(2) Any institution for mental diseases that is not under the jurisdiction of those State authorities, and that provides services under Medicaid to beneficiaries aged 65 or older.

(d) Provisions required in an agreement. The agreement must specify the respective responsibilities of the agency and the authority or institution, including arrangements for—

(1) Joint planning between the parties to the agreement;

(2) Development of alternative methods of care;

(3) Immediate readmission to an institution when needed by a beneficiary who is in alternative care;

(4) Access by the agency to the institution, the beneficiary, and the beneficiary’s records when necessary to carry out the agency’s responsibilities;
