eligible individual incurs during the enrollment period, or

(ii) For the 2003–04 standard academic year an amount determined by:

(A) Multiplying the number of whole months in the enrollment period by $468.78 for a full-time student or by $234.39 for a part-time student;

(B) Multiplying any additional days in the enrollment period by $15.63 for a full-time student or by $7.81 for a part-time student; and

(C) Adding the two results. If the enrollment period is as long as or longer than the standard academic year, this amount will be decreased by 2 cents for a full-time student and decreased by 1 cent for a part-time student.

(3) The amount of educational assistance payable to each surviving spouse or dependent child of a deceased servicemember or veteran for an enrollment period will be the lesser of the following:

(i) The total charges for educational expenses the eligible individual incurs during the enrollment period, or

(a) Subsistence allowance. Except as provided in paragraph (a)(2) of this section, VA will pay subsistence allowance to a veteran, spouse, surviving spouse or dependent child during any period for which he or she is entitled to educational assistance. No subsistence allowance is payable to:

(1) A servicemember, even if he or she is entitled to educational assistance, or

(2) A spouse or dependent child of a servicemember, even if the spouse or dependent child is entitled to educational assistance.

(b) Amount of subsistence allowance. (1) The following rules govern the amount of subsistence allowance payable to veterans and to spouses and dependent children of veterans who are alive during the period for which subsistence allowance is payable. As stated in paragraph (a) of this section, these amounts are payable only for periods during which the veterans, spouses or dependent children are entitled to educational assistance.

(i) If a person is pursuing a course of instruction on a full-time basis, his or her subsistence allowance is $1,051 per month for training pursued during the 2003–04 academic year.

(ii) If a person is pursuing a course of instruction on other than a full-time basis, his or her subsistence allowance is $525.50 per month for training pursued during the 2003–04 academic year.

(iii) If a person does not pursue a course of instruction for a complete month VA will prorate the subsistence allowance for that month on the basis of 1/30th of the monthly rate for each day the person is pursuing the course.

The following rules govern the amount of subsistence allowance payable to surviving spouses and dependent children of deceased veterans and servicemembers.

(i) VA will determine the monthly rate of subsistence allowance payable to a person for a day during which he or she is pursuing a course of instruction full-time during the 2003–04 academic year by dividing $1,051 per month by the number of the deceased veteran's dependents receiving educational assistance for that enrollment period. If one or more dependents is receiving educational assistance for part of the enrollment period, the amount calculated in paragraph (b)(3)(ii)(C) will be prorated on a daily basis. The amount for each day when more than one dependent is receiving educational assistance will be divided by the number of dependents receiving educational assistance on that day. The total amount for the days when only one dependent is receiving educational assistance will not be divided.

(c) Time of educational assistance payments. VA will make payments of educational assistance at the end of the first month of each semester, quarter or term in which the individual is entitled to such a payment, provided VA receives a timely enrollment certification. If VA receives the enrollment certification so late that payment cannot be made at the end of the month in which the individual is enrolled, VA will make payment as soon as practicable.

The discontinuance may cause an overpayment. (See also §21.5838.) If the individual dies during an enrollment period, the provisions of §21.5835(a) will apply, even if other types of discontinuances are involved. In all other cases where more than one type of reduction or discontinuance is involved, the earliest date found in §21.5835 will control.

(a) Credit hour measurement: undergraduate, standard term. An individual who enrolls in a standard quarter or semester for 12 undergraduate credit hours during the enrollment period for which educational assistance was paid, divided by the total number of days in that enrollment period, and

(2) Nothing in this method of calculation shall change the fact that the number of months of educational assistance to which the individual remains entitled shall always be the same as the number of months of subsistence allowance to which the individual is entitled.

(Authority: 10 U.S.C. 2144)

Measurement of Courses

§21.5871 Overpayments.

(a) Educational assistance. If an individual receives educational assistance but the educational assistance must be discontinued according to §21.5835, the amount of educational assistance attributable to the portion of the term, quarter or semester following the effective date of discontinuance shall constitute a debt due the United States.

(1) The amount of the debt is equal to the product of—

(i) The number of days the individual was entitled to receive subsistence allowance during the enrollment period for which educational assistance was paid, divided by the total number of days in that enrollment period, and

(ii) The amount of educational assistance provided for that enrollment period.

(2) Nothing in this method of calculation shall change the fact that the number of months of educational assistance to which the individual remains entitled shall always be the same as the number of months of subsistence allowance to which the individual is entitled.

(b) Subsistence allowance. If an individual receives subsistence allowance under any of the following conditions, the amount of that subsistence allowance shall constitute a debt due the United States unless the debt is waived as provided by §§1.955 through 1.970 of this chapter.

(1) Subsistence allowance received for courses pursued while on active duty;

(2) Subsistence allowance received for courses which are precluded under §21.5800(b);

(3) Subsistence allowance received by a person who is not eligible for educational assistance under §21.5740;

(4) Subsistence allowance received by an individual who has exhausted all entitlement provided under §21.5742;

(5) Subsistence allowance received by an individual for a period before the commencing date determined by §21.5831.

(6) Subsistence allowance received by an individual for a period following a discontinuance date determined by §21.5835.

(7) Subsistence allowance received by an individual in excess of the part-time rate for a period following a reduction date determined by §21.5835.

(Authority: 10 U.S.C. 2144)
hours is a full-time student. An individual who enrolls in a standard quarter or semester for less than 12 undergraduate credit hours is a part-time student.

(Authority: 10 U.S.C. 2144(c))

(b) Credit hour measurement: Undergraduate, nonstandard term. (1) If an individual enrolls in a nonstandard term, quarter or semester, and the school measures the course on a credit-hour basis, VA will determine whether that individual is a full-time student by—
   (i) Multiplying the credits earned in the term by 18 if credit is granted in semester hours, or by 12 if credit is granted in quarter hours, and
   (ii) Dividing the product by the number of whole weeks in the term.

(2) In determining whole weeks VA will—
   (i) Divide the number of days in the term by 7;
   (ii) Disregard a remainder of 3 days or less, and
   (iii) Consider 4 days or more to be a whole week.

(3) If the number obtained by using the formula in paragraphs (b)(1) and (2) of this section is 12 or more, the individual is a full-time student. If that number is less than 12, the individual is a part-time student.

(c) Credit hour measurement: graduate. (1) If it is the established policy of a school to consider less than 12 credit hours to be full-time for graduate students, VA will accept the statement of a responsible school official as to whether the student is a full-time or part-time student. If the school does not have such a policy, VA will measure the student’s enrollment according to the provisions of paragraphs (a) and (b) of this section.

(2) VA will measure undergraduate courses required by the school according to the provisions of paragraphs (a) and (b) of this section, even though the individual is enrolled as a graduate student. If the individual is taking both graduate and undergraduate courses, the school will report the credit-hour equivalent of the graduate work. VA will first measure the undergraduate courses according to the provisions of paragraphs (a) and (b) of this section and combine the result with the credit-hour equivalent of the graduate work in order to determine the extent of training.

(d) Clock hour measurement. (1) If an individual enrolls in a course measured in clock hours and shop practice is an integral part of the course, he or she is a full-time student when enrolled in 22 clock hours or more per week with not more than a 2½ hour rest period allowance per week. For all other enrollments the individual is a part-time student. VA will exclude supervised study in determining the number of clock hours in which the individual is enrolled.

(2) If an individual enrolls in a course measured in clock hours and theory and class instruction predominate in the course, he or she is a full-time student enrolled in 18 clock hours or more per week. He or she is a part-time student when enrolled in less than 18 clock hours per week. Customary intervals not to exceed 10 minutes between classes will be included in measuring net instruction. Shop practice, rest periods, and supervised study are excluded. Supervised instruction periods in schools’ shops and the time involved in field trips and individual and group instruction may be included in computing the clock hour requirements.

§ 21.6015 Claims and elections.

(a) Claims by veterans under age 45 for whom participation in an evaluation is required. A veteran under age 45 who is awarded pension during the program period will be scheduled for an evaluation to determine whether achievement of a vocational goal is reasonably feasible, unless it is determined that the veteran is unable to participate in an evaluation for reasons beyond his or her control. If VA, as a result of the evaluation, determines that achievement of a vocational goal is reasonably feasible, the veteran may elect to pursue a vocational training program. To make this election, the veteran must file a claim, in a form prescribed by VA, for services under this temporary program.

(b) Claims by qualified veterans for whom participation in an evaluation is not required. Qualified veterans in the following categories will be provided
an evaluation if they request assistance under the temporary program, and are found to have good employment potential. These veterans include:

(1) Veterans age 45 and more who are awarded pension during the program period;

(2) Veterans awarded pension prior to the beginning of the program period on February 1, 1985, who meet the conditions contained in §21.6005(c) of this part.

(c) Filing a claim. A veteran in one of the categories identified in paragraph (b) of this section must file a claim in the form prescribed by VA in order to be considered for an evaluation of his or her ability to achieve a vocational goal through participation in this temporary program. The veteran’s claim is considered a request for both the evaluation, and if achievement of a vocational goal is found reasonably feasible, for participation in the vocational training program.

(d) Claims following failure to timely pursue a vocational training program. (1) If a veteran for whom achievement of a vocational goal is found reasonably feasible does not undertake a vocational training program within the time limits specified in §21.32, he or she must file an original or reopened claim, as appropriate, in a form prescribed by VA in order to be considered for such services to determine if achievement of the previous vocational goal or a new vocational goal is reasonably feasible.

(2) If a veteran has been placed in discontinued case status by the VA, he or she must file a new claim in a form prescribed by the VA to reopen the case.

(e) Informal claims. Informal claims shall be governed by §21.31 of this part.

(f) Time limit. The time limit for making a claim to pursue a vocational training program shall be governed by §21.32 of this part.

(a) Election between this temporary program and chapter 31 required. A service-disabled veteran awarded VA pension who is offered a vocational training program under 38 U.S.C. chapter 15 and is also eligible for such assistance under chapter 31, must elect which benefit he or she will receive. The veteran may reelect at any time if he or she is still eligible for the benefit desired.

(b) VA educational assistance programs. A veteran who is eligible under this program may receive an educational assistance allowance under chapter 30, 32, 34 or 35 if he or she is otherwise eligible under one of these programs.

(c) Prior training under VA programs. If a veteran has pursued an educational or training program under chapter 30, 32, 34 or 35, or a vocational rehabilitation program under chapter 31, the training received in the earlier program shall be considered, to the extent feasible, in determining the character and duration of the services to be furnished under this program.

(d) Other prior training. If a veteran has pursued other significant training under non-VA programs or on his or her own, such training will be considered in determining the character and duration of services to be furnished.

(e) Not limited by use of other entitlement. The number of months of services provided under this program are not subject to the provisions of §21.4020 of 38 U.S.C., chapters 30, 31, 32, 34 and 35.

(Authority: 38 U.S.C. 1524(b)(2))

(iii) Does not require a vocational training program because VA determines as a result of an evaluation that he or she already possesses the training necessary for suitable employment and is able to achieve a vocational goal without further training; and

(Authority: 38 U.S.C. 1524(b)(2))

(iv) Has been a prior participant in a vocational training program, is currently employable, but needs employment assistance to obtain employment in a suitable occupation.

(Authority: 38 U.S.C. 1524(b)(2))

(3) The 18-month period of employment services allowed under this section shall begin upon the date that a veteran under paragraph (b)(2)(i) of this section completes the vocational training program or in the case of a veteran under paragraphs (b)(2)(ii), (iii), and (iv) of this section is found to be employable. If a veteran has been provided such services and obtains suitable employment, but is later found to require additional services of this kind, the veteran may be provided such additional services during any portion of the original 18-month period remaining.

(Authority: 38 U.S.C. 1524(b); Pub. L. 100–687)

A qualified veteran for whom a program of vocational training has been found reasonably feasible shall remain eligible for the temporary program, subject to the rules of this subpart and section 1524 of 38 U.S.C. ch. 15, even if his or her pension award is subsequently terminated, except when the veteran’s
award of VA pension was the result of fraud or administrative error.

(Authority: 38 U.S.C. 1524(a); Pub. L. 100–687)

(a) Dates of entry. A veteran found eligible under the provisions of §21.6040 of this part may not begin pursuit of a vocational training program before February 1, 1985, or later than December 31, 1992, except under the following circumstances:

(1) The veteran receives a pension award less than 120 days before December 31, 1992;

(Authority: 38 U.S.C. 1524(b)(4); Pub. L. 102–291)

(d) Final termination of services. No veteran may receive assistance under this temporary program after January 31, 1998.

(Authority: Pub. L. 102–291)

EVALUATION

§ 21.6050 Participation of eligible veterans in an evaluation.

(a) Veterans under age 45. A veteran under age 45 awarded pension during the program period shall be provided an evaluation of his or her rehabilitation potential to determine whether achievement of a vocational goal is reasonably feasible. The veteran must report for and participate in the evaluation unless the failure to do so is for reasons beyond the veteran’s control. Failure to report for and participate in the evaluation, for reasons other than those beyond the veteran’s control, will result in suspension of the veteran’s pension under §3.342 of this chapter. See §21.6056.

(Authority: 38 U.S.C. 1524(a)(1); Pub. L. 101–237)

(b) Evaluating other qualified veterans. An evaluation shall be accorded each qualified veteran as described in §21.6005(c) of this part who seeks to become a program participant provided VA first determines the veteran has good potential for achieving employment. Failure to choose to participate in an evaluation shall have no adverse effect upon the veteran’s continued receipt of pension under §3.342 of this chapter.

(Authority: 38 U.S.C. 1524(a)(2); Pub. L. 100–687)

(c) Notice to eligible veteran. (1) A qualified veteran under age 45 awarded pension during the program period for whom participation in an evaluation is not clearly precluded by reasons beyond the veteran’s control shall be sent a notice at the time he or she is awarded pension. The notice will inform the veteran of the provisions of this temporary program, the conditions under which participation in an evaluation is required, and the consequences of non-participation.
§ 21.6052 Evaluations.

(a) Scope and nature of evaluation. The scope and nature of the evaluation under this program shall be the same as for an evaluation of the reasonable feasibility of achieving a vocational goal under the procedures described for chapter 31 benefits. See § 21.50(b)(5) and § 21.53(d) and (f).

(Authority: 38 U.S.C. 1524(a)(1)(2))

(b) Specific services which may be provided in the course of evaluation in determining the reasonable feasibility of achieving a vocational goal. The following specific services may be provided as a part of the evaluation of reasonable feasibility of achieving a vocational goal, as appropriate:

(1) Assessment of feasibility by a counseling psychologist;
(2) Review of feasibility assessment and of need for special services by the Vocational Rehabilitation Panel;
(3) Provision of medical and other diagnostic services;
(4) Evaluation of employability, for a period not to exceed 30 days, by professional staff of an educational or rehabilitation facility.

(Authority: 38 U.S.C. 1524(b))

(c) Responsibility for evaluation. All determinations as to the reasonable feasibility of vocational training and entitlement to assistance under 38 U.S.C. 1524 shall be made by a counseling psychologist in the Vocational Rehabilitation and Employment Division.

(Authority: 38 U.S.C. 1524(b))
are to be applied by Vocational Rehabilitation and Employment professional staff members to determine whether information of record supports a determination that a veteran age 50 or older has good potential for employment. Any reasonable doubt shall be resolved in the veteran’s favor.

(Authority: 38 U.S.C. 1524(a)(2))

(c) Indicators of good potential for employment. Indicators of good potential for employment include one or more of the following:

3. Successful pursuit of education or training.
5. Stabilization of medical conditions or substance abuse problems.
6. Participation in therapeutic work programs.
7. Evidence of recent sustained job-seeking.

(Authority: 38 U.S.C. 1524(b)(1))

(d) Contraindications of good potential for employment. Contraindications of good potential for employment include one or more of the following:

1. A lifelong history of unstable employment with long periods of employment before the onset of disability.
2. Being out of the labor market for five years or more preceding the evaluation.
3. Unsuccessful pursuit of education or training.
5. Need for an additional period of medical care or treatment before training would be feasible.
6. Nonparticipation in prescribed or recommended therapeutic work programs.
7. Failure of previous vocational rehabilitation programs to achieve employability.

(Authority: 38 U.S.C. 1524(a)(2))

(e) Negative determinations. If VA does not find good employment potential, VA will notify the veteran that he or she is not eligible to receive an evaluation. Since this finding will preclude program participation, the veteran will be informed of his or her appellate rights as described in §21.59 of this part.

1. If the determination cannot be made on the evidence of record, VA shall advise the veteran and may provide him or her with an opportunity to submit additional information within a reasonable time.
2. A veteran’s disagreement with a negative finding shall be considered evidence of motivation for employment, and may, when considered in relation to other information, provide a basis for finding that good employment potential exists;
3. If the final VA determination, following a review of a contested negative finding, is that good potential for achieving employment does not exist, a personal interview will be scheduled, and the reasons for VA’s determination shall be discussed with the veteran.

(Authority: 38 U.S.C. 1524(a)(2))

§ 21.6056 Cooperation of the veteran in an evaluation.

(a) Cooperation of the veteran. The cooperation of the veteran is essential to a successful evaluation. The purpose of the evaluation and the steps in the process shall be explained to the veteran, and the importance of his or her cooperation shall be stressed. If the veteran does not cooperate in the initiation or completion of the evaluation, the counseling psychologist shall make a reasonable effort through counseling to secure the veteran’s cooperation.

(Authority: 38 U.S.C. 1524(a)(3))

(b) Consequences of noncooperation when evaluation is required. If the veteran fails to report for or cooperate in a required evaluation and the counseling psychologist has made a reasonable effort to secure his or her participation, VA shall take appropriate action, including discontinuance of the evaluation under the provisions of §21.364 of this part. If the veteran’s case is discontinued under §21.364 of
§ 21.6058 Consequences of evaluation.

(a) Eligible veteran may choose to participate. If VA finds, based on the evaluation, that achievement of a vocational goal by the veteran is reasonably feasible, the veteran shall be offered and may elect to pursue a vocational training program. If the veteran elects to pursue such a program, the program shall be designed in consultation with the veteran in order to meet the veteran’s individual needs, and shall be set forth in an Individualized Written Rehabilitation Plan (IWRP) under the provisions of § 21.84 of this part or an Individualized Employment Assistance Plan (IEAP) under § 21.88 of this part.

(b) Veteran ineligible to participate. A veteran for whom achievement of a vocational goal is not found reasonably feasible shall be notified of this finding and be informed of his or her appellate rights as described in § 21.59 of this part. The veteran shall be provided the assistance described in § 21.50(b)(9) of this part.

(c) Consequences of noncooperation when evaluation is not required. If the veteran fails to report for or cooperate in an optional evaluation and the counseling psychologist has made a reasonable effort to secure the veteran’s participation, VA shall take appropriate action, including discontinuance of the evaluation under the provisions of § 21.364 of this part. The evaluation may be resumed if the reason for the discontinuance is removed and the veteran is otherwise eligible.

[53 FR 4397, Feb. 16, 1988, as amended at 71 FR 28586, May 17, 2006]

§ 21.6059 Limitations on the number of evaluations.

(a) Number of evaluations. No more than 3,500 evaluations of the reasonable feasibility of achieving a vocational goal may be given during any 12-month period, beginning on February 1, 1985, and each subsequent February 1 during the program period.

(Authority: 38 U.S.C. 1524(a)(3); Pub. L. 100–227)

(b) Cases counted as evaluation. An evaluation is deemed to be countable against the 3,500 limit permitted during each 12-month period when the following conditions are met:

(1) The veteran is provided one or more personal interviews by a counseling psychologist; and

(2) A determination of the reasonable feasibility of achieving a vocational goal is made by the counseling psychologist.

(Authority: 38 U.S.C. 1524(a)(3); Pub. L. 100–227)

(c) Cases not counted as evaluations. Computation of the number of evaluations which may be provided in a 12-month period shall exclude cases in which:

(1) The veteran under age 45 awarded pension during the program period is unable to participate for reasons beyond his or her control;

(2) Review of available information does not indicate a good potential for employment of other qualified veterans.

(3) The veteran either fails to keep a scheduled appointment to complete the evaluation or withdraws the claim for an evaluation, or

(4) The veteran who has completed an evaluation requires or requests a reevaluation.

(d) Priority. If a veteran below age 45 for whom an evaluation is required cannot be provided an evaluation during a particular 12-month period because of the limitation on the number of evaluations, the veteran will be given first priority for evaluation during the following 12-month period, or
first available subsequent 12-month period, if otherwise eligible.

SERVICES AND ASSISTANCE TO PROGRAM PARTICIPANTS

§ 21.6060 Services and assistance.

(a) General. VA may provide to program participants:

(1) Vocationally oriented services and assistance of the kind provided veterans under chapter 31, title 38 U.S.C.;

(2) Employment assistance during the 18 month period following completion of a vocational training program, including:

(i) Educational, vocational, psychological, employment and personal adjustment counseling;

(ii) Placement services to effect suitable placement in employment, and post-placement services to attempt to insure satisfactory adjustment in employment; and

(iii) Personal adjustment and work adjustment training.

(Authority: 38 U.S.C. 1524(b))

(3) Such other services and assistance of the kind provided veterans under chapter 31, except as provided in paragraph (b) of this section, as are necessary to enable the veteran to prepare for, and participate in, vocational training or employment.

(b) Services and assistance not provided. VA will not provide to a participant under this program any:

(1) Loan;

(2) Subsistence allowance;

(3) Automobile adaptive equipment of the kind provided eligible veterans under 38 U.S.C., chapter 39 or chapter 31;

(4) Training at an institution of higher learning in a program of education that is not predominantly vocational in content;

(5) Employment adjustment allowance;

(6) Room and board in a special rehabilitation facility for a period in excess of 30 days;

(7) Independent living services, except those which are indispensable to the pursuit of the vocational training program during the period of rehabilitation to the point of employability under §21.6160 of this part; or

(8) Period of extended evaluation under 38 U.S.C. 3106(e).

(Authority: 38 U.S.C. 1524(b))

DURATION OF TRAINING

§ 21.6070 Basic duration of a vocational training program.

(a) Basic duration of a vocational training program. The duration of a vocational training program may not exceed 24 calendar months of full-time training except as provided in §21.6072 of this part.

(Authority: 38 U.S.C. 1524(b)(2))

(b) Responsibility for estimating the duration of a vocational training program. The counseling psychologist is responsible for estimating the time needed by the veteran to complete a vocational training program. The estimate is made in consultation with the veteran and the vocational rehabilitation specialist during the preparation of the IWRP.

(Authority: 38 U.S.C. 1524(b)(1))

(c) Duration of training prescribed must meet general requirements for entry into the occupation selected. The veterans will be provided training for a period sufficient for the veteran to reach the level generally recognized as necessary for entry into employment in a suitable occupational objective. Where a particular degree, diploma or certificate is generally necessary for entry into employment, the veteran may be trained to that level.

(Authority: 38 U.S.C. 1524(b))

(d) When duration of the training period may be expanded beyond the entry level. If the amount of training the particular veteran needs in order to qualify for employment in a particular occupation will exceed the amount generally needed for employment in that occupation, VA may provide the necessary additional training under one or more of the following conditions:
(1) Training requirements for employment in the area in which the veteran lives or will seek employment exceed those generally needed for employment; 
(2) The veteran is preparing for a type of work in which he or she will be at a definite disadvantage in competing with nondisabled persons for a job or business, and the additional training will offset the competitive disadvantage; 
(3) The choice of a feasible occupation is limited and additional training will enhance the veteran’s employability in one of the feasible occupations; or 
(4) The number of employment opportunities within a feasible occupation is restricted.

(Authority: 38 U.S.C. 1524(b)(2))

(e) Estimating the duration of the training period needed. The counseling psychologist, in estimating duration of the training period needed, must determine that:
(1) The proposed vocational training program must be one which, when pursued full-time by a nondisabled person, would not normally require more than 24 calendar months of pursuit for successful completion; 
(2) The program of training and other services needed by the veteran, based upon VA’s evaluation, will not exceed 24 calendar months, if training is pursued on a less than full-time basis. In making this determination the following criteria will be applied:
(i) The number of actual months and days of the period during which the veteran will pursue the training program will be counted; 
(ii) Days of authorized leave and other periods during which the veteran will not be pursuing training, such as periods between terms will also be counted; 
(iii) The period of evaluation prior to determination of reasonable feasibility will be excluded but the actual number of months and days needed to evaluate and improve rehabilitation potential during the training program will be included; 
(iv) The time required, as determined in months and days under paragraph (e)(2)(i) through (iii) of this section, will be the total period that would be required for the veteran to accomplish the vocational program under consideration; 
(v) If the total period the veteran requires exceeds 24 calendar months, when pursued on a full-time basis, and an extension of the basic training period may not be approved under §21.6072 of this part, another suitable vocational goal must be selected for which training can be completed within that period.

(3) If the veteran’s vocational training program would require more than 36 calendar months when pursued on a less than full-time basis, the program must be reevaluated to select a vocational goal for which a suitable vocational training program can be completed within that period.

(Authority: 38 U.S.C. 1524(b)(2))

(f) Effect of change in the vocational goal on duration of training period. The veteran’s vocational goal may be changed during the program in accordance with §21.94 (a) through (d) of this part. The extent to which such changes may be made is limited by the following considerations:
(1) A change of the vocational goal from one field or occupational family to another field or occupational family may only be approved before the end of the first 24 months of training, whether training is pursued on a full-time or a less than full-time basis; and 
(2) A change from one occupational objective to another within the same field or occupational family shall not be considered a change in the vocational goal identified in the veteran’s IWRP.

(Authority: 38 U.S.C. 1524(b)(2))

§21.6072 Extending the duration of a vocational training program.

(a) Extension of the duration of a vocational training program. An extension of a vocational training program as formulated in the IWRP may only be approved to enable the veteran to achieve a vocational goal identified before the
end of the first 24 calendar months of
the program.

(Authority: 38 U.S.C. 1524(b)(2))

(b) Maximum number of months for
which a program for new participants
may be approved. If a veteran had never
participated in this temporary program
of vocational training, the originally
planned period of training may be ex-
tended to a total period consisting of
the number of months necessary to at-
tain the vocational goal, but in no case
will a program be extended for:

(1) More than 24 calendar months be-

(2) A period which, when added to the
originally planned period, totals more
than 48 months, as provided in
§21.6074(c) of this part.

(Authority: 38 U.S.C. 1524(b))

(c) Maximum number of months by
which a program may be extended for

On-job training, or a combination of on-job and institutional training, should generally be used:

1. When these options are available;
2. When these options are as suitable as institutional training for accomplishing the goals of the program; and
3. The veteran agrees that such training will meet his or her needs.

(c) Changes in the plan. Any change amending the duration of a veteran’s plan is subject to provisions governing duration of a vocational training program described in §21.6070 and §21.6072 of this part.

(d) Change in the vocational goal after 24 months of training. If a veteran seeks to change the vocational goal after receipt of 24 months of training and the change is not permitted under §21.6070(f) of this part, the counseling psychologist shall inform the veteran that:

1. No change of goal may be authorized but training for the vocational goal previously established may be continued, if it is still reasonably feasible for the veteran to pursue the training under appropriate extensions of the program pursuant to §21.6072 of this part;

(4) The individual who makes the election described in either paragraph (a)(7) or (b)(10) of this section shall have his or her basic pay reduced by $1,200 in a manner prescribed by the Secretary of Defense. To the extent that basic pay is not so reduced before the individual’s discharge or release from active duty, VA will collect from the individual an amount equal to the difference between $1,200 and the total amount of the pay reductions described in paragraph (g)(4) of this section, that individual is ineligible for educational assistance. If the failure to reduce the individual’s basic pay and/or the failure to collect from the individual was due to administrative error on the part of the Federal government or any of its employees, the individual may be considered for equitable relief depending on the facts and circumstances of the case. See §2.7 of this chapter.

Certain individuals with 38 U.S.C. chapter 34 eligibility may establish eligibility for educational assistance under 38 U.S.C. chapter 30. This section requires an individual to complete certain academic requirements before applying for educational assistance. If the individual applies before completing those requirements, VA will disallow the application. However, the
individual’s premature application will not prevent the individual from establishing eligibility at a later time by applying for educational assistance again after having completed those academic requirements. In determining whether an individual has met the service requirements of this section, VA will exclude any period during which the individual is not entitled to credit for service for periods of time specified in §3.15.

(5) Upon completion of the requisite active duty service the individual must either—

(ii) Be discharged from active duty with an honorable discharge, or

(d) Exception to restrictions on establishing eligibility. Paragraph (c) of this section does not apply to a veteran who has met the requirements for educational assistance under paragraph (a) or (b) of this section before receiving a commission as an officer in the Armed Forces upon graduation from the United States Military Academy, the United States Naval Academy, the United States Air Force Academy, or the Coast Guard Academy; or upon completion of a program of educational assistance under 10 U.S.C. 2107 (the Reserve Officers Training Corps Scholarship Program).

§ 21.7045 Eligibility based on involuntary separation, voluntary separation, or participation in the Post-Vietnam Era Veterans’ Educational Assistance Program.

An individual who fails to meet the eligibility requirements found in §21.7042 or §21.7044 nevertheless will be eligible for educational assistance as provided in this subpart if he or she meets the requirements of paragraphs (a) and (b) of this section; paragraphs (a) and (c) of this section; or paragraph (d) or (e) of this section.

(a) Service requirements. The individual must meet one of the following sets of service requirements.

(1) The individual—

(i) If not a member of the Coast Guard, must be on active duty or full-time National Guard duty either on September 30, 1990, or after November 29, 1993, or if a member of the Coast Guard, must be on active duty after September 30, 1994, and

(ii) After February 2, 1991, must be involuntarily separated, as that term is defined in 10 U.S.C. 1141, with an honorable discharge; or

(2) The individual must—

(i) Be separated from active military, naval, or air service with an honorable discharge, and
(ii) Receive voluntary separation incentives under 10 U.S.C. 1174a or 1175.

(Authority: 10 U.S.C. 1141; 38 U.S.C. 3018A)

(b) Additional requirements for those individuals voluntarily separated after October 23, 1992, or involuntarily separated. An individual who meets the requirements of paragraph (a)(1) of this section; or an individual who meets the requirements of paragraph (a)(2) of this section and who either was not a member of the Coast Guard and was separated after October 22, 1992, or who was a member of the Coast Guard and was separated after September 30, 1994, must meet the following additional requirements in order to establish eligibility for educational assistance:

(1) **Required election.** (i) If, under §21.7042(f), the individual elected not to receive educational assistance under 38 U.S.C. ch. 30, he or she must irrevocably withdraw that election and make an election to receive educational assistance under 38 U.S.C. ch. 30. The withdrawal and the election must be made:

(A) Before the involuntary or voluntary separation as the case may be, and

(B) Pursuant to procedures which the Secretary of the military department concerned provides in accordance with regulations prescribed by the Secretary of Defense or which the Secretary of Transportation provides with respect to the Coast Guard when it is not operating as a service in the Navy; and

(ii) If the individual is a participant (as defined in §21.5021(e)) in the educational program provided in 38 U.S.C. ch. 32, the individual must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30 rather than under 38 U.S.C. ch. 32. Such an election must be made:

(A) Before the involuntary or voluntarily separated as the case may be, and

(B) Pursuant to procedures which the Secretary of the military department concerned provides in accordance with regulations prescribed by the Secretary of Defense or which the Secretary of Transportation provides with respect to the Coast Guard when it is not operating as a service in the Navy; or

(iii) If the individual is not described in either paragraph (b)(1)(i) or (b)(1)(ii) of this section, he or she must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30. This election must be made:

(A) Before the individual is involuntarily or voluntarily separated as the case may be, and

(B) Pursuant to procedures which the Secretary of the military department concerned provides in accordance with regulations prescribed by the Secretary of Defense or which the Secretary of Transportation provides with respect to the Coast Guard when it is not operating as a service in the Navy.

(2) **Reduction in basic pay.** The basic pay of anyone who makes one of the irrevocable elections described in paragraph (b)(1) of this section is required by 38 U.S.C. 3018B to be reduced by $1,200.

(i) If for any reason the basic pay of an individual who received an involuntary separation is not so reduced by $1,200, the failure to make the reduction will not affect the individual’s eligibility for educational assistance under 38 U.S.C. ch. 30.

(ii) If the individual is voluntarily separated, such reduction of the individual’s basic pay by $1,200 is a precondition to establishing eligibility. Hence, educational assistance under 38 U.S.C. ch. 30 may not be paid to such an individual when the reduction does not occur.

(3) **Educational requirement.** (i) Before the date on which VA receives the individual’s application for educational assistance under subpart K of this part, the individual must have:

(A) Successfully completed the requirements of a secondary school diploma (or equivalency certificate); or

(B) Successfully completed (or otherwise received academic credit for) 12 semester hours (or the equivalent) in a program of education leading to a standard college degree.

(ii) If a veteran’s application for educational assistance is denied due to failure to meet the requirements of paragraph (b)(3)(i) of this section at the time of his or her application for educational assistance, the veteran may
reapply if the requirements are subsequently met.

(Authority: 38 U.S.C. 3018B)

(c) Additional requirements for individuals who are voluntarily discharged before October 23, 1992. If an individual meets the requirements of paragraph (a)(2) of this section and is voluntarily discharged before October 23, 1992, he or she must also meet the following requirements in order to establish eligibility for educational assistance.

(1) Required election. (i) If, under §21.7042(f), the individual elected not to receive educational assistance under 38 U.S.C. ch. 30, he or she must irrevocably withdraw that election and make an election to receive educational assistance under 38 U.S.C. ch. 30. The withdrawal and the new election must be made:
   (A) Before October 23, 1993, and
   (B) In the form and manner prescribed by the Secretary of Veterans Affairs; and

   (ii) If the individual is a participant (as defined in §21.5021(e)) in the educational program provided in 38 U.S.C. ch. 32, the individual must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30 rather than under 38 U.S.C. ch. 32. Such an election must be made:
   (A) Before October 23, 1993, and
   (B) In the form and manner prescribed by the Secretary of Veterans Affairs.

   (iii) If the individual is not described in either paragraph (c)(1)(i) or (ii) of this section, he or she must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30. This election must be made:
   (A) Before October 23, 1993, and
   (B) In the form and manner prescribed by the Secretary of Veterans Affairs.

(2) $1,200 collection. VA must collect $1,200 from the individual before awarding educational assistance under 38 U.S.C. ch. 30. Collection of $1,200 is a precondition to establishing eligibility.

(3) Educational requirement. (i) Before the date on which VA receives the individual’s application for educational assistance under subpart K of this part, the individual must have:

   (A) Successfully completed the requirements of a secondary school diploma (or equivalency certificate); or
   (B) Successfully completed (or otherwise received academic credit for) 12 semester hours (or the equivalent) in a program of education leading to a standard college degree.

   (ii) If a veteran’s application for educational assistance under subpart K of this part is denied due to failure to meet the requirements of paragraph (c)(3)(i) of this section at the time of his or her application for educational assistance, the veteran will be permitted to apply at a later date.

(Authority: 38 U.S.C. 3018B)

(d) Alternate eligibility requirements for participants in the Post-Vietnam Era Veterans’ Educational Assistance Program—

(1) Making an election. To receive educational assistance under the authority of paragraph (d) of this section, a veteran or servicemember must—

   (i) Have elected to do so before October 9, 1997;
   (ii) Have been a participant (as that term is defined in §21.5021(e)) in the Post-Vietnam Era Veterans’ Educational Assistance Program on October 9, 1996;
   (iii) Have been on active duty on October 9, 1996; and
   (iv) Receive an honorable discharge.

(2) Election. The election to receive educational assistance payable under this subpart in lieu of educational assistance payable under the Post-Vietnam Era Veterans’ Educational Assistance Program is irrevocable. The election must have been made before October 9, 1997, pursuant to procedures provided by the Secretary of the military department concerned in accordance with regulations prescribed by the Secretary of Defense or provided by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(3) $1,200 collection. An individual who has made the election described in paragraph (d)(2) of this section shall have his or her basic pay reduced by $1,200 in a manner prescribed by the Secretary of Defense. To the extent that basic pay is not so reduced before the individual’s discharge or release from active duty, VA will collect from
the individual an amount equal to the difference between $1,200 and the total amount of the reductions. Reduction in basic pay by $1,200 or collection of $1,200 is a precondition to establishing eligibility.

(4) Educational requirement. Before applying for benefits that may be payable as the result of making a valid election, an individual must have—

(i) Completed the requirements of a secondary school diploma (or equivalency certificate); or

(ii) Successfully completed the equivalent of 12 semester hours in a program of education leading to a standard college degree.

(Authority: 38 U.S.C. 3018C)

(e) Alternate eligibility requirements for former participants in the Post-Vietnam Era Veterans’ Educational Assistance Program—

(1) Definition. For the purpose of this paragraph a participant is a veteran or servicemember who:

(i) Had enrolled in the Post-Vietnam Era Veterans’ Educational Assistance Program, contributed to the fund described in §21.5021(f), and either—

(A) Is making contributions by monthly payroll deduction to that fund;

(B) Has some or all of the contributions remaining in that fund;

(C) Has disenrolled, and received a refund of contributions; or

(D) Has used all of his or her entitlement to benefits under the Post-Vietnam Era Veterans’ Educational Assistance Program; or

(ii) Had enrolled in the Post-Vietnam Era Veterans’ Educational Assistance Program, and has had the Secretary of Defense make contributions to the fund described in §21.5021(f) for him or her.

(2) Making an election. To receive educational assistance under authority of this paragraph, a veteran or servicemember must:

(i) Have elected before November 1, 2001, to receive educational assistance payable under 38 U.S.C. chapter 30 in lieu of educational assistance payable under the Post-Vietnam Era Veterans’ Educational Assistance Program; and

(ii) Have been a participant in the Post-Vietnam Era Veterans’ Education Assistance Program on or before October 9, 1996;

(iii) Have served continuously on active duty since October 9, 1996, through at least April 1, 2000;

(iv) Receive an honorable discharge when discharged or released from the period of active duty during which the servicemember made the election described in paragraph (e)(3) of this section.

(3) Election. The election to receive educational assistance payable under 38 U.S.C. chapter 30 in lieu of educational assistance payable under the Post-Vietnam Era Veterans’ Educational Assistance Program is irrevocable. The election must have been made before November 1, 2001, pursuant to procedures provided by the Secretary of the military department concerned.

(4) $2,700 collection. (i) An individual who has made the election described in paragraph (e)(3) of this section must have his or her basic pay reduced by $2,700 in a manner prescribed by the Secretary of the military department concerned. To the extent that basic pay is not so reduced before the individual’s discharge or release from active duty, the Secretary of the military department concerned will collect from the individual an amount equal to the difference between $2,700 and the amount that the individual’s basic pay has been reduced. The individual may choose how the $2,700 is to be collected.

The Secretary of the military department concerned, according to the choice the individual makes, will collect this amount—

(A) From the individual; or

(B) By reducing the individual’s retired or retainer pay.

(ii) The individual must pay $2,700 to the Secretary of the military department concerned, as provided for by that Secretary, during an 18-month period beginning on the date the individual made the election described in paragraph (e)(3) of this section.

(iii) Educational assistance under authority of paragraph (e) of this section to an individual who was discharged or released from active duty before the Secretary of the military department concerned had collected the full $2,700 described in paragraph (e)(4) of this
section is not payable until that Secretary either—
(A) Collects in full the $2,700; or
(B) Has made the first reduction in retired or retainer pay for the purpose of the $2,700 payment described in paragraph (e)(4) of this section. Thus, a veteran who is making the $2,700 payment through having retired or retainer pay reduced may be eligible before the Secretary of the military department concerned collects the full $2,700.

(5) Educational requirement. Before applying for benefits that may be payable as the result of making a valid election, an individual must have—
(i) Completed the requirements of a secondary school diploma (or equivalency certificate); or
(ii) Successfully completed the equivalent of 12 semester hours in a program of education leading to a standard college degree.

(Authority: 38 U.S.C. 3021(a); Pub. L. 98–525)

(b) Service requirements: eligibility based on service in the Selected Reserve. The Secretary concerned (pursuant to regulations which he or she may prescribe) has the discretion to authorize supplemental educational assistance to an individual who is eligible for basic educational assistance under §21.7042 or §21.7044 of this part through consideration of additional active duty service and additional service in the Selected Reserve only if the individual meets the provisions of this paragraph.

(1) The individual must serve—
(i) Two or more consecutive years of active duty in the Armed Forces in addition to the years on active duty counted to qualify the individual for basic educational assistance, and

(C) For hardship, or

(D) Involuntary, for the convenience of the government after October 1, 1987, as a result of a reduction in force, as determined by the Secretary of the military department concerned, in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy;

(iii) The date on which the veteran meets the requirement for four years service in the Selected Reserve found in §§ 21.7042(b) and 21.7044(b); or

(iv) December 27, 2001, for individuals who become eligible for educational assistance under § 21.7044(a)(7) or (b)(4)(i).

(2) In determining whether a veteran was discharged or released from active duty for a medical condition which preexisted that active duty, VA will be bound by a decision made by a competent military authority.

(b) Reduction of ten-year eligibility period. (1) Except as provided in paragraph (b)(2) of this section, a veteran who had eligibility for educational assistance under 38 U.S.C. ch. 34 and who is eligible for educational assistance under 38 U.S.C. ch. 30 as provided in § 21.7044 of this part shall have his or her ten-year period of eligibility reduced by the number of days he or she was not on active duty during the period beginning on January 1, 1977, and ending on June 30, 1985.

(2) A veteran’s ten-year period of eligibility shall not be reduced by any period in 1977 before the veteran began serving on active duty when the veteran qualified for educational assistance under 38 U.S.C. ch. 34 through service on active duty which—

(i) Commenced within 12 months of January 1, 1977, and

(ii) Resulted from a contract with the Armed Forces in a program such as the DEP (Delayed Enlistment Program) or an ROTC (Reserve Officers’ Training Corps) program for which a person enlisted in, or was assigned to, a reserve component before January 1, 1977.

(c) Time limit for some members of the Army and Air National Guard. (1) If a veteran or servicemember establishes
eligibility for the educational assistance payable under this subpart by making the election described in §21.7042(a)(7) or (b)(10), VA will not provide basic educational assistance or supplemental educational assistance to that veteran or servicemember beyond 10 years from the later of:

(i) The date determined by paragraph (a) or (b) of this section, as appropriate; or

(ii) The effective date of the election described in §21.7042(a)(7) or (b)(10), as appropriate.

(2) The effective date of election is the date on which the election is made pursuant to the procedures described in §21.7045(d)(2).

(d) Individual is eligible due to combining active duty as an enlisted member or warrant officer with active duty as a commissioned officer. If a veteran would not be eligible but for the provisions of §21.7020(b)(6)(v), VA will not pay basic educational assistance or supplemental educational assistance to that veteran beyond 10 years after the veteran’s last discharge or release from a period of active duty of 90 days or more of continuous service, or November 30, 2009, whichever is later.

(Authority: 38 U.S.C. 3011(f), 3031(a))

(e) Some veterans have a later ending date. (1) The ending date of the eligibility period of a veteran described in paragraph (e)(2) of this section is the later of:

(i) November 1, 2010; or

(ii) 10 years after the date of the veteran’s last discharge from a period of active duty of 90 days or more.

(2) The ending date of a veteran’s eligibility period will be the date described in paragraph (e)(1) of this section if the veteran would have been prevented from establishing eligibility by one or more of the former requirements described in paragraphs (e)(2)(i) through (e)(2)(iv) of this section and the veteran is enabled to establish eligibility by the removal of the statutory bases for those requirements. (For the purposes of this paragraph, the applicable provisions of those former requirements appear in the July 1, 2002 revision of the Code of Federal Regulations, title 38.)

(i) A period of active duty other than the initial period was used to establish eligibility. The veteran was enabled to establish eligibility by the removal of the former eligibility requirement in 38 CFR 21.7042(a)(2)(ii), 21.7042(a)(5)(iv)(A), and 21.7042(a)(5)(iv)(B), revised as of July 1, 2002, that a veteran had to use his or her initial period of active duty to establish eligibility for educational assistance;

(ii) High school education eligibility criterion met after the qualifying period of active duty. The veteran was enabled to establish eligibility by the removal of the former eligibility requirement in 38 CFR 21.7042(a)(3), 21.7042(b)(2), and 21.7042(c)(4), revised as of July 1, 2002, that before completing the period of active duty used to establish eligibility for educational assistance, a veteran had to complete the requirements for a secondary school diploma (or an equivalency certificate) or successfully complete (or otherwise receive academic credit for) 12 semester hours (or the equivalent) in a program of education leading to a standard college degree;

(iii) High school education eligibility criterion met after October 29, 1994. The veteran was enabled to establish eligibility by the removal of the former eligibility requirement in 38 CFR 21.7042(a)(6), 21.7042(b)(11), and 21.7044(b)(13), revised as of July 1, 2002, that certain veterans meet the requirements for a secondary school diploma (or an equivalency certificate) before October 29, 1994, in order to establish eligibility for educational assistance;

(iv) High school education eligibility criterion for veterans formerly eligible under 38 U.S.C. chapter 34 met after January 1, 1990. The veteran was enabled to establish eligibility by the removal of the former eligibility requirement in 38 CFR 21.7044(a)(3) and 21.7044(b)(3), revised as of July 1, 2002, that, as one of the two ways that certain veterans could meet the educational criteria for establishing eligibility for educational assistance, the veteran must before January 1, 1990, meet the requirements
for a secondary school diploma (or equivalency certificate).

(Authority: 38 U.S.C. 3031 note; secs. 102(e), 103(e), Pub. L. 106–419, 114 Stat. 1825; 1826–27)

(f) Correction of military records. A veteran may become eligible for educational assistance as the result of a correction of military records under 10 U.S.C. 1552, or change, correction or modification of a discharge or dismissal under 10 U.S.C. 1553, or other corrective action by competent military authority. When this occurs, the VA will not provide educational assistance later than 10 years from the date his or her dismissal or discharge was changed, corrected or modified (except as provided in §21.7051 of this part).

(g) Periods excluded. VA will not include in computing the 10-year period of eligibility for educational assistance under this section, any period during which the veteran after his or her last discharge or release from active duty—

(1) Was captured and held as a prisoner of war by a foreign government or power, or

(2) Immediately following the veteran’s release from this detention during which he or she was hospitalized at a military, civilian or VA medical facility.

(h) Time limitation for a spouse eligible for transferred entitlement. (1) Unless the transferor dies while on active duty, the ending date of the eligibility period for a spouse, who is eligible for transferred entitlement under §21.7080, is the earliest of the following dates:

(i) The date 10 years from the transferor’s date of death;

(ii) The ending date the transferor specified, if the transferor specified the period for which the transfer was effective; or

(iii) The effective date of the transferor’s revocation of transfer of entitlement as determined under §21.7080(g)(2).

(Authority: 38 U.S.C. 3020)

(i) Time limitation for a child eligible for transferred entitlement. (1) Unless the transferor dies while on active duty, the ending date of the eligibility period for a child, who is eligible for transferred entitlement under §21.7080, is the earliest of the following dates:

(i) The transferor’s ending date of eligibility as determined under this section;

(ii) The ending date the transferor specified, if the transferor specified the period for which the transfer was effective;

(iii) The effective date of the transferor’s revocation of transfer of entitlement as determined under §21.7080(g)(2); or

(iv) The day the child attains age 26.

(2) If the transferor dies while on active duty, the ending date of the eligibility period for a child, who is eligible for transferred entitlement under §21.7080, is the earliest of the following dates:

(i) The date 10 years from the transferor’s date of death;

(ii) The ending date the transferor specified, if the transferor specified the period for which the transfer was effective;

(iii) The effective date of the transferor’s revocation of transfer of entitlement as determined under §21.7080(g)(2); or

(iv) The day the child attains age 26.

(Authority: 38 U.S.C. 3020)
§ 21.7051 Extended period of eligibility.

(a) Period of eligibility may be extended. VA shall grant an extension of the applicable delimiting period, as otherwise determined by §21.7050 of this part provided:

(1) The veteran applies for an extension within the time specified in §21.1033(c).

(2) The veteran was prevented from initiating or completing the chosen program of education within the otherwise applicable eligibility period because of a physical or mental disability that did not result from the veteran’s willful misconduct. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct. (See §21.7020(b)(38)) It must be clearly established by medical evidence that such a program of education was medically infeasible. VA will not consider a veteran who is disabled for a period of 30 days or less as having been prevented from initiating or completing a chosen program, unless the evidence establishes that the veteran was prevented from enrolling or reenrolling in the chosen program or was forced to discontinue attendance, because of the short disability.

(b) Commencing date. The veteran shall elect the commencing date of an extended period of eligibility. The date chosen—

(1) Must be on or after the original date of expiration of eligibility as determined by §21.7050 of this part, and

(2) Must either be—

(i) On or before the 90th day following the date on which the veteran’s application for an extension was approved by VA, if the veteran is training during the extended period of eligibility in a course not organized on a term, quarter or semester basis, or

(ii) On or before the commencing date of the first ordinary term, quarter or semester following the 90th day after the veteran’s application for an extension was approved by VA, if the veteran is training during the extended period of eligibility in a course organized on a term, quarter or semester basis.

(c) Length of extended periods of eligibility. A veteran’s extended period of eligibility shall be for the length of time that the individual was prevented from initiating or completing his or her chosen program of education. This shall be determined as follows:

(1) If the veteran is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran’s original eligibility period that his or her training became medically infeasible to the earliest of the following dates:

(i) The commencing date of the ordinary term, quarter or semester following the day the veteran’s training became medically infeasible,

(ii) The last date of the veteran’s delimiting date as determined by §21.7050 of this part, or

(iii) The date the veteran resumed training.

(2) If the veteran is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran’s original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(i) The date the veteran’s training became medically feasible, or

(ii) The veteran’s delimiting date as determined by §21.7050 of this part.

§ 21.7070 Entitlement.

An eligible servicemember or veteran is entitled to a monthly benefit for periods of time during which he or she is
§ 21.7072 Entitlement to basic educational assistance.

The provisions of this section apply to all veterans and servicemembers except to those to whom § 21.7073 applies.

(a) Most individuals are entitled to 36 months of assistance. Except as provided in paragraphs (b), (c), and (d) of this section and in § 21.7073, a veteran or servicemember who is eligible for basic educational assistance is entitled to 36 months of basic educational assistance (or the equivalent thereof in part-time educational assistance).

(b) Entitlement: individual discharged for service-connected disability, a medical condition which preexisted service, hardship, or involuntarily for the convenience of the Government as a result of a reduction in force. (1) Except as provided in § 21.7073, when the provisions of paragraph (b) of this section are met, an eligible individual is entitled to one month of basic educational assistance (or equivalent thereof in part-time basic educational assistance) for each month of the individual's continuous active duty service that is after June 30, 1985, and that, in the case of an individual who had no previous eligibility under 38 U.S.C. ch. 34, is part of the individual's qualifying obligated period of active duty. In the case of a veteran to whom the definition of continuous active duty found in either § 21.7020(b)(6)(iii) or § 21.7020(b)(6)(iv) applies, the length of the continuous active duty will be the aggregate length of the periods of active duty referred to in those paragraphs. Except as provided in § 21.7073, VA will apply paragraph (b) of this section when the individual:
   (i) Establishes eligibility through meeting the eligibility requirements of § 21.7042 or § 21.7044,
   (ii) Serves less than 36 months of continuous active duty service after June 30, 1985 (or less than 24 continuous months of a qualifying obligated period of active duty service after June 30, 1985, if his or her qualifying obligated period of active duty is less than 3 years), and
   (iii) Is discharged or released from active duty either—
      (A) For a service-connected disability, or
      (B) For a medical condition which preexisted the individual's service on active duty and which VA determines is not service connected,
      (C) Under 10 U.S.C. 1173 (hardship discharge), or
      (D) Involuntarily for convenience of the government as a result of a reduction in force, as determined by the Secretary of the military department concerned in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy, or:
      (E) For a physical or mental condition that was not characterized as a disability and did not result from the individual's own willful misconduct but did interfere with the individual's performance of duty, as determined by the Secretary of each military department in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(2) Entitlement will be calculated in whole months.

(3) The following types of time lost are not countable in determining the extent of a veteran's or servicemember's entitlement:
   (i) Excess leave,
   (ii) Noncreditable time, and
   (iii) Not-on-duty time.

(c) Entitlement based on service in the Selected Reserve. (1) Except as provided in § 21.7073, when the provisions of paragraph (c) of this section are met, an individual is entitled to one month of basic educational assistance (or the equivalent thereof in part-time basic educational assistance) for each month of the individual's active duty service that is after June 30, 1985, and that, in
the case of an individual who had no previous eligibility under 38 U.S.C. chapter 34, is part of the individual's qualifying obligated period of active duty. An individual is entitled to one month of basic educational assistance (or the equivalent thereof in part-time basic educational assistance) for each four months served by the individual in the Selected Reserve after June 30, 1985 (other than a month in which the individual serves on active duty). Except as provided in §21.7073, VA will apply the provisions of paragraph (c) of this section when the individual—

(i) Establishes eligibility through meeting the eligibility requirements of §21.7042 or §21.7044, and

(ii) Bases his or her eligibility upon a combination of service on active duty and service in the Selected Reserve as described in §§21.7042(b) and 21.7044(b).

(2) Entitlement will be calculated in whole months.

(3) The following types of time lost are not countable in determining the extent of a veteran's or servicemember's entitlement:

(i) Excess leave,

(ii) Noncreditable time, and

(iii) Not-on-duty time.

(4) A veteran described in this paragraph is not entitled to any basic educational assistance for service in the Selected Reserve in excess of the number of months of service in the Selected Reserve which is evenly divisible by four.

(5) VA will consider a veteran to be entitled to 36 months of basic educational assistance when he or she—

(i) Initially enters on active duty after June 30, 1985;

(ii) Is attempting to establish eligibility through service in the Selected Reserve;

(iii) Has completed the active duty service required in §21.7042 of this part; and

(iv) Is participating in the Selected Reserve, but has not participated for the length of time required in §21.7042 of this part.

(d) Entitlement affected by failure to complete required Selected Reserve service. If a veteran attempts to establish eligibility through a combination of active duty service and service in the Selected Reserves, but fails to do so, his or her entitlement shall be the number of months to which he or she is entitled on the basis of his or her active duty service.

(e) Repayment of an education loan affects entitlement. A period of service counted for the purpose of repayment under section 902 of the Department of Defense Authorization Act, 1981, of an education loan may not also be counted for the purposes of determining the number of months of the veteran's or servicemember's entitlement to basic educational assistance. Therefore, in determining a veteran's or servicemember's entitlement, VA will—

(1) Determine his or her entitlement as provided in paragraph (a), (b), (c) or (d) of this section, as appropriate, and

(2) Subtract from the figure determined in paragraph (e)(1) of this section the number of months of service counted for the purposes of repayment of an educational loan under section 902 of the Department of Defense Authorization Act, 1981.

(f) Limitation on entitlement. Except as provided in §21.7076(e) and §21.7135(s) of this part no one is entitled to more than 36 months of full-time basic educational assistance (or its equivalent in part-time educational assistance).

§ 21.7073 Entitlement for some individuals who establish eligibility during the open period or who establish eligibility before involuntary separation.

(a) Individuals who establish eligibility during the open period. (1) The provisions of this paragraph apply to a veteran or servicemember who:
   (i) Establishes eligibility by withdrawing an election not to enroll as provided in §21.7042(c);
   (ii) Has less than $1,200 deducted from his or her military pay; and
   (iii) Before completing the period of service which the individual was obligated to serve on December 1, 1988, the individual:
   (A) Is discharged or released from active duty for a service-connected disability, a medical condition which preexisted that service, or hardship; or
   (B) For a physical or mental condition that was not characterized as a disability and did not result from the individual’s own willful misconduct but did interfere with the individual’s performance of duty, as determined by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.
   (C) Is discharged or released from active duty for the convenience of the Government after completing not less than 20 months of that period of service, if that period was less than three years, or 30 months, if that period was at least three years; or
   (D) Is involuntarily discharged or released from active duty for convenience of the Government as a result of a reduction in force, as determined by the Secretary concerned in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

   (Authority: 38 U.S.C. 3018(b)(3))

   (2) A veteran described in paragraph (a)(1) of this section is entitled to a number of months of basic educational assistance (or equivalent thereof in part-time basic educational assistance) equal to the lesser of:
   (i) A number of months determined by multiplying 36 by a fraction the numerator of which is the amount by which the basic pay of the individual has been reduced as provided in §21.7042(e)(2) and the denominator of which is $1,200, or
   (ii) The number of months the veteran has served on continuous active duty after June 30, 1985.

   (Authority: 38 U.S.C. 3013(c))

(b) Individuals who establish eligibility following involuntary separation. (1) The provisions of this paragraph apply to a veteran who establishes eligibility by meeting the provisions of §21.7045 of this part.

   (Authority: 38 U.S.C. 3018A)

   (2) A veteran described in paragraph (b)(1) of this section is entitled to a number of months of basic educational assistance (or equivalent thereof in part-time basic educational assistance) equal to the lesser of—
   (i) 36 months, or
   (ii) The number of months the veteran served on active duty.

[59 FR 24053, May 10, 1994, as amended at 65 FR 67266, Nov. 9, 2000]

§ 21.7074 Entitlement to supplemental educational assistance.

In determining the entitlement of a veteran or servicemember who is eligible for supplemental educational assistance VA shall—

(a) Calculate the veteran’s or servicemember’s entitlement to basic educational assistance on the day he or she establishes eligibility for supplemental educational assistance, and

(b) Credit the veteran or servicemember with the same number of months and days entitlement to supplemental educational assistance as the number calculated in paragraph (a) of this section.

§ 21.7075 Entitlement to tuition assistance top-up.

An individual who is entitled to educational assistance under 38 U.S.C. chapter 30 is also entitled to 36 months of tuition assistance top-up. This entitlement is parallel to, and does not replace, the entitlement to educational assistance available under § 21.7072. If the individual receives tuition assistance top-up, VA will make a charge against both the entitlement under § 21.7072 and the entitlement under this section. The charge will be as described in § 21.7076(b)(10).

(Authority: 38 U.S.C. 3013, 3014(b), 3032)

§ 21.7076 Entitlement charges.

(a) Overview. VA will make charges against entitlement as stated in this section.

(1) Charges will be made against the entitlement the veteran or servicemember has to educational assistance under 38 U.S.C. chapter 30 as the assistance is paid.

(2) There will be a charge (for record purposes only) against the remaining entitlement, under 38 U.S.C. chapter 34, of an individual who is receiving the educational assistance under § 21.7072 of this part. The record-purpose charges against entitlement under 38 U.S.C. chapter 34 will not count against the 48 months of total entitlement under both 38 U.S.C. chapters 30 and 34 to which the veteran or servicemember may be entitled. (See § 21.4020(a) of this part).

(3) Generally, VA will base those entitlement charges on the principle that a veteran or servicemember who trains full time for one day should be charged one day of entitlement. However, this general principle does not apply to a veteran or servicemember who:

(i) Is pursuing correspondence training;

(ii) Is pursuing flight training;

(iii) Is pursuing an apprenticeship or other on-job training;

(iv) Is paid an accelerated payment;

(v) Is receiving educational assistance for taking an approved licensing or certification test; or

(vi) Is receiving tuition assistance top-up.

(4) The provisions of this section apply to:

(i) Veterans and servicemembers training under 38 U.S.C. chapter 30; and

(ii) Veterans training under 38 U.S.C. chapter 31 who make a valid election under § 21.21 of this part to receive educational assistance equivalent to that paid to veterans under 38 U.S.C. chapter 30.

(Authority: 38 U.S.C. 3013, 3014(b), 3014A, 3689)

(b) Determining entitlement charge. This paragraph states how VA generally will determine the charge against the entitlement of a servicemember or veteran who is receiving educational assistance. However, when the circumstances described in paragraph (e) apply to a servicemember or veteran, VA will use that paragraph to determine an entitlement charge instead of this paragraph.

(1) Except for those pursuing correspondence training, flight training, apprenticeship or other on-job training; those receiving tuition assistance top-up; those receiving educational assistance for taking an approved licensing or certification test; those receiving tutorial assistance; and those receiving an accelerated payment, VA will make a charge against entitlement:

(i) On the basis of total elapsed time (one day for each day of pursuit) if the servicemember or veteran is pursuing the program of education on a full-time basis.

(ii) On the basis of a proportionate rate of elapsed time, if the veteran or servicemember is pursuing the program of education on a three-quarter, one-half or less than one-half time basis. For the purpose of this computation, training time which is less than one-half, but more than one-quarter time, will be treated as though it were one-quarter time training.

(2) VA will compute elapsed time from the commencing date of the award to date of discontinuance. If the veteran or servicemember changes his or her training time after the commencing date of the award, VA will—

(i) Divide the enrollment period into separate periods of time during which the veteran’s or servicemember’s training time remains constant, and
§ 21.7076

(i) Compute the elapsed time separately for each time period.

(Authority: 38 U.S.C. 3013)

(3) For each month that a veteran is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, VA will make a charge against 38 U.S.C. chapter 30 entitlement of—

(i) .75 of a month in the case of payments made during the first six months of the veteran’s pursuit of the program of apprenticeship or other on-job training,

(ii) .55 of a month in the case of payments made during the second six months of the veteran’s pursuit of the program of apprenticeship or other on-job training, and

(iii) .35 of a month in the case of payments made following the first twelve months of the veteran’s pursuit of apprenticeship or other on-job training.

(Authority: 38 U.S.C. 3032(c))

(4) For each month that a veteran is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, including any month in which the veteran fails to complete 120 hours of training, VA will make a record-pur- pose charge against 38 U.S.C. chapter 34 entitlement, if any, as follows:

(i) For training that occurs before October 1, 2005, VA will reduce 38 U.S.C. chapter 34 entitlement by one month for each month of benefits paid.

(ii) For training that occurs on or after October 1, 2005, VA will reduce 38 U.S.C. chapter 34 entitlement proportionately based on the percentage rate (rounded to the nearest percentage) determined by dividing the amount of the training assistance paid for the month by the monthly educational assistance payable for full-time enrollment in an educational institution.

(Authority: 38 U.S.C. 3015(e), 3032(c), 3687; sec. 102, Pub. L. 108–454, 118 Stat. 3600)

(5) When a veteran or servicemember is pursuing a program of education by correspondence, VA will make a charge against entitlement for each payment made to him or her. The charge—

(i) Will be made in months and decimal fractions of a month, and

(ii) Will be determined by dividing the amount of the payment by an amount equal to the rate of educational assistance otherwise applicable to him or her for full-time training (disregarding in the case of a servicemember the cost of course comparison).

(Authority: 38 U.S.C. 3032(d))

(6) When a veteran or servicemember is pursuing a program of education partly in residence and partly by correspondence, VA will make a charge against entitlement—

(i) For the residence portion of the program as provided in paragraphs (b)(1) and (2) of this section, and

(ii) For the correspondence portion of the program as provided in paragraph (b)(5) of this section.

(Authority: 38 U.S.C. 3032(c), 3032(d))

(7) When a veteran or servicemember is paid an accelerated payment, VA will make a charge against entitlement for each accelerated payment made to him or her. The charge—

(i) Will be made in months and decimal fractions of a month; and

(ii) Will be determined by dividing the amount of the accelerated payment by an amount equal to the rate of basic educational assistance otherwise applicable to him or her for full-time institutional training. If the rate of basic educational assistance increases during the enrollment period, VA will charge entitlement for the periods covered by the initial rate and the increased rate, respectively.

(Authority: 38 U.S.C. 3014A)

(8) If an individual is paid tutorial assistance as provided in §21.7141, the following provisions will apply.

(i) There will be no charge to entitlement for the first $600 of tutorial assistance paid to an individual under 38 U.S.C. ch. 30.

(ii) VA will make a charge against the period of entitlement of one month for each amount of tutorial assistance paid under 38 U.S.C. ch. 30, to the individual in excess of $600 that is equal to
the amount of monthly educational assistance the individual is otherwise eligible to receive for full-time pursuit of a residence course as provided in §§21.7136, 21.7137 and 21.7138, as appropriate. When the amount of tutorial assistance paid to the individual in excess of $600 is less than the amount of monthly educational assistance the individual is otherwise eligible to receive, the entitlement charge will be prorated.

(Authority: 38 U.S.C. 3019; Pub. L. 100–689
Nov. 18, 1988)

(9) When a veteran or servicemember is pursuing a program of education through flight training, VA will make a charge against entitlement for each payment made to him or her. The charge—
(i) Will be made in months and decimal fractions of a month, and
(ii) Will be determined by dividing the amount of the payment by an amount equal to the rate of basic educational assistance otherwise applicable to him or her for full-time institutional training.

(Authority: 38 U.S.C. 3031(f))

(10) When a servicemember receives tuition assistance top-up, VA will make a charge against his or her entitlement as established under §21.7072 equal to the number of months and days determined by dividing the total amount paid by an amount equal to the servicemember’s monthly rate of basic educational assistance as calculated under §21.7136. VA will make a charge against his or her tuition assistance top-up entitlement as established under §21.7075 by subtracting from that entitlement the total number of months and days in the term, quarter, or semester for which the servicemember received tuition assistance.

(Authority: 38 U.S.C. 3014(b))

(11) When a veteran or servicemember receives educational assistance for taking an approved licensing or certification test, VA will make a charge against his or her entitlement equal to the number of months and days determined by dividing the total amount paid by an amount equal to the servicemember’s monthly rate of basic educational assistance as calculated under §21.7136, excluding any additional “kicker’’ that may be paid under §21.7136(g).

(Authority: 38 U.S.C. 3032(i)(2))

(c) Overpayment cases. VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy; is waived, and is not recovered; or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and is not recovered, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—
(i) Subtracting the portion of the debt attributable to interest, administrative costs of collection, court costs and marshal fees from the compromise offer,
(ii) Subtracting the amount determined in paragraph (c)(3)(i) of this section from the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees),
(iii) Dividing the result obtained in paragraph (c)(3)(i) of this section by the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees), and
(iv) Multiplying the percentage obtained in paragraph (c)(3)(iii) of this
section by the amount of the entitlement which represents the whole over-paid period.

(Authority: 38 U.S.C. 3013; Pub. L. 98-525)

(d) Interruption to conserve entitlement. A veteran may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An educational institution may not certify a period of enrollment for a fractional part of the normal term, quarter or semester, if the veteran or servicemember is enrolled for the entire term, quarter or semester. VA will make a charge against entitlement for the entire period of certified enrollment, if the veteran or servicemember is otherwise eligible for educational assistance, except when educational assistance is interrupted under any of the following conditions:

1. Enrollment is terminated;
2. The veteran or servicemember cancels his or her enrollment, and does not negotiate an educational assistance check for any part of the certified period of enrollment;
3. The veteran or servicemember interrupts his or her enrollment at the end of any term, quarter or semester within the certified period of enrollment, and does not negotiate a check for educational assistance for the succeeding term, quarter or semester;
4. The veteran or servicemember requests interruption or cancellation for any break when a school was closed during a certified period of enrollment, and VA continued payments under an established policy based upon an Executive Order of the President or an emergency situation. Whether the veteran or servicemember negotiated a check for educational assistance for the certified period is immaterial.

(e) No entitlement charge for some individuals. When the criteria described in this paragraph are met, VA will make no charges against entitlement as described in paragraph (b) of this section.

1. VA will make no charge against an individual’s entitlement when the individual—
   l. Either—
   A. While not serving on active duty, had to discontinue pursuit of a course or courses as a result of being ordered, in connection with the Persian Gulf War, to serve on active duty under section 672 (a), (d), or (g), 673, 673b, or 688 of title 10, U.S. Code; or
   B. While serving on active duty, had to discontinue pursuit of a course or courses as a result of being ordered, in connection with the Persian Gulf War, to a new duty location or assignment or to perform an increased amount of work.

   1. Failed to receive credit or lost training time toward completion of the individual’s approved educational, professional or vocational objective as a result of having to discontinue his or her course pursuit.

2. The period for which receipt of educational assistance allowance is not charged against the entitlement of an individual described in paragraph (e)(1) of this section shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time.

(2) Include the dependent’s Selected Reserve kicker, if the dependent is eligible for a kicker from the Selected Reserve based on the dependent’s own Selected Reserve service; and

§ 21.7112 Programs of education combining two or more types of courses.

(a) Concurrent enrollment. (1) When a veteran or servicemember cannot successfully schedule his or her complete program at one educational institution, VA may approve a program of concurrent enrollment. When requesting such a program, the veteran or servicemember must show that his or her complete program of education is not available at the educational institution in which he or she will pursue the major portion of his or her program (the primary educational institution), or that it cannot be scheduled successfully within the period in which he or she plans to complete his or her program. When the standards for measurement of the courses pursued concurrently in the two educational institutions are different, the concurrent enrollment shall be measured by converting the measurement of courses being pursued at the second educational institution under the standard applicable to such institution to its equivalent measurement under the standard required for full-time courses applicable to the primary educational institution. For a complete discussion of measurement of concurrent enrollments see §21.7172 of this part.

(2) The veteran or servicemember must submit the monthly certification of attendance and pursuit. In determining whether a veteran or servicemember may change his or her program of education under 38 U.S.C. ch. 30, VA will apply the provisions of §21.4234 of this part. VA will not consider programs of education a veteran or servicemember may have pursued under 38 U.S.C. ch. 34 or 36 before January 1, 1990, if he or she wishes to change programs of education under 38 U.S.C. ch. 30.

Restrictions on this general rule are stated in §21.7222(b) of this part, however.

(b) Avocational and recreational courses are restricted. (1) VA will not pay educational assistance for an enrollment in any course—

(i) Which is avocational or recreational in character, or

(2) VA presumes that the following courses are avocational or recreational in character unless the veteran or servicemember justifies their pursuit to VA as provided in paragraph (b)(3) of this section. The courses are:

(i) Any photography course or entertainment course, or

(ii) Any music course, instrumental or vocal, public speaking course or courses in dancing, sports or athletics, such as horseback riding, swimming, fishing, skiing, golf, baseball, tennis, bowling, sports officiating, or other sport or athletic courses, except courses of applied music, physical education, or public speaking which are offered by institutions of higher learning for credit as an integral part of a program leading to an educational objective, or

(iii) Any other type of course which VA determines to be avocational or recreational.

(3) To overcome the presumption that a course is avocational or recreational in character, the veteran or servicemember must establish that the course will be of bona fide use in the pursuit of his or her present or contemplated business or occupation.

(c) Flight training. (1) VA may pay educational assistance for an enrollment in a flight training course—

(i) When an institution of higher learning offers the course for credit toward the standard college degree the veteran or servicemember is pursuing; or

§ 21.7122 Courses precluded.

(a) Unapproved courses. The provisions of this section which refer to a State approving agency will be deemed to refer to VA with respect to a State when that State does not have and fails or declines to create or designate a State approving agency; or fails to enter into an agreement as provided in §21.4153 (see §21.4150(c)). Except for payment of tuition assistance top-up, VA will not pay educational assistance for:

(1) An enrollment in any course that a State approving agency has not approved;

(2) A new enrollment in a course while a State approving agency has suspended the course for new enrollments;

(3) Any period within an enrollment in a course if the period occurs after the date a State approving agency disapproves the course; or

(4) Taking a licensing or certification test after the date a State approving agency disapproves the test. See §21.7220.

(b) Courses outside a program of education. VA will not pay educational assistance for an enrollment in any course that is not part of a program of education unless the veteran or servicemember is enrolled in:

(3) A preparatory, special education, or training course necessary to enable the veteran or servicemember to pursue an approved program of education; or

(4) A course for which the veteran or servicemember is seeking tuition assistance top-up.

(c) Erroneous, deceptive, misleading practices. (i) VA will not pay educational assistance for:

(1) An enrollment in any course offered by an educational institution that uses advertising, sales, or enrollment practices that are erroneous, deceptive, or misleading by actual statement, omission, or intimation.

(ii) Taking a licensing or certification test if the organization or entity offering the test uses advertising or sales practices, or candidate handbooks, that are erroneous, deceptive, or misleading by actual statement, omission, or intimation.

Except as provided in paragraph (g) or (h) of this section, the monthly rate for a veteran who is pursuing a course on a less than one-half-time basis or the monthly rate for a servicemember who is pursuing a program of education is the lesser of:

(1) The monthly rate stated in either paragraph (b) or (c) of this section (as determined by the veteran’s or servicemember’s initial obligated period of active duty) plus any additional amounts that may be due under paragraph (d) or (f) of this section, or

(2) The monthly rate of the cost of the course. If there is no cost for the course, educational assistance is not payable.

(f) Increase in basic educational assistance rates (“kicker”) for those eligible under §21.7045. A veteran who formerly was eligible to receive educational assistance under 38 U.S.C. ch. 30 as described in §21.7045(b)(1)(i), (c)(1)(i), (d), or (e),
§ 21.7136  38 CFR Ch. I (7–1–14 Edition)

may receive an increase in basic educational assistance allowance (kicker). The increase will be determined as follows.

(1) The basis of the increase will be that portion of the amount of money—

(i) Which remains in the VEAP fund after the veteran has been paid all assistance due him or her under 38 U.S.C. ch. 32 and refunded all of his or her contributions to the VEAP fund, and—

(ii) Which represents the Secretary of Defense's additional contributions for the veteran as stated in §21.5132(b)(3) of this part.

(ii) VA will use the monthly rate of the increase determined in paragraph (f)(2)(i) of this section if the veteran is pursuing his or her program full time;

(iii) VA will multiply the monthly rate determined by paragraph (f)(2)(i) of this section by .75 for a student pursuing his or her program three-quarter time;

(iv) VA will multiply the monthly rate determined by paragraph (f)(2)(i) of this section by .5 for a student pursuing his or her program half time; and

(v) VA will multiply the monthly rate determined by paragraph (f)(2)(i) of this section by .25 for a student pursuing his or her program less than one-half time.

(3) For a veteran pursuing cooperative training VA will multiply the rate determined by paragraph (f)(2)(i) of this section by .8 for training received before October 9, 1996.

(4) For a veteran pursuing a program of apprenticeship or other on-job training—

(i) During periods before October 1, 2005, and after December 31, 2007, VA will multiply the monthly rate determined by paragraph (f)(2)(i) of this section—

(A) By .55 for a veteran in the second six months of pursuit of training, or

(B) By .5 for a veteran in the second six months of pursuit of training, or

(C) By .45 for a veteran in the remaining months of pursuit of training.

(ii) During the period beginning October 1, 2005, and ending December 31, 2007, VA will multiply the monthly rate determined by paragraph (f)(2)(i) of this section—

(B) By .65 for a veteran in the second six months of pursuit training, or

(C) By .45 for a veteran in the remaining months of pursuit of training.

(1) The Secretary of the service department concerned may increase the amount of basic educational assistance payable under paragraph (b), (c), (d), (e), or (f) of this section, as appropriate. The increase ("kicker") is payable to an individual, who has a skill or specialty in which there is a critical shortage of personnel or for which it is difficult to recruit, or, in the case of critical units, retain personnel, if the individual:

(i) Establishes eligibility for education under §21.7042(a), §21.7045, or §21.7080; and

(ii) Meets the criteria of §21.7540(a)(1) with respect to service in the Selected Reserve.

(2) The Secretary of the military department concerned—

   (i) $5 for every $20 an individual pursuing a program of education full time has contributed;
   (ii) $3.75 for every $20 an individual pursuing a program of education three-quarter time has contributed;
   (iii) $2.50 for every $20 an individual pursuing a program of education half time or less than one-half time but more than one-quarter time has contributed; and
   (iv) $1.25 for every $20 an individual pursuing a program of education one-quarter time has contributed.

(2) If a veteran is pursuing apprenticeship or other on-job training—
   (i) During periods before October 1, 2005, and after December 31, 2007, VA will increase the veteran’s monthly educational assistance that is otherwise payable—

      (B) During the second 6 months of pursuit of training, by $2.75 for every $20 the veteran contributed, or
      (C) During the remaining months of the veteran’s pursuit of training, by $1.75 for every $20 the veteran has contributed.
   (ii) During the period beginning October 1, 2005, and ending December 31, 2007, VA will increase the veteran’s monthly educational assistance that is otherwise payable—

VA will determine the prorated amount by dividing the accelerated payment amount by the number of days in the enrollment period, and multiplying the result by the number of days from the beginning date of the enrollment period through the date of last attendance. The result of this calculation will equal the amount the individual is due. The difference between the accelerated payment and the amount the individual is due will be established as an overpayment.

(a) §21.4270 (except paragraphs (a)(2) and (a)(3) and those portions of paragraph (c) and footnotes dealing with farm cooperative training)—Measurement of courses;
(b) §21.4272—Collegiate course measurement;
(c) §21.4273—Collegiate graduate;
(d) §21.4274—Law courses; and
(e) §21.4275—Practical training courses; measurement.

(Authority: 38 U.S.C. 3034, 3688)

(a) Conversion of units of measurement required. Where a veteran enrolls concurrently in courses offered by two schools and the standards for the measurement of the courses pursued concurrently in the two schools are different, VA will measure the veteran’s enrollment by converting the units of measurement for courses in the second school to their equivalent in units of measurement required for the courses in the program of education which the veteran is pursuing at the primary institution. This conversion will be accomplished as follows:
(1) If VA measures the courses at the primary institution on a credit-hour basis (including a course which does not lead to a standard college degree, which is being measured on a credit-hour basis), and VA measures the courses at the secondary school on a clock-hour basis, the clock hours will be converted to credit hours.
(2) If VA measures the courses pursued at the primary institution on a clock-hour basis, and VA measures the courses pursued at the secondary school on a credit-hour basis, VA will convert the credit hours to clock hours to determine the veteran’s training time.

(b) Conversion of clock hours to credit hours. If the provisions of paragraph (a) of this section require VA to convert clock hours to credit hours, it will do so by—
(1) Dividing the number of credit hours which VA considers to be full-time at the educational institution whose courses are measured on a credit-hour basis by the number of clock hours which are full-time at the educational institution whose courses are measured on a clock-hour basis; and
(2) Multiplying each clock hour of attendance by the decimal determined in
paragraph (b)(1) of this section. VA will drop all fractional hours.

(Authority: 38 U.S.C. 3034, 3688)

(c) Conversion of credit hours to clock hours. If the provisions of paragraph (a) of this section require VA to convert credit hours to clock hours, it will do so by—

(1) Dividing the number of clock hours which VA considers to be full-time at the educational institution whose courses are measured on a clock-hour basis by the number of credit hours which are full-time at the educational institution whose courses are measured on a credit-hour basis; and

(2) Multiplying each credit hour by the number determined in paragraph (c)(1) of this section. VA will drop all fractional hours.

(Authority: 38 U.S.C. 3034, 3688)

(d) Both courses measured on a credit hour basis or both courses measured on a clock hour basis. If VA measures the courses pursued at both institutions on a credit hour basis or on a clock hour basis, VA will measure the veteran’s enrollment by adding together the units of measurement for the courses at the second school and the units of measurement for the courses at the primary institution. The standard for full time will be the full-time standard for the courses at the primary institution.

§ 21.7530 Applications, claims, and time limits.

§ 21.7540 Eligibility for educational assistance.

(a) Basic eligibility requirements. A reservist must meet the requirements for a secondary school diploma (or an equivalency certificate) before applying for educational assistance. VA will decide whether a reservist met those requirements before applying for educational assistance. If the reservist applies before completing the requirements, VA will disallow the application. A reservist’s premature application will not prevent the reservist from establishing eligibility at a later time by applying for educational assistance.
again after having completed the academic requirements. The Armed Forces will decide whether a reservist has met all the other eligibility criteria needed in order to receive educational assistance pursuant to 10 U.S.C. chapter 1606. To be eligible a reservist:

1. Shall:
   (i) Enlist, reenlist, or extend an enlistment as a Reserve for service in the Selected Reserve so that the total period of obligated service is at least six years from the date of such enlistment, reenlistment, or extension; or
   (ii) Be appointed as, or be serving as, a reserve officer and agree to serve in the Selected Reserve for a period of not less than six years in addition to any other period of obligated service in the Selected Reserve to which the person may be subject;
2. Must complete his or her initial period of active duty for training;
3. Must be participating satisfactorily in the Selected Reserve;
4. Must not have elected to have his or her service in the Selected Reserve credited toward establishing eligibility to benefits provided under 38 U.S.C. chapter 30; and

(Authority: 10 U.S.C. 16132; 38 U.S.C. 3033(c))

(b) Eligibility requirements for expanded benefits. (1) A reservist shall be eligible to pursue all types of training described in subpart L of this part regardless of whether he or she has received a baccalaureate degree or the equivalent evidence of completion of study if—
   (i) After September 30, 1990, he or she takes one of the actions described in paragraph (a)(1) or (a)(2) of this section;
   (ii) The reservist has not received a baccalaureate degree or the equivalent evidence of completion of study;
   (iii) The reservist meets all the other eligibility criteria of paragraph (a) of this section; and
   (iv) The reservist does not have his or her eligibility limited by paragraph (c) of this section.

(2) A reservist shall be eligible to pursue all types of training described in subpart L of this part except the training described in paragraph (b)(3) of this section if—
   (i) After June 30, 1985, but not after September 30, 1990, he or she takes one of the actions described in paragraph (a)(1) or (a)(2) of this section;
   (ii) The reservist has not received a baccalaureate degree or the equivalent evidence of completion of study;
   (iii) The reservist meets all the other eligibility criteria of paragraph (a) of this section; and
   (iv) The reservist does not have his or her eligibility limited by paragraph (c) of this section.

(3) The types of training which a reservist described in paragraph (b)(1) of this section may pursue, but which may not be pursued by a reservist described in paragraph (b)(2), are:
   (i) A course which is offered by an educational institution which is not an institution of higher learning (to determine if a nursing course is offered by an institution of higher learning, see §21.7622(f));
   (ii) A correspondence course;
   (iii) An accredited independent study course leading to a standard college degree. (See §21.7622(f) concerning enrollment in a nonaccredited independent study course after October 28, 1992);
   (iv) An accredited independent study course leading to a certificate that reflects educational attainment from an institution of higher learning. This provision applies to enrollment in an independent study course that begins on or after December 27, 2001. (See §21.7622(f) concerning enrollment in a nonaccredited independent study course after October 28, 1992);
   (v) A refresher, remedial or deficiency course;
   (vi) A cooperative course;
   (vii) An apprenticeship or other on-job training; and
   (viii) A flight course.

(c) Limitations on establishing eligibility. (1) An individual must elect in writing whether he or she wishes service in the Selected Reserve to be credited towards establishing eligibility under 38 U.S.C. chapter 30 or under 10 U.S.C. chapter 1606 when:
(i) The individual is a reservist who is eligible for basic educational assistance provided under 38 U.S.C. 3012, and has established eligibility to that assistance partially through service in the Selected Reserve; or

(ii) The individual is a member of the National Guard or Air National Guard who has established eligibility for basic educational assistance provided under 38 U.S.C. 3012 through activation under a provision of law other than 32 U.S.C. 316, 502, 503, 504, or 505 followed by service in the Selected Reserve.

(2) An election under this paragraph (c) to have Selected Reserve service credited toward eligibility for payment of educational assistance under 38 U.S.C. chapter 30 or under 10 U.S.C. chapter 1606 is irrevocable when the reservist either negotiates the first check or receives the first payment by electronic funds transfer of the educational assistance elected.

(3) If a reservist is eligible to receive educational assistance under both 38 U.S.C. chapter 30 and 10 U.S.C. chapter 1606, he or she may receive educational assistance alternately or consecutively under each of these chapters to the extent that the educational assistance is based on service not irrevocably credited to one or the other chapter as provided in paragraphs (c)(1) and (c)(2) of this section.

(Authority: 10 U.S.C. 16132; 38 U.S.C. 3033(c))

(d) Dual eligibility. An individual who has established eligibility for basic educational assistance under 38 U.S.C. chapter 30 solely through service on active duty may establish eligibility for educational assistance under 10 U.S.C. chapter 1606 by meeting the requirements of paragraph (a) of this section.

(ii) The date the reservist is separated from the Selected Reserve.

(2) Reservists who become eligible after September 30, 1992. Except as provided in §21.7551 and paragraphs (b), (c), (d), and (e) of this section, if a reservist becomes eligible for educational assistance after September 30, 1992, the period of eligibility expires effective the earlier of the following dates:

(i) The last day of the 14-year period beginning on the date the reservist becomes eligible for educational assistance; or

(ii) The date the reservist is separated from the Selected Reserve.

(Authority: 10 U.S.C. 16133)

(b) Extension due to active duty orders. If the reservist serves on active duty pursuant to an order to active duty issued under section 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10, U.S. Code, the period of this active duty plus four months shall not be considered in determining the time limit on eligibility found in paragraph (a) of this section.

(Authority: 10 U.S.C. 16133)

(c) Completion of term of program. (1) If a reservist is enrolled in an educational institution regularly operated on the quarter or semester system, and the reservist’s period of eligibility as defined in paragraph (a) of this section would expire during a quarter or semester, the period of eligibility shall be extended to the end of the quarter or semester.
(2) If a reservist is enrolled in an educational institution not regularly operated on the quarter or semester system, and the reservist’s period of eligibility as defined in paragraph (a) of this section would expire after a major portion of the course is completed, the period of eligibility shall be extended until the earlier of the following occurs:
   (i) The end of the course, or
   (ii) 12 weeks from the date on which the reservist’s eligibility otherwise would have expired.

(Authority: 10 U.S.C. 16133(b)(1); Pub. L. 96–525)

(d) Discharge for disability. In the case of a reservist separated from the Selected Reserve because of a disability which was not the result of the individual’s own willful misconduct and which was incurred on or after the date on which the reservist became entitled to education assistance, the reservist’s period of eligibility expires effective the last day of the—
   (1) 10-year period beginning on the date the reservist becomes eligible for educational assistance if the reservist became eligible before October 1, 1992; or

(Authority: 10 U.S.C. 16133)

(e) Unit deactivated. (1) Except as provided in paragraph (e)(3) or (e)(4) of this section, the period of eligibility of a reservist, eligible for educational assistance under this subpart, who ceases to become a member of the Selected Reserve during the period beginning October 1, 1991, and ending December 31, 2001, under either of the conditions described in paragraph (e)(2) of this section will expire on the date—
   (i) 10 years after the date the reservist becomes eligible for educational assistance if the reservist became eligible before October 1, 1992; or
   (ii) 14 years after the date the reservist becomes eligible for educational assistance if the reservist became eligible after September 30, 1992.

(2) The conditions referred to in paragraph (e)(1) of this section for ceasing to be a member of the Selected Reserve are:
   (i) The deactivation of the reservist’s unit of assignment; and
   (ii) The reservist’s involuntarily ceasing to be designated as a member of the Selected Reserve pursuant to 10 U.S.C. 10143(a).

(3) The provisions of paragraphs (e)(1) and (e)(2) of this section do not apply if the reservist ceases to be a member of the Selected Reserve under adverse conditions, as characterized by the Secretary of the military department concerned. The expiration of such a reservist’s period of eligibility will be on the date the reservist ceases, under adverse conditions, to be a member of the Selected Reserve.

(4) A reservist’s period of eligibility will expire if he or she is a member of a reserve component of the Armed Forces and (after having involuntarily ceased to be a member of the Selected Reserve) is involuntarily separated from the Armed Forces under adverse conditions, as characterized by the Secretary of the military department concerned. The expiration of such a reservist’s period of eligibility will be on the date the reservist is involuntarily separated under adverse conditions from the Armed Forces.

(Authority: 10 U.S.C. 16133)

§ 21.7551 Extended period of eligibility.

(a) Period of eligibility may be extended. VA shall grant an extension of a delimiting period determined by § 21.7550(a) of this part provided:
   (1) The individual applies for an extension within the time period specified in § 21.1033(c) of subpart B.
   (2) The individual was prevented from initiating or completing the chosen program of education within the otherwise applicable eligibility period, because of a physical or mental disability, which is not the result of the reservist’s own willful misconduct, and
which was incurred in or aggravated by service in the Selected Reserve. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct. (See §21.7520(b)(29)). Evidence must establish that such a program of education was medically infeasible. VA will not grant a reservist an extension for a period of disability which was 30 days or less unless the evidence establishes that the reservist was prevented from enrolling or reenrolling in the chosen program, or was forced to discontinue attendance, because of the short disability.

(b) Commencing date. The reservist shall elect the commencing date of an extended period of eligibility. The date chosen—

(1) Must be on or after the original date of expiration of eligibility as determined by §21.7550(a) of this part, and

(2) Must either be—

(i) On or before the 90th day following the date on which the reservist’s application for an extension was approved by VA if the reservist is training during the extended period of eligibility in a course not organized on a term, quarter or semester basis, or

(ii) On or before the first day of a term, quarter or semester within an ordinary school year following the 90th day after the reservist’s application for an extension was approved in VA, if the reservist is training during the extended period of eligibility in a course organized on a term, quarter or semester basis.

(c) Length of extended period of eligibility. A reservist’s extended period of eligibility shall be for the length of time that the reservist was prevented from initiating or completing his or her chosen program of education, except that it must end when the reservist is separated from the Selected Reserve. VA shall determine the length of time the reservist was prevented from initiating or completing his or her chosen program of education as follows:

(1) If the reservist is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the reservist’s original eligibility period that his or her training became medically infeasible to the earliest of the following dates:

(i) The commencing date of the ordinary term, quarter or semester following the day the reservist’s training became medically infeasible,

(ii) The last date of the reservist’s delimiting date as determined by §21.7550(a) of this part, or

(iii) The date the reservist resumed training.

(2) If the reservist is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the reservist’s original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(i) The date the reservist’s training became medically feasible, or

(ii) The reservist’s delimiting date as determined by §21.7550(a)(1) of this part.

Entitlement

§21.7570 Entitlement.

Except as provided in §21.7576(e) each reservist is entitled to a maximum of 36 months of educational assistance (or its equivalent in part-time educational assistance) under this program, but is also subject to the provisions of §21.4020 (a) and (b).

[58 FR 51783, Oct. 5, 1993]

§21.7576 Entitlement charges.

(a) Overview. VA will make charges against entitlement as stated in this section. Charges are based upon the
518

§ 21.7576 38 CFR Ch. 1 (7–1–14 Edition)

principle that a reservist who trains full time for one day should be charged one day of entitlement, except for those pursuing:

(1) Flight training;
(2) Correspondence training;
(3) Cooperative training; or
(4) Apprenticeship or other on-job training.

(b) Determining entitlement charge. This paragraph states how VA will generally determine the charge against the entitlement of a reservist who is receiving educational assistance. However, when the circumstances described in paragraph (e) of this section apply to a reservist, VA will use that paragraph to determine an entitlement charge instead of this paragraph.

(1) Except for those pursuing flight training, correspondence training, cooperative training, apprenticeship or other on-job training, VA will make a charge against entitlement—

(i) On the basis of total elapsed time (one day for each day of pursuit for which the reservist is paid educational assistance) if the reservist is pursuing the program of education on a full-time basis; or

(ii) On the basis of a proportionate rate of elapsed time, if the reservist is pursuing the program of education on a three-quarter, one-half, or one-quarter-time basis.

(2) VA will compute elapsed time from the commencing date of the award of educational assistance to the date of discontinuance. If the reservist changes his or her training time after the commencing date of the award, VA will—

(i) Divide the enrollment period into separate periods of time during which the reservist’s training time remains constant; and

(ii) Compute the elapsed time separately for each time period.

(3) For each month that a reservist is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, VA will make a charge against entitlement of—

(i) .75 of a month in the case of payments made during the first six months of the reservist’s pursuit of the program of apprenticeship or other on-job training;

(ii) .55 of a month in the case of payments made during the second six months of the reservist’s pursuit of the program of apprenticeship or other on-job training; and

(iii) .35 of a month in the case of payments made following the first twelve months of the reservist’s pursuit of the program of apprenticeship or other on-job training.

(4) When a reservist is pursuing a program of education by correspondence, VA will make a charge against entitlement for each payment made to him or her. The charge will be made in months and decimal fractions of a month, as determined by dividing the amount of the payment by an amount equal to the rate stated in § 21.7636(a)(1) as the rate otherwise applicable to the reservist for full-time training.

(5) When a reservist is pursuing a program of education partly in residence and partly by correspondence, VA will make a charge against entitlement—

(i) For the residence portion of the program as provided in paragraphs (b)(1) and (b)(2) of this section; and

(ii) For the correspondence portion of the program as provided in paragraph (b)(4) of this section.

(6) When a reservist is pursuing a program of education through cooperative training, VA will make a charge against entitlement of .8 of a month for each month in which the reservist is receiving payment at the rate for cooperative training. If the reservist is pursuing cooperative training for a portion of a month, VA will make a charge against entitlement on the basis of total elapsed time (.8 of a day for each day of pursuit).

(7) When a reservist is pursuing a program of education through flight training, VA will make a charge against entitlement at the rate of one month for each amount equal to the monthly rate stated in § 21.7636(a)(1) as...
applicable for the month in which the training occurred.

(Authority: 10 U.S.C. 16136(c))

(c) Overpayment cases. VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy; is waived and is not recovered; or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and is not recovered, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative costs of collection, court costs and marshal fees,

(ii) Subtracting the remaining amount of the overpayment balance determined in paragraph (c)(3)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees),

(iii) Dividing the result obtained in paragraph (c)(3)(i) of this section by the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees), and

(iv) Multiplying the percentage obtained in paragraph (c)(3)(iii) of this section by the amount of the entitlement otherwise chargeable for the period of the original overpayment.

(Authority: 10 U.S.C. 16133(c); Pub. L. 98–525)

(d) Interruption to conserve entitlement. A reservist may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An institution of higher learning may not certify a period of enrollment for a fractional part of the normal term, quarter or semester if the reservist is enrolled for the entire term, quarter or semester. VA will make a charge for the entire period of certified enrollment, if the reservist is otherwise eligible for educational assistance, except when educational assistance is interrupted under any of the following conditions:

(1) Enrollment is terminated;

(2) The reservist cancels his or her enrollment, and does not negotiate an educational assistance check for any part of the certified period of enrollment;

(3) The reservist interrupts his or her enrollment at the end of any term, quarter or semester within the certified period of enrollment, and does not negotiate a check for educational assistance for the succeeding term, quarter or semester; and

(4) The reservist requests interruption or cancellation for any break when an institution of higher learning was closed during a certified period of enrollment, and VA continued payments under an established policy based upon an Executive Order of the President or an emergency situation. In such a case entitlement will be restored unless the reservist negotiated a check for educational assistance for the certified period and does not repay the amount received.

(Authority: 10 U.S.C. 16133(c); Pub. L. 98–525)

(e) No entitlement charge for some reservists. When the criteria described in this paragraph are met, there is an exception to the charges against entitlement described in paragraph (b) of this section.

(1) VA will make no charge against a reservist’s entitlement when the reservist—

(i) While not serving on active duty, had to discontinue pursuit of a course
§ 21.7600 Counseling.

A reservist may receive counseling from VA before beginning training and during training.

(a) Purpose. The purpose of counseling is—

(1) To assist in selecting an objective;
(2) To develop a suitable program of education;
(3) To select an institution of higher learning appropriate for the educational or training objective;
(4) To resolve any personal problems which are likely to interfere with the successful pursuit of a program; and
(5) To select an employment objective for the reservist that would be likely to provide the reservist with satisfactory employment opportunities in light of his or personal circumstances.

(b) Required counseling. (1) In any case in which the Department of Veterans Affairs has rated the reservist as being incompetent, the reservist must be counseled before selecting a program of education. The requirement that counseling be provided is met when—

(i) The reservist has had one or more personal interviews with the counselor;
(ii) The counselor and the reservist have jointly developed recommendations for selecting a program of education; and
(iii) The counselor has reviewed the recommendations with the reservist.

(2) The veteran may follow the recommendations developed in the course of counseling, but is not required to do so.

(3) The Department of Veterans Affairs will take no further action on a reservist’s application for assistance under this chapter when he or she—

(i) Fails to report for counseling;
(ii) Fails to cooperate in the counseling process; or
(iii) Does not complete counseling to the extent required under paragraph (b)(1) of this section.

(c) Availability of counseling. Counseling is available for

(1) Identifying and removing reasons for academic difficulties which may result in interruption of discontinuance of training, or
(2) Considering changes in career plans and making sound decisions about the changes.

(d) Provision of counseling. The Department of Veterans Affairs shall provide counseling as needed for the purposes identified in paragraphs (a) and (c) of this section upon request of the reservist. In addition, the Department of Veterans Affairs shall provide counseling as needed for the purposes identified in paragraph (b) of this section following the reservist’s request for counseling, the reservist’s initial application for benefits or any communication from the reservist or guardian indicating that the reservist wishes to change his or her program. The Department of Veterans Affairs shall take appropriate steps (including individual notification where feasible) to acquaint...
§ 21.7614 Changes of program.

In determining whether a change of program of education may be approved for the payments of educational assistance, VA will apply §21.4234 of this part.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3680A)
§ 21.7620 Courses included in programs of education.

(a) General. Generally, VA will approve, and will authorize payment of educational assistance for the reservist's enrollment in any course or subject which a State approving agency has approved as provided in §21.7720 of this part, and which forms a part of a program of education as defined in §21.7520(b)(17). Restrictions on this general rule are stated in the other paragraphs in this section and in §21.7720(b) of this part, however.

(Authority: 10 U.S.C. 16131; Pub. L. 98–525)

(b) Flight training. (1) VA may pay educational assistance for an enrollment in a flight training course when—
   (i) An institution of higher learning offers the course for credit toward the standard college degree the reservist is pursuing; or
   (ii) When:
      (A) The reservist is eligible to pursue flight training as provided in §21.7540(b)(1) and (b)(3);
      (B) The State approving agency has approved the course;
      (C) A flight school is offering the course;
      (D) The reservist's training meets the requirements of §21.4263(b)(1);
      (E) The reservist meets the requirements of §21.4263(a); and
      (F) The training for which payment is made occurs after September 29, 1990.
   (2) VA will not pay educational assistance for an enrollment in a flight training course when the reservist is pursuing an ancillary flight objective.

(Authority: 10 U.S.C. 16131, 16136(c)(1); 38 U.S.C. 3680A(a)(4))

(c) Independent study. (1) VA will pay educational assistance to a reservist who is limited in the types of courses he or she may pursue, as provided in §21.7540(b)(2) and (b)(3), for an enrollment in any course or unit subject offered by independent study only when the reservist is enrolled concurrently in one or more courses or unit subjects offered by resident training.

   (2) Only a reservist who meets the requirements of §21.7540(b)(1) may be paid educational assistance for an enrollment in an independent study course or unit subject without a simultaneous enrollment in a course or unit subject offered by resident training. The independent study course or unit subject must be accredited and lead to a standard college degree. Beginning with enrollments on or after December 27, 2001, a reservist may receive educational assistance for an independent study course that leads to a certificate. The certificate must reflect educational attainment and must be offered by an institution of higher learning.

(Authority: 38 U.S.C. 3680A(a)(4))

(3) Except as provided in paragraph (c)(4) of this section and subject to the restrictions found in paragraph (c)(1) of this section, effective October 29, 1992, VA may pay educational assistance to a reservist who is enrolled in a nonaccredited course or unit subject offered entirely or partly by independent study only if—
   (i) Successful completion of the nonaccredited course or unit subject is required in order for the reservist to complete his or her program of education and the reservist:
      (A) Was receiving educational assistance on October 29, 1992, for pursuit of the program of education of which the nonaccredited independent study course or unit subject forms a part; and
      (B) Has remained continuously enrolled in the program of education of which the nonaccredited independent study course or unit subject forms a part from October 29, 1992, to the date the reservist enrolls in the nonaccredited independent study course or unit subject; or

(a) Unapproved courses. VA will not pay educational assistance for an enrollment in any course which has not been approved by a State approving agency or by VA when that agency acts as a State approving agency. VA will not pay educational assistance for a new enrollment in a course when a State approving agency has suspended the approval of the course for new enrollments, nor for any period within any enrollment after the date that the State approving agency disapproves a course. See §21.7720 of this part.

(b) Courses not part of a program of education. VA will not pay educational assistance for an enrollment in any course which is not part of a program of education.

(Authority: 10 U.S.C. 16131; Pub. L. 98–525)

(c) Erroneous, deceptive, misleading practices. VA will not pay educational assistance for an enrollment in any courses offered at an educational institution that uses advertising, sales, or enrollment practices that are erroneous, deceptive, or misleading by actual statement, omission, or intimation. VA will apply the provisions of §21.4252(h) in making these decisions with regard to enrollments under 10 U.S.C. chapter 1606.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3696)

(i) Which is avocational or recreational in character, or

(ii) The advertising for which contains significant avocational or recreational themes.

(2) VA presumes that the following courses are avocational or recreational in character unless the reservist justifies their pursuit to VA as provided in paragraph (3) of this section. The courses are:

(ii) Any music course, instrumental or vocal, public speaking course, or course in dancing, sports or athletics, such as horseback riding, swimming, fishing, sking, golf, baseball, tennis, bowling, sports officiating, or other sport or athletic courses, except courses of applied music, physical education, or public speaking which are offered by institutions of higher learning for credit as an integral part of a program leading to an educational objective; or

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3473(d); Pub. L. 98–525)

(ii) Completion of the hospital or fieldwork phase of the course is a prerequisite to the successful completion of the course;
(iii) The student remains enrolled in the institution of higher learning during the hospital or fieldwork phase of the course; and
(iv) The training is under the direction and supervision of the institution of higher learning.

(3) A reservist who is limited in the types of courses he or she may pursue, as provided in §21.7540(b)(2) and (b)(3), may not receive educational assistance for an enrollment in a course pursued after the reservist has completed the course of instruction required for the award of a baccalaureate degree or the equivalent evidence of completion of study, unless the reservist is pursuing a course or courses leading to a graduate degree or graduate certificate. Such a reservist may receive educational assistance while pursuing a course or courses leading to a graduate degree or graduate certificate. If such a reservist may receive educational assistance, the reservist must remain enrolled as specified in §21.7540(b) and (b)(3).

(4) No reservist may receive payment of educational assistance from VA for:
(i) An audited course (see §21.4252(i));

§ 21.7624 Overcharges and restrictions on enrollments.

VA may disapprove an educational institution for further enrollments when the educational institution charges or receives from a reservist tuition and fees that exceed the established charges which the educational institution requires from similarly circumstanced nonreservists enrolled in the same course.

(b) Restriction on enrollments. The provisions of §21.4210(b) apply to any determination by VA as to whether to impose restrictions on approval of enrollments and whether to discontinue payments to reservists already enrolled at an educational institution.

§ 21.7630 Educational assistance.
VA will pay educational assistance pursuant to 10 U.S.C. chapter 1606 to an eligible reservist while he or she is pursuing approved courses in a program of
§ 21.7631 Commencing dates.

VA will determine the commencing date of an award or increased award of educational assistance under this section. When more than one paragraph in this section applies, VA will award educational assistance using the latest of the applicable commencing dates.

(a) Entrance or reentrance including change of program or educational institution. When an eligible reservist enters or reenters into training (including a reentrance following a change of program or educational institution), the commencing date of his or her award of educational assistance will be determined as follows:

(1) If the award is the first award of educational assistance for the program of education the reservist is pursuing, the commencing date of the award of educational assistance is the latest of:

(i) The date the educational institution certifies under paragraph (b) or (c) of this section;

(ii) One year before the date of claim as determined by § 21.1029(b);

(iii) The effective date of the approval of the course, or one year before the date VA receives the approval notice whichever is later; or

(2) If the award is the second or subsequent award of educational assistance for the program of education the reservist is pursuing, the effective date of the award of educational assistance is the later of—

(i) The date the educational institution certifies under paragraph (b) or (c) of this section; or

(ii) The effective date of the approval of the course, or one year before the date VA receives the approval notice, whichever is later.

(b) Certification by educational institution—course or subject leads to a standard college degree. When a reservist enrolls in a course offered by independent study, the commencing date of the award or increased award of educational assistance will be the date the student began pursuit of the course according to the regularly established practices of the educational institution.

(2) When a student enrolls in a resident course or subject, the commencing date of the award will be the date of reporting provided that—

(i) The published standards of the school require the student to register before reporting;

(ii) The published standards of the school require the student to report no more than 14 days before the first scheduled date of classes for the term, quarter or semester for which the student has registered, and

(iii) The first scheduled class for the course or subject in which the student is enrolled begins during the calendar week when, according to the school’s academic calendar, classes are generally scheduled to commence for the term.

(3) When a student enrolls in a resident course or subject whose first scheduled class begins after the calendar week when, according to the school’s academic calendar, classes are scheduled to commence for the term, quarter, or semester, the commencing date of the award or increased award of educational assistance allowance will be the actual date of the first class scheduled for the particular course or subject.

(4) When a student enrolls in a resident course or subject and neither the provisions of paragraph (b)(2) nor (b)(3) of this section apply to the enrollment, the commencing date of the award or increased award of educational assistance will be the first scheduled date of classes for the term, quarter, or semester in which the student is enrolled.

(c) Certification by educational institution—course does not lead to a standard college degree. When a reservist enrolls in a course which does not lead to a standard college degree, the commencing date of the award will be as stated in paragraph (b) of this section.
(2) When a reservist enrolls in a course which is offered by correspondence, the commencing date of the award of educational assistance shall be the later of—

(d) Liberalizing laws and VA issues. When a liberalizing law or VA issue affects the commencing date of a reservist’s award of educational assistance, that commencing date shall be in accordance with facts found, but not earlier than the effective date of the act or administrative issue.

(Authority: 38 U.S.C. 5112(b), 5113; Pub. L. 98–525)

   (1) The commencing date of the reservist’s award as determined by paragraphs (a) through (g) of this section; or

(i) A nonpunitive grade is assigned for the part of the course from which he or she withdraws, and

(A) The reservist withdraws because he or she is ordered to active duty, or

(B) The withdrawal occurs with mitigating circumstances; or

(ii) A punitive grade is assigned for the part of the course from which the reservist withdraws.

(2) In the case of an advance payment, if VA does not receive verification of enrollment and certification of delivery of the check within 60 days of the first day of the term, quarter, semester, or course for which the advance payment was made, VA will determine the actual facts and make an adjustment, if required. If the reservist failed to enroll, termination will be effective the beginning date of the enrollment period.

(2) When an administrative error or error in judgment by VA, the Department of Defense, or the Department of Transportation is the sole cause of an erroneous award, the award will be reduced or terminated effective the date of last payment.

The payment of educational assistance at the monthly rates established in §21.7636 shall be subject to reduction, whenever the circumstances described in this section arise.

(a) Withdrawals and nonpunitive grades. (1) Withdrawal from a course or receipt of a nonpunitive grade affects payments to a reservist. VA will not pay benefits to a reservist for pursuit of a course from which the reservist withdraws or receives a nonpunitive grade which is not used in computing requirements for graduation unless the provisions of this paragraph are met.

(i) The reservist withdraws because he or she is ordered to active duty; or

(ii) Both of the following exist.

(A) There are mitigating circumstances, and

(B) The reservist submits a description of the circumstances in writing to VA either within one year from the date VA notifies the reservist that he or she must submit the mitigating circumstances, or at a later date if the reservist is able to show good cause why
the one-year time limit should be extended to the date on which he or she submitted the description of the mitigating circumstances.

(2) If VA considers that mitigating circumstances exist because the reservist withdrew during a drop-add period or because the withdrawal constitutes the first withdrawal of no more than six credits after May 31, 1989, the reservist is not subject to the reporting requirement found in paragraph (b)(1)(ii)(B) of this section.

(Authority: 10 U.S.C. 16130(b), 38 U.S.C. 3680(a)) (June 1, 1989)

(1) Is incarcerated in Federal, State or local penal institution for conviction of a felony, and

(2) Is enrolled in a course—

(i) For which there are no tuition and fees, or

(ii) For which tuition and fees are being paid by a Federal program (other than one administered by VA) or by a State or local program, and

(3) Is incurring no charge for the books, supplies and equipment necessary for the course.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3482(g))

(c) Reduced educational assistance for some incarcerated reservists. (1) VA will pay reduced educational assistance to a reservist who—

(i) Is incarcerated in a Federal, State or local penal institution for conviction of a felony, and

(ii) Is enrolled in a course—

(A) For which the reservist pays some (but not all) of the charges for tuition and fees, or

(B) For which a Federal program (other than one administered by VA) or a State or local program pays all the charges for tuition and fees, but for which the reservist must pay for books, supplies and equipment.

(2) The monthly rate of educational assistance payable to such a reservist is the lesser of the following:

(ii) The monthly rate as stated in §21.7636(a) and any increase payable under §21.7636(b).

(3) In determining the monthly rate stated in paragraph (c)(2)(i) of this paragraph, VA will—

(1) Add the portion of tuition and fees that are not paid by a Federal program (other than one administered by VA) for the reservist’s enrollment period to the total cost to the reservist for the cost of necessary supplies, books and equipment, and

(2) Divide the figure obtained in paragraph (c)(3)(i) of this paragraph by the number of months and fractions of a month in the reservist’s enrollment period.

(Authority: 10 U.S.C. 16131(i)(1), 16136(b); 38 U.S.C. 3482(g))

(d)(1) A reservist pursuing only independent study and whose enrollment begins after June 30, 1993, shall be paid educational assistance on the basis of his or her training time.

(2) No payments may be made to a reservist who is limited in the types of courses he or she may pursue, as provided in §21.7540(b)(2) and (b)(3), and who is pursuing independent study unless he or she is concurrently pursuing one or more courses offered through resident training at an institution of higher learning.

(e) Payment for correspondence courses. A reservist who is pursuing a correspondence course or the correspondence portion of a correspondence-residence course shall be paid 55 percent of
§ 21.7640 Release of payments.

(a) Payments are dependent upon certifications, reports, and verifications of pursuit. When certifications, reports, or verifications of pursuit are mentioned in this paragraph, the certifications, reports, and verifications of pursuit are to be made in the form prescribed by the Secretary of Veterans Affairs.

(1) VA will pay educational assistance to a reservist who is pursuing a standard college degree only after the educational institution has certified his or her enrollment.

(2) VA will pay educational assistance to a reservist who is pursuing a course not leading to a standard college degree (other than a correspondence course, a course of flight training, or an apprenticeship or other on-job training) only after:

(i) The educational institution has certified his or her enrollment in the form prescribed by the Secretary of Veterans Affairs; and

(ii) VA has received a report by the reservist, which report is endorsed by the educational institution, of—

(f) Failure to work sufficient hours of apprenticeship and other on-job training.

(1) For any calendar month in which a reservist pursuing an apprenticeship or other on-job training program fails to complete 120 hours of training, VA will reduce proportionally—

(i) The rates specified in § 21.7636(a)(2); and

(ii) Any increase set by the Secretary of the military department concerned as described in § 21.7636(b).

(2) In making the computations required by paragraph (f)(1) of this section, VA will round the number of hours worked to the nearest multiple of eight.

(3) For the purpose of this paragraph, hours worked include only—

(i) The training hours the reservist worked; and

(ii) All hours of the reservist’s related training which occurred during the standard workweek and for which the reservist received wages. (See § 21.7636(a)(2)(ii) as to the requirements for full-time training.)

(U.S.C. 2131(d)(2), 16131(i)(1); sec. 642 (b), (d), Pub. L. 101–189, 103 Stat. 1456–1458)

(g) Flight training course.

A reservist who is pursuing a flight training course shall be paid 60 percent of the established charge for tuition and fees (other than tuition and fees charged for or attributable to solo flying hours) which the flight school requires similarly circumstanced nonreservists enrolled in the same course to pay.

(U.S.C. 2131(g))

(i) Course not offered by an institution of higher learning or not leading to an identifiable educational, professional, or vocational objective. A reservist who is limited in the types of courses he or she may pursue, as described in § 21.7540(b)(2) and (b)(3), may not receive educational assistance for instruction in a program of education unless it is offered at an institution of higher learning. The instruction must lead to an identifiable educational, professional, or vocational objective, but does not have to lead to a standard college degree.

(U.S.C. 2131(b), 2136(b); sec. 705(a)(1), Pub. L. 98–525, 98 Stat. 2565, 2567; secs. 642 (b)(1), (c), (d), 645(a), (b), Pub. L. 101–189, 103 Stat. 1456–1458)

(B) A verification of pursuit from the reservist of training that occurred on or after December 18, 1989.

(3) VA will pay educational assistance to a reservist pursuing a program of apprenticeship or other on-job training only after:
   (i) The training establishment has certified his or her enrollment in the training program in the form prescribed by the Secretary of Veterans Affairs; and
   (ii) VA has received certification by the reservist and the training establishment of the reservist’s hours worked.

(4) VA will pay educational assistance to a reservist who is pursuing a correspondence course only after:
   (i) The educational institution has certified his or her enrollment in the form prescribed by the Secretary of Veterans Affairs; and
   (ii) VA has received a certification by the reservist, which certification is endorsed by the educational institution, as to the number of lessons completed and serviced by the educational institution.

   (i) The educational institution certifies the reservist’s enrollment in the form prescribed by the Secretary of Veterans Affairs; and
   (ii) VA has received a report by the reservist of the flight training the reservist has completed, which report is endorsed by the educational institution.

(b) Payment for intervals and temporary school closings. In administering 10 U.S.C. chapter 1606, VA will apply the provisions of §21.4138(f) when determining whether a reservist is entitled to payment for an interval or temporary school closing.

(2) The assignment of educational assistance is prohibited. In administering this provision, VA will apply the provisions of §21.4146 (a), (b), (c) and (e) of this part to 10 U.S.C. chapter 1606 in a manner not inconsistent with the way in which they are applied in the administration of 38 U.S.C. chapters 34 and 36.

(b) Payment for intervals and temporary school closings. In administering 10 U.S.C. chapter 1606, VA will apply the provisions of §21.4138(a) in making advance payments to reservists.

(c) Payee. (1) VA will make payment to the reservist or to a duly appointed fiduciary. VA will make direct payment to the reservist even if he or she is a minor.

(d) Advance payments. VA will apply the provisions of §21.4138(a) in making advance payments to reservists.

(e) Frequency of payment. Except as provided in §21.4138(a), VA shall pay educational assistance in the month following the month for which training occurs. VA may withhold payment to a reservist who is enrolled in a course not leading to a standard college degree for any month until the reservist’s attendance has been reported for that month. VA may withhold final payment in all cases until it both receives certification that the reservist pursued his or her course, and makes any necessary adjustments.

(f) Apportionments prohibited. VA will not apportion educational assistance.

§21.7642 Nonduplication of educational assistance.

(a) Payments of educational assistance shall not be duplicated. A reservist is barred from receiving educational assistance concurrently under 10 U.S.C. chapter 1606 and any of the following provisions of law—
   (1) 38 U.S.C. 30 (Montgomery GI Bill—Active Duty);

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3033(a), 3241(a), 3322(a), 3681)

(b) When paragraph (a) of this section applies, the reservist must choose which benefit he or she wishes to receive. The reservist may choose to receive benefits under another program (other than 38 U.S.C. chapter 33) at any time, but not more than once in a calendar month. The reservist may choose to receive benefits under 38 U.S.C. chapter 33 at any time, but not more than once during a certified term, quarter, or semester.

(c) Senior Reserve Officers’ Training Corps scholarship program. Educational assistance may not be provided to a reservist receiving financial assistance under 10 U.S.C. 2107 as a member of the Senior Reserve Officers’ Training Corps scholarship program.

(Authority: 10 U.S.C. 16134; Pub. L. 98–525)

§ 21.7644 Overpayments.

(a) Prevention of overpayments. In administering benefits payable under 10 U.S.C. chapter 1606, VA will apply the provisions of §§21.4008 and 21.4009 of this part in the same manner as they are applied in the administration of 38 U.S.C. chapters 34 and 36. See §21.7633.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3690(b); Pub. L. 98–525)

(b) Penalties are not overpayments. The Secretary concerned may require a refund from an individual who fails to participate satisfactorily in required training as a member of the Selected Reserve. This refund is subject to waiver by the Secretary. However, this refund—

1. Is not an overpayment for VA purposes, and
2. Is not subject to waiver by VA under §1.957 of this chapter.

(Authority: 10 U.S.C. 16135; Pub. L. 98–525)

(c) Liability for overpayments. (1) The amount of the overpayment of educational assistance paid to a reservist constitutes a liability of that reservist unless—

i. The overpayment is waived as provided in §1.957 of this chapter, or
ii. The overpayment results from an administrative error or an error in judgment. See §21.7635(o) of this part.
§ 21.7650

The reservist is entitled to educational assistance only for actual pursuit of a program of educational verification is accomplished by various certifications.

(Authority: 10 U.S.C. 16131(a); Pub. L. 98–525)

§ 21.7652 Certification of enrollment and verification of pursuit.

As stated in §21.7640 of this part, the educational institution must certify the reservist’s enrollment before he or she may receive educational assistance. Nothing in this section or in any section in part 21 shall be construed as requiring any institution of higher learning to maintain daily attendance records for any course leading to a standard college degree.

(a) Content of certification of entrance or reentrance. The certification of entrance or reentrance must clearly specify:

(1) The course;
(2) The starting and ending dates of the enrollment period;
(3) The credit hours or clock hours being pursued by the reservist;
(4) The amount of tuition, fees and the cost of books, supplies and equipment charged to a reservist who is incarcerated in a Federal, State or local prison or jail for conviction of a felony; and
(5) Such other information as the Secretary may find is necessary to determine the reservist’s monthly rate of educational assistance.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3482(g), 3680; Pub. L. 98–525)

(b) Length of the enrollment period covered by the enrollment certification. (1) Educational institutions organized on a term, quarter or semester basis generally shall report enrollment for the term, quarter, semester, ordinary school year or ordinary school year plus summer term. If the certification covers two or more terms, the educational institution will report the dates for the break between terms if a term ends and the following term does not begin in the same or the next calendar month, or if the reservist elects not to be paid for the intervals between terms. The educational institution must submit a separate enrollment certification for each term, quarter or semester when the certification is for a reservist who is incarcerated in a Federal, State or local prison or jail for conviction of a felony.

(2) Educational institutions organized on a year-round basis will report enrollment for the length of the course. The certification will include a report of the dates during which the educational institution closes for any interval designated in its approval data as breaks between school years.
§ 21.7653 Progress, conduct, and attendance.

(a) Satisfactory pursuit of program. In order to receive educational assistance for pursuit of a program of education, a reservist must maintain satisfactory progress. Progress is unsatisfactory if the reservist does not satisfactorily progress according to the regulatory prescribed standards of the educational institution he or she is attending.

(b) Satisfactory conduct. In order to receive educational assistance for pursuit of a program of education, a reservist must maintain satisfactory conduct according to the regularly prescribed standards and practices of the educational institution in which he or she is enrolled. If the reservist will no longer be retained as a student or will not be readmitted as a student by the educational institution in which he or she is enrolled, the VA will discontinue educational assistance, unless further development establishes that the educational institution’s action is retaliatory.

(c) Satisfactory attendance. In order to receive educational assistance for pursuit of a program of education, a reservist must maintain satisfactory course attendance. Attendance is unsatisfactory if the reservist does not attend according to the regularly prescribed standards of the educational institution in which he or she is enrolled.

(d) Reports. At times the unsatisfactory progress, conduct, or course attendance of a reservist is caused by or results in his or her interruption or termination of training. If this occurs, the interruption or termination shall be reported in accordance with §21.7656(a). If the reservist continues in

(3) When a reservist enrolls in independent study leading to a standard college degree concurrently with resident training, the educational institution’s certification will include—

(i) The enrollment date, and

(ii) The ending date for the period being certified. If the educational institution has not prescribed maximum time for completion of the independent study portion of the enrollment, the certification must include an ending date for the independent study based on the educational institution’s estimate for completion.

(c) Verification of pursuit. (1) A reservist who is pursuing a course leading to a standard college degree must have his or her continued enrollment in and pursuit of the course verified for the entire enrollment period. Verification of continued enrollment will be made at least once a year and in the last month of enrollment if the enrollment period ends more than 3 months after the last verification. In the case of a reservist who completed, interrupted or terminated his or her course, any communication from the reservist or other authorized person notifying the VA of the reservist’s completion of a course as scheduled or an earlier termination date, will be accepted to terminate payments accordingly.

(2) The verification of pursuit will also include a report on the following items when applicable:

(i) Continued enrollment in and pursuit of the course,

(ii) Conduct and progress (See §21.7653(c))

(iii) Date of interruption or termination of training (See §21.7656(a))

(iv) Changes in number of credit hours or clock hours of attendance (See §21.7656(a)) and

(v) Any other changes or modifications in the course as certified at enrollment.

§21.7654 Pursuit and absences.

Except as provided in this section, a reservist must submit a verification to VA each month of his or her enrollment during the period for which the reservist is to be paid. This verification shall be in a form prescribed by the Secretary.

(a) Exceptions to the monthly verification requirement. A reservist does not have to submit a monthly verification as described in the introductory text of this section when the reservist—

(1) Is enrolled in a correspondence course; or

(2) Has received an advance payment for the training completed during a month.

(b) Items to be reported on all monthly verifications. (1) The monthly verification for all reservists will include a report on the following items when applicable:

(i) Continued enrollment in and actual pursuit of the course;

(ii) The date of interruption or termination of training;
(iii) Except as provided in §21.7656(a), changes in the number of credit hours or in the number of clock hours of attendance;
(iv) Nonpunitive grades; and
(v) Any other changes or modifications in the course as certified at enrollment.
(2) The verification of enrollment must:
(i) Contain the information required for release of payment;
(ii) If required or permitted by the Secretary to be submitted on paper, be signed by the reservist on or after the final date of the reporting period, or if permitted by the Secretary to be submitted by telephone or electronically in a manner designated by the Secretary, be submitted in the form and manner prescribed by the Secretary on or after the final date of the reporting period; and
(iii) If submitted on paper, clearly show the date on which it was signed.
(c) Additional requirements for apprenticeships and other on-job training programs. (1) When a reservist is pursuing an apprenticeship or other on-job training, he or she must monthly certify training by reporting the number of hours worked.
(2) The information provided by the reservist must be verified by the training establishment.

§21.7656 Other required reports.
(a) Reports from reservists. (1) A reservist enrolled full time in a program of education for a standard term, quarter, or semester must report without delay to VA:
(i) A change in his or her credit hours or clock hours of attendance if that change would result in less than full-time enrollment;
(ii) Any change in his or her pursuit that would result in less than full-time enrollment; and
(iii) Any interruption or termination of his or her attendance.
(2) A reservist not described in paragraph (a)(1) of this section must report without delay to VA:
(i) Any change in his or her credit hours or clock hours of attendance;
(ii) Any change in his or her pursuit; and
(iii) Any interruption or termination of his or her attendance.

(b) Interruptions, terminations or changes in hours of credit or attendance. When a reservist interrupts or terminates his or her training for any reason, including unsatisfactory conduct or progress, or when he or she changes the number of hours of credit or attendance, the educational institution must report this fact to VA.
(1) Except as provided in paragraph (b)(2) of this section, an educational institution must report without delay to VA each time a reservist:
(i) Interrupts or terminates his or her training for any reason; or
(ii) Changes his or her credit hours or clock hours of attendance.
(2) An educational institution does not need to report a change in a reservist’s hours of credit or attendance when:
(i) The reservist is enrolled full time in a program of education for a standard term, quarter, or semester before the change; and
(ii) The reservist continues to be enrolled full time after the change.
(3) If the change in status or change in number of credit hours or clock hours of attendance occurs on a day other than one indicated by paragraph (b)(4) or (b)(5) of this section, the educational institution will initiate a report of the change in time for VA to receive it within 30 days of the date on which the change occurs.
(4) If the educational institution has certified the reservist’s enrollment for more than one term, quarter or semester and the reservist interrupts his or
her training at the end of a term, quarter or semester within the certified enrollment period, the educational institution shall report the change in status to VA in time for VA to receive the report within 30 days of the last officially scheduled registration date for the next term, quarter or semester.

(5) If the change in status or change in the number of hours of credit or attendance occurs during the 30 days of a drop-add period, the educational institution must report the change in status or change in the number of hours of credit or attendance to VA in time for VA to receive the report within 30 days from the last date of the drop-add period or 60 days from the first day of the enrollment period, whichever occurs first.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3684)

(c) Nonpunitive grades. An educational institution may assign a nonpunitive grade for a course or subject in which the reservist is enrolled even though the reservist does not withdraw from the course or subject. When this occurs, the educational institution must report the assignment of the nonpunitive grade in time for VA to receive it before the earlier of the following dates is reached:

(1) 30 days from the date on which the educational institution assigns the grade, or

(2) 60 days from the last day of the enrollment period for which the nonpunitive grade is assigned.

§ 21.7658 False, late, or missing reports.

(a) Reservist. Payments may not be based on false or misleading statements, claims or reports. VA will apply the provisions of §§21.4006 and 21.4007 of this part to a reservist or any other person who submits false or misleading claims, statements or reports in connection with benefits payable under 10 U.S.C. chapter 1606 in the same manner as they are applied to people who make similar false or misleading claims for benefits payable under 38 U.S.C. chapter 34 or 36.

(b) Educational institution or training establishment. (1) VA may hold an educational institution liable for overpayments which result from a willful or negligent:

(i) Failure of the educational institution to report, excessive absences from a course or discontinuance or interruption of a course by a reservist; or

(ii) False certification by the educational institution. See §21.7644(c).

(2) If an educational institution or training establishment willfully and knowingly submits a false report or certification, VA may disapprove that institution’s or establishment’s courses for further enrollments and may discontinue educational assistance to reservists already enrolled. In doing so, VA will apply §§21.4210 through 21.4216.

COURSE ASSESSMENT

§ 21.7670 Measurement of courses leading to a standard, undergraduate college degree.

Except as provided in §21.7672, VA will measure a reservist’s courses as stated in this section.

