act specifically authorizing contracts with Indian organizations; and,

(3) A contracting activity other than the Bureau of Indian Affairs where the work to be performed is specifically for the benefit of Indians and is in addition to any incidental benefits which might otherwise accrue to the general public.

(b) The CO shall insert the clause at 1452.226-71, Indian Preference Program—Department of the Interior, in all solicitations issued and contracts awarded by a contracting activity which may exceed \$50,000, which contain the clause required by paragraph (a) of this section and where it is determined by the CO, prior to solicitation, that the work under the contract will be performed in whole or in part on or near an Indian reservation(s). The Indian Preference Program clause may also be included in solicitations issued and contracts awarded by a contracting activity which may not exceed \$50,000, but which contain the clause required by paragraph (a) of this section and which, in the opinion of the CO, offer substantial opportunities for Indian employment, training or sub-contracting.

1426.7004 Compliance enforcement.

(a) The CO is responsible for conducting periodic reviews of the contractor to ensure compliance with the requirements of the clauses prescribed in 1426.7003. These reviews may be conducted with the assistance of the Indian Tribe(s) concerned.

The supplemental requirements shall be jointly developed for the contract by

the CO and the Tribe. Supplemental preference requirements must represent a further implementation of the requirements of Section 7(b) of Public Law 93-638 and must be approved by the SOL for legal sufficiency before being added to a solicitation and resultant contract. Any supplemental preference requirements to be added to the clause at 1452.226-71 shall be included in the solicitation and clearly identified in order to ensure uniform understanding of the additional requirements by all prospective bidders or offerors.

(b) Nothing in this section shall be interpreted to preclude Tribes from independently developing and enforcing their own tribal preference requirements. Such independently developed tribal preference requirements shall not, except as provided in paragraph (a) of this section, become a requirement in contracts covered under this subpart 1426.70 and must not hinder the Government's right to award contracts and to administer their provisions.

The Environmental Protection Agency has delegated responsibility for preparing the report, which includes contracts for Superfund hazardous waste clean-up awarded by other agencies.

1426.7103-2 Requirements.
