## § 950.201

qualified PCFO cannot be found, the local CFC will be canceled. No workplace solicitation of any Federal employee in the campaign area is authorized and payroll allotments cannot be accepted and honored during the duration of the cancellation of the CFC.

### § 950.108 Preventing coercive activity.

True voluntary giving is fundamental to Federal fundraising activities. Actions that do not allow free choices or create the appearance employees do not have a free choice to give or not to give, or to publicize their gifts or to keep them confidential, are contrary to Federal fundraising policy. Activities contrary to the non-coercive intent of Federal fundraising policy are not permitted in campaigns. They include, but are not limited to:

(a) Solicitation of employees by their supervisor or by any individual in their supervisory chain of command. This does not prohibit the head of an agency to perform the usual activities associated with the campaign kick-off and to demonstrate his or her support of the CFC in employee newsletters or other routine communications with the Federal employees.

(b) Supervisory inquiries about whether an employee chose to participate or not to participate or the amount of an employee's donation. Supervisors may be given nothing more than summary information about the major units that they supervise.

(c) Setting of 100 percent participation goals.

(d) Establishing personal dollar goals and quotas.

(e) Developing and using lists of non-contributors.

(f) Providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and allotments, and as allowed under § 950.601.

(g) Using as a factor in a supervisor's performance appraisal the results of the solicitation in the supervisor's unit or organization.

### § 950.109 Avoidance of conflict of interest.

Any Federal employee who serves on the LFCC, on the eligibility committee, or as a Federal agency fund-

raising program coordinator, must not serve in any official capacity in any organization that serves as the PCFO of the local CFC, or participate in any decisions where, because of membership on the board or other affiliation with a charitable organization, there could be or appear to be a conflict of interest under any statute, regulation, Executive order, or applicable agency standards of conduct. Under no circumstances may an LFCC member affiliated with an organization applying for inclusion on the local list, participate in the eligibility determinations.

### § 950.110 Prohibited discrimination.

Discrimination for or against any individual or group on account of race, color, religion, sex, national origin, age, handicap, or political affiliation is prohibited in all aspects of the management and the execution of the CFC. Nothing herein denies eligibility to any organization, which is otherwise eligible under this part to participate in the CFC, merely because such organization is organized by, on behalf of, or to serve persons of a particular race, color, religion, sex, national origin, age, or handicap.

## Subpart B—Eligibility Provisions

### § 950.201 National/international eligibility.

(a) The Director shall annually:

(1) Determine the timetable and other procedures regarding application for inclusion in the National/International and International parts of the Charity List.

(2) Determine which organizations among those that apply qualify to be included in the National/International and International parts of the Charity List and then provide these parts of the Charity List of qualified organizations to all local campaigns. In order to determine whether an organization may participate in the campaign, the Director may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. The Director

## § 950.202

## 5 CFR Ch. I (1–1–14 Edition)

retains the ultimate authority to decide whether the organization has demonstrated, to the Director's satisfaction, that the organization has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to the Director's request for information within 10 business days of the date of the request may result in a determination that the organization will not be included in the Charity List.

(b) The National/International and International parts of the Charity List shall be included in the Charity List in accordance with these regulations. The Charity List will include each organization's CFC code and other information as determined by OPM. These CFC codes must be verbatim reproduced in the Charity List.

(c) An organization on the National/International or International parts of the Charity List may elect to be removed from the applicable part of the Charity List and have its local affiliate or subunit listed on the Local part of the Charity List of organizations in its stead. For the local affiliate or subunit to be listed in lieu of the organization on the National/International or International parts, the following procedures must be followed:

(1) The organization must send a letter to the local affiliate or subunit in that particular geographic CFC, waiving its listing on the National/International or International part of the Charity List so that its eligible local affiliate or subunit listed in the Local part of the Charity List in that geographic CFC will appear as that organization's sole listing in the Charity List.

(2) The local affiliate or subunit will include in its application to the LFCC a copy of the letter authorizing the removal of the organization from the National/International or International part of the Charity List, as well as all the required materials for completing a local organization application.

(3) Upon finding the local organization eligible, the waiver letter from the organization on the National/International or International part authorizes the LFCC to delete that organiza-

tion from the National/International or International part of the Charity List.

### **§ 950.202 National/international eligibility requirements.**

(a) Certify that it provides or conducts real services, benefits, assistance, or program activities, in 15 or more different states or a foreign country over the 3 year period immediately preceding the start of the year involved. This requirement cannot be met on the sole basis of services provided through an "800" telephone number or by disseminating information and publications via the U.S. Postal Service, the internet, or a combination thereof. A schedule listing a detailed description of the services in each state (minimum 15) or foreign countries (minimum 1), including the year of service, must be included with the CFC application. The schedule must make a clear showing of national or international presence. Broad descriptions of services and identical repetitive narratives will not be accepted in the sole discretion of OPM if they do not allow OPM to adequately determine that real services were provided or to accurately determine the individuals or entities who benefited. Providing listings of affiliated groups does not sufficiently demonstrate provision of real services by the applicant. Location of residence of organization members or location of residence of visitors to a facility does not substantiate provision of services. Organizations that issue student scholarships or fellowships must indicate the state in which the recipient resides, not the state of the school or place of fellowship. Mere dissemination of information does not demonstrate acceptable provision of real services. While it is not expected that an organization maintain an office in each state or foreign country, a clear showing must be made of the actual services, benefits, assistance or activities provided in each state or foreign country. De minimis services, benefits, assistance, or other program activities in any state or foreign country will not be accepted as a basis for qualification as a national or international organization.
