§ 648.2 Definitions.

In addition to the definitions in the Magnuson Act and in §600.10 of this chapter, the terms used in this part have the following meanings:

Alewife means Alosa pseudoharengus.

American lobster or lobster means Homarus americanus.

American shad means Alosa sapidissima.

Annual catch entitlement (ACE), with respect to the NE multispecies fishery, means the share of the annual catch limit (ACL) for each NE multispecies stock that is allocated to an individual sector or state-operated permit bank.