(a) Fourteen semester hours are full time. Unless 12 or 13 semester hours are full time as provided in paragraphs (b) and (c) of this section, or unless paragraphs (d) or (e) of this section apply to
measurement of the reservist’s enrollment VA will measure a reservist’s enrollment as follows:
(1) 14 or more semester hours or the equivalent are full-time training,
(2) 10 through 13 semester hours or the equivalent are three-quarter-time training;
(3) 7 through 9 semester hours or the equivalent are half-time training; and
(4) 1 through 6 semester hours or the equivalent are less than half-time training.

(b) Thirteen semester hours are full time. (1) VA will consider that 13 semester hours or the equivalent are full-time training when the educational institution certifies that all undergraduate students enrolled for 13 semester hours or the equivalent are—
(i) Charged full-time tuition, or
(ii) Considered full-time for other administrative purposes.

(2) When 13 semester hours or the equivalent are full-time training—
(i) 10 through 12 semester hours or the equivalent are three-quarter-time training;
(ii) 7 through 9 semester hours or the equivalent are half-time training; and
(iii) 1 through 5 semester hours or the equivalent are less than half-time training.

(c) Twelve semester hours are full time. (1) VA will consider that 12 semester hours or the equivalent are full-time training when the educational institution certifies that all undergraduate students enrolled for 12 semester hours or the equivalent are—
(i) Charged full-time tuition, or
(ii) Considered full time for other administrative purposes.

(2) When 12 semester hours or the equivalent are full-time training—
(i) 9 through 11 semester hours or the equivalent are three-quarter-time training;
(ii) 6 through 8 semester hours or the equivalent are half-time training; and
(iii) 1 through 5 semester hours or the equivalent are less than half-time training.

(d) Other requirements. Notwithstanding any other provision of this section, in administering benefits payable under 10 U.S.C. chapter 1606 VA shall apply the provisions of §21.4272.

§21.7672 Measurement of courses not leading to a standard college degree.

(a) Overview. (1) Courses not leading to a standard college degree may be measured on either a clock-hour basis, or a credit-hour basis or a combination of both. Factors which the Department of Veterans Affairs must include in determining the proper basis for measurement include whether the courses are accredited; whether the course could be credited toward a standard college degree; and whether the course is offered on a standard quarter or semester-hour basis.

(2) In determining which is the correct basis for measuring a reservist’s enrollment, VA will first examine whether credit-hour measurement is appropriate, as provided in paragraph (b) of this section.

(3) If it is not appropriate to measure a reservist’s enrollment on a credit-hour basis, VA will measure the enrollment on a clock-hour basis as described in paragraph (c) of this section.

(b) Credit-hour measurement—standard method. (1) When all the conditions of paragraph (b)(1) of this section are met, the Department of Veterans Affairs will—
(1) Measure the reservist’s enrollment in the same manner as collegiate undergraduate courses are measured in §21.7670 (a), (b), and (c).
(ii) Apply the provisions of §21.4272(g) if one or more of the reservist’s courses are offered during a nonstandard term.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688)

(2) For new enrollments beginning on or after July 1, 1993, when a course is offered by an institution of higher learning in residence on a standard quarter- or semester-hour basis, VA will measure a reservist’s enrollment in a course not leading to a standard college degree on the same credit-hour basis as courses leading to a standard undergraduate degree, as provided in §21.7670.

(3) For new enrollments beginning on or after July 1, 1993, when a course is offered in residence on a standard quarter- or semester-hour basis by an educational institution which is not an institution of higher learning, VA also will measure on a credit-hour basis as provided in §21.7670 a reservist’s enrollment in a course not leading to a standard college degree, provided that the educational institution requires at least the same number of clock-hours of attendance as required in paragraph (c) of this section. If the educational institution does not require at least the same number of clock-hours of attendance as required in paragraph (c) of this section, VA will not apply the provisions of §21.7670, but will measure the course according to paragraph (c) of this section.

(4) VA will apply the provisions of §21.4272(g) to new enrollments beginning on or after July 1, 1993, if one or more of the reservist’s courses are offered during a nonstandard term.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688(a)(7))

(c) Clock-hour measurement. The provisions of this paragraph apply to all enrollments in courses not leading to a standard college degree. If VA concludes that the courses in which a reservist is enrolled do not qualify for credit-hour measurement, VA shall measure those courses as follows. (Supervised study shall be excluded from measurement of all courses to which this paragraph applies).

(1) If shop practice is an integral part of the course—

(i) Full-time training shall be 22 clock hours attendance with not more than 2½ hours rest period allowance;

(ii) Three-quarter-time training shall be 16 through 21 clock hours attendance with not more than 2 hours rest period allowance;

(iii) Half-time training shall be 11 through 15 clock hours attendance with not more than 1¼ hours rest period allowance; and

(iv) One-quarter-time training shall be 1 through 10 clock hours attendance.

For attendance of 6 through 10 clock hours, there shall be not more than one quarter hour rest period allowance. For attendance of 1 through 5 clock hours, there shall be no rest period allowance.

(2) If theory and class instruction predominates—

(i) Full-time training is 18 clock hours net instruction;

(ii) Three-quarter-time training is 13 through 17 clock hours net instruction;

(iii) Half-time training is 9 through 12 clock hours net instruction; and

(iv) Less than half-time training is 1 through 8 clock hours net instruction.

In measuring net instruction for this paragraph there will be included customary intervals not to exceed 10 minutes between classes; however, supervised study must be excluded.

(a) Conversion of units of measurement required. Where a reservist enrolls concurrently in courses offered by two schools and the standards for measurement of the courses pursued concurrently in the two schools are different, the Department of Veterans Affairs will measure the reservist’s enrollment by converting the units of measurement for courses in the second school to their equivalent in units of measurement required for the courses in the program of education which the reservist is pursuing at the primary institution. This conversion will be accomplished as follows:

(1) If VA measures the course at the primary institution on a credit-hour
basis (including a course which does not lead to a standard college degree, which is being measured on a credit-hour basis as provided in §21.7672(b)), and VA measures the courses at the second school on a clock-hour basis, the clock hours will be converted to credit hours.

(2) If VA measures the courses pursued at the primary institution on a clock-hour basis, and VA measures the courses pursued at the second school on a credit-hour basis, including courses which qualify for credit-hour measurement on the basis of §21.7672(b), VA will convert the credit hours to clock hours to determine the reservist’s training time.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688)

(b) Conversion of clock hours to credit hours. If the provisions of paragraph (a) of this section require the Department of Veteran Affairs to convert clock hours, it will do so by—

(1) Dividing the number of credit hours which the Department of Veteran Affairs considers to be full-time at the educational institution whose courses are measured on a credit-hour basis by the number of clock hours which are full-time at the educational institution whose courses are measured on a clock-hour basis; and

(2) Multiplying each clock hour of attendance by the decimal determined in paragraph (b)(1) of this section. The Department of Veteran Affairs will drop all fractional hours.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688)

(c) Conversion of credit hours to clock hours. If the provisions of paragraph (a) of this section require the Department of Veteran Affairs to convert credit hours to clock hours, it will do so by—

(1) Dividing the number of clock hours which the Department of Veteran Affairs considers to be full-time at the educational institution whose courses are measured on a credit-hour basis by the number of credit hours which are full-time at the educational institution whose courses are measured on a credit-hour basis; and

(2) Multiplying each credit hour by the number determined in paragraph (b)(1) of this section. The Department of Veteran Affairs will drop all fractional hours.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688)

(d) Standards for measurement the same. If VA measures the courses pursued at both institutions on either a clock-hour basis or a credit-hour basis, VA will measure the reservist’s enrollment by adding together the units of measurement for the courses in the second school and the units of measurement for courses in the primary institution. The standard for full time will be the full-time standard for the courses at the primary institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688)

§21.7674 Measurement of practical training courses.

(a) Nursing courses. (1) Courses for the objective of registered nurse or registered professional nurse will be measured on the basis of credit hours or clock hours of attendance, whichever is appropriate. The clock hours of attendance may include academic class time, clinical training, and supervised study periods.

(2) Programs approved in accordance with the provisions of §21.7720(b)(9) will be measured on a clock-hour basis as provided in §21.7672.

(b) Medical and dental assistants courses for VA. Programs approved in accordance with the provisions of §21.7720(b)(9) will be measured on a clock-hour basis as provided in §21.7672. However, the program will be regarded as full-time institutional training, provided the combined total of the classroom and other formal instruction portion of the program and the on-the-job portion of the program requires 30 or more clock hours of attendance per week.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688; Pub. L. 98–525)
(c) Other practical training courses. These courses will be measured in semester hours of credit or clock hours of attendance per week, whichever is appropriate.

(3) A course approved under 38 U.S.C. chapter 36 is approved for purposes of 10 U.S.C. chapter 1606 (or 10 U.S.C. chapter 106 as in effect before December 1, 1994).

(Authority: 10 U.S.C. 16131(c)(1), 16136(b); 38 U.S.C. 3670 through 3676)

§ 21.7722 Courses and enrollments which may not be approved.

Subpart M—Vocational Training and Rehabilitation for Certain Children of Vietnam Veterans and Veterans with Covered Service in Korea—Spina Bifida and Covered Birth Defects

AUTHORITY: 38 U.S.C. 101, 501, 512, 1151 note, ch. 18, 5112, and as noted in specific sections.

SOURCE: 67 FR 72565, Dec. 6, 2002, unless otherwise noted.

GENERAL

§ 21.8010 Definitions and abbreviations.

(a) Program-specific definitions and abbreviations. For the purposes of this subpart:

Covered birth defect means the same as defined at § 3.815(c)(3) of this title.

Eligible child means, as appropriate, either an individual as defined at § 3.814(c)(3) of this title who suffers from spina bifida, or an individual as defined at § 3.815(c)(2) of this title who has a covered birth defect other than a birth defect described in § 3.815(a)(2).

Employment assistance means employment counseling, placement and post-placement services, and personal and work adjustment training.

Institution of higher education has the same meaning that § 21.4200 provides for the term institution of higher learning.

Program of employment services means the services an eligible child may receive if the child’s entire program consists only of employment assistance.

Program participant means an eligible child who, following an evaluation in which VA finds the child’s achievement of a vocational goal is reasonably feasible, elects to participate in a vocational training program under this subpart.

Spina bifida means the same as defined at § 3.814(c)(4) of this title.

Veteran with covered service in Korea means a veteran defined at § 3.814(c)(2) of this title.

Vietnam veteran means, in the case of a child suffering from spina bifida, the same as defined at § 3.814(c)(1) or § 3.815(c)(1) of this title and, in the case of a child with a covered birth defect, the same as defined at § 3.815(c)(1) of this title.

Vocational training program means the vocationally oriented training services, and assistance, including placement and post-placement services, and personal and work-adjustment training that VA finds necessary to enable an
eligible child to prepare for and participate in vocational training or employment. A vocational training program may include a program of education offered by an institution of higher education only if the program is predominantly vocational in content.

VR&E refers to the Vocational Rehabilitation and Employment activity (usually a division) in a Veterans Benefits Administration regional office, the staff members of that activity in the regional office or in outbased locations, and the services that activity provides.

(b) Other terms and abbreviations. The following terms and abbreviations have the same meaning or explanation that §21.35 provides:

(1) CP (Counseling psychologist);
(2) Program of education;
(3) Rehabilitation facility;
(4) School, educational institution, or institution;
(5) Training establishment;
(6) Vocational goal;
(7) VRC (Vocational rehabilitation counselor); and
(8) Workshop.

(Authority: 38 U.S.C. 1804(a), 1821, 1832, 5101)

§ 21.8014 Application.

(a) Filing an application. To participate in a vocational training program, the child of a Vietnam veteran or veteran with covered service in Korea (or the child’s parent or guardian, an authorized representative, or a Member of Congress acting on behalf of the child) must file an application. An application is a request for an evaluation of the feasibility of the child’s achievement of a vocational goal and, if a CP or VRC determines that achievement of a vocational goal is feasible, for participation in a vocational training program. The application may be in any form, but it must:

(1) Be in writing over the signature of the applicant or the person applying on the child’s behalf;
(2) Provide the child’s full name, address, and VA claim number, if any, and the parent Vietnam veteran or veteran with covered service in Korea’s full name and Social Security number or VA claim number, if any; and
(3) Clearly identify the benefit sought.

(Authority: 38 U.S.C. 1804(a), 1821, 1832, 5101)

(b) Time for filing. For a child claiming eligibility based on having spina bifida, an application under this subpart may be filed at any time after September 30, 1997. For a child claiming eligibility based on a covered birth defect, an application under this subpart may be filed at any time after November 30, 2001. (The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0579)

(Authority: 38 U.S.C. 1804, 1811 note, 1812, 1814, 1831)

§ 21.8015 Notification by VA of necessary information or evidence when a claim is filed; time for claimant response and VA action; and VA’s duty to assist claimants in obtaining evidence.

The provisions of §§21.32 and 21.33 of subpart A of this part also apply to
§ 21.8016  Nonduplication of benefits.
(a) Election of benefits—chapter 35. An eligible child may not receive benefits concurrently under 38 U.S.C. chapter 35 and under this subpart. If the child is eligible for both benefits, he or she must elect in writing which benefit to receive.

(b) Reelection of benefits—chapter 35. An eligible child receiving benefits under this subpart or under 38 U.S.C. chapter 35 may change his or her election at any time. A reelection between benefits under this subpart and under 38 U.S.C. chapter 35 must be prospective, however, and may not result in an eligible child receiving benefits under both programs for the same period of training.

(c) Length of benefits under multiple programs—chapter 35. The aggregate period for which an eligible child may receive assistance under this subpart and under 38 U.S.C. chapter 35 together may not exceed 48 months of full-time training or the part-time equivalent.

(d) Nonduplication of benefits under 38 U.S.C. 1804 and 1814. An eligible child may only be provided one program of vocational training under this subpart.

§ 21.8020  Entitlement to vocational training and employment assistance.
(a) Basic entitlement requirements. Under this subpart, for an eligible child to receive vocational training, employment assistance, and related rehabilitation services and assistance to achieve a vocational goal (to include employment), the following requirements must be met:

1. A CP or VRC must determine that achievement of a vocational goal by the child is reasonably feasible; and
2. The child and VR&E staff members must work together to develop and then agree to an individualized written plan of vocational rehabilitation identifying the vocational goal and the means to achieve this goal.

(b) Services and assistance. An eligible child may receive the services and assistance described in §21.8050(a).

1. The following sections in subpart A of this part apply to the provision of these services and assistance in a manner comparable to their application for a veteran under the 38 U.S.C. chapter 31 program:
   (i) Section 21.250(a) and (b)(2);
   (ii) Section 21.252;
   (iii) Section 21.254;
   (iv) Section 21.256 (not including paragraph (e)(2));
   (v) Section 21.257; and
   (vi) Section 21.258.

2. For purposes of this subpart, the requirements for application of §21.257(e)(1) and (2) are deemed met for an individual in a self-employment program regardless of whether the individual is described in §21.257(b), if the individual has been determined by VA to have limitations affecting employability arising from the effects of the individual’s spina bifida and/or other covered birth defect(s) which are so severe as to necessitate selection of self-employment as the only reasonably feasible vocational goal for the individual.

(c) Requirements to receive employment services and assistance. VA will provide employment services and assistance under paragraph (b) of this section only if the eligible child:

1. Has achieved a vocational objective;
2. Has voluntarily ceased vocational training under this subpart, but the case manager finds the child has attained sufficient skills to be employable; or
3. VA determines during evaluation that the child already has the skills necessary for suitable employment and
does not need additional training, but to secure suitable employment the child does need the employment assistance that paragraph (b) of this section describes.

(Authority: 38 U.S.C. 1804, 1814)

(d) Additional employment services and assistance. If an eligible child has received employment assistance and becomes suitably employed, but VA later finds the child needs additional employment services and assistance, VA may provide the child with these services and assistance if, and to the extent, the child has remaining program entitlement.

(Authority: 38 U.S.C. 1804, 1814)

(e) Program entitlement usage—(1) Basic entitlement period. An eligible child will be entitled to receive 24 months of full-time training, services, and assistance (including employment assistance) or the part-time equivalent, as part of a vocational training program.

(2) Extension of basic entitlement period. VA may extend the basic 24-month entitlement period, not to exceed another 24 months of full-time program participation, or the part-time equivalent, if VA determines that:

(i) The extension is necessary for the child to achieve a vocational goal identified before the end of the basic 24-month entitlement period; and

(ii) The child can achieve the vocational goal within the extended period.

(3) Principles for charging entitlement. VA will charge entitlement usage for training, services, or assistance (but not the initial evaluation, as described in §21.8032) furnished to an eligible child under this subpart on the same basis as VA would charge for similar training, services, or assistance furnished a veteran in a vocational rehabilitation program under 38 U.S.C. chapter 31. VA may charge entitlement at a half-time, three-quarter-time, or full-time rate based upon the child’s training time using the rate-of-pursuit criteria in §21.8310. The provisions concerning reduced work tolerance under §21.312, and those relating to less-than-half-time training under §21.314, do not apply under this subpart.

(Authority: 38 U.S.C. 1804, 1814)

§ 21.8022 Entry and reentry.

(a) Date of program entry. VA may not enter a child into a vocational training program or provide an evaluation or any training, services, or assistance under this subpart before the date VA first receives an application for a vocational training program filed in accordance with §21.8014.

(Authority: 38 U.S.C. 1151 note, 1804, 1811, 1811 note, 1812, 1814)

(b) Reentry. If an eligible child interrupts or ends pursuit of a vocational training program and VA subsequently allows the child to reenter the program, the date of reentrance will accord with the facts, but may not precede the date VA receives an application for the reentrance.

(Authority: 38 U.S.C. 1804, 1814, 1832)

§ 21.8030 Requirement for evaluation of child.

(a) Children to be evaluated. The VR&E Division will evaluate each child who:

(1) Applies for a vocational training program; and

(2) Has been determined to be an eligible child as defined in §21.8010.

(Authority: 38 U.S.C. 1804(a), 1814)

(b) Purpose of evaluation. The evaluation has two purposes:

(1) To ascertain whether achievement of a vocational goal by the child is reasonably feasible; and

(2) If a vocational goal is reasonably feasible, to develop an individualized plan of integrated training, services, and assistance that the child needs to prepare for and participate in vocational training or employment.

(Authority: 38 U.S.C. 1804, 1814)
§ 21.8032 Evaluations.

(a) Scope and nature of evaluation. The scope and nature of the evaluation under this program will be comparable to an evaluation of the reasonable feasibility of achieving a vocational goal for a veteran under 38 U.S.C. chapter 31 and §§ 21.50(b)(3) and 21.53(b) and (d).

(b) Specific services to determine the reasonable feasibility of achieving a vocational goal. As a part of the evaluation of reasonable feasibility of achieving a vocational goal, VA may provide the following specific services, as appropriate:

1. Assessment of feasibility by a CP or VRC;
2. Review of feasibility assessment and of need for special services by the Vocational Rehabilitation Panel;
3. Provision of medical, testing, and other diagnostic services to ascertain the child’s capacity for training and employment; and
4. Evaluation of employability by professional staff of an educational or rehabilitation facility, for a period not to exceed 30 days.

(c) Responsibility for evaluation. A CP or VRC will make all determinations as to the reasonable feasibility of achieving a vocational goal.

§ 21.8050 Scope of training, services, and assistance.

(a) Allowable training, services, and assistance. VA may provide to vocational training program participants:

1. Vocationally oriented training, services, and assistance, to include:
   (i) Training in an institution of higher education if the program is predominantly vocational; and
   (ii) Tuition, fees, books, equipment, supplies, and handling charges.
2. Employment assistance including:
   (i) Vocational, psychological, employment, and personal adjustment counseling; (ii) Services to place the individual in suitable employment and post-placement services necessary to ensure satisfactory adjustment in employment; and
   (iii) Personal adjustment and work adjustment training.
3. Vocationally oriented independent living services only to the extent that the services are indispensable to the achievement of the vocational goal and do not constitute a significant portion of the services to be provided.
4. Other vocationally oriented services and assistance of the kind VA provides veterans under the 38 U.S.C. chapter 31 program, except as paragraph (c) of this section provides, that VA determines the program participant needs to prepare for and take part in vocational training or in employment.

(b) Vocational training program. VA will provide either directly or by contract, agreement, or arrangement with another entity, and at no cost to the beneficiary, the vocationally oriented training, other services, and assistance that VA approves for the individual child’s program under this subpart. Authorization and payment for approved services will be made in a comparable manner to that VA provides for veterans under the 38 U.S.C. chapter 31 program.

(c) Prohibited services and assistance. VA may not provide to a vocational training program participant any:

1. Loan;
2. Subsistence allowance;
3. Automobile adaptive equipment;
4. Training at an institution of higher education in a program of education that is not predominantly vocational in content;
5. Employment adjustment allowance;
6. Room and board (other than for a period of 30 days or less in a special rehabilitation facility either for purposes of an extended evaluation or to improve and enhance vocational potential);
7. Independent living services, except those that are incidental to the
pursuit of the vocational training program.

(Authority: 38 U.S.C. 1804(c), 1814)

DURATION OF VOCATIONAL TRAINING

§ 21.8070 Basic duration of a vocational training program.

(a) Basic duration of a vocational training program. The duration of a vocational training program, as paragraphs (e)(1) and (e)(2) of §21.8020 provide, may not exceed 24 months of full-time training, services, and assistance or the part-time equivalent, except as §21.8072 allows.

(Authority: 38 U.S.C. 1804(d), 1814)

(b) Responsibility for estimating the duration of a vocational training program. While preparing the individualized written plan of vocational rehabilitation, the CP or VRC will estimate the time the child needs to complete a vocational training program.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) Duration and scope of training must meet general requirements for entry into the selected occupation. The child will receive training, services, and assistance, as §21.8120 describes, for a period that VA determines the child needs to reach the level employers generally recognize as necessary for entry into employment in a suitable occupational objective.

(Authority: 38 U.S.C. 1804(c), 1814)

(d) Approval of training beyond the entry level. To qualify for employment in a particular occupation, the child may need training that exceeds the amount a person generally needs for employment in that occupation. VA will provide the necessary additional training under one or more of the following conditions:

(1) Training requirements for employment in the child’s vocational goal in the area where the child lives or will seek employment exceed those job seekers generally need for that type of employment;

(2) The child is preparing for a type of employment in which he or she will be at a definite disadvantage in competing with nondisabled persons and the additional training will offset the competitive disadvantage;

(3) The choice of a feasible occupation is limited, and additional training will enhance the child’s employability in one of the feasible occupations; or

(4) The number of employment opportunities within a feasible occupation is restricted.

(Authority: 38 U.S.C. 1804(c), 1814)

(e) Estimating the duration of the training period. In estimating the length of the training period the eligible child needs, the CP or VRC must determine that:

(1) The proposed vocational training would not normally require a person without a disability more than 24 months of full-time pursuit, or the part-time equivalent, for successful completion; and

(2) The program of training and other services the child needs, based upon VA’s evaluation, will not exceed 24 months or the part-time equivalent. In calculating the proposed program’s length, the CP or VRC will follow the procedures in §21.8074(a).

(Authority: 38 U.S.C. 1804(d), 1814)

(f) Required selection of an appropriate vocational goal. If the total period the child would require for completion of an initial vocational training program in paragraph (e) of this section is more than 24 months, or the part-time equivalent, the CP or VRC must work with the child to select another suitable initial vocational goal.

(Authority: 38 U.S.C. 1804(d)(2), 1814)

§21.8072 Authorizing training, services, and assistance beyond the initial individualized written plan of vocational rehabilitation.

(a) Extension of the duration of a vocational training program. VA may authorize an extension of a vocational training program when necessary to provide additional training, services, and assistance to enable the child to achieve the vocational or employment goal identified before the end of the child’s basic entitlement period, as stated in the individualized written plan of vocational rehabilitation under §21.8080. A
change from one occupational objective to another in the same field or occupational family meets the criterion for prior identification in the individualized written plan of vocational rehabilitation.

(Authority: 38 U.S.C. 1804(d)(2), (e)(2), 1814)

(b) Extensions for prior participants in the program. (1) Except as paragraph (b)(2) of this section provides, VA may authorize additional training, limited to the use of remaining program entitlement including any allowable extension, for an eligible child who previously participated in vocational training under this subpart. The additional training must:
   (i) Be designed to enable the child to complete the prior vocational goal or a different vocational goal; and
   (ii) Meet the same provisions as apply to training for new participants.
   (2) An eligible child who has previously achieved a vocational goal in a vocational training program under this subpart may not receive additional training under paragraph (b)(1) of this section unless a CP or VRC sets aside the child’s achievement of that vocational goal under §21.8284.

(Authority: 38 U.S.C. 1804(b) through (e), 1814)

(c) Responsibility for authorizing a program extension. A CP or VRC may approve extensions of the vocational training program the child is pursuing up to the maximum program limit of 48 months if the child needs the additional time to successfully complete training and obtain employment, and the following conditions are met:
   (1) The child has completed more than half of the planned training; and
   (2) The child is making satisfactory progress.

(Authority: 38 U.S.C. 1804(d)(2), 1814)

§21.8074 Computing the period for vocational training program participation.

(a) Computing the participation period. To compute the number of months and days of an eligible child’s participation in a vocational training program:
   (1) Count the number of actual months and days of the child’s:
      (i) Pursuit of vocational education or training;
      (ii) Receipt of extended evaluation-type services and training, or services and training to enable the child to prepare for vocational training or employment, if a veteran in a 38 U.S.C. chapter 31 program would have received a subsistence allowance while receiving the same type of services and training; and
      (iii) Receipt of employment and post-employment services (any period of employment or post-employment services is considered full-time program pursuit).
   (2) Do not count:
      (i) The initial evaluation period;
      (ii) Any period before the child enters a vocational training program under this subpart;
      (iii) Days of authorized leave; and
      (iv) Other periods during which the child does not pursue training, such as periods between terms.
   (3) Convert part-time training periods to full-time equivalents.
   (4) Total the months and days under paragraphs (a)(1) and (a)(3) of this section. This sum is the period of the child’s participation in the program.

(Authority: 38 U.S.C. 1804(d), 1814)

(b) Consistency with principles for charging entitlement. Computation of the program participation period under this section will be consistent with the principles for charging entitlement under §21.8020.

(Authority: 38 U.S.C. 1804(d), 1814)

INDIVIDUALIZED WRITTEN PLAN OF VOCATIONAL REHABILITATION

§21.8080 Requirement for an individualized written plan of vocational rehabilitation.

(a) General. A CP or VRC will work in consultation with each child for whom a vocational goal is feasible to develop an individualized written plan of vocational rehabilitation services and assistance to meet the child’s vocational training needs. The CP or VRC will develop this individualized written plan of vocational rehabilitation in a manner comparable to the rules governing the development of an individualized written rehabilitation plan (IWRP) for
a veteran for 38 U.S.C. chapter 31 purposes, as §§21.80, 21.84, 21.88, 21.90, 21.92, 21.94 (a) through (d), and 21.96 provide.

(b) Selecting the type of training to include in the individualized written plan of vocational rehabilitation. If training is necessary, the CP or VRC will explore a range of possibilities, to include paid and unpaid on-job training, institutional training, and a combination of on-job and institutional training to accomplish the goals of the program. Generally, an eligible child’s program should include on-job training, or a combination of on-job and institutional training, when this training:

1. Is available;
2. Is as suitable as using only institutional training for accomplishing the goals of the program; and
3. Will meet the child’s vocational training program needs.

§ 21.8082 Inability of child to complete individualized written plan of vocational rehabilitation or achieve vocational goal.

(a) Inability to timely complete an individualized written plan of vocational rehabilitation or achieve identified goal. After a vocational training program has begun, the VR&E case manager may determine that the eligible child cannot complete the vocational training program described in the child’s individualized written plan of vocational rehabilitation within the time limits of the individualized written plan of vocational rehabilitation or cannot achieve the child’s identified vocational goal. Subject to paragraph (b) of this section, VR&E may assist the child in revising or selecting a new individualized written plan of vocational rehabilitation or goal.

(b) Allowable changes in the individualized written plan of vocational rehabilitation or goal. Any change in the eligible child’s individualized written plan of vocational rehabilitation or vocational goal is subject to the child’s continuing eligibility under the vocational training program and the provisions governing duration of a vocational training program in §§21.8020(e) and 21.8070 through 21.8074.

(Authority: 38 U.S.C. 1804(d), 1804(e), 1814)

(c) Change in the individualized written plan of vocational rehabilitation or vocational goal. (1) The individualized written plan of vocational rehabilitation or vocational goal may be changed under the same conditions as provided for a veteran under §21.94 (a) through (d), and subject to §21.8070 (d) through (f), if:

(i) The CP or VRC determines that achievement of a vocational goal is still reasonably feasible and that the new individualized written plan of vocational rehabilitation or goal is necessary to enable the eligible child to prepare for and participate in vocational training or employment; and

(ii) Reentrance is authorized under §21.8284 in a case when the child has completed a vocational training program under this subpart.

(2) A CP or VRC may approve a change of vocational goal from one field or occupational family to another field or occupational family if the child can achieve the new goal:

(i) Before the end of the basic 24-month entitlement period that §21.8020(e)(1) describes; or

(ii) Before the end of any allowable extension under §§21.8020(e)(2) and 21.8072 if the new vocational goal in another field or occupational family was identified during the basic 24-month entitlement period.

(3) A change from one occupational objective to another in the same field or occupational family does not change the planned vocational goal.

(4) The child must have sufficient remaining entitlement to pursue the new individualized written plan of vocational rehabilitation or goal, as §21.8020 provides.

(Authority: 38 U.S.C. 1804(d), 1814)

(d) Assistance if child terminates planned program before completion. If the eligible child elects to terminate the planned vocational training program, he or she will receive the assistance that §21.80(d) provides in identifying
other resources through which to secure the desired training or employment.

(Authority: 38 U.S.C. 1804(c), 1814)

COUNSELING

§ 21.8100 Counseling.

An eligible child requesting or receiving services and assistance under this subpart will receive professional counseling by VR&E and other qualified VA staff members, and by contract counseling providers, as necessary, in a manner comparable to VA’s provision of these services to veterans under the 38 U.S.C. chapter 31 program, as §§21.100 and 21.380 provide.

(Authority: 38 U.S.C. 1803(c)(8), 1804(c), 1814)

VOCATIONAL TRAINING, SERVICES, AND ASSISTANCE

§ 21.8120 Vocational training, services, and assistance.

(a) Purposes. An eligible child may receive training, services, and assistance to enable the child to prepare for and participate in vocational training or employment.

(Authority: 38 U.S.C. 1804(b), (c), 1814)

(b) Training permitted. VA and the child will select vocationally oriented courses of study and training, completion of which usually results in a diploma, certificate, degree, qualification for licensure, or direct placement in employment. The educational and training services to be provided include:

(1) Remedial, deficiency, and refresher training; and

(2) Training that leads to an identifiable vocational goal. Under this program, VA may authorize all forms of programs that §§21.122 through 21.132 describe. This includes education and training programs in institutions of higher education. VA may authorize the education and training at an undergraduate or graduate degree level, only if the degree program is predominantly vocational in nature. For an eligible child to participate in a graduate degree program, the graduate degree program is predominantly vocational in content if the majority of the instruction provides the technical skills and knowledge employers generally regard as specific to, and required for, entry into the child’s vocational goal.

(Authority: 38 U.S.C. 1804(b), (c), 1814)

(c) Cost of education and training services. The CP or VRC will consider the cost of training in selecting a facility when:

(1) There is more than one facility in the area in which the child resides that:

(i) Meets the requirements for approval under §§21.290 through 21.296 (except as provided by §21.8286(b)),

(ii) Can provide the training, services and other supportive assistance the child’s individualized written plan of vocational rehabilitation specifies, and

(iii) Is within reasonable commuting distance; or

(2) The child wishes to train at a suitable facility in another area, even though a suitable facility in the area where the child lives can provide the training. In considering the costs of providing training in this case, VA will use the provisions of §21.120 (except 21.120(a)(3)), §21.370 (however, the words “under §21.282” in §21.370(b)(2)(ii)(B) do not apply), and §21.372 in a manner comparable to that for veterans under the 38 U.S.C. chapter 31 program.

(Authority: 38 U.S.C. 1804(b), (c), 1814)

(d) Accessible courses not locally available. If suitable vocational training courses are not available in the area in which the child lives, or if they are available but not accessible to the child, VA may make other arrangements. These arrangements may include, but are not limited to:

(1) Transportation of the child, but not the child’s family, personal effects, or household belongings, to another area where necessary services are available; or

(2) Use of an individual instructor to provide necessary training in a manner comparable to that for veterans under the 38 U.S.C. chapter 31 program, as §21.146 describes.

(Authority: 38 U.S.C. 1804(b), (c), 1814)
§ 21.8140 Evaluation and improvement of vocational potential.

(a) General. A CP or VRC may use the services that paragraph (d) of this section describes to:

(1) Evaluate vocational training and employment potential;
(2) Provide a basis for planning:
   (i) A program of services and assistance to improve the eligible child’s preparation for vocational training and employment; or
   (ii) A vocational training program;
(3) Reevaluate the vocational training feasibility of an eligible child participating in a vocational training program; and
(4) Remediate deficiencies in the child’s basic capabilities, skills, or knowledge to give the child the ability to participate in vocational training or employment.

(Authority: 38 U.S.C. 1804(b), 1814)

(b) Periods when evaluation and improvement services may be provided. A CP or VRC may authorize the services described in paragraph (d) of this section, except those in paragraph (d)(4) of this section, for delivery during:

(1) An initial or extended evaluation; or
(2) Pursuit of a vocational training program.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) Duration of services. The duration of services needed to improve vocational training and employment potential, furnished on a full-time basis either as a preliminary part or all of a vocational training program, may not exceed 9 months. If VA furnishes these services on a less than full-time basis, the duration will be for the period necessary, but may not exceed the equivalent of 9 months of full-time training.

(Authority: 38 U.S.C. 1804(c), 1814)

(d) Scope of services. Evaluation and improvement services include:

(1) Diagnostic services;
(2) Personal and work adjustment training;
(3) Referral for medical care and treatment pursuant to §§17.900 through 17.905 of this title for the spina bifida, covered birth defects, or related conditions;
(4) Vocationally oriented independent living services indispensable to pursuing a vocational training program;
(5) Language training, speech and voice correction, training in ambulation, and one-hand typewriting;
(6) Orientation, adjustment, mobility and related services; and
(7) Other appropriate services to assist the child in functioning in the proposed training or work environment.

(Authority: 38 U.S.C. 1804(c), 1814)

(e) Applicability of chapter 31 rules on special rehabilitation services. The provisions of §21.140 do not apply to this subpart. Subject to the provisions of this subpart, the following provisions apply to the vocational training program under this subpart in a manner comparable to that for veterans under the 38 U.S.C. chapter 31 program:

§ 21.142(a) and (b); §21.144; §21.146; §21.148(a) and (c); §21.150 other than paragraph (b); §21.152 other than paragraph (b); §21.154 other than paragraph (b); and §21.156.

(Authority: 38 U.S.C. 1804(c), 1814)

§ 21.8210 Supplies.

(a) Purpose of furnishing supplies. VA will provide the child with the supplies that the child needs to pursue training, to obtain and maintain employment, and otherwise to achieve the goal of his or her vocational training program.

(Authority: 38 U.S.C. 1804(c), 1814)

(b) Types of supplies. VA may provide books, tools, and other supplies and equipment that VA determines are necessary for the child’s vocational training program and are required by similarly circumstanced veterans pursuing such training under 38 U.S.C. chapter 31.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) Periods during which VA may furnish supplies. VA may provide supplies to an eligible child receiving:

(1) An initial or extended evaluation;
§ 21.8260 Training, services, and assistance costs.

The provisions of §21.262 pertaining to reimbursement for training and other program costs apply, in a comparable manner as provided under the 38 U.S.C. chapter 31 program for veterans, to payments to facilities, vendors, and other providers for training, supplies, and other services they deliver under this subpart.

(Authority: 38 U.S.C. 1804(c), 1814)

§ 21.8280 Effective date of induction into a vocational training program.

Subject to the limitations in §21.8022, the date an eligible child is inducted into a vocational training program will be the date the child first begins to receive training, services, or assistance under an individualized written plan of vocational rehabilitation.

(Authority: 38 U.S.C. 1804(c), (d), 1814)

§ 21.8282 Termination of a vocational training program.

A case manager may terminate a vocational training program under this subpart for cause, including lack of cooperation, failure to pursue the individualized written plan of vocational rehabilitation, fraud, administrative error, or finding that the child no longer has a covered birth defect. An eligible child for whom a vocational goal is reasonably feasible remains eligible for the program subject to the rules of this subpart unless the child’s eligibility for or entitlement to a vocational training program under this subpart resulted from fraud or administrative error or unless VA finds the child no longer has a covered birth defect.

The effective date of termination will be the earliest of the following applicable dates:

(a) Fraud. If an eligible child establishes eligibility for or entitlement to benefits under this subpart through fraud, VA will terminate the award of vocational training and rehabilitation as of the date VA first began to pay benefits.

(b) Administrative error. If an eligible child who is not entitled to benefits under this subpart receives those benefits through VA administrative error, VA will terminate the award of benefits as of the first day of the calendar month beginning at least 60 days after notifying the child of the proposed termination. This 60-day period may not result in the entrance of the child into a new quarter, semester, or other term of training unless VA has already obligated payment for the training.

(c) Change in status as an eligible child with a covered birth defect. If VA finds that a child no longer has a covered birth defect, VA will terminate the award of benefits effective the last day of the month in which such determination becomes final.

(d) Lack of cooperation or failure to pursue individualized written plan of vocational rehabilitation. If reasonable VR&E efforts to motivate an eligible child do not resolve a lack of cooperation or failure to pursue an individualized written plan of vocational rehabilitation, VA will terminate the award of benefits as of the first day of the calendar month beginning at least 60 days after notifying the child of the proposed termination. This 60-day period may not result in the entrance of the child into a new quarter, semester, or
§ 21.8284 Additional vocational training.

VA may provide an additional period of training or services under a vocational training program to an eligible child who has completed training for a vocational goal and/or been suitably employed under this subpart, if the child is otherwise eligible and has remaining program entitlement as provided in §21.8072(b), only under one of the following conditions:

(a) Current facts, including any relevant medical findings, establish that the child's disability has worsened to the extent that he or she can no longer perform the duties of the occupation which was the child's vocational goal under this subpart;

(b) The occupation that was the child's vocational goal under this subpart is now unsuitable;

(c) The vocational training program services and assistance the child originally received are now inadequate to make the child employable in the occupation which he or she sought to achieve;

(d) Experience has demonstrated that VA should not reasonably have expected employment in the objective or field for which the child received vocational training program services and assistance; or

(e) Technological change that occurred after the child achieved a vocational goal under this subpart now prevents the child from:

(1) Performing the duties of the occupation for which VA provided training, services, or assistance, or in a related occupation; or

(2) Securing employment in the occupation for which VA provided training, services, or assistance, or in a related occupation.

(Authority: 38 U.S.C. 1804(c), 1814)

§ 21.8286 Training resources.

(a) Applicable 38 U.S.C. chapter 31 resource provisions. The provisions of §21.146 and §§21.290 through 21.298 apply to children pursuing a vocational training program under this subpart in a comparable manner as for veterans under the 38 U.S.C. chapter 31 program, except as paragraph (b) of this section specifies.

(Authority: 38 U.S.C. 1804(c), 1814)

(b) Limitations. The provisions of §21.294(b)(1)(i) and (b)(1)(ii) pertaining to independent living services do not apply to this subpart. The provisions of §21.294(b)(1)(iii) pertaining to authorization of independent living services as a part of an individualized written plan of vocational rehabilitation apply to children under this subpart in a comparable manner as for veterans under the 38 U.S.C. chapter 31 program only to the extent §21.8050 allows.

(Authority: 38 U.S.C. 1804(c), 1814)

RATE OF PURSUIT

§ 21.8310 Rate of pursuit.

(a) General requirements. VA will approve an eligible child's pursuit of a vocational training program at a rate consistent with his or her ability to successfully pursue training, considering:

(1) Effects of his or her disability;

(2) Family responsibilities;

(3) Travel;

(4) Reasonable adjustment to training; and

(5) Other circumstances affecting the child's ability to pursue training.

(Authority: 38 U.S.C. 1804(c), 1814)

(b) Continuous pursuit. An eligible child should pursue a program of vocational training with as little interruption as necessary, considering the factors in paragraph (a) of this section.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) Responsibility for determining the rate of pursuit. VR&E staff members will consult with the child when determining the rate and continuity of pursuit of a vocational training program. These staff members will also confer with the medical consultant and the Vocational Rehabilitation Panel described in §§21.60 and 21.62, as necessary. This rate and continuity of pursuit determination will occur during
§ 21.8320 Authorization of services.

The provisions of §21.326, pertaining to the commencement and termination dates of a period of employment services, apply to children under this subpart in a manner comparable to that provided for veterans under the 38 U.S.C. chapter 31 program. References in that section to an individualized employment assistance plan or IEAP are considered as referring to the child’s individualized written plan of vocational rehabilitation under this subpart.

(Authority: 38 U.S.C. 1804(c), 1814)

§ 21.8340 Leaves of absence.

(a) Purpose of leave of absence. The purpose of the leave system is to enable the child to maintain his or her status as an active program participant.

(Authority: 38 U.S.C. 1804(c), 1814)

(b) Basis for leave of absence. The VR&E case manager may grant the child leaves of absence for periods during which the child fails to pursue a vocational training program. For prolonged periods of absence, the VR&E case manager may approve leaves of absence only if the case manager determines the child is unable to pursue a vocational training program through no fault of the child.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) Effect on entitlement. During a leave of absence, VA suspends the running of the basic 24-month period of entitlement, plus any extensions thereto, until the child resumes the program.

(Authority: 38 U.S.C. 1804(c), 1814)

Satisfactory Conduct and Cooperation

§ 21.8360 Satisfactory conduct and cooperation.

The provisions for satisfactory conduct and cooperation in §§21.362 and 21.364, except as otherwise provided in this section, apply to children under this subpart in a manner comparable to the way they apply to veterans under the 38 U.S.C. chapter 31 program. If an eligible child fails to meet these requirements for satisfactory conduct or cooperation, the VR&E case manager will terminate the child’s vocational training program. VA will not grant an eligible child reentrance to a vocational training program unless the reasons for unsatisfactory conduct or cooperation have been removed.

(Authority: 38 U.S.C. 1804(c), 1814)

Transportation Services

§ 21.8370 Authorization of transportation services.

(a) General. VA authorizes transportation services necessary for an eligible child to pursue a vocational training program. The sections in subpart A of this part that are referred to in this paragraph apply to children under this subpart in a manner comparable to the way they apply to veterans under the 38 U.S.C. chapter 31 program. Transportation services include:

(1) Transportation for evaluation or counseling under §21.376;

(2) Intraregional travel under §21.370 (except that assurance that the child meets all basic requirements for induction into training will be determined without regard to the provisions of §21.282) and interregional travel under §21.372;

(3) Special transportation allowance under §21.154; and

(4) Commuting to and from training and while seeking employment, subject to paragraphs (c) and (d) of this section.

(Authority: 38 U.S.C. 1804(c), 1814)
(b) Reimbursement. For transportation services that VA authorizes, VA will normally pay in arrears and in the same manner as tuition, fees, and other services under this program.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) Payment for commuting expenses for training and seeking employment. VA may pay for transportation during the period of vocational training and the first 3 months the child receives employment services. VA may reimburse the child’s costs, not to exceed $200 per month, of commuting to and from training and seeking employment if he or she requests this assistance and VA determines, after careful examination of the child’s situation and subject to the limitations in paragraph (d) of this section, that the child would be unable to pursue training or employment without this assistance. VA may:

(1) Reimburse the facility at which the child is training if the facility provided transportation or related services; or
(2) Reimburse the child for his or her actual commuting expense if the child paid for the transportation.

(Authority: 38 U.S.C. 1804(c), 1814)

(d) Limitations. Payment of commuting expenses under paragraph (a)(4) of this section may not be made for any period when the child:

(1) Is gainfully employed;
(2) Is eligible for, and entitled to, payment of commuting costs through other VA and non-VA programs; or
(3) Can commute to school with family, friends, or fellow students.

(Authority: 38 U.S.C. 1804(c), 1814)

(e) Documentation. VA must receive supportive documentation with each request for reimbursement. The individualized written plan of vocational rehabilitation will specify whether VA will pay monthly or at a longer interval.

(Authority: 38 U.S.C. 1804(c), 1814)

(f) Nonduplication. If a child is eligible for reimbursement of transportation services both under this section and under §21.154, the child will receive only the benefit under §21.154.

§ 21.9535 Extended period of eligibility.

VA will extend an individual's period of eligibility in accordance with the following provisions.

(a) Disability extension. (1) VA will grant an extension of the period of eligibility, as determined in §21.9530 (except for paragraphs (d) and (e)) provided—
   (i) The individual applies for the extension within the time specified in §21.1033(c); and
   (ii) The medical evidence clearly establishes that the individual was prevented from initiating or completing the chosen program of education within the original period of eligibility because of a physical or mental disability that did not result from the individual's willful misconduct. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct. VA will not consider an individual's disability for a period of 30 days or less as having prevented the individual from initiating or completing a chosen program, unless the evidence establishes that the individual was prevented from enrolling or reenrolling in the chosen program or was forced to discontinue attendance due to the short-term disability.
   (2) Length of extension. An individual’s extended period of eligibility shall be for the length of time that the individual was prevented from initiating or completing his or her chosen program of education. This will be determined as follows—
   (i) If the individual is pursuing a program of education organized on a term, quarter, or semester basis, his or her extended period of eligibility shall contain the same number of days from the date the individual was prevented from initiating or completing training during his or her original period of eligibility to the earliest of—

      (B) The last date of the individual’s original period of eligibility as determined in §21.9530; or
      (C) The date the individual resumed training.
   (ii) If the individual is pursuing a program of education that is not organized on a term, quarter, or semester basis, his or her extended period of eligibility will contain the same number of days as the number of days from the date the individual was prevented from initiating or completing training during his or her original period of eligibility to the earliest of—
      (A) The date the individual’s training became medically feasible; or
      (B) The last date of the individual’s original period of eligibility as determined in §21.9530.

(b) Forcibly detained extension. (1) VA will grant an extension of the period of eligibility, as determined in §21.9530, equal to the period of time the individual—
   (i) Was captured and forcibly detained by a foreign government or power, and
   (ii) Was hospitalized at a military, civilian, or medical facility immediately following release from the foreign government or power.
   (2) [Reserved]

(Authority: 38 U.S.C. 3321)

§ 21.9550 Entitlement.

(a) Subject to the provisions of §21.9020 and this section, an eligible individual is entitled to a maximum of 36 months of educational assistance (or its equivalent in part-time educational assistance) under 38 U.S.C. chapter 33.

(b)(1) An individual who, as of August 1, 2009, has used entitlement under 38 U.S.C. chapter 30, but retains unused entitlement under that chapter, makes an irrevocable election to receive educational assistance under the provisions of 38 U.S.C. chapter 33 instead of educational assistance under the provisions of chapter 30, will be limited to one month (or partial month) of entitlement under chapter 33 for each month (or partial month) of unused entitlement under chapter 30 (including any months of chapter 30 entitlement previously transferred to a dependent that the individual has revoked).

(2) An individual, who as of August 1, 2009, was eligible under 38 U.S.C. chapter 30, had not used any entitlement
under that program, was making contributions towards chapter 30, or was a servicemember who would have been eligible for chapter 30 if he or she had not declined participation, will receive 36 months of entitlement under chapter 33.  

(c) Except as provided in §§21.9560(d), 21.9570(m), and 21.9635(o), no individual is entitled to more than 36 months of full-time educational assistance under 38 U.S.C. chapter 33.  

(Authority: 38 U.S.C. 3034(a), 3312(a), 3323(a), 3695; Pub. L. 110–252, 122 Stat. 2377)

§ 21.9555 Entitlement to supplemental educational assistance.  

In determining the entitlement of an individual who is eligible for supplemental educational assistance, VA will—  

(a) Calculate the individual’s entitlement to 38 U.S.C. chapter 33 educational assistance on the day he or she establishes eligibility for supplemental educational assistance; and  

(b) Credit the individual with the same number of months and days of entitlement to supplemental educational assistance as the number calculated in paragraph (a) of this section.  

(Authority: 38 U.S.C. 3023, 3316)

§ 21.9560 Entitlement charges.  

(a) Overview. Except as provided in paragraphs (c) through (f) of this section, VA will base entitlement charges on the principle that an eligible individual who is paid educational assistance for one day of full-time pursuit should be charged one day of entitlement.  

(b) Determining entitlement charge. (1) VA will make a charge against entitlement as follows:  

(i) Full-time pursuit. If the individual is pursuing a program of education on a full-time basis, the entitlement charge will be one of the following—  

(A) During any period for which VA pays established charges to the institution of higher learning on the individual’s behalf, the entitlement charge will be one day for each day of the certified enrollment period;  

(B) During any period for which VA does not pay established charges to the institution of higher learning on the individual’s behalf or a monthly housing allowance to the individual but makes a lump sum payment to the individual for books, supplies, equipment, and other educational costs, VA will make an entitlement charge of 1 day for every $41.67 paid, with any remaining amount rounded to the nearest amount evenly divisible by $41.67;  

(ii) Less than full-time pursuit. If the individual is pursuing a program of education on a less than a full-time basis, the entitlement charge will be one of the following—  

(A) During any period for which VA pays established charges to the institution of higher learning on the individual’s behalf, the individual will be charged a percentage of a day for each day of the certified enrollment period determined by dividing the number of course hours the individual is pursuing by the number of course hours required for full-time pursuit (rounded to the nearest hundredth);  

(B) During any period for which VA does not pay established charges to the institution of higher learning on the individual’s behalf but pays a monthly housing allowance to the individual, the individual will be charged a percentage of a day for each day of the certified enrollment period and/or interval period for which the individual receives the monthly housing allowance; or  

(C) During any period for which VA does not pay established charges to the institution of higher learning on the individual’s behalf or a monthly housing allowance to the individual but makes a lump sum payment to the individual for books, supplies, equipment, and other educational costs, VA will make an entitlement charge of 1 day for every $41.67 paid, with any remaining amount rounded to the nearest amount evenly divisible by $41.67.
§ 21.9560 Day for every $41.67 paid, with any remaining amount rounded to the nearest amount evenly divisible by $41.67.

(Authority: 38 U.S.C. 3313)

(2) If the individual changes his or her rate of pursuit after the beginning date of the award, VA will—
   (i) Divide the certified enrollment period into separate periods of time so that the individual’s rate of pursuit is constant within each period; and
   (ii) Compute the rate of pursuit separately for each time period.

(c) Individuals eligible for, or in receipt of, educational assistance other than that authorized under chapter 33. If an individual elected 38 U.S.C. chapter 33 by relinquishing educational assistance under another program but receives educational assistance for a program of education that is approved under the relinquished chapter but not approved under 38 U.S.C. chapter 33, VA will make a charge against entitlement equivalent to the entitlement charge—
   (1) That would be made under the provisions of §21.7076, if the individual relinquished eligibility under 38 U.S.C. chapter 30;
   (2) That would be made under the provisions of §21.7576 if the individual relinquished eligibility under 10 U.S.C. chapter 1606; or
   (3) That would be made under 10 U.S.C. chapter 1607 if the individual relinquished eligibility under 10 U.S.C. chapter 1607.

(d) No entitlement charge. VA will not make a charge against an individual’s entitlement—
   (1) For an approved licensing or certification test as provided under §21.9665; or
   (2) For tutorial assistance as provided under §21.9665; or
   (3) For the rural relocation benefit as provided under §21.9660; or
   (4) For pursuit of a course or courses when the individual—
   (i) Had to discontinue the course or courses as a result of being ordered to—
      (A) Active duty service under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304; or
      (B) A new duty location or assignment or to perform an increased amount of work; and
   (ii) Did not receive credit or lost training time for any portion of the period of enrollment in the course or courses for which the eligible individual was pursuing to complete his or her approved educational, professional, or vocational objective as a result of having to discontinue pursuit.

(Authority: 38 U.S.C. 3312(c))

(e) Interruption to conserve entitlement. An individual may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An institution of higher learning may not certify a period of enrollment for a fractional part of the normal term, quarter, or semester if the individual is enrolled for the entire term, quarter, or semester. VA will make a charge against entitlement for the entire period of certified enrollment, if the individual is otherwise eligible for educational assistance, except when educational assistance is interrupted for any of the following conditions:
   (1) Enrollment is terminated;
   (2) The individual cancels his or her enrollment and does not negotiate a check or receive a direct deposit for educational assistance provided under this chapter for any part of the certified period of enrollment;
   (3) The individual interrupts his or her enrollment at the end of any term, quarter, or semester within a certified period of enrollment and does not negotiate a check or receive a direct deposit for educational assistance provided under this chapter for the succeeding term, quarter, or semester; or
   (4) The individual requests interruption or cancellation for any break when a school was closed during a certified period of enrollment, and VA continued payments under an established policy based upon an Executive Order of the President or an emergency situation regardless of whether or not the individual negotiated a check or...
received a direct deposit for educational assistance provided under this chapter for any part of the certified enrollment period.

(Authority: 38 U.S.C. 3323(c))

(f) Overpayment cases. VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy, is waived and not recovered, or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and not recovered, the charge against entitlement will be the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative costs of collection, court costs and marshal fees;

(ii) Subtracting the remaining amount of the overpayment balances as determined in paragraph (f)(3)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, course costs and marshal fees);

(iii) Dividing the result obtained in paragraph (f)(3)(ii) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees); and

(iv) Multiplying the percentage obtained in paragraph (f)(3)(iii) of this section by the amount of entitlement otherwise chargeable for the period of the original overpayment.

(1) If the reduction in the rate of pursuit occurs other than on the first date of the term, VA will reduce the eligible individual’s educational assistance effective the end of the month during which the reduction occurred when the circumstances in either paragraphs (d)(1)(i) or (d)(1)(ii) apply—

(3) If an eligible individual receives an incomplete grade for a course or courses, VA will delay creating an overpayment for such course or courses to allow the individual an opportunity to complete the course or courses. However, if the incomplete grade is not replaced with a punitive grade, VA will reduce the individual’s educational assistance in accordance with paragraph (f)(1) or (2) of this section effective the earliest of—

(i) The last date permitted by the IHL to complete the course;

(6) Payment for intervals and temporary school closings. VA may authorize payment of the monthly housing allowance (as increased under §§21.9650(a) and 21.9655(a), if applicable) for an interval or for a temporary school closing that occurs within a certified enrollment period. If a school closing that is or may be temporary occurs during an interval, VA will apply any applicable provisions in paragraphs (b)(5)(i) through (b)(5)(v) of this section concerning intervals and in paragraph (5)(vi) of this section concerning temporary school closings. For the purposes of this paragraph, interval means a period without instruction between consecutive school terms, quarters, or semesters or a period without instruction between a summer term and a term, quarter, or semester. (See definitions of divisions of the school year in §21.4200(b)).

(i) Payment for intervals. In determining whether a student will be paid for an interval, VA will first review the provisions of paragraph (b)(5)(ii) of this section. If none of the provisions apply, VA will review the provisions of paragraphs (b)(5)(iii), (iv), and (v) of this section to determine if payments may be made for the interval. In determining the length of a summer term, VA will disregard a fraction of a week consisting of 3 days or less, and will consider 4 days or more to be a full week.

(ii) Restrictions on payment for intervals. VA will make no payment for an interval if—

(A) The individual’s rate of pursuit is one-half time or less on the last day of the certified enrollment period preceding the interval;

(B) The individual is on active duty;

(C) The individual requests, prior to authorization of an award or prior to negotiating a check or receiving a direct deposit for educational assistance, that no benefits be paid for the interval period;
(D) The individual's entitlement applicable to such payment will be exhausted by receipt of such payment, and it is to the advantage of the individual not to receive payment;

(E) The interval occurs between school years at a school that is not organized on a term, quarter, or semester basis; or

(F) The individual withdraws from all courses in the term, quarter, semester, or summer session preceding the interval, or discontinues training before the scheduled start of an interval in an institution of higher learning not organized on a term, quarter, or semester basis.

(iii) Payment for intervals between periods of enrollment at different schools. If the individual transfers from one approved school for the purpose of enrolling in and pursuing a similar program of education at the second school, VA may make payments for an interval that does not exceed 30 days. If the student does not enroll in a similar program of education at the second school, VA may not make payments for the interval.

(iv) Payment for intervals that occur at the same school. (A) If the individual remains enrolled at the same school, VA may make payment for an interval which does not exceed 8 weeks and which occurs between:

(1) Semesters or quarters,

(2) A semester or quarter and a term that is at least as long as the interval,

(3) A semester or quarter and a summer term that is at least as long as the interval,

(4) Consecutive terms (other than semesters or quarters) provided that both terms are at least as long as the interval,

(5) A term and summer term provided that both the term and the summer term are at least as long as the interval.

(B) If the individual remains enrolled at the same school, VA may make payment for an interval that does not exceed 30 days and that occurs between summer sessions within a summer term.

(v) Payment for intervals that occur between overlapping enrollments. (A) If a student is enrolled in overlapping enrollment periods whether before or after an interval (either at the same or different schools), VA will determine whether the student is entitled to payment for the interval between the overlapping enrollment periods, and which dates the interval and enrollment periods will be considered to begin and end, as follows:

(1) By treating the ending date of each enrollment period as though it were the individual’s last date of training before the interval,

(2) By treating the beginning date of each enrollment period as though it were the individual’s first date of training after the interval,

(3) By examining the interval payment that would be made to the individual on the basis of the various combinations of beginning and ending dates, and

(4) By choosing the ending date and beginning date that result in the highest payment rate as the start and finish of the interval for VA measurement purposes.

(B) VA will not reduce the interval rate of payment as a result of training the individual may take during the interval, but VA will increase the interval rate of payment if warranted by such training.

(vi) Payment for temporary school closings. VA may authorize payment for temporary school closings that are due to emergencies (including strikes) or established policy based upon an Executive Order of the President. If a school closing that is or may be temporary occurs in whole or in part during an interval, VA will first review the provisions of paragraph (b)(5)(ii) through (v) of this section to determine if payment may be continued during the interval.

(A) If payment would not be inconsistent with the provisions of paragraph (b)(5)(ii) through (v) of this section, a determination to authorize payment for a period of a temporary school closing, or to not authorize payment if it appears that either the school closing will not be temporary or payment would not otherwise be in accord with this section, or both, will be made by:

Authority: 38 U.S.C. 3034(a), 3323(a), 3680(a)

(1) The Director of the VA Regional Processing Office of jurisdiction if:
   (i) The reason for the school closing does not result in the closing of a school or schools in the jurisdiction of the Director of another VA Regional Processing Office, and
   (ii) If the reason for the closing is a strike, and the strike lasts, or is anticipated to last, 30 days or less.

(2) The Director of Education Service if:
   (i) The reason for the school closing results in the closing of schools in the jurisdiction of more than one Director of a VA Regional Processing Office, or
   (ii) The reason for the closing is a strike, and the strike lasts, or is anticipated to last, more than 30 days.

(B) A school that disagrees with a decision made under paragraph (b)(5)(vi) of this section may request an administrative review. The review request must be submitted in writing and received by the Director of the VA Regional Processing Office of jurisdiction within one year of the date of VA’s letter notifying the school of the decision. A review of the decision will include the evidence of record and any other pertinent evidence the school may wish to submit. The affirmation or reversal of the initial decision based on an administrative review is final. The review will be conducted by the—
   (1) Director, Education Service, if the Director of the VA Regional Processing Office of jurisdiction made the initial decision to continue or discontinue payments; or
   (2) Under Secretary for Benefits, if the Director, Education Service, made the initial decision to continue or discontinue payments.

(c) Rural relocation benefit. VA will make the $500 rural relocation benefit payment after—
   (1) The educational institution has certified the individual’s enrollment as provided in §21.9680;
   (2) The individual has provided—
      (i) Request for benefit. An individual must submit a request for the rural relocation benefit in writing;
      (ii) Proof of residence. (A) An individual must provide proof of his or her place of residence by submitting any of the following documents bearing his or her name and current address:

         (4) Rental/lease agreement; or
         (5) Mortgage document; or
         (6) Current real property assessment; or
         (7) Voter registration card.
   (B) An individual using entitlement granted under §21.9570 who, because he or she resides with the transferor or, in the case of a child, a parent, cannot provide any of the documents in paragraph (c)(2)(ii) of this section, may submit any document in paragraphs (c)(2)(ii)(A)(2) through (7) of this section bearing the name and current address of the transferor or, in the case of a child, a parent as proof of residence; and
   (iii) Proof of relocation. An individual traveling by air must provide an air-line receipt for travel with a departure and destination airport within reasonable distance from the home of residence and the institution of higher learning, respectively; and
   (3) VA has determined that the individual resided in a county (or similar entity utilized by the Bureau of the Census) with less than seven persons per square mile based on the most recent decennial census prior to relocation, and either:
      (i) If traveling by land, physically relocated at least 500 miles, confirmed by means of a commonly available internet search engine for mapping upon entering the individual’s resident address provided in paragraph (c)(2) as the beginning point and the address of the institution of higher learning as the ending point; or
      (ii) If traveling by air, was unable to travel to the institution of higher learning by land due to the absence of road or other infrastructure.

§ 21.9690 **Nonduplication of educational assistance.**

(a) Except for receipt of a Montgomery GI Bill-Active Duty kicker provided under 38 U.S.C. 3015(d) or a Montgomery GI Bill-Selected Reserve kicker provided under 10 U.S.C. 16131(i), an eligible individual is barred from receiving educational assistance under 38 U.S.C. chapter 33 concurrently with educational assistance provided under—

(1) 10 U.S.C. 1606 (Montgomery GI Bill—Selected Reserve);

(2) 10 U.S.C. 1607 (Reserve Educational Assistance Program);

(3) 10 U.S.C. 106a (Section 901, Educational Assistance Test Program);

(4) 38 U.S.C. 30 (Montgomery GI Bill—Active Duty);

(5) 38 U.S.C. 31 (Vocational Rehabilitation and Employment Program);

(6) 38 U.S.C. 32 (Post-Vietnam Era Veterans' Educational Assistance);

(7) 38 U.S.C. 35 (Survivors' and Dependents' Educational Assistance); or

(8) Hostage Relief Act of 1980.

(Authority: 38 U.S.C. 3034(a), 3322, 3323(a), 3681; section 901, Pub. L. 96–342)

(b) An individual who is eligible for educational assistance under more than one program listed in paragraph (a) of this section must specify in writing which benefit he or she wishes to receive. The eligible individual may choose to receive payment under another educational assistance program at any time, but may not change which benefit he or she will receive more than once during a term, quarter, or semester.

(Authority: 38 U.S.C. 3034(a), 3322, 3323(a), 3681)

(c) **Nonduplication—Federal program.** Payment of educational assistance is prohibited to an otherwise eligible reservist—

(1) For a unit course or courses that are being paid for entirely or partly by the Armed Forces during any period in which he or she is on active duty service; or

(2) For a unit course or courses that are being paid for entirely or partly by the United States under the Government Employees' Training Act.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3681)

§ 21.9695 **Overpayments.**

(a) **Prevention of overpayments.** In administering educational assistance payable under 38 U.S.C. chapter 33, VA will apply the provisions of §§21.4008 and 21.4009 to eligible individuals and,
when appropriate, to institutions of higher learning.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3690(b))

(b) Liability for overpayments. (1) An overpayment of educational assistance paid to an eligible individual constitutes a liability of that individual unless—

(i) The overpayment was waived as provided in §§1.957 and 1.962 of this chapter, or

(ii) The overpayment results from an administrative error or an error in judgment. See §21.9635(r).

(2) An overpayment of educational assistance paid to the institution of higher learning on behalf of an eligible individual constitutes a liability of the individual unless the individual never attended the term, quarter, or semester certified by the institution of higher learning. If the individual never attended the term, quarter, or semester certified by the institution of higher learning, the institution must return to VA all educational assistance received under the provisions of 38 U.S.C. chapter 33 on behalf of the individual for such term, quarter, or semester.

(3) The amount of the overpayment of educational assistance paid to the eligible individual, or paid to the institution of higher learning on behalf of the eligible individual, constitutes a liability of the institution of higher learning if VA determines that the overpayment is the result of willful or negligent—

(i) False certification by the institution of higher learning; or

(ii) Failure to certify excessive absences from a course, discontinuance of a course, or interruption of a course by the eligible individual.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3685)

(iii) In determining whether an overpayment resulting from the actions listed in paragraphs (b)(3)(i) and (ii) of this section should be recovered from an institution of higher learning, VA will apply the provisions of §21.4009 (except paragraph (a)(11)) to overpayments of educational assistance under 38 U.S.C. chapter 33.

(4) VA will determine the amount of an overpayment as follows—

(i) For an individual who does not complete one or more courses in the certified period of enrollment for which he or she received payment, and who does not substantiate mitigating circumstances for not completing such course or courses, VA will establish an overpayment equal to the amount of educational assistance paid for the course or courses not completed during that certified period of enrollment.

(ii) For an individual who does not complete one or more courses in the certified period of enrollment, but who substantiates mitigating circumstances for not completing such course or courses, VA will prorate the amount of educational assistance to which he or she is entitled.

(A) VA will determine the prorated amount of the established charges by dividing the amount the individual was paid for the course or courses not completed by the number of days in the certified enrollment period, and multiplying the result by the number of days from the beginning date of the enrollment period through the last date of attendance. The result of this calculation will equal the amount the individual is due. The difference between the amount of educational assistance paid and the amount of educational assistance the individual is due for the course or courses not completed will be established as an overpayment.

(B) VA will determine the prorated amount of the monthly housing allowance by determining the amount the individual was entitled to while enrolled and subtracting that amount from the total amount paid. The difference between the amount of the monthly housing allowance paid and the amount of the monthly housing allowance the individual is due will be established as an overpayment.

(C) Individuals who have substantiated mitigating circumstances will not be charged an overpayment for the lump sum payment for books, supplies, equipment, and other educational costs ("book stipend").

(Authority: 38 U.S.C. 3034(a), 3323, 3685, 5302)
§ 21.9700  Yellow Ribbon Program.

(a) Establishment. The “Yellow Ribbon G.I. Education Enhancement Program,” known as the “Yellow Ribbon Program,” permits an institution of higher learning (IHL), at the IHL’s option, to enter into an agreement with VA to allow the two parties to provide matching funds to cover a portion of the outstanding amount of established charges not covered under 38 U.S.C. chapter 3313(c)(1)(A).

(b) Eligible individuals. This program is only available to individuals entitled to the 100 percent educational assistance rate (based on service requirements) as shown in the chart in §21.9640(a) or to their designated dependents using entitlement transferred under §21.9570, who are pursuing training at an eligible IHL.

(c) Eligible IHLs. This program is only available at IHLs located in the United States or at a branch of such IHL that is located outside the United States.

(d) Agreements. VA will enter into an agreement with an eligible IHL located in the United States seeking to participate in the Yellow Ribbon Program based on a general agreement format developed by VA in which the IHL must agree to—

(1) Provide contributions to eligible individuals who apply for such program at that institution (in a manner prescribed by the institution) on a first-come-first-served basis, regardless of the rate at which the individual is pursuing training (i.e., full-time versus less than full-time), during the academic year;

(2) Provide contributions during the current academic year and all subsequent academic years in which the IHL participates in the Yellow Ribbon Program and the student maintains satisfactory progress, conduct, and attendance according to the regularly prescribed standards of the institution;

(3) Limit contributions made on behalf of a participant to funds under the unrestricted control of the IHL (e.g., a scholarship sent directly to an IHL on behalf of an individual or specific group of individuals from a third party may not be included in Yellow Ribbon Program contributions). Funds received directly or indirectly from federal sources may not be counted toward contributions;

(4) State the maximum number of individuals for whom contributions will be made during the academic year;

(5) State the manner (whether by direct grant, scholarship, or otherwise) contributions will be made under the Yellow Ribbon Program;

(6) State the maximum dollar amount of contributions that may be provided on behalf of any particular individual during the academic year regardless of the rate at which the individual is pursuing training. IHLs may specify different contributions amounts—

(i) Based on student status (i.e., undergraduate, graduate, doctoral), or

(ii) For each subelement of the institution (i.e., college or professional school). The maximum amount specified for each subelement of the IHL will apply to all programs and disciplines offered under such subelement.

(7) Provide the maximum amount of contributions payable toward the unmet established charges to all participating individuals during each term, quarter, or semester the individual is enrolled if the IHL’s total contribution toward the individual’s unmet established charges for the term, quarter, or semester, do not exceed the maximum dollar amount payable during the academic year as specified in paragraph (d)(6) of this section.

(e) Centralized Agreements. IHLs with multiple campuses may enter into a single Yellow Ribbon Program Agreement if all participating branches and extensions—

(1) Are listed in the agreement;

(2) Are subject to the authority of the authorizing official signing the Yellow Ribbon Program Agreement; and

(3) Have a certifying official or other employee who meets the requirements of §21.4266(f)(3)(ii) and who has access to the terms of the Yellow Ribbon Program Agreement.

(f) Matching Contributions. VA will match each dollar provided by the school on behalf of an individual; however, the combined amount of contributions under the Yellow Ribbon Program may not exceed the remaining.

§ 21.9720 Certification of enrollment.

Except as stated in §21.9680, an institution of higher learning must certify an eligible individual’s enrollment before he or she may receive educational assistance.

(a) Institutions of higher learning must certify most enrollments. VA does not, as a condition of payment of tuition assistance top-up or advance payment, require institutions of higher learning to certify the enrollments of eligible individuals who either are seeking tuition assistance top-up or advance payment, require institutions of higher learning to certify the enrollments of eligible individuals who either are seeking tuition assistance top-up or advance payment, or in the cases described in §21.9715, are seeking an advance payment. VA does not require organizations or entities offering a licensing or certification test to certify that the eligible individual took the test. In all other cases, the institution of higher learning must certify the eligible individual’s enrollment before he or she may receive educational assistance. This certification must be in a form specified by the Secretary and contain such information as specified by the Secretary.

(Authority: 38 U.S.C. 3014(b), 3631, 3634(a), 3323(a), 3482(g), 3680, 3687, 3689, 5101(a))

(b) Length of the enrollment period covered by the enrollment certification. (1) Institutions of higher learning that offer courses on a term, quarter, or semester basis will report enrollment for the term, quarter, semester, ordinary school year, or ordinary school year plus summer term. If the certification covers two or more terms, the institution of higher learning will report each term, quarter, or semester separately.

(2) Institutions of higher learning organized on a year-round basis that do not offer courses on a term, quarter, or

§ 21.9710 Pursuit.

Except for an eligible individual seeking tuition assistance top-up or reimbursement for taking an approved licensing or certification test, an individual’s educational assistance depends upon his or her pursuit of a program of education. Verification of this pursuit is accomplished by various certifications.

(Authority: 38 U.S.C. 3014(b))

§ 21.9715 Advance payment certification.

All certifications required by this section shall be in a form specified by the Secretary and shall contain such information as specified by the Secretary. An advance payment under this chapter is only permissible to an individual whose rate of pursuit is greater than half-time, and who is entitled to the monthly housing allowance as provided in §21.9640(b)(1)(ii) or (b)(2)(ii).

(a) Certification needed before an advance payment can be made. In order for an individual to receive an advance payment of the monthly housing allowance, an application or other document must be signed by the individual or the enrollment certification must be signed by an authorized official of the institution of higher learning.

(Authority: 38 U.S.C. 3014(b), 3323(a), 3680(d))

(b) Advance payments. All certifications required by this paragraph shall be in a form specified by the Secretary and shall contain such information as specified by the Secretary.

(1) For each eligible individual receiving an advance payment, an institution of higher learning must—

(i) Verify enrollment for the individual; and

(ii) Verify the delivery of the advance payment check to the individual.

(2) Once the institution of higher learning has initially verified the enrollment of the individual, the individual, not the institution of higher learning, must make subsequent verifications in order to release further payment for that enrollment as provided in §21.9730.

(Authority: 38 U.S.C. 3014(b), 3323(a), 3680(d))

§ 21.9720 Certification of enrollment.

Except as stated in §21.9680, an institution of higher learning must certify an eligible individual’s enrollment before he or she may receive educational assistance.

(a) Institutions of higher learning must certify most enrollments. VA does not, as a condition of payment of tuition assistance top-up or advance payment, require institutions of higher learning to certify the enrollments of eligible individuals who either are seeking tuition assistance top-up or advance payment, or in the cases described in §21.9715, are seeking an advance payment. VA does not require organizations or entities offering a licensing or certification test to certify that the eligible individual took the test. In all other cases, the institution of higher learning must certify the eligible individual’s enrollment before he or she may receive educational assistance. This certification must be in a form specified by the Secretary and contain such information as specified by the Secretary.

(Authority: 38 U.S.C. 3014(b), 3631, 3634(a), 3323(a), 3482(g), 3680, 3687, 3689, 5101(a))

(b) Length of the enrollment period covered by the enrollment certification. (1) Institutions of higher learning that offer courses on a term, quarter, or semester basis will report enrollment for the term, quarter, semester, ordinary school year, or ordinary school year plus summer term. If the certification covers two or more terms, the institution of higher learning will report each term, quarter, or semester separately.

(2) Institutions of higher learning organized on a year-round basis that do not offer courses on a term, quarter, or

§ 21.9725 Progress and conduct.

(a) Satisfactory pursuit of program. In order to receive payments of educational assistance under 38 U.S.C. chapter 33 for pursuit of a program of education, an individual must maintain satisfactory progress. VA will discontinue payments of educational assistance if the individual does not maintain satisfactory progress. Progress is unsatisfactory if the individual does not satisfactorily progress according to the regularly prescribed standards of the institution of higher learning he or she is attending.

(b) Satisfactory conduct. In order to receive educational assistance for pursuit of a program of education, an individual must maintain satisfactory conduct according to the regularly prescribed standards and practices of the institution of higher learning in which he or she is enrolled. If the individual will no longer be retained as a student or will not be readmitted as a student by the institution of higher learning in which he or she is enrolled, VA will discontinue educational assistance, unless further development establishes that the institution of higher learning’s action is wrongfully retaliatory in nature.

(c) Satisfactory attendance. In order to receive educational assistance for pursuit of a program of education, an individual must maintain satisfactory attendance. VA will discontinue educational assistance if the individual does not maintain satisfactory attendance. Attendance is unsatisfactory if the individual does not attend according to the regularly prescribed standards of the institution of higher learning in which he or she is enrolled.

(d) Reentrance after discontinuance. (1) An eligible individual may be reentered following discontinuance because of unsatisfactory attendance, conduct, or progress when either:

   (i) The individual resumes enrollment at the same institution of higher learning in the same program of education and the institution of higher learning has both approved the individual’s reenrollment and certified it to VA; or

   (ii) VA determines that—

       (A) The cause of the unsatisfactory attendance, conduct or progress has been removed, and

       (B) The program that the individual now proposes to pursue is suitable to his or her aptitudes, interests, and abilities.

   (2) Reentrance may be for the same program, a revised program, or an entirely different program depending on the cause of the discontinuance and the removal of that cause.

§ 21.9735 Other required reports.

VA will apply the provisions of §21.7156 to individuals and institutions of higher learning under 38 U.S.C. chapter 33 as those provisions are applied to veterans and educational institutions under 38 U.S.C. chapter 30.
§ 21.9740 False, late, or missing reports.

(a) Eligible individual. Payments may not be based on false or misleading statements, claims or reports. VA will apply the provisions of §§21.4006 and 21.4007 to any individual who submits false or misleading claims, statements, or reports in connection with benefits payable under 38 U.S.C. chapter 33 in the same manner as they are applied to people who make similar false or misleading claims for benefits payable under 38 U.S.C. chapter 36.

(b) Institution of higher learning. (1) VA may hold an institution of higher learning liable for overpayments that result from the institution of higher learning’s willful or negligent failure to report excessive absences from a course, discontinuation of a course, or interruption of a course by an individual or from willful or negligent false certification by the institution of higher learning. See §21.9695(b).

(2) If an institution of higher learning willfully and knowingly submits a false report or certification, VA may disapprove that institution of higher learning’s programs of education for further enrollments and may discontinue educational assistance to eligible individuals already enrolled. In doing so, VA will apply §§21.4210 through 21.4216.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3680, 3690, 6103)

§ 21.9745 Reporting fee.

In determining the amount of the reporting fee payable to institutions of higher learning for furnishing required reports, VA will apply the provisions of §21.4206 in the same manner as they are applied in the administration of 38 U.S.C. chapter 36.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3690)

§ 21.9750 Course measurement.

VA will calculate an individual’s rate of pursuit of an approved program of education during the individual’s period of enrollment in accordance with this section. For the purpose of this chapter, VA will consider any rate of pursuit higher than 50 percent to be more than one-half time training.

(a) Measurement of courses reported in credit hours. If the courses are measured in credit hours, then the number of credit hours the individual is taking in a term, quarter, or semester will be divided by the minimum number of credit hours considered to be full-time pursuit in a term, quarter, or semester at the institution of higher learning as provided in paragraph (c) of this section. The resulting percentage will be the individual’s rate of pursuit.

(b) Measurement of courses reported in clock hours. If the courses are measured in clock hours, VA will—

(1) Convert the clock hours to equivalent credit hours by—

(i) Adding the total number of clock hours pursued during the term, quarter or semester;

(ii) Dividing the sum of paragraph (b)(1)(i) of this section by the total number of weeks in the term; and

(iii) Multiplying the result of paragraph (b)(1)(ii) of this section rounded to the nearest hundredth by—

(A) If the institution of higher learning measures courses using both credit and clock hours, the decimal determined by dividing the number of credit hours considered full-time at the institution by the number of clock hours considered full-time at the institution.

(B) If the institution of higher learning only measures courses using clock hours, the decimal determined by dividing 14 credit hours by the number of clock hours considered full-time at the institution.

(2) Divide the result of paragraph (b)(1) rounded to the nearest hundredth by the minimum number of credit hours considered to be full-time pursuit in a term, quarter, or semester as provided in paragraph (c) of this section. The resulting percentage will be the individual’s rate of pursuit.

(c) Fourteen credit hours are full-time unless the institution of higher learning certifies that all undergraduate students enrolled for 13 credit hours, or for 12 credit hours, are charged full-time tuition or are considered full-time for other administrative purposes.
§ 21.9765

(d) High school courses. If an individual using transferred entitlement is eligible for pursuit of a secondary school diploma or equivalency certificate, VA will determine the rate of pursuit in accordance with this paragraph. For individuals pursuing high school courses measured in—

(1) Credit hours, VA will use the formula in paragraph (a) of this section.

(2) Clock hours, VA will use the formula in paragraph (b) of this section.

(3) Units, VA will convert the units to credit hours as follows—

(i) Divide the total number of units required for the program of education by 4 (the number of ordinary school years generally required for completion);

(ii) Round the result of paragraph (d)(3)(i) of this section to the nearest whole number.

(iii) Multiply the result of paragraph (d)(3)(ii) of this section by:

(A) 1.0 to determine the number of units required for a rate of pursuit equal to 100 percent. This number is equivalent to 14 credit hours;

(B) .75 to determine the number of units required for a rate of pursuit equal to 75 percent. An individual will be considered to be enrolled in 10.5 credit hours for any number of units equal to or greater than the number determined in this paragraph but less than the number determined in paragraph (d)(3)(iii)(A) of this section;

(C) .50 to determine the number of units required for a rate of pursuit equal to 50 percent. An individual will be considered to be enrolled in 7 credit hours for any number of units equal to or greater than the number determined in this paragraph but less than the number determined in paragraph (d)(3)(iii)(B) of this section;

(D) .25 to determine the number of units required for a rate of pursuit equal to 25 percent. An individual will be considered to be enrolled in 3.5 credit hours for any number of units up to the number determined in paragraph (d)(3)(iii)(C) of this section. (Authority: 38 U.S.C. 3319(h))

The effective date of these Title IX regulations shall be September 29, 2000.

§ 23.105 Definitions.

As used in these Title IX regulations, the term:

Institution of graduate higher education means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

Recipient means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person, to whom Federal financial assistance is extended directly or through another recipient and that operates an education program or activity that receives such assistance, including any subunit, successor, assignee, or transferee thereof.

§ 23.110 Remedial and affirmative action and self-evaluation.

(a) Remedial action. If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) Affirmative action. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964–1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966–1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966–1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) Availability of self-evaluation and related materials. Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 23.115 Assurance required.

(a) General. Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §23.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended to provide real property or
structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) Form. (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681–1683, 1685–1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant’s or recipient’s grantees, contractors, subcontractors, transferees, or successors in interest.

§ 23.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§23.205 through 23.235(a).

§ 23.125 Effect of other requirements.

(b) Effect of State or local law or other requirements. The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) Effect of rules or regulations of private organizations. The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility of any applicant or student, on the basis of sex, to participate in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 23.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 23.135 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance.

(b) Complaint procedure of recipient. A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

§ 23.140 Dissemination of policy.

(a) Notification of policy. (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment there, and to admission thereto unless §§23.300 through 23.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to §23.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) Distribution. Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of nondiscrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 23.445 Marital or parental status.

(a) Status generally. A recipient shall not apply any rule concerning a student’s actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) Pregnancy and related conditions.

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 23.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student’s physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 23.450 Athletics.

(a) General. No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) Separate teams. Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) Equal opportunity. (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) The provision of equipment and supplies;

(iii) Scheduling of games and practice time;
(iv) Travel and per diem allowance;  
(v) Opportunity to receive coaching and academic tutoring;  
(vi) Assignment and compensation of coaches and tutors;  
(vii) Provision of locker rooms, practice, and competitive facilities;  
(viii) Provision of medical and training facilities and services;  
(ix) Provision of housing and dining facilities and services;  
(x) Publicity.  
(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) Adjustment period. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 23.455 Textbooks and curricular material.

§ 23.500 Employment.

(a) General. (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§23.500 through 23.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) Application. The provisions of §§23.500 through 23.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;  
(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

§ 23.505 Employment criteria.  
A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:  
(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and  
(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.  

§ 23.510 Recruitment.  
(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated against so as to overcome the effects of such past or present discrimination.  
(b) Recruitment patterns. A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§23.500 through 23.550.  

§ 23.515 Compensation.  
A recipient shall not make or enforce any policy or practice that, on the basis of sex:  
(a) Makes distinctions in rates of pay or other compensation;  
(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.  

§ 23.520 Job classification and structure.  
A recipient shall not:  
(a) Classify a job as being for males or for females;  
(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or  
(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements that classify persons on the basis of sex, unless sex is a bona fide occupational qualification for the positions in question as set forth in §23.550.  

§ 23.525 Fringe benefits.  
(a) “Fringe benefits” defined. For purposes of these Title IX regulations, fringe benefits means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of §23.515.  
(b) Prohibitions. A recipient shall not:  
(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;  
(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or  
(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.
§ 23.530 Marital or parental status.
(a) General. A recipient shall not apply any policy or take any employment action:
(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or
(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee’s or applicant’s family unit.

(b) Pregnancy. A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) Pregnancy as a temporary disability. Subject to § 23.535(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) Pregnancy leave. In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 23.535 Effect of state or local law or other requirements.
(a) Prohibitory requirements. The obligation to comply with §§ 23.500 through 23.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) Benefits. A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§ 23.540 Advertising.

§ 23.545 Pre-employment inquiries.
(a) Marital status. A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is “Miss” or “Mrs.”

(b) Sex. A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 23.550 Sex as a bona fide occupational qualification.
A recipient may take action otherwise prohibited by §§ 23.500 through 23.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet.
§ 23.600 Notice of covered programs.

Within 60 days of September 29, 2000, each Federal agency that awards Federal financial assistance shall publish in the FEDERAL REGISTER a notice of the programs covered by these Title IX regulations. GENERAL PROVISIONS

§ 36.4203 Eligibility of the veteran for the manufactured home loan benefit under 38 U.S.C. 3712.

(a) To be eligible for the manufactured home loan benefit a veteran must have loan guaranty entitlement for manufactured home purposes available for use. Notwithstanding the provisions of §36.4205(e), the Secretary may exclude the amount of guaranty entitlement used for any guaranteed manufactured home loan provided:

(1) The property which served as security for the loan has been disposed of by the veteran, or has been destroyed by fire or other natural hazard; and

(2) (i) The loan has been repaid in full or the Secretary has been released from liability as to the loan, or if the Secretary has suffered a loss on said loan, such loss has been paid in full; or

(ii) A veteran-transferee has agreed to assume the outstanding balance on the loan and consented to the use of his or her entitlement to the extent the entitlement of the veteran-transferor had been used originally, and the veteran-transferee otherwise meets the requirements of 38 U.S.C. chapter 37.

(3) In a case in which the veteran still owns a property purchased with a VA-guaranteed loan, the Secretary may, one time only, restore entitlement if:

(1) The loan has been repaid in full, or, if the Secretary has suffered a loss on the loan, the loss has been paid in full; or

(ii) The Secretary has been released from liability as to the loan and, if the Secretary has suffered a loss on the loan, the loss has been paid in full.

(4) The Secretary may, in any case involving circumstances deemed appropriate, waive either or both of the requirements set forth in paragraphs (a)(1) and (a)(2)(i) of this section.

(Authority: 38 U.S.C. 3702, 3712)

The Secretary may, in any case involving circumstances deemed appropriate, waive either or both of the requirements set forth in paragraph (a) of this section.

(b) A veteran may use his or her remaining home loan guaranty entitlement for any purpose authorized by 38 U.S.C. 3710, 3711, or 3712 except that a veteran who has purchased a manufactured home unit may not purchase a second manufactured home unit until the unit which secured the first loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard.
(c) The available entitlement of a veteran will be determined by the Secretary as of the date of receipt of an application for guaranty of a manufactured home loan or loan report. Such date of receipt shall be the date the application or loan report is date stamped into the Department of Veterans Affairs. Eligibility derived from the most recent period of service (1) shall cancel any unused entitlement derived from any earlier period of service, and (2) shall be reduced by the amount by which entitlement from service during any earlier period has been used to obtain a direct, guaranteed, or insured loan:
   (1) On property which the veteran owns at the time of application; or
   (2) As to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary the resulting indebtedness of the veteran to the United States has been paid in full.

Provided, That if the Secretary issues or has issued a certificate of commitment covering the loan described in the application for guaranty or in the loan report, the amount and percentage of guaranty contemplated by the certificate of commitment shall not be subject to reduction if the loan has been or is closed on a date which is not later than the expiration date of the certificate of commitment, notwithstanding that the Secretary in the meantime and prior to the issuance of the evidence of guaranty shall have incurred actual liability or loss on a direct, guaranteed, or insured loan previously obtained by the borrower. For the purposes of this paragraph, the Secretary will be deemed to have incurred an actual loss if the loan is in default.

(3) If a veteran previously secured a manufactured home loan, the amount of entitlement used for manufactured home purposes is subtracted from $36,000. The sum remaining is the amount of available entitlement for use for home loan purposes only. To determine the amount of additional entitlement available for manufactured home purposes, the amount of entitlement previously used for manufactured home purposes, the amount of entitlement used for manufactured home purposes is subtracted from $20,000. Except for manufactured home loans to be obtained pursuant to 38 U.S.C. 3712(a)(1)(F) or (G), the sum remaining is the amount of available entitlement for use for manufactured home purposes.

(c) For the purpose of computing the remaining guaranty benefit to which a veteran is entitled, manufactured home and manufactured home lot loans guaranteed prior to October 1, 1978, shall be taken into consideration as if made subsequent thereto, and the veteran’s entitlement will be reduced by the amount of the Secretary’s guaranty issued in the particular loan transaction.

(d) A guaranty is reduced or increased pro rata with any deduction or increase in the amount of the guaranteed indebtedness, but in no event will the amount payable on a guaranty exceed the amount of the original guaranty or the percentage of the indebtedness corresponding to that of the original guaranty.

(e) The amount of any guaranty for a manufactured home or manufactured home lot loan shall be charged against the original or remainder of the borrower’s guaranty benefit available for manufactured home purposes. Complete or partial liquidation, by payment or otherwise, of the veteran’s guaranteed indebtedness does not increase the remainder of the guaranty benefit, if any, otherwise available to

631
the veteran. When the maximum guaranty available legally to a veteran for manufactured home purposes shall have been granted, no further guaranty for manufactured home purposes shall be available to the veteran.

(f)(1) The amount of guaranty entitlement, available and unused, of an eligible unremarried surviving spouse (whose eligibility does not result from his or her own service) is determinable in the same manner as in the case of any veteran, and any entitlement which the decedent (who was his or her spouse) used shall be disregarded. A certificate as to the eligibility of such surviving spouse, issued by the Secretary, shall be a condition precedent to the guaranty or insurance of any loan made to a surviving spouse in such capacity.

(Authority: 38 U.S.C. 3701(a)(2), 3712(c)(4))

(2) For the purpose of obtaining an interest rate reduction refinancing loan pursuant to 38 U.S.C. 3712(a)(1)(F'), an unmarried surviving spouse who was a co-obligor under an existing Department of Veterans Affairs guaranteed loan shall be considered to be eligible for the 38 U.S.C. 3712(a)(1)(F) benefit.

(Authority: 38 U.S.C. 3712(a)(4)(C))

(g) Any evidence of guaranty issued by the Secretary in respect to such loan shall be conclusive evidence of the eligibility of the loan for guaranty and of the amount of such guaranty. Provided, however, That the Secretary may establish against the original lender, defenses based on fraud or material misrepresentation and that the Secretary may by regulations in force at the date of such issuance establish partial defenses to the amount payable on the guaranty.

§ 36.4206 Underwriting standards, occupancy, and non-discrimination requirements.

(a) Except for refinancing loans pursuant to 38 U.S.C. 3712(a)(1)(F'), no loan shall be guaranteed unless the terms of repayment bear a proper relationship to the veteran's present and anticipated income and expenses, and the veteran is a satisfactory credit risk, as determined by use of the standards in §36.4337 of this part.

(Authority: 38 U.S.C. 3712)

(b) Use of the standards in §36.4337 of this part for underwriting manufactured home loans will be waived only in extraordinary circumstances.

(Authority: 38 U.S.C. 3712)

(c) The lender responsibilities contained in §36.4337 of this part and the certification required and penalties to be assessed under §36.4337A of this part against lenders making false certifications also apply to lenders originating VA guaranteed manufactured home loans under the authority of 38 U.S.C. 3712.

(Authority: 38 U.S.C. 3712)

(d) No loan shall be guaranteed pursuant to 38 U.S.C. 3712(a)(1) unless:

1. The veteran certifies, in such form as the Secretary shall prescribe, that he or she will personally occupy the property as his or her home or, if the veteran is on active duty status as a member of the Armed Forces and is for that reason unable to occupy the property, the veteran's spouse must certify that he or she will personally occupy the property as his or her home. For the purposes of this section, the words personally occupy the property as his or her home mean that the veteran as of the date of his or her certification actually lives in the property personally as his or her residence or actually intends upon completion of the loan and acquisition of the manufactured home to move into the home personally within a reasonable time and to utilize the home as his or her residence.

2. The veteran certifies, in such form as the Secretary shall prescribe that:

(Authority: 38 U.S.C. 3712(a)(4)(C))

(g) Any evidence of guaranty issued by the Secretary in respect to such loan shall be conclusive evidence of the eligibility of the loan for guaranty and of the amount of such guaranty. Provided, however, That the Secretary may establish against the original lender, defenses based on fraud or material misrepresentation and that the Secretary may by regulations in force at the date of such issuance establish partial defenses to the amount payable on the guaranty.

§ 36.4206 Underwriting standards, occupancy, and non-discrimination requirements.

(a) Except for refinancing loans pursuant to 38 U.S.C. 3712(a)(1)(F'), no loan shall be guaranteed unless the terms of repayment bear a proper relationship to the veteran’s present and anticipated income and expenses, and the veteran is a satisfactory credit risk, as determined by use of the standards in §36.4337 of this part.

(Authority: 38 U.S.C. 3712)

(b) Use of the standards in §36.4337 of this part for underwriting manufactured home loans will be waived only in extraordinary circumstances.

(Authority: 38 U.S.C. 3712)

(c) The lender responsibilities contained in §36.4337 of this part and the certification required and penalties to be assessed under §36.4337A of this part against lenders making false certifications also apply to lenders originating VA guaranteed manufactured home loans under the authority of 38 U.S.C. 3712.

(Authority: 38 U.S.C. 3712)

(d) No loan shall be guaranteed pursuant to 38 U.S.C. 3712(a)(1) unless:

1. The veteran certifies, in such form as the Secretary shall prescribe, that he or she will personally occupy the property as his or her home or, if the veteran is on active duty status as a member of the Armed Forces and is for that reason unable to occupy the property, the veteran’s spouse must certify that he or she will personally occupy the property as his or her home. For the purposes of this section, the words personally occupy the property as his or her home mean that the veteran as of the date of his or her certification actually lives in the property personally as his or her residence or actually intends upon completion of the loan and acquisition of the manufactured home to move into the home personally within a reasonable time and to utilize the home as his or her residence.

2. The veteran certifies, in such form as the Secretary shall prescribe that:

(Authority: 38 U.S.C. 3712(a)(4)(C))

(g) Any evidence of guaranty issued by the Secretary in respect to such loan shall be conclusive evidence of the eligibility of the loan for guaranty and of the amount of such guaranty. Provided, however, That the Secretary may establish against the original lender, defenses based on fraud or material misrepresentation and that the Secretary may by regulations in force at the date of such issuance establish partial defenses to the amount payable on the guaranty.

(i) The veteran recognizes that any restrictive covenant on the property relating to race, color, religion, sex, handicap, familial status, or national origin is illegal and void and any such covenant is specifically disclaimed; and

(ii) The veteran understands that civil action for preventive relief may be brought by the Attorney General of the United States in any appropriate U.S. district court against any person responsible for a violation of the applicable law.

§ 36.4207 Manufactured home standards.

(a) Meet the following dimensional requirements.

(1) A single-wide unit must be a minimum of ten (10) feet wide and have a minimum floor area of four hundred (400) square feet.

(2) A double-wide unit, when assembled, must be a minimum of twenty (20) feet wide and have a minimum floor area of seven hundred (700) square feet.

(b) Be so constructed as to be towed on its own chassis and undercarriage and/or independent undercarriage;

(c) Contain living facilities for year around occupancy by one family, including permanent provisions for heat, sleeping, cooking, and sanitation; and

(Authority: 38 U.S.C. 3712(h)(1))

§ 36.4208 Manufactured home location standards.

(a) Any rental site on which a manufactured home to be purchased with a guaranteed loan will be placed must qualify as an acceptable rental site as follows:

(1) Be located within a manufactured home park or subdivision which is acceptable to the Department of Veterans Affairs; or

(2) Be a site which is not within a manufactured home park or subdivision provided that (i) the site is determined by the Department of Veterans Affairs to be an acceptable rental site, or (ii) in the absence of a determination by the Department of Veterans Affairs in respect to such site the manufactured home purchaser and the dealer certify to the Secretary as follows:

(A) Placement of the manufactured home on the site or lot is not a violation of zoning laws or other local requirements applicable to manufactured homes;

(B) The site or lot is served by water and sanitary facilities which are approved by the local public authority and which are acceptable to the Department of Veterans Affairs;

(C) The site or lot is served by an all-weather street or road;

(D) The site or lot is not known to be subject to conditions that may be hazardous to the health or safety of the manufactured home occupants or that may endanger the manufactured home; and

(E) The site is free from, and the location of the manufactured home thereon will not substantially contribute to, adverse scenic or environmental conditions.

(b) No manufactured home purchased with a guaranteed loan may be placed on a lot owned by an eligible veteran or on a lot to be purchased or improved with the proceeds of a guaranteed manufactured home loan unless the lot owned or to be so purchased or improved is determined by the Department of Veterans Affairs to be an acceptable manufactured home site.

(c) A manufactured home park or subdivision which is not approved by the Federal Housing Administration will be acceptable to the Department of Veterans Affairs for the purpose of 38 U.S.C. 3712 if the Secretary determines that the park or subdivision, whether existing or proposed, (1) is designed to encourage the maintenance and development of manufactured home sites which will be free from, and not substantially contribute to, adverse scenic and environmental conditions, and (2) complies otherwise with the applicable standards for planning,
§ 36.4209 Reporting requirements.

(a) Each loan proposed for guaranty under 38 U.S.C. 3712 shall, unless otherwise provided in the § 36.4200 series, be submitted to the Secretary for approval prior to closing. The Secretary upon determining any such proposed loan to be eligible for guaranty will issue a certificate of commitment.

(b) Except as provided in paragraph (c) of this section, a certificate of commitment shall entitle the holder to the issuance of the evidence of guaranty upon the ultimate actual payment of the full proceeds of the loan for the purposes described in the original report and upon the submission within 60 days thereafter of a supplemental report showing such fact and:

1. That the loan conforms to the terms of the certificate of commitment;
2. The identity of all property purchased therewith, including the itemized list required by § 36.4204(f);
3. That all property purchased with the proceeds of the loan has been encumbered as required by the § 36.4200 series;
4. In respect to any property purchased with the loan proceeds as to which the Secretary issued a certificate of reasonable value which was conditioned upon completion of any construction, repairs, alterations or improvements not inspected and approved subsequent to completion by a compliance inspector designated by the Secretary that such construction, repairs, alterations or improvements have been completed according to the plans and specifications upon which such reasonable value was based; and
5. That the loan conforms otherwise to the applicable provisions of 38 U.S.C. chapter 37 and § 36.4200 series.

(c) A deviation of more than five (5) percent between the estimates upon which the certificate of commitment was issued and the report of final payment of the proceeds of the loan, or a change in the identity of the property acquired by the veteran with the loan proceeds will invalidate the certificate of commitment, unless such deviation or change is approved by the Secretary.

(d) Upon the failure of the lender to report in accordance with paragraph (b) of this section, the certificate of commitment shall have no further effect; Provided, nevertheless, That if the loan otherwise meets the requirements of this section, said certificate of commitment may be given effect by the Secretary, notwithstanding the report is received after the date otherwise required.

(e) Subject to compliance with the regulations concerning guaranty of manufactured home loans to veterans, the Certificate of Guaranty will be issuable within the available entitlement of the veteran on the basis of the loan reported, except for refinancing loans for interest rate reductions. No certificate of commitment shall be issued, and no loan shall be guaranteed, unless the lender, the veteran, and the loan are shown to be eligible; nor shall guaranty be issued on any manufactured home loan unless the Secretary determines that there has been compliance by the veteran with the certification requirements of 38 U.S.C. 3712(e)(5).

(f) Any amount of the loan that is disbursed for an ineligible purpose shall be excluded in computing the amount of guaranty.

(g) Approval by the Secretary pursuant to 38 U.S.C. 3712(c)(1) is required before a lender may close manufactured home loans or manufactured home lot loans on the automatic basis. Evidence of guaranty will be issuable if the loan closed on the automatic basis is reported to the Secretary within 60 days of full disbursement, and upon certification of the lender that no default exists thereunder which has continued for more than 30 days and that the loan complies with paragraphs (b)(2), (3), (4), and (5), (e), and (f) of this section. Upon the failure of the lender to report in accordance with this paragraph the loan will not be eligible for guaranty unless the lender submits with the report a certification that the

loan is not in default and an explanation as to why the loan was not timely reported.

(Authority: 38 U.S.C. 3712 (c)(1) and (g))

(h) With respect to any loan for which a commitment was made on or after March 1, 1988, the Secretary must be notified whenever the holder receives knowledge of disposition of a manufactured home and/or lot securing a Department of Veterans Affairs guaranteed loan.

(1) If the seller applies for prior approval of the assumption of the loan, then:

(i) A holder (or its authorized servicing agent) who is an automatic lender must examine the creditworthiness of the purchaser and determine compliance with the provisions of 38 U.S.C. 3714. The creditworthiness review must be performed by the party that has automatic authority. If both the holder and its servicing agent are automatic lenders, then they must decide between themselves which one will make the determination of creditworthiness, whether the loan is current and whether there is a contractual obligation to assume the loan, as required by 38 U.S.C. 3714. If the actual loan holder does not have automatic authority and its servicing agent is an automatic lender, then the servicing agent must make the determinations required by 38 U.S.C. 3714 on behalf of the holder. The actual holder will remain ultimately responsible for any failure of its servicing agent to comply with the applicable law and Department of Veterans Affairs regulations.

(A) If the assumption is approved and the transfer of the security is completed, then the notice required by this paragraph shall consist of the credit package (unless previously provided in accordance with paragraph (h)(1)(i)(B) of this section) and a copy of the executed deed, bill of sale, transfer of equity agreement, and/or assumption agreement as required by the VA office of jurisdiction. The notice shall be submitted to the Department of Veterans Affairs with the Department of Veterans Affairs receipt for the funding fee provided for in §36.4254(d)(3) of this part.

(B) If the application for assumption is disapproved, the holder shall notify the seller and the purchaser that the decision may be appealed to the Department of Veterans Affairs office of jurisdiction within 30 days. The holder shall make available to that Department of Veterans Affairs office all items used by the holder in making the holder’s decision in case the decision is appealed to the Department of Veterans Affairs. If the application remains disapproved after 60 days (to allow time for appeal to and review by the Department of Veterans Affairs) then the holder must refund $50 of any fee previously collected under the provisions of §36.4275(a)(3)(iii) of this part. If the application is subsequently approved and the sale is completed, then the holder (or its authorized servicing agent) shall provide the notice described in paragraph (h)(1)(i)(A) of this section.

(C) In performing the requirements of paragraphs (h)(1)(i)(A) or (h)(1)(i)(B) of this section the holder must complete its examination of the creditworthiness of the prospective purchaser and advise the seller of its decision no later than 45 days after the date of receipt by the holder of a complete application package for the approval of the assumption. The 45-day period may be extended by an interval not to exceed the time caused by delays in processing of the application which are documented as beyond the control of the holder, such as employers or depositories not responding to requests for verifications, which were timely forwarded, or followups on those requests.

(ii) If neither the holder nor its authorized servicing agent is an automatic lender, the notice to the Department of Veterans Affairs shall include:

(A) Advice regarding whether the loan is current or in default;

(B) A copy of the purchase contract; and

(C) A complete credit package developed by the holder which the Secretary may use for determining the creditworthiness of the purchaser.

(D) The notice and documents required by this section must be submitted to the Department of Veterans Affairs office of jurisdiction no later than 35 days after the date of receipt.
§ 36.4210 Joint loans.

(a) Except as provided in paragraph (b) of this section, the prior approval of the Secretary is required in respect to any manufactured home loan to be made to two or more borrowers who become jointly and severally liable, or jointly liable therefor, and who will acquire an undivided interest in the property to be purchased or who will otherwise share in the proceeds of the loan, or in respect to any loan to be made to an eligible veteran whose interest in the property owned, or to be acquired with the loan proceeds, is an undivided interest only. The amount of the guaranty shall be computed in such cases only on that portion of the loan allocable to the eligible veteran which, taking into consideration all relevant factors, represents the proper contribution of the veteran to the transaction. Such loans shall be secured to the extent required by 38 U.S.C. chapter 37 and the regulations concerning guaranty of manufactured home loans to veterans.

(b) Notwithstanding the provisions of paragraph (a) of this section, the joiner of the spouse of a veteran-borrower in the ownership of property shall not require prior approval or preclude the issuance of a guaranty based upon the entire amount of the loan. If both spouses be eligible veterans, either or both, within permissible maxima, may utilize available guaranty entitlement.

(c) For the purpose of determining the rights and the liabilities of the Secretary with respect to a loan subject to paragraph (a) of this section, credits legally applicable to the entire loan shall be applied as follows:

(1) Prepayments made expressly for credit to that portion of the indebtedness allocable to the veteran shall be applied to such portion of the indebtedness. All other payments shall be applied ratably to those portions of the loan allocable respectively to the veteran and to the other debtors.

(2) Proceeds of the sale or other liquidation of the security shall be applied ratably to the respective portions of the loan, such portion of the proceeds as represents the interest of the veteran being applied to that portion of the loan allocable to such veteran.

(Authority: 38 U.S.C. 3703(c)(1))

§ 36.4211 Amortization—prepayment.

(a) To be eligible for guaranty under 38 U.S.C. 3712 a loan shall be amortized

(Authority: 38 U.S.C. 3712(e)(1))
fully within the term of the loan in accordance with any generally recognized plan of amortization requiring approximately equal monthly payments. The loan shall not be payable on demand or at sight or presentation, or at a time not specified or computable from the language in the evidence of indebtedness, or on a renewal basis at the option of the holder. The first payment may be deferred not longer than 2 months from the date the loan is closed.

(b) No guaranteed loan security instrument shall contain any provision giving the holder a right to declare the loan due or otherwise to declare a default if the holder “shall feel insecure” or upon the occurrence of any similar condition at the holder’s option, without regard to any act or omission by the debtor.

(c) The debtor shall have the right, without penalty or fee, to prepay all or not less than one installment of the indebtedness at any time. Credit for any partial prepayment made on other than an installment due date may be postponed to the next installment due date. The holder and the debtor may agree at any time that any prepayment not previously applied in satisfaction of matured installments shall be reapplied for the purpose of curing or preventing any subsequent default. Any prepayment in full of the indebtedness (unpaid principal balance plus earned interest) shall be credited on the date received. In determining the amount required to prepay the indebtedness in full the holder of the loan shall exclude all unearned interest or discount.

(d) Subject to paragraph (a) of this section any amounts which under the terms of a loan do not become due and payable on or before the last maturity date permissible for loans of its class under the limitations contained in §36.4204 shall automatically fall due on such date.

§36.4212 Interest rates and late charges.

(a) In guaranteeing or insuring loans under 38 U.S.C. chapter 37, the Secretary may elect to require that such loans either bear interest at a rate that is agreed upon by the veteran and the lender, or bear interest at a rate not in excess of a rate established by the Secretary. The Secretary may, from time to time, change that election by publishing a notice in the Federal Register. Provided, however, that the interest rate of a loan for the purpose of an interest rate reduction under 38 U.S.C. 3712(a)(1)(F) must be less than the interest rate of the VA loan being refinanced. This paragraph (a) does not apply in the case of an adjustable rate mortgage being refinanced with a fixed rate loan.

Authority: 38 U.S.C. 3703, 3712

(b) For loans bearing an interest rate agreed upon by the veteran and the lender, the veteran may pay reasonable discount points in connection with the loan. The discount points may not be included in the loan amount, except for interest rate reduction refinancing loans under 38 U.S.C. 3712(a)(1)(F).

Authority: 38 U.S.C. 3703, 3712

(c) The rate of interest in instruments securing the indebtedness for all loans may be expressed in terms of add-on or discount.

Authority: 38 U.S.C. 3710, 3712

(d) Interest in excess of the rate reported by the lender when requesting evidence of guaranty or insurance shall not be payable on any advance, or in the event of any delinquency or default; Provided, that a late charge not in excess of an amount equal to 4 percent of any installment paid more than 15 days after due date shall not be considered a violation of this limitation.

Authority: 38 U.S.C. 3712

(e) Adjustable rate mortgage loans which comply with the requirements of this paragraph are eligible for guaranty.

(1) Interest rate index. Changes in the interest rate charged on an adjustable rate mortgage must correspond to changes in the weekly average yield on one year (52 week) Treasury bills adjusted to a constant maturity. Yields on one year Treasury bills at “constant maturity” are interpolated by the United States Treasury from the daily yield curve. This curve, which relates the yield on the security to its time to
maturity, is based on the closing market bid yields on actively traded one year Treasury bills in the over-the-counter market. The weekly average one year constant maturity Treasury bill yields are published by the Federal Reserve Board of the Federal Reserve System. The Federal Reserve Statistical Release Report H.15 (519) is released each Monday. These one year constant maturity Treasury bill yields are also published monthly in the Federal Reserve Bulletin, published by the Federal Reserve Board of the Federal Reserve System, as well as quarterly in the Treasury Bulletin, published by the Department of the Treasury.

(2) Frequency of interest rate changes. Interest rate adjustments must occur on an annual basis, except that the first adjustment may occur not sooner than 12 months nor later than 18 months from the date of the borrower’s first mortgage payment. The adjusted rate will become effective the first day of the month following the adjustment date; the first monthly payment at the new rate will be due on the first day of the following month. To set the new interest rate, the lender will determine the change between the initial (i.e., base) index figure and the current index figure. The initial index figure shall be the most recent figure available before the date of mortgage loan origination. The current index figure shall be the most recent index figure available 30 days before the date of each interest rate adjustment.

(3) Method of rate changes. Interest rate changes may only be implemented through adjustments to the borrower’s monthly payments.

(4) Initial rate and magnitude of changes. The initial contract interest rate of an adjustable rate mortgage shall be agreed upon by the lender and the veteran. The rate must be reflective of adjustable rate lending. Annual adjustments in the interest rate shall be set at a certain spread or margin over the interest rate index prescribed in paragraph (e)(1) of this section. Except for the initial rate, this margin shall remain constant over the life of the loan. Annual adjustments to the contract interest rate shall correspond to annual changes in the interest rate index, subject to the following conditions and limitations:

(i) No single adjustment to the interest rate may result in a change in either direction of more than one percentage point from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of one percentage point may not be carried over for inclusion in an adjustment in a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than five percentage points from the initial contract interest rate.

(ii) At each adjustment date, changes in the index interest rate, whether increases or decreases, must be translated into the adjusted mortgage interest rate, rounded to the nearest one-eighth of one percent, up or down. For example, if the margin is 2 percent and the new index figure is 6.06 percent, the adjusted mortgage interest rate will be 8 percent. If the margin is 2 percent and the new index figure is 6.07 percent, the adjusted mortgage interest rate will be 8 1/8 percent.

(5) Pre-loan disclosure. The lender shall explain fully and in writing to the borrower, no later than on the date upon which the lender provides the prospective borrower with a loan application, the nature of the obligation taken. The borrower shall certify in writing that he or she fully understands the obligation and a copy of the signed certification shall be placed in the loan folder and included in the loan submission to VA. Such lender disclosure must include the following items:

(i) The fact that the mortgage interest rate may change, and an explanation of how changes correspond to changes in the interest rate index;

(ii) Identification of the interest rate index, its source of publication and availability;

(iii) The frequency (i.e., annually) with which interest rate levels and monthly payments will be adjusted, and the length of the interval that will precede the initial adjustment; and

(iv) A hypothetical monthly payment schedule that displays the maximum potential increases in monthly payments to the borrower over the first
five years of the mortgage, subject to the provisions of the mortgage instrument.

(6) Annual disclosure. At least 25 days before any adjustment to a borrower’s monthly payment may occur, the lender must provide a notice to the borrower which sets forth the date of the notice, the effective date of the change, the old interest rate, the new interest rate, the new monthly payment amount, the current index and the date it was published, and a description of how the payment adjustment was calculated. A copy of the annual disclosure shall be made a part of the lender’s permanent record on the loan.

§ 36.4213 Capacity of parties.

Nothing in the § 36.4200 series shall be construed to relieve any lender of responsibility for any loss caused by lack of legal capacity of any person to contract, sell, convey or encumber, or by the existence of other legal disability or defects invalidating or rendering unenforceable in whole or in part either the loan obligation or the security therefor.

§ 36.4214 Geographical limits.

The site for any manufactured home purchased with a guaranteed loan must be located within the United States of America, which for the purposes of 38 U.S.C. 3712 comprises the several States, the Territories and possessions of the United States, the District of Columbia, the Commonwealth of Puerto Rico and the Commonwealth of the Northern Mariana Islands.

§ 36.4215 Maintenance of records.

(a) The holder shall maintain a record of the amounts of payments received on the obligation and disbursements chargeable thereto and the dates thereof. This record shall be maintained until the Secretary ceases to be liable as guarantor of the loan. For the purpose of any accounting with the Secretary or computation of claim against the Secretary, any holder who fails to maintain such record shall be presumed to have received on the dates due all sums which by the terms of the contract are payable prior to date of claim, and the burden of going forward with evidence and of ultimate proof of the contrary shall be on such holder.

(b) The lender shall retain copies of all loan origination records on VA guaranteed loan for at least one year from the date of loan closing. Loan origination records include the loan application, including any preliminary application, verifications of employment and deposit, all credit reports, including preliminary credit reports, copies of each sales contract and addendums, letters of explanation for adverse credit items, discrepancies and the like, direct references from creditors, correspondence with employers, appraisal reports, reports on other inspections of the property, and all closing papers and documents.

(Authority: 38 U.S.C. 501, 3703(c)(1), 3712(g))

(c) The Secretary has the right to inspect, examine, or audit, at a reasonable time and place, the records or accounts of a lender or holder pertaining to loans guaranteed by the Secretary.

(Recordkeeping requirements contained in §36.4215 were approved by the Office of Management and Budget under OMB control number 2900-0515)

§ 36.4217 Delivery of notice.

Any notice required by the §36.4200 series to be given the Secretary must be in writing or such other communications medium as may be approved by an official designated in §36.4221(b) and delivered, by mail or otherwise, to the VA office at which the guaranty was issued, or to any changed address of which the holder has been given notice. Such notice must plainly identify the case by setting forth the name of the original veteran-obligor and the file number assigned to the case by the Secretary, if available, or otherwise the name and serial number of the veteran. If mailed, the notice shall be by certified mail when so provided by the
§ 36.4218 Payment in full; termination of guaranty.

Upon full satisfaction of a guarantied loan by payment or otherwise the instrument evidencing the guaranty shall be returned to the Department of Veterans Affairs office issuing the same with the holder’s cancellation or endorsement of release thereon.

§ 36.4219 Incorporation by reference.

Department of Veterans Affairs regulations issued under 38 U.S.C. 3712, and in effect on the date of any loan which is submitted and accepted or approved for a guaranty thereunder, shall govern the rights, duties, and liabilities of the parties to such loan and any provisions of the loan instruments inconsistent with such regulations are hereby amended and supplemented to conform thereto.

§ 36.4220 Substantive and procedural requirements; waiver.

(b) No waiver, consent, or approval required or authorized by the regulations concerning guaranty of loans to veterans shall be valid unless in writing signed by the Secretary or the employee designated in §36.4221.

§ 36.4221 Delegation of authority.

(a) Except as hereinafter provided, each employee of the Department of Veterans Affairs heretofore or hereafter appointed to, or lawfully filling, any position designated in paragraph (b) of this section is hereby delegated

(a) The holder shall require insurance policies to be procured and maintained in an amount sufficient to protect the security against risks or hazards to which it may be subjected to the extent customary in the locality. § 36.4223

Interest rate reduction refinancing loan.

(a) A veteran may refinance [38 U.S.C. 3712(a)(1)(F)] an existing Department of Veterans Affairs guaranteed loan to reduce the interest rate payable on the Department of Veterans Affairs loan provided the following requirements are met:

(1) The loan application must be submitted to the Secretary for prior approval unless the veteran is not charged a discount, in which case the loan application may be processed on the automatic basis;

(2) The loan must be secured by the same real property and/or personal property as the loan being refinanced and the veteran must own the manufactured home and/or manufactured home lot securing the loan; and

(i) Presently occupy or have previously occupied the manufactured home, a manufactured home on the lot securing the loan, or the manufactured home and the lot securing the loan as his or her home and must certify in such form as the Secretary shall prescribe that the veteran presently or has previously occupied the manufactured home or a manufactured home on the lot; or

(ii) When a veteran is on Active Duty status as a member of the Armed Forces and is unable to occupy the manufactured home or a manufactured home on the lot securing the loan as a home because of such status, the veteran’s spouse must occupy or must have previously occupied the manufactured home or a manufactured home on the lot as the spouse’s home and must certify such occupancy in such form as the Secretary shall prescribe.

(3) The amount of the refinancing loan may not exceed an amount equal to the sum of the balance of the loan being refinanced and such closing costs as authorized in § 36.4232 or § 36.4254, as appropriate, and a discount not to exceed 2 percent of the loan amount;

(4) The dollar amount of the guaranty of the 38 U.S.C. 3712(a)(1)(F) loan may not exceed the greater of the original guaranty amount of the loan being refinanced, or 25 percent of the loan; and

(5) The term of the refinancing loan 38 U.S.C. 3712(a)(1)(F) may not exceed the original term of the loan being refinanced.

(b) Notwithstanding any other regulatory provision, the interest rate reduction refinancing loan may be guaranteed without regard to the amount of guaranty entitlement for manufactured home purposes available for use by the veteran, and the amount of the veteran’s remaining guaranty entitlement for manufactured home purposes shall not be charged for an interest rate reduction refinancing loan. The interest rate reduction refinancing
loan will be guaranteed with the entitlement used by the veteran to obtain the loan being refinanced. The veteran’s loan guaranty entitlement used originally for a purpose as enumerated in 38 U.S.C. 3712(a)(1)(A) through (E) or (G) and subsequently transferred for use on an interest rate reduction refinancing loan (38 U.S.C. 3712(a)(1)(F)) shall be eligible for restoration when the interest rate reduction refinancing loan or subsequent interest rate reduction refinancing loan on the same property meets the requirements of §36.4203(a).

(c) Title to the security which is refinanced for the purpose of an interest rate reduction must be in conformity with §36.4234, and/or §36.4253, as appropriate.

(Authority: 38 U.S.C. 3712(a)(1)(F) and (4))

§36.4224 Refinancing existing manufactured home loan including purchase of lot.

(a) A veteran may refinance (38 U.S.C. 3712(a)(1)(G)) an existing purchase money lien on a manufactured home owned and occupied by the veteran as his or her home in conjunction with a loan to acquire a suitable lot on which that manufactured home is or will be located provided the following requirements are met.

(1) The loan application must be submitted to the Secretary for prior approval;

(2) The loan must be secured by the same manufactured home which is being refinanced and the real property on which the manufactured home is or will be located.

(3) The amount of the loan may not exceed an amount equal to the sum of the balance of the loan being refinanced; the purchase price, not to exceed the reasonable value of the lot, as authorized in §36.4222; the costs of necessary site preparation of the lot as determined by the Secretary; a reasonable discount as authorized in §36.4224(d)(8) with respect to that portion of the loan used to refinance the existing purchase money lien on the manufactured home, and closing costs as authorized in §36.4232 or §36.4234, as appropriate.

(b) If the loan being refinanced was guaranteed by the Department of Veterans Affairs, the portion of the loan made for the purpose of refinancing an existing VA guaranteed home loan may be guaranteed without regard to the outstanding guaranty entitlement available for use by the veteran, and the veteran’s guaranty entitlement shall not be charged as a result of any guaranty provided for the refinancing portion of the loan. For the purposes enumerated in 38 U.S.C. 3702(b) the refinancing portion of the loan shall be considered to have been obtained with the guaranty entitlement used to obtain the VA-guaranteed loan being refinanced. Guaranty for the refinancing loan shall be computed by first applying to the loan a combined total of the guaranty entitlement used to obtain the VA-guaranteed loan being refinanced and second any additional guaranty entitlement available to the veteran for manufactured home purposes, up to a maximum of $20,000 or forty (40) percent of the original principal amount of the loan, whichever is less.

§36.4225 Authority to close manufactured home loans on the automatic basis.

(a) Supervised lenders of the classes described in 38 U.S.C. 3702(d)(1) and (2) are authorized by statute to process VA guaranteed manufactured home loans on the automatic basis. This category of lenders includes any Federal land bank, national bank, State bank, private bank, building and loan association, insurance company, credit union or mortgage and loan company that is subject to examination and supervision by an agency of the United States or of any State or by any State.

(b) Nonsupervised lenders of the class described in 38 U.S.C. 3702(d)(3) must apply to the Secretary for authority to process manufactured home loans on the automatic basis. The following minimum requirements must be met:
(1) Minimum assets. A minimum of $50,000 of working capital must be maintained. Working capital is defined as the excess of current assets over current liabilities. Current assets are defined as cash or other assets that could readily be converted into cash within 1 year on the normal accounting or business cycle. Current liabilities are defined as obligations that would be paid within a year on a normal accounting or business cycle. The lender’s latest financial statements (profit and loss statements and balance sheets), audited and certified by a CPA (certified public accountant), must accompany the application. If the date of the financial statement precedes that of the application by more than 6 months, the lender-applicant must also attach a copy of its latest internal quarterly report. In addition, the lender-applicant must agree that if the application is approved, the applicant will provide within 120 days following the end of each of its fiscal years an audited financial statement to the Director, Loan Guaranty Service for review.

(2) Experience. The firm must have been actively engaged in originating manufactured home loans for at least the last 2 years. Alternately, each principal officer of the firm who is actively involved in managing origination functions must have a minimum of 2 recent years’ total experience in the field of VA manufactured home mortgages in managerial functions in either the present company of employment or in companies other than that of his or her present employment. In either case, every principal officer (president and vice presidents) must submit a resume of his or her experience in the mortgage lending field. Should the secretary and/or treasurer participate in the management of origination functions, they too must submit a resume and meet the minimum experience requirement if the company does not meet the experience requirement. Should the lender or any of its directors or officers ever have had a servicing contract with an investor terminated for cause, a statement of the facts must also be submitted. Lender-applicants will submit individual requests for each branch office they wish to have approved. The parent organization must agree to accept full responsibility for the actions of branch offices.

(3) Underwriter. If it is proposed that all loans to be made by the lender will be submitted to its home office for approval or rejection, the lender must have at least one full-time designated underwriter in its home office. If the loans will be approved or rejected by branch managers, the lender must have at least one full-time designated underwriter in each branch. In either event, the designated underwriters must be identified and a resume on each submitted to VA. The underwriters should have at least three years of experience in consumer installment finance. If changes in underwriting personnel occur, the lender must notify VA.

(4) Lines of credit. The identity of the source(s) of warehouse lines of credit must be revealed to VA and the applicant must agree that VA may contact the named source(s) for the purpose of verifying the information.

(5) Secondary market. If the lender-applicant customarily sells the manufactured home loans it originates, it must provide a listing of all permanent investors to whom the loans are sold, including the investor’s address, telephone number and names of persons to contact.

(6) Liaison. The lender-applicant must designate one employee to act as liaison on its behalf with the VA. If possible, the lender-applicant should select employees other than VA approved underwriters to act as liaison. Officers from branch or regional offices should also be appointed to act as liaison with local VA offices. The lender must notify VA of any changes in liaison personnel.

(7) Courtesy closing. The lender-applicant must certify to VA that it will not close loans on an automatic basis as a courtesy or accommodation for other mortgage lenders whether or not such lenders are themselves approved to close on an automatic basis. The lender must agree that the processing of
forms other than the initial credit application will not be delegated to the dealer or developer.

(8) Subsidiaries/affiliates. A lender approved for automatic processing may not close manufactured home loans on the automatic basis involving any dealer or manufacturer in which it has a financial interest or which it owns, is owned by, or with which it is affiliated. This restriction may be eliminated for lenders that can provide documentation which demonstrates to VA’s satisfaction that (i) the lender and the manufacturer and/or dealer are separate entities that operate independently for each other, and (ii) the percentage of all VA manufactured home loans originated by the lender during at least a one-year period on which payments are past due 90 days or more is no higher than the national average for the same period for all mortgage loans.

(9) Lender agents. A lender using an agent to perform a portion of the work involved in originating and closing a VA guaranteed loan on an automatic basis must take full responsibility by certification or corporate resolution for all acts, errors and omissions of the agent and its employees. Any such acts, errors or omissions will be treated as those of the lender and appropriate sanctions may be imposed against the lender and its agent.

(10) Minimum use of automatic authority. If approved, lenders must use their automatic authority to the maximum extent possible. Any lender with automatic authority who submits a loan on the prior approval basis will be required to submit an explanation from the designated underwriter as to why the loan was not closed automatically. Such a statement will not be needed for loans that must be processed on the prior approval basis, e.g., joint loans.

(11) Probation. Lender-applicants meeting the requirements of this section will be approved to close loans on an automatic basis for a 1-year probationary period. Poor underwriting and/or consistently careless processing by the lender during the probationary period will be a basis for withdrawal of automatic authority.

(12) Quality control system. In order to be approved as a nonsupervised lender for automatic processing authority, the lender must implement a written quality control system which ensures compliance with VA requirements. The lender must agree to furnish findings under its system to VA on demand. The elements of the quality control system must include the following:

(i) Underwriting policies. Each office of the lender shall maintain copies of VA credit standards and all available VA underwriting guidelines.

(ii) Corrective measures. The system should ensure the effective corrective measures are taken promptly when deficiencies in loan originations are identified by either the lender or VA. Any cases involving major discrepancies which are discovered under the system must be reported to VA.

(iii) System integrity. The quality control system should be independent of the loan production function.

(iv) Scope. The review of understanding decisions and certifications must include compliance with VA underwriting requirements, sufficiency of documentation and soundness of underwriting judgments.

(c) A lender approved to close loans on the automatic basis who subsequently fails to meet the requirements of this section must report the circumstances surrounding the deficiency and the remedial action to be taken to cure it to VA.

Authority: 38 U.S.C. 501, 1803(c)(1), and 1812(g)

(d) To participate in VA’s automatic program nonsupervised lenders of the class described in paragraph 3702(d)(3) of title 38 U.S. Code shall pay fees as follows:

(1) $500 for new applications;
(2) $200 for reinstatement of lapsed or terminated automatic authority;
(3) $100 for each underwriter approval;
(4) $100 for each agent approval;
(5) $100 for each regional underwriting office approval;
(6) A minimum fee of $100 for any other VA administrative action pertaining to a lender’s participation in ALP;
(7) $200 annually for certification of home offices;
(8) $100 annually for certification of regional offices; and

§ 36.4226 Withdrawal of authority to close manufactured home loans on the automatic basis.

(a)(1) As provided in 38 U.S.C. 3702(e), the authority of any lender to close manufactured home loans on the automatic basis may be withdrawn by the Secretary at any time upon 30 days notice. The automatic processing authority of both supervised and nonsupervised lenders may be withdrawn for engaging in practices which are imprudent from a lending standpoint or which are prejudicial to the interests of veterans or the Government but are of a lesser degree than would warrant complete debarment or suspension of the lender from participation in the program.

