

## § 950.402

## 5 CFR Ch. I (1–1–14 Edition)

(j) *Multiple Listing Prohibited.* Except as provided in paragraph (i) of this section, once an organization is deemed eligible, it is entitled to only one listing in the Charity List, regardless of the number of federations to which that organization belongs.

(k) The LFCC may omit the 25-word program description from the CFC Charity List if, in the immediately preceding campaign period, contributions received in the local CFC totaled less than \$100,000 or if the LFCC can demonstrate to the satisfaction of the Director that it can make the same information available electronically without disrupting donor opportunities to contribute.

### § 950.402 Pledge form.

(a) The Director will make available each campaign period at least one model pledge form which shall be reproduced at the local level.

(b) Campaigns may incorporate additional giving levels to the Director's authorized pledge form. Campaigns may also include their award recognition program. No further modifications to the pledge form are permitted unless approved in advance by the Director.

(c) An employee may not make a designation to an organization not listed in the Charity List. In addition, an employee may not make a CFC contribution to an organization listed in the Charity List of a campaign covering a geographic location different from the campaign where the employee works, except in cases of emergencies or disasters as approved by the Director. This restriction does not apply upon implementation of electronic technology that removes the geographic restrictions on giving as announced by the Director. Designations made to organizations not listed in the Charity List are not invalid, but will be treated as undesignated funds and distributed accordingly.

(d) In the event the PCFO receives a pledge form that has designations that add up to less than the total amount pledged, the PCFO must honor the total amount pledged and treat the excess amount as undesignated funds. In the event that a PCFO receives a

pledge form that has a total amount pledged that is less than the sum of the individual designations, the PCFO must honor the designations by assigning a proportionate share of the total gift to each organization designated. For example, if an employee indicates a total gift of \$100 on the pledge form, but designates \$50 to one organization and \$25 to each of three other organizations, the PCFO must adjust the pledges proportionately by entering a pledge of \$40 to the first organization and \$20 to each of the three other organizations.

## Subpart E—Undesignated Funds

### § 950.501 Applicability.

(a) All undesignated funds shall be distributed to all of the organizations in the CFC Charity List in the same proportion that they received designations in the campaign.

(b) The distribution of undesignated funds described in § 950.501(a) applies to all domestic area campaigns. It does not apply to the DOD Overseas Campaign.

(c) The Director may alter the distribution of undesignated funds as local campaign circumstances may require or to enforce the distribution method described herein.

## Subpart F—Miscellaneous Provisions

### § 950.601 Release of contributor information.

(a) The pledge form, designed pursuant to § 950.402, must allow a contributor to indicate if the contributor does wish his or her name, contribution amount, and home contact information forwarded to the charitable organization or organizations designated. A PCFO's failure to honor a contributor's wish may result in the PCFO being sanctioned or penalized as provided for in § 950.603(a).

(b) The pledge form shall permit a contributor to specify which information, if any, he or she wishes released

to organizations receiving his or her donations.

(c) It is the responsibility of the PCFO to forward the contributor information for those who have indicated that they wish this information released to the recipient organization directly, if the organization is independent, and to the organization's federation if the organization is a member of a federation. The PCFO may not sell or make any other use of this information.

### § 950.602 Solicitation methods.

(a) Employee solicitations shall be conducted during duty hours using methods that permit true voluntary giving and shall reserve to the individual the option of disclosing any gift or keeping it confidential. Campaign kick-offs, victory events, awards, and other non-solicitation events to build support for the CFC are encouraged.

(b) Special CFC fundraising events, such as raffles, lotteries, auctions, bake sales, carnivals, athletic events, or other activities not specifically provided for in these regulations are permitted during the campaign period if approved by the appropriate agency head or government official, consistent with agency ethics regulations. CFC special fundraising events should be undertaken in the spirit of generating interest in the CFC and be open to all individuals without regard to whether an individual participates in the CFC. Chances to win must be disassociated from amount of contributions, if any. Raffle prizes should be modest in nature and value. Examples of appropriate raffle prizes may include opportunities for lunch with Agency Officials, agency parking spaces for a specific time period, and gifts of minimal financial value. Any special CFC fundraising event and prize or gift should be approved in advance by the Agency's ethics official.

(c) In all approved special fundraising events the donor must have the option of designating to a specific participating organization or federation or be advised that the donation will be counted as an undesignated contribu-

tion and distributed according to these regulations.

### § 950.603 Sanctions and penalties.

(a)(1) The Director may impose sanctions or penalties on a federation, charitable organization or PCFO for violating these regulations, other applicable provisions of law, or any directive or instruction from the Director. The Director will determine the appropriate sanction and/or penalty, up to and including expulsion from the CFC. In determining the appropriate sanction and/or penalty, the Director will consider previous violations, harm to Federal employee confidence in the CFC, and any other relevant factors. The Director may bar a federation or charitable organization from serving as PCFO, for a period not to exceed one campaign period, if it is determined that the federation or charitable organization has violated any provisions of these regulations. A federation, charitable organization or PCFO will be notified in writing of the Director's intent to sanction and/or penalize and will have 10 business days from the date of receipt of the notice to submit a written response. The Director's final decision will be communicated in writing to the federation, charitable organization, or PCFO, with a copy to the appropriate LFCC.

(2) The Director may withdraw federation status with respect to a national, international or local federation that makes a false certification or fails to comply with any directive of the Director, or to respond in a timely fashion to a request by the Director or LFCC for information or cooperation, including with respect to an investigation or in the settlement of disbursements. The LFCC may recommend the withdrawal of federation status with respect to a local federation. As stated in §§ 950.301(d) and 950.303(d), failure to meet minimum federation eligibility requirements shall not be deemed to be a withdrawal of federation status subject to a hearing on the record. Eligibility decisions shall follow the procedures in §§ 950.301(f) and 950.303(f). A federation will be notified in writing of
