resubmitted every 60 days until the default is cured either through restructuring or liquidation.

(b) All lenders will submit the appropriate guaranteed loan status reports as of March 31 and September 30 of each year;

(c) CLP lenders also must provide the following:
(1) A written summary of the lender's annual analysis of the borrower's operation. This summary should describe the borrower's progress and prospects for the upcoming operating cycle. This annual analysis may be waived or postponed if the borrower is financially strong. The summary will include a description of the reasons an analysis was not necessary.
(2) For lines of credit, an annual certification stating that a cash flow projecting at least a feasible plan has been developed, that the borrower is in compliance with the provisions of the line of credit agreement, and that the previous year income and loan funds and security proceeds have been accounted for.

(d) In addition to the requirements of paragraphs (a), (b), and (c) of this section, the standard eligible lender also will provide:
(1) Borrower's balance sheet, and income and expense statement for the previous year.
(2) For lines of credit, the cash flow for the borrower's operation that projects a feasible plan or better for the upcoming operating cycle. The standard eligible lender must receive approval from the Agency before advancing future years' funds.
(3) An annual farm visit report or collateral inspection.
(e) PLP lenders will submit additional reports as required in their lender's agreement.

(f) A lender receiving a final loss payment must complete and return an annual report on its collection activities for each unsatisfied account for 3 years following payment of the final loss claim.

§ 762.142 Servicing related to collateral.

(a) General. The lender’s responsibilities regarding servicing collateral include, but are not limited to, the following:
(1) Obtain income and insurance assignments when required.
(2) Ensure the borrower has or obtains marketable title to the collateral.
(3) Inspect the collateral as often as deemed necessary to properly service the loan.

(b) Partial releases.
(1) A lender may release guaranteed loan security without FSA concurrence as follows:
(i) When the security item is being sold for market value and the proceeds will be applied to the loan in accordance with lien priorities. In the case of term loans, proceeds will be applied as extra payments and not as a regular installment on the loan.
(ii) The security item will be used as a trade-in or source of down payment funds for a like item that will be taken as security.
(iii) The security item has no present or prospective value.

(2) A partial release of security may be approved in writing by the Agency upon the lender's request when:
(i) Proceeds will be used to make improvements to real estate that increase the value of the security by an amount equal to or greater than the value of the security being released.

Farm Service Agency, USDA

(ii) Security will be released outright with no consideration, but the total unpaid balance of the guaranteed loan is less than or equal to 75 percent of the value of the security for the loan after the release, excluding the value of growing crops or planned production, based on a current appraisal of the security.

(iii) Significant income generating property will not be released unless it is being replaced and business assets will not be released for use as a gift or any similar purpose.

(iv) Agency concurrence is provided in writing to the lender’s written request. Standard eligible lenders and CLP lenders will submit the following to the Agency:

(A) A current balance sheet on the borrower; and

(B) A current appraisal of the security. Based on the level of risk and estimated equity involved, the Agency will determine what security needs to be appraised. Any required security appraisals must meet the requirements of §762.127; and

(C) A description of the purpose of the release; and

(D) Any other information requested by the Agency to evaluate the proposed servicing action.

(3) The lender will provide the Agency copies of any agreements executed to carry out the servicing action.

(4) PLP lenders will request servicing approval in accordance with their agreement with the Agency at the time of PLP status certification.

(c) Subordinations. (1) The Agency may subordinate its security interest on a direct loan when a guaranteed loan is being made if the requirements of the regulations governing Agency direct loan subordinations are met and only in the following circumstances:

(i) To permit a guaranteed lender to advance funds and perfect a security interest in crops, feeder livestock, livestock offspring, or livestock products when no funds have been advanced from the guaranteed loan for their production, so a lender can make a loan for annual production expenses; or

(ii) When the lender requesting the guarantee needs the subordination of the Agency’s lien position to maintain its lien position when servicing or restructurings;

(iii) When the lender requesting the guarantee is refinancing the debt of another lender and the Agency’s position on real estate security will not be adversely affected; or

(iv) To permit a line of credit to be advanced for annual operating expenses.

(2) The Agency may subordinate its basic security in a direct loan to permit guaranteed line of credit only when both of the following additional conditions are met:

(i) The total unpaid balance of the direct loans is less than or equal to 75 percent of the value of all of the security for the direct loans, excluding the value of growing crops or planned production, at the time of the subordination. The direct loan security value will be determined by an appraisal. The lender requesting the subordination and guarantee is responsible for providing the appraisal and may charge the applicant a reasonable appraisal fee.