(2) Automatic processing authority may be withdrawn for failure to meet basic qualifying criteria. For non-supervised lenders, this includes lack of a designated underwriter, failure to maintain $50,000 working capital and/or failure to file required financial statements. For supervised lenders this includes loss of status as an entity subject to examination and supervision by a Federal or State supervisory agency as required by 38 U.S.C. 3702(d). During the 1 year probationary period for newly approved automatic lenders, automatic authority may be withdrawn based upon poor underwriting or consistently careless processing by the lender, as determined by VA.

(3) Automatic processing authority may also be withdrawn based on any of the causes for debarment set forth in 2 CFR parts 180 and 801.

(b) Authority to close manufactured home loans on the automatic basis may also be temporarily withdrawn for a period of time under the following schedule.

(1) Withdrawal for 60 days:
   (i) Automatic loan submissions show deficiencies in credit underwriting, such as use of unstable sources of income to qualify the borrower, ignoring significant adverse credit items affecting the applicant’s creditworthiness, etc., after such deficiencies have been repeatedly called to the lender’s attention;
   (ii) Employment or deposit verifications are handcarried by applicants or otherwise mishandled, resulting in the submission of significant misinformation to VA;
   (iii) Employment or deposit verifications are handcarried by applicants or otherwise mishandled, resulting in the submission of significant misinformation to VA;
   (iv) There are continued instances of disregard of VA requirements after they have been called to the lender’s attention.

(2) Withdrawal for 180 days:
   (i) Loans are closed automatically which conflict with VA credit standards and which would not have been made by a lender acting prudently;
   (ii) The lender fails to disclose to VA significant obligations or other information so material to the veteran’s ability to repay the loan that undue risk to the Government results;
   (iii) Employment or deposit verifications are allowed to be handcarried by applicant or otherwise mishandled, resulting in the submission of significant misinformation to VA;
   (iv) Substantiated complaints are received that the lender misrepresented VA requirements to veterans to the detriment of their interests (e.g., veteran was dissuaded from seeking a lower interest rate based on lender’s incorrect advice that such options were precluded by VA requirements);
   (v) Closing documentation shows instances of improper charges to the veteran after the impropriety of such charges has been called to the lender’s attention by VA, or refusal to refund fees as follows:
   (1) $100 fee for each agent approval; and
   (2) $100 annually for each agent renewal.

(9) $100 annually for each agent renewal.

(e) Supervised lenders of the classes described in paragraphs (d)(1) and (d)(2) of 38 U.S. Code 3702 participating in VA’s Loan Guaranty Program shall pay fees as follows:
   (1) $100 fee for each agent approval;
   (2) $100 annually for each agent renewal.

(Authority: 38 U.S.C. 3712(g))

(f) Lenders participating in VA’s Lender Appraisal Processing Program shall pay a fee of $100 for approval of each staff appraisal reviewer.

such charges after notification by VA; or

(vi) There are other instances of lender actions which are prejudicial to the interests of veterans, such as deliberate delays in scheduling loan closings.

(3) Withdrawal for a period from one year to three years:

(i) The lender fails to properly disburse loans (e.g., loan disbursement checks returned due to insufficient funds); or

(ii) There is involvement by the lender in the improper use of a veteran’s entitlement (e.g., knowingly permitting the veteran to violate occupancy requirements, lender involvement in sale of veteran’s entitlement).

(4) A continuation of actions that have led to previous withdrawal of automatic authority justifies withdrawal of automatic authority for the next longer period of time.

(5) Withdrawal of automatic processing authority does not prevent a lender from processing VA guaranteed manufactured home loans on the prior approval basis.

(6) Action by VA to remove a lender’s automatic authority does not prevent VA from also taking debarment or suspension action based on the same conduct by the lender.

(7) VA field facilities are authorized to withdraw automatic privileges for 60 days, based on any of the violations set forth in paragraphs (b)(1) through (b)(3) of this section, for nonsupervised lenders without operations in other stations’ jurisdictions. All determinations regarding withdrawal of automatic authority for longer periods of time or multi-jurisdictional lenders must be made in Central Office.

(c) VA will provide 30 days notice of withdrawal of automatic authority in order to enable the lender to either close or obtain prior approval for a loan on which processing has begun. There is no right to a formal hearing to contest the withdrawal of automatic processing privileges. However, if within 15 days after receiving notice the lender requests an opportunity to contest the withdrawal, the lender may submit in person, in writing, or through a representative, information and argument in opposition to the withdrawal.

(d) If the lender’s submission in opposition raises a dispute over facts material to the withdrawal of automatic authority, the lender will be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witnesses VA presents. The Under Secretary for Benefits will appoint a hearing officer or panel to conduct the hearing.

(e) A transcribed record of the proceedings shall be made available at cost to the lender, upon request, unless the requirement for a transcript is waived by mutual agreement.

(f) In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the Under Secretary for Benefits shall make a decision on the basis of all the information in the administrative record, including any submissions made by the lender.

(g) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact will be prepared by the hearing officer or panel. The Under Secretary for Benefits shall base the decision on the facts as found, together with any information and argument submitted by the lender and any other information in the administrative record.

§ 36.4227 Advertising and Solicitation Requirements.

Any advertisement or solicitation in any form (e.g., written, electronic, oral) from a private lender concerning manufactured housing loans to be guaranteed or insured by the Secretary:

(a) Must not include information falsely stating or implying that it was issued by or at the direction of VA or any other department or agency of the United States, and

(b) Must not include information falsely stating or implying that the
lender has an exclusive right to make loans guaranteed or insured by VA.

§ 36.4232 Allowable fees and charges; manufactured home unit.

(a) Incident to the origination of a guaranteed loan for the purchase or refinancing of a manufactured home unit only, no charge shall be made against, or paid by, the veteran-borrower without the express prior approval of the Secretary except as provided in paragraph (e) of this section and as follows:

5. The premium for customary physical damage insurance and vendor’s single interest coverage on the manufactured home for an initial policy term of not to exceed one (1) year;

6. The premium for insurance against loss for items missing at time of repossession and for repossession expenses, unless State law prohibits charging borrowers for this coverage, in which case the lender is required to pay for the coverage without reimbursement from the veteran;

7. For the purposes of obtaining a refinancing loan for interest rate reduction or a refinancing loan to simultaneously refinance a unit and acquire a lot, the cost of a credit report and an appraisal; and

(Authority: 38 U.S.C. 3712 (a)(1)(b), (a)(4)(A) and (g)).

8. (Authority: 38 U.S.C. 3712; 42 U.S.C. 4001 note, 4012a)

(b) Any charge against the borrower properly made under paragraph (a) of
this section may be included in the loan and paid out of the proceeds of the loan provided the total loan amount does not exceed 145 percent of the manufacturer’s invoice.

(Authority: 38 U.S.C. 3712(g))

If the actual costs exceed the limitations in this section, the veteran must certify that any excess cost has been paid in cash from the veteran’s own resources without borrowing.

(e)(1) Subject to the limitations set out in paragraph (e)(5) of this section, a fee of 1 percent of the total amount must be paid in a manner prescribed by the Secretary before a manufactured home unit loan will be eligible for guaranty. Provided, however, that the fee shall be 0.50 percent of the total loan amount for interest rate reduction refinancing loans guaranteed under 38 U.S.C. 3712(a)(1)(F). All or part of the fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property or the computed maximum loan amount, as appropriate. § 36.4253 Title and lien requirements.

(a) The interest in the realty constituting a manufactured home lot acquired by the veteran wholly or in part with the proceeds of a guaranteed loan, or in the realty constituting a manufactured home lot improved wholly or in part with the proceeds of a guaranteed loan, shall not be less than:

(1) A fee simple estate therein, legal or equitable; or

(2) A leasehold estate running or renewable at the option of the lessee for a period of not less than 14 years from the maturity of the loan, or to any earlier date at which the fee simple title will vest in the lessee, which is assignable or transferable, if the same be subjected to the lien; however, a leasehold estate which is not freely assignable and transferable will be considered an acceptable estate if it is determined by the Under Secretary for Benefits, or the Director, Loan Guaranty Service, (i) that such type of leasehold is customary in the area where the property is located, (ii) that a veteran or veterans will be prejudiced if the requirement for free assignability is adhered to and, (iii) that the assignability and other provisions applicable to the leasehold estate are sufficient to protect the interests of the veteran and the Government and are otherwise acceptable; or

(3) A life estate, provided that the remainder and reversionary interests are subjected to the lien; or

(4) A beneficial interest in a revocable Family Living Trust that ensures that the veteran, or veteran and spouse, have an equitable life estate, provided the lien attaches to any remainder interest and the trust arrangement is valid under State law.

The title to such estate shall be such as is acceptable to informed buyers, title companies, and attorneys, generally, in the community in which the property is situated, except as modified by paragraph (b) of this section.

(b) Any such property or estate will not fail to comply with the requirements of paragraph (a) of this section by reason of the following:

(1) Encroachments;

(2) Easements;

(3) Servitudes;

(4) Reservations for water, timber, or subsurface rights;

(iii) Exercised within 30 days after notice is mailed by certified mail to the address of optionee last known to the then owner of the then owner’s election to sell, stating the price and the identity of the proposed vendee;

(6) State and local housing agency deed restrictions provided that the veteran obtained the property under a State or local political subdivision program designed to assist low- or moderate-income purchasers, and as a condition the purchaser must agree to one or more of the following restrictions:

(i) If the property is resold within a time period as established by local law or ordinance, after the purchaser acquires title, the purchaser must first offer the property to the government housing agency, or a low- or moderate-income purchaser designated by such agency, provided the option to purchase is exercised within 90 days after notice by the purchaser to the agency of intention to sell;

(ii) If the property is resold within a time period as established by local law or ordinance, after the purchaser acquires title, a governmental agency may specify a maximum price for the property upon resale; or

(iii) Such other restriction approved by the Secretary designed to insure either that a property acquired under such program again be made available
to low- or moderate-income purchasers, or to prevent a private purchaser from obtaining a windfall profit on the resale of such property, while assuring that the purchaser has a reasonable opportunity to dispose of the property without undue difficulty at a reasonable price.

The sale price of a property under any of the restrictions of paragraph (b)(6) of this section shall not be less than the lowest of the following: The price designated by the owner as the asking price; the appraised value of the property; or the original purchase price of the property, increased by a factor reflecting all or a reasonable portion of the increased costs of housing or the percentage increase in median income in the area between the date of original purchase and resale, plus the reasonable or actual costs of any capital improvements made by the owner, plus a reasonable real estate commission less the cost of necessary repairs required to place the property in saleable condition; or other reasonable formula approved by the Secretary. The veteran must be fully informed and consent in writing to the restrictions. A copy of the veteran's consent statement must be forwarded with the application for manufactured home loan guaranty or the report of a manufactured home loan processed on the automatic basis;

(Authority: 38 U.S.C. 501, 3703(c)(1), 3712(g))

(8) Building and use restrictions whether or not enforceable by a reverter clause if there has been no breach of the conditions affording a right to an exercise of the reverter;

(9) Violation of a restriction based on race, color, religion, sex, handicap, familial status, or national origin, whether or not such restriction provides for reversion or forfeiture of title or a lien for liquidated damages in the event of a breach;

(10) Any other covenant, condition, restriction, or limitation approved by the Secretary in the particular case. Such approval shall be a condition precedent to the guaranty of the loan;

(c) The following limitations on the quantum or quality of the estate or property shall be deemed for the purposes of paragraph (b) of this section to have been taken into account in the appraisal of the manufactured home lot and determined by the Secretary as not materially affecting the reasonable value of such property:

(1) Building or use restrictions. Provided, (i) no violation exists, (ii) the proposed use by a veteran does not presage a violation of a condition affording a right of reverter, and (iii) any right of future modification contained in the building or use restrictions is not exercisable, by its own terms, until at least 10 years following the date of the loan.

(2) Violations of equal opportunity restrictions. Violations of a restriction based on race, color, religion, sex, handicap, familial status, or national origin, whether or not such restriction provides for reversion or forfeiture of title or a lien for liquidated damages in the event of a breach.

(3) Violations of building or use restrictions of record. Violations of building or use restrictions of record which have existed for more than 1 year, are not the subject of pending or threatened litigation, and which do not provide for a reversion or termination of title or condemnation by municipal authorities or a lien for liquidated damages which may be superior to the lien securing the guaranteed loan.

(4) Easements. (i) Easements for public utilities along one or more of the property lines and easements for drainage or irrigation ditches, provided the exercise of the rights thereof do not
interfere with the use of the manufactured home or improvements located on the subject property.

(ii) Mutual easements for joint driveways located partly on the subject property and partly on adjoining property, provided the agreement is recorded in the public records.

(iii) Easements for underground conduits which are in place and which do not extend under any buildings in the subject property.

(ii) By hedges or removable fences belonging to subject or adjoining property.

(iii) Not exceeding 1 foot on adjoining property, provided there exists a clearance of at least 8 feet between the buildings on the subject property and the property line affected by the encroachment.

(6) Variations of lot lines. Variations between the length of the subject property lines as shown on the plot plan or other exhibits submitted to the Department of Veterans Affairs and as shown by the record or possession lines, provided such variations do not interfere with the current use of any of the improvements on the subject property including the manufactured home and do not involve a deficiency of more than 2 percent with respect to the length of the front line or more than 5 percent with respect to the length of any other line.

(d) In a combination loan (loan to finance the purchase of a manufactured home and to finance the purchase of a lot and/or necessary site preparation) the total indebtedness of the veteran arising from such combination loan transaction must be secured by a first lien or the equivalent thereof on the estate of the veteran in the manufactured home lot, which real estate security interest shall be in addition to the manufactured home security interest required by §36.4234.

(e) Tax liens, special assessment liens, and ground rents shall be disregarded with respect to any requirement that loans shall be secured by a lien of specified dignity. With the prior approval of the Secretary, Under Secretary for Benefits, or Director, Loan Guaranty Service, liens retained by nongovernmental entities to secure assessments or charges for municipal type services and facilities clearly within the public purpose doctrine may be disregarded. In determining whether a loan for the purchase or improvement of a manufactured home lot is secured by a first lien the Secretary may also disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if the Secretary determines that the interests of the veteran-borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien created after June 6, 1969, the Secretary's determination must have been made prior to the recordation of the covenant.

(f) In the case of a combination loan or a loan to purchase a lot upon which a manufactured home owned by the veteran will be placed it shall be the responsibility of the lender that the veteran initially obtains or has an estate in the land constituting the manufactured home lot meeting the requirements of paragraph (a) of this section and to obtain and retain a security interest thereon meeting the requirements of paragraph (d) of this section.

(g) In the case of a combination loan to purchase a manufactured home lot and to refinance an existing purchase money loan on a manufactured home unit which is or will be located on the lot to be purchased, it shall be the responsibility of the lender to assure that the veteran obtains or retains an estate in the manufactured home and in the land meeting the requirements of paragraph (a) of this section and §36.4234. The lender must also obtain and retain a first lien or the equivalent
thereof on the estate of the veteran in both the manufactured home and in the lot on which the manufactured home is located.

SERVICING, LIQUIDATION OF SECURITY AND CLAIM

§ 36.4275 Events constituting default and acceptability of partial payments.

(a) Except as provided in paragraphs (a)(1), (a)(2) and (a)(3) of this section, the conveyance of or other transfer of title to property by operation of law or otherwise, after the creation of a lien thereon to secure a loan which is guaranteed in whole or in part by the Secretary, shall not constitute an event of default, or acceleration of maturity, elective or otherwise, and shall not of itself terminate or otherwise affect the guaranty.

(1) The Secretary may issue guaranty on loans in which a State, Territorial, or local governmental agency provides assistance to a veteran for the acquisition of a mobile home or lot. Such loans will not be considered ineligible for guaranty if the State, Territorial, or local authority, by virtue of its laws or regulations or by virtue of Federal law, requires the acceleration of maturity of the loan upon the sale or conveyance of the security property to a person ineligible for assistance from such authority.

(2) At the time of application for a loan assisted by a State, Territorial, or local governmental agency, the veteran-applicant must be fully informed and consent in writing to the housing authority restrictions. A copy of the veteran’s consent statement must be forwarded with the loan application or the report of a loan processed on the automatic basis.

(3) Any housing loan which is financed under 38 U.S.C. chapter 37 and to which section 3714 of that chapter applies, shall include a provision in the security instrument that the holder may declare the loan immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to section 3714.

(i) A holder may not exercise its option to accelerate a loan upon:

(A) The creation of a lien or other encumbrance subordinate to the lender’s security instrument which does not relate to a transfer of rights of occupancy in the property;

(B) The creation of a purchase money security interest for household appliances;

(C) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(D) The granting of a leasehold interest of three years or less not containing an option to purchase;

(E) A transfer to a relative resulting from the death of a borrower;

(F) A transfer where the spouse or children of the borrower become joint owners of the property with the borrower;

(G) A transfer resulting from a decree of a dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement by which the spouse of the borrower becomes the sole owner of the property. In such a case the borrower shall have the option of applying directly to the Department of Veterans Affairs regional office of jurisdiction for a release of liability in accordance with §36.4285 of this part; or

(H) A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not
relate to a transfer of rights of occupancy in the property.

(ii) Any instrument evidencing the loan (i.e., the retail installment contract, promissory note and/or mortgage or deed of trust) shall bear in a conspicuous position in capital letters on the first page of the document in type at least 2 1/2 times larger in height than the regular type on such page the following warning: “THIS LOAN IS NOT ASSUMABLE WITHOUT THE APPROVAL OF THE DEPARTMENT OF VETERANS AFFAIRS OR ITS AUTHORIZED AGENT.” Due to the difficulty in obtaining some commercial type sizes which are exactly 2 1/2 times larger in height than other sizes, minor deviations will be permitted based on commercially available type sizes nearest to 2 1/2 times the size of the print on the document. A similar warning in regular size type must appear on every assumption statement provided on a loan to which this paragraph applies.

(iii) On any loan to which 38 U.S.C. 3714 applies, the holder may charge a reasonable fee, not to exceed the lesser of (A) $300 and the actual cost of any credit report required, or (B) any maximum prescribed by applicable state law, for processing an application for assumption and changing its records. A provision authorizing the collection by the holder of this fee shall be contained in the instrument securing the loan.

(Authority: 38 U.S.C. 3704 and 3714)

(b) The inclusion in the guaranteed obligation of a provision contrary to the provisions of this section or §36.4211 shall not impair the right of the holder to payment of the guaranty provided that:

(1) Default was declared or maturity was accelerated under some other provision of the note, mortgage, or other loan instrument, or

(2) Activation or enforcement of such provision is warranted under §36.4280, or

(3) The prior approval of the Secretary was obtained.

(c) If the title to real property or a leasehold interest therein which secures a manufactured home loan guaranteed after December 22, 1970, is restricted against sale or occupancy on the ground of race, color, religion, or national origin, by restrictions created and filed of record by the borrower subsequent to that date, such action, at the election of the holder, shall constitute an event of default entitling the holder to declare the unpaid balance of the loan immediately due and payable.

(d) The holder of any guaranteed obligation shall have the right, notwithstanding the absence of express provision therefor in the instruments evidencing the indebtedness, to accelerate the maturity of such obligation at any time after the continuance of any default for the period specified in §36.4280.

(e) If sufficient funds are tendered to bring a delinquency current at any time prior to repossession or foreclosure of the manufactured home the holder shall be obligated to accept the funds in payment of the delinquency, unless the prior approval of the Secretary is obtained to do otherwise.

(f) A partial payment is a remittance on a loan in default (as defined in §36.4202(c)) of any amount less than the full amount due under the terms of the loan and security instruments at the time the remittance is tendered.

(1) Except as provided in paragraph (f)(2) of this section, or upon the express waiver of the Secretary, the holder shall accept any partial payment and either apply it to the obligor’s account or identify it with the obligor’s account and hold it in a special account pending disposition. When partial payments held for disposition aggregate a full monthly installment, including escrow, they shall be applied to the obligor’s account.

(2) A partial payment may be returned to the obligor within 10 calendar days from date of receipt of such payment, with a letter of explanation only if one or more of the following conditions exist:

(i) The property is wholly or partially tenant-occupied and rental payments are not being remitted to the holder for application to the loan account;

(ii) The payment is less than one full monthly installment, including escrows and late charge, if applicable, unless the lesser payment amount has been agreed to under a written repayment plan;
(iii) The payment is less than 50 percent of the total amount then due, unless the lesser payment amount has been agreed to under a written repayment plan;

(iv) The payment is less than the amount agreed to in a written repayment plan;

(v) The amount tendered is in the form of a personal check and the holder has previously notified the obligor in writing that only cash or certified remittances are acceptable;

(vi) A delinquency of any amount has continued for at least 6 months since the account first became delinquent and no written repayment plan has been arranged;

(vii) Foreclosure and/or repossession has commenced by the taking of the first action required for foreclosure/repossession under local law;

(viii) The holder's lien position would be jeopardized by acceptance of the partial payment.

(3) A failure by the holder to comply with the provisions of this paragraph may result in a partial or total loss of guaranty or insurance pursuant to §36.4286(b), but such failure shall not constitute a defense to any legal action to terminate the loan.

§36.4276 Advances and other charges.

(a) A holder may advance any reasonable amount necessary and proper for the maintenance or repair of the security, or for the payment of accrued taxes, special assessments or other charges which constitute prior liens, or premiums on fire or other hazard insurance against loss of or damage to such property and any such advance so made may be added to the guaranteed indebtedness. A holder may also advance the one-half of one percent funding fee due on a transfer under 38 U.S.C. 3714 when this is not paid at the time of transfer. All security instruments for loans to which 38 U.S.C. 3714 applies must include a clause authorizing an advance for this purpose if it is not paid at the time of transfer.

(Authority: 38 U.S.C. 3714)

(b) In addition to advances allowable under paragraph (a) of this section, the holder may charge against the proceeds of the sale of the security; against gross amounts collected; or, in the computation of a claim under the guaranty, if lawfully authorized by the loan agreement and subject to §36.4294, any of the following items actually paid:

(1) Any expense which is reasonably necessary for preservation of the security.

(2) Court costs in a foreclosure or other proper judicial proceeding involving the security.

(3) Other expenses reasonably necessary for collecting the debt, or repossession or liquidation of the security, including a reasonable sales commission to the dealer or sales broker for resale of the security.

(4) Reasonable trustee's fees or commissions paid incident to the sale of real property.

(5) Reasonable amount for legal services actually performed not to exceed 10 percent of the unpaid indebtedness as of the date of the first uncured default, or $850 whichever is less. In no event may the combined total of the amounts claimed for trustee's fees and legal services (paragraphs (b)(4) and (5) of this section) exceed $850.

(6) The cost of a credit report(s) on the debtor(s), which is (are) to be forwarded to the Secretary in connection with the claim.

(7) Reasonable and customary costs of property inspections.

(8) Any other expense or fee that is approved in advance by the Secretary.

(Authority: 38 U.S.C. 3720(g))

(c) In claims filed under §36.423(f)(4) of this part, the following costs and expenditures actually incurred and paid may be included in the computation of the indebtedness:

(1) Property preservation or repair costs incurred prior to the date of the liquidation appraisal, to the extent that they contributed to the minimum
§ 36.4277 Release of security.

(a) Except upon full payment of the indebtedness the holder shall not release a lien on or to property held as security for a guaranteed loan, or grant a fee or other interest in such property, without the prior approval of the Secretary, unless in the opinion of the holder such release does not involve a decrease in the value of the security in excess of $500: Provided, That the aggregate of the reduction in the original value of the security resultant from such releases without the Secretary’s prior approval does not exceed $500.

(b) Except upon full payment of the indebtedness or upon the prior approval of the Secretary, the holder shall not release a lien under paragraph (a) of this section unless the consideration received for the release is commensurate with the fair market value of the property released and the entire consideration is applied to the indebtedness, or if encumbrance on other property is accepted in lieu of that released it shall be the holder’s duty to acquire such lien on property of substantially equal value which is reasonably capable of serving the purpose for which the property released was utilized.

(c) Failure of the holder to comply with the provisions of this section shall not in itself affect the validity of the title of a purchaser to the property released.

(d) The holder shall notify the Secretary of any such release or substitution of security within 30 days after completion of such transaction.

(e) The release of the personal liability of any obligor on a guaranteed obligation resultant from the act or omission of any holder without the prior approval of the Secretary shall release the obligation of the Secretary as guarantor, except when such act or omission consists of

2. An election and appropriate prosecution of legally available effective remedies with respect to the repossession or the liquidation of the security in any case, irrespective of the identity or the survival of the original or of any subsequent debtor, if holder shall have given such notice as required by §36.4280 and if, after receiving such notice, the Secretary shall have failed to notify the holder within 15 days to proceed in such manner as to effectively preserve the personal liability of the parties liable, or such of them as the Secretary indicates is such notice to the holder; or

The holder of a loan guaranteed or insured by the Secretary shall develop and maintain a loan servicing program which follows accepted industry standards for servicing of similar type conventional loans. The loan servicing program established pursuant to this section may employ different servicing approaches to fit individual borrower circumstances and avoid establishing a fixed routine. However, it must incorporate each of the provisions specified in paragraphs (b) through (l) of this section.

(b) Procedures for providing information. (1) Loan holders shall establish procedures to provide loan information to borrowers, arrange for individual loan consultations upon request and maintain controls to assure prompt responses to inquiries. One or more of the following means of making information readily available to borrowers is required:

(i) An office staffed with trained servicing personnel with access to loan account information located within 200 miles of the property.

(ii) Toll-free telephone service or acceptance of collect telephone calls at an office capable of providing needed information.

(2) All borrowers must be informed of the system available for obtaining answers to loan inquiries, the office from which the needed information may be obtained, and reminded of the system at least annually.

(c) Statement for income tax purposes. Within 60 days after the end of each calendar year, the holder shall furnish to the borrower a statement of the interest paid and, if applicable, a statement of the taxes disbursed from the escrow account during the preceding year. At the borrower’s request, the holder shall furnish a statement of the escrow account sufficient to enable the borrower to reconcile the account.

(d) Change of servicing. Whenever servicing of a loan guaranteed or insured by the Secretary is transferred from one holder to another, notice of such transfer by both the transferor and transferee, the form and content of such notice, the timing of such notice, the treatment of payments during the period of such transfer, and damages and costs for failure to comply with these requirements shall be governed by the pertinent provisions of the Real Estate Settlement Procedures Act as administered by the Department of Housing and Urban Development.

(e) Escrow accounts. A holder of a loan guaranteed or insured by the Secretary may collect periodic deposits from the borrower for taxes and/or insurance on the security and maintain a tax and insurance escrow account provided such a requirement is authorized under the terms of the security instruments. In maintaining such accounts, the holder shall comply with the pertinent provisions of the Real Estate Settlement Procedures Act.

(f) System for servicing delinquent loans. In addition to the requirements of the Real Estate Settlement Procedures Act concerning the duties of the loan servicer to respond to borrower inquiries, to protect the borrower’s credit rating during a payment dispute period, and to pay damages and costs for noncompliance, holders shall establish a system for servicing delinquent loans which ensures that prompt action is taken to collect amounts due from borrowers and minimize the number of loans in a default status. The holder’s servicing system must include the following:

(1) An accounting system which promptly alerts servicing personnel when a loan becomes delinquent;

(2) A collection staff which is trained in techniques of loan servicing and counseling delinquent borrowers to advise borrowers how to cure delinquencies, protect their equity and credit rating and, if the default is insoluble, pursue alternatives to foreclosure;

(3) Procedural guidelines for individual analysis of each delinquency;
§ 36.4278

(4) Instructions and appropriate controls for sending delinquent notices, assessing late charges, handling partial payments, maintaining servicing histories and evaluating repayment proposals;

(5) Management review procedures for evaluating efforts made to collect the delinquency and the response from the borrower before a decision is made to initiate action to liquidate a loan;

(7) Controls to ensure that all notices required to be given to the Secretary on delinquent loans are provided timely and in such form as the Secretary shall require.

(g) Collection actions. (1) Holders should employ collection techniques which provide flexibility to adapt to the individual needs and circumstances of each borrower. A variety of collection techniques may be used based on the holder's determination of the most effective means of contact with borrowers during various stages of delinquency. However, at a minimum, the holder's collection procedures must include the following actions:

(i) A written delinquency notice to the borrower(s) requesting immediate payment if a loan installment has not been received within 17 days after the due date. This notice must be mailed no later than the 20th day of the delinquency and state the amount of the payment and of any late charges that are due.

(ii) An effort, concurrent with the written delinquency notice, to establish contact with the borrower(s) by telephone. When talking with the borrower(s), the holder should attempt to determine why payment was not made and emphasize the importance of remitting loan installments as they come due.

(iii) A letter to the borrower(s) if payment has not been received within 30 days after it is due and telephone contact could not be made. This letter should emphasize the seriousness of the delinquency and the importance of taking prompt action to resolve the default. It should also notify the borrower(s) that the loan is in default, state the total amount due and advise the borrower(s) how to contact the holder to make arrangements for curing the default.

(iv) In the event the holder has not established contact with the borrower(s) and has not determined the financial circumstances of the borrower(s) or established a reason for the default or obtained agreement to a repayment plan from the borrower(s), then a face-to-face interview with the borrower(s) or a reasonable effort to arrange such a meeting is required.

(2) The holder must provide a valid explanation of any failure to perform these collection actions when reporting loan defaults to the Secretary. A pattern of such failure may be a basis for sanctions under 38 CFR 36.4216.

(h) Conducting interviews with delinquent borrowers. When personal contact with the borrower(s) is established, the holder shall solicit sufficient information to properly evaluate the prospects for curing the default and whether the granting of forbearance or other relief assistance would be appropriate. At a minimum, the holder must make a reasonable effort to establish the following facts:

(1) The reason for the default and whether the reason is a temporary or permanent condition;

(2) The present income and employment of the borrower(s);

(3) The current monthly expenses of the borrower(s) including household and debt obligations;

(4) The current mailing address and telephone number of the borrower(s); and,

(5) A realistic and mutually satisfactory arrangement for curing the default.

(i) Property inspection. (1) The holder shall make an inspection of the property securing the loan whenever it becomes aware that the physical condition of the security may be in jeopardy. Unless a repayment agreement is in effect, a property inspection shall also be made:

(1) Before the 60th day of delinquency or before initiating action to liquidate a loan, whichever is earlier; and
(i) At least once each month after liquidation proceedings have been started unless servicing information shows the property remains owner-occupied.

(2) Whenever a holder obtains information which indicates that a property securing a loan is abandoned, it shall make appropriate arrangements to protect the property from vandalism and the elements. Thereafter, the holder shall schedule inspections at least monthly to prevent unnecessary deterioration due to vandalism, or neglect. With respect to any loan more than 30 days delinquent, a property abandonment must be reported to the Secretary and appropriate action initiated under 36.4280(e) within 15 days after the holder confirms the property is abandoned.

(j) Collection records. The holder shall maintain individual file records of collection action on delinquent loans and make such records available to the Secretary for inspection on request. Such collection records shall show:

1. The dates and content of letters and notices which were mailed to the borrower(s);
2. Dated summaries of each personal servicing contact and the result of same;
3. The indicated reason(s) for default; and
4. The date and result of each property inspection.

(k) Reporting to the Secretary. A summary of collection efforts, the information obtained through such efforts and the holder’s evaluation of the reason for the default and prospects for resolution of the default must be included in any notice provided to the Secretary pursuant to §36.4280.

(l) Quality control procedures. No later than 180 days after the effective date of this regulation, each loan holder shall establish internal controls to periodically assess the quality of the servicing performed on loans guaranteed by the Secretary and assure that all requirements of this section are being met. Those procedures must provide for a review of the holder’s servicing activities at least annually and include an evaluation of delinquency and foreclosure rates on loans in its portfolio which are guaranteed by the Secretary. As part of its evaluation of delinquency and foreclosure rates, the holder shall:

1. Collect and maintain appropriate data on delinquency and foreclosure rates to enable the holder to evaluate the effectiveness of its collection efforts;
2. Determine how its VA delinquency and foreclosure rates compare with rates in various reports published by the industry, investors and others; and
3. Analyze significant variances between its foreclosure and delinquency rates and those found in available reports and publications and take appropriate corrective action.

(m) Holders shall provide available statistical data on delinquency and foreclosure rates and their analysis of such data to the Secretary upon request.

a current credit report(s) on the debtor(s).

(c) Unless the prior approval of the Secretary has been obtained, any extension or re-amortization agreed to by a holder which relieves any obligor from liability will release the liability of the Secretary under the guaranty on the entire loan. However, if such release of liability of an obligor results through operation of law by reason of an extension or other act of forbearance, the liability of the Secretary as guarantor will not be affected thereby, Provided. The required lien is maintained and the title holder is and will remain liable for the payment of the indebtedness: And further provided, That if such extension or act of forbearance will result in the release of the veteran, all delinquent installments, plus any foreclosure expenses which may have been incurred, shall have been fully paid.

(d) The holder shall promptly forward to the Secretary an advice of the terms of any agreement effecting a re-amortization or extension of a guaranteed loan, together with copy(ies) of the credit report(s) obtained on the debtor(s).

§ 36.4280 Reporting of defaults.

The holder of any guaranteed loan shall give notice to the Secretary within 15 days after any debtor:

(a) Is in default by reason of non-payment of two full installments; or

(b) Is in default by failing to comply with any other covenant or obligation of such guaranteed loan which failure persists for a continuing period of 60 days after demand for compliance therewith has been made, except that if the default is due to nonpayment of real estate taxes, the notice shall not be required until the failure to pay when due has persisted for a continuing period of 120 days.

(c) In the event any failure of the months or for more than 1 month on an extended loan, the holder may then or thereafter give the notice in the manner described in paragraph (e) of this section.

(d) The notice prescribed in paragraph (e) of this section may be submitted prior to the time prescribed in paragraph (c) of this section in any case where any material prejudice to the rights of the holder or to the Secretary or hazard to the security warrants more prompt action.

(e) Except upon the express waiver of the Secretary, a holder shall not begin proceedings in court or give notice of sale under power of sale, repossess the security, or accelerate the loan, or otherwise take steps to terminate the debtor’s rights in the security until the expiration of 30 days after delivery by certified mail to the Secretary of a notice of intention to take such action; provided, that immediate action as required under 38 CFR 36.4278(i) may be taken if the property to be affected thereby has been abandoned by the debtor, or has been or may be otherwise subjected to extraordinary waste or hazard.

(f) The notice required under subparagraph (e) of this paragraph shall also be provided to the original veteran-borrower and any other liable obligors by certified mail within 30 days after such notice is provided to the Secretary in all cases in which the current owner of the property is not the original veteran-borrower. A failure by the holder to make a good faith effort to comply with the provisions of this subparagraph may result in a partial or total loss of guaranty pursuant to VA Regulation 36.4286(b), but such failure shall not constitute a defense to any legal action to terminate the loan. A good faith effort will include:

(1) A search of the holder’s automated and physical loan record systems to identify the name and current or last address of the original veteran and any other liable obligors;

(2) A search of the holder’s automated and physical loan record systems to identify sufficient information (e.g., Social Security Number) to perform a routine trace inquiry through a major consumer credit bureau;

(3) Conducting the trace inquiry using an in-house credit reporting terminal;

(4) Obtaining the results of the inquiry;

§ 36.4282 Legal proceedings (notice of repossession).

(a) When the holder institutes suit or otherwise becomes a party in any legal or equitable proceeding brought on or in connection with the guaranteed indebtedness, or involving title to, or other lien on, the security, such holder, within the time that would be required if the Secretary were a party to the proceeding, shall deliver to the Secretary, by mail or otherwise, by making such delivery to the loan guaranty officer at the office which granted the guaranty, or other office to which the holder has been notified the file is transferred, a copy of every procedural paper filed on behalf of holder, and shall also so deliver, as promptly as possible, a copy of each similar pleading served on holder or filed in the cause by any other party thereto. Notice of, or motion for, continuance and orders thereon are excepted from the foregoing.

(b) A copy of a notice of sale under power by a holder or one acting at his or her behest (e.g., trustee or public official) shall be similarly delivered to the Secretary at or before the date of first publication, posting, or other notice, but in any event, except in emergency or when waived by the Secretary, not less than 10 days prior to date of sale. Copy of any other notice of sale served on the holder or of which he or she has knowledge shall be similarly delivered to the Secretary, including any such notice of sale under tax or other superior lien or any judicial sale.

(c) The procedure prescribed in paragraphs (a) and (b) of this section shall not be applicable in any proceeding to which the Secretary is a party, after the Secretary’s appearance shall have been entered therein by a duly authorized attorney.

(d) In any legal or equitable proceeding (including probate and bankruptcy proceedings) to which the Secretary is a party, original process and any other process prior to appearance, proper to be served on the Secretary, shall be delivered to the loan guaranty officer of the office of the Department of Veterans Affairs having jurisdiction of the area in which the court is situated. Within the time required by applicable law, or rule of court, the Secretary will cause appropriate special or general appearance to be entered in the cause by the Secretary’s authorized attorney.

(e) After appearance of the Secretary by attorney, all process and notice otherwise proper to serve on the Secretary before or after judgment, if served on the Secretary’s attorney of record shall have the same effect as if the Secretary were personally served within the jurisdiction of the court.

(f) If following a default the holder does not begin appropriate action within 30 days after requested in writing by the Secretary to do so, or does not prosecute such action with reasonable diligence, the Secretary shall have the option to intervene in, or begin and prosecute to completion any action or proceeding, in the Secretary’s name or in the name of the holder, which the Secretary deems necessary or appropriate, and may fix a date beyond which no further charges may be included in the computation of the guaranty claim. The Secretary shall pay, in advance if necessary, any court costs...
or other expenses incurred by the Secretary, or properly taxed against the Secretary, in any such action to which the Secretary is a party, but may charge the same, and also a reasonable amount for legal services, against the guaranteed indebtedness, or the proceeds of the sale of the security to the same extent as the holder (see §36.4276), or otherwise collect from the holder any such expenses incurred by the Secretary because of the neglect or failure of the holder to take or complete proper action. The rights and remedies herein reserved are without prejudice to any other rights, remedies, or defenses, in law or in equity, available to the Secretary.

(g) The holder, no later than 10 days after it has repossessed a property, must advise the Secretary of such repossession. The holder shall proceed thereafter, within a reasonable time after repossession, to terminate the debtors’ rights in the property. If it is a legal requirement or if the Secretary requires that the debtors’ rights be terminated by public sale, the holder shall follow the procedures set forth in paragraph (b) of this section. Otherwise, the holder shall proceed in the manner set forth in §36.4283(f).

§36.4283 Foreclosure or repossession.

(a) Upon receipt by the Secretary of notice of a judicial or statutory sale, or other public sale under power of sale contained in the loan instruments, to liquidate any security for a guaranteed loan, the Secretary may specify in advance of such sale the minimum amount which shall be credited to the indebtedness of the borrower on account of the value of the security to be sold, subject to the provisions of paragraphs (a)(1), (2), (3), and (4) of this section:

(1) If a minimum amount has been specified in relation to a sale of the property and the holder is the successful bidder at the sale for an amount not in excess of such specified amount the holder shall dispose of the property in the manner set forth in paragraph (f) and the amount realized from the resale of the property shall govern in the final accounting for determining the rights and liabilities of the holder and the Secretary.

(2) If a minimum amount has been specified by the Secretary and:

(i) A third party is the successful bidder at the sale for an amount equal to or in excess of that specified, the holder shall credit to the indebtedness the net proceeds of the sale.

(ii) A third party is the successful bidder at the sale for an amount less than that specified, the holder shall credit to the indebtedness the amount specified less expenses allowable under §36.4276.

(iii) The holder is the successful bidder at the sale for an amount in excess of the specified amount the indebtedness shall be credited with the net proceeds of the sale or an amount established in accordance with paragraph (f) of this section, whichever is the greater, unless the bid in excess of the specified amount was made pursuant to paragraph (d) of this section.

(3) If a minimum amount has not been specified by the Secretary under paragraph (a)(1) or (2) of this section, and the Secretary advised the holder that it did not intend to specify an amount, and the property is purchased at the sale by a third party, the holder shall credit against the indebtedness the net proceeds of the sale except as provided in paragraph (d) of this section. However, if the property is purchased at the sale by the holder, the indebtedness will be credited with the net proceeds of the sale or an amount established in accordance with paragraph (f) of this section, whichever is greater.

(4) The holder shall notify the Secretary of the results of the sale within 10 days after the sale is completed.

(b) In the event that any real property which is security for a guaranteed loan is to be acquired by a holder in a manner other than as provided in paragraph (a) or (c) of this section (e.g., by strict foreclosure or by the termination without a public sale of the purchaser’s interest in a land sale contract), the holder shall notify the Secretary of the acquisition within 15 days
thereafter and account to the Secretary for the proceeds of the liquidation of the security in accordance with paragraph (f) of this section.

(c) When a debtor proposes to convey or transfer any property to a holder to avoid foreclosure or other judicial, contractual, or statutory disposition of the obligation or of the security, the consent of the Secretary to the terms of such proposal shall be obtained in advance of such conveyance or transfer. If the Secretary consents thereto, the holder may acquire the property and account to the Secretary for the proceeds of the liquidation of the security in accordance with paragraph (f) of this section.

(d) If a minimum bid is required under applicable State law, or decree of foreclosure or order of sale, or other lawful order or decree, the holder may bid an amount not exceeding such amount legally required. If an amount has been specified by the Secretary and the holder is the successful bidder for an amount not exceeding the amount legally required, such specified amount shall govern for the purpose of this section.

(e) If the Secretary has specified an amount as provided in this section, and the holder learns of any material damage to the property occurring prior to the foreclosure sale or to the acceptance of a deed in lieu of foreclosure or prior to any other event to which such specified amount is applicable, the holder shall promptly advise the Secretary of such damage. Also, if the holder acquires or repossesses the property and the holder learns of any material damage to it, the holder shall promptly advise the Secretary of such damage.

(f) When the security for a guaranteed loan is acquired by the holder through foreclosure or otherwise, the holder shall resell the property within a reasonable time and may thereafter submit its claim under the guaranty. The Secretary, upon receipt of a notice of acquisition, shall determine the current reasonable value of the property and advise the holder of the minimum selling price that will be acceptable in any accounting with the Secretary upon liquidation of the security.

(1) If the holder resells the property for an amount at least equal to the minimum selling price, it shall credit the indebtedness with the proceeds of the sale.

(2) If the holder is unable to resell the property for an amount at least equal to the minimum selling price after exposure to the market for a reasonable period of time, the holder may submit to the Secretary a written advice setting forth the price, terms, conditions and expenses of any offer received. The Secretary shall thereupon:

(i) Assent to the resale of the property upon the terms of such offer, in which event the holder will credit the indebtedness with the proceeds of the sale, or

(ii) Review the minimum selling price previously established and, if appropriate, provide the holder with a reduced minimum selling price at which the property shall be further exposed to the market.

(3) If the holder resells the property and finances the sale under the terms of a new security agreement and note, the Secretary may, pursuant to paragraph (f)(3)(iv) of this section, agree to indemnify the holder against loss on the new loan.

(i) The Secretary’s maximum liability under the indemnity agreement shall be the percentage of the loan originally guaranteed applied to the indebtedness as of the date of claim computation as set forth in §36.4284(a), or the amount originally guaranteed, or the amount of the Secretary’s liability under a preexisting indemnity agreement, whichever is less.

(ii) In the event the proceeds of sale are less than the total indebtedness, the Secretary may pay a partial claim for the difference between the indebtedness and the proceeds of sale and thereafter agree to indemnify the holder for the amount of the maximum liability as of the date of claim computation, less the amount of claim paid.

(iii) Subject to the limitation that the total amount payable under an indemnity agreement shall in no event exceed the Secretary’s maximum liability, the remaining liability will be continued as a percentage of the new loan amount increasing or decreasing...
§ 36.4283

(iv) The Secretary shall execute an indemnity agreement evidencing the amount and terms of the indemnity liability, provided:

(A) The Secretary has determined that resale of the security under an indemnity agreement is in the best interest of the Government, and the holder has obtained the prior approval of the Secretary;

(B) The terms of repayment of the proposed loan bear a proper relationship to the borrower’s present and anticipated income and expenses, and the borrower is a satisfactory credit risk;

(C) The borrower executes an agreement establishing liability to the Secretary for the amount of any claim paid under the indemnity agreement;

(D) The term of the proposed loan does not exceed the maximum term allowable under §36.4204(c)(4);

(E) The interest rate charged the borrower does not exceed the maximum rate allowable under §36.4212 as of the date of closing pursuant to the indemnity agreement;

(F) The holder agrees to comply with VA manufactured home regulations as if the original loan had not been terminated.

(Authority: 38 U.S.C. 3712(g))

(4) If the holder has not resold the property, it may elect to submit its claim under Loan Guaranty within 60 days of the date of the Secretary’s written advice of the minimum selling price.

(i) For purposes of computation of a claim submitted pursuant to this paragraph, and subject to the limitation that the maximum amount of claim payable shall in no event exceed the amount originally guaranteed, the amount payable on a claim for the guaranty shall be the percentage of the loan originally guaranteed applied to the indebtedness computed as of the date the holder acquired the security. Further:

(A) The minimum selling price determined by the Secretary and provided to the holder shall be credited to the indebtedness as proceeds of sale; or

(B) If no minimum selling price is provided then the current reasonable value of the property as determined by the Secretary and provided to the holder shall be credited to the indebtedness as proceeds of sale; and

The amount payable on the claim shall in no event exceed the remaining balance of the indebtedness.

(ii) Allowable post-acquisition expenditures or costs paid by the holder which may be included in the accounting with the Secretary are limited to those specified in §36.4276(c).

(g) If at the end of 6 months from the date of acquisition the holder has been unable to resell the property and no claim has been filed pursuant to paragraph (f)(4) of this section, a claim may be submitted under the guaranty and the Secretary will pay to the holder upon submission of such claim:

(1) The difference between the appraised value of the property as determined by the Secretary and the indebtedness including those costs allowable under §36.4276 and the costs of repossessing the manufactured home not to exceed $100, plus any accrued and unpaid interest to the applicable cutoff date as set forth in §36.4284(a) at the maximum rate allowable. For loans guaranteed prior to May 8, 1984, the Secretary will also pay accrued interest at a rate of 6 percent from such cutoff date to the date of claim but not to exceed 60 days. For loans guaranteed on or after May 8, 1984, the Secretary will pay accrued interest at a rate 4.75 percent below the contract interest rate from such cutoff date to the date of claim but not to exceed 90 days.

(Authority: 38 U.S.C. 3712(g))

(2) The amount of the guaranty payable on the total outstanding indebtedness as of the applicable cutoff date set forth in §36.4284(a), whichever is less.

(h) If the property securing the guaranteed loan is acquired by a holder pursuant to paragraph (a), (b) or (c) of this section, or §36.4282(g), the following provisions shall apply:

(1) The holder’s notice to the Secretary after acquisition shall state the amount of the successful bid at public sale, or in the event of a repossession or a voluntary conveyance, the date of acquisition.

The Under Secretary for Benefits, or the Director, Loan Guaranty Service, may authorize any deviation from the provisions of this section, within the limitations prescribed in 38 U.S.C. chapter 37, which may be necessary or desirable to accomplish the objectives of this section if such deviation is made necessary by reason of any laws or practice in any State, Territory, or the District of Columbia: Provided, That no such deviation shall impair the rights of any holder not consenting thereto with respect to loans made or approved prior to the date the holder is notified of such action.

No partial or complete release by a creditor shall impair the rights of the Secretary with respect to the debtor’s obligation.

(b) The holder, upon request, shall execute, acknowledge, and deliver an appropriate instrument tendered the holder for that purpose, evidencing any payment received from the Secretary and the Secretary’s resulting right of subrogation.

(c) The Secretary may cause the instrument required by paragraph (b) of this section to be filed for record in the Office of the Recorder of Deeds, or other appropriate office of the proper county, town, or State, in accordance with the applicable State law.

§ 36.4286 Partial or total loss of guaranty.

(a) There shall be no guaranty liability on the part of the Secretary in respect to any loan as to which a signature to the note, the mortgage or other security instrument is a forgery. Provided, That if a misrepresentation, although material, is not made willfully, or with fraudulent intent, it shall have only the consequences prescribed in paragraphs (b) and (c) of this section.

Subpart B—Guaranty or Insurance of Loans to Veterans With Electronic Reporting

§ 36.4300 Applicability and qualified mortgage status.

(a) Applicability to guaranteed loans. This subpart applies to loans serviced by a mortgage servicing industry segment on or after the date that VA issues a Federal Register notice making this subpart applicable to that segment. This includes loans entitled to an automatic guaranty, or otherwise

holder shall obtain the required lien on real property the title to which is such as to be acceptable to prudent lending institutions, informed buyers, title companies, and attorneys, generally in the community in which the property is situated: Provided, That a title will not be unacceptable by reason of any of the limitations on the quantum or quality of the property or title stated in § 36.4253. If such holder fails in this respect or fails to comply with any of the requirements of 38 U.S.C. 3712 and the § 36.4200 series with respect to:

(1) Obtaining and retaining a lien of the dignity prescribed on all property upon which a lien is required by 38 U.S.C. 3712 or the § 36.4200 series,

(2) Inclusion of power to substitute trustees,

(3) The procurement and maintenance of insurance coverage,

(4) Advice to Secretary as to default,

(5) Notice of intention to begin action,

(6) Notice to the Secretary in any suit or action, or notice of sale,

(7) The release, conveyance, substitution, or exchange of security,

(8) Lack of legal capacity of a party to the transaction incident to which the guaranty is granted,

(9) Failure of the lender to see that any escrowed or earmarked account is expended in accordance with the agreement,

(10) The taking into consideration of limitations upon the quantum or quality of the estate or property,

(11) Any other requirement of 38 U.S.C. 3712 or the § 36.4200 series which does not by the terms of said section or regulations result in relieving the Secretary of all liability with respect to the loan,

no claim on the guaranty shall be paid on account of the loan with respect to which such failure occurred, or in respect to which an unwillful misrepresentation occurred, until the amount by which the ultimate liability of the Secretary would thereby be increased has been ascertained. The burden of proof shall be upon the holder to establish that no increase of ultimate liability is attributable to such failure or misrepresentation. The amount of increased liability of the Secretary shall be offset by deduction from the amount of the guaranty otherwise payable, or if consequent upon loss of security shall be offset by crediting to the indebtedness the amount of the impairment as proceeds of the sale of security in the final accounting to the Secretary. To the extent the loss resultant from the failure of misrepresentation prejudices the Secretary’s right of subrogation acceptance by the holder of the guaranty payment shall subordinate the holder’s right to those of the Secretary.

(c) If after the payment of a guaranty, or after a loan is transferred pursuant to § 36.4281, the fraud, misrepresentation, or failure to comply with the regulations concerning guaranty of loans to veterans as provided in this section is discovered and the Secretary determines that an increased loss to the Government resulted therefrom, the transferee or person to whom such payment was made shall be liable to the Secretary for the amount of the loss caused by such misrepresentation or failure.
guaranteed or insured, on or after the date assigned in the Federal Register, and loans that were previously guaranteed or insured to the extent that no legal rights vested under the regulations are impaired.

(b) Safe harbor qualified mortgage—(1) Defined. A safe harbor qualified mortgage meets the Ability-to-Repay requirements of sections 129B and 129C of the Truth-in-Lending Act (TILA) regardless of whether the loan might be considered a high cost mortgage transaction as defined by section 103bb of TILA (15 U.S.C. 1602bb).

(2) General. Subject to paragraphs (c) and (d) of this section, any guaranteed or insured loan made in compliance with this subpart is a safe harbor qualified mortgage.

(i) A temporary or “bridge” loan with a term of 12 months or less, such as a loan to finance the purchase of a new dwelling where the consumer plans to sell a current dwelling within 12 months or a loan to finance the initial construction of a dwelling;

(ii) A construction phase of 12 months or less of a construction-to-permanent loan;

(iii) An extension of credit made pursuant to a program administered by a Housing Finance Agency, as defined under 24 CFR 266.5;

(D) A creditor with a tax exemption ruling or determination letter from the Internal Revenue Service under section 501(c)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)(3); 26 CFR 1.501(c)(3)–(1), provided that:

(1) During the calendar year preceding receipt of the consumer’s application, the creditor extended credit secured by a dwelling no more than 200 times;

(2) During the calendar year preceding receipt of the consumer’s application, the creditor extended credit secured by a dwelling only to consumers with income that did not exceed the low- and moderate-income household limit as established pursuant to section 102 of the Housing and Community Development Act of 1974 (42 U.S.C. 5302(a)(20)) and amended from time to time by the U.S. Department of Housing and Urban Development, pursuant to 24 CFR 570.3;

(3) The extension of credit is to a consumer with income that does not exceed the household limit specified in 12 CFR 1026.43(a); and

(v) An extension of credit made pursuant to a program authorized by sections 101 and 109 of the Emergency Economic Stabilization Act of 2008 (12 U.S.C. 5211; 5219); or

(c) Interest rate reduction refinancing loans (IRRRLs)—(1) Safe harbor. A streamlined refinance loan made pursuant to 38 U.S.C. 3710(a)(8) and (e) is a safe harbor qualified mortgage, as defined in paragraph (b) of this section, if all of the following conditions are met:

(iv) All other applicable requirements of this subpart are met.

(2) Rebuttable presumption. A streamlined refinance that does not meet all of the requirements of safe harbor in paragraph (c)(1), is a qualified mortgage for which there is a presumption that the borrower had the ability to repay the loan at the time of consummation, if such streamlined refinance, at the time of consummation, satisfies the requirements of (c)(1)(iii) and (iv) of this section.

(d) Effect of indemnification on qualified mortgage status. An indemnification demand or resolution of a demand that relates to whether the loan satisfied relevant eligibility and underwriting requirements at the time of consummation may result from facts that could allow a change to qualified mortgage status, but the existence of an indemnification does not per se remove qualified mortgage status.

(e) Restatement. Title 38 U.S.C., chapter 37, is a continuation and restatement of the provisions of Title III of the Servicemen’s Readjustment Act of 1944, and may be considered an amendment to such Title III. The cost factor used will be the most recent percentage of the fair market value that VA calculated and published in the Notices section of the FEDERAL REGISTER (it is intended that this percentage will be calculated annually). In computing this cost factor, VA will determine the average operating expenses and losses (or gains) on resale incurred for properties acquired under §36.4323 which were sold during the preceding fiscal year and the average administrative cost to VA associated with the property management activity. The final net value derived from this calculation will be stated as a whole dollar amount (any fractional amount will be rounded up to the next whole dollar). The cost items included in the calculation will be:

(c) With respect to a loan for an energy efficient mortgage guaranteed under 38 U.S.C. 3710(d), the amount of the guaranty shall be in the same proportion as would have been provided if the energy efficient improvements were not added to the loan amount, and there shall be no additional charge to the veteran’s entitlement as a result of the increased guaranty amount.

(d) An amount equal to 15 percent of the original principal amount of each insured loan shall be credited to the insurance account of the lender and shall be charged against the guaranty entitlement of the borrower: Provided, That no loan may be insured unless the borrower has sufficient entitlement remaining to permit such credit.

(e) Subject to the provisions of § 36.4303(g), the following formulas shall govern the computation of the amount of the guaranty or insurance entitlement which remains available to an eligible veteran after prior use of entitlement:

(3) If a veteran previously secured a manufactured home loan under 38 U.S.C. 3712, the amount of entitlement used for that loan is subtracted from $36,000. The sum remaining is the amount of available entitlement for home loans and the sum remaining may be increased by up to $24,000 if the loan amount exceeds $144,000 and the loan is for purchase or construction of a home or purchase of a condominium. To determine the amount of entitlement available for manufactured home loans processed under 38 U.S.C. 3712, the amount of entitlement previously used for that purpose is subtracted from $20,000. The sum remaining is the amount of available entitlement for
§ 36.4302

use for manufactured home loan purposes under 38 U.S.C. 3712.

(Authority: 38 U.S.C. 3703)

(f) For the purpose of computing the remaining guaranty or insurance benefit to which a veteran is entitled, loans guaranteed prior to February 1, 2008 shall be taken into consideration as if made subsequent thereto.

(g) A loan eligible for insurance may be either guaranteed or insured at the option of the borrower and the lender, provided that if the Secretary is not advised of the exercise of such option at the time the loan is reported pursuant to §36.4303, such loan will not be eligible for insurance.

(h) A guaranty is reduced or increased pro rata with any deduction or increase in the amount of the guaranteed indebtedness, but in no event will the amount payable on a guaranty exceed the amount of the original guaranty, except where the guaranty has been increased under §36.4315, or the percentage of the total indebtedness corresponding to that of the original guaranty whichever is less. However, on a graduated payment mortgage loan, the percentage of guaranty applicable to the original loan amount pursuant to paragraph (a) of this section shall apply to the loan indebtedness to the extent scheduled deferred interest is added to principal during the graduation period without regard to the original maximum dollar amount of guaranty.

(Authority: 38 U.S.C. 3703(b) and (d))

(i) The amount of any guaranty or the amount credited to a lender’s insurance account in relation to any insured loan shall be charged against the original or remainder of the guaranty benefit of the borrower. Complete or partial liquidation, by payment or otherwise, of the veteran’s guaranteed or insured indebtedness does not increase the remainder of the guaranty benefit, if any, otherwise available to the veteran. When the maximum amount of guaranty or insurance legally available to a veteran shall have been granted, no further guaranty or insurance is available to the veteran.

(j) Notwithstanding the provisions of paragraph (i) of this section, in computing the aggregate amount of guaranty or insurance housing loan entitlement available to a veteran under this chapter, the Secretary may exclude the amount of guaranty or insurance housing loan entitlement used for any guaranteed, insured, or direct loan under any one of the following circumstances:

(1)(i) The property which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard; and

(ii) The loan has been repaid in full; or, the Secretary has been released from liability as to the loan; or, if the Secretary has suffered a loss on such loan, the loss has been paid in full.

(2) A veteran-transferee has agreed to assume the outstanding balance on the loan and consented to the use of the veteran-transferee’s entitlement, to the extent that the entitlement of the veteran-transferor had been used originally, in place of the veteran-transferor’s for the guaranteed, insured, or direct loan, and the veteran-transferee otherwise meets the requirements of this chapter.

(3)(i) The loan has been repaid in full; and

(ii) The loan for which the veteran seeks to use entitlement under this chapter is secured by the same property which secured the loan referred to in the preceding paragraph (j)(3)(i) of this paragraph.

(4) In a case not covered by (j)(1) or (j)(2) of this section, the Secretary may, in any case involving circumstances that the Secretary deems appropriate, waive one or more of the requirements set forth in paragraph (j)(1) of this section.

§ 36.4303 Reporting requirements.

(a) With respect to loans automatically guaranteed under 38 U.S.C. 3703(a)(1), evidence of the guaranty will be issuable to a lender of a class described under 38 U.S.C. 3702(d) if the loan is reported to the Secretary not later than 60 days following full disbursement and upon the certification of the lender that:

(1) No default exists thereunder that has continued for more than 30 days;
(2) Except for acquisition and improvement loans as defined in §36.4301, any construction, repairs, alterations, or improvements effected subsequent to the appraisal of reasonable value, and paid for out of the proceeds of the loan, which have not been inspected and approved upon completion by a compliance inspector designated by the Secretary, have been completed properly in full accordance with the plans and specifications upon which the original appraisal was based; and any deviations or changes of identity in said property have been approved as required in §36.4304 concerning guaranty or insurance of loans to veterans;
(3) The loan conforms otherwise with the applicable provisions of 38 U.S.C. chapter 37 and of the regulations concerning guaranty or insurance of loans to veterans.

(b) Loans made pursuant to 38 U.S.C. 3703(a), although not entitled to automatic insurance thereunder, may, when made by a lender of a class described in 38 U.S.C. 3702(d)(1), be reported for issuance of an insurance credit.

(c) Each loan proposed to be made to an eligible veteran by a lender not within a class described in 38 U.S.C. 3702(d) shall be submitted to the Secretary for approval prior to closing. Lenders described in 38 U.S.C. 3702(d) shall have the optional right to submit any loan for such prior approval. The Secretary, upon determining any loan so submitted to be eligible for a guaranty, or for insurance, will issue a certificate of commitment with respect thereto.

(d) A certificate of commitment shall entitle the holder to the issuance of the evidence of guaranty or insurance upon the ultimate actual payment of the full proceeds of the loan for the purposes described in the original report and upon the submission within 60 days thereafter of a supplemental report showing that fact and:

(1) The identity of any property purchased therewith,
(2) That all property purchased or acquired with the proceeds of the loan has been encumbered as required by the regulations concerning guaranty or insurance of loans to veterans,
(3) Except for acquisition and improvement loans as defined in §36.4301(c), any construction, repairs, alterations, or improvements paid for out of the proceeds of the loan, which have not been inspected and approved subsequent to completion by a compliance inspector designated by the Secretary, have been completed properly in full accordance with the plans and specifications upon which the original appraisal was based; and that any deviations or changes of identity in said property have been approved as required by §36.4304, and
(4) That the loan conforms otherwise with the applicable provisions of 38
§ 36.4303

38 CFR Ch. I (7–1–14 Edition)

U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans.

(Authority: 38 U.S.C. 3703(c)(1))

(e) Upon the failure of the lender to report in accordance with the provisions of paragraph (d) of this section, the certificate of commitment shall have no further effect, or the amount of guaranty or insurance shall be reduced pro rata, as may be appropriate under the facts of the case: Provided, nevertheless, that if the loan otherwise meets the requirements of this section, said certificate of commitment may be given effect by the Secretary, notwithstanding the report is received after the date otherwise required.

(f) For loans not reported within 60 days, evidence of guaranty will be issued only if the loan report is accompanied by a statement signed by a corporate officer of the lending institution which explains why the loan was reported late. The statement must identify the case or cases in issue and must set forth the specific reason or reasons why the loan was not submitted on time. Upon receipt of such a statement evidence of guaranty will be issued. A pattern of late reporting and the reasons therefore will be considered by VA in taking action under §36.4353.

(g) Evidence of a guaranty will be issued by the Secretary by appropriate endorsement on the note or other instrument evidencing the obligation, or by a separate certificate at the option of the lender. Notice of credit to an insurance account will be given to the lender. Unused certificates of eligibility issued prior to March 1, 1946, are void. No certificate of commitment shall be issued and no loan shall be guaranteed or insured unless the lender, the veteran, and the loan are shown to be eligible. Evidence of guaranty or insurance will not be issued on any loan for the purchase or construction of residential property unless the veteran, or the veteran’s spouse in the case of a veteran who cannot occupy the property because of active duty status with the Armed Forces, certifies in such form as the Secretary shall prescribe that the veteran, or spouse of the active duty veteran, intends to occupy the property as his or her home.

Guaranty or insurance evidence will not be issued on any loan for the alteration, improvement, or repair of any residential property or on a refinancing loan unless the veteran, or spouse of an active duty servicemember, certifies that he or she presently occupies the property as his or her home. An exception to this is if the home improvement or refinancing loan is for extensive changes to the property that will prevent the veteran or the spouse of the active duty veteran from occupying the property while the work is being completed. In such a case the veteran or spouse of the active duty veteran must certify that he or she intends to occupy or reoccupy the property as his or her home upon completion of the substantial improvements or repairs. All of the mentioned certifications must take place at the time of loan application and closing except in the case of loans automatically guaranteed, in which case veterans or, in the case of an active duty veteran, the veteran’s spouse shall make the required certification only at the time the loan is closed.

(Authority: 38 U.S.C. 3704(c))

(h) Subject to compliance with the regulations concerning guaranty or insurance of loans to veterans, the certificate of guaranty or the evidence of insurance credit will be issuable within the available entitlement of the veteran on the basis of the loan stated in the final loan report or certification of loan disbursement, except for refinancing loans for interest rate reductions. The available entitlement of a veteran will be determined by the Secretary as of the date of receipt of an application for guaranty or insurance of a loan or of a loan report. Such date of receipt shall be the date the application or loan report is date-stamped into VA. Eligibility derived from the most recent period of service:

(1) Shall cancel any unused entitlement derived from any earlier period of service, and

(2) Shall be reduced by the amount by which entitlement from service during any earlier period has been used to obtain a direct, guaranteed, or insured loan:

(i) On property which the veteran owns at the time of application, or
(i) As to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary, the resulting indebtedness of the veteran to the United States has been paid in full. Provided, that if the Secretary issues or has issued a certificate of commitment covering the loan described in the application for guaranty or insurance or in the loan report, the amount and percentage of guaranty or the amount of the insurance credit contemplated by the certificate of commitment shall not be subject to reduction if the loan has been or is closed on a date that is not later than the expiration date of the certificate of commitment, notwithstanding that the Secretary in the meantime and prior to the issuance of the evidence of guaranty or insurance shall have incurred actual liability or loss on a direct, guaranteed, or insured loan previously obtained by the borrower. For the purposes of this paragraph, the Secretary will be deemed to have incurred actual loss on a guaranteed or insured loan if the Secretary has paid a guaranty or insurance claim thereon and the veteran's resultant indebtedness to the Government has not been paid in full, and to have incurred actual liability on a guaranteed or insured loan if the Secretary is in receipt of a claim on the guaranty or insurance or is in receipt of a notice of default. In the case of a direct loan, the Secretary will be deemed to have incurred an actual loss on the loan if is in default. A loan, the proceeds of which are to be disbursed progressively or at intervals, will be deemed to have been closed for the purposes of this paragraph if the loan has been completed in all respects excepting the actual "payout" of the entire loan proceeds.

(Authority: 38 U.S.C. 3702(a), 3710(c))

(ii) Any amounts that are disbursed for an ineligible purpose shall be excluded in computing the amount of guaranty or insurance credit.

(j) Notwithstanding the lender has erroneously, but without intent to misrepresent, made certification with respect to paragraph (a)(1) of this section, the guaranty or insurance will become effective upon the curing of such default and its continuing current for a period of not less than 60 days thereafter. For the purpose of this paragraph a loan will be deemed current so long as the installment is received within 30 days after its due date.

(k) No guaranty or insurance commitment or evidence of guaranty or insurance will be issuable in respect to any loan to finance a contract that:

(1) Is for the purchase, construction, repair, alteration, or improvement of a dwelling or farm residence;

(2) Is dated on or after June 4, 1969;

(3) Provides for a purchase price or cost to the veteran in excess of the reasonable value established by the Secretary; and

(4) Was signed by the veteran prior to the veteran's receipt of notice of such reasonable value; unless such contract includes, or is amended to include, a provision that reads substantially as follows:

It is expressly agreed that, notwithstanding any other provisions of this contract, the purchaser shall not incur any penalty by forfeiture of earnest money or otherwise be obligated to complete the purchase of the property described herein, if the contract purchase price or cost exceeds the reasonable value of the property established by the Department of Veterans Affairs. The purchaser shall, however, have the privilege and option of proceeding with the consummation of this contract without regard to the amount of the reasonable value established by the Department of Veterans Affairs.

(Authority: 38 U.S.C. 501, 3703(c)(1))

(l) With respect to any loan for which a commitment was made on or after March 1, 1988, the Secretary must be notified whenever the holder receives knowledge of disposition of the residential property securing a VA-guaranteed loan.

(1) If the seller applies for prior approval of the assumption of the loan, then:

(i) A holder (or its authorized servicing agent) who is an automatic lender must examine the creditworthiness of the purchaser and determine compliance with the provisions of 38 U.S.C. 3714. The creditworthiness review must be performed by the party that has automatic authority. If both the holder and its servicing agent are automatic lenders, then they must decide between
themselves which one will make the determination of creditworthiness, whether the loan is current and whether there is a contractual obligation to assume the loan, as required by 38 U.S.C. 3714. If the actual loan holder does not have automatic authority and its servicing agent is an automatic lender, then the servicing agent must make the determinations required by 38 U.S.C. 3714 on behalf of the holder. The actual holder will remain ultimately responsible for any failure of its servicing agent to comply with the applicable law and VA regulations.

(A) If the assumption is approved and the transfer of the security is completed, then the notice required by this paragraph (1) shall consist of the credit package (unless previously provided in accordance with paragraph (1)(1)(i)(B) of this section) and a copy of the executed deed and/or assumption agreement as required by VA office of jurisdiction. The notice shall be submitted to the Department with the VA receipt for the funding fee provided for in §36.4313(e)(2).

(B) If the application for assumption is disapproved, the holder shall notify the seller and the purchaser that the decision may be appealed to the VA office of jurisdiction within 30 days. The holder shall make available to that VA office all items used by the holder in making the holder’s decision in case the decision is appealed to VA. If the application remains disapproved after 60 days (to allow time for appeal to and review by VA), then the holder must refund $50 of any fee previously collected under the provisions of §36.4313(d)(8). If the application is subsequently approved and the sale is completed, then the holder (or its authorized servicing agent) shall provide the notice required in paragraph (1)(1)(i)(A) of this section.

(C) In performing the requirements of paragraphs (1)(1)(i)(A) or (1)(1)(i)(B) of this section, the holder must complete its examination of the creditworthiness of the prospective purchaser and advise the seller no later than 45 days after the date of receipt by the holder of a complete application package for the approval of the assumption. The 45-day period may be extended by an interval not to exceed the time caused by delays in processing of the application that are documented as beyond the control of the holder, such as employers or depositories not responding to requests for verifications, which were timely forwarded, or follow-ups on those requests.

(ii) If neither the holder nor its authorized servicing agent is an automatic lender, the notice to VA shall include:

(A) Advice regarding whether the loan is current or in default;

(B) A copy of the purchase contract; and

(C) A complete credit package developed by the holder which the Secretary may use for determining the creditworthiness of the purchaser.

(D) The notice and documents required by this section must be submitted to the VA office of jurisdiction no later than 35 days after the date of receipt by the holder of a complete application package for the approval of the assumption, subject to the same extensions as provided in paragraph (1)(1)(i) of this section. If the assumption is not automatically approved by the holder or its authorized agent, pursuant to the automatic authority provisions, $50 of any fee collected in accordance with §36.4313(d)(8) must be refunded. If the Department of Veterans Affairs does not approve the assumption, the holder will be notified and an additional $50 of any fee collected under §36.4313(d)(8) must be refunded following the expiration of the 30-day appeal period set out in paragraph (1)(1)(i)(B) of this section. If such an appeal is made to the Department of Veterans Affairs, then the review will be conducted at the Department of Veterans Affairs office of jurisdiction by an individual who was not involved in the original disapproval decision. If the application for assumption is approved and the transfer of security is completed, then the holder (or its authorized servicing agent) shall provide the notice required in paragraph (1)(1)(i)(A) of this section.

(2) If the seller fails to notify the holder before disposing of property securing the loan, the holder shall notify the Secretary within 60 days after learning of the transfer. Such notice shall advise whether or not the holder
§ 36.4305 Partial disbursement.

In cases where intervening circumstances make it impracticable to complete the actual paying out of the loan originally proposed, or justify the lender in declining to make further disbursements on a construction loan, evidence of guaranty or of insurance of the loan or the proper pro rata part thereof will be issuable if the loan is otherwise eligible for automatic guaranty or a certificate of commitment was issued thereon. Provided,

(a) A report of the loan is submitted to the Secretary within a reasonable time subsequent to the last disbursement, but in no event more than 90 days thereafter, unless report of the facts and circumstances is made and an extension of time obtained from the Secretary.

(b) There has been no default on the loan, except that the existence of a default shall not preclude issuance of a guaranty certificate or insurance advice if a certificate of commitment was issued with respect to the loan.

(c) The Secretary determines that a person of reasonable prudence similarly situated would not make further disbursements in the situation presented.

(d) There has been full compliance with the provisions of 38 U.S.C. chapter 37 and of the applicable regulations up to the time of the last disbursement.

(e) In the case of a construction loan when the construction is not fully completed, the amount and percentage of the guaranty and the amount of the loan for the purposes of insurance or accounting to the Secretary shall be based upon such portion of the amount disbursed out of the proceeds of the loan which, when added to any other payments made by or on behalf of the veteran to the builder or the contractor, does not exceed 80 percent of the value of that portion of the construction performed (basing value on the contract price) plus the sum, if any, disbursed by the lender out of the proceeds of the loan for the land on which the construction is situated: And provided further, That the lender shall certify as follows:

(1) Any amount advanced for land is protected by title or lien as provided in the regulations concerning guaranty or insurance of loans to veterans; and

(2) No enforceable liens, for any work done or material furnished for that part of the construction completed and for which payment has been made out of the proceeds of the loan, exist or can come into existence.

(Authority: 38 U.S.C. 3703(c)(1) and (d))
§ 36.4306 Refinancing of mortgage or other lien indebtedness.

(a) Any loan for the purpose of refinancing (38 U.S.C. 3710(a)(5)) an existing mortgage loan or other indebtedness secured by a lien of record on a dwelling or farm residence owned and occupied or to be reoccupied if the refinancing loan is for the completion of major alterations, repairs or improvements to the property, by an eligible veteran as the veteran’s home, or in the case of an eligible veteran unable to occupy the property because of active duty status in the Armed Forces, occupied or to be reoccupied by the veteran’s spouse as the spouse’s home, shall be eligible for guaranty in an amount as computed under §36.4302(a) provided that—

(1) The amount of the loan may not exceed an amount equal to 90 percent of the reasonable value of the dwelling or farm residence which will secure the loan, as determined by the Secretary.

(Authority: 38 U.S.C. 3710(e)(1))

(2) The dollar amount of discount, if any, to be paid by the veteran is reasonable in amount as determined by the Secretary in accordance with §36.4313(d)(7)(i).

(3) The loan is otherwise eligible for guaranty.

(b) [Reserved]

(c) Nothing shall preclude guaranty of a loan to an eligible veteran having home loan guaranty entitlement to refinance under the provisions of 38 U.S.C. 3710(a)(5) a VA guaranteed or insured (or direct) mortgage loan made to him or her which is outstanding on the dwelling or farm residence owned and occupied or to be reoccupied after the completion of major alterations, repairs, or improvements to the property, by the veteran as a home, or in the case of an eligible veteran unable to occupy the property because of active duty status in the Armed Forces, occupied or to be reoccupied by the veteran’s spouse as the spouse’s home.

(Authority: 38 U.S.C. 3710(e)(1))

(d) A refinancing loan may include contractual prepayment penalties, if any, due the holder of the mortgage or other lien indebtedness to be refinanced.

(e) [Reserved]

(f) Nothing in this section shall preclude the refinancing of the balance due for the purchase of land on which new construction is to be financed through the proceeds of the loan, or the refinancing of the balance due on an existing land sale contract relating to a veteran’s dwelling or farm residence.

(g) A veteran may refinance (38 U.S.C. 3710(a)(9)(B)(ii)) an existing loan that was for the purchase of, and is secured by, a manufactured home in order to purchase the lot on which the manufactured home is or will be permanently affixed, provided the following requirements are met:

(1) The refinancing of a manufactured home and the purchase of a lot must be considered as one loan;

(2) The manufactured home upon being permanently affixed to the lot will be considered real property under the laws of the State where it is located;

(3) The loan must be secured by the same manufactured home which is being refinanced and the real property on which the manufactured home is or will be located;

(4) The amount of the loan may not exceed an amount equal to the sum of the balance of the loan being refinanced; the purchase price, not to exceed the reasonable value of the lot; the costs of the necessary site preparation of the lot as determined by the Secretary; a reasonable discount as authorized in §36.4313(d)(6) with respect to that portion of the loan used to refinance the existing purchase money lien on the manufactured home, and closing costs as authorized in §36.4313; and

(5) If the loan being refinanced was guaranteed by VA, the portion of the loan made for the purpose of refinancing an existing purchase money manufactured home loan may be, guaranteed without regard to the outstanding guaranty entitlement available for use by the veteran, and the veteran’s guaranty entitlement shall
not be charged as a result of any guaranty provided for the refinancing portion of the loan. For the purposes enumerated in 38 U.S.C. 3702(b), the refinancing portion of the loan shall be considered to have been obtained with the guaranty entitlement used to obtain VA-guaranteed loan being refinanced. The total guaranty for the new loan shall be the sum of the guaranty entitlement used to obtain VA-guaranteed loan being refinanced and any additional guaranty entitlement available to the veteran. However, the total guaranty may not exceed the guaranty amount as calculated under §36.4302(a).

(Authority: 38 U.S.C. 3703(a), 3710)

§36.4307 Interest rate reduction refinancing loan.

(a) Pursuant to 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), and (a)(11), a veteran may refinance an existing VA-guaranteed, insured, or direct loan to reduce the interest rate payable on the existing loan provided that all of the following requirements are met:

(1) The new loan must be secured by the same dwelling or farm residence as the loan being refinanced.

(2) The veteran owns the dwelling or farm residence securing the loan and

(i) Occupies the dwelling or residence as his or her home; or

(ii) Previously occupied the dwelling or residence as his or her home and certifies, in such form as the Secretary shall require, that he or she has previously occupied the dwelling or residence as a home; or

(iii) In a case in which the veteran is or was unable to occupy the residence or dwelling as a home because the veteran was on active duty status as a member of the Armed Forces, the spouse of the veteran occupies, or previously occupied, the dwelling or residence as the spouse's home and certifies to that occupancy in such form as the Secretary shall require.

(Authority: 38 U.S.C. 3703(e)(1))

(3) The monthly principal and interest payment on the new loan is lower than the principal and interest payment on the loan being refinanced; or the term of the new loan is shorter than the term of the loan being refinanced; or the new loan is a fixed-rate loan that refinances a VA-guaranteed adjustable rate mortgage; or the increase in the monthly payments on the loan results from the inclusion of energy efficient improvements, as provided by §36.4339(a)(4); or the Secretary approves the loan in advance after determining that the new loan is necessary to prevent imminent foreclosure and the veteran qualifies for the new loan under the credit standards contained in §36.4340.

(4) The amount of the refinancing loan does not exceed:

(i) An amount equal to the balance of the loan being refinanced, which is not delinquent, except as provided in paragraph (a)(5) of this section, plus closing costs authorized by §36.4313(d) and a discount not to exceed 2 percent of the loan amount; or

(ii) In the case of a loan to refinance an existing VA-guaranteed or direct loan and to improve the dwelling securing such loan through energy efficient improvements, the amount referred to with respect to the loan under paragraph (a)(4)(i) of this section, plus the amount authorized by §36.4339(a)(4).

(Authority: 38 U.S.C. 3703, 3710)

(5) If the loan being refinanced is delinquent (delinquent means that a scheduled monthly payment of principal and interest is more than 30 days past due), the new loan will be guaranteed only if the Secretary approves it in advance after determining that the borrower, through the lender, has provided reasons for the loan deficiency, has provided information to establish that the cause of the delinquency has been corrected, and qualifies for the loan under the credit standards contained in §36.4340. In such cases, the term “balance of the loan being refinanced” shall include any past due installments, plus allowable late charges.

(6) The dollar amount of guaranty on the 38 U.S.C. 3710(a)(8) or (a)(9)(B)(i) loan does not exceed the greater of the original guaranty amount of the loan being refinanced or 25 percent of the new loan.
§ 36.4308 Joint loans.

(a) Except as provided in paragraph (b) of this section, the prior approval of the Secretary is required in respect to any loan to be made to two or more borrowers who become jointly and severally liable, or jointly liable therefor, and who will acquire an undivided interest in the property to be purchased or who will otherwise share in the proceeds of the loan, or in respect to any loan to be made to an eligible veteran whose interest in the property owned, or to be acquired with the loan proceeds, is an undivided interest only, unless such interest is at least a 50 percent interest in a partnership. The amount of the guaranty or insurance credit shall be computed in such cases only on that portion of the loan allocable to the eligible veteran which, taking into consideration all relevant factors, represents the proper contribution of the veteran to the transaction. Such loans shall be secured to the extent required by 38 U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans.

(b) Notwithstanding the provisions of paragraph (a) of this section, the joint deed of the spouse of a veteran-borrower in the ownership of residential property shall not require prior approval or preclude the issuance of a guaranty or insurance credit based upon the entire amount of the loan. If both spouses are eligible veterans, either or both may, within permissible maxima, utilize available guaranty or insurance entitlement.

(c) For the purpose of determining the rights and the liabilities of the Secretary with respect to a loan subject to paragraph (a) of this section, credits legally applicable to the entire loan shall be applied as follows:

(1) Prepayments made expressly for credit to that portion of the indebtedness allocable to the veteran (including the gratuity paid pursuant to former provisions of law), shall be applied to such portion of the indebtedness. All other payments shall be applied ratably to those portions of the loan allocable respectively to the veteran and to the other debtors.

(2) Proceeds of the sale or other liquidation of the security shall be applied ratably to the respective portions
§ 36.4309 Transfer of title by borrower or maturity by demand or acceleration.

(a) Except as provided by paragraphs (b) or (c) of this section the conveyance of or other transfer of title to property by operation of law or otherwise, after the creation of a lien thereon to secure a loan which is guaranteed or insured in whole or in part by the Secretary, shall not constitute an event of default, or acceleration of maturity, elective or otherwise, and shall not of itself terminate or otherwise affect the guaranty or insurance.

(b)(1) The Secretary may issue guaranty on loans in which a State, Territorial, or local governmental agency provides assistance to a veteran for the acquisition of a dwelling. Such loans will not be considered ineligible for guaranty if the State, Territorial, or local authority, by virtue of its laws or regulations or by virtue of Federal law, requires the acceleration of maturity of the loan upon the sale or conveyance of the security property to a person ineligible for assistance from such authority.

(2) At the time of application for a loan assisted by a State, Territorial, or local governmental agency, the veteran-applicant must be fully informed and consent in writing to the housing authority restrictions. A copy of the veteran’s consent statement must be forwarded with the loan application or the report of a loan processed on the automatic basis.

(c) Any housing loan which is financed under 38 U.S.C. chapter 37, and to which section 3714 of that chapter applies, shall include a provision in the security instrument that the holder may declare the loan immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to section 3714.

(1) A holder may not exercise its option to accelerate a loan upon:

(i) The creation of a lien or other encumbrance subordinate to the lender’s security instrument which does not relate to the transfer of rights of occupancy in the property;

(ii) The creation of a purchase money security interest for household appliances;

(iii) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(iv) The granting of a leasehold interest of three years or less not containing an option to purchase;

(v) A transfer to a relative resulting from the death of a borrower;

(vi) A transfer where the spouse or children of the borrower become joint owners of the property with the borrower;

(vii) A transfer resulting from a decree of a dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement by which the spouse of the borrower becomes the sole owner of the property. In such a case the borrower shall have the option of applying directly to the Department of Veterans Affairs regional office of jurisdiction for a release of liability in accordance with §36.4826; or

(viii) A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property.

(2) With respect to each such loan at least one of the instruments used in the transaction shall contain the following statement: “This loan is not assumable without the approval of the Department of Veterans Affairs or its authorized agent.” This statement must be:

(i) Printed in a font size which is the larger of:

(A) Two times the largest font size contained in the body of the instrument; or

(B) 18 points; and

(ii) Contained in at least one of the following:

(A) The note;

(B) The mortgage or deed of trust; or
(C) A rider to either the note, the mortgage, or the deed of trust.

(Authority: 38 U.S.C. 3714(d))

(d) The term of payment of any guaranteed or insured obligation shall bear a proper relation to the borrower’s present and anticipated income and expenses, except loans pursuant to 38 U.S.C. 3710(a)(8) or (a)(9)(B)(i)). In addition the terms of payment of any guaranteed or insured obligation shall provide for discharge of the obligation at a definite date or dates or intervals, in amount not specified or computable from the face of the instrument. A loan which is payable on demand, or at sight, or on presentation, or at a time not specified or computable from the language in the note, mortgage, or other loan instrument, or which contemplates periodic renewals at the option of the holder to satisfy the repayment requirements of this section, is not eligible for guaranty or insurance, except as provided in paragraph (f) of this section.

(e) No guaranteed or insured obligation shall contain a provision to the effect that the holder shall have the right to declare the indebtedness due, or to pursue one or more legal or equitable remedies, if holder “shall feel insecure,” or upon the occurrence of one or more such conditions optional to the holder, without regard to an act or omission by the debtor, which condition by the terms of the note, mortgage, or other loan instrument would at the option of the holder afford a basis for declaring a default.

(f) Notwithstanding the inclusion in the guaranteed or insured obligation of a provision contrary to the provisions of this section, the right of the holder to payment of the guaranty or insurance shall not be thereby impaired:

Provided,

(1) Default was declared or maturity was accelerated under some other provision of the note, mortgage, or other loan instrument;

(2) Activation or enforcement of such provision is warranted under §36.4350(i)(2), or if there exist conditions justifying the appointment of a receiver for the property (without reference to any contractual provisions for such appointment), or

(3) The prior approval of the Secretary was obtained.

(Authority: 38 U.S.C. 3703(c))

(g) The holder of any guaranteed or insured obligation shall have the right, notwithstanding the absence of express provision therefor in the instruments evidencing the indebtedness, to accelerate the maturity of such obligation at any time after the continuance of any default for the period of three months.

(h) If sufficient funds are tendered to bring a delinquency current at any time prior to a judicial or statutory sale or other public sale under power of sale provisions contained in the loan instruments to liquidate any security for a guaranteed loan, the holder shall be obligated to accept the funds in payment of the delinquency unless the prior approval of the Secretary is obtained to do otherwise, or unless reinstatement of the loan would adversely affect the dignity of the lien or be otherwise precluded by law. A delinquency will include all installment payments (principal, interest, taxes, insurance, advances, etc.) due and unpaid and any accumulated late charges plus any reasonable expenses incurred and paid by the holder if termination proceedings have begun (e.g., advertising costs, foreclosure costs, attorney or trustee fees, recording fees, etc.).

EDITORIAL NOTE: At 75 FR 65238, Oct. 22, 2010, §36.4309 was amended in paragraph (c)(1)(vi) by removing the cross reference §36.4326 and replacing it with the cross-reference §36.4326; however, the amendment could not be incorporated due to inaccurate amendatory instruction.

§36.4310 Amortization.

(a) All loans, the maturity date of which is beyond 5 years from date of loan or date of assumption by the veteran, shall be amortized. Except as provided in paragraph (e) of this section, the schedule of payments thereon shall
be in accordance with any generally recognized plan of amortization requiring approximately equal periodic payments and shall require a principal reduction not less often than annually during the life of the loan. The final installment on any loan shall not be in excess of two times the average of the preceding installments, except that on a construction loan such installment may be for an amount not in excess of 5 percent of the original principal amount of the loan. The limitations imposed herein on the amount of the final installment shall not apply in the case of any loan extended pursuant to §36.4315.

(b) Any plan of repayment on loans required to be amortized which does not provide for approximately equal periodic payments shall not be eligible unless the plan conforms with the provisions of paragraph (e) of this section, or is otherwise approved by the Secretary.

(c) Every guaranteed or insured loan shall be repayable within the estimated economic life of the property securing the loan.

(d) Subject to paragraph (a) of this section, any amounts which under the terms of a loan do not become due and payable on or before the last maturity date permissible for loans of its class under the limitations contained in 38 U.S.C. chapter 37 shall automatically fall due on such date. See §36.4337.

(e) A graduated payment mortgage loan, providing for deferrals of interest during the first 5 years of the loan and addition of the deferred amounts to principal shall be eligible, Provided:

(1) The loan is for the purpose of acquiring a single-family dwelling unit, including a condominium unit or simultaneously acquiring and improving a previously occupied, existing single-family dwelling unit.

(2)(i) For proposed construction or existing homes not previously occupied (new homes), the maximum loan amount cannot exceed 97.5 percent of the lesser of the reasonable value of the property as of the time the loan is made or the purchase price.

(ii) For previously occupied, existing homes the maximum loan amount must be computed to assure that the principal amount of the loan, including all interest scheduled to be deferred and added to the loan principal, will not exceed the purchase price or reasonable value of the property, whichever is less, as of the time the loan is made;

(3) The increases in the monthly periodic payment amount occur annually on each of the first five annual anniversary dates of the first loan installment due date, at a rate of 7.5 percent over the preceding year’s monthly payment amount;

(4) Beginning with the payment due on the fifth annual anniversary date of the first loan installment due date, all remaining monthly periodic payments are approximately equal in amount and amortize the loan fully in accordance with the requirements of this section, and

(5) The plan is otherwise acceptable to the Secretary.

§ 36.4311 Prepayment.

The debtor shall have the right to prepay at any time, without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or $100, whichever is less. Any prepayment in full of the indebtedness shall be credited on the date received, and no interest may be charged thereafter. Any partial prepayment made on other than an installment due date need not be credited until the next following installment due date or 30 days after such prepayment, whichever is earlier. The holder and the debtor may agree at any time that any prepayment not previously applied in satisfaction of matured installments shall be reapplied for the purpose of curing or preventing any subsequent default.

§ 36.4312 Interest rates.

(a) In guaranteeing or insuring loans under 38 U.S.C. chapter 37, the Secretary may elect to require that such loans either bear interest at a rate that is agreed upon by the veteran and the lender, or bear interest at a rate not in
§ 36.4312 38 CFR Ch. I (7–1–14 Edition)

excess of a rate established by the Secretary. The Secretary may, from time to time, change that election by publishing a notice in the Federal Register. However, the interest rate of a loan for the purpose of an interest rate reduction under 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), or (a)(11) must be less than the interest rate of the VA loan being refinanced. This paragraph does not apply in the case of an adjustable rate mortgage being refinanced under 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), or (a)(11) with a fixed rate loan.

(Authority: 38 U.S.C. 3703, 3710)

(b) For loans bearing an interest rate agreed upon by the veteran and the lender, the veteran may pay reasonable discount points in connection with the loan. The discount points may not be included in the loan amount, except for interest rate reduction refinancing loans under 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), and (a)(11). For loans bearing an interest rate agreed upon by the veteran and the lender, the provisions of § 36.4313(d)(6) and (d)(7) do not apply.

(Authority: 38 U.S.C. 3703, 3710)

(c) Except as provided in § 36.4315, interest in excess of the rate reported by the lender when requesting evidence of guaranty or insurance shall not be payable on any advance, or in the event of any delinquency or default: Provided, that a late charge not in excess of an amount equal to 4 percent on any installment paid more than 15 days after due date shall not be considered a violation of this limitation.

(Authority: 38 U.S.C. 3703, 3710)

(d) Effective October 1, 2003, adjustable rate mortgage loans which comply with the requirements of this paragraph (d) are eligible for guaranty.

(1) Interest rate index. Changes in the interest rate charged on an adjustable rate mortgage must correspond to changes in the weekly average yield on one year (52 weeks) Treasury bills adjusted to a constant maturity. Yields on one year Treasury bills at “constant maturity” are interpolated by the United States Treasury from the daily yield curve. This curve, which relates the yield on the security to its time to maturity, is based on the closing market bid yields on actively traded one year Treasury bills in the over-the-counter market. The weekly average one year constant maturity Treasury bill yields are published by the Federal Reserve Board of the Federal Reserve System. The Federal Reserve Statistical Release Report H. 15 (519) is released each Monday. These one year constant maturity Treasury bill yields are also published monthly in the Federal Reserve Bulletin, published by the Federal Reserve Board of the Federal Reserve System, as well as quarterly in the Treasury Bulletin, published by the Department of the Treasury.

(2) Frequency of interest rate changes. Interest rate adjustments must occur on an annual basis, except that the first adjustment may occur no sooner than 36 months from the date of the borrower’s first mortgage payment. The adjusted rate will become effective the first day of the month following the adjustment date; the first monthly payment at the new rate will be due on the first day of the following month. To set the new interest rate, the lender will determine the change between the initial (i.e., base) index figure and the current index figure. The initial index figure shall be the most recent figure available before the date of mortgage loan origination. The current index figure shall be the most recent index figure available 30 days before the date of each interest rate adjustment.

(3) Method of rate changes. Interest rate changes may only be implemented through adjustments to the borrower’s monthly payments.

(4) Initial rate and magnitude of changes. The initial contract interest rate of an adjustable rate mortgage shall be agreed upon by the lender and the veteran. Annual adjustments in the interest rate shall correspond to annual changes in the interest rate index, subject to the following conditions and limitations:

(i) No single adjustment to the interest rate may result in a change in either direction of more than one percentage point from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of one percentage point may not be carried over for inclusion in an
adjustment in a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than five percentage points from the initial contract interest rate.

(ii) At each adjustment date, changes in the index interest rate, whether increases or decreases, must be translated into the adjusted mortgage interest rate, rounded to the nearest one-eighth of one percent, up or down. For example, if the margin is 2 percent and the new index figure is 6.06 percent, the adjusted mortgage interest rate will be 8 percent. If the margin is 2 percent and the new index figure is 6.07 percent, the adjusted mortgage interest rate will be 8⅛ percent.

(5) **Pre-loan disclosure.** The lender shall explain fully and in writing to the borrower, at the time of loan application, the nature of the obligation taken. The borrower shall certify in writing that he or she fully understands the obligation and a copy of the signed certification shall be placed in the loan folder and furnished to VA upon request.

(i) The fact that the mortgage interest rate may change, and an explanation of how changes correspond to changes in the interest rate index;

(ii) Identification of the interest rate index, its source of publication and availability;

(iii) The frequency (i.e., annually) with which interest rate levels and monthly payments will be adjusted, and the length of the interval that will precede the initial adjustment; and

(iv) A hypothetical monthly payment schedule that displays the maximum potential increases in monthly payments to the borrower over the first five years of the mortgage, subject to the provisions of the mortgage instrument.

(6) **Annual disclosure.** At least 25 days before any adjustment to a borrower’s monthly payment may occur, the lender must provide a notice to the borrower which sets forth the date of the notice, the effective date of the change, the old interest rate, the new interest rate, the new monthly payment amount, the current index and the date it was published, and a description of how the payment adjustment was calculated. A copy of the annual disclosure shall be made a part of the lender’s permanent record on the loan.

§ 36.4313 Charges and fees.

(a) No charge shall be made against, or paid by, the borrower incident to the making of a guaranteed or insured loan other than those expressly permitted under paragraph (d) or (e) of this section, and no loan shall be guaranteed or insured unless the lender certifies to the Secretary that it has not imposed and will not impose any charges or fees against the borrower in excess of those permissible under paragraph (d) or (e) of this section. Any charge which is proper to make against the borrower under the provisions of this paragraph may be paid out of the proceeds of the loan: Provided, That if the purpose of the loan is to finance the purchase or construction of residential property the costs of closing the loan including the pro rata portion of the ground rents, hazard insurance premiums, current year’s taxes, and other prepaid items normally involved in financing such transaction may not be included in the loan.

(b) Except as provided in this subpart, no brokerage or service charge or their equivalent may be charged against the debtor or the proceeds of the loan either initially, periodically, or otherwise.

(c) Brokerage or other charges shall not be made against the veteran for obtaining any guaranty or insurance under 38 U.S.C. chapter 37, nor shall any premiums for insurance on the life of the borrower be paid out of the proceeds of a loan.

(d) The following schedule of permissible fees and charges shall be applicable to all Department of Veterans Affairs guaranteed or insured loans.

(1) The veteran may pay reasonable and customary amounts for any of the following items:

(1) Fees of Department of Veterans Affairs appraiser and of compliance inspectors designated by the Department of Veterans Affairs except appraisal
fees incurred for the predetermination of reasonable value requested by others than veteran or lender.

(ii) Recording fees and recording taxes or other charges incident to recordation.

(iii) Credit report.

(iv) That portion of taxes, assessments, and other similar items for the current year chargeable to the borrower and an initial deposit (lump-sum payment) for the tax and insurance account.

(v) Hazard insurance required by §36.4329.

(vi) Survey, if required by lender or veteran; except that any charge for a survey in connection with a loan under §§36.4380 through 36.4385 (Condominium Loans) must have the prior approval of the Secretary.

(vii) ‘Title examination and title insurance, if any.

(viii) The actual amount charged for flood zone determinations, including a charge for a life-of-the-loan flood zone determination service purchased at the time of loan origination, if made by a third party who guarantees the accuracy of the determination. A fee may not be charged for a flood zone determination made by a Department of Veterans Affairs appraiser or for the lender’s own determination.

(ix) Such other items as may be authorized in advance by the Under Secretary for Benefits as appropriate for inclusion under this paragraph (d) as proper local variances.

(2) A lender may charge and the veteran may pay a flat charge not exceeding 1 percent of the amount of the loan for its services in supervising the making of advances and the progress of construction notwithstanding that the “holdback” or final advance is not actually paid out until after the construction, alteration, improvement, or repair is fully completed: Provided, That the major portion (51 percent or more) of the loan proceeds is paid out during the actual progress of the construction, alteration, improvement, or repair. Such charge may be in addition to the 1 percent charge allowed under paragraph (d)(2) of this section.

(4) In consideration, alteration, improvement or repair loans, including supplemental loans made pursuant to §36.4359, where no charge is permissible under the provisions of paragraph (d)(3) of this section the lender may charge and the veteran may pay a flat sum not exceeding 1 percent of the amount of the loan. Such charge may be in addition to the 1 percent allowed under paragraph (d)(2) of this section.

(5) The fees and charges permitted under this paragraph are maximums and are not intended to preclude a lender from making alternative charges against the veteran which are not specifically authorized in the schedule provided the imposition of such alternative charges would not result in an aggregate charge or payment in excess of the prescribed maximum.

(6) The veteran borrower subject to the limitations set forth in paragraphs (d)(6) and (7) of this section may pay a discount required by a lender when the proceeds of the loan will be used for any of the following purposes:

(i) To refinance existing indebtedness pursuant to 38 U.S.C. 3710(a)(5), (a)(8), (a)(9)(B)(i) or (a)(9)(B)(ii);

(ii) To repair, alter or improve a dwelling owned by the veteran pursuant to 38 U.S.C. 3710(a)(4) or (7) if such loan is to be secured by a first lien;

(iii) To construct a dwelling or farm residence on land already owned or to be acquired by the veteran, provided that the veteran did not or will not acquire the land directly or indirectly from a builder or developer who will be constructing such dwelling or farm residence;

(iv) To purchase a dwelling from a class of sellers which the Secretary determines are legally precluded under
all circumstances from paying such a discount if the best interest of the veteran would be so served.

(7) Discounts shall be computed as follows:

(i) Unless otherwise approved by the Secretary, the discount, if any, to be paid by the borrower on a loan secured by a first lien may not exceed the difference between the bid price, rounded to the lower whole number, and par value for GNMA (Government National Mortgage Association) 90-day forward bid closing price for pass through securities ½ percent less than the face note rate of the loan. Unless the lender and borrower negotiate a firm written commitment for a maximum amount of discount to be paid, the bid price to be used in the computation must be the GNMA 90-day forward bid closing quote for any day 1 to 4 business days prior to loan closing. “Loan closing” is defined for this purpose as the date on which the borrower’s 3-day right of rescission commences pursuant to the Truth in Lending Act. If the lender and borrower choose to negotiate a firm discount commitment for a maximum amount of discount to be paid, the bid price to be used in establishing the maximum discount must be the closing quote for the business day prior to the date of the commitment. Lenders negotiating firm commitments must close that loan at a discount no higher than the firm commitment regardless of changes in the maximum allowable Department of Veterans Affairs interest rate. If a lender’s commitment expires prior to loan closing, the lender and borrower may negotiate a new firm commitment for a maximum amount of discount to be paid, the bid price to be used in establishing the maximum discount must be the closing quote for the business day prior to the date of the commitment.

(ii) The borrower, subject to the limitations set forth in paragraphs (d)(6) and (7) of this section, may pay the discount required by the lender when the proceeds of the loan will be used to repair, alter, or improve a dwelling owned by the veteran pursuant to 38 U.S.C. 3710(a)(4) or (7) if such loan is unsecured or secured by less than a first lien. No such discount may be charged unless:

(A) The loan is submitted to the Secretary for prior approval;

(B) The dollar amount of the discount is disclosed to the Secretary and the veteran prior to the issuance by the Secretary of the certificate of commitment. Said certificate of commitment shall specify the discount to be paid by the veteran, and this discount may not be increased once the commitment is issued without the approval of the Secretary; and

(C) The discount has been determined by the Secretary to be reasonable in amount.

(iii) A veteran may pay the discount on an acquisition and improvement loan (as defined in §36.4301) provided:

(A) The veteran pays no discount on the acquisition portion of the loan except in accordance with paragraph (d)(6)(iv) of this section; and

(B) The discount paid on the improvements portion of the loan does not exceed the percentage of discount paid on the acquisition portion of the loan.

NOTE TO PARAGRAPH (d)(7)(iii): Acquisition and improvement loans may be closed either on the automatic or prior approval basis.

(iv) Unless the Under Secretary for Benefits otherwise directs, all powers of the Secretary under paragraphs (d)(6) and (7) of this section are hereby delegated to the officials designated by §36.4345(b).

(8) On any loan to which 38 U.S.C. 3714 applies, the holder may charge a reasonable fee, not to exceed the lesser of $300 and the actual cost of any credit report required, or any maximum prescribed by applicable State law, for processing an application for assumption and changing its records.

(Authority: 38 U.S.C. 3703, 3710; 42 U.S.C. 4001 note, 4012a)

(9) On any loan to which 38 U.S.C. 3714 applies, the holder may charge a reasonable fee, not to exceed the lesser of $300 and the actual cost of any credit report required, or any maximum prescribed by applicable State law, for processing an application for assumption and changing its records.

(Authority: 38 U.S.C. 3714)

(e) Subject to the limitations set out in paragraph (e)(4) of this section, a fee must be paid to the Secretary.

(1) The fee on loans to veterans shall be as follows:

(i) On all interest rate reduction refinancing loans guaranteed under 38 U.S.C. 3710(a)(8), (a)(9)(B)(1), and (a)(11),
the fee shall be 0.50 percent of the total loan amount.

(ii) On all refinancing loans other than those described in paragraph (e)(1)(i) of this section, the funding fee shall be 2.75 percent of the loan amount for loans to veterans whose entitlement is based on service in the Selected Reserve under the provisions of 38 U.S.C. 3701(b)(5), and 2 percent of the loan amount for loans to all other veterans; provided, however, that if the veteran is using entitlement for a second or subsequent time, the fee shall be 3 percent of the loan amount.

(iii) Except for loans to veterans whose entitlement is based on service in the Selected Reserve under the provisions of 38 U.S.C. 3701(b)(5), the funding fee shall be 2 percent of the total loan amount for all loans for the purchase or construction of a home on which the veteran does not make a down payment, unless the veteran is using entitlement for a second or subsequent time, in which case the fee shall be 3 percent. On purchase or construction loans on which the veteran makes a down payment of 5 percent or more, but less than 10 percent, the amount of the funding fee shall be 1.50 percent of the total loan amount. On purchase or construction loans on which the veteran makes a down payment of 10 percent or more, the amount of the funding fee shall be 1.25 percent of the total loan amount. On loans to veterans whose entitlement is based on service in the Selected Reserve under the provisions of 38 U.S.C. 3701(b)(5), the funding fee shall be 2.75 percent of the total loan amount on loans for the purchase or construction of a home on which the veteran does not make a down payment, unless the veteran is using entitlement for a second or subsequent time, in which case the fee shall be 3 percent. On purchase or construction loans on which the veteran makes a down payment of 5 percent or more, but less than 10 percent, the amount of the funding fee shall be 2.25 percent of the total loan amount. On purchase or construction loans on which such veterans make a down payment of 10 percent or more, the amount of the funding fee shall be 2 percent of the total loan amount.

(v) All or part of the fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property or the computed maximum loan amount, as appropriate. In computing the fee, the lender will disregard any amount included in the loan to enable the borrower to pay such fee.

(Authority: 38 U.S.C. 3729)

(2) Subject to the limitations set out in this section, a fee of one-half of one percent of the loan balance must be paid to the Secretary in a manner prescribed by the Secretary by a person assuming a loan to which 38 U.S.C. 3714 applies. The instrument securing such a loan shall contain a provision describing the right of the holder to collect this fee as trustee for the Department of Veterans Affairs. The loan holder shall list the amount of this fee in every assumption statement provided and include a notice that the fee must be paid to the holder immediately following loan settlement. The fee must be transmitted to the Secretary within 15 days of the receipt by the holder of the notice of transfer.

(Authority: 38 U.S.C. 3714, 3729)

(3) The lender is required to pay to the Secretary the fee described in paragraph (e)(1) of this section within 15 days after loan closing. Any lender closing a loan, subject to the limitations set out in paragraph (e)(4) of this section who fails to submit timely payment of this fee will be subject to a late charge equal to 4 percent of the total fee due. If payment of the fee described in paragraph (e)(1) of this section is made more than 30 days after loan closing, interest will be assessed at a rate set in conformity with the Department of Treasury’s Fiscal Requirements Manual. This interest charge is in addition to the 4 percent late charge, but the late charge is not included in the amount on which interest is computed. This interest charge is to be calculated on a daily basis beginning on the date of closing, although the interest will be assessed only on funding fee payments received more than 30 days after closing.
§ 36.4314 Advances and other charges.

(a) A holder may advance any amount reasonably necessary and proper for the maintenance or repair of the security, or for the payment of accrued taxes, special assessments, ground or water rents, or premiums on fire or other casualty insurance against loss of or damage to such property and any such advance so made may be added to the guaranteed or insured indebtedness. A holder may also advance the one-half of one percent funding fee due on a transfer under 38 U.S.C. 3714 when this is not paid at the time of transfer. All security instruments for loans to which 38 U.S.C. 3714 applies must include a clause authorizing the collection of an assumption funding fee and an advance for this fee if it is not paid at the time of transfer.

(b) In addition to advances allowable under paragraph (a) of this section, the holder may charge against the proceeds of the sale of the security; may charge against gross amounts collected; may include in any accounting to the Secretary after payment of a claim under the guaranty; may include in the computation of a claim under the guaranty, if lawfully authorized by the loan agreement and subject to §36.4324(a); or, may include in the computation of an insurance loss, any of the following items actually paid:

1. Any expense which is reasonably necessary for preservation of the security;
2. Court costs in a foreclosure or other proper judicial proceeding involving the security;
3. Other expenses reasonably necessary for collecting the debt, or repossession or liquidation of the security;
4. Reasonable trustee’s fees or commissions not in excess of those allowed by statute and in no event in excess of 5 percent of the unpaid indebtedness;
5. Fees for legal services actually performed, not to exceed the reasonable and customary fees for such services in the State where the property is located, as determined by the Secretary.

(5) In determining what constitutes the reasonable and customary fees for legal services, the Secretary shall review allowances for legal fees in connection with the foreclosure of single-family housing loans, including bankruptcy-related services, issued by HUD, Fannie Mae, and Freddie Mac. The Secretary will review such fees annually and, as the Secretary deems necessary,
§ 36.4315 Loan modifications.

(a) The terms of any guaranteed loan may be modified by written agreement between the holder and the borrower, authorized by employees designated in §36.4345(b) in the case of any property constituting the security for a loan acquired by the Secretary or constituting the security for the unpaid balance of the purchase price owing to the Secretary on account of the sale of such property. Such advances shall be secured to the extent legal and practicable by a lien on the property.

(e) Notwithstanding the provisions of paragraph (a) or (b) of this section, holders of condominium loans guaranteed or insured under 38 U.S.C. 3710(a)(6) shall not pay those assessments or charges allocable to the condominium unit which are provided for in the instruments establishing the condominium form of ownership in the absence of the prior approval of the Secretary.

(f)(1) Fees and charges otherwise allowable by this section that accrue after the date specified in paragraph (f)(2) of this section may not be included in a claim under the guaranty.

(2) The date referenced in paragraph (f)(1) of this section will be computed by adding 210 calendar days to the due date of the last paid installment, plus the reasonable period that the Secretary has determined, pursuant to §36.4322(a), it should have taken to complete the foreclosure. There will also be added to the time period specified in the previous sentence such additional time as the Secretary determines was reasonably necessary to complete the foreclosure if the Secretary determines the holder was unable to complete the foreclosure within the time specified in that section due to Bankruptcy proceedings, appeal of the foreclosure by the debtor, the holder granting forbearance in excess of 30 days at the request of the Secretary, or other factors beyond the control of the holder.

Authority: 38 U.S.C. 3703(c), 3720, 3732
without prior approval of the Secretary, if all of the following conditions are met:

(1) The loan is in default;

(2) The event or circumstances that caused the default has been or will be resolved and it is not expected to recur;

(3) The obligor is considered to be a reasonable credit risk, based on a review by the holder of the obligor’s creditworthiness under the criteria specified in §36.4340, including a current credit report. The fact of the recent default will not preclude the holder from determining the obligor is now a satisfactory credit risk provided the holder determines that the obligor is able to resume regular mortgage installments when the modification becomes effective based upon a review of the obligor’s current and anticipated income, expenses, and other obligations as provided in §36.4340;

(4) At least 12 monthly payments have been paid since the closing date of the loan;

(5) The current owner(s) is obligated to repay the loan, and is party to the loan modification agreement;

(6) The loan will be reinstated to performing status by virtue of the loan modification;

(7) A loan has not been modified more than once in a 3-year period or more than 3 times during the life of the loan;

(8) The loan as modified will bear a fixed-rate of interest, which—

(i) May not exceed the most recent Freddie Mac Weekly Primary Mortgage Market Survey Rate for 30-year fixed-rate conforming mortgages (U.S. Average), rounded to the nearest one-eighth of one percent (0.125%), as of the date the Modification Agreement is approved, plus 50 basis points;

(ii) After being determined and selected in accordance with paragraph (i), is not more than one percent higher than the existing rate on the loan; or,

(iii) In the case of a loan in which a State, Territorial, or local governmental agency provided assistance to the veteran for the acquisition of the dwelling, and the law providing that assistance precludes any revision in the interest rate on the loan, then the interest rate on the modified loan is the same or less than that on the original note evidencing the loan;

(9) The unpaid balance of the modified loan will be re-amortized over the remaining life of the loan, or if the loan term is to be extended, the maturity date will not exceed the shorter of:

(i) 360 months from the due date of the first installment required under the modification, or

(ii) 120 months after the original maturity date of the loan (unless the original term was less than 360 months, in which case the term may be extended to 480 months from the due date of the first installment on the original loan);

(10) Only the following items may be included in the modified indebtedness: Unpaid principal; accrued interest; deficits in the taxes and insurance impound accounts; amounts incurred to pay actual legal fees and foreclosure costs related to the canceled foreclosure; (subject to the maximum amounts prescribed in §36.4314) the cost of a title insurance policy endorsement or other update for the modified loan; and advances required to preserve the lien position, such as homeowner association fees, special assessments, water and sewer liens, etc. Late fees and other charges may not be capitalized;

(11) The holder will not charge a processing fee, and all unpaid late fees will be waived. Any other actual costs incurred and legally chargeable, but which cannot be capitalized in the modified indebtedness, may be collected directly from the borrower as part of the modification process or waived, at the discretion of the servicer;

(12) Holders will ensure the first lien status of the modified loan;

(13) The dollar amount of the guaranty will not exceed the greater of:

(i) The original guaranty amount of the loan being modified (but if the modified loan amount is less than the original loan amount, then the amount of guaranty will be equal to the original guaranty percentage applied to the modified loan), or

(ii) 25 percent of the loan being modified subject to the statutory maximum specified at 38 U.S.C. 3703(a)(1)(B); and

(14) The obligor will not receive any cash back from the modification.
§ 36.4316 Acceptability of partial payments.

A partial payment is a remittance by or on behalf of the borrower on a loan in default (as defined in §36.4301) of any amount less than the full amount due under the terms of the loan and security instruments at the time the remittance is tendered.

(a) Except as provided in paragraph (b) of this section, or upon the express waiver of the Secretary, the mortgage holder shall accept any partial payment and either apply it to the mortgagor’s account or identify it with the mortgagor’s account and hold it in a special account pending disposition. When partial payments held for disposition aggregate a full monthly installment, including escrow, they shall be applied to the mortgagor’s account.

(b) If a loan fails to meet one or more of the conditions identified in paragraph (a), the holder must submit the loan file to the Secretary for approval before entering into any loan modification agreement. The Secretary will grant such approval if the Secretary determines that the modification is in the best interests of the veteran and the Government after balancing the risks of non-approval versus approval despite the absence of one or more of the conditions identified in paragraph (a) of this section.

(c) This section does not create a right of a borrower to have a loan modified, but simply authorizes the loan holder to modify a loan in certain situations without the prior approval of the Secretary.

§ 36.4317 Servicer reporting requirements.

(a) Servicers of loans guaranteed by the Secretary shall report the information required by this section to the Secretary electronically. The Secretary shall accept electronic submission from each entity servicing loans guaranteed under 38 U.S.C. chapter 37 not later than the effective date of this rule.

(b) Not later than the seventh calendar day of each month each servicer shall report to the Secretary basic information (loan identification information, payment due date, and unpaid principal balance) for every loan guaranteed by the Secretary currently being serviced by that entity, unless previously reported under paragraph...
(c)(7) of this section and has not reinstated, terminated, or paid in full.

(c) Servicers shall report to the Secretary the following specific loan events in accordance with the timeframes described for each event. Unless otherwise specified herein, the servicer shall report the events on a monthly basis (i.e., no later than the 7th calendar day of the month following the month in which the event occurred) only for delinquent loans in its portfolio.

(1) Loan paid in full—when the loan obligation has been fully satisfied by receipt of funds and not a servicing transfer. The servicer shall report this event regardless of delinquency status.

(2) Authorized transfer of ownership—when the servicer learns that an authorized transfer of ownership has been completed. The servicer shall report this event regardless of delinquency status.

(3) Release of liability—when an obligor has been released from liability. The servicer shall report this event regardless of delinquency status.

(4) Partial release of security—when the holder has released the lien on a part of the security for the loan pursuant to §36.4327. The servicer shall report this event regardless of delinquency status.

(5) Servicing transfer (transferring servicer)—when a holder transfers the loan to another servicer.

(6) Servicing transfer (receiving servicer)—when a servicer boards the loan.

(7) Electronic Default Notification (EDN)—when the loan becomes at least 61 days delinquent. The servicer shall report this event no later than the 7th calendar day from when the event occurred. The servicer shall report this event only once per default for delinquent loans in its portfolio.

(8) Delinquency status—when the servicer notifies VA of any updates to the delinquency information on loans for which an EDN has been submitted. The servicer shall report this event monthly (i.e., no later than the 7th calendar day of the month following the month for which the reported information applies) until the default cures or the loan terminates.

(9) Contact information change—when there is a change to the contact information for current owners or a property or mailing address change.

(10) Occupancy status change—when there is a change in property occupancy status.

(11) Bankruptcy filed—when any owner files a petition under the Bankruptcy Code. The servicer shall report this event no later than the 7th calendar day from when the event occurred. The servicer shall report this event only on delinquent loans in its portfolio, if appropriate, or with the EDN when it is reported.

(12) Bankruptcy update—when a significant event related to the bankruptcy has occurred. The servicer shall report this event no later than the 7th calendar day from when the event occurred. The servicer shall report this event only on delinquent loans in its portfolio, if appropriate, or with the EDN when it is reported.

(13) Loss mitigation letter sent—when the servicer sends the loss mitigation letter to the borrower as required by §36.4350(g)(1)(iv).

(14) Partial payment returned—when the servicer returns a partial payment to the borrower.

(15) Default cured/loan reinstated—when a previously reported default (i.e., an EDN was filed) has cured/loan reinstated.

(16) Default reported to credit bureau—when the servicer notifies the credit bureaus of a defaulted loan or loan termination. The servicer shall report this event only on delinquent loans in its portfolio, and shall report the first occurrence only.

(17) Repayment plan approved—when the servicer approves a repayment plan.

(18) Special forbearance approved—when the servicer approves a special forbearance agreement.

(19) Loan modification approved—when the servicer approves a loan modification.

(20) Loan modification complete—when both the servicer (and/or the holder, where necessary) and the owner(s) have executed the modification agreement.

(21) Compromise sale complete—when a compromise sale closes.
§ 36.4318 Servicer tier ranking—temporary procedures.

(a) The Secretary shall assign to each servicer a “Tier Ranking” based upon the servicer’s performance in servicing guaranteed loans. There shall be four tiers, known as tier one, tier two, tier three, and tier four, with tier one being the highest rated and tier four the lowest. Upon the effective date of this regulation, every servicer of loans guaranteed by the Secretary shall be presumed to be in servicer tier two, and shall remain in tier two until the date specified in paragraph (c)(2) of this section.

(b) For purposes of this section, the term “calendar quarter” shall mean the 3-month periods ending on March 31, June 30, September 30, and December 31.

(c)(1) No later than 30 calendar days after the last business day of the first calendar quarter occurring after the rules for determining tier rankings take effect, and then not later than 30 calendar days after the last business day of each subsequent calendar quarter, the Secretary shall provide each servicer with an evaluation of their performance under such rules.

(c)(2) No later than 45 calendar days after the last business day of the fourth calendar quarter during which the rules for determining tier rankings apply, and then annually thereafter, VA shall advise each servicer of its tier ranking.

(c)(3) Any entity which begins servicing guaranteed loans after the first calendar quarter occurring after rules for determining tier rankings take effect shall be presumed to be in tier two. The Secretary will evaluate the performance of such servicer as provided in paragraph (c)(1) of this section. The Secretary will advise such servicer of its tier ranking at the time other...
servicers are advised of their tier rankings pursuant to paragraph (c)(2) of this section, provided the servicer has received evaluations for at least four continuous calendar quarters.

(d) The quarterly evaluation and tier ranking of a servicer shall be deemed to be confidential and privileged and shall not be disclosed by the Secretary to any other party.

(Authority: 38 U.S.C. 3703(c))

§36.4319 Servicer loss-mitigation options and incentives.

(a) The Secretary will pay a servicer in tiers one, two, or three an incentive payment for each of the following successful loss-mitigation options or alternatives to foreclosure completed: repayment plans, special forbearance agreements, loan modifications, compromise sales, and deeds-in-lieu of foreclosure. Only one incentive payment will be made with respect to any default required to be reported to the Secretary pursuant to §36.4317(c). No incentive payment will be made to a servicer in tier four. The options and alternatives are listed in paragraph (b) of this section from top to bottom in their preferred order of consideration (i.e., a hierarchy for review), but VA recognizes that individual circumstances may lead to “out of the ordinary” considerations.

(b) The amount of the incentive payment is as follows:

(c) For purposes of this section, a loss-mitigation option or alternative to foreclosure will be deemed successfully completed as follows:

1. With respect to a repayment plan (as defined in §36.4301), when the loan reinstates;
2. With respect to special forbearance (as defined in §36.4301), when the loan reinstates. If a repayment plan is developed at the end of the forbearance period, then the special forbearance is not eligible for an incentive payment, although the subsequent repayment plan may be eligible upon loan reinstatement;
3. With respect to a loan modification, when the modification is executed and the loan reinstates;
4. With respect to a compromise sale, when the claim under guaranty is filed; or
5. With respect to a deed-in-lieu of foreclosure, when the claim under guaranty is filed.

(d) Incentive payments with respect to repayment plans, special forbearances and loan modifications shall be made no less frequently than monthly. For all other successful loss-mitigation options, incentives shall be paid in the final claim payment.

(e) The Secretary shall reserve the right to stop an incentive payment to a servicer if the servicer fails to perform adequate servicing.

§36.4320 Refunding of loans in default.

(a) Upon receiving a notice of default or a notice under §36.4317, the Secretary may require the holder upon penalty of otherwise losing the guaranty or insurance to transfer and assign the loan and the security therefore to the Secretary or to another designated by the Secretary upon receipt of payment in full of the balance of the indebtedness remaining unpaid to the date of such assignment. Such assignment may be made without recourse but the transferor shall not thereby be relieved from the provisions of §36.4328.
§ 36.4321 Service of process.

(a) In any legal or equitable proceeding to which the Secretary is a party (including probate and bankruptcy proceedings) arising from a loan guaranteed, insured, or made, or a property acquired by the Secretary pursuant to title 38, U.S.C. chapter 37, original process and any other process prior to appearance that may be served on the Secretary must be delivered to the VA Regional Counsel located in the jurisdiction in which the proceeding is docketed. Copies of such process will also be served on the Attorney General of the United States and the United States Attorney having jurisdiction over that area. Within the time required by applicable law, or rule of court, the Secretary will cause appropriate special or general appearance to be entered in the case by an authorized attorney.

(b) After appearance of the Secretary by attorney all process and notice otherwise proper to serve on the Secretary before or after judgment, if served on the attorney of record, shall have the same effect as if the Secretary were personally served within the jurisdiction of the court.

§ 36.4322 Loan termination.

(a) For purposes of this part, a holder, using reasonable diligence must complete a foreclosure within the timeframe and in the manner determined by the Secretary. In determining what constitutes allowable time and method for foreclosure, the Secretary shall review allowances for time and method in connection with the foreclosure of single-family housing loans issued by HUD, Fannie Mae, and Freddie Mac, as well as State statutory requirements. The Secretary will review such timeframes annually and, as the Secretary deems necessary, publish in the FEDERAL REGISTER a table setting forth the timeframes and methods the Secretary determines to be reasonable. The schedule will reflect the timeframe allowed for the standard, acceptable method for foreclosure proceedings in each State. The use of another method will require prior approval from VA. VA will maintain the loan termination time allowable timeframes on a Web site under VA’s control, such as at http://www.homeloans.va.gov.

(b)(1) At least 30 days prior to the scheduled or anticipated date of the liquidation sale, the holder must request that VA assign an appraiser to conduct a liquidation appraisal.

(2) If the holder (or its authorized servicing agent) has been approved by the Secretary to process liquidation appraisals under 38 CFR 36.4348, the appraiser shall forward the liquidation appraisal report directly to the holder for a determination of the fair market value of the property pursuant to §36.4848.
Department of Veterans Affairs

§ 36.4323 Election to convey security.

(a) If the holder acquires the property that secured the guaranteed loan at the liquidation sale or through acceptance of a deed-in-lieu of foreclosure notwithstanding that all of the conditions specified in paragraph (f)(1) of this section cannot be met if the holder believes such compromise sale would be in the best interests of the veteran and the Secretary.

(f)(1) A holder may accept a deed voluntarily tendered by the current owner of the property securing the loan in lieu of conducting a foreclosure without the prior approval of the Secretary provided that:

(i) The holder has determined the loan is insoluble;

(ii) The holder has computed the net value of the property securing the loan pursuant to paragraph (c) of this section;

(iii) The holder has considered a compromise sale pursuant to paragraph (e) of this section and determined such compromise sale is not practical; and,

(iv) The holder has determined the current owner of the property can convey clear and marketable title to the property that would meet the standard stated in paragraph (d)(5) of § 36.4323.

(b)(ii) The Secretary may specify in writing a shorter validity period, not less than 90 calendar days, for a liquidation appraisal or statement of fair market value if rapidly-changing market conditions in the area where the property is located make such shorter validity period in the best fiscal interests of the United States.

(c) Prior to the liquidation sale, the holder shall compute the net value of the property securing the guaranteed loan by subtracting the estimated costs to the Secretary for the acquisition and disposition of the property from the fair market value, as determined under paragraph (b) of this section. Those costs will be calculated using the percentage derived by the Secretary and published in the Federal Register pursuant to § 36.4301.

(d) If the holder learns of any material damage to the property occurring after the appraisal and prior to the liquidation sale, the impact of such damage on the fair market value must be determined in consultation with the fee appraiser, and the net value adjusted accordingly.

(e)(1) A holder may approve a compromise sale of the property securing the loan without the prior approval of the Secretary provided that:

(i) The holder has determined the loan is insoluble;

(ii) The credit to the indebtedness (consisting of the net proceeds from the compromise sale and any waiver of indebtedness by the holder) must equal or exceed the net value of the property securing the loan; and

(iii) The current owner of the property securing the loan will not receive any proceeds from the sale of the property.

(2) A holder may request advance approval from the Secretary for a compromise sale notwithstanding that all of the conditions specified in paragraph (e)(1) of this section cannot be met if the holder believes such compromise sale would be in the best interests of the veteran and the Secretary.

(3) If the holder (or its authorized servicing agent) has not been approved by the Secretary to process liquidations appraisals under 38 CFR 36.4848, the Secretary shall review the appraisal and determine the fair market value of the property. The Secretary will provide the holder with a statement of the fair market value.

(4)(i) Except as provided in paragraph (b)(4)(ii) of this section, a liquidation appraisal or statement of fair market value issued pursuant to paragraph (b)(3) of this section will be valid for 180 calendar days.

(ii) The Secretary may specify in writing a shorter validity period, not less than 90 calendar days, for a liquidation appraisal or statement of fair market value if rapidly-changing market conditions in the area where the property is located make such shorter validity period in the best fiscal interests of the United States.

(5) A holder may request advance approval from the Secretary for a deed-in-lieu of foreclosure notwithstanding that all of the conditions specified in paragraph (f)(1) of this section cannot be met if the holder believes such deed-in-lieu would be in the best interests of the veteran and the Secretary.

(6) A holder must notify the Secretary by electronic means no later than 15 calendar days after the date of liquidation sale (i.e., the event which fixes the rights of the parties in the property, such as the date of foreclosure sale, date of recordation of a deed, etc.).

(Authority: 38 U.S.C. 3703(c), 3732)

§ 36.4323 Election to convey security.

(a) If the holder acquires the property that secured the guaranteed loan at the liquidation sale or through acceptance of a deed-in-lieu of foreclosure and if, under 38 U.S.C. 3732(c), the Secretary may accept conveyance of the property, the holder must notify the Secretary by electronic means no later than 15 calendar days after the date of liquidation sale (i.e., the event which fixes the rights of the parties in the property, such as the date of foreclosure sale, date of recordation of a deed, etc.).

(a) If the holder acquires the property that secured the guaranteed loan at the liquidation sale or through acceptance of a deed-in-lieu of foreclosure and if, under 38 U.S.C. 3732(c), the Secretary may accept conveyance of the property, the holder must notify the Secretary by electronic means no later than 15 calendar days after the date of liquidation sale (i.e., the event which fixes the rights of the parties in the property, such as the date of foreclosure sale, date of recordation of a deed, etc.).

