(d) The committee shall establish with the approval of the Secretary, the procedures by which such nominations, other than by cooperative marketing associations engaged in the handling of prunes, shall be obtained and shall submit such nominations to the Secretary before April 16 of the year in which nominations are made. In the event the committee determines that any nominating procedure specified in this section does not result in equitable representation, it may establish, with the prior approval of the Secretary, such modifications as will tend to assure such representation.

(e) The producer and handler members of the Committee selected for a new term of office shall nominate a public member and alternate member at the first meeting following their selection.

§ 993.29 Alternates.

An alternate for a member of the committee shall act in the place and stead of such member (a) during his absence, and (b) in the event of his removal, resignation, disqualification, or death, until a successor for such member’s unexpired term has been selected and has qualified. Except as otherwise specifically provided in this subpart the provisions of this part applicable to members also apply to alternate members.

§ 993.30 Failure to nominate.

If a nomination for any position on the committee is not received by the Secretary by May 1, the Secretary may select an eligible individual without regard to nominations.

§ 993.31 Acceptance.

Each person selected as a member or alternate member of the committee shall, prior to serving on the committee, qualify by filing with the Secretary a written acceptance within 15 days after receiving notice of his selection.

§ 993.32 Vacancies.

In the event of any committee vacancy occasioned by the removal, resignation, disqualification, or death of any member, or in the event of the failure of any person selected as a member or alternate member to qualify, a successor for the unexpired term shall be nominated within 60 calendar days thereof. Such nominations shall be made in the manner provided for in this subpart, insofar as applicable, except that nominations of nominees for a producer member position to represent independent producers may, at the discretion of the committee, be made to the committee by the incumbent producer members of the committee who represent independent producers.

§ 993.33 Voting procedure.

Decisions of the Committee shall be by majority vote of the members present and voting and a quorum must be present. Provided, That decisions on marketing policy, grade or size regulations, pack specifications, salable and reserve percentages, and on any matters pertaining to the control or disposition of reserve prunes or to prune plum diversion pursuant to § 993.62, including any delegation of authority for action on such matters and any recommendation of rules and procedures with respect to such matters, including any such decision arrived at by mail or telegram, shall require at least 14 affirmative votes. A quorum shall consist of at least 13 members of whom at least 8 must be producer members and at least 4 must be handler members. Except in case of emergency, a minimum of 5 days notice must be given with respect to any meeting of the Committee. In case of an emergency, to be determined within the discretion of the chairman of the Committee, as much notice of a meeting as is practicable in the circumstances shall be given. The Committee may vote by mail or telegram upon due notice to all members, but any proposition to be so voted upon first shall be explained accurately, fully, and identically by mail or telegram to all members. When any proposition is submitted to be voted on by such method, one dissenting vote shall prevent its adoption.
