§ 300.122 Relation to other laws.

(a) The relation of this subpart to other laws is set forth in § 600.705 of this title and paragraph (b) of this section. Particular note should be made to the reference in § 600.705 to the applicability of title 46 U.S.C., under which a Certificate of Documentation is invalid when the vessel is placed under the command of a person who is not a citizen of the United States.

(b) Minimum size limitations for certain species, such as reef fish in the Gulf of Mexico, may apply to vessels transiting the EEZ with such species aboard.

§ 300.123 Certificates and permits.

(a) *Applicability*. An owner of a vessel of the United States that fishes in treaty waters is required to obtain an annual certificate issued by the Republic of Colombia and an annual vessel permit issued by the Regional Administrator.

(b) *Application for certificate/permit*. (1) An application for a permit must be submitted and signed by the vessel's owner. An application may be submitted at any time, but should be submitted to the Regional Administrator not less than 90 days in advance of its need. Applications for the ensuing calendar year should be submitted to the Regional Administrator by October 1.

(2) An applicant must provide the following:

(i) A copy of the vessel's valid USCG certificate of documentation or, if not documented, a copy of its valid state registration certificate.

(ii) Vessel name and official number.

(iii) Name, address, telephone number, and other identifying information of the vessel owner or, if the owner is a corporation or partnership, of the responsible corporate officer or general partner.

(iv) Principal port of landing of fish taken from treaty waters.

(v) Type of fishing to be conducted in treaty waters.

(vi) Any other information concerning the vessel, gear characteristics, principal fisheries engaged in, or fishing areas, as specified on the application form.

Int'l. Fishing and Related Activities

§ 300.125

(vii) Any other information that may be necessary for the issuance or administration of the permit, as specified on the application form.

(c) *Issuance.* (1) The Regional Administrator will request a certificate from the Republic of Colombia if:

(i) The application is complete.

(ii) The applicant has complied with all applicable reporting requirements of § 300.124 during the year immediately preceding the application.

(2) Upon receipt of an incomplete application, or an application from a person who has not complied with all applicable reporting requirements of § 300.124 during the year immediately preceding the application, the Regional Administrator will notify the applicant of the deficiency. If the applicant fails to correct the deficiency within 30 days of the Regional Administrator's notification, the application will be considered abandoned.

(3) The Regional Administrator will issue a permit as soon as the certificate is received from the Republic of Colombia.

(d) *Duration.* A certificate and permit are valid for the calendar year for which they are issued, unless the permit is revoked, suspended, or modified under subpart D of 15 CFR part 904.

(e) *Transfer.* A certificate and permit issued under this section are not transferable or assignable. They are valid only for the fishing vessel and owner for which they are issued.

(f) *Display.* A certificate and permit issued under this section must be carried aboard the fishing vessel while it is in treaty waters. The operator of a fishing vessel must present the certificate and permit for inspection upon request of an authorized officer or an enforcement officer of the Republic of Colombia.

(g) *Sanctions and denials.* Procedures governing enforcement-related permit sanctions and denials are found at subpart D of 15 CFR part 904.

(h) *Alteration.* A certificate or permit that is altered, erased, or mutilated is invalid.

(i) *Replacement.* A replacement certificate or permit may be issued upon request. Such request must clearly state the reason for a replacement certificate or permit.

(j) *Change in application information.* The owner of a vessel with a permit must notify the Regional Administrator within 30 days after any change in the application information required by paragraph (b)(2) of this section. The permit is void if any change in the information is not reported within 30 days.

§ 300.124 Recordkeeping and reporting.

(a) *Arrival and departure reports.* The operator of each vessel of the United States for which a certificate and permit have been issued under § 300.123 must report by radio to the Port Captain, San Andres Island, voice radio call sign "Capitania de San Andres," the vessel's arrival in and departure from treaty waters. Radio reports must be made on 8222.0 kHz or 8276.5 kHz between 8:00 a.m. and 12 noon, local time (1300-1700, Greenwich mean time) Monday through Friday.

(b) *Catch and effort reports.* Each vessel of the United States must report its catch and effort on each trip into treaty waters to the Science and Research Director on a form available from the Science and Research Director. These forms must be submitted to the Science and Research Director so as to be received no later than 7 days after the end of each fishing trip.

§ 300.125 Vessel identification.

(a) *Official number.* A vessel with a permit issued pursuant to § 300.123, when in treaty waters, must display its official number on the port and starboard sides of the deckhouse or hull, and on an appropriate weather deck, so as to be clearly visible from an enforcement vessel or aircraft. The official number must be permanently affixed to or painted on the vessel and must be in block arabic numerals in contrasting color to the background at least 18 inches (45.7 cm) in height for fishing vessels over 65 ft (19.8 m) in length, and at least 10 inches (25.4 cm) in height for all other vessel.

(b) *Duties of operator.* The operator of each fishing vessel must—

(1) Keep the official number clearly legible and in good repair.

(2) Ensure that no part of the fishing vessel, its rigging, fishing gear, or any
