

§ 75.12

performed; (c) the methods and instructions for the inspection of the seed (either Association of Official Seed Analysts (AOSA) or International Seed Testing Association (ISTA) rules); (d) the name and address of the applicant and, if made by an authorized agent; and (e) such further information relating to the inspection as may be required.

§ 75.12 When application deemed filed.

An application shall be deemed filed when received by the Division or the Federal Seed Laboratory.

§ 75.13 When application may be rejected.

Any application for service may be rejected by the Director (a) for non-compliance with the Act or the regulations relating to applications for service in this subpart, or (b) when it is not practicable to provide the service. Each such applicant shall be promptly notified in writing.

§ 75.14 When application may be withdrawn.

An application may be withdrawn at any time before the requested service is rendered. The applicant will remain responsible for payment of expenses incurred in connection therewith as provided in § 75.44.

§ 75.15 Authority of agent.

Proof of authority of any person making an application as an agent may be required in the discretion of the official receiving the application.

§ 75.16 Accessibility of seeds.

Each lot of seed for which a lot inspection is requested shall be placed by the applicant so as to permit the entire lot to be sampled and a representative sample to be obtained as required.

§ 75.17 Testing.

Upon request by the applicant, tests may be made for kind, variety, germination, purity, weed seeds, disease pathogens, treatment, moisture, and other special tests, or any combination thereof for which prescribed methods of testing are established. The tests shall be in accordance with the methods of either the Association of Official Seed

Analysts (AOSA) or the International Seed Testing Association (ISTA) as requested by the applicant.

§ 75.18 Sampling.

Sampling, when requested by the applicant, shall be in accordance with the methods of either the Association of Official Seed Analysts (AOSA) or the International Seed Testing Association (ISTA), depending upon the test method requested by the applicant.

§ 75.19 Seed lot inspection.

A lot inspection shall be made by obtaining a representative sample from a specified quantity of seed identified with a distinguishing mark or number to appear on all containers in the lot, and performing such test(s) as may be requested by the applicant. The identification mark or number must be approved by the inspector and will appear on the certificate to be issued.

§ 75.20 Submitted sample inspection.

A sample inspection shall be made by testing a sample of seed submitted by an applicant for inspection.

§ 75.21 Grain sample inspection.

A sample inspection shall be performed by examining official grain samples received from FGIS to identify specified weed and crop seeds upon the request of FGIS.

§ 75.22 Form of inspection certificate.

Inspection certificates shall be approved by the Director as to their form. No correction, erasure, or other change shall be made in the information on a certificate.

§ 75.23 Issuance of inspection certificate.

After an inspection has been completed, an inspection certificate shall be issued showing the results of the inspection in accordance with paragraph (a) or (b) of this section.

(a) *Lot inspection certificate.* A lot inspection certificate shall be issued to include the name of the inspector sampling and sealing the seed lot, the analysis results from testing the sample, the identifying mark or number which has been approved by the inspector to appear on each container in the seed
