§ 52.2059 Control strategy: Particulate matter.

(a) [Reserved]

(b) EPA approves the PM-10 attainment demonstration for the Liberty Borough Area of Allegheny County submitted by the Pennsylvania Department of Environmental Protection on January 6, 1994.

(c) Determination of Attainment. EPA has determined, as of August 25, 2008, the Harrisburg-Lancaster-Carlisle, Pennsylvania nonattainment area for the 1997 PM_{10} NAAQS has attained the 1997 PM_{10} NAAQS. This determination, in accordance with 40 CFR 51.1004(c), suspends the requirements for this area to submit an attainment demonstration and associated reasonably available measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as the area continues to attain the 1997 PM_{10} NAAQS.

(d) Determination of Clean Data. EPA has determined, as of September 25, 2009, the Johnstown (Cambria and Indiana Counties), Lancaster (Lancaster County), Reading (Berks County) and York (York County), Pennsylvania nonattainment areas have clean data for the 1997 PM_{2.5} NAAQS. This determination, in accordance with 40 CFR 52.1004(c), suspends the requirements for these areas to submit an attainment demonstration, associated reasonably available measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as these areas continue to meet the 1997 PM_{2.5} NAAQS.

(e) Determination of Clean Data. EPA has determined, as of March 29, 2012, that based on 2008 to 2010 ambient air quality data, the Harrisburg-Lebanon-Carlisle-York, Allentown, Johnstown, and Lancaster nonattainment areas have attained the 24-hour 2006 PM_{2.5} NAAQS. These determinations, in accordance with 40 CFR 51.1004(c), suspend the requirements for these areas to submit an attainment demonstration, associated reasonably available control measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as these areas continue to meet the 24-hour 2006 PM_{2.5} NAAQS.

(f) Determination of Attainment. EPA has determined, as of May 16, 2012, that based on 2007 to 2008 and 2008 to 2010 ambient air quality data, the Philadelphia-Wilmington, PA-NJ-DE nonattainment area has attained the 1997 annual PM_{2.5} NAAQS. This determination, in accordance with 40 CFR 51.1004(c), suspends the requirements for this area to submit an attainment demonstration, associated reasonably available measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as the area continues to meet the 1997 PM_{2.5} NAAQS.

§ 52.2058 Prevention of significant air quality deterioration.

(a) The requirements of sections 160 through 165 of the Clean Air Act are met by the regulations (25 PA Code §127.81 through 127.83) adopted by the Pennsylvania Environmental Resources on October 28, 1983. All PSD permit applications and requests for modifications thereto should be submitted to: Pennsylvania Department of Environmental Resources, Bureau of Air Quality Control, P.O. Box 8468, 400 Market Street, Harrisburg, Pennsylvania 17105. ATTN: Abatement and Compliance Division.

(b) [Reserved]

§ 52.2055 [Reserved]
available control measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as this area continues to meet the 1997 annual PM$_{2.5}$ NAAQS.

(g) **Determination of Attainment.** EPA has determined, as of October 12, 2012, that based on 2008 to 2010 and 2009 to 2011 ambient air quality data, the Pittsburgh-Beaver Valley fine particle (PM$_{2.5}$) nonattainment area has attained the 1997 annual PM$_{2.5}$ national ambient air quality standards (NAAQS). This determination, in accordance with 40 CFR 52.1004(c), suspends the requirements for the Pittsburgh-Beaver Valley PM$_{2.5}$ nonattainment area to submit an attainment demonstration, associated reasonably available control measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as this area continues to meet the 1997 annual PM$_{2.5}$ NAAQS. If EPA determines, after notice-and-comment rulemaking, that this area no longer meets the 1997 annual PM$_{2.5}$ NAAQS, the corresponding determination of attainment for that area shall be withdrawn.

(h) **Determination of Attainment.** EPA has determined, as of January 7, 2013, that based on 2008 to 2010 and 2009 to 2011 ambient air quality data, the Philadelphia-Wilmington, PA-NJ-DE fine particulate matter (PM$_{2.5}$) nonattainment area has attained the 2006 24-hour PM$_{2.5}$ national ambient air quality standards (NAAQS). This determination suspends the requirements for the Commonwealth of Pennsylvania to submit, for the Philadelphia-Wilmington, PA-NJ-DE PM$_{2.5}$ area, an attainment demonstration, associated reasonably available control measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as this area continues to meet the 2006 24-hour PM$_{2.5}$ NAAQS. If EPA determines, after notice-and-comment rulemaking, that this area no longer meets the 2006 24-hour PM$_{2.5}$ NAAQS, the corresponding determination of attainment for that area shall be withdrawn.

