

Agricultural Marketing Service, USDA

§ 948.142

(g) Such additional information as the area committee may find necessary in making a determination regarding the granting of an exemption certificate.

§ 948.131 Federal-State inspection reports.

Each application for exemption shall be accompanied by a written report of a Federal-State Inspector, which shall contain the following:

(a) A statement by the inspector that he personally inspected the potatoes with respect to which exemption is requested, and that he took a representative sample of such potatoes;

(b) A statement of the percentage of the potatoes (excluding culls) which fail to meet the requirements of the grade and size regulations then in effect;

(c) A statement of the defects or damage causing the potatoes to fail to meet grade and size requirements then in effect.

In the event that more than one variety of potatoes is being regulated the above percentage shall be determined separately for each variety of the applicant's potatoes. The cost of Federal-State inspection and report shall be borne by the applicant for exemption.

§ 948.132 Issuance of exemption certificates.

(a) The respective area committee receiving an application for exemption shall give prompt consideration thereto and determine on the basis of the statements and facts therein contained and the factors set forth in § 948.30 whether the application may be approved. The determination, if favorable, shall be evidenced by the issuance of a certificate of exemption pursuant to §§ 948.28 through 948.32. If the applicant's request for exemption is denied, he shall be so notified in writing.

(b) Each certificate of exemption issued as provided in this subpart, shall contain the name and address of the applicant, the location of his farm or ranch, the location, or locations, of all potatoes remaining to be shipped, the total quantity of potatoes which may be shipped under the certificate of exemption, and such other information as

the area committee may deem desirable.

(c) The committee may furnish each applicant receiving a certificate of exemption with appropriate subcertificates of exemption to identify each lot of exempted potatoes and a subcertificate shall be transferable with the lot of potatoes to which it applies. Each applicant receiving a certificate of exemption shall report each shipment of potatoes made under such certificate to the respective area committee issuing the certificate. The report shall state the name and address of the person to whom the potatoes were sold, the quantity sold, the date of transfer, and such other information as the committee may request.

MODIFICATION OF INSPECTION REQUIREMENTS

§ 948.140 Application.

Any handler whose packing facilities are located in an area where inspection is not readily available or the actual cost for inspection would otherwise exceed 1½ times the current per hundred-weight inspection fee, may apply to the respective area committee for a waiver from the reinspection requirements. Applications shall be made on forms furnished by the respective area committee and shall contain such information as the respective area committee, with the approval of the Secretary, may find necessary in making a determination regarding the issuance of such waiver.

§ 948.141 Issuance.

Each respective area committee shall give prompt consideration to each application for a waiver from reinspection. In granting a waiver, the handler shall agree to comply with all marketing order requirements. Approval of an application shall be evidenced by the issuance of an applicable waiver by the respective area committee to the handler.