§ 36.4323  38 CFR Ch. I (7–1–14 Edition)
deed-in-lieu of foreclosure, or confirmation/ratification of sale date when required under local practice) that the holder elects to convey the property to the Secretary. The Secretary will not accept conveyance of the property if the holder fails to notify the Secretary of its election within such 15 calendar days. In computing the eligible indebtedness under 38 U.S.C. 3732(c), the holder may follow the alternative procedure described in paragraph (b) of this section.
(b) If the calculation by the holder shows that the net value is equal to or less than the unguaranteed portion of the loan (i.e., the total indebtedness minus VA’s maximum claim payable under the guaranty), this would preclude conveyance under 38 U.S.C. 3732(c). However, the holder may desire to convey the property to VA and may decide to waive a portion of the indebtedness to the extent that the property may be conveyed under 38 U.S.C. 3732(c). In such a case, the holder must provide the notice described in paragraph (a) of this section, and must subsequently waive that portion of the total indebtedness remaining after application of the net value amount and VA’s guaranty claim payment. The holder must send the borrower(s) a notice describing the amount of indebtedness that has been waived no later than 15 calendar days after receipt of the guaranty claim.
(c) The holder, in accounting to the Secretary in connection with the conveyance of any property pursuant to this section, may include as a part of the indebtedness all actual expenses or costs of the proceedings, paid by the holder, within the limits defined in §36.4314. In connection with the conveyance or transfer of property to the Secretary the holder may include in accounting to the Secretary the following expense items if actually paid by the holder, in addition to the consideration payable for the property under 38 U.S.C. 3732(c):
(1) State and documentary stamp taxes as may be required.
(2) Amount expended for taxes, special assessments, including such payments which are specified in paragraph (d) of this section.
(3) Recording fees.
(4) Any other expenditures in connection with the property which are approved by the Secretary, including, but not limited to, the cost of a title policy insuring title in the name of the Secretary of Veterans Affairs.
(d) The conveyance or transfer of any property to the Secretary pursuant to this section shall be subject to the following provisions:
(1) The notice of the holder’s election to convey the property to the Secretary shall state the amount of the holder’s successful bid and shall state the insurance coverage then in force, specifying for each policy, the name of the insurance company, the hazard covered, the amount, and the expiration date. With respect to a voluntary conveyance to the holder in lieu of foreclosure, the amount of the holder’s successful bid shall be deemed to be the lesser of the net value of the property or the total indebtedness.
(2) Coincident with the notice of election to convey or transfer the property to the Secretary or with the acquisition of the property by the holder, following such notice, whichever is later, the holder shall request endorsements on all insurance policies naming the Secretary as an assured, as his/her interest may appear. Such insurance policies shall be forwarded to the Secretary at the time of the conveyance or transfer of the property to the Secretary or as soon after that time as feasible. If insurers cancel policies, holders must properly account for any unearned premiums refunded by the insurer.
(3) Occupancy of the property by anyone properly in possession by virtue of and during a period of redemption, or by anyone else unless under a claim of title which makes the title sought to be conveyed by the holder of less dignity or quality than that required by this section, shall not preclude the holder from conveying or transferring the property to the Secretary. Except with the prior approval of the Secretary, the holder shall not rent the property to a new tenant, nor extend the term of an existing tenancy on other than a month-to-month basis.
(4) The notice shall provide property tax information to include all taxing
authority property identification numbers. Any taxes, special assessments or ground rents due and payable within 30 days after date of conveyance or transfer to the Secretary must be paid by the holder.

(5)(i) Each conveyance or transfer of real property to the Secretary pursuant to this section shall be acceptable if:

(A) The holder thereby covenants or warrants against the acts of the holder and those claiming under the holder (e.g., by special warranty deed); and

(B) It vests in the Secretary or will entitle the Secretary to such title as is or would be acceptable to prudent lending institutions, informed buyers, title companies, and attorneys, generally, in the community in which the property is situated.

(ii) Any title will not be unacceptable to the Secretary by reason of any of the limitations on the quantum or quality of the property or title stated in §36.4354(b), Provided, that:

(A) At the time of conveyance or transfer to the Secretary there has been no breach of any conditions affording a right to the exercise of any reverter.

(B) With respect to any such limitations which came into existence subsequent to the making of the loan, full compliance was had with the requirements of §36.4327.

(iii) The acceptability of a conveyance or transfer pursuant to the requirements of this paragraph will generally be established by delivery to the Secretary of the following evidence of title showing that title to the property of the quality specified in this paragraph (d)(5) is or will be vested in the Secretary:

(A) A copy of the deed or document evidencing transfer of interest and title at the liquidation sale;

(B) A special warranty deed conveying the property to the Secretary;

(C) Origination Deed of Trust or Mortgage;

(D) Original or Copy of Mortgagee’s Title Insurance Policy from Loan Origination (except in Iowa, where a title abstract is required);

(E) Owner’s Title Insurance Policy issued after loan termination in the name of the Secretary (except in Iowa, where a title abstract is required);

(F) Loan Assignments;

(G) Appointment of Substitute Trustee (where required as part of the termination process);

(H) Estoppel Affidavit for deed in lieu of foreclosure, if required by State law and appropriate language cannot be included in the deed in lieu of foreclosure; and/or

(I) Any evidence that the Secretary may reasonably require.

(iv) In lieu of such title evidence listed in paragraph (d)(5)(ii) of this section, the Secretary will accept a conveyance or transfer with general warranty with respect to the title from a holder described in 38 U.S.C. 3702(d) or from a holder of financial responsibility satisfactory to the Secretary.

(6) Except with respect to matters covered by any covenants or warranties of the holder, the acceptance by the Secretary of a conveyance or transfer by the holder shall conclude the responsibility of the holder to the Secretary under the regulations of this subpart with respect to the title. In the event of the subsequent discovery of title defects, the Secretary shall have no recourse against the holder with respect to such title other than by reason of such covenants or warranties.

(7) As between the holder and the Secretary, the responsibility for any loss due to damage to or destruction of the property or due to personal injury sustained in respect to such property shall be governed by the provisions of this paragraph and paragraph (d)(11) of this section. Ordinary wear and tear excepted, the holder shall bear such risk of loss from the date of acquisition by the holder to the date such risk of loss is assumed by the Secretary. Such risk of loss is assumed by the Secretary from the date of receipt of the holder’s election to convey or transfer the property to the Secretary. The amount of any loss chargeable to the holder may be deducted from the amount payable by the Secretary at the time the property is transferred. In any case where pursuant to the VA regulations rejection of the title is legally proper, the Secretary may surrender custody of the property as of the date specified in the Secretary’s notice to
the holder. The Secretary’s assumption of such risk shall terminate upon such surrender.

(8) The conveyance should be made to “Secretary of Veterans Affairs, an Officer of the United States.” The name of the incumbent Secretary should not be included unless State law requires naming a real person.

(9) The holder shall not be liable to the Secretary for any portion of the paid or unpaid taxes, special assessments, ground rents, insurance premiums, or other similar items. The holder shall be liable to the Secretary for all penalties and interest associated with taxes not timely paid by the holder prior to conveyance.

(10) The Secretary shall be entitled to all rentals and other income collected from the property and to any insurance proceeds or refunds subsequent to the date of acquisition by the holder.

(11) In respect to a property which was the security for a condominium loan guaranteed or insured under 38 U.S.C. 3710(a)(6) the responsibility for any loss due to damage to or destruction of the property or due to personal injury sustained in respect to such property shall in no event pass to the Secretary until the Secretary expressly assumes such responsibility or until conveyance of the property to the Secretary, whichever first occurs. The holder shall have the right to convey such property to the Secretary only if the property (including elements of the development or project owned in common with other unit owners) is undamaged by fire, earthquake, windstorm, flooding or boiler explosion. The absence of a right in the holder to convey such property which is so damaged shall not preclude a conveyance, if the Secretary agrees in a given case to such a conveyance upon completion of repairs within a specified period of time and such repairs are so completed and the conveyance is otherwise in order.

(e) Except as provided in paragraph (d)(6) of this section, the provisions of this section shall not be in derogation of any rights which the Secretary may have under §36.4928. The Under Secretary for Benefits, or the Director, Loan Guaranty Service, may authorize any deviation from the provisions of this section, within the limitations prescribed in 38 U.S.C. chapter 37, which may be necessary or desirable to accomplish the objectives of this section if such deviation is made necessary by reason of any laws or practice in any State or Territory or the District of Columbia. Provided, that no such deviation shall impair the rights of any holder not consenting to the deviation with respect to loans made or approved prior to the date the holder is notified of such action.

§36.4324 Guaranty claims; subsequent accounting.

(a) Subject to the limitation that the total amounts payable shall in no event exceed the amount originally guaranteed, or in the case of a modified loan, such amount as may have been increased under the provisions of §36.4815(h)(2), the amount payable on a claim for the guaranty shall be the percentage of the loan originally guaranteed, or the percentage as adjusted under §36.4815(h)(2), whichever is applicable, applied to the sum of:

(1) The unpaid principal as of the date of the liquidation sale;

(2) Allowable expenses/advances as described in §36.4814; and

(3) The lesser of:

(i) The unpaid interest as of the date of the liquidation sale; or

(ii) The unpaid interest for the reasonable period that the Secretary has determined, pursuant to §36.4822(a), it should have taken to complete the foreclosure, plus 210 days from the due date of the last paid installment. This amount will be increased if the Secretary determines the holder was unable to complete the foreclosure within the time specified in this paragraph due to Bankruptcy proceedings, appeal of the foreclosure by the debtor, the holder granting forbearance in excess

§ 36.4326 Computation of indebtedness.

In computing the indebtedness for the purpose of filing a claim for payment of a guaranty or for payment of an insured loss, or in the event of a transfer of the loan under §36.4820(a), or other accounting to the Secretary, the holder shall not be entitled to treat repayments theretofore made as liquidated damages, or rentals, or otherwise than as payments on the indebtedness, notwithstanding any provision in the note, or mortgage, or otherwise, to the contrary.

Authority: 38 U.S.C. 3703(c), 3720, 3732

§ 36.4325 Subrogation and indemnity.

(a) The Secretary shall be subrogated to the contract and the lien or other rights of the holder to the extent of any sum paid on a guaranty or on account of an insured loss, which right supplemental claim provided that such supplemental claim is filed within the time period specified in paragraph (d)(1) of this section.

(b) No claim under a guaranty shall be payable unless it is submitted within the time period specified in paragraph (d)(1) of this section.

(c) A claim shall be submitted to VA electronically on the VA Loan Electronic Reporting Interface system.

(d) Supporting documents will not be submitted with the claim, but must be retained by the servicer and are subject to inspection as provided in §36.4833 of this title.

(e) In the event that VA does not approve payment of any item submitted under a guaranty claim, VA shall notify the holder electronically what items are being denied and the reasons for such denial. The holder may, within 30 days after the date of such denial notification, submit an electronic request to VA that one or more items that were denied be reconsidered. The holder must present any additional information justifying payment of items denied.

Authority: 38 U.S.C. 3703(c), 3720, 3732

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0362)
shall be junior to the holder’s rights as against the debtor or the encumbered property until the holder shall have received the full amount payable under the contract with the debtor. No partial or complete release by a creditor shall impair the rights of the Secretary with respect to the debtor’s obligation.

(b) The holder, upon request, shall execute, acknowledge and deliver an appropriate instrument tendered for that purpose, evidencing any payment received from the Secretary and the Secretary’s resulting right of subrogation.

(c) The Secretary shall cause the instrument required by paragraph (b) of this section to be filed for record in the office of the recorder of deeds, or other appropriate office of the proper county, town or State, in accordance with the applicable State law. The filing or failure to file such instrument for record shall have the legal results prescribed by the applicable law of the State where the real or personal property is situated, with respect to filing or failure to so file mortgages and other lien instruments and assignments thereof.

The references herein to “filing for record” include “registration” or any similar transaction, by whatever name designated when title to the encumbered property has been “registered” pursuant to a Torrens or other similar title registration system provided by law.

(d) As a condition to paying a claim for an insured loss the Secretary may require that the loan, including any security or judgment held therefor, be assigned to the extent of such payment, and if any claim has been filed in bankruptcy, insolvency, probate, or similar proceedings such claim may likewise be required to be so assigned.

(e) Any amounts paid by the Secretary on account of the liabilities of any veteran guaranteed or insured under the provisions of 38 U.S.C. chapter 37 shall constitute a debt owing to the United States by such veteran. Before a liquidation sale, an official authorized to act for the Secretary under provisions of §36.4845 may approve a complete or partial release of the Secretary’s right to collect a debt owing to the United States under this paragraph and/or under paragraph (a) of this section as follows:

1. **Complete release.** VA will approve a complete release if an official authorized to act for the Secretary under §36.4845 determines that all of the following are true:
   (i) The loan default was caused by circumstances beyond the control of the obligor; and
   (ii) There are no indications of fraud, misrepresentation or bad faith on the part of the obligor in obtaining the loan or in connection with the loan default; and
   (iii) The obligor cooperated with VA in exploring all realistic alternatives to termination of the loan through foreclosure, and, either: (A) Review of the obligor’s current financial situation and prospective earning potential and obligations indicates there are no realistic prospects that the obligor could repay all or part of the anticipated debt within six years after the liquidation sale and still provide the necessities of life for himself or herself and his or her family; or, (B) In consideration for a release of the Secretary’s collection rights the obligor completes, or VA is enabled to authorize, an action which reduces the Government’s claim liability sufficiently to offset the amount of the anticipated indebtedness which would otherwise be established pursuant to this paragraph and likely be collectible by VA after foreclosure in view of the obligor’s financial situation. Such actions would include termination of the loan by means of a deed-in-lieu of foreclosure, private sale of the property for less than the indebtedness with a reduced claim paid by VA for the balance due the loan holder, or enabling VA to authorize the holder to elect a more expeditious foreclosure procedure when such an election would result in the legal release of the obligor’s liability; or
   (C) The obligor being released is not the current titleholder to the property and there are no indications of fraud, misrepresentation, or bad faith on the obligor’s part in disposing of the property.

2. **Partial release.** In the event of a partial release, the amount of indebtedness established will be such that the
Department of Veterans Affairs

§ 36.4326

obligor’s financial situation permits repayment of the debt to the Government in regular monthly installments of principal plus interest over a five year period commencing within one year after the date the promissory note is executed, except in those cases in which a lump sum settlement appears to be in the best interest of the Government or in which it appears the obligor may reasonably expect significant changes in his or her financial situation which would permit higher payments to be made during later periods of the life of the note. VA may authorize a partial release if an official authorized to act for the Secretary under § 36.4356 determines that all of the following are true:

(i) The loan default was caused by circumstances beyond the control of the obligor; and,

(ii) There are no indications of fraud, misrepresentation or bad faith on the part of the obligor in obtaining the loan or in connection with the loan default; and,

(iii) The obligor cooperated with VA in exploring all realistic alternatives to termination of the loan through foreclosure; and,

(iv) Review of the obligor’s current financial situation and prospective earning potential and obligations indicates there are no realistic prospects that the obligor could repay all of the anticipated debt within six years of the liquidation sale while providing the necessities of life for himself or herself and his or her family; and,

(v) The obligor executes a written agreement acknowledging his or her liability to VA in underwriting VA guaranteed loans in the area.

(3) Review of obligor’s financial situation. For purposes of authorizing a complete or partial release under this paragraph, a VA official reviewing an obligor’s financial situation will consider all of the following:

(i) The obligor’s current and anticipated family income based on employment skills and experience;

(ii) The obligor’s current short-term and long-term financial obligations, including the obligation to repay the Government which must be afforded consideration at least equal to his or her consumer debt obligations;

(iii) A current credit report on the obligor;

(iv) The obligor’s assets and net worth; and

(v) The required balance available for family support used in underwriting VA guaranteed loans in the area.

(4) Determinations made under paragraphs (e)(1) and (2) of this section are intended for the benefit of the Government in reducing the amount of claim payable by VA and/or avoiding the establishment of uncollectible debts owing to the United States. Such determinations are discretionary on the part of VA and shall not constitute a defense to any legal action to terminate the loan nor vest any appellate right in an obligor which would require further review of the case.

(f) Whenever any veteran disposes of residential property securing a guaranteed or insured loan obtained by him or her under 38 U.S.C. chapter 37, and for which the commitment to make the loan was made prior to March 1, 1988, the Secretary, upon application made by such veteran, shall issue to the veteran a release relieving him or her of all further liability to the Secretary on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Secretary has determined, after such investigation as may be deemed appropriate, that there has been compliance with the conditions prescribed in 38 U.S.C. 3713. The assumption of full liability for repayment of the loan by the transferee of the property must be evidenced by an agreement in writing in such form as the Secretary may require. Release of the veteran from liability to the Secretary will not impair
§ 36.4327  Release of security.

(a)(1) Except upon full payment of the indebtedness, or except as provided in paragraph (a)(2) of this section or in paragraphs (e) and (f) of §36.4822, the holder shall not release a lien or other right in or to real property held as security for a guaranteed or insured loan, or grant a fee or other interest in such property, without prior approval of the Secretary.

(2) The holder may, without the prior approval of the Secretary, release the lien on a portion of the property securing the loan provided:

(i) The holder has obtained an appraisal from the Secretary showing the value of the security to the partial release of the lien and the value of the security on which the lien will remain;

(ii) The portion of the property still subject to the lien is fit for dwelling purposes; and

(iii) The payments on the loan are current.

(b) Should these requirements be satisfied, the holder may also release the veteran or other person from liability on the loan. This does not apply if the approval for the assumption is granted upon special appeal to avoid immediate foreclosure.

(i) If a veteran requests a release of liability under paragraph (f) of this section, or if a borrower requests a release of liability pursuant to §36.4809(c)(1)(vii), a holder described in the first sentence of §36.4803(l)(1)(i) is authorized to and must make all decisions regarding the credit-worthiness of the transferee, subject to the right of a transferee to appeal any denial to the Secretary within 30 days of being notified in writing of the denial by the holder or servicer. The procedures and fees specified in §§36.4803(l)(1)(i) and 36.4813(d)(6) applicable to decisions under 38 U.S.C. 3714 shall also apply to decisions specified in this paragraph.

(g) If any veteran disposes of residential property securing a guaranteed or insured loan obtained under 38 U.S.C. chapter 37, without receiving a release from liability with respect to such loan under 38 U.S.C. 3713 and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if he determines that:

(1) A transferee either immediate or remote is legally liable to the Secretary for the debt of the original veteran-borrower established after the termination of the loan, and

(2) The original loan was current at the time such transferee acquired the property, and

(3) The transferee who is liable to the Secretary is found to have been a satisfactory credit risk at the time he or she acquired the property.

(h)(1) If a veteran or any other person disposes of residential property securing a guaranteed or insured loan for which a commitment was made on or after March 1, 1988, and the veteran or other person notifies the loan holder in writing before disposing of the property, the veteran or other person shall be relieved of all further liability to the Secretary with respect to the loan (including liability for any loss resulting from any default of the purchaser or any subsequent owner of the property) and the application for assumption shall be approved if the holder determines that:

(i) The proposed purchaser is creditworthy;

(ii) The proposed purchaser is contractually obligated to assume the loan and the liability to indemnify the Department of Veterans Affairs for the amount of any claim paid under the guaranty as a result of a default on the loan, or has already done so; and

(iii) The payments on the loan are current.

(Authority: 38 U.S.C. 3703(c), 3713 and 3714)

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0112)
(iii) The loan-to-value ratio after the partial release of the lien:
   (A) Will be not more than 80 percent; or
   (B) If the loan-to-value ratio after the partial release of the lien is 80 percent or higher, any proceeds received as consideration from the partial release of the lien shall be applied to the unpaid loan balance.

(b) A holder may release from the lien personal property including crops without the prior approval of the Secretary.

(c) Failure of the holder to comply with the provisions of this section shall not in itself affect the validity of the title of a purchaser to the property released.

(d) The release of the personal liability of any obligor on a guaranteed or insured obligation resultant from the act or omission of any holder without the prior approval of the Secretary shall release the obligation of the Secretary as guarantor or insurer, except when such act or omission consists of:
   (1) Failure to establish the debt as a valid claim against the assets of the estate of any deceased obligor, provided no lien for the guaranteed or insured debt is thereby impaired or destroyed; or
   (2) An election and appropriate prosecution of legally available effective remedies with respect to the repossession or the liquidation of the security in any case, irrespective of the identity or the survival of the original or of any subsequent debtor, if holder shall have given such notice as required by §36.4817 and if, after receiving such notice, the Secretary shall have failed to notify the holder within 15 days to proceed in such manner as to effectively preserve the personal liability of the parties liable, or such of them as the Secretary indicates in such notice to the holder; or
   (3) The release of an obligor, or obligors, from liability on an obligation secured by a lien on property, which release is an incident of and contemporaneous with the sale of such property to an eligible veteran who assumed such obligation, which assumed obligation is guaranteed on the assuming veteran's account pursuant to 38 U.S.C. chapter 37; or
   (4) The release of an obligor or obligors as provided in §36.4815; or, the release of an obligor, or obligors, incident to the sale of property securing the loan which the holder is authorized to approve under the provisions of 38 U.S.C. 3714.

(Authority: 38 U.S.C. 3714)

§36.4328 Partial or total loss of guaranty or insurance.

(a) Subject to the incontestable provisions of 38 U.S.C. 3721 as to loans guaranteed or insured on or subsequent to July 1, 1948, there shall be no liability on account of a guaranty or insurance, or any certificate or other evidence thereof, with respect to a transaction in which a signature to the note, the mortgage, or any other loan papers, or the application for guaranty or insurance is a forgery; or in which the certificate of discharge or the certificate of eligibility is counterfeited, or falsified, or is not issued by the Government.

(1) Except as to a holder who acquired the loan instrument before maturity, for value, and without notice, and who has not directly or by agent participated in the fraud, or in the misrepresentation hereinafter specified, any willful and material misrepresentation or fraud by the lender, or by a holder, or the agent of either, in procuring the guaranty or the insurance credit, shall relieve the Secretary of liability, or, as to loans guaranteed or insured on, or subsequent to July 1, 1948, shall constitute a defense against liability on account of the guaranty or insurance of the loan in respect to which the willful misrepresentation, or the fraud, is practiced: Provided, that if a misrepresentation, although material, is not made willfully, or with fraudulent intent, it shall have only the consequences prescribed in paragraphs (b) and (c) of this section.

(2) [Reserved]

(b) In taking security required by 38 U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans, a holder shall obtain the required lien on property the title to which is such as to be acceptable to prudent lending institutions, informed buyers, title companies, and attorneys, generally, in the community in which
the property is situated: Provided, that a title will not be unacceptable by reason of any of the limitations on the quantum or quality of the property or title stated in §36.4854(b) and if such holder fails in this respect or fails to comply with 38 U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans, then no claim on the guaranty or insurance shall be paid on account of the loan with respect to which such failure occurred, or in respect to which an unwillful misrepresentation occurred, until the amount by which the ultimate liability of the Secretary would thereby be increased has been ascertained. The burden of proof shall be upon the holder to establish that no increase of ultimate liability is attributable to such failure or misrepresentation. The amount of increased liability of the Secretary shall be offset by deduction from the amount of the guaranty or insurance otherwise payable, or if consequent upon loss of security shall be offset by crediting to the indebtedness the amount of the impairment as proceeds of the sale of security in the final accounting to the Secretary. To the extent the loss resultant from the failure or misrepresentation prejudices the Secretary’s right of subrogation acceptance by the holder of the guaranty or insurance payment shall subordinate the holder’s right to those of the Secretary. Adjustments under this section may be made for failure to comply with:

(1) Obtaining and retaining a lien of the dignity prescribed on all property upon which a lien is required by 38 U.S.C. chapter 37 or the regulations concerning guaranty or insurance of loans to veterans,

(2) Inclusion of power to substitute trustees (§36.4830),

(3) The procurement and maintenance of insurance coverage (§36.4829),

(4) Any notice required by §36.4817,

(5) The release, conveyance, substitution, or exchange of security (§36.4827),

(6) Lack of legal capacity of a party to the transaction incident to which the guaranty or the insurance is granted (§36.4831),

(7) Failure of the lender to see that any escrowed or earmarked account is expended in accordance with the agreement.

(8) The taking into consideration of limitations upon the quantum or quality of the estate or property (§36.4854(b)).

(9) Any other requirement of 38 U.S.C. chapter 37 or the regulations concerning guaranty or insurance of loans to veterans which does not by the terms of said chapter or the regulations concerning guaranty or insurance of loans to veterans result in relieving the Secretary of all liability with respect to the loan.

(c) If after the payment of a guaranty or an insurance loss, or after a loan is transferred pursuant to §36.4820(a), the fraud, misrepresentation or failure to comply with the regulations in this subpart as provided in this section is discovered and the Secretary determines that an increased loss to the government resulted therefrom the transferor or person to whom such payment was made shall be liable to the Secretary for the amount of the loss caused by such misrepresentation or failure.

§ 36.4329 Hazard insurance.

The holder shall require insurance policies to be procured and maintained in an amount sufficient to protect the security against the risks or hazards to which it may be subjected to the extent customary in the locality. All moneys received under such policies covering payment of insured losses shall be applied to restoration of the security or to the loan balance. Flood insurance will be required on any building or personal property securing a loan at any time during the term of the loan that such security is located in an area identified by the Federal Emergency Management Agency as having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act, as amended. The amount of flood insurance must be at least equal to the lesser of the outstanding principal balance of the loan or the maximum limit of coverage available for the particular type of property under the National Flood Insurance Act, as amended. The Secretary cannot
guarantee a loan for the acquisition or construction of property located in an area identified by the Federal Emergency Management Agency as having special flood hazards unless the community in which such area is situated is then participating in the National Flood Insurance Program.

§ 36.4330 Substitution of trustees.

In jurisdictions in which valid, any deed of trust or mortgage securing a guaranteed or insured loan, if it names trustees, or confers a power of sale otherwise, shall contain a provision empowering any holder of the indebtedness to appoint substitute trustees, or other person with such power to sell, who shall succeed to all the rights, powers and duties of the trustees, or other person, originally designated.

§ 36.4331 Capacity of parties to contract.

Nothing in §§ 36.4800 through 36.4880 shall be construed to relieve any lender of responsibility otherwise existing, for any loss caused by the lack of legal capacity of any person to contract, convey, or encumber, or caused by the existence of other legal disability or defects invalidating, or rendering unenforceable in whole or in part, either the loan obligation or the security therefor.

§ 36.4332 Geographical limits.

Any real property purchased, constructed, altered, improved, or repaired with the proceeds of a guaranteed or insured loan shall be situated within the United States which for purposes of 38 U.S.C. chapter 37 is here defined as the several States, Territories and possessions, and the District of Columbia, the Commonwealth of Puerto Rico, and the Commonwealth of the Northern Mariana Islands.

§ 36.4333 Maintenance of records.

(a)(1) The holder shall maintain a record of the amounts of payments received on the obligation and disbursements chargeable thereto and the dates thereof, including copies of bills and receipts for such disbursements. These records shall be maintained until the Secretary ceases to be liable as guarantor or insurer of the loan, or, if the Secretary has paid a claim on the guaranty, until 3 years after such claim was paid. For the purpose of any accounting with the Secretary or computation of a claim, any holder who fails to maintain such record and, upon request, make it available to the Secretary for review shall be presumed to have received on the dates due all sums which by the terms of the contract are payable prior to date of claim for default, or to have not made the disbursement for which reimbursement is claimed, and the burden of going forward with evidence and of ultimate proof of the contrary shall be on such holder.

(2) The holder shall maintain records supporting their decision to approve any loss mitigation option for which an incentive is paid in accordance with §36.4819(a). Such records shall be retained a minimum of 3 years from the date of such incentive payment and shall include, but not be limited to, credit reports, verifications of income, employment, assets, liabilities, and other factors affecting the obligor’s credit worthiness, work sheets, and other documents supporting the holder’s decision.

(3) For any loan where the claim on the guaranty was paid on or after February 1, 2008, or action described in paragraph (a)(2) of this section was taken after February 1, 2008, holders shall submit any documents described in paragraph (a)(1) or (a)(2) of this section to the Secretary in electronic form; i.e., an image of the original document in .jpg, .gif, .pdf, or a similar widely accepted format.

(b) The lender shall retain copies of all loan origination records on a VA-guaranteed loan for at least two years from the date of loan closing. Loan origination records include the loan application, including any preliminary application, verifications of employment and deposit, all credit reports, including preliminary credit reports, copies of each sales contract and
§ 36.4335 Delivery of notice.

Except where otherwise specified in this part, any notice required by §§36.4800 to 36.4880 to be given the Secretary must be in writing or such other communications medium as may be approved by an official designated in §36.4845 and delivered, by mail or otherwise, to the VA office at which the guaranty or insurance was issued, or to any changed address of which the holder has been given notice. Such notice must plainly identify the case by setting forth the name of the original veteran-obligor and the file number assigned to the case by the Secretary, if available, or otherwise the name and serial number of the veteran. If mailed, the notice shall be by certified mail when so provided by §§36.4800 to 36.4880.

§ 36.4337 Conformance of loan instruments.

Regulations issued under 38 U.S.C. chapter 37 and in effect on the date of any loan which is submitted and accepted or approved for a guaranty or for insurance thereunder, shall govern the rights, duties, and liabilities of the parties to such loan and any provisions of the loan instruments inconsistent with such regulations are hereby amended and supplemented to conform thereto.

§ 36.4338 Supplementary administrative action.

(a) Notwithstanding any requirement, condition, or limitation stated in or imposed by the regulations concerning the guaranty or insurance of loans to veterans, the Under Secretary for Benefits, or the Director, Loan Guaranty Service, within the limitations and conditions prescribed by the Secretary, is hereby authorized, if he or she finds the interests of the Government are not adversely affected, to relieve undue prejudice to a debtor, holder, or other person, which might otherwise result, provided no such action may be taken which would impair the vested rights of any person affected thereby. If such requirement, condition, or limitation is of an administrative or procedural (not substantive) nature, any employee designated in §36.4845 is hereby authorized to grant similar relief if he or she finds the failure or error of the lender was due to misunderstanding or mistake and that the interests of the Government are not adversely affected. Provisions of the regulations considered to be of an administrative or procedural (nonsubstantive) nature are limited to the following:

(1) The requirement in §36.4808(a) that a lender obtain in prior approval of the Secretary before closing a joint loan if the lender or class of lenders is eligible or has been approved by the Secretary to close loans on the automatic basis pursuant to 38 U.S.C. 3702(d);

(2) The requirements in §36.4803(l) concerning the giving of notice in assumption cases under 38 U.S.C. 3714;

(4) The requirement in §36.4823(a) to submit notice of election to convey a property to VA within 15 days of the date of liquidation sale;

(5) The determination by the holder in §36.4823(b) of the amount of indebtedness that must be waived in order to
make a property eligible for conveyance;
(6) The determination in §36.4814(f)(2) of the date beyond which no additional fees or charges will be allowed;
(7) The determination in §36.4824(a)(3) of the interest payable on a claim under guaranty; and
(8) The reconsideration in §36.4824(e) of the holder’s electronic request for review of any denied items within the claim;
(b) Authority is hereby granted to the Loan Guaranty Officer to redelegate authority to make any determinations under this section.
(Authority: 38 U.S.C. 3714 and 3720)

§ 36.4339 Eligibility of loans; reasonable value requirements.

(a) Evidence of guaranty or insurance shall be issued in respect to a loan for any of the purposes specified in 38 U.S.C. 3710(a) only if all of the following conditions are met:
(1) The proceeds of such loan have been used to pay for the property purchased, constructed, repaired, refinanced, altered, or improved.
(2) Except as to refinancing loans pursuant to 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), (a)(11), or (b)(7) and energy efficient mortgages pursuant to 38 U.S.C. 3710(d), the loan (including any scheduled deferred interest added to principal) does not exceed the reasonable value of the property or projected reasonable value of a new home which is security for a graduated payment mortgage loan, as appropriate, as determined by the Secretary. For the purpose of determining the reasonable value of a graduated payment mortgage loan to purchase a new home, the reasonable value of the property as of the date the loan is closed exceeds the reasonable value of such property as of said date and that evidence of guaranty or insurance credit is issued in respect thereof, as between the holder and Secretary (for the purpose of computing the claim on the guaranty or insurance and for the purposes of §36.4823, and all accounting), the indebtedness which is the subject of the guaranty or insurance shall be deemed to have been reduced as of the date of the loan by a sum equal to the difference, if any, between the purchase price or cost of the property and its reasonable value.
(b) A loan guaranteed under 38 U.S.C. 3710(d) which includes the cost of energy efficient improvements may exceed the reasonable value of the property. The cost of the energy efficient improvements that may be financed may not exceed $3,000; provided, however, that up to $6,000 in energy efficient improvements may be financed if the increase in the monthly payment for principal and interest does not exceed the likely reduction in monthly utility costs resulting from the energy efficient improvements.
(c) Notwithstanding that the aggregate of the loan amount in the case of loans for the purposes specified in paragraph (a) of this section, and the amount remaining unpaid on taxes, special assessments, prior mortgage indebtedness, or other obligations of any character secured by enforceable superior liens or a right to such lien existing as of the date the loan is closed exceeds the reasonable value of such property as of said date and that evidence of guaranty or insurance credit is issued in respect thereof, as between the holder and Secretary (for the purpose of computing the claim on the guaranty or insurance and for the purposes of §36.4823, and all accounting), the indebtedness which is the subject of the guaranty or insurance shall be deemed to have been reduced as of the date of the loan by a sum equal to such excess, less any amounts secured by liens released or paid on the obligations secured by such superior liens or rights by a holder or others without expense to or obligation on the debtor resulting from such payment, or release of lien or right; and all payments made on the loan shall be applied to the indebtedness as so reduced. Nothing in this paragraph affects any right or liability resulting from fraud or willful misrepresentation.
(Authority: 38 U.S.C. 3703(c)(1), 3710, 3712)
§ 36.4340 Underwriting standards, processing procedures, lender responsibility, and lender certification.

(a) Use of standards. The standards contained in paragraphs (c) through (j) of this section will be used to determine whether the veteran's present and anticipated income and expenses, and credit history, are satisfactory. These standards do not apply to loans guaranteed pursuant to 38 U.S.C. 3710(a)(8) except for cases where the Secretary is required to approve the loan in advance under § 36.4307.

(b)(1) Waiver of standards. Use of the standards in paragraphs (c) through (j) of this section for underwriting home loans will be waived only in extraordinary circumstances when the Secretary determines, considering the totality of circumstances, that the veteran is a satisfactory credit risk.

(2) Exemption from income verification for certain refinance loans. Notwithstanding paragraphs (a) and (b)(1) of this section, a streamlined refinance loan to be guaranteed pursuant to 38 U.S.C. 3710(a)(8) and (e) is exempt from income verification requirements of the Truth-in-Lending Act (15 U.S.C. 1639C) and its implementing regulations only if all of the following conditions are met:

(i) The veteran is not 30 days or more past due on the prior existing residential mortgage loan;

(ii) The proposed streamlined refinance loan would not increase the principal balance outstanding on the prior existing residential mortgage loan, except to the extent of fees and charges allowed by VA;

(iii) Total points and fees payable in connection with the proposed streamlined refinance loan are in accordance with 12 CFR 1026.32, will not exceed 3 percent of the total new loan amount, and are in compliance with VA's allowable fees and charges found at 38 CFR 36.4313;

(iv) The interest rate on the proposed streamlined refinance loan will be lower than the interest rate on the original loan, unless the borrower is refinancing from an adjustable rate to a fixed-rate loan, under guidelines that VA has established;

(v) The proposed streamlined refinance loan will be subject to a payment schedule that will fully amortize the IRRRL in accordance with VA regulations;

(vi) The terms of the proposed streamlined refinance loan will not result in a balloon payment, as defined in TILA; and

(vii) Both the residential mortgage loan being refinanced and the proposed streamlined refinance loan satisfy all other VA requirements.

(c) Methods. The two primary underwriting standards that will be used in determining the adequacy of the veteran's present and anticipated income are debt-to-income ratio and residual income analysis. They are described in paragraphs (d) through (f) of this section. Ordinarily, to qualify for a loan, the veteran must meet both standards. Failure to meet one standard, however, will not automatically disqualify a veteran. The following exceptions shall apply to cases where a veteran does not meet both standards:

(1) If the debt-to-income ratio is 41 percent or less, and the veteran does not meet the residual income standard, the loan may be approved with justification, by the underwriter's supervisor, as set out in paragraph (c)(4) of this section.

(2) If the debt-to-income ratio is greater than 41 percent (unless it is larger due solely to the existence of tax-free income which should be noted in the loan file), the loan may be approved with justification, by the underwriter's supervisor, as set out in paragraph (c)(4) of this section.

(3) If the ratio is greater than 41 percent and the residual income exceeds the guidelines by at least 20 percent, the second level review and statement of justification are not required.

(4) In any case described by paragraphs (c)(1) and (c)(2) of this section, the lender must fully justify the decision to approve the loan or submit the loan to the Secretary for prior approval in writing. The lender's statement must not be perfunctory, but
should address the specific compensating factors, as set forth in paragraph (c)(5) of this section, justifying the approval of the loan. The statement must be signed by the underwriter’s supervisor. It must be stressed that the statute requires not only consideration of a veteran’s present and anticipated income and expenses, but also that the veteran be a satisfactory credit risk. Therefore, meeting both the debt-to-income ratio and residual income standards does not mean that the loan is automatically approved. It is the lender’s responsibility to base the loan approval or disapproval on all the factors present for any individual veteran. The veteran’s credit must be evaluated based on the criteria set forth in paragraph (g) of this section as well as a variety of compensating factors that should be evaluated.

(5) The following are examples of acceptable compensating factors to be considered in the course of underwriting a loan:

(i) Excellent long-term credit;
(ii) Conservative use of consumer credit;
(iii) Minimal consumer debt;
(iv) Long-term employment;
(v) Significant liquid assets;
(vi) Down payment or the existence of equity in refinancing loans;
(vii) Little or no increase in shelter expense;
(viii) Military benefits;
(ix) Satisfactory homeownership experience;
(x) High residual income;
(xi) Low debt-to-income ratio;
(xii) Tax credits of a continuing nature, such as tax credits for child care; and
(xiii) Tax benefits of homeownership.

(6) The list in paragraph (c)(5) of this section is not exhaustive and the items are not in any priority order. Valid compensating factors should represent unusual strengths rather than mere satisfaction of basic program requirements. Compensating factors must be relevant to the marginality or weakness.

(d) Debt-to-income ratio. A debt-to-income ratio that compares the veteran’s anticipated monthly housing expense and total monthly obligations to his or her stable monthly income will be computed to assist in the assessment of the potential risk of the loan. The ratio will be determined by taking the sum of the monthly Principal, Interest, Taxes and Insurance (PITI) of the loan being applied for, homeowners and other assessments such as special assessments, condominium fees, homeowners association fees, etc., and any long-term obligations divided by the total of gross salary or earnings and other compensation or income. The ratio should be rounded to the nearest two digits; e.g., 35.6 percent would be rounded to 36 percent. The standard is 41 percent or less. If the ratio is greater than 41 percent, the steps cited in paragraphs (c)(1) through (c)(6) of this section apply.

(e) Residual income guidelines. The guidelines provided in this paragraph for residual income will be used to determine whether the veteran’s monthly residual income will be adequate to meet living expenses after estimated monthly shelter expenses have been paid and other monthly obligations have been met. All members of the household must be included in determining if the residual income is sufficient. They must be counted even if the veteran’s spouse is not joining in title or on the note, or if there are any other individuals depending on the veteran for support, such as children from a spouse’s prior marriage who are not the veteran’s legal dependents. It is appropriate, however, to reduce the number of members of a household to be counted for residual income purposes if there is sufficient verified income not otherwise included in the loan analysis, such as child support being regularly received as discussed in paragraph (e)(4) of this section. In the case of a spouse not to be obligated on the note, verification that he/she has stable and reliable employment as discussed in paragraph (f)(3) of this section would allow not counting the spouse in determining the sufficiency of the residual income. The guidelines for residual income are based on data supplied in the Consumer Expenditure Survey (CES) published by the Department of Labor’s Bureau of Labor Statistics. Regional minimum incomes have been developed for loan amounts.
up to $79,999 and for loan amounts of $80,000 and above. It is recognized that the purchase price of the property may affect family expenditure levels in individual cases. This factor may be given consideration in the final determination in individual loan analyses. For example, a family purchasing in a higher-priced neighborhood may feel a need to incur higher-than-average expenses to support a lifestyle comparable to that in their environment, whereas a substantially lower-priced home purchase may not compel such expenditures. It should also be clearly understood from this information that no single factor is a final determinant in any applicant’s qualification for a VA-guaranteed loan. Once the residual income has been established, other important factors must be examined. One such consideration is the amount being paid currently for rental or housing expenses. If the proposed shelter expense is materially in excess of what is currently being paid, the case may require closer scrutiny. In such cases, consideration should be given to the ability of the borrower and spouse to accumulate liquid assets, such as cash and bonds, and to the amount of debts incurred while paying a lesser amount for shelter. For example, if an application indicates little or no capital reserves and excessive obligations, it may not be reasonable to conclude that a substantial increase in shelter expenses can be absorbed. Another factor of prime importance is the applicant’s manner of meeting obligations. A poor credit history alone is a basis for disapproving a loan, as is an obviously inadequate income. When one or the other is marginal, however, the remaining aspect must be closely examined to assure that the loan applied for will not exceed the applicant’s ability or capacity to repay. Therefore, it is important to remember that the figures provided below for residual income are to be used as a guide and should be used in conjunction with the steps outlined in paragraphs (c) through (j) of this section. The residual income guidelines are as follows:

(4) Military adjustments. For loan applications involving an active-duty servicemember or military retiree, the residual income figures will be reduced by a minimum of 5 percent if there is a clear indication that the borrower or spouse will continue to receive the benefits resulting from the use of facilities on a nearby military base. (This reduction applies to tables in paragraph (e) of this section.)

(f) Stability and reliability of income. Only stable and reliable income of the veteran and spouse can be considered in determining ability to meet mortgage payments. Income can be considered stable and reliable if it can be concluded that it will continue during the foreseeable future.

(1) Verification. Income of the borrower and spouse which is derived from employment and which is considered in determining the family's ability to meet the mortgage payments, payments on debts and other obligations, and other expenses must be verified. If the spouse is employed and will be contractually obligated on the loan, the combined income of both the veteran and spouse is considered when the income of the veteran alone is not sufficient to qualify for the amount of the loan sought. In other than community property states, information concerning a spouse may be requested and considered in the same manner as that for the applicant. The standards applied to income of the veteran are also applicable to that of the spouse. There can be no discounting of income on account of sex, marital status, or any other basis prohibited by the Equal Credit Opportunity Act. Income claimed by an applicant that is not or cannot be verified cannot be considered when analyzing the loan. If the veteran or spouse has been employed by a present employer for less than 2 years, a 2-year history covering prior employment, schooling, or other training must be secured. Any periods of unemployment must be explained. Employment verifications and pay stubs must be no more than 120 days (180 days for new construction) old to be considered valid. For loans closed automatically, this requirement will be considered satisfied if the date of the employment verification is within 120 days (180 days for new construction) of the date the note is signed. For prior approval loans, this requirement will be considered satisfied if the verification of employment is dated within 120 days of the date the application is received by VA.

(ii) For servicemembers within 12 months of release from active duty, or members of the Reserves or National Guard within 12 months of release, one of the following is also required:

VerDate Mar<15>2010 10:55 Sep 08, 2014 Jkt 232147 PO 00000 Frm 00731 Fmt 8010 Sfmt 8010 Y:\SGML\232147.XXX 232147pmangrum on DSK7TPTVN1PROD with CFR
(A) Documentation that the service-member has in fact already reenlisted or extended his/her period of active duty or Reserve or National Guard service to a date beyond the 12-month period following the projected closing of the loan.

(B) Verification of a valid offer of local civilian employment following release from active duty. All data pertinent to sound underwriting procedures (date employment will begin, earnings, etc.) must be included.

(C) A statement from the service-member that he/she intends to reenlist or extend his/her period of active duty or Reserve or National Guard service to a date beyond the 12-month period following the projected loan closing date, and a statement from the servicemember’s commanding officer confirming that the servicemember is eligible to reenlist or extend his/her active duty or Reserve or National Guard service as indicated and that the commanding officer has no reason to believe that such reenlistment or extension will not be granted.

(D) Other unusually strong positive underwriting factors, such as a down payment of at least 10 percent, significant cash reserves, or clear evidence of strong ties to the community coupled with a nonmilitary spouse’s income so high that only minimal income from the active duty servicemember or member of the Reserve or National Guard is needed to qualify.

(iii) Each active-duty member who applies for a loan must be counseled through the use of VA Form 26-0592, Counseling Checklist for Military Homebuyers. Lenders must submit a signed and dated VA Form 26-0592 with each prior approval loan application or automatic loan report involving a borrower on active duty.

(3) Income reliability. Income received by the borrower and spouse is to be used only if it can be concluded that the income will continue during the foreseeable future and, thus, should be properly considered in determining ability to meet the mortgage payments. If an employer puts N/A or otherwise declines to complete a verification of employment statement regarding the probability of continued employment, no further action is required of the lender. Reliability will be determined based on the duration of the borrower’s current employment together with his or her overall documented employment history. There can be no discounting of income solely because it is derived from an annuity, pension or other retirement benefit, or from part-time employment. However, unless income from overtime work and part-time or second jobs can be accorded a reasonable likelihood that it is continuous and will continue in the foreseeable future, such income should not be used. Generally, the reliability of such income cannot be demonstrated unless the income has continued for 2 years. The hours of duty and other work conditions of the applicant’s primary job, and the period of time in which the applicant was employed under such arrangement, must be such as to permit a clear conclusion as to a good probability that overtime or part-time or secondary employment can and will continue. Income from overtime work and part-time jobs not eligible for inclusion as primary income may, if properly verified for at least 12 months, be used to offset the payments due on debts and obligations of an intermediate term, i.e., 6 to 24 months. Such income must be described in the loan file. The amount of any pension or compensation and other income, such as dividends from stocks, interest from bonds, savings accounts, or other deposits, rents, royalties, etc., will be used as primary income if it is reasonable to conclude that such income will continue in the foreseeable future. Otherwise, it may be used only to offset intermediate-term debts, as described in this paragraph. Also, the likely duration of certain military allowances cannot be determined and, therefore, will be used only to offset intermediate-term debts, as described in this paragraph. Such allowances are: Pro-pay, flight or hazard pay, and overseas or combat pay, all of which are subject to periodic review and/or testing of the recipient to ascertain whether eligibility for such pay will continue. Only if it can be shown that such pay has continued for a prolonged period and can be expected to continue because of the nature of the recipient’s assigned duties, will such income be
considered as primary income. For instance, flight pay verified for a pilot can be regarded as probably continuous and, thus, should be added to the base pay. Income derived from service in the Reserves or National Guard may be used if the applicant has served in such capacity for a period of time sufficient to evidence good probability that such income will continue beyond 12 months. The total period of active and reserve service may be helpful in this regard. Otherwise, such income may be used to offset intermediate-term debts. There are a number of additional income sources whose contingent nature precludes their being considered as available for repayment of a long-term mortgage obligation. Temporary income items such as VA educational allowances and unemployment compensation do not represent stable and reliable income and will not be taken into consideration in determining the ability of the veteran to meet the income requirement of the governing law. As required by the Equal Opportunity Act Amendments of 1976, Public Law 94–239, income from public assistance programs is used to qualify for a loan if it can be determined that the income will probably continue for 3 years or more.

(4) Tax-exempt income. Special consideration can be given to verified non-taxable income once it has been established that such income is likely to continue (and remain untaxed) into the foreseeable future. Such income includes certain military allowances, child support payments, workers’ compensation benefits, disability retirement payments and certain types of public assistance payments. In such cases, current income tax tables may be used to determine an amount which can be prudently employed to adjust the borrower’s actual income. This adjusted or “grossed up” income may be used to calculate the monthly debt-to-income ratio, provided the analysis is documented. Only the borrower’s actual income may be used to calculate the residual income. Care should be exercised to ensure that the income is in fact tax-exempt.

(5) Alimony, child support, maintenance, workers’ compensation, foster care payments. (i) If an applicant chooses to reveal income from alimony, child support or maintenance payments (after first having been informed that any such disclosure is voluntary pursuant to the Federal Reserve Board’s Regulation B (12 CFR part 202)), such payments are considered as income to the extent that the payments are likely to be consistently made. Factors to be considered in determining the likelihood of consistent payments include, but are not limited to: Whether the payments are received pursuant to a written agreement or court decree; the length of time the payments have been received; the regularity of receipt; the availability of procedures to compel payment; and the creditworthiness of the payor, including the credit history of the payor when available under the Fair Credit Reporting Act or other applicable laws. However, the Fair Credit Reporting Act (15 U.S.C. 1681(b)) limits the permissible purposes for which credit reports may be ordered, in the absence of written instructions of the consumer to whom the report relates, to business transactions involving the subject of the credit report or extensions of credit to the subject of the credit report.

(ii) If the applicant chooses to reveal income related to workers’ compensation, it will be considered as income to the extent it can be determined such income will continue.

(iii) Income received specifically for the care of any foster child(ren) may be counted as income if documented. Generally, however, such foster care income is to be used only to balance the expenses of caring for the foster child(ren) against any increased residual income requirements.

(6) Military quarters allowance. With respect to off-base housing (quarters) allowances for service personnel on active duty, it is the policy of the Department of Defense to utilize available on-base housing when possible. In order for a quarters allowance to be considered as continuing income, it is necessary that the applicant furnish written authorization from his or her commanding officer for off-base housing. This authorization should verify that quarters will not be made available and that the individual should make permanent arrangements for
nonmilitary housing. A Department of Defense form, DD Form 1747, Status of Housing Availability, is used by the Family Housing Office to advise personnel regarding family housing. The applicant’s quarters allowance cannot be considered unless item b (Permanent) or d is completed on DD Form 1747, dated October 1990. Of course, if the applicant’s income less quarters allowance is sufficient, there is no need for assurance that the applicant has permission to occupy nonmilitary housing provided that a determination can be made that the occupancy requirements of the law will be met. Also, authorization to obtain off-base housing will not be required when certain duty assignments would clearly qualify service personnel with families for quarters allowance. For instance, off-base housing authorizations need not be obtained for service personnel stationed overseas who are not accompanied by their families, recruiters on detached duty, or military personnel stationed in areas where no on-base housing exists. In any case in which no off-base housing authorization is obtained, an explanation of the circumstances justifying its omission must be included with the loan application except when it has been established by the VA facility of jurisdiction that the waiting lists for on-base housing are so long that it is improbable that individuals desiring to purchase off-base housing would be precluded from doing so in the foreseeable future. If stations make such a determination, a release shall be issued to inform lenders.

(7) Automobile (or similar) allowance. Generally, automobile allowances are paid to cover specific expenses related to an applicant’s employment, and it is appropriate to use such income to offset a corresponding car payment. However, in some instances, such an allowance may exceed the car payment. With proper documentation, income from a car allowance which exceeds the car payment can be counted as effective income. Likewise, any other similar type of allowance which exceeds the specific expense involved may be added to gross income to the extent it is documented to exceed the actual expense.

(8) Commissions. When all or a major portion of the veteran’s income is derived from commissions, it will be necessary to establish the stability of such income if it is to be considered in the loan analysis for the repayment of the mortgage debt and/or short-term obligations. In order to assess the value of such income, lenders should obtain written verification of the actual amount of commissions paid to date, the basis for the payment of such commissions and when commissions are paid; i.e., monthly, quarterly, semi-annually, or annually. Lenders should also obtain signed and dated individual income tax returns, plus applicable schedules, for the previous 2 years, or for whatever additional period is deemed necessary to properly demonstrate a satisfactory earnings record. The length of the veteran’s employment in the type of occupation for which commissions are paid is also an important factor in the assessment of the stability of the income. If the veteran has been employed for a relatively short time, the income should not normally be considered stable unless the product or service was the same or closely related to the product or service sold in an immediate prior position. Generally, income from commissions is considered stable when the applicant has been receiving such income for at least 2 years. Less than 2 years of income from commissions cannot usually be considered stable. When an applicant has received income from commissions for less than 1 year, it will rarely be possible to demonstrate that the income is stable for qualifying purposes; such cases would require in-depth development.

(9) Self-employment. Generally, income from self-employment is considered stable when the applicant has been in business for at least 2 years. Less than 2 years of income from self-employment cannot usually be considered stable. When an applicant has received income from self-employment for less than 1 year, it will rarely be possible to demonstrate that the income is stable for qualifying purposes; such cases would require in-depth development.
required for all self-employed borrowers:

(i) A profit-and-loss statement for the prior fiscal year (12-month accounting cycle), plus the period year to date since the end of the last fiscal year (or for whatever shorter period records may be available), and balance sheet based on the financial records. The financial statement must be sufficient for a loan underwriter to determine the necessary information for loan approval and an independent audit (on the veteran and/or the business) by a Certified Public Accountant will be required if necessary for such determination; and

(ii) Copies of signed individual income tax returns, plus all applicable schedules for the previous 2 years, or for whatever additional period is deemed necessary to properly demonstrate a satisfactory earnings record, must be obtained. If the business is a corporation or partnership, copies of signed Federal business income tax returns for the previous two years plus all applicable schedules for the corporation or partnership must be obtained; and

(iii) If the business is a corporation or partnership, a list of all stockholders or partners showing the interest each holds in the business will be required. Some cases may justify a written credit report on the business as well as the applicant. When the business is of an unusual type and it is difficult to determine the probability of its continued operation, explanation as to the function and purpose of the business may be needed from the applicant and/or any other qualified party with the acknowledged expertise to express a valid opinion.

(10) Recently discharged veterans. Loan applications received from recently discharged veterans who have little or no employment experience other than their military occupation and from veterans seeking VA-guaranteed loans who have retired after 20 years of active military duty require special attention. The retirement income of the latter veterans in many cases may not be sufficient to meet the statutory income requirements for the loan amount sought. Many have obtained full-time employment and have been employed in their new jobs for a very short time.

(i) It is essential in determining whether veterans in these categories qualify from the income standpoint for the amount of the loan sought, that the facts in respect to their present employment and retirement income be fully developed, and that each case be considered on its individual merits.

(ii) In most cases the veteran’s current income or current income plus his or her retirement income is sufficient. The problem lies in determining whether it can be properly concluded that such income level will continue for the foreseeable future. If the veteran’s employment status is that of a trainee or an apprentice, this will, of course, be a factor. In cases of the self-employed, the question to be resolved is whether there are reasonable prospects that the business enterprise will be successful and produce the required income. Unless a favorable conclusion can be made, the income from such source should not be considered in the loan analysis.

(iii) If a recently discharged veteran has no prior employment history and the veteran’s verification of employment shows he or she has not been on the job a sufficient time in which to become established, consideration should be given to the duties the veteran performed in the military service. When it can be determined that the duties a veteran performed in the service are similar or are in direct relation to the duties of the applicant’s present position, such duties may be construed as adding weight to his or her present employment experience and the income from the veteran’s present employment thus may be considered available for qualifying the loan, notwithstanding the fact that the applicant has been on the present job only a short time. This same principle may be applied to veterans recently retired from the service. In addition, when the veteran’s income from retirement, in relation to the total of the estimated shelter expense, long-term debts and amount available for family support, is such that only minimal income from employment is necessary to qualify from the income standpoint, it would be proper to resolve the doubt in favor of the veteran.
§ 36.4340 38 CFR Ch. I (7–1–14 Edition)

It would be erroneous, however, to give consideration to a veteran’s income from employment for a short duration in a job requiring skills for which the applicant has had no training or experience.

(iv) To illustrate the provisions of paragraph (f)(10), it would be proper to use short-term employment income in qualifying a veteran who had experience as an airplane mechanic in the military service and the individual’s employment after discharge or retirement from the service is in the same or allied fields; e.g., auto mechanic or machinist. This presumes, however, that the verification of employment included a statement that the veteran was performing the duties of the job satisfactorily, the possibility of continued employment was favorable and that the loan application is eligible in all other respects. An example of non-qualifying experience is that of a veteran who was an Air Force pilot and has been employed in insurance sales on commission for a short time. Most cases, of course, fall somewhere between those extremes. It is for this reason that the facts of each case must be fully developed prior to closing the loan automatically or submitting the case to VA for prior approval.

(11) Employment of short duration. The provisions of paragraph (f)(7) of this section are similarly applicable to applicants whose employment is of short duration. Such cases will entail careful consideration of the employer’s confirmation of employment, probability of permanency, past employment record, the applicant’s qualifications for the position, and previous training, including that received in the military service. In the event that such considerations do not enable a determination that the income from the veteran’s current position has a reasonable likelihood of continuance, such income should not be considered in the analysis for whatever additional period is deemed necessary to properly demonstrate a satisfactory earnings record. If the applicant works out of a union, evidence of the previous year’s earnings should be obtained together with a verification of employment from the current employer.

(12) Rental income—(i) Multi-unit subject property. When the loan pertains to a structure with more than a one-family dwelling unit, the prospective rental income will not be considered unless the veteran can demonstrate a reasonable likelihood of success as a landlord, and sufficient cash reserves are verified to enable the veteran to carry the mortgage loan payments (principal, interest, taxes, and insurance) without assistance from the rental income for a period of at least 6 months. The determination of the veteran’s likelihood of success as a landlord will be based on documentation of any prior experience in managing rental units or other collection activities. The amount of rental income to be used in the loan analysis will be based on 75 percent of the amount indicated on the lease or rental agreement, unless a greater percentage can be documented.

(ii) Rental of existing home. Proposed rental of a veteran’s existing property may be used to offset the mortgage payment on that property, provided there is no indication that the property will be difficult to rent. If available, a copy of the rental agreement should be obtained. It is the responsibility of the loan underwriter to be aware of the condition of the local rental market. For instance, in areas where the rental market is very strong the absence of a lease should not automatically prohibit the offset of the mortgage by the proposed rental income.

(iii) Other rental property. If income from rental property will be used to qualify for the new loan, the documentation required of a self-employed applicant should be obtained together with evidence of cash reserves equaling 3 months PITI on the rental property. As for any self-employed earnings (see paragraph (f)(7) of this section), depreciation claimed may be added back in as income. In the case of a veteran who has no experience as a landlord, it is
unlikely that the income from a rental property may be used to qualify for the new loan.

(13) Taxes and other deductions. Deductions to be applied for Federal income taxes and Social Security may be obtained from the Employer’s Tax Guide (Circular E) issued by the Internal Revenue Service (IRS). (For veterans receiving a mortgage credit certificate (MCC), see paragraph (f)(14) of this section.) Any State or local taxes should be estimated or obtained from charts similar to those provided by IRS which may be available in those states with withholding taxes. A determination of the amount paid or withheld for retirement purposes should be made and used when calculating deductions from gross income. In determining whether a veteran-applicant meets the income criteria for a loan, some consideration may be given to the potential tax benefits the veteran will realize if the loan is approved. This can be done by using the instructions and worksheet portion of IRS Form W-4, Employee’s Withholding Allowance Certificate, to compute the total number of permissible withholding allowances. That number can then be used when referring to IRS Circular E and any appropriate similar State withholding charts to arrive at the amount of Federal and State income tax to be deducted from gross income.

(14) Mortgage credit certificates. (i) The Internal Revenue Code (26 U.S.C.) as amended by the Tax Reform Act of 1984, allows states and other political subdivisions to trade in all or part of their authority to issue mortgage revenue bonds for authority to issue MCCs. Veterans who are recipients of MCCs may realize a significant reduction in their income tax liability by receiving a Federal tax credit for a percentage of their mortgage interest payment on debt incurred on or after January 1, 1985.

(ii) Lenders must provide a copy of the MCC to VA with the home loan application. The MCC will specify the rate of credit allowed and the amount of certified indebtedness; i.e., the indebtedness incurred by the veteran to acquire a principal residence or as a qualified home improvement or rehabilitation loan.

(iii) For credit underwriting purposes, the amount of tax credit allowed to a veteran under an MCC will be treated as a reduction in the monthly Federal income tax. For example, a veteran having a $600 monthly interest payment and an MCC providing a 30-percent tax credit would receive a $180 (30 percent × $600) tax credit each month. However, because the annual tax credit, which amounts to $2,160 (12 × $180), exceeds $2,000 and is based on a 30-percent credit rate, the maximum tax credit the veteran can receive is limited to $2,000 per year (Pub. L. 98–369) or $167 per month ($2,000/12). As a consequence of the tax credit, the interest on which a deduction can be taken will be reduced by the amount of the tax credit to $433 ($600 – $167). This reduction should also be reflected when calculating Federal income tax.

(iv) For underwriting purposes, the amount of the tax credit is limited to the amount of the veteran’s maximum tax liability. If, in the example in paragraph (f)(14)(iii) of this section, the veteran’s tax liability for the year were only $1,500, the monthly tax credit would be limited to $125 ($1,500/12).

(g) Credit. The conclusion reached as to whether or not the veteran and spouse are satisfactory credit risks must also be based on a careful analysis of the available credit data. Regulation B (12 CFR part 202), promulgated by the Federal Reserve Board pursuant to the Equal Credit Opportunity Act, requires that lenders, in evaluating creditworthiness, shall consider, on the applicant’s request, the credit history, when available, of any account reported in the name of the applicant’s spouse or former spouse which the applicant can demonstrate accurately reflects the applicant’s creditworthiness. In other than community property states, if the spouse will not be contractually obligated on the loan, Regulation B prohibits any request for or consideration of information about the spouse concerning income, employment, assets or liabilities. In community property states, information concerning a spouse may be requested and considered in the same manner as that for the applicant.

(1) Adverse data. If the analysis develops any derogatory credit information
and, despite such facts, it is determined that the veteran and spouse are satisfactory credit risks, the basis for the decision must be explained. If a veteran and spouse have debts outstanding which have not been paid timely, or which they have refused to pay, the fact that the outstanding debts are paid after the acceptability of the credit is questioned or in anticipation of applying for new credit does not, of course, alter the fact that the record for paying debts has been unsatisfactory. With respect to unpaid debts, lenders may take into consideration a veteran's claim of bona fide or legal defenses. Such defenses are not applicable when the debt has been reduced to judgment. Where a collection account has been established, if it is determined that the borrower is a satisfactory credit risk, it is not mandatory that such an account be paid off in order for a loan to be approved. Court-ordered judgments, however, must be paid off before a new loan is approved.

(2) Bankruptcy. When the credit information shows that the borrower or spouse has been discharged in bankruptcy under the "straight" liquidation and discharge provisions of the bankruptcy law, this would not in itself disqualify the loan. However, in such cases it is necessary to develop complete information as to the facts and circumstances concerning the bankruptcy. Generally speaking, when the borrower or spouse, as the case may be, has been regularly employed (not self-employed) and has been discharged in bankruptcy within the last one to two years, it probably would not be possible to determine that the borrower or spouse is a satisfactory credit risk unless both of the following requirements are satisfied:

(i) The borrower or spouse has obtained credit subsequent to the bankruptcy and has met the credit payments in a satisfactory manner over a continued period; and

(ii) The bankruptcy was caused by circumstances beyond the control of the borrower or spouse, e.g., unemployment, prolonged strikes, medical bills not covered by insurance. Divorce is not generally viewed as beyond the control of the borrower and/or spouse. The circumstances alleged must be verified. If a borrower or spouse is self-employed, has been adjudicated bankrupt, and subsequently obtains a permanent position, a finding as to satisfactory credit risk may be made provided there is no derogatory credit information prior to self-employment. There is no derogatory credit information subsequent to the bankruptcy, and the failure of the business was not due to misconduct. If a borrower or spouse has been discharged in bankruptcy within the past 12 months, it will not generally be possible to determine that the borrower or spouse is a satisfactory credit risk.

(3) Petition under Chapter 13 of Bankruptcy Code. A petition under chapter 13 of the Bankruptcy Code (11 U.S.C.) filed by the borrower or spouse is indicative of an effort to pay their creditors. Some plans may provide for full payment of debts while others arrange for payment of scaled-down debts. Regular payments are made to a court-appointed trustee over a 2- to 3-year period (or up to 5 years in some cases). When the borrowers have made all payments in a satisfactory manner, they may be considered as having reestablished satisfactory credit. When they apply for a home loan before completion of the payout period, favorable consideration may nevertheless be given if at least 12 months' worth of payments have been made satisfactorily and the Trustee or Bankruptcy Judge approves of the new credit.

(4) Foreclosures. (i) When the credit information shows that the veteran or spouse has had a foreclosure on a prior mortgage; e.g., a VA-guaranteed or HUD-insured mortgage, this will not in itself disqualify the loan. As with a borrower who has been adjudicated bankrupt, it is necessary to develop complete information as to the facts and circumstances of the foreclosure.

(ii) The bankruptcy was caused by circumstances beyond the control of the borrower or spouse, e.g., unemployment, prolonged strikes, medical bills not covered by insurance. Divorce is not generally viewed as beyond the control of the borrower and/or spouse. The circumstances alleged must be verified. If a borrower or spouse is self-employed, has been adjudicated bankrupt, and subsequently obtains a permanent position, a finding as to satisfactory credit risk may be made provided there is no derogatory credit information prior to self-employment, there is no derogatory credit information subsequent to the bankruptcy, and the failure of the business was not due to misconduct. If a borrower or spouse has been discharged in bankruptcy within the past 12 months, it will not generally be possible to determine that the borrower or spouse is a satisfactory credit risk.
the case. However, guaranty entitlement cannot be restored unless the Government’s loss has been repaid in full, regardless of whether or not the debt has been waived, compromised, or discharged in bankruptcy. Therefore, a veteran who is seeking a new VA loan after having experienced a foreclosure on a prior VA loan will in most cases have only remaining entitlement to apply to the new loan. The lender should assure that the veteran has sufficient entitlement for its secondary marketing purposes.

(5) Federal debts. An applicant for a Federally-assisted loan will not be considered a satisfactory credit risk for such loan if the applicant is presently delinquent or in default on any debt to the Federal Government, e.g., a Small Business Administration loan, a U.S. Guaranteed Student loan, a debt to the Public Health Service, or where there is a judgment lien against the applicant’s property for a debt owed to the Government. The applicant may not be approved for the loan until the delinquent account has been brought current or satisfactory arrangements have been made between the borrower and the Federal agency owed, or the judgment is paid or otherwise satisfied. Of course, the applicant must also be able to otherwise qualify for the loan from an income and remaining credit standpoint. Refinancing under VA’s interest rate reduction refinancing provisions, however, is allowed even if the borrower is delinquent on the VA guaranteed mortgage being refinanced. Prior approval processing is required in such cases.

(6) Absence of credit history. The fact that recently discharged veterans may have had no opportunity to develop a credit history will not preclude a determination of satisfactory credit. Similarly, other loan applicants may not have established credit histories as a result of a preference for purchasing consumer items with cash rather than credit. There are also cases in which individuals may be genuinely wary of acquiring new obligations following bankruptcy, consumer credit counseling (debt proration), or other disruptive credit occurrence. The absence of the credit history in these cases will not generally be viewed as an adverse factor in credit underwriting. However, before a favorable decision is made for cases involving bankruptcies or other derogatory credit factors, efforts should be made to develop evidence of timely payment of non-installment debts such as rent and utilities. It is anticipated that this special consideration in the absence of a credit history following bankruptcy would be the rare case and generally confined to bankruptcies that occurred over 3 years ago.

(7) Consumer credit counseling plan. If a veteran, or veteran and spouse, have prior adverse credit and are participating in a Consumer Credit Counseling plan, they may be determined to be a satisfactory credit risk if they demonstrate 12 months’ satisfactory payments and the counseling agency approves the new credit. If a veteran, or veteran and spouse, have good prior credit and are participating in a Consumer Credit Counseling plan, such participation is to be considered a neutral factor, or even a positive factor, in determining creditworthiness.

(8) Re-establishment of satisfactory credit. In circumstances not involving bankruptcy, satisfactory credit is generally considered to be reestablished after the veteran, or veteran and spouse, have made satisfactory payments for 12 months after the date of the last derogatory credit item.

(9) Long-term v. short-term debts. All known debts and obligations including any alimony and/or child support payments of the borrower and spouse must be documented. Significant liabilities, to be deducted from the total income in determining ability to meet the mortgage payments are accounts that, generally, are of a relatively long term, i.e., 10 months or over. Other accounts for terms of less than 10 months must, of course, be considered in determining ability to meet family expenses. Certainly, any severe impact on the family’s resources for any period of time must be considered in the loan analysis. For example, monthly payments of $300 on an auto loan with a remaining balance of $1,500 would be included in those obligations to be deducted from the total income regardless of the fact that the account can be expected to pay out in 5 months. It is clear that the applicant will, in this
§ 36.4340  38 CFR Ch. 1 (7–1–14 Edition)

(10) Requirements for verification. If the credit investigation reveals debts or obligations of a material nature which were not divulged by the applicant, lenders must be certain to obtain clarification as to the status of such debts from the borrower. A proper analysis is obviously not possible unless there is total correlation between the obligations claimed by the borrower and those revealed by a credit report or deposit verification. Conversely, significant debts and obligations reported by the borrower must be dated. If the credit report fails to provide necessary information on such accounts, lenders will be expected to obtain their own verifications of such debts directly from the creditors. Credit reports and verifications must be no more than 120 days old (180 days for new construction) to be considered valid. For loans closed automatically, this requirement will be considered satisfied if the date of the credit report or verification is within 120 days (180 days for new construction) of the date the note is signed. For prior approval loans, this requirement will be considered satisfied if the date of the credit report or verification is within 120 days of the date the application is received by VA. Of major significance are the applicant’s rental history and outstanding or recently retired mortgages, if any, particularly prior VA loans. Lenders should be sure ratings on such accounts are obtained; a written explanation is required when ratings are not available. A determination is necessary as to whether alimony and/or child support payments are required. Verification of the amount of such obligations should be obtained, although documentation concerning an applicant’s divorce should not be obtained automatically unless it is necessary to verify the amount of any alimony or child support liability indicated by the applicant. If in the routine course of processing the loan application, however, direct evidence is received (e.g., from the credit report) that an obligation to pay alimony or child support exists (as opposed to mere evidence that the veteran was previously divorced), the discrepancy between the loan application and credit report can and should be fully resolved in the same manner as any other such discrepancy would be handled. When a pay stub or leave-and-earnings statement indicates an allotment, the lender must investigate the nature of the allotment(s) to determine whether the allotment is related to a debt. Debts assigned to an ex-spouse by a divorce decree will not generally be charged against a veteran-borrower.

(11) Job-related expenses. Known job-related expenses should be documented. This will include costs for any dependent care, significant commuting costs, etc. When a family’s circumstances are such that dependent care arrangements would probably be necessary, it is important to determine the cost of such services in order to arrive at an accurate total of deductions.

(12) Credit reports. Credit reports obtained by lenders on VA-guaranteed loan applications must be either a three-file Merged Credit Report (MCR) or a Residential Mortgage Credit Report (RMCR). If used, the RMCR must meet the standards formulated jointly by the Department of Veterans Affairs, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Housing Administration, Farmers Home Administration, credit repositories, repository affiliated consumer reporting agencies and independent consumer reporting agencies. All credit reports obtained by the lender must be submitted to VA.

(h) Borrower’s personal and financial status. The number and ages of dependents have an important bearing on whether income after deduction of fixed charges is sufficient to support the family. Type and duration of employment of both the borrower and spouse are important as an indication of stability of their employment. The amount of liquid assets owned by the borrower or spouse, or both, is an important factor in determining that they have sufficient funds to close the loan, as well as being significant in analyzing the overall qualifications for the loan. It is imperative that adequate cash assets from the veteran’s own resources are verified to allow the
payment (see §36.4839(a)(3)) of any difference between the sales price of the property and the loan amount, in addition to that necessary to cover closing costs, if the sales price exceeds the reasonable value established by VA.) Verifications must be no more than 120 days old (180 days for new construction) to be considered valid. For loans closed on the automatic basis, this requirement will be considered satisfied if the date of the deposit verification is within 120 days of the date the application is received by VA. Current monthly rental or other housing expense is an important consideration when compared to that to be undertaken in connection with the contemplated housing purchase.

(i) Estimated monthly shelter expenses. It is important that monthly expenses such as taxes, insurance, assessments and maintenance and utilities be estimated accurately based on property location and type of house; e.g., old or new, large or small, rather than using or applying a "rule of thumb" to all properties alike. Maintenance and utility amounts for various types of property should be realistically estimated. Local utility companies should be consulted for current rates. The age and type of construction of a house may well affect these expenses. In the case of condominiums or houses in a planned unit development (PUD), the monthly amount of the maintenance assessment payable to a homeowners association should be added. If the amount currently assessed is less than the maximum provided in the covenants or master deed, and it appears likely that the amount will be insufficient for operation of the condominium or PUD, the amount used will be the maximum the veteran could be charged. If it is expected that real estate taxes will be raised, or if any special assessments are expected, the increased or additional amounts should be used. In special flood hazard areas, include the premium for any required flood insurance.

(j) Lender responsibility. (1) Lenders are fully responsible for developing all credit information; i.e., for obtaining verifications of employment and deposit, credit reports, and for the accuracy of the information contained in the loan application.

(2) Verifications of employment and deposits, and requests for credit reports and/or credit information must be initiated and received by the lender.

(3) In cases where the real estate broker/agent or any other party requests any of this information, the report(s) must be returned directly to the lender. This fact must be disclosed by appropriately completing the required certification on the loan application or report and the parties must be identified as agents of the lender.

(4) Where the lender relies on other parties to secure any of the credit or employment information or otherwise accepts such information obtained by any other party, such parties shall be construed for purposes of the submission of the loan documents to VA to be authorized agents of the lender, regardless of the actual relationship between such parties and the lender, even if disclosure is not provided to VA under paragraph (j)(3) of this section. Any negligent or willful misrepresentation by such parties shall be imputed to the lender as if the lender had processed those documents and the lender shall remain responsible for the quality and accuracy of the information provided to VA.

(5) All credit reports secured by the lender or other parties as identified in paragraphs (j)(3) and (4) of this section shall be provided to VA. If updated credit reports reflect materially different information than that in other reports, such discrepancies must be explained by the lender and the ultimate decision as to the effects of the discrepancy upon the loan application fully addressed by the underwriter.

(k) Lender certification. Lenders originating loans are responsible for determining and certifying to VA on the appropriate application or closing form that the loan meets all statutory and regulatory requirements. Lenders will affirmatively certify that loans were made in full compliance with the law.

and loan guaranty regulations as prescribed in this section.

(1) Definitions. The definitions contained in part 42 of this chapter and the following definitions are applicable in this section.

(i) Another appropriate amount. In determining the appropriate amount of a lender’s civil penalty in cases where the Secretary has not sustained a loss or where two times the amount of the Secretary’s loss on the loan involved does not exceed $10,000, the Secretary shall consider:

(A) The materiality and importance of the false certification to the determination to issue the guaranty or to approve the assumption;

(B) The frequency and past pattern of such false certifications by the lender; and

(C) Any exculpatory or mitigating circumstances.

(ii) Complaint. Complaint includes the assessment of liability served pursuant to this section.

(iii) Defendant. Defendant means a lender named in the complaint.

(iv) Lender. Lender includes the holder approving loan assumptions pursuant to 38 U.S.C. 3714.

(2) Procedures for certification. (1) As a condition to VA issuance of a loan guaranty on all loans closed on or after October 27, 1994, and as a prerequisite to an effective loan assumption on all loans assumed pursuant to 38 U.S.C. 3714 on or after November 17, 1997, the following certification shall accompany each loan closing or assumption package:

The undersigned lender certifies that the (loan) (assumption) application, all verifications of employment, deposit, and other income and credit verification documents have been processed in compliance with 38 CFR part 36; that all credit reports obtained or generated in connection with the processing of this borrower’s (loan) (assumption) application have been provided to VA; that, to the best of the undersigned lender’s knowledge and belief the (loan) (assumption) meets the underwriting standards recited in chapter 37 of title 38 United States Code and 38 CFR part 36; and that all information provided in support of this (loan) (assumption) is true, complete and accurate to the best of the undersigned lender’s knowledge and belief.

(ii) The certification shall be executed by an officer of the lender authorized to execute documents and act on behalf of the lender.

(3) Penalty. Any lender who knowingly and willfully makes a false certification required pursuant to § 36.4340(k)(2) shall be liable to the United States Government for a civil penalty equal to two times the amount of the Secretary’s loss on the loan involved or to another appropriate amount, not to exceed $10,000, whichever is greater.

(1) Assessment of liability. (1) Upon an assessment confirmed by the Under Secretary for Benefits, in consultation with the Investigating Official, that a certification, as required in this section, is false, a report of findings of the Under Secretary for Benefits shall be submitted to the Reviewing Official setting forth:

(i) The evidence that supports the allegations of a false certification and of liability;

(ii) A description of the claims or statements upon which the allegations of liability are based;

(iii) The amount of the VA demand to be made; and

(iv) Any exculpatory or mitigating circumstances that may relate to the certification.

(2) The Reviewing Official shall review all of the information provided and will either inform the Under Secretary for Benefits and the Investigating Official that there is not adequate evidence, that the lender is liable, or serve a complaint on the lender stating:

(i) The allegations of a false certification and of liability;

(ii) The amount being assessed by the Secretary and the basis for the amount assessed;

(iii) Instructions on how to satisfy the assessment and how to file an answer to request a hearing, including a specific statement of the lender’s right to request a hearing by filing an answer and to be represented by counsel; and

(iv) That failure to file an answer within 30 days of the complaint will result in the imposition of the assessment without right to appeal the assessment to the Secretary.
(m) Hearing procedures. A lender hearing on an assessment established pursuant to this section shall be governed by the procedures recited at 38 CFR 42.8 through 42.47.

(n) Additional remedies. Any assessment under this section may be in addition to other remedies available to VA, such as debarment and suspension pursuant to 38 U.S.C. 3704 and 2 CFR parts 180 and 801 or loss of automatic processing authority pursuant to 38 U.S.C. 3702, or other actions by the Government under any other law including but not limited to title 18 U.S.C. and 31 U.S.C. 3732.

§ 36.4341 Death or insolvency of holder.

(a) Immediately upon the death of the holder and without the necessity of request or other action by the debtor or the Secretary, all sums then standing as a credit balance in a trust, or deposit, or other account to cover taxes, insurance accruals, or other items in connection with the loan secured by the encumbered property, whether stated to be such or otherwise designated, and which have not been credited on the note shall, nevertheless, be treated as a setoff and shall be deemed to have been credited thereon as of the date of the last debit to such account, so that the unpaid balance of the note as of that date will be reduced by the amount of such credit balance: Provided, that any unpaid taxes, insurance premiums, ground rents, or advances may be paid by the holder of the indebtedness, at the holder’s option, and the amount which otherwise would have been deemed to have been credited on the note reduced accordingly. This paragraph shall be applicable whether the estate of the deceased holder is solvent or insolvent.

(b) The provisions of paragraph (a) of this section shall also be applicable in the event of:

(1) Insolvency of holder;

(2) Initiation of any bankruptcy or reorganization, or liquidation proceedings as to the holder, whether voluntary or involuntary;

(3) Appointment of a general or ancillary receiver for the holder’s property; or in any case; or

(4) Upon the written request of the debtor if all secured and due insurance premiums, taxes, and ground rents have been paid, and appropriate provisions made for future accruals.

(c) Upon the occurrence of any of the events enumerated in paragraph (a) or (b) of this section, interest on the note and on the credit balance of the deposits mentioned in paragraph (a) shall be set off against each other at the rate payable on the principal of the note, as of the date of last debit to the deposit account. Any excess credit of interest shall be treated as a set-off against the unpaid advances, if any, and the unpaid balance of the note.

(d) The provisions of paragraphs (a), (b) and (c) of this section shall apply also to corporations. The dissolution thereof by expiration of charter, by forfeiture, or otherwise shall be treated as is the death of an individual as provided in paragraph (a) of this section.

(b)(1) Designated positions are as follows:

(iii) Director, Medical and Regional Office Center.

(d) Each Regional Office, Regional Office and Insurance Center, and Medical and Regional Office Center shall maintain and keep current a cumulative list of all employees of that Office or Center who, since May 1, 1980, have occupied the positions of Director, Loan Guaranty Officer, and Assistant Loan Guaranty Officer. This list will include each employee’s name, title, date the employee assumed the position, and the termination date, if applicable, of the employee’s tenure in such position. The list shall be available for public inspection and copying at the Regional Office, or Center, during normal business hours.
(e)(1) Authority is hereby delegated to the officers, designated in paragraph (e)(2) of this section, of the entity performing loan servicing functions under a contract with the Secretary to execute on behalf of the Secretary all documents necessary for the servicing and termination of a loan made or acquired by the Secretary pursuant to 38 U.S.C. chapter 37 (other than under subchapter vi of that chapter). Documents executed under this paragraph include but are not limited to: Loan modification agreements, notices of default and other documents necessary for loan foreclosure or termination, notices of appointment or substitution of trustees under mortgages or deeds of trust, releases or satisfactions of mortgages or deeds of trust, acceptance of deeds-in-lieu of foreclosure, loan assumption agreements, loan assignments, deeds tendered upon satisfaction or conversion of an installment land sales contract, and documents related to filing, pursuing and settling claims with insurance companies relating to hazard coverage on properties securing loans being serviced.

(2) The designated officers are:
(i) Vice President;
(ii) Assistant Vice President; and
(iii) Assistant Secretary.

(3) The Director, Loan Guaranty Service, Washington, DC, shall maintain a log listing all persons authorized to execute documents pursuant to paragraph (e) of this section and the dates such persons held such authority, together with certified copies of resolutions of the board of directors of the entity authorizing such individuals to perform the functions specified in paragraph (e)(1) of this section. These records shall be available for public inspection and copying at the Office of the Director of VA Loan Guaranty Service, Washington, DC 20420.

§ 36.4346 Cooperative loans.

(a) To be eligible for guaranty or insurance, any loan of the following types shall require prior approval of the Under Secretary for Benefits, or the Director, Loan Guaranty Service, who may issue such approval upon such conditions and limitations deemed appropriate, not inconsistent with the provisions of 38 U.S.C. chapter 37 and this subpart:

(1) Any loan which is related to an enterprise in which more than 10 individuals will participate; or

(2) Any loan to be made for the purchase or construction of residential units in any housing development, cooperative or otherwise, the title to which development or to the individual units therein is not to be held directly by the veteran-participants, or which contemplates the ownership or maintenance of more than three units or of their major appurtenances in common.
(b) The issuance of such approval with respect to a residential development under paragraph (a)(2) of this section also shall be subject to such conditions and stipulation as in the judgment of the approving officer are possible and proper to:

1. Afford reasonable and feasible protection to the rights of the Government as guarantor or insurer, and as subrogee, and to each veteran-participant against loss of his or her respective equity consequent upon the failure of other participants to discharge their obligations;

2. Provide for a reasonable and workable plan for the operation and management of the project;

3. Limit the personal liability of each veteran-participant to those sums allocable on a proper ratable basis to the purchase, cost, and maintenance of his or her individual unit or participating interest; and

4. Limit commercial features to those reasonably calculated to promote the economic soundness of the project and the living convenience of the participants, retaining the essential character of a residential project.

(c) No such project, development, or enterprise may be approved which involves an initial grouping of more than 500 veterans, or a cost of more than five million dollars, unless it is conclusively shown to the satisfaction of the approving officer that a greater number of veterans or dollar amount will assure substantial advantages to the veteran-participants which could not be achieved in a smaller project.

(d) When approved as in this section provided, and upon performance of the conditions indicated in the prior approval, proper guaranty certificate or certificates may be issued in connection with the loan or loans to be guaranteed on behalf of eligible veterans participating in the project, development or enterprise not to exceed in total amount the sum of the guarantees applied for by the individual participants and for which guaranty each participant is then eligible.

(e) In lieu of guaranty as authorized in paragraph (d) of this section, insurance shall be available on application by the lender and all veterans concerned. In such case the insurance credit shall be limited to 15 percent of the obligation of the veteran applicant (subject to available eligibility) and the total insurance credit in respect to the veterans’ loans involved in the project shall not exceed 15 percent of the aggregate of the principal sums of the individual indebtedness incurred by the veterans participating in the project for the purpose of acquiring their respective interests therein.

§ 36.4347 Lender Appraisal Processing Program.

(a) Delegation of authority to lenders to review appraisals and determine reasonable value. (1) To be eligible for delegation of authority to review VA appraisals and determine the reasonable value of properties to be purchased with VA guaranteed loans, a lender must—

(i) Have automatic processing authority under 38 U.S.C. 3702(d), and

(ii) Employ one or more staff appraisal reviewers acceptable to the Secretary.

(2) To qualify as a lender’s staff appraisal reviewer an applicant must be a full-time member of the lender’s permanent staff and may not be employed by, or perform services for, any other mortgagee. The individual must not engage in any private pursuits in which there will be, or appear to be, any conflict of interest between those pursuits and his/her duties, responsibilities, and performance as a Lender Appraisal Processing Program (LAPP) staff appraisal reviewer. Three years of experience is necessary to qualify as a lender’s staff appraisal reviewer. That experience must demonstrate a knowledge of, and the ability to apply industry-accepted principles, methods, practices and techniques of appraising, and the ability to competently determine the value of property within a prescribed geographical area. The individual must demonstrate the ability to review the work of others and to recognize deviations from accepted appraisal principles, practices, and techniques; errors in computations, and unjustifiable and unsupportable conclusions.

(3) Lenders that meet the requirements of 38 U.S.C. 3702(d), and have a staff appraisal reviewer determined acceptable by VA, will be authorized to
Department of Veterans Affairs § 36.4347

review appraisals and make reasonable value determinations on properties that will be security for VA guaranteed loans. The lender’s authorization will be subject to a one-year probationary period. Additionally, lenders must satisfy initial and subsequent VA office case review requirements prior to being allowed to determine reasonable value without VA involvement. The initial office case review requirement must be satisfied in the VA regional office in whose jurisdiction the lender’s staff appraisal reviewer is located before the LAPP authority may be utilized by that lender in any other VA office’s jurisdiction. To satisfy the initial office case review requirement, the first five cases of each lender staff appraisal reviewer involving properties in the regional office location where the staff appraisal reviewer is located will be processed by him or her up to the point where he or she has made a reasonable value determination and fully drafted, but not issued, the lender’s notification of reasonable value letter to the veteran. At that point, and prior to loan closing, each of the five cases will be submitted to the local VA office. After a staff review of each case, VA will issue a Certificate of Reasonable Value, which the lender may use in closing the loan automatically if it meets all other requirements of the VA. If these five cases are found to be acceptable by VA, the lender’s staff appraisal reviewer will be allowed to fully process subsequent appraisals for properties located in that VA office’s jurisdiction without prior submission to VA and issuance by VA of a Certificate of Reasonable Value. Lenders must also satisfy a subsequent VA office case review requirement in each additional VA office location in which they desire to extend and utilize this authority. Under this requirement, the lender must have first satisfied the initial office case review requirement and then must submit to the additional VA office(s) the first case each staff appraisal reviewer processes in the jurisdiction of that office. As provided under the initial office case review requirement, VA office personnel will issue a Certificate of Reasonable Value for this case and subsequently determine the acceptability of the lender’s staff appraisal reviewer’s processing. If VA finds this first case to be acceptable, the lender’s staff appraisal reviewer will be allowed to fully process subsequent cases in that additional VA office’s jurisdiction without prior submission to VA. The initial and subsequent office case review requirements may be expanded by VA if acceptable performance has not been demonstrated. After satisfaction of the initial and subsequent office case review requirements, routine reviews of LAPP cases will be made by VA staff based upon quality control procedures established by the Under Secretary for Benefits. Such review will be made on a random sampling or performance related basis. During the probationary period a high percentage of reviews will be made by VA staff.

(4) The following certification by the lender’s nominated staff appraisal reviewer must be provided with the lender’s application for delegation of LAPP authority:

I hereby acknowledge and represent that by signing the Uniform Residential Appraisal Report (URAR), FHLMC (Federal Home Loan Mortgage Corporation) Form 70/FNMA (Federal National Mortgage Association) Form 1004, I am certifying, in all cases, that I have personally reviewed the appraisal report. In doing so I have considered and utilized recognized professional appraisal techniques, have found the appraisal report to have been prepared in compliance with applicable VA requirements, and concur with the recommendations of the fee appraiser, who was assigned by VA to the case. Furthermore, in those cases where clarifications or corrections have been requested from the VA fee appraiser there has been no pressure or influence exerted on that appraiser to remove or change information that might be considered detrimental to the subject property, or VA’s interests, or to reach a predetermined value for that property. Signature of Staff Appraisal Reviewer.

(5) Other certifications required from the lender will be specified with particularity in the separate instructions issued by the Secretary, as noted in §36.4847(b).

(b) Instructions for LAPP Procedures. The Secretary will publish separate instructions for processing appraisals under the Lenders Appraisal Processing Program. Compliance with these regulations and the separate instructions issued by the Secretary is deemed
by VA to be the minimum exercise of due diligence in processing LAPP cases. Due diligence is considered by VA to represent that care, as is to be properly expected from, and ordinarily exercised by, reasonable and prudent lenders who would be dependent on the property as security to protect its investment.

(c) VA minimum property requirements. Lenders are responsible for determining that the property meets VA minimum property requirements. The separate instructions issued by the Secretary will set forth the lender’s ability to adjust, remove, or alter the fee appraiser’s or fee compliance inspector’s recommendations concerning VA minimum property requirements. Condominiums, planned-unit developments and leasehold estates must have been determined acceptable by VA. A condominium or planned-unit development which is acceptable to the Department of Housing and Urban Development or the Department of Agriculture may also be acceptable to VA.

(d) Adjustment of value recommendations. The amount of authority to upwardly adjust the fee appraiser’s estimated market value during the lender staff appraisal reviewer’s initial review of the appraisal report or to subsequently process an appeal of the lender’s established reasonable value will be specified in the separate instructions issued by VA as noted in §36.4847(b). The amount specified must not in any way be considered an administrative adjustment figure which may be applied indiscriminately and without valid basis or justification with the sole purpose of reaching an amount necessary to complete the sale or mortgage transaction.

(1) Adjustment during initial review. Any adjustment during the staff appraisal reviewer’s initial review of the appraisal report must be fully and clearly justified in writing on the appraisal report form or, if necessary, on an addendum. The basis for the adjustment must be adequate and reasonable by professional appraisal standards. If real estate market or other valid data was utilized in arriving at the decision to make the adjustment, such data must be attached to the appraisal report. All adjustments, comments, corrections, justifications, etc., to the appraisal report must be made in a contrasting color, be clearly legible, and signed and dated by the staff appraisal reviewer.

(2) Processing appeals. The authority provided under 38 U.S.C. 3731(d) which permits a lender to obtain a VA fee panel appraiser’s report which VA is obligated to consider in an appeal of the established reasonable value shall not apply to cases processed under the authority provided by this section. All appeals of VA fee appraisers’ estimated market values or lenders’ reasonable value determinations above the amount specified in the separate instructions issued by VA must be submitted, along with the lender’s recommendations, if any, to VA for processing and final determination. Unless otherwise authorized in the separate instructions lenders must also submit appeals, regardless of the amount, to VA in all cases where the staff appraisal reviewer has made an adjustment during their initial review of the appraisal report to the fee appraiser’s market value estimate. The fee appraiser’s estimated market value or lender’s reasonable value determination may be increased only when such increase is clearly warranted and fully supported by real estate market or other valid data considered adequate and reasonable by professional appraisal standards and the lender’s staff appraisal reviewer clearly and fully justifies the reasoning and basis for the increase in writing on the appraisal report form or an addendum. The staff appraisal reviewer must date and sign the written justification and must cite within it the data used in arriving at the decision to make the increase. All such data shall be attached to the appraisal report form and any addendum.

(e) Notification. It will be the responsibility of the lender to notify the veteran borrower in writing of the determination of reasonable value and related conditions specific to the property and to provide the veteran with a copy of the appraisal report. Any delay in processing the notification of value must be documented. Any delay of more than five work days between the date of the lender’s receipt of the fee
appraiser’s report and date of the notification of value to the veteran, without reasonable and documented extenuating circumstances, will not be acceptable. A copy of the lender notification letter to the veteran and the appraisal report must be forwarded to the VA office of jurisdiction at the same time the veteran is notified. In addition, the original appraisal report, related appraisal documentation, and a copy of the reasonable value determination notification to the veteran must be submitted to the VA with the request for loan guaranty.

(f) Indemnification. When the Secretary has incurred a loss as a result of a payment of claim under guaranty and in which the Secretary determines an increase made by the lender under §36.4847(d) was unwarranted, or arbitrary and capricious, the lender shall indemnify the Secretary to the extent the Secretary determines such loss was caused, or increased, by the increase in value.

(g) Affiliations. A lender affiliated with a real estate firm builder, land developer or escrow agent as a subsidiary division, investment or any other entity in which it has a financial interest or which it owns may not use this authority for any cases involving the affiliate unless the lender demonstrates to the Secretary’s satisfaction that the lender and its affiliate(s) are essentially separate entities that operate independently of each other, free of all cross-influences (e.g., a formal corporate agreement exists which specifically sets forth this fact).

(h) Quality control plans. The lender must have an effective self-policing or quality control system to ensure the adequacy and quality of their LAPP staff appraisal reviewer’s processing and, that its activities do not deviate from high standards of integrity. The quality control system must include frequent, periodic audits that specifically address the appraisal review activity. These audits may be performed by an independent party, or by the lender’s independent internal audit division which reports directly to the firm’s chief executive officer. The lender must agree to furnish findings and information under this system to VA on demand. While the quality control personnel need not be appraisers, they should have basic familiarity with appraisal theory and techniques and the ability to prescribe appropriate corrective action(s) in the appraisal review process when discrepancies or problems are identified. The basic elements of the system will be described in separate instructions issued by the Secretary. Copies of the lender’s quality control plan or self-policing system evidencing appraisal related matters must be provided to the VA office of jurisdiction with the lender’s application for LAPP authority.

(i) Fees. The Secretary may require mortgagees to pay an application fee and/or annual fees, including additional fees for each branch office authorized to process cases under the authority delegated under this section, in such amounts and at such times as the Secretary may require.

(j) Withdrawal of lender authority. The authority for a lender to determine reasonable value may be withdrawn by the Loan Guaranty Officer when proper cause exists. A lender’s authority to make reasonable value determinations shall be withdrawn when the lender no longer meets the basic requirements for delegating the authority, or when it can be shown that the lender’s reasonable value determinations have not been made in accordance with VA regulations, requirements, guidelines, instructions or applicable laws, or when there is adequate evidence to support reasonable belief by VA that a particular unacceptable act, practice, or performance by the lender or the lender’s staff has occurred. Such acts, practices or performance include, but are not limited to: Demonstrated technical incompetence (i.e., conduct which demonstrates an insufficient knowledge of industry accepted appraisal principles, techniques and practices; or the lack of technical competence to review appraisal reports and make value determinations in accordance with those requirements); substantive or repetitive errors (i.e., any error(s) of a nature that would materially or significantly affect the determination of reasonable value or condition of the property; or a number or series of errors that, considered individually, may not significantly impact the determination of
reasonable value or property condition, but which when considered in the aggregate would establish that appraisal reviews or LAPP case processing are being performed in a careless or negligent manner, or continued instances of disregard for VA requirements after they have been called to the lender's attention.

(1) Withdrawal of authority by the Loan Guaranty Officer may be either for an indefinite or a specified period of time. For any withdrawal longer than 90 days, a reapplication for lender authority to process appraisals under these regulations will be required. Written notice will be provided at least 30 days in advance of withdrawal unless the Government’s interests are exposed to immediate risk from the lender’s activities in which case the withdrawal will be effected immediately. The notice will clearly and specifically set forth the basis and grounds for the action. There is no right to a formal hearing to contest the withdrawal of LAPP processing privileges. However, if within 15 days after receiving notice the lender requests an opportunity to contest the withdrawal, the lender may submit, in person, in writing, or through a representative, information and argument to the Loan Guaranty Officer in opposition to the withdrawal. The Loan Guaranty Officer will make a recommendation to the Regional Office Director who shall make the determination as to whether the action should be sustained, modified or rescinded. The lender will be informed in writing of the decision.

(2) The lender has the right to appeal the Regional Office Director's decision to the Under Secretary for Benefits. In the event of such an appeal, the Under Secretary for Benefits will review all relevant material concerning the matter and make a determination that shall constitute final agency action. If the lender's submission of opposition raises a genuine dispute over facts material to the withdrawal of LAPP authority, the lender will be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses and confront any witness the Veterans Benefits Administration presents. The Under Secretary for Benefits will appoint a hearing officer or panel to conduct the hearing. When such additional proceedings are necessary, the Under Secretary for Benefits shall base the determination on the facts as found, together with any information and argument submitted by the lender.

(3) In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the Under Secretary for Benefits shall make a decision on the basis of all the information in the administrative record, including any submission made by the lender.

(4) Withdrawal of the LAPP authority will require that VA make subsequent determinations of reasonable value for the lender. Consequently, VA staff will review each appraisal report and issue a Certificate of Reasonable Value which can then be used by the lender to close loans on either the prior VA approval or automatic basis.

(5) Withdrawal by VA of the lender’s LAPP authority does not prevent VA from also withdrawing automatic processing authority or taking debarment or suspension action based upon the same conduct by the lender.

§ 36.4348 Servicer Appraisal Processing Program.

(a) Delegation of authority to servicers to review liquidation appraisals and determine reasonable value. Based on the reasonable value, the servicer will be able to determine net value.

(1) To be eligible for delegation of authority to review VA liquidation appraisals and determine the reasonable value for liquidation purposes on properties secured by VA guaranteed or insured loans, a lender must:

(i) Have automatic processing authority under 38 U.S.C. 3702(d), and

(ii) Employ one or more Staff Appraisal Reviewers (SAR) acceptable to the Secretary.

(2) To qualify as a servicer’s staff appraisal reviewer an applicant must be a full-time member of the servicer’s permanent staff and may not be employed by, or perform services for, any other...
mortgagee. The individual must not engage in any private pursuits in which there will be, or appear to be, any conflict of interest between those pursuits and his/her duties, responsibilities, and performance as a Servicer Appraisal Processing Program (SAPP) staff appraisal reviewer. Three years of appraisal related experience is necessary to qualify as a servicer’s staff appraisal reviewer. That experience must demonstrate knowledge of, and the ability to apply industry-accepted principles, methods, practices and techniques of appraising, and the ability to competently determine the value of property. The individual must demonstrate the ability to review the work of others and to recognize deviations from accepted appraisal principle, practices, and techniques, error in computations, and unjustifiable and unsupportable conclusions.

(3) Servicers that have a staff appraisal reviewer determined acceptable to VA, will be authorized to review liquidation appraisals and make reasonable value determinations for liquidation purposes on properties that are the security for VA guaranteed or insured loans. Additionally, servicers must satisfy initial VA office case review requirements prior to being allowed to determine reasonable value without VA involvement. The initial office case review requirement must be satisfied in the VA regional loan center in whose jurisdiction the servicer’s staff appraisal reviewer is located before the SAPP authority may be utilized by that servicer in any other VA office’s jurisdiction. To satisfy the initial office case review requirement, the first five cases of each servicer staff appraisal reviewer involving properties in the regional office location where the staff appraisal reviewer is located will be processed by him or her up to the point where he or she has made a reasonable value determination and fully drafted, but not issued, the servicer’s notice of value. At that point, and prior to loan termination, each of the five cases will be submitted to the VA regional loan center having jurisdiction over the property. After a staff review of each case, VA will issue a notice of value which the servicer may use to compute the net value of the property for liquidation purposes. If these five cases are found to be acceptable by VA, the servicer’s staff appraisal reviewer will be allowed to fully process subsequent appraisals for properties regardless of jurisdictional location without prior submission to VA and issuance by VA of a notice of value. Where the servicer’s reviewer cannot readily meet the jurisdictional review requirement, the SAR applicant may request that VA expand the geographic area of consideration. VA will accommodate such requests if practicable. The initial office case review requirement may be expanded by VA if acceptable performance has not been demonstrated. After satisfaction of the initial office case review requirement, routine reviews of SAPP cases will be made by VA staff based upon quality control procedures established by the Undersecretary for Benefits. Such review will be made on a random sampling or performance related basis.

(4) Certifications required from the servicer will be specified with particularity in the separate instructions issued by the Secretary, as noted in §36.4848(b).

(b) Instructions for SAPP Procedures.
The Secretary will publish separate Instructions for processing appraisals under the Servicer Appraisal Processing Program. Compliance with these regulations and the separate instructions issued by the Secretary is deemed by VA to be the minimum exercise of due diligence in processing SAPP cases. Due diligence is considered by VA to represent that care, as is to be properly expected from, and ordinarily exercised by, a reasonable and prudent servicer who would be dependent on the property as security to protect its investment.

(c) Adjustment of value recommendations. The amount of authority to upwardly adjust the fee appraiser’s estimated market value during the servicer staff appraisal reviewer’s initial review of the appraisal report or to subsequently process an appeal of the servicer’s established reasonable value will be specified in the separate instructions issued by VA as noted in §36.4848(b). The amount specified must not in any way be considered an administrative adjustment figure which may
be applied indiscriminately and without valid basis or justification.

(1) **Adjustment during initial review.** Any adjustment during the staff appraisal reviewer's initial review of the appraisal report must be fully and clearly justified in writing on the appraisal report form or, if necessary, on an addendum. The basis for the adjustment must be adequate and reasonable by professional appraisal standards. If real estate market or other valid data was utilized in arriving at the decision to make the adjustment, such data must be attached to the appraisal report. All adjustments, comments, corrections, justifications, etc., to the appraisal report must be made in a contrasting color, be clearly legible, and signed and dated by the staff appraisal reviewer.

(2) **Processing appeals.** The authority provided under 38 U.S.C. 3731(d) which permits a lender to obtain a VA fee panel appraiser's report which VA is obligated to consider in an appeal of the established reasonable value shall not apply to cases processed under the authority provided by this section. All appeals of VA fee appraiser's estimated market values or servicer's reasonable value determinations above the amount specified in the separate instructions issued by VA must be submitted, along with the servicer's recommendations, if any, to VA for processing and final determination. Unless otherwise authorized in the separate instructions servicers must also submit appeals, regardless of the amount, to VA in all cases where the staff appraisal reviewer has made an adjustment during their initial review of the appraisal report to the fee appraiser's market value estimate. The fee appraiser's estimated market value or servicer's reasonable value determination may be increased only when such increase is clearly warranted and fully supported by real estate market or other valid data considered adequate and reasonable by professional appraisal standards and the servicer's staff appraisal reviewer clearly and fully justifies the reasoning and basis for the increase in writing on the appraisal report form or an addendum. The staff appraisal reviewer must date and sign the written justification and must cite within it the data used in arriving at the decision to make the increase. All such data shall be attached to the appraisal report form and any addendum.

(d) **Indemnification.** When the Secretary has incurred a loss as a result of a payment of claim under guaranty and in which the Secretary determines an increase made by the servicer under §36.4348(c) was unwarranted, or arbitrary and capricious, the lender shall indemnify the Secretary to the extent the Secretary determines such loss was caused or increased, by the increase in value.

(e) **Affiliations.** A servicer affiliated with a real estate firm, builder, land developer or escrow agent as a subsidiary division, or in any other entity in which it has a financial interest or which it owns may not use the authority for any cases involving the affiliate unless the servicer demonstrates to the Secretary's satisfaction that the servicer and its affiliate(s) are essentially separate entities that operate independently of each other, free of all cross-influences (e.g., a formal corporate agreement exists which specifically sets forth this fact).

(f) **Quality control plans.** The servicer must have an effective self-policing or quality control system to ensure the adequacy and quality of their SAPP staff appraisal reviewer's processing and, that its activities do not deviate from high standards of integrity. The quality control system must include frequent, periodic audits that specifically address the appraisal review activity. These audits may be performed by an independent party, or by the servicer's independent internal audit division which reports directly to the firm's chief executive officer. The servicer must agree to furnish findings and information under this system to VA on demand. While the quality control personnel need not be appraisers, they should have basic familiarity with appraisal theory and techniques and the ability to prescribe appropriate corrective action(s) in the appraisal review process when discrepancies or problems are identified. The basic elements of the system will be described in separate instructions issued by the
Secretary. Copies of the lender’s quality control plan or self-policing system evidencing appraisal related matters must be provided to the VA office of jurisdiction with the servicer’s application of SAPP authority.

(g) Fees. The Secretary will require servicers to pay a $100.00 application fee for each SAR the servicer nominates for approval. The application fee will also apply if the SAR begins work for another servicer.

(h) Withdrawal of servicer authority. The authority for a servicer to determine reasonable value may be withdrawn by the Loan Guaranty Officer when proper cause exists. A servicer’s authority to make reasonable value determinations shall be withdrawn when the servicer no longer meets the basic requirements for delegating the authority, or when it can be shown that the servicer’s reasonable value determinations have not been made in accordance with VA regulations, requirements, guidelines, instructions or applicable laws, or when there is adequate evidence to support reasonable belief by VA that a particular unacceptable act, practice, or performance by the servicer or the servicer’s staff has occurred. Such acts, practices, or performance include, but are not limited to: Demonstrated technical incompetence (i.e., conduct which demonstrates an insufficient knowledge of industry accepted appraisal principles, techniques and practices; or the lack of technical competence to review appraisal reports and make value determinations in accordance with those requirements); substantive or repetitive errors (i.e., any error(s) of a nature that would materially or significantly affect the determination of reasonable value or property condition, or a number or series of errors that, considered individually, may not significantly impact the determination of reasonable value or property condition, but which when considered in the aggregate would establish that appraisal reviews or SAPP case processing are being performed in a careless or negligent manner), or continued instances of disregard for VA requirements after they have been called to the servicer’s attention.

(1) Withdrawal of authority by the Loan Guaranty Officer may be either for an indefinite or a specified period of time. For any withdrawal longer than 90 days a reapplication for servicer authority to process appraisals under these regulations will be required. Written notice will be provided at least 30 days in advance of withdrawal unless the Government’s interests are exposed to immediate risk from the servicer’s activities in which case the withdrawal will be effected immediately. The notice will clearly and specifically set forth the basis and grounds for the action. There is no right to a formal hearing to contest the withdrawal of SAPP processing privileges. However, if within 15 days after receiving notice the servicer requests an opportunity to contest the withdrawal, the servicer may submit, in person, in writing, or through a representative, information and argument to the Loan Guaranty Officer in opposition to the withdrawal. The Loan Guaranty Officer will make a recommendation to the Regional Loan Center Director who shall make the determination as to whether the action should be sustained, modified or rescinded. The servicer will be informed in writing of the decision.

(2) The servicer has the right to appeal the Regional Loan Center Director’s decision to the Undersecretary for Benefits. In the event of such an appeal, the Undersecretary for Benefits will review all relevant material concerning the matter and make a determination that shall constitute final agency action. If the servicer’s submission of opposition raises a genuine dispute over facts material to the withdrawal of SAPP authority, the servicer will be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses and confront any witness the Veterans Benefits Administration presents. The Undersecretary for Benefits will appoint a hearing officer or panel to conduct the hearing. When such additional proceedings are necessary, the Undersecretary for Benefits shall base the determination on the facts as found, together with any information and argument submitted by the servicer.

(3) In actions based upon a conviction or civil judgment, or in which there is
§ 36.4349 Waivers, consents, and approvals; when effective.

No waiver, consent, or approval required or authorized by the regulations concerning guaranty or insurance of loans to veterans shall be valid unless in writing signed by the Secretary or the subordinate officer to whom authority has been delegated by the Secretary.

(The Office of Management and Budget has approved the information collection requirements in this section under control numbers 2900–0045 and 2900–0513)

§ 36.4350 Servicing procedures for holders.

(a) Establishment of loan servicing program. The holder of a loan guaranteed or insured by the Secretary shall develop and maintain a loan servicing program which follows accepted industry standards for servicing of similar type conventional loans. The loan servicing program established pursuant to this section may employ different servicing approaches to fit individual borrower circumstances and avoid establishing a fixed routine. However, it must incorporate each of the provisions specified in paragraphs (b) through (l) of this section.

(b) Procedures for providing information. (1) Loan holders shall establish procedures to provide loan information to borrowers, arrange for individual loan consultations upon request and maintain controls to assure prompt responses to inquiries. One or more of the following means of making information readily available to borrowers is required.

(i) An office staffed with trained servicing personnel with access to loan account information located within 200 miles of the property.

(ii) Toll-free telephone service or acceptance of collect telephone calls at an office capable of providing needed information.

(2) All borrowers must be informed of the system available for obtaining answers to loan inquiries, the office from which the needed information may be obtained, and reminded of the system at least annually.

(c) Statement for income tax purposes. Before February 1st of each calendar year, the holder shall furnish to the borrower a statement of the interest paid and, if applicable, a statement of the taxes disbursed from the escrow account during the preceding year. At the borrower’s request, the holder shall furnish a statement of the escrow account sufficient to enable the borrower to reconcile the account.

(d) Change of servicing. Whenever servicing of a loan guaranteed or insured by the Secretary is transferred from one holder to another, notice of such transfer by both the transferor and transferee, the form and content of such notice, the timing of such notice, the treatment of payments during the period of such transfer, and damages and costs for failure to comply with these requirements shall be governed by the pertinent provisions of the Real Estate Settlement Procedures Act as administered by the Department of Housing and Urban Development.

(e) Escrow accounts. A holder of a loan guaranteed or insured by the Secretary may collect periodic deposits from the borrower for taxes and/or insurance on the security and maintain a tax and insurance escrow account provided such a requirement is authorized under the terms of the security instruments. In maintaining such accounts, the holder
shall comply with the pertinent provisions of the Real Estate Settlement Procedures Act.

(f) System for servicing delinquent loans. In addition to the requirements of the Real Estate Settlement Procedures Act, concerning the duties of the loan servicer to respond to borrower inquiries, to protect the borrower’s credit rating during a payment dispute period, and to pay damages and costs for noncompliance, holders shall establish a system for servicing delinquent loans which ensures that prompt action is taken to collect amounts due from borrowers and minimize the number of loans in a default status. The holder’s servicing system must include the following:

(1) An accounting system which promptly alerts servicing personnel when a loan becomes delinquent;

(2) A collection staff which is trained in techniques of loan servicing and counseling delinquent borrowers to advise borrowers how to cure delinquencies, protect their equity and credit rating and, if the default is insoluble, pursue alternatives to foreclosure;

(3) Procedural guidelines for individual analysis of each delinquency;

(4) Instructions and appropriate controls for sending delinquent notices, assessing late charges, handling partial payments, maintaining servicing histories and evaluating repayment proposals;

(5) Management review procedures for evaluating efforts made to collect the delinquency and the response from the borrower before a decision is made to initiate action to liquidate a loan;

(6) Procedures for reporting delinquencies of 90 days or more and loan terminations to major consumer credit bureaus as specified by the Secretary and for informing borrowers that such action will be taken; and

(7) Controls to ensure that all notices required to be given to the Secretary on delinquent loans are provided timely and in such form as the Secretary shall require.

(g) Collection actions. (1) Holders shall employ collection techniques which provide flexibility to adapt to the individual needs and circumstances of each borrower. A variety of collection techniques may be used based on the holder’s determination of the most effective means of contact with borrowers during various stages of delinquency. However, at a minimum the holder’s collection procedures must include the following actions:

(i) An effort, concurrent with the initial late payment notice to establish contact with the borrower(s) by telephone. When talking with the borrower(s), the holder should attempt to determine why payment was not made and emphasize the importance of remitting loan installments as they come due.

(ii) A letter to the borrower(s) if payment has not been received within 30 days after it is due and telephone contact could not be made. This letter should emphasize the seriousness of the delinquency and the importance of taking prompt action to resolve the default. It should also notify the borrower(s) that the loan is in default, state the total amount due and advise the borrower(s) how to contact the holder to make arrangements for curing the default.

(iii) In the event the holder has not established contact with the borrower(s) and has not determined the financial circumstances of the borrower(s) or established a reason for the default or obtained agreement to a repayment plan from the borrower(s), then a face-to-face interview with the borrower(s) or a reasonable effort to arrange such a meeting is required.

(iv)(A) A letter to the borrower if payment has not been received:

(1) In the case of a default occurring within the first 6 months following loan closing or the execution of a modification agreement pursuant to §36.4815, within 45 calendar days after such payment was due; or

(2) In the case of any other default, within 75 calendar days after such payment was due.

(B) The letter required by paragraph (g)(1)(iv)(A) must be mailed no later than 7 calendar days after the payment is delinquent for the time period stated in paragraph (g)(1)(iv)(A) and shall:

(1) Provide the borrower with a toll-free telephone number and, if available, an e-mail address for contacting the servicer;
§ 36.4350  38 CFR Ch. I (7–1–14 Edition)

(2) Explain loss mitigation options available to the borrower; (3) Emphasize that the intent of servicing is to retain home ownership whenever possible; and (4) Contain the following language:

The delinquency of your mortgage loan is a serious matter that could result in the loss of your home. If you are the veteran whose entitlement was used to obtain this loan, you can also lose your entitlement to a future VA home loan guaranty. If you are not already working with us to resolve the delinquency, please call us to discuss your work-out options. You may be able to make special payment arrangements that will reinstate your loan. You may also qualify for a repayment plan or loan modification.

VA has guaranteed a portion of your loan and wants to ensure that you receive every reasonable opportunity to bring your loan current and retain your home. VA can also answer any questions you have regarding your entitlement. If you have access to the Internet and would like to obtain more information, you may access the VA web site at www.va.gov. You may also learn where to speak to a VA Loan Administration representative by calling 1-800-827-1000.

(2) The holder must provide a valid explanation of any failure to perform these collection actions when reporting loan defaults to the Secretary. A pattern of such failure may be a basis for sanctions under 2 CFR parts 180 and 801.

(h) Conducting interviews with delinquent borrowers. When personal contact with the borrower(s) is established, the holder shall solicit sufficient information to properly evaluate the prospects for curing the default and whether the granting of forbearance or other relief assistance would be appropriate. At a minimum, the holder must make a reasonable effort to establish the following:

(1) The reason for the default and whether the reason is a temporary or permanent condition;
(2) The present income and employment of the borrower(s);
(3) The current monthly expenses of the borrower(s) including household and debt obligations;
(4) The current mailing address and telephone number of the borrower(s); and
(5) A realistic and mutually satisfactory arrangement for curing the default.

(i) Property inspections. (1) The holder shall make an inspection of the property securing the loan whenever it becomes aware that the physical condition of the security may be in jeopardy. Unless a repayment agreement is in effect, a property inspection shall also be made at the following times:

(i) Before the 60th day of delinquency or before initiating action to liquidate a loan, whichever is earlier; and (ii) At least once each month after liquidation proceedings have been started unless servicing information shows the property remains owner-occupied.

(2) Whenever a holder obtains information which indicates that the property securing the loan is abandoned, it shall make appropriate arrangements to protect the property from vandalism and neglect. With respect to any loan more than 60 calendar days delinquent, if the property is abandoned, this fact must be reported to the Secretary as required in §36.4817(c)(10) and immediate action should be initiated by the servicer to terminate the loan once the abandonment has been confirmed.

(j) Collection records. The holder shall maintain individual file records of collection action on delinquent loans and make such records available to the Secretary for inspection on request. Such collection records shall show:

(1) The dates and content of letters and notices which were mailed to the borrower(s);
(2) Dated summaries of each personal servicing contact and the result of same;
(3) The indicated reason(s) for default; and
(4) The date and result of each property inspection.

(k) Quality control procedures. No later than 180 days after the effective date of this regulation, each loan holder shall establish internal controls to periodically assess the quality of the servicing performed on loans guaranteed by the Secretary and assure that all requirements of this section are
being met. Those procedures must provide for a review of the holder's servicing activities at least annually and include an evaluation of delinquency and foreclosure rates on loans in its portfolio which are guaranteed by the Secretary. As part of its evaluation of delinquency and foreclosure rates, the holder shall:

(1) Collect and maintain appropriate data on delinquency and foreclosure rates to enable the holder to evaluate effectiveness of its collection efforts;

(2) Determine how its VA delinquency and foreclosure rates compare with rates in reports published by the industry, investors and others; and,

(3) Analyze significant variances between its foreclosure and delinquency rates and those found in available reports and publications and take appropriate corrective action.

(1) Provision of Data. Holders shall provide available statistical data on delinquency and foreclosure rates and their analysis of such data to the Secretary upon request.

§ 36.4351 Minimum property and construction requirements.

No loan for the purchase or construction of residential property shall be eligible for guaranty or insurance unless such property complies or conforms with those standards of planning, construction, and general acceptability that may be applicable thereto and prescribed by the Secretary pursuant to 38 U.S.C. 3704(a) or 38 U.S.C. 3710(b)(4), or both such sections, as applicable.

§ 36.4352 Authority to close loans on the automatic basis.

(a) Supervised lender authority. Supervised lenders of the classes described in 38 U.S.C. 3702(d)(1) and (2) are authorized by statute to process VA guaranteed home loans on the automatic basis. This category of lenders includes any Federal land bank, national bank, State bank, private bank, building and loan association, insurance company, credit union or mortgage and loan company that is subject to examination and supervision by an agency of the United States or of any State or by any State.

(b) Non-supervised lender authority. Non-supervised lenders of the class described in 38 U.S.C. 3702(d)(3) must apply to the Secretary for authority to process loans on the automatic basis. Each of the minimum requirements listed below must be met by applicant lenders.

(1) Experience. The applicant lender must meet one of the following experience requirements:

(i) The applicant lender must have been actively engaged in originating VA loans for at least two years, have a VA Lender ID number and have originated and closed a minimum of ten VA loans within the past two years, excluding interest rate reduction refinance loans (IRRRLs), that have been properly documented and submitted in compliance with VA requirements and procedures; or

(ii) The applicant lender must have a VA ID number and, if active for less than two years, have originated and closed at least 25 VA loans, excluding IRRRLs, that have been properly documented and submitted in compliance with VA requirements and procedures; or

(iii) Each principal officer of the applicant lender, who is actively involved in managing origination functions, must have a minimum of two recent years’ management experience in the origination of VA loans. This experience may be with the current or prior employer. For the purposes of this requirement, principal officer is defined as president or vice president; or

(iv) If the applicant lender has been operating as an agent for a non-supervised automatic lender (sponsoring lender), the firm must submit documentation confirming that it has a VA Lender ID number and has originated a minimum of ten VA loans, excluding IRRRLs, over the past two years. If active for less than two years, the agent must have originated at least 25 VA loans. The required documentation is a
§ 36.4352

38 CFR Ch. 1 (7–1–14 Edition)

copy of the VA letter approving the applicant lender as an agent for the sponsoring lender; a copy of the corporate resolution, describing the functions the agent was to perform, submitted to VA by the sponsoring lender; and a letter from a senior officer of the sponsoring lender indicating the number of VA loans submitted by the agent each year and that the loans have been properly documented and submitted in compliance with VA requirements and procedures.

(2) Underwriter. A senior officer of the applicant lender must nominate a full-time qualified employee(s) to act in the applicant lender’s behalf as underwriter(s) to personally review and make underwriting decisions on VA loans to be closed on the automatic basis.

(i) Nominees for underwriter must have a minimum of three years experience in processing, pre-underwriting or underwriting mortgage loans. At least one recent year of this experience must have included making underwriting decisions on VA loans. (Recent is defined as within the past three years.) A VA nomination and current resume, outlining the underwriter’s specific experience with VA loans, must be submitted for each underwriter nominee.

(ii) Alternatively, if an underwriter does not have the experience outlined above, the underwriter must submit documentation verifying that he or she is a current Accredited Residential Underwriter (ARU) as designated by the Mortgage Bankers Association (MBA).

(iii) If an underwriter is not located in the lender’s corporate office, then a senior officer must certify that the underwriter reports to and is supervised by an individual who is not a branch manager or other person with production responsibilities.

(iv) All VA-approved underwriters must attend a 1-day (eight-hour) training course on underwriter responsibilities, VA underwriting requirements, and VA administrative requirements, including the usage of VA forms, within 90 days of approval (if VA is unable to make such training available within 90 days, the underwriter must attend the first available training). Immediately upon approval of a VA underwriter, the office of jurisdiction will contact the underwriter to schedule this training at a VA regional office (VARO) of the underwriter’s choice. This training is required for all newly approved VA underwriters, including those who qualified for approval based on an ARU designation, as well as VA-approved underwriters who have not underwritten VA-guaranteed loans in the past 24 months. Furthermore, and at the discretion of any VARO in whose jurisdiction the lender is originating VA loans, VA-approved underwriters who consistently approve loans that do not meet VA credit standards may be required to retake this training.

(3) Underwriter certification. The lender must certify that all underwriting decisions as to whether to accept or reject a VA loan will be made by a VA-approved underwriter. In addition each VA-approved underwriter will be required to certify on each VA loan that he or she approves that the loan has been personally reviewed and approved by the underwriter.

(4) Financial requirements. Each application must include the most recent annual financial statement audited and certified by a certified public accountant (CPA). If the date of the annual financial statement precedes that of the application by more than six months, the lender must also attach a copy of its latest internal financial statement. Lenders are required to meet either the working capital or the minimum net worth financial requirement as defined below, as well.

(i) Working capital. A minimum of $50,000 in working capital must be demonstrated.

(A) Working capital is a measure of an applicant lender’s liquidity, or the ability to pay its short-term debts. Working capital is defined as the excess of current assets over current liabilities. Current assets are defined as cash or other liquid assets convertible into cash within a 1-year period. Current liabilities are defined as debts that must be paid within the same 1-year time frame.

(B) The VA determination of whether a lender has the required minimum working capital is based on the balance sheet of the lender’s annual audited financial statement. Therefore, either the balance sheet must be classified to
(i) Net worth. Lenders must show evidence of a minimum of $250,000 in adjusted net worth. Net worth is a measure of an applicant lender's solvency, or its ability to exist in the long run, quantified by the payment of long-term debts. Net worth as defined by generally accepted accounting principles (GAAP) is total assets minus total liabilities. Adjusted net worth for VA purposes is the same as the adjusted net worth required by the Department of Housing and Urban Development (HUD), net worth less certain unacceptable assets including:

(A) Any assets of the lender pledged to secure obligations of another person or entity.

(B) Any asset due from either officers or stockholders of the lender or related entities, in which the lender's officers or stockholders have a personal interest, unrelated to their position as an officer or stockholder.

(C) Any investment in related entities in which the lender's officers or stockholders have a personal interest unrelated to their position as an officer or stockholder.

(D) That portion of an investment in joint ventures, subsidiaries, affiliates and/or other related entities which is carried at a value greater than equity, as adjusted. "Equity as adjusted" means the book value of the related entity reduced by the amount of unacceptable assets carried by the related entity.

(E) All intangibles, such as goodwill, covenants not to compete, franchise fees, organization costs, etc., except unamortized servicing costs carried at a value established by an arm's-length transaction and presented in accordance with generally accepted accounting principles.

(F) That portion of an asset not readily marketable and for which appraised values are very subjective, carried at a value in excess of a substantially discounted appraised value. Assets such as antiques, art work and gemstones are subject to this provision and should be carried at the lower of cost or market.

(G) Any asset that is principally used for the personal enjoyment of an officer or stockholder and not for normal business purposes. Adjusted net worth must be calculated by a CPA using an audited and certified balance sheet from the lender's latest financial statements. "Personal interest" as used in this section indicates a relationship between the lender and a person or entity in which that specified person (e.g., spouse, parent, grandparent, child, brother, sister, aunt, uncle or in-law) has a financial interest in or is employed in a management position by the lender.

(5) Lines of credit. The lender applicant must have one or more lines of credit aggregating at least $1 million. The identity of the source(s) of warehouse lines of credit must be submitted to VA and the applicant must agree that VA may contact the named source(s) for the purpose of verifying the information. A line of credit must be unrestricted, that is, funds are available upon demand to close loans and are not dependent on prior investor approval. A letter from the company(ies) verifying the unrestricted line(s) of credit must be submitted with the application for automatic authority.

(6) Permanent investors. If the lender customarily sells loans it originates, it must have a minimum of two permanent investors. The names, addresses and telephone numbers of the permanent investors must be submitted with the application.

(7) Liaison. The lender applicant must designate an employee and an alternate to be the primary liaison with VA. The liaison officers should be thoroughly familiar with the lender's entire operation and be able to respond to any query from VA concerning a particular VA loan or the firm's automatic authority.

(8) Other considerations. All applications will also be reviewed in light of the following considerations:

(i) There must be no factors that indicate that the firm would not exercise the care and diligence required of a lender originating and closing VA loans on the automatic basis; and

(ii) In the event the applicant lender, any member of the board of directors,
or any principal officer has ever been debarred or suspended by any Federal agency or department, or any of its directors or officers has been a director or officer of any other lender or corporation that was so debarred or suspended, or if the lender applicant ever had a servicing contract with an investor terminated for cause, a statement of the facts must be submitted with the application for automatic authority.

(9) **Quality control system.** In order to be approved as a non-supervised lender for automatic-processing authority, the lender must implement a written quality control system which ensures compliance with VA requirements. The lender must agree to furnish findings under its systems to VA on demand. The elements of the quality control system must include the following:

(i) **Underwriting policies.** Each office of the lender shall maintain copies of VA credit standards and all available VA underwriting guidelines.

(ii) **Corrective measures.** The system should ensure that effective corrective measures are taken promptly when deficiencies in loan originations are identified by either the lender or VA. Any cases involving major discrepancies which are discovered under the system must be reported to VA.

(iii) **System integrity.** The quality control system should be independent of the mortgage loan production function.

(iv) **Scope.** The review of underwriting decisions and certifications must include compliance with VA underwriting requirements, sufficiency of documentation and soundness of underwriting judgments.

(v) **Appraisal quality.** For lenders approved for the Lender Appraisal Processing Program (LAPP), the quality control system must specifically contain provisions concerning the adequacy and quality of real property appraisals. While the lender’s quality control personnel need not be appraisers, they should have basic familiarity with appraisal theory and techniques so that they can select appropriate cases for review if discretionary sampling is used, and prescribe appropriate corrective action(s) in the appraisal review process when discrepancies or problems are identified. Copies of the lender’s quality control plan or self-policing system evidencing appraisal related matters must be provided to the VA office of jurisdiction.

