To cite the regulations in this volume use title, part and section number. Thus, 46 CFR 501.1 refers to title 46, part 501, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16..............................................................as of January 1
Title 17 through Title 27.................................................................as of April 1
Title 28 through Title 41.................................................................as of July 1
Title 42 through Title 50.............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, October 1, 2014), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a placeholder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume. The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

They shall be construed to secure the just, speedy, and inexpensive determination of every proceeding. (Rule 1.)

(b) Date and time of filing. (1) Documents may be hand-delivered at the Commission during normal business hours from 8:30 a.m. to 5 p.m., Monday through Friday.

(2) Except with respect to initial filing of complaints pursuant to §§502.62 and 502.63, and claims pursuant to §§502.301 and 502.302, the date of filing shall be either the date on which the pleading, document, or paper is physically delivered to the Commission by a party, the date on which a party certifies it to have been deposited in the mail or delivered to a courier, or the date of e-mail transmission.

(c) Place of filing. Except for exhibits filed pursuant to §502.118(b)(4) and petitions for review of final agency orders served on the Commission pursuant to 28 U.S.C. 2112(a), all documents required to be filed in, and correspondence relating to proceedings governed by this part must be addressed and delivered to “Secretary, Federal Maritime Commission, 800 N. Capitol Street, NW., Washington, DC 20573-0001.”

(e) Number of copies. Parties filing documents in proceedings before the Commission or an administrative law judge must file an original, signed document and five (5) copies, and, if possible, a PDF of the document. The PDF document should be sent by e-mail to secretary@fmc.gov or submitted on an electronic storage device (such as compact disc or USB flash drive).

(f) E-mail transmission of filings. (1) Initial filing of complaints and claims pursuant to §§502.62–502.63 and 502.301–502.302 must be accomplished in the traditional manner on paper, rather than by e-mail.

(2) Pursuant to §502.5 of this subpart, confidential filings must be accomplished in the traditional manner on paper, rather than by e-mail.

(3) If a filing is submitted electronically as a PDF attached to an e-mail, the original, signed document, and five (5) copies must be received by the Secretary within seven working days. The e-mail transmitting the PDF copy of a document must include a certification by the filing party that the electronic copy is a true and correct copy of the paper original, and that the paper signed original and five (5) copies are being filed with the Secretary of the Commission. The e-mail Subject Line must include the docket number of the proceeding and be sent to secretary@fmc.gov.

(g) Filing after announcement of Commission meeting prohibited. No filings relating to matters scheduled for a Commission meeting will be accepted by the Secretary if submitted subsequent to public announcement of the particular meeting, except that the Commission, on its own initiative, or pursuant to a written request, may in its discretion, permit a departure from this limitation for exceptional circumstances. (See §503.82(e) of this chapter.)

(h) Return of rejected filings. Any pleading, document, writing, or other paper submitted for filing which is rejected because it does not conform to the rules in this part will be returned to the sender.

(i) Continuing obligation to provide contact information. All parties and representatives are under a continuing obligation to provide the Commission and all other parties in a proceeding with accurate and current contact information including a street address, telephone number, and e-mail address.

(j) Form of documents. All papers to be filed under the rules in this part must be clear and legible, dated, show the docket number and title of the proceeding, document title, and include the title, if any, and address of the authorized signer or representative. An original signed in ink must be provided. Text shall appear on only one side of the paper and must be double spaced except that quotations of fifty or more words should be single-spaced.
§ 502.3 Compliance with rules or orders of Commission.

Persons named in a rule or order shall notify the Commission during business hours on or before the day on which such rule or order becomes effective whether they have complied therewith, and if so, the manner in which compliance has been made. [Rule 3.]

[76 FR 10259, Feb. 24, 2011]

§ 502.4 Authentication of rules or orders of Commission.

All rules or orders issued by the Commission in any proceeding covered by this part shall, unless otherwise specifically provided, be signed by the Secretary of the Commission in the name of the Commission. [Rule 4.]

[76 FR 10260, Feb. 24, 2011]

§ 502.5 Documents containing confidential materials.

Except as otherwise provided in the rules of this part, all filings that contain information previously designated as confidential pursuant to §§ 502.13, 502.167, 502.201(i)(1)(vii), or any other rules of this part or for which a request for protective order pursuant to § 502.201(i) is pending, are subject to the following requirements:

(a) Filings shall be accompanied by a transmittal letter that identifies the filing as “confidential” and describes the nature and extent of the authority for requesting confidential treatment. The confidential copies shall consist of the complete filing and shall include a cover page marked “Confidential-Restricted,” with the confidential materials clearly marked on each page. Confidential filings should not be made by e-mail.

(b) Whenever a confidential filing is submitted, there must also be submitted an original and two copies of a public version of the filing. Such public version shall exclude confidential materials, and shall indicate on the cover page and on each affected page “confidential materials excluded.” Public versions of confidential filings may be submitted by e-mail.

(c) Confidential treatment afforded by this section is subject to the proviso that any information designated as confidential may be used by the administrative law judge or the Commission if deemed necessary to a correct decision in the proceeding. [Rule 5.]

§ 502.6 Verification of documents.

(a) If a party is represented by an attorney or other person qualified to practice before the Commission under the rules in this part, each pleading,
document or other paper of such party filed with the Commission shall be signed by at least one person of record admitted to practice before the Commission in his or her individual name, whose address shall be stated. Except when otherwise specifically provided by rule or statute, such pleading, document or paper need not be verified or accompanied by affidavit. The signature of a person admitted or qualified to practice before the Commission constitutes a certificate by the signer that the signer has read the pleading, document or paper; that the signer is authorized to file it; that to the best of the signer's knowledge, information, and belief formed after reasonable inquiry, the filing is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; and that it is not interposed for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation. For a willful violation of this section, a person admitted or qualified to practice before the Commission may be subjected to appropriate disciplinary action.

(b) If a party is not represented by a person admitted or qualified to practice before the Commission, each pleading, document or other paper of such party filed with the Commission shall be signed and verified under oath by the party or by a duly authorized officer or agent of the party, whose address and title shall be stated.

(c) Wherever, under any rules of this part, any matter is required or permitted to be supported, evidenced, established, or proved by the sworn declaration, certificate, statement, oath, or affidavit, in writing of the person making the same (other than a deposition under §502.203 or §502.204), such matter may, with like force and effect, be supported, evidenced, established, or proved by the unsworn declaration, certificate, verification, or statement, in writing of such person which is subscribed by such person, as true under penalty of perjury, in substantially the following form:

1. If executed without the United States: “I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.”

2. If executed within the United States, its territories, possessions, or commonwealths: “I declare (or certify, verify, or state) under penalty of perjury that the foregoing is true and correct.” [Rule 6.]

§502.7 Documents in foreign languages.

Every document, exhibit, or other paper written in a language other than English and filed with the Commission or offered in evidence in any proceeding before the Commission under this part or in response to any rule or order of the Commission pursuant to this part, shall be filed or offered in the language in which it is written and shall be accompanied by an English translation thereof duly verified under oath to be an accurate translation. [Rule 7.]

§502.8 Denial of applications and notice thereof.

Except in affirming a prior denial or where the denial is self-explanatory, prompt written notice will be given of the denial in whole or in part of any written application, petition, or other request made in connection with any proceeding under this part, such notice to be accompanied by a simple statement of procedural or other grounds for the denial, and of any other or further administrative remedies or recourse applicant may have where the denial is based on procedural grounds. [Rule 8.]

§502.9 Suspension, amendment, etc., of rules in this part.

The rules in this part may, from time to time, be suspended, amended, or revoked, in whole or in part. Notice of any such action will be published in the Federal Register. [Rule 9.]

§502.10 Waiver of rules in this part.

Except to the extent that such waiver would be inconsistent with any statute, any of the rules in this part, except §§502.11 and 502.153, may be waived.
§ 502.11  Ex parte communications.

(a) No person who is a party to or an agent of a party to any proceeding as defined in § 502.61 or who directly participates in any such proceeding and no interested person outside the Commission shall make or knowingly cause to be made to any Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any such proceeding, an ex parte communication relevant to the merits of the proceeding;

(b) No Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any agency proceeding, shall make or knowingly cause to be made to any interested persons outside the Commission or to any party to the proceeding or its agent or to any direct participant in a proceeding, an ex parte communication relevant to the merits of the proceeding. This prohibition shall not be construed to prevent any action authorized by paragraphs (e), (f) and (g) of this section;

(c) “Ex parte communication” means an oral or written communication not on the public record with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports or communications regarding purely procedural matters or matters which the Commission or member thereof, administrative law judge, or Commission employee is authorized by law or these rules to dispose of on an ex parte basis;

(d) Any Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any proceeding who receives, or who makes or knowingly causes to be made, an ex parte communication shall promptly transmit to the Secretary of the Commission:

1. All such written communications;
2. Memoranda stating the substance of all such oral communications; and
3. All written responses and memoranda stating the substance of all oral responses to the materials described in paragraphs (d)(1) and (d)(2) of this section;

(e) The Secretary shall place the materials described in paragraph (d) of this section in the correspondence part of the public docket of the proceeding and may take such other action as may be appropriate under the circumstances;

(f) Upon receipt of an ex parte communication knowingly made or knowingly caused to be made by a party to a proceeding, the Commission or the presiding officer may, to the extent consistent with the interests of justice and the policy of the statutes administered by the Commission, require the party to show cause why his or her claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of the making of such communication;

(g) An ex parte communication shall not constitute a part of the record for decision. The Commission or the presiding officer may, to the extent consistent with the interests of justice and the policy of the statutes administered by the Commission, consider a violation of paragraph (b) of this section sufficient grounds for a decision adverse to a party who has knowingly caused such violation to occur and may take such other action as may be appropriate under the circumstances. [Rule 11.]

In proceedings under this part, for situations which are not covered by a specific Commission rule, the Federal Rules of Civil Procedure will be followed to the extent that they are consistent with sound administrative practice. [Rule 12.]
§ 502.13 Privacy protection for filings made with the Commission.

(a) Redacted filings. Unless the Commission or presiding officer orders otherwise, in an electronic or paper filing that contains an individual’s social-security number, taxpayer-identification number, or birth date, the name of an individual known to be a minor, or a financial-account number, a party or nonparty making the filing may include only:

(1) The last four digits of the social-security number and taxpayer-identification number;
(2) The year of the individual’s birth;
(3) The minor’s initials; and
(4) The last four digits of the financial-account number.

(b) Exemptions from the redaction requirement. The redaction requirement does not apply to the following:

(1) The record of an administrative or agency proceeding;
(2) The record of a state-court proceeding;
(3) The record of a court or tribunal, if that record was not subject to the redaction requirement when originally filed; and
(4) A filing covered by paragraph (c) of this section.

(c) Filings made under seal. The Commission or presiding officer may order that a filing be made under seal without redaction. The Commission or presiding officer may later unseal the filing or order the person who made the filing to file a redacted version for the public record.

(d) Protective orders. For good cause, the Commission or presiding officer may by order in a case:

(1) Require redaction of additional information; or
(2) Limit or prohibit a nonparty’s remote electronic access to a document filed with the Commission.

(e) Option for additional unredacted filing under seal. A person making a redacted filing may also file an unredacted copy under seal. The Commission must retain the unredacted copy as part of the record.

(f) Option for filing a reference list. A filing that contains redacted information may be filed together with a reference list that identifies each item of redacted information and specifies an appropriate identifier that uniquely corresponds to each item listed. The list must be filed under seal and may be amended as of right. Any reference in the case to a listed identifier will be construed to refer to the corresponding item of information.

(g) Waiver of protection of identifiers. A person waives the protection of this rule as to the person’s own information by filing it without redaction and not under seal. [Rule 13.]

Subpart B—Appearance and Practice Before the Commission

§ 502.21 Appearance.

(a) Parties. A party may appear in person or by an officer, partner, or regular employee of the party, or by or with counsel or other duly qualified representative, in any proceeding under the rules in this part. Any party or his or her representative may testify, produce and examine witnesses, and be heard upon brief and at oral argument if oral argument is granted.

(b) Non-parties. One who appears in person before the Commission or a representative thereof, either by compulsion from, or request or permission of the Commission, shall be accorded the right to be accompanied, represented, and advised by counsel.

(c) Special appearance. An appearance may be either general, that is, without reservation, or it may be special, that is, confined to a particular issue or question. A person who desires to appear specially must expressly so state when entering the appearance, and, at that time, shall also state the questions or issues to which the appearance is confined; otherwise the appearance will be considered general. [Rule 21.]

49 FR 44369, Nov. 6, 1984, as amended at 64 FR 7807, Feb. 17, 1999; 78 FR 45069, July 26, 2013

§ 502.22 Authority for representation.

Any individual acting in a representative capacity in any proceeding before the Commission may be required to show his or her authority to act in such capacity. [Rule 22.]
§ 502.23 Notice of appearance; substitution and withdrawal of representative.

(a) Upon filing of a complaint instituting proceedings or filing of an answer to an order or complaint, the party filing shall notify the Commission of the name(s), address(es), telephone number(s), and email address(es) of the person or persons who will represent the party in the pending proceeding. Each person who appears in a representative capacity in a proceeding must deliver a written notice of appearance to the Secretary stating for whom the appearance is made. Such notice must indicate whether the representative wishes to be notified of notices, orders and decisions by either email or facsimile transmission. All appearances shall be noted in the record. Motions for leave to intervene must indicate the name(s), address(es), telephone number(s), and email address(es) of the person or persons who will represent the intervenor in the pending proceeding if the motion is granted.

(b) A Notice of Appearance should follow the form set forth in Exhibit No. 1 to this subpart.

(c) An attorney must represent in the Notice of Appearance that he is admitted to practice and in good standing. A non-attorney must describe his or her authority to act in such capacity.

(d) If an attorney or other representative of record is superseded, there shall be filed a stipulation of substitution signed both by the attorney(s) or representative(s) and by the party, or a written notice from the party to the Commission with a Notice of Appearance included. Substitution of counsel or representative will not, by itself, be considered good cause for delaying a proceeding.

(e) If an attorney wishes to withdraw from representing a party, and written consent is not obtained, or if the party is not otherwise represented, the withdrawing attorney shall file an appropriate motion seeking permission to withdraw and provide appropriate reasons for making the motion. Such motion will be decided in consideration of the factors and standards set forth in Rule 1.16 of the American Bar Association’s Model Rules of Professional Conduct and by the courts. [Rule 23.]

§ 502.24 Practice before the Commission defined.

(a) Practice before the Commission shall be deemed to comprehend all matters connected with the presentation of any matter to the Commission, including the preparation and filing of necessary documents, and correspondence with and communications to the Commission, on one’s own behalf or representing another. (See §502.32).

(b) The term “Commission” as used in this subpart includes any bureau, division, office, branch, section, or unit of the Federal Maritime Commission and any officer or employee of such bureau, division, office, branch, section, or unit. [Rule 24.]

To arrange and give notice of hearing; sign and issue subpoenas authorized by law; take or cause depositions to be taken; rule upon proposed amendments or supplements to pleadings; and, delineate the scope of a proceeding instituted by order of the Commission by amending, modifying, clarifying, or interpreting said order.

(2) Alternative means of dispute resolution and conferences for settlement or simplification of issues. To inform the parties as to the availability of one or more alternative means of dispute resolution, encourage use of such methods, and require consideration of their use at an early state of the proceeding; hold conferences for the settlement or simplification of the issues by consent of the parties or by the use of alternative means of dispute resolution; transmit the request of parties for the
appointment of a mediator or settlement judge, as provided by §502.91; and require the attendance at any such conference pursuant to 5 U.S.C 556(c)(8), of at least one representative of each party who has authority to negotiate concerning resolution of issues in controversy.

(3) Hearings, evidence, procedural requests, motions, oaths and affirmations, and witnesses. To regulate the course of a hearing; prescribe the order in which evidence shall be presented; dispose of procedural requests or similar matters; hear and rule upon motions; administer oaths and affirmations; examine witnesses; direct witnesses to testify or produce evidence available to them; rule upon offers of proof and receive relevant, material, reliable, and probative evidence; act upon motions to intervene; permit submission of facts, arguments, offers of settlement, and proposals of adjustment; and, if the parties so request, issue formal opinions providing tentative evaluations of the evidence submitted; hear oral argument at the close of the testimony.

(4) Time management and other matters. To fix the time for filing briefs, motions, and other documents to be filed in connection with hearings and the administrative law judge’s decision thereon, except as otherwise provided by the rules in this part; act upon petitions for enlargement of time to file such documents, including answers to formal complaints; and dispose of any other matter that normally and properly arises in the course of proceedings.

(5) Exclusion of persons from a hearing. To exclude any person from a hearing for disrespectful, disorderly, or inappropriate language or conduct.

[Rule 187.]

(4) Designation of administrative law judge. An administrative law judge will be designated by the Chief Administrative Law Judge to preside at hearings required by statute, in rotation so far as practicable, unless the Commission or one or more members thereof shall preside, and will also preside at hearings not required by statute when designated to do so by the Commission.

(e) Attachment of functions. In proceedings handled by the Office of Administrative Law Judges, its functions shall attach:

If the presiding officer assigned to a proceeding becomes unavailable, the Commission, or Chief Judge (if such presiding officer was an administrative law judge), shall designate a qualified officer to take his or her place. Any motion predicated upon the substitution of a new presiding officer for one originally designated shall be made within ten (10) days after notice of such substitution.

(g) Disqualification of presiding or participating officer. Any presiding or participating officer may at any time withdraw if he or she deems himself or herself disqualified, in which case there will be designated another presiding officer. If a party to a proceeding, or its representative, files a timely and sufficient affidavit of personal bias or disqualification of a presiding or participating officer, the Commission will determine the matter as a part of the record and decision in the case. [Rule 26.]

§ 502.26 Attorneys at law.

Attorneys at law who are admitted to practice before the Federal courts or
§ 502.27 Persons not attorneys at law.

(a)(1) Any person who is not an attorney at law may be admitted to practice before the Commission if he or she is a citizen of the United States and files proof to the satisfaction of the Commission that he or she possesses the necessary legal, technical, or other qualifications to render valuable service before the Commission and is otherwise competent to advise and assist in the presentation of matters before the Commission. Applications by persons not attorneys at law for admission to practice before the Commission shall be made on the forms prescribed therefor, which may be obtained from the Secretary of the Commission, and shall be addressed to the Federal Maritime Commission, Washington, DC, 20573, and shall be accompanied by a fee as required by § 503.43(e) of this chapter.

(b) The Commission, in its discretion, may call upon the applicant for a full statement of the nature and extent of his or her qualifications. If the Commission is not satisfied as to the sufficiency of the applicant’s qualifications, it will so notify him or her by registered mail, whereupon he or she shall be granted a hearing upon request for the purpose of showing his or her qualifications. If the applicant presents to the Commission no request for such hearing within twenty (20) days after receiving the notification above referred to, his or her application shall be acted upon without further notice.

(c) The Commission may deny admission to, suspend, or prohibit any person from practice before the Commission who it finds does not possess the requisite qualifications to represent others or is lacking in character, integrity, or proper professional conduct. Non-attorneys who have been admitted to practice before the Commission may be excluded from such practice only after being afforded an opportunity to be heard.

(d) A non-attorney may not practice before the Commission unless and until an application has been approved.

(e) Paragraph (d) of this section shall not apply, however, to any person who appears before the Commission on his or her own behalf or on behalf of any corporation, partnership, or association of which he or she is a partner, officer, or regular employee. [Rule 27.]

certain former Federal employees (18 U.S.C. 207). In summary, as applied to former Commission employees, the restrictions and basic procedures are as follows:

(a) Restrictions. (2) No former Commission employee may, within two years of terminating Commission employment, act as a representative in the manner described in paragraph (a)(1) of this section, as to a particular matter which was actually pending under the employee’s official responsibility within one year prior to termination of the employment.

(3) Former senior Commission employees (defined as Commissioners and members of the Senior Executive Service as designated by the Office of Government Ethics under 18 U.S.C. 207(d)(1)) may not, for two years after terminating Commission employment, assist in representing a person by personal presence at an appearance before the Government on a matter in which the former employee had participated personally and substantially while at the Commission.

(4) Former senior Commission employees, as defined in paragraph (a)(3) of this section, are barred for one year from representing parties before the Commission or communicating with intent to influence the Commission, regardless of prior involvement in the particular proceeding.

(b) Prior consent for appearance. (1) Prior to making any appearance, representation or communication described in paragraph (a) of this section, and, in addition to other requirements of this subpart, every former employee must apply for and obtain prior written consent of the Commission for each proceeding or matter in which such appearance, representation, or communication is contemplated. Such consent will be given only if the Commission determines that the appearance, representation or communication is not prohibited by the Act, this section or other provisions of this chapter.

(2) To facilitate the Commission’s determination that the intended activity is not prohibited, applications for written consent shall:

(i) Be directed to the Commission, state the former connection of the applicant with the Commission and date of termination of employment, and identify the matter in which the applicant desires to appear; and

The statements contained in the affidavit shall not be sufficient if disproved by an examination of the files and records of the case.

(c) Reporting possible violations. Possible violations of section 207 of Title 18 of the United States Code, 18 U.S.C. 207, by the Commission’s former officers and employees are required to be reported to the Attorney General and the Office of Government Ethics, pursuant to the regulations of the Office of Government Ethics at 5 CFR 2641.103(a) and 5 CFR 2638.603.

(d) Partners or associates. (1) In any case in which a former member, officer, or employee of the Commission is prohibited under this section from practicing, appearing, or representing anyone before the Commission in a particular Commission matter, any partner or legal or business associate of such former member, officer, or employee shall be prohibited from (i) utilizing the services of the disqualified
former member, officer, or employee in connection with the matter, (ii) discussing the matter in any manner with the disqualified former member, officer, or employee, and (iii) sharing directly or indirectly with the disqualified former member, officer, or employee in any fees or revenues received for services rendered in connection with such matter.

§ 502.43 Substitution of parties.

The Commission or presiding officer may order an appropriate substitution of parties in the event of a party's death, incompetence, transfer of its interest, or other appropriate circumstance. [Rule 43]

[78 FR 45071, July 26, 2013]

Subpart D—Rulemaking

§ 502.51 Initiation of procedure to issue, amend, or repeal a rule.

(a) By petition. Any interested party may file with the Commission a petition for the issuance, amendment, or repeal of a rule designed to implement, interpret, or prescribe law, policy, organization, procedure, or practice requirements of the Commission. The petition shall set forth the interest of petitioner and the nature of the relief desired, shall include any facts, views, arguments, and data deemed relevant by petitioner, and shall be verified. If such petition is for the amendment or repeal of a rule, it shall be accompanied by proof of service on all persons, if any, specifically named in such rule, and shall conform in other aspects to subpart H of this part. Petitions shall be accompanied by remittance of a $241 filing fee. Replies to such petition shall conform to the requirements of § 502.74.

(b) By the Commission. The Commission on its own initiative may initiate the issuance, amendment, or repeal of a rule through notice of proposed rulemaking or advanced notice of proposed rulemaking. [Rule 51.]

§ 502.53 Participation in rulemaking.

(a) Interested persons will be afforded an opportunity to participate in rulemaking through submission of written data, views, or arguments, with or without opportunity for oral presentation. No replies to the written submissions will be allowed unless, because of the nature of the proceeding, the Commission indicates that replies would be necessary or desirable for the formulation of a just and reasonable rule, except that, where the proposed rules are such as are required by statute to be made on the record after opportunity for a hearing, such hearing shall be conducted pursuant to 5 U.S.C. 556 and 557, and the procedure shall be the same as stated in subpart J of this part. In the event that replies or succeeding rounds of comments are permitted, copies shall be served on all prior participants in the proceeding. A list of participants may be obtained from the Secretary of the Commission.

(b) In those rulemaking proceedings in which respondents are named, interested persons who wish to participate shall file a petition to intervene in accordance with the provisions of § 502.72. [Rule 53.]

(c) Where a formal hearing is held in a rulemaking proceeding, interested persons will be afforded an opportunity to participate through submission of relevant, material, reliable, and probative written evidence properly verified, except that such evidence submitted by persons not present at the hearing will not be made a part of the record if objected to by any party on
§ 502.54 Contents of rules.

The Commission will incorporate in any publication of proposed or final rules a concise and general statement of their basis and purpose. [Rule 54.]

[78 FR 4071, July 26, 2013]

§ 502.55 Effective date of rules.

The publication or service of any substantive rule shall be made not less than thirty (30) days prior to its effective date except:

(a) As otherwise provided by the Commission for good cause found that notice and public procedure thereon are impractical, unnecessary, or contrary to the public interest;

(b) In the case of rules granting or recognizing exemption or relieving restriction; interpretative rules; or statements of policy.

(c) Interpretive rules, general statements of policy, or rules of agency organization, procedure, or practice. [Rule 55.]

[78 FR 4071, July 26, 2013]

§ 502.56 Negotiated rulemaking.

The Commission, either upon petition of interested persons or upon its own motion, may establish a negotiated rulemaking committee to negotiate and develop consensus on a proposed rule, if, upon consideration of the criteria of 5 U.S.C. 563, use of such a committee is determined by the Commission to be in the public interest. [Rule 56.]

[58 FR 36649, July 19, 1993, as amended at 64 FR 7808, Feb. 17, 1999]

§ 502.57 Service by parties of pleadings and other documents.

Service on all prior commenters must be shown when submitting comments or replies beyond the initial round on a notice of proposed rulemaking. A list of all participants may be obtained from the Secretary of the Commission. [78 FR 4071, July 26, 2013]
each complainant’s attorney or representative, the name, address, and, if known, email address of each person against whom complaint is made;

(ii) A recitation of the legal authority and jurisdiction for institution of the proceeding, with specific designation of the statutory provisions alleged to have been violated;

(iii) A clear and concise factual statement sufficient to inform each respondent with reasonable definiteness of the acts or practices alleged to be in violation of the law, and a statement showing that the complainant is entitled to relief;

(iv) A request for the relief and other affirmative action sought; and

(v) Shipping Act violation must be alleged. If the complaint fails to indicate the sections of the Act alleged to have been violated or clearly to state facts which support the allegations, the Commission may, on its own initiative, require the complaint to be amended to supply such further particulars as it deems necessary.

4) Complaints seeking reparation; statute of limitations. A complaint may seek reparation (money damages) for injury caused by violation of the Shipping Act of 1984. (See subpart O of this part.)

(i) Where reparation is sought, the complaint must set forth the injury caused by the alleged violation and the amount of alleged damages.

(ii) Except under unusual circumstances and for good cause shown, reparation will not be awarded upon a complaint in which it is not specifically requested, nor upon a new complaint by or for the same complainant which is based upon a finding in the original proceeding.

(iii) A complaint seeking reparation must be filed within three years after the claim accrues. Notification to the Commission that a complaint may or will be filed for the recovery of reparation will not constitute a filing within the applicable statutory period.

(iv) Civil penalties must not be requested and will not be awarded in complaint proceedings.

5) Oral hearing. The complaint should designate whether an oral hearing is requested and the desired place for any oral hearing. The presiding officer will determine whether an oral hearing is necessary.

6) Filing fee. The complaint must be accompanied by remittance of a $221 filing fee.

7) A complaint is deemed filed on the date it is received by the Commission.

(b) Answer to a complaint. (1) Time for filing. A respondent must file with the Commission an answer to the complaint and must serve the answer on complainant as provided in subpart H of this part within 25 days after the date of service of the complaint by the Commission unless this period has been extended under §502.67 or §502.102, or reduced under §502.103, or unless motion is filed to withdraw or dismiss the complaint, in which latter case, answer must be filed within 10 days after service of an order denying such motion. For good cause shown, the presiding officer may extend the time for filing an answer.

2) Contents of answer. The answer must be verified and must contain the following:

(i) The name, address, and email address of each respondent, and the name, address, and email address of each respondent’s attorney or representative;

(ii) Admission or denial of each alleged violation of the Shipping Act;

(iii) A clear and concise statement of each ground of defense and specific admission, denial, or explanation of facts alleged in the complaint, or, if respondent is without knowledge or information thereof, a statement to that effect; and

(iv) Any affirmative defenses, including allegations of any additional facts on which the affirmative defenses are based.

3) Oral hearing. The answer should designate whether an oral hearing is requested and the desired place for such hearing. The presiding officer will determine whether an oral hearing is necessary.

4) Counterclaims, crossclaims, and third-party complaints. In addition to filing an answer to a complaint, a respondent may include in the answer a counterclaim against the complainant, a crossclaim against another respondent, or a third-party complaint. A
counterclaim, a crossclaim, or a third-party complaint must allege and be limited to violations of the Shipping Act within the jurisdiction of the Commission. The service and filing of a counterclaim, a crossclaim, or a third-party complaint and answers or replies thereto are governed by the rules and requirements of this section for the filing of complaints and answers.

(5) A reply to an answer may not be filed unless ordered by the presiding officer.

(6) Effect of failure to file answer. (i) Failure of a party to file an answer to a complaint, counterclaim, crossclaim, or third-party complaint within the time provided will be deemed to constitute a waiver of that party’s right to appear and contest the allegations of the complaint, counterclaim, crossclaim, or third-party complaint to which it has not filed an answer and to authorize the presiding officer to enter an initial decision on default as provided for in 46 CFR 502.65. Well pleaded factual allegations in the complaint not answered or addressed will be deemed to be admitted.

(ii) A party may make a motion for initial decision on default. [Rule 62.]

§ 502.63 Commission enforcement action.

(a) The Commission may issue an Order of Investigation and Hearing commencing an adjudicatory investigation against one or more respondents alleging one or more violations of the statutes that it administers.

(b) Contents of Order of Investigation and Hearing. The Order of Investigation and Hearing must contain the following:

(1) The name, street address, and, if known, email address of each person against whom violations are alleged;

(2) A recitation of the legal authority and jurisdiction for institution of the proceeding, with specific designation of the statutory provisions alleged to have been violated;

(3) A clear and concise factual statement sufficient to inform each respondent with reasonable definiteness of the acts and practices alleged to be in violation of the law;

(4) Notice of penalties, cease and desist order, or other affirmative action sought; and

(5) Notice of the requirement to file an answer and a statement of the consequences of failure to file an answer.

(c) Answer to Order of Investigation and Hearing. (1) Time for filing. A respondent must file with the Commission an answer to the Order of Investigation and Hearing and serve a copy of the answer on the Bureau of Enforcement within 25 days after being served with the Order of Investigation and Hearing unless this period has been extended under § 502.67 or § 502.102, or reduced under § 502.103, or unless motion is filed to withdraw or dismiss the Order of Investigation and Hearing, in which latter case, answer must be filed within 10 days after service of an order denying such motion. For good cause shown, the presiding officer may extend the time for filing an answer.

(2) Contents of answer. The answer must be verified and must contain the following:

(i) The name, address, and email address of each respondent, and the name, address, and email address of each respondent’s attorney or representative;

(ii) Admission or denial of each alleged violation of the Shipping Act;

(iii) A clear and concise statement of each ground of defense and specific admission, denial, or explanation of facts alleged in the complaint, or, if respondent is without knowledge or information thereof, a statement to that effect; and

(iv) Any affirmative defenses, including allegations of any additional facts on which the affirmative defenses are based.

(3) Oral hearing. The answer must indicate whether an oral hearing is requested and the desired place for such hearing. The presiding officer will determine whether an oral hearing is necessary.

(4) Effect of failure to file answer. (i) Failure of a respondent to file an answer to an Order of Investigation and Hearing within the time provided will be deemed to constitute a waiver of the
respondent’s right to appear and contest the allegations in the Order of Investigation and Hearing and to authorize the presiding officer to enter a decision on default as provided for in 46 CFR 502.65. Well pleaded factual allegations in the Order of Investigation and Hearing not answered or addressed will be deemed to be admitted.

(ii) The Bureau of Enforcement may make a motion for decision on default. [Rule 63.]

§ 502.64 Alternative dispute resolution.

(a) Mandatory preliminary conference.

(1) Participation. Subsequent to service of a Complaint, parties must participate in a preliminary conference with the Commission’s Office of Consumer Affairs and Dispute Resolution Services (CADRS) as to whether the matter may be resolved through mediation. The preliminary conference may be conducted either in person or via telephone, video conference, or other forum.

(2) Timing. Within fifteen (15) days of the filing of an answer, the parties must contact the Director of CADRS to schedule the preliminary conference. The Director of CADRS or his/her designees will conduct the preliminary conference and may confer with each party separately at any time.

(b) Continued availability of dispute resolution services to resolve procedural and other disputes. Pursuant to subpart U of this part, the parties mutually may agree, at any time prior to the termination of a Commission proceeding, to initiate or reopen a mediation proceeding to explore resolution of procedural or substantive issues.

(c) Proceeding not stayed during dispute resolution process. Unless otherwise ordered by the presiding officer, a mediation proceeding does not stay or delay the procedural time requirements set forth by rule or order of the presiding officer.

(d) Confidentiality. The preliminary conference will be confidential. [Rule 64.]

§ 502.65 Decision on default.

(a) A party to a proceeding may be deemed to be in default if that party fails:

(1) To appear, in person or through a representative, at a hearing or conference of which that party has been notified;

(2) To answer, to respond to a dispositive motion within the time provided, or otherwise to defend the proceeding; or

(3) To cure a deficient filing within the time specified by the Commission or the presiding officer.

(b) When a party is found to be in default, the Commission or the presiding officer may issue a decision on default upon consideration of the record, including the complaint or Order of Investigation and Hearing.

(c) The presiding officer may require additional information or clarification when needed to issue a decision on default, including a determination of the amount of reparations or civil penalties where applicable.

(d) A respondent who has defaulted may file with the Commission a petition to set aside a decision on default. Such a petition must be made within 22 days of the service date of the decision, state in detail the reasons for failure to appear or defend, and specify the nature of the proposed defense. In order to prevent injustice, the Commission may for good cause shown set aside a decision on default. [Rule 65.]

§ 502.66 Amendments or supplements to pleadings.

(a) Amendments or supplements to any pleading (complaint, Order of Investigation and Hearing, counterclaim, crossclaim, third-party complaint, and answers thereto) will be permitted or rejected, either in the discretion of the presiding officer or under subpart H and § 502.69 of this part, unless the Commission or the presiding officer directs otherwise. Amendments or supplements allowed prior to hearing will be served in the same manner as the
original pleading, except that the presiding officer may authorize the service of amended complaints directly by the parties rather than by the Secretary of the Commission.

(c) Whenever by the rules in this part a pleading is required to be verified, the amendment or supplement must also be verified. [Rule 66.]

§ 502.67 Motion for more definite statement.

If a pleading (including a complaint, counterclaim, crossclaim, or third-party complaint filed pursuant to §502.62) to which a responsive pleading is permitted is so vague or ambiguous that a party cannot reasonably prepare a response, the party may move for a more definite statement before filing a responsive pleading. The motion must be filed within 15 days of the pleading and must point out the defects complained of and the details desired. If the motion is granted and the order of the presiding officer is not obeyed within 10 days after service of the order or within such time as the presiding officer sets, the presiding officer may strike the pleading to which the motion was directed or issue any other appropriate order. If the motion is denied, the time for responding to the pleading must be extended to a date 10 days after service of the notice of denial. [Rule 67.]

§ 502.68 Motion for leave to intervene.

(a) Filing. A motion for leave to intervene may be filed in any proceeding.

(b) Procedure for intervention. (1) Upon request, the Commission will furnish a service list to any member of the public pursuant to part 503 of this chapter.

(2) The motion must:

(i) Comply with all applicable provisions of subpart A of this part;

(ii) Indicate the type of intervention sought;

(iii) Describe the interest and position of the person seeking intervention, and address the grounds for intervention set forth in paragraph (c) of this section;

(iv) Describe the nature and extent of its proposed participation, including the use of discovery, presentation of evidence, and examination of witnesses;

(v) State the basis for affirmative relief, if affirmative relief is sought; and

(vi) Be served on existing parties by the person seeking intervention pursuant to subpart H of this part.

(3) A response to a motion to intervene must be served and filed within 15 days after the date of service of the motion.

(c)(1) Intervention of right. The presiding officer or Commission must permit anyone to intervene who claims an interest relating to the property or transaction that is subject of the proceeding, and is so situated that disposition of the proceeding may as a practical matter impair or impede the ability of such person to protect its interest, unless existing parties adequately represent that interest.

(2) Permissive intervention. (i) In general. The presiding officer or Commission may permit anyone to intervene who shows that a common issue of law or fact exists between such person’s interest and the subject matter of the proceeding; that intervention would not unduly delay or broaden the scope of the proceeding, prejudice the adjudication of the rights, or be duplicative of the positions of any existing party; and that such person’s participation may reasonably be expected to assist in the development of a sound record.

(ii) By a government department, agency, or the Commission’s Bureau of Enforcement. The presiding officer or Commission may permit intervention by a Federal or State government department or agency or the Commission’s Bureau of Enforcement upon a showing that its expertise is relevant to one or more issues involved in the proceeding and may assist in the consideration of those issues.

(3) The timeliness of the motion will also be considered in determining whether a motion will be granted under paragraph (b)(2) of this section and should be filed no later than 30 days after publication in the Federal Register of the Commission’s order instituting the proceeding or the notice of the filing of the complaint. Motions filed after that date must show good cause for the failure to file within the 30-day period.
Federal Maritime Commission § 502.70

(d) Use of discovery by an intervenor. (1) Absent good cause shown, an intervenor desiring to utilize the discovery procedures provided in subpart L must commence doing so no more than 15 days after its motion for leave to intervene has been granted.

(2) The Commission or presiding officer may impose reasonable limitations on an intervenor's participation in order to:

(i) Restrict irrelevant or duplicative discovery, evidence, or argument;

(ii) Have common interests represented by a spokesperson; and

(iii) Retain authority to determine priorities and control the course of the proceeding.

(3) The use of discovery procedures by an intervenor whose motion was filed more than 30 days after publication in the FEDERAL REGISTER of the Commission's order instituting the proceeding or the notice of the filing of the complaint will not be allowed if the presiding officer determines that the use of the discovery by the intervenor will unduly delay the proceeding. [Rule 68.]

§ 502.69 Motions.

(a) In any adjudication, an application or request for an order or ruling not otherwise specifically provided for in this part must be by motion. After the assignment of a presiding officer to a proceeding and before the issuance of his or her recommended or initial decision, all motions must be addressed to and ruled upon by the presiding officer unless the subject matter of the motion is beyond his or her authority, in which event the matter must be referred to the Commission. If the proceeding is not before the presiding officer, motions must be designated as petitions and must be addressed to and ruled upon by the Commission.

(b) Motions must be in writing, except that a motion made at a hearing may be sufficient if stated orally upon the record.

(c) Oral argument upon a written motion may be permitted at the discretion of the presiding officer or the Commission.

(d) A repetitious motion will not be entertained.

(e) All written motions must state clearly and concisely the purpose of and the relief sought by the motion, the statutory or principal authority relied upon, and the facts claimed to constitute the grounds supporting the relief requested; and must conform with the requirements of subpart H of this part.

(f) Any party may file and serve a response to any written motion, pleading, petition, application, etc., permitted under this part except as otherwise provided respecting answers (§502.62), shortened procedure (subpart K of this part), briefs (§502.221), exceptions (§502.227), and reply to petitions for attorney fees under the Equal Access to Justice Act (§502.503(b)(1)).

(g) Dispositive and non-dispositive motions defined. For the purpose of these rules, dispositive motion means a motion for decision on the pleadings; motion for summary decision or partial summary decision; motion to dismiss all or part of a proceeding or party to a proceeding; motion for involuntary dismissal; motion for initial decision on default; or any other motion for a final determination of all or part of a proceeding. All other motions, including all motions related to discovery, are non-dispositive motions. [Rule 68.]
§ 502.71 Procedure for non-dispositional motions.

(a) Duty to confer. Before filing a non-dispositional motion as defined in §502.69(g) of this subpart, the parties must attempt to discuss the anticipated motion with each other in a good faith effort to determine whether there is any opposition to the relief sought and, if there is opposition, to narrow the areas of disagreement. The moving party must state within the body of the motion what attempt was made or that the discussion occurred and whether the motion is opposed.

(b) Response to a non-dispositional motion. A response to a non-dispositional motion must be served and filed within 7 days after the date of service of the motion.

(c) Response replies. The moving party may not file a reply to a response to a non-dispositional motion unless requested by the Commission or presiding officer, or upon a showing of extraordinary circumstances.

(d) Page limits. Neither the motion nor the response may exceed 30 pages, excluding exhibits or appendices, without leave of the presiding officer. A reply may not exceed 15 pages. [Rule 70.]

§ 502.72 Dismissals.

(a) Voluntary dismissal. (1) By the complainant. The complainant may dismiss an action without an order from the presiding officer by filing a notice of dismissal before the opposing party serves either an answer, a motion to dismiss, or a motion for summary decision; or a stipulation of dismissal signed by all parties who have appeared. Unless the notice or stipulation states otherwise, the dismissal is without prejudice.

(2) By order of the presiding officer. Except as provided in paragraph (a)(1) of this section, an action may be dismissed at the complainant’s request only by order of the presiding officer or the Commission, on terms the presiding officer considers proper. If a respondent has pleaded a counterclaim before being served with the complainant’s motion to dismiss, the action may be dismissed over the respondent’s objection only if the counterclaim can remain pending for independent adjudication. Unless the order states otherwise, a dismissal under this paragraph is without prejudice.

(b) Involuntary dismissal; effect. If the complainant fails to prosecute or to comply with these rules or an order in the proceeding, a respondent may move to dismiss the action or any claim against it. Unless the dismissal order states otherwise, a dismissal under this subpart, except one for lack of jurisdiction or failure to join a party, operates as an adjudication on the merits.

(c) Dismissing a counterclaim, crossclaim, or third-party claim. This rule applies to dismissals of any counterclaim, crossclaim, or third-party claim. A claimant’s voluntary dismissal under this rule must be made before a responsive pleading is served. [Rule 72.]

§ 502.73 Order to show cause.

The Commission may institute a proceeding by order to show cause. The order must be served upon all persons named therein, must include the information specified in §502.143, must require the person named therein to answer, and may require such person to appear at a specified time and place and present evidence upon the matters specified. [Rule 73.]

§ 502.74 Exemption procedures—general.

(a) Authority. The Commission, upon application or on its own motion, may by order or regulation exempt for the future any class of agreements between persons subject to the Shipping Act of 1984 or any specified activity of those persons from any requirement of the Act if the Commission finds that the
exemption will not result in substantial reduction in competition or be detrimental to commerce. The Commission may attach conditions to any exemption and may, by order, revoke any exemption.

(b) Application for exemption. Any person may petition the Commission for an exemption or revocation of an exemption of any class of agreements or an individual agreement or any specified activity pursuant to section 16 of the Shipping Act of 1984 (46 U.S.C. 40103). A petition for exemption must state the particular requirement of the Shipping Act of 1984 for which exemption is sought. The petition must also include a statement of the reasons why an exemption should be granted or revoked, must provide information relevant to any finding required by the Act and must comply with §502.76. Where a petition for exemption of an individual agreement is made, the application must include a copy of the agreement. Unless a petition specifically requests an exemption by regulation, the Commission must evaluate the petition as a request for an exemption by order.

tion by interested persons. No order or regulation of exemption or revocation of exemption may be issued unless opportunity for hearing has been afforded interested persons and departments and agencies of the United States.

(d) Federal Register notice. Notice of any proposed exemption or revocation of exemption, whether upon petition or the Commission’s own motion, must be published in the Federal Register. The notice must include when applicable:

(1) A short title for the proposed exemption or the title of the existing exemption;

(2) The identity of the party proposing the exemption or seeking revocation;

(3) A concise summary of the agreement or class of agreements or specified activity for which exemption is sought, or the exemption which is to be revoked;

(4) A statement that the petition and any accompanying information are available for inspection in the Commission’s offices in Washington, DC; and

(5) The final date for filing comments regarding the proposal. [Rule 74.]

§ 502.75 Declaratory orders and fee.

(a)(1) The Commission may, in its discretion, issue a declaratory order to terminate a controversy or to remove uncertainty.

(2) Petitions for the issuance thereof must: state clearly and concisely the controversy or uncertainty; name the persons and cite the statutory authority involved; include a complete statement of the facts and grounds prompting the petition, together with full disclosure of petitioner’s interest; be served upon all parties named therein; and conform to the requirements of subpart H of this part.

(c) Petitions must be accompanied by remittance of a $241 filing fee.

(b) Petitions under this section must be limited to matters involving conduct or activity regulated by the Commission under statutes administered by the Commission. The procedures of this section must be invoked solely for the purpose of obtaining declaratory rulings which will allow persons to act without peril upon their own view. Controversies involving an allegation of violation by another person of statutes administered by the Commission, for which coercive rulings such as payment of reparation or cease and desist orders are sought, are not proper subjects of petitions under this section. Such matters must be adjudicated either by filing of a complaint under section 11 of the Shipping Act of 1984 (46 U.S.C. 41301–41302, 41305–41307(a)) and §502.62, or by filing of a petition for investigation under §502.76.

(c) Petitions under this section must be accompanied by the complete factual and legal presentation of petitioner as to the desired resolution of the controversy or uncertainty, or a detailed explanation why such can only be developed through discovery or evidentiary hearing.

(d) Responses to the petition must contain the complete factual and legal presentation of the responding party as to the desired resolution, or a detailed explanation why such can only be developed through discovery or evidentiary hearing. Responses must conform to the requirements of §502.69 and
must be served pursuant to subpart H of this part.

(e) No additional submissions will be permitted unless ordered or requested by the Commission or the presiding officer. If discovery or evidentiary hearing on the petition is deemed necessary by the parties, such must be requested in the petition or responses. Requests must state in detail the facts to be developed, their relevance to the issues, and why discovery or hearing procedures are necessary to develop such facts.

(f)(1) A notice of filing of any petition which meets the requirements of this section must be published in the Federal Register. The notice will indicate the time for filing of responses to the petition. If the controversy or uncertainty is one of general public interest, and not limited to specifically named persons, opportunity for response will be given to all interested persons including the Commission’s Bureau of Enforcement.

(2) In the case of petitions involving a matter limited to specifically named persons, participation by persons not named therein will be permitted only upon grant of intervention by the Commission pursuant to §502.68.

(3) Petitions for leave to intervene must be submitted on or before the response date and must be accompanied by intervenor’s complete response including its factual and legal presentation in the matter.

§ 502.76 Petitions—general and fee.

(a) Except when submitted in connection with a formal proceeding, all claims for relief or other affirmative action by the Commission, including appeals from Commission staff action, except as otherwise provided in this part, must be by written petition, which must state clearly and concisely the petitioner’s grounds of interest in the subject matter, the facts relied upon and the relief sought, must cite by appropriate reference the statutory provisions or other authority relied upon for relief, must be served upon all parties named therein, and must conform otherwise to the requirements of subpart H of this part. Responses there to must conform to the requirements of §502.67.

(b) Petitions must be accompanied by remittance of a $241 filing fee. [Rule 76.]

§ 502.77 Proceedings involving assessment agreements.

(a) In complaint proceedings involving assessment agreements filed under section 5(e) of the Shipping Act of 1984 (46 U.S.C. 40301(e), 40305), the Notice of Filing of Complaint and Assignment will specify a date before which the initial decision will be issued, which date will not be more than eight months from the date the complaint was filed.

(b) Any party to a proceeding conducted under this section who desires to utilize the prehearing discovery procedures provided by subpart L of this part must commence doing so at the time it files its initial pleading, i.e., complaint, answer, or petition for leave to intervene. Discovery matters accompanying complaints must be filed with the Secretary of the Commission for service pursuant to §502.113. Answers or objections to discovery requests must be subject to the normal provisions set forth in subpart L.

(c) Exceptions to the decision of the presiding officer, filed pursuant to §502.227, must be filed and served no later than 15 days after date of service of the initial decision. Replies thereto must be filed and served no later than 15 days after date of service of exceptions. In the absence of exceptions, the decision of the presiding officer must be final within 30 days from the date of service, unless within that period, a determination to review is made in accordance with the procedures outlined in §502.227. [Rule 77.]

§ 502.78 Brief of an amicus curiae.

(a) A brief of an amicus curiae may be filed only by leave of the Commission or the presiding officer granted on motion with notice to the parties, or at the request of the Commission or the presiding officer, except that leave
must not be required when the brief is presented by the United States or any agency or officer of the United States. The brief may be conditionally filed with the motion for leave. A brief of an amicus curiae must be limited to questions of law or policy.

(b) A motion for leave to file an amicus brief must identify the interest of the applicant and must state the reasons why such a brief is desirable.

(c) Except as otherwise permitted by the Commission or the presiding officer, an amicus curiae must file its brief no later than 7 days after the initial brief of the party it supports is received at the Commission. An amicus curiae that is not supporting either party must file its brief no later than 7 days after the initial brief of the first party filing a brief is received at the Commission. The Commission or the presiding officer must grant leave for a later filing only for cause shown, in which event the period within which an opposing party may answer must be specified.

(d) A motion of an amicus curiae to participate in oral argument will be granted only in accordance with the requirements of § 502.241. [Rule 78.]

§ 502.79 Consolidation of proceedings.

The Commission or the Chief Administrative Law Judge (or designee) may order two or more proceedings which involve substantially the same issues consolidated and heard together.

Subpart F—Settlement; Prehearing Procedure

§ 502.91 Opportunity for informal settlement.

(a) Parties are encouraged to make use of all the procedures of this part which are designed to simplify or avoid formal litigation, and to assist the parties in reaching settlements whenever it appears that a particular procedure would be helpful.

(b) Where time, the nature of the proceeding, and the public interest permit, all interested parties shall have the opportunity for the submission and consideration of facts, argument, offers of settlement, or proposal of adjustment, without prejudice to the rights of the parties.

(c) No stipulation, offer, or proposal shall be admissible in evidence over the objection of any party in any hearing on the matter. [Rule 91.]

(d) As soon as practicable after the commencement of any proceeding, the presiding judge shall direct the parties or their representatives to consult with the Federal Maritime Commission Alternative Dispute Resolution Specialist about the feasibility of alternative dispute resolution.

