the chiropractor is legally authorized by the State to perform.

§ 440.70 Home health services.

(a) “Home health services” means the services in paragraph (b) of this section that are provided to a beneficiary—

(1) At his place of residence, as specified in paragraph (c) of this section; and

(2) On his or her physician’s orders as part of a written plan of care that the physician reviews every 60 days, except as specified in paragraph (b)(3) of this section.

(b) Home health services include the following services and items. Those listed in paragraphs (b)(1), (2) and (3) of this section are required services; those in paragraph (b)(4) of this section are optional.

(1) Nursing service, as defined in the State Nurse Practice Act, that is provided on a part-time or intermittent basis by a home health agency as defined in paragraph (d) of this section, or if there is no agency in the area, a registered nurse who—

(i) Is currently licensed to practice in the State;

(ii) Receives written orders from the patient’s physician;

(iii) Documents the care and services provided; and

(iv) Has had orientation to acceptable clinical and administrative recordkeeping from a health department nurse.

(2) Home health aide service provided by a home health agency,

(3) Medical supplies, equipment, and appliances suitable for use in the home.

(i) A beneficiary’s need for medical supplies, equipment, and appliances must be reviewed by a physician annually.

(ii) Frequency of further physician review of a beneficiary’s continuing need for the items is determined on a case-by-case basis, based on the nature of the item prescribed;

(4) Physical therapy, occupational therapy, or speech pathology and audiology services, provided by a home health agency or by a facility licensed by the State to provide medical rehabilitation services. (See §441.15 of this subchapter.)

(c) A beneficiary’s place of residence, for home health services, does not include a hospital, nursing facility, or intermediate care facility for individuals with intellectual disabilities, except for home health services in an intermediate care facility for individuals with Intellectual Disabilities that are not required to be provided by the facility under subpart I of part 483. For example, a registered nurse may provide short-term care for a beneficiary in an intermediate care facility for Individuals with Intellectual Disabilities during an acute illness to avoid the beneficiary’s transfer to a nursing facility.

(d) “Home health agency” means a public or private agency or organization, or part of an agency or organization, that meets requirements for participation in Medicare, including the capitalization requirements under §489.28 of this chapter.

(e) A “facility licensed by the State to provide medical rehabilitation services” means a facility that—

(1) Provides therapy services for the primary purpose of assisting in the rehabilitation of disabled individuals through an integrated program of—

(i) Medical evaluation and services; and

(ii) Psychological, social, or vocational evaluation and services; and

(2) Is operated under competent medical supervision either—

(i) In connection with a hospital; or

(ii) As a facility in which all medical and related health services are prescribed by or under the direction of individuals licensed to practice medicine or surgery in the State.

§ 440.80 Private duty nursing services.

Private duty nursing services means nursing services for beneficiaries who require more individual and continuous care than is available from a visiting nurse or routinely provided by the nursing staff of the hospital or skilled nursing facility. These services are provided—

(a) By a registered nurse or a licensed practical nurse;
(b) Under the direction of the beneficiary’s physician; and
(c) To a beneficiary in one or more of the following locations at the option of the State—
   (1) His or her own home;
   (2) A hospital; or
   (3) A skilled nursing facility.

§ 440.90 Clinic services.

Clinic services means preventive, diagnostic, therapeutic, rehabilitative, or palliative services that are furnished by a facility that is not part of a hospital but is organized and operated to provide medical care to outpatients. The term includes the following services furnished to outpatients:

(a) Services furnished at the clinic by or under the direction of a physician or dentist.
(b) Services furnished outside the clinic, by clinic personnel under the direction of a physician, to an eligible individual who does not reside in a permanent dwelling or does not have a fixed home or mailing address.

§ 440.100 Dental services.

(a) “Dental services” means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his profession, including treatment of—
   (1) The teeth and associated structures of the oral cavity; and
   (2) Disease, injury, or impairment that may affect the oral or general health of the beneficiary.

(b) “Dentist” means an individual licensed to practice dentistry or dental surgery.

§ 440.110 Physical therapy, occupational therapy, and services for individuals with speech, hearing, and language disorders.

(a) Physical therapy—(1) Physical therapy means services prescribed by a physician or other licensed practitioner of the healing arts within the scope of his or her practice under State law and provided to a beneficiary by or under the direction of a qualified physical therapist. It includes any necessary supplies and equipment.

   (2) A “qualified physical therapist” is an individual who meets personnel qualifications for a physical therapist at §484.4.

(b) Occupational therapy—(1) Occupational therapy means services prescribed by a physician or other licensed practitioner of the healing arts within the scope of his or her practice under State law and provided to a beneficiary by or under the direction of a qualified occupational therapist. It includes any necessary supplies and equipment.

   (2) A “qualified occupational therapist” is an individual who meets personnel qualifications for an occupational therapist at §484.4.

(c) Services for individuals with speech, hearing, and language disorders—(1) Services for individuals with speech, hearing, and language disorders means diagnostic, screening, preventive, or corrective services provided by or under the direction of a speech pathologist or audiologist, for which a patient is referred by a physician or other licensed practitioner of the healing arts within the scope of his or her practice under State law. It includes any necessary supplies and equipment.

   (2) A “speech pathologist” is an individual who meets one of the following conditions:

      (i) Has a certificate of clinical competence from the American Speech and Hearing Association.
      (ii) Has completed the equivalent educational requirements and work experience necessary for the certificate.
      (iii) Has completed the academic program and is acquiring supervised work experience to qualify for the certificate.

   (3) A “qualified audiologist” means an individual with a master’s or doctoral degree in audiology that maintains documentation to demonstrate that he or she meets one of the following conditions:

      (i) The State in which the individual furnishes audiology services meets or exceeds State licensure requirements in paragraph (c)(3)(i)(A) or (c)(3)(i)(B) of this section, and the individual is licensed by the State as an audiologist to furnish audiology services.
