

and reprinting the materials and publications. In either case, the addition or revision must be specially noted.

§ 27.17 Effect of State or local law.

The obligation to comply with this part is not obviated or affected by any State or local law.

§ 27.19 Compliance with Americans with Disabilities Act requirements and FTA policy.

(a) Recipients subject to this part (whether public or private entities as defined in 49 CFR part 37) shall comply with all applicable requirements of the Americans with Disabilities Act (ADA) of 1990 (42 U.S.C. 12101–12213) including the Department's ADA regulations (49 CFR parts 37 and 38), the regulations of the Department of Justice implementing titles II and III of the ADA (28 CFR parts 35 and 36), and the regulations of the Equal Employment Opportunity Commission (EEOC) implementing title I of the ADA (29 CFR part 1630). Compliance with the EEOC title I regulations is required as a condition of compliance with section 504 for DOT recipients even for organizations which, because they have fewer than 25 or 15 employees, would not be subject to the EEOC regulation in its own right. Compliance with all these regulations is a condition of receiving Federal financial assistance from the Department of Transportation. Any recipient not in compliance with this requirement shall be subject to enforcement action under subpart C of this part.

(b) Consistent with FTA policy, any recipient of Federal financial assistance from the Federal Transit Administration whose solicitation was made before August 26, 1990, and is for one or more inaccessible vehicles, shall provide written notice to the Secretary (e.g., in the case of a solicitation made in the past under which the recipient can order additional new buses after the effective date of this section). The Secretary shall review each case individually, and determine whether the Department will continue to participate in the Federal grant, consistent with the provisions in the grant agree-

ment between the Department and the recipient.

Subpart B—Accessibility Requirements in Specific Operating Administration Programs: Airports, Railroads, and Highways

§ 27.71 Airport facilities.

(a) This section applies to all terminal facilities and services owned, leased, or operated on any basis by a recipient of DOT financial assistance at a commercial service airport, including parking and ground transportation facilities.

(b) Airport operators shall ensure that the terminal facilities and services subject to this section shall be readily accessible to and usable by individuals with disabilities, including individuals who use wheelchairs. Airport operators shall be deemed to comply with this section 504 obligation if they meet requirements applying to state and local government programs or activities and facilities under Department of Justice (DOJ) regulations implementing Title II of the Americans with Disabilities Act (ADA).

(c) The airport shall ensure that there is an accessible path between the gate and the area from which aircraft are boarded.

(d) Systems of inter-terminal transportation, including, but not limited to, shuttle vehicles and people movers, shall comply with applicable requirements of the Department of Transportation's ADA rules.

(e) The Americans with Disabilities Act Accessibility Guidelines (ADAAGs), including section 10.4 concerning airport facilities, shall be the standard for accessibility under this section.

(f) Contracts or leases between carriers and airport operators concerning the use of airport facilities shall set forth the respective responsibilities of the parties for the provision of accessible facilities and services to individuals with disabilities as required by this part and applicable ADA rules of
