

## § 5.44

(g) Performing any other special service that you request and we agree to—actual costs of operating any machinery, plus actual cost of any materials used, plus charges for the time of our employees, at the rates given in paragraph (a) of this section.

### § 5.44 Procedures for assessing and collecting fees.

(a) *Agreement to pay.* We generally assume that when you request records you are willing to pay the fees we charge for services associated with your request. You may specify a limit on the amount you are willing to spend. We will notify you if it appears that the fees will exceed the limit and ask whether you nevertheless want us to proceed with the search.

(b) *Advance payment.* If you have failed to pay previous bills in a timely fashion, or if our initial review of your request indicates that we will charge you fees exceeding \$250, we will require you to pay your past due fees and/or the estimated fees, or a deposit, before we start searching for the records you want. If so, we will let you know promptly upon receiving your request. In such cases, the administrative time limits prescribed in § 5.35 of the part (i.e., ten working days from receipt of initial requests and 20 working days from receipt of appeals from initial denials, plus permissible extensions of these time limits) will begin only after we come to an agreement with you over payment of fees, or decide that fee waiver or reduction is appropriate.

(c) *Billing and payment.* We will normally require you to pay all fees before we furnish the records to you. We may, at our discretion, send you a bill along with or following the furnishing of the records. For example, we may do this if you have a history of prompt payment. We may also, at our discretion, aggregate the charges for certain time periods in order to avoid sending numerous small bills to frequent requesters, or to businesses or agents representing requesters. For example, we might send a bill to such a requester once a month. Fees should be paid in accordance with the instructions furnished by the person who responds to your requests.

## 45 CFR Subtitle A (10–1–14 Edition)

### § 5.45 Waiver or reduction of fees.

(a) *Standard.* We will waive or reduce the fees we would otherwise charge if disclosure of the information meets both of the following tests:

(1) It is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, and

(2) It is not primarily in the commercial interest of the requester.

These two tests are explained in paragraphs (b) and (c) of this section.

(b) *Public interest.* The disclosure passes the first test only if it furthers the specific public interest of being likely to contribute significantly to public understanding of government operations or activities, regardless of any other public interest it may further. In analyzing this question, we will consider the following factors.

(1) How, if at all, do the records to be disclosed pertain to the operations or activities of the Federal Government?

(2) Would disclosure of the records reveal any meaningful information about government operations or activities? Can one learn from these records anything about such operations that is not already public knowledge?

(3) Will the disclosure advance the understanding of the general public as distinguished from a narrow segment of interested persons? Under this factor we may consider whether the requester is in a position to contribute to public understanding. For example, we may consider whether the requester has such knowledge or expertise as may be necessary to understand the information, and whether the requester's intended use of the information would be likely to disseminate the information among the public. An unsupported claim to be doing research for a book or article does not demonstrate that likelihood, while such a claim by a representative of the news media is better evidence.

(4) Will the contribution to public understanding be a significant one? Will the public's understanding of the government's operations be substantially greater as a result of the disclosure?

(c) *Not primarily in the requester's commercial interest.* If the disclosure passes
