

(2) A person aboard a vessel for which valid charter vessel/headboat permits for Gulf coastal migratory pelagic fish or South Atlantic coastal migratory pelagic fish and a valid commercial vessel permit for king or Spanish mackerel have been issued may continue to retain fish under a bag and possession limit specified in §622.382(a), provided the vessel is operating as a charter vessel or headboat.

(3) The sale or purchase of king mackerel, Spanish mackerel, or cobia of the closed species, migratory group, subzone, or gear type, is prohibited, including any king or Spanish mackerel taken under the bag limits, or cobia taken under the limited-harvest species possession limit specified in §622.383(b). The prohibition on sale/purchase during a closure for coastal migratory pelagic fish does not apply to coastal migratory pelagic fish that were harvested, landed ashore, and sold prior to the effective date of the closure and were held in cold storage by a dealer or processor.

§622.385 Commercial trip limits.

Commercial trip limits are limits on the amount of the applicable species that may be possessed on board or landed, purchased, or sold from a vessel per day. A person who fishes in the EEZ may not combine a trip limit specified in this section with any trip or possession limit applicable to state waters. A species subject to a trip limit specified in this section taken in the EEZ may not be transferred at sea, regardless of where such transfer takes place, and such species may not be transferred in the EEZ. Commercial trip limits apply as follows (all weights are round or eviscerated weights unless specified otherwise):

(a) *King mackerel*—(1) *Atlantic group*. The following trip limits apply to vessels for which commercial permits for king mackerel have been issued, as required under §622.370(a)(1):

(i) North of 29°25' N. lat., which is a line directly east from the Flagler/Volusia County, FL, boundary, king mackerel in or from the EEZ may not be possessed on board or landed from a vessel in a day in amounts exceeding 3,500 lb (1,588 kg).

(ii) In the area between 29°25' N. lat. and 28°47.8' N. lat., which is a line directly east from the Volusia/Brevard County, FL, boundary, king mackerel in or from the EEZ may not be possessed on board or landed from a vessel in a day in amounts exceeding 3,500 lb (1,588 kg) from April 1 through October 31.

(iii) In the area between 28°47.8' N. lat. and 25°20.4' N. lat., which is a line directly east from the Miami-Dade/Monroe County, FL, boundary, king mackerel in or from the EEZ may not be possessed on board or landed from a vessel in a day in amounts exceeding 75 fish from April 1 through October 31.

(iv) In the area between 25°20.4' N. lat. and 25°48' N. lat., which is a line directly west from the Monroe/Collier County, FL, boundary, king mackerel in or from the EEZ may not be possessed on board or landed from a vessel in a day in amounts exceeding 1,250 lb (567 kg) from April 1 through October 31.

(2) *Gulf group*. Commercial trip limits are established in the eastern and western zones as follows. (See §622.384(b)(1) for specification of the eastern and western zones and §622.384(b)(1)(i)(C) for specifications of the subzones in the eastern zone.)

(i) *Eastern zone—Florida east coast subzone*. In the Florida east coast subzone, king mackerel in or from the EEZ may be possessed on board at any time or landed in a day from a vessel with a commercial permit for king mackerel as required under §622.370(a)(1) as follows:

(A) From November 1 through January 31—not to exceed 50 fish.

(B) Beginning on February 1 and continuing through March 31—

(1) If 75 percent or more of the Florida east coast subzone quota as specified in §622.384(b)(1)(i)(A) has been taken—not to exceed 50 fish.

(2) If less than 75 percent of the Florida east coast subzone quota as specified in §622.384(b)(1)(i)(A) has been taken—not to exceed 75 fish.

