Subpart A—General Information

§ 2500.001 Applicability of regulations.

The regulations in subparts A through E of this part apply to the programs authorized under section 14013 of the FCEA to be administered within the Office of Advocacy and Outreach (OAO). The purpose of this part is to set forth regulations for competitive and noncompetitive grants, cooperative agreements, and other assistance agreements awarded through OAO.

§ 2500.002 Definitions.

Applicant means the entity that has submitted a proposal in response to an OAO Request For Proposal (RFP).

Authorized Departmental Officer (ADO) means the Secretary or any employee of the Department with delegated authority to issue or modify award instruments on behalf of the Secretary.

Authorized Organizational Representative (AOR) means the President or Chief Executive Officer of the applicant organization or the official, designated by the President or Chief Executive Officer of the applicant organization, who has the authority to commit the resources of the organization to the project.

Award means financial assistance that provides support to accomplish a public purpose. Awards may be grants, cooperative agreements, or other assistance agreements.

Award agreement means the agreement between OAO and the awardee which sets forth the terms and conditions under which the OAO funds will be made available. Award agreement is used as a general term to describe grant agreements, cooperative agreements, and other assistance agreements.

Award closeout means the process by which the award operation is concluded.
§ 2500.003 Other applicable statutes and regulations.

Several Federal statutes and regulations apply to proposals for Federal assistance considered for review and to grants and cooperative agreements awarded by OAO. These include, but are not limited to:

Subpart B—Pre-Award: Solicitation and Proposals  
§2500.011 Competition.  
(a) Standards for competition. Except as provided in paragraph (b) of this section, OAO will enter into discretionary grants or cooperative agreement only after competition, unless restricted by statute.  
(b) Exception. The OAO ADO may make a determination in writing that
competition is not deemed appropriate for a particular transaction. Such determination shall be limited to trans-
actions where it can be adequately jus-
tified that a noncompetitive award is
in the best interest of the Federal Gov-
ernment and necessary to the goals of
the program. Non-competitive deter-
minations will comply with regulations
established in 7 CFR 3015.158(d).

§ 2500.012 Requests for proposals.
(a) General. For each competitive
grant or cooperative agreement, OAO
will prepare a program solicitation
(also called a request for proposals
(RFP)). The RFP may include all or a
portion of the following items:
(1) Contact information.
(2) Catalog of Federal Domestic As-
sistance (CFDA) number.
(3) Legislative authority and back-
ground information.
(4) Purpose, priorities, and fund
availability.
(5) Program-specific eligibility re-
quirements.
(6) Program-specific restrictions on
the use of funds, if applicable.
(7) Matching requirements, if applica-
ble.
(8) Acceptable types of proposals.
(9) Types of projects to be given pri-
ority consideration, including max-
imum anticipated awards and max-
imum project lengths, if applicable.
(10) Program areas, if applicable.
(11) Funding restrictions, if applica-
ble.
(12) Directions for obtaining addi-
tional requests for proposals and pro-
posal forms.
(13) Information about how to obtain
proposal forms and the instructions for
completing such forms.
(14) Instructions and requirements
for submitting proposals, including submis-
sion deadline(s).
(15) Explanation of the proposal eval-
uation process.
(16) Specific evaluation criteria used
in the review process.
(17) Type of Federal assistance
awards (i.e., grants or cooperative
agreements).
(b) RFP variations. Where program-
specific requirements differ from the
requirements established in this part,
program solicitations will also address
any such variation(s). Variations may
occur in the following:
(1) Award management guidelines.
(2) Restrictions on the delegation of
fiscal responsibility.
(3) Required approval for changes to
project plans.
(4) Expected program outputs and re-
porting requirements, if applicable.
(5) Applicable Federal statutes and
regulations.
(6) Confidential aspects of proposals
and awards, if applicable.
(7) Regulatory information.
(8) Definitions.
(9) Minimum and maximum budget
requests and whether proposals outside
of these limits will be returned without
further review.
(c) Program announcements. Occasional-
ly, OAO will issue a program an-
nouncement (PA) to alert potential ap-
plicants and the public about new and
ongoing funding opportunities. These
PAs may provide tentative due dates
and are released without associated
 proposal packages. No proposals are so-
licited under a PA. PAs will be an-
nounced in the FEDERAL REGISTER or
on the OAO Web site.

§ 2500.013 Types of proposals.
The type of proposal acceptable may
vary by funding opportunity. The RFP
will stipulate what will be required for
submission to OAO in response to the
funding opportunity.