(e) Any party may request that a mediator or other neutral be appointed to assist the parties in reaching a settlement. If such a request or suggestion is made and is not opposed, the presiding judge will appoint a mediator or other neutral who is acceptable to all parties, coordinating with the Federal Maritime Commission Alternative Dispute Resolution Specialist. The mediator or other neutral shall convene and conduct one or more mediation or other sessions with the parties and shall inform the presiding judge, within the time prescribed by the presiding judge, whether the dispute resolution proceeding resulted in a resolution or not, and may make recommendations as to future proceedings. If settlement is reached, it shall be submitted to the presiding judge who shall issue an appropriate decision or ruling. All such dispute resolution proceedings shall be subject to the provisions of subpart U.

(f) Any party may request that a settlement judge be appointed to assist the parties in reaching a settlement. If such a request or suggestion is made and is not opposed, the presiding judge will advise the Chief Administrative Law Judge who may appoint a settlement judge who is acceptable to all parties. The settlement judge shall convene and preside over conferences and settlement negotiations and shall report to the presiding judge within the time prescribed by the Chief Administrative Law Judge, on the results of settlement discussions with appropriate recommendations as to future proceedings. If settlement is reached,
§ 502.92 Prehearing conference.

In addition to any offers of settlement or proposals of adjustment, there may be considered the following:

(i) Simplification of the issues;
(ii) The necessity or desirability of amendments to the pleadings;
(iii) The possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof;

(3) The presiding officer shall rule upon all matters presented for decision, orally upon the record when feasible, or by subsequent ruling in writing. If a party determines that a ruling made orally does not cover fully the issue presented, or is unclear, such party may petition for a further ruling thereon within ten (10) days after receipt of the transcript.

(b) In any proceeding under the rules in this part, the presiding officer may call the parties together for an informal conference prior to the taking of testimony, or may recess the hearing for such a conference, with a view to carrying out the purposes of this section. [Rule 94.]

(c) At any prehearing conference, consideration shall be given to whether the use of alternative dispute resolution would be appropriate or useful for the disposition of the proceeding whether or not there has been previous consideration of such use. [49 FR 44369, Nov. 6, 1984, as amended at 58 FR 38649, July 19, 1993; 64 FR 7808, Feb. 17, 1999; 66 FR 43513, Aug. 20, 2001]

§ 502.141 Hearings not required by statute.

The Commission may call informal public hearings, not required by statute, to be conducted under the rules in this part where applicable, for the purpose of rulemaking or to obtain information necessary or helpful in the determination of its policies or the carrying out of its duties, and may require the attendance of witnesses and the production of evidence to the extent permitted by law. [Rule 141.]
§ 502.142 Hearings required by statute.
In complaint and answer cases, investigations on the Commission’s own motion, and in other rulemaking and adjudication proceedings in which a hearing is required by statute, formal hearings shall be conducted pursuant to 5 U.S.C. 554. [Rule 142.]

§ 502.143 Notice of nature of hearing, jurisdiction and issues.
Persons entitled to notice of hearings, except those notified by complaint served under § 502.113, will be duly and timely informed of (a) the nature of the proceeding, (b) the legal authority and jurisdiction under which the proceeding is conducted, and (c) the terms, substance, and issues involved, or the matters of fact and law asserted, as the case may be. Such notice shall be published in the FEDERAL REGISTER unless all persons subject thereto are named and either are personally served or otherwise have actual notice thereof in accordance with law. [Rule 143.]

§ 502.144 Notice of time and place of hearing; postponement of hearing.
(a) Notice of hearing will designate the time and place thereof, the person or persons who will preside, and the kind of decision to be issued. The date or place of a hearing for which notice has been issued may be changed when warranted. Reasonable notice will be given to the parties or their representatives of the time and place of the change thereof, due regard being had for the public interest and the convenience and necessity of the parties or their representatives. Notice may be served by mail or telegraph. Notice may be served by mail, facsimile transmission, or electronic mail.

(b) Motions for postponement of any hearing date shall be filed in accordance with § 502.104. [Rule 144.]

§ 502.150 Further evidence required by presiding officer during hearing.
At any time during the hearing, the presiding officer may call for further evidence upon any issue, and require such evidence where available to be presented by the party or parties concerned, either at the hearing or adjournment thereof. [Rule 150.]

§ 502.151 Exceptions to rulings of presiding officer unnecessary.
Formal exceptions to rulings of the presiding officer are unnecessary. It is sufficient that a party, at the time the ruling of the presiding officer is made or sought, makes known the action which it desires the presiding officer to take or its objection to an action taken, and its grounds therefor. [Rule 151.]

§ 502.152 Offer of proof.
An offer of proof made in connection with an objection taken to any ruling of the presiding officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony; and, if the excluded evidence consists of evidence in documentary or written form or of reference to documents or records, a copy of such evidence shall be marked for identification and shall constitute the offer of proof. [Rule 152.]

§ 502.153 Appeal from ruling of presiding officer other than orders of dismissal in whole or in part.
(a) Rulings of the presiding officer may not be appealed prior to or during the course of the hearing, or subsequent thereto, if the proceeding is still before him or her, except where the presiding officer shall find it necessary to allow an appeal to the Commission to prevent substantial delay, expense, or detriment to the public interest, or undue prejudice to a party.

(b) Any party seeking to appeal must file a motion for leave to appeal no later than fifteen (15) days after written service or oral notice of the ruling in question, unless the presiding officer, for good cause shown, enlarges or shortens the time. Any such motion...
§ 502.154 Rights of parties as to presentation of evidence.

Every party shall have the right to present its case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. The presiding officer shall, however, have the right and duty to limit the introduction of evidence and the examination and cross-examination of witnesses when in his or her judgment, such evidence or examination is cumulative or is productive of undue delay in the conduct of the hearing. [Rule 154.]

In all cases, as prescribed by the Administrative Procedure Act, 5 U.S.C. 556(d), the burden of proof shall be on the proponent of the rule or order. [Rule 155.]

§ 502.156 Evidence admissible.

In any proceeding under the rules in this part, all evidence which is relevant, material, reliable and probative, and not unduly repetitious or cumulative, shall be admissible. All other evidence shall be excluded. § 502.157 Written evidence.

(a) The use of written statements in lieu of oral testimony shall be resorted to where the presiding officer in his or her discretion rules that such procedure is appropriate. The statements shall be numbered in paragraphs, and each party in its rebuttal shall be required to list the paragraphs to which it objects, giving an indication of its reasons for objecting. Statistical exhibits shall contain a short commentary explaining the conclusions which the offeror draws from the data. Any portion of such testimony which is argumentative shall be excluded. Where written statements are used, copies of the statement and any rebuttal statement shall be furnished to all parties, as shall copies of exhibits. The presiding officer shall fix respective dates for the exchange of such written rebuttal statements and exhibits in advance of the hearing to enable study by the parties of such testimony. Thereafter, the parties shall endeavor to stipulate as many of the facts set forth in the written testimony as they may be able to agree upon. Oral examination of witnesses shall thereafter be confined to facts which remain in controversy, and a reading of the written statements at the hearing will be dispensed with unless the presiding officer otherwise directs.

(b) Where a formal hearing is held in a rulemaking proceeding, interested persons will be afforded an opportunity to participate through submission of relevant, material, reliable and probative written evidence properly verified, except that such evidence submitted by persons not present at the hearing will not be made a part of the record if objected to by any party on the ground that the person who submits the evidence is not present for cross-examination. [Rule 157.]

§ 502.158 Documents containing matter not material.

Where written matter offered in evidence is embraced in a document containing other matter which is not intended to be offered in evidence, the offering party shall present the original
§ 502.165 Official transcript.

(a) The Commission will designate the official reporter for all hearings. The official transcript of testimony taken, together with any exhibits and any briefs or memoranda of law filed therewith, shall be filed with the Commission. Transcripts of testimony will be available in any proceeding under the rules in this part, and will be supplied by the official reporter to the parties and to the public, except when required for good cause to be held confidential, at rates not to exceed the maximum rates fixed by contract between the Commission and the reporter.

(b)(1) Section 11 of the Federal Advisory Committee Act provides that, except where prohibited by contractual agreements entered into prior to the effective date of this Act, agencies and advisory committees shall make available to any person, at actual cost of duplication, copies of transcripts of agency proceedings or advisory committee meetings. As used in this section, “agency proceeding” means any proceeding as defined in 5 U.S.C. 551(12).

(2) The Office of Management and Budget has interpreted this provision...
§ 502.166 Corrections of transcript.

Motions made at the hearing to correct the record will be acted upon by the presiding officer. Motions made after the hearing to correct the record shall be filed with the presiding officer within twenty-five (25) days after the last day of hearing or any session thereof, unless otherwise directed by the presiding officer, and shall be served on all parties. Such motions may be in the form of a letter. If no objections are received within ten (10) days after date of service, the transcript will, upon approval of the presiding officer, be changed to reflect such corrections. If objections are received, the motion will be acted upon with due consideration of the stenographic record of the hearing. [Rule 166.]

§ 502.167 Objection to public disclosure of information.

Upon objection to public disclosure of any information sought to be elicited during a hearing, the presiding officer may in his or her discretion order that the witness shall disclose such information only in the presence of those designated and sworn to secrecy by the presiding officer. The transcript of testimony shall be held confidential. Copies of said transcript need be served only upon the parties to whose representatives the information has been disclosed and upon such other parties as the presiding officer may designate. This rule is subject to the proviso that any information given pursuant thereto, may be used by the presiding officer or the Commission if deemed necessary to a correct decision in the proceeding. [Rule 167.]

§ 502.168 Copies of data or evidence.

Every person compelled to submit data or evidence shall be entitled to retain or, on payment of proper costs,
§ 502.167 Procedure after filing of memoranda.

An initial, recommended, or tentative decision will be served upon the parties in the same manner as is provided under § 502.225. Thereafter, the procedure will be the same as that in respect to proceedings after formal hearing. [Rule 187.]
§ 502.201 Duty to disclose; general provisions governing discovery.

(a) Applicability. Unless otherwise stated in subpart S, T, or any other subpart of this part, the procedures described in this subpart are available in all adjudicatory proceedings under the Shipping Act of 1984.

(b) Initial disclosures. Except as otherwise stipulated or ordered by the Commission or presiding officer, and except as provided in this subpart related to disclosure of expert testimony, all parties must, within 7 days of service of a respondent's answer to the complaint or Order of Investigation and Hearing and without awaiting a discovery request, provide to each other:

(1) The name and, if known, the address and telephone number of each individual likely to have discoverable information that the disclosing party may use to support its claims or defenses, unless the use would be solely for impeachment;

(2) A copy, or a description by category and location, of all documents, electronically stored information, and tangible things that the disclosing party has in its possession, custody, or control and may use to support its claims or defenses, unless the use would be solely for impeachment;

(3) An estimate of any damages claimed by the disclosing party who must also make available for inspection and copying the documents or other evidentiary material, unless privileged or protected from disclosure, on which the estimate is based, including materials bearing on the nature and extent of injuries suffered.

(c) For parties served or joined later. A party that is first served or otherwise joined after the answer is made must make the initial disclosures within 5 days after an order of intervention is granted, unless a different time is set by stipulation or order of presiding officer. All parties must also produce to the late-joined party any initial disclosures previously made.

(d) Disclosure of expert testimony. (1) In general. A party must disclose to the other parties the identity of any witness it may use in the proceeding to present evidence as an expert.

(2) Witnesses who are required to provide a written report. Unless otherwise stipulated or ordered by the presiding officer, if the witness is one retained or specially employed to provide expert testimony in the proceeding or one whose duties as the party’s employee regularly involve giving expert testimony, the disclosure must be accompanied by a written report, prepared and signed by the witness. The report must contain:

(i) A complete statement of all opinions the witness will express and the basis and reasons for them;

(ii) The facts or data considered by the witness in forming them;

(iii) Any exhibits that will be used to summarize or support them;

(iv) The witness’s qualifications, including a list of all publications authored in the previous 10 years;

(v) A list of all other proceedings or cases in which, during the previous 4 years, the witness testified as an expert in a trial, an administrative proceeding, or by deposition; and

(vi) A statement of the compensation to be paid for the study and testimony in the proceeding.

(3) Witnesses who are not required to provide a written report. Unless otherwise stipulated or ordered by the presiding officer, if the witness is not required to provide a written report under paragraph (d)(2) of this section, the disclosure must state:

(i) The subject matter on which the witness is expected to present evidence as an expert; and

(ii) Summary of the facts and opinions to which the witness is expected to testify.

(4) Time to disclose expert testimony. The time for disclosure of expert testimony must be addressed by the parties when they confer as provided in paragraph (h) of this section and, if applicable, must be included in the proposed discovery schedule submitted to the presiding officer.

(e) Scope of discovery and limits. (1) Unless otherwise limited by the presiding officer, or as otherwise provided in this subpart, the scope of discovery is as follows: Parties may obtain discovery regarding any nonprivileged matter that is relevant to any party’s claim or defense—including the existence, description, nature, custody, condition, and location of any documents
or other tangible things and the identity and location of persons who know of any discoverable matter. For good cause, the presiding officer may order discovery of any matter relevant to the subject matter involved in the action. Relevant information need not be admissible at hearing if the discovery appears reasonably calculated to lead to the discovery of admissible evidence.

(2) Limitations on frequency and extent.

(i) Specific limitations on electronically stored information. A party need not provide discovery of electronically stored information from sources that the party identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the party from whom discovery is sought must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the presiding officer may nonetheless order discovery from such sources if the requesting party shows good cause. The presiding officer may specify conditions for the discovery.

(ii) When required. On motion or on its own, the presiding officer may limit the frequency or extent of discovery otherwise allowed by these rules if the presiding officer determines that:

(A) The discovery sought is unreasonably cumulative or duplicative, or can be obtained from some other source that is more convenient, less burdensome, or less expensive;

(B) The party seeking discovery has had ample opportunity to obtain the information by discovery in the action; or

(C) The burden or expense of the proposed discovery outweighs its likely benefit, considering the needs of the proceeding, the amount in controversy, the parties’ resources, the importance of the issues at stake in the action, and the importance of the discovery in resolving the issues.

(f) Scope of discovery and limits—experts. (1) A party may depose any person who has been identified as an expert whose opinions may be presented in a proceeding. If a report is required of the witness, the deposition may be conducted only after the report is provided.

(2) Drafts of any report or disclosure required by these rules are not discoverable regardless of the form in which the draft is recorded.

(3) Communications between the party’s attorney and any expert witness required to provide a report are not discoverable regardless of the form of communications, except to the extent that the communications relate to compensation for the expert’s study or testimony; identify facts or data that the party’s attorney provided and that the expert considered in forming the opinions to be expressed; or identify assumptions that the party’s attorney provided and that the expert relied on in forming the opinions to be expressed.

(4) A party may not by interrogatories or deposition discover facts known or opinions held by an expert who has been retained or specially employed by another party in anticipation of litigation or to prepare for a proceeding and who is not expected to be presented as a witness; provided, however, that the presiding officer may permit such discovery and may impose such conditions as deemed appropriate upon a showing of exceptional circumstances under which it is impracticable for the party to obtain facts or opinions on the same subject by other means.

(g) Completion of discovery. Discovery must be completed within 150 days of the service of a respondent’s answer to a complaint or Order of Investigation and Hearing.

(h) Duty of the parties to confer. In all proceedings in which the procedures of this subpart are used, it is the duty of the parties to confer within 15 days after receipt of a respondent’s answer to a complaint or Order of Investigation and Hearing in order to: establish a schedule for the completion of discovery, including disclosures and discovery related to experts, within the 150-day period prescribed in paragraph (g) of this section; resolve to the fullest extent possible disputes relating to discovery matters; and expedite, limit, or eliminate discovery by use of admissions, stipulations and other techniques. The parties must submit the schedule to the presiding officer not later than 5 days after the conference.
Nothing in this rule should be construed to preclude the parties from conducting discovery and conferring at an earlier date.

(i) Conferences by order of the presiding officer. The presiding officer may at any time order the parties or their attorneys to participate in a conference at which the presiding officer may direct the proper use of the procedures of this subpart or make such orders as may be necessary to resolve disputes with respect to discovery and to prevent delay or undue inconvenience.

(2) Resolution of disputes. After making every reasonable effort to resolve discovery disputes, a party may request a conference or rulings from the presiding officer on such disputes. If necessary to prevent undue delay or otherwise facilitate conclusion of the proceeding, the presiding officer may order a hearing to commence before the completion of discovery.

(j) Protective orders. (1) In general. A party or any person from whom discovery is sought may move for a protective order. The motion must include a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without Commission or presiding officer action. The Commission or presiding officer may, for good cause, issue an order to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(i) Forbidding the disclosure or discovery;

(ii) Specifying terms, including time and place, for the disclosure or discovery;

(iii) Prescribing a discovery method other than the one selected by the party seeking discovery;

(iv) Forbidding inquiry into certain matters, or limiting the scope of disclosure or discovery to certain matters;

(v) Designating the persons who may be present while the discovery is conducted;

(vi) Requiring that a deposition be sealed and opened only on Commission or presiding officer order;

(vii) Requiring that a trade secret or other confidential research, development, or commercial information not be disclosed or be disclosed only in a specified way; or

(viii) Requiring that the parties simultaneously file specified documents or information in sealed envelopes, to be opened as the Commission or presiding officer directs.

(2) Ordering discovery. If a motion for a protective order is denied in whole or in part, the Commission or presiding officer may, on just terms, order that any party or person provide or permit discovery.

(k) Supplementing responses. A party who has made a disclosure under paragraph (b) or (d) of this section, or who has responded to an interrogatory, request for production, or request for admission, must supplement or correct its disclosure or response:

(1) In a timely manner if the party learns that in some material respect the disclosure or response is incomplete or incorrect, and if the additional or corrective information has not otherwise been made known to the other parties during the discovery process or in written communication; or

(2) As ordered by the presiding officer.

(l) Stipulations. Unless the presiding officer orders otherwise, the parties may stipulate that other procedures governing or limiting discovery be modified, but a stipulation extending the time for any form of discovery must have presiding officer’s approval if it would interfere with the time set for completing discovery, for adjudicating a motion, or for hearing. [Rule 201.]

§ 502.202 Persons before whom depositions may be taken.

(a) Within the United States. (1) In general. Within the United States or a territory or insular possession subject to United States jurisdiction, a deposition must be taken before:

(i) An officer authorized to administer oaths either by federal law or by the law in the place of examination; or

(ii) A person appointed by the Commission or the presiding officer to administer oaths and take testimony.
§ 502.203 Depositions by oral examination.

(a) When a deposition may be taken. (1) Without leave. A party may, by oral questions, depose any person, including a party, without leave of the presiding officer except as provided in §502.203(a)(2). The deponent’s attendance may be compelled by subpoena under subpart I of this part.

(b) With leave. A party must obtain leave of the presiding officer, if the parties have not stipulated to the deposition and:

(i) The deposition would result in more than 20 depositions being taken under this rule or §502.204 by any party; or

(ii) The deponent has already been deposed in the case.

(2) Notice of the deposition; other formal requirements. (1) Notice in general. A party who wants to depose a person by oral questions must give reasonable written notice to every other party. The notice must state the time and place of the deposition and, if known, the deponent’s name and address. If the name is unknown, the notice must provide a general description sufficient to identify the person or the particular class or group to which the person belongs.

(2) Producing documents. If a subpoena duces tecum is to be served on the deponent, the materials designated for production, as set out in the subpoena, must be listed in the notice or in an attachment. The notice to a party deponent may be accompanied by a request under §502.206 to produce documents and tangible things at the deposition.

(3) Method of recording. (i) Method stated in the notice. The party who notices the deposition must state in the notice the method for recording the testimony. Unless the presiding officer orders otherwise, testimony may be recorded by audio, audiovisual, or stenographic means. The noticing party bears the recording costs. Any party may arrange to transcribe a deposition.

(ii) Additional method. With prior notice to the deponent and other parties, any party may designate another method for recording the testimony in addition to that specified in the original notice. That party bears the expense of the additional record or transcript unless the presiding officer orders otherwise.

(4) By remote means. The parties may stipulate, or the presiding officer may on motion order, that a deposition be taken by telephone or other remote means.
§ 502.203

(5) **Officer's duties.**

(1) **Before the deposition.** Unless the parties stipulate otherwise, a deposition must be conducted before an officer appointed or designated under § 502.202. The officer must begin the deposition with an on-the-record statement that includes:

(A) The officer’s name and business address;

(B) The date, time, and place of the deposition;

(C) The deponent’s name;

(D) The officer’s administration of the oath or affirmation to the deponent; and

(E) The identity of all persons present.

(ii) **Conducting the deposition; avoiding distortion.** If the deposition is recorded nonstenographically, the officer must repeat the items in § 502.203(b)(5)(i)(A) through (C) at the beginning of each unit of the recording medium. The deponent’s and attorneys’ appearance or demeanor must not be distorted through recording techniques.

(iii) **After the deposition.** At the end of a deposition, the officer must state on the record that the deposition is complete and must set out any stipulations made by the attorneys about custody of the transcript or recording and of the exhibits, or about any other pertinent matters.

(6) **Notice or subpoena directed to an organization.** In its notice or subpoena, a party may name as the deponent a public or private corporation, a partnership, an association, a governmental agency, or other entity and must describe with reasonable particularity the matters for examination. The named organization must then designate one or more officers, directors, or managing representatives, or designate other persons who consent to testify on its behalf; and it may set out the matters on which each person designated will testify. A subpoena must advise a nonparty organization of its duty to make this designation. The persons designated must testify about information known or reasonably available to the organization. This paragraph (6) does not preclude a deposition by any other procedure allowed by these rules.

(1) **Examination and cross-examination; record of the examination; objections; written questions.**

(1) **Examination and cross-examination.** The examination and cross-examination of a deponent proceed as if they would at hearing under the provisions of § 502.154. After putting the deponent under oath or affirmation, the officer must record the testimony by the method designated under § 502.203(b)(3). The testimony must be recorded by the officer personally or by a person acting in the presence and under the direction of the officer.

(2) **Objections.** An objection at the time of the examination, whether to evidence, to a party’s conduct, to the officer’s qualifications, to the manner of taking the deposition, or to any other aspect of the deposition, must be noted on the record, but the examination still proceeds; the testimony is taken subject to any objection. An objection must be stated concisely in a nonargumentative and nonsuggestive manner. A person may instruct a deponent not to answer only when necessary to preserve a privilege, to enforce a limitation ordered by the presiding officer, or to present a motion under § 502.203(d)(2).

(3) **Participating through written questions.** Instead of participating in the oral examination, a party may serve written questions in a sealed envelope on the party noticing the deposition, who must deliver them to the officer. The officer must ask the deponent those questions and record the answers verbatim.

(4) **Duration; sanction; motion to terminate or limit.**

(1) **Duration.** Unless otherwise stipulated or ordered by the presiding officer, a deposition is limited to 1 day of 7 hours. The presiding officer must allow additional time consistent with § 502.201(e)(2) if needed to fairly examine the deponent or if the deponent, another person, or any other circumstance impedes or delays the examination.

(2) **Motion to terminate or limit.**

(1) **Grounds.** At any time during a deposition, the deponent or a party may move to terminate or limit it on the ground that it is being conducted in bad faith or in a manner that unreasonably annoys, embarrasses, or oppresses the deponent or party. The motion may be filed with the presiding officer. If the opposing deponent or...
party so demands, the deposition must be suspended for the time necessary to obtain an order.  
(ii) Order. The presiding officer may order that the deposition be terminated or may limit its scope and manner as provided in §502.201(j). If terminated, the deposition may be resumed only by order of the Commission or presiding officer.  
(e) Review by the witness; changes. (1) Review; statement of changes. On request by the deponent or a party before the deposition is completed, the deponent must be allowed 15 days after being notified by the officer that the transcript or recording is available in which:  
(i) To review the transcript or recording; and  
(ii) If there are changes in form or substance, to sign a statement listing the changes and the reasons for making them.  
(2) Changes indicated in the officer’s certificate. The officer must note in the certificate prescribed by §502.203(f)(1) whether a review was requested and, if so, must attach any changes the deponent makes during the 15-day period.  
(f) Certification and delivery; exhibits; copies of the transcript or recording. (1) Certification and delivery. The officer must certify in writing that the witness was duly sworn and that the deposition, transcript or recording accurately records the witness’s testimony. The certificate must accompany the record of the deposition. Unless otherwise stipulated or ordered by the presiding officer, the officer must retain the stenographic notes of a deposition taken stenographically or a copy of the recording of a deposition taken by another method. When paid reasonable charges, the officer must furnish a copy of the transcript or recording to any party or the deponent.  
§ 502.204 Depositions by written questions.  
(a) When a deposition may be taken. (1) Without leave. A party may, by written questions, depose any person, including a party, without leave of the presiding officer except as provided in paragraph (a)(2) of this section. The deponent’s attendance may be compelled by subpoena under subpart I of this part.  
(2) With leave. A party must obtain leave of the presiding officer, if the parties have not stipulated to the deposition and:  
(i) The deposition would result in more than 20 depositions being taken under this rule or §502.203 by any party;  
(ii) The deponent has already been deposed in the case.  
(3) Service; required notice. A party who wants to depose a person by written questions must serve them on every other party, with a notice stating, if known, the deponent’s name and address. If the name is unknown, the notice must provide a general description sufficient to identify the person or the particular class or group to which the person belongs. The notice must also state the name or descriptive title and the address of the officer before whom the deposition will be taken.  
(4) Questions directed to an organization. A public or private corporation, a
partnership, an association, or a governmental agency may be deposed by written questions in accordance with §502.203(b)(6).

(5) Questions from other parties. Any questions to the deponent from other parties must be served on all parties as follows: Cross-questions, within 14 days after being served with the notice and direct questions; redirect questions, within 7 days after being served with cross-questions; and recross-questions, within 7 days after being served with redirect questions. The presiding officer may, for good cause, extend or shorten these times.

(b) Delivery to the officer; officer’s duties. The party who noticed the deposition must deliver to the officer before whom the deposition will be taken a copy of all the questions served and of the notice. The officer must promptly proceed to:

(1) Take the deponent’s testimony in response to the questions;
(2) Prepare and certify the deposition; and
(3) Send it to the party, attaching a copy of the questions and of the notice.

(c) Notice of completion or filing. (1) Completion. The party who noticed the deposition must notify all other parties when it is completed.

(2) Filing. A party who files the deposition must promptly notify all other parties of the filing. [Rule 204.]

§502.205 Interrogatories to parties.

(a) In general. (1) Number. Unless otherwise stipulated or ordered by the presiding officer, a party may serve on any other party no more than 50 written interrogatories, including all discrete subparts. Leave to serve additional interrogatories may be granted to the extent consistent with §502.201(e)(2).

(2) Scope. An interrogatory may relate to any matter that may be inquired into under §502.201(e) and (f). An interrogatory is not objectionable merely because it asks for an opinion or contention that relates to fact or the application of law to fact, but the presiding officer may order that the interrogatory need not be answered until designated discovery is complete, or until a prehearing conference or some other time.

(b) Answers and objections. (1) Responding party. The interrogatories must be answered:

(i) By the party to whom they are directed; or
(ii) If that party is a public or private corporation, a partnership, an association, or a governmental agency, by any officer or representative, who must furnish the information available to the party.

(2) Time to respond. The responding party must serve its answers and any objections within 30 days after being served with the interrogatories. A shorter or longer time may be stipulated to as provided in §502.201(l) of this subpart or be ordered by the presiding officer.

(3) Answering each interrogatory. Each interrogatory must, to the extent it is not objected to, be answered separately and fully in writing under oath.

(4) Objections. The grounds for objecting to an interrogatory must be stated with specificity. Any ground not stated in a timely objection is waived unless the presiding officer, for good cause, excuses the failure.

(5) Signature. The person who makes the answers must sign them, and the attorney who objects must sign any objections.

(c) Use. An answer to an interrogatory may be used to the extent allowed by the rules in this part.

(d) Option to produce business records. If the answer to an interrogatory may be determined by examining, auditing, compiling, abstracting, or summarizing a party’s business records (including electronically stored information), and if the burden of deriving or ascertaining the answer will be substantially the same for either party, the responding party may answer by:

(1) Specifying the records that must be reviewed, in sufficient detail to enable the interrogating party to locate and identify them as readily as the responding party could; and

(2) Giving the interrogating party a reasonable opportunity to examine and audit the records and to make copies, compilations, abstracts, or summaries. [Rule 205.]
§ 502.206 Producing documents, electronically stored information, and tangible things, or entering onto land, for inspection and other purposes.

(a) In general. A party may serve on any other party a request within the scope of § 502.201(e) and (f):

(1) To produce and permit the requesting party or its representative to inspect, copy, test, or sample the following items in the responding party’s possession, custody, or control:

(i) Any designated documents or electronically stored information, including writings, drawings, graphs, charts, photographs, sound recordings, images, and other data or data compilations, stored in any medium from which information can be obtained either directly or, if necessary, after translation by the responding party into a reasonably usable form; or

(ii) Any designated tangible things; or

(2) To permit entry onto designated land or other property possessed or controlled by the responding party, so that the requesting party may inspect, measure, survey, photograph, test, or sample the property or any designated object or operation on it.

(b) Procedure. (1) Contents of the request. The request:

(i) Must describe with reasonable particularity each item or category of items to be inspected;

(ii) Must specify a reasonable time, place, and manner for the inspection and for performing the related acts; and

(iii) May specify the form or forms in which electronically stored information is to be produced.

(2) Responses and objections. (i) Time to respond. The party to whom the request is directed must respond in writing within 30 days after being served. A shorter or longer time may be stipulated to as provided in § 502.201(l) of this subpart or be ordered by the presiding officer.

(ii) Responding to each item. For each item or category, the response must either state that inspection and related activities will be permitted as requested or state an objection to the request, including the reasons.

§ 502.207 Requests for admission.

(a) Scope and procedure. (1) Scope. A party may serve on any other party a written request to admit, for the purposes of the pending action only, the truth of any nonprivileged relevant matters relating to facts, the application of law to fact, or opinions about either, and the genuineness of any described documents.

(2) Form; copies of documents. Each matter must be separately stated. A request to admit the genuineness of a document must be accompanied by a copy of the document unless it is, or has been, otherwise furnished or made available for inspection and copying.

(3) Time to respond; effect of failure to respond. A matter is admitted unless, within 30 days after being served, the party to whom the request is directed
§ 502.208 Use of discovery procedures directed to Commission staff personnel.

(a) Discovery procedures described in §§ 502.202 through 502.207, directed to Commission staff personnel must be permitted and must be governed by the procedures set forth in those sections except as modified by paragraphs (b) and (c) of this section. All notices to take depositions, written interrogatories, requests for production of documents and other things, requests for admissions, and any motions in connection with the foregoing, must be served on the Secretary of the Commission.

(b) The General Counsel must designate an attorney to represent any Commission staff personnel to whom any discovery requests or motions are directed. The attorney so designated must not thereafter participate in the Commission’s decision-making process concerning any issue in the proceeding.

(c) Rulings of the presiding officer issued under paragraph (a) of this section must become final rulings of the Commission unless an appeal is filed within 10 days after date of issuance of such rulings or unless the Commission on its own motion reverses, modifies, or stays such rulings within 20 days of their issuance. Replies to appeals may be filed within 10 days. No motion for leave to appeal is necessary in such instances and no ruling of the presiding officer must be effective until 20 days from date of issuance unless the Commission otherwise directs. [Rule 208.]

§ 502.209 Use of depositions at hearings.

(a) Using depositions. (1) In general. At a hearing, all or part of a deposition may be used against a party on these conditions:

(i) The party was present or represented at the taking of the deposition or had reasonable notice of it;

(ii) It is used to the extent it would be admissible if the deponent were present and testifying; and

(iii) The use is allowed by § 502.209(a)(2) through (7).

(b) Effect of admission; withdrawal or amendment of admission. A matter admitted under this rule is conclusively established unless the presiding officer, on motion, permits the admission to be withdrawn or amended. The presiding officer may permit withdrawal or amendment if it would promote the presentation of the merits of the action and if the presiding officer is not persuaded that it would prejudice the requesting party in maintaining or defending the action on the merits. An admission under this rule is not an admission for any other purpose and cannot be used against the party in any other proceeding. [Rule 207.]
Federal Maritime Commission § 502.209

(2) Impeachment and other uses. Any party may use a deposition to contradict or impeach the testimony given by the deponent as a witness, or for any other purpose allowed by §502.156 of subpart J of this part.

(3) Deposition of party, representative, or designee. An adverse party may use for any purpose the deposition of a party or anyone who, when deposed, was the party’s officer, director, managing representative, or designee under §502.203(b)(6) or §502.204(a)(4).

(4) Unavailable witness. A party may use for any purpose the deposition of a witness, whether or not a party, if the Commission or presiding officer finds:

   (i) That the witness is dead;

   (ii) That the witness cannot attend or testify because of age, illness, infirmity, or imprisonment;

   (iii) That the party offering the deposition could not procure the witness’s attendance by subpoena; or

   (iv) On motion and notice, that exceptional circumstances make it desirable, in the interest of justice and with due regard to the importance of live testimony at a hearing, to permit the deposition to be used.

(5) Using part of a deposition. If a party offers in evidence only part of a deposition, an adverse party may require the offeror to introduce other parts that in fairness should be considered with the part introduced, and any party may itself introduce any other parts.

(6) Substituting a party. Substituting a party does not affect the right to use a deposition previously taken.

(7) Deposition taken in an earlier action. A deposition lawfully taken and, if required, filed in any Federal or State court action may be used in a later action involving the same subject matter between the same parties, or their representatives or successors in interest, to the same extent as if taken in the later action. A deposition previously taken may also be used as allowed by §502.156 of subpart J of this part.

(b) Objections to admissibility. Subject to §502.202(b) and §502.209(d)(3), an objection may be made at a hearing to the admission of any deposition testimony that would be inadmissible if the witness were present and testifying.

(c) Form of presentation. Unless the presiding officer orders otherwise, a party must provide a transcript of any deposition testimony the party offers, but may provide the presiding officer with the testimony in nontranscript form as well.

(d) Waiver of objections. (1) To the notice. An objection to an error or irregularity in a deposition notice is waived unless promptly served in writing on the party giving the notice.

(2) To the officer’s qualification. An objection based on a defendant’s incompetence, or to the competence, relevance, or materiality of testimony, is not waived by a failure to make the objection before or during the deposition, unless the ground for it might have been corrected at that time.

(i) Objection to a written question. An objection to a written question under §502.204 of this subpart is waived if not served in writing on the party submitting the question within 7 days after being served with it.

(ii) Objection to completing and returning the deposition. An objection to the form of a question or answer, the oath or affirmation, a party’s conduct, or other matters that might have been corrected at that time; and

(iii) Objection to a written question. An objection to the form of a question under §502.204 of this subpart is waived if not served in writing on the party submitting the question within 7 days after being served with it.
§ 502.210 Motions to compel initial disclosures or compliance with discovery requests; failure to comply with order to make disclosure or answer or produce documents; sanctions; enforcement.

(a) Motion for order to compel initial disclosures or compliance with discovery requests. (1) A party may file a motion pursuant to §502.69 for an order compelling compliance with the requirement for initial disclosures provided in §502.201 or with its discovery requests as provided in this subpart, if a deponent fails to answer a question asked at a deposition or by written questions; a corporation or other entity fails to make a designation of an individual who will testify on its behalf; a party fails to answer an interrogatory; or a party fails to respond that inspection will be permitted, or fails to permit inspection, as requested under §502.206 of this subpart. For purposes of this section, a failure to make a disclosure, answer, or respond includes an evasive or incomplete disclosure, answer, or response.

(2) A motion to compel must include:
   (i) A certification that the moving party has conferred in good faith or attempted to confer with the party failing to make initial disclosure or respond to discovery requests in an effort to obtain compliance without the necessity of a motion;
   (ii) A copy of the discovery requests that have not been answered or for which evasive or incomplete responses have been given. If the motion is limited to specific discovery requests, only those requests are to be included;
   (iii) If a disclosure has been made or an answer or response has been given, a copy of the disclosure, answer, or response in its entirety;
   (iv) A copy of the certificate of service that accompanied the discovery request; and
   (v) A request for relief and supporting argument, if any.

(3) A party may file a response to the motion within 7 days of the service date of the motion. Unless there is a dispute with respect to the accuracy of the versions of the discovery requests, responses thereto, or the disclosures submitted by the moving party, the response must not include duplicative copies of them.

(b) Failure to comply with order compelling disclosures or discovery. If a party or a party’s officer or authorized representative fails or refuses to obey an order requiring it to make disclosures or to respond to discovery requests, the presiding officer upon his or her own initiative or upon motion of a party may make such orders in regard to the failure or refusal as are just. A motion must include a certification that the moving party has conferred in good faith or attempted to confer with the disobedient party in an effort to obtain compliance without the necessity of a motion. An order of the presiding officer may:

   (1) Direct that the matters included in the order or any other designated facts must be taken to be established for the purposes of the action as the party making the motion claims;
   (2) Prohibit the disobedient party from supporting or opposing designated claims or defenses, or from introducing designated matters in evidence; or
   (3) Strike pleadings in whole or in part; staying further proceedings until the order is obeyed; or dismissing the action or proceeding or any party thereto, or rendering a decision by default against the disobedient party.

(c) Enforcement of orders and subpoenas. In the event of refusal to obey an order or failure to comply with a subpoena, the Attorney General at the request of the Commission, or any party injured thereby may seek enforcement by a United States district court having jurisdiction over the parties. Any action with respect to enforcement of subpoenas or orders relating to depositions, written interrogatories, or other discovery matters must be taken within 20 days of the date of refusal to obey or failure to comply. A private party must advise the Commission 5 days (excluding Saturdays, Sundays and legal holidays) before applying to the court of its intent.
§ 502.221 Briefs; requests for findings.

(a) The presiding officer shall fix the time and manner of filing briefs and any enlargement of time. The period of time allowed shall be the same for all parties unless the presiding officer, for good cause shown, directs otherwise.

(b) Briefs shall be served upon all parties pursuant to subpart H of this part.

(c) In investigations instituted on the Commission’s own motion, the presiding officer may require the Bureau of Enforcement to file a request for findings of fact and conclusions within a reasonable time prior to the filing of briefs. Service of the request shall be in accordance with the provisions of subpart H of this part.

(d) Unless otherwise ordered by the presiding officer, opening or initial briefs shall contain the following matters in separately captioned sections: (1) Introductory section describing the nature and background of the case, (2) proposed findings of fact in serially numbered paragraphs with reference to exhibit numbers and pages of the transcript, (3) argument based upon principles of law with appropriate citations of the authorities relied upon, and (4) conclusions.

(e) All briefs shall contain a subject index or table of contents with page references and a list of authorities cited.

(f) All briefs filed pursuant to this section shall ordinarily be limited to eighty (80) pages in length, exclusive of pages containing the table of contents, table of authorities, and certificate of service, unless the presiding officer allows the parties to exceed this limit for good cause shown and upon application filed not later than five (5) days before the time fixed for filing of such a brief or reply. [Rule 221.]

§ 502.222 Requests for enlargement of time for filing briefs.

Requests for enlargement of time within which to file briefs shall conform to the requirements of §502.102. Except for good cause shown, such requests shall be filed and served pursuant to subpart H of this part not later than five (5) days before the expiration of the time fixed for the filing of the briefs. [Rule 222.]

§ 502.223 Decisions—Administrative law judges.

To the administrative law judges is delegated the authority to make and serve initial or recommended decisions. All initial and recommended decisions will include a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues presented on the record, and the appropriate rule, order, sanction, relief, or denial thereof. Where appropriate, the statement of findings and conclusions should be numbered. Initial decisions should address only those issues necessary to a resolution of the material issues presented on the record. A copy of each decision when issued shall be served on the parties to the proceeding. In proceedings involving overcharge claims, the presiding officer may, where appropriate, require that the carrier publish notice in its tariff of the substance of the decision. This provision shall also apply to decisions issued pursuant to subpart T of this part. [Rule 223.]
§ 502.224 Separation of functions.

The separation of functions as required by 5 U.S.C. 554(d) shall be observed in proceedings under subparts A to Q inclusive, of this part. [Rule 224.]

All final decisions will include a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues presented on the record, and the appropriate rule, order, sanction, relief, or denial thereof. A copy of each decision when issued shall be served on the parties to the proceeding. This provision shall also apply to decisions issued pursuant to subpart T of this part. [Rule 225.]

§ 502.226 Decision based on official notice; public documents.

(a) Official notice may be taken of such matters as might be judicially noticed by the courts, or of technical or scientific facts within the general knowledge of the Commission as an expert body, provided, that where a decision or part thereof rests on the official notice of a material fact not appearing in the evidence in the record, the fact of official notice shall be so stated in the decision, and any party, upon timely request, shall be afforded an opportunity to show the contrary.

(b) Whenever there is offered in evidence (in whole or in part) a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a state or its agencies, and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered in evidence as a public document by specifying the document or relevant part thereof. [Rule 226.]

§ 502.227 Exceptions to decisions or orders of dismissal of administrative law judge; replies thereto; review of decisions or orders of dismissal by Commission; and judicial review.

(a)(1) Within twenty-two (22) days after date of service of the initial decision, unless a shorter period is fixed under § 502.103, any party may file a memorandum excepting to any conclusions, findings, or statements contained in such decision, and a brief in support of such memorandum. Such exceptions and brief shall constitute one document, shall indicate with particularity alleged errors, shall indicate transcript page and exhibit number when referring to the record, and shall be served on all parties pursuant to subpart H of this part. [Rule 225.]

(2) Any adverse party may file and serve a reply to such exceptions within twenty-two (22) days after the date of service thereof, which shall contain appropriate transcript and exhibit references.

(3) Whenever the officer who presided at the reception of the evidence, or other qualified officer, makes an initial decision, such decision shall become the decision of the Commission thirty (30) days after date of service thereof (and the Secretary shall so notify the parties), unless within such 30-day period, or greater time as enlarged by the Commission for good cause shown, request for review is made in exceptions filed or a determination to review is made by the Commission on its own initiative.

(4) A decision or order of dismissal by an administrative law judge shall only be considered final for purposes of judicial review if the party has first sought review by the Commission pursuant to this section.

(5) Upon the filing of exceptions to, or review of, an initial decision, such decision shall become inoperative until the Commission determines the matter.

(6) Where exceptions are filed to, or the Commission reviews, an initial decision, the Commission, except as it may limit the issues upon notice or by rule, will have all the powers which it would have in making the initial decision. Whenever the Commission shall determine to review an initial decision
§ 502.230 Request for enlargement of time for filing exceptions and replies thereto.

Requests for enlargement of time within which to file exceptions, and briefs in support thereof, or replies to exceptions shall conform to the applicable provisions of § 502.102. Requests for extensions of these periods will be granted only under exceptional circumstances duly demonstrated in the request. Except for good cause shown, such requests shall be filed and served not later than five (5) days before the expiration of the time fixed for the filing of such documents. Any enlargement of time granted will automatically extend by the same period the date for the filing of notice or review by the Commission. [Rule 228.]

§ 502.229 Certification of record by presiding or other officer.

The presiding or other officer shall certify and transmit the entire record to the Commission when (a) exceptions are filed or the time therefor has expired, (b) notice is given by the Commission that the initial decision will be reviewed on its own initiative, or (c) the Commission requires the case to be certified to it for initial decision. [Rule 229.]

§ 502.230 Reopening by presiding officer or Commission.

(a) Motion to reopen. At any time after the conclusion of a hearing in a proceeding, but before issuance by the presiding officer of a recommended or initial decision, any party to the proceeding may file with the presiding officer a motion to reopen the proceeding for the purpose of receiving additional evidence. A motion to reopen shall be served in conformity with the requirements of subpart H and shall set forth the grounds requiring reopening of the proceeding, including material changes of fact or of law alleged to have occurred since the conclusion of the hearing.

(b) Reply. Within ten (10) days following service of a motion to reopen, any party may reply to such motion.

(c) Reopening by presiding officer. At any time prior to filing his or her decision, the presiding officer upon his or
her own motion may reopen a proceeding for the reception of further evidence.

(d) Reopening by the Commission. Where a decision has been issued by the presiding officer or where a decision by the presiding officer has been omitted, but before issuance of a Commission decision, the Commission may, after petition and reply in conformity with paragraphs (a) and (b) of this section, or upon its own motion, reopen a proceeding for the purpose of taking further evidence.

(e) Remand by the Commission. Nothing contained in this rule shall preclude the Commission from remanding a proceeding to the presiding officer for the taking of additional evidence or determining points of law. [Rule 230.] [49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984]

Subpart N—Oral Argument; Submission for Final Decision

§ 502.241 Oral argument.

(a) The Commission may hear oral argument either on its own motion or upon the written request of a party. If oral argument before the Commission is desired on exceptions to an initial or recommended decision, or on a motion, petition, or application, a request therefor shall be made in writing. Any party may make such a request irrespective of its filing exceptions under §502.227. If a brief on exceptions is filed, the request for oral argument shall be incorporated in such brief. Requests for oral argument on any motion, petition, or application shall be made in the motion, petition, or application, or in the reply thereto. If the Commission determines to hear oral argument, a notice will be issued setting forth the order of presentation and the amount of time allotted to each party.

(b)(1) Requests for oral argument will be granted or denied in the discretion of the Commission.

(2) Parties requesting oral argument shall set forth the specific issues they propose to address at oral argument.

(c) Those who appear before the Commission for oral argument shall confine their argument to points of controlling importance raised on exceptions or relies thereto. Where the facts of a case are adequately and accurately dealt with in the initial or recommended decision, parties should, as far as possible, address themselves in argument to the conclusions.

(d) Effort should be made by parties taking the same position to agree in advance of the argument upon those persons who are to present their side of the case, and the names of such persons and the amount of time requested should be received by the Commission not later than ten (10) days before the date set for the argument. The fewer the number of persons making the argument the more effectively can the parties’ interests be presented in the time allotted. [Rule 241.]

[49 FR 44369, Nov. 6, 1984, as amended at 52 FR 4144, Feb. 10, 1987]

§ 502.242 Submission to Commission for final decision.

A proceeding will be deemed submitted to the Commission for final decision as follows: (a) If oral argument is had, the date of completion thereof, or if memoranda on points of law are permitted to be filed after argument, the last date of such filing; (b) if oral argument is not had, the last date when exceptions or replies thereto are filed, or if exceptions are not filed, the expiration date for such exceptions; (c) in the case of an initial decision, the date of notice of the Commission’s intention to review the decision, if such notice is given. [Rule 242.]

§ 502.243 Participation of absent Commissioner.

Any Commissioner who is not present at oral argument and who is otherwise authorized to participate in a decision shall participate in making that decision after reading the transcript of oral argument unless he or she files in writing an election not to participate. [Rule 243.]

Subpart O—Reparation

§ 502.251 Proof on award of reparation.

If many shipments or points of origin or destination are involved in a proceeding in which reparation is sought
(See §502.83), the Commission will determine in its decision the issues as to violations, injury to complainant, and right to reparation. If complainant is found entitled to reparation, the parties thereafter will be given an opportunity to agree or make proof respecting the shipments and pecuniary amount of reparation due before the order of the Commission awarding reparation is entered. In such cases, freight bills and other exhibits bearing on the details of all shipments, and the amount of reparation on each, need not be produced at the original hearing unless called for or needed to develop other pertinent facts. [Rule 251.]

§ 502.252 Reparation statements.

When the Commission finds that reparation is due, but that the amount cannot be ascertained upon the record before it, the complainant shall immediately prepare a statement in accordance with the approved reparation statement in Exhibit No. 1 to this subpart, showing details of the shipments on which reparation is claimed. This statement shall not include any shipments not covered by the findings of the Commission. Complainant shall forward the statement, together with the paid freight bills on the shipments, or true copies thereof, to the respondent or other person who collected the charges for checking and certification as to accuracy. Statements so prepared and certified shall be filed with the Commission for consideration in determining the amount of reparation due. Disputes concerning the accuracy of amounts may be assigned for conference by the Commission, or in its discretion referred for further hearing. [Rule 252.]

§ 502.253 Interest in reparation proceedings.

Except as to applications for refund or waiver of freight charges under §502.271 and claims which are settled by agreement of the parties, and absent fraud or misconduct of a party, interest granted on awards of reparation in complaint proceedings instituted under the Shipping Act of 1984 will accrue from the date of injury to the date specified in the Commission order awarding reparation. Compounding will be daily from the date of injury to the date specified in the Commission order awarding reparation. Normally, the date specified within which payment must be made will be fifteen (15) days subsequent to the date of service of the Commission order. Interest shall be computed on the basis of the average monthly secondary market rate on six-month U.S. Treasury bills commencing with the rate for the month that the injury occurred and concluding with the latest available monthly U.S. Treasury bill rate at the date of the Commission order awarding reparation. The monthly secondary market rates on six-month U.S. Treasury bills for the reparation period will be summed up and divided by the number of months for which interest rates are available in the reparation period to determine the average interest rate applicable during the period. [Rule 253.]

[64 FR 7810, Feb. 17, 1999]

§ 502.254 Attorney’s fees in reparation proceedings.

(a) Scope. The Commission shall, upon petition, award the complainant reasonable attorney’s fees directly related to obtaining a reparations award in any complaint proceeding under section 11 of the Shipping Act of 1984 (46 U.S.C. 41301–41302, 41305–41307(a)). For purposes of this section, “attorney’s fees” includes the fair market value of the services of any person permitted to appear and practice before the Commission in accordance with subpart B of this part, and may include compensation for services rendered the complainant in a related proceeding in Federal court that is useful and necessary to the determination of a reparations award in the complaint proceeding.

(b) Content of petitions. Petitions for attorney’s fees under this section shall specify the number of hours claimed by each person representing the complainant at each identifiable stage of the proceeding, and shall be supported by evidence of the reasonableness of hours claimed and the customary fees charged by attorneys and associated legal representative in the community where the petitioner practices. Requests for additional compensation must be supported by evidence that the
§ 502.254

customary fees for the hours reasonably expended on the case would result in an unreasonable fee award.

