

Federal Communications Commission

§ 14.31

shall not require manipulation of a connector by the user.

(2) *Connection point for external audio processing devices.* Products providing auditory output shall provide the auditory signal at a standard signal level through an industry standard connector.

(3) *TTY connectability.* Products that provide a function allowing voice communication and which do not themselves provide a TTY functionality shall provide a standard non-acoustic connection point for TTYs. It shall also be possible for the user to easily turn any microphone on and off to allow the user to intermix speech with TTY use.

(4) *TTY signal compatibility.* Products, including those providing voice communication functionality, shall support use of all cross-manufacturer non-proprietary standard signals used by TTYs.

Subpart D—Recordkeeping, Consumer Dispute Assistance, and Enforcement

§ 14.30 Generally.

(a) The rules in this subpart regarding recordkeeping and enforcement are applicable to all manufacturers and service providers that are subject to the requirements of sections 255, 716, and 718 of the Act and parts 6, 7 and 14 of this chapter.

(b) The requirements set forth in § 14.31 of this subpart shall be effective January 30, 2013.

(c) The requirements set forth in §§ 14.32 through 14.37 of this subpart shall be effective on October 8, 2013.

§ 14.31 Recordkeeping.

(a) Each manufacturer and service provider subject to section 255, 716, or 718 of the Act, must create and maintain, in the ordinary course of business and for a two year period from the date a product ceases to be manufactured or a service ceases to be offered, records of the efforts taken by such manufacturer or provider to implement sections 255, 716, and 718 with regard to this product or service, as applicable, including:

(1) Information about the manufacturer's or service provider's efforts to

consult with individuals with disabilities;

(2) Descriptions of the accessibility features of its products and services; and

(3) Information about the compatibility of its products and services with peripheral devices or specialized customer premise equipment commonly used by individuals with disabilities to achieve access.

(b) An officer of each manufacturer and service provider subject to section 255, 716, or 718 of the Act, must sign and file an annual compliance certificate with the Commission.

(1) The certificate must state that the manufacturer or service provider, as applicable, has established operating procedures that are adequate to ensure compliance with the recordkeeping rules in this subpart and that records are being kept in accordance with this section and be supported with an affidavit or declaration under penalty of perjury, signed and dated by the authorized officer of the company with personal knowledge of the representations provided in the company's certification, verifying the truth and accuracy of the information therein.

(2) The certificate shall identify the name and contact details of the person or persons within the company that are authorized to resolve complaints alleging violations of our accessibility rules and sections 255, 716, and 718 of the Act, and the agent designated for service pursuant to § 14.35(b) of this subpart and provide contact information for this agent. Contact information shall include, for the manufacturer or the service provider, a name or department designation, business address, telephone number, and, if available TTY number, facsimile number, and email address.

(3) The annual certification must be filed with the Commission on April 1, 2013 and annually thereafter for records pertaining to the previous calendar year. The certificate must be updated when necessary to keep the contact information current.

(c) Upon the service of a complaint, formal or informal, on a manufacturer or service provider under this subpart, a manufacturer or service provider must produce to the Commission, upon