§ 2500.014 Eligibility requirements.
Program-specific eligibility require-
ments appear in the subpart applicable
to each program and in the cor-
responding RFPs.

§ 2500.015 Content of a proposal.
The RFP provides instructions on
how to access a funding opportunity.
The funding opportunity contains the
 proposal package, which includes the
forms necessary for completion of a
 proposal in response to the RFP. The
RFP will be posted on http://
www.Grants.gov. OAO may also publish
the RFP in the FEDERAL REGISTER.

§ 2500.016 Submission of a proposal.
The RFP will provide deadlines for
the submission of proposals. OAO may
issue separate RFPs and/or establish
Office of Advocacy and Outreach, USDA § 2500.021

separate deadlines for different types of proposals, different award instruments, or different topics or phases of the assistance programs. If proposals are not received by applicable deadlines, they will not be considered for funding. Exceptions will be considered only when extenuating circumstances exist, as determined by OAO, and justification and supporting documentation are provided by the applicant. Conformance with preparation and submission instructions is required and will be strictly enforced unless a deviation has been approved. OAO may establish additional requirements. OAO may return without review proposals that are not consistent with the RFP instructions.

§ 2500.017 Confidentiality of proposals and awards.

(a) General. Names of entities submitting proposals, as well as proposal contents and evaluations, except to those involved in the review process, will be kept confidential to the extent permissible by law.

(b) Identifying confidential and proprietary information in a proposal. If a proposal contains proprietary information that constitutes a trade secret, proprietary commercial or financial information, confidential personal information, or data affecting the national security, it will be treated in confidence to the extent permitted by law, provided that the information is clearly marked by the applicant with the term "confidential and proprietary information." In addition, the following statement must be included at the bottom of the project narrative or any other attachment included in the proposal that contains such information: "The following pages (specify) contain proprietary information which (name of proposing organization) requests not to be released to persons outside the Government, except for purposes of evaluation."

(c) Disposition of proposals. By law, OAO is required to make the final decisions as to whether the information is required to be kept in confidence. Information contained in unsuccessful proposals will remain the property of the applicant. However, the Department will retain for three years one file copy of each proposal received; extra copies will be destroyed. Public release of information from any proposal submitted will be subject to existing legal requirements. Any proposal that is funded will be considered an integral part of the award and normally will be made available to the public upon request, except for information designated proprietary by OAO.

(d) Submission of proprietary information. The inclusion of proprietary information is discouraged unless it is necessary for the proper evaluation of the proposal. If proprietary information is to be included, it should be limited, set apart from other text on a separate page, and keyed to the text by numbers. It should be confined to a few critical technical items that, if disclosed, could jeopardize the obtaining of foreign or domestic patents. Trade secrets, salaries, or other information that could jeopardize commercial competitiveness should be similarly keyed and presented on a separate page. Proposals or reports that attempt to restrict dissemination of large amounts of information may be found unacceptable by OAO and constitute grounds for return of the proposal without further consideration. Without assuming any liability for inadvertent disclosure, OAO will limit dissemination of such information to its employees and, where necessary for the evaluation of the proposal, to outside reviewers on a confidential basis.

§ 2500.018 Electronic submission.

Applicants and awardees are encouraged, but not required, to submit proposals and reports in electronic form as prescribed in the RFP issued by OAO and in the applicable award agreement.

Subpart C—Pre-Award: Proposal Review and Evaluation

§ 2500.021 Guiding principles.

The guiding principle for Federal assistance proposal review and evaluation is to ensure that each proposal is treated in a consistent and fair manner. After the evaluation process by the review panel, OAO will provide an opportunity for applicant feedback in as timely a manner as possible.
§ 2500.022 Preliminary proposal review.

Prior to technical examination, a preliminary review will be made of all proposals for responsiveness to the administrative requirements set forth in the RFP. Proposals that do not meet the administrative requirements may be eliminated from program competition. However, OAO retains the right to conduct discussions with applicants to resolve technical and/or budget issues, as deemed necessary by OAO.

§ 2500.023 Selection of reviewers.

(a) Requirement. OAO is responsible for performing a review of proposals submitted to OAO competitive award programs. The RFP will identify the criteria that OAO will use for the selection of the proposal review panel.