(i) **Determination of Attainment.** EPA has determined, as of October 25, 2013, based on quality-assured ambient air quality data for 2009 to 2011 and 2010 to 2012 ambient air quality data, that the Liberty-Clairton, PA nonattainment area has attained the 1997 annual fine particle (PM$_{2.5}$) national ambient air quality standards (NAAQS). This determination suspends the requirements for this area to submit an attainment demonstration, associated reasonably available control measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as this area continues to meet the 1997 annual PM$_{2.5}$ NAAQS. If EPA determines, after notice-and-comment rulemaking, that this area no longer meets the 1997 annual PM$_{2.5}$ NAAQS, the corresponding determination of attainment for that area shall be withdrawn.

(j) **Determination of Clean Data.** EPA has determined, as of May 2, 2014, that based on 2010–2012 ambient air quality data, the Pittsburgh-Beaver Valley, Pennsylvania fine particulate matter (PM$_{2.5}$) nonattainment area has attained the 2006 24-hour PM$_{2.5}$ national ambient air quality standards (NAAQS) and approves the motor vehicle emission budgets used for transportation conformity purposes. This determination suspends the requirements for the Pittsburgh-Beaver Valley, Pennsylvania PM$_{2.5}$ nonattainment area to submit an attainment demonstration, associated reasonably available control measures, a reasonable further progress plan, contingency measures, and other planning SIPs related to attainment of the standard for as long as this area continues to meet the 2006 24-hour PM$_{2.5}$ NAAQS. If EPA determines, after notice-and-comment rulemaking, that this area no longer meets the 2006 24-hour PM$_{2.5}$ NAAQS, the corresponding determination of attainment for that area shall be withdrawn.

§ 52.2060 Small Business Assistance Program.

On February 1, 1993, the Secretary of the Pennsylvania Department of Environmental Resources submitted a plan for the establishment and implementation of the Small Business Assistance Program as a state implementation plan (SIP) revision, as required by Title V of the Clean Air Act Amendments. EPA approved the Small Business Assistance Program on March 6, 1995, and made it part of the Pennsylvania SIP. As with all components of the SIP, Pennsylvania must implement the program as submitted and approved by EPA.

(60 FR 1741, Jan. 5, 1995)

§ 52.2061 Operating permits.

(a) Emission limitations and related provisions which are established in Pennsylvania operating permits as federally enforceable conditions shall be enforceable by EPA. EPA reserves the right to deem permit conditions not federally enforceable. Such a determination will be made according to appropriate procedures, and be based upon the permit, permit approval procedures, or permit requirements which do not conform with the operating permit program requirements or the requirements of EPA’s underlying regulations.

(b) Emission limitations and related provisions which are established in Pennsylvania general operating permits as federally enforceable conditions shall be enforceable by EPA. EPA reserves the right to deem general permit conditions not federally enforceable. Such a determination will be made according to appropriate procedures, and be based upon the general permit, general permit approval procedures, or general permit requirements which do not conform with the general operating permit program requirements or the requirements of EPA’s underlying regulations.

(61 FR 1741, Jan. 5, 1995)

§ 52.2062 Plan approvals.

(a) Emission limitations and related provisions which are established in Pennsylvania plan approvals as federally enforceable conditions shall be enforceable by EPA. EPA reserves the right to deem plan approval conditions not federally enforceable. Such a determination will be made according to appropriate procedures, and be based upon the plan approval, the relevant approval procedures, or plan requirements which do not conform with the plan approval program requirements or the requirements of EPA’s underlying regulations.

(b) Emission limitations and related provisions which are established in Pennsylvania general plan approvals as federally enforceable conditions shall be enforceable by EPA. EPA reserves the right to deem general plan approval conditions not federally enforceable. Such a determination will be made according to appropriate procedures, and be based upon the general plan approval, the relevant approval procedures, or plan requirements which do not conform with the general plan approval program requirements or the requirements of EPA’s underlying regulations.

(61 FR 1741, Jan. 5, 1995)

§ 52.2063 Original identification of plan section.

(a) This section identifies the original “Air Implementation Plan for the Commonwealth of Pennsylvania” and all revisions submitted by Pennsylvania that were federally approved prior to February 10, 2005. The information in this section is available in the 40 CFR, part 52, Volume 2 of 2 (§§ 52.1019 to the end of part 52) editions revised as of July 1, 2005 through July 1, 2011, and the 40 CFR, part 52, Volume 3 of 3 (§§ 52.2020 to the end of part 52) edition revised as of July 1, 2012.
