from mandatory disclosure pursuant to section 552(b) of the FOIA and §1602.9. Such records will not be made available in the public reading room. Other records maintained in the public reading room may be edited by the deletion of identifying details concerning individuals to prevent a clearly unwarranted invasion of personal privacy. In such cases, the record shall have attached to it a full explanation of the deletion. The extent of the deletion shall be indicated, unless doing so would harm an interest protected by the exemption under which the deletion is made. If technically feasible, the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) Records required by the FOIA to be maintained and made available in the public reading room that are created by the Corporation on or after November 1, 1996, shall be made available electronically.