(b) Confidentiality. The identities of reviewers will remain confidential to the maximum extent possible. Therefore, the names of reviewers will not be released to applicants. Names of applicants, as well as proposal content and evaluation comments will be kept confidential to the extent permitted by law, except to those involved in the review process. Reviewers will comply with the above-mentioned confidentiality guidelines.

(c) Conflicts of interest. During the evaluation process, extreme care will be taken to prevent any actual or perceived conflicts of interest that may impact review or evaluation. Reviewers are expected to be in compliance with the Conflict-of-Interest process made a part of the RFP.

§ 2500.024 Evaluation criteria.

(a) General. To ensure any project receiving funds from OAO is consistent with the broad goals of the funding program, the content of each proposal submitted to OAO will be evaluated based on a pre-determined set of review criteria as indicated in the RFP.

(b) Guidance for reviewers. In order that all potential applicants for a program have similar opportunities to compete for funds, all reviewers will receive an orientation from the Program Leader of the review criteria. Reviewers are instructed to use those same evaluation criteria, and only those criteria, to judge the merit of the proposals they review.

§ 2500.025 Procedures to minimize or eliminate duplication of effort.

OAO may implement appropriate business processes to minimize or eliminate the awarding of Federal assistance to projects that unnecessarily duplicate activities already being sponsored under other awards, including awards made by other Federal agencies.

§ 2500.026 Applicant feedback.

Unsuccessful applicants may submit a request for applicant feedback in writing to OAO within 10 days after receiving written notice of not being selected for further processing. Applicant feedback requests are to be mailed to the Program Leader at the address below, unless otherwise stated in the “Notice of Non-Selection” or in the RFP. At OAO’s discretion, either written or oral feedback will be provided to unsuccessful applicants.

U.S. Department of Agriculture, Departmental Management, Office of Advocacy and Outreach, Attn: Program Leader (Applicant Feedback), Whitten Building, Rm. 520-A, stop 9821, 1400 Independence Avenue, SW., Washington, DC 20250-9821.

Subpart D—Award

§ 2500.031 Administration.

(a) General. Within the limit of funds available for such purpose, the OAO ADO shall make Federal assistance awards to those responsible, eligible applicants whose proposals are judged most meritorious under the procedures set forth in the RFP. The date specified by the OAO ADO as the effective date of the award shall be no later than September 30th of the Federal fiscal year in which the project is approved for support and funds are appropriated for such purpose, unless otherwise permitted by law. It should be noted that the project need not be initiated on the award effective date, but as soon thereafter as practical so that project goals may be attained within the funded project period. All funds awarded by OAO shall be expended solely for the
§ 2500.044 Indirect costs.

Indirect cost rates for grants and cooperative agreements shall be determined in accordance with the applicable assistance regulations and cost principles, unless superseded by another authority.
§ 2500.045 Technical reporting.

All projects supported with Federal funds under this part must be documented according to the terms and conditions of the OAO award agreement.

§ 2500.046 Financial reporting.

(a) SF–425, Federal Financial Report. As stated in the award terms and conditions of the OAO award agreement, a final SF–425, Federal Financial Report, is due 90 days after the expiration of the award and should be submitted to OAO electronically. The awardee shall report program outlays and program income on the same accounting basis (i.e., cash or accrual) that it uses in its normal accounting system. When submitting a final SF–425, Federal Financial Report, the total matching contribution, if required, should be shown in the report. The final SF–425 must not show any unliquidated obligations. If the awardee still has valid obligations that remain unpaid when the report is due, it shall request an extension of time for submitting the report pursuant to paragraph (c) of this section; submit a provisional report (showing the unliquidated obligations) by the due date; and submit a final report when all obligations have been liquidated, but no later than the approved extension date. SF–425, Federal Financial Reports, must be submitted by all awardees, including Federal agencies and national laboratories.

(b) Awards with required matching. For awards requiring a matching contribution, an annual SF–425, Federal Financial Report, is required and this requirement will be indicated in the terms and conditions of the OAO award agreement, in which case it must be submitted no later than 45 days following the end of the budget or reporting period.

(c) After the due date. Requests are considered late when they are submitted after the 90-day period following the award expiration date. Requests to submit a late final SF–425, Federal Financial Report, will only be considered, up to 30 days after the due date, in extenuating circumstances. This request should include a provisional report pursuant to paragraph (a) of this section, as well as an anticipated submission date, a justification for the late submission, and a justification for the extenuating circumstances. If an awardee needs to request additional funds, procedures in paragraph (d) of this section apply.