(c) Filing of petition. (1) Petitions for attorney’s fees shall be filed within 30 days of a final reparation award:

(i) With the presiding officer where the presiding officer’s decision awarding reparations became administratively final pursuant to §502.227(a)(3) and §502.304(g); or

(ii) With the Commission, if exceptions were filed to, or the Commission reviewed, the presiding officer’s reparation award decision pursuant to §502.227 of this part.

(2) For purposes of this section, a reparation award shall be considered final after a decision disposing of the merits of a complaint is issued and the time for the filing of court appeals has run or after a court appeal has terminated.

(d) Replies to petitions. Within 20 days of filing of the petition, a reply to the petition may be filed by the respondent, addressing the reasonableness of any aspect of the petitioner’s claim. A respondent may also suggest adjustments to the claim under the criteria stated in paragraph (b) of this section.

(e) Ruling on petitions. Upon consideration of a petition and any reply thereto, the Commission or the presiding officer shall issue an order stating the total amount of attorney’s fees awarded. The order shall specify the hours and rate of compensation found awardable and shall explain the basis for any additional adjustments. An award order shall be served within 60 days of the date of the filing of the reply to the petition or expiration of the reply period; except that in cases involving a substantial dispute of facts critical to the award determination, the Commission or presiding officer may hold a hearing on such issues and extend the time for issuing a fee award order by an additional 30 days. The Commission or the presiding officer may adopt a stipulated settlement of attorney’s fees.

(f) In cases where the presiding officer issues an award order, appeal of that order and Commission review of that order in the absence of appeal shall be governed by the procedures of §502.227 of this part. [Rule 254.] [52 FR 6331, Mar. 3, 1987, as amended at 58 FR 27211, May 7, 1993; 64 FR 7811, Feb. 17, 1999; 74 FR 50716, Oct. 1, 2009]

§ 502.261 Petitions for reconsideration and stay.

(a) Within thirty (30) days after issuance of a final decision or order by the Commission, any party may file a petition for reconsideration. Such petition shall be limited to 25 pages in length and shall be served in conformity with the requirements of subpart H of this part. A petition will be subject to summary rejection unless it:

(1) Specifies that there has been a change in material fact or in applicable law, which change has occurred after issuance of the decision or order;

(2) Identifies a substantive error in material fact contained in the decision or order; or

(3) Addresses a finding, conclusion or other matter upon which the party has not previously had the opportunity to comment or which was not addressed in the briefs or arguments of any party. Petitions which merely elaborate upon or repeat arguments made prior to the decision or order will not be received. A petition shall be verified if verification of the original pleading is required and shall not operate as a stay of any rule or order of the Commission.

(b) A petition for stay of a Commission order which directs the discontinuance of statutory violations will not be received.

(c) The provisions of this section are not applicable to decisions issued pursuant to subpart S of this part. [Rule 261.]

§ 502.262 Reply to petition for reconsideration or stay.

Any party may file a reply in opposition to a petition for reconsideration or stay within fifteen (15) days after the date of service of the petition in accordance with §502.74. The reply shall be limited to 25 pages in length and shall be served in conformity with subpart H of this part. [Rule 262.]

§ 502.271 Special docket application for permission to refund or waive freight charges.

(a)(1) A common carrier or a shipper may file a special docket application seeking permission for a common carrier or conference to refund or waive collection of a portion of freight charges if there is:

(i) An error in the tariff;

(ii) An error in failing to publish a new tariff; or

(iii) An error in quoting a tariff.

(2) Such refund or waiver must not result in discrimination among shippers, ports, or carriers.

(b) Such application must be filed within one hundred eighty (180) days from the date of sailing of the vessel from the port at which the cargo was loaded. An application is filed when it is placed in the mail, delivered to a courier, or, if delivered by another method, when it is received by the Commission. Filings by mail or courier must include a certification as to date of mailing or delivery to the courier.

(c) Prior to submission of the application for a refund for an error in a tariff or a failure to publish a new tariff, the carrier or conference must publish a new tariff which sets forth the rate on which refund or waiver would be based.

(d) Such application must be in accordance with Exhibit 1 to this Subpart and must also comply with the following requirements:

(1) Applications must be submitted to the Office of the Secretary, Federal Maritime Commission, Washington, DC 20573–0001.

(2) Applications must be submitted in an original and one (1) copy.

(3) Applications must be sworn to before a notary public or otherwise verified in accordance with §502.112.

(4) When a rate published in a conference tariff is involved, the carrier or shipper must serve a copy of the application on the conference and so certify in accordance with §502.117 to that service in the application. A shipper
must also make a similar service and certification with respect to the common carrier.

(5) Applications must be accompanied by remittance of a $77 filing fee.

(e) Any application which does not furnish the information required by this Subpart may be returned to the applicant by the Secretary without prejudice to resubmission within the 180-day limitation period.

(f)(1) The Secretary in his discretion shall either forward an application to the Office of Consumer Affairs and Dispute Resolution Services, for assignment to a Special Dockets Officer, or assign an application to the Office of Administrative Law Judges. Authority to issue decisions under this subpart is delegated to the assigned Special Dockets Officer or Administrative Law Judge.

(2) Applicants will be notified as to the assignment of a deciding official, and the assignment of a special docket number. Formal proceedings as described in other rules of this part need not be conducted. The deciding official may, in his or her discretion, require the submission of additional information.

(g) The deciding official shall issue a decision which, pursuant to §501.21 of this chapter, shall become final ten (10) days after service of such decision, unless the Commission in its discretion chooses to review such decision within that time, or the applicant chooses to file exceptions to such decision within that time. [Rule 271.]

Subpart R—Nonadjudicatory Investigations

§ 502.281 Investigational policy.

The Commission has extensive regulatory duties under the various acts it is charged with administering. The conduct of investigations is essential to the proper exercise of the Commission's regulatory duties. It is the purpose of this subpart to establish procedures for the conduct of such investigations which will insure protection of the public interest in the proper and effective administration of the law. The Commission encourages voluntary cooperation in its investigations where such can be effected without delay or without prejudice to the public interest. The Commission may, in any matter under investigation, invoke any or all of the compulsory processes authorized by law. [Rule 281.]

§ 502.282 Initiation of investigations.

Commission inquiries and nonadjudicatory investigations are originated by the Commission upon its own motion when in its discretion the Commission determines that information is required for the purposes of rulemaking or is necessary or helpful in the determination of its policies or the carrying out of its duties, including whether to institute formal proceedings directed toward determining whether any of the laws which the Commission administers have been violated. [Rule 282.]

§ 502.283 Order of investigation.

When the Commission has determined that an investigation is necessary, an Order of Investigation shall be issued. [Rule 283.]

§ 502.284 By whom conducted.

Investigations are conducted by Commission representatives designated and duly authorized for the purpose. (See §502.25.) Such representatives are authorized to exercise the duties of their office in accordance with the laws of the United States and the regulations of the Commission, including the resort to all compulsory processes authorized by law, and the administration of oaths and affirmances in any matters under investigation by the Commission. [Rule 284.]

§ 502.285 Investigational hearings.

(a) Investigational hearings, as distinguished from hearings in adjudicatory proceedings, may be conducted in the course of any investigation undertaken by the Commission, including inquiries initiated for the purpose of determining whether or not a person is complying with an order of the Commission.

(b) Investigational hearings may be held before the Commission, one or more of its members, or a duly designated representative, for the purpose of hearing the testimony of witnesses.
and receiving documents and other data relating to any subject under investigation. Such hearings shall be stenographically reported and a transcript thereof shall be made a part of the record of investigation. [Rule 285.]

§502.286 Compulsory process.
The Commission, or its designated representative may issue orders or subpoenas directing the person named therein to appear before a designated representative at a designated time and place to testify or to produce documentary evidence relating to any matter under investigation, or both. Such orders and subpoenas shall be served in the manner provided in §502.134. [Rule 286.]

§502.287 Depositions.
The Commission, or its duly authorized representative, may order testimony to be taken by deposition in any investigation at any stage of such investigation. Such depositions may be taken before any person designated by the Commission having the power to administer oaths. Such testimony shall be reduced to writing by the person taking the deposition or under his or her direction, and shall then be subscribed by the deponent. Any person may be compelled to appear and be deposed and to produce evidence in the same manner as witnesses may be compelled to appear and testify and produce documentary evidence as provided in §502.131. [Rule 287.]

§502.288 Reports.
The Commission may issue an order requiring a person to file a report or answers in writing to specific questions relating to any matter under investigation. [Rule 288.]

§502.289 Noncompliance with investigational process.
In case of failure to comply with Commission investigational processes, appropriate action may be initiated by the Commission, including actions for enforcement by the Commission or the Attorney General and forfeiture of penalties or criminal actions by the Attorney General. [Rule 289.]

§502.290 Rights of witness.
Any person required to testify or to submit documentary evidence shall be entitled to retain or, on payment of lawfully prescribed cost, procure a copy of any document produced by such person and of his or her own testimony as stenographically reported or, in the depositions, as reduced to writing by or under the direction of the person taking the deposition. Any party compelled to testify or to produce documentary evidence may be accompanied and advised by counsel, but counsel may not, as a matter or right, otherwise participate in the investigation. [Rule 290.]

§502.291 Nonpublic proceedings.
Unless otherwise ordered by the Commission, all investigatory proceedings shall be nonpublic. [Rule 291.]

Subpart S—Informal Procedure for Adjudication of Small Claims

§502.301 Statement of policy.
(a) Section 11(a) of the Shipping Act of 1984 (46 U.S.C. 41301(a)) permits any person to file a complaint with the Commission claiming a violation occurring in connection with the foreign commerce of the United States and to seek reparation for any injury caused by that violation.

(b) With the consent of both parties, claims filed under this subpart in the amount of $50,000 or less will be decided by a Settlement Officer appointed by the Federal Maritime Commission Alternative Dispute Resolution Specialist, without the necessity of formal proceedings under the rules of this part. Authority to issue decisions under this subpart is delegated to the appointed Settlement Officer.

(c) Determination of claims under this subpart shall be administratively final and conclusive. [Rule 301.]
paragraph (b), effective Nov. 7, 2014. For the convenience of the user, the revised text is set forth as follows:

§ 502.301 Statement of policy.

(b) With the consent of both parties, claims filed under this subpart in the amount of $50,000 or less will be decided by a Small Claims Officer appointed by the Federal Maritime Commission’s Chief Administrative Law Judge, without the necessity of formal proceedings under the rules of this part. Authority to issue decisions under this subpart is delegated to the appointed Small Claims Officer.

§ 502.302 Limitations of actions.

(a) Claims alleging violations of the Shipping Act of 1984 must be filed within three years from the time the cause of action accrues.

(b) A claim is deemed filed on the date it is received by the Commission.

§ 502.304 Procedure and filing fee.

(a) A sworn claim under this subpart shall be filed in the form prescribed in Exhibit No. 1 to this subpart. Three (3) copies of this claim must be filed, together with the same number of copies of such supporting documents as may be deemed necessary to establish the claim. Copies of tariff pages need not be filed; reference to such tariffs or to pertinent parts thereof will be sufficient. Supporting documents may consist of affidavits, correspondence, bills of lading, paid freight bills, export declarations, dock or wharf receipts, or of such other documents as, in the judgment of the claimant, tend to establish the claim. The Settlement Officer may, if deemed necessary, request additional documents or information from claimants. Claimant may attach a memorandum, brief or other document containing discussion, argument, or legal authority in support of its claim. If a claim filed under this subpart involves any shipment which has been the subject of a previous claim filed with the Commission, formally or informally, full reference to such previous claim must be given.

(b) Claims under this subpart shall be addressed to the Office of the Secretary, Federal Maritime Commission, Washington, DC 20573. Such claims shall be accompanied by remittance of a $67 filing fee.

(c) Each claim under this subpart will be acknowledged with a reference to the Informal Docket Number assigned. The number shall consist of a numeral(s) followed by capital “I” in parentheses. All further correspondence pertaining to such claims must refer to the assigned Informal Docket Number. If the documents filed fail to establish a claim for which relief may be granted, the parties affected will be so notified in writing. The claimant may thereafter, but only if the period of limitation has not run, resubmit its claim with such additional proof as may be necessary to establish the claim. In the event a complaint has been amended because it failed to state a claim upon which relief may be granted, it will be considered as a new complaint.

(d) A copy of each claim filed under this subpart, with attachments, shall be served by the Settlement Officer on the respondent involved.

(e) Within twenty-five (25) days from the date of service of the claim, the respondent shall serve upon the claimant and file with the Commission its response to the claim, together with an indication, in the form prescribed in Exhibit No. 2 to this subpart, as to whether the informal procedure provided in this subpart is consented to. Failure of the respondent to indicate refusal or consent in its response will be conclusively deemed to indicate such consent. The response shall consist of documents, arguments, legal authorities, or precedents, or any other matters considered by the respondent to be a defense to the claim. The Settlement Officer may request the respondent to furnish such further documents or information as deemed necessary, or he or she may require the claimant to reply to the defenses raised by the respondent.
Federal Maritime Commission

(f) If the respondent refuses to consent to the claim being informally adjudicated pursuant to this subpart, the claim will be considered a complaint under §502.311 and will be adjudicated under subpart T of this part.

(g) Both parties shall promptly be served with the Settlement Officer’s decision which shall state the basis upon which the decision was made. Where appropriate, the Settlement Officer may require that the respondent publish notice in its tariff of the substance of the decision. This decision shall be final, unless, within thirty (30) days from the date of service of the decision, the Commission exercises its discretionary right to review the decision. The Commission shall not, on its own initiative, review any decision or order of dismissal unless such review is requested by an individual Commissioner. Any such request must be transmitted to the Secretary within thirty (30) days after date of service of the decision or order. Such request shall be sufficient to bring the matter before the Commission for review.

(h) Within thirty (30) days after service of a final decision by a Settlement Officer, any party may file a petition for reconsideration. Such petition shall be directed to the Settlement Officer and shall act as a stay of the review period prescribed in paragraph (g) of this section. A petition will be subject to summary rejection unless it: (1) Specifies that there has been a change in material fact or in applicable law, which change has occurred after issuance of the decision or order; (2) identifies a substantive error in material fact contained in the decision or order; (3) addresses a material matter in the Settlement Officer’s decision upon which the petitioner has not previously had the opportunity to comment. Petitions which merely elaborate upon or repeat arguments made prior to the decision or order will not be received. Upon issuance of a decision or order on reconsideration by the Settlement Officer, the review period prescribed in paragraph (g) of this section will recommence. [Rule 304.]

§ 502.321 Applicability of other rules of this part.

(b) The following sections in subparts A through Q apply to situations covered by this subpart: §§ 502.2(a) (Requirement for filing); 502.2(f)(1) (E-mail transmission of filings); 502.2(i) (Continuing obligation to provide contact information); 502.7 (Documents in foreign languages); 502.21–502.23 (Appearance, Authority for representation, Notice of appearance; substitution and withdrawal of representative); 502.43 (Substitution of parties); 502.253 (Interest in reparation proceedings); and 502.254 (Attorney’s fees in reparation proceedings). [Rule 321.]

§ 502.401 Policy.

It is the policy of the Federal Maritime Commission to use alternative means of dispute resolution to the fullest extent compatible with the law and the agency’s mission and resources.
The Commission will consider using ADR in all areas including workplace issues, formal and informal adjudication, issuance of regulations, enforcement and compliance, issuing and revoking licenses and permits, contract award and administration, litigation brought by or against the Commission, and other interactions with the public and the regulated community. The Commission will provide learning and development opportunities for its employees to develop their ability to use conflict resolution skills, instill knowledge of the theory and practice of ADR, and to facilitate appropriate use of ADR. To this end, all parties to matters under this part are required to consider use of a wide range of alternative means to resolve disputes at an early stage. Parties are encouraged to pursue use of alternative means through the Commission’s Office of Consumer Affairs and Dispute Resolution Services in lieu of or prior to initiating a Commission proceeding. All employees and persons who interact with the Commission are encouraged to identify opportunities for collaborative, consensual approaches to dispute resolution or rulemaking.

§ 502.402 Definitions.

(a) Alternative means of dispute resolution means any procedure that is used to resolve issues in controversy, including, but not limited to, conciliation, facilitation, mediation, fact-finding, minitrials, arbitration, and use of ombuds, or any combination thereof;

(b) Award means any decision by an arbitrator resolving the issues in controversy;

(c) Dispute resolution communication means any oral or written communication prepared for the purposes of a dispute resolution proceeding, including any memoraanda, notes or product of the neutral, parties or nonparty participant; except that a written agreement to enter into a dispute resolution proceeding, or final written agreement or arbitral award reached as a result of a dispute resolution proceeding, is not a dispute resolution communication;

(d) Dispute resolution proceeding means any process in which an alternative means of dispute resolution is used to resolve an issue in controversy in which a neutral is appointed and specified parties participate;

(e) In confidence means, with respect to information, that the information is provided—

(1) With the expressed intent of the source that it not be disclosed; or

(2) Under circumstances that would create the reasonable expectation on behalf of the source that the information will not be disclosed;

(f) Issue in controversy means an issue which is material to a decision concerning a program of the Commission, and with which there is disagreement—

(1) Between the Commission and persons who would be substantially affected by the decision; or

(2) Between persons who would be substantially affected by the decision;

(g) Neutral means an individual who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the controversy; and

(h) Person has the same meaning as in 5 U.S.C. 551(2).

§ 502.403 General authority.

(a) The Commission intends to consider using a dispute resolution proceeding for the resolution of an issue in controversy, if the parties agree to a dispute resolution proceeding.

(b) The Commission will consider not using a dispute resolution proceeding if—

(1) A definitive or authoritative resolution of the matter is required for precedential value, and such a proceeding is not likely to be accepted generally as an authoritative precedent;

(2) The matter involves or may bear upon significant questions of Government policy that require additional procedures before a final resolution may be made, and such a proceeding would not likely serve to develop a recommended policy for the agency;

(3) Maintaining established policies is of special importance, so that variations among individual decisions are not increased and such a proceeding would not likely reach consistent results among individual decisions;

§ 502.403 General authority.
§ 502.404

(4) The matter significantly affects persons or organizations who are not parties to the proceeding;
(5) A full public record of the proceeding is important, and a dispute resolution proceeding cannot provide such a record; and
(6) The Commission must maintain continuing jurisdiction over the matter with authority to alter the disposition of the matter in the light of changed circumstances, and a dispute resolution proceeding would interfere with the Commission’s fulfilling that requirement.

(c) Alternative means of dispute resolution authorized under this subpart are voluntary procedures which supplement rather than limit other available agency dispute resolution techniques.

§ 502.404 Neutrals.

(a) A neutral may be a permanent or temporary officer or employee of the Federal Government or any other individual who is acceptable to the parties to a dispute resolution proceeding. A neutral shall have no official, financial, or personal conflict of interest with respect to the issues in controversy, unless such interest is fully disclosed in writing to all parties and all parties agree that the neutral may serve.

(b) A neutral who serves as a conciliator, facilitator, or mediator serves at the will of the parties.

(c) With consent of the parties, the Federal Maritime Commission Dispute Resolution Specialist will seek to provide a neutral in dispute resolution proceedings through Commission staff, arrangements with other agencies, or on a contractual basis.

(d) Fees. Should the parties choose a neutral other than an official or employee of the Commission, fees and expenses shall be borne by the parties as the parties shall agree.

§ 502.405 Confidentiality.

(a) Except as provided in paragraphs (d) and (e) of this section, a neutral in a dispute resolution proceeding shall not voluntarily disclose or through discovery or compulsory process be required to disclose any dispute resolution communication or any communication provided in confidence to the neutral, unless—
(1) All parties to the dispute resolution proceeding and the neutral consent in writing, and, if the dispute resolution communication was provided by a nonparty participant, that participant also consents in writing;
(2) The dispute resolution communication has already been made public;
(3) The dispute resolution communication is required by statute to be made public, but a neutral should make such communication public only if no other person is reasonably available to disclose the communication; or
(4) A court determines that such testimony or disclosure is necessary to—
(i) Prevent a manifest injustice;
(ii) Help establish a violation of law; or
(iii) Prevent harm to the public health or safety, of sufficient magnitude in the particular case to outweigh the integrity of dispute resolution proceedings in general by reducing the confidence of parties in future cases that their communications will remain confidential.

(b) A party to a dispute resolution proceeding shall not voluntarily disclose or through discovery or compulsory process be required to disclose any dispute resolution communication, unless—
(1) The communication was prepared by the party seeking disclosure;
(2) All parties to the dispute resolution proceeding consent in writing;
(3) The dispute resolution communication has already been made public;
(4) The dispute resolution communication is required by statute to be made public;
(5) A court determines that such testimony or disclosure is necessary to—
(i) Prevent a manifest injustice;
(ii) Help establish a violation of law; or
(iii) Prevent harm to the public health and safety, of sufficient magnitude in the particular case to outweigh the integrity of dispute resolution proceedings in general by reducing the confidence of parties in future cases that their communications will remain confidential;
(6) The dispute resolution communication is relevant to determining the
existence or meaning of an agreement or award that resulted from the dispute resolution proceeding or to the enforcement of such an agreement or award;

or

(7) Except for dispute resolution communications generated by the neutral, the dispute resolution communication was provided to or was available to all parties to the dispute resolution proceeding.

(c) Any dispute resolution communication that is disclosed in violation of paragraph (a) or (b) of this section shall not be admissible in any proceeding relating to the issues in controversy with respect to which the communication was made.

(d)(1) The parties may agree between or amongst themselves to alternative confidential procedures for disclosures by a neutral, and shall inform the neutral before commencement of the dispute resolution proceeding of any modifications to the provisions of paragraph (a) of this section that will govern the confidentiality of the dispute resolution proceeding, in accordance with the guidance on confidentiality in federal proceedings published by the Interagency ADR Working Group and adopted by the ADR Council (http://www.financenet.gov/financenet/fed/iadrwg/confid.pdf). If the parties do not so inform the neutral, paragraph (a) of this section shall apply.

(2) To qualify for the exemption under paragraph (j) of this section, an alternative confidential procedure under this subsection may not provide for less disclosure than the confidential procedures otherwise provided under this section.

(e) If a demand for disclosure, by way of discovery request or other legal process, is made upon a neutral regarding a dispute resolution communication, the neutral shall make reasonable efforts to notify the parties and any affected nonparty participants of the demand. Any party or affected nonparty participant who receives such notice and within 15 calendar days does not offer to defend a refusal of the neutral to disclose the requested information shall have waived any objection to such disclosure.

(f) Nothing in this section shall prevent the discovery or admissibility of any evidence that is otherwise discoverable, merely because the evidence was presented in the course of a dispute resolution proceeding.

(g) Paragraphs (a) and (b) of this section shall have no effect on the information and data that are necessary to document an agreement reached or order issued pursuant to a dispute resolution proceeding.

(h) Paragraphs (a) and (b) of this section shall not prevent the gathering of information for research or educational purposes, in cooperation with other agencies, governmental entities, or dispute resolution programs, so long as the parties and the specific issues in controversy are not identifiable.

(i) Paragraphs (a) and (b) of this section shall not prevent use of a dispute resolution communication to resolve a dispute between the neutral and a party or participant in such proceeding, so long as such dispute resolution communication is disclosed only to the extent necessary to resolve such dispute.

(j) A dispute resolution communication which is between a neutral and a party and which may not be disclosed under this section shall also be exempt from disclosure under 5 U.S.C. 552(b)(3).

(a)(1) Arbitration may be used as an alternative means of dispute resolution whenever all parties consent, except that arbitration may not be used when the Commission or one of its components is a party. Consent may be obtained either before or after an issue in controversy has arisen. A party may agree to—

(i) Submit only certain issues in controversy to arbitration; or

(ii) Arbitration on the condition that the award must be within a range of possible outcomes.

(2) The arbitration agreement that sets forth the subject matter submitted to the arbitrator shall be in writing. Each such arbitration agreement shall specify a maximum award that may be issued by the arbitrator and may specify other conditions limiting the range of possible outcomes.

(b) With the concurrence of the Federal Maritime Commission

83
Resolution Specialist, binding arbitration may be used to resolve any and all disputes that could be the subject of a Commission administrative proceeding before an Administrative Law Judge. The Federal Maritime Commission Dispute Resolution Specialist may withhold such concurrence after considering the factors specified in §502.403, should the Commission’s General Counsel object to use of binding arbitration.

(c)(1) The Federal Maritime Commission Dispute Resolution Specialist will appoint an arbitrator of the parties’ choosing for an arbitration proceeding.

(2) A Commission officer or employee selected as an arbitrator by the parties and appointed by the Federal Maritime Commission Dispute Resolution Specialist shall have authority to settle an issue in controversy through binding arbitration pursuant to the arbitration agreement; provided, however, that decisions by arbitrators shall not have precedential value with respect to decisions by Administrative Law Judges or the Commission. Administrative Law Judges may be appointed as arbitrators with the concurrence of the Chief Administrative Law Judge.

(d) The arbitrator shall be a neutral who meets the criteria of 5 U.S.C. 573.

§ 502.407 Authority of the arbitrator.

An arbitrator to whom a dispute is referred may—

(a) Regulate the course of and conduct arbitral hearings;

(b) Administer oaths and affirmations;

(c) Compel the attendance of witnesses and production of evidence at the hearing under the provisions of 9 U.S.C. 7 only to the extent the Commission is otherwise authorized by law to do so; and

(d) Make awards.

§ 502.408 Conduct of arbitration proceedings.

(a) The arbitrator shall set a time and place for the hearing on the dispute and shall notify the parties not less than five days before the hearing.

(b) Any party wishing a record of the hearing shall—

(1) Be responsible for the preparation of such record;

(2) Notify the other parties and the arbitrator of the preparation of such record;

(3) Furnish copies to all identified parties and the arbitrator; and

(4) Pay all costs for such record, unless the parties agree otherwise or the arbitrator determines that the costs should be apportioned.

(c)(1) The parties to the arbitration are entitled to be heard, to present evidence material to the controversy, and to cross-examine witnesses appearing at the hearing.

(2) The arbitrator may, with the consent of the parties, conduct all or part of the hearing by telephone, television, computer, or other electronic means, if each party has an opportunity to participate.

(3) The hearing shall be conducted expeditiously and in an informal manner.

(4) The arbitrator may receive any oral or documentary evidence, except that irrelevant, immaterial, unduly repetitious, or privileged evidence may be excluded by the arbitrator.

(5) The arbitrator shall interpret and apply relevant statutory and regulatory requirements, legal precedents, and policy directives.

(d) The provisions of §502.11 regarding ex parte communications apply to all arbitration proceedings. No interested person shall make or knowingly cause to be made to the arbitrator an unauthorized ex parte communication relevant to the merits of the proceeding, unless the parties agree otherwise. If a communication is made in violation of this subsection, the arbitrator shall ensure that a memorandum of the communication is prepared and made a part of the record, and that an opportunity for rebuttal is allowed. Upon receipt of a communication made in violation of this subsection, the arbitrator may, to the extent consistent with the interests of justice and the policies underlying this subchapter, require the offending party to show cause why the claim of such party should not be resolved against such party as a result of the improper conduct.

(e) The arbitrator shall make an award within 30 days after the close of the hearing, or the date of the filing of any briefs authorized by the arbitrator,
whichever date is later, unless the parties agree to some other time limit.

§ 502.409 Arbitration awards.

(a)(1) The award in an arbitration proceeding under this subchapter shall include a brief, informal discussion of the factual and legal basis for the award, but formal findings of fact or conclusions of law shall not be required.

(2) Exceptions to or an appeal of an arbitrator’s decision may not be filed with the Commission.

(b) An award entered in an arbitration proceeding may not serve as an estoppel in any other proceeding for any issue that was resolved in the proceeding. Such an award also may not be used as precedent or otherwise be considered in any factually unrelated proceeding.

§ 502.410 Representation of parties.

(a) The provisions of § 502.21 apply to the representation of parties in dispute resolution proceedings, as do the provisions of § 502.27 regarding the representation of parties by nonattorneys.

(b) A neutral in a dispute resolution proceeding may require participants to demonstrate authority to enter into a binding agreement reached by means of a dispute resolution proceeding.

§ 502.411 Mediation and other alternative means of dispute resolution.

(a) Parties are encouraged to utilize mediation or other forms of alternative dispute resolution in all formal proceedings. The Commission also encourages those with disputes to pursue mediation in lieu of, or prior to, the initiation of a Commission proceeding.

(b) Any party may request, at any time, that a mediator or other neutral be appointed to assist the parties in reaching a settlement. If such a request is made in a proceeding assigned to an Administrative Law Judge, the provisions of § 502.91 apply. For all other matters, alternative dispute resolution services may be requested directly from the Federal Maritime Commission Alternative Dispute Resolution Specialist, who may serve as the neutral if the parties agree or who will arrange for the appointment of a neutral acceptable to all parties.

(c) The neutral shall convene and conduct mediation or other appropriate dispute resolution proceedings with the parties.

(d) Ex parte Communications. Except with respect to arbitration, the provisions of § 502.11 do not apply to dispute resolution proceedings, and mediators are expressly authorized to conduct private sessions with parties.

§ 502.501 General provisions.

(a) Purpose. The Equal Access to Justice Act, 5 U.S.C. 504 (“EAJA”), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before the Federal Maritime Commission (“the Commission”). An eligible party may receive an award when it prevails over an agency, unless the agency’s position was substantially justified or special circumstances make an award unjust.

(b) When EAJA applies. EAJA applies to any adversary adjudication:

(1) Pending or commenced before the Commission on or after August 5, 1985;

(2) Commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in § 502.502 of this subpart, has been filed with the Commission within 30 days after August 5, 1985; or

(3) Pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

(c) Proceedings covered. (1)(i) EAJA applies to adversary adjudications conducted by the Commission under this part. These are adjudications under 5 U.S.C. 554 in which the position of this
or any other agency of the United States, or any component of any agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding.

(ii) Any proceeding in which the Commission may prescribe a lawful present or future rate is not covered by the Act.

(iii) Proceedings to grant or renew licenses are also excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise “adversary adjudications.”

(2) The Commission’s failure to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the EAJA; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(3) If a proceeding includes both matters covered by EAJA and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

(d) Eligibility of applicants. (1) To be eligible for an award of attorney fees and other expenses under EAJA, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this section and § 502.502.

(2) The types of eligible applicants are:

(i) An individual with a net worth of not more than $2 million;

(ii) The sole owner of an unincorporated business who has a net worth of not more than $7 million, including both personal and business interests, and not more than 500 employees;

(iii) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(iv) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(v) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than $7 million and not more than 500 employees.

(vi) For purposes of paragraph (e)(3) of this section, a small entity as defined in 5 U.S.C. 601.

(3) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(4) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(5) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(6) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interests of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interests, will be considered an affiliate for purposes of this subpart, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of EAJA in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(7) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

(e) Standards for awards. (1) A prevailing applicant may receive an award
for fees and expenses incurred in connection with a proceeding or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The position of the agency includes, in addition to the position taken by the agency in the adversary adjudication, the action or failure to act by the agency upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant is on agency counsel.

(2) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award unjust.

(3) In an adversary adjudication arising from a Commission action to enforce a party's compliance with a statutory or regulatory requirement, if the demand by the Commission is substantially in excess of the decision of the presiding officer and is unreasonable under the facts and circumstances of the case, the presiding officer shall award to the party fees and other expenses related to defending against the excessive demand, unless the party has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust.

(f) Allowable fees and expenses. (1) Awards will be based on rates customarily charged by the persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(2) No award for the fee of an attorney or agent under this subpart may exceed $125 per hour. No award to compensate an expert witness may exceed the highest rate at which the Commission pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(3) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(i) If the attorney, agent or witness is in private practice, his or her customary fees for similar services, or, if an employee of the applicant, the fully allocated costs of the services;

(ii) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(iii) The time actually spent in the representation of the applicant;

(iv) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(v) Such other factors as may bear on the value of the services provided.

(4) The reasonable cost of any study, analysis, engineering report, test project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant's case.

(g) Awards against other agencies. If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Commission and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency. [Rule 501.]

[52 FR 28264, July 29, 1987, as amended at 64 FR 7812, Feb. 17, 1999]

§ 502.502 Information required from applicants.

(a) Contents of petition. (1) An application for an award of fees and expenses under EAJA shall be by petition under §502.69 of this part, shall clearly indicate that the application is made under EAJA, and shall identify the applicant and the proceeding (including docket number) for which an award is sought. The application shall show that the applicant has prevailed and identify the position of an agency or agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(2) The petition shall also include a statement that the applicant's net
§ 502.502

Net worth exhibit. (1) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its petition a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §502.501(d)(6) of this subpart) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant’s and its affiliates’ assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this subpart. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(2) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled “Confidential Financial Information,” accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission’s established procedures under the Freedom of Information Act under §§503.31–503.43 of this chapter.

(c) Documentation of fees and expenses.
The petition shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rates at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.
§ 502.503 Procedures for considering petitions.

(a) Filing and service of documents. (1) Any petition for an award or other pleading or document related to a petition shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding except as provided in §502.502(b)(2) (confidential financial information).

(2) The petition and all other pleadings or documents related to the petition will be referred to an Administrative Law Judge to initially decide the matter as adjudicative officer.

(b) Reply to petition. (1) Within 30 days after service of a petition, counsel representing the agency against which an award is sought may file a reply to the petition. Unless counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b)(2) of this section, failure to file a reply within the 30-day period may be treated as a consent to the award requested.

(2) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing a reply for an additional 30 days, and further extension may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(3) The reply shall explain in detail any objections to the award requested and identify the facts relied on in support of counsel’s position. If the reply is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the reply either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(c) Response to reply. Within 15 days after service of a reply, the applicant may file a response. If the response is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the response either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(d) Comments by other parties. Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on a reply, within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

(e) Settlement. The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded in accordance with the rules of this subpart pertaining to settlement. If a prevailing party and agency counsel agree on a proposed settlement of an award, such agreement shall be based on facts not already in the record of the proceeding.

(f) Filing of affidavit. If an affidavit is filed under paragraph (d) of this section, the affidavit shall contain no attachment and shall be filed only if the comments demonstrate that the public interest requires such participation in order to permit full exploration of matters raised in the comments.
award before a petition is filed, the petition shall be filed with the proposed settlement.

(f) Further proceedings. (1) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant’s eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(2) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

(g) Decision. The adjudicative officer shall serve an initial decision on the application within 60 days after completion of proceedings on the application. The decision shall include written findings and conclusions on the applicant’s eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the agency’s position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reason for the allocation made.

(h) Commission review. Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Commission may decide to review the decision on its own initiative, in accordance with §502.227 of this part. If neither the applicant nor agency counsel seeks review and the Commission does not take review on its own initiative, the initial decision on the application shall become a final decision of the Commission 30 days after it is issued. Whether to review a decision is a matter within the discretion of the Commission. If review is taken, the Commission will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

(i) Judicial review. Judicial review of final Commission decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

(j) Payment of award. (1)(i) An applicant seeking payment of an award shall submit to the comptroller or other disbursing officer of the paying agency a copy of the Commission’s final decision granting the award, accompanied by a certification that the applicant will not seek review of the decision in the United States courts.

(ii) The agency will pay the amount awarded to the applicant within 60 days.

(2) Where the Federal Maritime Commission is the paying agency, the application for payment of award shall be submitted to: Office of Budget and Financial Management, Federal Maritime Commission, Washington, DC 20573. [Rule 503.]

§ 502.601 Purpose and scope.

The purpose of this subpart is to implement the statutory provisions of
Federal Maritime Commission

§ 502.602 Definitions.

For the purposes of this subpart:

(a) **Assessment** means the imposition of a civil penalty by order of the Commission after a formal docketed proceeding.

(b) **Commission** means the Federal Maritime Commission.

(c) **Compromise** means the process whereby a civil penalty for a violation is agreed upon by the respondent and the Commission outside of a formal, docketed proceeding.

(d) **Mitigation** means the reduction, in whole or in part, of the amount of a civil penalty.

(e) **Person** includes individuals, corporations, partnerships, and associations existing under or authorized by the laws of the United States or of a foreign country.

(f) **Respondent** means any person charged with a violation.

(g) **Settlement** means the process whereby a civil penalty or other disposition of the case for a violation is agreed to in a formal, docketed proceeding instituted by order of the Commission.

(h) **Violation** includes any violation of sections 19(f)(4), 19(g)(4), and 19(k) of the Merchant Marine Act, 1920 (46 U.S.C. 42104(a), 42104(d), and 42108); any provision of the Shipping Act of 1984 (46 U.S.C. 40101–41309); sections 2 and 3 of Pub. L. 89–777 (46 U.S.C. 44101–44106); and/or any order, rule or regulation (except for procedural rules and regulations contained in this part) issued or made by the Commission in the exercise of its powers, duties and functions under the Merchant Marine Act, 1920, the Shipping Act of 1984, or Pub. L. 89–777.

(i) Words in the plural form shall include the singular and vice versa; and words importing the masculine gender shall include the feminine and vice versa. The terms “includes” and “including” do not exclude matters not listed but which are in the same general class. The word “and” includes “or”, except where specifically stated or where the context requires otherwise. [Rule 602.]

§ 502.603 Assessment of civil penalties: Procedure; criteria for determining amount; limitations; relation to compromise.

(a) **Procedure for assessment of penalty.**

The Commission may assess a civil penalty only after notice and opportunity for hearing. Civil penalty assessment proceedings, including settlement negotiations, shall be governed by the Commission’s Rules of Practice and Procedure in this part. All settlements must be approved by the Presiding Officer. The full text of any settlement must be included in the final order of the Commission.

(b) **Criteria for determining amount of penalty.** In determining the amount of any penalties assessed, the Commission shall take into account the nature, circumstances, extent and gravity of the violation committed and the policies for deterrence and future compliance with the Commission’s rules and regulations and the applicable statutes. The Commission shall also consider the respondent’s degree of culpability, history of prior offenses, ability to pay and such other matters as justice requires.

(c) **Limitations; relation to compromise.**

When the Commission, in its discretion, determines that policy, justice or other circumstances warrant, a civil penalty assessment proceeding may be instituted at any time for any violation which occurred within five years.
§ 502.604 Compromise of penalties: Relation to assessment proceedings. (a) Scope. Except in pending civil penalty assessment proceedings provided for in §502.603, the Commission, when it has reason to believe a violation has occurred, may invoke the informal compromise procedures of this section.

(b) Notice. When the Commission considers it appropriate to afford an opportunity for the compromise of a civil penalty, it will, except when otherwise authorized by the Commission, or where circumstances render it unnecessary, send a Notice and Demand Letter ("NDL") to the respondent, by registered or certified mail, or by other means reasonably calculated to give notice. The NDL will describe specific violation(s) on which the claim is based, including the particular facts, dates and other elements necessary for the respondent to identify the specific conduct constituting the alleged violation; the amount of the penalty demanded; the availability of alternative dispute resolution, including mediation, through the Commission’s Office of Consumer Affairs and Dispute Resolution Services; and the names of Commission personnel with whom the demand may be discussed, if the person desires to compromise the penalty. The NDL also will state the deadlines for the institution and completion of compromise negotiations and the consequences of failure to compromise.

(c) Request for compromise. Any person receiving a NDL provided for in paragraph (b) of this section may, within the time specified, deny the violation, or submit matters explaining, mitigating or showing extenuating circumstances, as well as make voluntary disclosures of information and documents.

(d) Criteria for compromise. In addition to the factors set forth in §502.603(b), in compromising a penalty claim, the Commission may consider litigative probabilities, the cost of collecting the claim and enforcement policy.

(e) Disposition of claims in compromise procedures. (1) When a penalty is compromised and the respondent agrees to settle for that amount, a compromise agreement shall be executed. (One example of such compromise agreement is set forth as appendix A to this subpart.) This agreement, after reciting the nature of the claim, will include a statement evidencing the respondent’s agreement to the compromise of the Commission’s penalty claim for the amount set forth in the agreement and will also embody an approval and acceptance provision which is to be signed by the appropriate Commission official. Upon compromise of the penalty in the agreed amount, a duplicate original of the executed agreement shall be furnished to the respondent.

(2) Upon completion of the compromise, the Commission may issue a public notice thereof, the terms and language of which are not subject to negotiation.

(f) Relation to assessment proceedings. Except by order of the Commission, no compromise procedure shall be initiated or continued after institution of a Commission assessment proceeding directed to the same violations. Any offer of compromise submitted by the respondent pursuant to this section shall be deemed to have been furnished by the respondent without prejudice and shall not be used against the respondent in any proceeding.

(g) Delegation of compromise authority. The Director, Bureau of Enforcement, is delegated authority to issue NDLs and compromise civil penalties as set forth in this subpart, provided, however, that approval of the Managing Director is obtained prior to issuance of each NDL and provided further that compromise agreements shall not be effective unless approved by the Managing Director, whose signature evidencing approval shall appear on compromise agreements, in addition to that of the Director of the Bureau of Enforcement. The Director, Bureau of Enforcement.

§ 503.31 Records available upon written request under the Freedom of Information Act.

(a) A member of the public may request permission to inspect, copy or be provided with any Commission records not described in subpart C of this part. Such a request must:

(1) Reasonably describe the record or records sought;
§ 503.32 Procedures for responding to requests made under the Freedom of Information Act.

(a) Determination to grant or deny request. Upon request by any member of the public for documents, made in accordance with the rules of this part, the Commission’s Secretary or his or her delegate in his or her absence, shall determine whether or not such request shall be granted.

(1) Such determination shall be made by the Secretary within twenty (20) days (excluding Saturdays, Sundays and legal public holidays) after receipt of such request, except as provided in paragraph (c) of this section.

(2) Upon granting a request the Secretary shall promptly make records available to the requestor. Upon denial of such a request the Secretary shall promptly notify the requestor of the determination, explain the reason for denial, give an estimate of the volume of matter denied, set forth the names and titles or positions of each person responsible for the denial of the request, and notify the party of its right to appeal that determination to the Chairman.

(3)(i) Any party whose request for documents or other information pursuant to this part has been denied in whole or in part by the Secretary may appeal such determination. Any such appeal must:

(A) Be addressed to: Chairman, Federal Maritime Commission, Washington, D.C. 20573–0001; and

(B) Be filed not later than ten (10) working days following receipt of notification of denial or receipt of a part of the records requested.

(ii) The Chairman or the Chairman’s specific delegate in his or her absence, shall make a determination with respect to that appeal within twenty (20) days (excluding Saturdays, Sundays and legal public holidays) after receipt of such appeal, except as provided in paragraph (b) of this section.

(iii) If, on appeal, the denial is upheld, either in whole or in part, the Chairman shall so notify the party submitting the appeal and shall notify such person of the provisions of 5 U.S.C. 552(a)(4) regarding judicial review of such determination upholding the denial. Notification shall also include the statement that the determination is that of the Chairman of the Federal Maritime Commission and the name of the Chairman.

(b) Extension of time limits.

(1) In unusual circumstances, as defined in paragraph (b)(2) of this section, the time limits prescribed with respect to initial actions in response to a FOIA request or actions on appeal may be extended by written notice from the Secretary of the Commission to the person making such request, setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten (10) working days, except as provided in paragraph (b)(3) of this section.

(2) As used in this paragraph, unusual circumstances means, but only to the extent reasonably necessary to the proper processing of the particular request:

(i) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(ii) The need to search, collect, and appropriately examine a voluminous amount of separate and distinct
records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

(3) If the time limit is extended as prescribed under this section, and the request cannot be processed within the extended time limit, the Secretary shall notify the requestor, and either provide the requestor with an opportunity to limit the scope of the request so that it may be processed within the time limit, or provide the requestor an opportunity to arrange with the Secretary an alternative time frame for processing the request or a modified request.

(c) Aggregation of requests. Certain requests by the same requestor, or by a group of requestors acting in concert, may be aggregated:

(1) Upon the Secretary's reasonable belief that such requests actually constitute a single request, which if not aggregated would satisfy the unusual circumstances specified in paragraph (b)(2) of this section; and

(2) If the requests involve clearly related matters.

(d) Multitrack processing of requests. The Secretary may provide for multitrack processing of requests based on the amount of time or work involved in processing requests.

(e) Expedited processing of requests. (1) The Secretary will provide for expedited processing of requests for records when:

(i) The person requesting the records can demonstrate a compelling need; or

(ii) In other cases, in the Secretary’s discretion.

(2) The term compelling need means:

(i) A failure to obtain requested records on an expedited basis under this paragraph could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) With respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity.

(3) A demonstration of compelling need by a person making a request for expedited processing must be made in the form of a statement describing the circumstances and certified by such person to be true and correct to the best of such person’s knowledge and belief.

(4) The Secretary shall determine whether to provide expedited processing, and provide notice of the determination to the person making the request, within ten (10) working days after the date of the request.

(5) Appeal of the determination not to provide expedited processing should be sought in accordance with the provisions of paragraph (a)(3)(i) of §503.32, and will be considered expeditiously.

(6) Any request granted expedited processing shall be processed as soon as practicable.

§ 503.33 Exceptions to availability of records.

(a) Except as provided in paragraph (b) of this section, the following records may be withheld from disclosure:

(1) Records specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and which are in fact properly classified pursuant to such Executive order. Records to which this provision applies shall be deemed by the Commission to have been properly classified. This exception may apply to records in the custody of the Commission which have been transmitted to the Commission by another agency which has designated the record as nonpublic under an Executive order.

(2) Records related solely to the internal personnel rules and practices of the Commission.

(3) Records specifically exempted from disclosure by statute, provided that such statute:

(i) Requires that the matter be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld.
(4) Trade secrets and commercial financial information obtained from a person and privileged or confidential.

(5) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the Commission.

(6) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:
   (i) Could reasonably be expected to interfere with enforcement proceedings;
   (ii) Would deprive a person of a right to a fair trial or an impartial adjudication;
   (iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;
   (iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;
   (v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or
   (vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(b) Nothing in this section authorizes withholding of information or limiting the availability of records to the public except as specifically stated in this part, nor shall this part be authority to withhold information from Congress.

(c) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this part. The amount of information deleted shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by the exemption in this section under which the deletion is made. If technically feasible, the amount of the information deleted shall be indicated at the place in the record where such deletion is made.

(d) Whenever a request is made which involves access to records described in paragraph (a)(7)(i) of this section and the investigation or proceeding involves a possible violation of criminal law, and there is reason to believe that the subject of the investigation or proceeding is not aware of its pendency, and disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the Commission may, during only such time as that circumstance continues, treat the records as not subject to the requirements of 5 U.S.C. 552 and this subpart.

§ 503.34 Annual report of public information request activity.

(a) On or before February 1 of each year, the Commission shall submit to the Attorney General of the United States, as required by the Attorney General, a report which shall cover the preceding fiscal year and which shall include:

(1) The number of determinations made not to comply with requests for records made to the Commission under this Subpart and the reasons for each such determination;

(2)(i) The number of appeals made by persons under §503.32, the result of such appeals, and the reason for the action upon each appeal that results in a denial of information; and
   (ii) A complete list of all statutes relied upon to authorize withholding of information under §503.33(a)(3), a description of whether a court has upheld the Commission’s decision to withhold information under each such statute, and a concise description of the scope of any information withheld;

(3) The number of requests for records pending before the Commission as of September 30 of the preceding
§ 503.37 Purpose and scope; definitions.

(a) This subpart sets forth the procedures to be followed with respect to:

(b) This subpart applies in all litigation in which the United States is not a party.

(c) For purposes of this subpart, the term employee includes:

This subpart governs, inter alia, responses to requests for discovery, depositions, and other litigation proceedings, as well as responses to informal requests by attorneys or others in situations involving litigation. However, this subpart shall not apply to any claims against the Commission by Federal Maritime Commission employees (present or former), or applicants for Commission employment, for which jurisdiction resides with the U.S. Equal Employment Opportunity Commission; the U.S. Merit Systems Protection Board; the Office of Special Counsel; the Federal Labor

§ 503.39 Factors to be considered in response to demands or requests.

(a) The Commission will determine whether testimony or the production of documents will be authorized according to the following criteria:

(1) Statutory restrictions, as well as any legal objection, exemption, or privilege that may apply;

(8) Preserving the integrity of the administrative process.

§ 503.40 Service of process and filing requirements.

(a) Service of summonses and complaints. (1) Except in cases in which the Commission is represented by legal counsel who have entered an appearance or otherwise given notice of their representation, only the General Counsel is authorized to receive and accept subpoenas, or other demands or requests directed to the Commission, or any component thereof, or its employees, or former employees, whether civil or criminal nature, for:

(i) Material, including documents, contained in the files of the Commission;

(ii) Information, including testimony, affidavits, declarations, admissions, responses to interrogatories, or informal statements, relating to material contained in the files of the Commission or which any Commission employee acquired in the course and scope of the custodians and control of the Commission;

(2) Relates to information in the custody and control of the Commission; or

(3) Was acquired by Commission contractors, employees, former employees or former contractors as part of their official duties or because of their official status within the Commission while such individuals were employed by or served on behalf of the Commission.

(g) Nothing in this subpart affects disclosure of information under the Freedom of Information Act (FOIA), 5 U.S.C. 552, the Privacy Act, 5 U.S.C. 552a, the Government in the Sunshine Act, 5 U.S.C. 552b, the Commission’s implementing regulations, or pursuant to congressional subpoena.

(h) Nothing in this subpart affects the disclosure of official information to other federal agencies or Department of Justice attorneys in connection with:

(1) Litigation conducted on behalf or in defense of the United States, its agencies, officers, and employees; or

(2) Litigation in which the United States has an interest.

(iii) Garnishment or attachment of compensation of current or former employees; or

(2) All such documents should be delivered or addressed to the General Counsel, Office of the General Counsel, Federal Maritime Commission, 800 North Capitol Street NW., Washington, DC 20573.

(3) In the event that any subpoena, demand, or request is sought to be delivered to a Commission employee (including former employees) other than in the manner prescribed in paragraphs (a)(1) and (2) of this section, such attempted service shall be ineffective. Such employee shall, after consultation with the General Counsel:

(i) Decline to accept the subpoena, demand, or request; or

(ii) Return them to the server under cover of a written communication referring to the procedures prescribed in this part.

(4) Acceptance of such documents by the Office of the General Counsel does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure, or other applicable laws, rules, or regulations.

§ 503.42 Fees.

(a) Generally. The Commission may condition the production of records or appearance for testimony upon advance payment of a reasonable estimate of the costs to the Commission.