(ii) *Eastern zone—Florida west coast subzone*—(A) *Gillnet gear*. (1) In the southern Florida west coast subzone, king mackerel in or from the EEZ may be possessed on board or landed from a vessel for which a commercial vessel

§ 622.385

50 CFR Ch. VI (10–1–14 Edition)

permit for king mackerel and a king mackerel gillnet permit have been issued, as required under § 622.370(a)(2), in amounts not exceeding 25,000 lb (11,340 kg) per day, provided the gillnet fishery for Gulf group king mackerel is not closed under § 622.378(a) or § 622.8(b).

(2) In the southern Florida west coast subzone:

(i) King mackerel in or from the EEZ may be possessed on board or landed from a vessel that uses or has on board a run-around gillnet on a trip only when such vessel has on board a commercial vessel permit for king mackerel and a king mackerel gillnet permit.

(ii) King mackerel from the southern west coast subzone landed by a vessel for which a commercial vessel permit for king mackerel and a king mackerel gillnet permit have been issued will be counted against the run-around gillnet quota of § 622.384(b)(1)(i)(B)(1).

(iii) King mackerel in or from the EEZ harvested with gear other than run-around gillnet may not be retained on board a vessel for which a commercial vessel permit for king mackerel and a king mackerel gillnet permit have been issued.

(B) *Hook-and-line gear.* In the Florida west coast subzone, king mackerel in or from the EEZ may be possessed on board or landed from a vessel with a commercial permit for king mackerel, as required by § 622.370(a)(1), and operating under the hook-and-line gear quotas in § 622.384(b)(1)(i)(B)(1) or (b)(1)(i)(B)(2):

(1) From July 1, each fishing year, until 75 percent of the respective northern or southern subzone's hook-and-line gear quota has been harvested—in amounts not exceeding 1,250 lb (567 kg) per day.

(2) From the date that 75 percent of the respective northern or southern subzone's hook-and-line gear quota has been harvested, until a closure of the respective northern or southern subzone's fishery for vessels fishing with hook-and-line gear has been effected under § 622.8(b)—in amounts not exceeding 500 lb (227 kg) per day.

(iii) *Notice of trip limit changes.* The Assistant Administrator, by filing a notification of trip limit change with the Office of the Federal Register, will

effect the trip limit changes specified in paragraphs (a)(2)(i) and (a)(2)(ii)(B) of this section when the requisite harvest level has been reached or is projected to be reached.

(iv) *Western zone.* In the western zone, king mackerel in or from the EEZ may be possessed on board or landed from a vessel for which a commercial permit for king mackerel has been issued, as required under § 622.370(a)(1), from July 1, each fishing year, until a closure of the western zone's fishery has been effected under § 622.8(b)—in amounts not exceeding 3,000 lb (1,361 kg) per day.

(b) *Spanish mackerel.* (1) Commercial trip limits are established for Atlantic migratory group Spanish mackerel as follows:

(i) North of 30°42'45.6" N. lat., which is a line directly east from the Georgia/Florida boundary, Spanish mackerel in or from the EEZ may not be possessed on board or landed in a day from a vessel for which a permit for Spanish mackerel has been issued, as required under § 622.370(a)(3), in amounts exceeding 3,500 lb (1,588 kg).

(ii) South of 30°42'45.6" N. lat., Spanish mackerel in or from the EEZ may not be possessed on board or landed in a day from a vessel for which a permit for Spanish mackerel has been issued, as required under § 622.370(a)(3)—

(A) From March 1 through November 30, in amounts exceeding 3,500 lb (1,588 kg).

(B) From December 1 until 75 percent of the adjusted quota is taken, in amounts as follows:

(1) Mondays through Fridays—unlimited.

(2) Saturdays and Sundays—not exceeding 1,500 lb (680 kg).

(C) After 75 percent of the adjusted quota is taken until 100 percent of the adjusted quota is taken, in amounts not exceeding 1,500 lb (680 kg).

(D) After 100 percent of the adjusted quota is taken through the end of the fishing year, in amounts not exceeding 500 lb (227 kg).

