

United States are not limited to absences with advance parole. Brief, casual, and innocent absence(s) as used in this paragraph means temporary, occasional trips abroad as long as the purpose of the absence from the United States was consistent with the policies reflected in the immigration laws of the United States.

(c) An alien who has been absent from the United States in accordance with the Service's advance parole procedures shall not be considered as having interrupted his or her continuous physical presence as required at the time of filing an application under this section.

#### § 245a.17 Citizenship skills.

(a) *Requirements.* Applicants for adjustment under LIFE Legalization must meet the requirements of section 312(a) of the Act (8 U.S.C. 1423(a)) (relating to minimal understanding of ordinary English and a knowledge and understanding of the history and government of the United States). Unless an exception under paragraph (c) of this section applies to the applicant, LIFE Legalization applicants must establish that:

(1) He or she has complied with the same requirements as those listed for naturalization applicants under §§312.1 and 312.2 of this chapter; or

(2) He or she has a high school diploma or general educational development diploma (GED) from a school in the United States. A GED gained in a language other than English is acceptable only if a GED English proficiency test has been passed. (The curriculum for both the high school diploma and the GED must have included at least 40 hours of instruction in English and United States history and government). The applicant may submit a high school diploma or GED either at the time of filing Form I-485, subsequent to filing the application but prior to the interview, or at the time of the interview (the applicant's name and A-number must appear on any such evidence submitted); or

(3) He or she has attended, or is attending, a state recognized, accredited learning institution in the United

States, and that institution certifies such attendance. The course of study at such learning institution must be for a period of one academic year (or the equivalent thereof according to the standards of the learning institution) and the curriculum must include at least 40 hours of instruction in English and United States history and government. The applicant may submit certification on letterhead stationery from a state recognized, accredited learning institution either at the time of filing Form I-485, subsequent to filing the application but prior to the interview, or at the time of the interview (the applicant's name and A-number must appear on any such evidence submitted).

(b) *Second interview.* An applicant who fails to pass the English literacy and/or the United States history and government tests at the time of the interview, shall be afforded a second opportunity after 6 months (or earlier, at the request of the applicant) to pass the tests or submit evidence as described in paragraphs (a)(2) or (a)(3) of this section. The second interview shall be conducted prior to the denial of the application for permanent residence and may be based solely on the failure to pass the basic citizenship skills requirements.

(c) *Exceptions.* LIFE Legalization applicants are exempt from the requirements listed under paragraph (a)(1) of this section if he or she has qualified for the same exceptions as those listed for naturalization applicants under §§312.1(b)(3) and 312.2(b) of this chapter. Further, at the discretion of the Attorney General, the requirements listed under paragraph (a) of this section may be waived if the LIFE Legalization applicant:

(1) Is 65 years of age or older on the date of filing; or

(2) Is developmentally disabled as defined under §245a.1(v).

#### § 245a.18 Ineligibility and applicability of grounds of inadmissibility.

(a) *Ineligible aliens.* (1) An alien who has been convicted of a felony or of three or misdemeanors committed in

the United States is ineligible for adjustment to LPR status under this Subpart B; or

(2) An alien who has assisted in the persecution of any person or persons on account of race, religion, nationality, membership in a particular social group, or political opinion is ineligible for adjustment of status under this Subpart B.

(b) *Grounds of inadmissibility not to be applied.* Section 212(a)(5) of the Act (labor certification requirements) and section 212(a)(7)(A) of the Act (immigrants not in possession of valid visa and/or travel documents) shall not apply to applicants for adjustment to LPR status under this Subpart B.

(c) *Waiver of grounds of inadmissibility.* Except as provided in paragraph (c)(2) of this section, the Service may waive any provision of section 212(a) of the Act only in the case of individual aliens for humanitarian purposes, to ensure family unity, or when the granting of such a waiver is otherwise in the public interest. If available, an applicant may apply for an individual waiver as provided in paragraph (c)(1) of this section without regard to section 241(a)(5) of the Act.

(1) *Special rule for waiver of inadmissibility grounds for LIFE Legalization applicants under sections 212(a)(9)(A) and 212(a)(9)(C) of the Act.* An applicant for adjustment of status under LIFE Legalization who is inadmissible under section 212(a)(9)(A) or 212(a)(9)(C) of the Act, may apply for a waiver of these grounds of inadmissibility while present in the United States, without regard to the normal requirement that a Form I-212, Application for Permission to Reapply for Admission into the United States After Deportation or Removal, be filed prior to embarking or re-embarking for travel to the United States, and without regard to the length of time since the alien's removal or deportation from the United States. Such an alien shall file Form I-690, Application for Waiver of Grounds of Excludability Under Sections 245A or 210 of the Immigration and Nationality Act, with the district director having jurisdiction over the applicant's case if the application for adjustment of status is pending at a local office, or with the Director of the Missouri Serv-

ice Center. Approval of a waiver of inadmissibility under section 212(a)(9)(A) or section 212(a)(9)(C) of the Act does not cure a break in continuous residence resulting from a departure from the United States at any time during the period from January 1, 1982, and May 4, 1988, if the alien was subject to a final exclusion or deportation order at the time of the departure.

