§ 302-8.105

Subpart B—Extended Storage During Assignment to Isolated Locations in the Continental United States (CONUS)

§ 302-8.100 What is the policy for extended storage of HHG during assignment to isolated locations in CONUS?

Extended storage of HHG belonging to an employee transferred or a new appointee assigned to an official station at an isolated location in CONUS may be allowed only when it is clearly justified under the conditions in this part and is not primarily for the convenience, or at the request of, the employee or the new appointee.

§ 302-8.101 What are the criteria for determining whether an official station is an isolated official station for purposes of this part?

(a) As determined by your agency, an official station at an isolated location is a place of permanent duty assignment in CONUS at which you have no alternative except to live where you are unable to use your HHG because:

(1) The type of quarters you are required to occupy at the isolated official station will not accommodate your HHG; or

(2) Residence quarters which would accommodate your HHG are not available within reasonable daily commuting distance of the official station.

(b) The designation of an official station as isolated in accordance with paragraph (a) of this section shall not preclude a determination in individual instances that adequate housing is available for some employees stationed there based on housing which may be available within daily commuting distance and the size and other characteristics of each employee's immediate family. In such instances the station shall not be considered isolated with regard to you if your agency determines adequate family housing is available for you.

NOTE TO § 302-8.101: Heads of agencies concerned are responsible for designating the isolated official station at which conditions exist for allowing extended storage of HHG at Government expense for some or all employees.

§ 302-8.102 Am I eligible for extended storage of HHG and personal effects?

Yes, you are eligible for extended storage of HHG and personal effects if:

(a) You are stationed at an isolated official station which your agency determines meets the criteria in § 302-8.101;

(b) You performed relocation travel or travel as a new appointee; and

(c) Your agency authorizes payment for extended storage of your HHG.

§ 302-8.103 Where may my HHG be stored?

Your HHG may be stored either in:

(a) Available Government-owned storage space; or

(b) Suitable commercial storage space obtained by the Government if:

(1) Government-owned space is not available, or

(2) Commercial storage space is more economical or suitable because of location, transportation costs, or for other reasons.

§ 302-8.104 What are the allowable costs for storage?

Allowable costs for storage include the cost of:

(a) Necessary packing;

(b) Crating;

(c) Unpacking;

(d) Uncrating;

(e) Transportation to and from place of storage;

(f) Charges while in storage; and

(g) Other necessary charges directly relating to the storage as approved by your agency.

§ 302-8.105 May I transport a portion of my HHG to the official station and store the remainder at Government expense?

Yes, you may transport a portion of your HHG to the official station and store the remainder at Government expense, if authorized by your agency. The combined weight, however, of the HHG stored and transported must not exceed the maximum 18,000 pounds net weight.