(b) Fees for records. Fees for producing records will include fees for searching, reviewing, and duplicating records, costs of attorney time spent in reviewing the demand or request, and expenses generated by materials and equipment used to search for, produce, and copy the responsive information. Costs for employee time will be calculated on the basis of the hourly pay of the employee (including all pay, allowance, and benefits). Fees for duplication will be the same as those charged by the Commission in its regulations at subpart F of this part.

(c) Witness fees. Fees for attendance by a witness will include fees, expenses, and allowances prescribed by the court’s rules. If no such fees are prescribed, witness fees will be determined based upon the rule of the Federal district court closest to the location where the witness will appear. Such

§ 503.41 Procedure when testimony or production of documents is sought.

The Commission shall follow the procedures set forth in this part.

(a) If oral testimony is sought by a demand in any case or matter in which the United States is not a party, an affidavit, or, if that is not feasible, a statement by the party seeking the testimony or by his attorney, setting forth a summary of the testimony sought and its relevance to the proceeding.

(b) When information other than oral testimony is sought by a demand, the Commission shall request a summary of the information sought and its relevance to the proceeding.

(c) Permission to testify or to release documents in all cases will be limited to matters outlined in the affidavit or declaration described in §503.41(a) and (b), or to such matters as deemed appropriate by the Commission. If the Commission, in considering the factors in §503.39, allows the release of documents or testimony to be given by an employee, arrangements shall be made for the taking of testimony or receipt of documents by the method least disruptive to the employee’s official duties. Testimony may, for example, be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(d) Upon issuance of a final determination to not authorize testimony or release of Commission information by the Commission, the party or the party’s counsel seeking testimony or documents may consult or negotiate with the Commission to refine and limit the demand.
fees will include cost of time spent by
the witness to prepare for testimony,
in travel, and for attendance at the
legal proceeding.

(d) Payment of fees. The seeking party
must pay witness fees for current Com-
mmission employees and any records cer-
tification fees by submitting to the
General Counsel a check or money
order for the appropriate amount made
payable to the Treasury of the United
States. In the case of testimony by
former Commission employees, appli-
cable fees must be paid directly to the
former employee in accordance with 28
U.S.C. 1821, per diem and mileage, or
other applicable statutes.

(e) Certification (authentication) of
copies of records. The Commission may
certify that records are true copies in
order to facilitate their use as evi-
dence. If certified records are sought,
the request for certified copies shall be
made at least 45 days before the date
they will be needed. The request should
be sent to the General Counsel. Fees
for certification will be the same as
those charged by the Commission in its
regulations at subpart F of this part.

(f) Waiver or reduction of fees. The
Commission may, upon a showing of
reasonable cause, waive or reduce any
fees in connection with testimony, pro-
duction, or certification of records.

(g) De minimis fees. Fees will not be
assessed if the total charge would be
$10.00 or less.

§ 503.48 Policy and services available.

Pursuant to policies established by
Congress, the Government’s costs for
services provided to identifiable per-
sons are to be recovered by the pay-
ment of fees (Independent Offices Ap-
propriations Act, 31 U.S.C. 9701 and
Freedom of Information Reform Act of
1986, October 27, 1986, 5 U.S.C. 552). Ex-
cept as otherwise noted, it is the gen-
eral policy of the Commission not to
waive or reduce service and filing fees
contained in this chapter. In extraor-
dinary situations, the Commission will
accept requests for waivers or fee re-
ductions. Such requests are to be made
to the Secretary of the Commission at
the time of the information request or
the filing of documents and must dem-
strate that the waiver or reduction
of a fee is in the best interest of the
public, or that payment of a fee would
impose an undue hardship. The Sec-
retary will notify the requestor of the
decision to grant or deny the request
for waiver or reduction.

(a) Upon request, the following serv-
ces are available upon the payment of
the fees hereinafter prescribed; except
that no fees shall be assessed for
search, duplication or review in con-
nection with requests for single copies
of materials described in §§ 303.11 and
303.21:

(1) Records/documents search.

(2) Duplication of records/documents.

(3) Review of records/documents.

(4) Certification of copies of records/
documents.

(b) Fees shall also be assessed for the
following services provided by the
Commission:

ested party, on the mailing list of a
docketed proceeding.

(2) Processing nonattorney applica-
tions to practice before the Commis-

(a) Definitions. The following defini-
tions apply to the terms when used in
this subpart:

(1) Search means all time spent look-

46 CFR Ch. IV (10–1–14 Edition)
by-line identification of material within documents. Search for material will be done in the most efficient and least expensive manner so as to minimize costs for both the agency and the requester. Search is distinguished, moreover, from review of material in order to determine whether the material is exempt from disclosure. Searches may be done manually or by computer using existing programming.

(2) Duplication means the process of making a copy of a document necessary to respond to a Freedom of Information Act or other request. Such copies can take the form of paper or machine readable documentation (e.g., magnetic tape or disk), among others.

(3) Review means the process of examining documents located in response to a commercial use request to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(4) Commercial use request means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the agency must determine the use to which a requester will put the documents requested. Where the agency has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the agency will seek additional clarification before assigning the request to a specific category.

(5) Educational institution means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(6) Non-commercial scientific institution means an institution that is not operated on a commercial basis as that term is referenced in paragraph (a)(4) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(7) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. As traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. Freelance journalists, may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but the agency may also look to the past publication record of a requester in making this determination.

(8) Direct costs means those expenditures which the agency actually incurs in searching for and duplicating (and in the case of commercial requester, reviewing) documents to respond to a Freedom of Information Act ("FOIA") request. Direct costs include, for example, the salary of the employee performing the work (the basic rate of pay for the employee plus 17.5 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(b) General. (1) The basic fees set forth in paragraph (c) of this section
provide for documents to be mailed with postage prepaid. If copy is to be transmitted by registered, certified, air, or special delivery mail, postage therefor will be added to the basic fee. Also, if special handling or packaging is required, costs thereof will be added to the basic fee.

(2) The fees for search, duplication and review set forth in paragraph (c) of this section reflect the full allowable direct costs expected to be incurred by the agency for the service. Costs of search and review may be assessed even if it is determined that disclosure of the records is to be withheld. Cost of search may be assessed even if the agency fails to locate the records. Requesters much reasonably describe the records sought. The following restrictions, limitations and guidelines apply to the assessment of such fees:

(i) For commercial use requesters, charges recovering full direct costs for search, review and duplication of records will be assessed.

(ii) For educational and non-commercial scientific institution requesters, no charge will be assessed for search or review of records. Charges recovering full direct costs for duplication of records will be assessed, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(iii) For representative of the news media requesters, no charge will be assessed for search or review of records. Charges recovering full direct costs for duplication of records will be assessed, excluding charges for the first 100 pages.

(iv) For all other requesters, no charge will be assessed for review of records. Charges recovering full direct costs for search and duplication of records will be assessed excluding charges for the first 100 pages of duplication and the first two hours of search time. Requests from individuals for records about themselves, filed in a Commission system of records, will be treated under the fee provisions of the Privacy Act of 1984 which permit fees only for duplication.

(v) No fee may be charged for search, review or duplication if the costs of routine collection and processing of the fee are likely to exceed the amount of the fee.

(vi) Documents shall be furnished without any charge or at a reduced charge if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. In determining whether a waiver or reduction of charges is appropriate the following factors will be taken into consideration.

(A) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(B) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(C) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding;

(D) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities;

(E) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(F) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(vii) Whenever it is anticipated that fees chargeable under this section will exceed $25.00 and the requester has not indicated in advance a willingness to
(vii) Interest may be charged record requesters who fail to pay fees assessed. Assessment of interest may begin on the amount billed starting on the 31st day following the day on which the billing was sent. Interest will be at the rate prescribed in section 3717 of title 31 U.S.C., and will accrue from the date of the billings. Receipt of payment by the agency will stay the accrual of interest.

(x) The agency may require a requester to make advance payment only when:

(A) A requester has previously failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing), in which case the requester will be required to pay the full amount owed plus any applicable interest as provided above, and to make an advance payment of the full amount of the estimated fee before the agency begins to process a new request or a pending request from that requester; or

(B) The agency estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250, in which case, the agency will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or will require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment.

(xii) Whenever action is taken under paragraphs (b)(2)(viii) and (b)(2)(ix) of this section, the administrative time limits prescribed in subsection (a)(6) of 5 U.S.C. 552 (i.e., 10 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits will begin only after the Commission has received fee payments described above.

(c) Charges for search, review, duplication and certification.

(1) Records search will be performed by Commission personnel at the following rates:

(i) Search will be performed by clerical/administrative personnel at a rate of $19 per hour and by professional/executive personnel at a rate of $48 per hour.

(ii) Minimum charge for record search is $19.

(2) Charges for review of records to determine whether they are exempt from disclosure under § 503.33 shall be assessed to recover full costs at the rate of $79 per hour. Charges for review will be assessed only for initial review to determine the applicability of a specific exemptions to a particular record. No charge will be assessed for review at the administrative appeal level.

(3) Charges for duplication of records and documents will be assessed as follows, limited to size 8½" × 14" or smaller:

(i) If performed by requesting party, at the rate of five cents per page (one side).

(ii) By Commission personnel, at the rate of five cents per page (one side) plus $19 per hour.

(iii) Minimum charge for copying is $4.75.

(iv) No charge will be made by the Commission for notices, decisions, orders, etc., required by law to be served on a party to any proceeding or matter before the Commission. No charge will be made for single copies of such Commission issuances individually requested in person or by mail.

(4) The certification and validation (with Federal Maritime Commission seal) of documents filed with or issued reporting agencies and use of collection agencies where appropriate to encourage payment.

§ 503.56 General declassification and downgrading policy.

(a) The Commission exercises declassification and downgrading authority in accordance with section 3.1 of Executive Order 13526, only over that information originally classified by the Commission under previous Executive Orders. Declassification and downgrading authority may be exercised by the Commission Chairman and the Senior Agency Official, and such others as the Chairman may designate. Commission personnel may not declassify information originally classified by other agencies.

(b) The Commission does not now have original classification authority nor does it have in its possession any documents that it originally classified when it had such authority. The Commission has authorized the Archivist of the United States to automatically declassify information originally classified by the Commission and under its exclusive and final declassification jurisdiction at the end of 20 years from the date of original classification.

§ 503.57 Mandatory review for declassification.

(a) Reviews and referrals in response to requests for mandatory declassification shall be conducted in compliance with section 3.5 of Executive Order 13526, 32 CFR 2001.33, and 32 CFR 2001.34.

(b) Any individual may request a review of classified information and material in possession of the Commission for declassification. All information classified under Executive Order 13526 or a predecessor Order shall be subject to the review for declassification by the Commission, if:

(1) The request describes the documents or material containing the information with sufficient specificity to enable the Commission to locate it with a reasonable amount of effort. Requests with insufficient description of the material will be returned to the requester for further information.

(2) The information requested is not the subject of pending litigation.

(3) The information requested has not been reviewed for declassification in the previous two years. If so, the FMC shall inform the requester of this fact and provide the requester with appeal rights in accordance with 32 CFR 2001.33(a)(2)(iii).

(c) Requests shall be in writing, and shall be sent to: Office of the Managing Director, Attn.: Senior Agency Official, Federal Maritime Commission, Washington, DC 20573 or submitted via the FMC’s on-line declassification information portal which provides an e-mail address through which requests can be submitted: http://www.fmc.gov/about/web_policies_notices_andActs.aspx.

(d) If the request requires the provision of services by the Commission, fair and equitable fees may be charged pursuant to 31 U.S.C. 9701.

(e) Requests for mandatory declassification reviews shall be acknowledged by the Commission within 15 days of the date of receipt of such requests.

(f) If the document was derivatively classified by the Commission or originally classified by another agency, the request, the document, and a recommendation for action shall be forwarded to the agency with the original classification authority. The Commission may, after consultation with the originating agency, inform the requester of the referral.

(g) If a document is declassified in its entirety, it may be released to the requester, unless withholding is otherwise warranted under applicable law. If a document or any part of it is not declassified, the Senior Agency Official shall furnish the declassified portions to the requester unless withholding is otherwise warranted under applicable law, along with a brief statement concerning the reasons for the denial of the remainder, and the right to appeal that decision to the Commission appellate authority within 60 days.

(h) If a declassification determination cannot be made within 45 days, the requester shall be advised that additional time is needed to process the request. Final determination shall be made within one year from the date of receipt of the request. The Commission shall inform the requester in writing of the final determination and of the reasons for any denials. The Commission shall inform the requester in writing of his or her final appeal rights to the Interagency Security Classification Appeals Panel.

(i) When a request has been submitted both under mandatory declassification review and the Freedom of Information Act (FOIA), the agency shall require the requester to select one process or the other. If the requester fails to select one process or the other, the request will be treated as a FOIA request unless the requested materials are subject only to mandatory declassification review.

(2) The EIS process will commence:

(i) For adjudicatory proceedings, when the Commission issues an order of investigation or a complaint is filed;

(ii) For rulemaking or legislative proposals, upon issuance of the proposal by the Commission; and

(a) The Chairman or his or her designee, after attempting to collect a debt from a person under section 3(a) of the Federal Claims Collection Act of 1966, as assembled (31 U.S.C. 3711(a)), may collect the debt by administrative offset subject to the following:

(1) The debt is certain in amount; and
(2) It is in the best interests of the United States to collect the debt by administrative offset because of the decreased costs of collection and the acceleration in the payment of the debt.

(b) The Chairman, or his or her designee, may initiate administrative offset with regard to debts owed by a person to another agency of the United States Government, upon receipt of a request from the head of another agency or his or her designee, and a certification that the debt exists and that the person has been afforded the necessary due process rights.
§ 505.4

(c) The Chairman, or his or her designee, may request another agency that holds funds payable to a Commission debtor to offset the debt against the funds held and will provide certification that:

1. The debt exists; and
2. The person has been afforded the necessary due process rights.

(d) If the six-year period for bringing action on a debt provided in 28 U.S.C. 2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such action are likely to be less than the amount of the debt.

(e) No collection by administrative offset shall be made on any debt that has been outstanding for more than 10 years unless facts material to the Government’s right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting such debt.

(f) These regulations do not apply to:
1. A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or
2. Debts owed by other agencies of the United States or by any State or local government.

§ 505.5 Agency review.

(a) A debtor may dispute the existence of the debt, the amount of debt, or the terms of repayment. A request to review a disputed debt must be submitted to the Commission official who provided notification within 30 calendar days of the receipt of the written notice described in § 505.4.

(b) If the debtor requests an opportunity to inspect or copy the Commission’s records concerning the disputed claim, 10 business days will be granted for the review. The time period will be measured from the time the request for inspection is granted or from the time the copy of the records is received by the debtor.

(c) Pending the resolution of a dispute by the debtor, transactions in any of the debtor’s account(s) maintained in the Commission may be temporarily suspended. Depending on the type of transaction the suspension could preclude its payment, removal, or transfer, as well as prevent the payment of interest or discount due thereon. Should the dispute be resolved in the debtor’s favor, the suspension will be immediately lifted.

(d) During the review period, interest, penalties, and administrative costs authorized under the Federal Claims Collection Act of 1996, as amended, will continue to accrue.

§ 505.6 Written agreement for repayment.

A debtor who admits liability but elects not to have the debt collected by administrative offset will be afforded an opportunity to negotiate a written agreement for the repayment of the debt. If the financial condition of the debtor does not support the ability to pay in one lump-sum, reasonable installment payments may be considered. No installment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor’s assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of the Commission’s request for the statement. At the Commission’s option, a confess-judgment note or bond of indemnity with surety may be required.
§ 505.7 Administrative offset.

(a) If the debtor does not exercise the right to request a review within the time specified in §505.5 or if as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset shall be ordered in accordance with these regulations without further notice.

(b) Requests for offset to other Federal agencies. The Chairman or his or her designee may request that funds due and payable to a debtor by another Federal agency be administratively offset in order to collect a debt owed to the Commission by that debtor. In requesting administrative offset, the Commission, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

1. That the debtor owes the debt;
2. The amount and basis of the debt; and
3. That the agency has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations and the applicable provisions of 4 CFR part 102 with respect to providing the debtor with due process.

(c) Requests for offset from other Federal agencies. Any Federal agency may request that funds due and payable to its debtor by the Commission be administratively offset in order to collect a debt owed to such Federal agency by the debtor. The Commission shall initiate the requested offset only upon:

1. Receipt of written certification from the creditor agency:
   i. That the debtor owes the debt;
   ii. The amount and basis of the debt;
   iii. That the agency has prescribed regulations for the exercise of administrative offset; and
   iv. That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review.

2. A determination by the Commission that collection by offset against funds payable by the Commission would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such offset would not otherwise be contrary to law.

§ 505.8 Jeopardy procedure.

The Commission may effect an administrative offset against a payment to be made to the debtor prior to the completion of the procedures required by §§505.4 and 505.5 of this part if failure to take the offset would substantially jeopardize the Commission’s ability to collect the debt, and the time before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset shall be promptly followed by the completion of those procedures. Amounts recovered by offset but later found not to be owed to the Commission shall be promptly refunded.

PART 506—CIVIL MONETARY PENALTY INFLATION ADJUSTMENT

§ 506.1 Scope and purpose.

The purpose of this Part is to establish a mechanism for the regular adjustment for inflation of civil monetary penalties and to adjust such penalties in conformity with the Federal Civil Penalties Inflation Adjustment Act of 1990 (28 U.S.C. 2461 note), as amended by the Debt Collection Improvement Act of 1996, Public Law 104–134, April 26, 1996, in order to maintain the deterrent effect of civil monetary penalties and to promote compliance with the law.

§ 506.2 Definitions.
(a) Commission means the Federal Maritime Commission.
(b) Civil Monetary Penalty means any penalty, fine, or other sanction that:
(1)(i) Is for a specific monetary amount as provided by Federal law; or
(ii) Has a maximum amount provided by Federal law;
(2) Is assessed or enforced by the Commission pursuant to Federal law; and
(3) Is assessed or enforced pursuant to an administrative proceeding or a civil action in the Federal Courts.
(c) Consumer Price Index means the Consumer Price Index for all urban consumers published by the Department of Labor.

§ 506.3 Civil monetary penalty inflation adjustment.
The Commission shall, not later than October 23, 1996, and at least once every 4 years thereafter—
(a) By regulation adjust each civil monetary penalty provided by law within the jurisdiction of the Commission by the inflation adjustment described in § 506.4; and
(b) Publish each such regulation in the FEDERAL REGISTER.

§ 506.4 Cost of living adjustments of civil monetary penalties.
(a) The inflation adjustment under § 506.3 shall be determined by increasing the maximum civil monetary penalty for each civil monetary penalty by the cost-of-living adjustment. Any increase determined under this subsection shall be rounded to the nearest:
(1) Multiple of $10 in the case of penalties less than or equal to $100;
(2) Multiple of $100 in the case of penalties greater than $100 but less than or equal to $1,000;
(3) Multiple of $1,000 in the case of penalties greater than $1,000 but less than or equal to $10,000;
(4) Multiple of $5,000 in the case of penalties greater than $10,000 but less than or equal to $100,000;
(5) Multiple of $10,000 in the case of penalties greater than $100,000 but less than or equal to $200,000; and
(6) Multiple of $25,000 in the case of penalties greater than $200,000.
(b) For purposes of paragraph (a) of this section, the term ‘cost-of-living adjustment’ means the percentage (if any) for each civil monetary penalty by which the Consumer Price Index for the month of June of the calendar year preceding the adjustment, exceeds the Consumer Price Index for the month of June of the calendar year in which the amount of such civil monetary penalty was last set or adjusted pursuant to law.
(c) Limitation on initial adjustment. The first adjustment of civil monetary penalty pursuant to § 506.3 may not exceed 10 percent of such penalty.
(d) Inflation adjustment. Maximum Civil Monetary Penalties within the jurisdiction of the Federal Maritime Commission are adjusted for inflation as follows:

§ 507.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §507.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. § 507.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §507.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons.

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons.

but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §507.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of §507.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§507.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.
§§ 507.152–507.159 [Reserved]

§ 507.160 Communications.
(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.
(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.
(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.
(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.
(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD’s) or equally effective telecommunication systems shall be used.
(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.
(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible services, activities, and facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.
(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §507.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 507.161–507.169 [Reserved]

§ 507.170 Compliance procedures.
(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §507.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Subpart B—Eligibility and Procedure for Licensing

§ 515.11 Basic requirements for licensing; eligibility.

(a) Necessary qualifications. To be eligible for an ocean transportation intermediary license, the applicant must demonstrate to the Commission that:

(1) It possesses the necessary experience, that is, its qualifying individual has a minimum of three (3) years’ experience in ocean transportation intermediary activities in the United States, and the necessary character to render ocean transportation intermediary services. A foreign NVOCC seeking to be licensed under this part must demonstrate that its qualifying individual has a minimum 3 years’ experience in ocean transportation intermediary activities, and the necessary character to render ocean transportation intermediary services; and

(2) It has obtained and filed with the Commission a valid bond, proof of insurance, or other surety in conformance with §515.21.

(3) An NVOCC with a tariff and proof of financial responsibility in effect as of April 30, 1999, may continue to operate as an NVOCC without the requisite three years’ experience and necessary character to render ocean transportation intermediary services and will be provisionally licensed while the Commission reviews its application. Such person designated as the qualifying individual for a provisionally licensed NVOCC may not act as a qualifying individual for another ocean transportation intermediary until it has obtained the necessary three years’ experience in ocean transportation intermediary services.

(b) Qualifying individual. The following individuals must qualify the applicant for a license:

(1) Sole proprietorship. The applicant sole proprietor.

(2) Partnership. At least one of the active managing partners, but all partners must execute the application.

(3) Corporation. At least one of the active corporate officers.

(c) Affiliates of intermediaries. An independently qualified applicant may be granted a separate license to carry on the business of providing ocean transportation intermediary services even though it is associated with, under common control with, or otherwise related to another ocean transportation intermediary through stock ownership or common directors or officers, if such applicant submits a separate application and fee, and a valid instrument of financial responsibility in the form and amount prescribed under §515.21. The qualifying individual of one active licensee shall not also be designated as the qualifying individual of an applicant for another ocean transportation intermediary.
intermediary license, unless both entities are commonly owned or where one directly controls the other.

(d) Common carrier. A common carrier or agent thereof which meets the requirements of this part may be licensed to dispatch shipments moving on other than such carrier’s own bills of lading subject to the provisions of §515.42(g).

§515.12 Application for license.

(a) Application and forms. (1) Any person who wishes to obtain a license to operate as an ocean transportation intermediary shall submit, in duplicate, to the Director of the Commission’s Bureau of Certification and Licensing, a completed application Form FMC–18 Rev. (“Application for a License as an Ocean Transportation Intermediary”) accompanied by the fee required under §515.5(b). All applicants will be assigned an application number, and each applicant will be notified of the number assigned to its application. Notice of filing of such application shall be published on the Commission’s Web site www.fmc.gov and shall state the name and address of the applicant and the name and address of the qualifying individual. If the applicant is a corporation or partnership, the names of the officers or partners thereof shall be published.

(2) An individual who is applying for a license in his or her own name must complete the following certification:

I, (Name), certify under penalty of perjury under the laws of the United States, that I have not been convicted, after September 1, 1989, of any Federal or state offense involving the distribution or possession of a controlled substance, or that if I have been so convicted, I am not ineligible to receive Federal benefits, either by court order or operation of law, pursuant to 21 U.S.C. 862.

(b) Rejection. Any application which appears upon its face to be incomplete or to indicate that the applicant fails to meet the licensing requirements of the Act, or the Commission’s regulations, shall be returned by certified U.S. mail or other method reasonably calculated to provide actual notice to the applicant without further processing, together with an explanation of the reason(s) for rejection, and the application fee shall be refunded in full. Persons who have had their applications returned may reapply for a license at any time thereafter by submitting a new application, together with the full application fee.

(c) Investigation. Each applicant shall be investigated in accordance with §515.13.

(d) Changes in fact. Each applicant and each licensee shall submit to the Commission, in duplicate, an amended Form FMC–18 Rev. advising of any changes in the facts submitted in the original application, within thirty (30) days after such change(s) occur. In the case of an application for a license, any unreported change may delay the processing and investigation of the application and may result in rejection or denial of the application. No fee is required when reporting changes to an application for initial license under this section.

(e) Optional method of filing Form FMC–18. In lieu of completing and filing Form FMC–18 in paper format, applications and amendments thereto may be completed and submitted to the Bureau of Certification and Licensing by using the automated FMC–18 filing system in accordance with the instructions found on the Commission’s home page, http://www.fmc.gov. A $250 fee for filing a new application and a $125 fee for filing an amended application will be assessed for filers using the automated FMC–18 filing system instead of the fees listed at §515.5(b)(1), (2).

§515.13 Investigation of applicants.

The Commission shall conduct an investigation of the applicant’s qualifications for a license. Such investigations may address:

(a) The accuracy of the information submitted in the application;

(b) The integrity and financial responsibility of the applicant;

(c) The character of the applicant and its qualifying individual; and

(d) The length and nature of the qualifying individual’s experience in handling ocean transportation intermediary duties.
§ 515.14 Issuance and use of license.

(a) Qualification necessary for issuance. The Commission will issue a license if it determines, as a result of its investigation, that the applicant possesses the necessary experience and character to render ocean transportation intermediary services and has filed the required bond, insurance or other surety.

(b) To whom issued. The Commission will issue a license only in the name of the applicant, whether the applicant is a sole proprietorship, a partnership, or a corporation. A license issued to a sole proprietor doing business under a trade name shall be in the name of the sole proprietor, indicating the trade name under which the licensee will be conducting business. Only one license shall be issued to any applicant regardless of the number of names under which such applicant may be doing business, and except as otherwise provided in this part, such license is limited exclusively to use by the named licensee and shall not be transferred without prior Commission approval to another person.

§ 515.15 Denial of license.

If the Commission determines, as a result of its investigation, that the applicant:

(a) Does not possess the necessary experience or character to render intermediary services;

(b) Has failed to respond to any lawful inquiry of the Commission; or

(c) Has made any materially false or misleading statement to the Commission in connection with its application; then, a letter of intent to deny the application shall be sent to the applicant by certified U.S. mail or other method reasonably calculated to provide actual notice, stating the reason(s) why the Commission intends to deny the application. If the applicant submits a written request for hearing on the proposed denial within twenty (20) days after receipt of notification, such hearing shall be granted by the Commission pursuant to its Rules of Practice and Procedure contained in part 502 of this chapter. Otherwise, denial of the application will become effective and the applicant shall be so notified by certified U.S. mail or other method reasonably calculated to provide actual notice.

§ 515.16 Revocation or suspension of license.

(a) Grounds for revocation. Except for the automatic revocation for termination of proof of financial responsibility under § 515.26, or as provided in § 515.25(b), a license may be revoked or suspended after notice and an opportunity for a hearing for any of the following reasons:

(1) Violation of any provision of the Act, or any other statute or Commission order or regulation related to carrying on the business of an ocean transportation intermediary;

(2) Failure to respond to any lawful order or inquiry by the Commission;

(3) Making a materially false or misleading statement to the Commission in connection with an application for a license or an amendment to an existing license;

(4) Where the Commission determines that the licensee is not qualified to render intermediary services; or

(5) Failure to honor the licensee’s financial obligations to the Commission.

(b) Notice of revocation. The Commission shall publish on the Commission’s Web site www.fmc.gov a notice of each revocation.

§ 515.17 Application after revocation or denial.

Whenever a license has been revoked or an application has been denied because the Commission has found the licensee or applicant to be not qualified to render ocean transportation intermediary services, any further application within 3 years of the Commission’s notice of revocation or denial, made by such former licensee or applicant or by another applicant employing the same qualifying individual or controlled by persons on whose conduct the Commission based its determination for revocation or denial, shall be reviewed directly by the Commission.

§ 515.18 Changes in organization.

(a) The following changes in an existing licensee’s organization require prior approval of the Commission, and application for such status change or license transfer shall be made on Form
Federal Maritime Commission

§ 515.18

FMC–18 Rev., filed in duplicate with the Commission’s Bureau of Certification and Licensing, and accompanied by the fee required under §515.5(b)(2):

(a) Transfer of a corporate license to another person;

(b) Change in ownership of a sole proprietorship;

(c) Addition of one or more partners to a licensed partnership;

(d) Any change in the business structure of a licensee from or to a sole proprietorship, partnership, or corporation, whether or not such change involves a change in ownership;

(e) Any change in a licensee’s name; or

(f) Change in the identity or status of the designated qualifying individual, except as described in paragraphs (b) and (c) of this section.

(b) Operation after death of sole proprietor. In the event the owner of a licensed sole proprietorship dies, the licensee’s executor, administrator, heir(s), or assign(s) may continue operation of such proprietorship solely with respect to shipments for which the deceased sole proprietor had undertaken to act as an ocean transportation intermediary pursuant to the existing license, if the death is reported within 30 days to the Commission and to all principals and shippers for whom services on such shipments are to be rendered. The acceptance or solicitation of any other shipments is expressly prohibited until a new license has been issued. Applications for a new license by the executor, administrator, heir(s), or assign(s) shall be made on Form FMC–18, and shall be accompanied by the transfer fee required under §515.5(b)(2).

(c) Operation after retirement, resignation, or death of qualifying individual. When a partnership or corporation has been licensed on the basis of the qualifications of one or more of the partners or officers thereof, and such qualifying individual(s) no longer serve in a full-time, active capacity with the firm, the licensee shall report such change to the Commission within 30 days. Within the same 30-day period, the licensee shall furnish to the Commission the name(s) and detailed intermediary experience of any other active managing partner(s) or officer(s) who may qualify the licensees. Such qualifying individual(s) must meet the applicable requirements set forth in §515.11(a). The licensee may continue to operate as an ocean transportation intermediary while the Commission investigates the qualifications of the newly designated partner or officer.

(d) Incorporation of branch office. In the event a licensee’s validly operating branch office becomes incorporated as a separate entity, the licensee may continue to operate such office pending receipt of a separate license, provided that:

(1) The separately incorporated entity applies to the Commission for its own license within ten (10) days after incorporation, and

(2) While the application is pending, the continued operation of the office is carried on as a bona fide branch office of the licensee, under its full control and responsibility, and not as an operation of the separately incorporated entity.

(e) Acquisition of one or more additional licensees. In the event a licensee acquires one or more additional licensees, for the purpose of merger, consolidation, or control, the acquiring licensee shall advise the Commission of such change within 30 days after such change occurs by submitting in duplicate, an amended Form FMC–18, Rev. No application fee is required when reporting this change.

(f) Optional method of filing Form FMC–18. In lieu of completing and filing Form FMC–18 in paper format, applications for approval of changes in organization, transfer of license, or changes in the identity or status of the designated qualifying individual required under this section may be completed and submitted to the Bureau of Certification and Licensing by using the automated FMC–18 filing system in accordance with the instructions found on the Commission’s home page, http://www.fmc.gov. A $250 fee for filing a new application and a $125 fee for filing an amended application will be assessed for filers using the automated FMC–18 filing system instead of the fees listed at §515.5(b)(1), (2).

§ 515.19 Registration of foreign-based unlicensed NVOCC.

(a) Any NVOCC whose primary place of business is located outside the United States and does not elect to become licensed by the Commission shall register with the Commission by submitting to the Director of the Bureau of Certification and Licensing (BCL) a completed registration form, Form FMC–65 (Foreign-based Unlicensed NVOCC Registration/Renewal). A notice of each registration shall be published on the Commission’s Web site www.fmc.gov. It is a violation of the Commission’s regulations implementing the Shipping Act for a foreign-based unlicensed non-vessel-operating common carrier to provide NVOCC services in the U.S. foreign trade without a valid registration and an effective tariff.

(b) A registration form which appears, upon submission, to be substantially incomplete may be rejected. If rejected, a notice, together with the reasons therefore, shall be sent to the foreign-based unlicensed NVOCC. Persons who have had a registration rejected may submit a new registration at any time.

(c) Registrations are complete upon receipt of a registration form which meets the requirements of this section and upon evidence of financial responsibility being furnished pursuant to §515.21.

(d) Registrations shall be effective for a period of three (3) years. Thereafter, registrations will be renewed for sequential three year periods upon submission of an updated registration form.

(e) A tariff shall not be published and NVOCC service shall not commence until the Commission receives valid proof of financial responsibility from the registrant and a Form FMC–1 has been filed.

(f) Registered NVOCCs must report in writing to BCL any changes, within 30 days of such changes, to: legal name(s) or trade name(s); principal place of business address (including telephone number, facsimile number); contact person and email address (including physical address if different from principal place of business); name of resident agent(s) (including physical address, mailing address, email address, telephone and facsimile number(s), and contact person) in the United States for receipt of service of judicial and administrative process (including subpoenas).

(g) Termination or suspension of registration.

1) Grounds. A registration shall become automatically ineffective for a failure of a registered NVOCC to maintain proof of financial responsibility on file with the Commission. The effectiveness of such a registration may otherwise be terminated or suspended, after notice and the opportunity for a hearing, for any of the following reasons:

   (i) Violation of any provision of the Act, or any other statute or Commission order or regulation related to carrying on the business of an ocean transportation intermediary;

   (ii) Failure to respond to any lawful order or inquiry by the Commission or an authorized Commission representative;

   (iii) Making a materially false or misleading statement to the Commission in connection with a registration or renewal thereof;

   (iv) Failure to honor financial obligations to the Commission;

   (v) Failure to timely renew a registration;

   (vi) Failure to maintain a Form FMC–1 or a tariff in compliance with 46 CFR part 520;

   (vii) Knowingly and willfully processing, booking, or accepting cargo from, or transporting cargo for the account of, an NVOCC that is not licensed or registered, or has not provided proof of financial responsibility or published an effective tariff; and

   (viii) Failure to designate and maintain a person in the United States as legal agent for the receipt of judicial and administrative process, including subpoenas, as required by §515.24.

2) [Reserved]

Subpart C—Financial Responsibility Requirements; Claims Against Ocean Transportation Intermediaries

§515.21 Financial responsibility requirements.

(a) Form and amount. Except as otherwise provided in this part, no person may operate as an ocean transportation intermediary unless that person furnishes a bond, proof of insurance, or other surety in a form and amount determined by the Commission to insure financial responsibility. The bond, insurance or other surety covers the transportation-related activities of an ocean transportation intermediary only when acting as an ocean transportation intermediary.

(1) Any person operating in the United States as an ocean freight forwarder as defined by §515.2(o)(1) shall furnish evidence of financial responsibility in the amount of $50,000.

(2) Any person operating in the United States as an NVOCC as defined by §515.2(o)(2) shall furnish evidence of financial responsibility in the amount of $75,000.

(3) Any unlicensed foreign-based entity, not operating in the United States as defined in §515.3, providing ocean transportation intermediary services for transportation to or from the United States, shall furnish evidence of financial responsibility in the amount of $150,000. Such foreign entity will be held strictly responsible hereunder for the acts or omissions of its agent in the United States.

(4) The amount of the financial responsibility required to be furnished by any entity pursuant to paragraphs (a)(1) or (a)(2) of this section shall be increased by $10,000 for each of the applicant’s unincorporated branch offices.

(b) Group financial responsibility. Where a group or association of ocean transportation intermediaries accepts liability for an ocean transportation intermediary’s financial responsibility for such ocean transportation intermediary’s transportation-related activities under the Act, the group or association of ocean transportation intermediaries must file either a group supplemental coverage bond form, insurance form or guaranty form, clearly identifying each ocean transportation intermediary covered, before a covered ocean transportation intermediary may provide ocean transportation intermediary services. In such cases a group or association must establish financial responsibility in an amount equal to the lesser of the amount required by paragraph (a) of this section for each member or $3,000,000 in aggregate. A group or association of ocean transportation intermediaries may also file an optional bond rider as provided for by §515.25(c).

(c) Common trade name. Where more than one person operates under a common trade name, separate proof of financial responsibility is required covering each corporation or person separately providing ocean transportation intermediary services.

(d) Federal military and civilian household goods. Any person which exclusively transports used household goods and personal effects for the account of the Department of Defense, or for the account of the federal civilian executive agencies shipping under the International Household Goods Program administered by the General Services Administration, or both, is not subject to the requirements of subpart C of this part, but may be subject to other requirements, such as alternative surety bonding, imposed by the Department of Defense, or the General Services Administration.

This evidence of financial responsibility shall be accompanied by: in the case of a financial rating, the Guarantor’s financial rating on the rating organization’s letterhead or designated form; in the case of a guaranty provided by Underwriters at Lloyd’s, documentation verifying membership in Lloyd’s; and in the case of a guaranty provided by surplus lines insurers, documentation verifying inclusion on a current “white list” issued by the Non-Admitted Insurers’ Information Office of the National Association of Insurance Commissioners. The Guarantor must certify that it has sufficient and acceptable assets located in the United States to cover all damages arising from the transportation-related activities of the covered ocean transportation intermediary as specified under the Act. The guaranty must be placed with:

d) Evidence of financial responsibility of the type provided for in paragraphs (a), (b) and (c) of this section established through and filed with the Commission by a group or association of ocean transportation intermediaries on behalf of its members, subject to the following conditions and procedures:

(1) Each group or association of ocean transportation intermediaries shall notify the Commission of its intention to participate in such a program and furnish documentation as will demonstrate its authenticity and authority to represent its members, such as articles of incorporation, bylaws, etc.;
(2) Each group or association of ocean transportation intermediaries shall provide the Commission with a list certified by its Chief Executive Officer containing the names of those ocean transportation intermediaries to which it will provide coverage; the manner and amount of existing coverage each covered ocean transportation intermediary has; an indication that the existing coverage provided each ocean transportation intermediary is provided by a surety bond issued by a surety company found acceptable to the Secretary of the Treasury, or by insurance or guaranty issued by a firm meeting the requirements of paragraphs (b) or (c) of this section with coverage limits specified above in §515.21; and the name, address and facsimile number of each surety, insurer
or guarantor providing coverage pursuant to this section. Each group or association of ocean transportation intermediaries or its financial responsibility provider shall notify the Commission within 30 days of any changes to its list;

(3) The group or association shall provide the Commission with a sample copy of each type of existing financial responsibility coverage used by member ocean transportation intermediaries;

(4) Each group or association of ocean transportation intermediaries shall be responsible for ensuring that each member’s financial responsibility coverage allows for claims to be made in the United States against the Surety, Insurer or Guarantor for any judgment for damages against the ocean transportation intermediary arising from its transportation-related activities under the Act, or order for reparations issued pursuant to section 11 of the Act (46 U.S.C. 41301–41302, 41305–41307(a)), or any penalty assessed against the ocean transportation intermediary pursuant to section 13 of the Act (46 U.S.C. 41107–41109). Each group or association of ocean transportation intermediaries shall be responsible for requiring each member ocean transportation intermediary to provide it with valid proof of financial responsibility annually;

(5) Where the group or association of ocean transportation intermediaries determines to secure on behalf of its members other forms of financial responsibility, as specified by this section, for damages, reparations or penalties not covered by a member’s individual financial responsibility coverage, such additional coverage must:

(i) Allow claims to be made in the United States directly against the group or association’s Surety, Insurer or Guarantor for damages against each covered member ocean transportation intermediary arising from each covered member ocean transportation intermediary’s transportation-related activities under the Act, or order for reparations issued pursuant to section 11 of the Act (46 U.S.C. 41301–41302, 41305–41307(a)), or any penalty assessed against each covered member ocean transportation intermediary pursuant to section 13 of the Act (46 U.S.C. 41107–41109); and

(ii) Be for an amount up to the amount determined in accordance with §515.21(b), taking into account a member’s individual financial responsibility coverage already in place. In the event of a claim against a group bond, the bond must be replenished up to the original amount of coverage within 30 days of payment of the claim; and

(iii) be in excess of a member’s individual financial responsibility coverage already in place; and

(6) The coverage provided by the group or association of ocean transportation intermediaries on behalf of its members shall be provided by:

(i) in the case of a surety bond, a surety company found acceptable to the Secretary of the Treasury and issued by such a surety company on Form FMC–69; and

(ii) in the case of insurance and guaranty, a firm having a financial rating of Class V or higher under the Financial Size Categories of A.M. Best & Company or equivalent from an acceptable international rating organization, Underwriters at Lloyd’s, or surplus line insurers named on a current “white list” issued by the Non-Admitted Insurers’ Information Office of the National Association of Insurance Commissioners and issued by such firms on Form FMC–67 and Form FMC–68, respectively.

(e) All forms and documents for establishing financial responsibility of ocean transportation intermediaries prescribed in this section shall be submitted to the Director, Bureau of Certification and Licensing, Federal Maritime Commission, Washington, DC 20573. Such forms and documents must clearly identify the name; trade name, if any; and the address of each ocean transportation intermediary.

§ 515.23 Claims against an ocean transportation intermediary.

When a claimant seeks payment under this section, it shall simultaneously notify both the financial responsibility provider and the ocean transportation intermediary of the claim by certified mail, return receipt requested. The bond, insurance, or other surety may be available to pay such claim if:

(i) The ocean transportation intermediary consents to payment, subject to review by the financial responsibility provider; or

(ii) The ocean transportation intermediary fails to respond within forty-five (45) days from the date of the notice of the claim to address the validity of the claim, and the financial responsibility provider deems the claim valid.

(2) If the parties fail to reach an agreement in accordance with paragraph (b)(1) of this section within ninety (90) days of the date of the initial notification of the claim, the bond, insurance, or other surety shall be available to pay any final judgment for damages obtained from an appropriate court. The financial responsibility provider shall pay such judgment for damages only to the extent they arise from the transportation-related activities of the ocean transportation intermediary ordinarily within thirty (30) days, without requiring further evidence related to the validity of the claim; it may, however, inquire into the extent to which the judgment for damages arises from the ocean transportation intermediary’s transportation-related activities.

(c) The Federal Maritime Commission shall not serve as depository or distributor to third parties of bond, guaranty, or insurance funds in the event of any claim, judgment, or order for reparation.

(d) Optional bond riders. The Federal Maritime Commission shall not serve as a depository or distributor to third parties of funds payable pursuant to optional bond riders described in §515.25(c).

(b) Service of administrative process, other than subpoenas, may be effected upon the legal agent by dispatching a copy of the document to be served by mail or courier service. Administrative subpoenas shall be served in accordance with §502.134 of this chapter.

(c) If the designated legal agent cannot be served because of death, disability, unavailability, termination or expiration of the designation, or if a legal agent authorized to receive such service is not designated in compliance with this section, the Secretary of the Federal Maritime Commission will be deemed to be the legal agent for service of process. Replacement financial responsibility must bear an effective date no later than the termination date of the expiring financial responsibility.
§ 515.27 Proof of compliance.

(a) No common carrier may transport cargo for the account of a shipper known by the carrier to be an NVOCC unless the carrier has determined that the NVOCC has a tariff and financial responsibility as required by sections 8 (46 U.S.C. 40501–40503) and 19 (46 U.S.C. 40901–40904) of the Act.

2. Consulting the Commission to verify that the NVOCC has filed evidence of its financial responsibility; or
3. Any other appropriate procedure, provided that such procedure is set forth in the carrier’s tariff.

(c) A common carrier that has employed the procedure prescribed in either paragraphs (b)(1) or (b)(2) of this section shall be deemed to have met its obligations under section 10(b)(11) of the Act (46 U.S.C. 41104(11)), unless the common carrier knew that such NVOCC was not in compliance with the tariff and financial responsibility requirements.

(d) The Commission will publish at its website, www.fmc.gov, a list of the locations of all carrier and conference tariffs, and a list of ocean transportation intermediaries who have furnished the Commission with evidence of financial responsibility, current as of the last date on which the list is updated. The Surety consents to be sued directly in respect of any bona fide claim owed by any or all of the OTIs identified in Appendix A for damages, reparations or penalties arising from the transportation-related activities under the 1984 Act of the OTIs in the event that such legal liability has not been discharged by the OTIs or Surety after a claimant has obtained a final judgment (after appeal, if any) against the OTIs from a United States Federal or State Court of competent jurisdiction and has complied with the procedures for collecting on such a judgment pursuant to 46 CFR §515.23(b), the Federal Maritime Commission, or where all parties and claimants otherwise mutually consent, from a foreign court, or where such claimant has become entitled to payment of a specified sum by virtue of a compromise settlement agreement made with the OTIs and/or Surety pursuant to 46 CFR §515.23(b), whereby, upon payment of the agreed sum, the Surety is to be fully, irrevocably and unconditionally discharged from all further liability to such claimant.

The liability of the Surety shall not be discharged by any payment or succession of payments hereunder, unless and until such payment or payments shall aggregate the penalty of this bond, and in no event shall the Surety's total obligation hereunder exceed the amount per member OTI set forth in 46 CFR §515.21 identified in Appendix A, or the amount per group or association of OTIs set forth in 46 CFR §515.21, regardless of the number of OTIs, claims or claimants.

§ 515.33 Records required to be kept.

Each licensed freight forwarder shall maintain in an orderly and systematic manner, and keep current and correct, all records and books of account in connection with its forwarding business. The licensed freight forwarder may maintain these records in either paper or electronic form, which shall be readily available in usable form to the Commission; the electronically maintained records shall be no less accessible than if they were maintained in paper form. These recordkeeping requirements are independent of the retention requirements of other federal agencies. The licensed freight forwarder must maintain the following records for a period of five years:

§ 515.42 Forwarder and carrier; compensation.

(a) Disclosure of principal. The identity of the shipper must always be disclosed in the shipper identification box on the bill of lading. The licensed freight forwarder’s name may appear with the name of the shipper, but the forwarder must be identified as the shipper’s agent.

(b) Certification required for compensation. A common carrier may pay compensation to a licensed freight forwarder only pursuant to such common carrier’s tariff provisions. Where a common carrier’s tariff provides for the payment of compensation, such compensation shall be paid on any shipment forwarded on behalf of others where the forwarder has provided a written certification as prescribed in paragraph (c) of this section and the shipper has been disclosed on the bill of lading as provided for in paragraph (a) of this section. The common carrier shall be entitled to rely on such certification unless it knows that the certification is incorrect. The common carrier shall retain such certifications for a period of five (5) years.

(c) Form of certification. Where a licensed freight forwarder is entitled to compensation, the forwarder shall provide the common carrier with a signed certification which indicates that the forwarder has performed the required services that entitle it to compensation. The required certification may be placed on one copy of the relevant bill of lading, a summary statement from the forwarder, the forwarder’s compensation invoice, or as an endorsement on the carrier’s compensation check. Each forwarder shall retain evidence in its shipment files that the forwarder, in fact, has performed the required services enumerated on the certification. The certification shall read as follows:

The undersigned hereby certifies that neither it nor any holding company, subsidiary, affiliate, officer, director, agent or executive of the undersigned has a beneficial interest in this shipment; that it is the holder of valid FMC License No., issued by the Federal Maritime Commission and has performed the following services:

(1) Engaged, booked, secured, reserved, or contracted directly with the carrier or its agent for space aboard a vessel or confirmed the availability of that space; and
(2) Prepared and processed the ocean bill of lading, dock receipt, or other similar document with respect to the shipment.

§ 515.43 Forwarder and carrier; compensation.

(b) Receipt for cargo. Each receipt for cargo issued by a licensed freight forwarder shall be clearly identified as “Receipt for Cargo” and be readily distinguishable from a bill of lading.

(c) Special contracts. To the extent that special arrangements or contracts are entered into by a licensed freight forwarder, the forwarder shall not deny equal terms to other shippers similarly situated.

(d) Reduced forwarding fees. No licensed freight forwarder shall render, or offer to render, any freight forwarding service free of charge or at a reduced fee in consideration of receiving compensation from a common carrier or for any other reason. Exception: A licensed freight forwarder may perform freight forwarding services for recognized relief agencies or charitable organizations, which are designated as such in the tariff of the common carrier, free of charge or at reduced fees.

(e) In-plant arrangements. A licensed freight forwarder may place an employee or employees on the premises of its principal as part of the services rendered to such principal, provided:

(1) The in-plant forwarder arrangement is reduced to writing in the manner of a special contract under § 515.33(d), which shall identify all services provided by either party (whether or not constituting a freight forwarding service); state the amount of compensation to be received by either party for such services; set forth all details concerning the procurement, maintenance or sharing of office facilities, personnel, furnishings, equipment and supplies; describe all powers of supervision or oversight of the licensee’s employee(s) to be exercised by the principal; and detail all procedures for the administration or management of in-plant arrangements between the parties; and
(2) The arrangement is not an artifice for a payment or other unlawful benefit to the principal.
(d) Compensation pursuant to tariff provisions. No licensed freight forwarder, or employee thereof, shall accept compensation from a common carrier which is different from that specifically provided for in the carrier’s effective tariff(s). No conference or group of common carriers shall deny in the export commerce of the United States compensation to an ocean freight forwarder or limit that compensation, as provided for by section 19(e)(4) of the Act (46 U.S.C. 40904(d)) and 46 CFR part 535.

(e) Electronic data interchange. A licensed freight forwarder may own, operate, or otherwise maintain or supervise an electronic data interchange-based computer system in its forwarding business; however, the forwarder must directly perform value-added services as described in paragraph (c) of this section in order to be entitled to carrier compensation.

(f) Compensation; services performed by underlying carrier; exemptions. No licensed freight forwarder shall charge or collect compensation in the event the underlying common carrier, or its agent, has, at the request of such forwarder, performed any of the forwarding services set forth in §515.2(i), unless such carrier or agent is also a licensed freight forwarder, or unless no other licensed freight forwarder is willing and able to perform such services.

(g) Duplicative compensation. A common carrier shall not pay compensation for the services described in paragraph (c) of this section more than once on the same shipment.

(h) Non-vessel-operating common carriers; compensation. (1) A licensee operating as an NVOCC and a freight forwarder, or a person related thereto, may collect compensation when, and only when, the following certification is made together with the certification required under paragraph (c) of this section:

The undersigned certifies that neither it nor any related person has issued a bill of lading or otherwise undertaken common carrier responsibility as a non-vessel-operating common carrier for the ocean transportation of the shipment covered by this bill of lading.

