

§ 94.27 Importation of whole cuts of boneless beef from Japan.

Notwithstanding the provisions of § 94.18, whole cuts of boneless beef derived from cattle that were born, raised, and slaughtered in Japan may be imported into the United States under the following conditions:

(a) The beef is prepared in an establishment that is eligible to have its products imported into the United States under the Federal Meat Inspection Act (21 U.S.C. 601 *et seq.*) and the regulations in 9 CFR 327.2 and the beef meets all other applicable requirements of the Federal Meat Inspection Act and regulations thereunder (9 CFR chapter III), including the requirements for removal of SRMs and the prohibition on the use of air-injection stunning devices prior to slaughter on cattle from which the beef is derived.

(b) The beef is derived from cattle that were not subjected to a pithing process at slaughter.

(c) An authorized veterinary official of the Government of Japan certifies on an original certificate that the above conditions have been met.

EFFECTIVE DATE NOTE: At 78 FR 72999, Dec. 4, 2013, § 94.27 was removed and a new § 94.27 was added, effective Mar. 4, 2014. For the convenience of the user, the added text is set forth as follows:

§ 94.27 Transit shipment of articles.

Meat, meat products, and other edible products derived from bovines, ovines, or caprines that are otherwise prohibited importation into the United States in accordance with § 94.18 through § 94.26 may transit air and ocean ports in the United States for immediate export if the conditions of paragraphs (a) through (c) this section are met. Meat, meat products, and other edible products derived from bovines, ovines, or caprines are eligible to transit the United States by overland transportation if the requirements of paragraphs (a) through (d) of this section are met:

(a) The articles must be sealed in leakproof containers bearing serial numbers during transit. Each container must remain sealed during the entire time that it is in the United States.

(b) The person moving the articles must notify, in writing, the inspector at both the place in the United States where the articles will arrive and the port of export before such transit. The notification must include the:

(1) Times and dates of arrival in the United States;

(2) Times and dates of exportation from the United States;

(3) Mode of transportation; and

(4) Serial numbers of the sealed containers.

(c) The articles must transit the United States in Customs bond.

(d) The commodities must be eligible to enter the United States in accordance with the provisions of this part and must be accompanied by the certification required by that section. Additionally, the following conditions must be met:

(1) The shipment must be exported from the United States within 7 days of its entry; and

(2) The commodities may not be transloaded while in the United States, except for direct transloading under the supervision of an authorized inspector, who must break the seals of the national government of the region of origin on the means of conveyance that carried the commodities into the United States and seal the means of conveyance that will carry the commodities out of the United States with seals of the U.S. Government.