(10) **Courtesy closing.** The lender applicant must certify to VA that it will not close loans on an automatic basis as a courtesy or accommodation for other mortgage lenders, whether or not such lenders are themselves approved to close on an automatic basis without the express approval of VA. However, a lender with automatic authority may close loans for which information and supporting credit data have been developed on its behalf by a duly authorized agent.

(11) **Probation.** Lenders meeting these requirements will be approved to close VA loans on an automatic basis for a 1-year period. At the end of this period, the lender’s quality of underwriting, the completeness of loan submissions, compliance with VA requirements and procedures, and the delinquency and foreclosure rates will be reviewed.

(12) **Extensions of automatic authority.** When a lender wants its automatic authority extended to another State, the request must be submitted, with the fee designated in paragraph (e)(5) of this section, to the VA regional office having jurisdiction in the State where the lender’s corporate office is located.

(A) When a lender wants its automatic authority to include loans involving a real estate brokerage and/or a residential builder or developer in which it has a financial interest, owns, is owned by, or with which it is affiliated, the following documentation must be submitted:

(B) Letters from permanent investors indicating the percentage of all VA loans based on the affiliate’s production originated by the lender over a 1-year period that are past due 90 days or more. This delinquency ratio must be
no higher than the national average for the same period for all mortgage loans.

(ii) When a lender wants its automatic authority extended to additional States, the lender must indicate how it plans to originate VA loans in those States. Unless a lender proposes a telemarketing plan, VA requires that a lender have a presence in the State, that is, a branch office, an agent relationship, or that it is a reasonable distance from one of its offices in an adjacent State, i.e., 50 miles. If the request is based on an agency relationship, the documentation outlined in paragraph (b)(15) must be submitted with the request for extension.

(13) Use of agents. A lender using an agent to perform a portion of the work involved in originating and closing a VA-guaranteed loan on an automatic basis must take full responsibility by certification for all acts, errors and omissions of the agent or other entity and its employees for the work performed. Any such acts, errors or omissions will be treated as those of the lender and appropriate sanctions may be imposed against the lender and its agent. Lenders requesting an agent must submit the following documentation to the VA regional office having jurisdiction for the lender’s corporate office:

(i) A corporate resolution certifying that the lender takes full responsibility for all acts, errors and omissions of the agent that it is requesting. The corporate resolution must also identify the agent’s name and address, and the geographic area in which the agent will be originating and/or closing VA loans; whether the agent is authorized to issue interest rate lock-in agreements on behalf of the lender; and outline the functions the agent is to perform. Alternatively, the lender may submit a blanket corporate resolution which sets forth the functions of any and all agents and identifies individual agents by name, address, and geographic area in separate letters which refer to the blanket resolution.

(ii) When the VA regional office having jurisdiction for the lender’s corporate office acknowledges receipt of the lender’s request in writing, the agent is thereby authorized to originate VA loans on the lender’s behalf.

(Authority: 38 U.S.C. 501(a), 3702(d))

(c) Reporting responsibility. A lender approved to close loans on the automatic basis who subsequently fails to meet the requirements of this section must report to VA the circumstances surrounding the deficiency and the remedial action to be taken to cure it. Failure to advise VA in a timely manner could result in a lender’s loss of its approval to close VA loans on the automatic basis.

(Authority: 38 U.S.C. 501(a), 3702(d))

(d) Annual recertification. Non-supervised lenders of the class described in 38 U.S.C. 3702(d)(3) must be recertified annually for authority to process loans on the automatic basis. The following minimum annual recertification requirements must be met by each lender approved for automatic authority:

(1) Financial requirements. A lender must submit, within 120 days following the end of its fiscal year, an audited and certified financial statement with a classified balance sheet or a separate footnote for adjusted net worth to VA Central Office (264) for review. The same minimum financial requirements described in §36.4352(b)(5) must be maintained and verified annually in order to be recertified for automatic authority.

(2) Processing annual lender data. The VA regional office having jurisdiction for the lender’s corporate office will mail an annual notice to the lender requesting current information on the lender’s personnel and operation. The lender is required to complete the form and return it with the appropriate annual renewal fees to the VA regional office.

(Authority: 38 U.S.C. 501(a), 3702(d))

(e) Lender fees. To participate as a VA automatic lender, non-supervised lenders of the class described in 38 U.S.C. 3702(d)(3) shall pay fees as follows:

(1) $500 for new applications;

(2) $200 for reinstatement of lapsed or terminated automatic authority;

(3) $100 for each underwriter approval;
§ 36.4353 Withdrawal of authority to close loans on the automatic basis.

(a)(1) As provided in 38 U.S.C. 3702(e), the authority of any lender to close loans on the automatic basis may be withdrawn by the Secretary at any time upon 30 days notice. The automatic processing authority of both supervised and non-supervised lenders may be withdrawn for engaging in practices which are imprudent from a lending standpoint or which are prejudicial to the interests of veterans or the Government but are of a lesser degree than would warrant complete suspension or debarment of the lender from participation in the program.

(2) Automatic-processing authority may be withdrawn at any time for failure to meet basic qualifying and/or annual recertification criteria.

(i) Non-supervised lenders. (A) Automatic authority may be withdrawn for lack of a VA-approved underwriter, failure to maintain $50,000 in working capital or $250,000 in adjusted net worth, or failure to file required financial information.

(B) During the 1-year probationary period for newly approved lenders, automatic authority may be temporarily or permanently withdrawn for any of the reasons set forth in this section regardless of whether deficiencies previously have been brought to the attention of the probationary lender.

(ii) Supervised lenders. Automatic authority will be withdrawn for loss of status as an entity subject to examination and supervision by a Federal or State supervisory agency as required by 38 U.S.C. 3702(d).

(3) Automatic processing authority may also be withdrawn for any of the causes for debarment set forth in 2 CFR parts 180 and 801.

(b) Authority to close loans on the automatic basis may also be temporarily withdrawn for a period of time under the following schedule.

(1) Withdrawal for 60 days may occur when:

(i) Automatic loan submissions show deficiencies in credit underwriting, such as use of unstable sources of income to qualify the borrower, ignoring significant adverse credit items affecting the applicant’s creditworthiness, etc., after such deficiencies have been repeatedly called to the lender’s attention;

(ii) Employment or deposit verifications are handcarried by applicants or otherwise improperly permitted to pass through the hands of a third party;

(iii) Automatic loan submissions are consistently incomplete after such deficiencies have been repeatedly called to the lender’s attention by VA; or

(iv) There are continued instances of disregard of VA requirements after they have been called to the lender’s attention.

(2) Withdrawal for 180 days may occur when:

(i) Loans are closed automatically which conflict with VA credit standards and which would not have been made by a lender acting prudently;

(ii) The lender fails to disclose to VA significant obligations or other information so material to the veteran’s ability to repay the loan that undue risk to the Government results;

(iii) Employment or deposit verifications are allowed to be handcarried by applicant or otherwise
mishandled, resulting in the submission of significant misinformation to VA;

(iv) Substantiated complaints are received that the lender misrepresented VA requirements to veterans to the detriment of their interests (e.g., veteran was dissuaded from seeking a lower interest rate based on lender’s incorrect advice that such options were precluded by VA requirements);

(v) Closing documentation shows instances of improper charges to the veteran after the impropriety of such charges has been called to the lender’s attention by VA, or refusal to refund such charges after notification by VA; or

(vi) There are other instances of lender actions which are prejudicial to the interests of veterans such as deliberate delays in scheduling loan closings.

(3) Withdrawal for a period of from one year to three years may occur when:

(i) The lender fails to properly disburse loans (e.g., loan disbursement checks returned due to insufficient funds);

(ii) There is involvement by the lender in the improper use of a veteran’s entitlement (e.g., knowingly permitting the veteran to violate occupancy requirements, lender involvement in sale of veteran’s entitlement, etc.).

(4) A continuation of actions that have led to previous withdrawal of automatic authority justifies withdrawal of automatic authority for the next longer period of time.

(5) Withdrawal of automatic processing authority does not prevent a lender from processing VA guaranteed loans on the prior approval basis.

(6) Action by VA to remove a lender’s automatic authority does not prevent VA from also taking debarment or suspension action based on the same conduct by the lender.

(7) VA field facilities are authorized to withdraw automatic privileges for 60 days, based on any of the violations set forth in paragraphs (b)(1) through (b)(3) of this section, for non-supervised lenders without operations in other stations’ jurisdictions. All determinations regarding withdrawal of automatic authority for longer periods of time or multi-jurisdictional lenders must be made in Central Office.

(c) VA will provide 30 days notice of a withdrawal of automatic authority in order to enable the lender to either close or obtain prior approval for a loan on which processing has begun. There is no right to a formal hearing to contest the withdrawal of automatic processing privileges. However, if within 15 days after receiving notice the lender requests an opportunity to contest the withdrawal, the lender may submit in person, in writing, or through a representative, information and argument in opposition to the withdrawal.

(d) If the lender’s submission in opposition raises a dispute over facts material to the withdrawal of automatic authority, the lender will be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witnesses VA presents. The Under Secretary for Benefits will appoint a hearing officer or panel to conduct the hearing.

(e) A transcribed record of the proceedings shall be made available at cost to the lender, upon request, unless the requirement for a transcript is waived by mutual agreement.

(f) In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the Under Secretary for Benefits shall make a decision on the basis of all the information in the administrative record, including any submission made by the lender.

(g) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact will be prepared by the hearing officer or panel. The Under Secretary for Benefits shall base the decision on the facts as found, together with any information and argument submitted by the lender and any other information in the administrative record.

§ 36.4354 Estate of veteran in real property.

(a) The title of the estate in the realty acquired by the veteran, wholly or partly with the proceeds of a guaranteed or insured loan, or owned by him and on which construction, or repairs, or alterations or improvements are to be made, shall be such as is acceptable to informed buyers, title companies, and attorneys, generally, in the community in which the property is situated, except as modified by paragraph (b) of this section. Such estate shall be not less than:

(1) A fee simple estate therein, legal or equitable; or

(2) A leasehold estate running or renewable at the option of the lessee for a period of not less than 14 years from the maturity of the loan, or to any earlier date at which the fee simple title will vest in the lessee, which is assignable or transferable, if the same be subject to the lien; however, a leasehold estate which is not freely assignable and transferable will be considered an acceptable estate if it is determined by the Under Secretary for Benefits, or the Director, Loan Guaranty Service:

(i) That such type of leasehold is customary in the area where the property is located,

(ii) That a veteran or veterans will be prejudiced if the requirement for free assignability is adhered to; and

(iii) That the assignability and other provisions applicable to the leasehold estate are sufficient to protect the interests of the veteran and the Government and are otherwise acceptable; or

(3) A life estate, provided that the remainder and reversionary interests are subject to the lien; or

(4) A beneficial interest in a revocable Family Living Trust that ensures that the veteran, or veteran and spouse, have an equitable life estate, provided the lien attaches to any remainder interest and the trust arrangement is valid under State law.

(b) Any such property or estate will not fail to comply with the requirements of paragraph (a) of this section by reason of the following:

(1) Encroachments;

(2) Easements;

(3) Servitudes;

(4) Reservations for water, timber, or subsurface rights; or

(5) Sale and lease restrictions:

(i) Except as to condominiums, the right in any grantor or cotenant in the chain of title, or a successor of either, to purchase for cash, which right was established by an instrument recorded prior to December 1, 1976, and by the terms thereof is exercisable only if:

(A) An owner elects to sell;

(B) The option price is not less than the price at which the then owner is willing to sell to another; and

(C) Exercised within 30 days after notice is mailed by registered mail to the address of optionee last known to the then owner of the then owner’s election to sell, stating the price and the identity of the proposed vendee;

(ii) A condominium estate established by the filing for record of the Master Deed, or other enabling document before December 1, 1976 will not fail to comply with the requirements of paragraph (a) of this section by reason of:

(A) Prohibition against leasing a unit for a period of less than 6 months.

(B) The existence of a right of first option to purchase or right to provide a substitute buyer reserved to the condominium association provided such option or right is exercisable only if:

(1) An owner elects to sell;

(2) The option price is not less than the price at which the then owner is willing to sell to another;

(3) The terms and conditions under which the option price is to be paid are identical to or are not less favorable to the owner than the terms and conditions under which the owner was willing to sell to the owner’s prospective buyer; and

(4) Notice of the association’s decision to exercise the option must be mailed to the owner by registered or certified mail within 30 days after notice is mailed by registered or certified mail to the address of the association last known to the owner of the owner’s election to sell, stating the price, terms of sale, and the identity of the proposed vendee;

(iii) Any property subject to a restriction on the owner’s right to convey to any party of the owner’s choice, which restriction is established by a
document recorded on or after December 1, 1976, will not qualify as security for a guaranteed or insured loan. A prohibition or restriction on leasing an individual unit in a condominium will not cause the condominium estate to fail to qualify as security for such loan, provided the restriction is in accordance with §36.4662(c).

(iv) Notwithstanding the provisions of paragraphs (b)(5)(i), (ii), and (iii) of this section, a property shall not be considered ineligible pursuant to paragraph (a) of this section if:

(A) The veteran obtained the property under a State or local political subdivision program designed to assist low- or moderate-income purchasers, and as a condition the purchaser must agree to one or more of the following restrictions:

(1) If the property is resold within a time period as established by local law or ordinance, after the purchaser acquires title, the purchaser must first offer the property to the government housing agency, or a low- or moderate-income purchaser designated by such agency, provided the option to purchase is exercised within 90 days after notice by the purchaser to the agency of intention to sell.

(2) If the property is resold within a time period as established by local law or ordinance after the purchaser acquires title, a governmental agency may specify a maximum price which the veteran may receive for the property upon resale; or

(3) Such other restriction approved by the Secretary designed to ensure either that a property acquired under such program again be made available to low- or moderate-income purchasers, or to prevent a private purchaser from obtaining a windfall profit on the resale of such property, while assuring that the purchaser has a reasonable opportunity to dispose of the property without undue difficulty at a reasonable price.

(B) A recorded restriction on title designed to provide housing for older persons, provided that the restriction is acceptable under the provisions of the Fair Housing Act, title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988, 42 U.S.C. 3601 et seq. The veteran must be fully informed and consent in writing to the restrictions. A copy of the veteran’s consent statement must be forwarded with the application for home loan guaranty or the report of a home loan processed on the automatic basis.

(Authority: 38 U.S.C. 3703(c))

(6) Building and use restrictions whether or not enforceable by a reverter clause if there has been no breach of the conditions affording a right to an exercise of the reverter;

(7) Any other covenant, condition, restriction, or limitation approved by the Secretary in the particular case. Such approval shall be a condition precedent to the guaranty or insurance of the loan; Provided, That the limitations on the quantum or quality of the estate or property that are indicated in this paragraph, insofar as they may materially affect the value of the property for the purpose for which it is used, are taken into account in the appraisal of reasonable value required by 38 U.S.C. chapter 37.

(c) The following limitations on the quantum or quality of the estate or
§ 36.4355 Loans, first, second, or unsecured.

Loans for the purchase of real property or a leasehold estate as limited in the regulations concerning guaranty or insurance of loans to veterans, or for the alteration, improvement, or repair thereof, and for more than $1,500 and more than 40 percent of the reasonable value of such property or estate prior thereto shall be secured by a first lien on the property or estate. Loans for such alteration, improvement, or repair for more than $1,500 but 40 percent or less of the prior reasonable value of the property shall be secured by a lien reasonable and customary in the community for the type of alteration, improvement, or repair financed. Those for $1,500 or less need not be secured, and in lieu of the title examination the lender may accept a statement from the borrower that he or she has an interest in the property not less than that prescribed in §36.4854(a).

(Authority: 38 U.S.C. 3703(c)(1))
§ 36.4356 Tax, special assessment and other liens.

Tax liens, special assessment liens, and ground rents shall be disregarded with respect to any requirement that loans shall be secured by a lien of specified dignity. With the prior approval of the Secretary, Under Secretary for Benefits, or Director, Loan Guaranty Service, liens retained by nongovernmental entities to secure assessments or charges for municipal type services and facilities clearly within the public purpose doctrine may be disregarded. In determining whether a loan for the purchase or construction of a home is secured by a first lien the Secretary may also disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if the Secretary determines that the interests of the veteran-borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien to be created after June 6, 1969, the Secretary's determination must have been made prior to the recordation of the covenant.

§ 36.4357 Combination residential and business property.

If otherwise eligible, a loan for the purchase or construction of a combination of residential property and business property which the veteran proposes to occupy in part as a home will be eligible under 38 U.S.C. 3710, if the property is primarily for residential purposes and no more than one business unit is included in the property.

§ 36.4358 [Reserved]

§ 36.4359 Supplemental loans.

(a) Any loan for the alteration, repair, improvement, extension, replacement, or expansion of a home, with respect to which a guaranteed or insured obligation of the borrower is currently outstanding, may be reported for guaranty or insurance coverage, if such loan is made by the holder of the currently outstanding obligation, notwithstanding the fact no guaranty entitlement remains available to the borrower; Provided, that if no entitlement remains available the maximum amount payable on the revised guaranty shall not exceed the amount payable on the original guaranty on the date of closing the supplemental loan, and the percentage of guaranty shall be based upon the proportion the said maximum amount bears to the aggregate indebtedness, or, in the case of an insured loan, no additional credit to the holder's insurance account may be made: Provided further, that the prior approval of the Secretary shall be required if:

(1) The loan will be made by a lender who is not the holder of the currently guaranteed or insured obligation; or

(2) The loan will be made by a lender not of a class specified in 38 U.S.C. 3702(d); or

(3) An obligor liable on the currently outstanding obligation will be released from personal liability.

(b) In any case in which the unpaid balance of the prior loan currently outstanding is combined or consolidated with the amount of the supplemental loan, the entire aggregate indebtedness shall be repayable in full within the maximum maturity currently prescribed by statute for the original loan. No supplemental loan for the repair, alteration, or improvement of residential property will be eligible for guaranty or insurance unless such repair, alteration, or improvement substantially protects or improves the basic livability or utility of the property involved.

(c) Such loans shall be secured as required in §36.4855: Provided, that a lien of lesser dignity than therein specified will suffice if the lien obtained is immediately junior to the lien of the original guaranteed or insured obligation: Provided further, that the liens of successive supplemental loans may be of lesser dignity so long as they are immediately junior to the lien of the last previous guaranteed or insured obligation having a lien of required dignity.
(d) Upon providing or extending guaranty or insurance coverage in respect to any such supplemental loan, the rights of the Secretary to the proceeds of the sale of security shall be subordinate to the right of the holder to satisfy therefrom the indebtedness outstanding on the original and supplemental loans.

§ 36.4360 Condominium loans—general.

(a) Authority—applicability of other loan guaranty regulations, 38 CFR part 36. A loan to an eligible veteran to purchase a one-family residential unit in a condominium housing development or project shall be eligible for guaranty or insurance to the same extent and on the same terms as other loans under 38 U.S.C. 3710 provided the loan conforms to the provisions of chapter 37, title 38 U.S.C., except for sections 3711 (direct loans), and 3727 (structural defects). The loan must also conform to the otherwise applicable provisions of the regulations concerning the guaranty or insurance of loans to veterans. Sections 36.4857, 36.4859, and 36.4869 shall not be applicable.

(b) Definitions. On and after July 1, 1979, the following definitions shall be applicable to each condominium loan entitled to be guaranteed or insured, and shall be applicable to such loans previously guaranteed or insured to the extent that no legal rights vested thereunder are impaired. Whenever used in 38 U.S.C. chapter 37 or this subpart, unless the context otherwise requires, the terms defined in this paragraph shall have the meaning stated.

(1) Affiliate of declarant. Affiliate of declarant means any person or entity which controls, is controlled by, or is under common control with, a declarant.

(i) A person or entity shall be considered to control a declarant if that person or entity is a general partner, officer, director, or employee of the declarant who:

(A) Directly or indirectly or acting in concert with one or more persons or through one or more subsidiaries, owns, controls, or holds with power to vote, or holds proxies representing, more than 20 percent of the voting shares of the declarant;

(B) Controls in any manner the election of a majority of the directors of the declarant; or

(C) Has contributed more than 20 percent of the capital of the declarant.

(ii) A person or entity shall be considered to be controlled by a declarant if the declarant is a general partner, officer, director, or employee of that person or entity who:

(A) Directly or indirectly or acting in concert with one or more persons or through one or more subsidiaries, owns, controls, or holds with power to vote, or holds proxies representing, more than 20 percent of the voting shares of that person or entity;

(B) Controls in any manner the election of a majority of the directors of that person or entity; or

(C) Has contributed more than 20 percent of the capital of that person or entity.

(2) Condominium. Unless otherwise provided by State law, a condominium is a form of ownership in which the buyer receives title to a three dimensional air space containing the individual living unit together with an undivided interest or share in the ownership of common elements (restatement of §36.4801, Condominium).

(3) Conversion condominium. Condominium projects not originally built and sold as condominiums but subsequently converted to the condominium form of ownership.

(4) Declarant. Any person who has executed a declaration or an amendment to a declaration to add additional real estate to the project or any successors or assigns of the declarant who offers to sell or sells units in the condominium project and who assumes declarant rights in the project including the right to: Add, convert or withdraw real estate from the condominium project; maintain sales offices, management offices and rental units; exercise easements through the common elements for the purpose of making improvements within the condominium; or exercise control of the owner’s association. Declarant is further defined as any sponsor of a project or affiliate of the declarant who is acting on behalf of
Department of Veterans Affairs

§ 36.4361 Acceptable ownership arrangements and documentation.

(a) Types of condominium ownership. The following types of basic ownership arrangements are generally acceptable provided they are established in compliance with the applicable condominium law of the jurisdiction(s) in which the condominium is located:

(1) Ownership of units by individual owners coupled with an undivided interest in all common elements.

(2) Ownership of units by individual owners coupled with an undivided interest in general common elements and specified limited common elements.

(3) Individual ownership of units coupled with an undivided interest in the general common elements and/or limited common elements, with title to additional property for common use vested in an association of unit owners, with mandatory membership by unit owners or owners’ associations. Any such arrangement must not be precluded by applicable State law.

(b) Estate of unit owner. The legal estate of each unit owner must comply with the provisions of §36.4854. The declaration or equivalent document shall allocate an undivided interest in the common elements to each unit. Such interest may be allocated equally to or proportionate to that unit’s relative size or value, or
may be allocated according to any other specified criteria provided that the method chosen is equitable and reasonable for that condominium.

(Authority: 38 U.S.C. 3703(c)(1), 3703(c)(3), 3710(a)(6))

(c) Condominium documentation—(1) Compliance with applicable law. The declaration, bylaws and other enabling documentation shall conform to the laws governing the establishment and maintenance of condominium regimes within the jurisdiction in which the condominium is located, and to all other laws which apply to the condominium.

(2) Recordation. The declaration and all amendments or modifications thereof shall be placed of record in the manner prescribed by the appropriate jurisdiction. If recording of plats, plans, or bylaws or equivalent documents and all amendments or modifications thereof is the prevailing practice or is required by law within the jurisdiction where the project is located, then such documents shall be placed of record. If the bylaws are not recorded, then covenants, restrictions and other matters requiring record notice should be contained in the declaration or equivalent document.

(3) Availability. The owner’s association shall be required to make available to unit owners, lenders and the holders, insurers and guarantors of the first mortgage on any unit, current copies of the declaration, bylaws and other rules governing the condominium, and other books, records and financial statements of the owners’ association. The owners’ association also shall be required to make available to prospective purchasers current copies of the declaration, bylaws, other rules governing the condominium, and the most recent annual audited financial statement, if such is prepared. “Available” as used in this paragraph (c)(3) shall at least mean available for inspection, upon request, during normal business hours or under other reasonable circumstances.

(d) Real property descriptions in the declaration—(1) Clarity—conformity with the law of the jurisdiction. The description of the units, common elements, any recreational facilities and other related amenities, and any limited common elements shall be clear and in conformity with the law of the jurisdiction where the project is located. Responsibility for maintenance and repair of all portions of the condominium shall be set forth clearly.

(2) Developmental plan—proposed condominiums. The declaration or other legally enforceable and binding document must state in a reasonable manner the overall development plan of the condominium, including building types, architectural style and the size of the units for those phases of the condominium which are required to be built. Under the applicable provisions of the declaration or such other legally enforceable and binding document, the development of the required portion of the condominium must be consistent with the overall plan, except that the declarant may reserve the right to change the overall plan or decide not to construct planned units or improvements to the common elements if the declaration sets forth the conditions required to be satisfied prior to the exercise of that right, the time within which the right may be exercised, and any other limitations and criteria that would be necessary or appropriate under the particular circumstances. Such conditions, time restraints and other limitations must be reasonable in light of the overall plan for the condominium. In an expandable project, additional phases which are not required to be built may be described in the development plan in very general terms, or the declaration may provide that the declarant makes no assurance concerning the construction,

building types, architectural style and size of the units, etc. of these phases. However, the minimum number of units to be built should be that which would be adequate to reasonably support the common elements. (See § 36.4864(a)(6).)

§ 36.4362 Rights and restrictions.

(a) Declarant’s rights and restrictions—(1) Disclosure and reasonableness of reserved rights. Any right reserved by the declarant must be reasonable and set forth in the declaration.

(2) Examples of reserved rights of declarant, sponsor, or affiliate of declarant which are usually unacceptable. Binding the owners’ association either directly or indirectly to any of the following agreements is not acceptable unless the owners’ association shall have a right of termination thereof which is exercisable without penalty at any time after transfer of control, upon not more than 90 days’ notice to the other party thereto:

(i) Any management contract, employment contract or lease of recreational or parking areas or facilities.

(ii) Any contract or lease, including franchises and licenses, to which a declarant is a party.

(iii) The requirements of paragraphs (a)(2)(i) and (ii) of this section do not apply to acceptable ground leases.

(3) Examples of reserved rights which are usually acceptable. The following rights in the common elements may usually be reserved by the declarant for a reasonable period of time, subject to a concomitant obligation to restore:

(i) Easement over and upon the common elements and upon lands appurtenant to the condominium for the purpose of completing improvements for which provision is made in the declaration, but only if access thereto is otherwise not reasonably available.

(ii) Easement over and upon the common elements for the purpose of making repairs required pursuant to the declaration or contracts of sale made with unit purchasers.

(iii) Right to maintain facilities in the common areas which are identified in the declaration and which are reasonably necessary to market the units. These may include sales and management offices, model units, parking areas, and advertising signs.

(Authority: 38 U.S.C. 3703(c)(1), 3710(a)(6))

(b) Owners’ association’s rights and restrictions—(1) Right of entry upon units and limited common elements. The owners’ association shall be granted a right of entry upon unit premises and any limited common elements to effect emergency repairs, and a reasonable right of entry thereupon to effect other repairs, improvements, replacement or maintenance as necessary.

(2) Power to grant rights and restrictions in common elements. The owners’ association should be granted other rights, such as the right to grant utility easements under, through or over the common elements, which are reasonably necessary to the ongoing development and operation of the project.

(3) Responsibility for damage to common elements and units. A provision may be made in the declaration or bylaws for allocation of responsibility for damages resulting from the exercise of any of the above rights.

(4) Assessments—(i) Levy and collection. The declaration or its equivalent shall describe the authority of the owners’ association to levy and enforce the collection of general and special assessments for common expenses and shall describe adequate remedies for failure to pay such common expenses. The common expenses assessed against any unit, with interest, late charges, costs and a reasonable attorney’s fee shall be a lien upon such unit in accordance with applicable law. Each such assessment, together with interest, late charges, costs, and attorney’s fee, shall also be the personal obligation of the person who was the owner of such unit at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title or interest unless assumed by them, or required by applicable law. Common expenses as used in this subdivision shall mean expenditures made or liabilities incurred by or on behalf of the owners’ association, together with
any assessments for the creation and maintenance of reserves.

(ii) Reserves and working capital. There shall be in new or proposed condominium projects (including conversions) a provision for an adequate reserve fund for the periodic maintenance, repair and replacement of the common elements, which fund shall be maintained out of regular assessments for common expenses. Additionally, a working capital fund must be established for the initial months of the project operations equal to at least a 2 months’ estimated common area charge for each unit.

(iii) Priority of lien. Any assessment lien must be subordinate to any Department of Veterans Affairs guaranteed mortgage except as provided in §36.4856. A lien for common expense charges and assessments shall not be affected by any sale or transfer of a unit except that a sale or transfer pursuant to a foreclosure of a first mortgage shall extinguish a subordinate lien for common expense charges and assessments which became payable prior to such sale or transfer. Any such sale or transfer pursuant to a foreclosure shall not relieve the purchaser or transferee of a unit from liability for, nor the unit so sold or transferred from the lien of, any common expense charges thereafter becoming due.

(Authority: 38 U.S.C. 3703(c)(1), (d)(3), 3710(a)(6))

(c) Unit owners’ rights and restrictions—(1) Obligation to pay expenses. The declaration or equivalent document shall establish a duty on each unit owner, including the declarant, to pay a proportionate share of common expenses upon being assessed therefor by the owners’ association. Such share may be allocated equally to each unit, may be proportionate to that unit’s common element interest, relative size or value, or may be allocated according to any other specified criteria provided that the method chosen is equitable and reasonable for that condominium. The declaration may provide different criteria for allocations of votes to the units on particular specified matters and may also provide different percentages of required unit owner approvals for such particular specified matters.

(3) Ingress and egress of unit owners. There may not be any restriction upon any unit owner’s right of ingress and egress to his or her unit.

(4) Encroachments—(i) Easements for encroachments. In the event any portion of the common elements encroaches upon any unit or any unit encroaches upon the common elements or another unit as a result of the construction, reconstruction, repair, shifting, settlement, or movement of any portion of the improvements, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists. The declaration may provide, however, reasonable limits on the extent of any easement created by the overlap of units, common elements, and limited common elements resulting from such encroachments; or

(ii) Monuments as boundaries. If permitted by the governing law within the jurisdiction where the project is located, the existing physical boundaries of a unit or a common element or the physical boundaries of a unit or a common element reconstructed in substantial accordance with the original plats and plans thereof become its boundaries rather than the metes and bounds expressed in the deed, plat or plan, regardless of settling or lateral movement of the building, or minor variance between boundaries shown on the plats, plans or in the deed and those of the building. The declaration should provide reasonable limits on the extent of any such revised boundary(ies) created by the overlap of units, common elements, and limited common elements resulting from such encroachments.

(5) Right of first refusal. The right of a unit owner to sell, transfer, or otherwise convey his or her unit in a condominium shall not be subject to any
right of first refusal or similar restriction if the declaration or similar document is recorded on or after December 1, 1976. If the declaration was recorded prior to December 1, 1976, the right of first refusal must comply with §36.4854(b)(5)(i); Provided, however, restrictions on the basis of age or restrictions established by a State, Territorial, or local government agency as part of a program for providing assistance to low- and moderate-income purchasers shall be governed by §36.4854(b)(5)(iv).

(6) Leasing restrictions. Except as provided in this paragraph, there shall be no prohibition or restriction on a condominium unit owner’s right to lease his or her unit. The following restrictions are acceptable:

(i) A requirement that leases have a minimum initial term of up to 1 year; or

(ii) Age restrictions or restrictions imposed by State or local housing authorities which are allowable under §36.4809(e) or §36.4854(b)(5)(iv).

(d) Rights of action. The owners’ association and any aggrieved unit owner should be granted a right of action against unit owners for failure to comply with the provisions of the declaration, bylaws, or equivalent documents, or with decisions of the owners’ association which are made pursuant to authority granted the owners’ association in such documents. Unit owners should have similar rights of action against the owners’ association.

(Authority: 38 U.S.C. 3703(c))

§ 36.4363 Miscellaneous legal requirements.

(a) Declarant transfer of control of owners’ association—(1) Standards for transfer of control. The declarant shall relinquish all special rights, expressed or implied, through which the declarant may directly or indirectly control, direct, modify, or veto any action of the owners’ association, its executive board, or a majority of unit owners, and control of the owners’ association shall pass to the owners of units within the project, not later than the earlier of the following:

(i) 120 days after the date by which 75 percent of the units have been conveyed to unit purchasers,

(ii) The last date of a specified period of time following the first conveyance to a unit purchaser; such period of time is to be reasonable for the particular project. The maximum acceptable period usually will be from 3 to 5 years for single-phased condominium regimes and 5 to 7 years for expandable condominiums, or

(iii) On a case basis, modifications or variations of the requirements of paragraphs (a)(1)(i) and (ii) of this section will be acceptable, particularly in circumstances involving very large condominium developments.

(2) Declarant’s unit votes after transfer of control. The requirements of paragraph (a)(1) of this section shall not affect the declarant’s rights, as a unit owner, to exercise the votes allocated to units which the declarant owns.

(b) Taxes. Unless otherwise provided by State law, real estate taxes must be assessed and be lienable only against the individual units, together with their undivided interests in the common elements, and not against the multifamily structure. The owners’ association usually owns no real estate, so it has no obligation concerning ad valorem taxes. Unless taxes are assessed only against the individual units, a tax lien could amount to more than the value of any particular unit in the structure.

(c) [Reserved]

(d) Policies for bylaws. The bylaws of the condominium should be sufficiently detailed for the successful governance of the condominium by unit owners. Among other things, such documents should contain adequate provisions for the election and removal of directors and officers.

(e) Insurance and related requirements—(1) Insurance. The holder shall require hazard and flood insurance policies to be procured and maintained in accordance with §36.4829. Because of the nature of condominiums, additional types of insurance coverages—
such as tort liability insurance for injuries sustained on the premises, personal liability insurance for directors and officers managing association affairs, boiler insurance, etc.—should be considered in appropriate circumstances.

(2) Fidelity bond coverage. The securing of appropriate fidelity bond coverage is recommended but not required, for any person or entity handling funds of the owners’ association, including, but not limited to, employees of the professional managers. Such fidelity bonds should name the association as an obligee, and be written in an amount equal to at least the estimated maximum of funds, including reserve funds, in the custody of the owners’ association or the management agent at any given time during the term of the fidelity bond. However, the bond should not be less than a sum equal to 3 months’ aggregate assessments on all units plus reserve funds.

(Authority: 38 U.S.C. 3703(c)(1), 3710(a)(6))

§ 36.4364 Documentation and related requirements—flexible condominiums and condominiums with off-site facilities.

(a) Expandable condominiums. The following policies apply to condominium regimes which may be increased in size by the declarant:

(1) The declarant’s right to expand the regime must be fully described in the declaration. The declaration must contain provisions adequate to ensure that future improvements to the condominium will be consistent with initial improvements in terms of quality of construction. The declarant must build each phase in accordance with an approved general plan for the total development (§ 36.4861(d)(2)) supported by detailed plats and plans of each phase prior to the construction of the particular phase.

(2) The reservation of a right to expand the condominium regime, the method of expansion and the result of an expansion must not affect the statutory validity of the condominium regime or the validity of title to the units.

(3) The declaration or equivalent document must contain a covenant that the condominium regime may not be amended or merged with a successor condominium regime without prior written approval of the Secretary. The declarant may have the proposed legal documentation to accomplish the merger reviewed prior to recordation. However, the Secretary’s final approval of the merger will not be granted until the successor condominium has been legally established and construction completed. The declarant may add phases to an expandable condominium regime without the prior approval of the Secretary if the phasing implements a previously approved general plan for the total development. A copy of the amendment to the declaration or other annexation document which adds each phase must be submitted to the Secretary in accordance with §36.4865(b)(6).

(4) Liens arising in connection with the declarant’s ownership of, and construction of improvements upon, the property to be added must not adversely affect the rights of existing unit owners, or the priority of first mortgages on units in the existing condominium property. All taxes, assessments, mechanic’s liens, and other charges affecting such property, covering any period prior to the addition of the property, must be paid or otherwise satisfactorily provided for by the declarant.

(5) The declarant must purchase (at declarant’s own expense) a general liability insurance policy in an amount not less than $1 million for each occurrence, to cover any liability which owners of previously sold units are exposed to as a result of further condominium project development.

(6) Each expandable project shall have a specified maximum number of units which will give each unit owner a minimum percentage of interest in the common elements. Each project shall also have a specified minimum number of units which will give each unit owner a maximum percentage of interest in the common elements. The minimum number of units to be built should be that which would be adequate to reasonably support the common elements. The maximum number of units to be built should be that which would not overload the capacity
of the common facilities. The maximum possible percentage(s) and the minimum possible percentage(s) of undivided interest in the common elements for each type of unit must be stated in the declaration or equivalent document.

(7) The declaration or equivalent document shall set forth clearly the basis for reallocation of unit owner's ownership interests, common expense liabilities and voting rights in the event the number of units in the condominium is increased. Such reallocation shall be according to the applicable criteria set forth in §§ 36.4861(b) and 36.4862(c)(1) and (2).

(8) The declarant's right to expand the condominium must be for a reasonable period of time with a specific ending date. The maximum acceptable period will usually be from 5 to 7 years after the date of recording the declaration. On a case basis, longer periods of expansion rights will be acceptable, particularly in circumstances involving sizable condominium developments.

(b) Series projects. (1) Each phase in the series approach is to be considered as a separate project. A separate set of legal documents must be filed for each phase or project that relates to the condominium within its own boundary. The declaration for each phase must describe the particular project as a part of the whole development area, but subject only the one phase to the condominium regime. A separate unit ratio must be established that would relate each unit to all units of the particular condominium for purposes of ownership in the common areas, voting rights and assessment liability. A separate association may be created to govern the affairs of each condominium. Each phase is subject to a separate presale requirement.

(2) In the case of proposed projects, or projects under construction, the declaration should state the number of total units that the developer intends to build on other sections of the development area.

(c) Other flexible condominiums. Condominiums containing withdrawable real estate (contractable condominiums) and condominiums containing convertible real estate (portions of the condominium within which additional units or limited common elements, or both, may be created) will be considered acceptable provided the flexible condominium complies with the §36.4800 series.

(765)
being altered, improved or repaired must be appraised in accordance with paragraph (a) of this section.

(2) Horizontal condominiums. Department of Veterans Affairs policies and procedures applicable to single-family residential construction shall also apply to horizontal condominiums. Proposed or existing (declarant in control or marketing units) horizontal condominium conversions shall comply with current local building codes for alterations and improvements or repairs made to convert the building to the condominium form of ownership unless local authorities require total code compliance on the entire structure when a building is being converted to the condominium form of ownership. In those areas where local standards are nonexistent, inferior to, or in conflict with Department of Veterans Affairs objectives, a certification will be required from a professional architect and/or registered engineer certifying that the plans and specifications conform to one of the national building codes which is typical of similar construction methods and standards for condominiums used in the area. Those portions of the condominium conversion which are not being altered, improved or repaired must be appraised in accordance with paragraph (a) of this section.

(Authority: 38 U.S.C. 3703(c)(1), 3710(a)(6))

(3) Unit completion. All units in the individual project or phase must be substantially completed except for customer preference items, such as interior finishes, appliances or equipment.

(4) Common element completion. All amenities of the condominium (to include offsite community facilities), that are to be considered in the unit value, must be bound legally to the condominium regime. All such amenities as well as the common elements of the project, must be substantially completed and available for use by the unit owners. In large multi-phase projects, the declarant should construct common elements in a manner consistent with the addition of units to support the entire development. The Secretary, in appropriate cases, may approve the placement of adequate funds by the declarant in an escrow or otherwise earmarked account or accept a letter of credit or surety bond to assure completion of amenities and allow closing of VA-guaranteed (or insured) loans. Such funds must be adequate to assure completion of the amenities free and clear of all liens.

(Authority: 38 U.S.C. 3703(c)(1), 3710(a)(6))

(5) Information brochure/public offering statement. When units are being sold by the declarant (not applicable to resales), an information brochure/public offering statement must be given to veteran buyers prior to the time a down payment is received and an agreement is signed, unless State law authorized receipt of the down payment and delivery of the information brochure followed by a period in which purchasers may cancel the purchase agreement without penalty for a specified number of days. Information brochures must be written in simple terms to inform buyers that the association does not provide owner’s contents and personal liability policies which are the owner’s responsibility. In the event the development is expandable, series, etc., there must be full disclosure of the impact of the total development plan. In expandable, series or other projects with more than one phase, the information brochure must disclose fully later development rights, and the general plans of the declarant for additional phases. If the declarant makes no assurance concerning phases which are not required to be built, the declarant should state that no assurances are given concerning construction, unit sizes, building types, architectural styles, etc. In condominium conversions, the information brochure must list the major structural and mechanical components and the estimated remaining useful life of the components. A brief explanation must be furnished in the brochure explaining that certain major structural or mechanical components may require replacement within a specified time period. If the declarant has elected to place funds into a condominium reserve fund for replacement of a major component under the provisions of §36.4865(b)(7), the amount of the contribution into the reserve fund must be specified in the information brochure.
Department of Veterans Affairs § 36.4365

(6) Evidence of proper phasing. In an expandable or flexible condominium, evidence of the addition of each phase in accordance with a previously approved general plan of development must be submitted to the Secretary prior to the guaranty of the first loan in the added area.

(7) Additional condominium conversion requirements. (i) The declarant of any condominium project must furnish structural and mechanical common element component statements on the present condition of all accessible structural and mechanical components material to the use and enjoyment of the condominium. These statements must be completed by a registered professional engineer and/or architect prior to the guaranty of the first unit loan in the project. Each statement must also give an estimate of the expected useful life of the roof, elevators, heating and cooling, plumbing and electrical systems assuming normal maintenance. A minimum of 10 years estimated remaining useful life is required on all structural and mechanical components. In the alternative, the declarant may contribute an amount of funds to the condominium reserve fund equal to a minimum of \( \frac{1}{10} \) (one-tenth) of the estimated costs of replacement of a major structural or mechanical component (as determined by an independent registered professional architect or engineer) for each year of estimated remaining useful life less than 10 years, e.g., 7 years remaining useful life equals \( \frac{3}{10} \) required declarant contribution to the reserve fund of the component’s estimated replacement cost. The noted statements and remaining useful life requirement are not applicable to existing resale conversion projects when the declarant is no longer marketing units and/or in control of the association. Expandable or series condominium conversions require engineering and architectural statements on each stage or phase.

(ii) In declarant controlled projects, a statement(s) by the local authority(ies) of the adequacy of offsite utilities servicing the site (e.g., sanitary or water) is required. If a local authority(ies) declines to issue such a statement(s), a statement(s) may be obtained from a registered professional engineer. If local authority(ies) declines to issue such a statement(s), a statement(s) may be obtained from a registered professional engineer.

(c) Presale requirements:

(1) Proposed construction or existing declarant in control. Bona fide agreements of sale must have been executed by purchasers other than the declarant (who are obligated contractually to complete the purchase) of 70 percent of the total number of units in the project. Lenders shall certify as to satisfaction of the presale requirement prior to VA guaranty of the first unit loan. When a declarant can demonstrate that a lower percentage would be justified, the Secretary, on an individual case basis, may approve a presale requirement of less than 70 percent. Reduction of the 70 percent presale requirement will be considered when:

(i) Strong initial sales demonstrate a ready market, or

(ii) The declarant will provide cash assets or acceptable bonds for payment of full common area assessments to the owners’ association until such assessments are assumed by unit purchasers, or

(iii) Subsequent phases of an overall development are being undertaken in a proven market area, or

(iv) Previous experience in similar projects in the same market area indicates strong market acceptance, or

(v) The development is in a market area that has repeatedly indicated acceptance of such projects.

(2) Multiphase—proposed or existing declarant in control. The requirements of paragraph (c)(1) of this section shall apply to each individual phase of a multiphase development, taking into consideration that each individual phase must be capable of self-support in the event that the developer does not complete all planned phases.

(d) Warranty. Except in condominium conversion projects, each CRV (Certificate of Reasonable Value) issued by the Secretary relating to a proposed or existing not previously occupied dwelling unit in a condominium project shall be subject to the express condition that the builder, seller, or the real party in interest in the transaction shall deliver to the veteran purchasing the dwelling...
unit with the aid of a guaranteed or insured loan a warranty against defects for the unit and common elements. The unit shall be warranted for 1 year from the date of settlement or the date of occupancy (whichever first occurs). The common elements shall be warranted for 2 years from the date each of the common elements is completed and available for use by the unit owners, or 2 years from the date the first unit is conveyed to a unit owner other than the declarant, whichever is later, in the particular phase of the condominium containing the common element. For these purposes, defects shall be those items reasonably requiring the repair, renovation, restoration, or replacement of any of the components constituting the unit or common elements. Items of maintenance relating to the unit or common elements are not covered by the warranty. No certificate of guaranty or insurance credit shall be issued unless a copy of such warranty, duly receipted by the purchaser, is submitted with the loan papers.

(e) Ownership and operation of offsite facilities—

(1) **Title requirements.** Evidence must be presented that the offsite facility owned by an owners’ association with mandatory membership by condominium unit owners or condominium unit owners’ associations has been completed and conveyed free of encumbrances by the declarant for the benefit of the unit owners with title insured by an owner’s title policy or other acceptable title evidence. Offsite facilities conveyed to a nonprofit corporation are the preferred method of offsite facilities ownership; however, the Secretary will consider other forms of ownership on an individual case basis.

(2) **Mandatory membership.** The declaration of the condominium (each condominium in a series development) and the legal documentation of the corporation or association which owns the offsite facility must provide the following:

(i) The owner of a condominium unit is automatically a member of the offsite facility corporation or association and that upon the sale of the unit, membership is transferred automatically to the new owner/purchaser. It is also acceptable if each condominium owners’ association (in lieu of each individual unit owner) is automatically a member of the offsite facility corporation or association coupled with use rights for each of the unit owners or residents. If membership in an offsite owners’ association is voluntary, no credit in the CRV valuation may be given for such offsite amenities.

(ii) Each member of the offsite facility corporation or association must be entitled to a representative vote at meetings of the offsite facility corporation or association. If the individual condominium owners’ association is a member of the offsite facility corporation or association, each condominium owners’ association must be entitled to a representative vote at meetings of the offsite facility corporation or association.

(iii) Each member must agree by acceptance of the unit deed to pay a share of the expenses of the offsite facility corporation or association as assessed by the corporation or association for upkeep, insurance, reserve fund for replacements, maintenance and operation of the offsite facility. The share of said expenses shall be determined equitably. Failure to pay such assessment must result in a lien against the individual unit in the same manner as unpaid assessments by the association of owners of the condominium. If each condominium owners’ association is a member of the offsite facility in lieu of individual unit owners, failure of the condominium owners’ association to pay its equitable assessment to the offsite facility must result in an enforceable lien.

(3) **Declarant payment of offsite facility in a series project.** Until the declarant has completed all of the intended condominium phases in a total condominium development or established each condominium regime by filing a separate declaration in a series development, the balance of the total sum of the expenses of the offsite facility not covered by the assessment against the unit owners should be assessed against and be payable by the declarant commencing on the first day of the first month after the first unit is conveyed to a homeowner in the first phase. If
this balance is not paid, it must become a lien against those parcels of land in the development area which are owned by the declarant. The collection of such debt and enforcement of such lien may be by foreclosure or such other remedies afforded the corporation or association under local law.

(f) Professional management. Many condominiums are small enough and their common areas so minimal that professional management is not necessary. VA does not have a requirement for professional management of condominiums. The powers given to the owners’ association by the declaration and bylaws are fundamentally for “use control” and maintenance of the undivided interest all of the owners have in the common areas. These powers normally include management which may, if desired, be delegated to a professional manager. However, if the board of directors wants professional management, the management agreement must be terminable for cause upon 30 days’ notice, and run for a reasonable period of from 1 to 3 years and be renewable for consent of the association and the management. (Management contracts negotiated by the declarant should not exceed 2 years.)

(g) Commercial areas. With respect to existing and proposed condominiums, commercial areas within condominium developments are acceptable, but such interests will be considered in value.

§ 36.4367 Requirement of construction warranty.

Each certificate of reasonable value issued by the Secretary relating to a proposed or newly constructed dwelling unit, except those covering one-family residential units in condominium housing developments or projects within the purview of §§36.4860 through 36.4865, shall be subject to the express condition that the builder, seller, or the real party in interest in the transaction shall deliver to the veteran constructing or purchasing such dwelling with the aid of a guaranteed or insured loan a warranty, in the form prescribed by the Secretary, that the property has been completed in substantial conformity with the plans and specifications upon which the Secretary based the valuation of the property, including any modifications thereof, or changes or variations therein, approved in writing by the Secretary, and no certificate of guaranty or insurance credit shall be issued unless a copy of such warranty duly receipted by the purchaser is submitted with the loan papers.

§ 36.4368 Nondiscrimination and equal opportunity in housing certification requirements.

(a) Any request for a master certificate of reasonable value on proposed or existing construction, and any request for appraisal of individual existing housing not previously occupied, which is received on or after November 21, 1962, will not be assigned for appraisal prior to receipt of a certification from the builder, sponsor or other seller, in the form prescribed by the Secretary, that neither it nor anyone authorized to act for it will decline to sell any property included in such request to a prospective purchaser because of his or her race, color, religion, sex or national origin.

(b) On requests for appraisal of individual proposed construction received on or after November 21, 1962, the prescribed nondiscrimination certification will be required if the builder is to sell the veteran the lot on which the dwelling is to be constructed, but will not be required if:

(1) The veteran owns the lot; or

(2) The lot is being acquired by the veteran from a seller other than the builder and there is no identity of interest between the builder and the seller of the lot.

(c) Each builder, sponsor or other seller requesting approval of site and subdivision planning shall be required to furnish a certification, in the form prescribed by the Secretary, that neither it nor anyone authorized to act for it will decline to sell any property included in such request to a prospective purchaser because of his or her race, color, religion, sex or national origin.

Site and subdivision analysis will not
be commenced by the Department of Veterans Affairs prior to receipt of such certification.

(d) No commitment shall be issued and no loan shall be guaranteed or insured under 38 U.S.C. chapter 37 unless the veteran certifies, in such form as the Secretary shall prescribe, that

(1) Neither he/she, nor anyone authorized to act for him/her, will refuse to sell or rent, after the making of a bona fide offer, or refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny the dwelling or property covered by this loan to any person because of race, color, religion, sex, or national origin;

(2) He/she recognizes that any restrictive covenant on the property relating to race, color, religion, sex or national origin is illegal and void and any such covenant is specifically disclaimed; and

(3) He/she understands that civil action for preventive relief may be brought by the Attorney General of the United States in any appropriate U.S. District Court against any person responsible for a violation of the applicable law.

§ 36.4369 Correction of structural defects.

(a) The purpose of this section is to specify the types of assistance that the Secretary may render pursuant to 38 U.S.C. 3727 to an eligible borrower who has been unable to secure satisfactory correction of structural defects in a dwelling encumbered by a mortgage securing a guaranteed, insured or direct loan, and the terms and conditions under which such assistance will be rendered.

(b) A written application for assistance in the correction of structural defects shall be filed by a borrower under a guaranteed, insured or direct loan with the Director of the Department of Veterans Affairs office having loan jurisdiction over the area in which the dwelling is located. The application must be filed not later than 4 years after the date on which the first direct, guaranteed or insured mortgage loan on the dwelling was made, guaranteed or insured by the Secretary. A borrower under a direct, guaranteed or insured mortgage loan on the same dwelling which was made, guaranteed or insured subsequent to the first such loan shall be entitled to file an application if it is filed not later than 4 years after the date on which such first loan was made, guaranteed or insured by the Secretary.

(c) An applicant for assistance under this section must establish that:

(1) The applicant is the owner of a one- to four-family dwelling which was inspected during construction by the Department of Veterans Affairs or the Federal Housing Administration.

(2) The applicant is an original veteran-borrower on an outstanding guaranteed, insured or direct loan secured by a mortgage on such dwelling which was made, guaranteed or insured on or after May 8, 1968. The Secretary may, however, recognize an applicant who is not the original veteran-borrower but who contracted to assume such borrower's personal obligation thereunder, if the Secretary determines that such recognition would be in the best interests of the Government in the particular case.

(3) There exists in such dwelling a structural defect, not the result of fire, earthquake, flood, windstorm, or waste, which seriously affects the livability of the dwelling.

(4) The applicant has made reasonable efforts to obtain correction of such structural defect by the builder, seller, or other person or firm responsible for the construction of the dwelling.

(d) In those instances in which the Secretary determines that assistance under this section is appropriate and necessary the Secretary may take any of the following actions:

(1) Pay such amount as is reasonably necessary to correct the defect, or

(2) Pay the claim of the borrower for reimbursement of the borrower's expenses for correcting or obtaining correction of the defect, or

(3) Acquire title to the property upon terms acceptable to the borrower and the holder of the guaranteed or insured loan.

(e) To the extent of any expenditure made by the Secretary pursuant to paragraph (d) of this section the Secretary shall be subrogated to any legal
rights the borrower or applicant described in paragraph (c)(2) of this section may have against the builder, seller, or other persons arising out of the structural defect or defects.

(f) The borrower shall not be entitled, as a matter of right, to receive the assistance in the correction of structural defects provided in this section. Any determination made by the Secretary in connection with a borrower’s application for assistance shall be final and conclusive and shall not be subject to judicial or other review. Authority to act for the Secretary under this section is delegated to the Under Secretary for Benefits.

(g) For the purpose of this section, the term “structural defects seriously affecting livability” shall in no event be deemed to include—

(1) Defects of any nature in a dwelling in respect to which the applicant for assistance under this section was the builder or general contractor, or

(2) Structural features, improvements, amenities, or equipment which were not taken into account in the Secretary’s determination of reasonable value.

(a) Must not include information falsely stating or implying that it was issued by or at the direction of VA or any other department or agency of the United States, and

(b) Must not include information falsely stating or implying that the lender has an exclusive right to make loans guaranteed or insured by V.A.

(b) A current account shall be maintained in the name of each insured lender or purchaser. The account shall be credited with the appropriate amounts available for the payment of losses on insured loans made or purchased. The account shall be debited with appropriate amounts on account of transfers, purchases under §36.4820, or payment of losses. The Secretary may on 6 months’ notice close any lender’s insurance account. Such account after expiration of the 6-month period shall be available only as to loans embraced therein.

(c) Amounts received or recovered by the Secretary or the holder with respect to a loan after payment of an insured claim thereon will not restore any amount to the holder’s insurance account.

§ 36.4377 Transfer of insured loans.

(a) In cases involving the transfer from one insured financial institution to another insured institution of loans which are transferred without recourse, guaranty, or repurchase agreement, if no payment on any loan included in the transfer is past due more than one calendar month at the time of transfer there shall be transferred from the insurance account of the transferor to the insurance account of the transferee an amount equal to the original percentage credited to the insurance account in respect to each loan being transferred applied to the unpaid balance of such loans, or to the purchase price, whichever is the lesser.

(b) Transfers between insurance accounts in a manner or under conditions not provided in paragraph (a) of this section must have the prior approval of the Secretary.

(c) Where loans are transferred with recourse or under a guaranty or repurchase agreement no insurance credit will be transferred or insurance account affected and no reports will be required.

(d) In all cases of transfer of loans from one insured financial institution to another insured institution, except
§ 36.4378 Debits and credits to insurance account under § 36.4820.

In the event that an insured loan is transferred under the provisions of § 36.4820, there shall be charged to the insurance account of the transferor a sum equal to the amount paid transferor on account of the indebtedness less the current market value of the property transferred as security therefor as determined by an appraiser designated by the Secretary, or the amount chargeable to such insurance account in the event of a transfer under § 36.4877, whichever sum is the greater. The credit to the insurance account of the transferee will be computed in accordance with § 36.4877(a).

§ 36.4379 Payment of insurance.

(a) Upon the continuance of a default for a period of three months, the holder may proceed to establish the net loss, after giving the notices prescribed in §§ 36.4817 and 36.4850 if security is available. The net loss shall be reported to the Secretary with proper claim, whereupon the holder shall be entitled to payment of the claim within the amount then available for such payment under the payee’s related insurance account. Subject to the provisions of the paragraph (b) of this section and to § 36.4875(b) a supplemental claim for any balance of an insurance loss may be filed at any time within 5 years after the date of the original claim.

(b) The basis of the claim for an insured loss shall consist in the unrealized principal or the amount paid for the obligation, if less, plus unrealized interest to the date of claim or the date of sale whichever is earlier, and those expenses, if any, allowable under § 36.4814, but subject to proper credits because of payments, set-off, proceeds of security or otherwise, provided that if there is no liquidation of security the claim shall not include an accrual of interest for a period in excess of 6 months from the date of the first uncured default.

To induce the Department of Veterans Affairs to act on any request submitted by or on behalf of the undersigned for site approval of land to be improved for the construction of housing thereon to be financed with loans guaranteed, insured or made by the Department of Veterans Affairs, or for establishment of a direct loan fund reservation commitment or for direct loan fund reservation commitments, the undersigned hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work or modification thereof, as defined in the rules and regulations of the Secretary of Labor relating to the land or housing included in its request to the Department of Veterans Affairs the following equal opportunity clause:

During the performance of this contract the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to race, color, religion, sex or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice of his intention to take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit
access to his books, records and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

(6) In the event of the contractor's noncompliance with the nondiscrimination clause of this contract or with any of the said rules, regulations or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Except in special cases and in subcontracts for the performance of construction work at the site of construction, the clause is not required to be inserted in subcontracts below the second tier. Subcontracts may incorporate by reference the equal opportunity clause.

The undersigned further agrees that it will be bound by the above equal opportunity clause in any federally assisted construction work which it performs itself other than through the permanent work force directly employed by an agency of Government.

The undersigned agrees that it will cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The undersigned further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to Part II, Subpart D of Executive Order 11246 and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon the contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of Executive Order 11246.

In addition, the undersigned agrees that if it fails or refuses to comply with these undertakings such failure or refusal shall be a proper basis for cancellation by the Department of Veterans Affairs of any outstanding master certificates of reasonable value or individual certificates of reasonable value relating to proposed construction, except in respect to cases in which an eligible veteran has contracted to purchase a property included on such certificates, and for the rejection of future requests submitted by the undersigned or on his or her behalf for site approval, appraisal services, and direct loan fund reservation commitments until satisfactory assurance of future compliance has been received from the undersigned, and for referral of the case to the Department of Justice for appropriate legal proceedings.

(b) If the existence of a violation is denied by the person, firm or other entity against which a complaint has been made, the Director or designee shall conduct such inquiries and hearings as may be deemed appropriate for the purpose of ascertaining the facts.

(c) If it is found that the person, firm or other entity against which a complaint has been made has not violated the undertakings referred to in §36.4892, the parties shall be so notified.
(d) If it is found that there has been a violation of the undertakings referred to in §36.4892, the person, firm or other entity in violation shall be requested to attend a conference for the purpose of discussing the matter. (ii) Feasibility and suitability requirements have been satisfied pursuant to §36.4404(b); and

(iii) The eligible individual has not exceeded the usage or dollar limitations prescribed by §§36.4402(d) and 36.4403.

(2) Once conditional approval has been granted, the Secretary may authorize, in writing, an eligible individual to incur certain preconstruction costs pursuant to §36.4406.

(b) Final approval. In order for an individual to obtain final approval for a specially adapted housing grant, the Secretary must determine that the following property requirements are met:

(1) Proposed adaptations. The plans and specifications of the proposed adaptations demonstrate compliance with minimum property and design requirements of the specially adapted housing program.

(2) Ownership. (i) In the case of 2101(a) grants, the eligible individual must have, or provide satisfactory evidence that he or she will acquire, an ownership interest in the housing unit.

(ii) In the case of 2101(b) grants, the eligible individual or a member of the eligible individual's family must have, or provide satisfactory evidence that he or she will acquire, an ownership interest in the housing unit.

(B) The eligible individual and the member of the eligible individual's family who has or acquires an ownership interest in the housing unit must sign a certification as to the likelihood of the eligible individual's temporary occupancy of such residence.

(iv) If the ownership interest in the housing unit is or will be vested in the eligible individual and another person, the Secretary will not for that reason reduce by percentage of ownership the amount of a specially adapted housing grant. However, to meet the ownership requirement for final approval of a specially adapted housing grant, the eligible individual's ownership interest must be of sufficient quantum and quality, as determined by the Secretary, to ensure the eligible individual's quiet enjoyment of the property.

(3) Certifications. The eligible individual must certify, in such form as the Secretary will prescribe, that:

(i) Neither the eligible individual, nor anyone authorized to act for the eligible individual, will refuse to sell or rent, after receiving a bona fide offer, or refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny the housing unit acquired by this benefit, to any person because of race, color, religion, sex, familial status, disability, or national origin;

(ii) The eligible individual, and anyone authorized to act for the eligible individual, recognizes that any restrictive covenant on the housing unit relating to race, color, religion, sex, familial status, disability, or national origin is illegal and void, and any such covenant is specifically disclaimed; and

(iii) The eligible individual, and anyone authorized to act for the eligible individual, understands that civil action for preventative relief may be brought by the Attorney General of the United States in any appropriate U.S. District Court against any person responsible for a violation of the applicable law.
§ 36.4406 Reimbursement of costs and disbursement of grant funds.

(a) After providing conditional approval of a specially adapted housing grant for an eligible individual pursuant to §36.4405, the Secretary may authorize the incurrence, prior to obtaining final specially adapted housing grant approval, of preconstruction costs of the types and subject to the limits specified in this paragraph.

1. Preconstruction costs to be incurred may not exceed 20 percent of the eligible individual’s aggregate amount of assistance available, unless the individual is authorized by the Secretary in writing to incur specific preconstruction costs in excess of this 20 percent limitation. Preconstruction costs may include the following items:

   (ii) Land surveys.
   (iii) Attorneys’ and other legal fees.
   (iv) Other costs or fees necessary to plan for specially adapted housing grant use, as determined by the Secretary.

2. If the Secretary authorizes final approval, the Secretary will pay out of the specially adapted housing grant the preconstruction costs that the Secretary authorized in advance. If the specially adapted housing grant process is terminated prior to final approval, preconstruction costs incurred that the Secretary authorized in advance will be reimbursed to the eligible individual, or the eligible individual’s estate pursuant to paragraph (c) of this section, but will be deducted from the aggregate amount of assistance available and the reimbursement will constitute one of the three permitted grant usages (see §36.4403).

(b) The Secretary will determine a method of disbursement that is appropriate and advisable in the interest of the eligible individual and the Government, and will pay the specially adapted housing grant accordingly. Disbursement of specially adapted housing grant proceeds generally will be made to third parties who have contracted with the veteran, to an escrow agent, or to the eligible individual’s lender, as the Secretary deems appropriate. If the Secretary determines that it is appropriate and advisable, the Secretary may disburse specially adapted housing grant funds directly to an eligible individual where the eligible individual has incurred authorized preconstruction or

(4) Flood insurance. The eligible individual’s housing unit, if it is or becomes located in an area identified by the Federal Emergency Management Agency as having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act, as amended, must be covered by flood insurance. The amount of flood insurance must be at least equal to the lesser of the full insurable value of the housing unit or the maximum limit of coverage available for the particular type of housing unit under the National Flood Insurance Act, as amended. The Secretary will not approve any financial assistance for the acquisition or construction of a housing unit located in an area identified by the Federal Emergency Management Agency as having special flood hazards unless the community in which such area is situated is then participating in the National Flood Insurance Program.

(ii) The fee described in paragraph (b)(2)(i) of this section shall not be collected from a veteran who is receiving compensation (or who but for the receipt of retirement pay would be entitled to receive compensation) or from a surviving spouse described in section 3701(b)(2) of title 38 U.S.C.

(Authority: 38 U.S.C. 3729(b))

(iii) Collection of the loan fee described in this paragraph (b)(2) of this section shall not apply to loans closed prior to August 17, 1984, or to loans closed after September 30, 1987.

(Authority: 38 U.S.C. 3729(d))

(3) Costs or expenses normally paid by a purchaser or lienor incident to loan closing including but not limited to the following:

(i) Fee of Department of Veterans Affairs designated compliance inspector;

(ii) Recording fees and recording taxes or other charges incident to recording;

(iii) That portion of taxes, assessments, and other similar items for the current year chargeable to the borrower and the initial deposit (lump-sum payment) for the tax and insurance account;

No service or brokerage fee shall be charged against the veteran-borrower by any third party for procuring a direct loan or in connection therewith.

(c) With respect to a loan to construct, repair, alter, or improve a farm residence or other dwelling, the Department of Veterans Affairs may require the veteran to deposit with the Department of Veterans Affairs, or in an escrow satisfactory to the Department of Veterans Affairs, 10 percent of the estimated cost thereof or such alternative sum, in cash or its equivalent, as the Department of Veterans Affairs may determine to be necessary in order to afford adequate assurance that sufficient funds will be available, from the proceeds of the loan or from other sources, to assure completion of the construction, repair, alteration, or improvement in accordance with the plans and specifications upon which the Department of Veterans Affairs based its loan commitment.

(Authority: 38 U.S.C. 501, 3724, and 3729)

§ 36.4505 Maturity of loan.

(a) The maturity of a loan shall not exceed 25 years and 32 days. If the Department of Veterans Affairs determines the income and expenses of a veteran-applicant under customary credit standards would prevent the veteran from making the required loan payments for a loan which matures in 25 years and 32 days, but the veteran would be able to make the loan payments over a longer period of time, the loan may be made with a maturity not in excess of 30 years and 32 days.

(b) Every loan shall be repayable within the estimated economic life of the property securing the loan.

(c) Nothing in this section shall preclude extension of the loan pursuant to the provisions of § 36.4506.

[46 FR 43675, Aug. 31, 1981]

§ 36.4506 Recasting.

In the event of default or to avoid imminent default, the Department of Veterans Affairs may at any time enter into an agreement with the borrower which will permit the latter temporarily to repay the obligation on a basis appropriate to the borrower’s apparent current ability to pay or may enter into an appropriate recasting or extension agreement: Provided, That no such agreement shall extend the ultimate repayment of a loan beyond the expiration of 30 years and 32 days from the date of the loan. Provided further, That nothing in this section shall be deemed to limit the forbearance or indulgence which the Secretary may extend in an individual case pursuant to the provisions of 38 U.S.C. 3720(f).

[46 FR 43675, Aug. 31, 1981]

§ 36.4507 Refinancing of mortgage or other lien indebtedness.

(a) Loans may be made for the purpose of refinancing (38 U.S.C. 3710(a)(5)) an existing mortgage loan or other indebtedness secured by a lien of record on a dwelling or farm residence owned and occupied by an eligible veteran as the veteran’s home, provided that:

(1) The amount of the loan does not exceed the sum due the holder of the mortgage or other lien indebtedness on such dwelling or farm residence, and also is not more than the reasonable value of the dwelling or farm residence, and

(2) The loan is otherwise eligible.

(b) A refinancing loan for an amount which exceeds the sum due the holder of the mortgage or other lien indebtedness (the excess proceeds to be paid to the veteran) may also be made, Provided, That:

(1) The loan is otherwise eligible, and

(2) The issuance of a commitment to make any such loan for an amount which exceeds eighty (80) percent of the reasonable value of the veteran’s dwelling or farm residence shall require, unless the Under Secretary for Benefits otherwise directs, the approval of the Director, Loan Guaranty Service.

(c) Nothing shall preclude making a loan pursuant to the provisions of 38 U.S.C. 3710(a)(5) to an eligible veteran having home loan guaranty entitlement to refinance a loan previously guaranteed insured or made by the Secretary which is outstanding on the dwelling or farm residence owned and occupied or to be reoccupied after the completion of major alterations, repairs, or improvements to the property, by the veteran as the veteran’s home.

(Authority: 38 U.S.C. 3711)

(d) A refinancing loan may include contractual prepayment penalties, if any, due the holder of the mortgage or other lien indebtedness to be refinanced.

(e) Nothing in this section shall preclude the refinancing of the balance due for the purchase of land on which new construction is to be financed through the proceeds of the loan, or the refinancing of the balance due on an existing land sale contract relating to a veteran’s dwelling or farm residence.

§ 36.4508 Transfer of property by borrower.

(a) Direct loans for which commitments are made on or after March 1, 1988, are not assumable without the prior approval of the Department of
Veterans Affairs or its authorized agent. The following shall apply:

(1) The Department of Veterans Affairs shall include in the mortgage or deed of trust and the promissory note or bond on any loan for which a commitment was made on or after March 1, 1988, the following warning in a conspicuous position in capital letters on the first page of the document in type at least 2½ times larger than the regular type on such page: “THIS LOAN IS NOT ASSUMABLE WITHOUT THE APPROVAL OF THE DEPARTMENT OF VETERANS AFFAIRS OR ITS AUTHORIZED AGENT”. Due to the difficulty in obtaining some commercial type sizes which are exactly 2½ times larger in height than other sizes, minor deviations in size will be permitted based on commercially available type sizes nearest to 2½ times the size of the print on the document.

(2) The instrument securing a direct loan for which a commitment is made on or after March 1, 1988, shall include:

(i) A provision that the Department of Veterans Affairs or other holder may declare the loan immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to section 3714. This option may not be exercised if the transfer is the result of:

(A) The creation of a lien or other encumbrance subordinate to the lender’s security instrument which does not relate to a transfer of rights of occupancy in the property;

(B) The creation of a purchase money security interest for household appliances;

(C) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(D) The granting of a leasehold interest of three years or less not containing an option to purchase;

(E) A transfer to a relative resulting from the death of a borrower;

(F) A transfer where the spouse or children of the borrower become a joint owner of the property with the borrower;

(G) A transfer resulting from a decree of a dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement by which the spouse of the borrower becomes the sole owner of the property.

In such a case the borrower shall have the option of applying directly to the Department of Veterans Affairs regional office of jurisdiction for a release of liability under 1813(a); or

(H) A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property.

(ii) A provision that a funding fee equal to one-half of one percent of the loan balance as of the date of transfer shall be payable to the Department of Veterans Affairs or its authorized agent. Furthermore, this provision shall provide that if this fee is not paid it shall constitute an additional debt to that already secured by the instrument; and,

(iii) A provision authorizing an assumption processing charge, not to exceed the lesser of $300 and the actual cost of a credit report or any maximum prescribed by applicable State law.

(Authority: 38 U.S.C. 3714)

(b) Whenever any veteran disposes of residential property securing a direct loan obtained under 38 U.S.C. chapter 37, the Department of Veterans Affairs, upon application made by such borrower, shall issue to the borrower a release relieving the borrower of all further liability to the Department of Veterans Affairs on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Department of Veterans Affairs has determined, after such investigation as it deems appropriate, that there has been compliance with the conditions prescribed in 38 U.S.C. 3713(a) or 1814, as appropriate. The assumption of full liability for repayment of the loan by the transferee of the property must be evidenced by an agreement in writing in such form as the Department of Veterans Affairs may require. Any release of liability granted to a veteran by the Department of Veterans Affairs shall inure to the spouse of such veteran.
(c) If, on or after July 1, 1972, any veteran disposes of the property securing a direct loan obtained under 38 U.S.C. chapter 37, without receiving a release from liability with respect to such loan under 38 U.S.C. 3713(a) and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if the Secretary determines that:

1. A transferee either immediate or remote is legally liable to the Secretary for the debt of the original veteran-borrower established after the termination of the loan, and
2. The original loan was current at the time such transferee acquired the property, and
3. The transferee who is liable to the Secretary is found to have been a satisfactory credit risk at the time the transferee acquired the property.

§ 36.4509 Joint loans.

(a) No loan will be made unless an eligible veteran is the sole principal obligor, or such veteran and spouse or eligible veteran co-applicant are the principal obligors thereon, nor unless such veteran alone, or together with a spouse or eligible veteran co-applicant, acquire the entire fee simple or other permissible estate in the realty for the acquisition of which the loan was obtained. Nothing in this section shall preclude other parties from becoming liable as co-maker, endorser, guarantor, or surety.

(b) Notwithstanding that an applicant and spouse or other co-applicant are both eligible veterans and will be jointly and severally liable as borrowers, the original principal amount of the loan may not exceed the maximum permissible under § 36.4503(a). In any event the loan may not exceed $33,000.

§ 36.4511 Advances after loan closing.

(a) The Department of Veterans Affairs may at any time advance any sum or sums as are reasonably necessary and proper for the maintenance, repair, alteration, or improvement of the security for a loan or for the payment of taxes, assessments, ground or water rights, or casualty insurance thereon: Provided, That no advance shall be made for alterations or improvements which are not necessary for the maintenance or repair of the security if such advance will increase the indebtedness to an amount in excess of $33,000.

(b) All sums disbursed incident to the making of advances under this section shall be added to the indebtedness. Department of Veterans Affairs may require any such advances to be secured ratably and on a parity with the principal indebtedness, or otherwise secured. The sum so advanced shall be evidenced by a supplemental note or otherwise as may be required by Department of Veterans Affairs.

(c) Department of Veterans Affairs may pay and charge against the indebtedness, or against the proceeds of the sale of any security therefor, any expense which is reasonably necessary for collection of the debt, protection, repossession, preservation, or liquidation of the security or of the lien thereon, including a reasonable amount for trustees’ and legal fees.

(d) The Department of Veterans Affairs may treat as an advance and add to the mortgage balance the one-half of one percent funding fee due on a transfer under 38 U.S.C. 3714 when this is not paid at the time of transfer.

(Authority: 38 U.S.C. 3714)

§ 36.4512 Taxes and insurance.

(a) In addition to the monthly installment payments of principal and interest payable under the terms of the loan agreement, the borrower will be required to make payments monthly to the Secretary in such amounts as may be determined by the Secretary from time to time to be necessary for the purpose of accumulating funds sufficient for the payment of taxes and assessments, ground rents, insurance premiums, and similar levies or charges on the security property. The borrower at loan closing shall pay in cash to the Secretary such sum as it estimates may be necessary as the initial deposit to the borrower’s tax and insurance reserve account.

(Authority: 38 U.S.C. 3720)

(b) The borrower shall procure and maintain insurance of a type or types and in such amounts as may be required by the Secretary to protect the security against fire and other hazards. The Secretary cannot make a loan for the acquisition or construction of property located in an area identified by the Federal Emergency Management Agency as having special flood hazards unless the community in which such area is situated is then participating in the National Flood Insurance Program. The Secretary shall not make, increase, extend, or renew a loan secured by a building or manufactured home that is located or to be located in an area identified by the Federal Emergency Management Agency as having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act, as amended, unless the building or manufactured home and any personal property securing the loan is covered by flood insurance for the term of the loan. The amount of flood insurance must be at least equal to the lesser of the outstanding principal balance of the loan or the maximum limit of coverage available for the particular type of property under the National Flood Insurance Act, as amended. The requirements of 38 CFR 36.4700 through 36.4709 shall apply to direct loans made pursuant to 38 U.S.C. 3711 and 3761 through 3764. All hazard and flood insurance shall be carried with a company or companies satisfactory to the Secretary and the policies and renewals thereof shall be held in the possession of the Secretary and contain a mortgagee loss payable clause in favor of and in a form satisfactory to the Secretary.

(a) The net proceeds of the sale, or

(b) The current market value of the property as determined by the Department of Veterans Affairs, less the costs and expenses of liquidation.

In no event shall the credit pursuant to paragraph (b) of this section exceed the amount of the gross indebtedness, nor shall such credit be less than the amount legally required to be credited to the indebtedness under local law. If a deed in lieu of foreclosure is accepted, the consideration will be a full and complete release of liability of the obligors, or such lesser amount as may be agreed upon between the obligors and the Department of Veterans Affairs.

(A) Holds, possesses, or acquires using the proceeds of the loan a meaningful interest in a lot and/or dwelling that is located on trust land; and

(B) Will purchase, construct, or improve a dwelling on the lot using the proceeds of the loan.

(ii) That each Native American veteran obtaining a direct loan under this section will convey to the Secretary by an appropriate instrument the interest referred to in paragraph (A) as security for the direct loan or, if the laws of the tribal organization do not allow the veteran to convey the meaningful interest to the Secretary, the memorandum of understanding may authorize the tribe to serve as Trustee for the Secretary for purposes of protecting the interest of the Secretary as lender.

(iii) That the tribal organization and each Native American veteran obtaining a direct loan under this section will permit the Secretary or his or her designee to enter upon the trust land of that organization or veteran for the purposes of carrying out such actions as the Secretary or his or her designee determines may be necessary:

(A) To evaluate the advisability of the loan; and

(B) To monitor any purchase, construction, or improvements carried out using the proceeds of the loan.

(C) To protect the improvements from vandalism and the elements,

(D) To make property inspections in conjunction with loan servicing, financial counseling, foreclosure, acquisition, management, repair, and resale of the secured interest.

(iv) That the tribal organization has established standards and procedures that authorize the grantee to legally establish the interest conveyed by a

Native American veteran pursuant to subsection (B) and terminate all interest of the veteran in the land and improvements, including:

(A) Procedures for foreclosing the loan in the event of a default;

(B) Procedures for acquiring possession of the veteran’s interest in the property; and

(C) Procedures for the resale of the property interest and/or the dwelling purchased, constructed, or improved using the proceeds of the loan.

(v) That the tribal organization agrees to such other terms and conditions with respect to the making of direct loans to Native American veterans under the jurisdiction of the tribal organization as the Secretary and the tribal organization may negotiate in order to ensure that direct loans made under this section are made in a responsible and prudent manner.

(2) The Secretary, or his or her designee, may only enter into a memorandum of understanding with a tribal organization under this section if the Secretary, or designee, determines that the memorandum provides for standards and procedures necessary to reasonably protect the financial interests of the United States.

(c)(1) Except as otherwise provided in this paragraph, and notwithstanding the provisions of section 36.4503 of this title, the principal amount of any loan made under this section may not exceed $80,000. The original principal amount of any loan made under this section shall not exceed an amount which bears the same ratio to $80,000 as the amount of the guaranty to which the veteran would be entitled under 38 U.S.C. 3710 at the time the loan is made bears to $36,000.

(2) The Secretary may make loans which exceed the amount specified in paragraph (c)(1) of this section in geographic areas in which the Secretary has determined that housing costs are significantly higher than average housing costs nationwide. The Secretary shall determine the maximum loan amounts in such areas. The original principal amount of any such loan shall not exceed an amount which bears the same ratio to the maximum loan amount established by the Secretary as the amount of the guaranty to which the veteran would be entitled under 38 U.S.C. 3710 at the time the loan is made bears to $36,000.

(3) Loans made under this section shall bear interest at a rate determined by the Secretary after considering yields on comparable mortgages in the secondary market, including bid and ask prices on mortgage-backed securities guaranteed by the Government National Mortgage Association (GNMA).

(4) The minimum requirements for planning, construction, improvement, and general acceptability relating to any direct loan made under this section shall be consistent with the administrative property standards established for loans made or guaranteed under title 38, U.S.C., chapter 37.

(d) Notwithstanding the provisions of §36.4504(b), for loans made under this section, the Native American veteran-borrower shall pay the following loan closing costs to the parties indicated:

(1) A loan fee of 1.25 percent of the total loan amount (2 percent for Reservists who qualify under the provisions of 38 U.S.C. 3701(b)(5)) to the Department of Veterans Affairs. All or part of such fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property or the maximum loan amount. In computing the fee, the Department of Veterans Affairs will disregard any amount included in the loan to enable the borrower to pay such fee.

(2) The fee described in paragraph (d)(1) of this section shall not be collected from a veteran who is receiving compensation (or who but for the receipt of retirement pay would be entitled to receive compensation) or from a surviving spouse described in §3701(b)(2) of title 38 U.S.C.

(3) If the Secretary designates a third party to process the loan package on VA’s behalf, a processing fee to that third party not to exceed $300 plus the actual cost of any credit report required.

(4) Costs or expenses normally paid by a purchaser or mortgagor incident to loan closing including but not limited to the following:

(i) Fees of the Department of Veterans Affairs designated appraisers and compliance inspectors;
Department of Veterans Affairs § 36.4527

(ii) Recording fees or other charges incident to recordation;
(iii) That portion of assessments and other similar items for the current year chargeable to the borrower; and
(iv) Hazard insurance premiums, if such insurance is available.

(5) Charges or costs payable by the Native American veteran-borrower, except for the loan fee described in paragraph (d)(1) of this section, shall be paid in cash and may not be paid out of the proceeds of the loan. No service or brokerage fee shall be charged against the Native American veteran-borrower by any third party for procuring a direct loan.

(e)(1) The credit underwriting standards of 38 CFR 36.4337 shall apply to loans made under this section except to the extent the Secretary determines that they should be modified on account of the purpose of the program to make available housing to Native American veterans living on trust lands.

(2) The Secretary shall determine the reasonable value of the leasehold or other property interest that will serve as security for a loan made under this section in accordance with §37.4519, of this chapter, unless the Secretary determines that such requirements are impractical to implement in a geographic area, on particular trust lands, or under circumstances specified by the Secretary.

(f) In connection with the origination of any loan under this section, the Secretary may make advances in cash to provide for repairs, alterations, and improvements and to meet incidental expenses of the loan transaction.

(g) Loans made under this section shall be amortized under a generally recognized plan which provides for equal monthly installments consisting of principal and interest, except for the final installment which may not be in excess of two times the regular monthly installment. The limitation on the amount of the final installment shall not apply in the case of any loan extended, balloon or reamortized.

(h) The Secretary may:
(1) Take any action that the Secretary determines to be necessary for the custody, management, and protection of properties and the realization or sale of investments under the VA Native American Direct Loan Program;
(2) Determine any necessary expenses and expenditures and the manner in which such expenses and expenditures shall be incurred, allowed, and paid;
(3) Employ, utilize, and compensate persons, organizations, or departments or agencies (including departments and agencies of the United States) designated by the Secretary to carry out necessary functions, including but not limited to loan processing and servicing activities, appraisals, and property inspections.

(i) Notwithstanding any requirement, condition, or limitation stated in or imposed by any provision of this regulation, the Under Secretary for Benefits, or the Director, Loan Guaranty Service, within the limitations and conditions prescribed by the Secretary, may execute memoranda of understanding, make determinations concerning the maximum direct loan amount as provided in paragraph (c) of this section, and take such supplemental administrative action as may be necessary or appropriate to relieve any undue prejudice to a debtor, or other person, which might otherwise result, provided such action shall not impair the vested rights of any person affected thereby. If such a requirement, condition, or limitation is of an administrative or procedural nature, such action may be taken by any employee authorized to act under paragraph (j) of this section.

(j)(1) Except as hereinafter provided, each employee of the Department of Veterans Affairs appointed to, or otherwise lawfully filling, any position designated in paragraph (j)(2) of this section is hereby delegated authority, within the limitations and conditions prescribed by law, to exercise the powers and functions of the Secretary with respect to the making of loans and the rights and liabilities arising therefrom, including, but not limited to the collection or compromise of amounts due, in money or other property, the extension, rearrangement, or sale of loans, and the management and disposition of secured or unsecured notes and other property. In connection with direct

§ 36.4600 Sale of loans, guarantee of payment.

(a) Whenever loans are sold by the Department of Veterans Affairs, they will be clearly identified as loans sold with or without recourse.

(b) The payment of all loans sold with recourse shall be guaranteed in accordance with the provisions of this section.

(c) Wherever the term “holder” appears in this section it shall mean the purchaser of a loan sold by the Secretary and any subsequent transferee or assignee of such loan. The holder of each loan sold subject to guaranty shall be deemed to have agreed with the Secretary as follows:

1. To furnish the Secretary with notice of default within 60 days after a loan has become two full installments in default.
2. To maintain on the real estate a lien of the dignity assigned or transferred to the purchaser by the Secretary.
3. To maintain insurance in an amount sufficient to protect the security against risks or hazards to which it may be subjected to the extent customary in the locality, and to apply the proceeds of loss payments to the loan balance or the restoration of the security, as the holder may in the holder’s discretion deem proper.

(Flood insurance will be required on any building or personal property securing a loan at any time during the term of the loan.)
loan that such security is located in an area identified by the Federal Emergency Management Agency as having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act, as amended. The amount of flood insurance must be at least equal to the lesser of the outstanding principal balance of the loan or the maximum limit of coverage available for the particular type of property under the National Flood Insurance Act, as amended. The notice requirements of 38 CFR 36.4709 shall apply to loans sold pursuant to this section.

(Authority: 42 U.S.C. 4012a, 4104a)

(4) To obtain a consideration equal to the fair market value of any real estate released from the first lien securing the loan, except where the loan will be paid in full, and to apply the entire consideration in reduction of the principal balance of the loan.

(5) To maintain the tax and insurance account as provided for in the loan instruments and to pay accrued taxes, special assessments, ground or water rents and premiums on fire or other insurance properly chargeable to the tax and insurance account.

(6) To submit to the Secretary notice of any suit or action or other legal or equitable proceeding to which the holder is a party (including a copy of every procedural paper filed on behalf of the holder or served on the holder), brought on or in connection with a loan sold under this section or involving title to, or other lien on, the property securing the loan, within the time that would be required if the Secretary were a party to the proceeding.

(7) To submit to the Secretary for prior approval any proposal to recast or extend the repayment terms of the loan.

(8) To take no action to accelerate the indebtedness or terminate the debtor's interest in the property without the prior approval of the Secretary.

(9) To make advances only for the maintenance and repairs reasonably necessary for the preservation of the security, or for the payment of accrued taxes, special assessments, ground or water rents, premiums on fire or other insurance against loss or damage to the property, or for other purposes approved in advance by the Secretary.

(10) To furnish the Secretary prompt notice of the cancellation of any repurchase endorsement or notice on the note or bond upon the payment in full of any loan sold pursuant to this section or of the release of the Secretary from liability to repurchase the loan.

(11) To maintain adequate accounting records and to provide the Secretary with such data relating to the loan as the Secretary may request incident to the Secretary's determination of the amount payable in connection with a request for the repurchase of the loan.

(12) To service the loans properly in accordance with established practices.

(13) To permit the Secretary to inspect, examine or audit at reasonable times and places the records of loans which are subject to repurchase under this section.

(14) To sell any loan to the Secretary for the amount specified in paragraph (e)(3) of this section upon request of the Secretary if the loan is six (6) full installments or more in default.

(15) To dispose of partial payments in accordance with the provisions of this paragraph. A partial payment is a remittance on a loan in default of any amount less than the full amount due under the terms of the loan and security instruments at the time the remittance is tendered; a default is a failure of a borrower to comply with the terms of a loan agreement.

(i) Except as provided in paragraph (c)(15)(ii) of this section, or upon the express waiver of the Secretary, the mortgage holder shall accept any partial payment and either apply it to the mortgagor's account or hold it in a special account pending disposition. When partial payments held for disposition aggregate a full monthly installment, including escrow, they shall be applied to the mortgagor's account.

(ii) A partial payment may be returned to the mortgagor, within 10 calendar days from date of receipt of such payment, with a letter of explanation only if one or more of the following conditions exist:

(a) The property is wholly or partially tenant-occupied and rental payments are not being remitted to the
holder for application to the loan account;

(b) The payment is less than one full monthly installment, including escrows and late charge, if applicable, unless the lesser payment amount has been agreed to under a written repayment plan;

(c) The payment is less than 50 percent of the total amount then due, unless the lesser payment amount has been agreed to under a written repayment plan;

(d) The payment is less than the amount agreed to in a written repayment plan;

(e) The amount tendered is in the form of personal check and the holder has previously notified the mortgagor in writing that only cash or certified remittances are acceptable;

(f) A delinquency of any amount has continued for at least 6 months since the account first became delinquent and no written repayment plan has been arranged.

(g) The loan has been submitted to the Department of Veterans Affairs for repurchase;

(h) The lien position of the security instrument would be jeopardized by acceptance of the partial payment.

(iii) A failure by the holder to comply with the provisions of this paragraph may result in a deduction from the repurchase price pursuant to paragraph (e)(1) of this section.

(Authority: 38 U.S.C. 3720)

NOTE: In any instance in which the holder desires Department of Veterans Affairs prior approval to a proposed action the holder may submit the facts to the Loan Guaranty Officer as provided in paragraph (i) of this section.

(16) To obtain and forward a current credit report(s) on the debtor(s) to the Secretary when requesting that the Secretary repurchase the loan.

(Authority: 38 U.S.C. 3703(c)(1) and 3720)

(d) The Secretary’s guaranty liability under this section shall consist of and be limited solely to liability to repurchase the loan from the holder thereof whenever;

(1) The debtor is in default by reason of nonpayment of not less than two full installments and default has continued for three months or more on the date the holder submits its written request for repurchase by the Secretary; or

(2) The property securing the loan has been abandoned by the debtor; or

(3) The debtor has failed to comply with any other covenant or obligation of the loan contract and on the date of the holder’s request for repurchase such failure has continued for more than 90 days after the holder’s demand for compliance with the covenant or obligation, except that if the failure is due to nonpayment of real estate taxes the failure to pay when due has persisted for a continuing period of 180 days; or

(4) The Secretary determines, upon request of the holder to repurchase any loan, that such repurchase is in the best interests of the Government notwithstanding that the account is ineligible for repurchase under paragraphs (d)(1) through (3) of this section.

(e)(1) A cash payment shall be made to the holder upon the repurchase of a loan by the Secretary and shall be an amount equal to the price paid by the purchaser when the loan was sold by the Secretary, less repayments received by the holder which are properly applicable to the principal balance of the loan, plus any advances made for the purposes described in paragraph (c)(9) of this section, but no payments shall be made for accrued unpaid interest, except that with respect to loans sold by the Secretary after July 15, 1970, payment will be made for unpaid accrued interest from the date of the first uncured default to the date of the claim for repurchase, but not in excess of interest for 120 days. If, however, there has been a failure of any holder to comply with the provisions of paragraph (c) of this section the Secretary shall be entitled to deduct from the repurchase price otherwise payable such amount as the Secretary determines to be necessary to restore the Secretary to the position the Secretary would have occupied upon repurchase of the loan in the absence of any such failure. Incident to the repurchase by the Secretary, the holder will pay to the Secretary an amount equal to the balance, if any, remaining in the tax and insurance account.
(2) The holder shall be deemed to have received as trustee for the benefit of the Secretary any amounts received on account of the loan indebtedness subsequent to submitting its request to repurchase and shall pay such amounts to the Department of Veterans Affairs upon the assignment and delivery of the note, bond and security instruments to the Department of Veterans Affairs.

(3) The holder may be reimbursed for the cost of a current credit report(s) on the debtor(s) which is (are) forwarded to the Secretary along with the request for repurchase and for any other costs or expenses incurred which are approved in advance by the Secretary as being necessary to protect the Government's interest.

(f) Notwithstanding any other provision of this section, the Secretary shall be released from liability and shall not be obligated to repurchase any loan in respect to which:

(1) An obligor has been released from personal liability by any act or omission of the holder without the prior approval of the Secretary, except that a holder shall not be under any duty to establish the debt as a valid claim against the assets of any deceased or bankrupt obligor when such failure will not impair the validity or effectiveness of the lien securing the loan; or

(2) The holder has instituted foreclosure action against the property securing the loan without the prior approval of the Secretary, and such action has proceeded to the point where the judicial sale or sale under the power in the deed of trust has been held or the owner's interest in the property has been terminated by the holder by strict foreclosure, acceptance of a voluntary deed, or by other liquidation action; or

(3) Any material alteration has been made to the note, bond, security instrument, or installment sale contract after sale and delivery of the instruments by the Secretary to the purchaser.

(g)(1) Each employee of the Department of Veterans Affairs heretofore or hereafter appointed to or lawfully filling, any position designated in paragraph (g)(2) of this section is hereby delegated authority within the limitations and conditions prescribed by law to exercise the powers and functions of the Secretary with respect to the sale, assignment, transfer, and repurchase of loans, including, but not limited to the offering of such loans for sale, the acceptance of purchase offers, the assignment or transfer of notes or bonds and security instruments evidencing the loans sold, granting the prior approval of the Secretary under this section, determining the eligibility of the loans for repurchase and to calculate and pay the sum due the holder upon repurchase of the loan by the Department of Veterans Affairs.

(2) Designated positions:

Under Secretary for Benefits.
Director, Loan Guaranty Service.
Director, Regional Office.
Director, Medical and Regional Office Center.
Director, VA Center.
Loan Guaranty Officer.
Assistant Loan Guaranty Officer.

(h) No waiver, consent, or approval required or authorized by this section shall be valid unless in writing signed by an employee of the Department of Veterans Affairs authorized in this section to act for the Secretary.

(i) Whenever prior approval or consent of the Secretary is desired in respect to an action to be taken by a holder of a loan, the holder may address such request to the Loan Guaranty Officer in the Regional Office or Center having jurisdiction over the area in which the real estate security is located.

(j) Notwithstanding any requirement, condition, or limitation stated in or imposed by this section concerning the sale and repurchase of loans, the Under Secretary for Benefits, or the Director, Loan Guaranty Service, within the limitations and conditions prescribed by the Secretary may take such action as may be necessary or appropriate to relieve undue prejudice to a holder, debtor or other person, which might otherwise result, as long as such action shall not impair the vested rights of any person affected thereby. If such requirement, condition, or limitation is of an administrative or procedural nature, such action may be taken by an

Sections 36.4705 and 36.4707 apply to loans secured by buildings or mobile homes, regardless of location.

(Authority: 42 U.S.C. 4012a, 4104a, 4104b, 4106, and 4128)

§ 36.4702 Requirement to purchase flood insurance where available.

In general. The Secretary shall not make, increase, extend, or renew any designated loan unless the building or mobile home and any personal property securing the loan is covered by flood insurance for the term of the loan. The amount of insurance must be at least equal to the lesser of the outstanding principal balance of the designated loan or the maximum limit of coverage available for the particular type of property under the Act. Flood insurance coverage under the Act is limited to the overall value of the property securing the designated loan minus the value of the land on which the property is located.

§ 36.4703 Exemptions.

The flood insurance requirement prescribed by 38 CFR 36.4702 does not apply with respect to:

The standard flood hazard determination form may be used in a printed, computerized, or electronic manner.

(b) Retention of form. The Secretary shall retain a copy of the completed standard flood hazard determination form, in either hard copy or electronic form, for the period of time the Secretary owns the loan.

§ 36.4707  Determination fees.  

(a) General.  Notwithstanding any Federal or State law other than the Flood Disaster Protection Act of 1973 as amended (42 U.S.C. 4001–4129), the Secretary, or a servicer acting on behalf of the Secretary, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is not limited to, a fee for life-of-loan monitoring.

(b) Borrower fee.  The determination fee authorized by paragraph (a) of this section may be charged to the borrower if the determination:

(1) Is made in connection with a making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(2) Reflects the Director of FEMA’s revision or updating of floodplain areas or flood-risk zones;

(3) Reflects the Director of FEMA’s publication of a notice or compendium that:

§ 36.4708  Notice of special flood hazards and availability of Federal disaster relief assistance.  

(a) Notice requirement.  When the Secretary makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, the Secretary shall mail or deliver a written notice to the borrower and to the servicer in all cases whether or not flood insurance is available under the Act for the collateral securing the loan.

(b) Contents of notice.  The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is available under the NFIP and may also be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or mobile home caused by flooding in a Federally declared disaster.

(c) Timing of notice.  The Secretary shall provide the notice required by paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction, and to the servicer as promptly as practicable after the Secretary provides notice to the borrower and in any event no later than the time the Secretary provides other similar notices to the
servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) Record of receipt. The Secretary shall retain a record of the receipt of the notices by the borrower and the servicer for the period of time the Secretary owns the loan.

(e) Alternate method of notice. Instead of providing the notice to the borrower required by paragraph (a) of this section, the Secretary may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The Secretary shall retain a record of the written assurance from the seller or lessor for the period of time the Secretary owns the loan.

(f) Use of prescribed form of notice. The Secretary will be considered to be in compliance with the requirement for notice to the borrower of this section by providing written notice to the borrower containing the language presented in appendix A to this part within a reasonable time before the completion of the transaction. The notice presented in appendix A to this part satisfies the borrower notice requirements of the Act.

(Appoint: 42 U.S.C. 4104a)

§ 36.4709 Notice of servicer's identity.

(a) Notice requirement. When the Secretary makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the Secretary shall notify the Director of FEMA (or the Director’s designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the Secretary’s notice of the servicer’s identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA’s designee.

(b) Transfer of servicing rights. The Secretary shall notify the Director of FEMA (or the Director’s designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA’s designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty to provide notice under this paragraph (b) shall transfer to the transferee servicer.

APPENDIX A TO PART 36—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards. The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA’s Flood Insurance Rate Map or the Flood Hazard Boundary Map for the following community: . This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

• Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.
At a minimum, flood insurance purchased must cover the lesser of:

1. the outstanding principal balance of the loan; or
2. the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community’s participation in the NFIP is in accordance with NFIP requirements.

Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

(4) When considered appropriate and not in conflict with the purpose of the national cemetery, the donor may be recognized by a suitable inscription on those gifts. In no case will the inscription give the impression that the gift is owned by, or that its future use is controlled by, the donor. Any tablet or plaque, containing an inscription will be of such size and design as will harmonize with the general nature and design of the gift.

(b) Officials and employees of the Department of Veterans Affairs will not solicit contributions from the public nor will they authorize the use of their names, the name of the Secretary, or the name of the Department of Veterans Affairs by an individual or organization in any campaign or drive for money or articles for the purpose of making a donation to the Department of Veterans Affairs. This restriction does not preclude discussion with the individual offering the gift relative to the appropriateness of the gift offered.

§ 38.617 Prohibition of interment or memorialization of persons who have been convicted of Federal or State capital crimes.

(a) Persons prohibited. The interment in a national cemetery under control of the National Cemetery Administration of the remains of any person, or memorialization in such a cemetery of such person, shall not take place absent a good faith effort by the affected cemetery director, or the Under Secretary for Memorial Affairs, or his or her designee, to determine whether such person is barred from receipt of such benefits because the individual for whom interment or memorialization is sought is:

(1) A person identified to the Secretary of Veterans Affairs by the United States Attorney General, prior to approval of interment or memorialization, as an individual who has been convicted of a Federal capital
§ 38.618 Findings concerning commission of a capital crime where a person has not been convicted due to death or flight to avoid prosecution.

(a) Inquiry. With respect to a request for interment or memorialization, if a cemetery director has reason to believe that a deceased individual who is otherwise eligible for interment or memorialization may have committed a Federal or State capital crime, the cemetery director will initiate an inquiry to either:

(i) The United States Attorney General, in the case of a Federal capital crime, requesting notification of whether the deceased has been convicted of a Federal capital crime; or

(ii) An appropriate State official, in the case of a State capital crime, requesting notification of whether the deceased has been convicted of a State capital crime.

(2) The cemetery director will defer decision on whether to approve interment or memorialization until after a response is received from the Attorney General or appropriate State official.

(b) Notice. Where an inquiry has been initiated under paragraph (e) of this section, the cemetery director will make a decision on the request for interment or memorialization pursuant to 38 U.S.C. 2411 upon receipt of the notification requested under that paragraph, unless the cemetery director initiates an inquiry pursuant to § 38.618(a).

(c) Receipt of notification. The Under Secretary for Memorial Affairs is delegated authority to receive from the United States Attorney General and appropriate State officials on behalf of the Secretary of Veterans Affairs the notification of conviction of capital crimes referred to in paragraphs (a)(1) and (2) of this section.

(d) Decision where notification previously received. Upon receipt of a request for interment or memorialization, where the Secretary of Veterans Affairs has received the notification referred to in paragraph (a)(1) or (2) of this section with regard to the deceased, the cemetery director will make a decision on the request for interment or memorialization pursuant to 38 U.S.C. 2411.

(e) Inquiry. (1) Upon receipt of a request for interment or memorialization, where the Secretary of Veterans Affairs has not received the notification referred to in paragraph (a)(1) or (a)(2) of this section with regard to the deceased, but the cemetery director has reason to believe that the deceased may have been convicted of a Federal or State capital crime, the cemetery director will initiate an inquiry to either:

(i) The United States Attorney General, in the case of a Federal capital crime, requesting notification of whether the deceased has been convicted of a Federal capital crime; or

(ii) An appropriate State official, in the case of a State capital crime, requesting notification of whether the deceased has been convicted of a State capital crime.

(f) Decision after inquiry. Where an inquiry has been initiated under paragraph (e) of this section, the cemetery director will make a decision on the request for interment or memorialization pursuant to 38 U.S.C. 2411 upon receipt of the notification requested under that paragraph, unless the cemetery director initiates an inquiry pursuant to § 38.618(a).

(g) Notice of decision. Written notice of a decision under paragraph (d) or (f) of this section will be provided by the cemetery director to the personal representative of the deceased, along with written notice of appellate rights in accordance with §19.25 of this title. This notice of appellate rights will include notice of the opportunity to file a notice of disagreement with the decision of the cemetery director. Action following receipt of a notice of disagreement with a denial of eligibility for interment or memorialization under this section will be in accordance with §§19.26 through 19.38 of this title.

Department of Veterans Affairs § 38.618

will initiate an inquiry seeking information from Federal, State, or local law enforcement officials, or other sources of potentially relevant information. After completion of this inquiry and any further measures required under paragraphs (c), (d), (e), and (f) of this section, the cemetery director will make a decision on the request for interment or memorialization in accordance with paragraph (b), (e), or (g) of this section.

(b) Decision approving request without a proceeding or termination of a claim by personal representative without a proceeding. (1) If, after conducting the inquiry described in paragraph (a) of this section, the cemetery director determines that there is no clear and convincing evidence that the deceased committed a Federal or State capital crime of which he or she was not convicted due to death or flight to avoid prosecution, and the deceased remains otherwise eligible, the cemetery director will make a decision approving the interment or memorialization.

(2) If the personal representative elects for burial at a location other than a VA national cemetery, or makes alternate arrangements for burial at a location other than a VA national cemetery, the request for interment or memorialization will be considered withdrawn and action on the request will be terminated.

(c) Initiation of a proceeding. (1) If, after conducting the inquiry described in paragraph (a) of this section, the cemetery director determines that there appears to be clear and convincing evidence that the deceased has committed a Federal or State capital crime of which he or she was not convicted due to death or flight to avoid prosecution, the cemetery director will provide the personal representative of the deceased with a written summary of the evidence of record and a written notice of procedural options.

(2) The notice of procedural options will inform the personal representative that he or she may, within 15 days of receipt of the notice:

(i) Request a hearing on the matter;

(ii) Submit a written statement, with or without supporting documentation, for inclusion in the record;

(iii) Waive a hearing and submission of a written statement and have the matter forwarded immediately to the Under Secretary for Memorial Affairs for a finding; or

(iv) Notify the cemetery director that the personal representative is withdrawing the request for interment or memorialization, thereby, closing the claim.

(3) The notice of procedural options will also inform the personal representative that, if he or she does not exercise one or more of the stated options within the prescribed period, the matter will be forwarded to the Under Secretary for Memorial Affairs for a finding based on the existing record.

(d) Hearing. If a hearing is requested, the Director, Memorial Services Network will conduct the hearing. The purpose of the hearing is to permit the personal representative of the deceased to present evidence concerning whether the deceased committed a crime which would render the deceased ineligible for interment or memorialization in a national cemetery. Testimony at the hearing will be presented under oath, and the personal representative will have the right to representation by counsel and the right to call witnesses. The VA official conducting the hearing will have the authority to administer oaths. The hearing will be conducted in an informal manner and court rules of evidence will not apply. The hearing will be recorded on audiotape and, unless the personal representative waives transcription, a transcript of the hearing will be produced and included in the record.

(e) Decision of approval or referral for a finding after a proceeding. Following a hearing or the timely submission of a written statement, or in the event a hearing is waived or no hearing is requested and no written statement is submitted within the time specified:

(1) If the cemetery director determines that it has not been established by clear and convincing evidence that the deceased committed a Federal or State capital crime of which he or she was not convicted due to death or flight to avoid prosecution, and the deceased remains otherwise eligible, the cemetery director will make a decision

Disinterment will be permitted only for cogent reasons and with the prior written authorization of the National Cemetery Area Office Director or Cemetery Director responsible for the cemetery involved. Disinterment from a national cemetery will be approved only when all living immediate family members of the decedent, and the person who initiated the interment (whether or not he or she is a member of the immediate family), give their written consent, or when a court order or State instrumentality of competent jurisdiction directs the disinterment. For purposes of this section, “immediate family members” are defined as surviving spouse, whether or not he or she is remarried; all adult children of the decedent; the appointed guardian(s) of minor children; and the appointed guardian(s) of the surviving spouse or of the adult child(ren) of the decedent. If the surviving spouse and all of the children of the decedent are deceased, the decedent’s parents will be considered “immediate family members.”

(b) All requests for authority to disinter remains will be submitted on VA Form 40–4970, Request for Disinterment, and will include the following information:

§ 38.629 Outer Burial Receptacle Allowance.

(a) Definitions—Outer burial receptacle. For purposes of this section, an outer burial receptacle means a graveliner, burial vault, or other similar type of container for a casket.

(b) Purpose. This section provides for payment of a monetary allowance for an outer burial receptacle for any interment in a VA national cemetery where a privately-purchased outer burial receptacle has been used in lieu of a Government-furnished graveliner.

(c) Second interments. In burials where a casket already exists in a grave with or without a graveliner, placement of a second casket in an outer burial receptacle will not be permitted in the same grave unless the national cemetery director determines that the already interred casket will not be damaged.

(d) Payment of monetary allowance. VA will pay a monetary allowance for each burial in a VA national cemetery where a privately-purchased outer burial receptacle was used on and after October 9, 1996. For burials on and after January 1, 2000, the person identified in records contained in the National Cemetery Administration Burial Operations Support System as the person who privately purchased the outer burial receptacle will be paid the monetary allowance. For burials during the period October 9, 1996 through December 31, 1999, the allowance will be paid to the person identified as the next of kin in records contained in the National Cemetery Administration Burial Operations Support System based on the presumption that such person privately purchased the outer burial receptacle (however, if a person who is not listed as the next of kin provides
evidence that he or she privately purchased the outer burial receptacle, the allowance will be paid instead to that person). No application is required to receive payment of a monetary allowance.

(e) Amount of the allowance. (1) For calendar year 2000 and each calendar year thereafter, the allowance will be the average cost, as determined by VA, of Government-furnished graveliners, less the administrative costs incurred by VA in processing and paying the allowance.

(i) The average cost of Government-furnished graveliners will be based upon the actual average cost to the Government of such graveliners during the most recent fiscal year ending prior to the start of the calendar year for which the amount of the allowance will be used. This average cost will be determined by taking VA's total cost during that fiscal year for single-depth graveliners which were procured for placement at the time of interment and dividing it by the total number of such graveliners procured by VA during that fiscal year. The calculation shall exclude both graveliners procured and pre-placed in gravesites as part of cemetery gravesite development projects and all double-depth graveliners.

(ii) The administrative costs incurred by VA will consist of those costs that relate to processing and paying an allowance, as determined by VA, for the calendar year ending prior to the start of the calendar year for which the amount of the allowance will be used.

(2) For calendar year 2000 and each calendar year thereafter, the amount of the allowance for each calendar year will be published in the “Notices” section of the Federal Register. The Federal Register notice will also provide, as information, the determined average cost of Government-furnished graveliners and the determined amount of the administrative costs to be deducted.

(3) The published allowance amount for interments which occur during calendar year 2000 will also be used for payment of any allowances for interments which occurred during the period from October 9, 1996 through December 31, 1999.

(Authority: 38 U.S.C. 2306(d))

(c) Memorial headstones or markers. VA will furnish, when requested, a memorial headstone or marker to commemorate an eligible individual whose remains are unavailable. A Government memorial headstone or marker for placement in a national cemetery will be of the standard design authorized for the cemetery in which it will be placed. In addition to the authorized inscription on a Government memorial headstone or marker, the phrase “In Memory Of” is mandatory.

(1) Eligible individuals. An eligible individual for purposes of paragraph (c) is:

(i) A veteran, which includes an individual who dies in the active military, naval, or air service;

(ii) A veteran’s spouse or surviving spouse, including a surviving spouse who had a subsequent remarriage terminated by death or divorce, who died after November 11, 1998, or a surviving spouse who had a subsequent remarriage and died on or after October 10, 2008; or

(iii) A veteran’s eligible dependent child who died after December 22, 2006.

(A) A dependent child of a veteran is eligible if the child is under the age of 21 years, or under the age of 23 years if pursuing a course of instruction at an approved educational institution.

(B) A dependent child of a veteran is also eligible if the child is unmarried and became permanently physically or mentally disabled and incapable of self-support before reaching the age of 21 years, or before reaching the age of 23 years if pursuing a course of instruction at an approved educational institution.
§ 38.631  Unavailable remains. An individual’s remains are considered unavailable if they:

(i) Have not been recovered or identified;

(ii) Were buried at sea, whether by the individual’s own choice or otherwise;

(iii) Were donated to science; or

(iv) Were cremated and the ashes scattered without interment of any portion of the ashes.

(3) Placement of memorial headstones or markers—(i) Veterans. A Government memorial headstone or marker to commemorate a veteran may be placed in a national cemetery, in a State veterans cemetery, or in a private cemetery.

(ii) Other eligible individuals. A Government memorial headstone or marker to commemorate a veteran’s eligible spouse, surviving spouse, or dependent child may be placed only in a national cemetery or in a State veterans cemetery.

(Authority: 38 U.S.C. 501, 2306)

§ 38.632  Headstone or marker application process.

(a) General. This section contains procedures for ordering a Government-furnished headstone or marker through the National Cemetery Administration (NCA) headstone and marker application process for burial or memorialization of deceased eligible veterans and eligible family members. It also contains procedures for requesting the inscription of new emblems of belief on Government-furnished headstones and markers.

(b) Definitions. For purposes of this section:

(1) Applicant means the decedent’s next-of-kin (NOK), a person authorized in writing by the NOK, or a personal representative authorized in writing by the decedent to apply for a Government-furnished headstone or marker and, in appropriate instances, a new emblem of belief for inscription on a Government-furnished headstone or marker.

(2) Emblem of belief means an emblem that represents the decedent’s religious affiliation or sincerely held religious belief system.

(c) VA will deliver the headstone or marker directly to the cemetery where the grave is located or to a receiving agent for delivery to the cemetery.

(d) VA will not pay the cost of installing a Government headstone or marker in a private cemetery.

(e) The applicant must obtain certification on VA Form 40–1330 from a cemetery representative that the type and placement of the headstone or marker requested adheres to the policies and guidelines of the selected private cemetery.

(f) VA will furnish its full product line of Government headstones or markers for private cemeteries.

(Authority: 38 U.S.C. 501, 2306)

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0222)

evidence to the contrary, VA will accept as genuine an applicant’s statement regarding the sincerity of the religious or functionally equivalent belief system of a deceased eligible individual. The religion or belief system represented by an emblem need not be associated with or endorsed by a church, group or organized denomination. Emblems of belief do not include social, cultural, ethnic, civic, fraternal, trade, commercial, political, professional or military emblems. Emblems of belief do not include religious symbols that would have an adverse impact on the dignity and solemnity of cemeteries honoring those who served the Nation, including (but not limited to) emblems that contain explicit or graphic depictions or descriptions of sexual organs or sexual activities that are shocking, titillating, or pandering in nature; and emblems that display coarse or abusive language or images.

(3) Federally-administered cemetery means a VA National Cemetery, Arlington National Cemetery, the Soldiers’ and Airmen’s Home National Cemetery, a military post or base cemetery of the Armed Forces, a service department academy cemetery, and a Department of the Interior National Cemetery.

(4) Headstones or markers means headstones or markers that are furnished by the Government to mark the grave or memorialize a deceased eligible veteran or eligible family member.

(5) State veterans cemetery means a cemetery operated and maintained by a State or territory for the benefit of deceased eligible veterans or eligible family members.

(c) Headstone or Marker application process. (1) Headstones or markers will be ordered automatically during the process of arranging burial or memorialization for a deceased eligible veteran or eligible family member in a national cemetery or a State veterans cemetery that uses the NCA electronic ordering system. Cemetery staff will order a Government-furnished headstone or marker by entering information received from the applicant directly into the NCA electronic ordering system. Unless a new emblem of belief is requested (see paragraph (d)(1) of this section), no further application is required to order a Government-furnished headstone or marker when the national or state cemetery uses the NCA electronic ordering system.

(2) Submission of a completed VA Form 40–1330 (Application for Standard Government Headstone or Marker) is required when a request for a Government-furnished headstone or marker is not made using the NCA electronic ordering system. VA Form 40–1330 requires the applicant to provide information about the decedent, inscription preferences, and placement of headstone or marker. There is a space in the Remarks section of VA Form 40–1330 for applicants to clarify information or make special requests, to include an emblem of belief that is not currently available. To access VA Form 40–1330 use the following link: http://www.va.gov/vaforms/va/pdf/40–1330.pdf.

(d) Application process for new emblems of belief. When there is an immediate need, and the applicant requests a new emblem of belief for inscription on a new, first Government-furnished headstone or marker for a deceased eligible individual, the following procedures will apply:

If the burial or memorialization of an eligible individual is in a:

(1) Federally-administered cemetery or a State veterans cemetery that uses the NCA electronic ordering system.

The applicant must:

(i) Submit a written request to the director of the cemetery where burial is requested indicating that a new emblem of belief is desired for inscription on a Government-furnished headstone or marker; and

(ii) Provide the information specified in paragraph (e) of §38.632 to the NCA Director of Memorial Programs Service.

(2) Private cemetery (deceased eligible veterans only), Federally-administered cemetery or a State veterans cemetery that does not use the NCA electronic ordering system.

The applicant must:

(i) Submit a completed VA Form 40–1330 to the NCA Director of Memorial Programs Service, indicating in the REMARKS section of the form that a new emblem of belief is desired; and

(ii) Provide the information specified in paragraph (e) of §38.632 to the NCA Director of Memorial Programs Service.
(e) Application. The applicant must identify the deceased eligible individual for whom a request has been made to add a new emblem of belief to those emblems of belief available for inscription on Government-furnished headstones and markers. The application must include the following:

(1) Certification by the applicant that the proposed new emblem of belief represents the decedent’s religious affiliation or sincerely held religious belief system, or a sincerely held belief system that was functionally equivalent to a religious belief system in the life of the decedent.

(2) A three-inch diameter digitized black and white representation of the requested emblem that is free of copyright or trademark restrictions or authorized by the owner for inscription on Government-furnished headstones and markers and can be reproduced in a production-line environment in stone or bronze without loss of graphic quality.

(f) Incomplete application. If VA determines that an application for a new emblem of belief is incomplete, VA will notify the applicant in writing of any missing information and that he or she has 60 days to submit such information or no further action will be taken. If the applicant does not submit all required information or demonstrate that he or she has good cause for failing to provide the information within 60 days of the notice, then the applicant will be notified in writing that no further action will be taken on the request for a new emblem.

(g) Evaluation criteria. The Director of NCA’s Office of Field Programs shall forward to the Under Secretary for Memorial Affairs all complete applications, any pertinent records or information, and the Director’s recommendation after evaluating whether:

(1) The applicant has demonstrated that there is an immediate need to inscribe the emblem on a new, first, Government-furnished headstone or marker for a deceased eligible individual, unless good cause is shown for an exception;

(2) The applicant has submitted a certification concerning the emblem that meets the requirements of paragraph (e)(1) of this section.

(i) In the absence of evidence to the contrary, VA will accept as genuine an applicant’s statement regarding the sincerity of the religious or functionally equivalent belief system of a deceased eligible individual. If a factual dispute arises concerning whether the requested emblem represents the sincerely held religious or functionally equivalent belief of the decedent, the Director will evaluate whether the decedent gave specific instructions regarding the appropriate emblem during his or her life and the Under Secretary will resolve the dispute on that basis.

(ii) In the absence of such instructions, the Under Secretary will resolve the dispute in accordance with the instructions of the decedent’s surviving spouse. If the decedent is not survived by a spouse, the Under Secretary will resolve the dispute in accordance with the agreement and written consent of the decedent’s living next-of-kin. For purposes of resolving such disputes, next-of-kin means the living person(s) first listed as follows:

(A) The decedent’s children 18 years of age or older, or if the decedent does not have children, then

(B) The decedent’s parents, or if the decedent has no surviving parents, then

(C) The decedent’s siblings.

(3) The emblem meets the definition of an emblem of belief in paragraph (b)(2);

(4) The emblem would not have an adverse impact on the dignity and solemnity of cemeteries honoring those who served the Nation—for example, the emblem cannot contain explicit or graphic depictions or descriptions of sexual organs or sexual activities that are shocking, titillating, or pandering in nature, or display coarse or abusive language or images. A determination that an emblem would have an adverse impact on the dignity and solemnity of cemeteries honoring those who served the Nation may not be made based on the content of the religious or functionally equivalent belief that the emblem represents.

(5) The emblem meets the technical requirements for inscription specified in paragraph (e)(2) of this section.
(h) Decision by the Under Secretary for Memorial Affairs. (1) A decision will be made on all complete applications. A request to inscribe a new emblem on a Government-furnished headstone or marker shall be granted if the Under Secretary for Memorial Affairs finds that the request meets each of the applicable criteria in paragraph (g) of this section. In making that determination, if there is an approximate balance between the positive and negative evidence concerning any fact material to making that determination, the Under Secretary shall give the benefit of the doubt to the applicant. The Under Secretary shall consider the Director of NCA’s Office of Field Programs’ recommendation and may consider information from any source.

(2) If the Under Secretary for Memorial Affairs determines that allowing the inscription of a particular proposed emblem would adversely affect the dignity and solemnity of the cemetery environment or that the emblem does not meet the technical requirements for inscription, the Under Secretary shall notify the applicant in writing and offer to the applicant the option of either:

(i) Omitting the part of the emblem that is problematic while retaining the remainder of the emblem, if this is feasible, or

(ii) Choosing a different emblem to represent the religious or functionally equivalent belief that does not have such an adverse impact.

Applicants will have 60 days from the date of the notice to cure any adverse impact or technical defect identified by the Under Secretary. Only if neither option is acceptable to the applicant, the applicant’s requested alternative is also unacceptable, or the applicant does not respond within the 60-day period, will the Under Secretary ultimately deny the application.

(3) If the Under Secretary determines that the request should be denied and that decision is based wholly or partly on information received from a source other than the applicant, then the following procedure will be followed:

(i) A tentative decision denying the request will be prepared;

(ii) Written notice of the tentative decision accompanied by a copy of any information on which the Under Secretary intends to rely will be provided to the applicant;

(iii) The applicant will have 60 days from the date of the written notice specified in subparagraph (ii) to present evidence and/or argument challenging the evidence and/or tentative decision; and

(iv) The Under Secretary will consider the applicant’s submission under subparagraph (iii) and will issue a final decision on the request.

(4) The Director, Office of Field Programs, will provide the individual who made the request written notice of the Under Secretary’s decision.

(a) Definitions of terms. For the purpose of this section, the following definitions apply:

(1) Group—all the known and unknown dead who perished in a common military event.

(2) Memorial Monument—a monument commemorating veterans, whose remains have not been recovered or identified. Monuments will be selected in accordance with policies established under 38 CFR 38.630.

(4) Documentary Evidence—Official documents, records, or correspondence signed by an Armed Services branch historical center representative attesting to the accuracy of the evidence.

(b) The Secretary may furnish at government expense a group memorial monument upon request of next of kin. 817
vehicle) while in active military, naval or air service, and whose remains were not recovered or identified, were buried at sea, or are otherwise unavailable for interment.

(c) A group memorial monument furnished by VA may be placed only in a national cemetery in an area reserved for such purpose. If a group memorial monument has already been provided under this regulation or by any governmental body, e.g., the American Battle Monuments Commission, to commemorate the dead from a common military event, an additional group memorial monument will not be provided by VA for the same purpose.

(d) Application for a group memorial monument shall be submitted in a manner specified by the Secretary. Evidence used to establish and determine eligibility for a group memorial monument will conform to paragraph (a)(4) of this section.

§ 39.6 Amendments to grant application.

A State or Tribal Organization seeking to amend a grant application must submit revised Standard Forms 424 (Application for Federal Assistance) and 424C (Budget Information) with a...
narrative description of, and justification for, the amendment. Any amendment of an application that changes the scope of the application or increases the amount of the grant requested, whether or not the application has already been approved, shall be subject to approval by VA in the same manner as an original application.

Failure of an applicant to request a hearing under this section or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to be heard and constitutes consent to the making of a decision on the basis of such information as is available.

(Authority: 38 U.S.C. 501, 2408)

§ 39.10 Cemetery requirements and prohibitions and recapture provisions.

(a) In order to qualify for a grant, a State or Tribal veterans cemetery must be operated solely for the interment of veterans, their spouses, surviving spouses, minor children, unmarried adult children who were physically or mentally disabled and incapable of self-support, and eligible parents of certain deceased service members.

(b) Any grant under this part made on or after November 21, 1997, is made on the condition that, after the date of receipt of the grant, the State or Tribal Organization receiving the grant, subject to requirements for receipt of notice in 38 U.S.C. 2408 and 2411, will prohibit in the cemetery for which the grant is awarded the interment of the remains or the memorialization of any person:

(d) If, within 3 years after VA has certified to the Department of the Treasury an approved grant application, not all funds from the grant have been used by the State or Tribal Organization for the purpose for which the grant was made, the United States shall be entitled to recover any unused grant funds from the State or Tribal Organization.

§§ 39.12–39.29 [Reserved]

Subpart B—Establishment, Expansion, and Improvement Projects

GRANT REQUIREMENTS AND PROCEDURES

§ 39.30 General requirements for a grant.

(a) For a State or Tribal Organization to obtain a grant for the establishment, expansion, or improvement of a State or Tribal veterans cemetery:

(1) Its preapplication for the grant must be approved by VA under §39.31(e);

(2) Its project must be ranked sufficiently high on the priority list in §39.3 for the applicable fiscal year so that funds are available for the project;

(3) Its plans and specifications for the project must be approved by VA under §39.32;

(4) The State or Tribal Organization must meet the application requirements in §39.34; and

(5) Other requirements specified in §§39.6, 39.10, and 39.33 must be satisfied.

(b) VA may approve under §39.35 any application under this subpart up to the amount of the grant requested once the requirements under paragraph (a) of this section have been satisfied, provided that sufficient funds are available. In determining whether sufficient funds are available, VA shall consider the project’s priority ranking, the total amount of funds available for cemetery grant awards during the applicable fiscal year, and the prospects of higher ranking projects being ready for the award of a grant before the end of the applicable fiscal year.

(Authority: 38 U.S.C. 501, 2408)

§ 39.31 Preapplication requirements.

(a) A State or Tribal Organization seeking a grant for the establishment, expansion, or improvement of a State or Tribal veterans cemetery must submit a preapplication to the Director, Veterans Cemetery Grants Service, through http://www.cem.va.gov/cem/sec_grants.asp.

(b) No detailed drawings, plans, or specifications are required with the preapplication. As a part of the preapplication, the State or Tribal Organization must submit each of the following:

(1) Standard Form 424 (Application for Federal Assistance) and Standard Form 424C (Budget Information) signed by the authorized representative of the State. These forms document the amount of the grant requested, which may not exceed 100 percent of the estimated cost of the project to be funded with the grant.

(2) A program narrative describing the objectives of the project, the need for a grant, the method of accomplishment, the projected interment rate, and the results or benefits expected to be obtained from the assistance requested.

(3) If a site has been selected, a description of the geographic location of
the project (i.e., a map showing the location of the project and all appropriate geographic boundaries, and any other supporting documentation, as needed).

(4) A design concept describing the major features of the project including the number and types of gravesites, such as columbarium niches.

(5) Any comments or recommendations made by the State’s or Tribal Organization’s “Single Point of Contact” reviewing agency.

(6) VA Form 40–0895–2 (Certification of Compliance with Provisions of the Davis-Bacon Act) to certify that the State or Tribal Organization has obtained the latest prevailing wage rates for Federally funded projects. Any construction project fully or partially funded with Federal dollars must comply with those rates for specific work by trade employees (e.g., electricians, carpenters).

(7) VA Form 40–0895–3 (State or Tribal Government Cemetery Grants Service Space Program Analysis—Buildings) to provide information on the proposed size of cemetery buildings, based on VA guidance on the net and gross square footage standards for cemetery buildings. This standard is based on a workload of 1–6 burials per day.

(8) VA Form 40–0895–6 (Certification of State or Tribal Government Matching Architectural and Engineering Funds to Qualify for Group 1 on the Priority List) to provide documentation that the State or Tribal Organization has authority to support the project and the resources necessary to initially fund the architectural and engineering portion of the project development. Once the grant is awarded, VA will reimburse the applicant for all allowable architectural and engineering costs.

(9) VA Form 40–0895–7 (Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions (State or Tribal Government)) to ensure that the applicant has not been debarred or suspended, and is eligible to participate in the VA grant process and receive Federal funds.

(10) VA Form 40–0895–8 (Certification Regarding Drug-Free Workplace Requirements for Grantees Other Than Individuals) to ensure that the applicant complies with the Drug-Free Workplace Act of 1988 at the location where the construction will occur.

(11) VA Form 40–0895–9 (Certification Regarding Lobbying) to ensure that the applicant complies with Public Law 101–121 regarding the prohibition against any payments to anyone that influences or attempts to influence an officer or Member of Congress in connection with the award of a grant.

(12) VA Form 40–0895–10 (Certification of Compliance with Federal Requirements—State or Tribal Government Construction Grant) to ensure that the applicant complies with all requirements of part 39.

(13) VA Form 40–0895–15 (Certification of Cemetery Maintained in Accordance with National Cemetery Administration Standards) to ensure that any cemetery established, expanded, or improved through a grant will be operated and maintained in accordance with the operational standards of NCA.

(c) In addition, the State or Tribal Organization must submit written assurance of each of the following conditions:

(1) Any cemetery established, expanded, or improved through a grant will be used exclusively for the interment or memorialization of eligible persons, as set forth in §39.10(a), whose interment or memorialization is not contrary to the conditions of the grant (see §39.10(b) and 38 U.S.C. 2408(d) and 2411).

(2) Title to the site is or will be vested solely in the State or held in trust for the Tribal Organization on trust land.

(3) The State or Tribal Organization possesses legal authority to apply for the grant and to finance and construct the proposed facilities; i.e., legislation or similar action has been duly adopted or passed as an official act of the applicant’s governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the State or Tribal Organization to act in connection with the application and to provide such additional information as may be required.
§ 39.32 Plan preparation.