(2) Whenever a person acts in the capacity of an NVOCC as to any shipment, such person shall not collect compensation, nor shall any underlying ocean common carrier pay compensation to such person, for such shipment.

(i) Compensation; beneficial interest. A licensed freight forwarder may not receive compensation from a common carrier with respect to any shipment in which the forwarder has a beneficial interest or with respect to any shipment in which any holding company, subsidiary, affiliate, officer, director, agent, or executive of such forwarder has a beneficial interest.

§ 520.1 Scope and purpose.

(a) Scope. The regulations of this part govern the publication of tariffs in automated systems by common carriers and conferences in the waterborne foreign commerce of the United States. They cover the transportation of property by such carriers, including through transportation with inland carriers. They implement the tariff publication requirements of section 8 of the Shipping Act of 1984 ("the Act") (46 U.S.C. 40501–40503), as modified by the Ocean Shipping Reform Act of 1998 and section 424 of Public Law 105–258.

(b) Purpose. The requirements of this part are intended to permit:

(1) Shippers and other members of the public to obtain reliable and useful information concerning the rates and charges that will be assessed by common carriers and conferences for their transportation services;

(2) Carriers and conferences to meet their publication requirements pursuant to section 8 of the Act (46 U.S.C. 40501–40503);

(3) The Commission to ensure that carrier tariff publications are accurate and accessible and to protect the public from violations by carriers of section 10 of the Act (46 U.S.C. 41101–41106); and

(4) The Commission to review and monitor the activities of controlled carriers pursuant to section 9 of the Act (46 U.S.C. 40701–40706).

§ 520.2 Definitions.

Commodity description number means a number that may be used to identify a commodity description.

(2) Utilizes, for all or part of that transportation, a vessel operating on the high seas or the Great Lakes between a port in the United States and a port in a foreign country, except that the term does not include a common carrier engaged in ocean transportation by ferry boat, ocean tramp, or chemical parcel tanker or by a vessel when primarily engaged in the carriage of perishable agricultural commodities:

(i) If the common carrier and the owner of those commodities are wholly-owned, directly or indirectly, by a
Federal Maritime Commission § 520.2

person primarily engaged in the marketing and distribution of those commodities and

(ii) Only with respect to the carriage of those commodities.

Conference means an agreement between or among two or more ocean common carriers which provides for the fixing of and adherence to uniform tariff rates, charges, practices and conditions of service relating to the receipt, carriage, handling and/or delivery of passengers or cargo for all members, but the term does not include joint service, consortium, pooling, sailing, or transshipment agreements.

Consignee means the recipient of cargo from a shipper; the person to whom a transported commodity is to be delivered.

Container means a demountable and reusable freight-carrying unit designed to be transported by different modes of transportation and having construction, fittings, and fastenings able to withstand, without permanent distortion or additional exterior packaging or containment, the normal stresses that apply on continuous all-water and intermodal transportation. The term includes dry cargo, ventilated, insulated, refrigerated, flat rack, liquid tank, and open-top containers without chassis, but does not include crates, boxes or pallets.

Controlled carrier means an ocean common carrier that is, or whose operating assets are, directly or indirectly owned or controlled by a government; ownership or control by a government shall be deemed to exist with respect to any common carrier if:

(1) A majority portion of the interest in the common carrier is owned or controlled in any manner by that government, by an agency thereof, or by any public or private person controlled by a government; ownership or control by a government shall be deemed to exist with respect to any common carrier if:

(2) That government has the right to appoint or disapprove the appointment of a majority of the directors, the chief operating officer or the chief executive officer of the common carrier.

Foreign commerce means that commerce under the jurisdiction of the Act.

Forest products means forest products including, but not limited to, lumber in bundles, rough timber, ties, poles, piling, laminated beams, bundled siding, bundled plywood, bundled core stock or veneers, bundled particle or fiber boards, bundled hardwood, wood pulp in rolls, wood pulp in unitized bales, paper and paper board in rolls or in pallet or skid-sized sheets, liquid or granular by-products derived from pulping and papermaking, and engineered wood products.

Harmonized Code means the coding provisions of the Harmonized System.

Inland point means any city and associated state/province, country, U.S. ZIP code, or U.S. ZIP code range, which lies beyond port terminal areas. (A city may share the name of a port: the immediate ship-side and terminal area is the port, but the rest of the city is considered an inland point.)

Inland rate means a rate specified from/to an ocean port to/from an inland point, for specified modes of overland transportation.

Inland rate table means a structured matrix of geographic inland locations (points, postal codes/postal code ranges, etc.) on one axis and transportation modes (truck, rail, etc.) on the other axis, with the inland rates specified at the matrix row and column intersections.

Intermodal transportation means continuous through transportation involving more than one mode of service (e.g., ship, rail, motor, air), for pickup and/or delivery at a point beyond the
area of the port at which the vessel calls. The term “intermodal transportation” can apply to “through transportation (at through rates)” or transportation on through routes using combination rates.

*Joint rates* means rates or charges established by two or more common carriers for ocean transportation over the combined routes of such common carriers.

*Local rates* means rates or charges for transportation over the route of a single common carrier (or any one common carrier participating in a conference tariff), the application of which is not contingent upon a prior or subsequent movement.

*Location group* means a logical collection of geographic points, ports, states/provinces, countries, or combinations thereof, which is primarily used to identify, by location group name, a group that may represent tariff origin and/or destination scope and TRI origin and/or destination.

*Loyalty contract* means a contract with an ocean common carrier or agreement by which a shipper obtains lower rates by committing all or a fixed portion of its cargo to that carrier or agreement and the contract provides for a deferred rebate arrangement.

*Motor vehicle* means a wheeled vehicle whose primary purpose is ordinarily the non-commercial transportation of passengers, including an automobile, pickup truck, minivan, or sport utility vehicle.

*Ocean common carrier* means a common carrier that operates, for all or part of its common carrier service, a vessel on the high seas or the Great Lakes between a port in the United States and a port in a foreign country, except that the term does not include a common carrier engaged in ocean transportation by ferry boat, ocean tramp, or chemical parcel-tanker.

*Ocean transportation intermediary* means an ocean freight forwarder or a non-vessel-operating common carrier.

For purposes of this part,

1. *Ocean freight forwarder* means a person that—
   a. Processes the documentation or performs related activities incident to those shipments; and
   b. Arranges space for those shipments on behalf of shippers; and

2. *Non-vessel-operating common carrier* (“NVOCC”) means a common carrier that does not operate the vessels by which the ocean transportation is provided, and is a shipper in its relationship with an ocean common carrier.

*Open rate* means a rate on a specified commodity or commodities over which a conference relinquishes or suspends its ratemaking authority in whole or in part, thereby permitting each individual ocean common carrier member of the conference to fix its own rate on such commodity or commodities.

*Organization name* means an entity’s name on file with the Commission and for which the Commission assigns an organization number.

*Organization record* means information regarding an entity, including its name, address, and organization type.

*Origin scope* means a location group defining the geographic range of cargo origins covered by a tariff.

*Person* includes individuals, firms, partnerships, associations, companies, corporations, joint stock associations, trustees, receivers, agents, assignees and personal representatives.

*Point of rest* means that area on the terminal facility which is assigned for the receipt of inbound cargo from the ship and from which inbound cargo may be delivered to the consignee, and that area which is assigned for the receipt of outbound cargo from shippers for vessel loading.

*Port* means a place at which a common carrier originates or terminates (by transshipment or otherwise) its actual ocean carriage of cargo or passengers as to any particular transportation movement.

*Project rates* means rates applicable to the transportation of materials and equipment to be employed in the construction or development of a named facility used for a major governmental, charitable, manufacturing, resource exploitation and public utility or public service purpose, including disaster relief projects.

*Proportional rates* means rates or charges assessed by a common carrier
for transportation services, the application of which is conditioned upon a prior or subsequent movement.

Publication date means the date a tariff or tariff element is published in a carrier’s or conference’s tariff.

Publisher means an organization authorized to publish or amend tariff information.

Rate means a price stated in a tariff for providing a specified level of transportation service for a stated cargo quantity, from origin to destination, on and after a stated effective date or within a defined time frame.

Retrieval means the process by which a person accesses a tariff via dial-up telecommunications or a network link and interacts with the carrier’s or publisher’s system on a transaction-by-transaction basis to retrieve published tariff matter.

Rules means the stated terms and conditions set by the tariff owner which govern the application of tariff rates, charges and other matters.

Scope means the location group(s) (geographic groupings(s)) listing the ports or ranges of ports to and from which the tariff’s rates apply.

Shipment means all of the cargo carried under the terms of a single bill of lading.

Shipper means:
(1) A cargo owner;
(2) The person for whose account the ocean transportation is provided;
(3) The person to whom delivery is to be made;
(4) A shipper’s association; or
(5) An NVOCC that accepts responsibility for payment of all charges applicable under the tariff or service contract.

Shippers’ association means a group of shippers that consolidates or distributes freight on a nonprofit basis for the members of the group in order to secure carload, truckload, or other volume rates or service contracts.

Special permission means permission, authorized by the Commission, for certain tariff publications that do not conform with applicable regulations, usually involving effectiveness on less than statutory notice.

Tariff means a publication containing the actual rates, charges, classifications, rules, regulations and practices of a common carrier or a conference of common carriers. The term “practices” refers to those usages, customs or modes of operation which in any way affect, determine or change the transportation rates, charges or services provided by a common carrier or conference and, in the case of conferences, must be restricted to activities authorized by the basic conference agreement.

Tariff number means a unique 3-digit number assigned by the publisher to distinguish it from other tariffs. Tariffs may be identified by the 6-digit organization number plus the user-assigned tariff number (e.g., 999999–001) or a Standard Carrier Alpha Code (“SCAC”) plus the user-assigned tariff number.

Tariff rate item (“TRI”) means a single freight rate, in effect on and after a specific date or for a specific time period, for the transportation of a stated cargo quantity, which may move from origin to destination under a single specified set of transportation conditions, such as container size or temperature.

TRI number means a number that consists of the numeric commodity code, if any, and a unique numeric suffix used to differentiate TRIs within the same commodity description. TRI numbers are not required in systems that do not use numeric commodity coding.

Through rate means the single amount charged by a common carrier in connection with through transportation.

Through transportation means continuous transportation between points of origin and destination, either or both of which lie beyond port terminal areas, for which a through rate is assessed and which is offered or performed by one or more carriers, at least one of which is a common carrier, between a United States point or port and a foreign point or port.

Thru date means the date after which an amendment to a tariff element is designated by the publisher to be unavailable for use and the previously effective tariff element automatically goes back into effect.

Time/volume rate means a rate published in a tariff which is conditioned...
§ 520.3 Publication responsibilities.

(a) General. Unless otherwise exempted by § 520.13, all common carriers and conferences shall keep open for public inspection, in automated tariff systems, tariffs showing all rates, charges, classifications, rules, and practices between all points or ports on their own routes and on any through transportation route that has been established.

(b) Conferences. Conferences shall publish, in their automated tariff systems, rates offered pursuant to independent action by their members and may publish any open rates offered by their members. Alternatively, open rates may be published in individual tariffs of conference members.

(c) Agents. Common carriers or conferences may use agents to meet their publication requirements under this part.

(d) Notification. Each common carrier and conference shall notify BTA, prior to the commencement of common carrier service pursuant to a published tariff, of its organization name, organization number, home office address, name and telephone number of firm’s representative, the location of its tariffs, and the publisher, if any, used to maintain its tariffs, by electronically submitting Form FMC–1 via the Commission’s website at www.fmc.gov. Any changes to the above information shall be immediately transmitted to BTA.

The Commission will provide a unique organization number to new entities operating as common carriers or conferences in the U.S. foreign commerce.

(e) Location of tariffs. The Commission will publish on its website, www.fmc.gov, a list of the locations of all carrier and conference tariffs. The Commission will update this list on a periodic basis.

§ 520.4 Tariff contents.

(a) General. Tariffs published pursuant to this part shall:

(1) State the places between which cargo will be carried;

(2) List each classification of cargo in use;

(3) State the level of ocean transportation intermediary, as defined by section 3(17)(A) of the Act (46 U.S.C. 40102(18)), compensation, if any, to be paid by a carrier or conference;

(4) State separately each terminal or other charge, privilege, or facility under the control of the carrier or conference and any rules or regulations that in any way change, affect, or determine any part of the aggregate of the rates or charges;

(5) Include sample copies of any bill of lading, contract of affreightment or other document evidencing the transportation agreement;

(6) Include copies of any loyalty contract, omitting the shipper’s name;

(7) Contain an organization record, tariff record, and tariff rules; and

(8) For commodity tariffs, also contain commodity descriptions and tariff rate items.

(b) Organization record. Common carriers’ and conferences’ organization records shall include:

(1) Organization name;

(2) Organization number assigned by the Commission;

(3) Agreement number, where applicable;

(4) Organization type (e.g., ocean common carrier (VOCC), conference (CONF), non-vessel-operating common carrier (NVOCC) or agent);

(5) Home office address and telephone number of firm’s representative;

(6) Names and organization numbers of all affiliates to conferences or agreements, including trade names; and
(7) The publisher, if any, used to maintain the organization’s tariffs.

(c) Tariff record. The tariff record for each tariff shall include:

1. Organization number and name, including any trade name;
2. Tariff number;
3. Tariff title;
4. Tariff type (e.g., commodity, rules, equipment interchange, or bill of lading);
5. Contact person and address;
6. Default measurement and currency units;
7. Origination and destination scope; and
8. A statement certifying that all information contained in the tariff is true and accurate and no unlawful alterations will be permitted.

(d) Tariff rules. Carriers and conferences shall publish in their tariffs any rule that affects the application of the tariff.

(e) Commodity descriptions. (1) For each separate commodity in a tariff, a distinct numeric code may be used. Tariff publishers are not required to use any numeric code to identify commodities, but should they choose to do so, they are encouraged to use the U.S. Harmonized Tariff Schedule (“U.S. HTS”) for both the commodity coding and associated terminology (definitions).

(2) If a tariff publisher uses a numeric code to identify commodities, the following commodity types shall be preceded by their associated 2-digit prefixes, with the remaining digits at the publisher’s option:
   (i) Mixed commodities—“99”;
   (ii) Projects—“98”; and
   (iii) Non-commodities, e.g., “cargo, n.o.s.,” “general cargo,” or “freight-all kinds”—“00”.

(3) Commodity index. (i) Each commodity description created under this section shall have at least one similar index entry which will logically represent the commodity within the alphabetical index. Publishers are encouraged, however, to create multiple entries in the index for articles with equally valid common use names, such as, “Sodium Chloride,” “Salt, common,” etc.

(ii) If a commodity description includes two or more commodities, each included commodity shall be shown in the index.

(iii) Items, such as “mixed commodities,” “projects” or “project rates,” “n.o.s.” descriptions, and “FAK,” shall be included in the commodity index.

(f) Tariff rate items. A tariff rate item (“TRI”) is the single freight rate in effect for the transportation of cargo under a specified set of transportation conditions. TRIs must contain the following:

1. Brief commodity description;
2. TRI number (optional);
3. Publication date;
4. Effective date;
5. Origin and destination locations or location groups;
6. Rate and rate basis; and
7. Service code.

(g) Location groups. In the primary tariff, or in a governing tariff, a publisher may define and create groups of cities, states, provinces and countries (e.g., location groups) or groups of ports (e.g., port groups), which may be used in the construction of TRIs and other tariff objects, in lieu of specifying particular place names in each tariff item, or creating multiple tariff items which are identical in all ways except for place names.

(h) Inland rate tables. If a carrier or conference desires to provide intermodal transportation to or from named points/postal regions at combination rates, it shall clearly and accurately set forth the applicable charges in an “Inland Rate Tables” section. An inland rate table may be constructed to provide an inland distance which is applied to a per mile rate to calculate the inland rate.

(i) Shipper requests. Conference tariffs shall contain clear and complete instructions, in accordance with the agreement’s provisions, stating where and by what method shippers may file requests and complaints and how they may engage in consultation pursuant to section 5(b)(6) of the Act (46 U.S.C. 40303(b)(6)), together with a sample rate request form or a description of the information necessary for processing the request or complaint.

(j) Inland divisions. Common carriers are not required to state separately or
§ 520.5 Standard tariff terminology.

(a) Approved codes. The Standard Terminology Appendix contains codes for rate bases, container sizes, service, etc., and units for weight, measure and distance. They are intended to provide a standard terminology baseline for tariffs to facilitate retriever efficiency. Tariff publishers may use additional codes, if they are clearly defined in their tariffs.

(b) Geographic names. Tariffs should employ locations (points) that are published in the National Imagery and Mapping Agency (“NIMA”) gazetteer or the Geographic Names Information System (“GNIS”) developed by the U.S. Geological Survey. Ports published or approved for publication in the World Port Index (Pub. No. 150) should also be used in tariffs. Tariff publishers may use geographic names that are currently in use and have not yet been included in these publications.

§ 520.6 Retrieval of information.

(a) General. Tariffs systems shall present retrievers with the ability to:

(1) Search for commonly understood tariff objects (e.g., commodities, origins, destinations, etc.) without restricting such search to a specific tariff;

(2) Search a tariff for a rate on the basis of origin, destination and commodity;

(3) Employ a tariff selection option; or

(4) Select an object group (e.g., rules, locations, groups, etc.) within a particular tariff.

(b) Search capability. Tariffs shall provide the capability to search for tariff matter by non-case sensitive text search. Text search matches for commodity descriptions should result in a commodity or commodity index list.

(c) Commodities and TRIs. Retriever selection of a specific commodity from a commodity index list shall display the commodity description and provide an option for searching for a rate (e.g., on the basis of origin/destination) or a TRI list, if multiple TRIs are in effect for the commodity.

(d) Object groups. Retriever selection of a specific object group shall result in a list of the objects within the group or present a text search mechanism to allow location of an object within the group. For example, selection of the rules object group would present a list of the rules or a text search mechanism for locating specific terms or phrases within the rules.

(e) Basic ocean freight. The minimum rate display for tariffs shall consist of the basic ocean freight rate and a list of all assessorial charges that apply for the retriever-entered shipment parameters. If other rules or charges may be applicable to a shipment under certain circumstances, the tariff shall so indicate.

(f) Displays. All displays of individual tariff matter shall include the publication date, effective date, amendment code (as contained in appendix A of this part) and object name or number. When applicable, a thru date or expiration date shall also be displayed. Use of “S” as an amendment code shall be accompanied by a Commission issued special use number.

§ 520.7 Tariff limitations.

(a) General. Tariffs published pursuant to this part shall:

(1) Be clear and definite;

(2) Use English as the primary textual language;

(3) Not contain cross-references to any other rate tariffs, except:

(i) A tariff of general applicability maintained by that same carrier or conference,

(ii) The individual tariffs of members of a non-conference agreement to enter into time/volume rates may cross-reference the tariffs of other members for purposes of said time/volume rates, and

(iii) Multiple common tariffs of a conference agreement to enter into time/volume rates may cross-reference their own multiple conference tariffs for purposes of said time/volume rates; and

(4) Not duplicate or conflict with any other tariff publication.
Federal Maritime Commission  § 520.8

(b) Notice of cancellation. Carriers and conferences shall inform BTA, in writing, whenever a tariff is canceled and the effective date of that cancellation.

(c) Applicable rates. The rates, charges, and rules applicable to any given shipment shall be those in effect on the date the cargo is received by the common carrier or its agent including originating carriers in the case of rates for through transportation.

(d) Minimum quantity rates. When two or more TRIs are stated for the same commodity over the same route and under similar conditions, and the application is dependent upon the quantity of the commodity shipped, the total freight charges assessed against the shipment may not exceed the total charges computed for a larger quantity, if the TRI specifying a required minimum quantity (either weight or measurement; per container or in containers) will be applicable to the contents of the container(s), and if the minimum set forth is met or exceeded. At the shipper’s option, a quantity less than the minimum level may be freighted at the lower TRI if the weight or measurement declared for rating purposes is increased to the minimum level.

(e) Green salted hides. The shipping weight for green salted hides shall be either a scale weight or a scale weight minus a deduction, which amount and method of computation are specified in the commodity description. The shipper must furnish the carrier a weight certificate or dock receipt from an inland common carrier for each shipment at or before the time the shipment is tendered for ocean transportation.

(f) Conference situations. (1) New members of a conference shall cancel any independent tariffs applicable to the trades served by the conference, within ninety (90) days of membership in the conference. Individual conference members may publish their own separate open rate tariffs. Admission to the conference may be effective on the date notice is published in the conference tariff.

(2) New conference agreements have ninety (90) days within which to publish a new tariff.

(g) Overcharge claims. (1) No tariff may limit the filing of overcharge claims with a common carrier to a period of less than three (3) years from the accrual of the cause of action.

(2) The acceptance of any overcharge claim may not be conditioned upon the payment of a fee or charge.

(3) No tariff may require that overcharge claims based on alleged errors in weight, measurement or description of cargo be filed before the cargo has left the custody of the common carrier.

(h) Returned cargo. When a carrier or conference offers the return shipment of refused, damaged or rejected shipments, or exhibits at trade fairs, shows or expositions, to port of origin at the TRI assessed on the original movement, and such TRI is lower than the prevailing TRI:

(1) The return shipment must occur within one (1) year;

(2) The return movement must be made over the line of the same common carrier performing the original movement, except in the use of a conference tariff, where return may be made by any member line when the original shipment was carried under the conference tariff; and

(3) A copy of the original bill of lading showing the rate assessed must be presented to the return common carrier.

§ 520.8 Effective dates.

(a) General. (1) No new or initial rate, charge, or change in an existing rate, that results in an increased cost to a shipper may become effective earlier than thirty (30) calendar days after publication.

(2) An amendment which deletes a specific commodity and applicable rate from a tariff, thereby resulting in a higher “cargo n.o.s.” or similar general cargo rate, is a rate increase requiring a 30-day notice period.

(3) Rates for the transportation of cargo for the U.S. Department of Defense may be effective upon publication.

(4) Changes in rates, charges, rules, regulations or other tariff provisions resulting in a decrease in cost to a shipper may become effective upon publication.
§ 520.9 Amendments. The following amendments may take effect upon publication:

(1) Those resulting in no change in cost to a shipper;
(2) The canceling of a tariff due to cessation of all service by the carrier between the ports or points covered by the tariff;
(3) The addition of a port or point to a previously existing origin or destination grouping; or
(4) Changes in charges for terminal services, canal tolls, additional charges, or other provisions not under the control of the common carriers or conferences, which merely acts as a collection agent for such charges and the agency making such changes does so without notifying the tariff owner.

(c) Controlled carriers. Published rates by or for controlled carriers shall be governed by the procedures set forth in part 565 of this chapter.

§ 520.9 Access to tariffs.

(a) Methods to access. Carriers and conferences shall provide access to their published tariffs, via a personal computer ("PC"), by:

(1) Dial-up connection via public switched telephone networks ("PSTN"); or
(2) The Internet (Web) by:
   (i) Web browser; or
   (ii) Telnet session.

(b) Dial-up connection via PSTN. (1) This connection option requires that tariffs provide:
   (i) A minimum of a 14.4Kbps modem capable of receiving incoming calls;
   (ii) Smart terminal capability for VT-100 terminal or terminal emulation access; and
   (iii) Telephone line quality for data transmission.

(2) The modem may be included in a collection (bank) of modems as long as all modems in the bank meet the minimum speed.

(c) Internet connection. (1) This connection option requires that systems provide:
   (i) A universal resource locator ("URL") Internet address (e.g., http://www.tariffsrus.com or http://1.2.3.4); and/or
   (ii) A URL Internet address (e.g., telnet://tariffsrus or telnet://1.2.3.4), for Telnet session access over the Internet.

(2) Carriers or conferences shall ensure that their Internet service providers provide static Internet addresses.

(d) Commission access. Commission telecommunications access to systems must include connectivity via a dial-up connection over PSTNs or a connection over the Internet. Connectivity will be provided at the expense of the publishers. Any recurring connection fees, hardware rental fees, usage fees or any other charges associated with the availability of the system are the responsibility of the publisher. The Commission shall only be responsible for the long-haul charges for PSTN calls to a tariff initiated by the FMC.

(e) Limitations. (1) Tariffs must be made available to any person without time, quantity, or other limitations.

(2) Carriers are not required to provide remote terminals for access under this section.

(3) Carriers and conferences may assess a reasonable fee for access to their tariff publication systems and such fees shall not be discriminatory.

(4) Tariff publication systems shall provide user instructions for access to tariff information.

(f) Federal agencies. Carriers and conferences may not assess any access charges against the Commission or any other Federal agency.

(4) User identifications. Carriers and conferences shall provide the Commission with the documentation it requires and the number of user identifications and passwords it requests to facilitate the Commission's access to their systems, if they require such identifications and passwords.

§ 520.10 Integrity of tariffs.

(a) Historical data. Carriers and conferences shall maintain the data that appeared in their tariff publication systems for a period of five (5) years from the date such information is superseded, canceled or withdrawn, and shall provide on-line access to such data for two (2) years. After two (2) years, such data may be retained on-line or in other electronic form, and shall be made available to any person or the
Federal Maritime Commission

§ 520.12

Commission upon request in a reasonable period of time. Carriers and conferences may charge a reasonable fee for the provision of historical data, not to exceed the fees for obtaining such data on-line. No fee shall apply to federal agencies.

(b) Access date capability. Each tariff shall provide the capability for a retriever to enter an access date, i.e., a specific date for the retrieval of tariff data, so that only data in effect on that date would be directly retrievable. This capability would also align any rate adjustments and assessorial charges that were effective on the access date for rate calculations and designation of applicable surcharges. The access date shall also apply to the alignment of tariff objects for any governing tariffs.

(c) Periodic review. The Commission will periodically review published tariff systems and will prohibit the use of any system that fails to meet the requirements of this part.

(d) Access to systems. Carriers and conferences shall provide the Commission reasonable access to their automated systems and records in order to conduct reviews.

§ 520.11 Non-vessel-operating common carriers.

(a) Financial responsibility. An ocean transportation intermediary that operates as a non-vessel-operating common carrier shall state in its tariff publication:

(1) That it has furnished the Commission proof of its financial responsibility in the manner and amount required by part 515 of this chapter;

(2) The manner of its financial responsibility;

(3) Whether it is relying on coverage provided by a group or association to which it is a member;

(4) The name and address of the surety company, insurance company or guarantor issuing the bond, insurance policy, or guaranty;

(5) The number of the bond, insurance policy or guaranty; and

(6) Where applicable, the name and address of the group or association providing coverage.

(b) Agent for service. Every NV OCC not in the United States shall state the name and address of the person in the United States designated under part 515 of this chapter as its legal agent for service of process, including subpoenas. The NV OCC shall further state that in any instance in which the designated legal agent cannot be served because of death, disability or unavailability, the Commission’s Secretary will be deemed to be its legal agent for service of process.

(c) Co-Loading. (1) NV OCCs shall address the following situations in their tariffs:

(i) If an NV OCC does not tender cargo for co-loading, this shall be noted in its tariff.

(ii) If two or more NV OCCs enter into an agreement which establishes a carrier-to-carrier relationship for the co-loading of cargo, then the existence of such agreement shall be noted in the tariff.

(iii) If two NV OCCs enter into a co-loading arrangement which results in a shipper-to-carrier relationship, the tendering NV OCC shall describe its co-loading practices and specify its responsibility to pay any charges for the transportation of the cargo. A shipper-to-carrier relationship shall be presumed to exist where the receiving NV OCC issues a bill of lading to the tendering NV OCC for carriage of the co-loaded cargo.

(2) Documentation requirements. An NV OCC which tenders cargo to another NV OCC for co-loading, whether under a shipper-to-carrier or carrier-to-carrier relationship, shall annotate each applicable bill of lading with the identity of any other NV OCC to which the shipment has been tendered for co-loading. Such annotation shall be shown on the face of the bill of lading in a clear and legible manner.

(3) Co-loading rates. No NV OCC may offer special co-loading rates for the exclusive use of other NV OCCs. If cargo is accepted by an NV OCC from another NV OCC which tenders that cargo in the capacity of a shipper, it must be rated and carried under tariff provisions which are available to all shippers.

§ 520.12 Time/Volume rates.

(a) General. Common carriers or conferences may publish in their tariffs rates which are conditioned upon the
§520.13 Exemptions and exceptions.

(a) General. Exemptions from the requirements of this part are governed by section 16 of the Act (46 U.S.C. 40103) and Rule 67 of the Commission’s Rules of Practice and Procedure, §502.67 of this chapter.

(b) Services. The following services are exempt from the requirements of this part:

1. Equipment interchange agreements. Equipment-interchange agreements between common carriers subject to this part and inland carriers, where such agreements are not referred to in the carriers’ tariffs and do not affect the tariff rates, charges or practices of the carriers.

2. Controlled carriers in foreign commerce. A controlled common carrier shall be exempt from the provisions of this part exclusively applicable to controlled carriers when:

   (i) The vessels of the controlling state are entitled by a treaty of the United States to receive national or most-favored-nation treatment; or

   (ii) The controlled carrier operates in a trade served exclusively by controlled carriers.

3. Terminal barge operators in Pacific Slope states. Transportation provided by terminal barge operators in Pacific Slope states barging containers and containerized cargo by barge between points in the United States are exempt from the tariff publication requirements of Act and the rules of this part, where:

   (i) The cargo is moving between a point in a foreign country or a non-contiguous State, territory, or possession and a point in the United States;

   (ii) The transportation by barge between points in the United States is furnished by a terminal operator as a service substitute in lieu of a direct vessel call by the common carrier by water transporting the containers or containerized cargo under a through bill of lading; and

   (iii) Such terminal operator is a Pacific Slope state, municipality, or other public body or agency subject to the jurisdiction of the Commission, and the only one furnishing the particular circumscribed barge service in question as of January 2, 1975.

(c) Cargo types. The following cargo types are not subject to the requirements of this part:

1. Bulk cargo, forest products, etc. This part does not apply to bulk cargo, forest products, recycled metal scrap, new assembled motor vehicles, waste paper and paper waste. Carriers or conferences which voluntarily publish tariff provisions covering otherwise exempt transportation thereby subject themselves to the requirements of this part, including the requirement to adhere to the tariff provisions.

2. Mail in foreign commerce. Transportation of mail between the United States and foreign countries.

3. Used military household goods. Transportation of used military household goods and personal effects by ocean transportation intermediaries.
(4) Department of Defense cargo. Transportation of U.S. Department of Defense cargo moving in foreign commerce under terms and conditions negotiated and approved by the Military Transportation Management Command ("MTMC") and published in a universal service contract. An exact copy of the universal service contract, including any amendments thereto, shall be filed in paper format with the Commission as soon as it becomes available.

(5) Used household goods—General Services Administration. Transportation of used household goods and personal effects by ocean transportation intermediaries shipped for federal civilian executive agencies under the International Household Goods Program administered by the General Services Administration.

(d) Services involving foreign countries. The following transportation services involving foreign countries are not subject to the requirements of this part:

(1) Between foreign countries. This part does not apply to transportation of cargo between foreign countries, including that which is transshipped from one ocean common carrier to another (or between vessels of the same common carrier) at a U.S. port or transferred between an ocean common carrier and another transportation mode at a U.S. port for overland carriage through the United States, where the ocean common carrier accepts custody of the cargo in a foreign country and issues a through bill of lading covering its transportation to a foreign point of destination.

(2) Between Canada and U.S. The following services are exempt from the filing requirements of the Act and the rules of this part:

(i) Prince Rupert and Alaska. (A) Vehicles. Transportation by vessels operated by the State of Alaska between Prince Rupert, Canada and ports in southeastern Alaska, if all the following conditions are met:

(1) Carriage of property is limited to vehicles;
(2) Tolls levied for vehicles are based solely on space utilized rather than the weight or contents of the vehicle and are the same whether the vehicle is loaded or empty;

(3) The vessel operator does not move the vehicles on or off the ship; and
(4) The common carrier does not participate in any joint rate establishing through routes or in any other type of agreement with any other common carrier.

(ii) British Columbia and Puget Sound Ports; rail cars—(A) Through rates. Transportation by water of cargo moving in rail cars between British Columbia, Canada and United States ports on Puget Sound, and between British Columbia, Canada and ports or points in Alaska, only if the cargo does not originate in or is not destined to foreign countries other than Canada, but only if:

(1) The through rates are filed with the Surface Transportation Board and/or the Canadian Transport Commission; and
(2) Certified copies of the rate divisions and of all agreements, arrangements or concurrences, entered into in connection with the transportation of such cargo, are filed with the Commission within 30 days of the effectiveness of such rate divisions, agreements, arrangements or concurrences.

(B) Bulk; port-to-port. Transportation by water of cargo moving in bulk without mark or count in rail cars on a local port-to-port rate basis between ports in British Columbia, Canada and United States ports on Puget Sound, only if the rates charged for any particular bulk type commodity on any one sailing are identical for all shippers, except that:

(1) This exemption shall not apply to cargo originating in or destined to foreign countries other than Canada; and
(2) The carrier will remain subject to all other provisions of the Act.

(iii) Incan Superior, Ltd. Transportation by Incan Superior, Ltd. of cargo
moving in railroad cars between Thunder Bay, Ontario, and Superior, Wisconsin, only if the cargo does not originate in or is not destined to foreign countries other than Canada, and if:

A The through rates are filed with the Surface Transportation Board and/or the Canadian Transport Commission; and

B Certified copies of the rate divisions and all agreements, arrangements or concurrences entered into in connection with the transportation of such cargo are filed with the Commission within 30 days of the effectiveness of such rate divisions, agreements, arrangements or concurrences.

(e) NVOCC Negotiated Rate Arrangements. An NVOCC that satisfies the requirements of part 532 of this chapter is exempt from the requirement in this part that it include rates in a tariff open to public inspection in an automated tariff system.

§ 520.14 Special permission.

(a) General. Section 8(d) of the Act (46 U.S.C. 40501(e)) authorizes the Commission, in its discretion and for good cause shown, to permit increases or decreases in rates, or the issuance of new or initial rates, on less than the statutory notice. Section 9(c) of the Act (46 U.S.C. 40703, 40704(a)) authorizes the Commission to permit a controlled carrier’s rates, charges, classifications, rules or regulations to become effective on less than 30 days’ notice. The Commission may also in its discretion and for good cause shown, permit departures from the requirements of this part.

(b) Clerical errors. Typographical and/or clerical errors constitute good cause for the exercise of special permission authority but every application based thereon must plainly specify the error and present clear evidence of its existence, together with a full statement of the attending circumstances, and shall be submitted with reasonable promptness after publishing the defective tariff material.

(c) Application. (1) Applications for special permission to establish rate increases or decreases on less than statutory notice or for waiver of the provisions of this part, shall be made by the common carrier, conference or agent for publishing. Every such application shall be submitted to the Bureau of Trade Analysis and be accompanied by a filing fee of $195.

(2) Applications for special permission shall be made only by letter, except that in emergency situations, application may be made by telephone or facsimile if the communication is promptly followed by a letter and the filing fee.

(3) Applications for special permission shall contain the following information:

(i) Organization name, number and trade name of the conference or carrier;

(ii) Tariff number and title; and

(iii) The rate, commodity, or rules related to the application, and the special circumstances which the applicant believes constitute good cause to depart from the requirements of this part or to warrant a tariff change upon less than the statutory notice period.

(d) Implementation. The authority granted by the Commission shall be used in its entirety, including the prompt publishing of the material for which permission was requested. Applicants shall use the special case number assigned by the Commission with the symbol ‘‘S’’.

§ 520.91 OMB control number assigned pursuant to the Paperwork Reduction Act.

The Commission has received OMB approval for this collection of information pursuant to the Paperwork Reduction Act of 1995, as amended. In accordance with the Act, agencies are required to display a currently valid control number. The valid control number for this collection of information is 3072–0064.

PART 525—MARINE TERMINAL OPERATOR SCHEDULES

§ 525.1 Purpose and scope.

(a) Purpose. This part implements the Shipping Act of 1984, as amended by the Ocean Shipping Reform Act of 1998 and the Coast Guard Authorization Act of 1998. The form and manner requirements of this part are necessary to enable the Commission to meet its responsibilities with regard to identifying and preventing unreasonable preference or prejudice and unjust discrimination pursuant to section 10 of the Act (46 U.S.C. 41101–41106).

(b) Scope. This part sets forth the regulations for the publication of terminal schedules by marine terminal operators. Information made available under this part may be used to determine marine terminal operators’ compliance with shipping statutes and regulations.

(c) Definitions. The following definitions apply to the regulations of this part:

(2) Bulk cargo means cargo that is loaded and carried in bulk without mark or count, in a loose unpackaged form, having homogenous characteristics. Bulk cargo loaded into intermodal equipment, except LASH or Seabee barges, is subject to mark and count and is, therefore, subject to the requirements of this part.

(3) Checking means the service of counting and checking cargo against appropriate documents for the account of the cargo or the vessel, or other person requesting same.

(5) Dockage means the charge assessed against a vessel for berthing at a wharf, pier, bulkhead structure, or bank or for mooring to a vessel so berthed.

(6) Effective date means the date a schedule or an element of a schedule becomes effective. Where there are multiple publications on the same day, the last schedule or element of a schedule published with the same effective date is the one effective for that day.

(7) Expiration date means the last day, after which the entire schedule or a single element of the schedule, is no longer in effect.

(8) Forest products means forest products including, but not limited to, lumber in bundles, rough timber, ties, poles, piling, laminated beams, bundled siding, bundled plywood, bundled core stock or veneers, bundled particle or fiber boards, bundled hardwood, wood pulp in rolls, wood pulp in unitized bales, paper and paper board in rolls or in pallet or skid-sized sheets, liquid or granular by-products derived from pulping and papermaking, and engineering wood products.

(9) Free time means the period specified in the terminal schedule during which cargo may occupy space assigned to it on terminal property, including off-dock facilities, free of wharf demurrage or terminal storage charges immediately prior to the loading or subsequent to the discharge of such cargo on or off the vessel.

(10) Handling means the service of physically moving cargo between point of rest and any place on the terminal facility, other than the end of ship’s tackle.

(11) Heavy lift means the service of providing heavy lift cranes and equipment for lifting cargo.

(12) Loading and unloading means the service of loading or unloading cargo between any place on the terminal and railroad cars, trucks, lighters or barges or any other means of conveyance to or from the terminal facility.

(13) Marine terminal operator means a person engaged in the United States or
§ 525.2 Terminal schedules.

(a) Marine terminal operator schedules. A marine terminal operator, at its discretion, may make available to the public, subject to section 10(d) of the Act (46 U.S.C. 4102(c), 4103, 4106), a
§ 525.3 Availability of marine terminal operator schedules.

(a) Availability of terminal schedules—

(1) Availability to the Commission. A complete and current set of terminal schedules used by a marine terminal operator, or to which it is a party, shall be maintained in its office(s) for a period of five (5) years, whether or not made available to the public, and shall promptly be made available to the Commission upon request.

(2) Availability to the public. Any terminal schedule that is made available to the public shall be available during normal business hours and in electronic form. The public may be assessed a reasonable nondiscriminatory charge for access to the terminal schedules; no charge will be assessed against the Commission.

(b) Access to electronically published schedules. Marine terminal operators shall provide access to their terminal schedules via a personal computer (PC) by:

(1) Dial-up connection via public switched telephone networks (PSTN); or

(2) The Internet (Web) by:

(i) Web browser; or

(ii) Telnet session.

(c) Dial-up connection via PSTN. (1) This connection option requires that terminal schedules provide:

(i) A minimum of a 14.4Kbps modem capable of receiving incoming calls, 

(ii) Smart terminal capability for VT-100 terminal or terminal emulation access, and 

(iii) Telephone line(s) quality for data transmission.

(2) The modem may be included in a collection (bank) of modems as long as all modems in the bank meet the minimum speed. Smart terminal emulation provides for features such as bold, blinking, underlining and positioning to specific locations on the display screen.

(d) Internet connection. (1) This connection option requires that systems provide:

(i) A universal resource locator (URL) Internet address (e.g., http://www.tariffsrus.com or http://1.2.3.4), and/or

(ii) A universal resource locator (URL) Internet address (e.g., telnet://

APPENDIX A TO PART 530—INSTRUCTIONS FOR THE FILING OF SERVICE CONTRACTS

EXHIBIT 1 TO PART 530—SERVICE CONTRACT REGISTRATION [FORM FMC-83]

SOURCE: 64 FR 11206, Mar. 8, 1999, unless otherwise noted.

Subpart A—General Provisions

§ 530.1 Purpose.

The purpose of this part is to facilitate the filing of service contracts and the publication of certain essential terms of those service contracts as required by section 8(c) of the Shipping Act of 1984 ("the Act") (46 U.S.C. 40502). This part enables the Commission to...
review service contracts to ensure that these contracts and the parties to them comport with the requirements of the Act. This part also implements electronic filing provisions for service contracts to facilitate compliance and minimize the filing burdens on the oceanborne commerce of the United States.

§ 530.2 Scope and applicability.

An individual ocean common carrier or an agreement between or among ocean common carriers may enter into a service contract with one or more shippers subject to the requirements of the Act.

§ 530.3 Definitions.

When used in this part:
(a) Act means the Shipping Act of 1984 as amended by the Ocean Shipping Reform Act of 1998.
(b) Agreement means an understanding, arrangement, or association (written or oral) and any modification or cancellation thereof which has been filed and effective under part 535 of this chapter with the Commission. The term does not include a maritime labor agreement.
(c) Authorized person means a carrier or a duly appointed agent who is authorized to file service contracts on behalf of the carrier party to a service contract and to publish the corresponding statement of essential terms and is registered by the Commission to file under § 530.5(d) and appendix A to this part.
(d) BTCL means the Commission’s Bureau of Tariffs, Certification and Licensing or its successor bureau.
(e) Commission means the Federal Maritime Commission.
(f) Common carrier means a person holding itself out to the general public to provide transportation by water of passengers or cargo between the United States and a foreign country for compensation that:
(1) Assumes responsibility for the transportation from the port or point of receipt to the port or point of destination; and
(2) Utilizes, for all or part of that transportation, a vessel operating on the high seas or the Great Lakes between a port in the United States and a port in a foreign country, except that the term does not include a common carrier engaged in ocean transportation by ferry boat, ocean tramp, or chemical parcel tanker, or by a vessel when primarily engaged in the carriage of perishable agricultural commodities:
(i) If the common carrier and the owner of those commodities are wholly owned, directly or indirectly, by a person primarily engaged in the marketing and distribution of those commodities and
(ii) Only with respect to those commodities.
(g) Conference means an agreement between or among two or more ocean common carriers which provides for the fixing of and adherence to uniform rates, charges, practices and conditions of service relating to the receipt, carriage, handling and/or delivery of passengers or cargo for all members. The term does not include joint service, pooling, sailing, space charter, or transshipment agreements.
(h) Controlled carrier means an ocean common carrier that is, or whose operating assets are, directly or indirectly owned or controlled by a government. Ownership or control by a government shall be deemed to exist with respect to any ocean common carrier if:
(1) A majority portion of the interest in the carrier is owned or controlled in any manner by that government, by any agency thereof, or by any public or private person controlled by that government; or
(2) That government has the right to appoint or disapprove the appointment of a majority of the directors, the chief operating officer or the chief executive officer of the carrier.
(i) Effective date means the date upon which a service contract or amendment is scheduled to go into effect by the parties to the contract. A service contract or amendment becomes effective at 12:01 a.m. Eastern Standard Time on the beginning of the effective date. The effective date cannot be prior to the filing date of the service contract or amendment with the Commission.
(j) Expiration date means the last day after which the entire service contract is no longer in effect.
§ 530.4 Confidentiality.

All service contracts and amendments to service contracts filed with the Commission shall, to the full extent permitted by law, be held in confidence. Nothing contained in this part shall preclude the Commission from providing certain information from or access to service contracts to another agency of the Federal government of the United States.

§ 530.5 Duty to file.

(a) The duty under this part to file service contracts, amendments and notices, and to publish statements of essential terms shall be upon the individual carrier party or parties participating or eligible to participate in the service contract.

(b) Filing may be accomplished by any duly agreed-upon agent, as the parties to the service contract may designate, and subject to conditions as the parties may agree.

(c) Registration—(1) Application. Authority to file or delegate the authority to file must be requested by a responsible official of the service contract carrier in writing by submitting to BTCL the Registration Form (FMC–83) in Exhibit 1 to this part.

(2) Approved registrations. OIT shall provide approved Registrants a log-on agreement commits to a certain rate or rate schedule and a defined service level, such as, assured space, transit time, port rotation, or similar service features. The contract may also specify provisions in the event of nonperformance on the part of any party.

(r) Shipper means a cargo owner; the person for whose account the ocean transportation is provided; the person to whom delivery is to be made; a shippers’ association; or an NVCCC that accepts responsibility for payment of all applicable charges under the service contract.

(s) Statement of essential terms means a concise statement of the essential terms of a service contract required to be published under § 530.12 of this part.

§ 530.7 Duty to labor organizations.

(a) Terms. When used in this section, the following terms will have these meanings:

(1) Dock area and within the port area shall have the same meaning and scope as defined in the applicable collective bargaining agreement.

(2) Reasonable period of time ordinarily means:

(i) If the cargo in question is due to arrive in less than five (5) days from the date of receipt of the request as defined in paragraph (b) of this section, two (2) days from the date of receipt of the request; but

(ii) If cargo in question is due to arrive in more than five (5) days from the date of receipt of the request as defined in paragraph (b) of this section, four (4) days from the date of receipt of the request.

(3) Movement includes, but is not necessarily limited to, the normal and usual aspects of the loading and discharging of cargo in containers; placement, positioning and re-positioning of cargo or of containers; the insertion and removal of cargo into and from containers; and the storage and warehousing of cargo.

(4) Assignment includes, but is not limited to, the carrier’s direct or indirect control over the parties which, the manner by which, or the means by which the shipper’s cargo is moved, regardless of whether such movement is completed within or outside of containers.

(5) Transmit means communication by first-class mail, facsimile, telegram, hand-delivery, or electronic mail ("e-mail").

(b) Procedure. In response to a written request transmitted from a labor organization with which it is a party or is subject to the provisions of a collective bargaining agreement with a labor organization, an ocean common carrier shall state, within a reasonable period of time, whether it is responsible for the following work at dock areas and within port areas in the United States.
with respect to cargo transported under a service contract:

(1) The movement of the shipper’s cargo on a dock area or within the port area or to or from railroad cars on a dock area or within a port area;

(2) The assignment of intraport carriage of the shipper’s cargo between areas on a dock or within the port area;

(3) The assignment of the carriage of the shipper’s cargo between a container yard on a dock area or within the port area and a rail yard adjacent to such container yard; or

(4) The assignment of container freight station work and maintenance and repair work performed at a dock area or within the port area.

(c) Applicability. This section requires the disclosure of information by an ocean common carrier only if there exists an applicable and otherwise lawful collective bargaining agreement which pertains to that carrier.

(d) Disclosure not deemed admission or agreement. No disclosure made by an ocean common carrier shall be deemed to be an admission or agreement that any work is covered by a collective bargaining agreement.

(e) Dispute resolution. Any dispute regarding whether any work is covered by a collective bargaining agreement and the responsibility of the ocean common carrier under such agreement shall be resolved solely in accordance with the dispute resolution procedures contained in the collective bargaining agreement and the National Labor Relations Act, and without reference to this section.

(f) Jurisdiction and lawfulness. Nothing in this section has any effect on the lawfulness or unlawfulness under the Shipping Act of 1984, the National Labor Relations Act, the Taft-Hartley Act, the Federal Trade Commission Act, the antitrust laws, or any other federal or state law, or any revisions or amendments thereto, of any collective bargaining agreement or element thereof, including any element that constitutes an essential term of a service contract under section 8(c) of the Act (46 U.S.C. 40502).

§ 530.8 Subpart B—Filing Requirements

§ 530.8 Service Contracts.

(a) Authorized persons shall file with BTCL, in the manner set forth in appendix A of this part, a true and complete copy of every service contract or amendment to a filed service contract before any cargo moves pursuant to that service contract or amendment.

(b) Every service contract filed with the Commission shall include the complete terms of the service contract including, but not limited to, the following:

(1) The origin port ranges in the case of port-to-port movements and geographic areas in the case of through intermodal movements;

(2) The destination port ranges in the case of port-to-port movements and geographic areas in the case of through intermodal movements;

(3) The commodity or commodities involved;

(4) The minimum volume or portion;

(5) The service commitments;

(6) The line-haul rate;

(7) Liquidated damages for non-performance (if any);

(8) Duration, including the

(i) Effective date; and

(ii) Expiration date;

(9) The legal names and business addresses of the contract parties; the legal names of affiliates entitled to access the contract; the names, titles and addresses of the representatives signing the contract for the parties; and the date upon which the service contract was signed, except that in the case of a contract entered under the authority of an agreement or by a shippers’ association, individual members need not be named unless the contract includes or excludes specific members. Subsequent references in the contract to the contract parties shall be consistent with the first reference (e.g., (exact name), “carrier,” “shipper,” or “association,” etc.). Carrier parties which enter into contracts that include affiliates must either:

(i) List the affiliates’ business addresses; or

(ii) Certify that this information will be provided to the Commission upon request within ten (10) business days of
such request. However, the requirements of this section do not apply to amendments to contracts that have been filed in accordance with the requirements of this section unless the amendment adds new parties or affiliates;

(10) A certification of shipper status;
(11) A description of the shipment records which will be maintained to support the service contract and the address, telephone number, and title of the person who will respond to a request by making shipment records available to the Commission for inspection under §530.15 of this part; and
(12) All other provisions of the contract.

(c) Certainty of terms. The terms described in paragraph (b) of this section may not:

(1) Be uncertain, vague or ambiguous; or
(2) Make reference to terms not explicitly contained in the service contract itself unless those terms are readily available to the parties and the Commission.

(3) Pursuant to §530.15(c), the carrier party to the service contract must, upon written request by the Commission, provide the Commission with the associated records of the referenced terms. For the purpose of paragraph (c)(2) of this section, the referenced terms will be deemed readily available to the Commission if the carrier party to the service contract provides the Commission with the associated records of the terms within thirty (30) days of the Commission’s written request.