(2) *Grounds of inadmissibility that may not be waived.* Notwithstanding any other provisions of the Act, the following provisions of section 212(a) of the Act may not be waived by the Attorney General under paragraph (c) of this section:

(i) Section 212(a)(2)(A)(i)(I) (crimes involving moral turpitude);

(ii) Section 212(a)(2)(A)(i)(II) (controlled substance, except for so much of such paragraph as relates to a single offense of simple possession of 30 grams or less of marijuana);

(iii) Section 212(a)(2)(B) (multiple criminal convictions);

(iv) Section 212(a)(2)(C) (controlled substance traffickers);

(v) Section 212(a)(3) (security and related grounds); and

(vi) Section 212(a)(4) (public charge) except for an alien who is or was an aged, blind, or disabled individual (as defined in section 1614(a)(1) of the Social Security Act). If a LIFE Legalization applicant is determined to be inadmissible under section 212(a)(4) of the Act, he or she may still be admissible under the Special Rule described under paragraph (d)(3) of this section.

(d)(1) In determining whether an alien is "likely to become a public charge", financial responsibility of the alien is to be established by examining the totality of the alien's circumstance at the time of his or her application for adjustment. The existence or absence of a particular factor should never be the sole criteria for determining if an alien is likely to become a public charge. The determination of financial responsibility should be a prospective evaluation based on the alien's age, health, family status, assets, resources, education and skills.

(2) An alien who has a consistent employment history that shows the ability to support himself or herself even though his or her income may be below

the poverty level is not excludable under paragraph (c)(2)(vi) of this section. The alien's employment history need not be continuous in that it is uninterrupted. In applying the Special Rule, the Service will take into account an alien's employment history in the United States to include, but not be limited to, employment prior to and immediately following the enactment of IRCA on November 6, 1986. However, the Service will take into account that an alien may not have consistent employment history due to the fact that an eligible alien was in an unlawful status and was not authorized to work. Past acceptance of public cash assistance within a history of consistent employment will enter into this decision. The weight given in considering applicability of the public charge provisions will depend on many factors, but the length of time an applicant has received public cash assistance will constitute a significant factor. It is not necessary to file a waiver in order to apply the Special Rule for determination of public charge.

(3) In order to establish that an alien is not inadmissible under paragraph (c)(2)(vi) of this section, an alien may file as much evidence available to him or her establishing that the alien is not likely to become a public charge. An alien may have filed on his or her behalf a Form I-134, Affidavit of Support. The failure to submit Form I-134 shall not constitute an adverse factor.

(e) *Public cash assistance and criminal history verification.* Declarations by an alien that he or she has not been the recipient of public cash assistance and/or has not had a criminal record are subject to a verification by the Service. The alien must agree to fully cooperate in the verification process. Failure to assist the Service in verifying information necessary for proper adjudication may result in denial of the application.

#### § 245a.19 Interviews.

(a) All aliens filing applications for adjustment of status with the Service under this section must be personally interviewed, except that the adjudicative interview may be waived for a

child under the age of 14, or when it is impractical because of the health or advanced age of the applicant. Applicants will be interviewed by an immigration officer as determined by the Director of the Missouri Service Center. An applicant failing to appear for the scheduled interview may, for good cause, be afforded another interview. Where an applicant fails to appear for two scheduled interviews, his or her application shall be denied for lack of prosecution. Applications for LIFE Legalization adjustment may be denied without interview if the applicant is determined to be statutorily ineligible.

(b) At the time of the interview, wherever possible, original documents must be submitted except the following: official government records; employment or employment-related records maintained by employers, unions, or collective bargaining organizations; medical records; school records maintained by a school or school board; or other records maintained by a party other than the applicant. Copies of records maintained by parties other than the applicant which are submitted in evidence must be certified as true and correct by such parties and must bear their seal or signature or the signature and title of persons authorized to act in their behalf.

(c) If at the time of the interview the return of original documents is desired by the applicant, they must be accompanied by notarized copies or copies certified true and correct by the alien's representative. At the discretion of the district director, original documents, even if accompanied by certified copies, may be temporarily retained for forensic examination by the Service.

#### § 245a.20 Decisions, appeals, motions, and certifications.

(a) *Decisions*—(1) *Approval of applications.* If the Service approves the application for adjustment of status under LIFE Legalization, the district director shall record the alien's lawful admission for permanent residence as of the date of such approval and notify the alien accordingly. The district director shall also advise the alien regarding the delivery of his or her Form I-551, Permanent Resident Card, and of the process for obtaining temporary
