

§ 201.6

(h) Submitting a FOIA request shall be considered a commitment by the requestor to pay applicable fees required under § 201.8 unless the requestor seeks a waiver of fees. When making a request, you may specify a willingness to pay fees up to a specific amount.

(i) The FOIA does not require the Board to:

(1) Compile or create records solely for the purpose of satisfying a request for records.

(2) Provide records not yet in existence, even if such records may be expected to come into existence at some time in the future.

(3) Restore records destroyed or otherwise disposed of, except that the FOIA Officer must notify the requestor that the records have been destroyed or otherwise disposed of.

§ 201.6 Responsibility, form, and content of responses.

The Board's Executive Director or his/her designated FOIA Officer is authorized to grant or deny any request for a record and determine appropriate fees. When determining which records are responsive to a request, the Board will include only records in its possession as of the date of the request.

(a) If no records are responsive to the request, the FOIA Officer will notify the requestor in writing.

(b) When the FOIA Officer denies a request in whole or in part, he/she will notify the requestor in writing. The response will be signed by the FOIA Officer and will include:

(1) The name and title or position of the person making the denial;

(2) A brief statement of the reasons for the denial, including the FOIA exemption(s) that the FOIA Officer has relied on in denying the request; and

(3) A statement that the denial may be appealed under § 201.14 and a description of the requirements of that section.

(c) *Referrals.* When a request for a record not created by the Board is received, the Board shall refer the requestor to the issuing agency in writing, providing the address of the agency contact and the section(s) referred.

(d) *Timing of responses to requests sent to other agencies.* The Board shall provide, within the FOIA deadline, re-

sponses only to those parts of the request not referred.

(e) *Agreements on referrals.* The Board may make agreements with other agencies to eliminate the need for referrals for particular types of records.

§ 201.7 Timing of responses to requests.

(a) *General.* The Board shall normally respond to requests in the order of their receipt.

(b) *Acknowledgement of requests.* On receipt of a request, the Board shall send an acknowledgement letter or an e-mail confirming the requestor's agreement to pay fees under § 201.8 and providing a request number for future reference.

(c) *Time limits for responding to FOIA requests.* The Board shall make an initial determination to grant or deny a request for records within 20 days (excluding Saturday, Sunday and holidays) after the date of receipt of the request, as described in § 201.5(d), except as stated in paragraph (f) of this section. Once the Board determines whether it can grant a request entirely or in part, it shall notify the requestor in writing. The Board shall advise the requestor of any fees to be charged under § 201.8 and shall disclose records promptly on payment of the fees. Records disclosed in part shall be marked or annotated to show the amount of information deleted unless doing so would harm an interest protected by an applicable exemption. The location of the information deleted also shall be indicated on the record when technically feasible.

(d) *Unusual circumstances.* (1) If the statutory time limits for processing a request cannot be met because of "unusual circumstances" as defined in the FOIA (5 U.S.C. 552(6)(B)(iii)), the Board shall promptly notify the requestor in writing, explaining the circumstances and giving the date by which the request can be completed or if the Board cannot complete the request. If the extension is for more than 10 working days, the Board shall provide the requestor with an opportunity to:

(i) Modify the request so that it can be processed within the time limit; or

(ii) Arrange an alternative time period for processing the original request.