(d) Other requirements. Every service contract filed with BTCL shall include, as set forth in appendix A to this part by:

(1) A unique service contract number of more than one (1) but less than ten (10) alphanumeric characters in length (“SC Number”); and
(2) A consecutively numbered amendment number no more than three digits in length, with initial service contracts using “0” (“Amendment number”);

(3) The filed FMC Agreement Number(s) assigned by the Commission under 46 CFR part 536 (if applicable); and
(4) An indication of the method by which the statement of essential terms will be published.

(e) Exception in case of malfunction of Commission filing system. (1) In the event that the Commission’s filing systems are not functioning and cannot receive service contract filings for twenty-four (24) continuous hours or more, affected parties will not be subject to the requirements of paragraph (a) of this section and §530.14(a) that a service contract be filed before cargo is shipped under it.

(2) However, service contracts which go into effect before they are filed, pursuant to paragraph (e)(1) of this section, must be filed within twenty-four (24) hours of the Commission’s filing systems’ return to service.

(3) Failure to file a service contract that goes into effect before it is filed, pursuant to paragraph (e)(1) of this section, within twenty-four (24) hours of the Commission’s filing systems’ return to service will be considered a violation of Commission regulations.

§530.9 Notices.

Within thirty (30) days of the occurrence of any event listed below, there shall be filed with the Commission, pursuant to the same procedures as those followed for the filing of an amendment pursuant to §530.10 and appendix A to this part, a detailed notice of:

(a) Correction (clerical or administrative errors);
(b) Cancellation (as defined in §530.10(a)(3));
(c) Adjustment of accounts, by re-rating, liquidated damages, or otherwise;
(d) Final settlement of any account adjusted as described in paragraph (c) of this section; and
(e) Any change to:

(1) The name of a basic contract party; or
(2) The list of affiliates under §530.8(b)(9), including changes to legal names and business addresses, of any contract party entitled to receive or authorized to offer services under the contract.
§ 530.10 Amendment, correction, cancellation, and electronic transmission errors.

(a) Terms. When used in this section, the following terms will have these meanings:

(1) Amendment means any change to a service contract which has prospective effect and which is mutually agreed upon by the service contract parties.

(2) Correction means any change to a service contract which has retroactive effect.

(3) Cancellation means an event which is unanticipated by the service contract, in liquidated damages or otherwise, and is due to the failure of the shipper party to tender minimum cargo as set forth in the contract, unless such tender was made impossible by an action of the carrier party.

(b) Amendment. Service contracts may be amended by mutual agreement of the parties to the contract. Amendments shall be filed electronically with the Commission in the manner set forth in § 530.8 and appendix A to this part.

(1) Where feasible, service contracts should be amended by amending only the affected specific term(s) or subterms.

(2) Each time any part of a service contract is amended, the filer shall assign a consecutive amendment number (up to three digits), beginning with the number "1."

(3) Each time any part of the service contract is amended, the "Filing Date" will be the date of filing of the amendment.

(c) Corrections. Requests shall be filed, in duplicate, with the Commission's Office of the Secretary within forty-five (45) days of the contract's filing with the Commission, accompanied by remittance of a $315 service fee, and shall include:

(1) A letter of transmittal explaining the purpose of the submission, and providing specific information to identify the initial or amended service contract to be corrected;

(2) A paper copy of the proposed correct terms. Corrections shall be indicated as follows:

(i) Matter being deleted shall be struck through; and

(ii) Matter to be added shall immediately follow the language being deleted and be underscored;

(3) An affidavit from the filing party attesting with specificity to the factual circumstances surrounding the clerical or administrative error, with reference to any supporting documentation;

(4) Documents supporting the clerical or administrative error; and

(5) A brief statement from the other party to the contract concurring in the request for correction.

(d) Electronic transmission errors. An authorized person who experiences a purely technical electronic transmission error or a data conversion error in transmitting a service contract filing or an amendment thereto is permitted to file a Corrected Transmission ("CT") of that filing within 48 hours of the date and time of receipt recorded in SERVCON (excluding Saturdays, Sundays and legal public holidays). This time-limited permission to correct an initial defective service contract filing is not to be used to make changes in the original service contract rates, terms or conditions that are otherwise provided for in paragraphs 530.10(b) and (c) of this section.

The CT tab box in SERVCON must be checked at the time of resubmitting a previously filed service contract, and a description of the corrections made must be stated at the beginning of the corrected service contract in a comment box. Failure to check the CT box and enter a description of the correction will result in the rejection of a file with the same name, since documents with duplicate file names or service contract and amendment numbers are not accepted by SERVCON.

(e) Cancellation. (1) An account may be adjusted for events and damages covered by the service contract. This shall include adjustment necessitated by either liability for liquidated damages appearing in the service contract as filed with the Commission under § 530.8(b)(7), or the occurrence of an
event described below in paragraph (d)(2) of this section.

(2) In the event of cancellation as defined in §530.10(a)(3):

(i) Further or continued implementation of the service contract is prohibited; and

(ii) The cargo previously carried under the contract shall be re-rated according to the otherwise applicable tariff provisions.

(f) If the amendment, correction or cancellation affects an essential term required to be published under §530.12 of this part, the statement of essential terms shall be changed as soon as possible after the filing of the amendment to accurately reflect the change to the contract terms.

§530.11 [Reserved]

(2) Service contracts filed with the Commission may include the commodities or services listed in paragraph (a) or (b) of this section only if:

(i) There is a tariff of general applicability for the transportation, which contains a specific commodity rate for the commodity or service in question; or

(ii) The service contract itself sets forth a rate or charge which will be applied if the contract is canceled, as defined in § 530.10(a)(3).

§ 530.15 Recordkeeping and audit.

(a) Records retention for five years. Every common carrier, conference or agreement shall maintain original signed service contracts, amendments, and their associated records in an organized, readily accessible or retrievable manner for a period of five (5) years from the termination of each contract.

(b) (paragraph (b) is stayed until further notice.) Where maintained. (1) Service contract records shall be maintained in the United States, except that service contract records may be maintained outside the United States if the Chairman or Secretary of an agreement or President or Chief Executive Officer of the carrier certifies annually by January 1, on a form to be supplied by the Commission, that service contract records will be made available as provided in paragraph (c) of this section.

(2) Penalty. If service contract records are not made available to the Commission as provided in paragraph (c) of this section, the Commission may cancel any carrier’s or agreement’s right to maintain records outside the United States pursuant to the certification procedure of paragraph (b) of this section.

(c) Production for audit within 30 days of request. Every carrier or agreement shall, upon written request of the FMC’s Director, Bureau of Enforcement, any Area Representative or the Director, Bureau of Economics and Agreements Analysis, submit copies of requested original service contracts or their associated records within thirty (30) days of the date of the request.

(d) Agreement service contracts. In the case of service contracts made by agreements, the penalties for a failure to maintain records pursuant to this section shall attach jointly and severally on all of the agreement members participating in the service contract in question.

§ 530.91 OMB control numbers assigned pursuant to the Paperwork Reduction Act.

The Commission has received OMB approval for this collection of information pursuant to the Paperwork Reduction Act of 1995, as amended. In accordance with that Act, agencies are required to display a currently valid control number. The valid control number for this collection of information is 3072-0065.

APPENDIX A TO PART 530—INSTRUCTIONS FOR THE FILING OF SERVICE CONTRACTS

To register for filing, a carrier, conference, agreement or publisher must submit the Service Contract Registration Form (Form FMC–83) to BTCL. A separate Service Contract Registration Form is required for each individual that will file service contracts. BTCL will direct OIRM to provide approved filers with a log-on ID and password. Filers who wish a third party (publisher) to file their service contracts must so indicate on Form FMC–83. Authority for organizational filing can be transferred by submitting an amended registration form requesting the assignment of a new log-on ID and password. The original log-on ID will be canceled when a replacement log-on ID is issued. Log-on IDs and passwords may not be shared with, loaned to or used by any individual other than the individual registrant. The Commission reserves the right to disable any log-on ID that is shared with, loaned to or used by parties other than the registrant.

B. Filing

After receiving a log-on ID and a password, a filer may log-on to the service contract filing area on the Commission’s home page and file service contracts. The filing screen will request such information as: filer name, Registered Persons Index ("RPI") number and carrier RPI number (if different); Service Contract and amendment number; and effective date. The filer will attach the entire service contract file and submit it into the system. When the service contract has been submitted for filing, the system will assign a filing date and an FMC control number, both of which will be included in the acknowledgment/confirmation message.

(a) Amendment. (1) NSAs may be amended by mutual agreement of the parties. Amendments shall be filed electronically with the Commission in the manner set forth in § 531.5 and Appendix A to this part.

This time-limited permission to correct an initial defective NSA filing is not to be used to make changes in the original NSA rates, terms or conditions that are otherwise provided for in § 531.6(b). The CT

tab box in the Commission’s electronic filing system must be checked at the time of resubmitting a previously filed NSA, and a description of the corrections made must be stated at the beginning of the corrected NSA in a comment box. Failure to check the CT box and enter a description of the correction will result in the rejection of a file with the same name, as documents with duplicate file names or NSA and amendment numbers are not accepted by the FMC’s electronic filing system.

(2) [Reserved]

(d) Cancellation. (1) An account may be adjusted for events and damages covered by the NSA. This shall include adjustment necessitated by either liability for liquidated damages appearing in the NSA as filed with the Commission under §531.6(b)(7), or the occurrence of an event described below in paragraph (d)(2) of this section.

(2) In the event of cancellation as defined in §531.3(g):

(i) Further or continued implementation of the NSA is prohibited; and

(ii) The cargo previously carried under the NSA shall be re-rated according to the otherwise applicable tariff provisions.

(e) If the amendment, correction or cancellation affects an essential term required to be published under §531.9, the statement of essential terms shall be changed as soon as possible after the filing of the amendment to accurately reflect the change to the NSA terms.

Subpart C—Publication of Essential Terms

§531.9 Publication.

(a) Contents. All authorized persons who choose to file NSAs under this part are also required to make available to the public, contemporaneously with the filing of each NSA with the Commission, and in tariff format, a concise statement of the following essential terms:

(1) The port ranges:

(i) origin; and

(ii) destination;

(2) The commodity or commodities involved;

(4) The duration.

(b) Certainty of terms. The terms described in paragraph (a) of this section may not:

(1) Be uncertain, vague or ambiguous; or

Reference may not be made to a tariff of a common carrier other than the NVOCC party to the NSA.

(c) Location. The statement of essential terms shall be published as a separate part of the individual NVOCC’s automated tariff system.

(d) References. The statement of essential terms shall contain a reference to the “NSA Number” as described in §531.6(e)(1).

(2) If any of the published essential terms include information not required to be filed with the Commission but filed voluntarily, the statement of essential terms shall so note.

(f) Commission listing. The Commission will publish on its website, www.fmc.gov, a listing of the locations of all NSA essential terms publications.

(g) Updating statements of essential terms. To ensure that the information contained in a published statement of essential terms is current and accurate, the statement of essential terms publication shall include a prominent notice indicating the date of its most recent publication or revision. APPENDIX A TO PART 531—INSTRUCTIONS FOR THE FILING OF NSAs

NSAs shall be filed in accordance with the instructions found on the Commission’s home page, http://www.fmc.gov.

A. REGISTRATION, LOG-ON I.D. AND PASSWORD

To register for filing, an NVOCC or authorized agent must submit the NSA Registration Form (Form FMC-78) to BTA. A separate NSA Registration Form is required for each individual that will file NSAs. BTA will
direct OIT to provide approved filers with a log-on identification number (“I.D.”) and password. Filers who would like a third party (agent/publisher) to file their NSAs must so indicate on Form FMC-78. Authority for filing can be transferred by submitting an amended registration form requesting the assignment of a new log-on I.D. and password. The original log-on ID will be canceled when a replacement log-on I.D. is issued. Log-on I.D.s and passwords may not be shared with, loaned to or used by any individual other than the individual registrant. The Commission reserves the right to disable any log-on I.D. that is shared with, loaned to or used by parties other than the registrant.

B. FILING

After receiving a log-on I.D. and a password, a filer may log-on to the NSA filing area on the Commission’s home page and file NSAs. The filing screen will request such information as: filer name, organization number (“Registered Persons Index” or “RPI” number); NSA and amendment number; effective date and file name. The filer will attach the entire NSA file and submit it into the system. When the NSA has been submitted for filing, the system will assign a filing date and an FMC control number, both of which will be included in the acknowledgment/confirmation message.

(a) The requirement in 46 U.S.C. 40501(a)–(c) that the NVOCC include its rates in a tariff open to public inspection in an automated tariff system;

(b) 46 U.S.C. 40501(d);

(c) 46 U.S.C. 40501(e);

(d) 46 U.S.C. 40503;

(f) the Commission’s corresponding regulation at 46 CFR 520.3(a) that the NVOCC include its rates in a tariff open for public inspection in an automated tariff system; and

(g) the Commission’s corresponding regulations at 46 CFR 520.4(a)(4), 520.8(c), 520.8(e), 520.12, and 520.14. Any NVOCC failing to maintain its bond or license or registration as set forth above, or who has had its tariff suspended by the Commission, shall not be eligible to invoke this exemption.

[76 FR 11360, Mar. 2, 2011, as amended at 78 FR 42888, July 18, 2013]

§ 532.3 Definitions.

When used in this part,

(a) “NVOCC Negotiated Rate Arrangement” or “NRA” means a written and binding arrangement between an NRA shipper and an eligible NVOCC to provide specific transportation service for a stated cargo quantity, from origin to destination, on and after receipt of the cargo by the carrier or its agent (or the originating carrier in the case of through transportation);

(b) “Rate” means a price stated for providing a specified level of transportation service for a stated cargo quantity, from origin to destination, on and after a stated date or within a defined time frame;

(c) “Rules tariff” means a tariff or the portion of a tariff, as defined by 46 CFR 520.2, containing the terms and conditions governing the charges, classifications, rules, regulations and practices of an NVOCC, but does not include a rate;

(d) “NRA shipper” means a cargo owner, the person for whose account the ocean transportation is provided, the person to whom delivery is to be made, a shippers’ association, or an ocean transportation intermediary, as defined in section 3(17)(B) of the Act (46 U.S.C. 40102(16)), that accepts responsibility for payment of all applicable charges under the NRA;

(e) “Affiliate” means two or more entities which are under common ownership or control by reason of being parent and subsidiary or entities associated with, under common control with or otherwise related to each other.
Subpart B—Procedures Related to NVOCC Negotiated Rate Arrangements

§ 532.4 NVOCC rules tariff.

Before entering into NRAs under this Part, an NVOCC must provide electronic access to its rules tariffs to the public free of charge.

§ 532.5 Requirements for NVOCC negotiated rate arrangements.

In order to qualify for the exemptions to the general rate publication requirement as set forth in section 532.2, an NRA must:

(a) Be in writing;

(b) Contain the names of the parties and the names of the representatives agreeing to the NRA;

(c) Be agreed to by both NRA shipper and NVOCC, prior to receipt of cargo by the common carrier or its agent (including originating carriers in the case of through transportation);

(d) Clearly specify the rate and the shipment or shipments to which such rate will apply; and

(b) NRAs are subject to inspection and reproduction requests by the Commission. An NVOCC shall produce the requested NRAs promptly in response to a Commission request. All records produced must be in English or be accompanied by a certified English translation.

(c) Failure to keep or timely produce original NRAs will disqualify an NVOCC from the operation of the exemption provided pursuant to this part, regardless of whether it has been invoked by notice as set forth above, and may result in a Commission finding of a violation of 46 U.S.C. 41104(1), 41104(2)(A) or other acts prohibited by the Shipping Act.

APPENDIX A TO PART 535—INFORMATION FORM AND INSTRUCTIONS

APPENDIX B TO PART 535—MONITORING REPORT AND INSTRUCTIONS

SOURCE: 69 FR 64414, Nov. 4, 2004, unless otherwise noted.

Subpart A—General Provisions

§ 535.101  Authority.

§ 535.102  Purpose.

This part implements those provisions of the Act that govern agreements by or among ocean common carriers and agreements among marine terminal operators and among one or more marine terminal operators and one or more ocean common carriers. This part also sets forth more specifically certain procedures provided for in the Act.

§ 535.103  Policies.

(a) The Act requires that agreements be processed and reviewed, upon their initial filing, according to strict statutory deadlines. This part is intended to establish procedures for the orderly and expeditious review of filed agreements in accordance with the statutory requirements.
(b) The Act requires that agreements be reviewed, upon their initial filing, to ensure compliance with all applicable provisions of the Act and empowers the Commission to obtain information to conduct that review. This part identifies those types of agreements that must be accompanied by information submissions when they are first filed, and sets forth the kind of information for certain agreements that the Commission believes relevant to that review. Only information that is relevant to such a review is requested. It is the policy of the Commission to keep the costs of regulation to a minimum and at the same time obtain information needed to fulfill its statutory responsibility.

(c) To further the goal of expedited processing and review of agreements upon their initial filing, agreements are required to meet certain minimum requirements as to form. These requirements are intended to ensure expedited review and should assist parties in preparing agreements. These requirements as to form do not affect the substance of an agreement and are intended to allow parties the freedom to develop innovative commercial relationships and provide efficient and economic transportation systems.

(d) The Act itself excludes certain agreements from the filing requirements and authorizes the Commission to exempt other classes of agreements from any requirement of the Act or this part. To minimize delay in the implementation of routine agreements and to avoid the private and public cost of unnecessary regulation, certain classes of agreements are exempt from the filing requirements of this part.

(e) Under the regulatory framework established by the Act, the role of the Commission as a monitoring agency has been enhanced. The Act favors greater freedom in allowing parties to form their commercial arrangements. This, however, requires greater monitoring of agreements after they have become effective to assure their continued compliance with all applicable provisions of the Act. The Act empowers the Commission to impose certain recordkeeping and reporting requirements. This part identifies those agreements that require specific record retention and reporting to the Commission and prescribes the applicable period of record retention, the form and content of such reporting, and the applicable time periods for filing with the Commission. Only information that is necessary to assure that the Commission’s monitoring responsibilities will be fulfilled is requested.

(f) The Act requires that conference agreements contain certain mandatory provisions. Each conference agreement must:

1. State its purpose;
2. Provide reasonable and equal terms and conditions for admission and readmission to membership;
3. Allow for withdrawal from membership upon reasonable notice without penalty;
4. Require an independent neutral body to police the conference, if requested by a member;
5. Prohibit conduct specified in sections 10(c)(1) or 10(c)(3) of the Act (46 U.S.C. 41105(1) or 41105(3));
6. Provide for a consultation process;
7. Establish procedures for considering shippers’ requests and complaints; and
8. Provide for independent action.

(g) To promote competitive and efficient transportation and a greater reliance on the marketplace, the Act places limits on carriers’ agreements regarding service contracts. Carriers may not enter into an agreement to prohibit or restrict members from engaging in contract negotiations, may not require members to disclose service contract negotiations or terms and conditions (other than those required to be published), and may not adopt mandatory rules or requirements affecting the right of an agreement member or agreement members to negotiate and enter into contracts. However, agreement members may adopt voluntary guidelines covering the terms and conditions of agreements and procedures of members’ contracts.

§535.104 Definitions.

When used in this part:

written or oral (including any modification, cancellation or appendix) entered into by or among ocean common carriers and/or marine terminal operators, but does not include a maritime labor agreement.

(hh) **Sub-trade** means the scope of ocean liner cargo carried between each U.S. port range and each foreign country within the scope of the agreement. U.S. port ranges are defined as follows:

(1) Atlantic and Gulf shall encompass ports along the eastern seaboard and the Gulf of Mexico from the northern
boundary of Maine to Brownsville, Texas. It also includes all ports bordering on the Great Lakes and their connecting waterways, all ports in the State of New York on the St. Lawrence River, and all ports in Puerto Rico and the U.S. Virgin Islands; and

(ii) Through transportation means continuous transportation between origin and destination for which a through rate is assessed and which is offered or performed by one or more carriers, at least one of which is an ocean common carrier, between a United States point or port and a foreign point or port.

(jj) Transshipment agreement means an agreement between an ocean common carrier serving a port or point of origin and another such carrier serving a port or point of destination, whereby cargo is transferred from one carrier to another carrier at an intermediate port served by direct vessel call of both such carriers in the conduct of through transportation and the publishing carrier performs the transportation on one leg of the through transportation on its own vessel or on a vessel on which it has rights to space under a filed and effective agreement. Such an agreement does not provide for the concerted discussion, publication or otherwise fixing of rates for the account of the cargo interests, conditions of service or other tariff matters other than the tariff description of the transshipment service offered, the port of transshipment and the participation of the nonpublishing carrier. An agreement that involves the movement of cargo in a domestic offshore trade as part of a through movement of cargo via transshipment involving the foreign commerce of the United States shall be considered to be in the foreign commerce of the United States and, therefore, subject to the Act and this part.

(kk) Vessel-operating costs means any of the following expenses incurred by an ocean common carrier: salaries and wages of officers and unlicensed crew, including relief crews and others regularly employed aboard the vessel; fringe benefits; expenses associated with consumable stores, supplies and equipment; vessel fuel and incidental costs; vessel maintenance and repair expense; hull and machinery insurance costs; protection and indemnity insurance costs; costs for other marine risk insurance not properly chargeable to hull and machinery insurance or to protection and indemnity insurance accounts; and charter hire expenses.

(4) Participation in any proceeding that may be instituted.

§ 535.604 Waiting period.

(a) The waiting period before an agreement becomes effective shall commence on the date that an agreement is filed with the Commission.

(b) Unless suspended by a request for additional information or extended by court order, the waiting period terminates and an agreement becomes effective on the later of the 45th day after the filing of the agreement with the Commission or on the 30th day after publication of notice of the filing in the Federal Register.

(c) The waiting period is suspended on the date when the Commission, either orally or in writing, requests additional information or documentary materials pursuant to section 6(d) of the Act (46 U.S.C. 40304(d)). A new 45-day waiting period begins on the date of receipt of all the additional material requested or of a statement of the reasons for noncompliance, and the agreement becomes effective in 45 days unless the waiting period is further extended by court order or the Commission grants expedited review.

§ 535.605 Requests for expedited review.

(a) Upon written request of the filing party, the Commission may shorten the waiting period. In support of a request, the filing party should provide a full explanation, with reference to specific facts and circumstances, of the necessity for a shortened waiting period. In reviewing requests, the Commission will consider the parties’ needs and the Commission’s ability to complete its review of the agreement’s potential impact. In no event, however, may the period be shortened to less than fourteen (14) days after the publication of the notice of the filing of the agreement in the Federal Register. When a request for expedited review is denied, the normal 45-day waiting period will apply. Requests for expedited review will not be granted routinely and will be granted only on a showing of good cause. Good cause would include, but is not limited to, the impending expiration of the agreement; an operational urgency; Federal or State imposed time limitations; or other reasons that, in the Commission’s discretion, constitute grounds for granting the request.

(b) A request for expedited review will be considered for an agreement whose 45-day waiting period has begun anew after being stopped by a request for additional information.

§ 535.606 Requests for additional information.

(a) The Commission may request from the filing party any additional information and documents necessary to complete the statutory review required by the Act. The request shall be made prior to the expiration of the 45-day waiting period. All responses to a request for additional information shall be submitted to the Director, Bureau of Trade Analysis, Federal Maritime Commission, Washington, DC 20573.
(b) Where the Commission has made a request for additional information, the agreement’s effective date will be 45 days after receipt of the complete response to the request for additional information. If all questions are not fully answered or requested documents are not supplied, the parties must include a statement of reasons why questions were not fully answered or documents supplied. If all material is not submitted, the agreement’s effective date will be 45 days after receipt of both the documents and information which are submitted, if any, and the statement indicating the reasons for noncompliance. The Commission may, upon notice to the Attorney General, and pursuant to sections 6(i) and 6(k) of the Act (46 U.S.C. 41307(c) and 41307(d)), request the United States District Court for the District of Columbia to further extend the agreement’s effective date until there has been substantial compliance.

(c) A request for additional information may be made orally or in writing. In the case of an oral request, a written confirmation of the request shall be mailed to the filing party within seven days of the oral request.

(d) The Commission will publish a notice in the Federal Register that it has requested additional information and serve that notice on any commenting parties. The notice will indicate only that a request was made and will not specify what information is being sought. Interested parties will have fifteen (15) days after publication of the notice to file further comments on the agreement.

§ 535.607 Failure to comply with requests for additional information.

(a) A failure to comply with a request for additional information results when a person filing an agreement, or an officer, director, partner, agent, or employee thereof fails to substantially respond to the request or does not file a satisfactory statement of reasons for noncompliance. An adequate response is one which directly addresses the Commission’s request. When a response is not received by the Commission within a specified time, failure to comply will have occurred.

(b) The Commission may, pursuant to section 6(i) of the Act (46 U.S.C. 41307(c)), request relief from the United States District Court for the District of Columbia when it considers that there has been a failure to substantially comply with a request for additional information. The Commission may request that the court:

1. Order compliance with the request;
2. Extend the review period until there has been substantial compliance; or
3. Grant other equitable relief that under the circumstances seems necessary or appropriate.

(c) Where there has been a failure to substantially comply, section 6(i)(2) of the Act (46 U.S.C. 41307(c)(2)) provides that the court shall extend the review period until there has been substantial compliance.

§ 535.608 Confidentiality of submitted material.

(a) Except for an agreement filed under section 5 of the Act (46 U.S.C. 40301(d)–(e), 40302–40303, 40305), all information submitted to the Commission by the filing party will be exempt from disclosure under 5 U.S.C. 552. Included in this disclosure exemption is information provided in the Information Form, voluntary submission of additional information, reasons for noncompliance, and replies to requests for additional information.

(b) Information that is confidential pursuant to paragraph (a) of this section may be disclosed, however, to the extent:

1. It is relevant to an administrative or judicial action or proceeding; or
2. It is disclosed to either body of Congress or to a duly authorized committee or subcommittee of Congress.

(c) Parties may voluntarily disclose or make information publicly available. If parties elect to disclose information they shall promptly inform the Commission.

§ 535.609 Failure to comply with requests for additional information.

(a) A failure to comply with a request for additional information results when a person filing an agreement, or an officer, director, partner, agent, or employee thereof falls to substantially respond to the request or does not file a satisfactory statement of reasons for noncompliance. An adequate response is one which directly addresses the Commission’s request. When a response is not received by the Commission within a specified time, failure to comply will have occurred.

(b) The Commission may, pursuant to section 6(i) of the Act (46 U.S.C. 41307(c)), request relief from the United States District Court for the District of Columbia when it considers that there has been a failure to substantially comply with a request for additional information. The Commission may request that the court:

1. Order compliance with the request;
2. Extend the review period until there has been substantial compliance; or
3. Grant other equitable relief that under the circumstances seems necessary or appropriate.

(c) Where there has been a failure to substantially comply, section 6(i)(2) of the Act (46 U.S.C. 41307(c)(2)) provides that the court shall extend the review period until there has been substantial compliance.

§ 535.608 Confidentiality of submitted material.

(a) Except for an agreement filed under section 5 of the Act (46 U.S.C. 40301(d)–(e), 40302–40303, 40305), all information submitted to the Commission by the filing party will be exempt from disclosure under 5 U.S.C. 552. Included in this disclosure exemption is information provided in the Information Form, voluntary submission of additional information, reasons for noncompliance, and replies to requests for additional information.

(b) Information that is confidential pursuant to paragraph (a) of this section may be disclosed, however, to the extent:

1. It is relevant to an administrative or judicial action or proceeding; or
2. It is disclosed to either body of Congress or to a duly authorized committee or subcommittee of Congress.

(c) Parties may voluntarily disclose or make information publicly available. If parties elect to disclose information they shall promptly inform the Commission.

§ 535.609 Failure to comply with requests for additional information.

(a) A failure to comply with a request for additional information results when a person filing an agreement, or an officer, director, partner, agent, or employee thereof falls to substantially respond to the request or does not file a satisfactory statement of reasons for noncompliance. An adequate response is one which directly addresses the Commission’s request. When a response is not received by the Commission within a specified time, failure to comply will have occurred.

(b) The Commission may, pursuant to section 6(i) of the Act (46 U.S.C. 41307(c)), request relief from the United States District Court for the District of Columbia when it considers that there has been a failure to substantially comply with a request for additional information. The Commission may request that the court:

1. Order compliance with the request;
2. Extend the review period until there has been substantial compliance; or
3. Grant other equitable relief that under the circumstances seems necessary or appropriate.

(c) Where there has been a failure to substantially comply, section 6(i)(2) of the Act (46 U.S.C. 41307(c)(2)) provides that the court shall extend the review period until there has been substantial compliance.

§ 535.608 Confidentiality of submitted material.

(a) Except for an agreement filed under section 5 of the Act (46 U.S.C. 40301(d)–(e), 40302–40303, 40305), all information submitted to the Commission by the filing party will be exempt from disclosure under 5 U.S.C. 552. Included in this disclosure exemption is information provided in the Information Form, voluntary submission of additional information, reasons for noncompliance, and replies to requests for additional information.

(b) Information that is confidential pursuant to paragraph (a) of this section may be disclosed, however, to the extent:

1. It is relevant to an administrative or judicial action or proceeding; or
2. It is disclosed to either body of Congress or to a duly authorized committee or subcommittee of Congress.

(c) Parties may voluntarily disclose or make information publicly available. If parties elect to disclose information they shall promptly inform the Commission.
§ 535.609 Negotiations.

At any time after the filing of an agreement and prior to the conclusion of judicial injunctive proceedings, the filing party or an authorized representative may submit additional factual or legal support for an agreement or may propose modifications of an agreement. Such negotiations between Commission personnel and filing parties may continue during the pendency of injunctive proceedings. Shippers, other government departments or agencies, and other third parties may not participate in these negotiations.

Subpart G—Reporting Requirements

§ 535.701 General requirements.

(a) Parties to agreements identified in §535.702(a) shall submit quarterly Monitoring Reports on an ongoing basis for as long as the agreement remains in effect, containing information and data on the agreement and the parties’ authority under the agreement.

(b) Parties to agreements identified in §535.704 are required to submit minutes of their meetings for as long as their agreements remain in effect.

(c) If a joint service is a party to an agreement that is subject to the requirements of this subpart, the joint service shall be treated as one member of that agreement for purposes of that agreement’s Monitoring Reports.

(d) Monitoring Reports and minutes required to be filed by this subpart should be submitted to: Director, Bureau of Trade Analysis, Federal Maritime Commission, Washington, DC 20573-0001. A copy of the Monitoring Report form in Microsoft Word and Excel format may be downloaded from the Commission’s home page at http://www.fmc.gov, or a paper copy may be obtained from the Bureau of Trade Analysis. In lieu of submitting paper copies, parties may complete and submit their Monitoring Reports in the Commission’s prescribed electronic format, either on diskette or CD-ROM.

(e)(1) The regulations in this paragraph (e) are stayed until further notice.

(2) Reports and minutes required to be filed by this subpart may be filed by direct electronic transmission in lieu of hard copy. Detailed information on electronic transmission is available from the Commission’s Bureau of Trade Analysis. Certification and signature requirements of this subpart can be met on electronic transmissions through use of a pre-assigned Personal Identification Number (PIN) obtained from the Commission. PINs can be obtained by submission by an official of the filing party of a statement to the Commission agreeing that inclusion of the PIN in the transmission constitutes the signature of the official. Only one PIN will be issued for each agreement. Where a filing party has more than one official authorized to file minutes or reports, each additional official must submit such a statement countersigned by the principal official of the filing party. Each filing official will be issued a unique password. A PIN or designation of authorized filing officials may be canceled or changed at any time upon the written request of the principal official of the filing party. Direct electronic transmission filings may be made at any time except between the hours of 8:30 a.m. and 2 p.m. on Commission business days.

(f) Time for filing. Except as otherwise instructed, Monitoring Reports shall be filed within 75 days of the end of each calendar quarter. Minutes of meetings shall be filed within 21 days after the meeting. Other documents shall be filed within 15 days of the receipt of a request for documents.

(g) A complete response in accordance with the instructions on the Monitoring Report shall be supplied to each item. If a party to an agreement is unable to supply a complete response, that party shall provide either estimated data (with an explanation of why precise data are not available) or a detailed statement of reasons for non-compliance and the efforts made to obtain the required information.

(h) A Monitoring Report for a particular agreement may be supplemented with any other relevant information or documentary material.

(i) Confidentiality. (1) The Monitoring Reports, minutes, and any other additional information submitted by a particular agreement will be exempt from
disclosure under 5 U.S.C. 552, except to the extent:

(i) It is relevant to an administrative or judicial action or proceeding; or

(ii) It is disclosed to either body of Congress or to a duly authorized committee or subcommittee of Congress.

(2) Parties may voluntarily disclose or make Monitoring Reports, minutes or any other additional information publicly available. The Commission must be promptly informed of any such voluntary disclosure.

(j) Monitoring Report or alternative periodic reporting requirements in this subpart shall not be construed to authorize the exchange or use by or among agreement members of information required to be submitted.

EFFECTIVE DATE NOTE: At 69 FR 64414, Nov. 4, 2004, paragraph (e) of § 535.701 was stayed indefinitely.

§ 535.702 Agreements subject to Monitoring Report and alternative periodic reporting requirements.

(a) Agreements subject to the Monitoring Report requirements of this subpart are:

(1) An agreement that contains the authority to discuss or agree on capacity rationalization; or

(2) Where the parties to an agreement hold a combined market share, based on cargo volume, of 35 percent or more in the entire U.S. inbound or outbound geographic scope of the agreement and the agreement contains any of the following authorities:

(i) The discussion of, or agreement upon, whether on a binding basis under a common tariff or a non-binding basis, any kind of rate or charge;

(ii) The establishment of a joint service;

(iii) The pooling or division of cargo traffic, earnings, or revenues and/or losses; or

(iv) The discussion of, or agreement on, any service contract matter.

(b) The determination of an agreement’s reporting obligation under §535.702(a)(2) in the first instance shall be based on the market share data reported on the agreement’s Information Form pursuant to §535.503. Thereafter, at the beginning of each calendar year, the Bureau of Trade Analysis will notify the agreement parties of any changes in its reporting requirements based on market share data reported on the agreement’s quarterly Monitoring Report for the previous second quarter (April-June).

(c) The Commission may require, as necessary, that the parties to an agreement with market share below the 35 percent threshold, as identified and defined in §535.702(a)(2), submit Monitoring Reports pursuant to §535.703.

(d) In addition to or instead of the Monitoring Report in §535.703, the Commission may prescribe, as necessary, alternative periodic reporting requirements for parties to any agreement identified in §535.201.

§ 535.703 Monitoring Report form.

(a) For agreements subject to the Monitoring Report requirements in §535.702(a), the Monitoring Report form, with instructions, is set forth in sections I through III of appendix B of this part. The instructions should be read in conjunction with the Act and this part.

(b) The Monitoring Report shall apply as follows:

(1) Section I shall be completed by parties to agreements identified in §535.702(a)(1);

(2) Section II shall be completed by parties to agreements identified in §535.702(a)(2); and

(3) Section III shall be completed by parties to all agreements identified in §535.702(a).

(c) In accordance with the requirements and instructions in appendix B of this part, parties to an agreement subject to part 2(C) of section I of the Monitoring Report shall submit a narrative statement on any significant reductions in vessel capacity that the parties will implement under the agreement. The term “a significant reduction” is defined in appendix B. The narrative statement shall be submitted to the Director, Bureau of Trade Analysis, no later than 15 days after a significant reduction in vessel capacity has been agreed upon by the parties but prior to the implementation of the actual reduction under the agreement.

(d)(1) The Commission may require, in its discretion, that the information on the top agreement commodities in part 4 of section II of the Monitoring
§ 535.704 Filing of minutes.

(a) Agreements required to file minutes.

(1) This section applies to agreements authorized to engage in any of the following activities: discussion or establishment of any type of rates or charges, whether in tariffs or service contracts; pooling or apportionment of cargo traffic; discussion of revenues, losses, or earnings; or discussion or agreement on service contract matters, including the establishment of voluntary service contract guidelines.

(2) Each agreement to which this section applies shall file with the Commission, through a designated official, minutes of all meetings defined in paragraph (b) of this section, except as provided in paragraph (d) of this section.

(b) Meetings. For purposes of this subpart, the term "meeting" shall include all discussions at which any agreement is reached among any number of the parties to an agreement relating to the business of the agreement, and all other discussions among three or more members of the agreement (or all members if fewer than three) relating to the business of the agreement. This includes, but is not limited to, meetings of the members’ agents, principals, owners, officers, employees, representatives, committees, or subcommittees, and communications among members facilitated by agreement officials. Discussions conducted by telephone, electronic device, or other means are included.

(c) Content of minutes. Minutes shall include the following:

(1) The date, time, and place of the meeting;

(2) A list of participants and companies represented;

(3) A description of discussions detailed enough so that a non-participant reading the minutes could reasonably gain a clear understanding of the nature and extent of the discussions and, where applicable, any decisions reached. Such description need not disclose the identity of the parties that participated in the discussion or the votes taken; and

(4) Any report, circular, notice, statistical compilation, analytical study, survey, or other work distributed, discussed, or exchanged at the meeting, whether presented by oral, written, electronic, or other means. Where the aforementioned materials are reasonably available to the public, a citation to the work or relevant part thereof is acceptable in lieu of the actual work. Any documents submitted to the Commission pursuant to this section need not disclose the identity of the party or parties that circulated the document at the meeting.

(d) Exemption. For parties to agreements subject to this section, the following exemptions shall apply:

(1) Minutes of meetings between parties are not required to reflect discussions of matters set forth in § 535.408(b)(2), (b)(3), (b)(4)(iii), (b)(4)(iv), (b)(4)(v), and (b)(4)(vi);

(2) Minutes of meetings between parties are not required to reflect discussions of matters set forth in § 535.408(b)(5) to the extent that such discussions involve minor operational matters that have little or no impact on the frequency of vessel calls at ports or the amount of vessel capacity offered by the parties in the geographic scope of the agreement; and

(3) Minutes of meetings between parties are not required to reflect discussions of or actions taken with regard to rates that, if adopted, would be required to be published in an appropriate tariff. This exemption does not apply to discussions concerning general
rate policy, general rate changes, the opening or closing of rates, service contracts, or time/volume rates.

(e) **Serial numbers.** Each set of minutes filed with the Commission shall include the agreement name and FMC number and a unique identification number indicating the sequence in which the meeting took place during the calendar year.

[69 FR 64414, Nov. 4, 2004, as amended at 70 FR 20303, Apr. 19, 2005]

§ 535.705 Application for waiver.

(a) Upon a showing of good cause, the Commission may waive any requirement of this subpart.

(b) A request for such a waiver must be submitted and approved by the Commission in advance of the filing of the Monitoring Report or minutes to which the requested waiver would apply. Requests for a waiver shall be submitted in writing to the Director, Bureau of Trade Analysis, Federal Maritime Commission, Washington, DC 20573–0001, and shall state and provide the following:

(1) The specific requirements from which relief is sought;

(2) The special circumstances requiring the requested relief;

(3) Relevant trade and industry data and information to substantiate and support the special circumstances requiring the requested relief; and

(4) Why granting the requested waiver will not substantially impair effective monitoring of the agreement.

(c) The Commission may take into account the presence or absence of shipper complaints as well as the past compliance of the agreement parties with any reporting requirement under this part in considering an application for a waiver.

Subpart H—Mandatory and Prohibited Provisions

§ 535.801 Independent action.

(a) Each conference agreement shall specify the independent action (“IA”) procedures of the conference, which shall provide that any conference member may take independent action on any rate or service item upon not more than 5 calendar days’ notice to the conference and shall otherwise be in conformance with section 5(b)(8) of the Act (46 U.S.C. 40303(b)(8)).

(b)(1) Each conference agreement that provides for a period of notice for independent action shall establish a fixed or maximum period of notice to the conference. A conference agreement shall not require or permit a conference member to give more than 5 calendar days’ notice to the conference, except that in the case of a new or increased rate the notice period shall conform to the tariff publication requirements of this chapter.

(2) A conference agreement shall not prescribe notice periods for adopting, withdrawing, postponing, canceling, or taking other similar actions on independent actions.

(c) Each conference agreement shall indicate the conference official, single designated representative, or conference office to which notice of independent action is to be given by the proposing member to the other parties to the agreement.

(d) A conference agreement shall not require a member who proposes independent action to attend a conference meeting, to submit any further information other than that necessary to accomplish the publication of the independent tariff item, or to comply with any other procedure for the purpose of explaining, justifying, or compromising the proposed independent action.

(e) A conference agreement shall specify that any new rate or service item proposed by a member under independent action (except for exempt commodities not published in the conference tariff) shall be included by the conference in its tariff for use by that member effective no later than 5 calendar days after receipt of the notice and by any other member that notifies the conference that it elects to adopt the independent rate or service item on or after its effective date.

(f)(1) As it pertains to this part, “adopt” means the assumption in identical form of an originating member’s independent action rate or service item, or a particular portion of such a rate or service item. If a carrier adopts
an IA at a lower rate than the conference rate when there is less than 30 days remaining on the original IA, the adopted IA should be made to expire 30 days after its effectiveness to comply with the statutory 30-day notice requirement. In the case of an independent action time/volume rate ("IA TVR"), the dates of the adopting IA may vary from the dates of the original IA, so long as the duration of the adopting IA is the same as that of the originating IA. Furthermore, no term other than "adopt" (e.g., "follow," "match") can be used to describe the action of assuming as one's own an initiating carrier's IA. Additionally, if a party to an agreement chooses to take on an IA of another party, but alters it, such action is considered a new IA and must be published pursuant to the IA publication and notice provisions of the applicable agreement.

(2) An IA TVR published by a member of a ratemaking agreement may be adopted by another member of the agreement, provided that the adopting member takes on the original IA TVR in its entirety without change to any aspect of the original rate offering (except beginning and ending dates in the time period) (i.e., a separate TVR with a separate volume of cargo but for the same duration). Any subsequent IA TVR offering that results in a change in any aspect of the original IA TVR, other than the name of the offering carrier or the beginning date of the adopting IA TVR, is a new independent action and shall be processed in accordance with the provisions of the applicable agreement. The adoption procedures discussed above do not authorize the participation by an adopting carrier in the cargo volume of the originating carrier's IA TVR. Member lines may publish and participate in joint IA TVRs, if permitted to do so under the terms of their agreement; however, no carrier may participate in an IA TVR already published by another carrier.

(b) A conference agreement may not permit the conference to unilaterally designate an expiration date for an independent action taken by a member line. The right to determine the duration of an IA remains with the member line, and a member line must be given the opportunity to designate whatever duration it chooses for its IA, regardless if the duration is for a specified period or open ended. Only in instances where a member line gives its consent to the conference, or where a member line freely elects not to provide for the duration of its IA after having been given the opportunity, can the conference designate an expiration date for the member line's IA.

(i) Any new conference agreement or any modification to an existing conference agreement that does not comply with the requirements of this section shall be rejected pursuant to §535.601 of this part.

(j) If ratemaking is by sections within a conference, then any notice to the conference required by §535.801 may be made to the particular ratemaking section.

§535.802 Service contracts.

(a) Ocean common carrier agreements may not prohibit or restrict a member or members of the agreement from engaging in negotiations for service contracts with one or more shippers.

(b) Ocean common carrier agreements may not require a member or members of the agreement to disclose a negotiation on a service contract, or the terms and conditions of a service contract, other than those terms or conditions required by section 8(c)(3) of the Act (46 U.S.C. 40502(d)).

(c) Ocean common carrier agreements may not adopt mandatory rules or requirements affecting the right of an agreement member or agreement members to negotiate or enter into service contracts.

(d) An agreement may provide authority to adopt voluntary guidelines relating to the terms and procedures of an agreement member's or agreement members' service contracts if the guidelines explicitly state the right of
the members of the agreement not to follow these guidelines.

(e) Voluntary guidelines shall be submitted to the Director, Bureau of Trade Analysis, Federal Maritime Commission, Washington, DC 20573–0001. Voluntary guidelines shall be kept confidential in accordance with §535.608 of this part. Use of voluntary guidelines prior to their submission is prohibited.

§535.803 Ocean freight forwarder compensation.

No conference or group of two or more ocean common carriers may:

(a) Deny to any member of such conference or group the right, upon notice of not more than 5 calendar days, to take independent action on any level of compensation paid to an ocean freight forwarder; or

(b) Agree to limit the payment of compensation to an ocean freight forwarder to less than 1.25 percent of the aggregate of all rates and charges applicable under the tariff assessed against the cargo on which the forwarding services are provided.

Subpart I—Penalties

§535.901 Failure to file.

Any person operating under an agreement, involving activities subject to the Act pursuant to sections 4 and 5(a) of the Act (46 U.S.C. 40301(a)–(c) and 40302) and this part and not exempted pursuant to section 16 of the Act (46 U.S.C. 4103) or excluded from filing by the Act, that has not been filed and that has not become effective pursuant to the Act and this part is in violation of the Act and this part and is subject to the civil penalties set forth in section 13(a) of the Act (46 U.S.C. 41107).

§535.902 Falsification of reports.

Knowing falsification of any report required by the Act or this part, including knowing falsification of any item in any applicable agreement information and/or reporting requirements pursuant to subparts E and G of this part, is a violation of the rules of this part and is subject to the civil penalties set forth in section 13(a) of the Act (46 U.S.C. 41107) and may be subject to the criminal penalties provided for in 18 U.S.C. 1001.

Subpart J—Paperwork Reduction

§535.991 OMB control numbers assigned pursuant to the Paperwork Reduction Act.

This section displays the control number assigned to information collection requirements of the Commission in this part by the Office of Management and Budget pursuant to the Paperwork Reduction Act of 1995, Pub. L. 104–13. The Commission intends that this section comply with the requirements of section 3507(a)(3) of the Paperwork Reduction Act, which requires that agencies display a current control number assigned by the Director of the Office of Management and Budget (OMB) for each agency information collection requirement in the following table:

APPENDIX A TO PART 535—INFORMATION FORM AND INSTRUCTIONS

INFORMATION FORM INSTRUCTIONS

1. All agreements and modifications to agreements between or among ocean common carriers identified in 46 CFR 535.502 must be accompanied by a completed Information Form to the full extent required in sections I through V of this Form. Sections I and V must be completed by all such agreements. In addition, sections II, III and IV must be completed, as applicable, in accordance with the authority contained in each agreement. Where an agreement containing multiple authorities is subject to duplicate reporting requirements in the various sections of this Form, the parties may provide only one response so long as the reporting requirements within each section are fully addressed. The Information Form specifies the data and information which must be reported for each section and the format in which it must be provided. If a party to an agreement is unable to supply a complete response to any item of this Form, that party
shall provide either estimated data (with an explanation of why precise data are not available) or a detailed statement of reasons for noncompliance and the efforts made to obtain the required information. For purposes of this Form, if one of the agreement signatories is a joint service operating under an effective agreement, that signatory shall respond to the Form as a single agreement party.

2. For clarification of the agreement terminology used in this Form, the parties may refer to the definitions provided in 46 CFR 535.104. In addition, the following definitions shall apply for purposes of this Form: liner movement means the carriage of liner cargo by liner operators; liner cargo means cargo carried on liner vessels in a liner service; liner operator means a vessel-operating common carrier engaged in liner service; liner vessel means a vessel used in a liner service; liner service means a definite, advertised schedule of sailings at regular intervals; and TEU means a unit of measurement equivalent to one 20-foot shipping container. Further, when used in this Form, the terms “entire geographic scope of the agreement” or “agreement-wide” refer to the combined U.S. inbound trade and/or the combined U.S. outbound trade as such trades apply to the geographic scope of the agreement, as opposed to the term “sub-trade,” which is defined for reporting purposes as the scope of all liner movements between each U.S. port range and each foreign country within the scope of the agreement. Whether required on a combined trade basis or a sub-trade basis, the U.S. inbound trade (or sub-trades) and the U.S. outbound trade (or sub-trades) shall always be stated separately.

SECTION I

Section I applies to all agreements identified in 46 CFR 535.502. Parties to such agreements must complete parts 1 through 4 of this section. The authorities listed in part 4 of this section do not necessarily include all of the authorities that must be set forth in an agreement filed under the Act. The specific authorities between the parties to an agreement, however, must be set forth, clearly and completely, in a filed agreement in accordance with 46 CFR 535.492.

Part 1

State the full name of the agreement.

Part 2

Provide a narrative statement describing the specific purpose(s) of the agreement pertaining to the parties’ business activities as ocean common carriers in the foreign commerce of the United States, and the commercial or other relevant circumstances within the geographic scope of the agreement that led the parties to enter into the agreement.

46 CFR Ch. IV (10–1–14 Edition)

Part 3

List all effective agreements that cover all or part of the geographic scope of this agreement, and whose parties include one or more of the parties to this agreement.

Part 4(A)

Identify whether the agreement authorizes the parties to discuss, or agree upon, whether on a binding basis under a common tariff or a non-binding basis, any kind of rate or charge.

Part 4(B)

Identify whether the agreement authorizes the parties to establish a joint service.

Part 4(C)

Identify whether the agreement authorizes the parties to pool cargo traffic or revenues.

Part 4(D)

Identify whether the agreement authorizes the parties to discuss, or agree on, any service contract matter.

Part 4(E)

Identify whether the agreement authorizes the parties to discuss or agree on capacity rationalization as defined in 46 CFR 535.104(e).

Part 4(F)

Identify whether the agreement contains provisions that place conditions or restrictions on the parties’ agreement participation, and/or use or offering of competing services within the geographic scope of the agreement.

Part 4(G)

Identify whether the agreement authorizes the parties to charter or use vessel space in exchange for compensation or services. This authority does not include capacity rationalization as referred to in part 4(E) of this section.

Part 4(H)

Identify whether the agreement authorizes the parties to rationalize sailings or services relating to a schedule of ports, the frequency of vessel calls at ports, or the size and capacity of vessels for deployment. This authority does not include the establishment of a joint service or capacity rationalization as referred to in parts 4(B) and 4(E) of this section.

