

**§ 1427.175 Liability of the producer.**

(a)(1) If a producer makes any fraudulent representation in obtaining a loan, maintaining a loan, or settling a loan or if the producer disposes of or moves the loan collateral without the prior approval of CCC, such loan amount shall be refunded upon demand by CCC. The producer shall be liable for:

- (i) The amount of the loan;
- (ii) Any additional amounts paid by CCC for the loan;
- (iii) All other costs which CCC would not have incurred but for the fraudulent representation or the unauthorized disposition or movement of the loan collateral;
- (iv) Applicable interest on such amounts; and
- (v) Liquidated damages under paragraph (e) of this section.

(2) Notwithstanding any provision of the note and security agreement, if a producer has made any such fraudulent representation or if the producer has disposed of, or moved, the loan collateral without prior written approval from CCC, the value of such collateral acquired by CCC shall be equal to the sales price of the cotton less any costs incurred by CCC in completing the sale.

(b) If the amount disbursed under a loan, or in settlement thereof, exceeds the amount authorized by this subpart, the producer shall be liable for repayment of such excess, plus interest. In addition, seed cotton pledged as collateral for such loan shall not be released to the producer until such excess is repaid.

(c) If the amount collected from the producer in satisfaction of the loan is less than the amount required under this subpart, the producer shall be personally liable for repayment of the amount of such deficiency plus applicable interest.

(d) If more than one producer executes a note and security agreement with CCC, each such producer shall be jointly and severally liable for the violation of the terms and conditions of the note and security agreement and the regulations in this subpart. Each such producer shall also remain liable for repayment of the entire loan amount until the loan is fully repaid without regard to such producer's

claimed share in the seed cotton pledged as collateral for the loan. In addition, such producer may not amend the note and security agreement for the producer's claimed share in such seed cotton, after execution of the note and security agreement by CCC.

(e) The producer and CCC agree that it will be difficult, if not impossible, to prove the amount of damages to CCC if a producer makes any fraudulent representation in obtaining a loan or in maintaining or settling a loan or disposing of or moving the collateral without the prior approval of CCC. Accordingly, if CCC or the county committee determines that the producer has violated the terms or conditions of the note and security agreement, liquidated damages shall be assessed on the quantity of the seed cotton which is involved in the violation. If CCC or the county committee determines the producer:

(1) Acted in good faith when the violation occurred, liquidated damages will be assessed by multiplying the quantity involved in the violation by:

- (i) 10 percent of the loan rate applicable to the loan note for the first offense;
- (ii) 25 percent of the loan rate applicable to the loan note for the second offense; or

(2) Did not act in good faith about the violation, or for cases other than first or second offense, liquidated damages will be assessed by multiplying the quantity involved in the violation by 25 percent of the loan rate applicable to the loan note.

(f) For first and second offenses, if CCC or the county committee determines that a producer acted in good faith when the violation occurred, the county committee shall:

(1) Require repayment of the loan principal applicable to the loan quantity affected by the violation, and charges plus interest applicable to the amount repaid;

(2) Assess liquidated damages under paragraph (e) of this section; and

(3) If the producer fails to pay such amount within 30 calendar days from the date of notification, call the applicable loan involved in the violation.

(g) For cases other than first or second offenses, or any offense for which

CCC or the county committee cannot determine good faith when the violation occurred, the county committee shall:

(1) Assess liquidated damages under paragraph (e) of this section;

(2) Call the applicable loan involved in the violation.

(h) If CCC or the county committee determines that the producer has committed a violation under paragraph (e) of this section, the county committee shall notify the producer in writing that:

(1) The producer has 30 calendar days to provide evidence and information to the county committee regarding the circumstances which caused the violation, and

(2) Administrative actions will be taken under paragraphs (f) or (g) of this section.

(i) Any or all of the liquidated damages assessed under the provision of paragraph (e) of this section may be waived as determined by CCC.

#### § 1427.1081 General statement and administration.

(a) This subpart prescribes the requirements which must be met and the procedures which must be followed by a warehouseman in the United States or Puerto Rico who desires the approval by the Commodity Credit Corporation (hereinafter referred to as "CCC") of warehouse(s) for the storage and handling of cotton and cotton linters, under a Cotton Storage Agreement, which are owned by CCC or held by CCC as security for price support loans. This subpart is not applicable to cotton or cotton linters purchased in storage for prompt shipment or to handling operations of a temporary nature.

(b) Copies of the CCC storage agreement and forms required for obtaining approval under this subpart may be obtained from the Kansas City Com-

modity Office, U.S. Department of Agriculture, P.O. Box 205, Kansas City, Missouri 64141 (hereinafter referred to as the "KCCO").

(c) A warehouse must be approved by the KCCO and a storage agreement must be in effect between CCC and the warehouseman before CCC will use such warehouse. The approval of a warehouse or the entering into of a storage agreement does not constitute a commitment that CCC will use the warehouse, and no official or employee of the U.S. Department of Agriculture is authorized to make any such commitment.

(d) A warehouseman, when applying for approval under this subpart shall submit to CCC at KCCO:

(1) A completed Form CCC-49, "Application for Approval of Warehouse for Storage of Cotton and/or Cotton Linters,"

(2) A current financial statement on Form WA-51, "Financial Statement", supported by such supplemental schedules as CCC may request. Financial statements may be submitted on forms other than Form WA-51 with approval of the Director, KCCO, or the Director's designee. Financial statements shall show the financial condition of the warehouseman as of a date no earlier than ninety (90) days prior to the date of the warehouseman's application, or such other date as CCC may prescribe. Additional financial statements shall be furnished annually and at such other times as CCC may require. CCC also may require that financial statements prepared by the warehouseman or by a public accountant be examined by an independent certified public accountant in accordance with generally accepted auditing standards. Only one financial statement is required for a chain of warehouses owned or operated by a single business entity. If approved by the Director, KCCO, or the Director's designee, the financial statement of a parent company, which includes the financial position of a wholly-owned subsidiary, may be used to meet the CCC standards for approval for the wholly-owned subsidiary.

(3) Evidence that the warehouseman is licensed by the appropriate licensing authority as required under
