Federal Motor Carrier Safety Administration, DOT

§ 385.203 What are the requirements to obtain and maintain certification?

(a) After June 17, 2002, a person who is not qualified under §385.201(a) may not perform a compliance review, safety audit, roadability review, or roadside inspection unless he or she has been certified by FMCSA or a State or local agency applying the FMCSA standards after successfully completing classroom training and examinations on the FMCSR and HMRs as described in detail on the FMCSA website (www.fmcsa.dot.gov). These employees must also comply with the maintenance of certification/qualification requirements of paragraph (b) of this section.

(b) Maintenance of certification/qualification. A person may not perform a compliance review, safety audit, roadability review, or roadside inspection unless he or she meets the quality-control and periodic re-training requirements adopted by the FMCSA to ensure the maintenance of high standards applicable to all carriers regulated by the FMCSA.
