

1631.205-71

48 CFR Ch. 16 (10-1-14 Edition)

1631.205-71 FEHBP bad debts.

Erroneous benefit payments are not automatically disallowed by FAR 31.205-3.

1631.205-72 FEHBP compensation for personal services.

(a) Overtime on an FEHBP contract would normally meet the condition specified in FAR 22.103. Premiums for overtime, extra-pay shifts, and multi-shifts meeting the specified conditions shall be allowed without prior approval.

(b)(1) The costs of compensated personal absence shall be assigned to the cost accounting period or periods in which entitlement was earned. Entitlement means an employee's right, whether conditional or unconditional, to receive a determinable amount of compensated personal absence, or pay in lieu thereof.

(2) If at the beginning of the 1st year a carrier subject to paragraph (b)(1) of this section has a liability for accrued but unpaid expenses for compensated personal absences that would otherwise be allocable to FEHB contracts, the carrier may include such costs in a suspense account. The suspense account may be amortized and included in government contract costs at a rate not exceeding 20 percent per year.

1631.205-73 FEHBP interest expense.

(a) Interest charges incurred in the administration of FEHBP contracts are not allowable in accordance with FAR 31.205-20. However, interest charges that are associated with the carrier's investment of FEHBP account funds are not considered administrative costs and may be allowable under very limited circumstances if all of the following criteria are met:

(1) Borrowing is limited to the positive balance of the carrier's entire FEHBP investment portfolio;

(2) FEHBP funds are tied up in long-term securities;

(3) Liquidation of long-term securities would cost more than the cost of the interest;

(4) The interest rates charged are at or below current market rates; and

(5) Advance written approval of the contracting officer is obtained before such costs are incurred.

(b) The carrier must demonstrate on a case-by-case basis that borrowing rather than cashing in long-term investments shall actually result in cost savings to the FEHB Program. Satisfactory demonstration of cost savings is a prerequisite to contracting officer approval of the interest cost as a charge to the contract.

(c) If the interest charge is allowed, the risk factor in the service charge will be adjusted downward so that the carrier does not recover interest costs through both the service charge and an allowance under this paragraph.

1631.205-74 FEHBP losses on other contracts.

FAR 31.205-23 shall not be construed to prohibit the application of the normal "loss carry forward" principle that is fundamental to continuing insurance contracts that are based on experience rating.

1631.205-75 Selling costs.

(a) FAR 31.205-38 is modified to eliminate from allowable costs those costs related to sales promotion and the payment of sales commissions fees or salaries to employees or outside commercial or selling agencies for enrolling Federal subscribers in a particular FEHB plan.

(b) Selling costs are allowable costs to FEHBP contracts to the extent that they are necessary for conducting annual contract negotiations with the Government and for liaison activities necessary for ongoing contract administration. Personnel and related travel costs are allowable for attendance at Open Season Health fairs and other similar activities at which carriers give enrollees information about their choices among health plans (but see FAR 31.205-1 'Public relations and advertising costs', and The Federal Employees Health Benefits Handbook for Personnel and Payroll Offices, Subchapter S2-3(f) 'Controlling contacts between employees and carriers').