The State or Tribal Organization must prepare Establishment, Expansion, and Improvement Project plans and specifications in accordance with the requirements of this section for review by the VCGS. The plans and specifications must be approved by the VCGS prior to the State’s or Tribal Organization’s solicitation for construction bids. Once the VCGS approves the plans and specifications, the State or Tribal Organization must obtain construction bids and determine the successful bidder prior to submission of the application. The State or Tribal Organization must establish procedures for determining that costs are reasonable and necessary and can be allocated in accordance with the provisions of Office of Management and Budget (OMB) Circular No. A–87. Once the Establishment, Expansion, and Improvement Project preapplication and the project’s plans and specifications have been approved, an application for assistance must be submitted in compliance with the uniform requirements for...
grants-in-aid to State and local govern-
m ents prescribed by OMB Circular No. A–102, Revised.

(a) General. These requirements have
been established for the guidance of the
State or Tribal Organization and the
design team to provide a standard for
preparation of drawings, specifications,
and estimates.

(b) Technical requirements. The State
or Tribal Organization should meet
these technical requirements as soon
as possible after VA approves the Es-
tabl ish ment, Expansion, and Improve-
ment Project preapplication.

1) Boundary and site survey. The
State or Tribal Organization shall pro-
vide a survey of the site and furnish a
legal description of the site. A bound-
ary and site survey need not be sub-
mitted if one was submitted for a pre-
viously approved project and there
have been no changes. Relevant infor-
mation may then be shown on the site
plan. If required, the site survey shall
show each of the following items:

(i) The outline and location re-
erenced to boundaries of all existing
buildings, streets, alleys (whether pub-
lic or private), block boundaries, ease-
ments, encroachments, the names of
streets, railroads, and streams, and
other information as specified. If there
is nothing of this character affecting
the property, the Surveyor shall so
state on the drawings.

(ii) The point of beginning, bearing,
distances, and interior angles. Closure
computations shall be furnished with
the survey, and error of closure shall
not exceed 1 foot for each 10,000 feet of
lineal traverse. Boundaries of an un-
usual nature (curvilinear, off-set, or
having other change or direction be-
tween corners) shall be referenced with
curve data (including measurement
chord) and other data sufficient for re-
placement, and such information shall
be shown on the map. For boundaries
of such nature, coordinates shall be
given for all angles and other pertinent
points.

(iii) The area of the parcel in acres or
in square feet.

(iv) The location of all monuments.

(v) Delineation of 100-year floodplain
and source.

(vi) The signature and certification
of the Surveyor.

(2) Soil investigation. The State or
Tribal Organization shall provide a soil
investigation of the scope necessary to
ascertain site characteristics for con-
struction and burial or to determine
foundation requirements and utility
service connections. A new soil inves-
tigation is not required if one was done
for a previously approved project on
the same site and information from the
previous investigation is adequate and
unchanged. Soil investigation, when
done, shall be documented in a signed
report. The investigation shall be ade-
quate to determine the subsoil condi-
tions. The investigation shall include a
sufficient number of test pits or test
borings as will determine, in the judg-
ment of the architect, the true condi-
tions. The following information will
be covered in the report:

(i) Thickness, consistency, character,
and estimated safe bearing value where
needed for structural foundation design
of the various strata encountered in
each pit or boring.

(ii) Amount and elevation of ground
water encountered in each pit or bor-
ing, its probable variation with the
seasons, and effect on the subsoil.

(iii) The elevation of rock, if known,
and the probability of encountering
quicksand.

(iv) If the site is underlaid with
mines, the elevations and location of
the tops of the mine workings relative
to the site, or old workings located in
the vicinity.

(3) Topographical survey. A topo-
graphical survey in 1-foot contour in-
tervals shall be prepared for projects
establishing new cemeteries and for
significant expansion projects in pre-
viously undeveloped land.

(c) Master plan. A master plan show-
ing the proposed layout of all facili-
ties—including buildings, roadways,
and burial sections—on the selected
site shall be prepared for all new ceme-
tery establishment projects for ap-
proval by the VCGS. If the project is to
be phased into different year programs,
the phasing shall be indicated. The
master plan shall analyze all factors
affecting the design, including climate,
soil conditions, site boundaries, topog-
raphy, views, hydrology, environ-
mental constraints, transportation ac-
cess, etc. It should provide a discussion
of alternate designs that were considered. In the case of an expansion project or improvement project, the work contemplated should be consistent with the VA-approved master plan or a justification for the deviation should be provided.

(d) Preliminary or “design development” drawings. Following VA approval of the master plan, the State or Tribal Organization must submit design development drawings that show all current phase construction elements to be funded by the grant. The drawings must comply with the following requirements:

(1) Site development and environmental plans must include locations of structures, demolition, parking, roads, service areas, walks, plazas, memorial paths, other paved areas, landscape buffer and major groupings, and interim areas (including quantity of gravesites in each area). A grading plan including existing and proposed contours at 1-foot intervals of the entire area affected by the site work must be submitted. A site plan of the immediate area around each building shall be drawn to a convenient scale and shall show the building floor plan, utility connections, walks, gates, walls or fences, flagpoles, drives, parking areas, indication of handicapped provisions, landscaping, north arrow, and any other appropriate items.

(2) Floor plans of all levels at a convenient scale shall be double-line drawings and shall show overall dimensions, construction materials, door swings, names and square feet for each space, toilet room fixtures, and interior finish schedule.

(3) Elevations of the exteriors of all buildings shall be drawn to the same scale as the plan and shall include all material indications.

(4) Preliminary mechanical and electrical layout plans shall be drawn at a convenient scale and shall have an equipment and plumbing fixture schedule.

(e) Final construction drawings and specifications. Funds for the construction of any project being assisted under this program will not be released until VA approves the final construction drawings and specifications. If VA approves them, VA shall send the State or Tribal Organization a written letter of approval indicating that the project’s plans and specifications comply with the terms and conditions as prescribed by VA. This does not constitute approval of the contract documents. It is the responsibility of the State or Tribal Organization to ascertain that all State and Federal requirements have been met and that the drawings and specifications are acceptable for bid purposes.

(1) General. The State or Tribal Organization shall prepare final working drawings so that clear and distinct prints may be obtained. These drawings must be accurately dimensioned to include all necessary explanatory notes, schedules, and legends. Working drawings shall be complete and adequate for VA review and comment. The State or Tribal Organization shall prepare separate drawings for each of the following types of work: Architectural, equipment, layout, structural, heating and ventilating, plumbing, and electrical.

(2) Architectural drawings. The State or Tribal Organization shall submit drawings which include: All structures and other work to be removed; all floor plans if any new work is involved; all elevations which are affected by the alterations; building sections; demolition drawings; all details to complete the proposed work and finish schedules; and fully dimensioned floor plans at 1/8″ or 1/4″ scale.

(3) Equipment drawings. The State or Tribal Organization shall submit a list of all equipment to be provided under terms of the grant in the case of an Establishment Project. Large-scale drawings of typical special rooms indicating all fixed equipment and major items of furniture and moveable equipment shall be included.

§ 39.33 Conferences.

(a) Predesign conference. A predesign conference is required for all Establishment, Expansion, and Improvement Projects requiring major construction, primarily to ensure that the State or Tribal Organization becomes oriented to VA procedures, requirements, and any technical comments pertaining to the project. This conference will take place at an appropriate location near the proposed site and should include a site visit to ensure that all parties to the process, including NCA staff, are familiar with the site and its characteristics.

(b) Additional conferences. At any time, VA may recommend an additional conference (such as a design development conference) be held in VA Central Office in Washington, DC, to provide an opportunity for the State or Tribal Organization and its architects to discuss with VA officials the requirements for a grant.

§ 39.50 Amount of grant.

(a) The amount of an Establishment, Expansion, and Improvement Project grant awarded under this subpart may not exceed 100 percent of the total cost of the project, but may be less than the total cost of the project.

(b) The total cost of a project under this subpart may include:

(1) Administration and design costs, e.g., architectural and engineering fees, inspection fees, and printing and advertising costs.

(2) The cost of cemetery features, e.g., entry features, flag plaza and assembly areas, columbaria, preplaced liners or crypts, irrigation systems, committal-service shelters, and administration/maintenance buildings.
(3) In the case of an establishment grant, the cost of equipment necessary for the operation of the State or Tribal veterans cemetery. This may include the cost of non-fixed equipment such as grounds maintenance equipment, burial equipment, and office equipment.

(4) In the case of an improvement or expansion grant, the cost of equipment necessary for operation of the State or Tribal veterans cemetery, but only if such equipment:
   (i) Was included in the construction contract;
   (ii) Was installed during construction; and
   (iii) Is permanently affixed to a building or connected to the heating, ventilating, air conditioning, or other service distributed through a building via ducts, pipes, wires, or other connecting device, such as kitchen and intercommunication equipment, built-in cabinets, and equipment lifts.

(5) A contingency allowance not to exceed five percent of the total cost of a project that involves new construction or eight percent of the total cost of an improvement project that does not involve new construction.

(c) The total cost of a project under this subpart may not include the cost of:
   (1) Land acquisition;
   (2) Building space that exceeds the space guidelines specified in this part;
   (3) Improvements not on cemetery land, such as access roads or utilities;

Funds paid for the establishment, expansion, or improvement of a veterans cemetery must be used solely for carrying out approved projects.

(Authority: 38 U.S.C. 501, 2408)

§ 39.51 Payment of grant award.

The amount of an Establishment, Expansion, and Improvement Project grant award will be paid to the State or Tribal Organization or, if designated by the State or Tribal Organization representative, the State or Tribal veterans cemetery for which such project is being carried out, or to any other State or Tribal Organization agency or instrumentality. Such amount shall be paid by way of reimbursement and in installments that are consistent with the progress of the project, as the Director of the Veterans Cemetery Grants Service may determine and certify for payment to the appropriate Federal institution. Funds paid under this section for an approved Establishment, Expansion, and Improvement Project shall be used solely for carrying out such project as approved. As a condition for the final payment, the representative of the State or Tribal Organization must submit to VA the following:

(a) Standard Form 271 (Outlay Report and Request for Reimbursement for Construction Programs);

(b) A request in writing for the final architectural/engineering inspection, including the name and telephone number of the local point of contact for the project;

§ 39.60 General requirements for site selection and construction of veterans cemeteries.

(a) The various codes, requirements, and recommendations of State or Tribal Organization and local authorities or technical and professional organizations, to the extent and manner in which those codes, requirements, and recommendations are referenced in this subpart, are applicable to grants involving construction of veterans cemeteries. Additional information concerning these codes, requirements, and recommendations may be obtained from VA, National Cemetery Administration, 810 Vermont Avenue NW., Washington, DC 20420.

(b) The standards in §§ 39.60, 39.61, 39.62, and 39.63 constitute general design and construction criteria and shall apply to all Establishment, Expansion, and Improvement Projects for which Federal assistance is requested under 38 U.S.C. 2408.

(c) In developing these standards, no attempt has been made to comply with all of the various State and local codes and regulations. The standards contained in §§ 39.60, 39.61, 39.62, and 39.63 shall be followed where they exceed State or local codes and regulations. Departure will be permitted, however, when alternate standards are demonstrated to provide equivalent or better design criteria than the standards in these sections. Conversely, compliance is required with State and local codes where such requirements provide a standard higher than those in these sections. The additional cost, if any, in using standards that are higher than those of VA should be documented and justified in the application.

(d) The space criteria and area requirements referred to in these standards shall be used as a guide in planning. Additional area and facilities beyond those specified as basic may be included if found to be necessary to meet the functional requirements of the project but are subject to approval by VA. Substantial deviation from the space criteria or area standards shall be carefully considered and justified.

Failing to meet the criteria or standards or exceeding them by more than 10 percent in the completed plan would be regarded as evidence of inferior design or as exceeding the boundaries of professional requirements. In those projects that unjustifiably exceed maximum space criteria or area requirements, VA funding may be subject to reduction in proportion to the amount by which the space or area of the cemetery exceeds the maximum specified in these standards.

(Authority: 38 U.S.C. 501, 2408)

§ 39.61 Site planning standards.

(a) Site selection—(1) Location. The land should be located as close as possible to the densest veteran population in the area under consideration.

(2) Size. Sufficient acreage shall be available to provide gravesites for estimated needs for at least 20 years. More acreage should be provided where feasible. Acreage could vary depending on the State veteran population and national cemetery availability.

(3) Accessibility. The site should be readily accessible by highway. Offsite improvements shall not be funded by the grant.

(4) Topography. The land should range from comparatively level to rolling and moderately hilly terrain. Natural rugged contours are suitable only if development and maintenance costs would not be excessive and burial areas would be accessible to elderly or infirm visitors. The land shall not be subject to flooding.

(5) Water table. The water table should be lower than the maximum proposed depth of burial.

(6) Soil requirements. The soil should be free from rock, muck, unstable composition, and other materials that would hamper the economical excavation of graves by normal methods. In general, the soil should meet the standards of good agricultural land that is capable of supporting turf and trees, with normal care and without the addition of topsoil.
(7) **Utilities.** Electricity and gas, if required, should be available. Offsite improvements shall not be funded by the grant.

(8) **Water supply.** An adequate supply of water should be available. Offsite improvements shall not be funded by the grant.

(9) **Sewerage.** An approved means to dispose of storm flow and sewage from the facility should be available. Offsite improvements shall not be funded by the grant.

(b) **Site development requirements—(1) General.** The development plan shall provide for adequate hard-surfaced roads, walks, parking areas, public rest rooms, a flag circle, and a main gate.

(2) **Parking.** All parking facilities shall include provisions to accommodate the physically handicapped. A minimum of one space shall be set aside and identified with signage in each parking area with additional spaces provided in the ratio of 1 handicapped space to every 20 regular spaces. Handicapped spaces shall not be placed between two conventional diagonal or head-on parking spaces. Each of the handicapped parking spaces shall not be less than 9 feet wide; in addition, a clear space 4 feet wide shall be provided between the adjacent conventional parking spaces and also on the outside of the end spaces. Parking shall not be provided for large numbers of people attending ceremonial events such as Memorial Day services.

(3) **Roads.** Roads should generally follow the topography of the cemetery and allow pedestrian access to burial sections on both sides. Roads should generally not be used as “boundaries” outlining burial sections. Extensive bridging should be avoided. Grant program funding may not be used to build access roads on property that is not part of the cemetery. Road widths shall be compatible with proposed traffic flows and volumes. Primary roads shall be generally 24 feet wide.

(4) **Pavement design.** The pavement section of all roads, service areas, and parking areas shall be designed for the maximum anticipated traffic loads and existing soil conditions and in accordance with local and State design criteria.

(5) **Curbs.** Bituminous roads may be provided with integral curbs and gutters constructed of Portland cement concrete. Freestanding curbs may be substituted when the advantage of using them is clearly indicated. All curbs shall have a “roll-type” cross section for vehicle and equipment access to lawn areas except as may be necessary for traffic control. The radii of curbs at road intersections shall not be less than 20 feet-0 inches. Curb ramps shall be provided to accommodate the physically handicapped and maintenance equipment. Curb ramps shall be provided at all intersections of roads and walks. The curb ramps shall not be less than 4 feet wide; they shall not have a slope greater than 8 percent, and preferably not greater than 5 percent. The vertical angle between the surface of a curb ramp and the surface of a road or gutter shall not be less than 176 degrees; the transition between the two surfaces shall be smooth. Curb ramps shall have nonskid surfaces.

(6) **Walks.** Walks shall be designed with consideration for the physically handicapped and elderly. Walks and ramps designed on an incline shall have periodic level platforms. All walks, ramps and platforms shall have nonskid surfaces. Any walk shall be ramped if the slope exceeds 3 percent. Walks that have gradients from 2 to 3 percent shall be provided with level platforms at 200-foot intervals and at intersections with other walks. Ramps shall not have a slope greater than 8 percent, and preferably not greater than 5 percent. The ramps shall have handrails on both sides unless other protective devices are provided; every handrail shall have clearance of not less than 1½ inches between the back of the handrail and the wall or any other vertical surface behind it. Ramps shall not be less than 4 feet wide between curbs; curbs shall be provided on both sides. The curbs shall not be less than 4 inches high and 4 inches wide. A level platform in a ramp shall not be less than the full width of the ramp and not less than 5 feet long. Entrance platforms and ramps shall be provided with protective weather barriers to
§ 39.62 Space criteria for support facilities.

These criteria are based on a projected average burial rate of one to six per day, staffing by position, and a defined complement of maintenance and service equipment. For cemeteries with less than one or more than six burials per day, support facilities are considered on an individual basis in accordance with § 39.60(d). In converting Net Square Feet (NSF) to Gross Square Feet (GSF), a conversion factor of 1.5 is the maximum allowed. The applicant

shields them against hazardous conditions resulting from inclement weather.

(7) Steps. Exterior steps may be included in the site development as long as provisions are made for use by physically handicapped persons.

(8) Grading. Minimum lawn slopes shall be 2 percent; critical spot grade elevations shall be shown on the contract drawings. Insofar as practicable, lawn areas shall be designed without steep slopes.

(9) Landscaping. The landscaping plan should provide for a park-like setting of harmonious open spaces balanced with groves of indigenous and cultivated deciduous and evergreen trees. Shrubbery should be kept to a minimum. Steep slopes that are unsuitable for interment areas should be kept in their natural state.

(10) Surface drainage. Surface grades shall be determined in coordination with the architectural, structural, and mechanical design of buildings and facilities so as to provide proper surface drainage.

(11) Burial areas. A site plan of the cemetery shall include a burial layout. If appropriate, the burial layout should reflect the phases of development in the various sections. The first phase of construction should contain sufficient burial sites to meet the foreseeable demand for at least 10 years. All applicable dimensions of roads, fences, utilities, or other structures shall be indicated on the layout.

(12) Gravesites. Gravesites shall be laid out in uniform pattern. There shall be a minimum of 10 feet from the edge of roads and drives and a minimum of 20 feet from the boundaries or fence lines. Maximum distance from the edge of a permanent road to any gravesite shall not be over 275 feet. Temporary roads may be provided to serve areas in phase developments.

(13) Monumentation. Each grave shall be marked with an appropriate marker, and each cemetery shall maintain a register of burials setting forth the name of each person buried and the designation of the grave in which he/she is buried. Permanent gravesite control markers shall be installed based on a grid system throughout the burial area unless otherwise specified. This will facilitate the gravesite layout, placement of utility lines, and alignment of headstones.

(14) Entrance. The entrance should be an architectural or landscape feature that creates a sense of arrival.

(15) Memorial walkway. Each cemetery should have an area for the display of memorials donated by veterans groups and others. Such areas may take the form of a path or walkway and should provide a contemplative setting for visitors.

(16) Donation items. Family members and others often wish to donate items such as benches and trees. Acceptable items of donation should be specified in the cemetery plan. The plan should also designate appropriate locations for such items.

(17) Flag/assembly area. There shall be one primary flagpole for the United States flag. This flag shall be lighted. A turf assembly area should be developed for major gatherings such as Memorial Day. The assembly area may be focused on the flag. The area may also incorporate an architectural or a landscape feature that functions as a platform or backdrop for speakers.

(18) Site furnishings. Site furnishings include signage, trash receptacles, benches, and flower containers. These items should be coordinated and complement each other, the architectural design, and the cemetery as a whole. They should be simple, durable, standardized, and properly scaled.

(19) Carillons. The cemetery development plan should include a location for a carillon tower. Carillons are normally donated. They are not provided for in the grant.

(Authority: 38 U.S.C. 501, 2408)
shall, in support of the design, include the following as an attachment to the application: A list of all grounds maintenance supplies and equipment and the number of Full Time Employees (FTE) by job assignment for the next 10 years.

(a) Administrative building. The administrative building should be approximately 1,600 NSF in total, providing space, as needed, for the following:
   (1) Cemetery director's office;
   (2) Other offices (as needed);
   (3) Administrative staff (lobby/office area);
   (4) Operations (file/office/equipment/work area);
   (5) Family/conference room;
   (6) Military honors team;
   (7) Refreshment unit;
   (8) Housekeeping aide's closet; and
   (9) Restroom facilities.

(b) Maintenance/service building. The maintenance/service building may be combined with the administrative building. The maintenance/service building should be approximately 2,200 NSF in total, providing heated and air conditioned space, as needed, for the following:
   (1) Foreman's office;
   (2) Lunch room;
   (3) Kitchen unit;
   (4) Toilet and locker room facilities;
   (5) Housekeeping aide's closet; and
   (6) Vehicle and equipment maintenance and storage.

(c) Vehicle and equipment storage. Approximately 275 NSF/Bay as needed. Not all types of vehicles and equipment require storage in heated space. Based on climatic conditions, it may be justified to rely completely on open structures rather than heated structures to protect the following types of vehicles and equipment: Dump trucks, pickup trucks, cemetery automobiles, gang and circular mowers.

(d) Interment/committal service shelter. One permanent shelter is authorized for every five interments per day. The shelter may include a covered area to provide seating for approximately 20 people and an uncovered paved area to provide space for approximately 50 additional people. The shelter may also include a small, enclosed equipment/storage area. Provisions must be made for the playing of Taps by recorded means.

(e) Public Information Center. One permanent Public Information Center is authorized per facility. A Public Information Center is used to orient visitors and funeral corteges. It should include the gravesite locator. The public restrooms may also be combined with this structure. Space determinations for separate structures for public restrooms shall be considered on an individual basis. The Public Information Center, including public restrooms, may be combined with the administrative building.

(f) Other interment structures. Space determinations for other support facilities such as columbaria, preplaced graveliners (or crypts), garden niches, etc., will be considered on an individual basis in accordance with § 39.60(d).

§§ 39.80 General requirements for a grant.

(a) For a State or Tribal Organization to obtain a grant for the operation or maintenance of a State or Tribal veterans cemetery:

(1) Its preapplication for the grant must be approved by VA under §39.81(e);

(2) Its project must be ranked sufficiently high within Priority Group 4 as defined in §39.3 for the applicable fiscal year so that funds are available for the project, and a grant for the project must not result in payment of more than the $5 million total amount permissible for all Operation and Maintenance Projects in any fiscal year;

(3) Its plans and specifications for the project must be approved by VA under §39.82;

(4) The State or Tribal Organization must meet the application requirements in §39.84; and

(5) Other requirements specified in §§39.6, 39.10, and 39.83 must be satisfied.

(b) VA may approve under §39.85 any Operation and Maintenance Project grant application up to the amount of the grant requested once the requirements under paragraph (a) of this section have been satisfied, provided that sufficient funds are available and that total amount of grants awarded during any fiscal year for Operation and Maintenance Projects does not exceed $5 million. In determining whether sufficient funds are available, VA shall consider the project’s ranking in Priority Group 4; the total amount of funds available for cemetery grant awards in Priority Group 4 during the applicable
§ 39.81 Preapplication requirements.

(a) A State or Tribal Organization seeking a grant for the operation or maintenance of a State or Tribal veterans cemetery must submit a preapplication to the Director, Veterans Cemetery Grants Service, through http://www.cem.va.gov/cem/scg_grants.asp.

(b) No detailed drawings, plans, or specifications are required with the preapplication. As a part of the preapplication, the State or Tribal Organization must submit each of the following:

1. Standard Form 424 (Application for Federal Assistance) and Standard Form 424C (Budget Information) signed by the authorized representative of the State or Tribal Organization. These forms document the amount of the grant requested, which may not exceed 100 percent of the estimated cost of the project to be funded with the grant.

2. VA Form 40–0895–2 (Certification of Compliance with Provisions of the Davis-Bacon Act) to certify that the State or Tribal Organization has obtained the latest prevailing wage rates for Federally funded projects. Any construction project fully or partially funded with Federal dollars must comply with those rates for specific work by trade employees (e.g., electricians, carpenters).

3. VA Form 40–0895–6 (Certification of State or Tribal Government Matching Architectural and Engineering Funds to Quality for Group 1 on the Priority List) to provide documentation that the State or Tribal Organization has legal authority to support the project and the resources necessary to initially fund the architectural and engineering portion of the project development. Once the grant is awarded, VA will reimburse the applicant for all allowable architectural and engineering costs.

4. VA Form 40–0895–7 (Certification Regarding Debarment, Suspension, and Other Responsibility Matters–Primary Covered Transactions (State or Tribal Government)) to ensure that the applicant has not been debarred or suspended, and is eligible to participate in the VA grant process and receive Federal funds.

5. VA Form 40–0895–8 (Certification Regarding Drug-Free Workplace Requirements for Grantees Other Than Individuals) to ensure that the applicant complies with Public Law 101–121 regarding the prohibition against any payments to anyone that influences or attempts to influence an officer or Member of Congress in connection with the award of a grant.

6. VA Form 40–0895–9 (Certification Regarding Lobbying) to ensure that the applicant complies with all requirements of part 39.

7. VA Form 40–0895–10 (Certification of Compliance with Federal Requirements–State or Tribal Government Construction Grant) to ensure that the applicant complies with all requirements of part 39.

8. VA Form 40–0895–15 (Certification of Cemetery Maintained in Accordance with National Cemetery Administration Standards) to ensure that any cemetery operated or maintained through a grant will be operated and maintained in accordance with VA’s national shrine standards of appearance.

9. A gravesite assessment survey documenting the State or Tribal cemetery’s performance related to the standards outlined in paragraph (b)(10) of this section for the year in which the preapplication is submitted.

10. A program narrative describing how the project will assist the State or Tribal Organization in meeting VA’s national shrine standards with respect to cleanliness, height and alignment of headstones and markers, leveling on gravesites, or turf conditions. Specifically, the preapplication should explain the need for the grant, how the work is to be accomplished, and the expected improvement in the State or Tribal cemetery’s performance related to one or more of the following national shrine standards:
§ 39.81

(i) Cleanliness. 90 percent of headstones, markers, and niche covers must be clean and free of debris and objectionable accumulations.

(ii) Height. 90 percent of headstones and markers must be set and maintained at the proper height.

(iii) Alignment. 100 percent of headstones, markers, and niche covers must be properly installed. Upright headstones in active burial sections must be uniform in height (24”–26” above ground), horizontally and vertically aligned with inscriptions visible, and installed to ensure a pleasing top line while compensating for ground contours. Flat markers must be uniform in height (parallel with the ground and no more than 1” above grade) and horizontally and vertically aligned. Niche covers must be horizontally and vertically aligned. All inscriptions must be visible.

(iv) Grade. 95 percent of the grade of every gravesite must blend in with adjacent grade levels.

(v) Turf conditions. 100 percent of visually prominent areas must have a well-established, healthy stand of turf that is generally weed free; 95 percent of visually prominent areas with established turf must be generally free of bare areas.

(11) A description of the geographic location of the existing State or Tribal veteran cemetery and any other supporting documentation, as requested by the VCGS Director.

(12) A description of the project including the number and types of headstones and markers that need to be cleaned and aligned, a description of the gravesites that need to be leveled, and a description of the turf conditions that need to be improved to meet VA’s national shrine standards.

(c) In addition, the State or Tribal Organization must submit written assurance of each of the following conditions:

(1) Any cemetery in receipt of a grant under this subpart will be used exclusively for the interment or memorialization of eligible persons, as set forth in §39.10(a), whose interment or memorialization is not contrary to the conditions of the grant (see §39.10(b) and 38 U.S.C. 2408(d) and 2411).

(2) Title to the site is or will be vested solely in the State or held in trust for the Tribal Organization on trust land.

(3) The State or Tribal Organization possesses legal authority to apply for the grant.

NOTE TO PARAGRAPH (c)(3): In any case where a Tribal Organization is applying for a grant for a cemetery on land held in trust for more than one Indian Tribe, written assurance that the Tribal Organization possesses legal authority to apply for the grant includes certification that the Tribal Organization has obtained the approval of each such Indian Tribe.

(1) Value of new loans made or received during the fiscal year; plus

(2) Balance of loans from previous years for which the Federal Government imposes continuing compliance requirements; plus

(3) Any interest subsidy, cash, or administrative cost allowance received.

(c) Loan and loan guarantees (loans) at institutions of higher education. When loans are made to students of an institution of higher education but the institution does not make the loans, then only the value of loans made during the year shall be considered Federal awards expended in that year. The balance of loans for previous years is not included as Federal awards expended because the lender accounts for the prior balances.

(d) Prior loan and loan guarantees (loans). Loans, the proceeds of which were received and expended in prior years, are not considered Federal awards expended under this part when the laws, regulations, and the provisions of contracts or grant agreements pertaining to such loans impose no continuing compliance requirements other than to repay the loans.

(e) Endowment funds. The cumulative balance of Federal awards for endowment funds, which are federally restricted, are considered awards expended in each year in which the funds are still restricted.

(f) Free rent. Free rent received by itself is not considered a Federal award expended under this part. However, free rent received as part of an award to carry out a Federal program shall be included in determining Federal awards expended and subject to audit under this part.

(g) Valuing non-cash assistance. Federal non-cash assistance, such as free rent, food stamps, food commodities, donated property, or donated surplus property, shall be valued at fair market value at the time of receipt or the assessed value provided by the Federal agency.

(h) Medicare. Medicare payments to a non-Federal entity for providing patient care services to Medicare eligible individuals are not considered Federal awards expended under this part.

(i) Medicaid. Medicaid payments to a subrecipient for providing patient care services to Medicaid eligible individuals are not considered Federal awards expended under this part unless a State requires the funds to be treated as Federal awards expended because reimbursement is on a cost-reimbursement basis.

(j) Certain loans provided by the National Credit Union Administration. For purposes of this part, loans made from the National Credit Union Share Insurance Fund and the Central Liquidity Facility that are funded by contributions from insured institutions are not considered Federal awards expended.

§ 41.210 Subrecipient and vendor determinations.

(a) General. An auditee may be a recipient, a subrecipient, and a vendor. Federal awards expended as a recipient or a subrecipient would be subject to audit under this part. The payments received for goods or services provided as a vendor would not be considered Federal awards. The guidance in paragraphs (b) and (c) of this section should be considered in determining whether payments constitute a Federal award or a payment for goods and services.

(b) Federal award. Characteristics indicative of a Federal award received by a subrecipient are when the organization:

(1) Determines who is eligible to receive what Federal financial assistance;
(2) Has its performance measured against whether the objectives of the Federal program are met;
(3) Has responsibility for programmatic decision making;
(4) Has responsibility for adherence to applicable Federal program compliance requirements; and
(5) Uses the Federal funds to carry out a program of the organization as compared to providing goods or services for a program of the pass-through entity.

(c) Payment for goods and services. Characteristics indicative of a payment for goods and services received by a vendor are when the organization:

(1) Provides the goods and services within normal business operations;
(2) Provides similar goods or services to many different purchasers;
(3) Operates in a competitive environment;
(4) Provides goods or services that are ancillary to the operation of the Federal program; and
(5) Is not subject to compliance requirements of the Federal program.

(d) Use of judgment in making determination. There may be unusual circumstances or exceptions to the listed characteristics. In making the determination of whether a subrecipient or vendor relationship exists, the substance of the relationship is more important than the form of the agreement. It is not expected that all of the characteristics will be present and judgment should be used in determining whether an entity is a subrecipient or vendor.

(e) For-profit subrecipient. Since this part does not apply to for-profit subrecipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The contract with the for-profit subrecipient should describe applicable compliance requirements and the for-profit subrecipient’s compliance responsibility. Methods to ensure compliance for Federal awards made to for-profit subrecipients may include preaward audits, monitoring during the contract, and post-award audits.

(f) Compliance responsibility for vendors. In most cases, the auditee’s compliance responsibility for vendors is only to ensure that the procurement, receipt, and payment for goods and services comply with laws, regulations, and the provisions of contracts or grant agreements. Program compliance requirements normally do not pass through to vendors. However, the auditee is responsible for ensuring compliance for vendor transactions, which are structured such that the vendor is responsible for program compliance or the vendor’s records must be reviewed to determine program compliance. Also, when these vendor transactions relate to a major program, the scope of the audit shall include determining whether these transactions are in compliance with laws, regulations, and the provisions of contracts or grant agreements.

§ 41.215 Relation to other audit requirements.

(a) Audit under this part in lieu of other audits. An audit made in accordance with this part shall be in lieu of any financial audit required under individual Federal awards. To the extent this audit meets a Federal agency’s needs, it shall rely upon and use such audits. The provisions of this part neither limit the authority of Federal agencies, including their Inspectors General, or GAO to conduct or arrange for additional audits (e.g., financial audits, performance audits, evaluations, inspections, or reviews) nor authorize...
§ 41.220 Frequency of audits.

Except for the provisions for biennial audits provided in paragraphs (a) and (b) of this section, audits required by this part shall be performed annually. Any biennial audit shall cover both years within the biennial period.

(a) A State or local government that is required by constitution or statute, in effect on January 1, 1987, to undergo its audits less frequently than annually, is permitted to undergo its audits pursuant to this part biennially. This requirement must still be in effect for the biennial period under audit.

(b) Any non-profit organization that had biennial audits for all biennial periods ending between July 1, 1992, and January 1, 1995, is permitted to undergo its audits pursuant to this part biennially.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 41.225 Sanctions.

No audit costs may be charged to Federal awards when audits required by this part have not been made or have been made but not in accordance with this part. In cases of continued inability or unwillingness to have an audit conducted in accordance with this part, Federal agencies and pass-through entities shall take appropriate action using sanctions such as:

(a) Withholding a percentage of Federal awards until the audit is completed satisfactorily;

(b) Withholding or disallowing overhead costs;

(c) Suspending Federal awards until the audit is conducted; or

(d) Terminating the Federal award.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 41.230 Audit costs.

(a) Allowable costs. Unless prohibited by law, the cost of audits made in accordance with the provisions of this part is allowable charges to Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with the provisions of applicable OMB cost principles circulars, the Federal Acquisition Regulation (FAR) (48 CFR parts 30 and 31), or other applicable cost principles or regulations.

(b) Unallowable costs. A non-Federal entity shall not charge the following to a Federal award:

(1) The cost of any audit under the Single Audit Act Amendments of 1996 (31 U.S.C. 7501 et seq.) not conducted in accordance with this part.

(2) The cost of auditing a non-Federal entity, which has Federal awards, expended of less than $500,000 per year and is thereby exempted under §41.200(d) of this chapter from having an audit conducted under this part. However, this does not prohibit a pass-through entity from charging Federal agencies to pay for additional audits. A Federal agency that conducts or contracts for additional audits shall, consistent with other applicable laws and regulations, arrange for funding the full cost of such additional audits.

(c) Request for a program to be audited as a major program. A Federal agency may request an auditee to have a particular Federal program audited as a major program in lieu of the Federal agency conducting or arranging for the additional audits. To allow for planning, such requests should be made at least 180 days prior to the end of the fiscal year to be audited. The auditee, after consultation with its auditor, should promptly respond to such request by informing the Federal agency whether the program would otherwise be audited as a major program using the risk-based audit approach described in §41.520 and, if not, the estimated incremental cost. The Federal agency shall then promptly confirm to the auditee whether it wants the program audited as a major program. If the program is to be audited as a major program based upon this Federal agency request, and the Federal agency agrees to pay the full incremental costs, then the auditee shall have the program audited as a major program. A pass-through entity may use the provisions of this paragraph for a subrecipient.

awards for the cost of limited scope audits to monitor its subrecipients in accordance with §41.400(d)(3), provided the subrecipient does not have a single audit. For purposes of this part, limited scope audits only include agreed-upon procedures engagements conducted in accordance with either the AICPA’s generally accepted auditing standards or attestation standards, that are paid for and arranged by a pass-through entity and address only one or more of the following types of compliance requirements: activities allowed or unallowed; allowable costs/cost principles; eligibility; matching, level of effort, earmarking; and, reporting.

§ 41.235 Program-specific audits.

(a) Program-specific audit guide available. In many cases, a program-specific audit guide will be available to provide specific guidance to the auditor with respect to internal control, compliance requirements, suggested audit procedures, and audit reporting requirements. The auditor should contact the Office of Inspector General of the Federal agency to determine whether such a guide is available. When a current program-specific audit guide is available, the auditor shall follow GAGAS and the guide when performing a program-specific audit.

(b) Program-specific audit guide not available. (1) When a program-specific audit guide is not available, the auditee and auditor shall have basically the same responsibilities for the Federal program as they would have for an audit of a major program in a single audit.

(2) The auditee shall prepare the financial statement(s) for the Federal program that includes, at a minimum, a schedule of expenditures of Federal awards for the program and notes that describe the significant accounting policies used in preparing the schedule, a summary schedule of prior audit findings consistent with the requirements of §41.315(b), and a corrective action plan consistent with the requirements of §41.315(c).

(3) The auditor shall:

(i) Perform an audit of the financial statement(s) for the Federal program in accordance with GAGAS;

(ii) Obtain an understanding of internal control and perform tests of internal control over the Federal program consistent with the requirements §41.500(c) for a major program;

(iii) Perform procedures to determine whether the auditee has complied with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on the Federal program consistent with the requirements of §41.500(d) for a major program; and

(iv) Follow up on prior audit findings, perform procedures to assess the reasonableness of the summary schedule of prior audit findings prepared by the auditee, and report, as a current year audit finding, when the auditor concludes that the summary schedule of prior audit findings materially misrepresents the status of any prior audit finding in accordance with the requirements of §41.500(e).

(4) The auditor’s report(s) may be in the form of either combined or separate reports and may be organized differently from the manner presented in this section. The auditor’s report(s) shall state that the audit was conducted in accordance with this part and include the following:

(i) An opinion (or disclaimer of opinion) as to whether the financial statement(s) of the Federal program is presented fairly in all material respects in conformity with the stated accounting policies;

(ii) A report on internal control related to the Federal program, which shall describe the scope of testing of internal control and the results of the tests;

(iii) A report on compliance which includes an opinion (or disclaimer of opinion) as to whether the auditee complied with laws, regulations, and the provisions of contracts or grant agreements which could have a direct and material effect on the Federal program; and

(iv) A schedule of findings and questioned costs for the Federal program that includes a summary of the auditor’s results relative to the Federal program in a format consistent with
§ 41.300 Auditee responsibilities.

The auditee shall:

(a) Identify, in its accounts, all Federal awards received and expended and the Federal programs under which they were received. Federal program and award identification shall include, as applicable, the CFDA title and number, award number and year, name of the Federal agency, and name of the pass-through entity.

(b) Maintain internal control over Federal programs that provides reasonable assurance that the auditee is managing Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a material effect on each of its Federal programs.

(c) Comply with laws, regulations, and the provisions of contracts or grant agreements related to each of its Federal programs.
Department of Veterans Affairs § 41.310

(d) Prepare appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with § 41.310.

(e) Ensure that the audits required by this part are properly performed and submitted when due. When extensions to the report submission due date required by § 41.320(a) are granted by the cognizant or oversight agency for audit, promptly notify the Federal clearinghouse designated by OMB and each pass-through entity providing Federal awards of the extension.

(f) Follow up and take corrective action on audit findings, including preparation of a summary schedule of prior audit findings and a corrective action plan in accordance with § 41.315(b) and § 41.315(c), respectively.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 41.310 Financial statements.

(a) Financial statements. The auditee shall prepare financial statements that reflect its financial position, results of operations or changes in net assets, and, where appropriate, cash flows for the fiscal year audited. The financial statements shall be for the same organizational unit and fiscal year that is chosen to meet the requirements of this part. However, organization-wide financial statements may also include departments, agencies, and other organizational units that have separate audits in accordance with § 41.500(a) and prepare separate financial statements.

(b) Schedule of expenditures of Federal awards. The auditee shall also prepare a schedule of expenditures of Federal awards for the period covered by the auditee’s financial statements. While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. For example, when a Federal program has multiple award years, the auditee may list the amount of Federal awards expended for each award year separately. At a minimum, the schedule shall:

(1) List individual Federal programs by Federal agency. For Federal programs included in a cluster of programs, list individual Federal programs within a cluster of programs. For R&D, total Federal awards expended shall be shown either by individual award or by Federal agency and major subdivision within the Federal
agency. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.

(2) For Federal awards received as a subrecipient, the name of the pass-through entity and identifying number assigned by the pass-through entity shall be included.

(3) Provide total Federal awards expended for each individual Federal program and the CFDA number or other identifying number when the CFDA information is not available.

(4) Include notes that describe the significant accounting policies used in preparing the schedule.

(5) To the extent practical, pass-through entities should identify in the schedule the total amount provided to subrecipients from each Federal program.

(6) Include, in either the schedule or a note to the schedule, the value of the non-cash assistance, the amount of insurance in effect during the year, and loans or loan guarantees outstanding at year-end. While not required, it is preferable to present this information in the schedule.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 41.315 Audit findings follow-up.

(a) General. The auditee is responsible for follow-up and corrective action on all audit findings. As part of this responsibility, the auditee shall prepare a summary schedule of prior audit findings. The auditee shall also prepare a corrective action plan for current year audit findings. The summary schedule of prior audit findings and the corrective action plan shall include the reference numbers the auditor assigns to audit findings under § 41.510(c). Since the summary schedule may include audit findings from multiple years, it shall include the fiscal year in which the finding initially occurred.

(b) Summary schedule of prior audit findings. The summary schedule of prior audit findings shall report the status of all audit findings included in the prior audit’s schedule of findings and questioned costs relative to Federal awards. The summary schedule shall also include audit findings reported in the prior audit’s summary schedule of prior audit findings except audit findings listed as corrected in accordance with paragraph (b)(1) of this section, or no longer valid or not warranting further action in accordance with paragraph (b)(4) of this section.

(1) When audit findings were fully corrected, the summary schedule need only list the audit findings and state that corrective action was taken.

(2) When audit findings were not corrected or were only partially corrected, the summary schedule shall describe the planned corrective action as well as any partial corrective action taken.

(3) When corrective action taken is significantly different from corrective action previously reported in a corrective action plan or in the Federal agency’s or pass-through entity’s management decision, the summary schedule shall provide an explanation.

(4) When the auditee believes the audit findings are no longer valid or do not warrant further action, the reasons for this position shall be described in the summary schedule. A valid reason for considering an audit finding as not warranting further action is that all of the following have occurred:

(i) Two years have passed since the audit report in which the finding occurred was submitted to the Federal clearinghouse;

(ii) The Federal agency or pass-through entity is not currently following up with the auditee on the audit finding; and

(iii) A management decision was not issued.

(c) Corrective action plan. At the completion of the audit, the auditee shall prepare a corrective action plan to address each audit finding included in the current year auditor’s reports. The corrective action plan shall provide the name(s) of the contact person(s) responsible for corrective action, the corrective action planned, and the anticipated completion date. If the auditee does not agree with the audit findings or believes corrective action is not required, then the corrective action plan shall include an explanation and specific reasons.

(Authority: Pub. L. 104–156; 110 Stat. 1396)
§ 41.320  Report submission.

(a) General. The audit shall be completed and the data collection form described in paragraph (b) of this section and reporting package described in paragraph (c) of this section shall be submitted within the earlier of 30 days after receipt of the auditor’s report(s), or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit. Unless restricted by law or regulation, the auditee shall make copies available for public inspection.

(b) Data Collection. (1) The auditee shall submit a data collection form, which states whether the audit was completed in accordance with this part and provides information about the auditee, its Federal programs, and the results of the audit. The form shall be approved by OMB, available from the Federal clearinghouse designated by OMB, and include data elements similar to those presented in this paragraph. A senior level representative of the auditee (e.g., State controller, director of finance, chief executive officer, or chief financial officer) shall sign a statement to be included as part of the form certifying that: the auditee complied with the requirements of this part, the form was prepared in accordance with this part (and the instructions accompanying the form), and the information included in the form, in its entirety, are accurate and complete.

(2) The data collection form shall include the following data elements:

(i) The type of report the auditor issued on the financial statements of the auditee (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion).

(ii) Where applicable, a statement that reportable conditions in internal control were disclosed by the audit of the financial statements and whether any such conditions were material weaknesses.

(iii) A statement as to whether the audit disclosed any noncompliance, which is material to the financial statements of the auditee.

(iv) Where applicable, a statement that reportable conditions in internal control over major programs were disclosed by the audit and whether any such conditions were material weaknesses.

(v) The type of report the auditor issued on compliance for major programs (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion).

(vi) A list of the Federal awarding agencies, which will receive a copy of the reporting package pursuant to § 41.320(d)(2).

(vii) A yes or no statement as to whether the auditee qualified as a low-risk auditee under § 41.530.

(viii) The dollar threshold used to distinguish between Type A and Type B programs as defined in § 41.520(b).

(ix) The Catalog of Federal Domestic Assistance (CFDA) number for each Federal program, as applicable.

(x) The name of each Federal program and identification of each major program. Individual programs within a cluster of programs should be listed in the same level of detail as they are listed in the schedule of expenditures of Federal awards.

(xi) The amount of expenditures in the schedule of expenditures of Federal awards associated with each Federal program.

(xii) For each Federal program, a yes or no statement as to whether there are audit findings in each of the following types of compliance requirements and the total amount of any questioned costs:

(A) Activities allowed or unallowed.

(B) Allowable costs/cost principles.

(C) Cash management.

(D) Davis-Bacon Act.

(E) Eligibility.

(F) Equipment and real property management.

(G) Matching, level of effort, earmarking.

(H) Period of availability of Federal funds.

(I) Procurement and suspension and debarment.

(J) Program income.

(K) Real property acquisition and relocations assistance.

(L) Reporting.

(M) Subrecipient monitoring.

(N) Special tests and provisions.

(xiii) Auditee name, employer identification number(s), name and title of
certifying official, telephone number, signature, and date.

(xiv) Auditor name, name and title of contact person, auditor address, auditor telephone number, signature, and date.

(xv) Whether the auditee has either a cognizant or oversight agency for audit.

(xvi) The name of the cognizant or oversight agency for audit determined in accordance with §41.400(a) and §41.400(b), respectively.

3 Using the information included in the reporting package described in paragraph (c) of this section, the auditor shall complete the applicable sections of the form. The auditor shall sign a statement to be included as part of the data collection form that indicates, at a minimum, the source of the information included in the form, the auditor’s responsibility for the information, that the form is not a substitute for the reporting package described in paragraph (c) of this section, and that the content of the form is limited to the data elements prescribed by OMB.

(c) Reporting package. The reporting package shall include the:

(1) Financial statements and schedule of expenditures of Federal awards discussed in §41.310(a) and §41.310(b), respectively;

(2) Summary schedule of prior audit findings discussed in §41.315(b);

(d) Submission to clearinghouse. All auditees shall submit to the Federal clearinghouse designated by OMB the data collection form described in paragraph (b) of this section and one copy of the reporting package described in paragraph (c) of this section for:

(1) The Federal clearinghouse to retain as an archival copy; and

(2) Each Federal awarding agency when the schedule of findings and questioned costs disclosed audit findings relating to Federal awards that the Federal awarding agency provided directly.

(e) Additional submission by subrecipients. (1) In addition to the requirements discussed in paragraph (d) of this section, auditees that are also subrecipients shall submit to each pass-through entity one copy of the reporting package described in paragraph (c) of this section for each pass-through entity when the schedule of findings and questioned costs disclosed audit findings relating to Federal awards that the pass-through entity provided or the summary schedule of prior audit findings reported the status of any audit findings relating to Federal awards that the pass-through entity provided.

(2) When a subrecipient is not required to submit a reporting package to a pass-through entity pursuant to paragraph (e)(1) of this section, the subrecipient shall provide written notification to the pass-through entity that: an audit of the subrecipient was conducted in accordance with this part (including the period covered by the audit and the name, amount, and CFDA number of the Federal award(s) provided by the pass-through entity); the schedule of findings and questioned costs disclosed no audit findings relating to the Federal award(s) that the pass-through entity provided; and, the summary schedule of prior audit findings did not report on the status of any audit findings relating to the Federal award(s) that the pass-through entity provided. A subrecipient may submit a copy of the reporting package described in paragraph (c) of this section to a pass-through entity to comply with this notification requirement.

(f) Requests for report copies. In response to requests by a Federal agency or pass-through entity, auditees shall submit the appropriate copies of the reporting package described in paragraph (c) of this section and, if requested, a copy of any management letters issued by the auditor.

(g) Report retention requirements. Auditees shall keep one copy of the data collection form described in paragraph (b) of this section and one copy of the reporting package described in paragraph (c) of this section on file for

(h) Clearinghouse responsibilities. The Federal clearinghouse designated by OMB shall distribute the reporting packages received in accordance with paragraph (d)(2) of this section and §41.235(c)(3) to applicable Federal awarding agencies, maintain a data base of completed audits, provide appropriate information to Federal agencies, and follow up with known auditees which have not submitted the required data collection forms and reporting packages.

(i) Clearinghouse address. The address of the Federal clearinghouse currently designated by OMB is Federal Audit Clearinghouse, Bureau of the Census, 1201 E. 10th Street, Jeffersonville, IN 47132.

(j) Electronic filing. Nothing in this part shall preclude electronic submissions to the Federal clearinghouse in such manner as may be approved by OMB. With OMB approval, the Federal clearinghouse may pilot test methods of electronic submissions.

Subpart D—Federal Agencies and Pass-Through Entities

§ 41.400 Responsibilities.

(a) Cognizant agency for audit responsibilities. Recipients expending more than $50 million a year in Federal awards shall have a cognizant agency for audit. The designated cognizant agency for audit shall be the Federal awarding agency that provides the predominant amount of direct funding to a recipient unless OMB makes a specific cognizant agency for audit assignment. The determination of the predominant amount of direct funding shall be based upon direct Federal awards expended in the recipient’s fiscal years ending in 2004, 2009, 2014, and every fifth year thereafter. For example, audit cognizance for periods ending in 2006 through 2010 will be determined based on Federal awards expended in 2004. (However, for 2001 through 2005, cognizant agency for audit is determined based on the predominant amount of direct Federal awards expended in the recipient’s fiscal year ending in 2000). Notwithstanding the manner in which audit cognizance is determined, a Federal awarding agency with cognizance for an auditee may reassign cognizance to another Federal awarding agency which provides substantial direct funding and agrees to be the cognizant agency for audit. Within 30 days after any reassignment, both the old and the new cognizant agency for audit shall notify the auditee, and, if known, the auditor of the reassignment. The cognizant agency for audit shall:

(1) Provide technical audit advice and liaison to auditees and auditors.

(2) Consider auditee requests for extensions to the report submission due date required by §41.320(a). The cognizant agency for audit may grant extensions for good cause.

(3) Obtain or conduct quality control reviews of selected audits made by non-Federal auditors, and provide the results, when appropriate, to other interested organizations.

(4) Promptly inform other affected Federal agencies and appropriate Federal law enforcement officials of any direct reporting by the auditee or its auditor of irregularities or illegal acts, as required by GAGAS or laws and regulations.

(5) Advise the auditor and, where appropriate, the auditee of any deficiencies found in the audits when the deficiencies require corrective action by the auditor. When advised of deficiencies, the auditee shall work with the auditor to take corrective action. If corrective action is not taken, the cognizant agency for audit shall notify the auditor, the auditee, and applicable Federal awarding agencies and pass-through entities of the facts and make recommendations for follow-up action. Major inadequacies or repetitive substandard performance by auditors shall be referred to appropriate State licensing agencies and professional bodies for disciplinary action.

(6) Coordinate, to the extent practical, audits or reviews made by or for Federal agencies that are in addition to the audits made pursuant to this
(7) Coordinate a management decision for audit findings that affect the Federal programs of more than one agency.

(8) Coordinate the audit work and reporting responsibilities among auditors to achieve the most cost-effective audit.

(9) For biennial audits permitted under §41.220, consider auditee requests to qualify as a low-risk auditee under §41.530(a).

(b) Oversight agency for audit responsibilities. An auditee, which does not have a designated cognizant agency for audit, will be under the general oversight of the Federal agency determined in accordance with §41.105. The oversight agency for audit:

(1) Shall provide technical advice to auditees and auditors as requested.

(2) May assume all or some of the responsibilities normally performed by a cognizant agency for audit.

(c) Federal awarding agency responsibilities. The Federal awarding agency shall perform the following for the Federal awards it makes:

(1) Identify Federal awards made by informing each recipient of the CFDA title and number, award name and number, award year, and if the award is R&D. When some of this information is not available, the Federal agency shall provide information necessary to clearly describe the Federal award.

(2) Advise recipients of requirements imposed on them by Federal laws, regulations, and the provisions of contracts or grant agreements as well as any supplemental requirements imposed by the pass-through entity.

(3) Monitor the activities of subrecipients as necessary to ensure that Federal awards are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts or grant agreements and that performance goals are achieved.

(4) Ensure that subrecipients expending $500,000 or more in Federal awards during the subrecipient’s fiscal year have met the audit requirements of this part for that fiscal year.

(5) Issue a management decision on audit findings within six months after receipt of the subrecipient’s audit report and ensure that the subrecipient takes appropriate and timely corrective action.

(d) Pass-through entity responsibilities. A pass-through entity shall perform the following for the Federal awards it makes:

(1) Identify Federal awards made by informing each subrecipient of CFDA title and number, award name and number, award year, if the award is R&D, and name of Federal agency. When some of this information is not available, the pass-through entity shall provide the best information available to describe the Federal award.

(2) Advise subrecipients of requirements imposed on them by Federal laws, regulations, and the provisions of contracts or grant agreements as well as any supplemental requirements imposed by the pass-through entity.

(3) Monitor the activities of subrecipients as necessary to ensure that Federal awards are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts or grant agreements and that performance goals are achieved.

(4) Ensure that subrecipients expending $500,000 or more in Federal awards during the subrecipient’s fiscal year have met the audit requirements of this part for that fiscal year.

(5) Issue a management decision on audit findings within six months after receipt of the subrecipient’s audit report and ensure that the subrecipient takes appropriate and timely corrective action.

(6) Consider whether subrecipient audits necessitate adjustment of the pass-through entity’s own records.

(7) Require each subrecipient to permit the pass-through entity and auditors to have access to the records and financial statements as necessary for the pass-through entity to comply with this part.

§41.405 Management decision.

(a) General. The management decision shall clearly state whether or not the audit finding is sustained, the reasons for the decision, and the expected auditee action to repay disallowed costs, make financial adjustments, or take other action. If the auditee has not completed corrective action, a timetable for follow-up should be provided.
given. Prior to issuing the management decision, the Federal agency or pass-through entity may request additional information or documentation from the auditee, including a request for auditor assurance related to the documentation, as a way of mitigating disallowed costs. The management decision should describe any appeal process available to the auditee.

(b) Federal agency. As provided in §41.400(a)(7), the cognizant agency for audit shall be responsible for coordinating a management decision for audit findings that affect the programs of more than one Federal agency. As provided in §41.400(c)(5), a Federal awarding agency is responsible for issuing a management decision for findings that relate to Federal awards it makes to recipients. Alternate arrangements may be made on a case-by-case basis by agreement among the Federal agencies concerned.

(c) Pass-through entity. As provided in §41.400(d)(5), the pass-through entity shall be responsible for making the management decision for audit findings that relate to Federal awards it makes to subrecipients.

(d) Time requirements. The entity responsible for making the management decision shall do so within six months of receipt of the audit report. Corrective action should be initiated within six months after receipt of the audit report and proceed as rapidly as possible.

(e) Reference numbers. Management decisions shall include the reference numbers the auditor assigned to each audit finding in accordance with §41.510(c).

Subpart E—Auditors

§41.500 Scope of audit.

(a) General. The audit shall be conducted in accordance with GAGAS. The audit shall cover the entire operations of the auditee; or, at the option of the auditee, such audit shall include a series of audits that cover departments, agencies, and other organizational units which expended or otherwise administered Federal awards during such fiscal year, provided that each such audit shall encompass the financial statements and schedule of expenditures of Federal awards for each such department, agency, and other organizational unit, which shall be considered to be a non-Federal entity. The financial statements and schedule of expenditures of Federal awards shall be for the same fiscal year.

(b) Financial statements. The auditor shall determine whether the financial statements of the auditee are presented fairly in all material respects in conformity with generally accepted accounting principles. The auditor shall also determine whether the schedule of expenditures of Federal awards is presented fairly in all material respects in relation to the auditee’s financial statements taken as a whole.

(c) Internal control. (1) In addition to the requirements of GAGAS, the auditor shall perform procedures to obtain an understanding of internal control over Federal programs sufficient to plan the audit to support a low assessed level of control risk for major programs.

(2) Except as provided in paragraph (c)(3) of this section, the auditor shall:

(i) Plan the testing of internal control over major programs to support a low assessed level of control risk for the assertions relevant to the compliance requirements for each major program; and

(ii) Perform testing of internal control as planned in paragraph (c)(2)(i) of this section.

(3) When internal control over some or all of the compliance requirements for a major program are likely to be ineffective in preventing or detecting noncompliance, the planning and performing of testing described in paragraph (c)(2) of this section are not required for those compliance requirements. However, the auditor shall report a reportable condition (including whether any such condition is a material weakness) in accordance with §41.510, assess the related control risk at the maximum, and consider whether additional compliance tests are required because of ineffective internal control.

(d) Compliance. (1) In addition to the requirements of GAGAS, the auditor shall determine whether the auditee...
§41.505 Audit reporting.

The auditor’s report(s) may be in the form of either combined or separate reports and may be organized differently from the manner presented in this section. The auditor’s report(s) shall state that the audit was conducted in accordance with this part and include the following:

(a) An opinion (or disclaimer of opinion) as to whether the financial statements are presented fairly in all material respects in conformity with generally accepted accounting principles and an opinion (or disclaimer of opinion) as to whether the schedule of expenditures of Federal awards is presented fairly in all material respects in relation to the financial statements taken as a whole.

(b) A report on internal control related to the financial statements and major programs. This report shall describe the scope of testing of internal control and the results of the tests, and, where applicable, refer to the separate schedule of findings and questioned costs described in paragraph (d) of this section.

(c) A report on compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements. This report shall also include an opinion (or disclaimer of opinion) as to whether the auditee complied with laws, regulations, and the provisions of contracts or grant agreements which could have a direct and material effect on each major program, and, where applicable, refer to the separate schedule of findings and questioned costs described in paragraph (d) of this section.

(d) A schedule of findings and questioned costs, which shall include the following three components:

(1) A summary of the auditor’s results, which shall include:

   (i) The type of report the auditor issued on the financial statements of the auditee (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion);

(2) The principal compliance requirements applicable to most Federal programs and the compliance requirements of the largest Federal programs are included in the compliance supplement.

(3) For the compliance requirements related to Federal programs contained in the compliance supplement, an audit of these compliance requirements will meet the requirements of this part. Where there have been changes to the compliance requirements and the changes are not reflected in the compliance supplement, the auditor shall determine the current compliance requirements and modify the audit procedures accordingly. For those Federal programs not covered in the compliance supplement, the auditor should use the types of compliance requirements contained in the compliance supplement as guidance for identifying the types of compliance requirements to test, and determine the requirements governing the Federal program by reviewing the provisions of contracts and grant agreements and the laws and regulations referred to in such contracts and grant agreements.

(4) The compliance testing shall include tests of transactions and such other auditing procedures necessary to provide the auditor sufficient evidence to support an opinion on compliance.

(e) Audit follow-up. The auditor shall follow-up on prior audit findings, perform procedures to assess the reasonableness of the summary schedule of prior audit findings prepared by the auditee in accordance with §41.313(b), and report, as a current year audit finding, when the auditor concludes that the summary schedule of prior audit findings materially misrepresents the status of any prior audit finding. The auditor shall perform audit follow-up procedures regardless of whether a prior audit finding relates to a major program in the current year.

(f) Data Collection Form. As required in §41.320(b)(3), the auditor shall complete and sign specified sections of the data collection form.

(Authority: Pub. L. 104–156; 110 Stat. 1396)
§ 41.510 Audit findings.

(a) Audit findings reported. The auditor shall report the following as audit findings in a schedule of findings and questioned costs:

(1) Reportable conditions in internal control over major programs. The auditor's determination of whether a deficiency in internal control is a reportable condition for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program or an audit objective identified in the compliance supplement. The auditor shall identify reportable conditions, which are individually or cumulatively material weaknesses.

(2) Material noncompliance with the provisions of laws, regulations, contracts, or grant agreements related to a major program. The auditor's determination of whether a noncompliance with the provisions of laws, regulations, contracts, or grant agreements is material for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program or an audit objective identified in the compliance supplement.

(3) Known questioned costs, which are greater than $10,000, for a type of compliance requirement for a major program. Known questioned costs are those specifically identified by the auditor. In evaluating the effect of questioned costs on the opinion on compliance, the auditor considers the best estimate of total costs questioned (likely questioned costs), not just the questioned costs specifically identified (known questioned costs). The auditor shall also report known questioned costs when likely questioned costs are greater than $10,000 for a type of compliance requirement for a major program. In reporting questioned costs, the auditor shall include information to provide proper perspective for judging the prevalence and consequences of the questioned costs.

(4) Known questioned costs, which are greater than $10,000, for a Federal program, which is not audited as a major program. Except for audit follow-up, the auditor is not required under this part to perform audit procedures for such a Federal program; therefore, the auditor will normally...
not find questioned costs for a program, which is not audited as a major program. However, if the auditor does become aware of questioned costs for a Federal program which is not audited as a major program (e.g., as part of audit follow-up or other audit procedures) and the known questioned costs are greater than $10,000, then the auditor shall report this as an audit finding.

(5) The circumstances concerning why the auditor’s report on compliance for major programs is other than an unqualified opinion, unless such circumstances are otherwise reported as audit findings in the schedule of findings and questioned costs for Federal awards.

(6) Known fraud affecting a Federal award, unless such fraud is otherwise reported as an audit finding in the schedule of findings and questioned costs for Federal awards. This paragraph does not require the auditor to make an additional reporting when the auditor confirms that the fraud was reported outside of the auditor’s reports under the direct reporting requirements of GAGAS.

(7) Instances where the results of audit follow-up procedures disclosed that the summary schedule of prior audit findings prepared by the auditee in accordance with §41.315(b) materially misrepresents the status of any prior audit finding.

(b) Audit finding detail. Audit findings shall be presented in sufficient detail for the auditee to prepare a corrective action plan and take corrective action and for Federal agencies and pass-through entities to arrive at a management decision. The following specific information shall be included, as applicable, in audit findings:

(1) Federal program and specific Federal award identification including the CFDA title and number, Federal award number and year, name of Federal agency, and name of the applicable pass-through entity. When information, such as the CFDA title and number or Federal award number, is not available, the auditor shall provide the best information available to describe the Federal award.

(2) The criteria or specific requirement upon which the audit finding is based, including statutory, regulatory, or other citation.

(3) The condition found, including facts that support the deficiency identified in the audit finding.

(4) Identification of questioned costs and how they were computed.

(5) Information to provide proper perspective for judging the prevalence and consequences of the audit findings, such as whether the audit findings represent an isolated instance or a systemic problem. Where appropriate, instances identified shall be related to the universe and the number of cases examined and be quantified in terms of dollar value.

(6) The possible asserted effect to provide sufficient information to the auditee and Federal agency, or pass-through entity in the case of a subrecipient, to permit them to determine the cause and effect to facilitate prompt and proper corrective action.

(7) Recommendations to prevent future occurrences of the deficiency identified in the audit finding.

(8) Views of responsible officials of the auditee when there is disagreement with the audit findings, to the extent practical.

(c) Reference numbers. Each audit finding in the schedule of findings and questioned costs shall include a reference number to allow for easy referencing of the audit findings during follow-up.

§41.515 Audit working papers.

(a) Retention of working papers. The auditor shall retain working papers and reports for a minimum of three years after the date of issuance of the auditor’s report(s) to the auditee, unless the auditor is notified in writing by the cognizant agency for audit, oversight agency for audit, or pass-through entity to extend the retention period. When the auditor is aware that the Federal awarding agency, pass-through entity, or auditee is contesting an audit finding, the auditor shall contact the parties contesting the audit finding for guidance prior to destruction of the working papers and reports.

(b) Access to working papers. Audit working papers shall be made available
upon request to the cognizant or oversight agency for audit or its designee, a Federal agency providing direct or indirect funding, or GAO at the completion of the audit, as part of a quality review, to resolve audit findings, or to carry out oversight responsibilities consistent with the purposes of this part. Access to working papers includes the right of Federal agencies to obtain copies of working papers, as is reasonable and necessary.

§ 41.520  Major program determination.

(a) General. The auditor shall use a risk-based approach to determine which Federal programs are major programs. This risk-based approach shall include consideration of: Current and prior audit experience, oversight by Federal agencies and pass-through entities, and the inherent risk of the Federal program. The process in paragraphs (b) through (i) of this section shall be followed.

(b) Step 1. (1) The auditor shall identify the larger Federal programs, which shall be labeled Type A programs. Type A programs are defined as Federal programs with Federal awards expended during the audit period exceeding the larger of:

(i) $300,000 or three percent (.03) of total Federal awards expended in the case of an auditee for which total Federal awards expended equal or exceed $300,000 but are less than or equal to $100 million.

(ii) $3 million or three-tenths of one percent (.003) of total Federal awards expended in the case of an auditee for which total Federal awards expended exceed $100 million but are less than or equal to $1 billion.

(iii) $30 million or 15 hundredths of one percent (.0015) of total Federal awards expended in the case of an auditee for which total Federal awards expended exceed $1 billion.

(2) Federal programs not labeled Type A under paragraph (b)(1) of this section shall be labeled Type B programs.

(3) The inclusion of large loan and loan guarantees (loans) should not result in the exclusion of other programs as Type A programs. When a Federal program providing loans significantly affects the number or size of Type A programs, the auditor shall consider this Federal program as a Type A program and exclude its values in determining other Type A programs.

(4) For biennial audits permitted under § 41.220, the determination of Type A and Type B programs shall be based upon the Federal awards expended during the two-year period.

(c) Step 2. (1) The auditor shall identify Type A programs, which are low-risk. For a Type A program to be considered low-risk, it shall have been audited as a major program in at least one of the two most recent audit periods (in the most recent audit period in the case of a biennial audit), and, in the most recent audit period, it shall have had no audit findings under § 41.510(a). However, the auditor may use judgment and consider that audit findings from questioned costs under § 41.510(a)(3) and § 41.510(a)(4), fraud under § 41.510(a)(6), and audit follow-up for the summary schedule of prior audit findings under § 41.510(a)(7) do not preclude the Type A program from being low-risk. The auditor shall consider: the criteria in §§ 41.525(c), 41.525(d)(1), 41.525(d)(2), and 41.525(d)(3); the results of audit follow-up; whether any changes in personnel or systems affecting a Type A program have significantly increased risk; and apply professional judgment in determining whether a Type A program is low-risk.

(2) Notwithstanding paragraph (c)(1) of this section, OMB may approve a Federal awarding agency’s request that a Type A program at certain recipients may not be considered low-risk. For example, it may be necessary for a large Type A program to be audited as major each year at particular recipients to allow the Federal agency to comply with the Government Management Reform Act of 1994 (31 U.S.C. 3515). The Federal agency shall notify the recipient and, if known, the auditor at least 180 days prior to the end of the fiscal year to be audited of OMB’s approval.

(d) Step 3. (1) The auditor shall identify Type B programs, which are high-risk, using professional judgment and the criteria in § 41.525. However, should the auditor select Option 2 under Step 4 (paragraph (e)(2)(i)(B) of this section), the auditor is not required to identify
more high-risk Type B programs than the number of low-risk Type A programs. Except for known reportable conditions in internal control or compliance problems as discussed in §§41.525(b)(1), 41.525(b)(2), and 41.525(c)(1), a single criteria in §41.525 would seldom cause a Type B program to be considered high-risk.

(2) The auditor is not expected to perform risk assessments on relatively small Federal programs. Therefore, the auditor is only required to perform risk assessments on Type B programs that exceed the larger of:

(i) $100,000 or three-tenths of one percent (.003) of total Federal awards expended when the auditee has less than or equal to $100 million in total Federal awards expended.

(ii) $300,000 or three-hundredths of one percent (.0003) of total Federal awards expended when the auditee has more than $100 million in total Federal awards expended.

(e) Step 4. At a minimum, the auditor shall audit all of the following as major programs:

(1) All Type A programs, except the auditor may exclude any Type A programs identified as low-risk under Step 2 (paragraph (c)(1) of this section).

(2) (i) High-risk Type B programs as identified under either of the following two options:

(A) Option 1. At least one half of the Type B programs identified as high-risk under Step 3 (paragraph (d) of this section), except this paragraph (e)(2)(i)(A) does not require the auditor to audit more high-risk Type B programs than the number of low-risk Type A programs identified as low-risk under Step 2.

(B) Option 2. One high-risk Type B program for each Type A program identified as low-risk under Step 2.

(ii) When identifying which high-risk Type B programs to audit as major under either Option 1 or 2 in paragraph (e)(2)(i)(A) or (B) of this section, the auditor is encouraged to use an approach which provides an opportunity for different high-risk Type B programs to be audited as major over a period of time.

(3) Such additional programs as may be necessary to comply with the percentage of coverage rule discussed in paragraph (f) of this section. This paragraph (e)(3) may require the auditor to audit more programs as major than the number of Type A programs.

(f) Percentage of coverage rule. The auditor shall audit as major programs Federal programs with Federal awards expended that, in the aggregate, encompass at least 50 percent of total Federal awards expended. If the auditee meets the criteria in §41.530 for a low-risk auditee, the auditor need only audit as major programs Federal programs with Federal awards expended that, in the aggregate, encompass at least 25 percent of total Federal awards expended.

(g) Documentation of risk. The auditor shall document in the working papers the risk analysis process used in determining major programs.

(b) Auditor’s judgment. When the major program determination was performed and documented in accordance with this part, the auditor’s judgment in applying the risk-based approach to determine major programs shall be presumed correct. Challenges by Federal agencies and pass-through entities shall only be for clearly improper use of the guidance in this part. However, Federal agencies and pass-through entities may provide auditors guidance about the risk of a particular Federal program and the auditor shall consider this guidance in determining major programs in audits not yet completed.

(i) Deviation from use of risk criteria. Except for first-year audits, the auditor may elect to determine major programs as all Type A programs plus any Type B programs as necessary to meet the percentage of coverage rule discussed in paragraph (f) of this section. Under this option, the auditor would not be required to perform the procedures discussed in paragraphs (c), (d), and (e) of this section.

(1) A first-year audit is the first year the entity is audited under this part or the first year of a change of auditors.

(2) To ensure that a frequent change of auditors would not preclude audit of high-risk Type B programs, this election for first-year audits may not be used by an auditee more than once in every three years.

(Authority: Pub. L. 104–156; 110 Stat. 1396)
§ 41.525 Criteria for Federal program risk.

(a) General. The auditor’s determination should be based on an overall evaluation of the risk of noncompliance occurring, which could be material to the Federal program. The auditor shall use auditor judgment and consider criteria, such as described in paragraphs (b), (c), and (d) of this section, to identify risk in Federal programs. Also, as part of the risk analysis, the auditor may wish to discuss a particular Federal program with auditee management and the Federal agency or pass-through entity.

(b) Current and prior audit experience. (1) Weaknesses in internal control over Federal programs would indicate higher risk. Consideration should be given to the control environment over Federal programs and such factors as the expectation of management’s adherence to applicable laws and regulations and the provisions of contracts and grant agreements and the competence and experience of personnel who administer the Federal programs.

(i) A Federal program administered under multiple internal control structures may have higher risk. When assessing risk in a large single audit, the auditor shall consider whether weaknesses are isolated in a single operating unit (e.g., one college campus) or pervasive throughout the entity.

(ii) When significant parts of a Federal program are passed through to subrecipients, a weak system for monitoring subrecipients would indicate higher risk.

(iii) The extent to which computer processing is used to administer Federal programs, as well as the complexity of that processing, should be considered by the auditor in assessing risk. New and recently modified computer systems may also indicate risk.

(2) Prior audit findings would indicate higher risk, particularly when the situations identified in the audit findings could have a significant impact on a Federal program or have not been corrected.

(3) Federal programs not recently audited as major programs may be of higher risk than Federal programs recently audited as major programs without audit findings.

(c) Oversight exercised by Federal agencies and pass-through entities. (1) Oversight exercised by Federal agencies or pass-through entities could indicate risk. For example, recent monitoring or other reviews performed by an oversight entity, which disclosed no significant problems, would indicate lower risk. However, monitoring which disclosed significant problems would indicate higher risk.

(2) Federal agencies, with the concurrence of OMB, may identify Federal programs, which are higher risk. OMB plans to provide this identification in the compliance supplement.

(d) Inherent risk of the Federal program. (1) The nature of a Federal program may indicate risk. Consideration should be given to the complexity of the program and the extent to which the Federal program contracts for goods and services. For example, Federal programs that disburse funds through third party contracts or have eligibility criteria may be of higher risk. Federal programs primarily involving staff payroll costs may have a high-risk for time and effort reporting, but otherwise be at low-risk.

(2) The phase of a Federal program in its life cycle at the Federal agency may indicate risk. For example, a new Federal program with new or interim regulations may have higher risk than an established program with time-tested regulations. Also, significant changes in Federal programs, laws, regulations, or the provisions of contracts or grant agreements may increase risk.

(3) The phase of a Federal program in its life cycle at the auditee may indicate risk. For example, during the first and last years that an auditee participates in a Federal program, the risk may be higher due to start-up or close-out of program activities and staff.

(4) Type B programs with larger Federal awards expended would be of higher risk than programs with substantially smaller Federal awards expended.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 41.530 Criteria for a low-risk auditee.

An auditee, which meets all of the following conditions for each of the preceding two years (or, in the case of
biennial audits, preceding two audit periods), shall qualify as a low-risk auditee and be eligible for reduced audit coverage in accordance with § 41.520:

(a) Single audits were performed on an annual basis in accordance with the provisions of this part. A non-Federal entity that has biennial audits does not qualify as a low-risk auditee, unless agreed to in advance by the cognizant or oversight agency for audit.

(b) The auditor’s opinions on the financial statements and the schedule of expenditures of Federal awards were unqualified. However, the cognizant or oversight agency for audit may judge that an opinion qualification does not affect the management of Federal awards and provide a waiver.

(c) There were no deficiencies in internal control, which were identified as material weaknesses under the requirements of GAGAS. However, the cognizant or oversight agency for audit may judge that any identified material weaknesses do not affect the management of Federal awards and provide a waiver.

(d) None of the Federal programs had audit findings from any of the following in either of the preceding two years (or, in the case of biennial audits, preceding two audit periods) in which they were classified as Type A programs:

(1) Internal control deficiencies which were identified as material weaknesses;

(2) Noncompliance with the provisions of laws, regulations, contracts, or grant agreements which have a material effect on the Type A program; or

(3) Known or likely questioned costs that exceed five percent of the total Federal awards expended for a Type A program during the year.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.
§ 42.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the Secretary of Veterans Affairs, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating the conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the Secretary of Veterans Affairs in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

1. The number of false, fictitious, or fraudulent claims or statements;
2. The time period over which the claims or statements were made;
3. The degree of the defendant’s culpability with respect to the misconduct;
4. The amount of money or the value of the property, services, or benefit falsely claimed;
5. The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;
6. The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;
7. The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of the programs;
8. Whether the defendant has engaged in a pattern of the same or similar misconduct;
9. Whether the defendant attempted to conceal the misconduct;
10. The degree to which the defendant has involved others in the misconduct or in concealing it;
11. Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude such misconduct;
12. Whether the defendant cooperated in or obstructed an investigation of the misconduct;
13. Whether the defendant assisted in identifying or prosecuting other wrongdoers;
14. The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect to it, including the extent of the defendant’s prior participation in the program or in similar transactions;
15. Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States, a State, or a local governmental unit; and
16. The need to deter the defendant and others from engaging in the same or similar misconduct.

§ 42.32 Location of hearing.

(a) The hearing may be held—
1. In any judicial district of the United States in which the defendant resides or transacts business;
2. In any judicial district of the United States in which the claim or statement in issue was made;
3. Any place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at a place and time ordered by the ALJ.

§ 42.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time.
for other parties to subpoena the witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §42.22(a) of this part.

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:

(1) Make the interrogation and presentation effective for the ascertainment of the truth,
(2) Avoid needless consumption of time, and
(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of the direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize the exclusion of—

(1) A party who is an individual;
(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party’s representative; or
(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 42.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the

ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to §42.24 of this part.

§ 42.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcription of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the Secretary of Veterans Affairs.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to §42.24 of this part.

§ 42.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing the briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. The briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ
§ 42.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate § 42.3 of this part;

(2) If the person is liable for penalties or assessments, the appropriate amount of the penalties or assessments considering any mitigating or aggravating factors that the ALJ finds in the case, such as those described in § 42.31 of this part.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all parties with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the Secretary. If the ALJ fails to meet the deadline contained in this paragraph, the ALJ shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the Secretary, or a motion for reconsideration with the ALJ or a notice of appeal with the Secretary. If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the Secretary and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 42.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the mailing in the absence of contrary proof.

(b) Every motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. The motion shall be accompanied by a supporting brief.

(c) Responses to the motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the Secretary and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the Secretary in accordance with § 42.39 of this part.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the Secretary and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the Secretary in accordance with § 42.39 of this part.

§ 42.39 Appeal to the Secretary of Veterans Affairs.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal the decision to the Secretary of Veterans Affairs by filing a notice of appeal with the Secretary in accordance with this section.

(b)(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under § 42.8 of this part, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) The Secretary may extend the initial 30 day period for an additional 30 days if the defendant files with the Secretary a request for an extension
within the initial 30 day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the Secretary, and the time for filing motions for reconsideration under § 42.38 of this part has expired, the ALJ shall forward the record of the proceeding to the Secretary.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the Secretary.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the Secretary shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the Secretary that additional evidence not presented at the hearing is material and that there were reasonable grounds for the failure to present the evidence at the hearing, the Secretary shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The Secretary may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment, determined by the ALJ in any initial decision.

(k) The Secretary shall promptly serve each party to the appeal with a copy of the decision of the Secretary and a statement describing the right of any person to seek judicial review.

(l) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the Secretary serves the defendant with a copy of the Secretary’s decision, a determination that a defendant is liable under § 42.3 of this part is final and is not subject to judicial review.

§ 42.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or Assistant Attorney General designated by the Attorney General transmits to the Secretary a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to the claim or statement, the Secretary shall order the process immediately. The Secretary may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 42.41 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the Secretary.

(b) No administrative stay is available following a final decision of the Secretary.

§ 42.42 Judicial review.

Section 3805 of title 31 U.S.C., authorizes judicial review by an appropriate United States District Court of a final decision of the Secretary imposing penalties or assessments under this part and specifies the procedures for the review.

§ 42.44 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under § 42.42 or § 42.43 of this part, or any amount agreed upon in a compromise or settlement under § 42.46 of this part, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under this subsection against a refund of an overpayment of Federal taxes, then or later owing by the United States to the defendant.
§ 42.45 Deposit in Treasury of United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(b).

§ 42.46 Compromise and settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The Secretary has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under § 42.42 of this part or during the pendency of any action to collect penalties and assessments under § 42.43 of this part.

(d) The Attorney General has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under § 42.42 of this part, or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(e) The investigating official may recommend settlement terms to the reviewing official, the Secretary, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the Secretary, or the Attorney General, as appropriate.

(b) If the defendant fails to file a timely answer, service of a notice under § 42.10(b) of this part shall be deemed a notice of hearing of purposes of this section.

(c) The statute of limitations may be extended by agreement of the parties.
Subpart A—General

§ 43.1 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 43.2 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 43.3 Definitions.

As used in this part:

**Accrued expenditures** mean the charges incurred by the grantee during a given period requiring the provision of funds for:

1. Goods and other tangible property received;
2. Services performed by employees, contractors, subgrantees, subcontractors, and other payees; and
3. Other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

**Accrued income** means the sum of:

1. Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and
2. Amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

**Acquisition cost** of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.

**Administrative requirements** mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from programmatic requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

**Awarding agency** means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

**Cash contributions** means the grantee’s cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

**Contract** means (except as used in the definitions for grant and subgrant in this section and except where qualified by Federal) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

**Cost sharing or matching** means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

**Cost-type contract** means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

**Equipment** means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

**Expenditure report** means: (1) For non-construction grants, the SF–269 “Financial Status Report” (or other equivalent report); (2) for construction grants, the SF–271 “Outlay Report and Request for Reimbursement” (or other equivalent report).
governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

_Government_ means a State or local government or a federally recognized Indian tribal government.

_Grant_ means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

_Grantee_ means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

_Local government_ means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

_Obligations_ means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

_OMB_ means the United States Office of Management and Budget.

_Outlays (expenditures)_ mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

_Percentage of completion method_ refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee’s cost incurred.

_Prior approval_ means documentation evidencing consent prior to incurring specific cost.

_Real property_ means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

_Share_, when referring to the awarding agency’s portion of real property, equipment or supplies, means the same percentage as the awarding agency’s portion of the acquiring party’s total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

_State_ means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

_Subgrant_ means an award of financial assistance in the form of money, or
property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of grant in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than equipment as defined in this part.

Suspension means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. Termination does not include:

(1) Withdrawal of funds awarded on the basis of the grantee’s underestimate of the unobligated balance in a prior period;
(2) Withdrawal of the unobligated balance as of the expiration of a grant;
(3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or
(4) Voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 43.4 Applicability.

Subpart B—Pre-Award Requirements

§ 43.10 Forms for applying for grants.
(a) Scope. (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.
§ 43.12 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered “high risk” if an awarding agency determines that a grantee or subgrantee:

(2) Is not financially stable, or
(3) Has a management system which does not meet the management standards set forth in this part, or
(4) Has not conformed to terms and conditions of previous awards, or
(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;
(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;
(3) Requiring additional, more detailed financial reports;
(4) Additional project monitoring;
(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(2) The reason(s) for imposing them;
(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions and
(4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

FINANCIAL ADMINISTRATION

§ 43.20 Standards for financial management systems.
(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and
(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) Financial reporting. Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) Accounting records. Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) Internal control. Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) Budget control. Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) Allowable cost. Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) Source documentation. Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) Cash management. Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees’ cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by
their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§ 43.21 Payment.

(a) Scope. This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) Basic standard. Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) Advances. Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) Reimbursement. Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee’s or subgrantee’s actual rate of disbursement.

(e) Working capital advances. If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee’s disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee’s actual cash disbursements.

(f) Effect of program income, refunds, and audit recoveries on payment. (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) Withholding payments. (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 43.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) Cash depositories. (1) Consistent with the national goal of expanding the
opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) Interest earned on advances. Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to $100 per year for administrative expenses.

§ 43.22 Allowable costs.

(a) Limitation on use of funds. Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) Applicable cost principles. For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

§ 43.23 Period of availability of funds.

(a) General. Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) Liquidation of obligations. A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF–269). The Federal agency may extend this deadline at the request of the grantee.

§ 43.24 Matching or cost sharing.

(a) Basic rule: Costs and contributions acceptable. With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) Qualifications and exceptions—(1) Costs borne by other Federal grant agreements. Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.
(2) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) Cost or contributions counted towards other Federal costs-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) Costs financed by program income. Costs financed by program income, as defined in §43.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §43.25(g).)

(5) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) Records. Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) Special standards for third party in-kind contributions. (1) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) Valuation of donated services—(1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee’s or subgrantee’s organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) Employees of other organizations. When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee’s normal line of work, the services will be valued at the employee’s regular rate of pay exclusive of the employee’s fringe benefits and overhead costs. If the services
§ 43.25 Program income.

(a) General. Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) Definition of program income. Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of

the grant agreement during the grant period. During the grant period is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) Cost of generating program income. If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) Governmental revenues. Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) Royalties. Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(f) Property. Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§43.31 and 43.32.

(g) Use of program income. Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) Deduction. Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) Addition. When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) Cost sharing or matching. When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) Income after the award period. There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 43.26 Non-Federal audit.

(a) Basic rule. Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.” The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) Subgrantees. State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee, which expends $300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A–110, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local
§ 43.30 Changes

(a) General. Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) Relation to cost principles. The applicable cost principles (see §43.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) Budget changes—(1) Nonconstruction projects. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds $100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) Construction projects. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(d) Programmatic changes. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform

Changes, Property, and Subawards

§ 43.30 Changes

(a) General. Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) Relation to cost principles. The applicable cost principles (see §43.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) Budget changes—(1) Nonconstruction projects. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds $100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) Construction projects. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(d) Programmatic changes. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform
activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §43.36 but does not apply to the procurement of equipment, supplies, and general support services.

(e) Additional prior approval requirements. The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) Requesting prior approval. (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §43.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee’s approved project which requires Federal prior approval, the grantee will obtain the Federal agency’s approval before approving the subgrantee’s request.

§ 43.31 Real property.

(a) Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) Use. Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purpose, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) Disposition. When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) Retention of title. Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency’s percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) Sale of property. Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency’s percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) Transfer of title. Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee’s percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 43.32 Equipment.

(a) Title. Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) States. A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.
(c) **Use.** (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §43.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) **Management requirements.** Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) **Disposition.** When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of $5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency’s share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) **Federal equipment.** In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) **Right to transfer title.** The Federal awarding agency may reserve the right
§ 43.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, “Debarment and Suspension.”

§ 43.36 Procurement

(a) States. When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) Procurement standards. (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

(i) The employee, officer or agent,

(ii) Any member of his immediate family,

(iii) His or her partner, or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The

§ 43.33 Supplies.

(a) Title. Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) Disposition. If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 43.34 Copyrights.

The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.
grantee’s or subgrantee’s officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee’s and subgrantee’s officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and
(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and
(ii) Violations of the grantee’s or subgrantee’s protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) Competition. (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of §43.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a “brand name” product instead of allowing “an equal” product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a “brand name or equal” description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) Methods of procurement to be followed—(1) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at $100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in §43.36(d)(2)(i) apply.
(i) In order for sealed bidding to be feasible, the following conditions should be present:
   (A) A complete, adequate, and realistic specification or purchase description is available;
   (B) Two or more responsible bidders are willing and able to compete effectively and for the business; and
   (C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.
(ii) If sealed bids are used, the following requirements apply:
   (A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;
   (B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;
   (C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;
   (D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
   (E) Any or all bids may be rejected if there is a sound documented reason.
(3) Procurement by competitive proposals. The technique of competitive proposals normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:
   (i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;
   (ii) Proposals will be solicited from an adequate number of qualified sources;
   (iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;
   (iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
   (v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.
(4) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.
   (i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:
   (A) The item is available only from a single source;
   (B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
   (C) The awarding agency authorizes noncompetitive proposals; or
   (D) After solicitation of a number of sources, competition is determined inadequate.
   (ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.
   (iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for
pre-award review in accordance with paragraph (g) of this section.

(e) Contracting with small and minority firms, women's business enterprise and labor surplus area firms. (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2)(i) through (v) of this section.

(f) Contract cost and price. (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §43.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) Awarding agency review. (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement
documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee’s or subgrantee’s procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a “brand name” product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency’s right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(b) Bonding requirements. For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contract documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) Contract provisions. A grantee’s and subgrantee’s contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)
(3) Compliance with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of $10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a–7) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts in excess of $2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–330) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded by grantees and subgrantees in excess of $2000, and in excess of $2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of $100,000)

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163, 89 Stat. 871).

§ 43.37 Subgrants.

(a) States. States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

(3) Ensure that a provision for compliance with Section 43.42 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) All other grantees. All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;
§ 43.40 Monitoring and reporting program performance.

(a) Monitoring by grantees. Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) Nonconstruction performance reports. The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) Construction performance reports. For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) Significant developments. Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.
(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Federal agencies may make site visits as warranted by program needs.

(f) Waivers, extensions. (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 43.41 Financial reporting.

(a) General. (1) Except as provided in paragraphs (a)(2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies, or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may issue any line item that the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) Financial Status Report—(1) Form. Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with paragraph § 43.41(e)(2)(iii) of this section.

(2) Accounting basis. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee’s accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) Frequency. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) Due date. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) Federal Cash Transactions Report—(1) Form. (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.
(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) Forecasts of Federal cash requirements. Forecasts of Federal cash requirements may be required in the "Remarks" section of the report.

(3) Cash in hands of subgrantees. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) Frequency and due date. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) Request for advance or reimbursement—(1) Advance payments. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) Reimbursements. Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in §43.41(b)(3).

(e) Outlay report and request for reimbursement for construction programs.

(1) Grants that support construction activities paid by reimbursement method.

(i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in §43.41(d), instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in §43.41(b)(3).

(2) Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.

(i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by §43.41(b)(3) and (4).

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in §43.41(d).

(iii) The Federal agency may substitute the Financial Status Report specified in §43.41(b) for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) Accounting basis. The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by §43.41(b)(2).

§ 43.42 Retention and access requirements for records.

(a) Applicability. (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.
(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see §43.36(i)(10).

(b) Length of retention period. (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) Starting date of retention period—(1) General. When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the date the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year’s records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) Real property and equipment records. The retention period for real property and equipment records starts from the date of the disposition or abandonment at the direction of the awarding agency.

(3) Records for income transactions after grant or subgrant support. In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee’s fiscal year in which the income is earned.

(4) Indirect cost rate proposals, cost allocations plans, etc. This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(2) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) Substitution of microfilm. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) Access to records—(1) Records of grantees and subgrantees. The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) Expiration of right of access. The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.
Restrictions on public access. The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

§ 43.43 Enforcement.

(a) Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency.

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award for the grantee’s or subgrantee’s program.

(4) Withhold further awards for the program, or

(5) Take other remedies that may be legally available.

(b) Hearings, appeals. In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable, and,

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to Debarment and Suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to “Debarment and Suspension” under E.O. 12549 (see §43.35).

§ 43.44 Termination for convenience.

Except as provided in §43.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated.

However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either §43.43 or paragraph (a) of this section.

Subpart D—After-The-Grant Requirements

§ 43.50 Closeout.

(a) General. The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) Reports. Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal
agencies may extend this timeframe. These may include but are not limited to:

1. Final performance or progress report.
2. Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF–271) (as applicable.)
3. Final request for payment (SF–270) (if applicable).
4. Invention disclosure (if applicable).
5. Federally-owned property report: In accordance with § 43.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) Cost adjustment. The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) Cash adjustments. (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 43.51 Later disallowances and adjustments.
The closeout of a grant does not affect:
(a) The Federal agency’s right to disallow costs and recover funds on the basis of a later audit or other review;
(b) The grantee’s obligation to return any funds due as a result of later refunds, corrections, or other transactions;
(c) Records retention as required in § 43.42;
(d) Property management requirements in §§ 43.31 and 43.32; and
(e) Audit requirements in § 43.26.

§ 43.52 Collection of amounts due.
(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:
1. Making an administrative offset against other requests for reimbursements.
2. Withholding advance payments otherwise due to the grantee.
3. Other action permitted by law.
(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

§ 45.105 Definitions.

For purposes of this part:

(f) Federal loan means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(l) Person means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. (n) Reasonable payment means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) Recipient includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. (p) Regularly employed means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as
soon as he or she is employed by such person for 130 working days.

(q) *State* means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§ 45.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

1. Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

2. An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

1. A Federal contract, grant, or cooperative agreement exceeding $100,000; or

2. A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

1. A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

2. A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or

3. A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

1. A subcontract exceeding $100,000 at any tier under a Federal contract;

2. A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;

3. A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or

4. A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S.C.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds.
Subpart B—Activities by Own Employees

§ 45.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §45.100(a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

1. Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

2. Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

1. Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

2. Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

3. Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 45.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §45.100(a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of
§ 45.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 45.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §45.100(a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §45.110(a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.
§ 45.600  Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.
§ 45.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

PART 46—POLICY REGARDING PARTICIPATION IN NATIONAL PRACTITIONER DATA BANK

Subpart A—General Provisions

§ 46.1 Definitions.

(b) Claim of medical malpractice means a written claim or demand for payment based on an act or omission of a physician, dentist, or other health care practitioner in furnishing (or failing to furnish) health care services, and includes the filing of a complaint or administrative tort claim under the Federal Tort Claims Act, 28 U.S.C. 1346(b), 2671–2680.

(c) Clinical privileges means privileges granted by a health care entity to individuals to furnish health care.

(d) Dentist means a doctor of dental surgery or dental medicine legally authorized to practice dental surgery or dentistry by a State (or any individual who holds himself or herself out to be so authorized).

(e) Director means the duly appointed director of a Department of Veterans Affairs health care facility or any individual with authorization to act for that person in the director's absence.

(f) Gross negligence is materially worse than substandard care, and consists of an entire absence of care, or an absence of even slight care or diligence; it implies a thoughtless disregard of consequences or indifference to the rights of others.

(g) Health care facility means a hospital, domiciliary, outpatient clinic, or any other entity that provides health care services.

(h) Other health care practitioner means an individual other than a physician or dentist who is licensed or otherwise authorized by a State to provide health care services.

(i) Physician means a doctor of medicine or osteopathy authorized to practice medicine or surgery by a State (or any individual who holds himself or herself out to be so authorized).

(j) Professional review action means a recommendation by a professional review panel (with at least a majority vote) to affect adversely the clinical privileges of a physician or dentist taken as a result of a professional review activity based on the competence or professional conduct of an individual physician or dentist in cases in which such conduct affects or could affect adversely the health or welfare of a patient, or patients. An action is not considered to be based on the competence or professional conduct of a physician or dentist, if the action is primarily based on:

(1) A physician's or dentist's association with, administrative supervision of, delegation of authority to, support for, or training of, a member or members of a particular class of health care practitioner or professional, or

(2) Any other matter that does not relate to the competence or professional conduct of a physician or dentist in his/her practice at a Department of Veterans Affairs health care facility.

(k) Professional review activity means an activity with respect to an individual physician or dentist to establish a recommendation regarding:

(1) Whether the physician or dentist may have clinical privileges with respect to the medical staff of the facility;
§ 46.2 Purpose.

The National Practitioner Data Bank, authorized by the Act and administered by the Department of Health and Human Services, was established for the purpose of collecting and releasing certain information concerning physicians, dentists, and other health care practitioners. The Act mandates that the Department of Health and Human Services seek to enter into a Memorandum of Understanding with the Department of Veterans Affairs (VA) for the purpose of having VA participate in the National Practitioner Data Bank. Such a Memorandum of Understanding has been established. Pursuant to the Memorandum of Understanding, VA will obtain information from the Data Bank concerning physicians, dentists, and other health care practitioners who provide or seek to provide health care services at VA facilities and also report information regarding malpractice payments and adverse clinical privileges actions to the Data Bank. This part essentially restates or interprets provisions of that Memorandum of Understanding and constitutes the policy of VA for participation in the National Practitioner Data Bank.

Subpart B—National Practitioner Data Bank Reporting

§ 46.3 Malpractice payment reporting.

(a) VA will file a report with the National Practitioner Data Bank, in accordance with regulations at 45 CFR part 60, subpart B, as applicable, regarding any payment for the benefit of a physician, dentist, or other licensed health care practitioner which was made as the result of a settlement or judgment of a claim of medical malpractice. The report will identify the physician, dentist, or other licensed health care practitioner for whose benefit the payment is made. It is intended that the report be filed within 30 days of the date payment is made. This may not be possible in all cases; e.g., sometimes notification of payment is delayed, and sometimes the malpractice payment review process cannot be completed within the timeframe. The report will provide the following information:

(1) With respect to the physician, dentist, or other licensed health care practitioner for whose benefit the payment is made—
(i) Name;
(ii) Work address;
(iii) Home address, if known;
(iv) Social Security number, if known, and if obtained in accordance with section 7 of the Privacy Act of 1974;
(v) Date of birth;
(vi) Name of each professional school attended and year of graduation;
(vii) For each professional license: the license number, the field of licensure, and the State in which the license is held;
(viii) Drug Enforcement Administration registration number, if applicable and known;
(ix) Name of each health care entity with which affiliated, if known.

(2) With respect to the reporting VA entity—
(i) Name and address of the reporting entity;
(ii) Name, title and telephone number of the responsible official submitting the report on behalf of the Federal government; and
(iii) Relationship of the entity to the physician, dentist, or other health care practitioner being reported.

(3) With respect to the judgment or settlement resulting in the payment—
  (i) Where an action or claim has been filed with an adjudicative body, identification of the adjudicative body and the case number;
  (ii) Date or dates on which the act(s) or omission(s), which gave rise to the action or claim occurred;
  (iii) Date of judgment or settlement;
  (iv) Amount paid, date of payment, and whether payment is for a judgment or a settlement;
  (v) Description and amount of judgment or settlement and any conditions attached thereto, including terms of payment;
  (vi) A description of the acts or omissions and injuries or illnesses upon which the action or claim was based; and
  (vii) Classification of the acts or omissions in accordance with a reporting code adopted by the Secretary of Health and Human Services.

(b) Payment will be considered to have been made for the benefit of a physician, dentist, or other licensed health care practitioner only if (at least a majority of) a malpractice payment review panel concludes that payment was related to substandard care, professional incompetence, or professional misconduct on the part of the physician, dentist, or other licensed health care practitioner. For purposes of this section, a panel shall have a minimum of three individuals appointed by the Director, Medical-Legal Affairs (including at least one member of the profession/occupation of the practitioner(s) whose actions are under review). The conclusions of the panel shall, at a minimum, be based on review of documents pertinent to the care that led to the claim. These documents include the medical records of the patient whose care led to the claim, any report of an administrative investigation board appointed to investigate the care, and the opinion of any consultant which the panel may request in its discretion. These documents do not include those generated primarily for consideration or litigation of the claim of malpractice. In addition, to the extent practicable, the documents shall include written statements of the individual(s) involved in the care which led to the claim. The practitioner(s) whose actions are under review will receive a written notice, hand-delivered or sent to the practitioner’s last known address (return receipt requested), from the VA facility director at the time the VA facility director receives the Notice of Payment. That notice from the VA facility director will indicate that VA is considering whether to report the practitioner to the National Practitioner Data Bank because of a specified malpractice payment made, and provide the practitioner the opportunity, within 60 days of receipt, to submit a written statement concerning the care that led to the claim. Inability to notify or non-response from the identified practitioner(s) will not preclude completion of the review and reporting process. The panel, at its discretion, may request additional information from the practitioner or the VA facility where the incident occurred. The review panel’s notification to the VA facility Director shall include the acts or omissions considered, the reporting conclusion, and the rationale for the conclusion.

(c) Attending staff (including contract employees, such as scarce medical specialists providing care pursuant to a contract under 38 U.S.C. 7409) are responsible for actions of licensed trainees assigned under their supervision. Notwithstanding the provisions of paragraph (b) of this section, actions of a licensed trainee (intern or resident) acting within the scope of his or her training program that otherwise would warrant reporting for substandard care, professional incompetence, or professional misconduct under the provisions of paragraph (b) of this section, will be reported only if the panel, by at least a majority, concludes that such actions constitute gross negligence or willful professional misconduct. For purposes of paragraph (b) of this section, payment will be considered to be made for the benefit of a physician, dentist, or other health care practitioner, in their supervisory capacity, if the panel concludes, by at least a majority, that the physician,
dentist or other health care practitioner was acting in a supervisory capacity; that the payment was related to substandard care, professional incompetence, or professional misconduct of the trainee and not the supervisor; and that the trainee did not commit gross negligence or willful professional misconduct. Such report will note that the physician, dentist, or other health care practitioner is being reported in a supervisory capacity.

NOTE TO PARAGRAPH (c): Licensed trainees acting outside the scope of their training program (e.g., acting as admitting officer of the day) will be reported under the provisions of paragraph (b) of this section.

(d) The Director of the facility at which the claim arose has the primary responsibility for submitting the report to the National Practitioner Data Bank and for providing a copy to the practitioner, to the State Licensing Board in each State where the practitioner holds a license, and to the State Licensing Board in which the facility is located. However, the Chief Patient Care Services Officer is also authorized to submit the report to the National Practitioner Data Bank and provide copies to the practitioner and State Licensing Boards in cases where the Chief Patient Care Services Officer deems it appropriate to do so. The Director of the facility also shall provide to the practitioner a copy of the review panel’s notification to the Director.

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900-0621)

§46.4 Clinical privileges actions reporting.

(a) VA will file an adverse action report with the National Practitioner Data Bank in accordance with regulations at 45 CFR part 60, subpart B, as applicable, regarding any of the following actions:

(1) An action of a Director after consideration of a professional review action that, for a period longer than 30 days, adversely affects (by reducing, restricting, suspending, revoking, or failing to renew) the clinical privileges of a physician or dentist relating to possible incompetence or improper professional conduct.

(2) Acceptance of the surrender of clinical privileges, including the surrender of clinical privileges inherent in resignation or retirement, or any restriction of such privileges by a physician or dentist either while under investigation by the health care entity relating to possible incompetence or improper professional conduct, or in return for not conducting such an investigation or proceeding whether or not the individual remains in VA service.

(b) The report specified in paragraph (a) of this section will provide the following information—

(1) With respect to the physician or dentist:

(i) Name;

(ii) Work address;

(iii) Home address, if known;

(iv) Social Security number, if known (and if obtained in accordance with section 7 of the Privacy Act of 1974);

(vi) Name of each professional school attended and year of graduation;

(vii) For each professional license: the license number, the field of license, and the name of the State in which the license is held;

(viii) Drug Enforcement Administration registration number, if applicable and known;

(ix) A description of the acts or omissions or other reasons for privilege loss, or, if known, for surrender; and

(x) Action taken, date action was made final, length of action and effective date of the action.

(2) With respect to the VA facility—

(i) Name and address of the reporting facility; and

(ii) Name, title, and telephone number of the responsible official submitting the report.

(c) A copy of the report referred to in paragraph (a) of this section will also be filed with the State Licensing Board in the State(s) in which the practitioner is licensed and in which the facility is located. It is intended that the report be filed within 15 days of the date the action is made final, that is, subsequent to any internal (to the facility) appeal.

(d) As soon as practicable after it is determined that a report shall be filed with the National Practitioner Data

§ 48.200 What must I do to comply with this part?

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§ 48.205 through 48.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see § 48.225).

(b) Second, you must identify all known workplaces under your Federal awards (see § 48.230).

§ 48.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 48.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in § 48.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 48.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace;

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and

(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

§ 48.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?

If you are a new recipient that does not already have a policy statement as described in § 48.205 and an ongoing awareness program as described in § 48.215, you must publish the statement and establish the program by the time given in the following table:

<table>
<thead>
<tr>
<th>If . . .</th>
<th>then you . . .</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) The performance period of the award is less than 30 days.</td>
<td>must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.</td>
</tr>
<tr>
<td>(b) The performance period of the award is 30 days or more.</td>
<td>must have the policy statement and program in place within 30 days after award.</td>
</tr>
<tr>
<td>(c) You believe there are extraordinary circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program.</td>
<td>may ask the Department of Veterans Affairs awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.</td>
</tr>
</tbody>
</table>

§ 48.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:
§ 48.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving a(n) Department of Veterans Affairs award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

(1) In writing.

(2) Within 10 calendar days of the conviction.

(3) To the Department of Veterans Affairs awarding official or other designee for each award that you currently have, unless §48.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

§ 48.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving a(n) Department of Veterans Affairs award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

(1) In writing.

(2) Within 10 calendar days of the conviction.

(3) To the Department of Veterans Affairs awarding official or other designee for each award that you currently have, unless §48.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.
§ 48.301 [Reserved]

Subpart D—Responsibilities of Department of Veterans Affairs Awarding Officials

§ 48.400 What are my responsibilities as a(n) Department of Veterans Affairs awarding official?

As a(n) Department of Veterans Affairs awarding official, you must obtain each recipient’s agreement, as a condition of the award, to comply with the requirements in—

(a) Subpart B of this part, if the recipient is not an individual; or
(b) Subpart C of this part, if the recipient is an individual.

Subpart E—Violations of This Part and Consequences

§ 48.500 How are violations of this part determined for recipients other than individuals?

A recipient other than an individual is in violation of the requirements of this part if the Secretary determines, in writing, that—

(a) The recipient has violated the requirements of subpart B of this part; or
(b) The number of convictions of the recipient’s employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

§ 48.505 How are violations of this part determined for recipients who are individuals?

An individual recipient is in violation of the requirements of this part if the Secretary determines, in writing, that—

(a) The recipient has violated the requirements of subpart C of this part; or
(b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

§ 48.510 What actions will the Federal Government take against a recipient determined to have violated this part?

If a recipient is determined to have violated this part, as described in § 48.500 or § 48.505, the Department of Veterans Affairs may take one or more of the following actions—

(a) Suspension of payments under the award;
(b) Suspension or termination of the award; and
(c) Suspension or debarment of the recipient under 2 CFR parts 180 and 801, for a period not to exceed five years.

§ 48.515 Are there any exceptions to those actions?

The Secretary may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Secretary determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

Recipient means any individual, corporation, partnership, association, unit of government (except a Federal agency) or legal entity, however organized, that receives an award directly from a Federal agency.

§ 48.665 State.

State means any of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.

§ 48.670 Suspension.

Suspension means an action taken by a Federal agency that immediately prohibits a recipient from participating in Federal Government procurement contracts and covered non-procurement transactions for a temporary period, pending completion of an investigation and any judicial or administrative proceedings that may ensue. A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Governmentwide Debarment and Suspension (Non-procurement), that implements Executive Order 12549 and Executive Order 12689. Suspension of a recipient is a distinct and separate action from suspension of an award or suspension of payments under an award.

SOURCE: 70 FR 52261, Sept. 1, 2005, unless otherwise noted.

Subpart A—General

§ 49.1 Purpose.

This part establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, and other non-profit organizations. Federal awarding agencies shall not impose additional or inconsistent requirements, except as provided in §§ 49.4 and 49.14 or unless specifically required by Federal statute or executive order. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.2 Definitions.

(a) **Accrued expenditures** means the charges incurred by the recipient during a given period requiring the provision of funds for:

1. Goods and other tangible property received;
2. Services performed by employees, contractors, subrecipients, and other payees; and,
3. Other amounts becoming owed under programs for which no current services or performance is required.

(b) **Accrued income** means the sum of:

1. Earnings during a given period from:
   i. Services performed by the recipient,
   ii. Goods and other tangible property delivered to purchasers, and
2. Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

(c) **Acquisition cost of equipment** means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient’s regular accounting practices.

(d) **Advance** means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) **Award** means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(f) **Cash contributions** means the recipient’s cash outlay, including the outlay of money contributed to the recipient by third parties.

(g) **Closeout** means the process by which a Federal awarding agency determines that all applicable administrative actions and all required work of the award have been completed by the recipient and Federal awarding agency.

(h) **Contract** means a procurement contract under an award or subaward, and a procurement subcontract under a recipient’s or subrecipient’s contract.

(i) **Cost sharing or matching** means that portion of project or program costs not borne by the Federal Government.

(j) **Date of completion** means the date on which all work under an award is completed or the date on the award document, or any supplement or
amendment thereto, on which Federal sponsorship ends.

(k) *Disallowed costs* means those charges to an award that the Federal awarding agency determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

(l) *Equipment* means tangible non-expendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of $5000 or more per unit. However, consistent with recipient policy, lower limits may be established.

(m) *Excess property* means property under the control of any Federal awarding agency that, as determined by the head thereof, is no longer required for its needs or the discharge of its responsibilities.

(n) *Exempt property* means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

(o) *Federal awarding agency* means the Federal agency that provides an award to the recipient.

(p) *Federal funds authorized* means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

(q) *Federal share of real property, equipment, or supplies* means that percentage of the property’s acquisition costs and any improvement expenditures paid with Federal funds.

(r) *Funding period* means the period of time when Federal funding is available for obligation by the recipient.

(s) *Intangible property and debt instruments* means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

(t) *Obligations* means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

(u) *Outlays or expenditures* means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(v) *Personal property* means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

(w) *Prior approval* means written approval by an authorized official evidencing prior consent.

(x) *Program income* means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in §49.24 (e) and (h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of...
commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal awarding agency regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

(y) Project costs means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

(z) Project period means the period established in the award document during which Federal sponsorship begins and ends.

(aa) Property means, unless otherwise stated, real property, equipment, intangible property and debt instruments.

(bb) Real property means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

(cc) Recipient means an organization receiving financial assistance directly from Federal awarding agencies to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the Federal awarding agency. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance, which is excluded from the definition of “award” in paragraph (e) of this section.

(gg) Subrecipient means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

(hh) Supplies means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement (“subject inventions”), as defined in 37 CFR 401.2(d)
§ 49.3

(ii) **Suspension** means an action by a Federal awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. Suspension of an award is a separate action from suspension under Federal agency regulations implementing E.O.s 12549 and 12689, “Debarment and Suspension.”

(jj) **Termination** means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

(kk) **Third party in-kind contributions** means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

(ll) **Unliquidated obligations, for financial reports prepared on a cash basis,** means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

(mm) **Unobligated balance** means the portion of the funds authorized by the Federal awarding agency that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

(nn) **Unrecovered indirect cost** means the difference between the amount awarded and the amount, which could have been awarded under the recipient’s approved negotiated indirect cost rate.

(oo) **Working capital advance** means a procedure where by funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 49.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements, which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of regulations in part 43 of this chapter.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

Subpart B—Pre-Award Requirements

§ 49.10 Purpose.

Sections 49.11 through 49.17 prescribes forms and instructions and other pre-award matters to be used in applying for Federal awards.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.11 Pre-award policies.

(a) Use of grants and cooperative agreements, and contracts. In each instance,
the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public notice and priority setting. Federal awarding agencies shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

(Authority: Pub. L. 104-156; 110 Stat. 1396)

§ 49.12 Forms for applying for Federal assistance.

(a) Federal awarding agencies shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by the Federal awarding agency in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by the Federal awarding agency.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Federal awarding agency or the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) Federal awarding agencies that do not use the SF-424 form should indicate whether the application is subject to review by the State under E.O. 12372.

(Authority: Pub. L. 104-156; 110 Stat. 1396)

§ 49.13 Debarment and suspension.

Federal awarding agencies and recipients shall comply with 2 CFR parts 180 and 801, which restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

(Authority: Pub. L. 104-156; 110 Stat. 1396)

§ 49.14 Special award conditions.

If an applicant or recipient has a history of poor performance, is not financially stable, has a management system that does not meet the standards prescribed in this part, has not conformed to the terms and conditions of a previous award, or is not otherwise responsible, Federal awarding agencies may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

(Authority: Pub. L. 104-156; 110 Stat. 1396)

§ 49.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date
or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency’s procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. Federal awarding agencies shall follow the provisions of E.O. 12770, “Metric Usage in Federal Government Programs.”

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.16 Resource Conservation and Recovery Act (RCRA).

Under the RCRA (Pub. L. 94–580, codified at 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247–254). Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.17 Certifications and representations.

Unless prohibited by statute or codified regulation, each Federal awarding agency is authorized and encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients’ compliance with the pertinent requirements.

(Authority: Pub. L. 104–156; 110 Stat. 1396)
should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101–453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, “Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs.”

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Federal awarding agency, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Federal awarding agency may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government’s interest.

(e) Where bonds are required in the situations described in paragraphs (a) through (d) of this section, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and financial management systems that meet the standards for fund control and accountability as established in §49.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Federal awarding agency to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF–270, “Request for Advance or Reimbursement,” or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special Federal awarding agency instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) of this section cannot be met. Federal awarding agencies may also use this method on any construction
agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Federal awarding agency shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Federal awarding agency has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Federal awarding agency may provide cash on a working capital advance basis. Under this procedure, the Federal awarding agency shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee’s disbursing cycle. Thereafter, the Federal awarding agency shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient’s actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, Federal awarding agencies shall not withhold payments for proper charges made by recipients at any time during the project period unless either of the following conditions apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A–129, “Managing Federal Credit Programs.” Under such conditions, the Federal awarding agency may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows.

(1) Except for situations described in paragraph (i)(2) of this section, Federal awarding agencies shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless any of the following conditions apply.

(1) The recipient receives less than $120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of $250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, Rockville, MD 20852. Interest amounts up to $250 per year may be retained by the recipient for administrative expense. State universities and
hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) SF–270, Request for Advance or Reimbursement. Each Federal awarding agency shall adopt the SF–270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. Federal awarding agencies, however, have the option of using this form for construction programs in lieu of the SF–271, “Outlay Report and Request for Reimbursement for Construction Programs.”

(2) SF–271, Outlay Report and Request for Reimbursement for Construction Programs. Each Federal awarding agency shall adopt the SF–271 as the standard form to be used for requesting reimbursement for construction programs. However, a Federal awarding agency may substitute the SF–270 when the Federal awarding agency determines that it provides adequate information to meet Federal needs.

(Authority: Pub. L. 104–156; 110 Stat. 1396)
costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if either of the following conditions apply.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Federal awarding agency has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient’s supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.24 Program income.

(a) Federal awarding agencies shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with Federal awarding agency regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following:

(1) Added to funds committed to the project by the Federal awarding agency and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When an agency authorizes the disposition of program income as described in paragraphs (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) In the event that the Federal awarding agency does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) of this section shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) of this section shall apply automatically unless the
awarding agency indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in §49.14.

(e) Unless Federal awarding agency regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by Federal awarding agency regulations or the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards (See §§49.30 through 49.37).

(b) Unless Federal awarding agency regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 49.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Federal awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from Federal awarding agencies for one or more of the following program or budget related reasons.

1. Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

2. Change in a key person specified in the application or award document.

3. The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

4. The need for additional Federal funding.

5. The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Federal awarding agency.

7. The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

8. Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Federal awarding agencies are authorized, at their option, to waive cost-related and administrative prior written approvals required by this part and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following.
(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Federal awarding agency. All pre-award costs are incurred at the recipient’s risk (i.e., the Federal awarding agency is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Federal awarding agency in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Federal awarding agency provides otherwise in the award or in the agency’s regulations, the prior approval requirements described in paragraph (e) of this section are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds $100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency. No Federal awarding agency shall permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from Federal awarding agencies for budget revisions whenever any of the following conditions apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in §49.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When a Federal awarding agency makes an award that provides support for both construction and nonconstruction work, the Federal awarding agency may require the recipient to request prior approval from the Federal awarding agency before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, Federal awarding agencies shall require recipients to notify the Federal awarding agency in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than $5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Federal awarding agency indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, Federal awarding agencies shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Federal awarding agency...
agency shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 49.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A–133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of the Federal awarding agency or the prime recipient as incorporated into the award document.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A–87, “Cost Principles for State, Local, and Indian Tribal Governments.” The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A–122, “Cost Principles for Non-Profit Organizations.” The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A–21, “Cost Principles for Educational Institutions.” The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.”

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.29 Conditional exemptions.

(a) OMB authorizes conditional exemption from OMB administrative requirements and cost principles circulars for certain Federal programs with statutorily-authorized consolidated planning and consolidated administrative funding, that are identified by a Federal agency and approved by the head of the Executive department or establishment. A Federal agency shall consult with OMB during its consideration of whether to grant such an exemption.

(b) To promote efficiency in State and local program administration, when Federal non-entitlement programs with common purposes have specific statutorily-authorized consolidated planning and consolidated administrative funding and where most of the State agency’s resources come from non-Federal sources, Federal agencies may exempt these covered State-administered, non-entitlement grant programs from certain OMB grants management requirements. The exemptions would be from all but the allocability of costs provisions of OMB Circulars A–87 (Attachment A, subsection C.3), “Cost Principles for State, Local, and Indian Tribal Governments,” A–21 (Section C, subpart 4),

(c) When a Federal agency provides this flexibility, as a prerequisite to a State's exercising this option, a State must adopt its own written fiscal and administrative requirements for expending and accounting for all funds, which are consistent with the provisions of OMB Circular A–87, and extend such policies to all subrecipients. These fiscal and administrative requirements must be sufficiently specific to ensure that: Funds are used in compliance with all applicable Federal statutory and regulatory provisions, costs are reasonable and necessary for operating these programs, and funds are not be used for general expenses required to carry out other responsibilities of a State or its subrecipients.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.30 Purpose of property standards.

Sections 49.31 through 49.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Federal awarding agencies shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§49.31 through 49.37.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.32 Real property.

Each Federal awarding agency shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Federal awarding agency.

(b) The recipient shall obtain written approval by the Federal awarding agency for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Federal awarding agency.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the property subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Federal awarding agency.

(Authority: Pub. L. 104–156; 110 Stat. 1396)
the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.33 Federally-owned and exempt property.

(a) Federally-owned property. (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the Federal awarding agency. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Federal awarding agency for further Federal agency utilization.

(2) If the Federal awarding agency has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Federal awarding agency has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, “Improving Mathematics and Science Education in Support of the National Education Goals.”) Appropriate instructions shall be issued to the recipient by the Federal awarding agency.

(b) Exempt property. When statutory authority exists, the Federal awarding agency has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Federal awarding agency considers appropriate. Such property is “exempt property.” Should a Federal awarding agency not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) Activities sponsored by the Federal awarding agency, which funded the original project, then

(2) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the Federal awarding agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized
by the Federal awarding agency. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of the Federal awarding agency.

(f) The recipient’s property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following.

(1) Equipment records shall be maintained accurately and shall include the following information.
   (i) A description of the equipment.
   (ii) Manufacturer’s serial number, model number, Federal stock number, national stock number, or other identification number.
   (iii) Source of the equipment, including the award number.
   (iv) Whether title vests in the recipient or the Federal Government.
   (v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.
   (vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).
   (vii) Location and condition of the equipment and the date the information was reported.
   (viii) Unit acquisition cost.
   (ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Federal awarding agency for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of $5000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the equipment to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall determine whether the equipment can be used to meet the agency’s requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Federal awarding agency to determine whether a requirement for the equipment exists in other Federal agencies. The Federal awarding agency shall issue instructions to the recipient no later than 120 calendar days after the recipient’s request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient’s request, the recipient shall sell the equipment and reimburse the Federal awarding agency an amount computed...
by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share $500 or ten percent of the proceeds, whichever is less, for the recipient’s selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient’s participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the Federal awarding agency for such costs incurred in its disposition.

(4) The Federal awarding agency may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The Federal awarding agency shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When the Federal awarding agency exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

(Authority: Pub. L. 104-156; 110 Stat. 1396)
(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by the Federal Government in developing an agency action that has the force and effect of law, the Federal awarding agency shall request, and the recipient shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If the Federal awarding agency obtains the research data solely in response to an FOIA request, the agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the agency, the recipient, and applicable subrecipients. This fee is in addition to any fees the agency may assess under the FOIA (5 U.S.C. 522(a)(4)(A)).

(2) The following definitions apply for purposes of paragraph (d) of this section:

(i) **Research data** is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This “recorded” material excludes physical objects (e.g., laboratory samples). Research data also do not include:
   
   (A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and
   
   (B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) **Published** is defined as either when:

   (A) Research findings are published in a peer-reviewed scientific or technical journal; or
   
   (B) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) **Used by the Federal Government in developing an agency action that has the force and effect of law** is defined as when an agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(e) **Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient.** The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of §49.34(g).

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.40 Purpose of procurement standards.

Sections 49.41 through 49.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall
be imposed by the Federal awarding agencies upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.41 Recipient responsibilities.

The standards contained in §§ 49.41 through 49.48 do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Federal awarding agency, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient’s interest to do so.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that all of the following conditions apply.

(1) Recipients avoid purchasing unnecessary items.

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government.

(3) Solicitations for goods and services provide for all of the following.

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features, which unduly restrict competition.
(i) Requirements, which the bidder/offeror must fulfill, and all other factors to be used in evaluating bids or proposals.

(ii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iii) The specific features of “brand name or equal” descriptions that bidders are required to meet when such items are included in the solicitation.

(iv) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(v) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women’s business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women’s business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women’s business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women’s business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women’s business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce’s Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women’s business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The “cost-plus-a-percentage-of-cost” or “percentage of construction cost” methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies’ implementation of E.O.s 12549 and 12689, “Debarment and Suspension.”

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient’s procurement procedures or operation fails to comply with the procurement standards in the Federal awarding agency’s implementation of this part.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403 (11) (currently $25,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a “brand name” product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more
than the amount of the small purchase threshold.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection,
(b) Justification for lack of competition when competitive bids or offers are not obtained, and
(c) Basis for award cost or price.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

(Authority: Pub. L. 104–156; 110 Stat. 1396)

§ 49.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, the Federal awardee may accept the bonding policy and requirements of the recipient, provided the Federal awardee has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to assure fulfillment of all the contractor’s obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and
material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.

§ 49.50 Purpose of reports and records.

Sections 49.51 through 49.53 set forth the procedures for monitoring and reporting on the recipient’s financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.

§ 49.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure sub-recipients have met the audit requirements as delineated in §49.26.

(b) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in §49.51(f) of this section, performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following.

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.
authorized for obtaining financial information from recipients.

(1) SF–269 or SF–269A, Financial Status Report.

(i) Each Federal awarding agency shall require recipients to use the SF–269 or SF–269A to report the status of funds for all nonconstruction projects or programs. A Federal awarding agency may, however, have the option of not requiring the SF–269 or SF–269A when the SF–270, Request for Advance or Reimbursement, or SF–272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF–269 or SF–269A shall be required at the completion of the project when the SF–270 is used only for advances.

(ii) The Federal awarding agency shall prescribe whether the report shall be on a cash or accrual basis. If the Federal awarding agency requires accrual information and the recipient’s accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) The Federal awarding agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Federal awarding agency shall require recipients to submit the SF–269 or SF–269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semiannual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Federal awarding agency upon request of the recipient.

(i) When funds are advanced to recipients the Federal awarding agency shall require each recipient to submit the SF–272 and, when necessary, its continuation sheet, SF–272a. The Federal awarding agency shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) Federal awarding agencies may require forecasts of Federal cash requirements in the “Remarks” section of the report.

(iii) When practical and deemed necessary, Federal awarding agencies may require recipients to report in the “Remarks” section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF–272 15 calendar days following the end of each quarter. The Federal awarding agencies may require a monthly report from those recipients receiving advances totaling $1 million or more per year.

(v) Federal awarding agencies may waive the requirement for submission of the SF–272 for any one of the following reasons:

(A) When monthly advances do not exceed $25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Federal awarding agency’s opinion, the recipient’s accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Federal awarding agency needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, Federal awarding agencies shall issue instructions to require recipients to submit such information under the “Remarks” section of the reports.

(2) When a Federal awarding agency determines that a recipient’s accounting system does not meet the standards in §49.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is
§ 49.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Federal awarding agency. The only exceptions are the following.

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in §49.53(g) of this section.

(c) Copies of original records may be substituted for the original records if authorized by the Federal awarding agency.

(d) The Federal awarding agency shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, a Federal awarding agency may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal awarding agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient’s personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, no Federal awarding agency shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Federal awarding agency can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Federal awarding agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).
§ 49.62

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

§ 49.62 Enforcement.

(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Federal awarding agency may, in addition to imposing any of the special conditions outlined in §49.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Federal awarding agency.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) Hearings and appeals. In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice.
§ 49.70 Purpose.

Sections 49.71 through 49.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 49.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Federal awarding agency may approve extensions when requested by the recipient.

(b) Unless the Federal awarding agency authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) The Federal awarding agency shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that the Federal awarding agency has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A–129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, the Federal awarding agency shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§ 49.31 through 49.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, the Federal awarding agency shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

(Authority: Pub. L. 104–156, OMB Circular A–110)

§ 49.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following.

(1) The right of the Federal awarding agency to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in § 49.26.

(4) Property management requirements in §§ 49.31 through 49.37.

(5) Records retention as required in § 49.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Federal awarding agency and the recipient, provided the responsibilities of the recipient referred to in § 49.73(a), including those for property management as
§ 49.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by any of the following methods.

1. Making an administrative offset against other requests for reimbursements.

2. Withholding advance payments otherwise due to the recipient.

3. Taking other action permitted by statute.

(b) Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, “Federal Claims Collection Standards.”

Subpart A—General

§ 51.1 Purpose.

This part sets forth the mechanism for paying per diem to State homes providing nursing home care to eligible veterans and is intended to ensure that veterans receive high quality care in State homes.
§ 51.2 Definitions.

For purposes of this part:

Clinical nurse specialist means a licensed professional nurse who has a Master's degree in nursing with a major in a clinical nursing specialty from an academic program accredited by the National League for Nursing and who is certified by a nationally recognized credentialing body (such as the National League for Nursing, the American Nurses Credentialing Center, or the Commission on Collegiate Nursing Education).

Facility means a building or any part of a building for which a State has submitted an application for recognition as a State home for the provision of nursing home care or a building or any part of a building which VA has recognized as a State home for the provision of nursing home care.

Nurse practitioner means a licensed professional nurse who is currently licensed to practice in the State; who meets the State's requirements governing the qualifications of nurse practitioners; and who is currently certified as an adult, family, or gerontological nurse practitioner by a nationally recognized body that provides such certification for nurse practitioners, such as the American Nurses Credentialing Center or the American Academy of Nurse Practitioners.

Nursing home care means the accommodation of convalescents or other persons who are not acutely ill and not in need of hospital care, but who require skilled nursing care and related medical services.

Physician means a doctor of medicine or osteopathy legally authorized to practice medicine or surgery in the State.

Physician assistant means a person who meets the applicable State requirements for physician assistant, is currently certified by the National Commission on Certification of Physician Assistants (NCCPA) as a physician assistant, and has an individualized written scope of practice that determines the authorization to write medical orders, prescribe medications and other clinical tasks under appropriate physician supervision which is approved by the primary care physician.

Primary physician or primary care physician means a designated generalist physician responsible for providing, directing and coordinating all health care that is indicated for the residents.

State means each of the several States, territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

State home means a home approved by VA which a State established primarily for veterans disabled by age, disease, or otherwise, who by reason of such disability are incapable of earning a living. A State home may provide domiciliary care, nursing home care, adult day health care, and hospital care. Hospital care may be provided only when the State home also provides domiciliary and/or nursing home care.

VA means the U.S. Department of Veterans Affairs.

§ 51.10 Per diem based on recognition and certification.

