

**Subpart A—Nonrecourse Cotton  
Loan and Loan Deficiency  
Payments**

SOURCE: 67 FR 64459, Oct. 18, 2002, unless otherwise noted.

**§ 1427.1 Applicability.**

(a) The regulations of this subpart are applicable to the 2008 through 2012 crops of upland cotton and extra long staple cotton. Rules codified in this part which are issued after October 1, 2008, will not affect the 2007 and prior crops except that changes in the calculation of loan repayment rates that apply to the 2008 crop also apply to 2007 crop loans outstanding at the time of the changes in 2008 crop calculations. Other adjustments for the 2008 crop, such as storage rate adjustments will not apply. These regulations set forth the general provisions under which marketing assistance loans and loan deficiency payment programs shall be administered by the Commodity Credit Corporation (CCC). Additional terms and conditions are in the note and security agreement and the loan deficiency payment application that must be executed by a producer to receive marketing assistance loans and loan deficiency payments.

(b) The basic loan rate, the schedule of premiums and discounts, and forms applicable to the cotton marketing assistance loan and loan deficiency payment programs are available from FSA offices. The forms for use in connection with the programs in this subpart shall be prescribed by CCC.

(c) Marketing assistance loans and loan deficiency payments will not be available for any cotton produced on land owned or otherwise in the possession of the United States if such land is occupied without the consent of the United States.

(d) Notwithstanding the other provisions of this part, a producer may only receive the maximum assistance allowed by part 1400 of this chapter.

(e) Eligible producers, under 7 CFR 1421.4, who produce upland cotton during the 2008 through 2012 crop years on a farm that is not covered under a direct and counter-cyclical program contract, as defined in part 1412 of this chapter, are eligible for marketing as-

sistance loans or loan deficiency payments as are eligible producers who produced commodities on farms covered by such a contract.

**§ 1427.2 Administration.**

(a) The marketing assistance loan and loan deficiency payment programs shall be administered under the general supervision of the Executive Vice President, CCC, or a designee and shall be carried out by FSA employees, and state and county committees.

(b) No FSA employee or committee may modify or waive any requirement in this subpart, except as provided in paragraph (e) of this section.

(c) The State committee shall take any required action not taken by the county committee. The State committee shall also:

(1) Correct, or require a correction of an action that is not in compliance with this part; or

(2) Stop an employee from taking an action or decision that is not in accordance with the regulations of this part.

(d) The Executive Vice President, CCC, or a designee may determine any question arising under these programs, and reverse or modify a determination made by an FSA employee or State or county committee.

(e) The Deputy Administrator for Farm Programs, FSA, may authorize State or county committees to waive or modify deadlines and other program requirements in cases where lateness or failure to meet such other program requirements does not adversely affect the operation of the marketing assistance and loan deficiency payment programs.

(f) A representative of CCC may execute marketing assistance loan and loan deficiency payment applications and related documents only under the terms and conditions determined and announced by CCC. Any document not executed under such terms and conditions, including any purported execution before the date authorized by CCC, shall be null and void.
