

§ 11.604 Requirements for an STCW endorsement for Global Maritime Distress and Safety System (GMDSS) radio operators.

Each applicant for an original endorsement must present a certificate of completion from a Coast Guard-approved course for operator of radio in the GMDSS meeting the requirements of Section A-IV/2 of the STCW Code (incorporated by reference, see § 11.102 of this part).

Subpart G—Professional Requirements for Pilots

§ 11.701 Scope of pilot endorsements.

(a) An applicant for an endorsement as first-class pilot need not hold any other officer endorsement issued under this part.

(b) The issuance of an endorsement as first-class pilot to an individual qualifies that individual to serve as pilot over the routes specified on the endorsement, subject to any limitations imposed under paragraph (c) of this section.

(c) The OCMI issuing an endorsement as first-class pilot imposes appropriate limitations commensurate with the experience of the applicant, with respect to class or type of vessel, tonnage, route, and waters.

(d) A license or MMC endorsement issued for service as a master, mate, or operator of uninspected towing vessels authorizes service as a pilot under the provisions of § 15.812 of this subchapter. Therefore, first-class pilot endorsements will not be issued with tonnage limitations of 1,600 GRT or less.

§ 11.703 Service requirements.

(a) The minimum service required to qualify an applicant for an endorsement as first-class pilot is predicated upon the nature of the waters for which pilotage is desired.

(1) *General routes (routes not restricted to rivers, canals and small lakes.* The applicant must have at least 36 months of service in the deck department of self-propelled vessels navigating on oceans, coastwise, and Great Lakes, or bays, sounds, and lakes other than the Great Lakes, as follows:

(i) Eighteen months of the 36 months of service must be performing bridge

watchkeeping duties under the supervision of the master or a qualified officer.

(ii) At least 12 months of the 18 months of service required in paragraph (a)(1)(i) of this section must be on vessels operating on the class of waters for which pilotage is desired.

(2) *River routes.* The applicant must have at least 36 months of service in the deck department of any vessel including at least 12 months of service on vessels operating on the waters of rivers while the applicant is performing bridge watchkeeping duties under the supervision of the master or a qualified officer.

(3) *Canal and small lakes routes.* The applicant must have at least 24 months of service in the deck department of any vessel including at least 8 months of service on vessels operating on canals or small lakes.

(b) A graduate of the Great Lakes Maritime Academy in the deck class meets the service requirements of this section for an endorsement as first-class pilot on the Great Lakes.

(c) Completion of an approved or accepted pilot training course may be substituted for a portion of the service requirements of this section in accordance with § 10.404 of this subchapter. Additionally, roundtrips made during this training may apply toward the route familiarization requirements of § 11.705 of this subpart. An individual using substituted service must have at least 9 months of shipboard service.

(d) An individual holding a license or MMC endorsement as master or mate of inspected self-propelled vessels of more than 1,600 GRT meets the service requirements of this section for an endorsement as first-class pilot.

§ 11.705 Route familiarization requirements.

(a) The Officer in Charge, Marine Inspection (OCMI) has jurisdiction and determines within the range limitations specified in this section, the number of roundtrips required to qualify an applicant for a particular route, considering the following:

(1) The geographic configuration of the waterway.

(2) The type and size of vessels using the waterway.
