§ 600.513  Recreational fishing.

(a) Foreign vessels conducting recreational fishing must comply only with this section, and §§600.10, 600.504(a)(1), and 600.505 (as applicable). Such vessels may conduct recreational fishing within the EEZ and within the boundaries of a state. Any fish caught may not be sold, bartered, or traded.

(b) The owners or operator and any other person aboard any foreign vessel conducting recreational fishing must comply with any Federal laws or regulations applicable to the domestic fishery while in the EEZ, and any state laws or regulations applicable while in state waters.

§ 600.514  Relation to other laws.

(a) Persons affected by these regulations should be aware that other Federal and state statutes may apply to their activities.

(b) Fishing vessel operators must exercise due care in the conduct of fishing activities near submarine cables. Damage to submarine cables resulting from intentional acts or from the failure to exercise due care in the conduct of scientific research activity, any fish, or parts thereof, retained pursuant to such activity be accompanied, during any ex-vessel activities, by a copy of the Letter of Acknowledgment. Activities conducted in accordance with a scientific research plan acknowledged by such a Letter of Acknowledgment are presumed to be scientific research activities. An authorized officer may overcome this presumption by showing that an activity does not fit the definition of scientific research activity or is outside the scope of the scientific research plan.

(b) Reports. Persons conducting scientific research are requested to submit a copy of any cruise report or other publication created as a result of the cruise, including the amount, composition, and disposition of their catch, to the appropriate Science and Research Director.
