(c) The prescribed use and non-disclosure agreement is:

USE AND NON-DISCLOSURE AGREEMENT

The undersigned, *[Insert Name]*, an authorized representative of the *[Insert Company Name]*, (which is hereinafter referred to as the "recipient") requests the Government to provide the recipient with proprietary data, technical data, or computer software (hereinafter referred to as "data") in which the Government's use, modification, reproduction, release, performance, display, or disclosure rights are restricted. Those data are identified in an attachment to this agreement. In consideration for receiving such data, the recipient agrees to use the data strictly in accordance with this agreement.

The recipient shall not release, perform, display, or disclose these data, without the express written permission of the contractor whose name appears in the restrictive legend (the contractor), to any person other than its subcontractors or suppliers, or prospective subcontractors or suppliers, who require these data to submit offers for, or perform, contracts with the recipient. The recipient shall require its subcontractors or suppliers, or prospective subcontractors or suppliers, to sign a use and non-disclosure agreement prior to disclosing or releasing these data to such persons. Such an agreement must be consistent with the terms of this agreement.

(ii) Use, modify, reproduce, release, perform, display, or disclose proprietary data or technical data marked with limited rights legends only as specified in the attachment to this agreement. Release, performance, display, or disclosure to other persons is not authorized unless specified in the attachment to this agreement or expressly permitted in writing by the contractor.

(3) The recipient agrees to accept these data "as is" without any Government representation as to suitability for intended use or warranty whatsoever. This disclaimer does not affect any obligation the Government may have regarding data specified in a contract for the performance of that contract.

(4) The recipient may enter into any agreement directly with the contractor with respect to the use, modification, reproduction, release, performance, display, or disclosure of these data.

(5) The recipient agrees to indemnify and hold harmless the Government, its agents, and employees from every claim or liability, including attorneys fees, court costs, and expenses arising out of, or in any way related to, the misuse or unauthorized modification, reproduction, release, performance, display, or disclosure of data received from the Government with restrictive legends by the recipient or any person to whom the recipient has released or disclosed the data.

(6) The recipient is executing this agreement for the benefit of the contractor. The contractor is a third party beneficiary of this agreement who, in addition to any other rights it may have, is intended to have the rights of direct action against the recipient or any other person to whom the recipient has released or disclosed the data, to seek damages from any breach of this agreement, or to otherwise enforce this agreement.

Such data or software may not be released or disclosed to other persons unless permitted by the license and, prior to release or disclosure, the intended recipient has completed the use and non-disclosure agreement. The contractor shall modify paragraph (c)(1)(iii) of the use and non-disclosure agreement (3452.227-72) to reflect the recipient's obligations regarding use, modification, reproduction, release, performance, display, and disclosure of the data or software.
