specified in the solicitation by the contracting officer in the Certification Regarding Knowledge of Child Labor for Listed End Products; or

(2)(i) It has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any end product to be furnished under the contract that is on the List and was mined, produced, or manufactured in a country identified on the List for that product; and

(ii) On the basis of those efforts, the offeror is unaware of any such use of child labor.

(d) Absent any actual knowledge that the certification is false, the contracting officer must rely on the offerors' certifications in making award decisions.

(e) Whenever a contracting officer has reason to believe that forced or indentured child labor was used to mine, produce, or manufacture an end product furnished pursuant to a contract awarded subject to the certification required in paragraph (c) of this section, the contracting officer must refer the matter for investigation by the agency's Inspector General, the Attorney General, or the Secretary of the Treasury, whichever is determined appropriate in accordance with agency procedures, except to the extent that the end product is from the country listed in paragraph (b) of this section, under a contract exceeding the applicable threshold.

(f) Proper certification will not prevent the head of an agency from imposing remedies in accordance with section 22.1504(a)(4) if it is later discovered that the contractor has furnished an end product or component that has in fact been mined, produced, or manufactured, wholly or in part, using forced or indentured child labor.

(b) The Secretary has determined that the notice must contain employee rights under the National Labor Relations Act (Act), 29 U.S.C. 151 *et seq.* The

(2) Subcontracts of \$10,000 or less; and

(3) Contracts or subcontracts for work performed exclusively outside the United States.

(b) *Exemptions granted by the Secretary.* (1) If the Secretary finds that the requirements of the Executive Order impair the ability of the Government to procure goods and services on an economical and efficient basis or if special circumstances require an exemption in order to serve the national interest, the Secretary may exempt a contracting department or agency, or groups of departments or agencies, from the requirements of any or all of the provisions of this Executive Order with respect to a particular contract or subcontract, or any class of contracts or subcontracts, including the requirement to include the clause at 52.222-40, or parts of that clause, in contracts.

(2) Requests for exemptions may be submitted in accordance with Department of Labor regulations at 29 CFR 471.3.

(a) The Secretary may conduct compliance evaluations or investigate complaints of any contractor or subcontractor to determine if any of the requirements of the clause at 52.222-40 have been violated.

(b) Contracting departments and agencies shall cooperate with the Secretary and provide such information and assistance as the Secretary may require in the performance of the Secretary's functions.
