

§ 286.250

45 CFR Ch. II (10–1–12 Edition)

§ 286.250 What definitions apply to this subpart?

(a) Except as provided in paragraph (b) of this section, the general TANF definitions at §§ 286.5 and 286.10 apply to this subpart.

(b) For data collection and reporting purposes only, “TANF family” means:

(1) All individuals receiving assistance as part of a family under the Tribe’s TANF program; and

(2) The following additional persons living in the household, if not included under paragraph (b)(1) of this section:

(i) Parent(s) or caretaker relative(s) of any minor child receiving assistance;

(ii) Minor siblings of any child receiving assistance; and

(iii) Any person whose income or resources would be counted in determining the family’s eligibility for or amount of assistance.

§ 286.255 What quarterly reports must the Tribe submit to us?

(a) *Quarterly reports.* Each Tribe must collect on a monthly basis, and file on a quarterly basis, the data specified in the Tribal TANF Data Report and the Tribal TANF Financial Report.

(b) *Tribal TANF Data Report.* The Tribal TANF Data Report consists of three sections. Two sections contain disaggregated data elements and one section contains aggregated data elements.

(1) *TANF Data Report: Disaggregated Data—Sections one and two.* Each Tribe must file disaggregated information on families receiving TANF assistance (section one) and families no longer receiving TANF assistance (section two). These two sections specify identifying and demographic data such as the individual’s Social Security Number; and information such as the type and amount of assistance received, educational level, employment status, work participation activities, citizenship status, and earned and unearned income. These reports also specify items pertaining to child care and child support. The data requested cover adults (including non-custodial parents who are participating in work activities) and children.

(2) *TANF Data Report: Aggregated Data—Section three.* Each Tribe must

file aggregated information on families receiving, applying for, and no longer receiving TANF assistance. This section of the Report asks for aggregate figures in the following areas: the total number of applications and their disposition; the total number of recipient families, adult recipients, and child recipients; the total number of births, out-of-wedlock births, and minor child heads-of-households; the total number of non-custodial parents participating in work activities; and the total amount of TANF assistance provided.

(c) *The Tribal TANF Financial Report.* Each Tribe must file quarterly expenditure data on the Tribe’s use of Tribal Family Assistance Grant funds, any Tribal fund expenditures which are being substituted for TFAG funds withheld due to a penalty, and any State contributions. The report must be submitted on a form prescribed by ACF.

§ 286.260 May Tribes use sampling and electronic filing?

(a) Each Tribe may report disaggregated data on all recipient families (universal reporting) or on a sample of families selected through the use of a scientifically acceptable sampling method. The sampling method must be approved by ACF in advance of submitting reports.

(1) Tribes may not use a sample to generate the aggregated data.

(2) [Reserved]

(b) “Scientifically acceptable sampling method” means a probability sampling method in which every sampling unit has a known, non-zero chance to be included in the sample, and the sample size requirements are met.

(c) Each Tribe may file quarterly reports electronically, based on format specifications that we will provide. Tribes who do not have the capacity to submit reports electronically may submit quarterly reports on a disk or in hard copy.

§ 286.265 When are quarterly reports due?

(a) Upon a Tribe’s initial implementation of TANF, the Tribe shall begin collecting data for the TANF Data Report as of the date that is six months after the initial effective date of its
