(1) Protect the site's values, purposes, and resources, and public health and safety; and

(2) Prevent unreasonable disruption of the public's use and enjoyment.

(b) We may revoke your permit if you violate a permit condition.

§5.7 What are my liability and bonding requirements as a permit holder?

(a) *Liability.* In accepting a permit, you agree to be fully liable for any damage or injury incurred in connection with the permitted activity, and to indemnify and hold harmless the United States of America as a result of your actions. We may require you to obtain property damage, personal injury, commercial liability or public liability insurance in an amount sufficient to protect the United States from liability or other claims arising from activities under the permit. The insurance policy must name the United States of America as an additional insured.

§5.8 What expenses will I incur?

You must pay us a location fee and reimburse us for expenses that we incur, as required in this section.

(a) *Location fee.* (1) For commercial filming and still photography permits, we will require a reasonable location fee that provides a fair return to the United States.

(2) The location fee charged is in lieu of any entrance or other special use fees. However, the location fee is in addition to any cost recovery amount assessed in paragraph (b) of this section and represents a fee for the use of Federal lands and facilities and does not include any cost recovery.

(3) We will assess location fees in accordance with a fee schedule, which we will publish in the FEDERAL REGISTER and also make available on the internet and at agency field offices. The location fee does not include any cost recovery.

(b) *Cost recovery.* You must reimburse us for actual costs incurred in processing your request and administering your permit. We will base cost recovery charges upon our direct and indirect expenses including, but not limited to, administrative costs for application processing, preproduction meetings and other activities, on-site monitoring of permitted activities, and any site restoration.

§5.9 How long will it take to process my request?

We will process applications for commercial filming and still photography permits in a timely manner. Processing times will vary depending on the complexity of the proposed activity.
