[36 FR 22238, Nov. 23, 1971, as amended at 51 FR 9206, Mar. 18, 1986]

§ 234.60 Protective, vendor and two-party payments for dependent children.

(a) *State plan requirements.* (1) If a State plan for AFDC under title IV-A of the Social Security Act provides for protective, vendor and two-party payments for cases other than failure to participate in the Job Opportunities and Basic Skills Training (JOBS) Program under § 250.34(d), or failure by the caretaker relative to meet the eligibility requirements of § 232.11, 232.12, or 232.13 of this chapter. It must meet the requirements in paragraphs (a) (2) through (11) of this section. In addition, the plan may provide for protec-

tive, vendor, and two-party payments at the request of recipients as provided in paragraph (a)(14) of this section.

(2)(i) Methods will be in effect to identify children whose relatives have demonstrated such an inability to manage funds that payments to the relative have not been or are not currently used in the best interest of the child. This means that the relative has misused funds to such an extent that allowing him or her to manage the AFDC grant is a threat to the health or safety of the child.

(ii) States will establish criteria to determine if mismanagement exists. Under this provision, States may elect to use as one criterion a presumption of mismanagement based on a recipient's nonpayment of rent.

(iii) Under State agency procedures, the recipient shall be notified whenever a creditor requests a protective, vendor, or two-party payment for mismanagement on the basis of nonpayment of bills.

(iv) The recipient shall be notified by the agency of a decision not to use a protective, vendor, or two-party payment if such payment has been requested by a creditor.

(v) A statement of the specific reasons that demonstrate the need for making protective, vendor, and two-party payments must be placed in the file of the child involved.

(3) Criteria will be established to identify the circumstances under which protective, vendor, or two-party payments will be made in whole or in part to:

(i) Another individual who is interested in or concerned with the welfare of the child or relative; or

(ii) A person or persons furnishing food, living accommodations or other goods, services, or items to or for the child, relative, or essential person.

(4) Procedures will be established for making protective, vendor, or two-party payments. Under this provision, part of the payment may be made to the family and part may be made to a protective payee or to a vendor, or part may be made in the form of two-party payments, i.e., checks which are drawn jointly to the order of the recipient and the person furnishing goods, services,