(ii) The applicant cannot obtain sufficient credit through a conventional guaranteed loan without a subordination.

(3) The lender may not subordinate its interest in property which secures a guaranteed loan except as follows:

(i) The lender may subordinate its security interest in crops, feeder livestock, livestock offspring, or livestock products when no funds have been advanced from the guaranteed loan for their production, so a lender can make a loan for annual production expenses; or

(ii) The lender may, with written Agency approval, subordinate its interest in basic security in cases where the subordination is required to allow another lender to refinance an existing prior lien, no additional debt is being incurred, and the lender’s security position will not be adversely affected by the subordination.

(iii) The Agency’s national office may provide an exception to the subordination prohibition if such action is in the Agency’s best interest. However, in no case can the loan made under the subordination include tax exempt financing.

(d) Transfer and assumption. Transfers and assumptions are subject to the following conditions:
(1) For standard eligible and CLP lenders, the servicing action must be approved by the Agency in writing. For standard eligible and CLP lenders, the transferee must apply for a loan in accordance with §762.110, including a current appraisal, unless the lien position of the guaranteed loan will not change, and any other information requested by the Agency to evaluate the transfer and assumption.

(3) PLP lenders may process transfers and assumptions in accordance with their agreement with the Agency.

(4) Any required security appraisals must meet the requirements of §762.127.

(5) The Agency will review, approve or reject the request in accordance with the time frames in §762.130.

(6) The transferee must meet the eligibility requirements and loan limitations for the loan being transferred, all requirements relating to loan rates and terms, loan security, feasibility, and environmental and other laws applicable to an applicant under this part.

(7) The Agency approves the transfer and assumption by executing a modification of the guarantee to designate the party that assumed the guaranteed debt, the amount of debt at the time of the assumption, including interest that is being capitalized, and any new loan terms, if applicable.

(8) The lender must give any holder notice of the transfer. If the rate and terms are changed, written concurrence from the holder is required.

(9) The lender will use its own assumption agreements or conveyance instruments, providing they are legally sufficient to obligate the transferee for the total outstanding debt. The lender will provide the Agency copies of any agreements executed to carry out the servicing action.

(10) The lender will summarize the meeting and proposed solutions on the Agency form for guaranteed loan borrower default status completed after the meeting. The lender will indicate the results on this form for the lender’s consideration of the borrower for interest assistance in conjunction with rescheduling under §762.145(b).

(11) The lender may not initiate foreclosure action on the loan until 60 days after eligibility of the borrower to participate in the interest assistance programs has been determined by the Agency. If the lender or the borrower does not wish to consider servicing options under this section, this should be documented, and liquidation under §762.149 should begin.

§762.143 Servicing distressed accounts.

(a) A borrower is in default when 30 days past due on a payment or in violation of provisions of the loan documents.

(b) In the event of a borrower default, SEL and CLP lenders will:

(1) Report to the Agency in accordance with §762.141.

(2) Determine whether it will repurchase the guaranteed portion from the holder in accordance with §762.144, if the guaranteed portion of the loan was sold on the secondary market.

(3) Arrange a meeting with the borrower within 15 days of default (45 days after payment due date for monetary defaults) to identify the nature of the delinquency and develop a course of action that will eliminate the delinquency and correct the underlying problems. Non-monetary defaults will be handled in accordance with the lender’s note, loan agreements and any other applicable loan documents.

(i) The lender and borrower will prepare a current balance sheet and cash flow projection in preparation for the meeting. If the borrower refuses to cooperate, the lender will compile the best financial information available.

(ii) The lender or the borrower may request the attendance of an Agency official. If requested, the Agency official will assist in developing solutions to the borrower’s financial problems.

(iii) The lender will summarize the meeting and proposed solutions on the Agency form for guaranteed loan borrower default status completed after the meeting. The lender will indicate the results on this form for the lender’s consideration of the borrower for interest assistance in conjunction with rescheduling under §762.145(b).

(iv) The lender must decide whether to restructure or liquidate the account within 90 days of default, unless the lender can document circumstances that justify an extension by the Agency.

(v) The lender may not initiate foreclosure action on the loan until 60 days after eligibility of the borrower to participate in the interest assistance programs has been determined by the Agency. If the lender or the borrower does not wish to consider servicing options under this section, this should be documented, and liquidation under §762.149 should begin.