(d) Overdue SF–425, Federal Financial Reports. Awardees with overdue SF–425, Federal Financial Reports, or other required financial reports (as identified in the award terms and conditions), will have their applicable balances in the approved federal electronic funds transfer system restricted or placed on “manual review,” which restricts the awardee’s ability to draw funds, thus requiring prior approval from OAO. If any remaining available balances are needed by the awardee (beyond the 90-day period following the award expiration date) and the awardee has not requested an extension to submit a final SF–425, Financial Status Report, the awardee will be required to contact OAO to request permission to draw any additional funds and will be required to provide justification and documentation to support the draw. Awardees also will need to comply with procedures in paragraph (c) of this section. OAO will approve these draw requests only in extenuating circumstances.

(e) Additional reporting requirements. OAO may require forecasts of Federal cash requirements in the “Remarks” section of the report; and when practical and deemed necessary, OAO may require awardees to report in the “Remarks” section the amount of cash advances received in excess of three days (i.e., short narrative with explanations of actions taken to reduce the excess balances). When OAO needs additional information or more frequent reports, a special provision will be added to the award terms and conditions and identified in the OAO award agreement. Should OAO determine that an awardee’s accounting system is inadequate, additional pertinent information to further monitor awards may be requested from the awardee until such time as the system is brought up to standard, as determined by OAO. This additional reporting requirement will be required via a special provision to the award terms and conditions of the OAO award agreement.
§ 2500.047 Project meetings.

In addition to reviewing and monitoring the status of progress and final technical reports and financial reports, OAO Project Officers may use regular and periodic conference calls to monitor the awardee’s performance as well as conferences, workshops, meetings, and symposia to not only monitor the awards, but to facilitate communication and the sharing of project results. These opportunities also serve to eliminate or minimize OAO funding of unneeded duplicative project activities. Required attendance at these conference calls, conferences, workshops, meetings, and symposia will be identified in the RFP or award document.

§ 2500.048 Review of disallowed costs.

(a) Notice. If the OAO Project Officer (PO) determines that there is a basis for disallowing a cost, OAO shall provide the awardee written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.

(b) Awardee response. Within 60 days of receiving written notice of the PO’s intent to disallow the cost, the awardee may respond with written evidence and arguments to show the cost is allowable, or that, for equitable, practical, or other reasons, shall not recover all or part of the amount, or that the recovery should be made in installments. An extension of time will be granted only in extenuating circumstances.

(c) Decision. Within 60 days of receiving the awardee’s written response to the notice of intent to disallow the cost, the PO shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal that has been provided under this section. If the awardee does not respond to the written notice under paragraph (a) of this section within the time frame specified in paragraph (b) of this section, the PO shall issue a management decision on the basis of the information available to it. The management decision shall constitute the final action with respect to whether the cost is allowed or disallowed. In the case of a questioned cost identified in the context of an audit subject to 7 CFR part 3052, the management decision will constitute the management decision under 7 CFR 3052.405(a).

(d) Demand for payment. If the management decision under paragraph (c) of this section constitutes a finding that the cost is disallowed and, therefore, that a debt is owed to the Government, the PO shall provide the required demand and notice pursuant to 7 CFR 3.11.

(e) Review process. Within 60 days of receiving the demand and notice referred to in paragraph (d) of this section, the awardee may submit a written request to the OAO Director for a review of the final management decision that the debt exists and the amount of the debt. Within 60 days of receiving the written request for a review, the OAO Director will issue a final decision regarding the debt. A review by the OAO Director or designee constitutes an administrative review for debts under 7 CFR part 3, subpart F.

§ 2500.049 Prior approvals.

(a) Subcontracts. No more than 50 percent of the award may be subcontracted to other parties without prior written approval of the ADO. Any subcontract awarded to a Federal agency under an award must have prior written approval of the ADO. To request approval, a justification for the proposed subcontractual arrangements, a performance statement, and a detailed budget for the subcontract must be submitted to the ADO.

(b) No-cost extensions of time—(1) General. Awardees may initiate a one-time no-cost extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply: the terms and conditions of the award prohibit the extension; the extension requires additional Federal funds; and the extension involves any change in the approved objectives or scope of the project. For the first no-cost extension, the awardee must notify OAO in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award.