VA will pay per diem to a State for providing nursing home care to eligible veterans in a facility if the Under Secretary for Health recognizes the facility as a State home based on a current certification that the facility and facility management meet the standards of subpart D of this part. Also, after recognition has been granted, VA will continue to pay per diem to a State for providing nursing home care to eligible veterans in such a facility for a temporary period based on a certification that the facility and facility management provisionally meet the standards of subpart D.

§ 51.20 Application for recognition based on certification.

To apply for recognition and certification of a State home for nursing home care, a State must:

(a) Send a request for recognition and certification to the Chief Consultant, Office of Geriatrics and Extended Care
§ 51.30 Recognition and certification.

(a)(1) The Under Secretary for Health will make the determination regarding certification, after receipt of a recommendation from the director of the VA medical center of jurisdiction regarding whether, based on a VA survey, the facility and facility management meet or do not meet the standards of subpart D of this part. The recognition survey will be conducted only after the new facility either has at least 21 residents or has a number of residents that consist of at least 50 percent of the new bed capacity of the new facility.

(2) For each facility recognized as a State home, the director of the VA medical center of jurisdiction will certify annually whether the facility and facility management meet, provisionally meet, or do not meet the standards of subpart D of this part (this certification should be made every 12 months during the recognition anniversary month or during a month agreed upon by the VA medical care center director and officials of the State home facility). A provisional certification will be issued by the director only upon a determination that the facility or facility management does not meet one or more of the standards in subpart D, that the deficiencies do not jeopardize the health or safety of the residents, and that the facility management and the director have agreed to a plan of correction to remedy the deficiencies in a specified amount of time (not more than the VA medical center of jurisdiction director determines is reasonable for correcting the specific deficiencies). The director of the VA medical center of jurisdiction will notify the official in charge of the facility, the State official authorized to oversee the operations of the State home, the VA Network Director (10N 1–22), Chief Network Officer (10N) and the Chief Consultant, Office of Geriatrics and Extended Care (114) of the certification, provisional certification, or noncertification.

(b) Once a facility has achieved recognition, the recognition will remain in effect unless the State requests that the recognition be withdrawn or the Under Secretary for Health makes a final decision that the facility or facility management does not meet the standards of subpart D. Recognition of a facility will apply only to the facility as it exists at the time of recognition; any annex, branch, enlargement, expansion, or relocation must be separately recognized.

(c) Both during the application process for recognition and after the Under Secretary for Health has recognized a facility, VA may survey the facility as necessary to determine if the facility and facility management comply with the provisions of this part. Generally, VA will provide advance notice to the State before a survey occurs; however, surveys may be conducted without notice. A survey, as necessary, will cover all parts of the facility, and include a review and audit of all records of the facility that have a bearing on compliance with any of the requirements of this part (including any reports from State or local entities). For purposes of a survey, at the request of the director of the VA medical center of jurisdiction, the State home facility management must submit to the director a completed VA Form 10–3567, Staffing Profile, which is available at any VA medical center and at http://www.va.gov/vaforms. The director of the VA medical center of jurisdiction will designate the VA officials to survey the facility. These officials may include physicians; nurses; pharmacists;
dietitians; rehabilitation therapists; social workers; representatives from health administration, engineering, environmental management systems, and fiscal officers.

(d) If, during the process for recognition and certification, the director of the VA medical center of jurisdiction recommends that the State home facility or facility management does not meet the standards of this part or if, after recognition and certification have been granted, the director of the VA medical center of jurisdiction determines that the State home facility or facility management does not meet the standards of this part, the director will notify the State home facility in writing of the standards not met. The director will send a copy of this notice to the State official authorized to oversee operations of the facility, the VA Network Director (10N 1–22), Chief Network Officer (10N), and the Chief Consultant, Geriatrics and Extended Care (114). The letter will include the reasons for the recommendation or decision and indicate that the State has the right to appeal the recommendation or decision.

(e) The State must submit the appeal to the Under Secretary for Health in writing, within 30 days of receipt of the notice of the recommendation or decision regarding the failure to meet the standards. In its appeal, the State must explain why the recommendation or determination is inaccurate or incomplete and provide any new and relevant information not previously considered. Any appeal that does not identify a reason for disagreement will be returned to the sender without further consideration.

(f) After reviewing the matter, including any relevant supporting documentation, the Under Secretary for Health will issue a written determination that affirms or reverses the previous recommendation or determination. If the Under Secretary for Health decides that the facility does not meet the standards of subpart D of this part, the Under Secretary for Health will withdraw recognition and stop paying per diem for care provided on and after the date of the decision (or not grant recognition and certification and not pay per diem if the appeal occurs during the recognition process). The decision of the Under Secretary for Health will constitute a final decision that may be appealed to the Board of Veterans’ Appeals (see 38 U.S.C. 7104 and 7105 and 38 CFR part 20). The Under Secretary for Health will send a copy of this decision to the State home facility and to the State official authorized to oversee the operations of the State home.

(g) In the event that a VA survey team or other VA medical center staff identifies any condition that poses an immediate threat to public or patient safety or other information indicating the existence of such a threat, the director of VA medical center of jurisdiction will immediately report this to the VA Network Director (10N 1–22), Chief Network Officer (10N), Chief Consultant, Office of Geriatrics and Extended Care (114) and State official authorized to oversee operations of the State home.

§ 51.31 Automatic recognition.

Notwithstanding other provisions of this part, a facility that already is recognized by VA as a State home for nursing home care at the time this part becomes effective, automatically will continue to be recognized as a State home for nursing home care but will be subject to all of the provisions of this part that apply to facilities that have achieved recognition, including the provisions requiring that the facility meet the standards set forth in subpart D and the provisions for withholding per diem payments and withdrawal of recognition.

Subpart C—Per Diem Payments

§ 51.40 Basic per diem.

Except as provided in § 51.41 of this part,

(a) During Fiscal Year 2008 VA will pay a facility recognized as a State home for nursing home care the lesser
§51.41 Contracts and provider agreements for certain veterans with service-connected disabilities.

(a) Contract or VA provider agreement required. VA and State homes may enter into both contracts and provider agreements. VA will pay for each eligible veteran's care through either a contract or a provider agreement (called a "VA provider agreement"). Eligible veterans are those who:

1. Are in need of nursing home care for a VA adjudicated service-connected disability, or
2. Have a singular or combined rating of 70 percent or more based on one or more service-connected disabilities or a rating of total disability based on individual unemployability and are in need of nursing home care.

(b) Payments under contracts. Contracts under this section will be subject to this part to the extent provided for in the contract and will be governed by federal acquisition law and regulations. Contracts for payment under this section will provide for payment either:

1. At a rate or rates negotiated between VA and the State home; or
2. On request from a State home that provided nursing home care on August 5, 2012, for which the State home was eligible for payment under 38 U.S.C. 1745(a)(1), at a rate that reflects the overall methodology of reimbursement for such care that was in effect for the State home on August 5, 2012.

(c) Payments under VA provider agreements. (1) State homes must sign an agreement to receive payment from VA for providing care to certain eligible veterans under a VA provider agreement. VA provider agreements under this section will provide for payments at the rate determined by the following formula. For State Homes in a metropolitan statistical area, use the most recently published CMS Resource Utilization Groups (RUG) case-mix levels for the applicable metropolitan statistical area. For State Homes in a rural area, use the most recently published CMS Skilled Nursing Prospective Payment System case-mix levels for the applicable rural area. To compute the daily rate for each State home, multiply the labor component by the State home wage index for each of the applicable case-mix levels; then add to that amount the non-labor component. Divide the sum of the results of these calculations by the number of applicable case-mix levels. Finally, add to this quotient the amount based on the CMS payment schedule for physician services. The amount for physician services, based on information published by CMS, is the average hourly rate for all physicians, with the rate modified by the applicable urban or rural geographic index for physician work, then multiplied by 12, then divided by the number of days in the year.

NOTE TO PARAGRAPH (c)(1): The amount calculated under this formula reflects the prevailing rate payable in the geographic area in which the State home is located for nursing home care furnished in a non-Department nursing home (a public or private institution not under the direct jurisdiction of VA which furnishes nursing home care). Further, the formula for establishing these rates includes CMS information that is published in the Federal Register every year and is effective beginning October 1 for the entire fiscal year. Accordingly, VA will adjust the rates annually.

2. The State home shall not charge any individual, insurer, or entity (other than VA) for the nursing home care paid for by VA under a VA provider agreement. Also, as a condition of receiving payments under paragraph (c) of this section, the State home...
must agree not to accept drugs and medicines from VA provided under 38 U.S.C. 1712(d) on behalf of veterans covered by this section and corresponding VA regulations (payment under paragraph (c) of this section includes payment for drugs and medicines).

(3) Agreements under paragraph (c) of this section will be subject to this part, except to the extent that this part conflicts with this section. For purposes of this section, the term “per diem” in part 51 includes payments under provider agreements.

(4) If a veteran receives a retroactive VA service-connected disability rating and becomes a veteran identified in paragraph (a) of this section, the State home may request payment under the VA provider agreement for nursing home care back to the retroactive effective date of the rating or February 2, 2013, whichever is later. For care provided after the effective date but before February 2, 2013, the State home may request payment at the special per diem rate that was in effect at the time that the care was rendered.

(d) VA signing official. VA provider agreements must be signed by the Director of the VA medical center of jurisdiction or designee.

(e) Forms. Prior to entering into a VA provider agreement, State homes must submit to the VA medical center of jurisdiction a completed VA Form 10–10EZ, Application for Medical Benefits (or VA Form 10–10EZR, Health Benefits Renewal Form, if a completed VA Form 10–10EZ is already on file at VA), and a completed VA Form 10–10SH, State Home Program Application for Care—Medical Certification, for the veterans for whom the State home will seek payment under the provider agreement. After VA and the State home have entered into a VA provider agreement, forms for payment must be submitted in accordance with paragraph (a) of this section. VA Forms 10–10EZ and 10–10EZR are set forth in full at §58.12 of this chapter and VA Form 10–10SH is set forth in full at §58.13 of this chapter.

(f) Termination of VA provider agreements. (1) A State home that wishes to terminate a VA provider agreement with VA must send written notice of its intent to the Director of the VA medical center of jurisdiction at least 30 days before the effective date of termination of the agreement. The notice shall include the intended date of termination.

(2) VA provider agreements will terminate on the date of a final decision that the home is no longer recognized by VA under §51.30.

(g) Compliance with Federal laws. Under provider agreements entered into under this section, State homes are not required to comply with reporting and auditing requirements imposed under the Service Contract Act of 1965, as amended (41 U.S.C. 351, et seq.; however, State homes must comply with all other applicable Federal laws concerning employment and hiring practices including the Fair Labor Standards Act, National Labor Relations Act, the Civil Rights Acts, the Age Discrimination in Employment Act of 1967, the Vocational Rehabilitation Act of 1973, Worker Adjustment and Retraining Notification Act, Sarbanes-Oxley Act of 2002, Occupational Health and Safety Act of 1970, Immigration Reform and Control Act of 1986, Consolidated Omnibus Reconciliation Act, the Family and Medical Leave Act, the Americans with Disabilities Act, the Uniformed Services Employment and Reemployment Rights Act, the Immigration and Nationality Act, the Consumer Credit Protection Act, the Employee Polygraph Protection Act, and the Employee Retirement Income Security Act.

§51.42 Drugs and medicines for certain veterans.

(a) In addition to per diem payments under §51.40 of this part, the Secretary shall furnish drugs and medicines to a facility recognized as a State home as may be ordered by prescription of a duly licensed physician as specific therapy in the treatment of illness or injury for a veteran receiving care in a State home if:

(1) The veteran:
§ 51.43 Per diem and drugs and medicines—principles.

(a) As a condition for receiving payment of per diem under this part, the State home must submit to the VA medical center of jurisdiction for each veteran a completed VA Form 10-10EZ, Application for Medical Benefits (or VA Form 10-10EZR, Health Benefits Renewal Form, if a completed Form 10-10EZ is already on file at VA), and a completed VA Form 10-10SH, State Home Program Application for Care—Medical Certification. These VA Forms, which are available at any VA medical center and at http://www.va.gov/vaforms, must be submitted at the time of admission, with any request for a change in the level of care (domiciliary, hospital care or adult day health care), and any time the contact information has changed. If the facility is eligible to receive per diem payments for a veteran, VA will pay per diem under this part from the date of receipt of the completed forms required by this paragraph, except that VA will pay per diem from the day on which the veteran was admitted to the facility if the completed forms are received within 10 days after admission.

(b) VA pays per diem on a monthly basis. To receive payment, the State must submit to the VA medical center of jurisdiction a completed VA Form 10-5588, State Home Report and Statement of Federal Aid Claimed, which is available at any VA medical center and at http://www.va.gov/vaforms.

(c) Per diem will be paid under §§ 51.40 and 51.41 for each day that the veteran is receiving care and has an overnight stay. Per diem also will be paid when there is no overnight stay if the facility has an occupancy rate of 90 percent or greater. However, these payments will be made only for the first 10 consecutive days during which the veteran is admitted as a patient in a VA or other hospital (a hospital stay could occur more than once in a calendar year) and only for the first 12 days in a calendar year during which the veteran is absent for purposes other than receiving hospital care. Occupancy rate is calculated by dividing the total number of patients in the nursing home or domiciliary by the total recognized nursing home or domiciliary beds in that facility.

(d) Initial per diem payments will not be made until the Under Secretary for Health recognizes the State home. However, per diem payments will be made retroactively for care that was provided on and after the date of the completion of the VA survey of the facility that provided the basis for determining that the facility met the standards of this part.

(e) The daily cost of care for an eligible veteran’s nursing home care for purposes of §§ 51.40(a)(1) and 51.41(b)(2) consists of those direct and indirect costs attributable to nursing home care at the facility divided by the total number of residents at the nursing home. Relevant cost principles are set forth in the Office of Management and Budget (OMB) Circular number A-87, dated May 4, 1995, “Cost Principles for State, Local, and Indian Tribal Governments.”
(f) As a condition for receiving drugs and medicines under this part, the State must submit to the VA medical center of jurisdiction a completed VA Form 10-0460 for each eligible veteran, which is available at any VA medical center and at http://www.va.gov/vaforms. The corresponding prescriptions described in §51.42 also should be submitted to the VA medical center of jurisdiction.

§ 51.50 Eligible veterans.

A veteran is an eligible veteran under this part if VA determines that the veteran needs nursing home care and the veteran is within one of the following categories:

(a) Veterans with service-connected disabilities;

(b) Veterans who are former prisoners of war;

(c) Veterans who were discharged or released from active military service for a disability incurred or aggravated in the line of duty;

(d) Veterans who receive disability compensation under 38 U.S.C. 1151;

(e) Veterans whose entitlement to disability compensation is suspended because of the receipt of retired pay;

(f) Veterans whose entitlement to disability compensation is suspended pursuant to 38 U.S.C. 1151;

(g) Veterans who VA determines are unable to defray the expenses of necessary care as specified under 38 U.S.C. 1722(a);

(h) Veterans of the Mexican border period or of World War I;

(i) Veterans solely seeking care for a disorder associated with exposure to a toxic substance or radiation or for a disorder associated with service in the Southwest Asia theater of operations during the Persian Gulf War, as provided in 38 U.S.C. 1710(e);

(j) Veterans who agree to pay to the United States the applicable co-payment determined under 38 U.S.C. 1710(f) and 1710(g).

§ 51.59 Authority to continue payment of per diem when veterans are relocated due to emergency.

(a) Definition of emergency. For the purposes of this section, emergency means an occasion or instance where all of the following are true:

(1) It would be unsafe for veterans receiving care at a State home facility to remain in that facility.

(2) The State is not, or believes that it will not be, able to provide care in the State home on a temporary or long-term basis for any or all of its veteran residents due to a situation involving the State home, and not due to a situation where a particular veteran’s medical condition requires that the veteran be transferred to another facility, such as for a period of hospitalization.

(3) The State determines that the veterans must be evacuated to another facility or facilities.

(b) General authority to pay per diem during relocation period. Notwithstanding any other provision of this part, VA will continue to pay per diem for a period not to exceed 30 days for any eligible veteran who resided in a State home, and for whom VA was paying per diem, if such veteran is evacuated during an emergency into a facility other than a VA facility if the State is responsible for providing or paying for the care. VA will not pay per diem payments under this section for more than 30 days of care provided in the evacuation facility, unless the official who approved the emergency response under paragraph (e) of this section determines that it is not reasonably possible to return the veteran to a State home within the 30-day period, in which case such official will approve additional period(s) of no more than 30 days in accordance with this section. VA will not provide per diem if VA determines that a veteran is or has been placed in a facility that does not meet the standards set forth in paragraph (c)(1) of this section, and VA may recover all per diem payments.
made for the care of the veteran in that facility.

(c) Selection of evacuation facilities. The following standards and procedures apply to the selection of an evacuation facility in order for VA to continue to pay per diem during an emergency; these standards and procedures also apply to evacuation facilities when veterans are evacuated from a nursing home care facility in which care is being provided pursuant to a contract under 38 U.S.C. 1720.

(1) Each veteran who is evacuated must be placed in a facility that, at a minimum, will meet the needs for food, shelter, toileting, and essential medical care of that veteran.

(2) For veterans evacuated from nursing homes, the following types of facilities may meet the standards under paragraph (c)(1) of this section:
   (i) VA Community Living Centers;
   (ii) VA contract nursing homes;
   (iii) Centers for Medicare and Medicaid certified facilities; and
   (iv) Licensed nursing homes.

NOTE TO PARAGRAPH (c)(2): If none of the above options are available, veterans may be evacuated temporarily to other facilities that meet the standards under paragraph (c)(1) of this section.

(3) For veterans evacuated from domiciliaries, the following types of facilities may meet the standards in paragraph (c)(1) of this section:
   (i) Emergency evacuation facilities identified by the city or state;
   (ii) Assisted living facilities; and
   (iii) Hotels.

(d) Applicability to adult day health care facilities. Notwithstanding any other provision of this part, VA will continue to pay per diem for a period not to exceed 30 days for any eligible veteran who was receiving adult day health care, and for whom VA was paying per diem, if the adult day health care facility becomes temporarily unavailable due to an emergency. Approval of a temporary facility for such veteran is subject to paragraph (e) of this section. If after 30 days the veteran cannot return to the original adult day health care facility, VA will discontinue per diem payments unless the official who approved the emergency response under paragraph (e) of this section determines that it is not reasonably possible to provide care at the original facility or to relocate an eligible veteran to a new facility, in which case such official will approve additional period(s) of no more than 30 days in accordance with this section. VA will not provide per diem if VA determines that a veteran was provided adult day health care in a facility that does not meet the standards set forth in paragraph (c)(1) of this section, and VA may recover all per diem payments made for the care of the veteran in that facility.

(e) Approval of response. Per diem payments will not be made under this section unless and until the director of the VAMC determines, or the director of the VISN in which the State home is located (if the VAMC director is not capable of doing so) determines, that an emergency exists and that the evacuation facility meets VA standards set forth in paragraph (c)(1) of this section.

Subpart D—Standards

§51.60 Standards applicable for payment of per diem.

The provisions of this subpart are the standards that a State home and facility management must meet for the State to receive per diem for nursing home care.

§51.70 Resident rights.

The resident has a right to a dignified existence, self-determination, and communication with and access to persons and services inside and outside the facility. The facility management must protect and promote the rights of each resident, including each of the following rights:

(a) Exercise of rights. (1) The resident has the right to exercise his or her rights as a resident of the facility and as a citizen or resident of the United States.

(2) The resident has the right to be free of interference, coercion, discrimination, and reprisal from the facility management in exercising his or her rights.
(3) The resident has the right to freedom from chemical or physical restraint.

(4) In the case of a resident determined incompetent under the laws of a State by a court of jurisdiction, the rights of the resident are exercised by the person appointed under State law to act on the resident’s behalf.

(5) In the case of a resident who has not been determined incompetent by the State court, any legal surrogate designated in accordance with State law may exercise the resident’s rights to the extent provided by State law.

(b) Notice of rights and services. (1) The facility management must inform the resident both orally and in writing in a language that the resident understands of his or her rights and all rules and regulations governing resident conduct and responsibilities during the stay in the facility. Such notification must be made prior to or upon admission and periodically during the resident’s stay.

(2) The resident or his or her legal representative has the right:

(i) Upon an oral or written request, to access all records pertaining to himself or herself including current clinical records within 24 hours (excluding weekends and holidays); and

(ii) After receipt of his or her records for review, to purchase at a cost not to exceed the community standard photocopies of the records or any portions of them upon request and with 2 working days advance notice to the facility management.

(3) The resident has the right to be fully informed in language that he or she can understand of his or her total health status;

(4) The resident has the right to refuse treatment, to refuse to participate in experimental research, and to formulate an advance directive as specified in paragraph (b)(7) of this section; and

(5) The facility management must inform each resident before, or at the time of admission, and periodically during the resident’s stay, of services available in the facility and of charges for those services to be billed to the resident.

(6) The facility management must furnish a written description of legal rights which includes:

(i) A description of the manner of protecting personal funds, under paragraph (c) of this section;

(ii) A statement that the resident may file a complaint with the State (agency) concerning resident abuse, neglect, misappropriation of resident property in the facility, and non-compliance with the advance directives requirements.

(7) The facility management must have written policies and procedures regarding advance directives (e.g., living wills) that include provisions to inform and provide written information to all residents concerning the right to accept or refuse medical or surgical treatment and, at the individual’s option, formulate an advance directive. This includes a written description of the facility’s policies to implement advance directives and applicable State law. If an individual is incapacitated at the time of admission and is unable to receive information (due to the incapacitating conditions) or articulate whether or not he or she has executed an advance directive, the facility may give advance directive information to the individual’s family or surrogate in the same manner that it issues other materials about policies and procedures to the family of the incapacitated individual or to a surrogate or other concerned persons in accordance with State law. The facility management is not relieved of its obligation to provide this information to the individual once he or she is no longer incapacitated or unable to receive such information. Follow-up procedures must be in place to provide the information to the individual directly at the appropriate time.

(8) The facility management must inform each resident of the name and way of contacting the primary physician responsible for his or her care.

(9) Notification of changes. (i) Facility management must immediately inform the resident; consult with the primary physician; and if known, notify the resident’s legal representative or an interested family member when there is—

(A) An accident involving the resident which results in injury and has the potential for requiring physician intervention;
§ 51.70

(B) A significant change in the resident’s physical, mental, or psychosocial status (i.e., a deterioration in health, mental, or psychosocial status in either life-threatening conditions or clinical complications);

(C) A need to alter treatment significantly (i.e., a need to discontinue an existing form of treatment due to adverse consequences, or to commence a new form of treatment); or

(D) A decision to transfer or discharge the resident from the facility as specified in § 51.80(a) of this part.

(ii) The facility management must also promptly notify the resident and, if known, the resident’s legal representative or interested family member when there is—

(A) A change in room or roommate assignment as specified in § 51.100(f)(2); or

(B) A change in resident rights under Federal or State law or regulations as specified in paragraph (b)(1) of this section.

(iii) The facility management must record and periodically update the address and phone number of the resident’s legal representative or interested family member.

(c) Protection of resident funds.

(1) The resident has the right to manage his or her financial affairs, and the facility management may not require residents to deposit their personal funds with the facility.

(2) Management of personal funds. Upon written authorization of a resident, the facility management must hold, safeguard, manage, and account for the personal funds of the resident deposited with the facility, as specified in paragraphs (c)(3) through (c)(6) of this section.

(3) Deposit of funds. (i) Funds in excess of $100. The facility management must deposit any residents’ personal funds in excess of $100 in an interest-bearing account or accounts that is separate from any of the facility’s operating accounts, and that credits all interest earned on resident’s funds to that account. (In pooled accounts, there must be a separate accounting for each resident’s share.)

(ii) Funds less than $100. The facility management must maintain a resident’s personal funds that do not exceed $100 in a non-interest bearing account, interest-bearing account, or petty cash fund.

(4) Accounting and records. The facility management must establish and maintain a system that assures a full and complete and separate accounting, according to generally accepted accounting principles, of each resident’s personal funds entrusted to the facility on the resident’s behalf.

(i) The system must preclude any commingling of resident funds with facility funds or with the funds of any person other than another resident.

(ii) The individual financial record must be available through quarterly statements and on request from the resident or his or her legal representative.

(5) Conveyance upon death. Upon the death of a resident with a personal fund deposited with the facility, the facility management must convey within 90 calendar days the resident’s funds, and a final accounting of those funds, to the individual or probate jurisdiction administering the resident’s estate; or other appropriate individual or entity, if State law allows.

(6) Assurance of financial security. The facility management must purchase a surety bond, or otherwise provide assurance satisfactory to the Under Secretary for Health, to assure the security of all personal funds of residents deposited with the facility.

(d) Free choice.

The resident has the right to—

(1) Be fully informed in advance about care and treatment and of any changes in that care or treatment that may affect the resident’s well-being; and

(2) Unless determined incompetent or otherwise determined to be incapacitated under the laws of the State, participate in planning care and treatment or changes in care and treatment.

(e) Privacy and confidentiality. The resident has the right to personal privacy and confidentiality of his or her personal and clinical records.

(1) Residents have a right to personal privacy in their accommodations, medical treatment, written and telephone communications, personal care, visits, and meetings of family and resident

   (i) Any representative of the Under Secretary for Health;
   (ii) Any representative of the State;

   (iv) The State long term care ombudsman;
   (v) Immediate family or other relatives of the resident subject to the resident’s right to deny or withdraw consent at any time; and
   (vi) Others who are visiting subject to reasonable restrictions and the resident’s right to deny or withdraw consent at any time.

(3) The facility management must allow representatives of the State Ombudsman Program, described in paragraph (j)(1)(iv) of this section, to examine a resident’s clinical records with the permission of the resident or the resident’s legal representative, subject to State law.

(k) Telephone. The resident has the right to reasonable access to use a telephone where calls can be made without being overheard.

(l) Personal property. The resident has the right to retain and use personal possessions, including some furnishings, and appropriate clothing, as space permits, unless to do so would infringe upon the rights or health and safety of other residents.

(m) Married couples. The resident has the right to share a room with his or her spouse when married residents live in the same facility and both spouses consent to the arrangement.

(n) Self-Administration of Drugs. An individual resident may self-administer drugs if the interdisciplinary team, as defined by §51.110(d)(2)(ii) of this part,

(2) Transfer and discharge requirements. The facility management must permit each resident to remain in the facility, and not transfer or discharge the resident from the facility unless—

(i) The transfer or discharge is necessary for the resident’s welfare and the resident’s needs cannot be met in the nursing home;

(ii) The transfer or discharge is appropriate because the resident’s health has improved sufficiently so the resident no longer needs the services provided by the nursing home;

(iii) The safety of individuals in the facility is endangered;

(iv) The health of individuals in the facility would otherwise be endangered;

(v) The resident’s health improves sufficiently so the resident no longer needs the services provided by the nursing home;

(vi) The resident’s needs cannot be met in the nursing home;

(3) Documentation. When the facility transfers or discharges a resident under any of the circumstances specified in paragraphs (a)(2)(i) through (a)(2)(vi) of this section, the primary physician must document this in the resident’s clinical record.

(4) Notice before transfer. Before a facility transfers or discharges a resident, the facility must—

(i) Notify the resident and, if known, a family member or legal representative of the resident of the transfer or discharge and the reasons for the move in writing and in a language and manner they understand;

(ii) Record the reasons in the resident’s clinical record; and

(iii) Include in the notice the items described in paragraph (a)(6) of this section.

(5) Timing of the notice. (i) The notice of transfer or discharge required under paragraph (a)(4) of this section must be made by the facility at least 30 days before the resident is transferred or discharged, except when specified in paragraph (a)(5)(ii) of this section,

(iii) Physical restraint is any method of physically restricting a person's freedom of movement, physical activity or normal access to his or her body. Bed rails and vest restraints are examples of physical restraints.

(2) Bed-hold notice upon transfer. At the time of transfer of a resident for hospitalization or therapeutic leave, facility management must provide to the resident and a family member or legal representative written notice which specifies the duration of the bed-hold policy described in paragraph (b)(1) of this section.

(3) Permitting resident to return to facility. Subpart B—Obtaining Per Diem for Adult Day Health Care in State Homes

§ 52.10 Per diem based on recognition and certification.

VA will pay per diem to a State for providing adult day health care to eligible veterans in a facility if the Under Secretary for Health recognizes the facility as a State home based on a current certification that the facility management meet the standards of subpart D of this part.

§ 52.20 Application for recognition based on certification.

To apply for recognition and certification of a State home for adult day health care, a State must:

(a) Send a request for recognition and certification to the Under Secretary for Health (10), VA Central Office, 810 Vermont Avenue, NW, Washington, DC 20420. The request must be in the form of a letter and must be signed by the State official authorized to establish the State home;

(b) Allow VA to survey the facility as set forth in §52.30(c); and

(c) Upon request from the director of the VA medical center of jurisdiction, regarding whether the facility and program management meet or do not meet the standards of subpart D of this part. The Under Secretary for Health will notify the official in charge of the program, the State official authorized to oversee operations of the State home, the VA Network Director (10N1–22), Assistant Deputy Under Secretary for Health (10N), and the Chief Consultant, Geriatrics and Extended Care Strategic Healthcare Group (114), of the action taken.

(2) For each facility recognized as a State home, the director of the VA medical center of jurisdiction will certify annually whether the facility and program management meet, provisionally meet, or do not meet the standards of subpart D of this part (this certification should be made every 12 months during the recognition anniversary month or during a month agreed upon by the VA medical center director and officials of the State home facility). A provisional certification will be issued by the director only upon a determination that the facility or program management does not meet one or more of the standards in subpart D of this part, that the deficiencies do not jeopardize the health or safety of the residents, and that the program management and the director have agreed to a plan of correction to remedy the deficiencies in a specified amount of time (not more time than the VA medical center director determines is reasonable for correcting the specific deficiencies). The director of the VA medical center of jurisdiction will notify the official in charge of the program, the State official authorized to oversee the operations of the State home, the VA Network Director (10N1–22), Assistant Deputy Under Secretary for Health (10N) and the Chief Consultant, Geriatrics and Extended Care Strategic Healthcare Group (114), of the certification, provisional certification, or noncertification.

(b) Once a program has achieved recognition, the recognition will remain in effect unless the State requests that the recognition be withdrawn or the Under Secretary for Health makes a final decision that the facility or program management does not meet the
standards of subpart D of this part. Recognition of a program will apply only to the facility as it exists at the time of recognition; any annex, branch, enlargement, expansion, or relocation must be separately recognized.

(c) Both during the application process for recognition and after the Under Secretary for Health has recognized a facility, VA may survey the facility as necessary to determine if the facility and program management comply with the provisions of this part. Generally, VA will provide advance notice to the State before a survey occurs; however, surveys may be conducted without notice. A survey, as necessary, will cover all parts of the facility, and include a review and audit of all records of the program that have a bearing on compliance with any of the requirements of this part (including any reports from State or local entities). For purposes of a survey, at the request of the director of the VA medical center of jurisdiction, the State home adult day care health program management must submit to the director a completed VA Form 10–3567, “Staffing Profile”, which is available at any VA medical center and at http://www.va.gov/vaforms. The director of the VA medical center of jurisdiction will designate the VA officials to survey the facility. These officials may include physicians; nurses; pharmacists; dietitians; rehabilitation therapists; social workers; and representatives from health administration, engineering, environmental management systems, and fiscal officers.

(d) If the director of the VA medical center of jurisdiction determines that the State home facility or program management does not meet the standards of this part, the director will notify the State home program manager in writing of the standards not met. The director will send a copy of this notice to the State official authorized to oversee operations of the facility, the VA Network Director (10N1–22), the Assistant Deputy Under Secretary for Health (10N), and the Chief Consultant, Geriatrics and Extended Care Strategic Healthcare Group (114). The letter will include the reasons for the decision and indicate that the State has the right to appeal the decision.

(e) The State must submit an appeal to the Under Secretary for Health in writing within 30 days of receipt of the notice of failure to meet the standards. In its appeal, the State must explain why the determination is inaccurate or incomplete and provide any new and relevant information not previously considered. Any appeal that does not identify a reason for disagreement will be returned to the sender without further consideration.

(f) After reviewing the matter, including any relevant supporting documentation, the Under Secretary for Health will issue a written determination that affirms or reverses the previous determination. If the Under Secretary for Health decides that the State home facility or program management does not meet the standards of subpart D of this part, the Under Secretary for Health will withdraw recognition and stop paying per diem for care provided on and after the date of the decision. The decision of the Under Secretary for Health will constitute a final VA decision. The Under Secretary for Health will send a copy of this decision to the State home facility and to the State official authorized to oversee the operations of the State home.

(g) In the event that a VA survey team or other VA medical center staff identifies any condition at the State home facility that poses an immediate threat to public or patient safety or other information indicating the existence of such a threat, the director of the VA medical center of jurisdiction will immediately report this to the VA Network Director (10N1–22), Assistant Deputy Under Secretary for Health (10N), Chief Consultant, Geriatrics and Extended Care Strategic Healthcare Group (114), and State official authorized to oversee operations of the State home.

(The Office of Management and Budget has approved the information collection requirements in this paragraph under control number 2900–0190)

§ 52.40 Monthly payment.

(a)(1) During Fiscal Year 2002, VA will pay monthly one-half of the total cost of each eligible veteran's adult day health care for each day the veteran is in a facility recognized as a State home for adult day health care, not to exceed $34.64 per diem.

(2) Per diem will be paid only for a day that the veteran is under the care of the facility at least six hours. For purposes of this paragraph a day means (i) Six hours or more in one calendar day; or

(ii) Any two periods of at least 3 hours each (but each less than six hours) in any two calendar days in a calendar month.

(3) As a condition for receiving payment of per diem under this part, the State must submit a completed VA Form 10–5588, “State Home Report and Statement of Federal Aid Claimed.” This form is available at any VA medical center and at http://www.va.gov/vaforms.

(4) Initial payments will not be made until the Under Secretary for Health recognizes the State home. However, payments will be made retroactively for care that was provided on and after the date of the completion of the VA survey of the facility that provided the basis for determining that the facility met the standards of this part.

(5) As a condition for receiving payment of per diem under this part, the State must submit to the VA medical center of jurisdiction for each veteran the following completed VA forms: 10–10EZ, “Application for Medical Benefits”, and 10–10SH, “State Home Program Application for Care—Medical Certification”, at the time of enrollment and with any request for a change in the level of care (nursing home, domiciliary or hospital care). These forms are available at any VA medical center and at http://www.va.gov/vaforms. If the program is eligible to receive per diem payments for adult day health care for a veteran, VA will pay per diem under this part from the date of receipt of the completed forms required by this paragraph (a)(5), except that VA will pay per diem from the day on which the veteran was enrolled in the program if VA receives the completed forms within 10 days after enrollment.

(b) For determining “the one-half of the total cost” under paragraph (a)(1) of this section, total per diem costs for an eligible veteran’s adult day health care consist of those direct and indirect costs attributable to adult day health care at the facility divided by the total number of participants enrolled in the adult day health care program. Relevant cost principles are set forth in the Office of Management and Budget (OMB) Circular number A–87, dated May 4, 1995, “Cost Principles for State, Local, and Indian Tribal Governments” (OMB Circulars are available at the addresses in 5 CFR 1310.3).

(The Office of Management and Budget has approved the information collection requirements in this paragraph under control number 2900-0160)

§ 52.50 Eligible veterans.

A veteran is an eligible veteran under this part if VA determines that the veteran meets the definition of a veteran in 38 U.S.C. 101, is not barred from receiving this VA care under 38 U.S.C. 5303–5303A, needs adult day health care, and is within one of the following categories:

(a) Veterans with service-connected disabilities;

(b) Veterans who are former prisoners of war;

(c) Veterans who were discharged or released from active military service for a disability incurred or aggravated in the line of duty;

(d) Veterans who receive disability compensation under 38 U.S.C. 1151;

(f) Veterans whose entitlement to disability compensation is suspended pursuant to 38 U.S.C. 1151, but only to the extent that such veterans’ continuing eligibility for adult day health care is provided for in the judgment or settlement described in 38 U.S.C. 1151;
(g) Veterans who VA determines are unable to defray the expenses of necessary care as specified under 38 U.S.C. 1722(a);

(h) Veterans of the Mexican Border period or of World War I;

(i) Veterans solely seeking care for a disorder associated with exposure to a toxic substance or radiation or for a disorder associated with service in the Southwest Asia theater of operations during the Gulf War, as provided in 38 U.S.C. 1710(e);

(j) Veterans who agree to pay to the United States the applicable co-payment determined under 38 U.S.C. 1710(f) and 1710(g), if they seek VA (U.S. Department of Veterans Affairs) hospital, nursing home, or outpatient care.

Subpart D—Standards

§ 52.60 Standards applicable for payment of per diem.

The provisions of this subpart are the standards that a State home and program management must meet for the State to receive per diem for adult day health care provided at that facility.

§ 52.61 General requirements for adult day health care program.

Adult day health care must be a therapeutically-oriented outpatient day program, which provides health maintenance and rehabilitative services to participants. The program must provide individualized care delivered by an interdisciplinary health care team and support staff, with an emphasis on helping participants and their caregivers to develop the knowledge and skills necessary to manage care requirements in the home. Adult day health care is principally targeted for complex medical and/or functional needs of geriatric patients.

§ 52.70 Participant rights.

The participant has a right to a dignified existence, self-determination, and communication with and access to persons and services inside and outside the facility. The program management must protect and promote the rights of each participant, including each of the following rights:

(2) The participant has the right to be free of interference, coercion, discrimination, and reprisal from the program management in exercising his or her rights.

(3) The participant has the right to freedom from chemical or physical restraint.

(4) In the case of a participant determined incompetent under the laws of a State by a court of jurisdiction, the rights of the participant are exercised by the person appointed under State law to act on the participant’s behalf.

(b) Notice of rights and services. (1) The program management must inform the participant both orally and in writing in a language that the participant understands of his or her rights and all rules and regulations governing participant conduct and responsibilities during enrollment in the program. Such notification must be made prior to or upon enrollment and periodically during the participant’s enrollment.

(2) Participants or their legal representatives have the right—

(i) Upon an oral or written request, to access all records pertaining to them including current participant records within 24 hours (excluding weekends and holidays); and

(ii) After receipt of their records for review, to purchase, at a cost not to exceed the community standard, photocopies of the records or any portions of them upon request and with two working days advance notice to the facility management.

(3) Participants have the right to be fully informed in language that they can understand of their total health status.

(4) Participants have the right to refuse treatment, to refuse to participate in patient activities, to refuse to participate in experimental research, and to formulate an advance directive as specified in paragraph (a)(7) of this section.

(5) The program management must inform each participant before, or at
the time of enrollment, and periodically during the participant’s stay, of services available in the facility and of charges for those services to be billed to the participant.

(6) The program management must furnish a written description of legal rights which includes a statement that the participant may file a complaint with the State (agency) concerning participant abuse and neglect.

(7) The program management must have written policies and procedures regarding advance directives (e.g., living wills). These requirements include provisions to inform and provide written information to all participants concerning the right to accept or refuse medical or surgical treatment and, at the individual’s option, formulate an advance directive. This includes a written description of the facility’s policies to implement advance directives and applicable State law.

(8) Notification of changes. (i) Program management must immediately inform the participant; consult with the primary physician; and notify the participant’s legal representative or an interested family member when there is—

(A) An accident involving the participant which results in injury and has the potential for requiring physician intervention;
(B) A significant change in the participant’s physical, mental, or psychosocial status (e.g., a deterioration in health, mental, or psychosocial status in either life-threatening conditions or clinical complications);
(C) A need to alter treatment significantly (i.e., a need to discontinue an existing form of treatment due to adverse consequences, or to commence a new form of treatment); or
(D) A decision to transfer or discharge the participant from the program.

§ 53.1 Purpose and scope.
In accordance with the provisions of 38 U.S.C. 1744, this part sets forth the mechanism for a State to obtain payments to assist a State Veterans Home (SVH) in the hiring and retention of nurses for the purpose of reducing nursing shortages at that SVH.

(Authority: 38 U.S.C. 101, 501, 1744)

§ 53.2 Definitions.
For the purpose of this part:
Nurse means an individual who is a registered nurse, a licensed practical nurse, a licensed vocational nurse, or a nursing assistant certified in the State in which payment is made and who is a bedside caregiver at least a majority of the time (e.g., this would generally not include an individual acting in the capacity of an advance practice nurse, an administrative nurse, or a director of nursing) (the terms nurses and nursing shall be construed consistent with this definition).

State means each of the several States, Territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

State representative means the official designated in accordance with State authority with responsibility for matters relating to payments under this part.

State Veterans Home (SVH) means a home approved by the Department of Veterans Affairs (VA) which a State established primarily for veterans disabled by age, disease, or otherwise, who by reason of such disability are incapable of earning a living. A SVH may provide domiciliary care, nursing home care, adult day health care, and hospital care. Hospital care may be provided only when the SVH also provides domiciliary and/or nursing home care.

(Authority: 38 U.S.C. 101, 501, 1744)

§ 53.10 Decision makers, notifications, and additional information.
The Director, Geriatrics and Extended Care Operations, will make all determinations regarding payments under this part, and will provide written notice to affected State representatives of approvals, denials, or requests for additional information under this part.

(Authority: 38 U.S.C. 101, 501, 1744)

§ 53.11 General requirements for payments.

(4) The SVH does not use payments under this part to pay for all or part of a nurse’s standard employee benefits, such as salary, health insurance, or retirement plan;
Department of Veterans Affairs

§ 53.20 Application requirements.

(a) To apply for payments during a Federal fiscal year, a State representative must submit to VA, in accordance with §53.40, a completed VA Form 10-0430 and documentation specified by the form (VA Form 10-0430 is available at VA medical centers and on the Internet at http://www1.va.gov/geriatricsshg/ or may be obtained by contacting the Geriatrics and Extended Care Office at 202–461–6750, VHA Headquarters, 810 Vermont Avenue, NW., Washington, DC 20420). To meet this requirement, the State representative must provide to VA a letter from an authorized State official certifying that, if VA were to approve payments under this part, the non-VA share of the funds for the program would be by a date or dates specified in the certification, available for the employee incentive program without further State action to make such funds available. If the certification is based on a State law authorizing funds for the employee incentive program, a copy of the State law must be submitted with the certification.

(c) If an application does not contain sufficient information for a determination under this part, the State representative will be notified in writing.
§ 53.30 Payments.

(b) Payments will be made by lump sum or installment as deemed appropriate by the Director, Geriatrics and Extended Care Operations.

(c) Payments will be made to the State or, if designated by the State representative, the SVH conducting the employee incentive program.

(d) Payments made under this part for a specific employee incentive program shall be used solely for that purpose.

(Authority: 38 U.S.C. 101, 501, 1744)

§ 53.31 Annual report.

(a) A State receiving payment under this part shall provide to VA a report setting forth in detail the use of the funds, including a descriptive analysis of how effective the employee incentive program has been in improving nurse staffing in the SVH. The report shall be provided to VA within 60 days of the close of the Federal fiscal year (September 30) in which payment was made and shall be subject to audit by VA.

(b) A State receiving payment under this part shall also prepare audit reports as required by the Single Audit Act of 1984 (see 38 CFR part 41) and submit them to VA.

(Authority: 38 U.S.C. 101, 501, 1744)

(The Office of Management and Budget has approved the information collection provisions in this section under control number 2900–0709)

§ 53.32 Recapture provisions.

If a State fails to use the funds provided under this part for the purpose for which payment was made or receives more than is allowed under this part, the United States shall be entitled to recover from the State the amount not used for such purpose or the excess amount received.

(Authority: 38 U.S.C. 101, 501, 1744)

§ 53.40 Submissions of information and documents.

If the Director, Geriatrics and Extended Care Operation, determines that a submission from a State fails to meet the requirements of this part for funding, the Director shall provide written
notice of the decision and the reasons for the decision.

§ 59.4 Decisionmakers, notifications, and additional information.

The decisionmaker for decisions required under this part will be the Director, Capital Asset Management and Support, unless specified to be the Secretary or other VA official. The VA decisionmaker will provide written notice to affected States of approvals, denials, or requests for additional information under this part.

§ 59.5 Submissions of information and documents to VA.

All submissions of information and documents required to be presented to VA must be made, unless otherwise specified under this part, to the Director, Capital Asset Management and Support (10NA5), VA Central Office, 810 Vermont Avenue, NW., Washington, DC 20420.

§ 59.10 General requirements for a grant.

For a State to obtain a grant under this part and grant funds, its initial application for the grant must be approved under §59.20, and the project must be ranked sufficiently high on the priority list for the current fiscal year so that funding is available for the project. It must meet the additional application requirements in §59.60, and it must meet all other requirements under this part for obtaining a grant and grant funds.

§ 59.20 Initial application requirements.

(a) For a project to be considered for inclusion on the priority list in §59.50 of this part for the next fiscal year, a State must submit to VA an original and one copy of a completed VA Form 10–0388–1 and all information, documentation, and other forms specified by VA Form 10–0388–1 (these forms are available on the internet Web sites provided in §59.170 of this part).

(b) The Secretary, based on the information submitted for a project pursuant to paragraph (a) of this section, will approve the project for inclusion on the priority list in §59.50 of this part if the submission includes all of the information requested under paragraph (a) of this section and if the submission represents a project that, if further developed, could meet the requirements for a grant under this part.

(c) The items requested under paragraph (a) of this section must be received by VA no later than April 15 in order for VA to include the application on the priority list for the award of grants during the next fiscal year. See §59.50, Priority List.

(d) If a State representative believes that VA may not award a grant to the State for a grant application during
the current fiscal year and wants to ensure that VA includes the application on the priority list for the next fiscal year, the State representative must, prior to April 15 of the current fiscal year, 

(1) Request VA to include the application in those recommended to the Secretary for inclusion on the priority list, and 

(2) Send any updates to VA. 

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2906–0061) 

$ 59.30 Documentation. 

For a State to obtain a grant and grant funds under this part, the State must submit to VA documentation that the site of the project is in reasonable proximity to a sufficient concentration and population of veterans that are 65 years of age and older and that there is a reasonable basis to conclude that the facility when complete will be fully occupied. This documentation must be included in the initial application submitted to VA under § 59.20. 

$ 59.40 Maximum number of nursing home care and domiciliary care beds for veterans by State. 

(a) Except as provided in paragraph (b) of this section, a state may not request a grant for a project to construct or acquire a new state home facility, to increase the number of beds available at a state home facility, or to replace beds at a state home facility if the project would increase the total number of state home nursing home and domiciliary beds in that state beyond the maximum number designated for that state, as shown in the following chart. The provisions of 38 U.S.C. 8134 require VA to prescribe for each state the number of nursing home and domiciliary beds for which grants may be furnished (i.e., the unmet need). A state’s unmet need for state home nursing home and domiciliary beds is the number in the following chart for that state minus the sum of the number of nursing home and domiciliary beds in operation at state home facilities and the number of state home nursing home and domiciliary beds not yet in operation but for which a grant has either been requested or awarded under this part.

§ 59.50 Priority list.

(a) The Secretary will make a list prioritizing the applications that were received on or before April 15 and that were approved under §59.20 of this part. Except as otherwise provided in this section, applications will be prioritized from the highest to the lowest in the following order:

(1) Priority group 1. An application from a State that has made sufficient funds available for the project for which the grant is requested so that such project may proceed upon approval of the grant without further action required by the State (such as subsequent issuance of bonds) to make such funds available for the project. To meet this criteria, the State must provide to VA a letter from an authorized State budget official certifying that the State funds are, or will be, available for the project, so that if VA awards the grant, the project may proceed without further State action to make such funds available (such as further action to issue bonds). If the certification is based on an Act authorizing the project and making available the State’s matching funds for the project, a copy of the Act must be submitted with the certification.

(i) Priority group 1—subpriority 1. An application for a life or safety project, which means a project to remedy a condition, or conditions, at an existing facility that have been cited as threatening to the lives or safety of one or more of the residents or program participants in the facility by a VA safety office, VA engineering office, or other VA office with responsibility for life and safety inspections; a State or local government agency (including a Fire Marshal); or an accrediting institution (including the Joint Commission on Accreditation of Healthcare Organizations). Unless an addition or replacement of building utility systems or features is necessary to remedy a cited threat to the lives or safety of residents and program participants, this priority group does not include applications for the addition or replacement of building utility systems or features; such applications will be prioritized in accordance with the criteria in subpriority group 5 of priority group 1. An application may be included in this subpriority group only if all of the funds requested would be used for a life or safety project; or, if the estimated cost of the life or safety project is under $400,000, and the majority of the funds requested would be used for such a project. Projects in this subpriority group will be further prioritized in the following order:

(A) Seismic;  
(B) Building construction;  
(C) Egress;  
(D) Building compartmentalization (e.g., smoke barrier, fire walls);  
(E) Fire alarm/detection;  
(F) Security;  
(G) Asbestos/hazardous materials; and  
(H) All other projects (e.g., nurse call systems, patient lifts).
(ii) Priority group 1—subpriority 2. An application from a State that has not previously applied for a grant under 38 U.S.C. 8131–8137 for construction or acquisition of a State nursing home.

(iii) Priority group 1—subpriority 3. An application for construction or acquisition of a nursing home or domiciliary from a State that has a great need for the beds that the State, in that application, proposes to establish.

(iv) Priority group 1—subpriority 4. An application from a State for renovations to a State Home facility other than renovations that would be included in subpriority group 1 of priority group 1. Projects will be further prioritized in the following order:

(A) Adult day health care renovation and construction of a new adult day health care facility that replaces an existing facility;

(B) Nursing home renovation (e.g., patient privacy) and construction of a new nursing home that replaces an existing nursing home;

(C) Code compliance under the Americans with Disabilities Act;

(D) Building systems and utilities (e.g., electrical; heating, ventilation, and air conditioning (HVAC); boiler; medical gasses; roof; elevators);

(E) Clinical-support facilities (e.g., for dietetics, laundry, rehabilitation therapy); and

(F) General renovation/upgrade (e.g., warehouse, storage, administration/office, multipurpose).

(v) Priority group 1—subpriority 5. An application for construction or acquisition of a nursing home or domiciliary from a State that has a significant need for the beds that the State in that application proposes to establish.

(vi) Priority group 1—subpriority 6. An application for construction or acquisition of a nursing home or domiciliary from a State that has not demonstrated that State funds are being used to protect the lives or safety of the residents and program participants of the facility as required in §59.50(e).

(vii) Priority group 1—subpriority 7. An application for construction or acquisition of a nursing home or domiciliary from a State that has a limited need for the beds that the State, in that application, proposes to establish.

NOTE TO PARAGRAPH (a)(1): The following chart is intended to provide a graphic aid for understanding priority group 1 and its subpriorities.
(2) **Priority group 2.** An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(i) of this section. Projects within this priority group will be further prioritized the same as in paragraphs (a)(1)(i)(A) through (a)(1)(i)(H) of this section.

(3) **Priority group 3.** An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(ii) of this section.

(4) **Priority group 4.** An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(iii) of this section.

(5) **Priority group 5.** An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(iv) of this section. Projects within this priority
group will be further prioritized the same as in paragraphs (a)(1)(iv)(A) through (a)(1)(iv)(F) of this section.

(6) **Priority group 6.** An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(v) of this section.

(7) **Priority group 7.** An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(vi) of this section.

(8) **Priority group 8.** An application not meeting the criteria of paragraph (a)(1) of this section but meeting the criteria of paragraph (a)(1)(vii) of this section.

(b)(1) If a State accepts a partial grant for a project under §59.80(a)(2), VA will give that project the highest priority for the next fiscal year within the priority group to which it is assigned (without further prioritization of that priority group) to receive up to 30 percent of the funds available for that year. Funds available do not include funds conditionally obligated in the previous fiscal year under §59.70(a)(2).

(2) If, in a given fiscal year, more than one State previously accepted a partial grant under §59.80(a)(2), these partial-grant recipients will be further prioritized on the priority list for that fiscal year based on the date VA first awarded a partial grant for the project (the earlier the grant was awarded, the higher the priority given). The partial-grant recipients, in aggregate, may receive up to 30 percent of the funds available for that year that would be set aside for partial-grant recipients.

(c) An application will be given priority on the priority list (after applications described in paragraph (b) of this section) for the next fiscal year ahead of all applications that had not been approved under §59.20 on the date that the application was approved under §59.20, if:

(1) During the current fiscal year VA would have awarded a grant based on the application except for the fact that VA determined that the State did not, by July 1, provide evidence that it had its matching funds for the project, and

(2) The State was notified prior to July 1 that VA had funding available for this grant application.

(d) Applications in each priority or subpriority group will be further prioritized based on the date the application was received in VA (the earlier the application was received, the higher the priority given). Projects will be prioritized under this paragraph after all prioritization is completed under the projects’ priority or subpriority group, as specified in paragraph (a) of this section, and only if necessary to give separate priorities to applications that have the same priority ranking after the prioritization specified in paragraph (a) of this section is accomplished.

(e) If any State home in a State has been cited by a VA safety office, VA engineering office, or other VA office with responsibility for life and safety inspections; a State or local government agency (including a Fire Marshal); or an accrediting institution (including the Joint Commission on Accreditation of Healthcare Organizations) for conditions that threaten the lives or safety of one or more of the residents or program participants in the facility, the State must include in any application submitted under §59.20 or its updates to such application its plan to address all such citations. If VA determines that the State’s plan fails to set forth how it will address such citations in a reasonable period of time, then VA will prioritize all applications of such State as follows:

(1) Applications that meet the criteria of paragraph (a)(1) of this section, but do not meet the criteria of paragraphs (a)(1)(i) or (vii) of this section, will be prioritized in subpriority group 6 of priority group 1 (paragraph (a)(1)(vi) of this section).

(2) Applications not meeting the criteria for placement in priority group 1 (paragraph (a)(1) of this section) and not meeting the criteria of subpriority group 1 of priority group 1 (paragraph (a)(1)(i) of this section) will be prioritized in priority group 7 (paragraph (a)(7) of this section).

(f) The priority list will not contain any project for the construction or acquisition of a hospital or hospital beds.
(g) For purposes of establishing priorities under this section:

(1) A State has a great need for nursing home and domiciliary beds if the State:

(i) Has no State homes with nursing home or domiciliary beds, or

(ii) Has an unmet need of 2,000 or more nursing home and domiciliary beds;

(2) A State has a significant need for nursing home and domiciliary beds if the State has an unmet need of 1,000 to 1,999 nursing home and domiciliary beds; and

(3) A State has a limited need for nursing home and domiciliary beds if the State has an unmet need of 999 or fewer nursing home and domiciliary beds.

(h) Except for applications that must be included in subpriority group 1 of priority group 1, applications for projects with components that could be prioritized in more than one priority group will be placed in the priority group toward which the largest share of the cost of the project is allocated. Once the correct priority group is determined, applications for projects with components that could be prioritized in more than one subpriority group in that priority group will be placed in the subpriority group toward which the largest share of the cost of the project is allocated. For example, if a project for which 25 percent of the funds needed would address seismic issues and 75 percent of the funds needed would be for building construction in a State with a great need for new beds, the project would be placed in subpriority group 3. If the highest-cost component of an application for multiple projects does not meet the criteria for placement in priority group 1, subpriority group 1, because it is estimated to cost $400,000.00 or more, it will be prioritized based on the component with the next largest share of the cost.

(i) Once the Secretary prioritizes the applications in the priority list, VA will not change the priorities unless a change is necessary as a result of an appeal.

(Authority: 38 U.S.C. 101, 501, 1710, 1742, 8105, 8131-8137)

§ 59.60 Additional application requirements.

For a project to be eligible for a grant under this part for the fiscal year for which the priority list was made, during that fiscal year the State must submit to VA an original and a copy of the following:

(a) Complete, updated Standard Forms 424 (mark the box labeled application and submit the information requested for an application), 424C, and 424D (these forms are available on the internet Web site provided in § 59.170 of this part), and

(b) A completed VA Form 10–0388–5 and all information and documentation specified by VA Form 10–0388–5 (this form is available on the internet Web site provided in § 59.170).

(Authority: 38 U.S.C. 101, 501, 1710, 1742, 8105, 8131-8137)

§ 59.70 Award of grants.

(a) The Secretary, during the fiscal year for which a priority list is made under this part, will:

(1) Award a grant for each application that has been approved under § 59.20, that is sufficiently high on the priority list so that funding is available for the application, that meets the additional application requirements in § 59.60, and that meets all other requirements under this part for obtaining a grant, or

(2) Conditionally approve a grant for a project for which a State has submitted an application that substantially meets the requirements of this part if the State representative requests conditional approval and provides written assurance that the State will meet all requirements for a grant not later than 180 calendar days after the date of conditional approval. If a State that has obtained conditional approval for a project does not meet all of...
the requirements within 180 calendar days after the date of conditional approval, the Secretary will rescind the conditional approval and the project will be ineligible for a grant in the fiscal year in which the State failed to fully complete the application. The funds that were conditionally obligated for the project will be deobligated.

(b) As a condition of receiving a grant, a State must make sufficient funds available for the project for which the grant is requested so that such project may proceed upon approval of the grant without further action required by the State (such as subsequent issuance of bonds) to make such funds available for such purpose. To meet this criteria, the State must provide to VA a letter from an authorized State budget official certifying that the State funds are, or will be, available for the project, so that if VA awards the grant, the project may proceed without further State action to make such funds available (such as further action to issue bonds). If the certification is based on an Act authorizing the project and making available the State’s matching funds for the project, a copy of the Act must be submitted with the certification. To be eligible for inclusion in priority group 1 under this part, a State must make such funds available by August 1 of the year prior to the fiscal year for which the grant is requested.

(c) As a condition of receiving a grant, the State representative and the Secretary will sign three originals of the Memorandum of Agreement documents (one for the State and two for VA). A sample is in § 59.170.

§ 59.80 Amount of grant.

(a) The total cost of a project (VA and State) for which a grant is awarded under this part may not be less than $400,000 and, except as provided in paragraph (i) of this section, the total cost of a project will not exceed the total cost of new construction. The amount of a grant awarded under this part will be the amount requested by the State and approved in accordance with this part, not to exceed 65 percent of the total cost of the project except that:

(1) The total cost of a project will not include the cost of space that exceeds the maximum allowable space specified in this part, and

(2) The amount of the grant may be less than 65 percent of the total cost of the project if the State accepts less because VA did not have sufficient funds to award the full amount of the grant requested.

(b) The total cost of a project under this part for acquisition of a facility may also include construction costs.

(c) The total cost of a project under this part will not include any costs incurred before the date VA sent the State written notification that the application in § 59.20 was approved.

(d) The total cost of a project under this part may include administration and production costs, e.g., architectural and engineering fees, inspection fees, and printing and advertising costs.

(e) The total cost of a project under this part may include the cost of projects on the grounds of the facility, e.g., parking lots, landscaping, sidewalks, streets, and storm sewers, only if they are inextricably involved with the construction of the project.

(f) The total cost of a project under this part may include the cost of equipment necessary for the operation of the State home facility. This may include the cost of:

(1) Fixed equipment included in the construction or acquisition contract. Fixed equipment must be permanently affixed to the building or connected to the heating, ventilating, air conditioning, or other service distributed through the building via ducts, pipes, wires, or other connecting device. Fixed equipment must be installed during construction. Examples of fixed equipment include kitchen and intercommunication equipment, built-in cabinets, and cubicle curtain rods; and

(2) Other equipment not included in the construction contract constituting
no more than 10 percent of the total construction contract cost of the project. Other equipment includes: furni-
niture, furnishings, wheeled equipment, kitchen utensils, linens, drap-
eries, blinds, electric clocks, pictures and trash cans.

(g) The contingency allowance may not exceed five percent of the total cost of the project for new construction or eight percent for renovation projects.

(h) The total cost of a project under this part may not include the cost of:

(1) Land acquisition;
(2) Maintenance or repair work; or
(3) Office supplies or consumable goods (such as food, drugs, medical dressings, paper, printed forms, and soap) which are routinely used in a State home.

(i) A grant for expansion, remodeling, or alteration of an existing State home, which is on or eligible for inclusion in the National Register of Historic Places, for furnishing domiciliary, nursing home, or adult day health care to veterans may not be awarded for the expansion, remodeling, or alteration of such building if such action does not comply with National Historic Preservation Act procedures or if the total cost of remodeling, renovating, or adapting such building or facility exceeds the cost of comparable new construction by more than five percent. If demolition of an existing building or facility on, or eligible for inclusion in, the National Register of Historic Places is deemed necessary and such demolition action is taken in compliance with National Historic Preservation Act procedures, any mitigation cost negotiated in the compliance process and/or the cost to professionally record the building or facility in the Historic American Buildings Survey (HABS), plus the total cost for demolition and site restoration, shall be included by the State in calculating the total cost of new construction.

(j) The cost of demolition of a building cannot be included in the total cost of construction unless the proposed construction is in the same location as the building to be demolished or unless the demolition is inextricably linked to the design of the construction project.

(k) With respect to the final award of a conditionally-approved grant, the Secretary may not award a grant for an amount that is 10 percent more than the amount conditionally-approved.

§ 59.90 Line item adjustments to grants.

After a grant has been awarded, upon request from the State representative, VA may approve a change in a line item (line items are identified in Form 424C which is set forth in §59.170(o) of this part) of up to 10 percent (increase or decrease) of the cost of the line item if the change would be within the scope or objective of the project and would not change the amount of the grant.

§ 59.100 Payment of grant award.

The amount of the grant award will be paid to the State or, if designated by the State representative, the State home for which such project is being carried out or any other State agency or instrumentality. Such amount shall be paid by way of reimbursement, and in such installments consistent with the progress of the project as the Chief Consultant, Geriatrics and Extended Care, may determine and certify for payment to the appropriate Federal institution. Funds paid under this section for an approved project shall be used solely for carrying out such project as so approved. As a condition for the final payment, the State must comply with the requirements of this part based on an architectural and engineering inspection approved by VA, must obtain VA approval of the final equipment list submitted by the State representative, and must submit to VA a completed VA Form 10–0388–13 (this form is available on the internet Web site provided in §59.170). The equipment list and the completed VA Form 10–0388–13 must be submitted to the Chief Consultant, Geriatrics and Extended Care (114), VHA Headquarters; 810
§ 59.110 Recapture provisions.

If a facility for which a grant has been awarded ceases to be operated as a State home for the purpose for which the grant was made, the United States shall be entitled to recover from the State which was the recipient of the grant or from the then owner of such construction as follows:

(a) If less than 20 years has lapsed since the grant was awarded, and VA provided 65 percent of the estimated cost to construct, acquire or renovate a State home facility principally for furnishing domiciliary care, nursing home care, adult day health care, hospital care, or non-institutional care to veterans, VA shall be entitled to recover 65 percent of the current value of such facility (but in no event an amount greater than the amount of assistance provided for such under these regulations), as determined by agreement of the parties or by action brought in the district court of the United States for the district in which the facility is situated.

(b) Based on the time periods for grant amounts set forth below, if VA provided between 50 and 65 percent of the estimated cost of expansion, remodeling, or alteration of an existing State home facility, VA shall be entitled to recover 65 percent of the current value of such facility (but in no event an amount greater than the amount of assistance provided for such under these regulations), as determined by agreement of the parties or by action brought in the district court of the United States for the district in which the facility is situated.

(c) If the magnitude of the VA contribution is below 50 percent of the estimated cost of the expansion, remodeling, or alteration of an existing State home facility recognized by the Department of Veterans Affairs, the Under Secretary for Health may authorize a recovery period between 7 and 20 years depending on the grant amount involved and the magnitude of the project.

(d) This section does not apply to any portion of a State home in which VA has established and operates an outpatient clinic.

§ 59.120 Hearings.

If the Secretary determines that a submission from a State does not meet the requirements of this part, the Secretary will advise the State by letter that a grant is tentatively denied, explain the reasons for the tentative denial, and inform the State of the opportunity to appeal to the Board of Veterans’ Appeals pursuant to 38 U.S.C. 7105. Decisions under this part are not subject to the provisions of §17.133 of this order.

§ 59.121 Amendments to application.

Any amendment of an application that changes the scope of the application or changes the cost estimates by 10 percent or more shall be subject to approval in the same manner as an original application.

§ 59.122 Withdrawal of application.

A State representative may withdraw an application by submitting to VA a written document requesting withdrawal.

§ 59.123 Conference.

At any time, VA may recommend that a conference (such as a design development conference) be held in VA Central Office in Washington, DC, to
§ 59.124 Inspections, audits, and reports.

(a) A State will allow VA inspectors and auditors to conduct inspections and audits as necessary to ensure compliance with the provisions of this part. The State will provide evidence that it has met its responsibility under the Single Audit Act of 1984 (see part 41 of this chapter) and submit that evidence to VA.

(b) A State will make such reports in such form and containing such information as the Chief Consultant, Geriatrics and Extended Care, may from time to time reasonably require and give the Chief Consultant, Geriatrics and Extended Care, upon demand, access to the records upon which such information is based.

§ 59.130 General requirements for all State home facilities.

As a condition for receiving a grant and grant funds under this part, States must comply with the requirements of this section.

(a) The physical environment of a State home must be designed, constructed, equipped, and maintained to protect the health and safety of participants, personnel and the public.

(b) A State home must meet the general conditions of the American Institute of Architects, or other general conditions required by the State, for awarding contracts for State home grant projects. Facilities must meet all Federal, State, and local requirements, including the Uniform Federal Accessibility Standards (UFAS) (24 CFR part 40, appendix A), during the design and construction of projects subject to this part. The State or local requirements are different from the Federal requirements, compliance with the most stringent provisions is required. A State must design and construct the project to provide sufficient space and equipment in dining, health services, recreation, and program areas to enable staff to provide residents with needed services as required by this part and as identified in each resident’s plan of care.

(c) State homes should be planned to approximate the home atmosphere as closely as possible. The interior and exterior should provide an attractive and home-like environment for elderly residents. The site will be located in a safe, secure, residential-type area that is accessible to acute medical care facilities, community activities and amenities, and transportation facilities typical of the area.

(d)(1) State homes must meet the applicable provisions of the National Fire Protection Association’s NFPA 101, Life Safety Code (2009 edition), except that the NFPA requirement in paragraph 19.3.5.1 for all buildings containing nursing homes to have an automatic sprinkler system is not applicable until February 24, 2016 for “existing buildings” with nursing home facilities as of June 25, 2001 (paragraph 3.3.32.5 in the NFPA 101 defines an “[e]xisting [b]uilding” as “[a] building erected or officially authorized prior to the effective date of the adoption of this edition of the Code by the agency or jurisdiction”), and the NFPA 99, Standard for Health Care Facilities (2005 edition). Incorporation by reference of these materials was approved by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. These materials, incorporated by reference, are available for inspection at the Department of Veterans Affairs, Office of Regulation Policy and Management (02REG), Room 1068, 810 Vermont Avenue, NW, Washington, DC 20420 or at the National Archives and Records Administration (NARA). (2) Facilities must also meet the State and local fire codes.
(e) State homes must have an emergency electrical power system to supply power adequate to operate all exit signs and lighting for means of egress, fire and medical gas alarms, and emergency communication systems. The source of power must be an on-site emergency standby generator of sufficient size to serve the connected load or other approved sources.

(f) The nurse’s station must be equipped to receive resident calls through a communication system from resident rooms, toilet and bathing facilities, dining areas, and activity areas.

(g) The State home must have one or more rooms designated for resident dining and activities. These rooms must be:

1. Well lighted;
2. Well ventilated; and
3. Adequately furnished.

(h) The facility management must provide a safe, functional, sanitary, and comfortable environment for the residents, staff and the public. The facility must:

1. Ensure that water is available to essential areas when there is a loss of normal water supply;
2. Have adequate outside ventilation by means of windows, or mechanical ventilation, or a combination of the two;
3. Equip corridors with firmly secured handrails on each side; and
4. Maintain an effective pest control program so that the facility is free of pests and rodents.

§ 59.140 Nursing home care requirements.

As a condition for receiving a grant and grant funds for a nursing home facility under this part, States must comply with the requirements of this section.

(a) Resident rooms must be designed and equipped for adequate nursing care, comfort, and privacy of residents. Resident rooms must:

1. Accommodate no more than four residents;
2. Have direct access to an exit corridor;
3. Have at least one window to the outside;
4. Be equipped with, or located near, toilet and bathing facilities (VA recommends that public toilet facilities also be located near the residents dining and recreational areas);
5. Be at or above grade level;
6. Be designed or equipped to ensure full visual privacy for each resident;
7. Except in private rooms, each bed must have ceiling suspended curtains that extend around the bed to provide total visual privacy in combination with adjacent walls and curtains;
8. Have a separate bed for each resident of proper size and height for the safety of the resident;
9. Have a clean, comfortable mattress;
10. Have bedding appropriate to the weather and climate;
11. Have functional furniture appropriate to the resident’s needs, and
12. Have individual closet space with clothes racks and shelves accessible to the resident.

(b) Unless determined by VA as necessary to accommodate an increased quality of care for patients, a nursing home project may propose a deviation of no more than 10 percent (more or less) from the following net square footage for the State to be eligible for a grant of 65 percent of the total estimated cost of the project. If the project proposes building more than the following net square footage and VA makes a determination that it is not needed, the cost of the additional net square footage will not be included in the estimated total cost of construction.

§ 59.150 Domiciliary care requirements.
As a condition for receiving a grant and grant funds for a domiciliary under this part, the domiciliary must meet the requirements for a nursing home specified in § 59.140 of this part.

§ 59.160 Adult day health care requirements.
As a condition for receiving a grant and grant funds under this part for an adult day health care facility, States must meet the requirements of this section.

(a) Each adult day health care program, when it is co-located in a nursing home, domiciliary, or other care facility, must have its own separate designated space during operational hours.

(b) The indoor space for an adult day health care program must be at least 100 square feet per participant including office space for staff, and must be 60 square feet per participant excluding office space for staff.

(c) Each program will need to design and partition its space to meet its own needs, but the following functional areas must be available:

    (1) A dividable multipurpose room or area for group activities, including dining, with adequate table setting space.
    (2) Rehabilitation rooms or an area for individual and group treatments for occupational therapy, physical therapy, and other treatment modalities.
    (3) A kitchen area for refrigerated food storage, the preparation of meals and/or training participants in activities of daily living.
    (4) An examination and/or medication room.
    (5) A quiet room (with at least one bed), which functions to isolate participants who become ill or disruptive, or who require rest, privacy, or observation. It should be separate from activity areas, near a restroom, and supervised.
    (6) Bathing facilities adequate to facilitate bathing of participants with functional impairments.
    (7) Toilet facilities and bathrooms easily accessible to people with mobility problems, including participants in wheelchairs. There must be at least one toilet for every eight participants. The toilets must be equipped for use by persons with limited mobility, easily accessible from all programs areas, i.e., preferably within 40 feet from that area, designed to allow assistance from one or two staff, and barrier free.
    (8) Adequate storage space. There should be space to store arts and crafts materials, personal clothing and belongings, wheelchairs, chairs, individual handiwork, and general supplies. Locked cabinets must be provided for files, records, supplies, and medications.
    (9) An individual room for counseling and interviewing participants and family members.
    (10) A reception area.
    (11) An outside space that is used for outdoor activities that is safe, accessible to indoor areas, and accessible to those with a disability. This space may include recreational space and a garden.

1029
It should be easily supervised by staff.

(d) **Furnishings** must be available for all participants. This must include functional furniture appropriate to the participants' needs.

(e) Unless determined by VA as necessary to accommodate an increased quality of care for patients, an adult day health care facility project may propose a deviation of no more than 10 percent (more or less) from the following net square footage for the State to be eligible for a grant of 65 percent of the total estimated cost of the project. If the project proposes building more than the following net square footage and VA makes a determination that it is not needed, the cost of the additional net square footage will not be included in the estimated total cost of construction.

§ 59.170 Forms.

All forms required by this part are available on the internet at “http://www.va.gov/forms/” for VA Forms and at “http://www.gsa.gov” for Standard Forms, or at the Veterans Health Administration, Room 789, 810 Vermont Ave., NW, Washington, DC 20420.

[73 FR 58880, Oct. 8, 2008]
§ 60.3 Other donated temporary lodging.

Whenever VA receives, from a source other than the Fisher House Foundation, an undesignated donation of lodging to be used on a temporary basis, the lodging will be designated as if it were Fisher House lodging or be treated as other temporary lodging based upon the types of lodging available in the area. If VA receives a gift that specifies the terms of the lodging provided, VA will use the lodging provided in the manner specified by the donor.

§ 60.10 Eligibility criteria for Fisher House or other temporary lodging.

(a) General. While a veteran is undergoing an episode of care, VA may provide either Fisher House or other temporary lodging, as appropriate, if the application meets the requirements of this part 60. These are the only types of lodging provided by VA under this part. Note: Lodging provided for under this part will not be used by a person participating in a VA residential treatment program, or as a substitute for participation in such a program.

(b) Eligible persons.—(1) Fisher House. VA may provide Fisher House lodging to accompanying individual(s) and, in limited circumstances of immediate need and no alternative temporary lodging, to a veteran with one or more accompanying individual(s). Fisher House lodging will not be used to lodge unaccompanied veterans or individuals in need of transitional or permanent housing.

Note: VA does not impose a general limit on the number of persons who may accompany a veteran, but VA may in specific cases provide lodging to only a specific number of persons due to space or resource limitations.

(2) Other temporary lodging. VA may provide other temporary lodging to a veteran or to a veteran and his or her accompanying individual(s). Accompanying individuals may not stay in other temporary lodging unless the veteran is also staying in temporary lodging.

Note: VA does not impose a general limit on the number of persons who may accompany a veteran, but VA may in specific cases provide lodging to only a specific number of persons due to space or resource limitations.

(c) Condition of the veteran. Fisher House or other temporary lodging will not be provided to a veteran unless the VA official reviewing the application determines, based on the application and on any necessary clinical information, that the veteran is:

(1) Medically stable and capable of self-care; or

(2) Accompanied by an individual who is able to provide all necessary care.

(d) Travel time/distance requirement. Fisher House or other temporary lodging may be provided only if the applicant seeking lodging must travel at least 50 miles, or for 2 hours, from his or her home to the VA health care facility. VA may waive these requirements based on exceptional circumstances, such as when the physical condition of an accompanying individual and/or the veteran, inclement weather, road conditions, or the mode of transportation, make it difficult or dangerous to travel to or return from the VA health care facility without an overnight stay.

(e) Special authority for organ transplant cases. Notwithstanding any other provision of this part, VA may provide Fisher House or other temporary lodging for individuals who must be present on site for evaluation, donation, and care related to their status as an organ donor for a veteran. VA may also provide Fisher House or other temporary lodging for the donor’s accompanying
§ 60.15 Application process.

(a) Obtaining and submitting the application. VA Form 10–0408A is the application for Fisher House and other temporary lodging. Applications may be submitted by mail, telephone, facsimile, in person, or electronically. VA Form 10–0408A is available from any VA health care facility or may be obtained online at http://vaww4.va.gov/vaforms/medical/pdf/vha-10–0408A-fill.pdf.

The completed application must be submitted as follows:

(1) For Fisher House lodging, to the Fisher House Manager at the VA health care facility of jurisdiction.

(2) For other temporary lodging, to the temporary lodging program coordinator at the VA health care facility of jurisdiction.

(b) Processing applications. (1) Applications are generally processed in the order that they are received by VA, and temporary lodging is then granted on a first come first serve basis; however, in extraordinary circumstances, such as imminent death, critical injury, or organ donation applications may be processed out of order.

(2) Temporary lodging is granted on a space-available basis, with some consideration given to the compatibility of the applicant(s) and the room(s) available. For example, although VA may require an applicant to share a room with another veteran’s accompanying individual, VA would not do so if the persons affected are not the same gender.

(3) Temporary lodging at a VA health care facility, such as non-utilized beds in a VA health care facility, may be made available only if not barred by law and if the Director of the VA health care facility determines that such action would not have a negative impact on patient care. Non-utilized beds provided to accompanying individuals must be reassigned to VA patients when necessary.

(4) The Director of the VA health care facility of jurisdiction will determine whether local funding is sufficient to allow the use of temporary lodging in hotels and motels.

(5) Subject to all criteria provided in this part, the person responsible for coordinating the Fisher House and other temporary lodging program(s) at the VA health care facility of jurisdiction is responsible for making decisions to grant temporary lodging. These decisions are considered to be final VA decisions concerning individual medical treatment plans and the scheduling and use of VA lodging facilities, and they are not appealable to the Board of Veterans’ Appeals.

(6) If VA denies an application for one type of lodging, such as at a Fisher House, the application will be considered for other temporary lodging and vice versa, if the applicant is eligible.

(7) If VA denies the application for all types of temporary lodging, VA will refer the application to a VA social worker at the VA health care facility of jurisdiction to determine if other arrangements can be made.

(c) Costs for Fisher House and other temporary lodging under this part are borne by VA.

(Authority: 38 U.S.C. 501, 1708)

(The Office of Management and Budget has approved the information collection requirements in this section under OMB control number 2900–0630)

§ 60.20 Duration of Fisher House or other temporary lodging.

Fisher House or other temporary lodging may be awarded for the following periods:

(a) While the veteran is undergoing an episode of care.

(b) While the veteran is hospitalized, if the veteran is admitted to a VA health care facility while undergoing an outpatient episode of care for which temporary lodging was already provided.

(c) As extended by the appropriate VA clinician or social worker based on an emergency situation or unforeseen circumstances.

(d) For an indefinite period for accompanying individuals who are visiting veterans hospitalized for an indefinite period, provided that the accompanying individual is not using a VA health care facility bed. Whether a veteran is hospitalized for an indefinite period.
period will be based upon the treatment or rehabilitation needs of the veteran as determined by the veteran’s health care team.

(e) Temporary lodging may be furnished the night before the day of a scheduled appointment if, the veteran leaving home after 8:00 a.m., would be unable to arrive at the VA health care facility by the time of the scheduled appointment.

(f) Temporary lodging may be furnished the night of the scheduled appointment if, after the appointment, the veteran would be unable to return home before 7:00 p.m. When a veteran is undergoing outpatient treatment or procedures the veteran and accompanying individual(s) may be furnished temporary lodging for the duration of the episode of care subject to limitations described in this section.

VA means the Department of Veterans Affairs.

VA National GPD Program refers to the VA Homeless Providers Grant and Per Diem Program.

Veteran means a person who served in the active military, naval, or air service, and who was discharged or released there from under conditions other than dishonorable.

(b) Supportive services do not include inpatient acute hospital care.

§ 61.3 Notice of Fund Availability.

When funds are made available for a grant or per diem award under this part, VA will publish a Notice of Fund Availability in the FEDERAL REGISTER. The notice will:

(a) Give the location for obtaining application packages;
(b) Specify the date, time, and place for submitting completed applications;
(c) State the estimated amount and type of funding available; and
(d) State any priorities for or exclusions from funding to meet the statutory mandate of 38 U.S.C. 2011, to ensure that awards do not result in the duplication of ongoing services and to reflect the maximum extent practicable appropriate geographic dispersion and an appropriate balance between urban and nonurban locations.

(e) Provide other information necessary for the application process, such as the grant period, where applicable.

§ 61.4 Definition of capital lease.

A capital lease, for purposes of this part, means a conditional sales contract that either:

(a) Will be in effect for all of the period of recovery listed in § 61.67(b); or

(3) The present value of lease payments that are applied to the purchase are equal to or greater than 90 percent of the fair market value of the asset.

§ 61.10 Capital grants—general.

(a) Subject to the availability of Appropriations provided for such purpose, VA will provide capital grants to public or nonprofit private entities so they can assist homeless veterans by helping to ensure the availability of supportive housing and service centers to furnish outreach, rehabilitative services, and vocational counseling and training. Specifically, VA provides capital grants for up to 65 percent of the cost to:

(1) Construct structures and purchase the underlying land to establish new supportive housing facilities or service centers, or to expand existing supportive housing facilities or service centers;
(2) Acquire structures to establish new supportive housing facilities or service centers, or to expand existing supportive housing facilities or service centers;
(3) Renovate existing structures to establish new supportive housing facilities or service centers, or to expand existing supportive housing facilities or service centers; and

(b) Capital grants may not be used for acquiring buildings located on VA-owned property. However, capital grants may be awarded for construction, expansion, or renovation of buildings located on VA-owned property.

§ 61.11 Capital grants—application packages.

(a) General. To apply for a capital grant, an applicant must obtain from, complete, and submit to VA a capital grant application package within the time period established in the Notice of Fund Availability.

(b) Content of application. The capital grant application package will require the following:

(1) Site description, site design, and site cost estimates.

(i) Eligibility to receive a capital grant under this part;
(ii) Matching funds committed to the project;
(iii) A proposed operating budget and cost sharing;
(iv) Supportive services committed to the project;
(v) The applicant’s authority to control the site and meet appropriate zoning laws; and
(vi) The boundaries of the area or community that would be served.

(3) If capital grant funds would be used for acquisition or rehabilitation, documentation demonstrating that the costs associated with acquisition or rehabilitation are less than the costs associated with new construction.

(4) If capital grant funds would be used for new construction, documentation demonstrating that the costs associated with new construction are less than the costs associated with rehabilitation of an existing building, that there is a lack of available appropriate units that could be rehabilitated at a cost less than new construction, and that new construction is less costly than acquisition of an existing building (for purposes of this cost comparison, costs associated with rehabilitation or new construction may include the cost of real property acquisition).

(5) If proposed construction includes demolition:
   (i) A demolition plan that describes the extent and cost of existing site features to be removed, stored, or relocated; and
   (ii) Information establishing that the proposed construction is either in the same location as the building to be demolished or that the demolition is inextricably linked to the design of the construction project. Without such information, the cost of demolition cannot be included in the cost of construction.

(6) If the applicant is a state, comments or recommendations by appropriate state (and area wide) clearing-houses pursuant to E.O. 12372 (3 CFR, 1982 Comp., p. 197).

(7) A statement from the applicant that all of the following are true:
   (i) The project will furnish to veterans the level of care for which such application is made, and services provided will meet the requirements of this part.
   (ii) The applicant will continue to operate the project until the expiration of the period during which VA could seek full recovery under §61.67.
   (iii) Title to the site will vest solely in the applicant and the applicant will insure the site to the same extent they would insure a site bought with their own funds.
   (iv) Adequate financial support will be available for the completion of the project.
   (v) The applicant will keep records and submit reports as VA may reasonably require, within the time frames required, and, upon demand, allow VA access to the records upon which such information is based.
   (vi) The applicant will state that no more than 25 percent of the grant-awarded beds are occupied by non-veterans.

(c) Multiple capital grant applications. Subject to §61.12(i), applicants may apply for more than one capital grant.

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0554).

§61.12 Capital grant application packages—threshold requirements.

(i) The applicant, during the 5 years preceding the date of the application, must not have done any of the following:

(1) Had more than two grants awarded under this part that remain in development;

(2) Failed to establish two previous awarded grant projects under this part; or

(3) Had a previous grant or per diem project awarded under this part terminated or transferred to another eligible entity for failure to comply with the terms and conditions of the award.

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0554).

§61.13 Capital grant application packages—rating criteria.

(a) General. Applicants that meet the threshold requirements in §61.12 will be rated using the selection criteria listed in this section. (2) The likelihood that proposed plans for outreach and selection of participants will result in these populations being served.

(d) Ability of applicant to develop and operate a project. VA will award up to 200 points based on the extent to which the application demonstrates the necessary staff and organizational experience to complete and operate the proposed project, based on the following:

(1) Staffing plan for the project that reflects the appropriate professional staff, both administrative and clinical;

(10) Historical documentation of past performance both with VA and non-VA projects, including those from other Federal, state and local agencies and audits by private or public entities.

(e) Need. VA will award up to 150 points based on the extent to which the applicant demonstrates:

(2) An understanding of the homeless population to be served and its unmet housing and supportive service needs.

(f) Completion confidence. VA will award up to 50 points based on the review panel’s confidence that the applicant has effectively demonstrated the supportive housing or service center project will be completed as described in the application. VA may use historical program documents of past performance both VA and non-VA, including those from other Federal, state and local agencies as well as audits by private or public entities in determining confidence scores.

(g) Coordination with other programs. VA will award up to 200 points based on the extent to which applicants demonstrate that they have coordinated with Federal, state, local, private and other entities serving homeless persons in the planning and operation of the project. Such entities may include shelter transitional housing, health care, or social service providers; providers funded through Federal initiatives; local planning coalitions or provider associations; or other program providers relevant to the needs of homeless veterans in the local community. Applicants are required to demonstrate that they have coordinated with the VA medical care facility of jurisdiction and/or VA Regional Office of jurisdiction in their area. VA will award up to 50 points of the 200 points based on the extent to which commitments to provide supportive services are documented at the time of application. § 61.15 Capital grants—obtaining additional information and awarding capital grants.

(a) Each applicant who has been conditionally selected for a capital grant will be requested by VA to submit additional documentation or information as necessary, including:

(1) An incorporated private institution, organization, or foundation—
   (i) That has received, or has temporary clearance to receive, tax-exempt status under paragraph (2), (3), or (19) of section 501(c) of the Internal Revenue Code of 1986;
   (ii) For which no part of the net earnings of the institution, organization, or foundation inures to the benefit of any member, founder, or contributor of the institution, organization, or foundation; and
   (iii) That VA determines is financially responsible.

(2) A for-profit limited partnership or limited liability company, the sole general partner or manager of which is an organization that is described by paragraph (d)(1) of this section.

(3) A corporation wholly owned and controlled by an organization that is described by paragraph (d)(1) of this section.

(e) In the case of a previously awarded project that can no longer provide services and or housing and the recipient agency has decided to withdraw or the project has been terminated for failure to comply with the terms and conditions of the award; VA may transfer a capital grant or non-capital grant to another eligible entity in the same geographical area without competition, in order to prevent a loss of capacity of services and housing to homeless veterans. The new entity must meet all of the requirements to which the original grantee was subject. In the case of a capital grant transfer the new grantee will only be entitled to the funding that remains from the original capital obligation and remains responsible for all commitments made by the original grantee.

§ 61.16 Matching funds for capital grants.

(a) VA cannot award a capital grant for more than 65 percent of the total allowable costs of the project. The grantee must provide funding ("matching funding") for the remaining 35 percent of the total cost, using non-federal funds. VA requires that applicants provide documentation of all costs related to the project including those that are not allowable under OMB Circular A-122 as codified at 2 CFR part 230. Allowable costs means those related to the portion (percentage) of the property that would be used to provide supportive housing and services under this part.

(b) Capital grants may include application costs, including site surveys, architectural, and engineering fees, but may not include relocation costs or developer’s fees.

(c) Documentation of matching funds. The matching funds described in paragraph (a) of this section must be documented as follows; no other format will be accepted as evidence of a firm commitment of matching funds:

(1) Donations must be on the donor’s letterhead, signed and dated.

(2) The applicant’s own cash must be committed on the applicant’s letterhead, signed, and dated.

(3) No conditions may be placed on the matching funds other than the organization’s receipt of the capital grant.

(4) Funds must be committed to the same activity as the capital grant application (i.e., acquisition, renovation, new construction, or a van), and must not relate to operating costs or services.

(5) The value of matching funds must be for a cost that is included in the calculation of the total project cost, thereby decreasing the total expenditures of the grantee.

(d) Van applications. The requirements of this section also apply to applications for a capital grant for a van under § 61.18.

§ 61.17 Site control for capital grants.

(a) In order to receive a capital grant for supportive housing or a fixed site
§ 61.18 Capital grants for vans.

(a) General. A capital grant may be used to procure one or more vans, as stated in a NOFA, to provide transportation or outreach for the purpose of providing supportive services. The grant may cover the purchase price, sales taxes, and title and licensing fees. Title to the van must vest solely in the applicant, and the applicant must insure the van to the same extent they would insure a van bought with their own funds.

(b) Who can apply for a van. VA will only award vans to applicants who currently have an operational grant under this part, or in conjunction with a new application.

(c) Application packages for vans(s). In order to receive a van, the application must demonstrate the following:

1. Clear need for the van(s);
2. Specific use of the van(s);
3. Frequency of use of the van(s);
4. Qualifications of the van driver(s);
5. Training of the van driver(s);
6. Type of van(s) to be obtained; and
7. Adequate financial support will be available for the completion of the project or for the purchase and maintenance, repair, and operation of the van(s).

(d) Rating criteria. Applications will be scored using the selection criteria listed in this section. To be eligible for a van grant, an applicant must receive at least 80 points (out of a possible 100) of this section.

1. Need. VA will award up to 60 points based on the extent to which the applicant demonstrates a substantial unmet need for transportation due to:
   i. Lack of alternative public transportation,
   ii. Project location,
   iii. Expired life use of current van, or
   iv. Special disabled individual transportation.

2. Activity. VA will award up to 20 points based on the extent to which the applicant demonstrates:
   i. Frequency of use,
   ii. Type of use, and
   iii. Type of van, e.g., whether there is a justification for a van with a wheelchair lift or other modifications.
§ 61.19  
(3) Operator qualification. VA will award up to 20 points based on the extent to which the applicant demonstrates a job description for the van operator that details: 
(i) Requirements of the position, and 
(ii) Training that will be provided to the driver.  

§ 61.19  Transfer of capital grants.  
In the case of a previously awarded project that can no longer provide services and/or housing and the recipient agency has decided to withdraw or the project has been terminated for failure to comply with the terms and conditions of the award, VA may transfer a capital grant or non-capital grant to another eligible entity in the same geographical area without competition, in order to prevent a loss of capacity of services and housing to homeless veterans. The new entity must meet all of the requirements to which the original grantee was subject. The case of a capital grant transfer the new grantee will only be entitled to the funding that remains from the original capital obligation and remains responsible for all commitments made by the original grantee.  

Subpart C—Per Diem Payments

§ 61.30  Per diem—general.  
(a) General. VA may provide per diem funds to offset operating costs for a program of supportive housing or services. VA may provide:  
(1) Per diem funds to capital grant recipients; or 
(2) Per diem only (PDO) funds to entities eligible to receive a capital grant, if the entity established a program of supportive housing or services after November 10, 1992.  
(b) Capital grant recipients. Capital grant recipients may request per diem funds after completion of a project funded by a capital grant and a site inspection under § 61.80 to ensure that the grantee is capable of providing supportive services.  
(c) Per diem only applicants. PDO awards to entities eligible to receive a capital grant must provide supportive housing or services to the homeless veteran population within 180 days after the date on the notification of award letter, or VA will terminate the PDO payments.  

§ 61.31  Per diem—application packages.  
(a) Capital grant recipient. To apply for per diem, a capital grant recipient need only indicate the intent to receive per diem on the capital grant application or may separately request per diem by submitting to VA a written statement requesting per diem.  
(b) Non-capital-grant recipient (per diem only). To apply for per diem only, a non-capital grant applicant must obtain from VA a non-capital grant application package and submit to VA the information called for in the application package within the time period established in the Notice of Fund Availability. The application package includes exhibits to be prepared and submitted as part of the application process, including:  
(1) Documentation on eligibility to receive per diem under this part;  
(2) Documentation on operating budget and cost sharing; 
(3) Documentation on supportive services committed to the project;  
(4) Comments or recommendations by appropriate state (and area wide) clearinghouses pursuant to E.O. 12372 (3 CFR, 1982 Comp., p. 197), if the applicant is a state; and  
(5) Reasonable assurances with respect to receipt of per diem under this part that: 
(i) The project will be used principally to furnish to veterans the level of care for which such application is made; that not more than 25 percent of participants at any one time will be non-veterans; and that such services will meet the requirements of this part; 
(ii) Adequate financial support will be available for the per diem program; and  
(iii) The recipient will keep records and submit reports as VA may reasonably require, within the time frames required; and give VA, upon demand,
§ 61.32 Per diem application packages—rating criteria.

(a) Conditional selection. Application packages for per diem only (i.e., from non-capital grant applicants) in response to a Notice of Fund Availability (NOFA) will be reviewed and grouped in categories according to the funding priorities set forth in the NOFA, if any. Such applications will then be ranked within their respective funding category according to scores achieved only if the applicant scores at least 750 cumulative points out of a possible 1000 from each of the following paragraphs: (b), (c), (d), (e), (f), and (g) of §61.13. The highest-ranked applications for which funding is available, within highest funding priority category if applicable, will be conditionally selected for eligibility to receive per diem payments or special need payment in accordance with their ranked order. If funding priorities have been established and funds are still available after selection of those applicants in the highest priority group, VA will continue to conditionally select applicants in lower priority categories in accordance with the selection method set forth in this paragraph subject to available funding. Conditional selectees will be subsequently awarded per diem, if they otherwise meet the requirements of this part, including passing the inspection required by §61.90.

(b) Ranking applications. In the event of a tie between applicants, VA will use the score from §61.13(g) to determine the ranking. Note: Capital grant recipients are not required to be ranked; however, continuation of per diem payments to capital grant recipients will be subject to limitations set forth in §61.33.

(c) Executing per diem agreements. VA will execute per diem agreements with an applicant whose per diem application was conditionally selected under this section using the same procedures applicable to a capital grant under §61.15.

§ 61.33 Payment of per diem.

(a) General. VA will pay per diem to the recipient for those homeless veterans:

1. Who VA referred to the recipient;

or

2. For whom VA authorized the provision of supportive housing or supportive service.

(b) Rate of payments for individual veterans. The rate of per diem for each veteran in supportive housing shall be the lesser of:

1. The daily cost of care estimated by the per diem recipient minus other sources of payments to the per diem recipient for furnishing services to homeless veterans that the per diem recipient certifies to be correct (other sources include payments and grants from other departments and agencies of the United States, from departments of local and State governments, from private entities or organizations, and from program participants); or

2. The current VA state home program per diem rate for domiciliary care, as set by the Secretary under 38 U.S.C. 1741(a)(1).

(c) Rate of payments for service centers. The per diem amount for service centers shall be 1/8 of the lesser of the amount in paragraph (b)(1) or (b)(2) of this section, per hour, not to exceed 8 hours in any day.

(d) Continuing payments. Recipients may continue to receive per diem only so long as funding is available, they continue to provide the supportive services described in their application, and they continue to meet the applicable ongoing requirements of this part. For non-capital grant recipients of per diem only, funds will be paid to the highest-ranked applicants, within the highest-funding priority category if applicable, in descending order until funds are expended. Generally, payments will continue for the time frame specified in the Notice of Fund Availability. When necessary due to funding limitations, VA will reduce the rate of per diem.

(e) Retroactive payments. Per diem may be paid retroactively for services...
provided not more than 3 days before VA approval is given or where, through no fault of the recipient, per diem payments should have been made but were not made.

(f) Payments for absent veterans. VA will pay per diem for up to, and not more than, 72 consecutive hours (scheduled or unscheduled) of absence.

(g) Supportive housing limitation. VA will not pay per diem for supportive housing for any homeless veteran who has had three or more episodes (admission and discharge for each episode) of supportive housing services paid for under this part. VA may waive this limitation if the services offered are different from those previously provided and may lead to a successful outcome.

(h) Veterans receiving supportive housing and services. VA will not pay per diem for both supportive housing and supportive services provided to the same veteran by the same per diem recipient.

(i) At the time of receipt, a per diem recipient must report to VA all other sources of income for the project for which per diem was awarded. The report provides a basis for adjustments to the per diem payment under paragraph (b)(1) of this section.

Subpart D—Special Need Grants

§ 61.40 Special need grants—general.

(a) VA provides special need grants to public or nonprofit private entities that will create or provide supportive housing and services, which they would not otherwise create or provide, for the following special need homeless veteran populations:

1) Women;
2) Frail elderly;
3) Terminally ill;
4) Chronically mentally ill; or
5) Individuals who have care of minor dependents.

(b) Applicants must submit an application package for a capital or non-capital grant, which will be processed by the VA National GPD Program in accordance with this part; however, to be eligible for a capital special need grant, an applicant must receive at least 800 points (out of a possible 1000) and must receive points under each of the following paragraphs: (b), (c), (d), (e), (f), and (g) of § 61.13. Non-capital special need grants are rated in the same manner as non-capital grant applications under § 61.32.

(c) A recipient of a grant under paragraph (a) of this section may use amounts under the grant to provide services directly to a dependent of a homeless veteran with special needs who is under the care of such homeless veteran while such homeless veteran receives services from the grant recipient under this section.

(d) The following sections apply to special need grants: §§ 61.61 through 61.67, § 61.80, and § 61.82.

(Authority: 38 U.S.C. 501, 2061)

(a) Applications. To apply for a special need grant, an applicant must obtain, complete, and submit to VA a special need capital grant or special need per diem only application package within the time period established in the Notice of Fund Availability. A special need grant application must meet the same threshold requirements applicable to a capital grant under § 61.12.

(b) Additional requirement. In addition to the requirements of § 61.11, applicants must describe how they will address the needs of one or more of the homeless veteran populations identified in paragraphs (c) through (g) of this section.

(c) Women. Applications must show how the program design will:

1) Ensure transportation for women, especially for health care and educational needs; and

2) Address safety and security issues including segregation from other program participants if deemed appropriate.

(d) Individuals who have care of minor dependents. Applications must show how the program design will:

(2) Facilitate reintegration with the community and provide services that may optimize reintegration such as life-skills education, recreational activities, and follow up case management;

(3) Ensure that participants have opportunities and services for re-establishing relationships with family;

(4) Ensure adequate supervision, including supervision of medication and monitoring of medication compliance; and

§61.44 Awarding special need grants and payment of special need per diem.

(a) For those applicants selected for a special need grant, VA will execute an agreement and make payments to the grantee under §61.61.

(b) Capital grantee selectees who successfully complete the capital portion of their grant, or non-capital grantee selectees who successfully pass VA inspection, will be eligible for a special need per diem payment to defray the operational cost of the project. Special need per diem payment will be the lesser of:

(1) 100 percent of the daily cost of care estimated by the special need recipient for furnishing services to homeless veterans with special need that the special need recipient certifies to be correct, minus any other sources of income; or

(2) Two times the current VA State Home Program per diem rate for domiciliary care.
§61.50 Technical assistance grants—general.

(a) General. VA provides technical assistance grants to entities or organizations with expertise in preparing grant applications relating to the provision of assistance for homeless veterans. The recipients must use the grants to provide technical assistance to nonprofit organizations with experience in providing assistance to homeless veterans in order to help such groups apply for grants under this part, or from any other source, for addressing the needs of homeless veterans. Current recipients of any grant under this part (other than a technical assistance grant), or their sub-recipients, are ineligible for technical assistance grants.

(b) Allowable activities. Technical assistance grant recipients may use grant funds for the following activities:

(4) Telephone, video conferencing or email with potential grant applicants that specifically address grant application questions.

(c) Unallowable activities. Technical assistance grant recipients may not use grant funds for the following activities:

(1) Meetings, consortia, or any similar activity that does not assist community agencies in seeking grants to aid homeless veterans.

(2) Referral of individual veterans to agencies for benefits, housing, medical assistance, or social services.

(3) Lobbying.

§ 61.52 Technical assistance grant application packages—threshold requirements.

(a) The application must be complete and submitted on the correct form and in the time period established in the Notice of Fund Availability;
(b) The applicant must establish expertise in preparing grant applications;
(c) The activities for which assistance is requested must be eligible for funding under this part;
(d) The applicant must demonstrate that adequate financial support will be available to carry out the project for which the grant is sought, consistent with the plans, specifications and schedule submitted by the applicant;

(f) The applicant must not have been notified by VA as being in default.

(Authority: 38 U.S.C. 501, 2064)

§ 61.53 Technical assistance grant application packages—rating criteria.

(a) General. Applicants that meet the threshold requirements in § 61.52 will then be rated using the selection criteria listed in paragraphs (b) and (c) of this section. To be eligible for a technical assistance grant, an applicant must receive at least 600 points (out of a possible 800).

(b) Quality of the technical assistance. VA will award up to 400 points based on the following:
(1) How the recipients of technical training will increase their skill level regarding the completion of applications;
(2) How the recipients of technical training will learn to find grant opportunities in a timely manner;
(3) How the technical assistance provided will be monitored and evaluated and changes made, if needed; and
(4) How the proposed technical assistance programs will be implemented in a timely fashion.

(c) Ability of applicant to demonstrate expertise in preparing grant applications and to develop and operate a technical assistance program. VA will award up to 400 points based on the extent to which the application demonstrates all of the following:
(1) Ability to find grants available for addressing the needs of homeless veterans.
(2) Ability to find and offer technical assistance to entities eligible for such assistance.
(3) Ability to administer a technical assistance program.
(4) Ability to provide grant technical assistance.
(5) Ability to evaluate the overall effectiveness of the technical assistance program and to make adjustments, if necessary, based on those evaluations.

§ 61.62 Program changes.

(a) Except as provided in paragraphs (b) through (d) of this section, a recipient may not make any significant changes to a project for which a grant has been awarded without prior written approval from the VA National Grant and Per Diem Program Office. Significant changes include, but are not limited to, a change in the recipient, a change in the project site (including relocating, adding an annex, a branch, or other expansion), additions or deletions of activities, shifts of funds from one approved type of activity to another, and a change in the category of participants to be served.

(b) Recipients of grants involving both construction and non-construction projects must receive prior written approval from the VA National Grant and Per Diem Program Office for cumulative transfers among direct cost categories which exceed or are expected to exceed 10 percent of the current total approved budget.

(c) Recipients of grants for projects involving both construction and non-construction who are state or local governments must receive prior written approval from the VA National Grant and Per Diem Program Office for any budget revision which would transfer funds between non-construction and construction categories.

(d) Approval for changes is contingent upon the application ranking remaining high enough after the approved change to have been competitively selected for funding in the year the application was selected.

(e) Any changes to an approved program must be fully documented in the recipient’s records.

(f) Recipients must inform the VA National Grant and Per Diem Program Office in writing of any key position and address changes in/of their organization within 30 days of the change, i.e., new executive director or chief financial officer, permanent change of address for corporate communications.

§ 61.63 Procedural error.

If an application would have been selected but for a procedural error committed by VA, VA may reconsider that application in the next funding round. A new application will not be required for this purpose so long as there is no material change in the information.

§ 61.64 Religious organizations.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in VA programs under this part. In the selection of service providers, neither the Federal Government nor a state or local government receiving funds under this part shall discriminate for or against an organization on the basis of the organization’s religious character or affiliation.

(b)(1) No organization may use direct financial assistance from VA under this part to pay for any of the following:

(i) Inherently religious activities such as, religious worship, instruction, or proselytization; or

(ii) Equipment or supplies to be used for any of those activities.

(b)(2) For purposes of this section, “indirect financial assistance” means Federal assistance in which a service provider receives program funds through a voucher, certificate, agreement or other form of disbursement, as a result of the independent and private choices of individual beneficiaries. “Direct financial assistance” means Federal aid in the form of a grant, contract, or cooperative agreement where the independent choices of individual beneficiaries do not determine which organizations receive program funds.

(c) Organizations that engage in inherently religious activities, such as worship, religious instruction, or proselytization, must offer those services separately in time or location from any

programs or services funded with direct financial assistance from VA, and participation in any of the organization’s inherently religious activities must be voluntary for the beneficiaries of a program or service funded by direct financial assistance from VA.

(d) A religious organization that participates in VA programs under this part will retain its independence from Federal, state, or local governments and may continue to carry out its mission, including the definition, practice and expression of its religious beliefs, provided that it does not use direct financial assistance from VA under this part to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide VA-funded services under this part, without removing religious art, icons, scripture, or other religious symbols. In addition, a VA-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members and otherwise govern itself on a religious basis, and include religious reference in its organization’s mission statements and other governing documents.

(e) An organization that participates in a VA program under this part shall not, in providing direct program assistance, discriminate against a program beneficiary or prospective program beneficiary regarding housing, supportive services, or technical assistance, on the basis of religion or religious belief.

(f) If a state or local government voluntarily contributes its own funds to supplement Federally funded activities, the state or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this provision applies to all of the commingled funds.

(g) To the extent otherwise permitted by Federal law, the restrictions on inherently religious activities set forth in this section do not apply where VA funds are provided to religious organizations through indirect assistance as a result of a genuine and independent private choice of a beneficiary, provided the religious organizations otherwise satisfy the requirements of this part. A religious organization may receive such funds as the result of a beneficiary’s genuine and independent choice if, for example, a beneficiary redeems a voucher, coupon, or certificate, allowing the beneficiary to direct where funds are to be paid, or a similar funding mechanism provided to that beneficiary and designed to give that beneficiary a choice among providers.

§61.65 Inspections.

VA may inspect the facility and records of any applicant or recipient when necessary to determine compliance with this part or an agreement under §61.61. The authority to inspect does not authorize VA to manage or control the applicant or recipient.

§61.66 Financial management.

(a) All recipients must comply with applicable requirements of the Single Audit Act Amendments of 1996, as implemented by OMB Circular A–133 and codified at 38 CFR part 41.

(b) All entities receiving assistance under this part must use a financial management system that follows generally accepted accounting principles and meets the requirements set forth under OMB Circular A–102, Subpart C, section 20, codified at 38 CFR 43.20, for state and local government recipients, or under OMB Circular A–110, Subpart C, section 21, codified at 38 CFR 49.21 for nonprofit recipients. All recipients must implement the requirements of the appropriate OMB Circular for Cost-Principles (A–87 or A–122 codified at 2 CFR parts 225 and 230, respectively) for determining costs reimbursable under all awards issued under this part.

§61.67 Recovery provisions.

(a) Full recovery of capital grants. VA may recover from the grant recipient all of the grant amounts provided for the project if, after 3 years after the date of an award of a capital grant, the grant recipient has withdrawn from the VA Homeless Providers Grant and Per
Department of Veterans Affairs § 61.80

Diem Program (Program), does not establish the project for which the grant was made, or has established the project for which the grant was made but has not passed final inspection. Where a recipient has no control over causes for delays in implementing a project, VA may extend the 3-year period, as appropriate. VA may obligate any recovered funds without fiscal year limitation.

(b) Prorated (partial) recovery of capital grants. If a capital grant recipient is not subject to recovery under paragraph (a) of this section, VA will seek recovery of the grant amount on a prorated basis where the grant recipient ceases to provide services for which the grant was made or withdraws from the Program prior to the expiration of the applicable period of operation, which period shall begin on the date shown on the activation document produced by the VA National GPD Program. In cases where capital grant recipients have chosen not to receive per diem payments, the applicable period of operation shall begin on the date the VA Medical Center Director approved placement at the project site as shown on the inspection documents. The amount to be recaptured equals the total amount of the grant, multiplied by the fraction resulting from using the number of years the recipient was not operational as the numerator, and using the number of years of operation required under the following chart as the denominator.

(c) Disposition of real property for capital grantees. In addition to being subject to recovery under paragraphs (a) and (b) of this section, capital grantees are subject to real property disposition as required by 38 CFR 49.32 when the grantee no longer is providing services through a grant awarded under this part.

(d) Recovery of per diem and non-capital grants. VA will seek to recover from the recipient of per diem, a special need non-capital grant, or a technical assistance grant any funds that are not used in accordance with the requirements of this part.

(e) Notice. Before VA takes action to recover funds, VA will issue to the recipient a notice of intent to recover funds. The recipient will then have 30 days to submit documentation demonstrating why funds should not be recovered. After review of any such documentation, VA will issue a decision regarding whether action will be taken to recover funds.

(f) Vans. All recovery provisions will apply to vans with the exception of the period of time for recovery. The period of time for recovery will be 7 years. Disposition provisions of 38 CFR 49.34 apply to vans. Grantees are required to notify the VA National Grant and Per Diem Program Office for disposition of any van funded under this part.

§ 61.80

(1) The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from the elements;

(2) Entry and exit locations to the structure must be capable of being utilized without unauthorized use of other private properties; and must provide alternate means of egress in case of fire;

(3) Buildings constructed or altered with Federal assistance must also be accessible to the disabled, as required by §502 of the Americans with Disabilities Act, referred to as the Architectural Barriers Act;

(4) Each resident must be afforded appropriate space and security for themselves and their belongings, including an acceptable place to sleep that is in compliance with all applicable local, state, and federal requirements;

(5) Every room or space must be provided with natural or mechanical ventilation and the structures must be free of pollutants in the air at levels that threaten the health of residents;

(6) The water supply must be free from contamination;

(7) Residents must have access to sufficient sanitary facilities that are in proper operating condition, that may be used in privacy, and that are adequate for personal cleanliness and the disposal of human waste;

(8) The housing must have adequate heating and/or cooling facilities in proper operating condition;

(9) The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents and sufficient electrical sources must be provided to permit use of essential electrical appliances while assuring safety from fire;

(10) All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner;

(11) The housing and any equipment must be maintained in a sanitary manner;

(12) The residents with disabilities must be provided meals or meal preparation facilities must be available;

(13) Residential supervision from a paid staff member, volunteer, or senior resident participant must be provided 24 hours per day, 7 days per week and for those times that a volunteer or senior resident participant is providing residential supervision a paid staff member must be on call for emergencies 24 hours a day 7 days a week (all supervision must be provided by individuals with sufficient knowledge for the position); and

(14) Residents must be provided a clean and sober environment that is free from illicit drug use or from alcohol use that could threaten the health and/or safety of the residents or staff; hinders the peaceful enjoyment of the premises; or jeopardizes completion of the grantee's project goals and objectives. Those supportive housing or service centers that provide medical or social detox at the same site as the supportive housing or service must ensure that those residents in detox are clearly separated from the general residential population.

(c) Each recipient of assistance under this part must conduct an ongoing assessment of the supportive services needed by the residents of the project and the availability of such services, and make adjustments as appropriate. The recipient will provide evidence of this ongoing assessment to VA regarding the plan described in their grant application to include meeting their performance goals. This information will be incorporated into the annual inspection. Grantees must submit during the grant agreement period to VA, a quarterly technical performance report. A quarterly report must be filed once during each quarter and no later than January 30, April 30, July 30, and October 30. The report may be in any acceptable business format and must include the following information:

(1) A comparison of actual accomplishments to established goals for the reporting period and response to any findings related to monitoring efforts. This comparison will be on the same level of detail as specified in the program approved in the grant document. It will address quantifiable as well as non-quantifiable goals.

(2) If established goals have not been met, provide a detailed narrative explanation and an explanation of the corrective action(s) which will be
taken, as well as a timetable for accomplishment of the corrective action(s).

(3) Other pertinent information, including a description of grant-related activities occurring during the report period. This may include personnel activity (hiring-training), community orientation/awareness activity, programmatic activity (job development). Also identify administrative and programmatic problems, which may affect performance and proposed solutions.

(4) The quarterly technical performance report will be submitted to the VA National GPD Program Liaison assigned to the project, with each quarterly report being a cumulative report for the entire calendar year. All pages of the reporting documents should have the appropriate grant number and signature, where appropriate. VA National GPD Program Liaisons will file the report and corrective actions in the administrative file for the grant.

(5) Between scheduled reporting dates, the recipient will also immediately inform the VA National GPD Program Liaison of any significant developments affecting the recipient’s ability to accomplish the work. VA National GPD Program Liaisons will provide grantees with necessary technical assistance, when and where appropriate as problems arise.

(6) For each goal or objective listed in the grant application, grantees will be allowed a 15 percent deviation of each goal or objective. If the deviation is greater than 15 percent in any one goal or objective, a corrective action plan must be submitted to the VA National GPD Program Liaison. Failure to meet goals and objectives may result in withholding of placement, withholding of payment, suspension of payment and termination as outlined in this part or other applicable Federal statutes if the goal or objective would impact the program’s ability to provide a successful outcome for veterans.

(7) Corrective Action(s): When necessary, the grantee will automatically initiate a Corrective Action Plan (CAP). A CAP will be required if, on a quarterly basis, actual grant accomplishments vary by a margin of ±15 percent or more from the planned goals and objectives. Please note that this is a general rule of thumb, and in some cases ±15 percent deviations are beneficial to the program such as more placements into employment or training than planned, less cost per placement than planned, higher average wage at placement than planned, etc.

(8) All ±15 percent deviations from the planned goals that have a negative impact on the grantee’s ability to accomplish planned goals must be fully explained in the grantee’s quarterly technical report and a CAP is to be initiated, developed, and submitted by the grantee to the VA Liaison for approval.

(9) The CAP must identify the activity or expenditure source which has the ±15 percent deviation, describe the reason(s) for the variance, provide specific proposed corrective action(s), and a timetable for accomplishment of the corrective action. The plan may include an intent to modify the grant when appropriate.

(10) The CAP will be submitted as an addendum to the quarterly technical report. After receipt of the CAP, the VA National GPD Program Liaison will send a letter to the grantee indicating that the CAP is approved or disapproved. If disapproved, VA Liaison will make beneficial suggestions to improve the proposed CAP and request resubmission until CAP is satisfactory to both parties.

(d) A homeless veteran may remain in supportive housing for which assistance is provided under this part for a period no longer than 24 months, except that a veteran may stay longer, if permanent housing for the veteran has not been located or if the veteran requires additional time to prepare for independent living. However, at any given time, no more than one-half of the veterans at such supportive housing facility may have resided at the facility for periods longer than 24 months.

(e) Each recipient of assistance under this part must provide for the consultation and participation of not less than one homeless veteran or formerly homeless veteran on the board of directors or an equivalent policymaking entity of the recipient, to the extent that such entity considers and makes policies and decisions regarding any project provided under this part.
requirement may be waived if an applicant, despite a good faith effort to comply, is unable to meet it and presents a plan, subject to VA approval, to otherwise consult with homeless or formerly homeless veterans in considering and making such policies and decisions.

(f) Each recipient of assistance under this part must, to the maximum extent practicable, involve homeless veterans and families, through employment, volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating the project and in providing supportive services for the project.

(g) Each recipient of assistance under this part shall establish procedures for fiscal control and fund accounting to ensure proper disbursement and accounting of assistance received under this part.

(h) The recipient of assistance under this part that provides family violence prevention or treatment services must establish and implement procedures to ensure:

1. The confidentiality of records pertaining to any individual provided services, and
2. The confidentiality of the address or location where the services are provided.

(i) Each recipient of assistance under this part must maintain the confidentiality of records kept on homeless veterans receiving services.

(j) VA may disapprove use of outpatient health services provided through the recipient if VA determines that such services are of unacceptable quality. Further, VA will not pay per diem where the Department concludes that services furnished by the recipient are unacceptable.

(k) A service center for homeless veterans shall provide services to homeless veterans for a minimum of 40 hours per week over a minimum of 5 days per week, as well as provide services on an as-needed, unscheduled basis. The calculation of average hours shall include travel time for mobile service centers. In addition:

1. Space in a service center shall be made available as mutually agreeable for use by VA staff and other appropriate agencies and organizations to assist homeless veterans;
2. A service center shall be equipped to provide, or assist in providing, health care, mental health services, hygiene facilities, benefits and employment counseling, meals, and transportation assistance;
3. A service center shall provide other services as VA determines necessary based on the need for services otherwise not available in the geographic area; and
4. A service center may be equipped and staffed to provide, or to assist in providing, job training and job placement services (including job readiness, job counseling, and literacy and skills training), as well as any outreach and case management services that may be necessary to meet the requirements of this paragraph.

(l) Fixed site service centers will prominently post at or near the entrance to the service center their hours of operation and contacts in case of emergencies. Mobile service centers must take some action reasonably calculated to provide in advance a tentative schedule of visits (e.g., newspapers, fliers, public service announcements on television or radio). The schedule should include but is not limited to:

1. The region of operation;
2. Times of operation;
3. Expected services to be provided; and
4. Contacts for specific information and changes.

(m) Each recipient that provides housing and services must have a written disaster plan that has been coordinated with the emergency management entity responsible for the locality in which the project exists. The plan must encompass natural and man-made disasters.

(n) The recipient will inform within 24 hours its VA liaison of any sentinel events occurring within the program (i.e., drug overdose, death, injury).

(o) The grantee, or sub-grantee, will provide appropriate orientation and training to staff to enable them to provide quality services that are appropriate to homeless veteran or homeless special need veteran population.
§ 61.82 Participant fees for supportive housing.

(a) Each participant of supportive housing may be required to pay a participant fee in an amount determined by the recipient, except that such participant fee may not exceed 30 percent of the participant’s monthly income after deducting medical expenses, child care expenses, court ordered child support payments, or other court ordered payments; nor may it exceed the program’s set maximum rate or the HUD Fair Market Rent for that type of housing and its location, whichever is less. The participant fee determination and collection process/procedures should be documented in the grant recipient’s operating procedures to ensure consistency, fairness, and accuracy of fees collected. The participant’s monthly income includes all income earned by or paid to the participant.

(b) Retroactive benefit payments from any source to program participants, for the purpose of this part, may be considered income in the month received and therefore may be used in calculating the participant fee for that month.

(c) Participant fees may be used for costs of operating the supportive housing or to assist supportive housing residents’ move to permanent housing, and must have a therapeutic benefit.

(d) In addition to a participant fee, recipients may charge residents reasonable fees for extracurricular services and activities (extracurricular fee) that participants are not required to receive under the terms of the grant award, are not paid for by VA per diem,
or provided by VA. Extracurricular fees must be voluntary on the part of the participant.

(e) In projects funded under this part where participants sign agreements, VA treats the costs associated with participant eviction to be as unallowable.

(f) Use of participant agreements.
(1) Participant agreements must be between the grant recipient of record and the program participant.
(2) Participant agreements must be part of a therapeutic plan to increase self-determination and responsibility.
(3) Participant agreements must include a clause that allows program participants the ability to break the lease or program agreement without penalty for medical or clinical necessity.
(4) Participant agreements may not be used to exclude homeless veterans with little or no income from the program.
(5) Participant agreements and conditions must be fully disclosed to potential participants and acknowledged in writing by both parties.

A participant may be assigned a pro rata portion based on the ratio derived by dividing the number of bedrooms in their private space by the number of bedrooms in the unit. Participation in shared housing arrangements must be voluntary.

(6) Rental assistance payments cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State, or local housing subsidy program.

(7) Grantees may require participants to share in the cost of rent as a condition of receiving rental assistance.

(1) A participant may receive payments for utilities for a maximum of 4 months during a 3-year period, such period beginning on the date that the grantee first pays utility fees on behalf of the participant; provided, however, that a participant cannot receive payments for utilities for more than 2 months in any 12-month period beginning on the date that the grantee pays a security deposit on behalf of a participant.

Payments for utilities only will be available if a participant, a legal representative of the participant, or a member of his/her household, has an account in his/her name with a utility company or proof of responsibility to make utility payments, such as cancelled checks or receipts in his/her name from a utility company.

(3) As a condition of providing payments for utilities, the grantee must help the participant develop a reasonable plan to address the participant’s future ability to pay utility payments. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(4) Payments for utilities cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State, or local program.

(c) Deposits. Payment of security deposits or utility deposits to help the participant remain in permanent housing or obtain permanent housing.

(1) A participant may receive assistance with the payment of a security deposit a maximum of one time in every 3-year period, such period beginning on the date the grantee pays a security deposit on behalf of a participant.

The payment of such deposit must allow the participant to remain in the participant’s existing permanent housing or help the participant to obtain and remain in permanent housing selected by the participant.

(4) As a condition of providing a security deposit payment or a utility deposit payment, the grantee must help the participant develop a reasonable plan to address the participant’s future housing stability. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

§ 62.40 Notice of Fund Availability.

When funds are available for supportive services grants, VA will publish a Notice of Fund Availability in the FEDERAL REGISTER. The notice will identify:

(a) The location for obtaining supportive services grant applications;

(b) The date, time, and place for submitting completed supportive services grant applications;

(c) The estimated amount and type of supportive services grant funding available;

(d) Any priorities for or exclusions from funding to meet the statutory mandates of 38 U.S.C. 2044 and VA goals for the Supportive Services for Veteran Families Program;

(e) The length of term for the supportive services grant award;

(f) The minimum number of total points and points per category that an applicant or grantee, as applicable, must receive in order for a supportive services grant to be funded;

(g) Any maximum uses of supportive services grant funds for specific supportive services;

(h) The timeframes and manner for payments under the supportive services grant; and
§ 62.50 Supportive services grant agreements.

(a) After an applicant is selected for a supportive services grant in accordance with § 62.23, VA will draft a supportive services grant agreement to be executed by VA and the applicant. Upon execution of the supportive services grant agreement, VA will obligate supportive services grant funds to cover the amount of the approved supportive services grant, subject to the availability of funding. The supportive services grant agreement will provide that the grantee agrees, and will ensure that each subcontractor agrees, to:

(1) Operate the program in accordance with the provisions of this part and the applicant’s supportive services grant application;

(2) Comply with such other terms and conditions, including recordkeeping and evaluation purposes, as VA may establish for purposes of carrying out the Supportive Services for Veteran Families Program, in an effective and efficient manner; and

(3) Provide such additional information as deemed appropriate by VA.

(b) After a grantee is selected for renewal of a supportive services grant in accordance with § 62.25, VA will draft a supportive services grant agreement to be executed by VA and the grantee. Upon execution of the supportive services grant agreement, VA will obligate supportive services grant funds to cover the amount of the approved supportive services grant, subject to the availability of funding. The supportive services grant agreement will contain the same provisions described in paragraph (a) of this section.

(1) VA's approval of changes is contingent upon the grantee’s amended application retaining a high enough rank to have been competitively selected for funding in the year that the application was granted.

(2) Each supportive services grant modification request must contain a description of the revised proposed use of supportive services grant funds.

(b) VA may require that the grantee initiate, develop and submit to VA for approval a Corrective Action Plan (CAP) if, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee’s program description provided in the supportive services grant agreement.

(1) The CAP must identify the expenditure or activity source that has caused the deviation, describe the reason(s) for the variance, provide specific

§ 62.60 Program or budget changes and corrective action plans.

(a) A grantee must submit to VA a written request to modify a supportive services grant for any proposed significant change that will alter the supportive services grant program. If VA approves such change, VA will issue a written amendment to the supportive services grant agreement. A grantee must receive VA’s approval prior to implementing a significant change. Significant changes include, but are not limited to, a change in the grantee or any subcontractors identified in the supportive services grant agreement; a change in the area or community served by the grantee; additions or deletions of supportive services provided by the grantee; a change in category of participants to be served; and a change in budget line items that are more than 10 percent of the total supportive services grant award.

(1) VA’s approval of changes is contingent upon the grantee’s amended application retaining a high enough rank to have been competitively selected for funding in the year that the application was granted.

(2) Each supportive services grant modification request must contain a description of the revised proposed use of supportive services grant funds.

(b) VA may require that the grantee initiate, develop and submit to VA for approval a Corrective Action Plan (CAP) if, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee’s program description provided in the supportive services grant agreement.

(1) The CAP must identify the expenditure or activity source that has caused the deviation, describe the reason(s) for the variance, provide specific
§ 62.61 Procedural error.

If an applicant would have been selected but for a procedural error committed by VA, VA may select that applicant for funding when sufficient funds become available if there is no material change in the information that would have resulted in the applicant’s selection. A new application will not be required for this purpose.

§ 62.62 Religious organizations.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Supportive Services for Veteran Families Program under this part. In the selection of applicants, the Federal government will not discriminate for or against an organization on the basis of the organization’s religious character or affiliation.

(b)(1) No organization may use direct financial assistance from VA under this part to pay for any of the following:

(i) Inherently religious activities, such as religious worship, instruction, or proselytization; or

(ii) Equipment or supplies to be used for any of those activities.

(2) For purposes of this section, “indirect financial assistance” means Federal assistance in which a service provider receives program funds through a voucher, certificate, agreement, or other form of disbursement, as a result of the independent and private choices of individual beneficiaries. “Direct financial assistance” means Federal aid in the form of a grant, contract, or cooperative agreement where the independent choices of individual beneficiaries do not determine which organizations receive program funds.

(c) Organizations that engage in inherently religious activities, such as worship, religious instruction, or proselytization, must offer those services separately in time or location from any programs or services funded with direct financial assistance from VA under this part, and participation in any of the organization’s inherently religious activities must be voluntary for the beneficiaries of a program or service funded by direct financial assistance from VA under this part.

(d) A religious organization that participates in the Supportive Services for Veteran Families Program under this part will retain its independence from Federal, State, or local governments and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct financial assistance from VA under this part to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide VA-funded services under this part, without removing religious art, icons, scripture, or other religious symbols. In addition, a VA-funded religious organization retains its authority over its internal government, and it may retain religious terms in its organization’s name, select its board members and otherwise govern itself on a religious basis, and include religious reference in its organization’s mission statement and other governing documents.

(e) An organization that participates in a VA program under this part must not, in providing direct program assistance, discriminate against a program beneficiary or a prospective program beneficiary regarding supportive services, financial assistance, or technical assistance, on the basis of religion or religious belief.
(f) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this provision applies to all of the commingled funds.

(g) To the extent otherwise permitted by Federal law, the restrictions on inherently religious activities set forth in this section do not apply where VA funds are provided to religious organizations through indirect assistance as a result of a genuine and independent private choice of a beneficiary, provided the religious organization may receive such funds as the result of a beneficiary’s genuine and independent choice if, for example, a beneficiary redeems a voucher, coupon, or certificate, allowing the beneficiary to direct where funds are to be paid, or a similar funding mechanism provided to that beneficiary and designed to give that beneficiary a choice among providers.

(Authority: 38 U.S.C. 501, 2044)

§ 62.70 Financial management and administrative costs.

(b) Grantees must use a financial management system that provides adequate fiscal control and accounting records and meets the requirements set forth in OMB Circular A–110, Subpart C, Section 21 (codified at 2 CFR 215.21) and 38 CFR 49.21.

(c) Payment up to the amount specified in the supportive services grant must be made only for allowable, allocable, and reasonable costs in conducting the work under the supportive services grant. The determination of allowable costs must be made in accordance with the applicable Federal Cost Principles set forth in OMB Circular A–122, Cost Principles for Non-Profit Organizations, codified at 2 CFR part 235.

(d) Grantees are subject to the Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and other Non-Profit Organizations, codified at 38 CFR part 49.

(e) Costs for administration by a grantee must not exceed 10 percent of the total amount of the supportive services grant. Administrative costs will consist of all direct and indirect costs associated with the management of the program. These costs will include the administrative costs, both direct and indirect, of subcontractors.

