This subpart prescribes policies, standards, and procedures for determining whether prospective contractors and subcontractors are responsible.

9.101 Definitions.

Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative Proceedings, Civilian Board of Contract Appeals Proceedings, and Armed Services Board of Contract Appeals Proceedings). This includes administrative proceedings at the Federal and state level but only in connec-

Surveying activity, as used in this subpart, means the cognizant contract administration office or, if there is no such office, another organization designated by the agency to conduct preaward surveys.