(2) Additional requests for no-cost extensions of time before expiration date. When more than one no-cost extension
of time or an extension of more than 12 months is required, the extension(s) must be approved in writing by the PO. The awardee must submit a written request, which must be received no later than 10 days prior to the expiration date of the award, to the PO. The request must contain, at a minimum, the following information: The length of the additional time required to complete the project objectives and a justification for the extension; a summary of the progress to date; an estimate of the funds expected to remain unobligated on the scheduled expiration date; a projected timetable to complete the portion(s) of the project for which the extension is being requested; and signature of the AOR and the PD.

(3) Requests for no-cost extensions of time after expiration date. OAO may consider and approve requests for no-cost extensions of time up to 120 days following the expiration of the award. These will be approved only for extenuating circumstances, as determined by OAO. The awardee’s AOR must submit the requirements identified under paragraph (b)(2) of this section as well as an “extenuating circumstance” justification and a description of the actions taken by the awardee to minimize these requests in the future.

(4) Other requirements. No-cost extensions of time may not be exercised merely for the purpose of using unobligated balances.

§ 2500.050 Suspension, termination, and withholding of support.

(a) General. If an awardee has failed to materially comply with the terms and conditions of the award, OAO may take certain enforcement actions, including, but not limited to, suspending the award pending corrective action and terminating the award for cause.

(b) Suspension. OAO generally will suspend (rather than immediately terminate) an award to allow the awardee an opportunity to take appropriate corrective action before OAO makes a termination decision. OAO may decide to terminate the award if the awardee does not take appropriate corrective action during the period of suspension. OAO may terminate, without first suspending, the award if the deficiency is so serious as to warrant immediate termination. Termination for cause may be appealed under the terms and conditions identified in the OAO award agreement.

(c) Termination. An award also may be terminated, partially or wholly, by the awardee or by OAO with the consent of the awardee. If the awardee decides to terminate a portion of the award, OAO may determine that the remaining portion of the award will not accomplish the purposes for which the award was originally made. In any such case, OAO will advise the awardee of the possibility of termination of the entire award and allow the awardee to withdraw its termination request. If the awardee does not withdraw its request for partial termination, OAO may initiate procedures to terminate the entire award for cause.

§ 2500.051 Debt collection.

The collection of debts owed to OAO by awardees, including those resulting from cost disallowances, recovery of funds, unobligated balances, or other circumstances, are subject to the Department’s debt collection procedures as set forth in 7 CFR part 3, and, with respect to cost disallowances, § 2500.048.

§ 2500.052 Award appeals procedures.

(a) General. OAO permits awardees to appeal certain adverse post-award administrative decisions made by OAO. Such adverse decisions include: Termination, in whole or in part, and determination that an award is void. An award may be terminated for failure of the awardee to carry out its approved project in accordance with the applicable law and the terms and conditions of award; or for failure of the awardee otherwise to comply with any law, regulation, assurance, term, or condition applicable to the award. Additionally, an award may be determined to be void if, for example, it was not authorized by statute or regulation or because it was fraudulently obtained. Appeals of determinations regarding the availability of costs are subject to the procedures in § 2500.048.

(b) Appeal Procedures. The formal notification of an adverse determination will contain a statement of the awardee’s appeal rights. To appeal an adverse
The awardee must submit a request for review to the OAO official specified in the notification, detailing the nature of the disagreement with the adverse determination and providing supporting documents in accordance with the procedures contained in the notification. The awardee's request to OAO for review must be received within 60 days after receipt of the written notification of the adverse determination; however, an extension may be granted if the awardee can show good cause why an extension is warranted. OAO will carefully consider the merits of all requests for appeals and further reviews. However, at the conclusion of the OAO appeal review process, the OAO decision rendered on the appeal is considered final. The awardee will be notified in writing by OAO of final appeal review determinations.

§ 2500.053 Expiring appropriations.

(a) OAO awards supported with office appropriations. Most OAO awards are supported with annual appropriations. On September 30th of the 5th fiscal year after the period of availability for obligation ends, the funds for these appropriations accounts expire per 31 U.S.C. 1552 and the account is closed, unless otherwise specified by law. Funds that have not been drawn through the approved electronic funds transfer system, by the awardee or disbursed through any other system or method by August 31st of that fiscal year are subject to be returned to the U.S. Department of the Treasury after that date. The August 31st requirement also applies to awards with a 90-day period concluding on a date after August 31st of that fifth year. Appropriations cannot be restored after expiration of the accounts. More specific instructions are provided in the terms and conditions of the OAO award agreement.