(Authority: 38 U.S.C. 501, 2044)
§ 62.71 Grantee reporting requirements.

(a) VA may require grantees to provide, in such form as may be prescribed, such reports or answers in writing to specific questions, surveys, or questionnaires as VA determines necessary to carry out the Supportive Services for Veteran Families Program.

(b) If, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee’s program description provided in the supportive services grant agreement, grantees must report the deviation to VA.

NOTE TO PARAGRAPH (b): For information on corrective action plans, which may be required in this circumstance, see § 62.60.

(c) At least once per year, or at the frequency set by VA, each grantee must submit to VA a report containing information relating to operational effectiveness, fiscal responsibility, supportive services grant agreement compliance, and legal and regulatory compliance, including a description of the use of supportive services grant funds, the number of participants assisted, the types of supportive services provided, and any other information that VA may request.

(d) Grantees must relate financial data to performance data and develop unit cost information whenever practical.

(e) All pages of the reports must cite the assigned supportive services grant number and be submitted in a timely manner.

(f) Grantees must provide VA with consent to post information from reports on the Internet and use such information in other ways deemed appropriate by VA. Grantees shall clearly mark information that is confidential to individual participants.

(Authority: 38 U.S.C. 501, 2044)

§ 62.72 Recordkeeping.

Grantees must ensure that records are maintained for at least a 3-year period to document compliance with this part. Grantees must produce such records at VA’s request.

(Authority: 38 U.S.C. 501, 2044)

§ 62.73 Technical assistance.

VA will provide technical assistance, as necessary, to eligible entities to meet the requirements of this part. Such technical assistance will be provided either directly by VA or through grants or contracts with appropriate public or non-profit private entities.

(Authority: 38 U.S.C. 501, 2044, 2064)

§ 62.80 Withholding, suspension, deobligation, termination, and recovery of funds by VA.

(a) Recovery of funds. VA will recover from the grantee any supportive services grant funds that are not used in accordance with the requirements of this part. VA will issue to the grantee a notice of intent to recover supportive services grant funds. The grantee will then have 30 days to submit documentation demonstrating why the supportive services grant funds should not be recovered. After review of all submitted documentation, VA will determine whether action will be taken to recover the supportive services grant funds.

(b) VA actions when grantee fails to comply. When a grantee fails to comply with the terms, conditions, or standards of the supportive services grant, VA may, on 7-days notice to the grantee, withhold further payment, suspend the supportive services grant, or prohibit the grantee from incurring additional obligations of supportive services grant funds, pending corrective action by the grantee or a decision to terminate in accordance with paragraph (c) of this section. VA will allow all necessary and proper costs that the grantee could not reasonably avoid during a period of suspension if such costs meet the provisions of the applicable Federal Cost Principles.

(c) Termination. Supportive services grants may be terminated in whole or in part only if paragraphs (c)(1), (2), or (3) of this section apply.

(1) By VA, if a grantee materially fails to comply with the terms and conditions of a supportive services grant award and this part.
(2) By VA with the consent of the grantee, in which case VA and the grantee will agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the grantee upon sending to VA written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if VA determines in the case of partial termination that the reduced or modified portion of the supportive services grant will not accomplish the purposes for which the supportive services grant was made, VA may terminate the supportive services grant in its entirety under either paragraphs (c)(1) or (2) of this section.

(d) Deobligation of funds. (1) VA may deobligate all or a portion of the amounts approved for use by a grantee if:

(i) The activity for which funding was approved is not provided in accordance with the approved application and the requirements of this part;

(ii) Such amounts have not been expended within a 1-year period from the date of the signing of the supportive services grant agreement;

(iii) Other circumstances set forth in the supportive services grant agreement authorize or require deobligation.

(2) At its discretion, VA may re-advertise in a Notice of Fund Availability the availability of funds that have been deobligated under this section or award deobligated funds to applicants who previously submitted applications in response to the most recently published Notice of Fund Availability.

(iii) Impacts the veteran’s ability for self-care and/or management of financial affairs as determined by a VA case worker (i.e., a clinician, social worker, or addiction specialist).

(b) Priority veterans. In allocating HCHV program resources, VA will give priority to veterans, in the following order, who:

(1) Are new to the VA health care system as a result of VA outreach efforts, and to those referred to VA by community agencies that primarily serve the homeless population, such as shelters, homeless day centers, and soup kitchens.

(2) Have service-connected disabilities.

(c) VA will refer a veteran to a non-VA community-based provider after VA determines the veteran’s eligibility and priority.

§ 63.10 Selection of non-VA community-based providers.

(a) Who can apply. VA may award per diem contracts to non-VA community-based providers who provide temporary residential assistance for homeless persons with serious mental illness, and/or substance use disorders, and who can provide the specific services and meet the standards identified in §63.15 and elsewhere in this part.

(b) Awarding contracts. Contracts for services authorized under this section will be awarded in accordance with applicable VA and Federal procurement procedures in 48 CFR chapters 1 and 8. Such contracts will be awarded only after the quality, effectiveness and safety of the applicant’s program and facilities have been ascertained to VA’s satisfaction, and then only to applicants determined by VA to meet the requirements of this part.

(c) Per diem rates and duration of contract periods. (1) Per diem rates are to be negotiated as a contract term between VA and the non-VA community-based provider; however, the negotiated rate must be based on local community needs, standards, and practices.

(2) Contracts with non-VA community-based providers will establish the length of time for which VA may pay per diem based on an individual veteran; however, VA will not authorize the payment of per diem for an individual veteran for a period of more than 6 months absent extraordinary circumstances.

(Authority: 38 U.S.C. 501, 2031)

§ 63.15 Duties of, and standards applicable to, non-VA community-based providers.

A non-VA community-based provider must meet all of the standards and provide the appropriate services identified in this section, as well as any additional requirements set forth in a specific contract.

(a) Facility safety requirements. The facility must meet all applicable safety
requirements set forth in 38 CFR 17.81(a).

(b) Treatment plans and therapeutic/rehabilitative services. Individualized treatment plans are to be developed through a joint effort of the veteran, non-VA community-based provider staff and VA clinical staff. Therapeutic and rehabilitative services must be provided by the non-VA community-based provider as described in the treatment plan. In some cases, VA may complement the non-VA community-based provider’s program with added treatment services such as participation in VA outpatient programs. Services provided by the non-VA community-based provider generally should include, as appropriate:

1. Structured group activities such as group therapy, social skills training, self-help group meetings or peer counseling.
2. Professional counseling, including counseling on self care skills, adaptive coping skills and, as appropriate, vocational rehabilitation counseling, in collaboration with VA programs and community resources.

(c) Quality of life, room and board. (1) The non-VA community-based provider must provide residential room and board in an environment that promotes a lifestyle free of substance abuse.

2. The environment must be conducive to social interaction, supportive of recovery models and the fullest development of the resident’s rehabilitative potential.

3. Residents must be assisted in maintaining an acceptable level of personal hygiene and grooming.

4. Residential programs must provide laundry facilities.

5. VA will give preference to facilities located close to public transportation and/or areas that provide employment.

6. The program must promote community interaction, as demonstrated by the nature of scheduled activities or by information about resident involvement with community activities, volunteers, and local consumer services.

7. Adequate meals must be provided in a setting that encourages social interaction; nutritious snacks between meals and before bedtime must be available.

(d) Staffing. The non-VA community-based provider must employ sufficient professional staff and other personnel to carry out the policies and procedures of the program. There will be at a minimum, an employee on duty on the premises, or residing at the program and available for emergencies, 24 hours a day, 7 days a week. Staff interaction with residents should convey an attitude of genuine concern and caring.

(e) Inspections. (1) VA must be permitted to conduct an initial inspection prior to the award of the contract and follow-up inspections of the non-VA community-based provider’s facility and records. At inspections, the non-VA community-based provider must make available the documentation described in paragraph (e)(3) of this section.

2. If problems are identified as a result of an inspection, VA will establish a plan of correction and schedule a follow-up inspection to ensure that the problems are corrected. Contracts will not be awarded or renewed until noted deficiencies have been eliminated to the satisfaction of the inspector.

3. Non-VA community-based providers must keep sufficient documentation to support a finding that they comply with this section, including accurate records of participants’ lengths of stay, and these records must be made available at all VA inspections.

4. Inspections under this section may be conducted without prior notice.

(f) Rights of veteran participants. The non-VA community-based provider must comply with all applicable patients’ rights provisions set forth in 38 CFR 17.33.

(g) Services and supplies. VA per diem payments under this part will include the services specified in the contract and any other services or supplies normally provided without extra charge to other participants in the non-VA community-based provider’s program.

(5) Organizational finances (maximum 10 points). Applicant provides documentation that it is financially stable, has not defaulted on financial obligations, has adequate financial and operational controls in place to assure the proper use of RVCP grants, and presents a plan for using RVCP grants that is cost effective and efficient.

(6) Pilot project location (maximum 20 points). Applicant documents how the proposed project location meets the definition of rural or underserved communities in this part.

(b) Selection of grantees. All complete applications will be scored using the criteria in paragraph (a) and ranked in order from highest to lowest total score. VA will rank all applications that receive at least the minimum number of points indicated in the NOFA. VA will award one RVCP grant to the highest scoring application. VA will award RVCP grants to each successive application, ranked by total score, provided the applicant has not been awarded an RVCP grant for a higher scoring application and the proposed project is not in the same project location as any previously awarded RVCP grant.

(Authority: 38 U.S.C. 501, 523 note)

§64.14 RVCP grant agreement.

(a) VA will draft an RVCP grant agreement to be executed by VA and the grantee.

(b) The RVCP grant agreement will provide that the grantee agrees to:

(1) Operate the project in accordance with this part and the terms of the agreement;

(2) Abide by the following additional requirements:

(i) Community-based organizations are subject to the Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations under 38 CFR part 49, as well as to OMB Circular A-122, Cost Principles for Non-Profit Organizations, codified at 2 CFR part 230, and 2 CFR parts 25 and 170, if applicable.

(ii) Local and State government entities are subject to the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments under 38 CFR part 43, as well as to OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, and 2 CFR parts 25 and 170, if applicable.

(3) Comply with such other terms and conditions, including recordkeeping and reports for project monitoring and evaluation purposes, as VA may establish for purposes of carrying out the RVCP in an effective and efficient manner and as described in the NOFA; and

(4) Provide any necessary additional information that is requested by VA in the manner and timeframe specified by VA.

(Authority: 38 U.S.C. 501, 523 note)

§64.16 Reporting.

(a) Quarterly reports. All grantees must submit to VA quarterly reports based on the Federal fiscal year, which include the following information:

(1) Record of time and resources expended in outreach activities, and the methods used;
§ 64.18 Recovery of funds.

(a) Recovery of funds. VA may terminate a grant agreement with any RVCP grantee that does not comply with the terms of the RVCP agreement. VA may recover from the grantee any funds that are not used in accordance with a RVCP grant agreement. If VA decides to recover funds, VA will issue to the grantee a notice of intent to recover RVCP grant funds, and the grantee will then have 30 days beginning from the date of the notice to submit documentation demonstrating why the RVCP grant funds should not be recovered. If the RVCP grantee does not respond or if the grantee responds but VA determines the documentation is insufficient to establish compliance, VA will make a final determination as to whether action to recover the RVCP grant funds will be taken.

(b) Prohibition of further grants. When VA determines action will be taken to recover grant funds from a grantee, the grantee will be prohibited from receiving any further RVCP grant funds for the duration of the pilot program.

§ 70.1 Purpose and scope.

(a) This part provides a mechanism under 38 U.S.C. 111 for the Veterans Health Administration (VHA) to make payments for travel expenses incurred in the United States to help veterans and other persons obtain care or services from VHA.

(b) This part does not cover payment for emergency transportation of veterans for non-service-connected conditions in non-VA facilities when the payment for transportation is covered by §§ 17.1000 through 17.1008 of this chapter, as authorized by 38 U.S.C. 1725.

§ 70.2 Definitions.

For purposes of this part:

Attendant means an individual traveling with a beneficiary who is eligible for beneficiary travel and requires the aid and/or physical assistance of another person.

Beneficiary means a person determined eligible for VHA benefits.

Claimant means a veteran who received services (or his/her guardian) or the hospital, clinic, or community resource that provided the services, or the person other than the veteran who paid for the services.

Clinician means a Physician, Physician Assistant (PA), Nurse Practitioner (NP), Psychologist, or other independent licensed practitioner.

Emergency treatment means treatment for a condition of such a nature that a prudent layperson would have reasonably expected that delay in seeking immediate medical attention would have been hazardous to life or health (this standard would be met if there were an
emergency medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in placing the health of the individual in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part).

Irregular discharge means the release of a competent patient from a VA or VA-authorized hospital, nursing home, or domiciliary care due to: refusal, neglect or obstruction of examination or treatment; leaving without the approval of the treating health care clinician; or disorderly conduct and discharge is the appropriate disciplinary action.

Special mode of transportation means an ambulance, ambulette, air ambulance, wheelchair van, or other mode of transportation specially designed to transport disabled persons (this would not include a mode of transportation not specifically designed to transport disabled persons, such as a bus, subway, taxi, train, or airplane). A modified, privately-owned vehicle, with special adaptive equipment and/or capable of transporting disabled persons is not a special mode of transportation for the purposes of this part.

United States means each of the several States, Territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

VA means the Department of Veterans Affairs.

VA-authorized health care facility means a non-VA health care facility where VA has approved care for an eligible beneficiary at VA expense.

VA facility means VA Medical Center (VAMC), VA Outpatient Clinic (OPC), or VA Community Based Outpatient Clinic (CBOC).

VHA means the Veterans Health Administration, a principal unit within VA.

§ 70.4 Criteria for approval.

(a) VA will approve payment for beneficiary travel under this part if:

(1) The travel was made to obtain care or services for a person who is eligible for beneficiary travel payments under § 70.10,

(2) The travel was in connection with care or services for which such person was eligible under the laws administered by VA,

(3) Application was made in accordance with § 70.20,

(4) All of the requirements of this part for payment are met, and

(5) Any failure to obtain the care or services was due to actions by officials of VA or persons acting on behalf of VA.

(b) When a claimant requests payment for beneficiary travel after the provision of care or services and the travel did not include a special mode of transportation, VA will approve round-trip payment under this part only if:

(1) The travel was in connection with care or services that were scheduled with VHA prior to arrival at the VHA-designated facility, or

(2) For emergency treatment.

(c) When a claimant requests payment for beneficiary travel for care or services that were not scheduled with VHA prior to arrival at the facility and were not emergency treatment and the travel did not include a special mode of transportation, VA will not approve round-trip payment under this part but will approve payment for the return trip if VHA actually provided care or services.

(d) Except as provided in § 70.32 concerning reimbursement or prior payment, when payment for beneficiary
travel is requested for travel that includes a special mode of transportation, VA will approve payment under this part if:
(1) The travel is medically required,
(2) The beneficiary is unable to defray the cost of such transportation, and
(3) VHA approved the travel prior to travel in the special mode of transportation or the travel was undertaken in connection with a medical emergency.

§ 70.10 Eligible persons.
(a) The following listed persons are eligible for beneficiary travel payments under this part:
(1) A veteran who travels to or from a VA facility or VA-authorized health care facility in connection with treatment or care for a service-connected disability (regardless of percent of disability).
(2) A veteran with a service-connected disability rated at 30 percent or more who travels to or from a VA facility or VA-authorized health care facility for examination, treatment, or care for any condition.
(3) A veteran who travels to a VA facility or VA-authorized health care facility for a scheduled compensation and pension examination.
(4) A veteran receiving pension under 38 U.S.C. 1521, who travels to or from a VA facility or VA-authorized health care facility for examination, treatment, or care.
(5) A veteran whose annual income (as determined under 38 U.S.C. 1503) does not exceed the maximum annual rate of pension that the veteran would receive under 38 U.S.C. 1521 (as adjusted under 38 U.S.C. 5312) if the veteran was eligible for pension and travels to or from a VA facility or VA-authorized health care facility for examination, treatment, or care.
(6) A veteran who travels to or from a VA facility or VA-authorized health care facility for examination, treatment, or care, and who is unable to defray the expenses of that travel as defined in paragraph (c) of this section.
(7) A member of a veteran’s immediate family, a VA-authorized health care facility, or a person in whose household the veteran certifies an intention to live, if such person is traveling for consultation, professional counseling, training, or mental health services concerning a veteran who is receiving care for a service-connected disability; or a member of a veteran’s immediate family, if such person is traveling for bereavement counseling relating to the death of such veteran in the active military, naval, or air service in the line of duty and under circumstances not due to the veteran’s own misconduct.
(8) An attendant other than a VA employee, who is accompanying and assisting a beneficiary eligible for beneficiary travel payments under this section, when such beneficiary is medically determined to require the presence of the attendant because of a physical or mental condition.
(9) Beneficiaries of other Federal agencies, incident to medical services rendered upon requests of those agencies, subject to reimbursement agreement by those agencies.
(10) Allied beneficiaries as defined by 38 U.S.C. 109 subject to reimbursement agreement by the government concerned.
(b) For purposes of this section, the term “examination, treatment, or care” means the care or services provided under the Medical Benefits Package in §17.38 of this chapter.
(c) For purposes of this section, a beneficiary shall be considered unable to defray the expenses of travel if the beneficiary:
(1) Has an income for the year (as defined under 38 U.S.C. 1503) immediately preceding the application for beneficiary travel that does not exceed the maximum annual rate of pension that the beneficiary would receive under 38 U.S.C. 1521 (as adjusted under 38 U.S.C. 5312) if the beneficiary were eligible for pension during that year; or
(2) Is able to demonstrate that due to circumstances such as loss of employment, or incurrence of a disability, his or her income in the year of travel will not exceed the maximum annual rate of pension that the beneficiary would receive under 38 U.S.C. 1521 (as adjusted under 38 U.S.C. 5312) if the beneficiary were eligible for pension; or
(3) Has a service-connected disability rated at least 30 percent; or
(4) Is traveling in connection with treatment of a service-connected disability.

[73 FR 36798, June 30, 2008, as amended at 73 FR 50723, Aug. 28, 2008]

§ 70.20 Application.

(a) A claimant may apply for beneficiary travel orally or in writing but must provide VA the receipt for each expense other than for mileage.

(b) A claimant must apply for payment of beneficiary travel within 30 calendar days after completing beneficiary travel that does not include a special mode of transportation.

(c) For beneficiary travel that includes a special mode of transportation, a claimant must apply for payment of beneficiary travel and obtain approval from VA prior to the travel; however, if the travel included a special mode of transportation and the claimant without prior approval applies for payment of the beneficiary travel within 30 calendar days after the travel is completed, the application will be considered timely submitted if the travel was for emergency treatment.

(d) Notwithstanding other provisions of this section, for travel that includes meals and/or lodging, a claimant must apply for and receive approval prior to obtaining the meals and/or lodging in order to receive payment in accordance with § 70.30(a)(3) for the meals and/or lodging.

(e) If VA determines that additional information is needed to make a determination concerning an application under this part, VA will notify the claimant in writing of the deficiency and request additional information. If the claimant has not responded to the request within 30 days, VA may decide the claim prior to the expiration of the 1-year submission period required by 38 U.S.C. 5103(b)(1) based on all the information contained in the file, including any information it has obtained on behalf of the claimant. If VA does so, however, and the claimant subsequently provides the information within 1 year of the date of the request, VA must readjudicate the claim.

(f) Notwithstanding other provisions of this section, if a person becomes eligible for payment of beneficiary travel after the travel takes place, payment may be made if the person applies for travel benefits within 30 days of the date when the person became eligible for travel benefits.

(g) The date of an application for beneficiary travel is the postmark date, if mailed; or the date of submission if hand delivered, provided by electronic means, or provided orally.

(The Office of Management and Budget has approved the information collection provisions in this section under control number 2900–0080)

§ 70.21 Where to apply.

Claimants for beneficiary travel must submit the information required in § 70.20 to the Chief of the Business Office or other designee at the VA medical facility responsible for the medical care or services being provided and for which travel is required.

§ 70.30 Payment principles.

(a) Subject to the other provisions of this section and subject to the deductibles required under § 70.31, VA will pay the following for beneficiary travel by an eligible beneficiary when travel expenses are actually incurred:

(i) The per mile rate established by the Secretary for the period of travel for use of privately owned vehicle or the actual cost for use of the most economical common carrier (bus, train, taxi, airplane, etc.), for travel to and from VA or VA-authorized health care subject to the following:

(ii) Travel by a privately owned vehicle for a compensation and pension examination that is solely for the convenience of the Government (e.g., repeat a laboratory test, redo a poor quality x-ray) may have a different per mile rate if deemed appropriate by the Secretary.

(ii) Per mile payment for use of privately owned vehicle may not exceed
§ 70.30
38 CFR Ch. I (7–1–14 Edition)

the cost of such travel by public transportation (even if it is for the convenience of the government) unless determined to be medically necessary.

(iii) Payment for a common carrier may not exceed the amount allowed for a privately owned vehicle unless travel by a privately owned vehicle is not reasonably accessible or travel by a common carrier is determined to be medically necessary.

(iv) As required by law, each time the Federal government makes a change in mileage rates payable under 5 U.S.C. 5702 and 5704 for Federal employee travel by privately owned vehicle, but not less frequently than annually, the Secretary shall conduct an investigation of the actual costs of travel, including lodging and subsistence. In conducting the investigation, the Secretary shall consult with the Administrator of the General Services Administration, the Secretary of Transportation, the Comptroller General of the United States, and veterans’ service organizations. As part of the investigation, the Secretary shall review and consider various factors including vehicle depreciation, State and Federal vehicle taxes and the costs of gasoline, oil, maintenance, accessories, parts, tires, and insurance. However, to the extent that the Administrator of General Services has, within a reasonable period of time, conducted an investigation of travel costs that included the factors described in this paragraph, the Secretary may consider that investigation in lieu of conducting a separate investigation with respect to the findings of those individual factors. The Secretary is not obligated to accept or rely on any conclusions of the Administrator’s investigation. Based on the investigation required by this subsection, VA shall determine whether there is a need to change the mileage rates payable under paragraph (a) of this section. If a determination is made that a change is warranted the new rate(s) will be published in the notices section of the Federal Register. Current rate(s) can be found at http://www.va.gov/healtheligibility/Library/pubs/BeneficiaryTravel/BeneficiaryTravel.pdf or by contacting the Beneficiary Travel office at the closest VA health care facility.

(2) The actual cost of ferry fares, bridge tolls, road tolls, and tunnel tolls (supported by receipts for such expenses as required by §70.20(a)).

(3) The actual cost for meals, lodging, or both, not to exceed 50 percent of the amount allowed for government employees under 5 U.S.C. 5702, when VA determines that an overnight stay is required. Factors VA may consider in making that determination include, but are not limited to the following:

(i) The distance the veteran must travel.

(ii) The time of day when VA scheduled the veteran’s appointment.

(iii) The weather conditions or congestion conditions affecting the travel.

(iv) The veteran’s medical condition and its impact on the ability to travel.

(4) The actual cost of a special mode of transportation.

(b) Payments under this section are subject to the following:

(1) Except as otherwise allowed under this section, payment is limited to travel from the beneficiary’s residence to the nearest VA facility where the care or services could be provided and from such VA facility to the beneficiary’s residence.

(2) Payment may be made for travel from the beneficiary’s residence to the nearest non-VA facility where the care or services could be provided and from such facility to the beneficiary’s residence if VA determines that it is necessary to obtain the care or services at a non-VA facility.

(3) Payment may be made for travel from or to a place where the beneficiary is staying (if the beneficiary is not staying at the beneficiary’s residence) but the payment may not exceed the amount that would be payable for travel under paragraph (b)(1) or (b)(2) of this section, as applicable.

(4) If the beneficiary’s residence changed while receiving care or services, payment for the return trip will be for travel to the new residence, except that payment may not exceed the amount that would be allowed from the facility where the care or services could have been provided that is nearest to the new residence (for example, if during a period of care or services in Baltimore, a beneficiary changed his or her address from Baltimore to Detroit,
payment for the return trip would be limited to that allowed for traveling to the new residence from the nearest facility to the new residence in Detroit where the care or services could have been provided.

(5) If the beneficiary is in a terminal condition at a VA facility or other facility under VA auspices and travels to a non-VA medical facility for the purpose of being nearer to his or her residence, payment may be made for travel to the medical facility receiving the beneficiary for such purpose.

(6) Payment may be made for travel from a non-VA health care facility where the beneficiary is receiving care or services to the nearest VA facility where the appropriate care or services could be provided.

(7) Payment will not be made for return travel for a beneficiary receiving an irregular discharge.

(8) On a case-by-case basis, payment for travel may be paid for any distance if it is financially favorable to the government (for example, payment for travel could be allowed to a more distant nursing home when admission to that nursing home is a prerequisite to qualify for community assistance that would more than offset the additional travel payment).

(c) Payment for travel of an attendant under this section will be calculated on the same basis as for the beneficiary.

(d) For shared travel in a privately-owned vehicle, payments are limited to the amount for one beneficiary (for example, if a beneficiary and an attendant travel in the same automobile or if two beneficiaries travel in the same automobile, the amount for mileage will be limited to the amount for one beneficiary).

(e) Beneficiary travel will not be paid under the following circumstances:

(1) The payment of the travel allowance would be counterproductive to the therapy being provided and such determination is recorded in the patient's medical records, and

(2) The chief of the service or a designee reviewed and approved the determination by signature in the patient's medical record.

§ 70.31 Deductibles.

(a) VA shall deduct an amount established by the Secretary for each one-way trip from the amount otherwise payable under this part for such one-way trip, except that:

(1) VA shall not deduct any amounts in a calendar month after the completion of six one-way trips for which deductions were made in such calendar month, and

(2) Whenever the Secretary adjusts the mileage rates as a result of the investigation described in §70.30(a)(1)(iv), the Secretary shall, effective on the date such mileage rate change should occur, adjust proportionally the deductible amount in effect at the time of the adjustment. If a determination is made that a change is warranted, the new deductible(s) will be published in the notice section of the FEDERAL REGISTER. Current deductible(s) can be found at http://www.va.gov/healtheligibility/Library/pubs/BeneficiaryTravel/BeneficiaryTravel.pdf or by contacting the Beneficiary Travel office at the closest VA health care facility.

(b) The provisions under this section for making deductions shall not apply to:

(1) Travel that includes travel by a special mode of transportation,

(2) Travel to a VA facility for a scheduled compensation and pension examination, and

(3) Travel by a non-veteran.

(c) VA shall waive the deductible under this section when it would cause the beneficiary severe financial hardship. For purposes of this section, severe financial hardship occurs if the beneficiary:

(1) Is in receipt of a VA pension;

(2) Has income for the year prior to the year in which application is made pursuant to §70.20 that does not exceed the household income threshold determined under 38 U.S.C. 1722(a) (the current income thresholds can be found at http://www.va.gov/healtheligibility/Library/pubs/VAIncomeThresholds/VAIncomeThresholds.pdf); or

(3) Has circumstances in the year the application is made pursuant to §70.20 that cause his or her projected income not to exceed the household income
§ 70.32 Reimbursement or prior payment.

(a) Payment will be made on a reimbursement basis after the travel has occurred, except that:

(1) Upon completion of examination, treatment, or care, payment may be made before the return travel has occurred, and

(2) In the case of travel by a person to or from a VA facility by special mode of transportation, VA may provide payment for beneficiary travel to the provider of the transportation before determining eligibility of such person for such payment if VA determines that the travel is for emergency treatment and the beneficiary or other person made a claim that the beneficiary is eligible for payment for the travel.

(b) Payment under this part will be made to the beneficiary, except that VA may make a beneficiary travel payment under this part to a person or organization other than the beneficiary upon satisfactory evidence that the person or organization actually provided or paid for the travel.

§ 70.40 Administrative procedures.

Upon denial of an initial claim for beneficiary travel, VA will provide the claimant written notice of the decision and advise the claimant of reconsideration and appeal rights. A claimant who disagrees with the initial decision denying the claim for beneficiary travel, in whole or in part, may obtain reconsideration under §17.133 of this chapter and may file an appeal to the Board of Veterans' Appeals under parts 19 and 20 of this chapter. An appeal may be made directly to the Board of Veterans' Appeals without requesting reconsideration.

§ 70.41 Recovery of payments.

Payments for beneficiary travel made to persons ineligible for such payment are subject to recapture under applicable law, including the provisions of §§1.900 through 1.953 of this chapter.

§ 70.42 False statements.

A person who makes a false statement for the purpose of obtaining payments for beneficiary travel may be prosecuted under applicable laws, including 18 U.S.C. 1001.

§ 70.50 Reduced fare requests.

Printed reduced-fare requests for use by eligible beneficiaries and their attendants when traveling at their own expense to or from any VA facility or VA-authorized facility for authorized VA health care are available from any VA medical facility. Beneficiaries may use these request forms to ask transportation providers, such as bus companies, for a reduced fare. Whether to grant a reduced fare is determined by the transportation provider.

§ 71.20 Eligible veterans and servicemembers.

A veteran or servicemember is eligible for a Primary or Secondary Family Caregiver under this part if she or he meets all of the following requirements:

(a) The individual is either:

(1) A veteran; or

(2) A member of the Armed Forces undergoing a medical discharge from the Armed Forces.

(b) The individual has a serious injury, including traumatic brain injury, psychological trauma, or other mental disorder, incurred or aggravated in the line of duty in the active military, naval, or air service on or after September 11, 2001.

(c) Such serious injury renders the individual in need of personal care services for a minimum of 6 continuous months (based on a clinical determination), based on any one of the following clinical criteria:

(1) An inability to perform an activity of daily living.

(2) A need for supervision or protection based on symptoms or residuals of neurological or other impairment or injury, including traumatic brain injury.

(3) Psychological trauma or a mental disorder that has been scored, by a licensed mental health professional, with Global Assessment of Functioning (GAF) test scores of 30 or less, continuously during the 90-day period immediately preceding the date on which VA initially received the caregiver application. VA will consider a GAF score to be “continuous” if there are at least two scores during the 90-day period (one that shows a GAF score of 30 or less at the beginning of the 90-day period and one that shows a GAF score of 30 or less at the end of the 90-day period) and there are no intervening GAF scores of more than 30.

(4) The veteran is service connected for a serious injury that was incurred or aggravated in the line of duty in the active military, naval, or air service on or after September 11, 2001, and has been rated 100 percent disabled for that serious injury, and has been awarded special monthly compensation that includes an aid and attendance allowance.

(f) The individual agrees to receive care at home after VA designates a Family Caregiver.

(g) The individual agrees to receive ongoing care from a primary care team.
§ 71.25 Approval and designation of Primary and Secondary Family Caregivers.

(a) Application requirement. (1) Individuals who wish to be considered for designation by VA as Primary or Secondary Family Caregivers must complete and sign a joint application, along with the veteran or servicemember. Individuals interested in serving as Family Caregivers must be identified as such on the joint application, and no more than three individuals may serve as Family Caregivers at one time for an eligible veteran, with no more than one serving as the Primary Family Caregiver.

(2) Upon receiving such application, VA will perform the clinical evaluations required by this section; determine whether the application should be granted; and, if so, whether each applicant should be designated as identified in the application.

(3) An application may be put on hold for no more than 90 days, from the date the application was received, for a veteran or servicemember seeking to qualify through a GAF test score of 30 or less but who does not have a “continuous” GAF score available.

(b) Eligibility to serve as Primary or Secondary Family Caregiver. In order to serve as a Primary or Secondary Family Caregiver, the applicant must meet all of the following requirements:

(1) Be at least 18 years of age.

(2) Be either:

(i) The eligible veteran’s spouse, son, daughter, parent, step-family member, or extended family member; or

(ii) Someone who lives with the eligible veteran full-time or will do so if designated as a Family Caregiver.

(3) There must be no determination by VA of abuse or neglect of the eligible veteran by the applicant.

(4) Meet the requirements of paragraph (c) of this section, and any other applicable requirements of this part.

(c) Assessment, education, and training of applicants. Before VA approves an applicant to serve as a Primary or Secondary Family Caregiver, the applicant must:

(1) Be initially assessed by a VA primary care team as being able to complete caregiver education and training. Such assessment will consider any relevant information specific to the needs of the eligible veteran, as well as:

(i) Whether the applicant can communicate and understand details of the treatment plan and any specific instructions related to the care of the eligible veteran (accommodation for language or hearing impairment will be made as appropriate); and

(ii) Whether the applicant will be capable of following without supervision a treatment plan listing the specific care needs of the eligible veteran.

(2) Complete caregiver training and demonstrate the ability to carry out the specific personal care services, core competencies, and other additional care requirements prescribed by the eligible veteran’s primary care team.

(d) Caregiver education and training. For the purposes of this section, caregiver training is a program of education and training designed by and provided through VA that consists of issues that are generally applicable to Family Caregivers, as well as issues specific to the needs of the eligible veteran. During this program of education and training, family members are eligible for beneficiary travel under 38 CFR part 70. Respite care will be provided during the period of initial caregiver instruction, preparation, and training if the participation would interfere with the provision of personal care services to the eligible veteran. Caregiver training will cover, at a minimum, education and training concerning the following core competencies:

(1) Medication management;

(2) Vital signs and pain control;

(3) Infection control;

(4) Nutrition;

(5) Functional activities;

(6) Activities of daily living;

(7) Communication and cognition skills;

(8) Behavior management skills;

(9) Skin care; and

(10) Caregiver self-care.

(e) Initial home-care assessment. No later than 10 business days after completion of Caregiver education and training, or should an eligible veteran
be hospitalized during this process, no later than 10 days from the date the eligible veteran returns home, a VA clinician or a clinical team will visit the eligible veteran’s home and assess the Caregiver’s completion of training and competence to provide personal care services at the eligible veteran’s home, to measure the eligible veteran’s well being.

(f) Approval and designation. If the eligible veteran and at least one applicant meet the requirements of this part, VA will approve the application and designate Primary and/or Secondary Family Caregivers, as appropriate. This approval and designation will be a clinical determination authorized by the eligible veteran’s primary care team. Approval and designation is conditioned on the eligible veteran and designated Family Caregivers remaining eligible for caregiver benefits under this part.

§ 71.30 General Caregivers.

(a) A General Caregiver is a person who:

(1) Is not a Primary or Secondary Family Caregiver; and

(2) Provides personal care services to a covered veteran under this section, even if the individual does not reside with the veteran.

(b) A covered veteran, for purposes of this section, is a veteran who is enrolled in the VA health care system and needs personal care services because the veteran either:

(1) Is unable to perform an activity of daily living; or

(2) Needs supervision or protection based on symptoms or residuals of neurological care or other impairment or injury.

(c) No application or clinical evaluation is required to obtain benefits as a General Caregiver. Veterans or General Caregivers may request any of the benefits listed in § 71.40(a) as needed, from the appropriate VA clinicians and staff at their local VA facilities.

(d) A veteran is not required to meet the eligibility requirements in § 71.20 to be considered a covered veteran.

(Authority: 38 U.S.C. 501, 1720G(b)(1), (2))

§ 71.40 Caregiver benefits.

(a) General Caregiver benefits. VA will provide to General Caregivers all of the benefits listed in paragraphs (a)(1) through (4) of this section.

(1) Continued instruction, preparation, training, and technical support. Caregivers will have access to each of the following services, which may be provided through:

(i) Online and in-person educational sessions.

(ii) Use of telehealth and other available technologies.

(iii) Teaching techniques, strategies, and skills for caring for the eligible or covered veteran.

(2) Information concerning the supportive services available to caregivers under paragraph (a) of this section and other public, private, and nonprofit agencies that offer support to caregivers.

(3) Counseling and other services, as described under § 71.50.

(4) Respite care to eligible and covered veterans in support of the caregiver that is medically and age appropriate for the eligible or covered veteran (including 24-hour per day in-home respite care).

(b) Secondary Family Caregiver benefits. VA will provide to Secondary Family Caregivers all of the benefits listed in paragraphs (b)(1) through (6) of this section.

(1) General Caregiver benefits described in paragraph (a) of this section, except that respite care under paragraph (a)(4) is limited to veterans enrolled in the VA health care system. Respite care may be provided during a Family Caregiver’s training, as described under § 71.29(d).

(2) The primary care team will maintain the eligible veteran’s treatment plan and collaborate with clinical staff making home visits to monitor the eligible veteran’s well-being, adequacy of care and supervision being provided. This monitoring will occur no less often than every 90 days, unless otherwise clinically indicated, and will include an evaluation of the overall health and well-being of the eligible veteran.
(3) Continuing instruction, preparation, and training to maintain or improve the personal care services provided to the eligible veteran.

(4) Ongoing technical support, consisting of information and assistance to address, in a timely manner, the routine, emergency, and specialized needs of the Caregiver in providing personal care services to the eligible veteran.

(5) Counseling, which for the purposes of paragraph (b) of this section includes individual and group therapy, individual counseling, and peer support groups. Counseling does not include the provision of medication, inpatient psychiatric care, or other medical procedures related to mental health treatment.

(6) Primary and Secondary Family Caregivers are to be considered eligible for beneficiary travel under 38 CFR part 70.

(c) Primary Family Caregiver benefits. VA will provide to Primary Family Caregivers all of the benefits listed in paragraphs (c)(1) through (4) of this section.

(1) Secondary Family Caregiver benefits, as listed under paragraph (b) of this section.

(2) Respite care includes 24-hour-per-day care of the eligible veteran commensurate with the care provided by the Family Caregiver to permit extended respite. Respite care will be available for at least 30 days per year and may exceed 30 days per year if clinically appropriate and if requested by the Primary Family Caregiver.

(3) Primary Family Caregivers are to be considered eligible for enrollment in the Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA), unless they are entitled to care or services under a health-plan contract (as defined in 38 U.S.C. 1725(f)).

(4) Primary Family Caregivers will receive a monthly stipend for each prior month’s participation as a Primary Family Caregiver. To determine the stipend amount, VA first will determine the eligible veteran’s level of dependency based on the degree to which the eligible veteran is in need of supervision or protection based on symptoms or residuals of neurological or other impairment or injury, as follows:

(i) VA will clinically rate the eligible veteran’s inability to perform each of the seven ADLs listed in the definition of that term in §71.15.

(ii) VA will clinically rate the eligible veteran’s need for supervision or protection based on symptoms or residuals of neurological or other impairment or injury using the seven impairments listed in the definition of that term in §71.15.

(iii) Clinical ratings under paragraphs (c)(4)(i) and (ii) of this section will be scored as follows: VA will assign a zero if the eligible veteran completes the task/activity without assistance; one if the eligible veteran requires minimal assistance (can complete 75 percent or more of the task without supervision or assistance); two if the eligible veteran requires moderate assistance (can complete 50 percent to 74 percent of the task without assistance); three if the eligible veteran requires maximal assistance (can complete 25 percent to 49 percent of the task without assistance); or four if the eligible veteran requires total assistance (can complete less than 25 percent of the task or is unable to do the task without assistance).

(iv) If the sum of all of the ratings assigned is:

(A) 21 or higher, then the eligible veteran is presumed to require 40 hours per week of Caregiver assistance.

(B) 13 to 20, then the eligible veteran is presumed to require 25 hours per week of Caregiver assistance.

(C) 1 to 12, then the eligible veteran is presumed to require 10 hours per week of Caregiver assistance.

(v) The monthly stipend payment will be calculated by multiplying the Bureau of Labor Statistics hourly wage for home health aides in the geographic area by the Consumer Price Index and then multiplying that total by the number of weekly hours of Caregiver assistance required under paragraph (c)(4)(iv) of this section. This product will then be multiplied by 4.35.

(vi) Stipend payments for the first month will be adjusted based on the number of days remaining in the
§ 71.45  Stipend payments will also be prorated where a Primary Family Caregiver’s status is revoked and/or a new Primary Family Caregiver is designated prior to the end of a month. See §71.45, Revocation.

(vii) Nothing in this section shall be construed to create an employment relationship between the Secretary and an individual in receipt of assistance or support under this part.

(d) Effective date and payment date of benefits—(1) Effective date. Caregiver benefits are effective as of the date that the signed joint application is received by VA or the date on which the eligible veteran begins receiving care at home, whichever is later. However, benefits will not be provided until the individual is designated as a Family Caregiver. Individuals who apply to be Family Caregivers must complete all necessary education, instruction, and training so that VA can complete the designation process no later than 30 days after the date that the joint application was submitted or, if the application has been placed on hold for a GAF assessment, 30 days after the hold has been lifted, or a new joint application will be required to serve as the date of application for payment purposes.

(2) Payment date. The stipend is paid monthly for personal care services that the Primary Family Caregiver provided in the prior month. Benefits due prior to such designation, based on the date of application, will be paid retroactive to the date that the joint application is received by VA or the date on which the eligible veteran begins receiving care at home, whichever is later.

§ 71.45  Revocation.

(a) Revocation by the Family Caregiver. The Family Caregiver may request a revocation of caregiver status in writing and provide the present or future date of revocation. All caregiver benefits will continue to be provided to the Family Caregiver until the date of revocation. VA will, if requested and applicable, assist the Family Caregiver in transitioning to alternative health care coverage and with mental health services.

(b) Revocation by the veteran, service-member, or surrogate. The veteran, service-member, or the eligible veteran’s surrogate may initiate revocation of a Primary or Secondary Family Caregiver.

(1) The revocation request must be in writing and must express an intent to remove the Family Caregiver.

(2) VA will notify the Family Caregiver verbally and in writing of the request for removal.

(3) VA will review the request for revocation and determine whether there is a possibility for remediation. This review will take no longer than 30 days. During such review, the veteran, servicemember, or surrogate may rescind the request for revocation. If VA suspects that the safety of the eligible veteran is at risk, then VA may suspend the caregiver’s responsibilities, and remove the eligible veteran from the home if requested by the eligible veteran, prior to making a formal revocation.

(4) Caregiver benefits will continue for 30 days after the date of revocation, and VA will, if requested by the Family Caregiver, assist the individual with transitioning to alternative health care coverage and with mental health services, unless one of the following is true, in which case benefit will terminate immediately:

(i) VA determines that the Family Caregiver committed fraud or abuse or neglect of the eligible veteran.

(ii) If the revoked individual was the Primary Family Caregiver, and another Primary Family Caregiver is assigned within 30 days after the date of revocation.

(iii) If another individual is assigned to be a Family Caregiver within 30 days after the date of revocation, such that there are three Family Caregivers assigned to the eligible veteran.

(iv) The revoked individual had been living with the eligible veteran and moves out, or the revoked individual abandons or terminates his or her relationship with the eligible veteran.

(c) Revocation by VA. VA may immediately revoke the designation of a Family Caregiver if the eligible veteran or individual designated as a Family Caregiver no longer meets the requirements of this part, or if VA makes
the clinical determination that having the Family Caregiver is no longer in the best interest of the eligible veteran. VA will, if requested by the Family Caregiver, assist him or her in transitioning to alternative health care coverage and with mental health services. If revocation is due to improvement in the eligible veteran’s condition, death, or permanent institutionalization, the Family Caregiver will continue to receive caregiver benefits for 90 days, unless any of the conditions described in paragraph (b)(4)(i) through (iv) of this section apply, in which case benefits will terminate immediately. In addition, bereavement counseling may be available under 38 U.S.C. 1783. If VA suspects that the safety of the eligible veteran is at risk, then VA may suspend the caregiver’s responsibilities, and remove the eligible veteran from the home if requested by the eligible veteran or take other appropriate action to ensure the welfare of the eligible veteran, prior to making a formal revocation.

(Authority: 38 U.S.C. 501, 1720G)

§ 71.50 Provision of certain counseling, training, and mental health services to certain family members of veterans.

(a) Benefits provided under this section. VA will provide consultation, professional counseling, marriage and family counseling, training, and mental health services to a family member when necessary in connection with the treatment of a disability for which the veteran is receiving treatment through VA. For the purposes of this section, provision of a benefit is “in connection with the treatment” of a veteran’s disability if, in the clinical judgment of a VA medical professional who is providing treatment to the veteran, the provision of the benefit to the family member would further the objectives of the veteran’s medical treatment plan. The listed benefits provided under this section are to be provided within the following guidelines:

(1) All benefits will consist of psychotherapy, counseling, training, or education; VA will not provide prescriptions or medications to family members. VA also will not provide inpatient services under this section.

(2) This section does not authorize the provision of clinical evaluation or treatment that is not necessary in connection with the veteran’s treatment or that involves treatment other than consultation, professional counseling, marriage and family counseling, training, and mental health services.

(3) Marriage and family counseling includes services to help the veteran address mental health issues, manage physical health problems, and strengthen environmental supports as specified in the veteran’s treatment plan. It also includes interventions to reduce the negative impact for the veteran of mental illnesses or other medical conditions in family members.

(b) Definition of family member. For the purpose of this section, which provides certain benefits and services to eligible family members, a family member is:

(1) A person related to the veteran by birth or marriage who lives with the veteran or has regular personal contact with the veteran;

(2) The veteran’s legal guardian or surrogate;

(3) A Primary or Secondary Family Caregiver or a General Caregiver; or

(4) The individual in whose household the veteran has certified an intention to live.

(c) Family members or caregivers who need treatment not related to the treatment of the veteran. Where a VA clinician believes that medical care or services are needed for a family member but cannot provide benefits under this section because such need is not necessary in connection with the treatment of the veteran, VA may refer such family member to an appropriate provider in the community, so that the family member may obtain care through other health coverage including care to which a Primary or Secondary Family Caregiver may be eligible under this part.

§ 74.1 What definitions are important for VetBiz Vendor Information Pages (VIP) Verification Program?

For the purposes of part 74, the following definitions apply.

Center for Veterans Enterprise (CVE) is an office within the U.S. Department of Veterans Affairs (VA) and is a subdivision of VA’s Office of Small and Disadvantaged Business Utilization. The CVE helps veterans interested in forming or expanding their own small businesses. It also helps VA contracting offices identify veteran-owned small businesses and works with the Small Business Administration’s Veterans Business Development Officers and Small Business Development Centers nationwide regarding veterans’ business financing, management, and technical assistance needs.

Days are calendar days. In computing any period of time described in part 74, the day from which the period begins to run is not counted, and when the last day of the period is a Saturday, Sunday, or Federal holiday, the period extends to the next day that is not a Saturday, Sunday, or Federal holiday. Similarly, in circumstances where CVE is closed for all or part of the last day, the period extends to the next day on which the agency is open.

Day-to-day management means supervising the executive team, formulating sound policies and setting strategic direction.

Day-to-day operations mean the marketing, production, sales, and administrative functions of the firm.

Eligible individual means a veteran, service-disabled veteran or surviving spouse, as defined in this section.

Immediate family member means father, mother, husband, wife, son, daughter, brother, sister, grandfather, grandmother, grandson, granddaughter, father-in-law, and mother-in-law.

Joint venture is an association of two or more small business concerns to engage in and carry out a single, specific business venture for joint profit, for which purpose they combine their efforts, property, money, skill, or knowledge, but not on a continuing or permanent basis for conducting business generally. For VA contracts, a joint venture must be in the form of a separate legal entity.

Negative control includes, but is not limited to, instances where a minority shareholder has the ability, under the concern’s chapter, by-laws, or shareholder’s agreement, to prevent a quorum or otherwise block action by the board of directors or shareholders.

Non-veteran means any individual who does not claim veteran status, or upon whose status an applicant or participant does not rely in qualifying for...
Office of Small and Disadvantaged Business Utilization is the office within the Department of Veterans Affairs that establishes and monitors small business program goals at the prime and subcontract levels and which functions as the ombudsman for veterans and service-disabled veterans seeking procurement opportunities with the Department.

Participant means a veteran-owned small business concern that has verified status in the VetBiz Vendor Information Pages database.

Principal place of business means the business location where the individuals who manage the concern's day-to-day operations spend most working hours and where top management's current business records are kept. If the office from which management is directed and where the current business records are kept are in different locations, CVE will determine the principal place of business for program purposes.

Same or similar line of business means business activities within the same three-digit "Major Group" of the NAICS Manual as the primary industry classification of the applicant or participant. The phrase "same business area" is synonymous with this definition.

Service-disabled veteran is a veteran who possesses either a disability rating letter issued by the Department of Veterans Affairs, establishing a service-connected rating between 0 and 100 percent, or a disability determination from the Department of Defense.

Service-disabled veteran-owned small business concern is a business not less than 51 percent of which is owned by one or more service-disabled veterans, or in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more service-disabled veterans; the management and daily business operations of which are controlled by one or more service-disabled veterans, or in the case of a veteran with a permanent and severe disability, a spouse or permanent caregiver of such veteran. In addition, some businesses may be owned and operated by an eligible surviving spouse. Reservists or members of the National Guard disabled from a disease or injury incurred or aggravated in line of duty or while in training status also qualify.

Small business concern is—CVE applies the small business concern definition established by 48 CFR 2.101.

Surviving spouse is any individual identified as such by VA's Veterans Benefits Administration and listed in its database of veterans and family members. To be eligible for VetBiz VIP Verification, the following conditions must apply:

1. If the death of the veteran causes the small business concern to be less than 51 percent owned by one or more veterans, the surviving spouse of such veteran who acquires ownership rights in such small business shall, for the period described in paragraph (2) of this definition, be treated as if the surviving spouse were that veteran for the purpose of maintaining the status of the small business concern as a service-disabled veteran-owned small business.

2. The period referred to in paragraph (1) of this definition is the period beginning on the date on which the veteran dies and ending on the earliest of the following dates:

   (i) The date on which the surviving spouse remarries;
   (ii) The date on which the surviving spouse relinquishes an ownership interest in the small business concern;
   (iii) The date that is 10 years after the date of the veteran's death; or
   (iv) The date on which the business concern is no longer small under Federal small business size standards.

3. The veteran must have had a 100 percent service-connected disability or died as a direct result of a service-connected disability.
§ 74.2

NOTE TO DEFINITION OF SURVIVING SPOUSE:
For program eligibility purposes, the surviving spouse has the same rights and entitlements of the service-disabled veteran who transferred ownership upon his or her death.

Unconditional ownership means ownership that is not subject to conditions precedent, conditions subsequent, executory agreements, voting trusts, restrictions on or assignments of voting rights, or other arrangements causing or potentially causing ownership benefits to go to another (other than after death or incapacity). The pledge or encumbrance of stock or other ownership interest as collateral, including seller-financed transactions, does not affect the unconditional nature of ownership if the terms follow normal commercial practices and the owner retains control absent violations of the terms.

VA is the U.S. Department of Veterans Affairs.

Vendor Information Pages (VIP) is a database of businesses eligible to participate in VA’s Veteran-owned Small Business Program. The online database may be accessed at no charge via the Internet at http://www.VetBiz.gov.

Verification eligibility period is a 12-month period that begins on the date the Center for Veterans Enterprise issues the approval letter establishing verified status. The participant must submit a new application each year to continue eligibility.

Veteran is a person who served on active duty with the U.S. Army, Air Force, Navy, Marine Corps or Coast Guard, for any length of time and at any place and who was discharged or released under conditions other than dishonorable. Reservists or members of the National Guard called to Federal active duty or disabled from a disease or injury incurred or aggravated in line of duty or while in training status also qualify as a veteran.

Veteran-owned small business concern (VOSB) is a small business concern that is not less than 51 percent owned by one or more veterans, or in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; the management and daily business operations of which are controlled by one or more veterans and qualifies as “small” for Federal business size standard purposes. All service-disabled veteran-owned small business concerns (SDVOSBs) are also, by definition, veteran-owned small business concerns. When used in these guidelines, the term “VOSB” includes SDVOSBs.

Veterans Affairs Acquisition Regulation (VAAR) is the set of rules that specifically govern requirements exclusive to the U.S. Department of Veterans Affairs (VA) prime and subcontracting actions. The VAAR is chapter 8 of title 48, Code of Federal Regulations, and supplements the Federal Acquisition Regulation (FAR), which contains guidance applicable to most Federal agencies.

§ 74.2 What are the eligibility requirements a concern must meet for VetBiz VIP Verification Program?

(a) Ownership and control. A small business concern must be unconditionally owned and controlled by one or more eligible veterans, service-disabled veterans or surviving spouses, have completed the online Vendor Information Pages database forms at http://www.VetBiz.gov, and has been examined by VA’s Center for Veterans Enterprise. Such businesses appear in the VIP database as “verified.”

(b) Good character. Veterans, service-disabled veterans and surviving spouses with ownership interests in VetBiz verified businesses must have good character. Debarred or suspended concerns or concerns owned or controlled by debarred or suspended persons are ineligible for VetBiz VIP Verification.

(c) False statements. If, during the processing of an application, CVE determines that an applicant has knowingly submitted false information, regardless of whether correct information would cause CVE to deny the application, and regardless of whether correct information was given to CVE in accompanying documents, CVE will deny the application. If, after verifying the Participant’s eligibility, CVE discovers that false information has been knowingly submitted by a firm, CVE
Section 74.3 Who does the Center for Veterans Enterprise (CVE) consider to own a veteran-owned small business?

An applicant or participant must be at least 51 percent unconditionally and directly owned by one or more veterans or service-disabled veterans.

(a) Ownership must be direct. Ownership by one or more veterans or service-disabled veterans must be direct ownership. An applicant or participant owned principally by another business entity or by a trust (including employee stock ownership plans (ESOP)) that is in turn owned by one or more veterans or service-disabled veterans does not meet this requirement. However, ownership by a trust, such as a living trust, may be treated as the functional equivalent of ownership by a veteran or service-disabled veteran where the trust is revocable, and the veteran or service-disabled veteran is the grantor, a trustee, and the sole current beneficiary of the trust. For employee stock ownership plans where 5 or fewer persons who are individuals, estates, or trusts own 50 percent or more of the total combined voting power of the corporation, the employee plan will be determined to be “excluded stock” and eligible parties must control 51 percent or more of the combined voting power of the corporation. For employee stock ownership plans where greater than 5 persons who are individuals, estates, or trusts own 50 percent or more of the total stock, eligible parties must control 51 percent or more of the combined voting power of the corporation, including the ESOP stock.

(b) Ownership must be unconditional. Ownership by one or more veterans or service-disabled veterans must be unconditional ownership. Ownership must not be subject to conditions precedent, conditions subsequent, executory agreements, voting trusts, restrictions on assignments of voting rights, or other arrangements causing or potentially causing ownership benefits to go to another (other than after death or incapacity). The pledge or encumbrance of stock or other ownership interest as collateral, including seller-financed transactions, does not affect the unconditional nature of ownership if the terms follow normal commercial practices and the owner retains control absent violations of the terms. In particular, CVE will evaluate ownership according to the following criteria for specific types of small business concerns.

(1) Ownership of a partnership. In the case of a concern that is a partnership, at least 51 percent of every class of partnership interest must be unconditionally owned by one or more veterans or service-disabled veterans. The ownership must be reflected in the partnership agreement.

(2) Ownership of a limited liability company. In the case of a concern that is a limited liability company, at least 51 percent of each class of member interest must be unconditionally owned by one or more veterans or service-disabled veterans.

(3) Ownership of a corporation. In the case of a concern that is a corporation, at least 51 percent of each class of voting stock outstanding and 51 percent of
the aggregate of all stock outstanding must be unconditionally owned by one or more veterans or service-disabled veterans.

(c) Stock options’ effect on ownership. In determining unconditional ownership, CVE will disregard any unexercised stock options or similar agreements held by veterans or service-disabled veterans. However, any unexercised stock options or similar agreements (including rights to convert non-voting stock or debentures into voting stock) held by non-veterans will be treated as exercised, except for any ownership interests that are held by investment companies licensed under part 107 of title 13, Code of Federal Regulations.

(d) Profits and distributions. One or more veterans or service-disabled veterans must be entitled to receive:

(1) At least 51 percent of the annual distribution of profits paid to the owners of a corporate, partnership, or LLC applicant or participant;

(2) At least 51 percent of the net profits earned by a joint venture in which the applicant or participant is the lead concern;

(3) 100 percent of the value of each share of stock owned by them in the event that the stock is sold; and

(4) At least 51 percent of the retained earnings of the concern and 100 percent of the unencumbered value of each share of stock owned in the event of dissolution of the corporation, partnership, or LLC.

(5) An eligible individual’s ability to share in the profits of the concern should be commensurate with the extent of his/her ownership interest in that concern.

(e) Change of ownership. (1) A participant may remain eligible after a change in its ownership or business structure, so long as one or more veterans or service-disabled veterans own and control it after the change and the participant files a new application identifying the new veteran owners or their new business interest.

(2) Any participant that is performing contracts and desires to substitute one veteran owner for another shall submit a proposed novation agreement and supporting documentation in accordance with FAR Subpart 42.12 to the contracting officer prior to the substitution or change of ownership for approval.

(3) Where the transfer results from the death or incapacity due to a serious, long-term illness or injury of an eligible principal, prior approval is not required, but the concern must file a new application with contracting officer and CVE within 60 days of the change. Existing contracts may be performed to the end of the instant term. However, no options may be exercised.

(4) Continued eligibility of the participant with new ownership and the award of any new contracts require that CVE verify all eligibility requirements are met by the concern and the new owners.

(f) Community property laws given effect. In determining ownership interests when an owner resides in any of the community property States or territories of the United States, CVE considers applicable State community property laws. If only one spouse claims veteran status, that spouse’s ownership interest will be considered unconditionally held only to the extent it is vested by the community property laws.

§ 74.4 Who does CVE consider to control a veteran-owned small business?

(a) Control means both the day-to-day management and long-term decision-making authority for the VOSB. Many persons share control of a concern, including each of those occupying the following positions: Officer, director, general partner, managing partner, managing member and manager. In addition, key employees who possess expertise or responsibilities related to the concern’s primary economic activity may share significant control of the concern. CVE will consider the control potential of such key employees on a case-by-case basis.

(b) Control is not the same as ownership, although both may reside in the same person. CVE regards control as including both the strategic policy setting exercised by boards of directors and the day-to-day management and administration of business operations.
An applicant or participant’s management and daily business operations must be conducted by one or more veterans or service-disabled veterans. Individuals managing the concern must have managerial experience of the extent and complexity needed to run the concern. A veteran need not have the technical expertise or possess a required license to be found to control an applicant or participant if he or she can demonstrate that he or she has ultimate managerial and supervisory control over those who possess the required licenses or technical expertise. However, where a critical license is held by a non-veteran having an equity interest in the applicant or participant firm, the non-veteran may be found to control the firm.

(c)(1) An applicant or participant must be controlled by one or more veterans or service-disabled veterans who possess requisite management capabilities. Owners need not work full-time but must show sustained and significant time invested in the business. An owner engaged in employment or management outside the applicant concern must submit a written statement supplemental to the application which demonstrates that such activities will not have a significant impact on the owner’s ability to manage and control the applicant concern. Applications from joint-ventures are exempt from the requirement to submit a supplemental written statement.

(2) An eligible full-time manager must hold the highest officer position (usually President or Chief Executive Officer) in the applicant or participant.

(3) One or more veterans or service-disabled veteran owners who manage the applicant or participant must devote full-time to the business during the normal working hours of firms in the same or similar line of business. Work in a wholly-owned subsidiary of the applicant or participant may be considered to meet the requirement of full-time devotion. This applies only to a subsidiary owned by the VOSB itself, and not to firms in which the veteran has a mere ownership interest.

(4) Except as provided in paragraph (f)(1) of this section, a veteran owner’s unexercised right to cause a change in the management of the applicant concern does not in itself constitute veteran control, regardless of how quickly or easily the right could be exercised.

(d) In the case of a partnership, one or more veterans or service-disabled veterans must serve as general partners, with control over all partnership decisions. A partnership in which no veteran is a general partner will be ineligible for participation.

(e) In the case of a limited liability company, one or more veterans or service-disabled veterans must serve as management members, with control over all decisions of the limited liability company.

(f) One or more veterans or service-disabled veterans must control the board of directors of a corporate applicant or participant.

(1) CVE will deem veterans or service-disabled veterans to control the board of directors where:

(i) A single veteran owns 100 percent of all voting stock of an applicant or participant;

(ii) A single veteran owns at least 51 percent of all voting stock of an applicant or participant, the individual is on the board of directors and no supermajority voting requirements exist for shareholders to approve corporation actions. Where supermajority voting requirements are provided for in the concern’s articles of incorporation, its by-laws, or by State law, the veteran must own at least the percent of the voting stock needed to overcome any such supermajority voting requirements.

(2) Where an applicant or participant does not meet the requirements set forth in paragraph (f)(1) of this section, veteran shareholders can demonstrate that they have made enforceable arrangements to permit one of them to vote the stock of all as a block without a shareholder meeting. Where the concern has supermajority voting requirements, the veteran shareholders must own at least that percentage of voting stock needed to overcome any such supermajority ownership requirements.
forth in paragraph (f)(1) of this section, the veteran(s) upon whom eligibility is based must control the board of directors through actual numbers of voting directors or, where permitted by state law, through weighted voting (e.g., in a concern having a two-person board of directors where one individual on the board is a veteran and one is not, the veteran vote must be weighted—worth more than one vote—in order for the concern to be eligible for VetBiz VIP Verification). Where a concern seeks to comply with this paragraph:

(i) Provisions for the establishment of a quorum cannot permit non-veteran directors to control the board of directors, directly or indirectly;

(ii) Any executive committee of the board of directors must be controlled by veteran directors unless the executive committee can only make recommendations to and cannot independently exercise the authority of the board of directors.

(3) Non-voting, advisory, or honorary directors may be appointed without affecting veterans’ or service-disabled veterans’ control of the board of directors.

(4) Arrangements regarding the structure and voting rights of the board of directors must comply with applicable state law.

(g) Non-veterans may be involved in the management of an applicant or participant, and may be stockholders, partners, limited liability members, officers, or directors of the applicant or participant. With the exception of a spouse or personal caregiver who represents a severely disabled veteran owner, no such non-veteran or immediate family member may:

(1) Exercise actual control or have the power to control the applicant or participant;

(2) Be a former employer or a principal of a former employer of any affiliated business of the applicant or participant, unless it is determined by the CVE that the relationship between the former employer or principal and the eligible individual or applicant concern does not give the former employer actual control or the potential to control the applicant or participant and such relationship is in the best interests of the participant firm; or

(3) Receive compensation from the applicant or participant in any form as directors, officers or employees, including dividends, that exceeds the compensation to be received by the highest officer (usually chief executive officer or president). The highest ranking officer may elect to take a lower salary than a non-veteran only upon demonstrating that it helps the applicant or participant.

(h) Non-veterans who transfer majority stock ownership or control of the firm to an immediate family member within 2 years prior to the application and remain involved in the firm as a stockholder, officer, director, or key employee of the firm are presumed to control the firm. The presumption may be rebutted by showing that the transferee has independent management experience necessary to control the operation of the firm, and indeed is participating in the management of the firm.

(i) Non-veterans or entities may be found to control or have the power to control in any of the following circumstances, which are illustrative only and not all inclusive:

(1) Non-veterans control the board of directors of the applicant or participant, either directly through majority voting membership, or indirectly, where the by-laws allow non-veterans effectively to prevent a quorum or block actions proposed by the veterans or service-disabled veterans.

(2) A non-veteran or entity, having an equity interest in the applicant or participant, provides critical financial or bonding support or a critical license to the applicant or participant which directly or indirectly allows the non-veteran significantly to influence business decisions of the participant, unless an exception is authorized by the Office of Small and Disadvantaged Business Utilization.

(3) A non-veteran or entity controls the applicant or participant or an individual veteran owner through loan arrangements. Providing a loan guaranty on commercially reasonable terms does not, by itself, give a non-veteran or entity the power to control a firm.

(4) Business relationships exist with non-veterans or entities which cause such dependence that the applicant or
participant cannot exercise independent business judgment without great economic risk.

§ 74.5 How does CVE determine affiliation?
The Center for Veterans Enterprise applies the affiliation rules established by the Small Business Administration in 13 CFR part 121.

APPLICATION GUIDELINES

§ 74.10 Where must an application be filed?
An application for VetBiz VIP Verification status must be electronically filed in the Vendor Information Pages database located in the Center for Veterans Enterprise’s Web portal, http://www.VetBiz.gov. Guidelines and forms are located on the Web portal. Upon receipt of the applicant’s electronic submission, an acknowledgment message will be dispatched to the concern, containing estimated processing time and other information. Address information for the CVE is also contained on the Web portal. Correspondence may be dispatched to:

Director, Center for Veterans Enterprise
810 Vermont Avenue, NW., Washington, DC 20420.

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0675)

§ 74.11 How does CVE process applications for VetBiz VIP Verification Program?
(a) The Director, Center for Veterans Enterprise, is authorized to approve or deny applications for VetBiz VIP Verification. The CVE will receive, review and evaluate all VetBiz VIP Verification applications. CVE will advise each applicant within 30 days, when practicable, after the receipt of an application whether the application is complete and suitable for evaluation and, if not, what additional information or clarification is required to complete the application. CVE will process an application for VetBiz VIP Verification status within 60 days, when practicable, of receipt of a complete application package. Incomplete application packages will not be processed.

(b) CVE, in its sole discretion, may request clarification of information contained in the application at any time in the eligibility determination process. CVE will take into account any clarifications made by an applicant in response to a request for such by CVE.

(c) An applicant’s eligibility will be based on circumstances existing on the date of application, except where clarification is made pursuant to paragraph (b) of this section or as provided in paragraph (d) of this section.

(d) Changed circumstances for an applicant occurring subsequent to its application and which adversely affect eligibility will be considered and may constitute grounds for denial of the application. The applicant must inform CVE of any changed circumstances that could adversely affect its eligibility for the program (i.e., ownership or control changes) during its application review. Failure to inform CVE of any such changed circumstances constitutes good cause for which CVE may withdraw verified status for the participant if non-compliance is discovered after a participant has been verified.

(e) The decision of the Director, CVE, to approve or deny an application will be in writing. A decision to deny verification status will state the specific reasons for denial, and will inform the applicant of any appeal rights.

(f) If the Director, CVE, approves the application, the date of the approval letter is the date of participant verification for purposes of determining the participant’s verification eligibility term.

(g) The decision may be sent by mail, commercial carrier, facsimile transmission, or other electronic means.

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900–0675)

§ 74.12 What must a concern submit to apply for VetBiz VIP Verification Program?

Each VetBiz VIP Verification applicant must submit the electronic forms
§ 74.13 Can an applicant ask CVE to reconsider its initial decision to deny an application?

(a) An applicant may request that the Director, CVE, reconsider his or her decision to deny an application by filing a request for reconsideration with CVE within 30 days of receipt of CVE’s denial decision. “Filing” means a document is received by CVE by 5:30 p.m., eastern time, on that day. Documents may be filed by hand delivery, mail, commercial carrier, or facsimile transmission. Hand delivery and other means of delivery may not be practicable during certain periods due, for example, to security concerns or equipment failures. The filing party bears the risk that the delivery method chosen will not result in timely receipt at CVE. Submit requests for reconsideration to: Director, Center for Veterans Enterprise (00VE), U.S. Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420. A formal decision will be issued within 60 days after receipt.

(b) The Director, CVE, will issue a written decision within 60 days, when practicable, of receipt of the applicant’s request. The Director, CVE, may either approve the application, deny it on the same grounds as the original decision, or deny it on other grounds. If denied, the Director, CVE, will explain why the applicant is not eligible for the VetBiz VIP Verification and give specific reasons for the denial.

(c) If the Director, CVE, denies the application solely on issues not raised in the initial denial, the applicant may ask for reconsideration as if it were an initial denial.

(d) If CVE determines that a concern may not qualify as small, they may directly deny an application for VetBiz VIP Verification or may request a formal size determination from the U.S. Small Business Administration (SBA). A concern whose application is denied because it is other than a small business concern by CVE may request a formal size determination from the SBA Associate Administrator, Office of Government Contracting (ATTN: Director, Office of Size Standards), 409 3rd Street, SW., Washington, DC 20416. A favorable determination by SBA will enable the firm to immediately submit a new VetBiz VIP Verification.

(e) A denial decision that is based on the failure to meet any veteran or service-disabled veteran eligibility criteria is not subject to a request for reconsideration and is the final decision of CVE.

(f) Except as provided in paragraph (c) of this section, the decision on the request for reconsideration shall be final.

(g) The decision may be sent by mail, commercial carrier, facsimile transmission, or other electronic means.

§ 74.14 Can an applicant or participant reapply for admission to the VetBiz VIP Verification Program?

Once an application, a request for reconsideration, or an appeal to a cancellation notice, as applicable, has been denied, the applicant or participant shall be required to wait for a period of 6 months before a new application will be processed by CVE.
§ 74.15 What length of time may a business participate in VetBiz VIP Verification Program?

(a) A participant receives an eligibility term of 2 years from the date of CVE’s approval letter establishing verified status. The participant must maintain its eligibility during its tenure and must inform CVE of any changes that would adversely affect its eligibility. The eligibility term may be shortened by cancellation by CVE or voluntary withdrawal by the participant (i.e., no longer eligible as a small business concern), as provided for in this subpart.

(b) When at least 50 percent of the assets of a concern are the same as those of an affiliated business, the concern will not be eligible for verification.

(c) CVE may initiate a verification examination whenever it receives credible information calling into question a participant’s eligibility as a VOSB. Upon its completion of the examination, CVE will issue a written decision regarding the continued eligibility status of the questioned participant.

(d) If CVE finds that the participant does not qualify as a VOSB, the procedures at §74.22 will apply.

(e) If CVE finds that the participant continues to qualify as a VOSB, the program term remains in effect.

OVERSIGHT GUIDELINES

§ 74.20 What is a verification examination and what will CVE examine?

(a) General. A verification examination is an investigation by CVE officials, which verifies the accuracy of any statement or information provided as part of the VetBiz VIP Verification application process. Thus, examiners may verify that the concern currently meets the eligibility requirements, and that it met such requirements at the time of its application or its most recent size recertification. An examination may be conducted on a random, unannounced basis, or upon receipt of specific and credible information alleging that a participant no longer meets eligibility requirements.

(b) Scope of examination. CVE may conduct the examination, or parts of the program examination, at one or all of the participant’s offices. CVE will determine the location of the examination. Examiners may review any information related to the concern’s eligibility requirements including, but not limited to, documentation related to the legal structure, ownership and control of the concern. As a minimum, examiners shall review all documents supporting the application, as described in §74.12. These include: Financial statements; Federal personal and business tax returns; personal history statements; and Request for Copy or Transcript of Tax Form (IRS Form 4506) for up to 3 years. Other documents, which may be reviewed include (if applicable); Articles of Incorporation/Organization; corporate by-laws or operating agreements; organizational, annual and board/member meeting records; stock ledgers and certificates; State-issued Certificates of Good Standing; contract, lease and loan agreements; payroll records; bank account signature cards; and licenses.

§ 74.21 What are the ways a business may exit VetBiz VIP Verification Program status?

A participant may:

(a) Voluntarily cancel its status by submitting a written request to CVE requesting that the “verified” status button be removed from the Vendor Information Pages database; or

(b) Delete its record entirely from the Vendor Information Pages database; or

(c) CVE may cancel the “verified” status button for good cause upon formal notice to the participant. Examples of good cause include, but are not limited to, the following:

(1) Submission of false information in the participant’s VetBiz VIP Verification application.

(2) Failure by the participant to maintain its eligibility for program participation.

(3) Failure by the participant for any reason, including the death of an individual upon whom eligibility was based, to maintain ownership, management, and control by veterans, service-disabled veterans or surviving spouses.

1105
§ 74.22 What are the procedures for cancellation?

(a) General. When CVE believes that a participant’s verified status should be cancelled prior to the expiration of its eligibility term, CVE will notify the participant in writing. The Notice of Proposed Cancellation Letter will set forth the specific facts and reasons for CVE’s findings, and will notify the participant that it has 30 days from the date it receives the letter to submit a written response to CVE explaining why the proposed ground(s) should not justify cancellation.

(b) Recommendation and decision. Following the 30-day response period, the Director, CVE, will consider any information submitted by the participant. Upon determining that cancellation is not warranted, the Director, CVE, will notify the participant in writing. If cancellation appears warranted, the Director, CVE, will make a decision whether to cancel the participant’s verified status.

(c) Notice requirements. Upon deciding that cancellation is warranted, the Director, CVE, will issue a Notice of Verified Status Cancellation. The Notice will set forth the specific facts and reasons for the decision, and will advise the concern that it may re-apply after it has met all eligibility criteria.

(d) Effect of verified status cancellation. After the effective date of cancellation, a participant is no longer eligible to appear as “verified” in the VetBiz VIP database. However, such concern is obligated to perform previously awarded contracts to the completion of their existing term of performance.

(e) Appeals. A participant may file an appeal with the Executive Director, Office of Small and Disadvantaged Business Utilization and Center for Veterans Enterprise, concerning the Notice of Verified Status Cancellation within 30 days of receipt of CVE’s cancellation decision. “Filing” means a document is received by CVE by 5:30 p.m., eastern time, on that day. Documents may be filed by hand delivery, mail, commercial carrier, or facsimile transmission. Hand delivery and other means of delivery may not be practicable during certain periods due, for example, to security concerns or equipment failures. The filing party bears the risk that the delivery method chosen will not result in timely receipt at CVE. Submit appeals to: Executive Director, Office of Small and Disadvantaged Business Utilization and Center for Veterans Enterprise (00VE), U.S. Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420. A formal decision will be issued within 60 days after receipt. The decision on the appeal shall be final.

Records Management

§ 74.25 What types of personally identifiable information will VA collect?

In order to establish owner eligibility, the Department will collect individual names and Social Security
numbers for veterans, service-disabled veterans and surviving spouses who represent themselves as having ownership and control interests in a specific business seeking to obtain verified status.

§ 74.26 What types of business information will VA collect?

VA will examine a variety of business records. See §74.12, “What is a verification examination and what will CVE examine?”

§ 74.27 How will VA store information?

VA intends to store records provided to complete the VetBiz Vendor Information Pages registration fully electronically on the Department’s secure servers. CVE personnel will compare information provided concerning owners who have veteran status, service-disabled veteran status or surviving spouse status against electronic records maintained by the Department’s Veterans Benefits Administration. Records collected during examination visits will be scanned onto portable media and fully secured in the Center for Veterans Enterprise, located in Washington, DC.

§ 74.28 Who may examine records?

Personnel from the Department of Veterans Affairs, Center for Veterans Enterprise and its agents, including personnel from the Small Business Administration, may examine records to ascertain the ownership and control of the applicant or participant.

§ 74.29 When will VA dispose of records?

The records, including those pertaining to businesses not determined to be eligible for the program, will be kept intact and in good condition for seven years following a program examination or the date of the last Notice of Verified Status Approval letter. Longer retention will not be required unless a written request is received from the Government Accountability Office not later than 30 days prior to the end of the retention period.

Subpart A [Reserved]

Subpart B—Data Breaches

§ 75.111 Purpose and scope.

This subpart implements provisions of 38 U.S.C. 5724 and 5727, which are set forth in Title IX of the Veterans Benefits, Health Care, and Information Technology Act of 2006. It only concerns actions to address a data breach regarding sensitive personal information that is processed or maintained by VA. This subpart does not supersede the requirements imposed by other laws, such as the Privacy Act of 1974, the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996, the Fair Credit Reporting Act, and implementing regulations of such Acts.

(Authority: 38 U.S.C. 501, 5724, 5727)

§ 75.112 Definitions and terms.

For purposes of this subpart:
Confidentiality means preserving authorized restrictions on access and disclosure, including means for protecting personal privacy and proprietary information.

Data breach means the loss or theft of, or other unauthorized access to, other than an unauthorized access incidental to the scope of employment, data containing sensitive personal information, in electronic or printed
form, that results in the potential compromise of the confidentiality or integrity of the data.

Data breach analysis means the process used to determine if a data breach has resulted in the misuse of sensitive personal information.

Fraud resolution services means services to assist an individual in the process of recovering and rehabilitating the credit of the individual after the individual experiences identity theft.

Identity theft has the meaning given such term under section 603 of the Fair Credit Reporting Act (15 U.S.C. 1681a).

Identity theft insurance means any insurance policy that pays benefits for costs, including travel costs, notary fees, and postage costs, lost wages, and legal fees and expenses associated with efforts to correct and ameliorate the effects and results of identity theft of the insured individual.

Individual means a single human being who is a citizen of the United States, an alien admitted to permanent residence in the United States, a present or former member of the Armed Forces, or any dependent of a present or former member of the Armed Forces.

Information system means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information, whether automated or manual.

Integrity means guarding against improper information modification or destruction, and includes ensuring information non-repudiation and authenticity.

Logical data access means the ability of a person to translate the data for misuse. This can lead to inappropriate access to lost, stolen or improperly obtained data.

Person means an individual; partnership; corporation; Federal, State, or local government agency; or any other legal entity.

Processed or maintained by VA means created, stored, transmitted, or manipulated by VA personnel or by a person acting on behalf of VA, including a contractor or other organization or any level of subcontractor or other suborganization.

Secretary means the Secretary of Veterans Affairs or designee.

Sensitive personal information, with respect to an individual, means any information about the individual maintained by an agency, including the following:

(1) Education, financial transactions, medical history, and criminal or employment history.

(2) Information that can be used to distinguish or trace the individual’s identity, including name, Social Security number, date and place of birth, mother’s maiden name, or biometric records.

Unauthorized access incidental to the scope of employment means access, in accordance with VA data security and confidentiality policies and practices, that is a by-product or result of a permitted use of the data, that is inadvertent and cannot reasonably be prevented, and that is limited in nature.

VA means the Department of Veterans Affairs.

(Authority: 38 U.S.C. 501, 5724, 5727)

§ 75.113 Data breach.

Consistent with the definition of data breach in §75.120 of this subpart, a data breach occurs under this subpart if there is a loss or theft of, or other unauthorized access to, other than an unauthorized access incidental to the scope of employment, data containing sensitive personal information, in electronic or printed form, that results in the potential compromise of the confidentiality or integrity of the data.

The term “unauthorized access” used in the definition of “data breach” includes access to an electronic information system and includes, but is not limited to, viewing, obtaining, or using data containing sensitive personal information in any form or in any VA information system. The phrase “unauthorized access incidental to the scope of employment” includes instances when employees of contractors and other entities need access to VA sensitive information in order to perform a contract or agreement with VA but incidentally obtain access to other VA sensitive information. Accordingly, an unauthorized access, other than an unauthorized access incidental to the
scope of employment, to data containing sensitive personal information, in electronic or printed form, that results in the potential compromise of the confidentiality or integrity of the data, constitutes a data breach. In addition to these circumstances, VA also interprets data breach to include circumstances in which a user misuses sensitive personal information to which he or she has authorized access. The following circumstances do not constitute a data breach and, consequently, are not subject to the provisions of this subpart:

(a) An unauthorized access to data containing sensitive personal information that was determined by the Secretary to be incidental to the scope of employment, such as an inadvertent unauthorized viewing of sensitive personal information by a VA employee or a person acting on behalf of VA.

(b) A loss, theft, or other unauthorized access to data containing sensitive personal information that the Secretary determined to have no possibility of compromising the confidentiality or integrity of the data, such as the inability of compromising the confidentiality or integrity of the data because of encryption or the inadvertent disclosure to another entity that is required to provide the same or a similar level of protection for the data under statutory or regulatory authority.

(Authority: 38 U.S.C. 501, 5724, 5727)

§ 75.114 Accelerated response.

(a) The Secretary, in the exercise of his or her discretion, may provide notice to records subjects of a data breach and/or offer them other credit protection services prior to the completion of a risk analysis if:

1. The Secretary determines, based on the information available to the agency when it learns of the data breach, that there is an immediate, substantial risk of identity theft of the individuals whose data was the subject of the data breach, and providing timely notice may enable the record subjects to promptly take steps to protect themselves, and/or the offer of other credit protection services will assist in timely mitigation of possible harm to individuals from the data breach; or

2. Private entities would be required to provide notice under Federal law if they experienced a data breach involving the same or similar information.

3. In situations described in paragraphs (a)(1) or (a)(2) of this section, the Secretary may provide notice of the breach prior to completion of a risk analysis and subsequently advise individuals whether the agency will offer additional credit protection services upon completion, and consideration of the results, of the risk analysis, if the Secretary directs that one be completed.

(b) In determining whether to promptly notify individuals and/or offer them other credit protection services under paragraph (a)(1) of this section, the Secretary shall make the decision based upon the totality of the circumstances and information available to the Secretary at the time of the decision, including whether providing notice and offering other credit protection services would be likely to assist record subjects in preventing, or mitigating the results of, identity theft based on the compromised VA sensitive personal information. The Secretary’s exercise of this discretion will be based on good cause, including consideration of the following factors:

1. The nature and content of the lost, stolen or improperly accessed data, e.g., the data elements involved, such as name, social security number, date of birth;

2. The ability of an unauthorized party to use the lost, stolen or improperly accessed data, either by itself or with data or applications generally available, to commit identity theft or otherwise misuse the data to the disadvantage of the record subjects, if able to access and use the data;

3. Ease of logical data access to the lost, stolen or improperly accessed data in light of the degree of protection for the data, e.g., unencrypted, plain text;

4. Ease of physical access to the lost, stolen or improperly accessed data, e.g., the degree to which the data is readily available to unauthorized access, such as being in a dumpster readily accessible by members of the general public;
(5) The format of the lost, stolen or improperly accessed data, e.g., in a standard electronic format, such as ASCII, or in paper;

(6) Evidence indicating that the lost, stolen or improperly accessed data may have been the target of unlawful acquisition; and

(7) Evidence that the same or similar data had been acquired from other sources improperly and used for identity theft.

(c) VA will provide notice and/or other credit protection services under this section as provided in §§75.117 and 75.118.

(Authority: 38 U.S.C. 501, 5724, 5727)

§ 75.115 Risk analysis.

If a data breach involving sensitive personal information that is processed or maintained by VA occurs and the Secretary has not determined under §75.114 that an accelerated response is appropriate, the Secretary shall ensure that, as soon as possible after the data breach, a non-VA entity with relevant expertise in data breach assessment and risk analysis or VA’s Office of Inspector General conducts an independent risk analysis of the data breach. The preparation of the risk analysis may include data mining if necessary for the development of relevant information. The risk analysis shall include a finding with supporting rationale concerning whether the circumstances create a reasonable risk that sensitive personal information potentially may be misused. If the risk analysis concludes that the data breach presents a reasonable risk for the potential misuse of sensitive personal information, the risk analysis must also contain operational recommendations for responding to the data breach. Each risk analysis, regardless of findings and operational recommendations, shall also address all relevant information concerning the data breach, including the following:

(a) Nature of the event (loss, theft, unauthorized access).

(b) Description of the event, including:

(1) Date of occurrence;

(2) Data elements involved, including any personally identifiable information, such as full name, social security number, date of birth, home address, account number, disability code;

(3) Number of individuals affected or potentially affected;

(4) Individuals or groups affected or potentially affected;

(5) Ease of logical data access to the lost, stolen or improperly accessed data in light of the degree of protection for the data, e.g., unencrypted, plain text;

(6) Time the data has been out of VA control;

(7) The likelihood that the sensitive personal information will or has been compromised (made accessible to and usable by unauthorized persons); and

(8) Known misuses of data containing sensitive personal information, if any.

(c) Assessment of the potential harm to the affected individuals.

(d) Data breach analysis, as appropriate.

(Authority: 38 U.S.C. 501, 5724, 5727)

§ 75.116 Secretary determination.

(a) Upon receipt of a risk analysis prepared under this subpart, the Secretary will consider the findings and other information contained in the risk analysis to determine whether the data breach caused a reasonable risk for the potential misuse of sensitive personal information. If the Secretary finds that such a reasonable risk does not exist, the Secretary will take no further action under this subpart. However, if the Secretary finds that such a reasonable risk exists, the Secretary will take responsive action as specified in this subpart based on the potential harms to individuals subject to a data breach.

(b) In determining whether the data breach resulted in a reasonable risk for the potential misuse of the compromised sensitive personal information, the Secretary shall consider all factors that the Secretary, in his or her discretion, considers relevant to the decision, including:

(1) The likelihood that the sensitive personal information will be or has been made accessible to and usable by unauthorized persons;

(2) Known misuses, if any, of the same or similar sensitive personal information;
Department of Veterans Affairs § 75.117

(3) Any assessment of the potential harm to the affected individuals provided in the risk analysis;
(4) Whether the credit protection services that VA may offer under 38 U.S.C. 5724 may assist record subjects in avoiding or mitigating the results of identity theft based on the VA sensitive personal information that had been compromised;
(5) Whether private entities are required under Federal law to offer credit protection services to individuals if the same or similar data of the private entities had been similarly compromised; and
(6) The recommendations, if any, concerning the offer of, or benefits to be derived from, credit protection services in this case that are in the risk analysis report.

(Authority: 38 U.S.C. 501, 5724, 5727)

§ 75.117 Notification.

(a) With respect to individuals found under this subpart by the Secretary to be subject to a reasonable risk for the potential misuse of any sensitive personal information, the Secretary will promptly provide written notification by first-class mail to the individual (or the next of kin if the individual is deceased) at the last known address of the individual. The notification may be sent in one or more mailings as information is available and will include the following:

(1) A brief description of what happened, including the date[s] of the data breach and of its discovery if known;
(2) To the extent possible, a description of the types of personal information that were involved in the data breach (e.g., full name, Social Security number, date of birth, home address, account number, disability code);
(3) A brief description of what the agency is doing to investigate the breach, to mitigate losses, and to protect against any further breach of the data;
(4) Contact procedures for those wishing to ask questions or learn additional information, which will include a toll-free telephone number, an e-mail address, Web site, and/or postal address;
(5) Steps individuals should take to protect themselves from the risk of identity theft, including steps to obtain fraud alerts (alerts of any key changes to such reports and on demand personal access to credit reports and scores), if appropriate, and instruction for obtaining other credit protection services offered under this subpart; and
(6) A statement whether the information was encrypted or protected by other means, when determined such information would be beneficial and would not compromise the security of the system.

(b) In those instances where there is insufficient, or out-of-date contact information that precludes direct written notification to an individual subject to a data breach, a substitute form of notice may be provided, such as a conspicuous posting on the home page of VA’s Web site and notification in major print and broadcast media, including major media in geographic areas where the affected individuals likely reside. Such a notice in media will include a toll-free phone number where an individual can learn whether or not his or her personal information is possibly included in the data breach.

(c) In those cases deemed by the Secretary to require urgency because of possible imminent misuse of sensitive personal information, the Secretary, in addition to notification under paragraph (a) of this section, may provide information to individuals by telephone or other means, as appropriate.

(d) Notwithstanding other provisions in this section, notifications may be delayed upon lawful requests, from other Federal agencies, for the delay of notifications in order to protect data or computer resources from further compromise or to prevent interference with the conduct of an investigation or efforts to recover the data. A lawful request is one made in writing by the entity or VA component responsible for the investigation or data recovery efforts that may be adversely affected by providing notification. Any lawful request for delay in notification must state an estimated date after which the requesting entity believes that notification will not adversely affect the conduct of the investigation or efforts to recover the data. However, any delay should not exacerbate risk or
§ 75.118 Other credit protection services.

The experience must be for two continuous years immediately prior to the date of submission to VA of the grant application. When more than one entity would be engaged in the provision of the adaptive sports activities, the entity applying for the adaptive sports grant must provide documentation that verifies that through the partnership, it has the experience necessary to implement all of the adaptive sports activities proposed in the adaptive sports grant application.
Grantee means an entity that is awarded an adaptive sports grant under this part.

§ 77.1 Purpose and scope.
This section establishes the Grants for Adaptive Sports Programs for Disabled Veterans and Disabled Members of the Armed Forces program. Under this program, VA may provide grants to eligible entities to plan, develop, manage, and implement programs to provide adaptive sports activities for disabled veterans and disabled members of the Armed Forces.

(Authority: 38 U.S.C. 521A)
International Paralympic Committee (IPC) means the global governing body of the Paralympic movement.

Large-scale adaptive sports program means

(1) An adaptive sports program of a National Paralympic Committee (NPC) or of a National Governing Body (NGB) that is authorized to provide Paralympic sports programs in one or more States;

(2) An adaptive sports program of a NGB that has been recognized by an external validating authority if the programs validated by that authority would meet the requirements of paragraph (3) of this definition if considered one program; and

(3) An adaptive sports program in which at least 50 persons with disabilities participate or in which the persons with disabilities who participate in the program reside in at least five different congressional districts.

National Governing Body (NGB) means an organization that looks after all aspects of a sport and is responsible for training, competition and development for their sports.

National Paralympic Committee (NPC) means the national organization recognized by the International Paralympic Committee (IPC) as the sole representative of athletes with disabilities from their respective jurisdiction.

Notice of funding availability (NOFA) means a Notice of Funding Availability published in the OMB-designated government-wide Web site in accordance with §77.13 and 2 CFR Part 200.

Paralympics means a series of international contests for athletes with a range of physical and intellectual disabilities, including mobility disabilities, amputations, blindness, and traumatic brain injury, that are associated with and held following the summer and winter Olympic Games.

Participant means a disabled veteran or disabled member of the Armed Forces who is receiving adaptive sport activities from a grantee.

Partnership means any type of arrangement in which the parties agree to cooperate and is not limited to a legal partnership.

Peer review means the technical and programmatic evaluation by a group of experts qualified by training and experience to give expert advice, based on selection criteria established under §77.13 or in a program announcement, on the technical and programmatic merit of adaptive sports grant applications.

Persons with a disability includes persons with physical and intellectual disabilities.

Sport means a usually competitive individual or group physical activity governed by a set of rules or customs, which, through casual or organized participation, aim to use, maintain or improve physical ability and skills while normally providing entertainment to participants.

VA means the Department of Veterans Affairs.

Veteran means a person described in §3.1 of this title.

Veterans Service Organization (VSO) means an organization recognized by the Secretary of Veterans Affairs for the representation of veterans under section 5902 of title 38, United States Code, a subgroup of such an organization, or a nonprofit entity registered with the U.S. Government that has a primary mission to provide services to veterans and members of the Armed Services.

§ 77.3 Grants—general.

(a) Grants. VA may award adaptive sports grants to eligible entities.

(b) Maximum amount. The maximum grant amounts to be awarded will be specified in the NOFA.

(c) No matching requirement. A grantee will not be required to provide matching funds as a condition of receiving such grant.

(d) Participants will not be charged. A grantee may not charge participants a fee for providing adaptive sports activities that were outlined in their adaptive sports grant application.

(e) Grant is not veteran’s benefit. The grant offered by this chapter is not a veteran’s benefit. As such, the decisions of the Secretary are final and not subject to the same appeal rights as decisions related to veterans benefits.

(Authority: 38 U.S.C. 521A)
§ 77.4 Applications.

(a) Initial application. To apply for an initial grant, an applicant must submit to VA a complete grant application package, as described in the NOFA.

(b) Renewal application. After receiving an initial grant, grantees may apply for a renewal grant if the grantee’s program will remain substantially the same. The grantee must submit to VA a complete renewal application as described in the NOFA. Because evaluations of renewal applications rely on performance data related to the initial grant, the application and supporting documentation may vary from the initial application; however, renewal applications are competitive grants and will be evaluated under competitive grant selection processes.

(c) Noncompetitive application. When a condition exists for a noncompetitive grant as outlined in § 77.15, the adaptive sports entity may submit a noncompetitive application that meets the same format as outlined for competitive grants set forth in the NOFA.

(Authority: 38 U.S.C. 521A)

(OMB has approved the information collection requirements in this section that are within the scope of control numbers 0348–0043 for Standard Form 424 & 0348–0041 for Standard Form 424C. The additional information collection requirements have been submitted to OMB and are pending OMB approval)

§ 77.5 Selection criteria.

(a) VA will review all applications for adaptive sports grants using the following selection criteria:

1. The adaptive sports activities to be provided by the program are clearly stated;

2. The objectives of the proposed program are clearly defined;

3. The program design is based on facts, good reasoning, sound judgment, and logic, and contains program elements directly linked to the achievement of program objectives;

4. The program management structure is adequate to the successful conduct of the program;

5. The applicant’s capability (including support provided by any partnership or partnerships) is demonstrated at a level sufficient to successfully support the program;

6. Budgeted costs are reasonable, allowable and produce good value for the amount of funds paid for the activities proposed to be undertaken;

7. The proposed program provides adaptive sports opportunities in geographic regions where VA has identified limited sports opportunities for disabled veterans and disabled members of the Armed Forces;

8. The proposed program provides an adaptive sports activity or adaptive sports activities that meet the current needs and priorities for disabled veterans and disabled members of the Armed Forces; and

9. Inclusion of all required information in the grant application as specified by 38 U.S.C. 521A(c).

(b) NOFA announcements may also clarify the selection criteria in paragraph (a) of this section. The relative weight (point value) for each selection criterion will be specified in the NOFA.

§ 77.6 Amendments to grant applications.

An applicant seeking to amend its grant application must submit a revised Standard Forms 424 (Application for Federal Assistance) and 424C (Budget Information) with a narrative description of, and justification for, the amendment. An applicant may submit an amendment after the deadline for submission of applications and prior to grant award if the amendment does not change the scope of the application. In addition, amendments submitted after the deadline and prior to grant award cannot increase the amount of the grant requested by more than a total of 10 percent.

(OMB has approved the information collection requirements in this section under control number 0348–0043 for Standard Form 424 & 0348–0041 for Standard Form 424C)

§ 77.7 Withdrawal of grant application.

An applicant may withdraw its application by submitting to VA a written document that withdraws the application.

§ 77.8 Additional requirements and procedures for applications.

(a) Application for grants. An applicant may submit, on or before the submission deadline date established in a
NOFA, an application in accordance with the instructions in the NOFA and including the forms specified in the NOFA. Such application must be signed by the applicant or an official or representative of the applicant duly authorized to make such application and to assume on behalf of the applicant the obligations imposed by law, applicable regulations, and any additional terms and conditions of the grant. VA may require in the NOFA for applicants to submit a pre-application for review and approval prior to the submission of an application.

(b) Partnerships. (1) Eligible entities may enter into partnerships with other eligible entities, including those in other States, and submit joint applications for adaptive sports grants.

(2) A joint application made by two or more applicants may have separate budgets corresponding to the programs, services and activities performed by each of the joint applicants or may have a combined budget. If a joint application presents separate budgets, VA may make separate awards, or may award a single award authorizing separate amounts for each joint applicant.

(c) Evaluation of applications submitted. All applications submitted shall be evaluated. After the initial internal or peer review, additional internal evaluations and/or peer reviews may be used.

(d) Applicant’s performance on prior award. When the applicant has previously received an award from VA or another Federal agency, the applicant’s noncompliance with requirements applicable to such prior award as reflected in past written evaluation reports and memoranda on performance, and the completeness of required prior submissions, may be considered by VA. In any case where VA proposes to deny a grant based upon the applicant’s noncompliance with requirements applicable to the prior award, VA shall do so only after affording the applicant notice and a reasonable opportunity to rebut the proposed basis for denial of a grant.

(e) Applicant’s fiscal integrity. Applicants must meet and maintain standards of fiscal integrity for participation in Federal grant programs as reflected in 2 CFR part 200.

(f) Disposition of applications. Upon review of an application and dependent on availability of funds, VA will:

(1) Approve the application for funding, in whole or in part, for such amount of funds, and subject to such conditions that VA deems necessary or desirable;

(2) Determine that the application is of acceptable quality for funding, in that it meets minimum criteria, but disapprove the application for funding because it did not rank sufficiently high in relation to other applications to qualify for an award based on the level of funding available;

(3) Disapprove the application for failure to meet the applicable selection criteria at a sufficiently high level in comparison to other applications to justify an award of funds, or for another reason as provided in the documentation of the decision; or

(4) Defer action on the application for such reasons as lack of funds or a need for further review.

(g) Notification of disposition. VA will notify the applicant in writing of the disposition of the application. A signed grant agreement form will be issued to the applicant of an approved application.

(h) Availability of grant funds. Federal financial assistance is normally available only with respect to obligations incurred subsequent to the effective date of the grant. The effective date of grant will be set forth in the grant agreement. Recipients may be reimbursed for costs resulting from obligations incurred before the effective date of the grant, if such costs are authorized by VA in the NOFA, the grant agreement or subsequently by VA in writing, and otherwise would be allowable as costs of the grant under applicable guidelines, regulations, and terms and conditions of the grant agreement.

(The information collection requirements have been submitted to OMB and are pending OMB approval)

§ 77.9 Use of pre-applications.

VA may request pre-applications for competitive and noncompetitive grant
§ 77.10 Peer review methods.

(a) VA may subject both pre-applications and formal applications to a peer review process. For both competitive and noncompetitive applications, peer review will normally consist of written comments based on the selection criteria established in §77.5 and any weighting factors identified in the NOFA or conveyed in writing to the noncompetitive applicant, together with the assignment of numerical values. Peer review may occur at meetings of peer reviewers that are held under VA oversight, through mail reviews, or a combination of both. When advisable, site visits may also be employed. The method of peer review anticipated for each announced competitive program, including the weighting factors to be used by peer reviewers, will be specified in each NOFA.

(b) When formal applications are required in response to a NOFA, an initial review will be conducted by qualified VA staff, in order to eliminate from peer review consideration applications which do not meet minimum program requirements. Such requirements as listed in §77.5 and weighting factors will be specified in the NOFA. Applications determined to be qualified and eligible for further consideration may then be considered under the peer review process.

§ 77.11 Outreach required.

(a) As a condition of receiving a grant under this part, an eligible entity must agree to conduct a joint outreach campaign with VA to inform all eligible veterans and separating members of the Armed Forces with physical disabilities about the existence of the adaptive sports activities funded by the grant, as appropriate, and shall provide for, facilitate, and encourage participation of such veterans and separating members of the Armed Forces in programs under this part to the extent possible.

(b) For grantees conducting adaptive sports activities at the community level, outreach must include active liaison with local VA and DoD facilities; State, local, and tribal governments; and VSOs, private agencies, and organizations providing adaptive sport activities to disabled veterans and disabled members of the Armed Forces to be served by the grantee.

(c) For grantees conducting adaptive sports activities occurring at the national and regional levels, outreach must include active liaison with VA and DoD, State governments, VSOs, and private agencies and organizations providing adaptive sport services to disabled veterans and disabled members of the Armed Forces to be served by the grantee and tailored as appropriate to the deliverables of the grant.

(Authority: 38 USC 521A)

§ 77.12 Notice of funding availability.

When funds are available for grants, VA will publish a NOFA in the OMB-designated government-wide Web site. The notice will identify:

(a) The information required to be in notices of funding opportunities in 2 CFR part 200;

(b) The location for obtaining grant applications;

(c) The date, time, and place for submitting completed grant applications;

(d) The estimated amount and type of grant funding available;

(e) The length of term for the grant award, covering the amount of time the award remains in effect through date of completion;

(f) The minimum scores and scores per mandatory evaluation criteria area in §77.5 that an applicant must receive in order for a grant to be considered for funding; and

(g) The timeframe and manner for payments under the grant.

(Authority: 38 U.S.C. 521A)

§ 77.13 Applications for noncompetitive adaptive sports grants.

(a) When VA identifies that an eligible entity is the only entity capable of providing an adaptive sports activity for disabled veterans and disabled
members of the Armed Forces, and VA determines that the award of a grant to this entity is warranted to enable adaptive sports activities for disabled veterans and disabled members of the Armed Forces, VA may request that entity to submit a grant application. To verify that only one entity is capable of providing an adaptive sports activity:

(1) VA must determine that the adaptive sports activity is available only from one eligible entity;
(2) VA must receive a written statement from an entity which verifies that a particular adaptive sports activity is only available from a named non-Federal entity; or
(3) After VA attempts to find competition for a grant by issuing a NOFA, VA receives only one application to provide the adaptive sports activity sought under the NOFA or having received no applications, engages a qualified adaptive sport entity to negotiate provision of the adaptive sports activity sought.

(b) To submit an application for a noncompetitive adaptive sports grant, an applicant must obtain from VA an adaptive sports grant application package and submit to VA the information called for in the adaptive sports grant application package within the time period established in the NOFA.

(c) The noncompetitive adaptive sports grant application must include:

(1) Information regarding the program design and supporting evidence directly linking the program to the achievement of the program’s objectives;
(2) Documentation on the eligibility of the applicant to receive an adaptive sports grant and on why the award of a noncompetitive grant is warranted;
(3) Description of the type of adaptive sports activities that would be provided;
(4) Documentation concerning the estimated operating costs and operating budget for the adaptive sports activities for which a grant is sought;
(5) Documentation that the applicant has the technical expertise needed; and
(6) Reasonable assurances that if the applicant receives an adaptive sports grant under this part:

(i) It will provide adequate financial and administrative support for providing the services set forth in the adaptive sports grant application and will actually provide such services; and
(ii) It will keep records and submit reports as VA may reasonably require, within the time frames required; and give VA, upon demand, access to the records upon which such information is based.

(The information collection requirements have been submitted to OMB and are pending OMB approval)

§ 77.14 Grant agreements.

(a) General. After a grant is approved for award, VA will draft a grant agreement to be executed by VA and the grantee. Upon execution of the grant agreement, VA will obligate the grant amount. The grant agreement will include a provision requiring that the grantee will operate the program in accordance with the provisions of this part, 2 CFR part 200, and the grant application.

(b) Equipment. If grant funds will be used to procure or operate adaptive sports equipment to directly provide adaptive sports activities, the grant agreement must provide that:

(1) Title to the adaptive sports equipment vests solely in the grantee, or, for leased equipment, in an identified lessor;
(2) The grantee will at a minimum, provide liability insurance for the adaptive sports equipment to the same extent they would insure adaptive sports equipment procured with their own funds; and
(3) Adaptive sports equipment will be safe to use and maintained in accordance with the manufacturer’s recommendations.

(c) Use of funds for administrative and personnel expenses. (1) An eligible entity that receives a grant under this part may use a portion of the grant for administrative expenses and personnel expenses of the eligible entity. The amount that may be used for such expenses may not exceed:

(i) In the case of a grant made for adaptive sports activities taking place during fiscal year 2014, 10 percent of the total amount of the grant;
§ 77.15 Payments under the grant.

(a) Payments to grantees. Grantees are to be paid in accordance with the timeframes and manner set forth in the NOFA.

(b) Payments to subgrantees. Payments of grant funds by grantees to subgrantees (including entities with which the grantee has entered into a partnership) for instruction, participation, and competition in Paralympic sports may only be made for instruction, participation, and competition in Paralympic sports.

Authority: 38 U.S.C. 521A

§ 77.16 Grantee reporting requirements.

(a) Annual report. All grantees must submit to VA, not later than 60 days after the last day of the Federal fiscal year for which a grant is provided under this part, an annual report which sets forth the following information for that fiscal year:

1. A detailed record of the time involved in providing adaptive sports activities through direct personal interaction with participants and time expended in adaptive sports activities that do not involve direct personal interaction with participants;

2. A detailed record of the individual adaptive sports activities conducted;

3. A detailed record of the adaptive sports programs carried out at the national and local levels through partnerships with VA, DoD, VSOs, and other adaptive sports entities;

4. The number of veterans and the number of participants in the adapted sports activities funded by the grant including those who participated in any programs carried out through a partnership under this part;

5. The locations where adaptive sports activities were conducted; and

6. A detailed accounting of how the grant funds were used including the administrative and personnel expenses incurred by the grantee in carrying out the program and such expenses paid for using grant funds.

(b) Quarterly report. All grantees must submit to VA a quarterly report 30 days after the close of each Federal fiscal quarter of the grant period which includes the same information required for annual reports, as well as projected change requests if applicable.

(c) Program variations. Any changes in a grantee’s program activities which result in deviations from the grant agreement must be reported to VA.

(d) Additional reporting. Additional reporting requirements may be requested by VA to allow VA to fully assess program effectiveness.

(e) Annual report compliance. If a grantee does not submit the annual report required under this section for any
fiscal year, the grantee shall not be eligible to receive a grant under this part for the subsequent fiscal year.

(Authority: 38 U.S.C. 521A(j))

(The information collection requirements have been submitted to OMB and are pending OMB approval)

§ 77.17 Recovery of funds by VA.

(a) Recovery of funds. VA may recover from the grantee any funds that are not used in accordance with a grant agreement. If VA decides to recover funds, VA will issue to the grantee a notice of intent to recover grant funds, and grantee will then have 30 days to submit documentation demonstrating why the grant funds should not be recovered. After review of all submitted documentation, VA will determine whether action will be taken to recover the grant funds.

(b) Prohibition of additional adaptive sports grant payments. When VA makes a final decision that action will be taken to recover grant funds from the grantee, VA must stop further payments of grant funds under this part until the grant funds are recovered and the condition that led to the decision to recover grant funds has been resolved.

(Authority: 38 U.S.C. 521A)

§ 77.18 Visits to monitor operations and compliance.

VA has the right, at all reasonable times, to make visits to all grantee locations where a grantee is using adaptive sports grant funds in order to review grantee accomplishments and management control systems and to provide such technical assistance as may be required. VA may conduct inspections of all program locations and records of a grantee at such times as are deemed necessary to determine compliance with the provisions of this part. In the event that a grantee delivers services at a location away from the grantee’s place of business, VA may accompany the grantee. If any visit is made by VA on the premises of the grantee or a subcontractor under the adaptive sports grant, the grantee must provide, and must require its subcontractors to provide, all reasonable facilities and assistance for the safety and convenience of the VA representatives in the performance of their duties. All visits and evaluations will be performed in such as manner as will not unduly delay services.

§ 77.19 Financial management.

(a) All recipients will comply with applicable requirements of the Single Audit Act Amendments of 1996, as implemented by 2 CFR part 200.

(b) All grantees must use a financial management system that complies with 2 CFR part 200. Grantees must meet the applicable requirements of OMB’s regulations on Cost Principles at 2 CFR part 200.

(The information collection requirements have been submitted to OMB and are pending OMB approval)

§ 77.20 Recordkeeping.

Grantees must ensure that records are maintained in accordance with 2 CFR part 200. Grantees must produce such records at VA’s request.

§ 77.21 Application of other regulations.

For purposes of this part, the requirements in 38 CFR parts 43 and 49 are superseded by those in 2 CFR part 200.

200.3 Responsibilities.
200.4 Implementation of NEPA and related authorities.

APPENDIX A TO PART 200—CATEGORYAL EXCLUSIONS
APPENDIX B TO PART 200—THE ACTION REQUIRING AN ENVIRONMENTAL ASSESSMENT
APPENDIX C TO PART 200—ACTIONS REQUIRING ENVIRONMENTAL IMPACT STATEMENT

SOURCE: 74 FR 57608, Nov. 9, 2009, unless otherwise noted.

§ 200.1 Purpose.
These regulations set out AFRH environmental policy and provide direction for carrying out the procedural requirements of the National Environmental Policy Act (NEPA) and related legal authorities.

§ 200.2 Background.
(a) The NEPA and the Council on Environmental Quality regulations implementing the procedural requirements of NEPA (40 CFR 1500 through 1508, hereinafter, the CEQ regulations) require that each Federal agency consider the impact of its actions on the human environment and prescribe procedures to be followed. Other laws, executive orders, and regulations provide related direction. NEPA establishes and AFRH adopts as policy that as a Federal agency, AFRH will: Use all practicable means, consistent with other essential considerations of national policy, to improve and coordinate Federal plans, functions, programs, and resources to the end that the Nation may:

(1) Fulfill the responsibilities of each generation as trustee of the environment for succeeding generations;

(2) Assure for all Americans safe, healthful, productive, and esthetically and culturally pleasing surroundings;

(3) Attain the widest range of beneficial uses of the environment without degradation, risk to health or safety, or other undesirable and unintended consequences;

(4) Preserve important historic, cultural, and natural aspects of our national heritage, and maintain, whenever possible, an environment which supports diversity, and variety of individual choice;

(5) Achieve a balance between population and resource use which will permit high standards of living and a wide sharing of life’s amenities; and

(6) Enhance the quality of renewable resources and approach the maximum attainable recycling of depletable resources.

(b) As an important means of carrying out this policy, AFRH will analyze and consider the impacts of its proposed actions (activities, programs, projects, legislation) and any reasonable alternatives on the environment, and on the relationship of people with the environment. This analysis is to be undertaken early in planning any such action, as an aid to deciding whether the action will go forward, and if so how. Consideration must be given to reasonable alternative means of achieving the purpose and need for the proposed action, and to the alternative of not taking the proposed action. The analysis is to be completed, and used to inform the decision maker and make the public aware of the action’s potential impacts, before the decision is made about whether and how to proceed with the action. Relevant environmental documents, comments, and responses regarding the proposal will accompany the proposal and be presented to the AFRH decision maker for their consideration.

(c) NEPA also requires and AFRH will ensure that, to the fullest extent possible, analyses and consultations required by other environmental laws be coordinated with those required under NEPA, to reduce redundancy, paperwork, time, and cost.

(d) The AFRH is an independent Federal agency that provides residence and related services for certain retired and former members of the Armed Forces. The AFRH has property in Washington, DC and Gulfport, MS.
(e) This part contains AFRH’s general policy regarding NEPA implementation and sets out AFRH procedures that supplement the CEQ regulations for meeting NEPA requirements. It also assigns responsibilities to the Chief Operating Officer (COO) for the AFRH and the Master Planner. These regulations provide further detail regarding the conduct of NEPA impact analyses.

§ 200.3 Responsibilities.

(a) The COO is the AFRH NEPA official responsible for compliance with NEPA for AFRH actions. The COO also provides the AFRH’s views on other agencies’ environmental impact statements (EIS).

(b) The Master Planner is the point of contact for information on: AFRH NEPA documents; NEPA oversight activities; and review of other agencies’ EISs and NEPA documents.

(c) The AFRH’s assigned counsel is the point of contact for legal questions involving environmental matters.

(a) Classification of AFRH actions. (1) All AFRH proposed actions typically fall into one of the following three classes, in terms of requirements for review under NEPA: Categorical exclusions, environmental assessments, and environmental impact statements.

(2) The Master Planner is responsible for classifying proposed actions and undertaking the level of analysis, consultation, and review appropriate to each.

(b) Categorical Exclusions (CATEX). (1) A categorical exclusion (CATEX) is a category of actions which do not individually or cumulatively have a significant effect on the human environment, except under extraordinary circumstances (42 CFR 1508.4). Because they lack the potential for effect, they do not require detailed analysis or documentation under NEPA.

(i) Determining when to use a CATEX (screening criteria). To use a CATEX, the proponent must satisfy the following three screening conditions:

(A) The action has not been segmented. Determine that the action has not been segmented to meet the definition of a CATEX. Segmentation can occur when an action is broken down into small parts in order to avoid the appearance of significance of the total action. An action can be too narrowly defined, minimizing potential impacts in an effort to avoid a higher level of NEPA documentation. The scope of an action must include the consideration of connected, cumulative, and similar actions.

(B) No exceptional circumstances exist. Determine if the action involves extraordinary circumstances that would preclude the use of a CATEX (see paragraphs (b)(1)(ii)(A) through (xlv) of this section).

(C) One (or more) CATEX (See appendix A to part 200) encompasses the proposed action. Identify a CATEX (or multiple CATEXs) that potentially encompasses the proposed action. If no CATEX is appropriate, and the project is not exempted by statute or emergency provisions, an EA or an EIS must be prepared, before a proposed action may proceed.

(ii) Extraordinary circumstances that preclude the use of a CATEX are:

(A) Reasonable likelihood of significant effects on public health, safety, or the environment.

(B) Reasonable likelihood of significant environmental effects (direct, indirect, and cumulative).

(C) Imposition of uncertain or unique environmental risks.

(D) Greater scope or size than is normal for this category of action.

(E) Reportable releases of hazardous or toxic substances as specified in 40 CFR part 302.

(F) Releases of petroleum, oils, and lubricants, application of pesticides and herbicides, or where the proposed action results in the requirement to develop or amend a Spill Prevention, Control, or Countermeasures Plan.

(G) When a review of an action reveals that air emissions exceed de minimis levels or otherwise that a formal Clean Air Act conformity determination is required.

(H) Reasonable likelihood of violating any Federal, State, or local law or requirements imposed for the protection of the environment.
(I) Unresolved effect on environmentally sensitive resources, as defined in paragraph (b)(1)(iii) of this section.

(J) Involving effects on the quality of the environment that are likely to be highly controversial.

(K) Involving effects on the environment that are highly uncertain, involve unique or unknown risks, or are scientifically controversial.

(L) Establishes a precedent (or makes decisions in principle) for future or subsequent actions that are reasonably likely to have a future significant effect.

(M) Potential for degradation of already existing poor environmental conditions. Also, initiation of a degrading influence, activity, or effect in areas not already significantly modified from their natural condition.

(N) Introduction/employment of unproven technology.

(iii) If a proposed action would adversely affect "environmentally sensitive" resources, unless the impact has been resolved through another environmental process (e.g., CZMA, NHPA, CWA, etc.) a CATEX cannot be used. Environmentally sensitive resources include:

(A) Listed or proposed Federally listed, threatened, or endangered species or their designated or proposed critical habitats.

(B) Properties listed or eligible for listing on the National Register of Historic Places.

(C) Areas having special designation or recognition such as prime or unique agricultural lands; coastal zones; designated wilderness or wilderness study areas; wild and scenic rivers; National Historic Landmarks (designated by the Secretary of the Interior); 100-year floodplains; wetlands; sole source aquifers (potential sources of drinking water); National Wildlife Refuges; National Parks; areas of critical environmental concern; or other areas of high environmental sensitivity.

(iv) The use of a CATEX does not relieve the proponent from compliance with other statutes, such as RCRA, or consultations under the Endangered Species Act or the NHPA. Such consultations may be required to determine the applicability of the CATEX screening criteria.

(v) For those CATEXs that require documentation, a brief (one to two sentences) presentation of conclusions reached during screening should be included with the checklist. Checklists may be obtained from the Master Planner at 3700 North Capitol Street, NW., Washington, DC 20011.

(2) AFRH recognizes two types of CATEX:

(i) CATEX—does not require documentation unless the Master Planner determines that an extraordinary circumstance may exist, whereupon a CATEX—requires documentation must be prepared (see below). The likelihood of such a circumstance is judged to be so low that no specific environmental document is typically required.

(ii) CATEX—requires documentation that involves a cursory review to ensure that no extraordinary circumstances exist. For an action falling into such a category, a CATEX requiring documentation is completed to support a determination by the Master Planner, as to whether the action needs further review under NEPA. A CATEX documentation is developed and maintained by the Master Planner.

(3) CATEXs requiring and not requiring documentation are listed in appendix A of these regulations.

(c) Environmental Assessment (EA). (1) An Environmental Assessment (EA) is a concise public document prepared by or on behalf of AFRH that assists AFRH in deciding whether or not there may be significant effects requiring a more detailed Environmental Impact Statement. Actions typically requiring preparation of an EA are found in appendix B to part 200.

(2) The analysis required for an EA leads either to a Finding of No Significant Impact (FONSI) or a Notice of Intent (NOI) to prepare an Environmental Impact Statement. AFRH will prepare a FONSI in accordance with 40 CFR 1508.13, if the agency determines on the basis of the EA that there are no significant environmental effects and therefore, there is no need to prepare an Environmental Impact Statement. AFRH shall make the FONSI available to the affected public as specified in
§ 1506.6 Under certain limited circumstances, AFRH shall make the finding of no significant impact available for public review for 30 days before the agency makes its final determination whether to prepare an environmental impact statement and before the action may begin. The circumstances are:

(i) The proposed action is, or is closely similar to, one which normally requires the preparation of an environmental impact statement;

(ii) The nature of the proposed action is one without precedent; or

(iii) There is controversy associated with the environmental effects of the proposed action.

(d) Environmental Impact Statement (EIS). (1) An Environmental Impact Statement (EIS) is a detailed analysis and report, that presents the environmental effects of a proposed action and its reasonable alternatives. An EIS is prepared for any AFRH action that may have significant effects on the quality of the human environment. A Notice of Intent will be prepared and published in the FEDERAL REGISTER as soon as practicable after deciding to prepare an EIS. When a lengthy period of time will elapse between the decision to prepare the EIS and preparation of the EIS, the notice of intent should be published at a reasonable time prior to preparing the EIS.

(2) Certain AFRH actions are likely to have significant effects on the quality of the human environment, and hence typically require an EIS. These classes of action are listed in appendix C to part 200.

(3) When it appears that the action is likely to have significant effects on the quality of the human environment, AFRH will prepare an EIS. An action that typically requires an EIS is found in appendix C to part 200. An EA may be prepared to aid in deciding whether an EIS is needed, or the responsible official may decide to prepare an EIS without preparing an EA.

(4) Direction for preparing, circulating, finalizing, and using an EIS in decision making is found in the CEQ Regulations (40 CFR Parts 1500–1508).

(e) Supplemental statements. If an EA or an EIS has been completed and the AFRH goes to implement the action, but no action has been taken within four years of the completion of the EA or EIS, the AFRH will review the document to determine if circumstances have changed that would warrant a supplement to the original document. A supplemental statement will be provided to the decision maker to inform the decisions on whether and how to proceed with the proposed action and be maintained with the previous EA or EIS and related records for the proposed action.

§ 200.5 Coordination with other authorities.

(a) To the maximum extent feasible, NEPA review shall be coordinated with review of proposed actions under other environmental legal authorities, including but not limited to the Comprehensive Environmental Response,
Armed Forces Retirement Home

Compensation, and Liability Act (CERCLA); the National Historic Preservation Act (NHPA); the Endangered Species Act (ESA); Executive Orders 11988, 11990, and 13006; and other applicable authorities.

(b) In effecting such coordination, responsible AFRH officials will ensure that the substantive and procedural requirements of other environmental authorities are met, together with the requirements of NEPA. It will be explicitly understood that compliance with NEPA does not substitute for compliance with other environmental authorities, nor does compliance with such other authority substitute for compliance with NEPA.

§ 200.6 Public involvement.

(a) As part of its system for NEPA compliance, the COO and the Master Planner shall provide for levels and kinds of public involvement appropriate to the proposed action and its likely effects.

(b) Where a related authority provides specific procedures for public involvement, the responsible AFRH official shall ensure that such procedures where practicable in the process of NEPA review.

(c) Public involvement in the AFRH NEPA process shall have as its purpose the full disclosure of AFRH actions and alternatives to the public, within the constraints of AFRH program authorities, and giving the public a full opportunity to comment on the environmental effects of AFRH proposals.

(d) Pursuant to Executive Order 12898, special efforts will be made to involve members of potentially affected low-income and minority communities in NEPA review and decision-making. Such efforts may include, but are not limited to, special programs of community outreach, including cross-cultural programs, translations of pertinent documents, and ensuring that translators are available at public meetings.

(e) Information pertaining to AFRH actions and/or NEPA documentation can be obtained through the Master Planner at 3700 North Capital Street, NW, Washington, DC 20011.

§ 200.7 Cooperating agencies.

(a) Federal agencies with jurisdiction by law will be invited to serve as cooperating agencies and Federal agencies with special expertise may be invited to serve as cooperating agencies in the conduct of NEPA review of an AFRH proposed action.

(b) The responsible AFRH official will invite other Tribal, State, and local agencies to serve as cooperating agencies with subject matter jurisdiction or special expertise in the conduct of NEPA review of an AFRH proposed action.

§ 200.8 AFRH participation in NEPA compliance by other agencies.

(a) AFRH may participate in the NEPA process as a cooperating agency for another lead agency’s project, or as a commenter/reviewer of another agency’s NEPA document. AFRH may also participate in environmental studies carried out by non-Federal parties (for example, a local government conducting studies under a State environmental policy law) where such studies are relevant to AFRH’s interests or may be incorporated by AFRH into its own studies under NEPA. Where AFRH will be responsible for a decision on a project that is the subject of such a study, and has the authority to do so, AFRH will ensure that the study and its resulting documents meet the standards set forth in these regulations in coordination with the COO.

(b) As a cooperating agency, AFRH participates in the NEPA process as requested by the lead agency, in accordance with 40 CFR 1501.6 of the CEQ regulations. Tasks may include participating in meetings and providing specific information relevant to the matters over which it has jurisdiction by law or expertise.

(c) AFRH comments shall be prepared in consultation with, or by, the Master Planner.

(d) The responsible AFRH official may provide comments and/or reviews of another agency’s NEPA documents, and/or other Federal and State environmental documents.

(e) AFRH comments shall be provided in accordance with 40 CFR 1503.3.
APPENDIX A TO PART 200—CATEGORICAL EXCLUSIONS

A.1 PURPOSE

The purpose of Categorical Exclusions (CATEXs) is to limit extensive NEPA analysis to those actions that may be major Federal actions significantly affecting the quality of the human environment, thus saving time, effort, and taxpayer dollars.

A.2 DEFINITION

An action is categorically excluded from the requirement to prepare an EA or an EIS if it meets the following definition:

“Categorical exclusion” means a category of actions which do not individually or cumulatively have a significant effect on the human environment and which have been found to have no such effect in procedures adopted by a Federal agency in implementation of these regulations and for which, therefore, neither an environmental assessment nor an environmental impact statement is required. An agency may decide in its procedures or otherwise, to prepare environmental assessments for the reasons stated in §1508.9 even though it is not required to do so. Any procedures under this section shall provide for extraordinary circumstances in which a normally excluded action may have a significant environmental effect. (40 CFR 1508.4)

AFRH has identified two types of CATEXs:

1. The CATEX, which does not require documentation and requires completion of an environmental checklist.

A.3 CATEX—requires No Documentation

The following CATEXs require no documentation.

A.3(a) Granting a lease (i.e., outlease), an easement, license, permit (i.e., licenses to Federal entities), or other arrangements for Federal or non-Federal use of AFRH controlled real property, where such use will remain substantially the same in scope and intensity.

A.3(b) Extensions or renewals of leases, licenses, or permits (i.e., licenses to Federal entities) or succeeding leases, easements, licenses, permits whether AFRH is acting as grantor or grantee and there is no change in use of the facility.

A.3(c) Repair and alteration projects involving, but not adversely affecting, properties listed on or eligible for the National Register of Historic Places.

A.3(d) Repair to or replacement in kind of equipment or components in AFRH-controlled facilities without change in location, e.g., HVAC, electrical distribution systems, windows, doors or roof.

A.3(e) Disposal or other disposition of claimed or unclaimed personal property of deceased persons.

A.3(f) Supportive services that include health care and housing services, permanent housing placement, day care, nutritional services, collection of payment for services, short-term payments for rent/mortgage/utility costs, and assistance in gaining access to local, State, and Federal government benefits and services.

A.3(g) Normal personnel, fiscal, and administrative activities involving civilian personnel (recruiting, processing, paying, and records keeping).

A.3(h) Routine or minor facility maintenance, custodial, and groundskeeping activities such as window washing, lawn mowing, trash collecting, and snow removal that do not involve environmentally sensitive areas (such as eroded areas, wetlands, cultural sites, or areas with endangered/threatened species).

A.3(i) Environmental Site Assessment activities under RCRA and CERCLA.

A.3(j) Geological, geophysical, geochemical, and engineering surveys and mapping, including the establishment of survey markers.

A.3(k) Installation and operation of ambient air and noise monitoring equipment that does not include constructing or erecting towers.

A.3(l) Routine procurement of goods and services (complying with applicable procedures for sustainable or ‘green’ procurement) to support operations and infrastructure, including routine utility services and contracts.

A.3(m) Routine movement/relocations of residents on site.

A.4 CATEX Requiring Documentation

The following are categorical exclusions that require preparation of a checklist to ensure that no extraordinary circumstances exist that would require preparation of an EA or EIS. Checklists may be obtained from the Master Planner at 3700 North Capitol Street, NW., Washington, DC 20011.

A.4(a) Expansion or improvement of an existing facility where all of the following conditions are met:

A.4(a)(1) The structure and proposed use are substantially in compliance with local planning and zoning and any applicable State or Federal requirements.

A.4(a)(2) The proposed use will only slightly increase the number of motor vehicles at the facility.

A.4(a)(3) The site and the scale of construction are consistent with those of existing adjacent or nearby buildings; and

A.4(a)(4) There is no evidence of environmental controversy.

A.4(b) Transfer or disposal of real property to State or local agencies for preservation or protection of wildlife conservation and historic monument purposes.
A.4(c) Disposal of fixtures, related personal property, demountable structures, and transmission lines in accordance with management requirements.

A.4(d) Disposal of properties where the size, area, topography, and zoning are similar to existing surrounding properties and/or where current and reasonable anticipated uses are or would be similar to current surrounding uses (e.g., commercial store in a commercial strip, warehouse in an urban complex, office building in downtown area, row house or vacant lot in an urban area).

A.4(e) Demolition, removal and disposal of debris from the demolition or improvement of buildings and other structures neither on nor eligible for listing on the National Register of Historic Places and when under applicable regulations (i.e., removal of asbestos, polychlorinated biphenyls (PCBs), and other hazardous material) when other environmental laws and regulations will be satisfied prior to the demolition, removal and disposal.

A.4(f) Relocations and realignments of employees and/or residents from one geographic area to another that: Fall below the thresholds for reportable actions and do not involve related activities such as construction, renovation, or demolition activities that would otherwise require an EA or an EIS to impellent. This includes reorganization and reassignments with no changes in employee and/or resident status, and routine administrative reorganizations and consolidations.

APPENDIX C TO PART 200—Actions REquiring Environmental Impact Statement

The following actions are considered to be major Federal actions significantly affecting the quality of the human environment, and therefore must be the subjects of EIS, as indicates may have significant environmental effects:

C.1 Acquisition of space by Federal construction or lease construction, or expansion or improvement of an existing facility, where one or more of the following applies:

C.1(a) The structure and/or proposed use are not substantially consistent with local planning and zoning or any applicable State or Federal requirements.

C.1(b) The proposed use will substantially increase the number of motor vehicles at the facility.

C.1(c) The site and scale of construction are not consistent with those of existing adjacent or nearby buildings.

C.1(d) There is evidence of current or potential environmental controversy.

C.2 Space acquisition programs projected for a substantial geographical area (e.g., a metropolitan area) for a 3-to-5-year period or greater (Note: a Programmatic EIS is often appropriate here, from which subsequent EISs and EAs can be tiered).
