(b) Unpriced change orders for foreign military sales and special access programs are not subject to this subsection, but the contracting officer shall apply the policy and procedures to them to the maximum extent practicable. If the contracting officer determines that it is impracticable to adhere to the policy and procedures of this subsection for an unpriced change order for a foreign military sale or a special access program, the contracting officer shall provide prior notice, through agency channels, to the Deputy Director, Defense Procurement and Acquisition Policy (Contract Policy and International Contracting), 3060 Defense Pentagon, Washington, DC 20301-3060.

(2) The date on which the amount of funds obligated under the change order is equal to more than 50 percent of the not-to-exceed price.

(b) Submission of a qualifying proposal in accordance with the definitization schedule is a material element of the contract. (b) Obligations should be consistent with the contractor's requirements for the undefinitized period.

(a) Any reduced cost risk to the contractor for costs incurred during contract performance before negotiation of the final price;

(b) The contractor's reduced cost risk for costs incurred during performance of the remainder of the contract; and

(c) The extent to which costs have been incurred prior to definitization of the contract action (see 215.404-71-3(d)(2)). The risk assessment shall be documented in the contract file.
