§ 101-26.106 Consolidation of requirements.

Full consideration shall be given to the consolidation of individual small volume requirements to enable the Government to benefit from lower prices normally obtainable through definite quantity contracts for larger volume procurements. This policy pertains to procurement from commercial sources either directly or through an intermediary agency and does not apply to GSA stock items or small volume requirements normally obtained from GSA customer supply centers. When it is practical, each agency shall establish procedures that will permit planned requirements consolidation on an agencywide basis. When it is impractical to plan requirements on an agencywide consolidated basis, the requirements consolidation effort may be limited to a bureau, to other agency segments, or to a program, if such limited consolidation will provide significant price advantages when procurement is effected on a volume basis. Requisitions for item requirements exceeding maximum order limitations in Federal Supply Schedule contracts shall be submitted to GSA in accordance with the applicable instructions in the respective schedules. Special buying services desired by agencies for

procurement of other consolidated item requirements shall be requested from GSA in accordance with § 101-26.102.

Subpart 101-26.2—Federal Requisitioning System

§ 101-26.200 Scope of subpart.

This subpart prescribes a uniform requisitioning and issue system for use in obtaining supplies and equipment from GSA, Department of Defense, and Veterans Administration sources.

[43 FR 19852, May 9, 1978]

§ 101-26.201 General.

This requisitioning and issue system is identified as the Federal Standard Requisitioning and Issue Procedures (FEDSTRIP) and is similar to and compatible with the Military Standard Requisitioning and Issue Procedures (MILSTRIP). The FEDSTRIP system provides GSA and other supply sources the means to automate the processing of requisitions. Detailed instructions required to implement FEDSTRIP are contained in the GSA Handbook, FEDSTRIP Operating Guide (FPMR 101-26.2), which is issued and maintained by the Commissioner, Federal Supply Service, GSA.

[43 FR 19852, May 9, 1978]

§ 101-26.202 Applicability.

The FEDSTRIP system shall be used by civilian agencies to requisition any item from GSA or to requisition any specifically authorized item from Department of Defense (DOD). Requisitions to the Veterans Administration (VA) should be submitted on punched cards in FEDSTRIP format or typed on Standard Form 147, Order for Supplies or Services.

[43 FR 19853, May 9, 1978]

§ 101-26.203 Activity address codes.

To obtain items through the FEDSTRIP system, each ordering activity is required to have an activity address code. The FEDSTRIP Operating Guide (FPMR 101-26.2) contains instructions to civilian agencies on requesting activity address codes. Once
