

Federal Railroad Administration, DOT

§ 260.25

(2) Any other debits or credits existing between the Applicant and the United States, showing the department or agency involved in such loans, claims and other debts;

(h) To the extent such information is available, an analysis that includes:

(1) A statement, together with supporting evidence including copies of all market analyses and studies that have been performed to determine present and future demand for rail services or facilities, that the financing is justified by present and future probable demand for rail services or facilities, will meet existing needs for such services or facilities, and will provide shippers or passengers with improved service;

(2) Description of the impact of the project upon the projected freight or passenger traffic to be originated, terminated, or carried by the Applicant for at least the five years immediately following completion of the project;

(3) Explanation of the manner in which the project will increase the economical and efficient utilization of equipment and facilities; and

(4) Description of cost savings or any other benefit which would accrue to the Applicant from the project;

(i) A statement as to how the project will contribute to, or enhance, the safe operation of the railroad, considering such factors as the occupational safety and health of the employees and the improvement of the physical and other conditions that have caused or may cause serious injury or loss of life to the public or significant property damage;

(j) A statement of the Applicant's maintenance program for its entire rail system and planned maintenance program for the equipment or facilities financed by the proceeds of the financial assistance;

(k) A certified statement in the form contained in §260.31(d) that Applicant will pay to the Administrator, in accordance with §260.11, the investigation charge with respect to the application.

(l) Information relevant to the potential environmental impacts of the project in the context of applicable Federal laws;

(m) Any additional information that the Applicant deems appropriate to convey a full and complete under-

standing of the project, the project's relations to the priorities listed in §260.7, and its impact, or to assist the Administrator in making the statutorily prescribed findings; and

(n) Any other information which the Administrator may deem necessary concerning an application filed under this part.

(o) Railroad applicants must also submit a copy of application for financing for the project in the private sector, including terms requested, from at least one commercial lender, and its response refusing to provide such financing.

§ 260.25 Additional information for Applicants not having a credit rating.

Each application submitted by Applicants not having a recent credit rating from one or more nationally recognized rating agencies shall include, in the order indicated and identified by applicable numbers and letters corresponding to those used in this section, the following information:

(a) A narrative statement detailing management's business plan to enhance Applicant's ability to provide rail services including a discussion of the following:

(1) Applicant's current and prospective traffic base, including by commodity and geographic region, major markets served, major interchange points, and market development plans;

(2) Applicant's current operating patterns, and plans, if any, to enhance its ability to serve its current and prospective traffic base;

(3) System-wide plans to maintain equipment and rights-of-way at current or improved levels; and

(4) Specific plans for rationalization of marginal or uneconomic services;

(b) Detailed financial information, including:

(1) Financial statements prepared by a Certified Public Accountant (audited, if available), for the four calendar years immediately preceding the date of filing of the application, including:

(i) A copy of Applicant's most recent year-end general balance sheet and a copy of Applicant's most recent unaudited general balance sheet; and

(ii) Applicant's most recent annual income statement and a spread sheet

§ 260.27

49 CFR Ch. II (10–1–14 Edition)

showing unaudited monthly and year-to-date income statement data up to the date the application is filed;

(2) Projected financial statements, including spread sheets showing for each of the four years subsequent to the year in which the application is filed, both before and after giving effect to the proceeds of the assistance requested in the application:

(i) Forecasted annual income statement;

(ii) Forecasted year-end balance sheets. These spread sheets shall be accompanied by a statement setting forth the bases for such forecasts; and

(iii) A spread sheet showing changes in financial position for the year in which the application is filed, including the period ending on the date of the application based upon actual data and the period from the date of the application to the end of the year, based upon estimated and forecasted data;

(c) Capital spending plans for the next five years;

(d) Cash flow projections;

(e) Contingency plans for termination of the project before completion, if necessary; and

(f) A narrative description of Applicant's management team, including:

(1) Rail experience of top management;

(2) Management's plans for achieving growth and its long-term capital spending plan; and

(3) A narrative description of Applicant's workforce and the historical rate of employee turnover.

§ 260.27 Additional information for loan guarantees.

Applications for a loan guarantee shall also include in the order indicated and identified by applicable numbers and letters corresponding to those used in this section, the following information:

(a) With respect to each existing obligation to be refinanced or proposed obligation:

(1) A certified copy of proposed or executed obligation agreements;

(2) A detailed description of the obligation, and a description of the series or issue of which the obligation is, or will be, a part, including:

(i) Effective date, or anticipated effective date;

(ii) Where a guarantee is sought for an outstanding obligation being refinanced, actual effective rate of interest; or where the obligation is new, the terms of the proposed obligation including the proposed effective rate of interest; and

(iii) All related documents, whether executed or proposed;

(3) For an existing obligation, the Applicant's payment history on that obligation; and

(b) With respect to each existing Lender, Holder, or prospective Lender, a statement as to:

(1) Full and correct name and principal business address;

(2) Reference to applicable provisions of law and the charter or other governing instruments conferring authority to do business on the Lender, Holder, or prospective Lender;

(3) Brief statement of the circumstances and negotiations leading to the agreement by the Lender, Holder, or prospective Lender to make the loan;

(4) Brief statement of the nature and extent of any affiliation or business relationship between the Lender, Holder, or prospective Lender and the Applicant or any of Applicant's directors, partners, or principal executive officers; and.

(5) Full and complete statement of all sums to be provided by the Lender or Holder, or to be provided by the prospective Lender in connection with the proposed obligation including:

(i) Name and address of each person to whom the payment has been made or will be made and nature of any affiliation, association, or prior business relationship between any person named in this paragraph and the Lender, Holder or prospective Lender or any of its directors, partners, or officers; and

(ii) Amount of the cash payment, or the nature and value of other consideration.

§ 260.29 Third party consultants.

Applicants may utilize independent third-party consultants to prepare a financial evaluation of the proposed project and the applicant, if approved by FRA. Providing such an evaluation
