(b) *Required dealer qualifications for registration.* A dealer seeking to register must have:

- (1) A currently operating new automobile dealership and business address within a State in the United States;
- (2) A currently active business license under the law of the State where the new automobile dealership is located to operate that dealership;

- (5) The ability to submit application materials and perform transactions electronically using the Internet; and
- (6) Not been convicted of a crime involving motor vehicles or any fraud or financial crime under State or Federal law.

(c) *Registration procedures.*

(2) A dealer contacted in accordance with paragraph (c)(1) of this section may register electronically as a participating dealer under the CARS Program by using the authorization code and following the instructions provided in the letter mailed under paragraph (c)(1) of this section, and submitting the following information electronically or validating the information, where it exists already on an electronic form:
