its shared location, the carriage rights under such section that would apply to such station at such location if it were not sharing a channel.

Note 1 to §76.56: Section 76.1620 provides notification requirements for a cable operator who authorizes subscribers to install additional receiver connections, but does not provide the subscriber with such connections, or with the equipment and materials for such connections.

Note 2 to §76.56: Section 76.1614 provides response requirements for a cable operator who receives a written request to identify its must-carry signals.

Note 3 to §76.56: Section 76.1709 provides recordkeeping requirements with regard to a cable operator's list of must-carry signals.

57 CFR Ch. I (10–1–14 Edition) § 76.57 Channel positioning.

(a) At the election of the licensee of a local commercial broadcast television station, and for the purpose of this section, a qualified low power television station, carried in fulfillment of the must-carry obligations, a cable operator shall carry such signal on the cable system channel number on which the local commercial television station is broadcast over the air, or on the channel on which it was carried on July 19, 1985, or on the channel on which it was carried on January 1, 1992.

(b) At the election of the licensee of a qualified local NCE broadcast television station carried in fulfillment of the must-carry obligations, a cable operator shall carry such signal on the cable system channel number on which the qualified NCE television station is broadcast over the air, or on the channel on which it was carried on July 19, 1985.

(c) With respect to digital signals of a television station carried in fulfillment of the must-carry obligations, a cable operator shall carry the information necessary to identify and tune to the broadcast television signal.

(d) Any signal carried in fulfillment of the must-carry obligations may be carried on such other channel number as is mutually agreed upon by the station and the cable operator.

(e) At the time a local commercial station elects must-carry status pursuant to §76.64, such station shall notify the cable system of its choice of channel position as specified in paragraphs (a), (b), and (d) of this section. A qualified NCE stations shall notify the cable system of its choice of channel position when it requests carriage. Channel positioning requests from local commercial stations shall be fulfilled by the cable operator no later than October 6, 1993.

(f) Pursuant to §76.64(f)(3), a local commercial broadcast television station that fails to make an election is deemed a must-carry station. A cable operator shall carry such a television station on the cable system channel number on which the local commercial television station is broadcast over the air, or on the channel on which it was carried on July 19, 1985, or on the channel on which it was carried on January 1, 1992. In the event that none of these specified channel positions is available due to a channel positioning request from a commercial television station affirmatively asserting its must-carry rights or such a request from a qualified local noncommercial educational station, the cable operator shall place the signal of such a television station on a channel of the cable system's choice, so long as that channel is included on the basic service tier.

Note to §76.57: Any existing agreement for channel position between a local commercial station entitled to must-carry status and a cable operator entered into prior to June 26, 1990, may continue through the expiration of such agreement.

§76.59 Modification of television markets.

(a) The Commission, following a written request from a broadcast station or a cable system, may deem that the television market of a particular commercial television broadcast station should include additional communities within its television market or exclude communities from such station's television market. In this respect, communities may be considered part of more than one television market.
§ 76.60 Compensation for carriage.

A cable operator is prohibited from accepting or requesting monetary payment or other valuable consideration in exchange either for carriage or channel positioning of any broadcast television station carried in fulfillment of the must-carry requirements, except that

(a) Any such station may be required to bear the costs associated with delivering a good quality signal or a baseband video signal to the principal headend of the cable system; or

(b) A cable operator may accept payments from stations which would be considered distant signals under the cable compulsory copyright license, 17 U.S.C. 111, as indemnification for any increased copyright liability resulting from carriage of such signal.

Note: A cable operator may continue to accept monetary payment or other valuable consideration in exchange for carriage or channel positioning of the signal of any local commercial television station carried in fulfillment of the must-carry requirements, through, but not beyond, the date of expiration of an agreement between a cable operator and a local commercial television station entered into prior to June 26, 1990.

(c) A cable operator may accept payments from stations pursuant to a retransmission consent agreement, even if such station will be counted towards the must-carry complement, as long as all other applicable rules are adhered to.

§ 76.61 Disputes concerning carriage.

(a) Complaints regarding carriage of local commercial television stations. (1) Whenever a local commercial television station or a qualified low power television station believes that a cable operator has failed to meet its carriage or channel positioning obligations, pursuant to §§76.56 and 76.57, such station shall notify the operator, in writing, of the alleged failure and identify its reasons for believing that the cable operator is obligated to carry the signal of such station or position such signal on a particular channel.
