§ 404.8 Emergencies and law enforcement activities.

The prohibitions in this part do not apply to activities necessary to respond to emergencies threatening life, property, or the environment, or to activities necessary for law enforcement purposes.

§ 404.9 Armed Forces actions.

(a) The prohibitions in this part do not apply to activities and exercises of the Armed Forces (including those carried out by the United States Coast Guard) that are consistent with applicable laws.

(b) These regulations shall not limit agency actions to respond to emergencies posing an unacceptable threat to human health or safety or to the marine environment and admitting of no other feasible solution.

(c) All activities and exercises of the Armed Forces shall be carried out in a manner that avoids, to the extent practicable and consistent with operational requirements, adverse impacts on Monument resources and qualities.

(d) In the event of threatened or actual destruction of, loss of, or injury to a Monument resource or quality resulting from an incident, including but not limited to spills and groundings, caused by a component of the Department of Defense or the United States Coast Guard, the cognizant component shall promptly coordinate with the Secretaries for the purpose of taking appropriate actions to respond to and mitigate the harm and, if possible, restore or replace the Monument resource or quality.

§ 404.10 Commercial fishing.

(a) Lobster fishing. Any commercial lobster fishing permit is subject to a zero annual harvest limit condition.

(b) Fishing and bottomfish and pelagic species.

(1) Notwithstanding the prohibitions in § 404.7(a) and (h), commercial fishing for bottomfish and associated pelagic species may continue within the Monument subject to paragraph (c) of this section, until June 15, 2011, provided that:

(i) The fishing is conducted in accordance with a valid commercial bottomfish permit issued by NOAA; and

(ii) Such permit was in effect on June 15, 2006, and is subsequently renewed pursuant to NOAA regulations at 50 CFR part 665, subpart E as necessary.

(2) Total landings for each fishing year from fishing allowed under paragraph (b)(1) of this section may not exceed the following amounts:

(i) 350,000 pounds for bottomfish species; and

(ii) 180,000 pounds for pelagic species.

(3) Commercial fishing for bottomfish and associated pelagic species is prohibited in the Monument after June 15, 2011.

(c) General requirements. Any commercial fishing within the Monument shall be conducted in accordance with the following restrictions and conditions:

(1) A valid permit or facsimile of a valid permit shall be on board the fishing vessel and available for inspection by an authorized officer;

(2) No attempt is made to falsify or fail to make, keep, maintain, or submit any logbook or logbook form or other required record or report.

(3) Only gear specifically authorized by the relevant permit issued under the Magnuson-Stevens Fishery Conservation and Management Act is allowed to
be in the possession of a person conducting commercial fishing under this section;
(4) Any person conducting commercial fishing notifies the Secretaries by telephone, facsimile, or electronic mail at least 72 hours before entering the Monument and within 12 hours after leaving the Monument in accordance with §404.4(b) and (c);
(5) All fishing vessels must carry an activated and functioning VMS unit on board at all times whenever the vessel is in the Monument;
(6) All fishing vessels must carry an observer when requested to do so by the Secretaries;
(7) The activity does not take place within any Ecological Reserve, any Special Preservation Area, or the Midway Atoll Special Management Area.

§ 404.11 Permitting procedures and criteria.

(a) Issuance. Subject to such terms and conditions as the Secretaries deem appropriate, a person may conduct an activity prohibited by §404.7 if such activity is specifically authorized by a permit issued under this section.

(b) Application requirements. Applicants for permits under this section shall submit applications to: NOAA/Inouye Regional Center; NOS/ONMS/PMNM/Attn: Permit Coordinator; 1845 Wasp Blvd., Building 176; Honolulu, HI 96818.

(c) Permit Types. A permit under this subpart may be issued if the Secretaries find that the activity:
(1) Is research designed to further understanding of Monument resources and qualities;
(2) Will further the educational value of the Monument;
(3) Will assist in the conservation and management of the Monument;
(4) Will allow Native Hawaiian practices subject to paragraph (e) of this section;
(5) Will allow a special ocean use subject to paragraph (f) of this section; or
(6) Will allow recreational activities subject to paragraph (g) of this section.

(d) Findings. A permit may not be issued under this section unless the Secretaries find:
(1) The activity can be conducted with adequate safeguards for the resources and ecological integrity of the Monument;
(2) The activity will be conducted in a manner compatible with the purposes of the Proclamation, considering the extent to which the conduct of the activity may diminish or enhance Monument resources, qualities, and ecological integrity, any indirect, secondary or cumulative effects of the activity, and the duration of such effects;
(3) There is no practicable alternative to conducting the activity within the Monument;
(4) The end value of the activity outweighs its adverse impacts on Monument resources, qualities, and ecological integrity;
(5) The duration of the activity is no longer than necessary to achieve its stated purpose;
(6) The applicant is qualified to conduct and complete the activity and mitigate any potential impacts resulting from its conduct;
(7) The applicant has adequate financial resources available to conduct and complete the activity and mitigate any potential impacts resulting from its conduct;
(8) The methods and procedures proposed by the applicant are appropriate to achieve the proposed activity’s goals in relation to their impacts to Monument resources, qualities, and ecological integrity;
(9) The applicant’s vessel has been outfitted with a mobile transceiver unit approved by OLE and complies with the requirements of §404.5; and
(10) There are no other factors that would make the issuance of a permit for the activity inappropriate.

(e) Additional findings for Native Hawaiian practice permits. In addition to the findings listed in paragraph (d) of this section, a permit to allow Native Hawaiian practices under paragraph (c)(4) of this section, may not be issued unless:
(1) The activity is non-commercial and will not involve the sale of any organism or material collected;
(2) The purpose and intent of the activity are appropriate and deemed necessary by traditional standards in the Native Hawaiian culture (pono), and demonstrate an understanding of, and