SECTION II

Section II applies to agreements identified in 46 CFR 535.502(a) that contain any of the following authorities: a) the charter or use of vessel space in exchange for compensation or
services; or b) the rationalization of sailings or services relating to a schedule of ports, the frequency of vessel calls at ports, or the size and capacity of vessels for deployment. Such authorities do not include the establishment of a “joint service,” nor “capacity rationalization” as these terms are defined in 46 CFR 535.104(e). Parties to agreements identified in this section must complete all items in part 1.

Part 1(A)
For the most recent 12-month period for which complete data are available, provide the number of vessel calls each party made at each port for its liner services that would be covered by the agreement within the entire geographic scope of the agreement.

Part 1(B)
Provide a narrative statement on any significant changes, anticipated or planned to be implemented when the agreement goes into effect, in the number of vessel calls at a port for the parties’ liner services that would be covered by the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of the significant change and its effect on the frequency of vessel calls at the port for the liner service that would be subject to the change. For purposes of this part, a significant change refers to an increase or a decrease in the number of vessel calls at a port for a fixed, seasonally planned, or indefinite period of time. A significant change excludes an incidental or temporary alteration in the number of vessel calls at a port, or an operational change in vessel calls that would have little or no impact on the number of vessel calls at a port. If no significant change is anticipated or planned, it shall be noted with the term “none” in response to part 1(B) of this section.

Section III
Section III applies to agreements identified in 46 CFR 535.502 that contain the authority to discuss or agree on capacity rationalization as defined in 46 CFR 535.104(e). Parties to such agreements must complete parts 1 and 2 of this section.

Part 1(A)
1. For the most recent calendar quarter for which complete data are available, provide the amount of vessel capacity for each party for each of its liner agreements that would be covered by the agreement within the entire geographic scope of the agreement, stated separately for the U.S. inbound and outbound trades as applicable to the geographic scope of the agreement. For purposes of this Form, vessel capacity means a party’s total commercial liner space on line-haul vessels, whether operated by it or other parties from whom space is obtained, sailing to and/or from the continent of North America for each of its liner services that would be covered by the agreement.

2. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was containerized, the amount(s) of vessel capacity for each party shall be reported in TEUs. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, the amount(s) of vessel capacity for each party shall be reported in non-containerized units of measurement. The unit of measurement used in calculating the amount(s) of non-containerized vessel capacity must be specified clearly and consistently applied.

Part 1(B)
Provide the percentage of vessel capacity utilization for each party for each of its liner services that would be covered by the agreement within the entire geographic scope of the agreement, corresponding to the figures and time period used in part 1(A) of this section, stated separately for the U.S. inbound and outbound trades as applicable to the geographic scope of the agreement. For purposes of this Form, the percentage of vessel capacity utilization means a party’s total volume of liner cargo, for each of its liner services that would be covered by the agreement, carried on any vessel space counted under part 1(A) of this section, divided by its total vessel capacity as defined and derived in part 1(A) of this section, which quotient is multiplied by 100.

Part 1(C)
Provide a narrative statement on any significant changes, anticipated or planned to be implemented when the agreement goes into effect, in the amounts of vessel capacity for the parties’ liner services that would be covered by the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of and the reasons for the significant change and its effects on the liner service and the total amount of vessel capacity for such service that would be subject to the change. For purposes of this part, a significant change refers to the removal from or addition to a liner service of vessels or vessel space for a fixed, seasonally planned, or indefinite period of time. A significant change excludes instances when vessels may be temporarily repositioned or shifted from one service to another, or when vessel space may be temporarily altered, or when vessels are removed from a liner service and vessels of similar capacity are substituted. It also excludes operational changes in vessels or vessel space that would
have little or no impact on the amount of vessel capacity offered in a liner service or a trade. If no significant change is anticipated or planned, it shall be noted with the term “none” in response to part 2(C) of this section.

Part 2(A)
For the most recent 12-month period for which complete data are available, provide the number of vessel calls each party made at each port for its liner services that would be covered by the agreement within the entire geographic scope of the agreement.

Part 2(B)
Provide a narrative statement on any significant changes, anticipated or planned to be implemented when the agreement goes into effect, in the number of vessel calls at a port for the parties' liner services that would be covered by the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of the significant change and its effect on the frequency of vessel calls at the port for the liner service that would be subject to the change. For purposes of this part, a significant change refers to an increase or a decrease in the number of vessel calls at a port for a fixed, seasonally planned, or indefinite period of time. A significant change excludes an incidental or temporary alteration in the number of vessel calls at a port, or an operational change in vessel calls that would have little or no impact on the number of vessel calls at a port. If a significant change is anticipated or planned, it shall be noted with the term “none” in response to part 2(B) of this section.

SECTION IV

Section IV applies to agreements identified in 46 CFR 355.502 that contain any of the following authorities: a) the discussion of, or agreement upon, whether on a binding basis under a common tariff or a non-binding basis, any kind of rate or charge; b) the establishment of a joint service; c) the pooling or division of cargo traffic, earnings, or revenues and/or losses; or d) the discussion of, or agreement on, any service contract matter. Parties to such agreements must complete parts 1 through 5 of this section.

Part 1
1. For the most recent calendar quarter for which complete data are available, provide the market shares of all liner operators for the entire geographic scope of the agreement and in each sub-trade within the scope of the agreement. A joint service shall be treated as a single liner operator, whether it is an agreement line or a non-agreement line. Sub-trade is defined as the scope of all liner movements between each U.S. port range within the scope of the agreement and each foreign country within the scope of the agreement. Where the agreement covers both U.S. inbound and outbound liner movements, inbound and outbound market shares shall be shown separately.

2. U.S. port ranges are defined as follows:
   a. Atlantic and Gulf—Includes ports along the eastern seaboard and the Gulf of Mexico from the northern boundary of Maine to Brownsville, Texas. Also includes all ports bordering upon the Great Lakes and their connecting waterways, all ports in the State of New York on the St. Lawrence River, and all ports in Puerto Rico and the U.S. Virgin Islands.
   b. Pacific—Includes all ports in the States of Alaska, Hawaii, California, Oregon, and Washington. Also includes all ports in Guam, American Samoa, Northern Marianas, Johnston Island, Midway Island, and Wake Island.

3. An application may be filed for a waiver of the definition of “sub-trade” under the procedures described in 46 CFR 355.504. In any such application, the burden shall be on the parties to show that their marketing and pricing practices have been done by ascertainable multi-country regions rather than by individual countries or, in the case of the United States, by broader areas than the port ranges defined herein. The parties must further show that, though operating individually, they were nevertheless applying essentially similar regional practices.

4. The formula for calculating market share in the entire agreement scope or in a sub-trade is as follows: The total amount of liner cargo carried on each liner operator’s liner vessels in the entire agreement scope or in the sub-trade during the most recent calendar quarter for which complete data are available, divided by the total liner movements in the entire agreement scope or in the sub-trade during the same calendar quarter, which quotient is multiplied by 100. The calendar quarter used must be clearly identified. The market shares held by non-agreement lines as well as by agreement lines must be provided, stated separately in the format indicated.

5. If 50 percent or more of the total liner cargo carried by the parties in the entire agreement scope during the calendar quarter was containerized, only containerized liner movements (measured in TEUs) must be used for determining market share. If 50 percent or more of the total liner cargo carried by the parties was non-containerized, only non-containerized liner movements must be used for determining market share. The unit of measurement used in calculating amounts of non-containerized cargo must be specified clearly and applied consistently.
Federal Maritime Commission

Part 2

1. For each party that served all or any part of the geographic scope of the agreement during all or any part of the most recent 12-month period for which complete data are available, provide each party’s total liner revenues within the geographic scope, total liner cargo carried within the geographic scope, and average revenue. For purposes of this Form, total liner revenues means the total revenues, in U.S. dollars, of each party corresponding to its total cargo carried for its liner services that would fall under the agreement, inclusive of all ocean freight charges, whether assessed on a port-to-port basis or a through intermodal basis; accessorial charges; surcharges; and charges for inland cargo carriage. Average revenue shall be calculated as the quotient of each party’s total liner revenues within the geographic scope divided by its total cargo carried within the geographic scope.

2. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the 12-month period was containerized, each party shall report only its total carryings of containerized liner cargo (measured in TEUs) within the geographic scope, total revenues generated by its carriage of containerized liner cargo, and average revenue per TEU. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the 12-month period was non-containerized, each party shall report only its total carryings of non-containerized liner cargo (specifying the unit of measurement used), total revenues generated by its carriage of non-containerized liner cargo, and average revenue per unit of measurement. When the agreement covers both U.S. inbound and outbound liner movements, the unit of measurement is TEUs.

3. When the agreement covers both U.S. inbound and outbound liner movements, stated separately for the U.S. inbound and outbound data shall be stated separately.

Part 3(A)
For the same calendar quarter used in part 1 of this section, provide the amount of vessel capacity for each party for each of its liner services that would fall under the agreement within the entire geographic scope of the agreement, stated separately for the U.S. inbound and outbound trades as applicable to the geographic scope of the agreement. For purposes of this Form, vessel capacity means a party’s total commercial liner space on line-haul vessels, whether operated by it or other parties from whom space is obtained, sailing to and/or from the continent of North America for each of its liner services that would fall under the agreement. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was containerized, the amount(s) of vessel capacity for each party shall be reported in TEUs. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, the amount(s) of vessel capacity for each party shall be reported in non-containerized units of measurement. The unit of measurement used in calculating the amounts of non-containerized vessel capacity must be specified clearly and consistently applied.

Part 3(B)
Provide the cargo volume and revenue results for each party for each of the major commodities listed in part 3(A) of this section, corresponding to the same 12-month period and unit of measurement used. For purposes of this Form, revenue results means the revenues, in U.S. dollars, earned by each party on the cargo volume of each major commodity listed in part 3(A) of this section, inclusive of all ocean freight charges, whether assessed on a port-to-port basis or a through intermodal basis; accessorial charges; surcharges; and charges for inland cargo carriage. If a party has no cargo volume and revenue results for a commodity listed in part 3(A) of this section, it shall be noted by using a zero for that party in response to part 3(B) of this section.

Part 4(A)
For the same 12-month period used in part 2 of this section, provide a list, for the entire geographic scope of the agreement, of the top 10 liner commodities (including commodities not subject to tariff publication) carried by all the parties for their liner services that would fall under the agreement. For purposes of this Form, commodities shall be identified at the 4-digit level of customarily used commodity coding schedules. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the 12-month period was containerized, this list shall include only containerized commodities. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the 12-month period was non-containerized, this list shall include only non-containerized commodities.
outbound trades as applicable to the geographic scope of the agreement. For purposes of this Form, the percentage of vessel capacity utilization means a party’s total volume of liner cargo, for each of its liner services that would fall under the agreement, carried on any vessel space counted under part 4(A) of this section, divided by its total vessel capacity as defined and derived in part 4(A) of this section, which quotient is multiplied by 100.

Part 4(C)

Provide a narrative statement on any significant changes, anticipated or planned for when the agreement goes into effect, in the amount of vessel capacity for the parties’ liner services that would fall under the agreement within the entire geographic scope of the agreement. Specifically, explain the nature and reason for the significant change and its effects on the liner service and the total amount of vessel capacity for such service that would be subject to the change. For purposes of this part, a significant change refers to the removal from or addition to a liner service of vessels or vessel space for a fixed, seasonally planned, or indefinite period of time. A significant change excludes instances when vessels may be temporarily repositioned or shifted from one service to another, or when vessel space may be temporarily altered, or when vessels are removed from a liner service and vessels of similar capacity are substituted. It also excludes operational changes in vessels or vessel space that would have little or no impact on the amount of vessel capacity offered in a liner service or a trade. If no significant change is anticipated or planned, it shall be noted with the term “none” in response to part 4(C) of this section.

Part 5(A)

For the same 12-month period used in parts 2 and 3 of this section, provide the number of vessel calls each party made at each port for its liner services that would fall under the agreement within the entire geographic scope of the agreement.

Part 5(B)

Provide a narrative statement on any significant changes, anticipated or planned for when the agreement goes into effect, in the number of vessel calls at a port for the parties’ liner services that would fall under the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of the significant change and its effect on the frequency of vessel calls at the port for the liner service that would be subject to the change. For purposes of this part, a significant change refers to an increase or decrease in the number of vessel calls at a port for a fixed, seasonally planned, or indefinite period of time. A significant change excludes an incidental or temporary alteration in vessel calls at a port, or an operational change in vessel calls that would have little or no impact on the number of vessel calls at a port. If no significant change is anticipated or planned, it shall be noted with the term “none” in response to part 5(B) of this section.

SECTION V

Section V applies to all agreements identified in 46 CFR 535.562. Parties to such agreements must complete all items in part 1 of this section.

Appendix B to Part 535—Monitoring Report and Instructions

Monitoring Report Instructions

1. All agreements between or among ocean common carriers identified in 46 CFR 535.702(a) must submit completed Monitoring Reports to the full extent required in sections I through III of this Report. Sections I and II must be completed, as applicable, in accordance with the authority contained in each agreement. Section III must be completed by all agreements subject to Monitoring Report requirements.

2. Where an agreement containing multiple authorities is subject to duplicate reporting requirements in the various sections of this Report, the parties may provide only one response so long as the reporting requirements within each section are fully addressed. The Monitoring Report specifies the data and information which must be reported for each section and the format in which it must be provided. If a party to an agreement is unable to supply a complete response to any item of this Report, that party shall provide either estimated data (with an explanation of why precise data are not available) or a
detailed statement of reasons for noncompliance and the efforts made to obtain the required information. For purposes of this Report, if one of the agreement signatories is a joint service operating under an effective agreement, that signatory shall respond to the Report as a single agreement party.

3. For clarification of the agreement terminology used in this Report, the parties may refer to the definitions provided in 46 CFR 535.104. In addition, the following definitions shall apply for purposes of this Report: 'liner movement' means the carriage of liner cargo by liner operators; 'liner cargo' means cargo carried on liner vessels in a liner service; 'liner operator' means a vessel-operating common carrier engaged in liner service; 'liner vessel' means a vessel used in a liner service; 'liner service' means a definite, advertised schedule of sailings at regular intervals; and 'TEU' means a unit of measurement equivalent to one 20-foot shipping container. Further, when used in this Report, the terms 'entire geographic scope of the agreement' or 'agreement-wide' refer to the combined U.S. inbound trade and/or the combined U.S. outbound trade as such trades apply to the geographic scope of the agreement, as opposed to the term 'sub-trade,' which is defined for reporting purposes as the scope of all liner movements between each U.S. port range and each foreign country within the scope of the agreement. Whether required on a combined trade basis or a sub-trade basis, the U.S. inbound trade (or sub-trades) and the U.S. outbound trade (or sub-trades) shall always be stated separately.

SECTION I

Section I applies to agreements, identified in 46 CFR 535.702(a)(1), that contain the authority to discuss or agree on capacity rationalization as defined in 46 CFR 535.104(e). Parties to such agreements must complete parts 1 through 3 of this section.

Part 1

State the full name of the agreement and the agreement number assigned by the FMC.

Part 2(A)

1. For the preceding calendar quarter, provide the amount of vessel capacity for each party for each of its liner services that is covered by the agreement within the entire geographic scope of the agreement, stated separately for the U.S. inbound and outbound trades as applicable to the geographic scope of the agreement. For purposes of this Report, vessel capacity means a party’s total commercial liner space on line-haul vessels, whether operated by it or other parties from whom space is obtained, sailing to and/or from the continent of North America for each of its liner services that is covered by the agreement.

2. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was containerized, the amount(s) of vessel capacity for each party shall be reported in TEUs. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, the amount(s) of vessel capacity for each party shall be reported in non-containerized units of measurement. The unit of measurement used in calculating the amounts of non-containerized vessel capacity must be specified clearly and consistently applied.

Part 2(B)

For the preceding calendar quarter, provide the percentage of vessel capacity utilization for each party for each of its liner services that is covered by the agreement within the entire geographic scope of the agreement, corresponding to the figures used in part 2(A) of this section, stated separately for the U.S. inbound and outbound trades as applicable to the geographic scope of the agreement. For purposes of this Report, the percentage of vessel capacity utilization means a party’s total volume of liner cargo, for each of its liner services that is covered by the agreement, carried on any vessel space counted under part 2(A) of this section, divided by its total vessel capacity as defined and derived in part 2(A) of this section, which quotient is multiplied by 100.

Part 2(C)

Provide a narrative statement on any significant reductions, to be implemented under the agreement, in the amounts of vessel capacity for the parties’ liner services that are covered by the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of and the reasons for the significant reduction and its effects on the liner service and the total amount of vessel capacity for such service that would be subject to the reduction. The narrative statement for part 2(C) of this section shall be submitted to the Director, Bureau of Trade Analysis, no later than 15 days after a significant reduction in the amount of vessel capacity has been agreed upon by the parties but prior to the implementation of the actual reduction under the agreement. For purposes of this part, a significant reduction refers to the removal from a liner service of vessels or vessel space for a fixed, seasonally planned, or indefinite period of time. A significant reduction excludes instances when vessels may be temporarily repositioned or shifted from one service to another, or when vessel space may be temporarily altered, or when vessels are removed from a liner service and vessels of similar or greater capacity.
are substituted. It also excludes operational changes in vessels or vessel space that would have little or no impact on the amount of vessel capacity offered in a liner service or a trade.

Part 2(D)

Excluding those changes already reported in part 2(C) of this section, provide a narrative statement on any other significant changes, implemented under the agreement during the preceding calendar quarter, in the amounts of vessel capacity for the parties’ liner services that are covered by the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of and the reasons for the significant change and its effects on the liner service and the total amount of vessel capacity for such service that was subject to the change. For purposes of this part, a significant change refers to the addition to a liner service of vessels or vessel space for a fixed, seasonally planned, or indefinite period of time. A significant change excludes instances when vessels were temporarily repositioned or shifted from one service to another, or when vessel space was temporarily altered, or when vessels were removed from a liner service and vessels of similar capacity were substituted. It also excludes operational changes in vessels or vessel space that had little or no impact on the amount of vessel capacity offered in a liner service or a trade. If no significant change was implemented, it shall be noted with the term “none” in response to part 2(D) of this section.

Part 3

Provide a narrative statement on any significant changes, implemented under the agreement during the calendar quarter, in the number of vessel calls at a port for the parties’ liner services that are covered by the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of the significant change and its effect on the frequency of vessel calls at the port for the liner service that was subject to the change. For purposes of this part, a significant change refers to an increase or a decrease in the number of vessel calls at a port for a fixed, seasonally planned, or indefinite period of time. A significant change excludes an incidental or temporary alteration in the number of vessel calls at a port, or an operational change in vessel calls that had little or no impact on the number of vessel calls at a port. If no significant change was implemented, it shall be noted with the term “none” in response to part 3 of this section.

SECTION II

Section II applies to agreements, identified in 46 CFR 535.702(a)(2), where the parties to the agreement hold a combined market share, based on cargo volume, of 35 percent or more in the entire U.S. inbound or outbound geographic scope of the agreement and the agreement contains any of the following authorities: a) the discussion of, or agreement upon, whether on a binding basis under a common tariff or a non-binding basis, any kind of rate or charge; b) the establishment of a joint service; c) the pooling or division of cargo traffic, earnings, or revenues and/or losses; or d) the discussion of, or agreement on, any service contract matter. Parties to such agreements must complete parts 1 through 6 of this section.

Part 1

State the full name of the agreement and the agreement number assigned by the FMC.

Part 2

1. For the preceding calendar quarter, provide the market shares of all liner operators for the entire geographic scope of the agreement and in each sub-trade within the scope of the agreement. A joint service shall be treated as a single liner operator, whether it is an agreement line or a non-agreement line. Sub-trade is defined as the scope of all liner movements between each U.S. port range within the scope of the agreement and each foreign country within the scope of the agreement. Where the agreement covers both U.S. inbound and outbound liner movements, inbound and outbound market shares shall be shown separately.

2. U.S. port ranges are defined as follows:
   a. Atlantic and Gulf—Includes ports along the eastern seaboard and the Gulf of Mexico from the northern boundary of Maine to Brownsville, Texas. Also includes all ports bordering upon the Great Lakes and their connecting waterways, all ports in the State of New York on the St. Lawrence River, and all ports in Puerto Rico and the U.S. Virgin Islands.
   b. Pacific—Includes all ports in the States of Alaska, Hawaii, California, Oregon, and Washington. Also includes all ports in Guam, American Samoa, Northern Mariana Islands, Johnston Island, Midway Island, and Wake Island.

3. An application may be filed for a waiver of the definition of “sub-trade” under the procedures described in 46 CFR 535.705. In any such application, the burden shall be on the parties to show that their marketing and pricing practices have been done by ascertainable multi-country regions rather than by individual countries or, in the case of the United States, by broader areas than the port ranges defined herein. The Commission will also consider whether the alternative definition of “sub-trade” requested by the waiver application is reasonably consistent with the definition of “sub-trade” applied in the original Information Form for the agreement.
Pt. 535, App. B

46 CFR Ch. IV (10–1–14 Edition)

4. The formula for calculating market share in the entire agreement scope or in a sub-trade is as follows: The total amount of liner cargo carried on each liner operator’s liner vessels in the entire agreement scope or in the sub-trade during the most recent calendar quarter for which complete data are available, divided by the total liner movements in the entire agreement scope or in the sub-trade during the same calendar quarter, which quotient is multiplied by 100. The market shares held by non-agreement lines as well as by agreement lines must be provided, stated separately in the format indicated.

5. If 50 percent or more of the total liner cargo carried by the parties in the entire agreement scope during the calendar quarter was containerized, only containerized liner movements (measured in TEUs) must be used for determining market share. If 50 percent or more of the total liner cargo carried by the parties was non-containerized, only non-containerized liner movements must be used for determining market share. The unit of measurement used in calculating amounts of liner revenues means the total revenues, in U.S. dollars, of each party corresponding to the same unit of measurement used. For purposes of this Report, total liner revenues means the total revenues, in U.S. dollars, of each party corresponding to the top 10 liner commodities listed in part 4(A) of this section, inclusive of all ocean freight charges, whether assessed on a port-to-port basis or a through intermodal basis; accessorial charges; surcharges; and charges for inland cargo carriage. Average revenue shall be calculated as the quotient of each party’s total liner revenues in the geographic scope of the agreement divided by its total cargo carried in the entire geographic scope.

1. For the preceding calendar quarter, provide each party’s total liner revenues in the entire geographic scope of the agreement, total liner cargo carried in the entire geographic scope of the agreement, and average revenue. For purposes of this Report, total liner revenues means the total revenues, in U.S. dollars, of each party corresponding to its total cargo carried for its liner services that fall under the agreement, inclusive of all ocean freight charges, whether assessed on a port-to-port basis or a through intermodal basis; accessorial charges; surcharges; and charges for inland cargo carriage. Average revenue shall be calculated as the quotient of each party’s total liner revenues in the geographic scope of the agreement divided by its total cargo carried in the entire geographic scope.

2. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was containerized, each party shall report only its total carryings of containerized liner cargo (measured in TEUs) during the calendar quarter, total revenues generated by its carriage of non-containerized liner cargo, and average revenue per unit of measurement. When the agreement covers both U.S. inbound and outbound liner movements, inbound and outbound data shall be stated separately.

Part 4(A)

For the preceding calendar quarter, provide a list, for the entire geographic scope of the agreement, of the top 10 liner commodities (including commodities not subject to tariff publication) carried by all the parties for their liner services that fall under the agreement. For purposes of this Report, commodities shall be identified at the 4-digit level of customarily used commodity coding. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was containerized, this list shall include only containerized commodities. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, this list shall include only non-containerized commodities. When the agreement covers both U.S. inbound and outbound liner movements, inbound and outbound data shall be stated separately.

Part 4(B)

For the preceding calendar quarter, provide the cargo volume and revenue results for each party for each of the major commodities listed in part 4(A) of this section, corresponding to the same unit of measurement used. For purposes of this Report, revenue results means the revenues, in U.S. dollars, earned by each party on the cargo volume of each major commodity listed in part 4(A) of this section, inclusive of all ocean freight charges, whether assessed on a port-to-port basis or a through intermodal basis; accessorial charges; surcharges; and charges for inland cargo carriage. If a party has no cargo volume and revenue results for a commodity listed in part 4(A) of this section, it shall be noted by using a zero for that party in response to part 4(B) of this section.

Part 5(A)

For the preceding calendar quarter, provide the amount of vessel capacity for each party for each of its liner services that falls under the agreement within the entire geographic scope of the agreement, stated separately for the U.S. inbound and outbound trades as applicable to the geographic scope of the agreement. For purposes of this Report, vessel capacity means a party’s total commercial liner space on line-haul vessels, whether operated by it or other parties from whom space is obtained, sailing to and/or from the continent of North America for
each of its liner services that falls under the agreement. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, the amount(s) of vessel capacity for each party shall be reported in TEUs. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, the amount(s) of vessel capacity for each party shall be reported in TEUs. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, the amount(s) of vessel capacity for each party shall be reported in TEUs. When 50 percent or more of the total liner cargo carried by all the parties in the geographic scope of the agreement during the calendar quarter was non-containerized, the amount(s) of vessel capacity for each party shall be reported in TEUs.

Part 5(B)

For the preceding calendar quarter, provide the percentage of vessel capacity utilization for each party for each of its liner services that falls under the agreement within the entire geographic scope of the agreement, corresponding to the figures used in part 5(A) of this section, stated separately for the U.S. inbound and outbound trades as applicable to the geographic scope of the agreement. For purposes of this Report, the percentage of vessel capacity utilization means a party’s total volume of liner cargo, for each of its liner services that falls under the agreement, carried on any vessel space counted under part 5(A) of this section, divided by its total vessel capacity as defined and derived in part 5(A) of this section, which quotient is multiplied by 100.

Part 5(C)

Provide a narrative statement on any significant changes in the amount of vessel capacity that occurred during the preceding calendar quarter for the parties’ liner services that fall under the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of and the reasons for the significant change and its effects on the liner service and the total amount of vessel capacity for such service that was subject to the change. For purposes of this part, a significant change refers to an increase or a decrease in the frequency of vessel calls at a port for the calendar quarter, or an operational change in vessel calls that had little or no impact on the number of vessel calls at a port. If no significant change occurred during the calendar quarter, it shall be noted with the term “none” in response to part 5(C) of this section.

Part 6

Provide a narrative statement on any significant changes in the number of vessel calls at a port that occurred during the preceding calendar quarter for the parties’ liner services that fall under the agreement within the entire geographic scope of the agreement. Specifically, explain the nature of the significant change and its effect on the frequency of vessel calls at the port for the calendar quarter, or an operational change in vessel calls that had little or no impact on the number of vessel calls at a port. If no significant change occurred during the calendar quarter, it shall be noted with the term “none” in response to part 6 of this section.

SECTION III

Section III applies to all agreements identified in 46 CFR 535.702(a). Parties to such agreements must complete all items in part 1 of this section.

Part 1(A)

State the name, title, address, telephone and fax numbers, and electronic mail address of a person the Commission may contact regarding the Monitoring Report and any information provided therein.

Part 1(B)

A representative of the parties shall sign the Monitoring Report and certify that the information in the Report and all attachments and appendices are, to the best of his or her knowledge, true, correct and complete. The representative also shall indicate his or her relationship with the parties to the agreement.

SOURCE: 49 FR 36313, Sept. 14, 1984, unless otherwise noted.

§ 540.1 Scope.

(a) The regulations contained in this subpart set forth the procedures whereby persons in the United States who arrange, offer, advertise or provide passage on a vessel having berth or state- room accommodations for 50 or more passengers and embarking passengers at U.S. ports shall establish their financial responsibility or, in lieu thereof, file a bond or other security for obligations under the terms of ticket contracts to indemnify passengers for non-performance of transportation to which they would be entitled. Included also are the qualifications required by the Commission for issuance of a Certificate (Performance) and the basis for the denial, revocation, modification, or suspension of such Certificates.
(b) Failure to comply with this part may result in denial of an application for a certificate. Vessels operating without the proper certificate may be denied clearance by the Department of Homeland Security and their owners may also be subject to a civil penalty of not more than $5,000 in addition to a civil penalty of $200 for each passage sold, such penalties to be assessed by the Federal Maritime Commission (46 U.S.C. 44101–44106, 60105).

§ 540.2 Definitions.

As used in this subpart, the following terms shall have the following meanings:

(a) Person includes individuals, limited liability companies, corporations, partnerships, associations, and other legal entities existing under or authorized by the laws of the United States or any State thereof or the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands or any territory or possession of the United States, or the laws of any foreign country.

(b) Vessel means any commercial vessel having berth or stateroom accommodations for 50 or more passengers and embarking passengers at U.S. ports.

(c) Commission means the Federal Maritime Commission.

(d) United States includes the Commonwealth of Puerto Rico, the Virgin Islands or any territory or possession of the United States.

(e) Berth or stateroom accommodation or passenger accommodations includes all temporary and all permanent passenger sleeping facilities.

(f) Certificate (Performance) means a Certificate of Financial Responsibility for Indemnification of Passengers for Nonperformance of Transportation issued pursuant to this subpart.

(g) Passenger means any person who is to embark on a vessel at any U.S. port and who has paid any amount for a ticket contract entitling him to water transportation.

(h) Passenger revenue means those monies wherever paid by passengers who are to embark at any U.S. port for water transportation and all other accommodations, services and facilities relating thereto.

(i) Unearned passenger revenue means that passenger revenue received for water transportation and all other accommodations, services, and facilities relating thereto not yet performed; this includes port fees and taxes paid, but excludes such items as airfare, hotel accommodations, and tour excursions.

(j) Insurer means any insurance company, underwriter, corporation, or association or underwriters, ship owners' protection and indemnity association, or other insurer acceptable to the Commission.

(k) Evidence of insurance means a policy, certificate of insurance, cover note, or other evidence of coverage acceptable to the Commission.

(l) Whole-ship charter means an arrangement between a passenger vessel operator and a corporate or institutional entity:

(1) Which provides for the purchase of all the passenger accommodations on a vessel for a particular voyage or series of voyages; and

(2) Whereby the involved corporate or institutional entity provides such accommodations to the ultimate passengers free of charge and such accommodations are not resold to the public.

§ 540.3 Proof of financial responsibility, when required.

No person in the United States may arrange, offer, advertise or provide passage on a vessel unless a Certificate (Performance) has been issued to or covers such person.

§ 540.4 Procedure for establishing financial responsibility.

(b) An application for a Certificate (Performance) shall be filed with the Bureau of Certification and Licensing, Federal Maritime Commission, by the vessel owner or charterer at least 60 days in advance of the arranging, offering, advertising, or providing of any water transportation or tickets in connection therewith except that any person other than the owner or charterer who arranges, offers, advertises, or provides passage on a vessel may apply for a Certificate (Performance). Late filing of the application will be permitted without penalty only for good cause shown.

(c) All applications and evidence required to be filed with the Commission shall be in English, and any monetary terms shall be expressed in terms of U.S. currency.

(d) The Commission shall have the privilege of verifying any statements made or any evidence submitted under the rules of this subpart.

(e) An application for a Certificate (Performance), excluding an application for the addition or substitution of a vessel to the applicant’s fleet, shall be accompanied by a filing fee remittance of $2,767. An application for a Certificate (Performance) for the addition or substitution of a vessel to the applicant’s fleet shall be accompanied by a filing fee remittance of $1,382. Administrative changes, such as the renaming of a vessel will not incur any additional fees.

(f) The application shall be signed by a duly authorized officer or representative of the applicant with a copy of evidence of his or her authority.

(g) In the event of any material change in the facts as reflected in the application, an amendment to the application shall be filed no later than fifteen (15) days following such change. For the purpose of this subpart, a material change shall be one which:

(1) Results in a decrease in the amount submitted to establish financial responsibility to a level below that required to be maintained under the rules of this subpart, or

(2) Requires that the amount to be maintained be increased above the amount submitted to establish financial responsibility.

(h) Notice of the application for issuance, denial, revocation, suspension, or modification of any such Certificate will be published on the Commission’s web site at http://www.fmc.gov.

[78 FR 13278, Feb. 27, 2013]

§ 540.5 Insurance, guaranties, and escrow accounts.

Except as provided in §540.9(j), the amount of coverage required under this section and §540.6(b) shall be in an amount determined by the Commission to be no less than 110 percent of the unearned passenger revenue of the applicant on the date within the two fiscal years immediately prior to the filing of the application which reflects the greatest amount of unearned passenger revenue. The Commission, for good cause shown, may consider a time period other than the previous two-fiscal-year requirement in this section or other methods acceptable to the Commission to determine the amount of coverage required. Evidence of adequate financial responsibility for the purposes of this subpart may be established by one or a combination (including §540.6 Surety Bonds) of the following methods:

(a) Filing with the Commission evidence of insurance, whether issued by the assured or by the insurer, and whether for nonpayment of premiums, calls or assessments or for other cause, shall not be effected: (i) Until notice in writing has been given to the assured or to the insurer and to the Bureau of Certification and Licensing at its office in Washington, DC 20573, by certified mail or courier service, (ii) until after 30 days expire from the date notice is actually received by the Commission, or until after the Commission revokes the Certificate (Performance), whichever occurs first. Notice of termination
or cancellation to the assured or insurer shall be simultaneous to such notice given to the Commission. The insurer shall remain liable for claims covered by said evidence of insurance arising by virtue of an event which had occurred prior to the effective date of said termination or cancellation. No such termination or cancellation shall become effective while a voyage is in progress.

(2) The insolvency or bankruptcy of the assured shall not constitute a defense to the insurer as to claims included in said evidence of insurance and in the event of said insolvency or bankruptcy, the insurer agrees to pay any unsatisfied final judgments obtained on such claims.

(3) No insurance shall be acceptable under these rules which restricts the liability of the insurer where privity of the owner or charterer has been shown to exist.

(4) Paragraphs (a)(1) through (a)(3) of this section shall apply to the guaranty as specified in paragraph (c) of this section.

(b) Filing with the Commission evidence of an escrow account, acceptable to the Commission, for indemnification of passengers in the event of nonperformance of water transportation. Parties filing escrow agreements for Commission approval may execute such agreements in the form set forth in appendix A of subpart A of this part.

(c) Filing with the Commission a guaranty on Form FMC–133A, by a Protection and Indemnity Association with established assets, reserves and reinsurance acceptable to the Commission, for indemnification of passengers in the event of nonperformance of water transportation. The requirements of Form FMC–133A, however, may be amended by the Commission in a particular case for good cause. Copies of Form FMC–133A may be obtained from the Commission's Web site at http://www.fmc.gov or from the Bureau of Certification and Licensing.

(d) Revenues derived from whole-ship charters, as defined in §540.2(l), may be exempted from consideration as unearned passenger revenues, on condition that, in the case of a new operator or within 30 days of the execution of the whole-ship charter if the operator has a Performance Certificate for the vessel in question: (1) A certified true copy of the contract or charter is furnished with the application; (2) The chartering party attests that it will redistribute the vessel’s passenger accommodations without charge; and (3) A document executed by the chartering party’s Chief Executive Officer or other responsible corporate officer is submitted by which the chartering party specifically acknowledges that its rights to indemnification under section 3 of Public Law 89–777 (46 U.S.C. 44101–44102, 44104–44106) may be affected by the reduction in section 3, Public Law 89–777, financial responsibility coverage attributable to the exclusion of such funds from the operator’s UPR.

§ 540.6 Surety bonds.

(a) Where financial responsibility is not established under §540.5, a surety bond shall be filed on Form FMC–132A. Such surety bond shall be issued by a bonding company authorized to do business in the United States and acceptable to the Commission for indemnification of passengers in the event of nonperformance of water transportation. The requirements of Form FMC–132A, however, may be amended by the Commission in a particular case for good cause. Copies of Form FMC–132A may be obtained from the Commission’s Web site at http://www.fmc.gov or from the Bureau of Certification and Licensing.

(b) In the case of a surety bond which is to cover all passenger operations of the applicant subject to these rules, such bond shall be in an amount calculated as in the introductory text of §540.5.

(c) In the case of a surety bond which is to cover an individual voyage, such bond shall be in an amount determined by the Commission to equal the gross passenger revenue for that voyage.

(d) The liability of the surety under the rules of this subpart to any passenger shall not exceed the amount paid by any such passenger, except
that, no such bond shall be terminated while a voyage is in progress.

§ 540.7 Evidence of financial responsibility.

Where satisfactory proof of financial responsibility has been established:

(a) A Certificate (Performance) covering specified vessels shall be issued evidencing the Commission’s finding of adequate financial responsibility to indemnify passengers for nonperformance of water transportation.

(b) The period covered by the Certificate (Performance) shall be five (5) years, unless another termination date has been specified thereon.

[78 FR 13278, Feb. 27, 2013]

§ 540.8 Denial, revocation, suspension, or modification.

(a) Prior to the denial, revocation, suspension, or modification of a Certificate (Performance), the Commission shall notify the applicant of its intention to deny, revoke, suspend, or modify and shall include with the notice the reason(s) for such action. If the applicant, within 20 days after the receipt of such notice, requests a hearing to show that the evidence of financial responsibility filed with the Commission does meet the rules of this subpart, such hearing shall be granted by the Commission. Regardless of a hearing, a Certificate (Performance) shall become null and void upon cancellation or termination of the surety bond, evidence of insurance, guaranty, or escrow account.

(b) A Certificate (Performance) may be denied, revoked, suspended, or modified for any of the following reasons:

(1) Making any willfully false statement to the Commission in connection with an application for a Certificate (Performance);

(2) Circumstances whereby the party does not qualify as financially responsible in accordance with the requirements of the Commission;

(3) Failure to comply with or respond to lawful inquiries, requests for information, rules, regulations, or orders of the Commission pursuant to the rules of this subpart.

(c) If the applicant, within 20 days after notice of the proposed denial, revocation, suspension, or modification under paragraph (b) of this section, requests a hearing to show that such denial, revocation, suspension, or modification should not take place, such hearing shall be granted by the Commission.

§ 540.9 Miscellaneous.

(a) If any evidence filed with the application does not comply with the requirements of this subpart, or for any reason fails to provide adequate or satisfactory protection to the public, the Commission will notify the applicant stating the deficiencies thereof.

(b) Any financial evidence submitted to the Commission under the rules of this subpart shall be written in the full and correct name of the person to whom the Certificate (Performance) is to be issued, and in case of a partnership, all partners shall be named.

(c) The Commission’s bond (Form FMC-132A), guaranty (Form FMC-133A), and application (Form FMC-131) forms may be obtained from the Commission’s Web site at http://www.fmc.gov or from the Bureau of Certification and Licensing at its office in Washington, DC 20573.

(d) Any securities or assets accepted by the Commission (from applicants, insurers, guarantors, escrow agents, or others) under the rules of this subpart must be physically located in the United States.

(e) Each applicant, insurer, escrow agent and guarantor shall furnish a written designation of a person in the United States as legal agent for service of process for the purposes of the rules of this subpart. Such designation must be acknowledged, in writing, by the designee and filed with the Commission. In any instance in which the designated agent cannot be served because of death, disability, or unavailability, the Secretary, Federal Maritime Commission, will be deemed to be the agent for service of process. A party serving the Secretary in accordance with the above provision must also serve the certificant, insurer, escrow agent, or
guarantor, as the case may be, by certified mail or courier service at the last known address of them on file with the Commission.

(f) [Reserved]

(g) Financial data filed in connection with the rules of this subpart shall be confidential except in instances where information becomes relevant in connection with hearings which may be requested by applicant pursuant to §540.8 (a) or (b).

(h) Every person who has been issued a Certificate (Performance) must submit to the Commission a semi-annual statement of any changes with respect to the information contained in the application or documents submitted in support thereof or a statement that no changes have occurred. Negative statements are required to indicate no change. These statements must cover the 6-month period of January through June and July through December, and include a statement of the highest unearned passenger vessel revenue accrued for each month in the 6-month reporting period. Such statements will be due within 30 days after the close of every such 6-month period. The reports required by this paragraph shall be submitted to the Bureau of Certification and Licensing at its office in Washington, DC 20573 by certified mail, courier service, or electronic submission.

(i) [Reserved]

(j) The amount of: the insurance as specified in §540.5(a), the escrow account as specified in §540.5(b), the guaranty as specified in §540.5(c), or the surety bond as specified in §540.6 shall not be required to exceed $15 million for one year after April 2, 2013. Twelve (12) months after April 2, 2013, the amount shall not exceed $22 million, and twenty four (24) months after April 2, 2013, the amount shall not exceed $30 million. Every two years, on the anniversary after the cap on required financial responsibility reaches $30 million, the cap shall automatically adjust to the nearest $1 million based on changes as reflected in the U.S. Bureau of Labor Statistics’ Consumer Price Index. The Bureau of Certification and Licensing will determine the amount of each adjustment and transmit that information to the Secretary of the Federal Maritime Commission for publication on the Commission’s Web site (www.fmc.gov) and in the FEDERAL REGISTER with an effective date that is no less than sixty (60) days after FEDERAL REGISTER publication.

(k) Every person in whose name a Certificate (Performance) has been issued shall be deemed to be responsible for any unearned passage money or deposits held by its agents or any other person authorized by the certificant to sell the certificant’s tickets. Certificants shall promptly notify the Commission of any arrangements, including charters and subcharters, made by it or its agent with any person pursuant to which the certificant does not assume responsibility for all passenger fares and deposits collected by such person or organization and held by such person or organization as deposits or payment for services to be performed by the certificant. If responsibility is not assumed by the certificant, the certificant also must inform such person or organization of the certification requirements of Public Law 89-777 and not permit use of its vessel, name or tickets in any manner unless and until such person or organization has obtained the requisite Certificate (Performance) from the Commission. Failure to follow the procedures in this paragraph means the certificant shall retain full financial responsibility for indemnification of passengers for non-performance of the transportation.

(l) Requests to substitute alternative financial responsibility. (1) A certificant whose unearned passenger revenue at no time for the two immediately prior fiscal years has exceeded 150% of the required cap may submit a request to the Director, Bureau of Certification and Licensing, to substitute alternative forms of financial protection to evidence the financial responsibility as otherwise provided in this part.

(2) The Commission will consider such requests on a case-by-case basis.

(3) The request must include copies of the requesting PVO’s most recently available annual and quarterly financial and income statements. Other documents and information in support of its request may also be submitted.
(4) For requests based upon the already existing protections available to credit card purchases of passenger vessel transportation, the requesting PVO must supply the following information for the most recent twelve months preceding the request: Total deposits and payments received for passenger vessel transportation; Credit card receipt totals; Copy of the PVO’s policy(ies) governing payments by passengers (i.e., deposits and the number of days prior to sailing the passenger must make final payment).

(5) In determining whether and to what level to reduce the required amount, the Commission may consider the extent to which other statutory requirements provide relevant protections, the certificant’s financial data, and other specific facts and circumstances.

(6) For PVOs with payment policies that provide for final payment for the passenger vessel transportation no later than 60 days before the vessel’s sailing date, requests based upon credit card receipts may be granted by the Commission permitting a reduction in the financial responsibility otherwise required under this Part. The amount of such a reduction will be established by determining the proportion that the PVO’s total credit card receipts bears to its total receipts and applying one half of that percentage to the PVO’s highest two-year UPR.

(7) The Bureau of Certification and Licensing may request additional information as may assist it in considering the request.

(8) Where a request is granted, the alternative financial responsibility shall remain in effect until the PVO’s Certificate (Performance) expires under §540.7(b) or until the Director, Bureau of Certification and Licensing determines otherwise based upon changing information pursuant to this paragraph or paragraph (l)(5) of this section. Additional information may be requested at any time by the Commission or BCL from a PVO whose request under this section has been granted.

APPENDIX A TO SUBPART A OF PART 540—EXAMPLE OF ESCROW AGREEMENT FOR USE UNDER 46 CFR 546.5(b)

ESCROW AGREEMENT

THIS ESCROW AGREEMENT, made as of this day of (month & year), by and between (Customer), a corporation/company
having a place of business at (“Customer”) and (Banking Institution name & address) a banking corporation, having a place of business at (“Escrow Agent”).

Witnesseth:

WHEREAS, Customer wishes to establish an escrow account in order to provide for the indemnification of non-performance of water transportation to which such passengers would be entitled, and to establish Customer’s financial responsibility therefore; and

WHEREAS, Escrow Agent wishes to act as Escrow Agent of the escrow account established hereunder;

NOW, THEREFORE, in consideration of the premises and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Customer has established on (month, & year) the “Commencement Date” an escrow account with the Escrow Agent which escrow account shall hereafter be governed by the terms of this Agreement (the “Escrow Account”). Escrow Agent shall maintain the Escrow Account in its name, in its capacity as Escrow Agent.

2. Customer will determine, as of the date prior to the Commencement Date, the amount of unearned passenger revenue, including any funds to be transferred from any predecessor Escrow Agent. Escrow Agent shall have no duty to calculate the amount of unearned passenger revenue. Unearned Passenger Revenues are defined as that passenger revenue received for water transportation and all other accommodations, services and facilities relating thereto not yet performed. 46 CFR 540.2(1).

3. Customer will deposit on the Commencement Date into the Escrow Account cash in an amount equal to the amount of Unearned Passenger Revenue determined under Paragraph 2 above plus a cash amount (“the Fixed Amount”) equal to (10 percent of the Customer’s highest Unearned Passenger Revenue for the prior two fiscal years. For periods on or after (year of agreement (2099)), the Fixed Amount shall be determined by the Commission on an annual basis, in accordance with 46 CFR Part 540.

4. Customer acknowledges and agrees that until such time as a cruise has been completed and Customer has taken the actions described herein, Customer shall not be entitled, nor shall it have any interest in any funds deposited with Escrow Agent to the extent such funds represent Unearned Passenger Revenue.

5. Customer may, at any time, deposit additional funds consisting exclusively of Unearned Passenger Revenue and the Fixed Amount, into the Escrow Account and Escrow Agent shall accept all such funds for deposit and shall manage all such funds pursuant to the terms of this Agreement.

6. After the establishment of the Escrow Account, as provided in Paragraph 1, Customer shall on a weekly basis on each (identify day of week), or if Customer or Escrow Agent is not open for business on (identify day of week) then on the next business day that Customer and Escrow Agent are open for business recompute the amount of Unearned Passenger Revenue as of the close of business on the preceding business day (hereinafter referred to as the “Determination Date”) and deliver a Recomputation Certificate to Escrow Agent on such date. In each such weekly recomputation Customer shall calculate the amount by which Unearned Passenger Revenue has decreased due to (i) the cancellation of reservations and the corresponding refund of monies from Customer to the persons or entities canceling such reservations; (ii) the amount which Customer has earned as revenue as a result of any cancellation fee charged upon the cancellation of any reservations; (iii) the amount which Customer has earned due to the completion of cruises; and (iv) the amount by which Unearned Passenger Revenue has increased due to receipts from passengers for future water transportation and all other accommodations, services and facilities relating thereto and not yet performed.

The amount of Unearned Passenger Revenue as recomputed shall be compared with the amount of Unearned Passenger Revenue for the immediately preceding period to determine whether there has been a net increase or decrease in Unearned Passenger Revenue. If the balance of the Escrow Account as of the Determination Date exceeds the sum of the amount of Unearned Passenger Revenue, as recomputed, plus the Fixed Amount then applicable, then Escrow Agent shall make any excess funds in the Escrow Account available to Customer. If the balance in the Escrow Account as of the Determination Date is less than the sum of the amount of Unearned Passenger Revenue, as recomputed, plus an amount equal to the Fixed Amount, Customer shall deposit an amount equal to such deficiency with the Escrow Agent. Such deposit shall be made in immediately available funds via wire transfer or by direct transfer from the Customer’s U.S. Bank checking account before the close of business on the next business day following the day on which the Recomputation Certificate is received by Escrow Agent. The Escrow Agent shall promptly notify the Commission within two business days any time a deposit required by a Recomputation Certificate delivered to the Escrow Agent is not timely made.

7. Customer shall furnish a Recomputation Certificate, in substantially the form attached hereto as Annex 1, to the Federal Maritime Commission (the “Commission”)
and to the Escrow Agent setting forth the weekly recomputation of Unearned Passenger Revenue required by the terms of Paragraph 6 above. Customer shall mail or fax to the Commission and deliver to the Escrow Agent the required Recomputation Certificate before the close of business on the business day on which Customer recomputes the amount of Unearned Passenger Revenue. Notwithstanding any other provision herein to the contrary, Escrow Agent shall not make any funds available to Customer out of the Escrow Account because of a decrease in the amount of Unearned Passenger Revenue or otherwise, until such time as Escrow Agent receives the above described Recomputation Certificate from Customer, which Recomputation Certificate shall include the Customer’s verification certification in the form attached hereto as Annex 1. The copies of each Recomputation Certificate to be furnished to the Commission shall be mailed to the Commission at the address provided in Paragraph 25 herein. If copies are not mailed to the Commission, facsimile or emailed copies shall be treated with the same legal effect as if an original signature was furnished. No repayment of the Fixed Amount may be made except upon approval of the Commission.

Within fifteen (15) days after the end of each calendar month, Escrow Agent shall provide to Customer and to the Commission at the addresses provided in Paragraph 25 below, a comprehensive statement of the Escrow Account. Such statement shall provide a list of assets in the Escrow Account, the balance thereof as of the beginning and end of the month together with the original cost and current market value thereof, and shall detail all transactions that took place with respect to the assets and investments in the Escrow Account during the preceding month.

8. At the end of each quarter of Customer’s fiscal year, Customer shall cause the independent auditors then acting for it to conduct an examination in accordance with generally accepted auditing standards with respect to the weekly Recomputation Certificates furnished by Customer of the Unearned Passenger Revenues and the amounts to be deposited in the Escrow Account and to express their opinion within forty-five (45) days after the end of such quarter as to whether the calculations at the end of each fiscal quarter are in accordance with the provisions of Paragraph 6 of this Agreement. The determination of Unearned Passenger Revenue of such independent auditors shall have control over any computation of Unearned Passenger Revenue by Customer in the event of any difference between such determinations. To the extent that the actual amount of the Escrow Account is less than the amount determined by such independent auditors to be required to be on deposit in the Escrow Account, Customer shall immediately deposit an amount of cash into the Escrow Account sufficient to cause the balance of the Escrow Account to equal the amount determined to be so required. Such deposit shall be completed no later than the business day after receipt by the Escrow Agent of the auditor’s opinion containing the amount of such deficiency.

