Subpart 101–30.1—General

SOURCE: 29 FR 16004, Dec. 1, 1964, unless otherwise noted.

§ 101–30.100 Scope of subpart.
This subpart defines the objectives of the Federal Catalog System, and assigns responsibilities for its operation. The basic principles and procedures of the Federal Catalog System are contained in published cataloging handbooks and manuals described in subpart 101–30.2.

§ 101–30.101 Definitions.
As used in this part 101–30, the following terms shall have the meanings set forth in this § 101–30.101.

§ 101–30.101–1 Civil agency item.
Civil agency item means an item of supply in the supply system of one or more civilian agencies, which is repetitively procured, stocked, or otherwise managed (includes direct delivery requirements as well as items stocked for issue).
[46 FR 35644, July 10, 1981]

§ 101–30.101–2 Item of supply.
Item of supply means an item of production that is purchased, cataloged, and assigned a national stock number by the Government. The item of supply is determined by the requirements of each Government agency’s supply system. The item of supply concept differentiates one item from another item in the Federal Catalog System. Each item of supply is expressed in and fixed by a national item identification number. An item of supply may be:
(a) A single item of production;
(b) Two or more items of production that are functionally interchangeable;
(c) A more precise quality controlled item than the regular item of production, or
(d) A modification of a regular item of production.
