§ 1430.100  
Subpart A—Dairy Product Price Support Program

Source: 75 FR 41367, July 16, 2010, unless otherwise noted.

§ 1430.100  Applicability.

During the period beginning on January 1, 2008, and ending December 31, 2012, the Secretary of Agriculture will support the price of cheddar cheese, butter, and nonfat dry milk by providing a standing offer to purchase those products from eligible offerors. The products must be made from cow’s milk produced in the United States. Purchases are subject to the terms and conditions in CCC’s purchase announcements.

§ 1430.101  Definitions.

For purposes of this subpart, the following definitions apply:
CCC means the Commodity Credit Corporation, USDA.
Eligible offeror means the person, firm, corporation, or other legal entity obligated by the purchase agreement with CCC. The product must not have been sold before to another party and the offeror must be the manufacturer of the dairy product offered or a marketing cooperative for the manufacturer.

Net removals means, for a given period of time, the total dairy product purchased by CCC through the program in this subpart plus the quantity of the product exported through the Dairy Export Incentive Program (as authorized in 15 U.S.C. 713a–14), less the quantity sold by CCC for unrestricted use.

§ 1430.102  Eligible products.

(a) To be eligible for the program in this subpart, the products must be manufactured from dairy cow’s milk produced in the United States, and must not have been previously owned by CCC. Dairy cow in this instance means an animal of the kind that produces the majority of dairy products in the United States and not, for example, cows of other species of animals such as yaks or oxen.

(b) Products will be purchased only from eligible offerors of the product, and only in carlot weights.

(c) The products purchased must be of the following grades and moisture content, as evidenced by USDA-issued inspection certificates:

(1) Block cheddar cheese must be U.S. Grade A or higher, and the moisture content must not exceed 38.5 percent;

(2) Barrel cheddar cheese must be U.S. Extra Grade, and the moisture content must not exceed 36.5 percent;

(3) Butter must be U.S. Grade A or higher;

(4) Nonfat dry milk must be U.S. Extra Grade, and the moisture content must not exceed 3.5 percent.

(d) CCC may require other terms and conditions of purchase, as specified in CCC’s purchase announcement.

§ 1430.103  Purchase prices.

(a) CCC will offer to purchase products at the following prices for all regions of the United States:

(1) Cheddar cheese in blocks for not less than $1.13 per pound; unless

(i) Net removals of cheese for a period of 12 consecutive months exceed 200,000,000 pounds, but do not exceed 400,000,000 pounds, in which case the CCC block cheese purchase price will be not less than $1.03 per pound, during the immediately following month, or

(ii) Net removals of cheese for a period of 12 consecutive months exceed 400,000,000 pounds, in which case the CCC block cheese purchase price will be not less than $0.93 per pound during the immediately following month;

(2) Cheddar cheese in barrels for $0.03 per pound less than the cheddar cheese block price;

(3) Butter for not less than $1.05 per pound; unless

(i) Net removals of butter for a period of 12 consecutive months exceed 400,000,000 pounds, in which case the CCC butter purchase price will be not less than $0.95 per pound during the immediately following month;

(ii) Net removals of butter for a period of 12 consecutive months exceed 400,000,000 pounds, in which case the CCC butter purchase price will be not less than $0.85 per pound during the immediately following month;

(4) Nonfat dry milk for not less than $0.80 per pound, unless
Commodity Credit Corporation, USDA § 1430.202

(i) Net removals of nonfat dry milk for a period of 12 consecutive months exceed 600,000,000 pounds, but do not exceed 800,000,000 pounds, in which case the CCC nonfat dry milk purchase price will be not less than $0.75 per pound during the immediately following month, or,

(ii) Net removals of nonfat dry milk for a period of 12 consecutive months exceed 800,000,000 pounds, in which case the CCC nonfat dry milk purchase price will be not less than $0.70 per pound during the immediately following month.

(b) CCC may offer to purchase cheddar cheese, butter, fortified nonfat dry milk, or fortified instant nonfat dry milk in consumer-sized ready-to-consume packages at a premium to the purchase prices for cheddar cheese, butter and nonfat dry milk specified in paragraph (a) of this section. Any such offers will be made through CCC’s purchase announcements, and such offers may be limited by quantity and to a specific time period.

(c) CCC may offer to purchase cheddar cheese with a lower moisture content than is specified in §1430.102(c) at a premium to the prices specified in paragraph (a) of this section. Any such offers will be made through CCC’s purchase announcements, and such offers may be limited by quantity and to a specific time period.

§ 1430.104 Sales from inventories.

(a) CCC may sell any dairy product purchased as specified in this subpart for unrestricted use at the market price prevailing for that product at the time of sale, except that the sale price will not be less than 110 percent of the purchase price specified in §1430.103(a), before any price reduction for the amount of CCC net removals of the dairy products.

(b) CCC may sell or distribute dairy products purchased under this section for restricted use when such sale is determined to maximize the return to CCC on its purchases.

Subpart B—Milk Income Loss Contract Program

§ 1430.201 Administration.

(a) This program is administered under the general supervision of the Executive Vice President, CCC, or a designee, and shall be carried out by Farm Service Agency (FSA) State and county committees and employees.

(b) State and county committees, and their employees may not waive or modify any requirement of this subpart, except as provided in paragraph (e) of this section.

(c) The State committee shall take any action required when not taken by the county committee, require correction of actions not in compliance, or require the withholding of any action that is not in compliance with this subpart.

(d) The Executive Vice President, CCC, or a designee, may determine any question arising under the program or reverse or modify any decision of the State or county committee.

(e) The Deputy Administrator, Farm Programs, FSA, may waive or modify program requirements where failure to meet such requirements does not adversely affect the operation of the Milk Income Loss Contract Program.

(f) A representative of CCC may execute Milk Income Loss Contracts and related documents under the terms and conditions determined and announced by CCC. Any document not under such terms and conditions, including any purported execution before the date authorized by CCC, shall be null and void.

§ 1430.202 Definitions.

The definitions in this section shall be applicable for all purposes of administering the Milk Income Loss Contract (MILC) program established by this subpart.

CCC means the Commodity Credit Corporation of the Department.

Class I Milk means milk, including milk components, classified as Class I milk under a Federal milk marketing order.