The opinion of such independent auditors shall be furnished by such auditors directly to Customer, to the Commission and to the Escrow Agent at their addresses contained in this Agreement. In the event that a required deposit to the Escrow Agent is not made within one Business Day after receipt of an auditor’s report or a Recomputation Certificate, Escrow Agent shall send notification to the Commission within the next two Business Days.

9. Escrow Agent shall invest the funds in the Escrow Account in Qualified Investments as directed by Customer in its sole and absolute discretion. “Qualified Investments” means, to the extent permitted by applicable law:  
   (a) Government obligations or obligations of any agency or instrumentality of the United States of America;

   (c) Certificates of deposit and money market accounts issued by any United States bank, savings institution or trust company, including the Escrow Agent, and time deposits of any bank, savings institution or trust company, including the Escrow Agent, which are fully insured by the Federal Deposit Insurance Corporation;

10. All interest and other profits earned on the amounts placed in the Escrow Account shall be credited to Escrow Account.

11. This Agreement has been entered into by the parties hereto, and the Escrow Account has been established hereunder by Customer, to establish the financial responsibility of Customer as the owner, operator or...
Customer further warrants and represents that (i) it possesses full power and authority to enter into this Agreement and fulfill its obligations hereunder and (ii) that the execution, delivery and performance of this Agreement have been authorized and approved by all required corporate actions.

14. Escrow Agent hereby warrants and represents that it is a national banking association in good standing. Escrow Agent further warrants and represents that (i) it has full power and authority to enter into this Agreement and fulfill its obligations hereunder and (ii) that the execution, delivery and performance of this Agreement have been authorized and approved by all required corporate actions.

15. This Agreement shall have a term of one (1) year and shall be automatically renewed for successive one (1) year terms unless notice of intent not to renew is delivered to the other party to this Agreement and to the Commission at least 90 days prior to the expiration of the current term of this Agreement. (b) In the event of any disagreement between parties which result in adverse claims with respect to funds on deposit with Escrow Agent or the threat thereof, Escrow Agent may refuse to comply with any demands on it with respect thereto as long as such disagreement shall continue and in so refusing, Escrow Agent need not make any payment and Escrow Agent shall not be or become liable in any way to Customer or any third party (whether for direct, incidental, consequential damages or otherwise) for its failure or refusal to comply with such demands and it shall be entitled to continue so to refrain from acting and so refuse to act until such conflicting or adverse demands shall finally terminate by mutual written agreement acceptable to Escrow Agent or by a final, non-appealable order of a court of competent jurisdiction.

Upon giving the written notice to Customer and the Commission, Escrow Agent may terminate any and all duties and obligations imposed on Escrow Agent by this Agreement effective as of the date specified in such notice, which date shall be at least 90 days after the date such notice is given. All escrowed funds as of the termination date specified in the notice shall be turned over to the successor escrow agent, or if no successor escrow agent has been named within 90 days after the giving of such notice, then all such escrowed funds for sailing scheduled to commence after the specified termination date shall be returned to the person who paid such passage fares upon written approval of the Commission. In the event of any such termination where the Escrow Agent shall be returning payments to the passengers, then Escrow Agent shall request from Customer a list of passenger names, addresses, deposit/fare amounts and other information needed to make refunds. On receipt of such list, Escrow Agent shall return all passage fares held in the Escrow Account as of the date of termination specified in the notice to the passengers, excepting only amounts Customer is entitled to receive pursuant to the terms of this Agreement for cruises completed through the termination date specified in the notice, and all interest which shall be paid to Customer. Upon termination, Customer shall pay all previously earned or incurred by Escrow Agent through the termination date.

19. Neither Customer nor Escrow Agent shall have the right to sell, pledge, hypothecate, assign, transfer or encumber funds or assets in the Escrow Account except in accordance with the terms of this Agreement.

20. This Agreement is for the benefit of the parties hereto and, accordingly, each and every provision hereof shall be enforceable by any or each or both of them. Subpart B—Proof of Financial Responsibility, Bonding and Certification of Financial Responsibility To Meet Liability Incurred for Death or Injury to Passengers or Other Persons on Voyages

§ 540.20 Scope.

The regulations contained in this subpart set forth the procedures whereby owners or charterers of vessels having berth or stateroom accommodations for 50 or more passengers and embarking passengers at U.S. ports shall establish their financial responsibility to meet any liability which may be incurred for death or injury to passengers or other persons on voyages to or from U.S. ports. Included also are the qualifications required by the Commission for issuance of a Certificate (Casualty) and the basis for the denial, revocation, suspension, or modification of such Certificates.

§ 540.21 Definitions.

As used in this subpart, the following terms shall have the following meanings:

(a) Person includes individuals, corporations, partnerships, associations, and other legal entities existing under or authorized by the laws of the United States or any state thereof or the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands or any territory or possession of the United States, or the laws of any foreign country.

(b) Vessel means any commercial vessel having berth or stateroom accommodations for 50 or more passengers and embarking passengers at U.S. ports.

(c) Commission means the Federal Maritime Commission.

(d) United States includes the Commonwealth of Puerto Rico, the Virgin Islands or any territory or possession of the United States.
§ 540.22 Proof of financial responsibility, when required.

No vessel shall embark passengers at U.S. ports unless a Certificate (Casualty) has been issued to or covers the owner or charterer of such vessel.

§ 540.23 Procedure for establishing financial responsibility.

(a) In order to comply with section 2 of Pub. L. 89–777 (46 U.S.C. 44101, 44103–44106) enacted November 6, 1966, there must be filed an Application on Form FMC–131 for a Certificate of Financial Responsibility to Meet Liability Incurred for Death or Injury to Passengers or Other Persons on Voyages. Copies of Form FMC–131 may be obtained from the Secretary, Federal Maritime Commission, Washington, DC 20573.

(b) An application for a Certificate (Casualty) shall be filed in duplicate with the Secretary, Federal Maritime Commission, by the vessel owner or charterer at least 60 days in advance of the sailing. Late filing of the application will be permitted only for good cause shown. All applications and evidence required to be filed with the Commission shall be in English, and any monetary terms shall be expressed in terms of U.S. currency. The Commission shall have the privilege of verifying any statements made or any evidence submitted under the rules of this subpart. An application for a Certificate (Casualty), excluding an application for the addition or substitution of a vessel to the applicant’s fleet, shall be accompanied by a filing fee remittance of $1,206. An application for a Certificate (Casualty) for the addition or substitution of a vessel to the applicant’s fleet shall be accompanied by a filing fee remittance of $605.

(c) The application shall be signed by a duly authorized officer or representative of the applicant with a copy of evidence of his authority. In the event of any material change in the facts as reflected in the application, an amendment to the application shall be filed no later than five (5) days following such change. For the purpose of this subpart, a material change shall be one which: (1) Results in a decrease in the amount submitted to establish financial responsibility to a level below that required to be maintained under the rules of this subpart, or (2) requires that the amount to be maintained be increased above the amount submitted to establish financial responsibility. Notice of the application for, issuance, denial, revocation, suspension, or modification of any such Certificate shall be published in the FEDERAL REGISTER.

§ 540.24 Insurance, surety bonds, self-insurance, guaranties, and escrow accounts.

Evidence of adequate financial responsibility for the purposes of this subpart may be established by one of the following methods:

(a) Filing with the Commission evidence of insurance issued by an insurer providing coverage for liability which may be incurred for death or injury to
passengers or other persons on voyages in an amount based upon the number of passenger accommodations aboard the vessel, calculated as follows:

Twenty thousand dollars for each passenger accommodation up to and including 500; plus
Fifteen thousand dollars for each additional passenger accommodation between 501 and 1,000; plus
Ten thousand dollars for each additional passenger accommodation between 1,001 and 1,500; plus
Five thousand dollars for each passenger accommodation in excess of 1,500;

Except that, if the applicant is operating more than one vessel subject to this subpart, the amount prescribed by this paragraph shall be based upon the number of passenger accommodations on the vessel being so operated which has the largest number of passenger accommodations.

(1) Termination or cancellation of the evidence of insurance, whether by the assured or by the insurer, and for nonpayment of premiums, calls or assessments, or for other cause, shall not be effected: (i) Until notice in writing has been given to the assured or to the insurer and to the Secretary of the Commission at its office in Washington, DC 20573, by certified mail, and (ii) until after 30 days expire from the date notice is actually received by the Commissioner, or until after the Commission revokes the Certificate (Casualty), whichever occurs first. Notice of termination or cancellation to the assured or insurer shall be simultaneous to such notice given to the Commission. The insurer shall remain liable for claims covered by said evidence of insurance arising by virtue of an event which had occurred prior to the effective date of said termination or cancellation. No such termination or cancellation shall become effective while a voyage is in progress.

(2) The insolvency or bankruptcy of the assured shall not constitute a defense to the insurer as to claims included in said evidence of insurance and in the event of said insolvency or bankruptcy, the insurer agrees to pay any unsatisfied final judgments obtained on such claims.

(3) No insurance shall be acceptable under these rules which restricts the liability of the insurer where privity of the owner or charterer has been shown to exist.

(4) Paragraphs (a)(1) through (a)(3) of this section shall apply to the guaranty as specified in paragraph (d) of this section.

(b) Filing with the Commission a surety bond on Form FMC–132B issued by a bonding company authorized to do business in the United States and acceptable to the Commission. Such surety bond shall evidence coverage for liability which may be incurred for death or injury to passengers or other persons on voyages in an amount calculated as in paragraph (a) of this section, and shall not be terminated while a voyage is in progress. The requirements of Form FMC–132B, however, may be amended by the Commission in a particular case for good cause.

(c) Filing with the Commission for qualification as a self-insurer such evidence acceptable to the Commission as will demonstrate continued and stable passenger operations over an extended period of time in the foreign or domestic trade of the United States. In addition, applicant must demonstrate financial responsibility by maintenance of working capital and net worth, each in an amount calculated as in paragraph (a) of this section. The Commission will take into consideration all current contractual requirements with respect to the maintenance of working capital and/or net worth to which the applicant is bound. Evidence must be submitted that the working capital and net worth required above are physically located in the United States. This evidence of financial responsibility shall be supported by and subject to the following which are to be submitted on a continuing basis for each year or portion thereof while the Certificate (Casualty) is in effect:

(1) A current quarterly balance sheet, except that the Commission, for good cause shown, may require only an annual balance sheet;

(2) A current quarterly statement of income and surplus except that the Commission, for good cause shown, may require only an annual statement of income and surplus;
(3) An annual current balance sheet and an annual current statement of income and surplus to be certified by appropriate certified public accountants;

(4) An annual current statement of the book value or current market value of any assets physically located within the United States together with a certification as to the existence and amount of any encumbrances thereon;

(5) An annual current credit rating report by Dun and Bradstreet or any similar concern found acceptable to the Commission;

(6) A list of all contractual requirements or other encumbrances (and to whom the applicant is bound in this regard) relating to the maintenance of working capital and net worth;

(7) All financial statements required to be submitted under this section shall be due within a reasonable time after the close of each pertinent accounting period;

(8) Such additional evidence of financial responsibility as the Commission may deem necessary in appropriate cases.

d) Filing with the Commission a guaranty on Form FMC–133B by a guarantor acceptable to the Commission. Any such guaranty shall be in an amount calculated as in paragraph (a) of this section. The requirements of Form FMC–133B, however, may be amended by the Commission in a particular case for good cause.

e) Filing with the Commission evidence of an escrow account, acceptable to the Commission, the amount of such account to be calculated as in paragraph (a) of this section.

f) The Commission will, for good cause shown, consider any combination of the alternatives described in paragraphs (a) through (e) of this section for the purpose of establishing financial responsibility.

§ 540.26 Denial, revocation, suspension, or modification.

(a) Prior to the denial, revocation, suspension, or modification of a Certificate (Casualty), the Commission shall advise the applicant of its intention to deny, revoke, suspend, or modify, and shall state the reasons therefore. If the applicant, within 20 days after the receipt of such advice, requests a hearing to show that the evidence of financial responsibility filed with the Commission does meet the rules of this subpart, such hearing shall be granted by the Commission, except that a Certificate (Casualty) shall become null and void upon cancellation or termination of evidence of insurance, surety bond, guaranty, or escrow account.

(b) A Certificate (Casualty) may be denied, revoked, suspended, or modified for any of the following reasons:

1. Making any willfully false statement to the Commission in connection with an application for a Certificate (Casualty);

2. Circumstances whereby the party does not qualify as financially responsible in accordance with the requirements of the Commission;

3. Failure to comply with or respond to lawful inquiries, rules, regulations, or orders of the Commission pursuant to the rules of this subpart;

(c) If the applicant, within 20 days after notice of the proposed denial, revocation, suspension, or modification under paragraph (b) of this section, requests a hearing to show that such denial, revocation, suspension, or modification should not take place, such hearing shall be granted by the Commission.

§ 540.27 Miscellaneous.

(a) If any evidence filed with the application does not comply with the requirements of this subpart, or for any reason, fails to provide adequate or satisfactory protection to the public, the
Federal Maritime Commission

(b) Every person who has been issued a Certificate (Casualty) must submit to the Commission a semiannual statement of any changes that have taken place with respect to the information contained in the application or documents submitted in support thereof. Negative statements are required to indicate no change. Such statements must cover every such 6-month period commencing with the first 6-month period of the fiscal year immediately subsequent to the date of the issuance of the Certificate (Casualty). In addition, the statements will be due within 30 days after the close of every 6-month period.

PART 545—INTERPRETATIONS AND STATEMENTS OF POLICY

Sec.
545.1 Interpretation of Shipping Act of 1984—Refusal to negotiate with shippers’ associations.
545.2 Interpretation of Shipping Act of 1984—Unpaid ocean freight charges.
545.3 Interpretation of §515.23(b) of this chapter—Payment pursuant to a claim against an ocean transportation intermediary.

§ 545.1 Interpretation of Shipping Act of 1984—Refusal to negotiate with shippers’ associations.
(a) 8(c) of the Shipping Act of 1984 ("the Act") (46 U.S.C. 40502) authorizes ocean common carriers and agreements between or among ocean common carriers to enter into a service contract with a shippers’ association, subject to the requirements of the Act. Section 10(b)(10) of the Act (46 U.S.C. 41104(10)) prohibits carriers from unreasonably refusing to deal or negotiate. Section 7(a)(2) of the Act (46 U.S.C. 40307(a)(3)) exempts from the antitrust laws any activity within the scope of that Act, undertaken with a reasonable basis to conclude that it is pursuant to a filed and effective agreement.
(b) The Federal Maritime Commission interprets these provisions to establish that a common carrier or conference may not require a shippers’ association to obtain or apply for a Business Review Letter from the Department of Justice prior to or as part of a service contract negotiation process.

§ 545.2 Interpretation of Shipping Act of 1984—Unpaid ocean freight charges.

Section 10(a)(1) of the Shipping Act of 1984 (46 U.S.C. 41102(a)) states that it is unlawful for any person to obtain or attempt to obtain transportation for property at less than the properly applicable rates, by any “unjust or unfair device or means.” An essential element of the offense is use of an “unjust or unfair device or means.” In the absence of evidence of bad faith or deceit, the Federal Maritime Commission will not infer an “unjust or unfair device or means” from the failure of a shipper to pay ocean freight. An “unjust or unfair device or means” could be inferred where a shipper, in bad faith, induced the carrier to relinquish its possessory lien on the cargo and to transport the cargo without prepayment by the shipper of the applicable freight charges.

§ 545.3 Interpretation of §515.23(b) of this chapter—Payment pursuant to a claim against an ocean transportation intermediary.

A claimant seeking to settle a claim in accordance with §515.23(b)(1) of this chapter should promptly provide to the financial responsibility provider all documents and information relating to and supporting its claim for the purpose of evaluating the validity and subject matter of the claim.

Subpart A—General Provisions

§ 550.101 Purpose.

It is the purpose of the regulations of this part to declare certain conditions resulting from governmental actions by foreign nations or from the competitive methods or practices of owners, operators, agents, or masters of vessels of a foreign country unfavorable to shipping in the foreign trade of the United States and to establish procedures by which persons who are or can reasonably expect to be adversely affected by such conditions may petition the Federal Maritime Commission for the issuance of regulations under the authority granted to the Commission under section 19 of the Merchant Marine Act of 1920 (46 U.S.C. 42101–42109). It is the further purpose of the regulations of this part to afford notice of the general circumstances under which the authority granted to the Commission under section 19 may be invoked and the nature of the regulatory actions contemplated.

§ 550.102 Scope.

Regulatory actions may be taken when the Commission finds, on its own motion or upon petition, that a foreign government has promulgated and enforced or intends to enforce laws, decrees, regulations or the like, or has engaged in or intends to engage in
§ 550.103  Definitions.

(b) Request for resolution through diplomatic channels. Upon the filing of a petition, or on its own motion when there are indications that conditions unfavorable to shipping in the foreign trade of the United States may exist, the Commission may notify the Secretary of State that such conditions apparently exist, and may request that the Secretary seek resolution of the matter through diplomatic channels. If request is made, the Commission will give every assistance in such efforts, and the Commission may request the Secretary to report the results of such efforts at a specified time.

Subpart B—Production of Information

§ 550.201  Information orders.

In furtherance of the purposes of this part—

(a) The Commission may, by order, require any person (including any common carrier, tramp operator, bulk operator, shipper, shippers’ association, ocean transportation intermediary, marine terminal operator, or any officer, receiver, trustee, lessee, agent, or employee thereof), to file with the Commission a report, answers to questions, documentary material, or other information which the Commission considers necessary or appropriate;

(b) The Commission may require a report or answers to questions to be made under oath;

(c) The Commission may prescribe the form and the time for response to a report or answers to questions.

§ 550.202  Type of information.

In order to aid in the determination of whether conditions unfavorable to shipping in the foreign trade of the United States exist, or in order to aid in the formulation of appropriate regulations subsequent to a finding that conditions unfavorable to shipping in the foreign trade of the United States exist, the Commission may, when it deems necessary or appropriate, and without further proceedings, order any:

(a) Owner, operator, or charterer in the affected trade to furnish any or all of the following information:

(1) Statistics for a representative period showing passengers or cargo carried to and from the United States in
the affected trade on vessels owned, operated or chartered by it, by type, source, value, and direction;
(2) Information for a representative period on the activities of vessels owned, operated, or chartered, which shall include sailings to and from United States ports, costs incurred, taxes or other charges paid to authorities, and subsidies or other payments received from foreign authorities;
(3) Information for a specified future period on the prospective activities of vessels which it owns, operates or charters or plans to own, operate or charter, to and from United States ports, which shall include projected sailings, anticipated costs, taxes or other charges to be paid to authorities, and expected subsidies or other payments to be received from foreign authorities; and
(4) Such other information that the Commission considers relevant to discovering or determining the existence of general or special conditions unfavorable to shipping in the foreign trade of the United States.
(b) Shipper, shippers’ association, or ocean transportation intermediary in the affected trade to furnish any or all of the following information:

(2) Information for a representative period showing the difference between the rates agreed to for use of its facilities by any ocean carrier serving the affected trade pursuant to an agreement authorizing preferential treatment or lease terms and those rates which would otherwise have applied to such services or leases.

§ 550.203 Failure to provide information.
(a) A person who fails to file a report, answer, documentary material, or other information required under this subpart shall be liable to the United States Government for a civil penalty of not more than $5,000 for each day that the information is not provided.
(b) The Commission may, when there is a failure to produce any information ordered produced under §550.201, make appropriate findings of fact and inferences, including the inference that conditions unfavorable to shipping in the foreign trade of the United States do exist.

§ 550.301 Findings.
For the purposes of this part, conditions created by foreign governmental action or competitive methods, pricing practices or other practices of owners, operators, agents or masters of foreign vessels are found unfavorable to shipping in the foreign trade of the United States, if such conditions:
(a) Impose upon vessels in the foreign trade of the United States fees, charges, requirements, or restrictions different from those imposed on other vessels competing in the trade, or preclude vessels in the foreign trade of the United States from competing in the
trade on the same basis as any other vessel;

(b) Reserve substantial cargoes to the national flag or other vessels and fail to provide, on reasonable terms, for effective and equal access to such cargo by vessels in the foreign trade of the United States;

(d) Restrict or burden a carrier’s intermodal movements or shore-based maritime activities, including terminal operations and cargo solicitation; agency services; ocean transportation intermediary services and operations; or other activities and services integral to transportation systems; or

(e) Are otherwise unfavorable to shipping in the foreign trade of the United States.

Subpart D—Petitions for Section 19 Relief

§ 550.403 Contents of petitions.

Petitions for relief from conditions unfavorable to shipping in the foreign trade of the United States shall set forth the following:

(a) A concise description and citation of the foreign law, rule, regulation, practice or competitive method complained of;

(b) A certified copy of any law, rule, regulation or other document involved and, if not in English, a certified English translation thereof;

(c) Any other evidence of the existence of such practice or competitive method;

(d) A clear description, in detail, of the harm already caused or which may reasonably be expected to be caused to the petitioner, including:

(1) Statistics for the representative period showing the type and amount of revenue loss or operating cost increase suffered or projected, such as a present or prospective cargo loss if harm is alleged on that basis. Such statistics shall include figures which permit comparison or computation of the proportional effect of the harm alleged. For example, when the harm alleged is loss of cargo, supporting evidence shall include the total cargo carried or projected in the trade for the period;

(2) Statistics or other evidence for the representative period showing increased costs, inferior services or other harm to cargo or other non-vessel interest if injury is claimed on that basis; and

(3) A statement as to why the period is representative.

(e) A recommended regulation, the promulgation of which will, in the view of the petitioner, adjust or meet the alleged conditions unfavorable to shipping in the foreign trade of the United States.

§ 550.404 Amendment or dismissal of petitions.

Upon the failure of a petitioner to comply with the provisions of this part, the petitioner will be notified by the Secretary and afforded reasonable opportunity to amend its petition. Failure to timely amend the petition may result in its dismissal. For good cause shown additional time for amendment may be granted.

The Commission shall incorporate in any regulations adopted under the rules of this part a concise statement of their basis and purpose. Regulations shall be published in the Federal Register. Except where conditions warrant and for good cause, regulations promulgated under the rules of this part shall not become effective until at least 30 days after the date of publication.

Subpart F—Corrective Actions

§ 550.601 Actions to correct unfavorable conditions.

Upon submission of a petition filed under the rules of this part, or upon its own motion, the Commission may find that conditions unfavorable to shipping in the foreign trade of the United States do exist, and may, without further proceedings, issue regulations which may:
(a) Impose equalizing fees or charges;
(b) Limit sailings to and from United States ports or the amount or type of cargo carried;

(d) Suspend, in whole or in part, an ocean common carrier’s right to operate under an agreement, including any
agreement authorizing preferential treatment at terminals or preferential terminal leases, whether filed with the Commission or not, or any agreement filed with the Commission authorizing space chartering, or pooling of cargo or revenues with other ocean common carriers; (e) Impose a fee, not to exceed $1,000,000 per voyage; (f) Request the collector of customs at the port or place of destination in the United States to refuse the clearance required by section 4197 of the Revised Statutes (46 U.S.C. 60105), to a vessel of a foreign carrier which is or whose government is identified as contributing to the unfavorable conditions described in subpart C; (g) Request the collector of customs at the port or place of destination in the United States to collect any fees imposed by the Commission under paragraph (e) of this section; (h) Request the Secretary of the department in which the Coast Guard is operating to deny entry, for purposes of oceanborne trade, of any vessel of a foreign carrier which is or whose government is identified as contributing to the unfavorable conditions described in subpart C, to any port or place in the United States or the navigable waters of the United States, or to detain any such vessel at the port or place in the United States from which it is about to depart for any other port or place in the United States; or (i) Take any other action the Commission finds necessary and appropriate to adjust or meet any condition unfavorable to shipping in the foreign trade of the United States.

$550.602 Penalty.

PART 551—ACTIONS TO ADJUST OR MEET CONDITIONS UNFAVORABLE TO SHIPPING IN THE U.S. FOREIGN TRADE

NOTE TO PART 551: In accordance with 44 U.S.C. 3518(c)(1)(B), and except for investigations undertaken with reference to a category of individuals or entities (e.g., an entire industry), any information requests or requirements in this part 551 are not subject to the requirements of section 3507 of the Paperwork Reduction Act because such collections of information are pursuant to a civil, administrative action or investigation by an agency of the United States against specific individuals or entities.

§ 555.4 Petitions.

(a) A petition for investigation to determine the existence of adverse conditions as described in §555.3 may be submitted by any person, including any common carrier, shipper, shippers’ association, ocean freight forwarder, or marine terminal operator, or any branch, department, agency, or other component of the Government of the United States. Petitions for relief under this part shall be in writing, and

§ 555.5 Scope.

The Commission shall take such action under this part as it considers necessary and appropriate when it determines that any laws, rules, regulations, policies, or practices of foreign governments, or any practices of foreign carriers or other persons providing maritime or maritime-related services in a foreign country, result in conditions that adversely affect the operations of United States carriers in United States oceanborne trade, and do not exist for foreign carriers of that country in the United States under the laws of the United States or as a result of acts of United States carriers or other persons providing maritime or maritime-related services in the United States.

§ 555.4 Petitions.

(a) A petition for investigation to determine the existence of adverse conditions as described in §555.3 may be submitted by any person, including any common carrier, shipper, shippers’ association, ocean freight forwarder, or marine terminal operator, or any branch, department, agency, or other component of the Government of the United States. Petitions for relief under this part shall be in writing, and

§ 555.5 Scope.

The Commission shall take such action under this part as it considers necessary and appropriate when it determines that any laws, rules, regulations, policies, or practices of foreign governments, or any practices of foreign carriers or other persons providing maritime or maritime-related services in a foreign country, result in conditions that adversely affect the operations of United States carriers in United States oceanborne trade, and do not exist for foreign carriers of that country in the United States under the laws of the United States or as a result of acts of United States carriers or other persons providing maritime or maritime-related services in the United States.

§ 555.4 Petitions.

(a) A petition for investigation to determine the existence of adverse conditions as described in §555.3 may be submitted by any person, including any common carrier, shipper, shippers’ association, ocean freight forwarder, or marine terminal operator, or any branch, department, agency, or other component of the Government of the United States. Petitions for relief under this part shall be in writing, and

mediary services and operations, and all other activities and services integral to total transportation systems of ocean common carriers and their foreign domiciled affiliates on their own and others’ behalf;

§ 555.5 Investigations.

(a) An investigation to determine the existence of adverse conditions as described in §555.3 may be initiated by the Commission on its own motion or on the petition of any person pursuant to §555.4. An investigation shall be considered to have been initiated for the purpose of the time limits imposed by the Foreign Shipping Practices Act of 1988 upon the publication in the Federal Register of the Commission’s notice of investigation, which shall announce the initiation of the proceeding upon either the Commission’s own motion or the filing of a petition.

(b) The provisions of part 502 of this chapter (Rules of Practice and Procedure) shall not apply to this part except for those provisions governing ex parte communications (§502.11 of this chapter) and except as the Commission may otherwise determine by order. The precise procedures and timetables for participation in investigations initiated under this part will be established on an ad hoc basis as appropriate and set forth in the notice. Proceedings may include oral evidentiary hearings, but only when the Commission determines that there are likely to be genuine issues of material fact that cannot be determined from the evidence of record.
be resolved on the basis of written submissions, or that the nature of the matter in issue is such that an oral hearing and cross-examination are necessary for the development of an adequate record. In any event, investigations initiated under this part shall proceed expeditiously, consistent with due process, to conform with the time limits specified in the Foreign Shipping Practices Act and to identify promptly the conditions described in §555.3 of this part.

(c) Upon initiation of an investigation, interested persons will be given the opportunity to participate in the proceeding pursuant to the procedures set forth in the notice. Submissions filed in response to a notice of investigation may include written data and statistics, views, and legal arguments. Factual information submitted shall be certified under oath. When the Commission determines to extend the investigation period for an additional 90 days, it shall issue a notice clearly stating the reasons therefor.

§555.7 Notification to Secretary of State.

Upon publication of a petition in the Federal Register, or on its own motion should it determine to initiate an investigation pursuant to §555.5, the Commission will notify the Secretary of State of same, and may request action to seek resolution of the matter through diplomatic channels. The Commission may request the Secretary to report the results of such efforts at a specified time.
§ 555.8 Action against foreign carriers.

(a) Whenever, after notice and opportunity for comment or hearing, the Commission determines that the conditions specified in § 555.3 of this part exist, the Commission shall take such action as it considers necessary and appropriate against any foreign carrier which it identifies as a contributing cause to, or whose government is a contributing cause to, such conditions, in order to offset such conditions. Such action may include, but is not limited to:

(1) Limitations on sailings to and from United States ports or on the amount or type of cargo carried;

(2) Suspension, in whole or in part, of any or all tariffs or service contracts, including the right of an ocean common carrier to use any or all tariffs or service contracts of conferences in United States trades of which it is a member for such period as the Commission specifies;

(4) Imposition of a charge, not to exceed $1,000,000 per voyage;

(5) A request to the collector of customs at any port or place of destination in the United States to refuse the clearance required by section 4197 of the Revised Statutes (46 U.S.C. 60105), to any vessel of a foreign carrier that is identified by the Commission under this section;

(6) A request to the Secretary of the department in which the Coast Guard is operating to deny entry, for purposes of oceanborne trade, of any vessel of a foreign carrier that is identified by the Commission under this section;

(7) Any other action the Commission finds necessary and appropriate to address adverse foreign shipping practices as described in § 555.3 of this part.

(b) The Commission may consult with, seek the cooperation of, or make recommendations to other appropriate U.S. Government agencies prior to taking any action under this section.

(c) Before any action against foreign carriers under this section becomes effective or a request under this section is made, the Commission’s determination as to adverse conditions and its proposed actions and/or requests shall be submitted immediately to the President. Such actions will not become effective nor requests made if, within 10 days of receipt of the Commission’s determination and proposal, the President disapproves it in writing, setting forth the reasons for the disapproval, if the President finds that disapproval is required for reasons of the national defense or the foreign policy of the United States.

SOURCE: 49 FR 45406, Nov. 15, 1984, unless otherwise noted. Redesignated at 64 FR 8009, Feb. 18, 1999.

NOTE: In accordance with 44 U.S.C. 3518(c)(1)(B), and except for investigations undertaken with reference to a category of individuals or entities (e.g., an entire industry), any information request or requirement...
§ 560.1 Purpose; general provisions.

(a)(1) It is the purpose of this part to enumerate certain conditions resulting from the action of a common carrier, acting alone or in concert with any person, or a foreign government, which unduly impair the access of a vessel documented under the laws of the United States whether liner, bulk, tramp or other vessel, (hereinafter “U.S. flag vessel”) to ocean trade between foreign ports, which includes intermodal movements, and to establish procedures by which the owner or operator of a U.S. flag vessel (hereinafter “U.S. flag carrier”) may petition the Federal Maritime Commission for relief under the authority of section 13(b)(6) of the Shipping Act of 1984 (“the Act”) (46 U.S.C. 41108(d)).

(2) It is the further purpose of this part to indicate the general circumstances under which the authority granted to the Commission under section 13(b)(6) (46 U.S.C. 41108(d)) may be invoked, and the nature of the subsequent actions contemplated by the Commission.

(3) This part also furthers the goals of the Act with respect to encouraging the development of an economically sound and efficient U.S. flag liner fleet as stated in section 2 of the Act (46 U.S.C. 40101).

(b)(1) This part implements the statutory notice and hearing requirement and ensures that due process is afforded to all affected parties. At the same time, it allows for flexibility in structuring proceedings so that the Commission may act expeditiously whenever harm to a U.S. flag carrier resulting from impaired access to cross trades has been demonstrated or is imminent.

(2) The provisions of part 502 of this chapter (Rules of Practice and Procedure) shall not apply to this part except for those provisions governing ex parte communications (§502.11 of this chapter) and service of documents and copies of documents (§§502.114(b) and 502.118 of this chapter), and except as the Commission may otherwise determine by order.

(c) The condition of unduly impaired access will be found only where a U.S. flag carrier is commercially able to enter a trade in which its access is being unduly impaired, or is reasonably expected to be impaired, or where actual participation in a trade by a U.S. flag carrier is being restricted for reasons other than its commercial ability or competitiveness.

(d) In examining conditions in a trade between foreign ports, and in considering appropriate action, the Commission will give due regard to U.S. maritime policy and U.S. Government shipping arrangements with other nations, as well as the degree of reciprocal access afforded in U.S. foreign trades to the carriers of the countries against whom Commission action is contemplated.

§ 560.2 Factors indicating conditions unduly impairing access.

For the purpose of this part, factors which would indicate the existence of conditions created by foreign government action or action of a common carrier acting alone or in concert with any person, which unduly impair access of a U.S. flag vessel engaged in or seeking access to ocean trade between foreign ports, include, but are not limited to:

(a) Imposition upon U.S. flag vessels or upon shippers or consignees using such vessels, of fees, charges, requirements, or restrictions different from those imposed on national-flag or other vessels, or which preclude or tend to preclude U.S. flag vessels from competing in the trade on the same basis as any other vessel.

(b) Reservation of a substantial portion of the total cargo in the trade between foreign ports, include, but are not limited to:

(i) Imposition of conditions upon U.S. flag vessels or upon shippers or consignees using such vessels, of fees, charges, requirements, or restrictions different from those imposed on national-flag or other vessels, or which preclude or tend to preclude U.S. flag vessels from competing in the trade on the same basis as any other vessel.

(ii) Reservation of a substantial portion of the total cargo in the trade between foreign ports, include, but are not limited to:

(c) Use of predatory practices, possibly including but not limited to the use of a vessel or vessels in a particular
§ 560.3 Petitions for relief.

(a) Filing. (1) Any owner or operator of a liner, bulk, tramp or other vessel documented under the laws of the United States who believes that its access to ocean trade between foreign ports has been, or will be, unduly impaired may file a written petition for relief under the provisions of this part.

(2) An original and fifteen copies of such a petition including any supporting documents shall be filed with the Secretary, Federal Maritime Commission, Washington, DC 20573. The petition shall be accompanied by remittance of a $241 filing fee.

(b) Contents. Petitions for relief shall include the following and shall also include an affidavit attesting to the truth and accuracy of the information submitted:

(1) The name and address of the petitioner;

(2) The name and address of each party (foreign government, agency or instrumentality thereof, carrier, or other person) against whom the petition is made and a statement as to whether the party is a foreign government, agency or instrumentality thereof;

(3) A concise description and citation of the foreign law, rule or government or commercial practice complained of;

(4) A certified copy of any law, rule, regulation or other document concerned, when available and, if not in English, a certified English translation thereof;

(5) Any other information relating to any law, rule or regulation, or indicating the existence of any government or commercial practice;

(6) A description of the service offered or proposed, as a result of which petitioner is alleging harm, including information which indicates the ability of the petitioner to otherwise participate in the trade;

(7) A clear description, in detail, of the harm already caused, or which may reasonably be expected to be caused, to the petitioner for a representative period, including:

(i) Statistics documenting present or prospective cargo loss due to discriminatory government or commercial practices if harm is alleged on that basis; such statistics shall include figures for the total cargo carried or projected to be carried by petitioner in the trade for the period, and the sources of the statistics;

(ii) Information documenting how the petitioner is being prevented from entering a trade, if injury is claimed on that basis;

(iii) Statistics or other information documenting the impact of discriminatory government or commercial practices resulting in an increase in costs, service restrictions, or other harm on the basis of which injury is claimed, and the sources of the statistics; and

(iv) A statement as to why the period is representative.

(8) A separate memorandum of law or a discussion of the relevant legal issues.

(9) A recommended action, rule or regulation, the result of which will, in the view of the petitioner, address the alleged conditions unduly impairing the access of petitioner to the affected trade.

(c) Deficient petition. A petition which substantially fails to comply with the requirements of paragraph (b) of this section shall be rejected and the person filing the petition shall be notified of the reasons for such rejection. Rejection is without prejudice to filing of an amended petition.

§ 560.4 Proceeding.

(a) Upon the Commission’s own motion or upon the filing of a petition which meets the requirements of § 560.3, when there are indications that conditions unduly impairing the access of a U.S. flag vessel to trade between foreign ports may exist, the Commission will institute a proceeding pursuant to this part.

(b)(1) Notice of the institution of any such proceeding will be published in the FEDERAL REGISTER, and that notice and petition, if any, will be served on the parties.

(2) Interested or adversely affected persons will be allowed a period of time to reply to the petition by the submission of written data, views or legal arguments pursuant to § 560.5 of this part. Factual submissions shall be in affidavit form.

(3) An original and 15 copies of such submissions will be filed with the Secretary, Federal Maritime Commission, Washington, DC 20573.

(c) Following the close of the initial response period, the Commission may issue a decision or order further hearings if warranted. If further hearings are ordered, they will be conducted pursuant to procedures to be outlined by the Commission in its order.

§ 560.5 Receipt of relevant information.

(a) In making its decision on matters arising under section 13(b)(6) of the Act (46 U.S.C. 41108(d)), the Commission may receive and consider relevant information from any owner, operator, or conference in an affected trade, or from any foreign government, either directly or through the Department of State or from any other reliable source. All such submissions should be supported by affidavits of fact and memorandum of law. Relevant information may include, but is not limited to:

(1) Statistics, with sources, or, if unavailable, the best estimates pertaining to:

(i) The total cargo carried in the affected liner or bulk trade by type, source, value, tonnage and direction.

(ii) Cargo carried in the affected trade on vessels owned or operated by any person or conference, by type, source, value, tonnage and direction.

(iii) The percentage such cargo carried is of the total affected liner or bulk trade, on a tonnage and value basis.

(iv) The amount of cargo reserved by a foreign government for national-flag or other vessels in the affected trade, on a tonnage and value basis, and a listing of the types of cargo and specific commodities which are reserved for national-flag or other vessels.

(2) Information on the operations of vessels of any party serving the affected trade, including sailings to and from ports in the trade, taxes or other charges paid to foreign authorities, and subsidies or other payments received from foreign authorities.

(3) Information clarifying the meaning of the foreign law, rule, regulation or practice complained of, and a description of its implementation.

(4) Complete copies of all conference and other agreements, including amendments and related documents, which apply in the trade.

(b) Once introduced or adduced, information of the character described in paragraph (a) of this section, and petitions and responses thereto, shall be made part of the record for decision and may provide the basis for Commission findings of fact and conclusions of law, and for the imposition of sanctions under the Act and this part.

§ 560.6 Notification to Secretary of State.

When there are indications that conditions unduly impairing the access of a U.S. flag vessel to trade between foreign ports may exist, the Commission shall so notify the Secretary of State and may request that the Secretary of State seek resolution of the matter through diplomatic channels. If request is made, the Commission will give every assistance in such efforts, and the Commission may request the Secretary to report the results of such efforts within a specified time period.
§ 560.7 Decision; sanctions; effective date.

(a) Upon completion of any proceeding conducted under this part, the Commission will issue and serve a decision on all parties.

(b) If the Commission finds that conditions unduly impairing access of a U.S. flag vessel to ocean trade between foreign ports exist, any of the following actions may be taken:

1. Imposition of equalizing fees or charges applied in the foreign trade of the United States;

2. Limitations on sailings to and from United States ports or on the amount or type of cargo carried;

3. (i) Suspension, in whole or in part, of any or all tariffs or service contracts for carriage to or from United States ports for any period the Commission specifies, or until such time as unimpaired access is secured for U.S. flag carriers in the affected trade.

   (ii) Acceptance or handling of cargo for carriage under a tariff that has been suspended, or after a common carrier’s right to utilize that tariff has been suspended pursuant to this part, will subject a carrier to the imposition of a civil penalty as provided under the Act (46 U.S.C. 41108(b)) of not more than $50,000 per shipment; and

4. Suspension, in whole or in part, of the right of an ocean common carrier to operate under any agreement filed with the Commission, including agreements authorizing preferential treatment at terminals, preferential terminal leases, space chartering, or pooling of cargo or revenues with other ocean common carriers;

5. Imposition of a charge not to exceed $1,000,000 per inbound or outbound movement between a foreign country and the United States by a vessel engaged in the United States oceanborne trade;

6. A request to the collector of customs at any port or place of destination in the United States to refuse the clearance required by section 4197 of the Revised Statutes (46 U.S.C. 60105), to any vessel of a foreign carrier which is or whose government is identified as contributing to the conditions described in §587.2 of this part;

7. A request to the Secretary of the department in which the Coast Guard is operating to deny entry, for purposes of oceanborne trade, of any vessel of a foreign carrier which is or whose government is identified as contributing to the conditions described in §587.2 of this part to any port or place in the United States or the navigable waters of the United States, or to detain any such vessel at the port or place in the United States from which it is about to depart for any other port or place in the United States; and

8. Any other action the Commission finds necessary and appropriate to address conditions unduly impairing access of a U.S.-flag vessel to trade between foreign ports.

(c) If the Commission finds that conditions impairing access of a U.S. flag vessel to ocean trade between foreign ports has not yet occurred, and punitive sanctions are warranted, such sanctions will be imposed to become effective simultaneously with the implementation of the action that would unduly impair the access of a U.S. flag vessel.

(d)(1) All decisions will be published in the FEDERAL REGISTER.

(2) Decisions imposing sanctions, except where conditions warrant and for good cause, will become effective 30 days after the date of publication.

(e) Any party may file a petition to reconsider any decision under this part. Such a petition shall be served on all other parties to the proceeding and shall not, in and of itself, stay the effective date of the Commission action.

§ 560.8 Submission of decision to the President.

Concurrently with the submission of any decision imposing sanctions to the FEDERAL REGISTER pursuant to §560.7(d)(1), the Commission shall transmit that decision to the President of the United States who may, within ten days after receiving the decision, disapprove it if the President finds that disapproval is required for reasons of the national defense or the foreign policy of the United States.

§ 560.9 Postponement, discontinuance, or suspension of action.

(a) The Commission may, on its own motion or upon a petition, postpone, discontinue, or suspend any action taken by it under the provisions of this part. Such a petition will be served on all other parties and will not, in and of itself, stay the effective date of Commission action.

(b) The Commission shall postpone, discontinue or suspend any action provided for in its final decision if so directed by the President for reasons of national defense or foreign policy of the United States as provided in §560.8.

PART 565—CONTROLLED CARRIERS

§ 565.1 Purpose and scope.

(a) Purpose. The regulations of this part are intended to carry out the Commission’s mandate under section 9 of the Shipping Act of 1984 (46 U.S.C. 40701–40706), as amended by the Ocean Shipping Reform Act of 1998, to monitor the practices of controlled carriers and ensure that they do not:

(1) Maintain rates or charges in their tariffs and service contracts that are below a level that is just and reasonable; nor

(2) Establish, maintain or enforce unjust or unreasonable classifications, rules or regulations in those tariffs or service contracts which result or are likely to result in the carriage or handling of cargo at rates or charges that are below a just and reasonable level.

(b) Scope. The regulations contained in this part set forth the special procedures whereby controlled carriers’ tariffs and service contracts become effective and are reviewed by the Commission. These regulations in no way exempt controlled carriers from other Commission regulations or statutory authority to which they may otherwise be subject as ocean common carriers. These regulations apply to all controlled carriers operating in the foreign commerce of the United States unless excepted under section 9(f) of the Shipping Act of 1984 (46 U.S.C. 40706), as reflected by §565.5.

(1) A majority portion of the interest in the carrier is owned or controlled in any manner by that government, by any agency thereof, or by any public or private person controlled by that government; or

(2) That government has the right to appoint or disapprove the appointment of a majority of the directors, the chief operating officer or the chief executive officer of the carrier.

§ 565.4 Notification to Commission of change in control.

Whenever the operation, control or ownership of an ocean common carrier is transferred resulting in a majority portion of the interest of that ocean common carrier being owned or controlled in any manner by a government, the ocean common carrier shall immediately send written notification of the details of the change to the Secretary of the Commission. If a carrier is newly commencing ocean common carrier operations in a United States trade, and if a majority portion of the carrier is owned or controlled by a government, or if a government may approve or disapprove the majority of directors or the chief executive or operating officer of the carrier, the carrier shall immediately send written notification to the Secretary of the details of such ownership or control.

§ 565.5 Exceptions.

All controlled carriers shall be subject to provisions of this part and section 9 of the Shipping Act of 1984 (46 U.S.C. 40701–40706) except those which meet the following exceptions:

(a) When the vessels of the controlling state are entitled by a treaty of the United States to receive national or most-favored-nation treatment; or

(b) When the controlled carrier operates in a trade served exclusively by controlled carriers.

§ 565.6 Level of rates and charges generally.

No controlled carrier may maintain or enforce rates or charges in its tariffs or service contracts that are below a level that is just and reasonable. No controlled carrier may establish or maintain unjust or unreasonable classifications, rules, or regulations in its tariffs or service contracts. An unjust or unreasonable classification, rule or regulation means one that results or is likely to result in the carriage or handling of cargo at rates or charges that are below a just and reasonable level. See §565.9(a)(2) (Rate standards).

§ 565.7 Effective rates.

(a) Generally. Except for service contracts, the rates, charges, classifications, rules or regulations of controlled carriers may not, unless the Commission has granted special permission, become effective sooner than the 30th day after the date of publication.

(b) Open rates—(1) Generally. Controlled carriers that are members of conference agreements publishing rates for commodities designated as open by the conference may, on less than 30 days’ notice, publish reduced rates on behalf of controlled carrier members for open-rated commodities:

(i) At or above the minimum level set by the conference; or

(ii) At or above the level set by a member of the conference that has not been determined by the Commission to be a controlled carrier subject to section 9 of the Shipping Act of 1984.

(b) Conference publication of reduced open rates. Notwithstanding paragraph (b)(1) of this section, a conference may, on less than 30 days’ notice, publish reduced rates on behalf of controlled carrier members for open-rated commodities:

(1) At or above the minimum level set by the conference; or

(2) Conference publication of reduced open rates. Notwithstanding paragraph (b)(1) of this section, a conference may, on less than 30 days’ notice, publish reduced rates on behalf of controlled carrier members for open-rated commodities:

(i) At or above the minimum level set by the conference; or

(ii) At or above the level set by a member of the conference that has not been determined by the Commission to be a controlled carrier subject to section 9 of the Shipping Act of 1984.

§ 565.8 Special permission.

Section 8(d) of the Shipping Act of 1984 (46 U.S.C. 40501(e)) authorizes the Commission, in its discretion and for good cause shown, to permit increases or decreases in rates, or the issuance of
new or initial rates, on less than statutory notice under §565.7. Section 9(c) of the Shipping Act of 1984 (46 U.S.C. 40703, 40704(a)) authorizes the Commission to permit a controlled carrier’s rates, charges, classifications, rules or regulations to become effective on less than 30 days’ notice. The Commission may also in its discretion and for good cause shown, permit departures from the requirements of this part. The Commission will consider such requests for special permission by controlled carriers pursuant to its procedures set forth at 46 CFR part 520.

§ 565.9 Commission review, suspension and prohibition of rates, charges, classifications, rules or regulations.

(a)(1) Request for justification. Within 20 days of a request (with respect to its existing or proposed rates, charges, classifications, rules or regulations) from the Commission, each controlled carrier shall file a statement of justification that sufficiently details the controlled carrier’s need and purpose for such rates, charges, classifications, rules or regulations upon which the Commission may reasonably base its determination of the lawfulness thereof.

(2) Rate standards. (i) In determining whether rates, charges, classifications, rules or regulations by a controlled carrier are just and reasonable, the Commission shall take into account whether the rates or charges which have been published or assessed or which would result from the pertinent rates, charges, classifications, rules or regulations are below a level which is fully compensatory to the controlled carrier based upon that carrier’s actual or constructive costs.

(ii) For the purposes of paragraph (a)(2)(i) of this section, constructive costs means the costs of another carrier, other than a controlled carrier, operating similar vessels and equipment in the same or a similar trade.

(iii) The Commission may also take into account other appropriate factors, including, but not limited to, whether:

(A) The rates, charges, classifications, rules or regulations are the same as or similar to those published or assessed by other carriers in the same trade;

(B) The rates, charges, classifications, rules or regulations are required to assure movement of particular cargo in the trade; or

(C) The rates, charges, classifications, rules or regulations are required to maintain acceptable continuity, level or quality of common carrier service to or from affected ports.

(3) Time for determination. The Commission shall determine within 120 days of the receipt of information requested by the Commission under this section, whether the rates, charges, classifications, rules or regulations of a controlled carrier may be unjust and unreasonable. Whenever the Commission is of the opinion that the rates, charges, classifications, rules or regulations published or assessed by a controlled carrier may be unjust and unreasonable, the Commission shall issue an order to the controlled carrier to show cause why those rates, charges, classifications, rules or regulations should not be prohibited.

(b) Suspension. Pending a decision on whether to prohibit the rates, charges, classifications, rules or regulations of a controlled carrier, the Commission may suspend the rates, charges, classifications, rules or regulations.

(c) Prohibition. The Commission shall prohibit the use of any rates, charges, classifications, rules or regulations that the controlled carrier has failed to demonstrate to be just and reasonable. In a proceeding under this paragraph, the burden of proof is on the controlled carrier to demonstrate that its rates, charges, classifications, rules or regulations are just and reasonable. The use of rates, charges, classifications, rules or regulations published or assessed by a controlled carrier that have been suspended or prohibited by the Commission is unlawful.

(d) Publication. All final orders of prohibition shall be published in the Federal Register.

§ 565.10 Suspension procedures, period of suspension, and replacement rates.

(a)(1) Suspension prior to effective date. Pending a determination as to their
§ 565.11 Presidential review.

The Commission shall transmit all orders of suspension or final orders of prohibition to the President of the United States concurrently with the submission of such orders to the Federal Register pursuant to §§565.9(d) or 565.10(c)(3). The President may, within 10 days of either the receipt or effective date of the order, request in writing that the Commission stay the effect of the order for reasons of national defense or foreign policy.

§ 565.12 Stay, postponement, discontinuance or suspension of action.

The Commission may, on its own motion or upon petition, postpone, discontinue, or suspend any and all actions taken by it under the provisions of this part. The Commission shall immediately stay the effect of any order issued under this part as requested by the President pursuant to §565.11.