(2) For the purpose of paragraph (b)(1)(ii) of this section, the adjusted quota is 2.88 million (1.31 million kg). The adjusted quota is the quota for Atlantic migratory group Spanish mackerel reduced by an amount calculated to allow continued harvests of Atlantic

migratory group Spanish mackerel at the rate of 500 lb (227 kg) per vessel per day for the remainder of the fishing year after the adjusted quota is reached. Total commercial harvest is still subject to the annual catch limit and accountability measures. By filing a notification with the Office of the Federal Register, the Assistant Administrator will announce when 75 percent and 100 percent of the adjusted quota is reached or projected to be reached.

(3) For the purpose of paragraph (b)(1)(ii) of this section, a day starts at 6 a.m., local time, and extends for 24 hours. If a vessel terminates a trip prior to 6 a.m., but retains Spanish mackerel on board after that time, the Spanish mackerel retained on board will not be considered in possession during the succeeding day, provided the vessel is not underway between 6 a.m. and the time such Spanish mackerel are unloaded, and provided such Spanish mackerel are unloaded prior to 6 p.m.

§ 622.386 Restrictions on sale/purchase.

The restrictions in this section are in addition to the restrictions on sale/purchase related to quota closures as specified in § 622.384(e)(3).

(a) *King and Spanish mackerel.* A king or Spanish mackerel harvested or possessed in the EEZ on board a vessel that does not have a valid commercial vessel permit for king mackerel, as required under § 622.370(a)(1), or a valid commercial vessel permit for Spanish mackerel, as required under § 622.370(a)(3), or a king or Spanish mackerel harvested in the EEZ or possessed under the bag limits specified in § 622.382, may not be sold or purchased, except when harvested under the bag limits on board a vessel operating in the Gulf as a charter vessel or headboat and that vessel has both a valid Federal charter vessel/headboat permit for Gulf coastal migratory pelagic fish, as required under § 622.370(b)(1), and a valid commercial vessel permit for king mackerel or Spanish mackerel, as required under § 622.370(a)(1), as appropriate to the species harvested or possessed.

(b) Coastal migratory pelagic fish harvested in or from the EEZ or adjoin-

ing state waters by a vessel that has a valid Federal commercial vessel permit or a charter vessel/headboat permit may be sold or transferred only to a dealer who has a valid Gulf and South Atlantic dealer permit, as required under § 622.370(c)(1).

(c) Coastal migratory pelagic fish harvested in or from the Gulf or South Atlantic EEZ may be first received by a dealer who has a valid Gulf and South Atlantic dealer permit, as required under § 622.370(c)(1), only from a vessel that has a valid Federal commercial vessel permit, as required under § 622.370(a), or a charter vessel/headboat permit for coastal migratory pelagic fish, as required under § 622.370(b).

(d) *Cut-off (damaged) king or Spanish mackerel.* A person may not sell or purchase a cut-off (damaged) king or Spanish mackerel that does not comply with the minimum size limits specified in § 622.380(b) or (c), respectively, or that is in excess of the trip limits specified in § 622.385(a) or (b), respectively.

(e) *State-permitted tournaments.* King or Spanish mackerel harvested in a state-permitted tournament in the South Atlantic, Mid-Atlantic, or the Gulf may not be sold for profit but may be donated to a state dealer or Federal dealer. Dealers accepting these tournament-caught king or Spanish mackerel must be permitted and must comply with all transfer and reporting requirements. Federally permitted dealers who accept donated king or Spanish mackerel under this section are exempt from the restrictions in paragraph (c) of this section, and can first receive these fish from non-federally permitted vessels. Dealers must donate the monetary value (sale price or cash equivalent of value received for the landings) from the sale of tournament-caught fish to a charitable organization, as determined by the state. The monetary value received from the sale of tournament-caught fish may not be used to pay for tournament expenses. In addition, the fish must be handled and iced according to the Hazard Analysis Critical Control Point (HACCP) standards, and dealers must report tournament caught king and Spanish mackerel as "tournament catch" and
